Tahoka, Lynn County, Texas, Friday, April 1, 1949

Number 26

## Tahoka Enters Team In Oil Belt Baseball League

Tahoka will enter a team this year in the amateur Oil Belt League along with Post, Slaton, Brownfield, Loveland, Sundown, Seagraves, and Denver City.

This decision was reached Monday after a series of meetings by business men and other fans which began last Thursday.

Frank Larkin is president of the new Lynn County Baseball Association, Bert Short is vice president, and H. G. Hodges is secretary and treasurer.

An attempt will be made to make the club truly a Lynn county club, with players from Tahoka, O'Donnell, Wilson, Grassland, New Home, and any others having baseball material. Full co-operation of the entire county is being sought in an effort to put over the project.

Last Thursday afternoon, Joe Holmes of Lubbock, president of the league, met with about 25 interested fans in the county court room and explained the league set-up. A committee was set up to feel out local business men on support of the project, and report its findings at a meeting of the Chamber of Commerce directors on Friday night.

Friday night, the committee reported a large majority of the men contacted were highly in favor of a baseball club if the entire community would join in backing the project and a favorable team could be fielded.

At the same time, the above named officers and the following directors were elected to set what could be done further to set up a working organization: Vester Botkin, Dale Thuren, Charles Verner, Jim Applewhite, Douglas Finley, and Terry Thompson.

Monday, these officers and directors met, set up a permanent organization, notified the League president that they would accept membership as the league's eighth team, and immediately laid plans for the summer schedule, which starts April 24.

Dale Thuren was named field (Cont'd. on last page)

## Mrs. W. J. Faires Taken By Death

Mrs. W. J. Faires, 75, died at about one o'clock Sunday afternoon, March 27, in the Tahoka Hospital, where she had been a patient for only a couple of days. While she had been almost helpless for many years, death came as the result of an attack of heart trouble, which she had suffered at her home.

Funeral services were conducted at 4:00 o'clock Monday afternoon in the Methodist Church here, Rev. D. W. Reed of Garnolia officiating. Burial was deferred until the next day, however, awaiting the hoped-for arrival of a son, who lived in South Gate, a suburb of Los Angeles, California. The son, Clifton Faires, and his wife and their son and daughter-in-law, Mr. and Mrs. Clifton Faires Jr., did come in on the bus at about six o'clock Monday afternoon after the funeral services had been concluded. They had had serious car trouble in Arizona and had to abandon the car and catch a bus. The body of Mrs. Faires was buried at about 4:00 o'clock Tuesday afternoon in the Tahoka cemetery.

Mrs. Faires had become seriously afflicted with arthritis twenty-two years ago and had been confined to her bed for the past twenty years. Since 1916 they had lived near Central Church in this county until a few years ago, when Mr. Faires purchased a home in south Tahoka and moved into it in order that they might be near a physician and have conveniences not available to them on a farm. He himself has been in very poor health for a number of years.

Mrs. Faires, whose maiden name was Mollie Sloman, was born on March 4, 1874, in Sedalia, Missouri. She was married to W. J. Faires at (Cont'd. on last page)

## Red Cross Drive Is Lagging Here

The annual Red Cross fund campaign in Tahoka is progressing very slowly, according to Bill Strange Jr., local drive chairman.

Those who have not already made their contribution to this worthy cause are urged to give or mail their checks to Mr. Strange immediately.

## High School Has Baseball Team

Due to unfavorable weather and lack of a playing field, Tahoka High School's baseball hopefuls have been receiving very little practice for the District 4-A competition which gets under way this month.

Due to the fact that none of the boys have played baseball before, Coach Jake Jacobs does not expect to field a winning team, but a start is being made that may be of value to Tahoka boys in future years.

Junior baseball was started in Tahoka last summer by the American Legion, and this year the game has been made an interscholastic League sport for the first time. The Legion is cooperating with the school in getting the sport started by furnishing uniforms donated last summer by Bill Strange Motors and providing a diamond in Southwest Tahoka, which is now being built. At the end of the school term, the Legion hopes to take over again, and carry on play for the juniors during the summer.

Twenty-two boys are out for the school team and are learning some of the elementary fundamentals.

On Tuesday Sam West, former big league fielder with the St. Louis Browns and Washington, and Bobby Lane, ex-Texas University baseball and football star, met with the boys.

As soon as the field is completed and the wind dies down, the boys will receive some playing experience.

(Cont'd. on back page)

## James C. Clark Died Wednesday

James C. Clark, 89, a long-time resident of Tahoka, died in Seale Clinic here at 4:45 p. m. Wednesday following an illness of four months and 14 days.

Funeral services were conducted at 3:00 Thursday afternoon in the Methodist Church here, Rev. C. A. Holcomb Jr. officiating, followed by interment in Tahoka cemetery.

Mr. Clark was born on January 12, 1860 in Navarro county. He was married to Miss Henrietta Daugherty at Peede, Kaufman county, on December 6, 1883. Later he moved to Terrell, Okla., and came from that place to Tahoka in 1920. After staying here a year or two, he moved down to Palo Pinto, but returned to Tahoka two years later. He had lived here ever since.

Mrs. Clark died here January 7, 1941. Surviving him are two sons, R. H. (Hub) and Henry, both of Tahoka, and one granddaughter, Miss Eloise, who teaches at Clovis. He was a good man, quiet and reserved, and had many friends.

## Reburial Services For N. L. Fisher

Reburial services for Pfc. Newman Lee Fisher, brother of R. E. Fisher of Tahoka, will be conducted at 2:00 p. m. Sunday in Plains Funeral Chapel, Lubbock, Dr. Norvel Young of Broadway Church of Christ officiating. The VFW will be in charge of military graveside rites.

Pfc. Fisher was born in Paris, Texas. He lived at one time in Tahoka, with his brothers Bob and Floyd, while they were associated in business here. He was killed on February 7, 1945, at the age of 21, in Germany.

Call Mrs. J. B. Oliver for reservations for V.F.W.-Auxiliary dinner Monday night at which Christine Moore, Dist. 7 president will attend.

## County Schools Name Trustees In Voting Saturday

Trustees are to be elected Saturday in all of the school districts of Lynn county. These include the Consolidated districts of Tahoka, O'Donnell, Wilson, New Home, and the additional Independent and common school districts at Grassland, Midway, and Newmoore.

In the Tahoka district, there are two trustees to be elected. Four names appear on the ballot. The voter will scratch two of the names and leave two unscratched. The candidates are: O. D. Orr, G. C. Watson, Luke Hagood, and H. R. Tankersley.

At Wilson, there are three names on the ballot; two to be elected. The voter will scratch one name and leave two. The candidates are: B. W. Hobbs, Chester Swope, and E. O. Montgomery.

At New Home six names appear on the ballot; two to be elected. The voter will scratch four names and leave two. The names are: Harlan Dean, Roy Lee Williams, D. W. Hancock, D. C. Caudle, L. F. Taylor, and Weldon McClintock. Polling places will be at New Home and Lakeview.

At Grassland, there are six names on the ballot. They are Vern, on Turner, C. O. McCleskey, C. W. Roberts, C. A. Walker, W. J. Hudleston and Charlie Ellis. Three are (Cont'd. on back page)

## Former Tahoka Girl Is Killed

Many friends here were greatly shocked Monday morning to learn that Mrs. Mary Humphries, the former Mary Adamson of Tahoka, was instantly killed in an automobile accident late Sunday evening near Arkadelphia, Arkansas, where she and her husband, John A. Humphries, lived. The husband was so seriously injured that he died at 10:30 o'clock Monday morning.

