The assurance which Prime Minister Winston Churchill gave the British people soon after the beginning of this war to the effect that victory could be won only at the cost of "sweat and blood and tears" is even yet proving to be a stern reality, not only for the British people but for the Americans as well. Our forces made some spectacular advances on the western front until they approached near to the Siegfried line, but for the past two weeks they have been unable to make but little progress, or had done so up until Wednesday. Moreover, an Allied paratroop division was cut off from its base of supplies and from other Allied units and almost annihilated. We are still just a few miles over on German soil, and it may be a path of "sweat and blood and tears" for many miles yet before victory comes to our Arms. Many of our people have thought that the war was over all but the shouting but to us it seems probable that the fight will yet be long and bloody. Those Germans are now fighting with their backs to the wall, and most

men can do their most savage fighting in that position.

It was Champ Clark of Missouri who first used that expression, "You got to quit kickin' my dog around" in connection with politics. It became a campaign battlecry throughout the country that year, and later somebody wrote the song of that name. FDR's mock complaint Saturday night that the Republicans were slandering his little dog Fala brought memories of the old Champ Clark days of a half century ago to all these old wrinkle-faced Democrats. For FDR more than intimated that those old isolationists had better lay off of his dog.

That old war-horse, Jim Ferguson, came to the end of the way last Friday. His death brought genuine grief to thousands of erstwhile supporters and friends. He was undoubtedly one of the brainiest men and shrewdest politicians Texas has ever produced. As a campaigner, he was tops. But he made just as bitter enemies as he made blindly-devoted friends. He espoused causes and used methods that aroused the suspicion, the opposition, and even the hatred of thousands of the state's best citizens. He was not always wrong but it is a pity that he was not always right. He could have been a really great and almost peerless statesman. —

The latest Gallup poll indicated that at that time about 285 electoral votes were in the bag for Roosevelt against about 208 for Dewey. It will probably be much stronger that for Roosevelt when Dewey has time to make two or three other speeches. Dewey would be a dandy good campaigner if there were nobody to answer him. But he certainly does lay down the rap for his opponent to walk through. And FDR never misses an opportunity like that.

BRIDE IS HONORED

Mrs. Melvin Pankoney, the former Miss Billie Riddle, was honored with a crystal and personal shower Monday evening in the home of Mrs. Oscar C. Roberts in northwest Tahoka. Fifty guests called between 6 and 8 o'clock, and numerous others sent gifts.

Hostesses were: Misses Eloise Nettles, Ima Corley, Paulene Hale, and Mesdames Eldon Carroll and Melton Flowers.

The lace-covered refreshment table was centered with a flower woven covering, consisting of carnations, fern, gladiolas, and tube roses. Lighted candles also adorned the table. Plate favors were various colored gumdrop candies supporting miniature American flags. Individual cakes, decorated with pink and green candies were served with punch.

Mrs. Eldon Carroll met the guests at the door, while Miss Ima Corley was at the bride's book. Misses Eloise Nettles and Paulene Hale presided at the refreshment table. Miss Robbie Milliken, accompanied by Miss Valarie Wells at the piano, sang, "It's Love, Love, Love."

CITATION BY PUBLICATION

The State of Texas.

To: Doris Lee, Greeting:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the First Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday, the 6th day of November, A. D. 1944, at or before 10 o'clock A. M., before the Honorable District Court of Lynn County, at the Court House in Tahoka, Texas. Said plaintiff's petition was filed on the 1st day of August, 1944. The file number of said suit being No. 1573. The names of the parties in said suit are: Henry C. Lee, as Plaintiff, and Doris Lee, as Defendant.

The nature of said suit being substantially as follows, to wit: On or about the 12th day of August, 1941, plaintiff was duly and legally married to defendant at Clovis, New Mexico, and continued to live with her as her husband until on or about the 14th day of June, 1944. Plaintiff is and has been for more than twelve months immediately prior to exhibiting this petition, an actual bona fide inhabitant of the State of Texas, and has resided in the said county of Lynn, where this suit is filed, for a period of six months, next preceding the filing thereof.

Plaintiff says that no child or children have been born as issue of the marriage of these parties and that they have no community property between them.

At all times while married to the defendant, plaintiff has conducted himself with propriety, doing his duty as a husband, has at all times treated defendant with kindness and forbearance, and has been guilty of no act bringing about or causing the hereinafter described acts, omissions, and conditions on defendant's part.

