Tahoka, Lynn County, Texas, Friday, October 6, 1944.

Number 9

## Tahoka Wins Over Levelland, Play In Floydada Tonight

Tahoka Bulldogs will meet the Floydada Whirlwind at Floydada tonight, Friday, in a non-conference game, but it is a game that will attract wide South Plains attention since each is a leading team in its respective district. Only a few fans will follow the team due to the gas and tire shortage.

As The News went to press on Thursday night, the "B" string was playing the Post Antelopes here. Two weeks ago, the hustling "B" stringers beat the Antelopes at Post 13 to 0.

Tahoka's three football teams have played a lot of football the last week. On Thursday afternoon of last week the Junior team, the Pups lost 14 to 7 to the Lubbock Junior High Blues in a game played at Lubbock. Joe Minor made the Pups' lone score.

Thursday night, the Bulldog B string upset the dope bucket by defeating the Class AA Big Spring B string here 13 to 6 before a gleeful crowd. Jim Ed Poer was the scoring star of the evening, but teamwork and good blocking support paved the way for the victory. Poer ran 55 yards to score in the first quarter, and Dan Brookshire plunged over for the conversion. The much heavier Big Spring boys scored in the third period, and on the first play of the fourth quarter. Poer got away again for 55 yards and a touchdown.

Wednesday afternoon of this week Lubbock's other Junior High team, the Purple, came to Tahoka and carried away a 13 to 7 victory over the Pups. Tahoka scored the first time it got the ball, with Flin Botkin going over. Lubbock scored in the second and again in the fourth periods.

But the big football show of the past week was last Friday night, when the rough and hustling Bulldogs defeated the 1943 champions, Levelland, here 19 to 6, in a ball (Cont'd. on last page)

## Bulldogs Will Play Here Next Week

Tahoka Bulldogs will meet the strong Denver City Mustangs here Friday night of next week at 8:30 o'clock in the second conference game of the season. The first conference game was with Post Sept. 21, when Tahoka won 13 to 0. The game with Post this Thursday did not count in conference standings.

Next Thursday afternoon, the Pups play the Lubbock Cowboys at Lubbock, and the "B" team will go to Big Spring Thursday night for a game with the "B" string Steers.

## Truett Holloway Is Now A Lieutenant

David Truett Holloway has been promoted to second lieutenant, having completed work in an officers' candidate school in Australia. The News is informed.

Truett is the son of Mr. and Mrs. E. W. Holloway, Rt. 2, and is a graduate of Cooper High School, was a Tahoka student several years. His wife lives in Lubbock.

## SON-IN-LAW DIES

Fred Miller, son-in-law of Mr. and Mrs. D. A. Stevens, was buried Thursday afternoon at Needles, Calif., following his death Monday from a heart attack. Mr. and Mrs. Stevens, accompanied by their son, Curtis, attended the funeral. Mr. Miller is survived by his wife, the former Miss Audrey Stevens.

## FAT HILL ON PAPER STAFF

Patricia "Pat" Hill, 1944 graduate of Tahoka High School, and a freshman this year at West Texas State Teachers College, Canyon, has been given a place on the staff of The Prairie, college weekly, and is writing a "column" with a by-line. She is the daughter of Mr. and Mrs. Frank Hill, and her daddy was editor of the paper when he was in college.

MERCHANTS SALES PAD, 6 for 25c at The News office.

## Tahoka Men At C. of C. Meeting

Tom Garrard, Fred McGinty and W. O. Thomas represented Tahoka Wednesday afternoon at a district meeting of West Texas Chamber of Commerce officials held in Lubbock, purpose of which was to discuss the program for the year.

Planks proposed in the WTCC program include: a post-war federal tax plan, a Texas national advertising program, more drastic action in case freight rates are not equalized, backing of state fiscal control bill, city and county budget bill, the redistricting bill, and the scholastic attendance school appropriation bill.

A referendum of the various member towns will be taken on the proposed questions.

## Red Cross Workers Will Roll Bandages

The rolling of Red Cross bandages will be resumed next Tuesday morning, Oct. 10, according to Mrs. Irving Stewart, county chairman.

Six other work rooms over the county will open on the same date, according to Mrs. Stewart. They are listed below, with the chairman of each: Grassland, Mrs. Luther Thomas; Hackberry, Mrs. Clyde Haire; New Lynn, Mrs. Newman Bartley; Wilson, Mrs. Pat Swann; New Home, Mrs. Frank Liseby; O'Donnell, Mrs. Thurman Wells.

The Tahoka work room will be open three days and one night each week until the quota of bandages is ready for shipment, Mrs. Stewart says. Work days, with chairmen, are listed below, with the morning hours 9 to 11 o'clock; afternoon, 3 to 5 o'clock, and night, 8 to 10.

Tuesday morning, Mrs. James Clinton.

Tuesday afternoon, Mmes. R. P. Weathers and W. O. Thomas.

Tuesday night, Mrs. W. T. Clinton.

Wednesday morning, Mmes. C. E. Woodworth and V. F. Jones.

Wednesday afternoon, Mmes. H.B. Howell and G. H. Hines.

Thursday morning, Mmes. Carl Griffing and H. B. McCord.

Thursday afternoon, Mmes. G. M. Stewart and Jim Burleson.

Packers for the bandages are: Mmes. Irving Stewart, G. M. Stewart, and Ovid Luallin.

Mrs. Stewart says Lynn county has a large quota and she urges the women to give as much time as possible to this work in order that the shipment may be made on time.

## Sgt. Ronald C. Bean Wounded In Action

Mr. and Mrs. J. W. Bean of this city have received official notification that their son, S/Sgt. Ronald C. Bean, serving in an infantry division, was slightly wounded in France on August 29. They have had several letters from him since he was wounded. The letters were written from a hospital in England, in which his wounds are being treated. He has written that he has received the Purple Heart and has mailed it home.

Sgt. Bean, now 34 years of age, voluntarily enlisted in the Army on October 14, 1940, almost four years ago. He was sent from Camp McCoy, Wisconsin, with the American expeditionary forces to Ireland, and from Ireland he went with the invasion forces to France.

## COUNTY LIBRARY WILL OPEN ON WEDNESDAY, ALSO

Mrs. G. M. Stewart announces that hereafter the County Library will be open from 3:30 to 5:00 o'clock each Wednesday afternoon and from 10:00 a. m. to 12:00 noon, and from 1:00 to 5:00 p. m. Saturday.

Mrs. Stewart also announces that 300 loan books from the University of Texas library have been ordered and will be on the shelves of the County Library soon.

Cpl. Billy Barham, turret gunner on a bomber in the Army Air Corps, returns today to his station at Avon Park, Fla., after nearly a week spent here with his parents, Mr. and Mrs. Newt Barham and other relatives.

## Earl D. Banks, 20, Is Missing In Action

Earl D. Banks, 20, born and reared in Lynn county, has been reported missing in action in the South Pacific since May 15, according to relatives here.

Earl was born June 28, 1924, attended the Tahoka schools, and for a while worked in The News office. He joined the Navy as a cook in January, 1943, and was a cook second class.

Earl's father and five brothers, which is, no doubt, a service record for this section, are in the Service. The father, W. J. Banks, 54, is a cook in the U. S. Coast Guard, stationed in Florida. He formerly was a farmer in the Edith community. The other sons are S/Sgt. William H. Banks, in Europe, Cecil E. Banks, Clyde W. Banks, R. L. Aston Banks, and the youngest, Edwin R. Banks, a 1943 graduate of Tahoka High, who entered the Navy about one month ago.

Mrs. Douglas Greer of Grassland is a sister.

## Mrs. Paul Walker Wins \$2,000 Prize

Mrs. Paul (Pauline) Walker, who has spent most of her life here but is residing near Bledsoe in Cochran county, received probably the most pleasant surprise of her life Monday when the mail brought her a communication notifying her that she was the winner of a prize in a puzzle contest in which she had engaged, accompanied by a check for \$1,000, and a war bond for \$1,000. She was in Tahoka Tuesday depositing the money in the bank and receiving the congratulations of her friends.

Daughter of Mr. and Mrs. J. Y. Thompson, Mrs. Walker was reared in this county and she taught here and elsewhere for a number of years. In fact she did her last teaching in Tahoka.

The contest in which she engaged during the past year involved the solution of a number of puzzles presented by Read's Magazine of New York. Mrs. Walker won third prize, which was to be doubled in case a sufficient number of subscriptions had been sent in. She had sent in the required number of subscriptions and accordingly drew \$2,000 in prizes.

## New Lynn Soldier Wins Bronze Star

With the Fifth Army, Italy—Pfc. Dan Vandell of Wilson and the New Lynn community, was awarded the Bronze Star for meritorious service in combat with a medical unit of the 85th "Custer" Infantry Division on the Fifth Army front in Italy.

## Ceilings Refused On Cotton Pulling And Hauling, As Farmer Signers Insufficient

The State War Food Administration Wage Board did not see fit to recommend ceiling on cotton pulling wages and charges for hauling cotton to gin. An insufficient number of the cotton producing farmers of the approximately 70 counties involved voted, thereby indicating whether the program was favored by the majority of farmers.

Of the 1128 farmers in Lynn county, 546 signed in favor of such ceilings and 21 voted in opposition. Although the balance of Lynn county farmers failed to vote, the 646 who did vote gave this county a substantial majority favoring ceiling. However, as the program would be successful only by involving all cotton producing counties in this area and as less than a majority of the farmers throughout the entire area voted, the program will not be put into effect.

There is obviously an abundant number of pullers in the county and in all surrounding counties. This should cause us all to realize that present wage levels are likely to be sufficiently high. The pullers seem satisfied as a whole. So long as farmers stick by these prices, we will likely get the crop gathered on

Dr. William M. Whyburn, above, is the new president of Texas Technological College, succeeding Dr. Clifford B. Jones, who resigned recently because of ill health. The new president was inaugurated last Saturday afternoon, the ceremonies being attended by leading educators from nearly every college in the state. Dr. Whyburn is said to be a young, aggressive, wide-awake educator.

## Wm. A. Cowart Buried Thursday

William A. Cowart, 69, well-known farmer of the Petty community, died in a Lubbock hospital Tuesday night.

Funeral services were held Thursday afternoon at a Lubbock funeral home, M. Norvel Young, minister of the Broadway Church of Christ, conducting, and burial followed in the Lubbock cemetery.

Mr. Cowart is survived by his wife; two sons, H. L. Cowart of Tahoka and F. H. Cowart of Turkey; one brother, Tom Cowart of Nashville, Ark.; and four grandchildren.

Palbearers were: E. H. Stephenson, J. C. Fleming, James L. Drury, L. C. Crews, Curtis L. Boyd, and Sib Watkins.

## New Nightwatchman Is On Duty Here

W. C. Harvick having resigned as nightwatchman, J. C. Evans, a new citizen of Tahoka, began work this week as nightwatchman in the down-town section.

