

HARVESTING COTTON BY STRIPPER

on the Hilbert Wisian farm west of Muleshoe. Most farmers are using mechanical harvesters to strip their cotton, following recent freezes. The majority of the imported labor has been returned to Mexico, and there is only scattered hand pulling of bolls.

SHORTAGE OF TRAILERS

Gin Smoke Fills The Air As Record Harvest Season Moves Into High Gear In Area

SCOOP SEZ

By J. M. Forbes

A resplendent sight in the heavens these nights is Mars, the "red planet", which does double duty as an evening star and a morning star. It rises in the east about the time the sun goes down in the west and is visible as soon as there's enough darkness; by 7:30 or so it's really doing some pretty work, way above the eastern horizon.

As the earth turns Mars goes higher and over, and if you will turn out around 6 a.m., there's Mars in the west, about an hour high, ready to go down about the time the sun rises in the east. Mars is very near in line with the group of stars known as the Pleiades, or Seven Sisters, and they travel the nightly path together, along with the great constellation of stars known as Orion.

Mars' time table seems to coincide with that of the sun because it is near conjunction with the earth; on November 18, next Tuesday the planet will be in conjunction with our planet and a straight line would pass from Mars through the earth and to the equator of the sun. The orbit of the red planet is outside that of the earth; it will pass within 45 million miles of the earth this time, nearest until 1969. The earth's path is about 93 million miles from the sun.

Now, what is exciting astronomers and scientists generally is the new theory that the "maria" (formerly thought of as seas of water) are actually green vegetation, which in the Martian spring gradually spread toward the planets equator. If these maria really are vegetation, it is the only living thing that we know of, outside of the earth! No other object, not the moon, nor any other planet or star, can be observed to have any life whatsoever, not with telescopes so far developed. No wonder our scientists are excited.

Man on earth, it seems to me, suddenly finds he is lonesome, like finding yourself on an isolated ranch, no telephones, no auto to take you to civilization or over to the neighbors. Man wants to see whether the vast, limitless universe is occupied just by us, or on a planet that in comparison is a mere speck of dust in comparison to all creation.

There is no wonder that our scientists want to get off a moon shot and after that a Mars or a Venus shot. They want to know, and no wonder that our first space vehicle will have a waiting list of adventurous young men wanting to ride it.

NEWSPAPER PLEADS FOR FOUR LANED HWY. 84

It will be very nice when Highway 84 is four-laned all the way to Lubbock, just as Bailey County is doing with the east part of the road to the Lamb county line. And it will be if the citizens listen to Sam Williams, publisher of the Littlefield papers, who writes in his "Nearly News" column:

Two persons killed on Highway 84; "Lubbock Woman Killed on Highway 84"; "Sweetwater Man Killed on Highway 84". Are you getting as sick to death of reading these headlines as we are of writing them? Four killed, 17 injured in three tragic wrecks within the past 40 days. Seven killed, 21 injured on

(Continued To Page 7)

Gin Fire Loss Set At \$30,000 Last Friday Afternoon

Sparks from a burning burr pit caused damage estimated at from 25 to 30 thousand dollars at the Nickels West Camp gin last Friday afternoon, Muleshoe volunteer firemen report.

The burr pit, located on the south side of the gin, was burning, and high winds from the south blew sparks into the yard full of trailers, destroying 34 of them completely.

Firemen battled dense smoke and some minor fire inside the gin for several hours before bringing the fire under control.

All losses were fully insured, it was reported.

PTA Meets Monday

Muleshoe P-TA will meet the coming Monday afternoon at 4:15 p.m. in the high school auditorium in a regular session. Guest speaker will be C. L. Kay, dean of students at Lubbock Christian College.

Man on earth, it seems to me, suddenly finds he is lonesome, like finding yourself on an isolated ranch, no telephones, no auto to take you to civilization or over to the neighbors. Man wants to see whether the vast, limitless universe is occupied just by us, or on a planet that in comparison is a mere speck of dust in comparison to all creation.