Mrs. Bonnie Adamson of Dixie, mother of the young woman and son D. R. Adamson, left for Arkadelphia soon after being informed of her daughter's death. Sheriff "Slick" Clem and wife, and Donald and Robert Adamson, all of Tahoka, Mr. and Mrs. Buck Cornelius of Ralls, and Mr. and Mrs. J. H. Hoover of Crosbyton, brothers, sisters and brothers-in-law of Mrs. Humphries, all left for Arkadelphia after news came that Mr. Humphries had died, for they then knew that funeral services and burial would be there.

Funeral services were conducted for both Mr. and Mrs. Humphries in Arkadelphia on Tuesday but the bodies were buried in a cemetery about 25 miles southeast of that city. The relatives arrived back home Wednesday night.

Mrs. Humphries was killed and Mr. Humphries fatally wounded at about seven o'clock Sunday evening, according to Sheriff Clem, when they met a car driven by a Minnesota man at a curve on the Little Rock highway a few miles out of Arkadelphia. They had been fishing and were coming in home and the Minnesota car was going toward Little Rock. The cars side-swiped on the curve and threw the Humphries car out of line and he lost control of it and it ran into a tree, with the fatal results stated above.

Mr. and Mrs. Humphries were married on last Thanksgiving day. She was a graduate of the Tahoka high school of the class of 1947 and was about 18 or 19 years old at the time of her death. Mr. Humphries formerly lived at Midland and was some kind of contractor.

## Methodist Pastor To Conduct Revival

Rev. C. A. Holcomb Jr., pastor of the Methodist Church here, has accepted an invitation to do the preaching in revival services to be held in Idalou throughout next week, beginning Sunday morning.

The Methodist Young People will have charge of the services here, both in the morning and the evening.

## Highways 87 And 380 Thru Tahoka Will Be Widened

The pavement on U. S. Highway 87 running south through Tahoka, and on U. S. Highway 380 running east through Tahoka is to be widened by the State Highway Commission of Texas at an early date according to an order passed by that body on Tuesday of this week. The job is to cost \$76,000, and the City of Tahoka is to furnish the right of way.

This means that the pavement is to be widened so as to cover the entire street from curb to curb, upon which the two highways respectively pass through the town.

This will be a valuable improvement and one which the citizens of the town and surrounding territory as well as tourists upon the highways will greatly appreciate. The City Council has been working on the project for some time.

It is a practically assured fact also that some time not very far in the future, Highway 87 will also be widened into a three-lane highway from Tahoka north to the Lubbock county line, and possibly all the way through to Lamesa or further. It was widened into a three-lane highway from Lubbock down to the north line of Lynn county during the past year, and this widening process will doubtless be extended further and further south as funds become available.

## Jaycee Starting Membership Drive

Last Thursday night the Tahoka Jaycees mapped plans for a membership drive which starts today. The member who secures the most new members will receive a \$25.00 hat, according to President Wilton Payne. The club is also participating in a national membership campaign.

On Tuesday, 25 members worked on the new park site from 1 p. m. until dark. The work is reported to be progressing satisfactorily.

Albert Curry and Vernon "Skeet" Clem were elected delegates to the Texas Junior Chamber of Commerce convention which opened in Galveston Thursday and closes on Saturday. Nearly 2,000 delegates from 125 local chapters were expected at the meeting.

## Irrigation School Is Planned Here

An irrigation school for Lynn county farmers will be held in the County Court room, Monday, April 4, beginning at 10:00 o'clock a. m. Mr. R. V. Thurmond, Associate County Agent in irrigation, will discuss Well Development, Irrigation Methods and Systems, and well Efficiency.

Mr. John Box, Irrigation Director of the Lubbock Experiment Station, will discuss application of water to crops.

The meeting will be open for question concerning any phase of irrigation and problems peculiar to our county.

Every one interested in irrigation is urged to attend this schooling.

## Jeannine Smith Is In Honor Society

Miss Jeannine Smith, daughter of Mr. and Mrs. Happy Smith of Tahoka, was one of seven Texas Tech students distinctly honored on last Sunday, when she was initiated into the Omega Chapter of Phi Upsilon Omicron, national honorary fraternity for women in home economics.

Initiation ceremonies were at the Home Ec. building in a sunrise service, and this was followed by a breakfast at the Hilton Hotel.

Jeannine, who is a graduate of Tahoka High School, was among only eight high ranking students to be invited to membership in the honor group, seven of whom accepted membership.

Miss Mary Alice Guy of Bryan is here for a few days visiting her cousin, Mrs. G. M. Stewart.

Dr. W. A. Schaal, who has announced as candidate for mayor.

## City Election On Tuesday To Name Mayor, Aldermen

Ballots for the city election to be held on next Tuesday, April 5, have been printed.

As the names on the ballot are just double the number of the offices to be filled, the prospects are that the election will not be the drab affair which for a long time seemed probable.

For mayor, there are two candidates, Dr. K. R. Durham, the present incumbent, who offers for re-election, and Dr. W. A. Schaal, Chiropractor, who would wrest the office from his Dentist opponent.

In the race for city aldermen, three men filed their names as candidates on the last day within the time limit. They are J. A. Biggerstaff, Insurance man; William H. (Bill) Wood, Pharmacist; and W. B. (Bill) Strange Jr., engaged with his father in the automobile business.

Three candidates who had previously filed their names for places on the ballots are B. L. Parker, a present member of the city council, who is asking for re-election, Ed Hamilton, a business man, and A. R. Milliken, local manager of the Higginbotham-Bartlett Lumber Co.

The ballot which you will scratch is made up as follows:

- For Mayor:  
 K. R. Durham, (re-election)  
 W. A. Schaal  
 For Aldermen (Three to be elected):  
 B. L. Parker (re-election)  
 Ed Hamilton  
 A. R. Milliken  
 J. A. Biggerstaff  
 William H. (Bill) Wood  
 W. B. (Bill) Strange Jr.

You scratch out with black pencil the names you do not want; you leave unscratched the names of candidates you do wish to vote for. Scratch out one of the names for mayor and leave the other unscratched.

Scratch three of the names listed as candidates for aldermen; and leave unscratched the other three names. Scratch the name you are voting against. Leave unscratched the names you wish to vote for.

This will probably be a lively election.

## Final Report On Ginnings Made

The News has received the following official report of cotton ginned in Lynn county during the past season as made by James C. Womack, special agent of the Department of Commerce, Bureau of the Census under date of March 25, 1949.

Census report shows that 51,697 bales of cotton were ginned in Lynn county from the crop of 1948 prior to March 1, 1949, as compared with 106,027 bales for the crop of 1947. Very Respectfully, James C. Womack.

Lubbock county led every other county in the state of Texas in cotton ginnings in the past season, as it has been doing most of the time for a number of years. Lubbock county leads other counties of the South Plains because it has a larger cotton acreage than most of them and has by far more irrigation wells than any of them lying in the cotton belt.

It ginned more than 126,000 bales the past season and 182,000 bales from the crop of 1947.

## ROBERT KNIGHT SERVING IN THE FAR EAST

The News received a communication this week from Robert Knight, who is serving in Uncle Sam's Army somewhere in the Far East. The letter doesn't reveal just where but he says he is with the First Cavalry Division 7,100 miles from home. He has been in the service five months. He is the son of Mr. and Mrs. J. H. Knight of Tahoka.

He sent along for publication a "poem" which he says he wrote, but since the News has a rule against publishing poetry, which we rarely ever break, we are not using his contribution. Thanks, just the same.

## Methodist Revival Starting April 10

The Methodist Revival will begin on Sunday, April 10, to continue through Sunday, April 17, according to announcement made by Rev. C. A. Holcomb Jr., pastor of the Tahoka Methodist Church.