Mr. Evans and his wife recently bought the Sam Holland place east of the square, and moved here from Hondo, Texas. Mr. Evans has had experience as a peace officer, having been a deputy sheriff at Eagle Pass several years.

J. T. Elliott of this city is a son of Mrs. Evans.

Cpl. "Toe" Roberts of Garden City, Kansas, is home on a 15-day furlough visiting his mother and daughters.

## Legion Welcomes War II Veterans

Ex-servicemen and their wives are requested to attend the regular meeting of the American Legion at the hall in Tahoka Tuesday, Oct. 10, 8 o'clock p. m.

A program, including a speaker and musical numbers, has been arranged, and refreshments or eats will be served.

All ex-service men of World War I, also men honorably discharged from the present conflict, are eligible for membership in the Legion and are urged to place their membership with the Marion G. Bradley Post 260, Tahoka. Our quota of 45 members for 1944 has already been exceeded, and the local post has a paid up membership of 54.

## Sgt. J. M. Proctor Killed In France

Sgt. Joseph Melvin Proctor, 25, of the Joe Bailey community a few miles east of O'Donnell, a married man with two children, was killed in action in France on Sept. 14, according to information brought to The News by Ted Clayton, a close friend of the family. A message to that effect was received by Mrs. Proctor from the office of the Adjutant General, Washington, D. C. on last Friday.

Sgt. Proctor had been slightly wounded in action a few days before he was killed but was off duty only an hour or two as a result of that injury, which was inflicted by shrapnel.

He entered the service Oct. 13, 1943, and had been in France only a few weeks. Born in Eastland county, he was practically reared at O'Donnell, farmed at Joe Bailey, and worked in a barber and beauty shop in O'Donnell. Prior to his enlistment in the Army infantry, he was employed for several months in defense work in Fort Worth.

He is the son of Mr. and Mrs. Joe Proctor of that community, and the wife, Adriance, is the daughter of Mrs. Jewell Seely.

The wife and the parents and the two little children have the sympathy of numerous friends in their poignant grief.

## G. W. White Making Record As Fighter

G. W. White, son of Mr. and Mrs. A. L. White of Tahoka, is building up quite a reputation in Oklahoma boxing circles, if a number of clippings he recently sent his parents are any indication.

G. W. is in the Navy, stationed at the Naval Gunnery School, Purcell, Oklahoma. He started his boxing career under Coach Leo Jackson while in Tahoka High School.

He was featured in pictures and news stories as the outstanding entry in the Sept. 4 Oklahoman-Times Golden Gloves Jamboree, a benefit event for the Milk and Ice Fund. G. W. won his fight by a knockout in the first round over Soldier E. D. Gardner of Will Rogers Field.

In a tournament between Naval Gunnery School and Tinker Field soldiers, he put away John Fennese in 1:22 of the first round.

Last year, he was runner-up in the state Golden Gloves tournament in Oklahoma. G. W. now fights at 147 pounds.

## Pvt. Dan McGlaun Wounded In Battle

Pvt. Dan H. McGlaun has been reported wounded in action in France on July 27, but nothing further has been heard from him by his parents, Mr. and Mrs. A. F. McGlaun.

A letter received this week from another son, Warrant Officer Frank McGlaun, who is in India, revealed that Frank had made two trips in G-29 raids over Japan.

Mrs. McGlaun's son, S/Sgt. Grady Herring, is in India also. Another son, Pfc. Randal McGlaun, is at Bryan Army Air Field.

Roy Knight, who has been living out on Route 1 east of Tahoka, recently moved to Levelland.

## Rainy Weather Is Cause Of Delay In Harvesting Crops

Damp, cool weather, with more than an inch rainfall Tuesday, has featured the weather the past week, as a result of which very little cotton had been gathered and little ginned since our report last week. Thousands of Mexican cotton pickers are in the county but have been idle most of the time on account of weather conditions.

Rain began falling between 6 and 7 o'clock Tuesday morning and continued until about 11 o'clock, and mist continued to fall most of the afternoon, amounting to .95 of an inch. Another shower or showers came during the night, registering .15 of an inch, the total for the period being 1.10. Rain of comparable amount fell throughout this section. Farmers and business men are anxious for a long period of fair weather.

September was an unusually wet month, bringing rainfall in the amount of 3.56 inches. As a result of these rains, the soil is thoroughly soaked, and fall and winter rains nearly always assure a crop the following year.

Temperatures have ranged low the past week also, going down below 50 degrees on several nights, the lowest registered being Wednesday, 46 degrees. On Tuesday morning the low temperature was only 50 but it did not rise above 60 all day.

## Boys Will Exhibit Gilts Saturday

Eight Lynn county boys, four 4-H boys and four FFA boys, will show their registered Berkshire gilts in competition against one another Saturday morning at 10:00 o'clock across the street from the postoffice, back of the county agent's office.

Each boy was awarded a gilt last spring as winners in an essay contest on "The Oow-Sow-Hen" plan of farming, pointing out in their essays the advantages of a diversified program of farming involving livestock. The gilts are awarded each year by the Sears-Roebuck Foundation.

Five prizes will be awarded the five boys whose gilts are in the five top places as reward for their having done creditable jobs of raising their gilts. The boys who have given the best care and management to their animals, feeding them properly, will win.

Prizes will be awarded by Sears as follows: first place, 125 baby chicks or 25 turkey poult. In addition, first place will represent Lynn county in the district show-at third, fourth, and fifth, 100 baby or 25 turkey poult. In addition, first place winner will represent Lynn county in the district show at which the winners from each of the surrounding counties will compete against each other for additional awards. The district show will be held in Lubbock Saturday morning, Oct. 14, and first, second, and third placing gilts will each win for its owner a dairy heifer.

Ray C. Mowrey, professor of Animal Husbandry, Texas Tech, will judge the show. Robert L. Stone, county agricultural agent, is in charge of the 4-H boys, while N. J. Robnett, vocational agriculture instructor at Wilson, will be in charge of FFA boys showing. 4-H boys who will show gilts are: Buddy Gene Bragg, Bill Henry McKennie, George Ratney, and Duane Carter, of West Point, Wells, Midway, and New Lynn, respectively. Names of FFA boys are not available, but one is from Wilson, two from New Home, and one from Tahoka.

The public is invited to stop by and observe the placing of the gilts and to observe the quality of the animals and the boys' work in raising them.

## SINGING AT EDITH

There will be singing at Edith Sunday afternoon, beginning at 2:30 p. m. Several quartets are expected to be present. The public is cordially invited.

### Electricity Rates Are Reduced

Announcement of adjustments in residential and commercial rates for customers in most South Plains cities and communities was made today by Southwestern Public Service Company. The new rates are now in effect and will apply on customers' statements beginning with those rendered for October use.

This adjustment in rates downward is in line with the Southwestern Public Service Company's long established policy of reducing rates as rapidly as possible, consistent with adequate and reliable service. The company assumed responsibility for electric service in the South Plains territory under War conditions in September, 1942, and this is the first rate change since that time. W. S. Anglin, manager, stated today. This adjustment will save the electric customers on the South Plains an estimated \$42,100.00 a year on their residential and commercial lighting rates.

This adjustment brings the rates in the territory to a new low. The continuation of the company's long established policy of reducing rates in the Post War era will enable everyone to enjoy all-electric homes when new appliances become available again.

Having unbounded faith in the future of the territory served by the Company and anticipating the increased use of electric service throughout the system, the company will, in the next twelve months, make major additions to lines, substations and operating plants.

#### HUBERT DAVIS ENROLLS IN NAVAL ELECTRIC SCHOOL

Mrs. E. S. Davis has furnished the News with a clipping from an Ennis paper stating that Hubert E. Davis, 18, son of Mr. and Mrs. Hubert C. Davis, has enrolled for an intensive course in the Electrical Naval Training School at the St. Louis Naval Armory. He is the grandson of Mrs. E. S. Davis.

Selection to attend the school was made, it is said, on the basis of his recruit training aptitude. Successful conclusion of the course will render him eligible to qualify for the petty officer rate of electrician's mate third class.

### Southland News

(By Mrs. Marvin Truelock)

There will be a speaking at the local Methodist Church Friday evening, Oct. 6, at 8:00. Mr. Alfred T. Snoke of Abilene will speak in the interest of a greater McMurry College. Covered dish supper will follow.

Merle Spence is home on leave. Mr. and Mrs. Jack Gray, who formerly lived near Paris, moved to Slaton last Wednesday, where he is employed in the cotton oil mill. They arrived here a week ago Saturday to visit her parents, the E. E. Trimbles.

First Sgt. Chester L. Pennell has transferred from Italy to France. He was hospitalized the second time in Italy because of run-down condition following pneumonia.

T/4 Winifred L. Hallman has been in England about a month.

S-K 2-c Hansell D. Hallman Jr. is still in Memphis, Tenn. After three more weeks, he will be transferred to Pensacola, Fla. He is in Naval Air Corps.

Capt. Monroe Watson, seven-months old son of Mr. and Mrs. Coy Watson, is in the Slaton Hospital with bronchial pneumonia. He has just recovered from whooping cough.

The first letter in several weeks from Lt. I. J. Duff Jr. was written in Paris.

Last Tuesday Jesse Owens received a letter from his nephew, Dick, the first letter any of his relatives have had since May. Dick has been on a ship but is now stationed on Siga Island.

Last Friday Rev. and Mrs. O. J. Harmonson moved to the Baptist parsonage.

Mrs. Ella Moize, mother of Mrs. I. J. Duff, is showing improvement.

#### SOUTHLAND MAN RECEIVES PRESIDENTIAL CITATION

An Eighth AAF Fighter Station, England—S/Sgt. Calvin Klaus of Southland is a member of an Eighth Fighter Command P-47 Thunderbolt Group which has been awarded the Presidential Unit Citation for "exceptional aggressiveness, outstanding performance of duty and extraordinary heroism in action."

This was accomplished in "conflict necessitating hazardous journeys over water and enemy-occupied territory far beyond the normal range of fighter aircraft."

Official announcement of the award entitles all personnel to wear the Unit Citation ribbon of blue with gold border over the right pocket.

Since beginning operations in April, 1943, this fighter group has destroyed approximately 500 German planes in the air, plus 50 more on the ground. It is the highest scoring P-47 Thunderbolt outfit in the European theatre of operations.

#### WELLS H. D. CLUB

The Wells H. D. Club met Sept. 21 at 3 o'clock in the lunch room at Wells school.

Miss Dixon was present at the meeting and gave a demonstration on preparing soldier boys' and girls' Christmas parcels.

Mrs. Nell McLaurin and Mrs. Gayle Simpson gave a script on what and how to prepare food for the parcels.

Mrs. Simpson canned a fruit cake and it was delicious. Nuts and raisins were all that was bought for the cake.