Nominating Committee Chairman Named By Chamber Commerce Group

M. D. Gunstream has been named chairman of the nominating committee of the Muleshoe Chamber of Commerce, to nominate five directors who will be elected in a mail ballot during December, and installed at the annual CoC meeting set for January 13, 1959.

Nominations will be made prior to November 23, and ballots will be mailed to members by December 5. Ballots must be returned to the Chamber office not later than December 26, to be included in the final returns. Five directors terms expire this

The advent of stripping has brought about the exodus of Bracero labor in a large measure. Trucks and busses of Braceros have been leaving in a steady stream, although there are still a large number in the area.

Many farmers are finding their harvesting operations hampered by the shortage of cotton trailers. Local merchants who had yards full of trailers a few days ago, are now sold out, and farmers are being delayed.

Ginners likewise are feeling the pressure of the harvest season mount, as they survey yards crammed with loaded trailers, despite round the clock ginning in most cases. Pileup of cotton in trailers at the gin yards has brought the shortage of trailers to an acute stage momentarily.

But few farmers are chafing at the delay, what with the pleasant and duck season being on at this time, they find time, many of them, to take out a few days for much needed relaxation.

Most observers in the area predict the harvest will be practically finished before Christmas, a far cry from some years when harvesting still continued up into late spring.

Gin smoke fills the air, and the cash registers merrily ring, as the West Plains Capital shares in the best harvest in history.

Farmhouse Burns In Monday Fire

An unfinished farm home belonging to Charles Phipps, located 1 1/2 miles north of town, burned to the ground late Monday evening, in a fire of undetermined origin.

Fire Chief Earl Ladd said local volunteer firemen answered a call at 10:50 p.m. Monday, but the house was burned down by that time.

He suggested the fire probably started from sawdust, inasmuch as there was no electrical wiring in the partially completed building.

No estimate of damages was made by the fire department.

Highway patrolman James Freeman who investigated the accident reported that a large cab-over truck and trailer plowed into the back of two pickup trucks pulling trailers loaded with cotton, demolishing one trailer and truck, damaging and

overturning a second trailer and truck, and finally coming to rest, seriously damaged, on the railroad embankment on the north side of the highway.

Johnny King, driver of the transport truck belonging to Carter Trucking Co., of Houston, ran into the trailer being pulled by Ed Myers of Muleshoe, demolishing the trailer and pickup truck.

The Myers truck then rammed the trailer and truck being driven by Harold Mardis, knocking the trailer over, and slewing the truck across the road. The King truck veered off the highway and came to rest on the railroad embankment.

King and Myers were both hospitalized, although officials do not believe injuries to either were critical. Mardis received a back injury but was released after examination.

Officers estimated damages in the wreck to exceed \$2600. King will be filed on, officers said, although the exact charge was not known at press time.

Community Thanksgiving Service Set For November 27

The First Methodist Church of Muleshoe will be the scene of a community-wide Thanksgiving service, scheduled for 8 a.m., November 27, the pastor, Rev. Edwin Hall, announced this week.

J. K. Adams, Mrs. Harriett Jackson, and Mrs. Inez Bobo, have been named to a committee to decorate the church altar with harvest products, and articles symbolic of the harvest season.

The service will follow the pattern of the 1957 Thanksgiving service, with presentation of the symbols of the soil and the harvest. Senn Slemmons will read the scripture, and a featured vocal solo of "America The Beautiful" will be sung.

In the 1957 service, the altar of the church was decorated with

Choir Boosters To Organize Club At November 20 Meet

Four Muleshoe school choruses will make their first formal appearance the evening of November 20, when they sing at the organizational meeting of the Muleshoe school Choir Boosters group.

Fawayne Murphy, director of vocal music in local schools, has announced that the meeting will be for the purpose of forming a Choir Boosters club to stimulate interest in vocal music.

Mrs. Rudolph Moraw will preside at the business session, and Mrs. T. B. Hicks will serve as temporary secretary.

All parents are attend this meeting.

Rev. Hall Talks On War And Peace

Rev. Edwin Hall, pastor of the First Methodist Church, presented some thoughts on "War and Peace" in a talk before the Rotary Club on Veterans Day, November 11.