That the defendant, disregarding the solemnity of her marriage vow, and her obligation to treat plaintiff with kindness and attention, within a short time after their said marriage, commenced a course of unkind, harsh and tyrannical conduct towards plaintiff, which continued with very slight intermission until plaintiff finally separated from defendant on or about the 14th day of June, 1944. On divers occasions while plaintiff lived with defendant as aforesaid, defendant was guilty of excesses, cruel treat-

ment and outrages toward plaintiff of such a nature as to render their living together insupportable.

Wherefore, plaintiff prays that defendant be cited to appear and answer this petition, and that upon a final hearing, he have judgment of divorce, dissolving the marital relations between plaintiff and defendant, and for such other and further relief, either in law or in equity, to which he may show himself justly entitled to receive.

Issued this the 19th day of September, 1944.

Given under my hand and seal of said Court, at office in Tahoka, Texas, this the 19th day of September, A. D. 1944.

Hattie Server, Clerk of District Court, Lynn County, Texas. (Seal) 7-4tc.

Rotary-Teacher Banquet Is Held

One hundred and forty-three were present at Tuesday night's annual Tahoka Rotary-Teacher Ann-Teacher banquet, held in the school gymnasium. The meeting was declared by many to have been one of the best such affairs ever held here.

President Fred McGinty opened the meeting, and Rev. Levi Price pronounced the invocation. Teacher guests were introduced by Leo Jackson, high school principal, trustees by R. P. Weathers, and other guests by McGinty.

Travis Hanes acted as master of ceremonies during the program, arranged by Carl Griffing and L. C. Haney.

Rev. Art Brown of Lamesa, led in the singing of several songs, and Woodrow Montgomery, a new member of the Tahoka faculty, presented two violin solos, accompanied at the piano by Mrs. John Simms. Rev. Brown then presented a one-act play, enacting all the parts himself.

Lt. James F. (Jimmy) Spain was next introduced by Dr. J. W. Sinclair, and the Army pilot-told of his harrowing adventures while stationed in India flying over the Himalayas to China in an un-armed cargo plane.

His last mission was over Burma, and Jap Zeros attacked and shot down his ship in the jungles of

Burma. Lt. Spain was the sole survivor. After many days journey through the jungle, infested with panthers, leopards, and other wild animals, and after many narrow escapes, he finally reached a native village of headhunters, and these natives guided him back to the American lines.

L. C. Haney then showed pictures taken by Lt. Lee King, killed in an airplane accident in India, while Lt. Spain acted as narrator. The moving pictures, many of them colored films, depicted life in North Africa and India, and contained views of the Himalayas taken by Lt. King while he was flying the "hump" route.

Mrs. Lee King and son were special guests of the club.

Mrs. W. R. (Marie) Sanders of Houston and Mrs. O. D. (Faye) Pierce of Langtry spent last week here visiting their mother. Mrs. Pearl Brown, and other relatives. Mr. Pierce came up on Friday night and accompanied his wife home Saturday afternoon.

Sgt. Ray Fannin of Littlefield was here Wednesday visiting the Ruby Wells family. He and James Elton Wells had been together for some time on the Pacific war front. He reported that he left James doing fine on Tinian Island when he sailed for home in August.

Mr. and Mrs. C. A. Thomas left Tuesday for Galveston, where they expect to spend the next few weeks

BAPTIST CHURCH
At the services Sunday morning, the Baptist Church adopted a budget for the following fiscal year in the sum of \$12,780. This covers all ordinary home expenses and charities, and associational, district, state and South-wide causes fostered by the denomination, together with home and foreign missions. It includes educational, eleemosynary, and missionary causes.

This budget represents an increase of \$2,104 over the budget for the past year being \$10,676. The amount actually raised, however, was \$15,121.47. This included expenditures for improvements in the basement of the church amounting to more than \$2,000 and expenditures on the purchase of a thousand dollars or more.

Two excellent services were held Sunday. The auditorium was almost filled to its capacity Sunday morning and a larger crowd than usual was present Sunday night, with two wonderful messages from the pastor. There were four additions to the church Sunday morning and three Sunday night, two of the number being by baptism. Baptismal services were held Sunday night, three new members being baptized.

There were 259 in Sunday school Sunday morning, against 261 on the preceding Sunday and 273 on the Sunday preceding that.

A vote of the church was taken Sunday night sounding out sentiment as to an educational director, but after the vote was announced it was decided to take the matter under further advisement.

Next Sunday will be Promotion and Installation Day. Pupils will be promoted during the Sunday school hour and installation of officers and teachers for the ensuing year will follow.

Baptismal services were held in the Church Sunday afternoon by the Wilson church, its pastor, Rev. Lloyd Gentry, baptizing one candidate. A number of the members of the Wilson church were present together with a few members of the local church.

faith. So, we shall observe Promotion Day Sunday. And too, every class should have all members present and as many new ones as possible.