Pimento sandwiches and cake were served to the following: Mmes. Lucille Barnes, Nola Bolch, T. B. Barton, Georgia Lee Simpson, Herman Brewer, W. P. Hutchison, Nell McLaurin, and Misses Ina and Myrtle Ledbetter. Grandmother Ledbetter was our visitor.—Reporter.

Mrs. J. M. Scott returned Tuesday morning from a 10-days visit with her daughter, Mrs. J. C. Rebus, and family at Dallas. A little daughter, Frances Ann, had been born on Thursday, Sept. 22, the day before Mrs. Scott arrived there. They already had a little son.

### Notes On Grain Sorghum Situation

By George Mahon

Washington, D. C.—For a period of three weeks I have heard of the critical grain sorghum situation in West Texas, getting my information from individual producers and county AAA offices. The price slump, and lack of storage and railroad cars for transportation have cost West Texas many thousands of dollars.

Throughout this period I have been in constant touch with the proper officials here urging and demanding prompt action to prevent the sacrificing of our grain sorghum crop.

The government loan rate on grain sorghum is \$1.69 per hundred, but to be eligible for the loan the grain must be stored in warehouses

or on the farm, and adequate storage has not been available.

Briefly, the following steps have been taken to assist the producers:

(1) To afford a greater market demand for grain sorghum, the War Production Board and the War Food Administration have agreed to permit the unrestricted use of grain sorghum in the manufacture of industrial alcohol for the war effort.

There has not been any restriction on the use of grain sorghum by the brewers, but October 1 is the first date that the use of grain sorghum will be permitted for industrial alcohol. It is estimated that alcohol producers will consume about six million bushels of grain sorghum per month. The brewers and mixed feed manufacturers will probably take 10 million bushels per month.

(2) In order to make better use of present storage facilities, the maturity date of the sorghum loan has been changed from June 30,

1945, to April 30, to enable warehousemen to clear their storage for wheat by next spring, thereby permitting the warehousemen to accept more grain sorghum.

(3) In an effort to provide additional storage space, some lumber and prefabricated granaries are being provided, but this is not very effective as demand is so great in relation to the supply.

(4) Director Johnson of the Office of Defense Transportation has agreed to provide additional railroad cars to move the grain but declares that it is not possible to fully meet this important need on account of other demands of the war effort for cars.