Rev. G. McCollom of Wichita Falls will be the preacher and Rev. Alby Cockrell of O'Donnell will lead the singing and conduct Youth services.

The Revival preacher is reputed to be a very able and effective pulpit speaker and Brother Cockrell bears a splendid reputation in this area as a music director and Young People's leader. It is confidently hoped that their efforts together with the efforts of the local pastor and many members will result in another great revival here.

There will be two services daily, at 10:00 a. m. and 7:45 p. m. The public is cordially invited to all the services.

The pastor further calls attention to the fact that April 10 is Membership Sunday. Parents desiring to have infants baptized will present them on April 10, he requests.

Next Sunday, April 3, is Youth Sunday. The Young People will have charge of both services. Everybody cordially invited.

## For Marvin Smith Reburial Today

The body of Marvin Smith, Ship-Fitter Third Class, and overseas veteran of World War II, is being returned to Tahoka today, for reburial. He is the son of Mr. and Mrs. Frnak Smith of Tahoka.

Funeral services will be directed by the Stanley Funeral Home and members of the American Legion, Marion G. Bradley Post No. 250, Rev. C. T. Aly officiating. The services will be held at 4:00 o'clock Saturday afternoon in the First Baptist Church of Tahoka.

Marvin Smith, SF3/c, was born on April 24, 1922, at Paluxy, Hood county. He came out to Lynn county and resided with his grandparents, Mr. and Mrs. D. Smith, until his parents moved out in 1934. He entered military service from this county on January 8, 1943. After taking training at Norfolk, Virginia, he was sent to the Aleutian Islands, where he was stationed for 18 months. After a visit home and a few months further training at Camp Parks in California, he was transferred to the South Pacific theatre of action in November, 1944. He was killed in action on I. E. Shima on June 11, 1945.

Survivors include his father and (Continued on back page.)

## NEW HOME SENIORS PRESENT PLAY TONIGHT

The Senior Class of New Home High School is presenting its annual play Friday, April 1, at 8:00 p. m. entitled "Aunt Samantha Rules the Roost."

The characters are: Aunt Samantha, Letta Roland; Serena Simpkins, Emadene Robinson; Sophie Simpkins, Joy McClintock; Polly Paine, Martha Crabtree; Annie, Coleene Savage; Blanche, Betty Smith; Lacie Littlefield, Carl Armes; Blair Boswell, Jim Chanler; Frank Fairfield, Orville Phifer; Larry Lowell, Billy Vandiver; Buddy, Bobby Filming.

### Jim Hill Hurt In Truck Wreck

J. E. (Jim) Hill, son of Mr. and Mrs. J. L. Hill, who was seriously injured in a wreck of his truck on highway 380 about seven miles west of Brownfield on Sunday, March 20, and who was taken to a Brownfield hospital for treatment, had shown so little improvement that on Monday of this week he was taken to the Veteran's Hospital in Amarillo, where he will be for an undetermined length of time.

Hill was injured when he started to pass by another truck coming in the same direction as his own on the highway and met a car coming at high speed in the opposite direction. A high wind was blowing and a light sprinkle of rain was falling at the time, and in passing the car swiped the rear end of his truck, causing it to careen and turn over into the barrow ditch. His truck was wrecked and he was seriously injured.

Two women were in the car. The

driver was practically uninjured but the other was injured more seriously. One tire was ruined and a fender barely indented; otherwise their car, which was a Buick, was not badly damaged.

The accident occurred late in the afternoon. Hill was brought to the Treadaway-Daniell Hospital for treatment. X-ray pictures failed to reveal any bone fractures whatsoever; but there was a long gash on the head which required eleven stitches to close up. His right arm was almost totally paralyzed, and his left arm partially paralyzed. He also sustained internal injuries and has been passing blood from the kidneys.

The two women in the Buick live in Seminole. Hill's home is here.

Gene Tomlinson, who is employed as care-taker of the courthouse, had a cataract removed from one of his eyes in a Lubbock hospital Monday. It is believed that the sight is unimpaired but he expects to have a like operation on the other eye within the next few months.

### IN AUSTIN ON BUSINESS

County Judge Tom Garrard and Garland Pennington, manager of the Lyntegar Electric Cooperative, left Monday for Austin, where they expected to interview legislators in behalf of the natural gas tax bill for the building of farm-to-market roads and also in the interest of some pending measure affecting electric light and power. They were expected to be back home by Thursday night.

### MT. PLEASANT FOLKS VISIT IN TAHOKA

Mr. and Mrs. Jesse Tate and little son of Mt. Pleasant were here over the week-end visiting Mr. and Mrs. G. H. Chestnutt and Mr. and Mrs. W. C. Wright.

Mr. and Mrs. Tate were schoolmates of Mrs. Chestnutt, and Mrs. Tate is a niece of Mrs. Wright.

H. L. Tunnell, who has been out at Hot Springs, New Mexico, for many months, has written the News to change his address to Lubbock. He also sends a warning to Tahoka people not to go out to Hot Springs any time soon to fish as Happy Smith and Jim Burleson have recently just caught them all out of the big lake. Give the minnows time to grow some before going.

Mr. and Mrs. N. J. Hudspeth returned last week from California after spending three months with their daughters and families. Mr. and Mrs. Ben Floyd at El Segundo and Mr. and Mrs. Loyd Craig at El Centro.

J. Walter Smith, who lives several miles out east of Tahoka and who suffered a severe attack of heart trouble early in January, is still confined to his bed but is showing decided improvement.

Joe Vandyke had an eye operation in a Lubbock hospital Monday, which he has reason to believe will prove to have been entirely successful.

Mrs. T. B. Burrough and Mrs. Cleve Cloer visited relatives at Fort Sumner, New Mexico, recently.

In relation to area the two largest countries on the American continents are Canada and Brazil.

### SCHOOL TRUSTEE ELECTION NOTICE

Notice is hereby given that an election will be held in the county courthouse, in Tahoka, Texas, on Saturday, April 2, to elect two trustees, each to serve for a term of three years, for the Tahoka Consolidated Independent School District.

E. R. Edwards has been appointed as judge of said election and Mrs. Ruby Edwards and Mrs. D. V. Smith as his assistants, and he has authority to appoint such other assistants or clerks as may be needed.

Such election is to be held in accordance with the laws of this state governing such elections.

Polls are to open at 8:00 o'clock A. M. and to close at 6:00 o'clock P. M.

Done by order of the Board of Trustees for this District on this the 15th day of March A. D. 1949.

R. L. Gibson, President of the Board.

Attest: Mrs. Helen Ellis, Secretary. 24-3tc

#### Washington Child Welfare Expert Here

Miss Katherine Glover of the Children's Bureau, Washington, D. C. was a visitor in Tahoka last Thursday, the guest of Mrs. Fred McGinty, president of the Lynn County Child Welfare Association.

Because of Lynn county's unique organization, operating without a paid case worker, Miss Glover came all the way from Austin here to investigate the local set-up. She is making a national survey in preparation for the forthcoming White House Conference, determining the needs for further work with underprivileged and handicapped children of the nation.

While here, she conferred with Mrs. McGinty, Judge Tom Garrard, and a group of doctors and civic leaders.

Mrs. J. L. Reese, in bad health for a long time, was taken to Lamesa hospital Wednesday for treatment.

#### ROBERT HARVICK SIGNED BY BIG SPRING STEERS

Robert Harvick of Tahoka, returned last week end from Big Spring, where, after several days of baseball training, he was signed up to a contract to play professional baseball this summer with the Class D Big Spring Steers as an infielder.