Rev. Hall had this to say about peace: A person has to be at peace with God; he has to be at peace with himself; he has to be at peace with others; and then he becomes an instrument for world peace.

"Do we actually want peace in the world, or do we want our way", he asked. Rev. Hall, a combat infantry veteran of World War II, delved into his intimate experience with war and bloodshed to bring his listeners an impassioned plea for peace.

He was introduced by Jim Fowler, in charge of the program for the day. Guests of the club were Supt. Archie Sims of Three Way school and Rod Gwaltney, of Williams & Merriman.

Officers estimated damages in the wreck to exceed \$2600. King will be filed on, officers said, although the exact charge was not known at press time.

Second Accident Freeman also reported a second

accident on highway 84 later in the afternoon three miles west of Muleshoe near Puckett's store.

David W. Wise of Bovina, driving a transport truck for Charles Oil Co., jackknifed his truck, causing about \$400 damage, when he applied his brakes on a wet pavement, to keep from running into a parked school bus.

Freeman said Wise was driving at an unsafe speed on the highway, and when he attempted to stop for the bus unloading school children, his truck and trailer jackknifed.

ARNOLD MORRISSE HAVE NEW GRANDSON

A son was born to Mr. and Mrs. Marshall Morris of Ft. Worth on November 11. Named Kurt Arnold, he weighed seven pounds, 5 1/2 ounces.

Maternal grandparents are Mr. and Mrs. P. L. Crossley of Lubbock, and paternal grandparents are Mr. and Mrs. Arnold Morris of Muleshoe.

Freeman also reported a second

P-TA Nets \$406 From Luncheon For Playgrounds

The P-TA sponsored businessmen's luncheon held Wednesday at Fellowship Hall netted the group's playground equipment fund \$406.40 after all expenses were paid, Mrs. Thurman White, advertising and ticket committee chairman announced.

The turkey and ham dinner was served to an estimated 350 persons including the entire membership of the Lions club, by members of the three high school homemaking classes, under the direction of Mrs. McCormick.

The P-TA committee expressed their appreciation to the following for aid and assistance in making the dinner a success.

Piggly-Wiggly and Cashway grocery stores, the Muleshoe Journal and radio station KMUL, the Methodist church, the home ec. girls, and all others who helped in any way.

Committee members working on the luncheon project included the budget committee: R. E. Everett, Mrs. Ed Johnson, and Rod Gwaltney; the food committee: Mrs. Houston Hart, Mrs. Etta Evans and Mrs. Dudley Malone; the serving committee: Mrs. Charles Lenau, Mrs. Pat Bobo and Mrs. J. K. Adams.

Funds will be used to purchase and install new playground equipment at the Muleshoe schools, Mrs. White said.

Lazbuddie Methodists To Observe Thanksgiving With Harvest Festival

A Thanksgiving harvest festival will be held in the Lazbuddie Methodist church on Sunday, November 23, beginning at 2:15 p.m., the pastor, Rev. Bernard Seay has announced.

Dinner will be served at the church beginning at 12:45, following the morning worship service.

The Thanksgiving program will include a hymn sing, history of Thanksgiving, reading of the na-

tional Thanksgiving proclamation, and a closing period of inspiration conducted by district superintendent Rev. R. L. Kirk of Plainview.

On the program committee are Rev. Seay, Mel Smith, and Mrs. John L. Seaton. Music committee members include Mmes. J. D. Carpenter, J. B. Jennings, Mel Smith, and Mr. Fred Byers. Dinner committee members are Mr. and Mrs. Leland Gustin and Mr. and Mrs. Kenneth Precure.

Junior Class Play To Be Presented December 1 and 2

The Muleshoe high school junior class will present a three-act western drama entitled "Molly O'Shaughnessy" Monday and Tuesday, December 1 and 2 in the high school auditorium. The play will be presented Monday evening and Tuesday afternoon in a matinee performance.

Dwayne Reeves will direct the production which is set in Oregon in the period about 1890.

