

Pfc. H. W. Seals Is Near Tokyo, Japan

The 27th Infantry Division With The 8th Army Near Tokyo — Private First Class H. W. Seals of Company E, 105th Infantry has landed on Honshu with the famed 27th Infantry Division, the first AGF unit to travel by air into Japan proper.

The son of Mr. and Mrs. H. W. Seal Sr. of Box 1, Wilson, the Texan was one of the first doughboys to set foot on the enemy's homeland to start the Allied occupation of the four main islands in the Japanese Empire.

Seals saw action with the 27th Division on Okinawa before taking off for Honshu. He has been awarded the Combat Infantry Badge.

A truck driver in civilian life, H. W. Seals Jr. was employed by J. L. Hyde of Wilson. Previously he attended Southward High School.

A veteran of fifteen months overseas, Pfc. Seals entered the Army on December 21, 1943.

The 27th "Tokyo Express" Division, after pushing across the Pacific via Makis, Eniwetok, Saipan, and Okinawa, has occupied an area near Tokyo and Yokohama.

BAPTISTS GIVE STUDY COURSE NEXT WEEK

Beginning with an address by Dr. T. C. Gardner, State B. T. U. director, at 3 o'clock next Sunday afternoon, the Baptist Church will conduct a study course for the benefit of all members and others who desire to attend next week.

Dr. Gardner is reputed to be one of the most effective speakers of the Baptist denomination in Texas, and it will doubtless pay to hear him Sunday afternoon. Especially should Baptists be interested in his address.

Two other state-wide B. T. U. workers and three Lynn county pastors will teach subjects in the study course proper, which will be directed by Miss Louise Villemain, beginning Monday night and closing on Thursday night.

Miss Villemain herself will teach an adult class, the book taught being "The Growing Christian."

Miss Thurma Dean Miller, another well known state worker, will give a course to the Elementary department, consisting of Beginners and Primaries.

Rev. Howard Martin, pastor of Central Baptist Church, will teach Junior boys and girls, 9 to 12 years of age inclusive. They will study "Trail Makers In Other Lands."

The pastor, Rev. Levi Price, will teach the Intermediates, 13 to 16 inclusive, the book studied being "Not Your Own."

The young people, 17 to 24, will study "Planning a Life," and Rev. Lloyd Gentry, formerly of Wilson and the new pastor at Redwine, will give this course.

Two other state workers may make short talks at the meeting Sunday afternoon, but all will be brief and snappy. There will not be a dull moment, and Baptist people are urged to attend. Others are cordially invited.

KIDNEY PAINS

To stop irritation, irregular elimination, use CIT-ROS. New remedy quickly restores the normal pH of the body fluids. The cause eliminated, the body stops pain, heals sore spots. CIT-ROS brings you comforting relief. CIT-ROS at your druggist. For sale by WYNNE COLLIER, Druggist

HARLEY HENDERSON
District Agent
TAHOKA, TEXAS

REPUBLIC NATIONAL LIFE INSURANCE COMPANY
DALLAS HOME OFFICE TEXAS

County Agent Says:

Hundreds of young pigs will be farrowed in Lynn county this fall. In view of the long-time shortage of meat, especially pork, the County Agricultural Agent urges producers to practice a conservation program for the new crop. This would be directed toward protecting the young pigs against disease and saving as large a number as possible to increase the meat supply.

Hog Cholera offers the greatest danger of fall pig losses. Another upswing in the cholera cycle may occur when least expected. This is the way the disease behaves. But

whether it will come this fall, next spring, or even later, Texas producers should be prepared as far as possible to defend their pigs against it. It could be disastrous, he adds, if there were large numbers of non-immune pigs in the county when a cholera epidemic hits.

For that reason he urges farmers living in communities where many pigs are raised to have their pigs vaccinated as early as possible, preferably three weeks before weaning time.

Fall also is a danger time for flu and pneumonia. Clean, dry, and properly ventilated houses for the litters are the best safeguards against this danger. If the weather should be cloudy and cold, owners

will be wise to be on the alert against rickets too. Properly supplemented ration for the brood sow will help greatly toward overcoming this problem. A mineral mixture placed before the sow and pigs in a mineral box also will be helpful.

The estimated loss of baby pigs over the nation from disease and other causes is 37 percent of the year's production. Lynn county is the exception. County Agent Manuel W. Ayers, urges farmers of Lynn county to do everything in their power to reduce this high mortality, which is now a major factor in holding down production.

Ablene, Texas. — Clovis Stephens, graduate of Tahoka High

School, has enrolled as a sophomore student in Abilene Christian College. She is the daughter of Mr. and Mrs. A. P. Stephens. She graduated in 1944 and plans to major in the field of B. A.

Within walking distance

IT'S not even too far to hobble, when you're leaving the blank walls of a hospital room for a brief while, on your way to a place of laughter and song and play.

The welcoming doors of a U.S.O. lounge club are just outside the hospital grounds—at more than 500 hospitals.

Here, at the house of smiles, war-shattered veterans escape that hospital routine, from the smell of ether and disinfectants. Here they enjoy their favorite phonograph records, today's newspaper, the checkerboard that you gave them when you gave to your County War Chest.