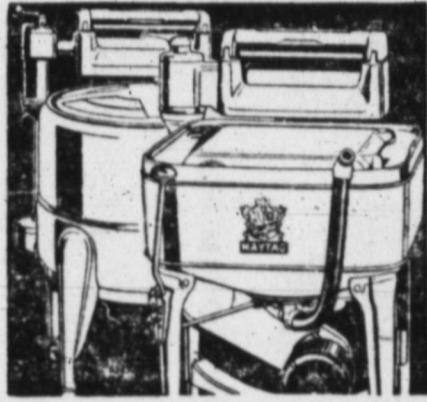

He will report to the Big Spring training camp on April 16. He was the only rookie from a field of 19 candidates signed.

#### Congratulations:

Mr. and Mrs. Robert Medlin on the birth of a son weighing 8 lbs., 15 ounces at 4:25 a. m. Monday in a Lubbock hospital.

Mr. and Mrs. R. W. Gatzki of Post on the birth of a son weighing 5 pounds, 13 ounces at 6:10 p. m. Sunday in a Lubbock hospital.

#### SAVE ON A MAYTAG!

Rebuilt—Guaranteed—  
Low as \$49.50

Imagine... a genuine Maytag for much less than an ordinary washer!

Every one is rebuilt to meet rigid factory specifications, with genuine Maytag parts. Each is in faultless running order, and backed by a written guarantee.

See these washers in our showroom now. Wide range of prices... all well within your budget. Easy terms. Don't wait, come in today... values like these go quickly!

We service all makes of washers.

### Baptists Close Revival Meeting

Probably the greatest religious revival ever held in Tahoka, at least in so far as visible results are concerned, was that which was conducted at the Baptist Church here last week, coming to a close on Sunday night. Tabulated results show that there were 57 additions to the Church by baptism, 48 of the number having been baptized during and at the close of the meeting, and nine remaining to be baptized yet. Thirty-two were baptized Sunday night just preceding the last preaching service. Eighteen were received during the meeting by letter or promise of letters from other Baptist churches.

and five were received upon satisfactory statements made to the church.

This makes a total of 80 additions to the Church. But this does not tell the whole story, for church members were themselves so deeply moved that so far as an accurate count could be kept 132 of these came forward to rededicate their lives to service.

Throughout the week, a campaign had been waged to get out the full membership of the Sunday school and church on Sunday. This effort succeeded to the extent that 603 were registered as present in the various Sunday School classes.

During the church services, in the main auditorium, all the Beginners and Primary pupils were kept down-stairs, and yet the auditorium was filled to its capacity.

In the evening there were 240 present in the various Training Union groups, and again there was an over-flow congregation in the main auditorium.

At the close of the Sunday morning services, a love offering for the benefit of the visiting evangelist, singer, and other workers was taken amounting to \$590.24.

The preaching in this revival was probably the most effective ever heard in a revival in this church. Evangelist Graves Darby of Waco was the speaker. Physically blind, he has great spiritual insight and great faith, and he presented his messages in a way that was plain, clear, and convincing. He employed no sensational methods, no unseemly abuse, and ruffled nobody's feelings, but he went after Sin in John-the-Baptist fashion, crying, as it were, "Repent, for the Kingdom of Heaven is at hand."

He was mightily reinforced in these appeals by the pastor, Rev. C. T. Aly, whose dynamic and persuasive appeals themselves brought many walking down the aisles to confess their sins or to profess faith in Christ.

Humanly speaking, the success of these two Ministers of the gospel seem to be due in large measure to their unflinching persistence, their determination to get what they want after.

As usual, Sheldon Russell also did a magnificent job in leading the song services, while the two organists, Mrs. W. P. Hutchison and Mrs. Clay Bennett, and the pianist, Carroll T. Aly Jr. left nothing to be desired in the matter of instrumental music.

This evangelistic campaign will long be remembered and talked about by the members of the First Baptist Church as a mountain-top experience in their lives and in the history of this church.

### Negro Brought Here On Murder Charge

Sheriff Roland "Slick" Clem, accompanied by his deputy Melvin Leslie, went down to Richmond in south Texas last week and on Thursday brought back O. Z. La Fern, a Negro, who was indicted by a Lynn county grand jury more than a year ago for the alleged murder of another Negro, Andrew Words, on November 30, 1947, in the Wells community in this county.

La Fern was locked up in the Lynn county jail but broke out and hit the trail for South Texas on February 2 last year.

Officers down there, who had a description of the fugitive, recently located him and lodged him in jail, thereupon notifying the Lynn county sheriff.

La Fern is accused of shooting and killing Words with a pistol, two shots taking effect.

### HYMN PROGRAM TO BE PRESENTED

A Hymn program is to be presented Sunday afternoon in the High School auditorium by the pupils of Mrs. Marcus Edwards, she announces.

The Primary and Intermediate pupils start at 2:00 o'clock; congregational singing at 2:45; and the Junior and Senior pupils begin at 3:00 o'clock.

The public is cordially invited to attend.

### Lions Club Has Ladies' Night

Mass psychoanalysis combined with a lie-detector test caused an unexpected earthquake during the Ladies' Night given by the Tahoka Lion's Club Tuesday night at the School Cafeteria. Adventures in Psychometry taught members that

anything can happen when you match your wits against the searching powers of science. Another serious act with a hilarious and unlooked-for finish was the A. B. C. of matrimony as expounded by a professor, Lion Bill Griffin, in cap and gown, direct from Koo Koo College.

These two fun-makers in the Second Edition of the Laugh Fiesta set the tone for the entire evening, which was planned around with humor and laughter.

Perhaps the funniest feature, certainly the most exciting, was Hats—by Hollywood. To their surprise, the ladies participated only in the laughter while the men designed women's hats from the man's angle, which was the craziest angle ever imagined. The ladies voted Mr. Charles Townes with Dr. K. R. Durham, as his model, prize milliner. You should have seen that hat they wore.

The party began with a Magic Circle, a device which got each arriving guest looking for an elusive someone. Prize for the Friendliest Pair went to Mr. Jimmy Applewhite and Mrs. Odell King.

Spooing the Speech Makers introduced a new and novel way of disposing of speeches in which the audience enjoys the spectacle as much if not more than the speaker. Clever and witty "toasts," personalized to Club members and their ladies, delighted both the subjects and the assembly.

Following the advice on love and matrimony, the ladies entered into a contest of their own, I. Q. Cutes, a travesty on the current fad, full of suspense and humorous situations. Then came Psychoanalysis and Hats—by Hollywood, skillfully directed by Lion Bill Strange.

The party closed with everybody singing the Nifty 90's versus The Fantastic 40's. Tahoka would have been astonished to see many of its prominent citizens with their song books doing a good job of it.

For this best Ladies' Night, it was generally agreed a word of thanks was due to Program chairman Lion Bill Strange Jr., and his assistants, Lion President Jack Alley Robinson, A. R. Milliken, Louis Botkin, and Joe Bob Billman.—Reporter, Dub Kenley.

#### CARD OF THANKS

We wish to thank our friends, for any kindness shown, during the sickness and death of our husband and father. We will always be grateful to the ladies who prepared and served the food. Also the men that helped at the hospital. May God bless each of you in our prayer.—Mrs. H. C. Fountain and children.

WYNNE COLLIER, Druggist.

#### HISTORIC FILM COMING TO ROSE THEATRE

The most romantic period in American history was the 1880's. For this you have the word of Samuel Fuller, distinguished author who wrote and directed the Robert L. Lippert Production, "I Shot Jesse James," which opens at the Rose Theatre on Sunday, April 3.