Class members in the cast include: Leland Dean, Nancy Julian, Derrell Oliver, Tommy Thomson, Robert Robinson, Priscilla Inman, James Ethridge, B. H. Wagoner, Jeanie Garrett, Charlene Volkman, Rosemary Richards, and Laquinna Stone.

Six Gamblers Caught By Sheriff's Men

Six persons were arrested this week by officers of the county sheriff's department, and charged with gambling, and subsequently lodged in county jail.

Eight drunks were arrested, four for disturbance, two for investigation, two for breaking and entering, one for DWI, and one for child desertion.

In JP court, the docket shows nine traffic violation citations issued, six charges of gambling, two for disturbance and two drunks.

Local Hunters Chosen For Wildlife Areas

The names of 1524 hunters for public hunts on Game and Fish Management areas, have been drawn for this year, according to the assistant director of wildlife management.

There were 12,857 applicants for these hunts. On the Angelina area there were 1566 applicants for 550 permits. On the Black Gap area there were 3437 applicants and 403 permits. On the Kerr area 4394 applied and 250 got permits. There were 504 applicants for the Sierra Diablo area and 80 got permits.

Notices are being sent out to those whose names were drawn from the hat in the offices of the Game and Fish Commission. The applications were drawn by Betty Jean Smith, secretary in the office of Governor Price Daniel.

Chosen from Muleshoe are David Weyer and Harlan Davis for the Black Gap Wildlife Management Area in Brewster County, and Buford Hunt for the Sierra Diablo Area.

Chosen from Muleshoe are David Weyer and Harlan Davis for the Black Gap Wildlife Management Area in Brewster County, and Buford Hunt for the Sierra Diablo Area.

COMMISSIONERS COURT MET MONDAY

The Bailey County Commissioners Court met November 10 and approved the bond of Mrs. Grace Morgan as county commissioner of Precinct 1.

The Court also approved payment of routine bills before adjournment.

39.189 Bales Ginned To Date In Bailey County

Friday night Muleshoe will have every position manned and ready for the Antelopes. This is the one game the Mules have had their sights on from the first of the season. And they could come out as district champs if

they play the kind of ball they are capable of. This is the kind of game that an offside penalty or a lost ball could decide. The winner. Every boy on the squad will have to do their very best and maybe a little more, and be hustling all the time.

Muleshoe will be sending about the same line-up against Abernathy as they have played all season. On the line will be Black and Thompson, ends; White and Hawkins, guards; Camp and Julian tackles, and Joe King, center. In the backfield will be Derrell Oliver, quarterback; Lee Roy Corrales, Donnie Shafer and Arthur Splawn, half-backs, and Gerald Shanks, full-back.

This will be the last game for ten seniors on the Muleshoe squad if they could decide. Playing their last game of the season will be the following boys: Gerald Shanks, Charles White, Ross Langham, Lee Roy Corrales, Arthur Splawn, Monroe Lee, Joe King, Roger Mitchell, Wink Thompson and Jack Wright.

CROP Committee Names Chairmen For Campaign

The county committee for CROP held its first meeting last Thursday, November 6 in the P. C. A. office, with the following members present: Delbert Watson, J. K. Adams, Joe Sooter, Rev. Trostle, Bill Millen, and Elbert Nowell.

The following county chairmen were selected: Y. L. D. B. Head; Progress—J. P. West; West Camp—W. W. Couch; Muleshoe—Horace Edwards; Needmore—Lester Howard; Enochs—D. J. Cox; Longview—Ralph Ethridge; Bula—Johnny Hubbard; Circleback—Walter Dameron; Baylboro—Delbert Watson; Stegall—Mrs. Buck Ragsdale, and Maple—Alex Daricek.

The Muleshoe Journal made posters available to be placed at the gins in every community. Other publicity material will be distributed by the community chairmen and the women of the communities to help people be familiar with the worthy work of CROP and the plan of getting our support together.

Rev. Trostle was elected by the Bailey County Ministerial Alliance to serve as chairman. The Farm Bureau, Farmers Union, and many of the other county organizations have not only pledged support but are furnishing leadership to put this campaign over.

"It would be wonderful if we could send a car-load of grain and a bale of cotton from every gin in the county to our cold and starving friends overseas", Rev. Trostle said.