These are little things, but they're good medicine! The nearby U.S.O. lounge is theater, club—almost home—to the shocked and hurt boys whose present home is a hospital room. And your dollars keep these lounges going—the dollars you give to your County War Chest.

It's time to give again—for the men who gave a lot. Give generously! Make your donation twice as big—the need is more than twice as great.

You help many who can't help themselves, yet you are asked for only one gift. Let your heart decide how big it should be.

Give Generously to Your

Rotarians Plan Ladies' Night

At the Rotary Luncheon Thursday it was announced that the next meeting will be observed as Rotary-Ann Night. It will be held in the grammar school gymnasium and all Rotarians and Rotary-Anns are expected to be present.

All the teachers in the public schools and their wives and husbands are also invited to be special guests of the Club on this occasion and the trustees of the Tahoka Independent School District are invited.

This is an annual affair and is the one big Rotary event of this year.

At the luncheon Thursday, a brief program, mostly just fun, was rendered. A vocal "Quartet" was given by five Rotarians, Dr. J. H. Sinclair, Dr. Emil Prohl, Dr. Kenneth Durham, Judge Tom Garrard, and Hon. R. P. Weathers. They sang "Li'l Liza Jane" and dedicated the number to Tom Garrard's old bulldog who, according to Tom, is entitled to Purple Heart award for wounds received in line of duty. Somebody shot the animal through the foot.

Wynne Collier gave the lowdown on his recent vacation trip to Colorado and Dr. Skiles Thomas gave a brief account of his experiences in the Navy.

Harley Henderson was program chairman.

There will be no luncheon next Thursday at noon.

Rev. Levi Price and family left Monday for Wichita Falls and Dallas, coming back later in the week. He will be in his pulpit again Sunday.

HERE ON LEAVE

L. C. Holt, S-1/C, has been here the past two weeks on leave from the Navy visiting his mother, Mrs. Olive Holt. He expects to report back at El Paso next Friday, unless he is given a discharge in the meantime.

Holt has been in the service two and a half years, during which time he has been assigned to various kinds of vessels, and he has plied the waters of the Pacific all the way from Australia to Iwo Jima and Okinawa. His last service was on a troop transport ship. He came from Okinawa back to San Francisco and from there on home.

Mr. and Mrs. C. T. Oliver and Mr. and Mrs. J. B. Oliver were in Clovis, New Mexico, last weekend attending the funeral of a cousin, William W. Oliver, who died from injuries sustained last Friday morning when he fell from a freight train near Texico. He is said to have been in charge of some cars of bananas when the accident occurred. He had no family. The Tahoka Olivers returned home Sunday afternoon.

Cpl. Jean Duke of the Marines, who has been in the Pacific war zone for many months, is here this week visiting his aunt, Mrs. Loyd Edwards, and friends. His mother, formerly a teacher in the Tahoka schools, is now at Seminole.

Mr. and Mrs. H. P. Caveness returned Thursday night of last week from a vacation spent on the Colorado near San Saba. Their son, Dr. Bob Caveness of the U. S. Navy, visited them while they were there.

Mr. and Mrs. I. M. Draper returned Saturday from a visit with their daughter, Mrs. Oscar McGinny and family at Spur.

T.B. Infection

Now that tuberculosis in cattle has been reduced to a small fraction of 1 per cent as a result of the systematic federal-state campaign of eradication, veterinary officials are concerned about the danger of tuberculosis-free herds becoming re-infected. One way that this can happen is from persons who have tuberculosis, present evidence indicates. Dr. A. W. Wight, who directs tuberculosis eradication in livestock for the Federal Bureau of Animal Industry, cites a case, recorded in veterinary literature and supported by detailed records, in which four herds of cattle were infected by one person. Because of this danger he urges close cooperation between public health officials and veterinarians engaged in bovine tuberculosis eradication. Some cases of pulmonary tuberculosis, he explains, are caused by the bovine type of the germ and this type can readily infect cattle. Knowledge of the kind of tuberculosis a human patient has is helpful to veterinarians in tracing the source of infection when healthy cattle in the locality become tubercular.

Outdoor Center

The back yard has come to be recognized as the center for family outdoor living and should be so treated. It should offer some use for every member of the family and for the guests of the family—a sand box and swing for the youngsters, a lawn for sun-bathing and for family games and a fine tree or two for summer shade. There should be flower borders along the sides for mother and an area where father can grow tomatoes and small vegetables. A pergola or summer house serves many useful purposes, and there may be room for an outdoor fireplace for picnic suppers. Formerly the only use made of the back yard was for vegetable gardens, laundry drying and ash piles. The front yard was the only area that received any landscape attention, and it was generally decorated with either two round canna beds or two blue spruce. Family life was strictly an indoor affair as contrasted to today's mode of living.

CHRISTIANITY IN THE POST-WAR WORLD

Lewell Thomas, world traveler, graphic writer, and author of many books, wrote a copyrighted story the other day which was published in some of the daily newspapers and which every American would do well to read.

Here are the salient facts of the story: Sgt. Jacob Deshazer was a tail gunner in one of the bombers that Jimmy Doolittle led in the first raid over Japan, dropping bombs onto Tokyo.

But back in the States Deshazer had read his Bible, a little at least. He had read the words of the great founder of Christianity: "Love your enemies. Bless them that persecute you. Do good unto them that hate you, and pray for them that despitefully use you."