Fuller spent months in research work before he put the screenplay on paper. He delved into newspaper files, read hundreds of books and interviewed scores of "old timers," many of whom remembered well the face and activities of Jesse James and his treacherous confederate, Bob Ford, later known to song and history as "the dirty little coward who shot Mr. Howard." From all this research, Fuller

fashioned the original screenplay of "I Shot Jesse James" and he richly endowed it with dramatic roles for a top flight cast headed by Preston Foster, Barbara Britton, John Ireland, J. Edward Bromberg, Reed Hadley, Victor Killan, Margia Dean, Tom Tyler, Tom Noonan and Barbara Woodell.

"I Shot Jesse James," while factual, is one of the most suspenseful and dramatic stories ever brought to the screen. Author-director Fuller had little leeway in creating the screenplay. The story of Jesse James is too well known to allow too much fictionalization. Consequently, he had only to knit the drama of true history to bring to the screen one of the most thrilling eras of American history.

#### MISS FRANCES SCOTT WEDS

Mr. and Mrs. J. M. Scott are announcing the marriage of their daughter, Captain Frances Scott, an Army Nurse, to Captain Leonard Greene, serving in the Medical Corps of the U. S. Army.

They were married in Rapid City, South Dakota, on St. Patrick's Day, March 17.

Africa's most famous gold district is the Rand near Johannesburg.

#### Wanted! Men and Women Who Are Hard of Hearing

To make this simple, no risk hearing test with Currier drops used with simple a single. If you are deafened, bothered by ringing, buzzing, head noises due to hardened or congealed wax (cerumen), try the Currier Home Method test that so many say has enabled them to hear well again. You must hear better after making this simple test or you get your money back at once. We recommend Currier.

## Premiums Paid On Boys' Livestock By Tahoka Men

Tahoka merchants and business men contributed \$1,200.00 in cash bonuses to Lynn county 4-H and FFA members who exhibited and sold their livestock projects in the South Plains Junior Fat Stock Show in Lubbock last week.

Bobby Hammonds, owner, bought by Gaignat Hardware; Gerald Tippit, Tahoka Drug; Delwyn Tunnell, Fenton Insurance Agency; Kenneth Calloway, First National Bank; Dale Wilhoit, Collier Drug; Robert Adamson, Wharton Motor Co.; Dwayne Townsend, Higginbotham-Bartlett Co. John Henry, C. O. Carmack, and bonus by Gaignat Motor Co.; Wayne Martin, Gaignat Hardware; Gary Mitchell, Bill Strange Motors; Harvey Strickland, Bill Strange Motors.

The above eleven calves were sifted from the Lubbock Show and were auctioned off and sold at the Lubbock Auction sales ring on Wednesday. The calves were bought by butchers and packers ranging in prices from 26½¢ to 28¢ per pound. The Tahoka Merchants listed gave each boy a \$25.00 bonus for his efforts in raising his calf. With the

bonus each boy realized approximately 30¢ a pound for his animal. The following four calves did not go to the Lubbock Show but were purchased by local persons for approximately the same price:

Bobby Hodge, Piggly Wiggly; Dan Cowan, Club Cafe; Bill Short, Dr. Emil Prohl; Ralph Mires, Dr. F. E. Seale.

The following six calves placed in the Lubbock Show and were sold at the Show arena Thursday. Four were purchased by Lubbock Firms. These owners were also given \$25 bonuses so that they realized about 35¢ per pound on their calves.

Thomas Mason, Davis Humphries Grocery for 33¢ per pound; John Mason, Farmers Co-op No. 1; Jimmy Small, Elms Equipment Co. for 32½¢ per pound; Roger Hensley, McWhirter Tire Co. for 32¢ per pound; Chester Watley, Drady Axle & Spring Co. for 32¢; Richard Carter, Avenger Lumber Co. for 32½¢.

Enough money was contributed by individual Tahoka Business men to raise the price of the fifty Lynn county hogs approximately 4¢ per pound above the market. The First National Bank of Tahoka contributed another 1¢ per pound bonus. However, about fifteen hogs were purchased by Lubbock firms at higher prices so that the Tahoka money was used to bid the remaining Lynn county hogs at 28¢ per pound, a 6½¢ margin above the market. This relieved the hogs nearly 2¢ per pound, consequently most hogs from other localities brought from 26¢ to 27¢ per pound. All Lynn county boys received a minimum bonus of about \$16.00 above the market for their hogs.

Robert Adamson, owner, bought by Elms Equipment Co., at 40¢; Edward Taylor, Taylor & Co., 35¢; Harold Hamilton, Hanna Pope, 35¢; Dale Wilhoit, Lubbock Hog & Cattle, 34¢; Curtis Lichey, Armour & Co., 31½¢; Erin Moore, Lubbock Hog & Cattle, 33¢; Billy Rash, John Halsey, 30¢; Edward Taylor, Armour & Co., 30¢; Robert Adamson, Armour & Co., 29¢; Billy Spears, Armour & Co., 28¢; H. C. Gribble, I. A. Stephens, 28¢; Ronald Nettles, Blackwell Mattress Co., 28¢; Jimmy Dean, Tahoka Co-op Gin & Tahoka Implement Co., 29¢; Melvin Edwards, Burleson Grain Co. & Dale Thuren Farm Store, 29½¢; Bobby Hammonds, Bruy Chevrolet Co. &

J. B. Oliver, 27¢; Jerry Cain, Gaignat Hardware & Bill Strange Mtr. Co., 27¢; Lee Roy Gass, H. W. Carter & Rutherford & Co., 28¢;

H. C. Gribble, Calloway Huffaker & Farmer's Co-op No. 1, 28¢; Bill Draper, Bill Strange Mtr. Co. & Smith Food Locker, 28¢; Wayne Tekell, Bruy Chevrolet & Thompson Cleaners, 28¢; Charley Brookshire, Lynn Co. Tractor Co. & Lubbock Production Credit, 28¢; David Acock, Dr. K. R. Durham & Pittman's Gulf Service Station, 28¢; Kenneth Huffaker, Dr. W. A. Schaal & Truett Smith, 28¢; Kenneth Huffaker, Quality Cleaners & Toler Oil Co., 28¢; Wayne Tekell, Lynn Co. News & Forrester Insurance Co., 28¢; Joe Stone, Woods Jewelry & Pettigrew Gro., 28¢; Vernon Brewer, Bennett Variety & West Tire Shop, 28¢;

Jackie Slover, Slim Elliott, 28¢; Sammy Pridmore, Reed Furniture Co. & Rutherford & Co., 28¢; Jimmie Uzzle, Cicero Smith Lbr. Co. & Gaignat Hardware, 28¢; Vernon Brewer, Levine Bros. & Calloway Huffaker, 28¢; Jackie Slover, West Tire Shop & Gaignat Hardware, 28¢; Beryl Tippit, Harris Hardware Co. & Garner Implement, 28¢; Joe Everett, Gaignat Hardware, 28¢; Jerry Cain, West Texas Gas Co., 29¢; Leroy Edwards, White's Auto Store, 29¢; Joe Everett, Bruy Chevrolet, 28¢; Curtis Lichey, Bruy Chevrolet, 28¢; Ralph Mires, Calvery Hatchery, 28¢; Don Mires, Gaignat Hardware, 28¢;

Ralph Mires, J. K. Applewhite, 28¢; Bobby Rains, Bill Strange Mtr. & Burleson Grain & Feed, 28¢; Billy Spears, Southwestern Public Service Co., 28¢; Billy Spears, Dale Thuren Farm Store, 28¢; Javan Schucknecht, Magnolia Retail & Wholesale, 28¢; Curtis Lichey, Bill Strange Motors, 28¢; Edwards Taylor, J. K. Applewhite, 28¢.

Seven hogs were sifted from the show and their owners were given a \$10.00 bonus for their efforts: Ted Pridmore, Dr. Skiles Thomas; Conrad Ratliff, Panhandle Gas & Oil Station; Carl Spears, Wallace Theaters; Thomas Mason, Bill Strange Mtr.; arker Blair, Piggly Wiggly; Billy Ingle, Dale Thuren Farm Store; Gene Ingle, Plains Mtr. Co.