Mules Co-Champs In District 2-AA Try Abernathy For Clean Sweep Friday

Tomorrow night, Friday, the territory of the Antelopes for a showdown battle for District 2-AA laurels. The Antelopes are a big bunch of boys that are out to prove the early predictions as the champions of the district. On the other hand, the Mules, picked as a top contender for the crown, will be out to prove themselves sole winners of the district. If the Mules win Friday night, they will represent the district in the playoffs. If they should lose to the Abernathy eleven, they will be co-champions of the district, along with Abernathy, but the Antelopes would represent the district in the Bi-District game.

Muleshoe, riding in the drivers seat in district competition, will face their toughest opponent of the year in the Lopes, Abernathy, an upset victim of the Lockney Longhorns, will have all guns aimed at knocking Muleshoe out of representing the district in playoffs.

Abernathy has a big, rough and tough team, headed by their all-district back, Larry Tannehill, who is an excellent passer as well as runner. Teaming up with Tannehill is Gerald Watson, Tannehill's favorite target on passes.

Last week in wrecking Olton 46-6, Tannehill threw to Watson for two touchdowns and two extra points.

Abernathy will be going into the game with a more impressive season won-loss record than the Mules. In season play, the Antelopes have an impressive 7-1 record. They opened the season by trampling Spur, 3-AA champs, 40-8. They followed this up with a 16-14 win over Tulla; beat Slaton 30-8, Dimmitt 12-6, Slaton 32-0, Tahoka 46-6, Morton 38-0, lost to Lockney 22-12, and then smothered Olton 46-6.

Muleshoe has already established themselves as co-champs of the district, as they have a perfect 3-0 conference record, if they should lose this game. This is the second straight year that Muleshoe has been in top contention for district laurels. Last year they lost the last game of the season to Dimmitt to put them out of the district race.

Friday night Muleshoe will have every position manned and ready for the Antelopes. This is the one game the Mules have had their sights on from the first of the season. And they could come out as district champs if

they play the kind of ball they are capable of. This is the kind of game that an offside penalty or a lost ball could decide. The winner. Every boy on the squad will have to do their very best and maybe a little more, and be hustling all the time.

Muleshoe will be sending about the same line-up against Abernathy as they have played all season. On the line will be Black and Thompson, ends; White and Hawkins, guards; Camp and Julian tackles, and Joe King, center. In the backfield will be Derrell Oliver, quarterback; Lee Roy Corrales, Donnie Shafer and Arthur Splawn, half-backs, and Gerald Shanks, full-back.

This will be the last game for ten seniors on the Muleshoe squad if they could decide. Playing their last game of the season will be the following boys: Gerald Shanks, Charles White, Ross Langham, Lee Roy Corrales, Arthur Splawn, Monroe Lee, Joe King, Roger Mitchell, Wink Thompson and Jack Wright.

The county committee for CROP held its first meeting last Thursday, November 6 in the P. C. A. office, with the following members present: Delbert Watson, J. K. Adams, Joe Sooter, Rev. Trostle, Bill Millen, and Elbert Nowell.

The following county chairmen were selected: Y. L. D. B. Head; Progress—J. P. West; West Camp—W. W. Couch; Muleshoe—Horace Edwards; Needmore—Lester Howard; Enoch—D. J. Cox; Longview—Ralph Ethridge; Bula—Johnny Hubbard; Circleback—Walter Dameron; Baylboro—Delbert Watson; Stegall—Mrs. Buck Ragsdale, and Maple—Alex Daricek.

The Muleshoe Journal made posters available to be placed at the gins in every community. Other publicity material will be distributed by the community chairmen and the women of the communities to help people be familiar with the worthy work of CROP and the plan of getting our support together.

Rev. Trostle was elected by the Bailey County Ministerial Alliance to serve as chairman. The Farm Bureau, Farmers Union, and many of the other county organizations have not only pledged support but are furnishing leadership to put this campaign over.

"It would be wonderful if we could send a car-load of grain and a bale of cotton from every gin in the county to our cold and starving friends overseas", Rev. Trostle said.