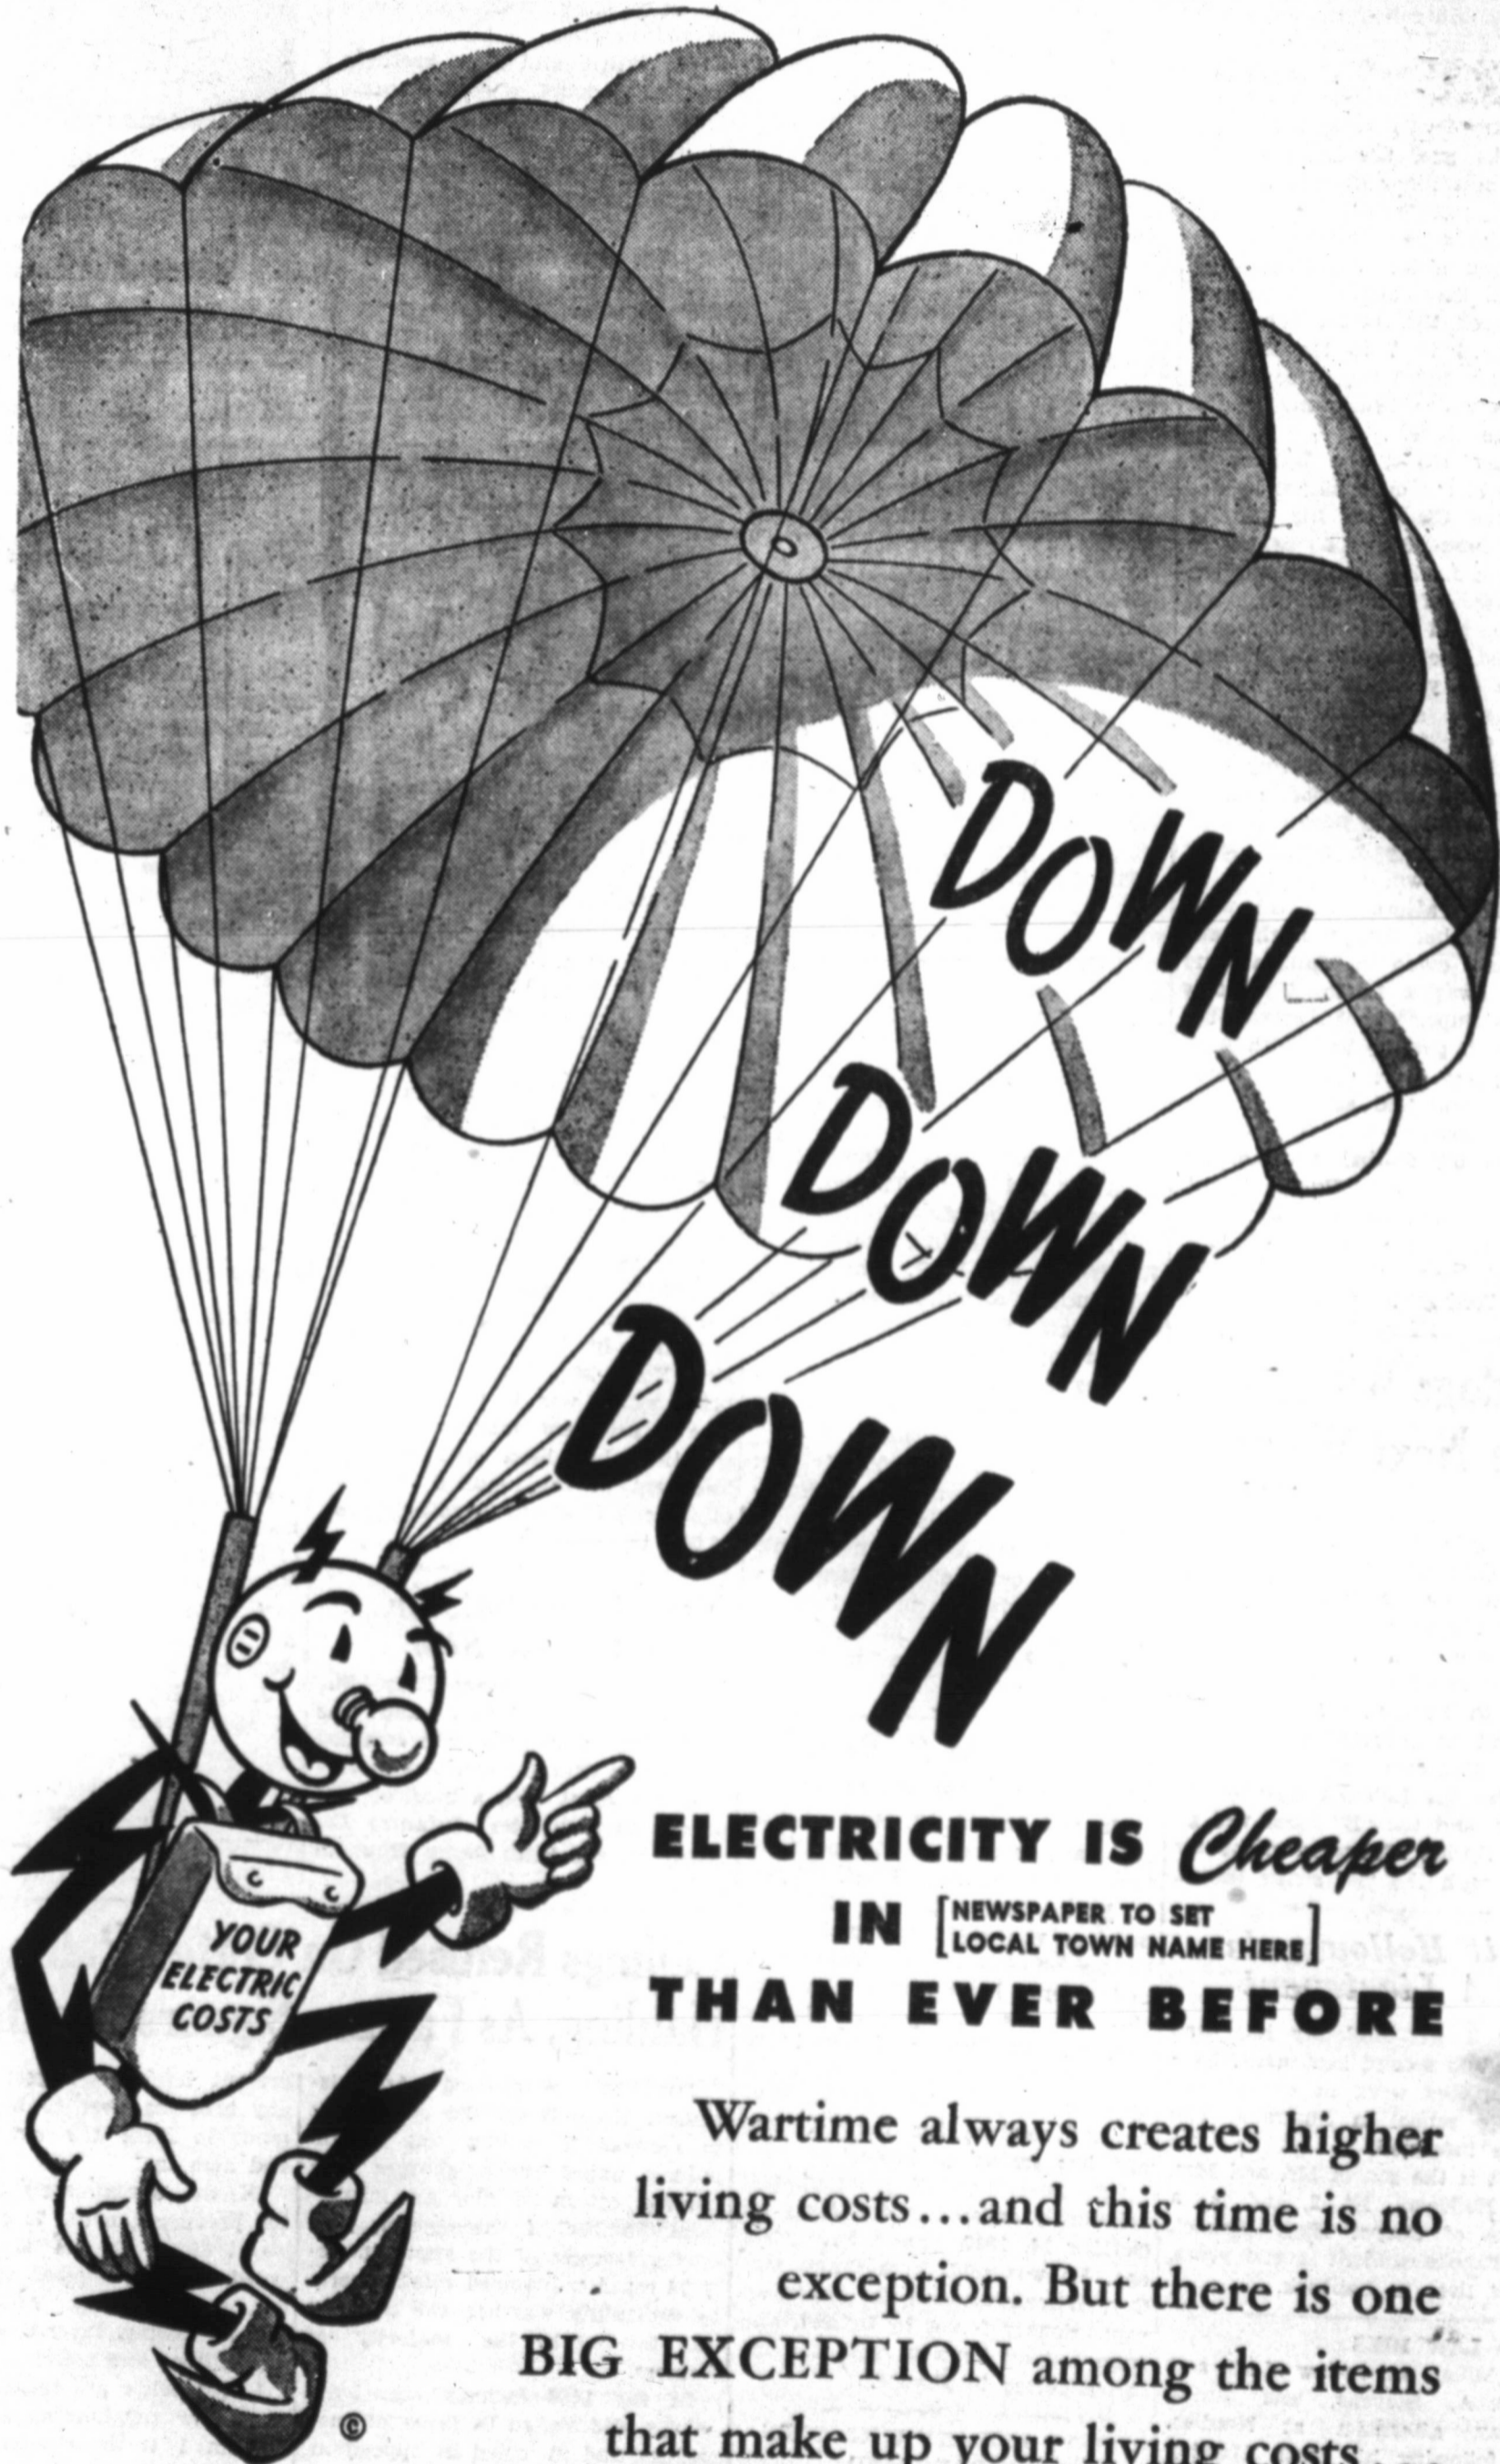

These matters are of the greatest concern because West Texas is producing millions of bushels of grain sorghum. The production costs have been great, and a price of less than the loan rate of \$1.69 per hundred is intolerable. National

grain sorghum production last year amounted to 103,000,000 bushels, Texas, principally West Texas, producing 74,000,000 bushels of that amount. I shall continue to urge adequate price support for grain sorghum and every possible assistance toward more adequate storage and transportation facilities.

### Relief At Last For Your Cough

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

**CREOMULSION**  
For Coughs, Chest Colds, Bronchitis

**ELECTRICITY IS Cheaper**  
IN [NEWSPAPER TO SET LOCAL TOWN NAME HERE]  
**THAN EVER BEFORE**

Wartime always creates higher living costs...and this time is no exception. But there is one **BIG EXCEPTION** among the items that make up your living costs... Your electricity is now cheaper than ever before.

**TOMORROW**—After the war is won you will be able to take up again your program of equipping YOUR home for Modern Electrical living. The WAR BONDS which you buy TODAY will not only help serve a vital and urgent need now but will also hasten the day when the comforts and conveniences of Modern Electrical living will again be available to you.

Franchised Bottler: PEPSI-COLA BOTTLING CO. OF LUBBOCK

**MRS. HENDERSON MARRIES  
JUDGE J. W. MAXWELL**

Mrs. W. O. (Army) Henderson, who recently moved from Tahoka to Austin, was married last Saturday to Judge J. W. Maxwell of the Corporation Court of that city.

The rites were read by Rev. Flynn V. Long, pastor of the First Presbyterian Church, in the church auditorium before a few relatives and close friends. A dinner followed at the Maxwell home, 702 West 21st St., for the wedding party.

The two had been friends for many years. Mrs. Maxwell was a teacher in the Tahoka schools for many years. Her sister, Miss Josephine Houston, is a teacher at Austin.

Judge Maxwell is a prominent attorney of Austin.

Drs. W. A. and Celesta Schaal returned Monday night from a ten days visit with relatives in Arkansas.

**HONOR SON AT DINNER**

Mr. and Mrs. E. D. Crouch, joined by other relatives from near and far, enjoyed a happy day at their Three Lakes home last Wednesday, when they entertained with a barbecue and chicken fry in honor of their son, E. Kingston Crouch, who was at home from Great Lakes Naval Training Station. He was accompanied by his wife and their little daughter, Anita Kay, of Lubbock.

Others enjoying the feast at the noon hour were: E. D. Jester, Mrs. E. D. Crouch's aged father, Mr. and Mrs. A. D. Jester and family, and Mr. and Mrs. Verly Jester and babies, all of Lorraine; Mr. and Mrs. Jerry Hodge, Slaton, son-in-law and daughter of the A. D. Jesters; Mr. and Mrs. Joe Waldrep and daughter of Wells.

Kingston left Sunday for Great Lakes, where he expects to spend another three months in training.

Mrs. Layne Moreland of Dallas has been here this week visiting Mrs. J. K. Applegate and other friends. Her daughter, Sheila, is attending a business college in Dallas. Layne is in the Navy, stationed in California.

Arch Bruce, a prominent cattle raiser of Sweetwater, stopped at The News office for a few minutes Wednesday afternoon just to say "howdy" to the force. He was accompanied by his bride, and they were returning from a two weeks wedding trip up into Colorado.

**Cull Flocks to Obtain  
Maximum Egg Yields**

Yellow, coarse, beefy hens will bring more as poultry meat than as egg producers. Cull out the early molters to save feed and reduce labor, and you will get as many eggs from fewer hens. Following the systematic check given below you have a good chance of keeping up the maximum production.

1. Systematic culling to eliminate poor producers.
2. Use self-feeders more generally.
3. Seve feed by making hoppers waste-proof.
4. Use balanced rations for efficient production—supplement with skim milk or buttermilk and good quality alfalfa when available.
5. Improve ventilation and use sawdust or shavings for litter—thus cutting down the litter cleaning routine.
6. Provide adequate nests, with sawdust for the nest litter to save labor in cleaning eggs.
7. Market eggs frequently to maintain quality.
8. Improve sanitation to reduce losses from disease.
9. Obtain greater efficiency in brooding—remove cockerels early and move pullets to clean range in a well ventilated range house as soon as possible when the brooding is over.

**Once Started, Beetles  
Remain Garden Pests**

Without some attention, cucumber beetles are apt to ruin the plantings of cucumbers, melons, squash, and pumpkins.

Striped cucumber beetles, which arrive with warm weather, often attack the vine plants as soon as they crack the surface and cause trouble through the entire season. They chew the leaves, girdle the stems, and injure blossoms and fruits. The grubs often stunt plants by tunneling in the underground stems. The beetles also spread two serious diseases of vine crops: bacterial wilt, which kills the vines, and mosaic, which mottles and distorts the leaves and fruits.

The beetles are best controlled by a combination dust that contains copper and either rotenone, calcium arsenate or cryolite, often called cucumber melon dust. The copper helps to control diseases such as mildew and anthracnose, the insecticide controls the beetles and thereby the diseases which they spread. For spraying, copper spray material is mixed with the arsenate or rotenone. It is best to cover the plants with dust or spray twice a week for the first two weeks, then once a week through the season.

**Processing Peas**

Remember that peas can be processed safely and successfully only in a pressure cooker. Use tender young peas, wash pods and shell only enough to fill containers to be processed at one time. Wash shelled peas, cover with boiling water and boil two minutes. Pack hot into pint jars or No. 2 cans. Add one-half teaspoon salt and one-half teaspoon sugar, if desired, to each pint. Cover with boiling water. Leave one inch above the liquid in glass jars, one-fourth inch in tin cans. Seal glass jars.

Process at 10 pounds pressure: No. 2 cans 35 minutes, pint jars 45 minutes. Count processing time from the time 10 pounds pressure is reached. When processing is completed, remove pressure cooker from heat. If glass jars are used, let pressure fall slowly to zero and then slowly open the petcock. Remove jars and complete the seal. If No. 2 cans are used, slowly open the petcock when the cooker is removed from heat without waiting for pressure to fall to zero. Release clamps and remove cooker cover. Be careful of steam.

**Movie Projection**

Projection of motion pictures must be timed nicely to obtain the illusion of smooth movement. An image on the retina of the human eye persists for about one 20th of a second, and by introducing a new picture before the old one fades out, the two are fused. Movie projectors are designed to throw 24 separate pictures per second on the screen. If the projector is run too fast or too slowly, the pictures do not fuse together well. The result is flicker.

Motion picture cameras are geared to take 24 pictures a second, the same rate at which they are projected. However, in the case of slow motion movies, the camera is operated at high speed. The film is projected on the screen at the normal speed of 24 pictures per second.

**Vegetable Storage**

Before shopping, check to see what vegetables are already on hand and how much room there is for storing more perishable foods. Plan meals around fresh vegetables in seasonal abundance.

Vegetables need varying degrees of coolness, according to the kind. Wash and drain salad and cooking greens and pile loosely in a vegetable pan or waterproof bag. Leave cauliflower, brussels sprouts, broccoli and cabbage uncut and slightly moist. Let snap beans, lima beans, peas and corn stay in pod or husk until ready for cooking. Keep all these vegetables cold.

**METHODIST CHURCH**  
Wednesday night a large group of church workers had a covered dish supper in the basement of the church. This is part of the plan of the Building and Endowment campaign for McMurry College for the \$1,750,000. The speakers were Dr. H. I. Robinson of the First Methodist Church of Lubbock and Mr. Snokes of New York, the business manager of the campaign.