The Tahoka business men are to be commended for their generous support.

deeply appreciated by the boys; their parents; Bill Griffin, the 4-H Leader; Virgil Carter, FFA instructor. Although the merchants are receiving publicity from this, that was not the purpose of their contributions. Everyone gave for the sole purpose of encouraging the young boys of Lynn county to carry on and to continue in the worthwhile endeavors of 4-H projects.

### CARD OF THANKS

We extend our sincere thanks to the many friends who contributed in so many ways to our comfort in our hour of bereavement. —The Fairies Family.

The Simpton tunnel through the Alps is 12½ miles long.

Mammoth Cave is in Kentucky.

### Can Black-Draught Help That Dull, Dopey Feeling?

Yes, Black-Draught may help that dull, dopey feeling if the only reason you feel that way is because of constipation. Black-Draught, the friendly laxative, is usually prompt and thorough when taken as directed. It costs only a penny or less a dose. That's why it has been a best-seller with four generations. If you are troubled with such symptoms as loss of appetite, headache, upset stomach, flatulence, physical fatigue, sleeplessness, mental haziness, bad breath — and if these symptoms are due only to constipation — then see what Black-Draught may do for you. Get a package today.

### Mrs. W. J. Faires

(Cont'd from front page)  
 McKinney, Texas on November 24, 1892. Three children were born of this marriage, but one of them, a 4-year-old son, died while the family were living in Oklahoma. The other two children, Clifton Faires of South Gate, California, and Mansel Faires of Bunker, Young county, Texas, still survive and have reared families of their own. Surviving also are three grand-children and four great-grandchildren. The children and their families were here Monday and Tuesday, including Clifton Faires Jr. and his wife of South Gate, California; Neil Delavan and her husband of Lubbock; and Leigh

Faires of Lubbock.  
 Mrs. Faires was converted and united with the Methodist Church in 1899 and lived a beautiful Christian life, bearing her long-time affliction with great fortitude and remarkable cheerfulness. She was greatly loved by all her neighbors and former neighbors. Many were the fine tributes which they paid to her life and character.  
 Following the burial Tuesday afternoon, Mr. Faires left with his son and daughter-in-law, Mr. and Mrs. Mansel Faires of Bunker, to spend two or three weeks in their home.  
 'Blue sky laws' regulate the sale of securities.

### Marvin Smith . . .

(Continued from page 1)  
 mother, one brother, three of his grand-parents, Mr. and Mrs. D. Smith of Tahoka and Mr. A. L. Sanderson of Walnut Springs, five uncles, seven aunts, two nieces and one nephew, together with numerous cousins.  
 He had numerous friends here and elsewhere, who were greatly saddened when they heard that he had become a casualty of war, but they were proud of the fact that he had done valiant service for his country in the U. S. Navy. He will be buried with military honors.

### Trustees . . .

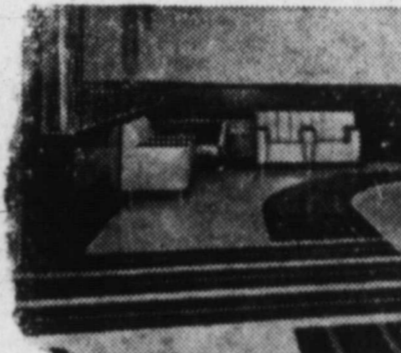

(Cont'd from front page)  
 to be elected. The voter will scratch three and leave three.  
 At Midway, there are seven names on the ballot; three to be elected. The candidates are: Gilbert Gandy, Welch Flippin, K. W. Phillips, G. A. Henry, Homer Hawkins, Cleve Littlepage, and Woodrow Abel. The voter will scratch four and leave three.  
 At Newmoore, two trustees are to be elected. Five names are on the ballot. They are: Olen Blair, Lon Light, Jack Dotson, Lon Howard, and Alton Snider. The voter will scratch three and leave two.  
 The News has not been furnished a list of the candidates in the O'Donnell district nor any information as to the number to be elected.  
 Of course, any voter in any district can write in the name of any person whose name is not on the ballot and whom he desires to vote for, but in no case must he leave unscratched on his ballot more names than are to be elected. For instance, if only two trustees are to be elected in any given district and a voter leaves three names on his ballot unscratched, his vote can not be counted for anybody, for election judges would not know which two candidates he intended to vote for.  
 All qualified voters who are interested in the welfare of our schools should go to the poll and vote.

### Baseball . . .

(Continued From Page 1)  
 manager, and Frank Larkin will act as business manager. Vester Botkin will be equipment manager.  
 A finance committee is composed of Maurice Bray, Charles Verner, and Bert Short. About \$450 was raised Friday in a short period of time. At least \$1,000 will be needed to start the season, and it is hoped gate receipts will carry the burden from there, unless a modern park is built.  
 The grounds committee is composed of Jim Applewhite, Terry Thompson, and Jack Alley Robinson. Bert Short will head a fence committee yet to be named.  
 Thuren, Larkin, Short and H. B. McCord head a committee to contact possible players.

H. G. Hodges will be in charge of ticket sales.  
 Negotiations are now under way for a permanent playing field that may later be developed into a modern lighted baseball field.  
 Two games a week will be played in the league this summer, one on Sunday afternoon, and the other on a week night. Where a club does not have a lighted field, the game will be played in the afternoon.

### WINS SCHOLARSHIP

D. G. Porterfield was a guest of honor at a tea given recently at McMurry College, Abilene, by members of Alpha Chi, honorary scholarship society, for students who made the college honor roll last semester.

D. G. is the son of Mr. and Mrs. Gus Porterfield of the Grassland community.

Most garden soils should be prepared for spring planting in January or early February. Be sure to allow for good drainage of the garden plot.

### NEARLY 6000 CRIPPLED CHILDREN TREATED BY SCOTTISH-RITE HOSPITAL

Six hundred and five crippled children of Texas received surgery and medical attention at the Texas Scottish Rite Hospital for Crippled Children in Dallas, according to the recent annual report released by Asher Mintz, secretary.

In addition to the 605 in-patients for the year, 5311 clinic treatments were given other crippled children, who came to the hospital from all corners of Texas. A large number of cases were orthopedic or bone patients, under the care of Dr. Brandon Carrell, chief surgeon. Approximately 100 of the permanent bed patients were oral cases under the treatment of Dr. A. L. Frew. There were 165 polio patients treated during the 1948 epidemic.

The annual Christmas fundraising campaign showed receipts sufficient to cover only about one-third of the annual financial needs of the hospital, and that operating costs have doubled over the pre-war period. Mr. Mintz's report indicated.

### CARD OF THANKS

We wish to express our gratitude to our friends for the many beautiful flowers and cards, and the visits while we were in Temple, and since we came home. Also we want to thank the neighbors for listing our land. All these kindnesses are deeply appreciated. —Mr. and Mrs. H. O. Hargett and family.

### ACAPELLA CHOIR TO SING HERE SATURDAY EVENING

On Saturday evening, April 2, in the First Baptist Church of Tahoka, the Howard Payne College Acapella Choir is being presented in formal concert in the Church auditorium at 7:30 p. m. This concert is being sponsored by the Choir of the Church.

Howard Payne College Acapella Choir is now regarded as one of the finest choirs in Texas. It is composed of forty singers who rehearse two hours daily on five days of each week. Tone production with this group is automatic and secure. Their entire program is perfectly memorized by each singer so that, in performance, each individual becomes a unit in a big instrument which is devoted to making the music dynamic and to portraying the emotions felt by the composer when the music was being written.