He brooded over those words. He made up his mind that they set forth the correct philosophy of life—that they contained the gist of practical Christianity.

could he help the Japs? He became convinced that their greatest need was Christianity. Therefore, the greatest good that he could bring to them was the Christian gospel.

Recently, he was liberated. Thereupon he announced his intention to study for the ministry and to become a missionary to Japan.

That is a wonderful story, but there is still another chapter.

Thomas writes that he had received a letter from John W. Young, a Massachusetts manufacturer of war equipment, in which he stated: My Company has been manufacturing fuses used in bombs dropped on Japan. Perhaps I can be of help to Sgt. Deshazer and use some of the profits from our fuse business to finance his education, so that he may return to Japan with the gospel of Jesus Christ.

Who can challenge Manufacturer Young's statement? Aren't we all convinced that if Japan had been a Christian nation instead of a pagan nation, she would not have made that treacherous attack on Pearl Harbor and would not have made war either on the United States or on China.

If the leaders of Germany had been Christian men in spirit and in truth, who can believe that they would have deliberately catapulted all Europe into a bloody and destructive war?

Every good American, whether he be a churchman or not, should contribute regularly to the program of the churches to Christianize the world.

Occasionally we overlook something that we intended to mention in our news columns. There was a newspaper change in a neighboring town recently of more than passing importance which we unintentionally passed up entirely.

Ross Woodson has assumed active management of the two publications. He had been connected with the Gladewater News-Tribune, the Wise County Messenger, and the Del Rio News-Herald, while his

Relief At Last For Your Cough

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender inflamed bronchial mucous membranes.

CREOMULSION For Coughs, Chest Colds, Bronchitis

brother, C. C. Woodson, is publisher of the Brownwood Bulletin. It is reported the new owners intend soon to begin the publication of a daily. Lamesa now claims a population of more than 8,000 and feels that it is time to begin to put on city airs.

Good luck to the new owners as well as to the retiring gentlemen of the press, who have done a good work in our sister city. Joe Alexander in particular has made a marvelous success of the Courier, and we imagine he will soon find another fruitful field for the exercise of his talents.

Probably the largest road-building campaign in the history of Texas will be gotten under way soon. It will not open up probably on such a tremendous scale but will increase from month to month until the volume of work being done becomes enormous.

We are wondering if the time will not soon come when a greater use of motion pictures will be made in the public schools of America. It seems to us that no better way to teach history could be devised than by the use of talking motion pictures.

Statement of the Ownership, Management, etc., Required by the Acts of Congress of August 24, 1912, and March 3, 1933, of The Lynn County News, published weekly at Tahoka, Texas, for October, 1945.

State of Texas, County of Lynn, ss.

Before me, a Notary Public in and for the State and county aforesaid personally appeared E. I. Hill, who, having been duly sworn according to law, deposes and says that he is the editor of The Lynn County News, and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management, etc., of the aforesaid publication for the date shown in the above caption.

1. That the editors publishers and managers are: E. I. Hill, editor, and Frank P. Hill, associate editor, Tahoka, Texas.

2. That the owners are: E. I. Hill and Frank P. Hill, associate editor Emmett I. Hill Jr., Washington, D. C.; Miss Berta Hill, Tahoka, now in Germany; Mrs. Myrtle Rochelle, 604 West 15th St., Austin; and Wm. E. Hill, GM 2/c in the U. S. Navy.

3. That the known bondholders, mortgagees, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities are: None.

E. I. HILL, Editor. Sworn to and subscribed before me this 29th day of Sept, 1945.

BROWN GETS DISCHARGE IS NOW HOME

Mr. and Mrs. E. S. Brown are having a joyous time this week their son, Cpl. Bryan Brown, who has been in service in the armed forces for more than three years, came home a few days ago with a discharge.

Then other children and relatives came to add to the joy of the occasion. Two daughters from Fort Worth, Mrs. B. C. Bentley and Mrs. W. C. Hart, Mrs. Maloney of Lubbock, Mr. and Mrs. Claude Brown of New Home, L. A. Brown of Tahoka, and a niece, Deris Blasingame of Petersburg are all here, or have been here as guests in the E. S. Brown home. Two sons could not be here, Dewey, who is in the Navy in Hawaii, and Ernest of Tulsa, Okla.

Cpl. Bryan Brown was never sent overseas, not being able to pass the physical test for overseas service on account of a sightless eye, but he says he has served in every part of the United States. Two years he served in the Military Police and for the past year he has been in the Medical Department. He came from Fort Lewis, Washington, to his home here.

HAVE "POT-LUCK" SUPPER

A "pot-luck supper" featured the regular meeting of the Lynn Temple, Pythian Sisters, Tuesday night at the K. of F. Hall.

Plans were made for an initiation ceremony to be held on October 20.

Members attending the meeting and supper included: Mmes. Lottie House, Odel King, Beatrice Cromer, Jean Hoover, Myrl Mathis, Zona Mae Cromer, Mildred Sherrill, Frances Chestnut, Florine Best, Lou Calvery, Mary Lou Cromer, Florence Cowan, Nina Short, Martha Floyd, Geraldine White, Fannie Lee Server, and Misses Helen House, Hattie Server, and Mozelle Cromer.