This campaign will continue until the goal is reached financially. This church's quota is \$8,000. Last year one-third of this amount was raised and it is hoped that the other two-thirds will be raised this year—if not the entire amount will be raised by next year. Every member and friend of the church will be solicited by the 15th of this month.

McMurry College has turned out, in its 20 years of existence, 148 ministers, more than a thousand teachers, 30 chaplains in the army, and scores of business and professional men and women. In this Northwest Texas Conference, 33 percent of the ministers are products of McMurry College. There are 100,000 Methodists in this McMurry College territory. If each one would give or make a contribution to the college, we would be able to close out and report in full the quota this year. Let every Methodist and friend of McMurry College do his and her best in this present campaign.—Reporter.

**Congratulations—**

Mr. and Mrs. Johnnie Wilson of Tahoka upon the birth of a daughter at Tahoka Clinic Sept. 28.

Mr. and Mrs. Jim Odom upon the birth of a son, who will be called Steven Nolan, Sept. 28, at Sinclair Clinic.

Ph. M. 2/c and Mrs. Kenneth D. Crouch, at Whittier, Calif., upon the birth of a son at that place Monday, Oct. 2, weighing 9 pounds and 4 ounces. Kenneth is the son of Mr. and Mrs. E. D. Crouch of this county. His wife is from the state of Washington.

Mrs. Clarence Williams came in Friday, having driven through from Norfolk. She spent Thursday night with Mr. and Mrs. W. O. Robertson in Mount Pleasant. Clarence has been transferred to the West Coast and Mrs. Williams will remain in Texas for a while.

**Fire Prevention  
Rotary Program**

Fire Prevention, in observance of Fire Prevention Week, was the subject of talks by Harley Henderson and Fred Eucy at Thursday's Rotary program. They gave some interesting facts on Tahoka's fire insurance rates, fire hazards, and methods of keeping down fires and insurance rates lower.

Virginia Montgomery, a high school student, played a piano solo, Hungarian Rhapsody, and Dolores Nowlin sang two vocal solos, Pale Moon and Can't You Hear Me Calling, Caroline?

**REUNION IN NEW GUINEA**  
Earl Grider has written his parents that he and three other Tahoka boys recently had a happy reunion in New Guinea. The other three were Homer Parker, Wilbur Finch, and C. V. Sparks.

Tahoka has been woefully remiss in providing adequate school facilities for the Negro children in the school district. The little school building which has been used heretofore is both too small and too dilapidated to be used longer. The school board is no more to blame for this condition than the community as a whole. It is partly due to unforeseen circumstances. Until just three or four years ago, there were very few Negro children in the district, and naturally not much money was expended in providing a building and equipment. The colored population has greatly increased during the past three years, due largely to the location of a big compress here, but due to the war it has been difficult to procure building material. However, other buildings are being constructed in the town, and hollow tile and second-hand lumber can be procured with more than fifty Negro children in the town with practically no school facilities, we think it high time for Tahoka to furnish them a building.

**AMERICAN HEROES**  
BY LEFF

Seriously wounded by an exploding grenade, Marine Gunner Angus R. Goss of Tampa, Florida, braved point-blank enemy fire to charge an enemy machine gun emplacement in a cave. Single handed, he wiped out Japanese gunners and snipers with a sub-machine gun, saving the lives of his unit. Angus Goss is dead—leaving a Navy Cross for "indomitable fighting spirit and extreme courage." If such heroism doesn't deserve an extra War Bond, what does?  
U. S. Treasury Department

Don't be misled by the rosy reports of the radio news broadcasters, who magnify every advance of a mile or two by our troops along a small section of the European front as a magnificent victory. They say little about the cost in life entailed in the winning of those victories, nor do they give any intimation as to the great number of such victories that must be won before our armies can cross the Rhine. This paper is no gloom-spreader but we do not think that the radio broadcaster nor the newspaper correspondent are giving to our home folks a true picture of the fierce resistance and the military difficulties which our soldiers are encountering on the German front.

Germany is defeated. She has no chance to win the war. But we think that the assumption that she will soon collapse and surrender is premature. In our opinion, she will not do this until she is driven to it for lack of food and other necessities of life or until the Allied armies get deep into the heart of the country, at least beyond the Rhine. The war in Europe may yet continue several months.

**EASTERN STAR**  
A stated meeting will be held in the hall at 8:30 p. m. Friday, Oct. 6. Initiation.—Clara Harris, W. M.; Era Stewart, Sec'y.

**Glen Loyd Tells Of Visit To Rome**

Pvt. Willie Glen Loyd, 19, son of Mr. and Mrs. J. A. Loyd, a graduate of Tahoka High School, who is now in Italy with an Armored Division, tells in a letter to his mother of a recent visit to the city of Rome, one of the tours arranged for the soldiers by the Red Cross. We are quoting a part of the letter:

I finally got to go to Rome. I hardly know how to write about it, it was so nice. It was so much like a town back in the States that it seemed like I was leaving home when I left Rome.

I still have nothing but admiration for the Special Service Command of the Army because of the way they fix things up for our convenience, and so fast. I had almost forgotten what soft beds and clean sheets were like. The restaurant where I ate only charged ten cents a meal and they had waiters to wait on you. The best meals I have had in a long time.

The Red Cross has buses to take you on tours. At last I saw some of the things that I studied about in Ancient History. One building was constructed several years before Christ by the son-in-law of Julius Caesar, and it is a marvelous piece of architecture and it has never been reconstructed.

After seeing St. Peter's Cathedral in the Vatican City, the largest church in the world, I understand why Michael Angelo is famous. It really has some magnificent art in it. I think it (the church) was started in the fourth century, and they are still doing some work on it.

The church of St. Sebastian and the Catacombs was interesting. That is where the Christians used to meet in the day of the pagan rulers. I believe there have been 175,000 Christians buried there underground. We went only a small way underground and saw some of the tombs and bones.

I have always wanted to see the Coliseum, and I finally got my wish. That is where they used to have sports, gladiators, turning lions in with people, and so on.

The people in Rome dress very nice and are of a much higher class than down here. A lot of them speak English. Most of the girls are just as pretty and dress as nice as anywhere. They like Americans and like to go with them to the theatre or restaurant.

**MOTHER, DAUGHTER OBSERVE BIRTHDAY CELEBRATION**

Mrs. D. B. English of Tahoka and her daughter, Mrs. Raymond Hatch of Lamesa, observed their birthdays jointly here Sunday.

Present for the occasion were the other daughters of Mr. and Mrs. English, together with their husbands and their children, Mr. and Mrs. E. A. Bergfeld and daughter, Virginia Lee Traylor, of San Antonio, Mr. and Mrs. Maurice Small and two sons of Tahoka, and Raymond Hatch of Lamesa.

Mr. and Mrs. R. W. Fenton Jr. and Mr. and Mrs. J. K. Applewhite returned Sunday from Dallas, where they had gone to visit their daughters, Misses Peggy and Mary Beth Fenton and Dorothy Jean Applewhite, who are attending the Hockaday school there. Peggy is there for her second year. The other girls just recently entered the institution.

**CITATION BY PUBLICATION**

The State of Texas.  
To: Doris Lee, Greeting:  
You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the First Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday, the 6th day of November, A. D. 1944, at or before 10 o'clock A. M., before the Honorable District Court of Lynn County, at the Court House in Tahoka, Texas. Said plaintiff's petition was filed on the 1st day of August, 1944. The file number of said suit being No. 1873. The names of the parties in said suit are: Henry C. Lee, as Plaintiff, and Doris Lee, as Defendant.

The nature of said suit being substantially as follows, to wit: On or about the 12th day of August, 1941, plaintiff was duly and legally married to defendant at Clovis, New Mexico, and continued to live with her as her husband until on or about the 14th day of June, 1944. Plaintiff is and has been for more than twelve months immediately prior to exhibiting this petition, an actual bona fide inhabitant of the State of Texas, and has resided in the said county of Lynn, where this suit is filed, for a period of six months, next preceding the filing thereof.

Plaintiff says that no child or children have been born as issue of the marriage of these parties and that they have no community property between them.

At all times while married to the defendant, plaintiff has conducted himself with propriety, doing his duty as a husband, has at all times treated defendant with kindness and forbearance, and has been guilty of no act bringing about or causing the hereinafter described acts, omissions, and conditions on defendant's part.

That the defendant, disregarding the solemnity of her marriage vow, and her obligation to treat plaintiff with kindness and attention, within a short time after their said marriage, commenced a course of unkind, harsh and tyrannical conduct towards plaintiff, which continued with very slight intermission until plaintiff finally separated from defendant on or about the 14th day of June, 1944. On divers occasions while plaintiff lived with defendant as aforesaid, defendant was guilty of excesses, cruel treatment and outrages toward plaintiff of such a nature as to render their living together insupportable.

Wherefore, plaintiff prays that defendant be cited to appear and

answer this petition, and that upon a final hearing, he have judgment of divorce, dissolving the marital relations between plaintiff and defendant, and for such other and further relief, either in law or in equity, to which he may show himself justly entitled to receive.

Issued this the 19th day of September, 1944.

Given under my hand and seal of said Court, at office in Tahoka, Texas, this the 19th day of September, A. D. 1944.

Hattie Server, Clerk of District Court, Lynn County, Texas. (Seal) 7-4tc.

Gene Earl Knight left Wednesday for Dallas, where he expects to enter service in the Navy.

## PERSONALITY

The outstanding person of the week in Tahoka High is a cute little Freshman. His favorite movie star is not a Betty Grable or Dot Lamour, as one would think, but Humphry Bogart. We can guess that since he has his "spectacles" he will change to Betty Grable. He is rather undecided about the food he likes best, but it seems that ice cream and cake "sure are good."

This person to whom I am referring has brown hair and a nice, fair complexion. He gets along well with his fellow classmates. Well, kids, are you in suspense? I can guess it's none other than E. A. Park.

## FHT Area Meeting Will Be In Tahoka

There will be a council meeting of the area officers of F. H. T. in the Homemaking Department here Saturday, Oct. 7. It is to be a business meeting and to make plans for the year.

Area officers expected to attend are: President, Darlene Wilke, Tahoka; vice president, Alma Outlaw, Post; recording secretary of Brownfield; corresponding secretary, Juanita Sweeney, O'Donnell; treasurer, Freda Sherwood, Crosbyton; reporter, Betty Sue Tippit, Lubbock; and the parliamentarian, Charlotte Farmer, Levelland.

Miss Esther Sorensen of Lubbock, advisor of this area, will also attend.

Local officers who will attend are: President, Darlene Wilke; vice president, Wynema Pool; recording secretary, Mary Jo Anderson; and reporter, Loydine Edwards.

The sponsor of this area is Miss Lucille Wright.

At the noon hour, the officers will have a picnic lunch.