MRS. TOM MORGAN, shown being sworn in as County Commissioner, Precinct 1, to fill the unexpired term of her late husband, County Judge Glen Williams administers the oath of office.

OFFICIALS AT STUDY CLUB MEETING

held here Thursday for a course on parliamentary procedure, sponsored by the Muleshoe Study Club. From left to right: Senn Slemmons who made the welcome address, Mrs. R. K. Field, district Board member, MSC president Mrs. Thurman White, Mrs. R. B. Jones, district vice-president, and Mrs. Walker Jones.

Muleshoe Study Club Hosts All Day Meet On Parliamentary Law Procedure

"Parliamentary law is built on consideration for others", said Mrs. Walker B. Jones of Tulsa, second vice-president of Seventh District of Federated Women's Clubs of Texas at a workshop on parliamentary procedure Thursday in the Muleshoe Masonic Hall. The course was sponsored by Muleshoe Study Club. "Parliamentary Law is built on good taste", Mrs. Jones also explained as a reason for stressing its use in club meetings.

Mrs. T. E. White, president of Muleshoe Study Club, presided at the opening session, introducing Mrs. Edith Lane of Muleshoe, who offered the invocation. A welcome to the visitors was extended by Senn D. Slemmons, manager of Muleshoe Chamber of Commerce. Mrs. R. K. Field, of Bronco, responded for club members. Mrs. White then introduced Mrs. R. B. Jones of Plains, first vice-president of Seventh District, who brought greetings from the district president and introduced Mrs. Walker B. Jones.

Mrs. Winston Cummings of Amherst, a member of the courtesy committee, presented Robert Hill of Plainview, State representative of Northwest Texas area of the National Pollo

Foundation. Mr. Hill showed a film depicting the various phases, old and new, of the Foundation's work.

Principal speaker at the day-long session for Seventh District members, Mrs. Walker B. Jones did not attempt to cover the entire set of rules of Parliamentary Law as given by authorities, but rather said she would point out very common errors of usage. Mrs. Jones stated that Parliamentary Law uses self-command and is the most democratic means of facilitating business.

In stimulating the thinking of the assembled women, Mrs. Jones gave her definition of the perfect clubwoman as the perfect gentlewoman, reminding the group that the club woman always brings her at-home manners to her club meeting.

A sack lunch was served at noon to visitors and local women, with drinks furnished by the host club. An arrangement of yellow chrysanthemums and cat tails, courtesy of Beavers Flowerland, centered the speaker's table. The speakers were presented courtesies by Gilbert Lamb.

During the afternoon reports were heard from departmental chairmen over the district. Mrs.

Additional Classifications Listed For HD Fair To Be Held November 21-22

Additional divisions for entries in the Home Demonstration club fair to be held November 21 and 22, have been announced by HD Agent Mrs. Harriette Jackson. The fair will be held in the Kent furniture building on the north end of Main street, with judging to begin November 21 at 9 a.m. The fair will be open to the public at 1 p.m. on November 21 and all day on November 22.

Only one entry in each class will be accepted in addition to the divisions published last week, the following divisions are open to entries:

SEWING: Kitchen apron, baby dress, blouse, child's dress, house coat, boys shirt, pillows. Crochet: afghan, bedspread, buffet or vanity set, centerpiece, chair set, edging and insertion not attached, luncheon set, pillow cases with crocheted edge, four place mats, tablecloth.

EMBROIDERY: chair set, dress-

er scarf, vanity or buffet set, luncheon set, pair pillow cases, four place mats, tablecloth, guest towel, tea towel, apron. Cutwork: hair set, dresser scarf, luncheon set, pillow cases, four place mats, tablecloth, vanity or buffet set.

APPLIQUE: apron, dresser scarf, luncheon set, pair pillow cases, four place mats, vanity or buffet set.

MISCELLANEOUS: hats, slip covers, pot plants, dried arrangements, mums, novelty pictures of seed, embroidery, glorified glass and copper; pillows, metal crafts, aluminum trays, copper planters; lamps; plaster of paris log planters, ceramics, leather tooling, china, painting, quilts, pieced applique, embroidery, painted; huck weaving, tov, raffia or reed article, stencil, rugs.