Every Choir is as good as, or no better than the Director. Howard Payne College is exceedingly fortunate in the caliber of Director selected for the Acapella Choir. He is Woodrow Wall, a native of North Carolina, and the son of that state's leading Baptist Preacher, Dr. Zeno Wall. Woodrow Wall holds the B. A. Degree from Wake Forest College of North Carolina. He spent two years in the School of Music of the Southwestern Seminary, Fort Worth, having withdrawn from the latter institution to serve over-seas in the U. S. Navy during the War. On his return from the service he entered the Westminster Choir College of Princeton, N. J., from which he graduated in 1947. He was brought up as a boy in choir singing and directing. His experiences, his training, his personality, and his energies have made him one of the outstanding young choral men in America. His singers love him and therefore work long and tediously in acquiring the tonal intricacies which belong to Wall singing concept.

### MAKING SURVEY ON BRAZOS WATERSHED

Fort Worth, March 28.— Field work has been completed, over three months ahead of schedule, on the Soil Conservation Service flood control survey of the Brazos River watershed, Regional Director Louis P. Merrill of SCS announced today.

Survey findings are now in the regional headquarters here for checking and tabulation, and drafting of the report on the survey is underway, Mr. Merrill said. The survey party is headed by A. H. Bean.

The survey was started last July 1. Its purpose is to show whether the benefits that can be expected from a Department of Agriculture watershed treatment program in aid of flood control would justify the program cost.

Similar surveys on other watersheds have shown that most of the damage done by floods is to crops and livestock. The aim of an agriculture flood control program is to slow down runoff, and waterflow, thereby reducing damage to agriculture and preventing erosion.

The 45,000-square mile watershed of the Brazos annually produces more than 2,500,000 head of livestock, 750,000 bales of cotton, and 6,000,000 bushels of wheat. About 2,000,000 acres of bottomlands along the Brazos and its tributaries are subject to overflow.

When the report on the Brazos watershed survey has been completed, it will be sent to Washington headquarters of SCS for checking and for review by other agencies. The report then goes to the Secretary of Agriculture. If the report receives the Secretary's approval, it is presented to Congress.

Reports on flood control surveys of two of the Brazos' main tributaries, the Little and Bosque rivers, are in Washington now, Merrill said. The Little River survey was made in 1947, Bosque survey in 1948.

### MISS SMITH HONORED

Lubbock, Texas, March 31.— Miss Jennine Smith of Tahoka, a junior home economics student at Texas Technological college, is in charge of the poster's display for the

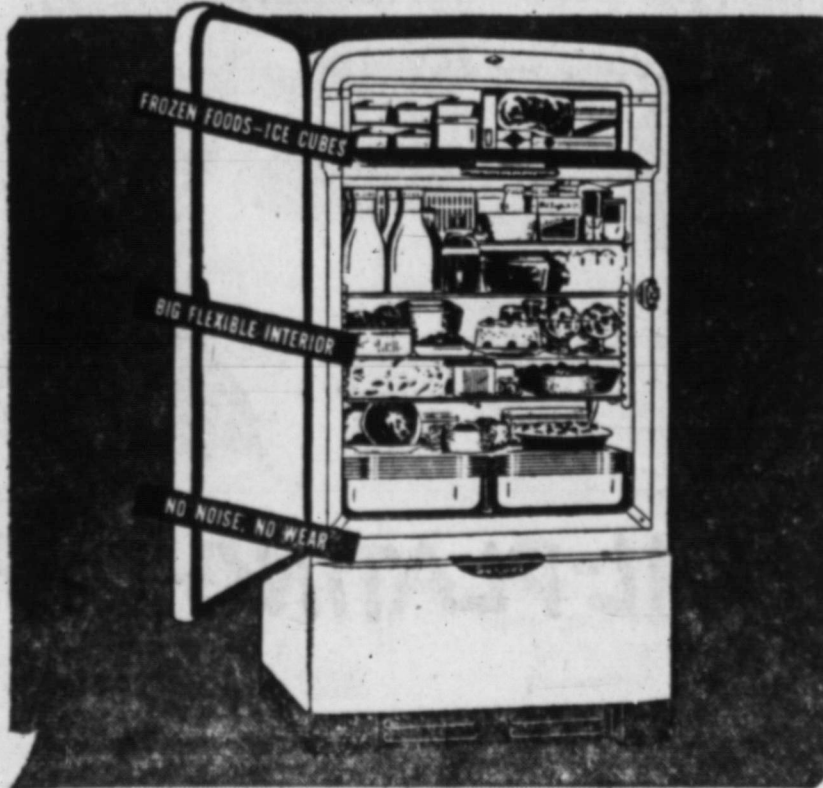

thirteenth annual Open House at Texas Tech, April 22-23.

Preparations for the home economics' 1949 Open House call for exhibits in all departments, demonstrating particularly better living.

**INDIAN SIGNS**

The News takes no stock in Indian signs.

In fact, we doubt if the Indians themselves knew anything about many of the weather signs that are now attributed to their weather wisdom, if any.

Take that sign for instance by which the Indians could foretell, according to Clark Mullican, who kind of crop year was to follow by the direction of the wind at sunrise on March 22, or whatever date it was.

The Judge has been able to get quite a bit of harmless publicity out of his belief (?) in this sign, but if Old Sitting Bull or Old Rain-in-the-Face or any other Old Chief ever heard of it or even commanded his squaw to plant her corn and beans in accordance with the so-called sign, we never heard of that either.

But even if they did lay store by such a silly sign, what did it amount to? Of course the Judge is just having some fun out of the silly superstition.

But there are some other superstitions that are just as senseless and yet many people actually believe in them.

A lot of white folks, for instance,

insist on planting their corn—and beans and potatoes and other vegetable crops in the moon. Furthermore, they steadfastly hold that changes in the moon bring about changes of the weather. They do not know or do not stop to think that the moon changes one day just as much as another. It's changes as to light and darkness are determined by its constant and unceasing change of position with respect to the sun and the earth, its position with respect to the two bodies is changing steadily and unceasingly, day after day, month after month, year after year, as all of you know. That it affects crops is just a hang-over superstition from the stone age or some other portion of the superstitious past.

We would advise our readers to plant their "aters in the ground, not in the moon.

A lot of fine young fellows grow up in homes in which the drinking of beer and stronger liquors is taboo. They are taught that the drinking habit is hurtful and dangerous. But soon they come or are thrown into an environment where many of their associates drink. They are ridiculed if they do not drink also. It's an old fogey idea. They are ridiculed if they do not take a particular harm in drinking occasionally. So, they begin to take an occasional drink themselves. They detect an immediate evil effect, and soon are drinking more frequently. They can now drink or let it alone as they please, they think. Many of them can, and do. But many others, before they realize it, have become addicted to the habit and before long are confirmed alcoholics. Thousands of just such fine young men and young women are becoming helpless alcoholics every year. Authoritative statistics show that there are now hundreds of thousands of them in the United States, who are no longer capacitated to hold the jobs at which they were formerly very proficient.

Young men and young women should take warning. They should not permit themselves to be misled by the propaganda which they hear from their companions, from many of their "superiors," and from the beer radio broadcasters every day, to the effect that there is no

harm in drinking moderately, and that it is desirable to permit the sipping of beer in cafes, hotels, and other places in the old home town. "Wine is a mocker," so is whiskey; so is beer, and "he is not wise who is deceived thereby," for, at the last, "it bitheth like a serpent and stingeth like an adder." Young men, you are foolish if you seek to bring beer joints to Tahoka.

**SPIRIT OF OLD WEST WILL RETURN TO TECH DURING ANNUAL RODEO**

The spirit of the old west will return to the campus area of Texas Tech April 1 and 2, with the traditional celebration of Western Days and student rodeo.