## BULLDOGS DO WELL

Yea, Bulldogs! We had two swell games, one Thursday and one Friday night. Our B string played Big Spring. They really played a hard game. Our A team also did a good job of beating Levelland. The first time we have beaten them in a couple of years.

Boys, let's keep the good work up and try to go to district.

Our Pups played the Lubbock Cowboys Thursday afternoon. The Cowboys won 14 to 7. Our Pups are doing a grand job, however. Some day they will be our football heroes.

Friday we had a big pep rally. Friday night, some of our students met at the park and went through town, gave yells, sang songs, and had a "snake dance," all led by our pep leaders.

## JUNIOR NEWS

The Junior Class held a meeting Sept. 25 in which election of our student council members was discussed. The secretary read names of those who have failed to pay their class dues, and they will be charged a ten percent extra fee.

The class met again on Sept. 28 for the citizenship program, but because of absence of the program members, a business meeting was held in which two student council representatives, J. Fred Bucy and Nancy Nell Wyatt, were elected to represent our class in all school activities. The class also voted to stay together in the election of the president. Let's pull together, Juniors, and put our man in office. The class will make speeches for their chosen candidate this week in home room meetings. We are very pleased that Gwynelle Davis was elected to the office of vice president of the Student Council at the election Tuesday.

## 8TH GRADE NEWS

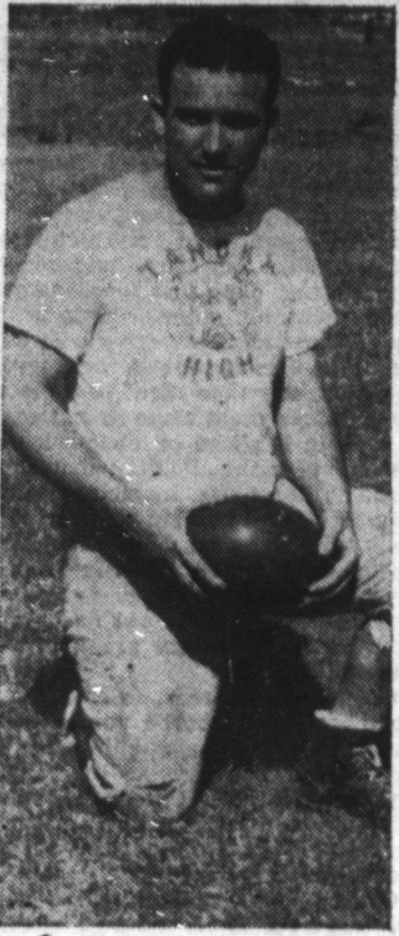

Last week the 8th grade held assembly with two violin numbers by Mr. Montgomery. Two voice numbers were given by Layland McMahon, a piano solo by Wanda Faye Smith and Gerald Wayne Tippit, and songs by a quartet of boys.

We also discussed a president for student council and the Junior Red Cross.

## COMMERCIAL CLUB

The Commercial Club is progressing very rapidly. In the last meeting, Sept. 28, a spelling match was held. After the president, Johnny Wells, carried out the proper procedure, refreshments were served.

The club is really alive and has several activities scheduled for later in the year. However, there is room for more, and any new members are welcomed.

Tahoka High Principal-Coach Leo Jackson was reared at Floydada, was captain of Floydada team in 1933, the year he graduated. At West Texas State, Canyon, he lettered three years in football, and also lettered in wrestling and boxing. Following his graduation from college, Jackson coached two years at Flomot, winning the district championship one year.

Jackson came to Tahoka in 1939, coached three years, then went to Class AA Olney for one year, 1942-43, but returned to Tahoka at the end of the year there. This is his fifth year as coach in Tahoka.

During his seven years' coaching career, up until this year, his teams have won 39 games, lost 29, and tied two.

Jackson is an advocate of sports for development of the body and of clear thinking. This year, more boys than ever before are taking advantage of the physical development program, of which football is a part.

## FIRST YEAR HOMEMAKING

The first year Homemaking girls have been enjoying class work. We have been discussing the dresses we are to make in class and our home projects.

In class, we plan to make school dresses. They are to be made plain and of cotton material.

For home projects, we have selected sewing for ourselves, repairing and renovating clothing, and bedroom improvement.

We hope to have some well made garments and pretty bedrooms by the end of the semester.

## F. H. T. CLUB

The F. H. T. Club met Thursday, Sept. 28, in the Homemaking department. The club entertained with a social. The hostesses were Veda Ruth Chancy, Mary E. Wight, and Alice J. Parker. The club plans to have a business meeting Oct. 5.

## 1943-44 Seniors Are Widely Scattered

Let's all look around and see where the Seniors of 1943-44 are. They have really scattered since graduation, some of the boys being in service, some awaiting their call into service, and a lot of the girls and boys are in college.

Johnnie Allen is S. 2-c in the Navy, stationed at Holtville, Calif. Edwin Banks is also in the Navy, somewhere in Florida.

Kenneth Carter is S. 2-c in the Navy stationed at Oceanside, Calif. Clyde Paddy is in the Marines stationed at Oceanside, Calif.

Maurice Smith is in the Army somewhere in the Pacific.

Dorothy Jean Brown and Addie Pearl McKibben are attending the Draughon's Business College in Lubbock.

Dorothy Lee Carmack is attending college at S. M. U. at Dallas. Dot Applewhite and Mary Beth Penton are attending Hockaday Junior College, Dallas.

Attending Texas Tech are: Charlene Bucy, Euelia Dollins, Faye Nordyke, Johnnie Margaret Price, Joretta Smith, and Calvin Smith.

Barbara Gaither is going to school somewhere in Los Angeles, Calif. Pat Hill and Marlene Stephens are enrolled in West Texas State Teachers College at Canyon.

Hilary Mather is at Teras A&M. Rae Fern Pennington is attending Hardin-Simmons at Abilene.

Shelba Patterson is a student in Wayland College at Plainview. Clovis Stephens is attending Abilene Christian College.

Janette Coughran is at home preparing to enter Nurse's training. Virginia Roddy is in Nurse training at Abilene, and Eva Woods is a nurse in Dr. Durham's local clinic.

Bonnie Mae Flint is working in Port Worth, and Helen Norris is working in Lubbock.

Those at home include: Roy Anglin, Eble Brower, James Brookshire, Dan Curry (awaiting a call into service), Lucille Cagle, Roy Huffaker, Johnnie McKaughan, Maurice Martin, Robert Rusk, Earl Schultz, Bill Woods, and Walter Lee Williams.

Also, preparing to enter service

soon are: Gene Earl Knight, who attended Texas Tech this summer; Carl Griffing Jr., who has been attending Teras A. & M., but is now home awaiting call into the Navy; Ovid Luallin, awaiting call to Air Corps; Tommy Leverett, Elmer Owens.

## ASSEMBLY PROGRAM

The students of Tahoka High School assembled in the auditorium Tuesday, Sept. 28, to enjoy a very successful assembly program. This program was given by the eighth grade. The students discovered that THS has a violinist that can beat even Jack Benny. A quartet of boys sang, and some piano solos were played. The program was enjoyed by both students and faculty.

Sgt. R. C. Wells of the Pampa Air Field spent the week end here with his parents, Mr. and Mrs. Roby C. Wells.

STATED MEETINGS of tahoka Lodge No. 1041 the first Tuesday night in each month at 8:30 Members urged to attend. Visitors welcome.

O. N. REED, W. M.  
H. L. RODDY, Secretary.

It's no cinch, cinch, cinch to make a pinch, pinch, pinch

The "heavy foot" has been replaced by great headwork in Wartime driving. And that's a great hint for the future.

"Scorchers" are rare. The cops have to look thrice—and even then what they mostly see is skilled, ticket-proof driving that earns their respect. For as experts they know that's really how to get there, without taking it out on your car. You too, knew it all the time, but war "alerted" you to it—and you're staying alert. Now be still more alert to the perils of engine acids. Those can be curbed by one brainy move...by having your engine OIL-PLATED.

Changing to Conoco N<sup>th</sup> motor oil—at popular price—is all it takes to own an OIL-PLATED engine. One special characteristic of OIL-PLATING is the acid-resistance that costly pioneer research developed. This acid-fighter—OIL-PLATING—becomes surfaced to your engine's fine inner finish as closely as chromium plating could be. That's made possible by Conoco N<sup>th</sup> oil's special ingredient whose magnet-like nature holds OIL-PLATING direct to metals—square in the path of the acids always created by every engine explosion. Contact between acids and metals is checked. Then so is corrosion.

And now here looms the season of lowest engine temperatures—unable to clear out acids sufficiently. So they could now do their worst—but not with your engine safely OIL-PLATED by Conoco N<sup>th</sup> motor oil. Get it at Your Mileage Merchant's Conoco station. Today, Continental Oil Company

Conoco Products

**SGT. G. C. PRICE WRITES HOME FROM FRANCE**

T/Sgt. G. C. Price, who landed in France three weeks ago as a member of the 44th Division, writes his parents, Mr. and Mrs. J. G. Price, that he is seeing some very interesting sights and some very sad ones.

He says in part: "I wish more of the folks back there could just realize what these people have suffered." G. C. said tell everyone hello, and that he would be back "when we finish the job."

**WHY "GET UP" AT NIGHTS?**

It's not necessary. Raise the pH of the fluid in your bladder with CIT-ROS. Stops the desire to urinate. CIT-ROS will do this job safely, relieves back pains quickly, soreness in the back vanishes. \$1.00 at your druggist. For sale by Wynne Collier, Druggist. 1tc.

**Dust Treatment**

Relieve colds in poultry by dusting lightly with Chlorona powder. 1 lb. treats 1000 birds. Use Chlorona

**LICE KILLER**

Convenient flock treatment for lice and mites on poultry. Won't stain feathers, blister feet. ROOST PAINT

**Disinfectant**

7 1/2 times as powerful as carbolic acid when used under some conditions in killing poultry germs. Get CHEK-R-FECT

**WORM KILLER**

Effective large roundworm treatment for poultry. Costs only about 2c per bird. Use CHEK-R-TON

**Hog Wormer**

Kills large roundworms, safe, economical, easy to administer. Purina PigTabs

**MAASEN PRODUCE**

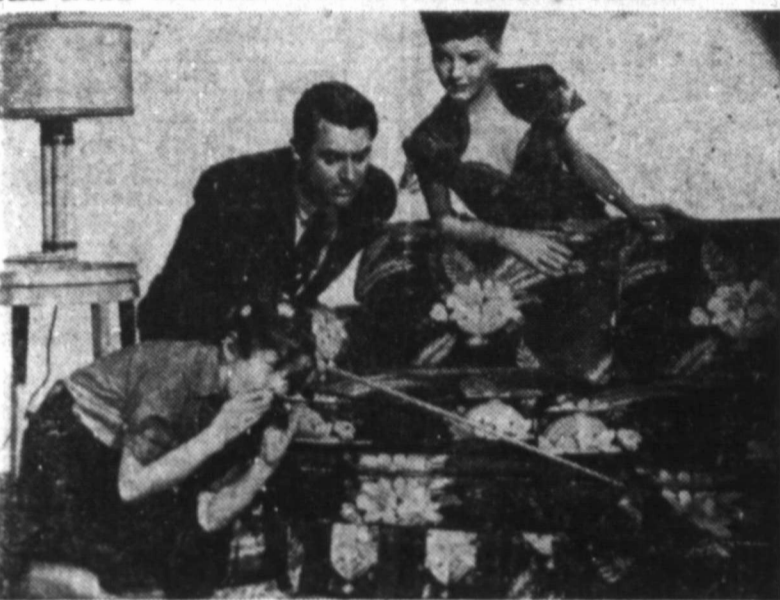

**AT THE WALLACE THEATRE WEDNESDAY AND THURSDAY**

Lynn Bari and Frances Lederer seen in a more peaceful moment in United Artists' tempestuous masterpiece, "The Bridge of San Luis Rey."