APPRECIATION

We wish to thank each and every one of our friends for the beautiful wedding gifts and the kind thoughts and words expressed about our wedding. We especially want to thank Mrs. Lit Moore for the beautiful flowers and Mrs. Frank Liseby for the cake. — Mr. and Mrs. Charles Pendergrass, (Formerly Miss Dorothy Gannaway).

METHODIST CHURCH

This is Religious Education Week throughout Methodism. Programs on this subject can be heard over the radio this week. Tune in on them. This is the week that all Sunday School pupils should be contacted, especially the irregulars, and work to having a great Rally Day Sunday. There should be at least 300 in Sunday school Sunday, Oct. 7. The new officers and teachers will take their places Sunday.

The local church Board of Religious Education will meet and organize for the new Conference year Sunday afternoon at 3:00 o'clock. The old board and the new board will meet together at that hour. The new superintendents and one representative from the board of stewards and WSCS and two from the Youth Division, respectively, together with the pastor, will form the new board. Evangelism is the general theme

throughout the Church to be discussed in the second phase of the Crusade for Christ. Spiritual preparation on the part of the church is to be discussed from time to time. We have set goals for both the church and Sunday school this coming year which will demand the best efforts of the entire membership. Services Sunday for Sunday school, 10 a. m., and church services at 11 a. m. and 7 o'clock Sunday night. You are invited to attend all services.—Reporter.

Following the expiration of her leave, during which time she visited her parents and other relatives here, Maj. Claudia Draper left recently for Staunton, Virginia, where she has been assigned to service in the Woodrow Wilson General Hospital. She was a nurse with the Army in Europe during the war.

Miss Eva Lois Harmonson, who is attending the Seminary at Fort Worth, spent the week end with her father, Ross Harmonson.

Mr. and Mrs. Allen Winningham of Meadow visited in the John Timmons home Sunday.

Mr. and Mrs. Bascom Morris returned this week from Oceanside, Calif. where they visited their son Walter, who is a Marine there at Camp Pendleton.

Mr. and Mrs. Jimmie Clopton of Seminole, Okla., visited her parents, Mr. and Mrs. W. S. Perry, Saturday night.

Mr. and Mrs. Morris Brown of Ft. Worth visited her parents, Mr. and Mrs. E. F. Schwartz, Saturday night.

Miss Rubye Lee Hancock, who is attending McMurry College at Abilene, spent the week-end with her parents, Mr. and Mrs. D. W. Hancock.

Mr. and Mrs. W. T. Tompson of Fort Worth visited her brother, E. F. Schwartz and family this week.

STUDY FOOD PRESERVATION

The Second Year Homemaking girls have been studying a unit on food preparation. We have learned the method of canning, ways to can, uses of canned foods, and how to prevent food spoilage.

We are now studying units on the kitchen and dining room. We have drawn floor plans and placed the furniture.

Home projects have been selected for the semester. We are planning, preparing, and serving meals for the family. Each project was selected for the purpose of helping the girl and her family.

TRASH HAULING

This is to notify the public that the City is not and has never been responsible for the hauling of trash for business men nor from the premises of residences. The individual business men and residents must make arrangements themselves for having this trash hauled.

The City has only assumed the responsibility of having the streets cleaned and has regularly paid a man for that service only, but since the resignation of O. W. Green the City has been unable so far to make a contract with anyone to do this service.—T. J. Bovell, Mayor.

Sgt. and Mrs. Eugene Sanders of Goree came Monday to visit Mr. and Mrs. A. Pendleton and family of T-Bar, Mr. and Mrs. Lee Norwood of Lamesa, and Mr. and Mrs. Samie Norwood of Tahoka. Sgt. Sanders recently returned from overseas, where he had served for 18 months.

Mr. and Mrs. Samie Norwood and children, Elmer, Lillie Eita, and Naomi, of Goree came out Monday to visit his aunt, Mrs. A. Pendleton of T-Bar, and his uncles, Lee Norwood of Lamesa and Samie Norwood of Tahoka and their families.

O. W. BLASINGAME WRITES HOME FROM MANILA

Mrs. Fred Mathews was in the office Monday exhibiting a letter which her brother, O. W. Blasingame, had written back home from Manila, after having gone across recently.

Leaving San Francisco with something of a feeling of sadness on July 2, on board the Sea Witch, he and others aboard underwent the usual agonies of sea-sickness. He relates in considerable detail, together with other minor incidents and then he proceeds:

"On the 11th of July we crossed the date-line, losing the 12th altogether. On the 15th we saw land, the first since we left the U. S.

The second time we saw land was Tinian, one of the Marshalls. We stayed there two days. The next stop was (place omitted) on July 19 and stayed there four days. After being on the water four days more, we arrived at Leyte.

"They put us on a barge and took us ashore. When they lowered the door, I thought of the boys that had paid the supreme price for that island.

"The first day there I was on K.P. Directly after dinner I got a break and was headed for Army Tent (Recreation Center) when suddenly an accident occurred. A boy opened up a drum of gas and it went all over him and caught on fire. I grabbed up a blanket and ran to him. He was crying, 'Put me out! Put me out!' A flame was coming from his mouth and his clothes were burned off of him. I threw the blanket over him and put out the flames. We looked for the gas in the other barrels to go up any minute. When I pulled the blanket off of him his hair fell off and he said, 'It is no use, boys, I am gone for.' And he died that night. He had a wife and baby about two years old, and I can still hear that boy crying for help. It all occurred in a rice field and we were in mud up to our knees.