Peace Theme For WSCS Programs On Armistice Day

Peace was the theme chosen for the November 11 meeting of the Woman's Society of Christian Service of First Methodist Church. Gilbert Lamb repeated a talk given on KMUL at an earlier time and Mrs. Noel Woodley read, "I Am An American". Mrs. W. D. Moore, Mary Martha Circle chairman, read a scripture on peace, Zach. 4:6. "Onward Christian Soldiers" opened the meeting.

Alpha and Mary Martha circles each held short meetings before the program in their usual meeting with the singing of "My Country 'Tis of Thee". A moment of silent prayer was closed by Mrs. H. C. Holt. The group directed their secretary to send get-well cards to Mr. and Mrs. Douglas Lowe, accident victims, who are in Medical Arts Hospital in Littlefield.

The group also decided to investigate the selling of table cloths as a money raising project.

Twenty-four members and two visitors attended the Armistice Day program.

In the 4-H division, the following entries will be received, with only one entry in each classification.

Clothing: dresses, skirts, blouses, slim jims and apron. Crafts, Dresden and glass painting, embroidery or dresser scarves, pillow cases, luncheon cloths, pictures, and tea towels. Canning: fruits, apples, peaches, piums and cherries. Tomatoes, green beans, peas and okra. Jellies, jams and preserves.

Baked goods: fudge, date loaf, divinity, dipped chocolates, pies, cakes, cookies, quick breads, raised breads. Posters on any educational subject.

L. N. Walkers Anniversary On November 16

Mr. and Mrs. L. N. Walker, of Route 2, will celebrate their 50th wedding anniversary Sunday, November 16, with an open house from 2 until 5 pm.

All friends and neighbors of the couple are invited to attend the open house at the Walker home four miles west and one mile north of Muleshoe.

Children of the couple will be hosts and hostesses at the affair. They include: Mrs. E. G. Autry, Mrs. Clovis Debord, Mrs. C. B. Redwine, Wilson and Grady Walker, all of Lubbock; Mrs. E. J. Stevenson of Portales, and Mrs. Leslie Lambert of Muleshoe.

Miss Speck To Wed Doyle King

LELA SUE SPECK

Mrs. Joe Speck, of Enochs, announces the engagement of her daughter, Lela Sue, to Mr. Doyle King, son of Mr. and Mrs. J. M. King of Muleshoe. The wedding will be December 6 at 4 p.m., in the home of the brother of the bride-elect, Mr. and Mrs. William E. Speck, 2717 E. 9th., in Lubbock.

Miss Speck is a graduate of Bula high school Mr. King graduated from Muleshoe high school and is presently employed with Western 66 here.

The couple will make their home in Muleshoe.

Cosmeticians Are Feted November 9

Sarah Easley, noted skin specialist and cosmetician, entertained representatives of this area with a dinner Sunday, November 9 in the Aztec room of the Caprock Hotel in Lubbock. Each lady was presented with a bronze corsage. The banquet table was centered with a fall arrangement of bronze mums.

Valda Byars, master of ceremonies, presided over a short business session. Mae White, historian and recorder, read the minutes of the previous meeting. LaVern Simmons of Muleshoe was appointed reporter. The group voted to have a Christmas party December 9.

After the business meeting, a number of songs were sung by the group and a piano selection was rendered by Diane Byars. A talk was made by Mae White on "Giving Facials". At the close of the meeting Sarah Easley gave a facial demonstration. Her model was Rosie Boatwright of Sudan.

Representatives attending were: Floy Miller and Mary King of Levelland, Mae White of Stanton, LaVern Simmons of Muleshoe, Ophelis Gliddens of Lubbock, Valda Byars of Sudan and the hostess Sarah Easley of Lubbock. Guests were Rosie Boatwright, Diana and Larry Byars, all of Sudan.

Family Night Planned By Rebekah Lodge

Muleshoe Rebekah Lodge 114 met Tuesday to plan nomination of officers for next Tuesday night, and a family night to be held at the lodge hall on November 25.