Wednesday night, Oct. 4th. Dr. H. I. Robinson, pastor of the First Methodist Church at Lubbock, will speak to the members and friends of this church and McMurtry College. His theme will be "McMurtry College. The members are to bring a covered dish. Every member is expected to be present and get the needed information in regard to the Building and Endowment Campaign for McMurtry College. Dr. Robinson is one of the outstanding ministers of this Conference, and we want you to hear him next Wednesday night. — The Pastor.

EMERGENCY CLOTHING COLLECTION FOR EUROPE
During the week beginning Oct. 1, the Emergency Collection of Clothing for Europe will be conducted by the Woman's Society of Christian Service of the local Methodist Church, in co-operation with the United Nations Relief and Rehabilitation Administration. At least 15,000,000 pounds of usable garments new and old, are urgently needed by men, women, and children in the liberated areas.

The approaching winter, according to latest estimates, will find more than 20,000,000 persons driven from their homes by bombing and shelling. A vast proportion of these civilians have lost all their possessions, including clothes.

All members of families in Lynn county are urged to bring to the basement of the Methodist Church of Tahoka all the garments they can spare. Shoes, hats, or formal clothes are not sought in this campaign.

There is a desperate need for all underwear, coats, sweaters, suits, coveralls, overalls, khakis, dresses of all kinds, robes, nightwear, jackets, skirts, aprons, jumpers and smocks for men and women, boys and girls, and particularly infants' knit goods and all other types of infants' wear. Blankets, afghans, sheets and pillow cases and quilts are needed.

There will be someone at the Methodist Church basement Monday, Oct. 2, Tuesday, Oct. 3, Wednesday, Oct. 4, and Thursday, Oct. 5, from 4:00 to 6:00 o'clock. Please bring your clothes.

We had 22 present Monday. We now have 34 members, of which we are happy, but wish we could have more. Those not attending are missing some inspiring programs.—Reporter.

OUTSTANDING PERSON—

Have you seen that 5 ft. 2 in of a perfect blond? There are several blonds going to THIS, but the one I'm thinking about is Nancy Weathers of the Sophomore class, better known as "Nan." Nan says her hair is blond. We agree. Her eyes—we can't quite figure out—just mix gray, blue and green and you'll get it. Nancy has a deep love for horses and Van Johnson. She is also very fond of French-fries, jitter-bugging and "Straighten Up and Fly Right." When asked who her dream boy is, she replied "My big brother in England." Nancy is a typical American girl with a wonderful personality, which accounts for her many friends.

Bulldogs Won Two Games Last Week

The Lubbock Cowhands were defeated by the Tahoka Bulldogs Friday night at Bulldog Field. W. T. Hines, flashing left end, caught a flying pass in the first quarter flung by "Seabiscuit" Caraway for the first score.

During the second quarter Billy Barrington ripped down the field 70 yards to make the score 12-0.

After this, the Bulldogs kept smashing score after score. The Cowhands scored only twice in the game. The Bulldogs ran up 14 first downs to the Cowhands four. The final score was 41-12.

It was a very exciting game despite the lop-sided score.

BULLDOGS CHEW HORNS OFF POST ANTELOPES 13-0

Thursday night in the first conference game of the Bulldogs' season, Tahoka got off to an early start with Jerry Edwards scoring in the first quarter of the game. The two teams fought fiercely in the second quarter, with no one scoring. In the third, Lane Jones intercepted a pass and ran for a touchdown, then scored the extra point. The final score was 13-0.

It was a thrilling victory for the Bulldogs, despite stubborn resistance by the Antelopes.

Programs Held At Assembly

The program held in the auditorium last Tuesday was political speeches made in behalf of students running for Student Council.

For president, Johnnie Wells presented the candidacy of W. T. Hines, Charles Fulkerson spoke for Billy Travis Hanes, Jo Ann Henderson for George M. Small, Jo Bennett for J. Fred Bucy, and Billie Jo Cowan for Jane Bosworth.

For vice president, Alice Roberts for Johnnie M. Anderson, Donna S. Milliken for Gwynnell Davis, and Jo Ann Henderson for Clifton White.

For secretary, Donna S. Milliken spoke for Billie Jo Cowan, Billy Warren for Dot Johnson and Glenda Spencer, and Thomas Fulkerson for Nancy R. Weathers.

The day set to vote was Tuesday, Sept. 26.

JUNIOR CLASS NEWS

The Junior class had a class meeting on Sept. 18. Billy Jack Warren, Jo Bennett and Ralph Wright rehearsed their speeches for the Junior candidates for Student Council offices.