"The days came and went, and that place was a nightmare. The chow a Cog wouldn't eat, and they treated us about like dogs. They had Jap prisoners of war and they would put them to cutting weeds and put us on a garbage detail. They got off on Sundays but we had to work just the same.

"We shipped from there and boarded a landing ship-tank, 935. We passed islands all the time. I never say so many in all my life. The ship was so rough I thought it would tip over. The sailors got sick and I didn't feel so good myself. Finally, we reached our destination, and it was Manila. The sunk ships in the harbor were as thick as flies. It was 4 p. m. when we unloaded and it was 11:30 p. m. before we got to bed.

"The next morning I went to chow and it was best I had eaten since I left home, and it is still that way. I've been here two weeks and I've been on K. P. part of one day. Eat and sleep is all I do. This is heaven compared to Leyte. The monkeys are as thick as rats over here, and the fruit is plentiful.

"Manila sure is a big city but it sure is shot up and in a mess. It rains here nearly all the time and the mud is like gum. I went on a sight-seeing tour, and the mud is knee-deep on the side walks.

"Every thing sure is high. We visited a meat market. The meat lies out in the open and the green flies swarm all over it. They even slice their fish without gutting them, and the people go for it. They even bring buckets to our mess hall and yet the garbage out of our mess kits.

"The Red Cross sure is good over here. They give us something to eat and drink every night.

"I talked to a Filipino man the other day and he told several things which the Japs had done—some of them concerning him and

his family. He had a 2-year-old baby and they picked it up and threw it into the air, and on its way down they stuck a bayonet through its body, killing him. Then they beat up the old man.

"All together, I was on the water 30 days, and the sailors can have it. This brings me up to date. So will sign off.

HOME ECONOMIC CLASS

The Third Year Home Economics class met October 2 for refreshments, program, and a discussion of business. The officers elected were as follows:

President, Pansy Lee Dunlap; vice-president, Maxine Hardin; Secretary, Ruth Roddy; Treasurer, Gwen Gaiter; Reporter, Peggy Dunlap.

The theme of our program was Hallow'en. Mable Ragan gave us the history of Hallow'en. Peggy Dunlap read a poem by James Whitcomb Riley, When The Frost Is On The Pumpkin. Ruth Roddy conducted our entertainment. Refreshments were served by Babs Wells, Laquita Anderson and Mary Ann Jones.

CARD OF THANKS

We wish to thank our friends and neighbors for the many kindnesses shown during the last illness and on the death of our husband and father, E. R. Blakney, for the beautiful floral offerings, and for every token of their friendship and esteem. We sincerely thank you all.—Mrs. Dora Blakney and children.

How women and girls may get wanted relief from functional periodic pain

Check! many women say, has brought relief from the cramp-like aches and serious strain of functional periodic distress. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come. Started 2 days before "trough time", it should help relieve pain due to purely functional periodic causes. TRY IT!

Navy Man Tells of Jap Surrender

Mr. and Mrs. J. B. Nance received the following letter a few days ago from their son, Dayton B. Nance, Ft-2/c, of the U. S. S. Ozark, reciting some of the interesting incidents attending the Japanese surrender, which we are passing on to our readers. Here it is.

Dear Dad and Mother,
I am now in Tokyo Bay, where the Mighty Ozark is anchored off Tokyo, taking aboard American prisoners of war. We steamed into the Bay the morning of the 30th and landed about a thousand Marines and Sailors at Yokosuka Naval Base. All hands enjoyed making this "invasion", when the only thing we had to worry about was getting the bows of our landing boats on the concrete sea-plane ramps where we beached.

Things began to happen when we left Guam on August 13 (where, incidentally, the Ozark was anchored next the British battleship, "Duke of York" during the ceremony in which Fleet Admiral Nimitz was awarded the British Order of Bath). We embarked Brigadier General William Clemente of the 7th Marines who is now Commanding General of the Yokosuka area, and set a northerly course.

Off the Bonin Islands we saw the B-29s pass overhead on their last hostile run to Japan, and soon after received the word that Hirohito had accepted unconditional surrender. We were, naturally, happy to hear it, but also a little restrained since having previously heard several false reports. At any rate, all tendency to relax our degree of readiness was abruptly spiked the next day when a torpedo crossed our path just ahead of the bow. Right then we decided that while the Japs may have accepted surrender terms, there are always the 10 per cent who never get the word. We maintained our usual sharp lookout.

The next thing I knew we were joining the Third Fleet, about 300 miles off the Japanese coast, with orders to prepare to transfer at sea a thousand Marines and Sailors to the Ozark. The Third Fleet, as you probably know, is Admiral "Bull" Halsey's outfit, which includes the battleships, cruisers, carriers, etc., that had been bombing and bombarding Japan. These major units of the fleet each carry a group of "Fleet" Marines, who man antiaircraft batteries, and they — plus landing force sailors from the same ships — were the ones we took aboard.