**AT THE ROSE THEATRE WEDNESDAY and THURSDAY**

It couldn't happen... but it did. In a hilarious tale of today, tomorrow and yesterday, "Once Upon a Time," with Cary Grant and Janet Blair.

Ernest Walker is about the happiest man in Lynn county. He and Mrs. Walker went down to Fort Worth last week and adopted a baby boy three weeks old. They have given him the name Ronny Gene.

Mr. and Mrs. L. D. Ewell and daughter, Reva Joyce, of Houston, and her sister, Mrs. S. J. Cannon of Abilene, were here over the week end visiting the two ladies' sisters, Mrs. C. B. Evans and Mrs. Edd Hamilton.

**SGT. TURNIPSEED HOME FROM SERVICE OVERSEAS**

S/Sgt. Wilson G. Turnipseed, who has been stationed in the Canal Zone, Panama, for the past 28 months, is now at home visiting his parents, Mr. and Mrs. E. W. Turnipseed, in the Lakeview community.

He is here on a 21-day furlough and visited The News office in company with his father Monday. From here he will be sent to a rehabilitation camp at Santa Monica, Calif., where he will be given a new assignment.

Mr. Turnipseed has two other sons in the service, one, S-Sgt. Edward H. Turnipseed, now in France with the American invasion forces, and one at San Diego, Calif.

**WELLS 4-H CLUB**

We had a 4-H Club meeting on Sept. 26 at Wells school and elected our officers for the year.

We learned about sending things to the boys in the Service. Miss Carolyn Dixon, county home demonstration agent, demonstrated the packing and wrapping of packages for the boys. "You can get a tin can to put cake in, and fruit cake is the best kind of cake to send," Miss Dixon said.

Our president is Helen Lankford; secretary and treasurer, Margie Ann Fleming; vice president, Margie Nell; reporter, Alice Carlene Baker; food demonstrator, Mary Sue Franklin; bedroom demonstrator, Ima Jo Ledbetter.

Those present were: Margie Ann Fleming, Helen Lankford, Jannice Seay, Christene Houston, Joyce Weatherly, Mary Sue Franklin, Sarah Nelms, Alice Carlene Baker, Margie Nell, Ima Jo Ledbetter. Our visitors were: Mrs. W. P. Hutchinson, Bobby Lou Barnes, and Virginia Sanders.

Cpl. James (Sonny) Roberts of the Army Engineers, stationed at Camp Gruber, Muskogee, Okla., is here on a two weeks furlough visiting his parents, Mr. and Mrs. Oscar Roberts, and other relatives and friends.

**A best-selling laxative ALL-OVER THE SOUTH**

because it's thrifty and fits most folks needs

**BLACK-DRAUGHT**

Caution, Use Only as Directed

**Proper Storage Helps Preserve Protein Foods**

The principal protein foods—meat, poultry, fish, eggs and cheese—especially should be used to best advantage because they give energy. Proper storing of these foods is important and will help cut waste.

Store meat cold and covered loosely. Wipe off chops and roasts with a damp cloth just before using. Keep meat for stews, cut-up poultry and ground meat extra cold and cook soon because cut-up meat tends to spoil faster than meat in a piece. Keep cooked meat covered and cold. If serving it sliced or chopped, cut just before using. Poultry should be washed thoroughly inside and out, then dried well and stored very cold until time to cook. Fish should be cooked at once. If it must be stored, wrap it in waxed paper and keep very cold. Be sure to put fish away from other foods that are likely to take the fish odor.

Keep eggs covered and cold. They store best in a covered pan or bowl away from strong-smelling foods. Keep leftover egg yolks by adding just enough cold water to cover. Put egg whites in a jar or dish and cover tightly. Keep in a cold place and use soon.

Cheese also should be kept cold and covered. Serve cottage cheese and other soft cheese soon after buying, as they spoil fast. Hard cheese should be tightly wrapped before storing.

**Allied Units Make Foe Eat His Own Words**

Untried battle units facing Germans for the first time should feel fortunate if the German penchant for calling names comes into play, for twice in derision and once in genuine tribute the Germans have tagged opposing forces with names that echo gloriously in military annals.

Early in 1914 Kaiser Wilhelm, flushed with early victories, called the first hundred thousand English troops thrown into action "Old Contemptibles." Those "Old Contemptibles" fought indomitably, and today throughout the British Empire the title commands the highest respect.

It was German Field Marshal Erwin Rommel who originated the term "Desert Rats" to describe the Australian Ninth division. Rommel was riding high in Africa; his then famous Korps seemed destined to sweep into Egypt. Snarlingly he referred to the untried Ninth, then dug in at Tobruk, as "Desert Rats." Today a "Desert Rat" deservedly has the reputation of being one of the world's toughest fighters.

The Germans, too, must receive credit for one of the proudest nicknames borne by U. S. marines—"Devil Dogs."

**Dairy Foods**

The per capita consumption of dairy products was 16 per cent greater in the years 1937-41 than in 1909-16 and 23 per cent of the total quantity of foods consumed compared with 20 per cent in the earlier years.

Farm income from dairy products increased from 13 1/2 per cent of total farm income in 1909-16 to almost 18 per cent in the 1937-41 period. At the same time the farm price of milk increased far more than the prices of all farm products, 20 per cent as against 3 1/2 per cent. Gross farm income from milk increased 92 per cent, although gross farm income from all farm products increased only 44 per cent.

From 1909 through 1941 total food consumption remained at nearly the same level. Consumption of wheat and potatoes gradually declined—and fruits, vegetables (other than potatoes) and dairy products steadily increased.

**Inefficient Feeding**

Dairymen who hand-feed protein supplement and feed all cows the same amount are following an inefficient practice, according to J. G. Cash, dairy extension specialist, University of Illinois college of agriculture. A check on the records of one dairy herd showed that all cows were being fed four pounds of farm grains plus one pound of soybean meal a day. This mixture contained 15.6 per cent total protein. The cows were on very good pasture, and a ration containing 12 per cent total protein would have been adequate. All cows were being fed the same amount of concentrate feed per day. The highest producing cow was receiving one pound for each 6.6 pounds of milk produced, while the lowest producer was receiving one pound for each 2.2 pounds of milk.

T/Sgt. David L. Hill and his "buddy," Cpl. Martin, whose home is in Ohio, were here Tuesday and Wednesday visiting the former's parents.

Mrs. J. W. Barrett arrived Sunday from Graham for a visit in the home of her uncle and aunt, Mr. and Mrs. W. L. Knight.

Sen. and Mrs. G. H. Nelson of Lubbock visited friends in Tahoka Sunday.

FOR SALE—32 acres adjoining city limits of Tahoka, on paved highway, fenced hog proof, good water, no improvements. Rollin McCord. 9-2tp.

**Lakeview News**

(By Mrs. C. B. Nowlin)

Memorial services for Sgt. Miles Evans will be held at the First Baptist Church Sunday afternoon, Oct. 8, at 3 p. m. Sgt. Evans was killed in action Sept. 11, in France. His wife, the former Jimmie B. O'Bar, and baby son live here with her parents. His parents live at Ropesville.

Sgt. Wilson Turnipseed is spending a 21-day furlough with his father, Edd Turnipseed. Wilson has been in service for 33 months, and is stationed in Panama.

Miss Wanda Schwartz of Fort Worth is visiting her parents, Mr. and Mrs. E. F. Schwartz.

Mr. and Mrs. John Timmons and son Delbert, Mrs. Glyn Ensor and son Larry and Floyd Harmonson spent Sunday with Mr. and Mrs. Fred Hodges at Wolforth.

Mrs. T. B. Pryor of Childress is visiting her brother, J.R. Parker, and family.

Mr. and Mrs. Jake Fulford went to Dublin Monday to visit relatives. Perry Harmonson and E. West made a business trip to Causey, New Mexico, last week end.

H. W. Edwards Jr., radioman 2/c, is home on leave after many months in the Pacific. Treasure Island is his home base.

**BAPTIST CHURCH WILL GATHER CLOTHING**

Announcement has been made that the Baptist Church will begin next Monday the collection of clothing for the relief of the peoples of the subjugated countries of Europe now being liberated or soon to be liberated from the heel of the oppressor, in cooperation with the United Nations Relief and Rehabilitation Administration.

Millions of people in France, Belgium, Holland, Norway, Poland, Czechoslovakia, Yugoslavia, Greece, and other countries are without sufficient clothing to keep them from suffering terribly from the cold weather this winter. This is a united effort to keep them from freezing to death.

All sorts of usable clothing, new and second hand, with the exception of shoes, hats, and evening dresses, will be acceptable. Clothing for men, women, and children will be needed.

Bring what you have to the Baptist Church, where it will be packed and shipped as directed by the UNRRA. Mrs. J. W. Goodell, president of the W. M. U., is directing the drive locally.

As announced last week, the Methodist Church is likewise taking a similar collection. Bring your gifts to one or the other of these churches.

Rev. Herbert Land of Fort Worth will do the preaching in a revival meeting at the Church of the Nazarene in Tahoka beginning on Tuesday, October 10, and ending on October 22.

Rev. Campbell, pastor of the church, extends a cordial invitation to all people of this area to attend the services.

Pfc. Ray Chancey of the Army Air Field at McCook, Nebraska, is here on a furlough visiting his parents, Mr. and Mrs. Ted Chancey. He expects to return to McCook next Monday.

**BAPTIST CHURCH PLANS FURTHER EXTENSIONS**

Repainting of window frames and all outside woodwork and some inside repairs are to be made on the Baptist Church building here as soon as workmen can get to the job, according to a vote of the Church Wednesday night upon a recommendation from the Board of Deacons. Means of disposal of the water that comes from the gutters are also to be provided so as to prevent the water from undermining portions of the foundation and from soaking through the walls into the basement.