Guys and gals will bring out their boots, gay shirts—and best pair of "jeans" for the two-day western style festivities.

The entire observance this year is to be dedicated to the pioneer men and women who settled the high plains. The pioneers will occupy a place in the parade slated for 5:00 o'clock p. m. Friday and be further recognized at the rodeo performance.

Dr. D. M. Wiggins, president of the college, with W. T. Geston, business manager, and W. L. Stangel, dean of the agriculture division, will head the parade on horseback. President Wiggins will ride a Texas Tech quarterhorse, Sir Chubby. Several of the parade features will be included in the arena grand entries.

For the first time in its history rodeo events will be staged right on the campus. Jones stadium has been authorized as official rodeo grounds. Performances are scheduled for 8 p. m. Friday, April 1, and 2:30 p. m. April 2. College students are to be sole arena rodeo personnel. Among some of the events the college men and women will compete in for honors are: Brahma Bull riding, bareback bronc riding, saddle bronc riding, calf roping, team tying, of wild Mexican steers, ribbon

**STATED MEETINGS OF Tahoka Lodge No. 1041 the first Tuesday night in each month at 8:30. Members urged to attend. Visitors welcome. BUEL DRAPER, W. M. H. G. HODGES, Secretary.**

roping, girls' goat roping, girls' cloverleaf barrel race.

The single professional performer to be included in the show is the well known Buddy Heaton of Hugaton, Kansas, rodeo clown and trick rider. He promises a top performance while at Lubbock and Texas Tech.

Sponsoring groups, Block and Bridle Club, an honorary group, and the college Rodeo Association, have planned full activities for Western Days to make the 1949 show outstanding. Climax of the celebration is to be a dance for college students Saturday night. The best cowboy and cowgirl as well as winners in each of the rodeo events will be announced at the dance. The boy is to receive a handtooled saddle made by a San Angelo saddlemaker, and the girl a pair of boots from the same shop. Appropriate awards will be made also to each winner.

A chuck wagon breakfast at 6:30 a. m. Friday will kickoff the gala

**DOCTORS DISAGREE ABOUT ARTHRITIS!**

Some claim it is incurable—yet sufferers who have tried REUMA-RUB tell us that this new liquid analgesic gives them wonderful relief from pain and discomfort. REUMA-RUB is a pleasant-to-use Alcoholic Rub that penetrates and stimulates sore aching muscles and swollen joint areas and gives welcome relief. And Remember: You must find that REUMA-RUB gives more relief from pain of Arthritis, Lumbago and Rheumatism than any external remedy ever used—or your money refunded. A large bottle of REUMA-RUB costs only \$1.25 at your Druggist or at

WYNNE COLLIER, DRUGGIST

affair. The public is invited to participate in the breakfast by buying reservation tickets in advance.

Anyone from neighboring towns wishing to ride in the parade is invited to do so.

Plans for the celebration have been guided by James H. (Red) Heath, senior agriculture student from Holly, Colorado, as general

manager, and head of the sponsoring groups, Clinton Ritter of Lawn from Block and Bridle, and H. G. Bedford of Midland from the Rodeo Association, and Robert Cox, Lubbock; Miss Pat Keffer, Midland; Miss Polly Cook, Post; Jim Winders, Earth; Jack Buchanan, Big Spring; Tommy Bell, Valentine, and O. B. Freeman, Sweetwater.

**NOTICE TO ALL MOTOR VEHICLE OWNERS!**

The 1949 License Plates must be purchased and displayed by April 1.

Vehicles may be registered at the Tax Collector's office or at the Clayton Insurance office in O'Donnell or at the Farmer's Co-op Gin at Wilson or Farmers Co-op at New Home.

The 1948 Registration Receipt and Certificate of Title must be presented before 1949 plates can be issued.

Licenses may be attached date of purchase.

**Frank McLaugh, Jr.**  
Assessor and Collector of Taxes  
Tahoka, Lynn County, Texas.

A Change is in Order...

**Change to OIL-PLATING!**

**QUIET!**... Your car will keep its smoothness and power when you OIL-PLATE the engine with Conoco N<sup>th</sup> Motor Oil. That's because there's an added ingredient in Conoco N<sup>th</sup> that fastens a protective shield of lubricant right to the working parts.

**GOES FARTHER!**  
... because another exclusive additive in sturdy Conoco N<sup>th</sup> combats carbon and sludge. Fewer quarts between drains!

**BEATS THE HEAT!**  
... because stalwart Conoco N<sup>th</sup> is made from top quality crude. It stands up better under summer heat and hard driving.

**REDUCES COST!**  
... because Conoco N<sup>th</sup> guards your engine from destructive combustion acids. You'll have fewer, smaller repair bills.

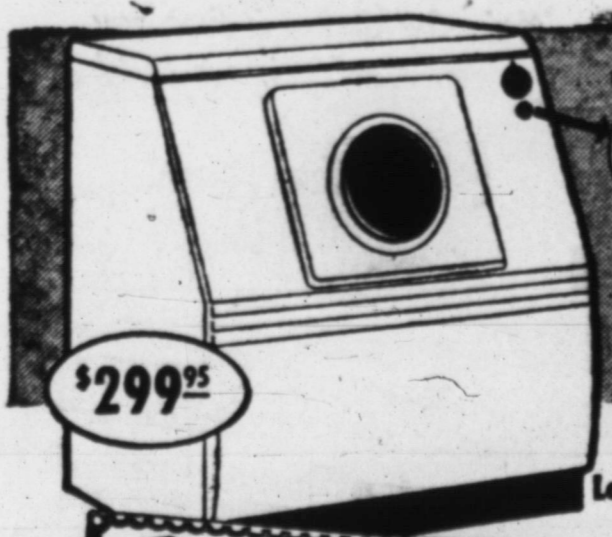

Oil-Plate today at your Conoco Mileage Merchant's!

**RUPTURE**  
**SHIELD EXPERT HERE**  
H. M. SHEVNAN, widely known expert of Chicago, will personally be at the Hilton Hotel, Lubbock, Sunday and Monday, April 10 & 11 ONLY, from 9 A. M. to 4 P. M.  
Mr. Shevnan says: The Zoetic Shield is a tremendous improvement over all former methods, effecting immediate results. It will not only hold the rupture perfectly no matter the size or location but it will increase the circulation, strengthen the weakened parts, and thereby close the opening in ten days on the average case, regardless of heavy lifting, straining or any position the body may assume. A nationally known scientific method. No under straps and absolutely no medicines or medical treatments.  
Mr. Shevnan will be glad to demonstrate without charge.  
6509 N. Artesian Ave., Chicago 45  
Large incisional hernia or rupture following surgical operation especially solicited.

**Give it Room—**  
  
**it's ROADMASTER!**  
WHEN this sight greets you in your rear-view mirror—mister, better give over!  
Overtaking you is just about the ablest performer on the road today—and wise drivers long ago learned the only thing to do with ROADMASTER is give it road room and a salute as it passes.  
Reason is—ROADMASTER is something excitingly new in fine cars.  
Big, yes—stretches a gorgeous eighteen feet, with all that such size means in comfort and inside stretch-out space.  
But part and parcel of every one of its 4,400-odd pounds is the fastest footwork on the highway. Action is the key of every part, from its 150-hp Fireball power plant to the swift, silken, unbroken surge you get from Dynaflo Drive.  
As a matter of fact, action's even invited by the price tag. By the pound, by the inch, by any yardstick you want to lay against it, it's the buy of the fine-car field.  
For proof, just gather a few delivered prices on other cars and bring them around. We'll show you so much more for your dollar you'll waste no time getting an order in.