The first ship to come alongside was the U. S. S. Bon Homme Richard, one of the Navy's big carriers. As she came along-side our port side line-throwing guns fired lines across and breeches buoys were rigged, fore and aft. In a few minutes, men were pouring across the 75-foot gap between ships as fast as the chair-buoys could be hauled over and back. At the same time the U. S. S. Wisconsin came along-side our starboard side and as she got in position the ship's band on the Bon Homme Richard played "Don't Fence Me In," dedicating it to the Ozark.

As transfers were completed by each ship, another moved up to take its place, until 1,016 officers and men had been received from 20 ships, including the battleships North Carolina and South Dakota, the carriers Shangri-La, Independence, Cowpens, Yorktown, Randolph, Ticonderoga and Bataan, the cruisers Springfield, Monterey, Pasadena and Wilkes-Barre, the destroyers Twining, Taylor, Woodward, Smalley, Hale, Buchanan, and several others.

The operation with each ship was timed and we think we set a record when 28 men were brought over from the South Dakota in 19 minutes. The whole maneuver is certainly a record, as such a mass transfer at sea had never before been attempted.

At the completion of the transfer we became a part of Task Force 31 and proceeded into Sagami Wan (Bay), just across the peninsula from Tokyo Bay. We anchored there and saw several Jap submarines, each flying the black flag of surrender from its conning tower. Early morning of the 30th we weighed anchor and moved down around the peninsula and up into Tokyo Bay for the landing.

It has been an honor to participate in this final amphibious landing and more so to be able to help evacuate our recently freed prisoners of war.

May this begin a lasting peace!
Dayton B. Nance

P. S. Dear folks, I am still here, loading and unloading war prisoners. Poor fellows are sure thin and skinny, but all are very happy now. Many of them have been prisoners since Corregidor was taken. I received my mail yesterday, first in over 3 weeks. The weather is nice and cool here, but its hot around Guam. I don't have any idea where we are going from here.

I should get a leave if we ever get back to the states. Most likely will be before Christmas.
Love, Dayton.

CLASS SOCIAL

The Senior Young People's Class of the Baptist Church enjoyed a picnic Tuesday night of last week out at the Roadside Park.

We all had a grand time roasting wieners and huddling around the fire as it turned off very cool.

As a token of our appreciation for Mrs. N. E. Wood's taking our class as teacher, we surprised her with a shower of gifts at the close of our picnic.

Those attending were Valarie Wells, Ozelle Wheeler, Doris Latham, Beatrice Lloyd, Helen House, Robbie Milliken, Lorene Reese, Clara Harper, Mozelle Cromer, Mrs. Jim Burleson, Mrs. House, Mrs. N. H. Cromer, Mr. and Mrs. N. E. Wood, N.E. Jr., and Idalia Wood.

JR. 4-H CLUB

The Jr. 4-H club is now organized for the year of 1945-46. The officers elected are as follows:

President, Dwayne Driver; vice-president, Dan Cowan; Secretary, Billy Bob Waldrip; Reporter, Ronny Gurley; Treasurer, Payne Wilkes. There is now 40 members.
—Reporter.

PIE SUPPER AT DRAW

A box and pie supper will be held at 8:30 p. m. Friday, Oct. 5, at the Draw High School auditorium. A school program will precede the sale.

Proceeds of the sale will go to the athletic and lunchroom funds. The public is invited to attend.

C. B. Reed received a letter a week ago from his son, Sgt. Sherman B. Reed, then in Los Angeles, stating that he had been granted a discharge from the service in San Diego on September 21 and expected to be at home in a few days. Sgt. Reed enlisted in the Marines in March, 1941, and had been operating in the South Pacific. He doubtless saw a lot of strenuous action in this war.

Mrs. John Ray left Friday morning to visit her mother at Quanah. She and her mother and her brother expected to visit relatives in Wise county before her return home.

"Good Service Always!"

GOOD? IT OUGHT TO BE GOOD!

Sure, the New Phillips 66 is a swell gasoline

Why Not?

We'd be ashamed of ourselves if it *wasn't!* Since Pearl Harbor we've put every ounce of sweat and energy we possessed into perfecting the finest combat fuels the world has ever seen.

Millions of dollars worth of new equipment

... hundreds of thousands of man-hours and brain-hours ... *weren't spent in vain!*

Good gasoline? Man, it *ought* to be good!

And if you're one of those who aren't surprised that Phillips research and Phillips know-how have produced a world-beater of a gasoline, here's a little thought you can tuck in your hatband:

The most important thing about a Phillips 66 Service Station is still the man who runs it. Yes, he can give you fine gasoline. But he'll also give the consistently high standard of thoughtful, courteous service that has always characterized the sign of 66.

We didn't forget how to deliver *that* during the war, either!

School Bus Clinic Next Thursday

County Superintendent Lenore M. Tunnell is calling a meeting of all school bus drivers in Lynn County for ten o'clock Thursday morning, October 11, at the courthouse in Tahoka. The program will include several talks and an inspection of each bus being used for transporting school children.

The program announced by Mrs. Tunnell is as follows:
Talk on "School Bus Safety" by Highway Patrolman, Roy King.
Talk on "First Aid for Bus

Children" by Dr. J. W. Sinclair.
Talk on "Mechanical Care of Buses" by Troy Noe.
Talk on "Legislation Affecting Bus Drivers" by E. H. Boulter, Deputy State Supt.
All buses will be inspected in the afternoon beginning at one o'clock.