On Sept. 20, the class had its weekly citizenship program. June Burkhart was chairman of the program. Gerry Frazier played a piano solo. "Time Waits for No One," Jeannine Smith gave a talk on "Talent," Bonnie Campbell read the poem "Daffodils," Jerine Bartley gave a talk on appreciation of poetry, and Betty Hendrix read the Junior class gossip, a comic number.

The class then discussed the correct method of voting for Student Council officers.

Due to co-operation of sponsors and members of the class, the Junior Class is making grand progress.

RECEIVE CLASS RINGS

The Seniors are the center of attraction this week because they have received their class rings. They have waited for them since school began, and they are all very proud of the rings.

...speak no evil!

"There is only one evil," wrote Socrates, "that is ignorance." And ignorance it obviously is, which sometimes prompts the careless car-owner to say that all motor oils are alike, that there is no difference between any of them.

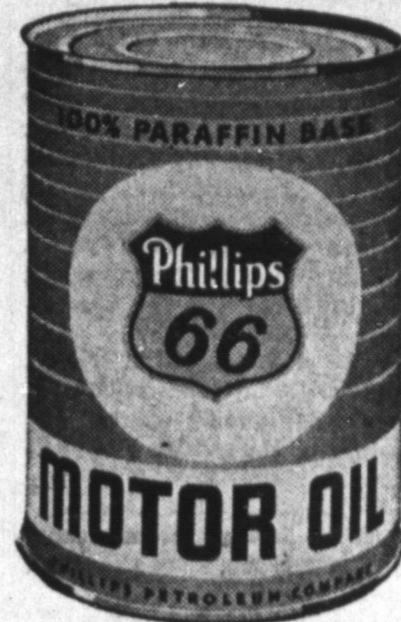

Oils vary in chemical composition, in stability, in freedom from harmful impurities, in lasting power, in ability to maintain viscosity, and in many other ways as well.

That is why all intelligent car-owners naturally prefer a quality oil. But not all of them know the simple, easy way to be sure of getting it, as explained by the following facts:

Phillips offers a number of oils because car-owners' preferences vary almost as much as their cars and pocketbooks. But when you want our best oil, remember Phillips tells you frankly that Phillips 66 Motor Oil is our finest quality... the highest grade and greatest value... among all the oils we offer to average motorists.

Figure the cost per year of draining and refilling with quality oil every two months, as experts advise, as against the cost of using cheap oil; and it is plainly foolish economy to take a chance. So when making the seasonal change from summer-worn lubricant, get quality by getting Phillips 66 Motor Oil.

SENIOR CLASS NEWS

Friday, Sept. 22, was a happy day for the Seniors, when they were called into the auditorium for distribution of their class rings. They are very attractive, and have a gold setting with the school emblem, a Bulldog, in the center.

During the same meeting, we choose our class flower, which is the red rose. Our motto is "Finished, Yet Beginning." We laid on the table the choosing of our class song.

The Seniors were behind the Tahoka Bulldogs 100 percent when they played the Lubbock Cowhands Friday night. Incidentally, the football team consists of one-third of the Senior Class.

It is the intention of every Senior to make this class the best that ever graduated from Tahoka High School.

F. H. T. CLUB MEETS

The F. H. T. club met in the Homemaking Dept. Thursday, Sept. 21. Darlene Wilke, president, called the meeting to order, and Recording Secretary Mary Jo Anderson read the minutes.

Then, the meeting was turned over to the program chairman, Wynema Pool. Two reports were given, "Care of the Body" by Doris Roberts, and "Care of the Clothing" by Loydine Edwards.

The club plans to have a social Thursday, Sept. 28. The club received several new members, and they enjoyed the meeting, also.

LIBRARY CLUB

The Library Club met September 21 with Miss Johnson. After the business was attended to, Frances Haney gave a book review "Lorna Doone." Plans are being made to raise money for the library in order to buy some new books.

DRAMATICS CLUB

The Dramatic Club lost several of its members at its last meeting because about one hundred and fifty students had joined the club, this making the club entirely too large. The order of business was not taken up because arrangements were being made for part of the members to be transferred to another club.

8TH GRADE NEWS

The 8th grade this week selected class song, flower, and colors. The colors are blue and gold, the flower is the red rose, and the song is "My Wild Irish Rose." We have not yet decided upon a motto.

This week the 8th grade entertained in assembly with songs, piano and violin solos.

Bobby Boyd is the 8th grade representative to the Student Council.

Cpl. Billy Jack Edwards is now in Italy as tail gunner on an Army bomber, according to relatives.