A movement has also been started for the building of an educational building on the premises immediately back of the church. No definite action has yet been taken but the matter is being discussed by church officials. J. W. Goodell has drawn tentative plans for a two story structure about 28 by 72 feet to cost about \$15,000, estimated. More room is needed for Sunday school classes.

Last Sunday was promotion day in the Sunday school and the attendance leaped up to 312. One of the largest congregations that has ever assembled in the auditorium for any purpose was present at the worship hour when the pastor directed his morning discourse primarily to the officers and teachers of the Sunday school. There were four additions to the church, one for baptism.

A large crowd was also present at the evening services when both the ordinance of baptism and of the Lord's supper were observed by candlelight. It was a most beautiful and impressive service.

A number of Tahoka Baptists attended the Workers' Conference of the Brownfield Baptist Association at Redwine Thursday.

**A. L. DUNAGAN VISIT LIVE-WIRE CHURCH**

Believe it or not, wife and I attended Sunday school and church Sunday in one of the liveliest little churches in West Texas, if not in the state.

The little church was organized in 1935; started their beautiful little building in 1940—a cement tile, 30 by 40, stucco, and dashed white outside and plastered snow-white inside, has hard-wood floor, has 27 beautiful hardwood benches, has seven white bowl electric light globes, has a 500-gallon butane heating system, 1 1/2 acres of land, several shade trees, two large outside rest rooms; all buildings, land, and equipment paid for except \$100 on their piano.

This little church has only about 40 members. It has a pastor for four Sundays in the month with his salary paid up to date.

Sunday school enrollment is 40, with 32 in attendance last Sunday; offerings, \$15.19.

This little church paid out this last year over \$2,600 for all purposes. About one-half of the membership are young folks.

Don't you think this is some record for so small a church? I do. Visit this church some time, the Baptist church at Petty, it will do you good.—A. L. Dunagan.

**NEW HOME METHODIST PARSONAGE DEDICATED**

At the quarterly conference held in the New Home Methodist church last Saturday by Dr. L. N. Lipcomb, district superintendent, the debt on parsonage recently purchased was reported paid in full and all other church obligations for the current conference year had been met, and the parsonage accordingly was formally dedicated.

This church was organized just a few years ago, and the neat church building constructed soon afterwards and the parsonage bought last year are a credit to the membership and the community and others who contributed to the building fund.

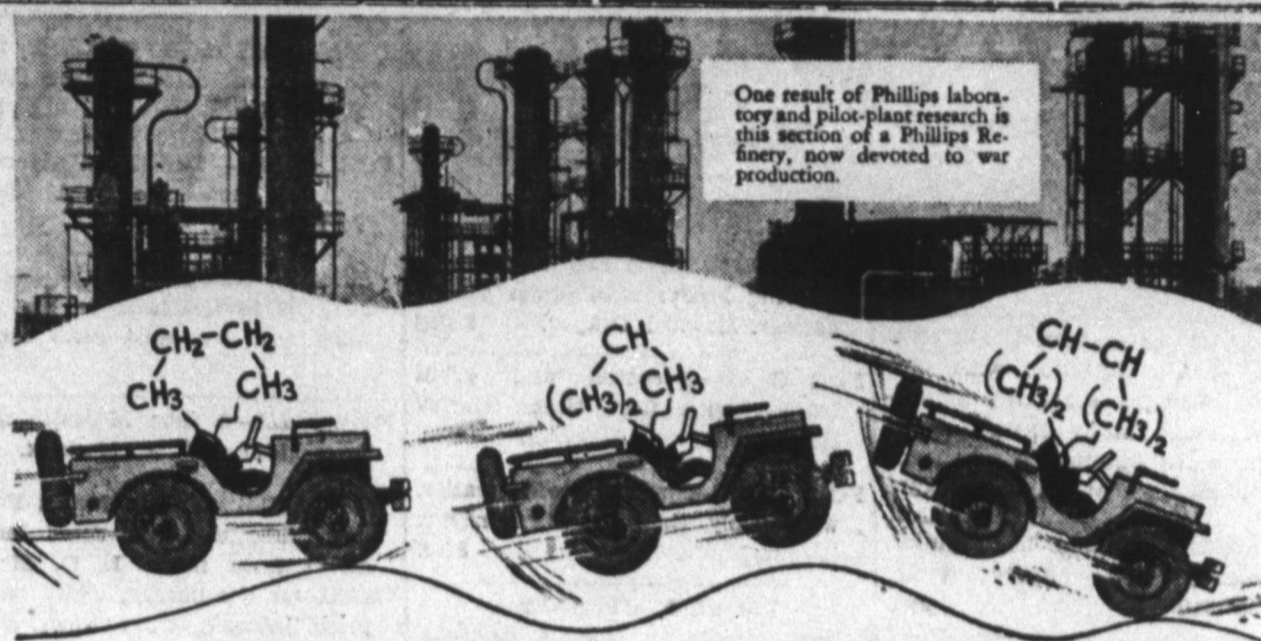

W. B. Edwards and Rev. Geo. A. Dale of Lubbock were Tahoka visitors Tuesday.

*A child's laxative your child should LIKE*

**BLACK DRAUGHT**

When your child needs a laxative give him one he will probably enjoy taking—please get Black Draught. Given as directed, it is usually mild in action, yet effective.

**MOLECULES TAKE THE HURDLES ON PHILLIPS NEW "PROVING GROUNDS"**

Almost buried in a recent Phillips Petroleum Company report was this simple statement: "The Company has completed, in recent weeks . . . an additional research laboratory which is one of the largest in the industry."

To every patriotic citizen interested in new products, and particularly excited by the thought of our nation's finest product—complete and final victory over the Axis powers—the statement deserves to be underscored and spotlighted.

The new research laboratory at Phillips, Texas, more than doubles Phillips existing research facilities. Judging from the previous record and long list of achievements of the Phillips research and technical staff, it is obvious that this enlargement will mean new weapons for the war effort, significant improvement in old ones, and vastly better post-war gasolines and lubricants for car owners.

A laboratory originally meant "the workroom of a chemist." But the new Phillips laboratory is much more than that. It is a series of experimental, pilot

(small-scale) plants . . . which are true proving-grounds for products, processes, and full-scale manufacturing plants.

And these are the workroom, not of a chemist, but of literally hundreds of technically trained enthusiasts, whose ranks represent graduate degrees from 142 of the nation's universities.

Devoted to science, both pure and applied, these experts are engaged in the never-ending study, test, and analysis, which has made Phillips a leader in extending the frontiers of knowledge concerning hydrocarbon chemistry. Always they are seeking new and better things from petroleum gases as well as from petroleum: 100-plus octane aviation gasoline . . . synthetic rubber . . . explosives . . . plastics . . . medicines . . . and an almost limitless list of other synthetic chemicals.

No wonder the Phillips 66 Shield reminds so many people that Phillips refineries, in addition to producing gasolines, lubricants, and fuel oils, are also gigantic chemical plants, pouring out weapons for victory.

**BAPTIST W. M. S.**

The Baptist W. M. S. is observing the state-wide Week of Prayer Oct. 1 to 8, Monday afternoon, following the monthly Bible Study, a mission and prayer program was given in the home of Mrs. Garland Pennington with 17 present. The Tuesday afternoon program was in the home of Mrs. L. M. Nordyke with 18 present. The final program was given at the church on Wednesday night with both men and women present.

**METHODIST W. S. C. S.**

The Women's Society for Christian Service met in the church Monday afternoon with 19 present. Mrs. V. F. Jones brought the devotional on "Called for a purpose." Mrs. G.M. Stewart made an interesting talk on India, after which a business meeting was held. During the social hour, refreshments of doughnuts and coffee were served.

**CARD OF THANKS**

We wish to thank our many friends and neighbors for the kindness and sympathy shown us in our bereavement over the loss of our loved one. Especially do we thank Dr. Prohl and his staff for their untiring services during his long illness, and Bro Price for his words of comfort. May God bless each and every one of you.—Mrs. Lillie Mae Brunette, Mr. and Mrs. W. L. Knight.

L. A. D. F. Reddell and wife of Memphis, Texas, are here this week visiting his parents, Mr. and Mrs. W. A. Reddell. He is stationed at Childress Army Air Field.

**STUDENTS IN SIMMONS**

Abilene, Oct. 4.—Students enrolling in Hardin-Simmons University from Lynn county are:

Rodney Heck, sophomore, son of Mr. and Mrs. Henry Heck, New Home.

Eva Lois Harmonson, senior, the daughter of Ross Harmonson.

Charles Baker, freshman, son of Mr. and Mrs. B. W. Baker, Wilson.

Rae Fern Pennington, freshman, daughter of Mr. and Mrs. Garland

**Pennington, Tahoka.**

Joyce King Edwards, junior, the daughter of Mr. and Mrs. J. A. Edwards, O'Donnell.

Carl Griffing Jr., who graduated from high school last spring, is home from A. and M. College, where he has completed one semester of work since leaving high school. Due to the fact that he would probably enter the Armed Service soon, he will remain here for the present.

## Football . . .

(Contd. from first page)  
game filled with thrills, hard blocking and tackling.

Levelland took the ball in the first quarter and marched straight for the goal line, 210-pound Full-back Blount scoring on the eighth play. Levelland's initial spurt of power caused Tahoka hearts to grow fonder to grow weak, but it didn't seem to worry the Bulldogs.

Levelland kicked-off, Quarterback Bill Bairrington picked up the ball on the 18-yard line, handed it off to Fullback LaVaughn "Seabiscuit" Caraway, and the latter ran like a wild steer through the entire Levelland team 82 yards for pay dirt, and the score was 6 to 0.

A few minutes later, Tahoka recovered a Levelland fumble on the visitors' 37 yard line, then Wane Miller scooted around left end 37 yards for another touchdown. Late in the third quarter, Miller again scooted 28 yards for a score, and a pass, Caraway to Left End W. T. Hines, was good for the extra point. And that was all the scoring.

The ball game was hard-fought

**LOST**—Ration Book No. IV, Mrs. Mary Alice McDaniel. 7-3tp

all the way, but although outweighed 10 or 15 pounds to the man, the home boys had gone out to win. Teamwork, hard driving, blocking and tackling made every boy on the Tahoka team a star, and fans were highly complimentary of the team Coach Jackson is developing this year.

Levelland made eight first downs, punted six times for an average of 22 yards, was penalized six times for a total of 40 yards, completed four passes for 32 yards, four were incomplete, and two were intercepted, made 123 yards on running plays and lost 24.

Tahoka made nine first downs, punted three times for an average of 31 yards, was penalized six times for a total of 40 yards, completed one pass for 35 yards, had three incomplete and one intercepted, made 202 yards on running plays and lost only 8.

Mr. and Mrs. Claude Hartwell spent last week end with their daughter, Mrs. Paul Kinnamon, and husband, in Dallas.