Miss Mary Beth Roddy, who had been employed at a Carlsbad, New Mexico, air base, spent the past week-end here with her parents, the H. L. Roddy's, while being transferred to Shreveport, La. The family accompanied her as far as Abilene Wednesday and visited their daughter, Virginia, there.

Capt. Skiles Thomas Home From Pacific

Dr. Skiles Thomas, a captain in the Army Medical Corps, and his wife and little daughter, Susan, are here visiting his parents, Mr. and Mrs. C. A. Thomas. Skiles has a 45-day leave.

He recently arrived back in the States after having been overseas two years, much of which time he was with front line troops in the jungles of South Pacific Islands.

Entering the Army May 1, 1943, he went overseas Sept. 7, 1943. He was successively on New Caledonia, Fiji, and Bougainville. From the latter place, we went to the Philippines and saw service on Leyte, Bohol, Mindanao, and Cebu. He stopped over at Manila en-route home.

DULIN GETS DISCHARGE

Word reached Tahoka this week that S/Sgt. Woodrow Dulin had received his discharge at Amarillo last Sunday. He was recently returned from Europe, where he had served with the Eighth Air force. He entered the army on September 3, 1942.

A son of T. G. Dulin, he was a graduate of the Wilson high school but resided in Tahoka for a time before enlisting. He was listed as a resident engineer.

Morrell Jones is in the Veteran's Hospital at Amarillo, for treatment.

Ironing Tips

The wrong side of the garment is often the right side for ironing. Clothing specialists advise ironing on the wrong side all dark-colored cottons, also linens, rayons, satin weaves, crepes and wools—the last always protected by a pressing cloth. When garments of these fabrics are turned to the right side, they may need to have a few wrinkles smoothed out, but the less the iron is used on the right side, the better the appearance generally. White and light-colored cottons are ironed on the right side. Heavy fabrics or parts of clothes that are double in thickness generally need to be ironed on both sides. Embroidery may be smoothed out quickly on the right side, then ironed on the wrong side over a thick, soft pad or Turkish towel. If the fabric shows shine where it is pressed on the right side, press over a cloth or tissue paper.

P. T. A. WILL REORGANIZE

After conferring with Supt. E. E. Hancock, some of the mothers of the town are calling a meeting to be held at 4:00 o'clock next Wednesday afternoon in the high school auditorium, according to Mrs. Terry Thompson, for the purpose of re-organizing the Parent-Teachers Club.

Every mother in the Tahoka school district is urged to be present and to join in the organization. For several years the P. T. A. was a very active organization and a potent force for the cause of education in Tahoka. It could and should be made so again. Some of the mothers, therefore, are promoting its resuscitation and are asking the support of all parents in Tahoka for our schools and for the P. T. A. Please be present.

AMERICAN LEGION MEETING

The executive committee of the American Legion Auxiliary met Monday evening in the home of Mrs. Roy Adams. Members present were, Mesdames Richardson, J. B. Oliver, Pete Hendrix, A. M. Cade, and the hostess.

Proposed plans, official committees, and other business to come before the membership at the next business meeting were discussed.

At close of the meeting, the guests were served cake and coffee.

R. L. Craig, who lives out near the east line of the county, reports that he recently visited his brother John Craig and family at Wewauka, Okla., and found good crops most of the way after leaving the caprock.

Johnny Wells, Charles Dollins, Claude Donaldson, and M. B. McCord returned Sunday to A. and M., where they are students.

Mrs. E. E. Hancock was called to Dallas Thursday of last week by the critical illness of her father, J. H. Steger. Friday Supt. Hancock and children went down and were at his bedside until Monday.

How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

- 1-Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.
- 2-Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did.
CARDUI

NOTICE TO TAXPAYERS!

We wish to notify the Taxpayers of Lynn County that 3% discount will be allowed on both State and County taxes if paid in the month of October. Heretofore the 3% discount has only been allowed on the State tax.

Washable Wallpaper

It's time for home owners to get down to business in this matter of getting ready for winter. Autumn arrives this month. It won't be long till cold weather comes and we'll all be spending more time indoors. So make your home snug now against the wind. At the same time plan to dress it up a bit inside. Now—this month.

Earn a Pretty Profit from Better Fed Poultry...

Eggs, laying hens, and edible poultry are bringing high prices now. Are you earning a maximum from yours, or are nutritional deficiencies keeping their laying average low; and making them thin and sickly? You can't make a better investment, than to have our feed truck stop at your farm and mix a special feed for your birds: feed high in vitamin and mineral values. Then watch your poultry pick up... and see your bank roll grow, fat in profits.

AMERICAN HEROES

by JULIAN OLLENDORFF

WHEN Nazi planes strafed the SS Samuel Parker, setting fire to its cargo of high explosives and aviation gasoline, during unloading operations at a Sicily beachhead, Fred A. Anderson, able seaman, dropped into the hold and extinguished the blaze in the ammunition. Then he went into another hold and put out fires in the gasoline. He was awarded the Merchant Marine Distinguished Service Medal. War Bonds helped supply the gas, munitions and fire extinguishers.

U. S. Treasury Department

Harold R. Waller In Okinawa Campaign

On The USS Block Island In The Pacific. — Harold R. Waller, USN, Boatswain's mate, first class, Tahoka, Texas, has been serving on this escort aircraft carrier.

The first Block Island was sunk by a German submarine off Africa in May, 1944, but accompanying destroyer escorts picked up every man of the crew and then finished off the U-boat.

The crew, almost intact, was assigned to a new escort carrier, which was renamed the Block Island. She reached the Pacific in time to take part in the Okinawa campaign and the invasion of Borneo.

ANNOUNCEMENT

The Baker Fleming Flash-O-Gas Company of Lubbock and Plainview wish to announce their purchase of the Garner Butane and Appliances store in Tahoka.

We wish to thank each of you for your past business and want to continue servicing you. We do sell the same products.

Mr. E. C. McClellan is in charge of your Tahoka store. Come in and see our display.

Congratulations to:

Mr. and Mrs. H. C. Bradshaw upon the birth of a daughter at the family home on Sept. 25. Sinclair Clinic reports. The little lady has been named Peggy Ann.

Mr. and Mrs. Margarite Chappa upon the birth of a son at Sinclair Clinic Sept. 27. He has been named Adolf.

Mr. and Mrs. D. B. McMillan of Rt. 3, O'Donnell, on the birth of a 10-lb. son on Sept. 28 at Tahoka Clinic. The little fellow will bear the name of Gary Lamond McMillan.

Mr. and Mrs. Warren Smith on the birth of a son, named Wayne Dee, Sunday at West Texas Hospital. Mr. Smith is foreman of the Arledge ranch west of town.

Sgt. and Mrs. Chas. K. Harris of Tahoka on birth a son weighing 7 pounds at 12:02 o'clock Thursday morning of last week in St. Mary's hospital. Sgt. Harris is stationed near Oakland, Calif. Mrs. Harris who is visiting in the home of her parents, Mr. and Mrs. E. J. Cooper, is the former Miss Mildred Cooper.

Grandfather of Local Ladies Dies At Brady

Mr. and Mrs. Garland Pennington and daughter, Miss Rae Fern, and Mr. and Mrs. Moman Johnson and children went to Brady Thursday to attend the funeral of the ladies' aged grandfather, John Russell, 87, which was conducted at 4:00 o'clock Friday afternoon at San Saba. He died at Brady late Wednesday afternoon.

He is survived by his aged companion, two sons and a daughter, and by five grandchildren. One of the sons is John Russell Jr., of Brady, father of Mmes. Pennington and Johnson of Tahoka, who himself resided in and near Tahoka for many years.

Deceased had been an almost life-long resident of San Saba county, he his companion having lived together for nearly 64 years.

Mr. and Mrs. Claud Hill and family of Muncay visited here sister, Mrs. Samie Norwood, and family last week, coming Wednesday and leaving Thursday afternoon. They were also looking for a place but failed to find one.

City Finances . . .

(Cont'd from page 1)

Mr. Bovell stated that the City Council has in mind to improve and extend the water system at some early date if authorized by the people to do so. Some new wells will be needed, some new pipe lines, and some larger pipe, together with an additional storage tank. This will probably require a small bond issue, but it is contemplated that this will be voted, since the City is now so nearly out of debt, and since the water system itself is a paying proposition.

It is also contemplated that additional paving will be done in the not-too-distant future.

Buddy Bragg Speaks

Buddy Bragg, son of Mr. and Mrs. Cody Bragg, outstanding 4-H Club member who had been selected to represent Texas at Camp Miniwanca, Michigan, during its two weeks session in August, gave a report on his trip and of the camp. The matter of leadership training and the development of character were much stressed at the camp, and Buddy told something of some of the outstanding leaders whom he met and heard there. He spoke with rare composure and unconsciously gave demonstration of some of the qualities of leadership which he possesses.

Biggerstaff . . .

(Cont'd from first page)

fit hastened on to Guadalcanal, where he spent almost a year. There he learned what fighting the Japs in the jungles was like, and there scores of his companions fell under the sniping fire of the Japs and the ravages of disease.

A brief period of rest in New Zealand, and then on to Emireau and the Admiralty Islands, where there was other strenuous fighting.

He landed in the Philippines in March of this year, and remained there until given leave for a visit

home a few weeks ago.

In the Philippines, he saw a little of the better side of life. In Manila he was initiated into the Mt. Lebanon Lodge of the Masonic fraternity, the first man to be initiated after the Lodge has been re-organized following the crushing of the Japs.

Now at home, he will be associated with the Forrester Insurance Agency in Tahoka.

ATTENTION, LYNN COUNTY FARMERS

Effective immediately, the Lynn County AAA office will begin operating on a 40-hour basis. Office hours will be from 8:00 a. m. to 12:00 a. m. and from 1:00 p. m. to 5:00 p. m., Mondays through Fridays. Please arrange your business with this office accordingly.

This office will not accept your application for milk and cream subsidy for the months of July, August, and September.

We are not yet ready to accept applications on sales of sheep and lambs, but will inform you as soon as we are in receipt of draft forms.

We hope to be ready within a short time to give you information on the 1946 program.

Robert R. Adams, Sec'y., Lynn County A.C.A.

Miss Billie Wayne Pennington, daughter of Mr. and Mrs. Willis Pennington, is taking a beauty course in Lubbock.