Ten members were present.

TEL Sunday School Class Meeting Held In Harper Home

The TEL Sunday School class of First Baptist Church met with Myrtle Harper November 4 for a business and social meeting, with 17 members present.

Minnie Moore gave an interesting devotional on "Our thankfulness to God for His goodness." During a social hour which followed, all enjoyed a program by Allene Dyer on what to have for Thanksgiving dinner.

Refreshments of pumpkin pie, whipped cream and coffee and tea were served.

PLEDGES SORORITY

Miss LaVon Copley, daughter of Mr. and Mrs. A. W. Copley, and a second semester sophomore student at North Texas State College, has pledged membership to Phi Tau chapter of Mu Phi Epsilon, national music sorority. Membership is based on scholarship, musicianship, character, and personality.

LaVon is a music major, and a graduate of Muleshoe high school. She was chosen as one of three girls to ride on the Bruce Hall float in the homecoming parade at NTSC.

BILL HARTS IN VISIT

Mr. and Mrs. Bill Hart, of Kansas City, Mo., have been visiting here with his brother Houston Hart and family this week.

IN MATH CONFERENCE

Mrs. Blanche Johnson of the Muleshoe school faculty will participate in a mathematics teachers conference to be held November 15 on the campus of ENMU at Portales.

FIRE FRIDAY AT NICKELS GIN

in the West Camp community, destroyed more than 60 trailers loaded with cotton, when high winds from the south blew sparks from the burr pile into the loaded trailers on the gin yard. Muleshoe firemen subdued fires in the gin, after several hours work against smoke and flames. —Journal Photo

Mission Schools Set By West Plains Association

Twelve missionaries of the Baptist Church will speak in the different churches of the West Plains Baptist Association school

of missions to be held November 16-20, beginning at 7:30 each evening.

The six foreign, two state and four home missionaries will alternate in speaking to the different churches in the Association nightly, following a graded mission study course to be given in each church.

Churches comprising the Association are Southern Baptist Churches in Bailey and Lamb counties.

Missionaries who will speak include: Rev. Ted Badger, to the Philippines; Rev. and Mrs. Albert Bagby, to Brazil; Rev. and Mrs. M. S. Blair, to Argentina; Rev. Leonard Lane, to Nigeria; Rev. Austin Rissmiller, Missouri; Rev. O. R. Delmar, of Montana; Rev. Oliver Marson, Ft. Yukon, Alaska; Miss Helen Hansell, New Orleans; Rev. Douglas Brown, Bronte, Texas; and Rev. C. D. McEntire, Abilene, Texas.

ENOCHS NEWS EVENTS
Brazilian Missionary Talks at Local Church

by Mrs. Jerome D. Cash

Mrs. H. H. Snow visited her sister and family, Mrs. James Cash of Hereford Sunday.

Mr. and Mrs. Robert George of Lubbock visited her parents, the E. N. McCalls Saturday night and Sunday, and attended homecoming at Bula Saturday night.

Bro. Bryant, a missionary from Brazil, held both services at the Baptist Church Sunday.

Betty Hallford of Wayland College visited her parents Saturday and Sunday, Mr. and Mrs. A. D. Hallford.

Janell Seagler was home over the weekend visiting her parents, Mr. and Mrs. Ray Seagler. Janell is attending college at ENMU.

Those sick were Betty Salyers, Nelda Kay Seagler, Linda and Patricia Grunsdorf, Jimmy Pool, Burley Roberts, Mrs. C. S. Vandeventer, Tommy Newton, Mrs. Perry Fort, Gene Autry, and Dennis Turney.

Mr. and Mrs. Claude Morrison and children of Lorraine, visited in the home of Mr. and Mrs. A. C. Archer Sunday.

Joy Dane of Odessa visited her parents Saturday night and Sunday, Mr. and Mrs. J. O. Dane.

WSSCS held their regular meeting Wednesday afternoon at 5 o'clock with six present. Mrs. H. H. Snow was the leader. The lesson was on Hawaii.

Mr. and Mrs. D. S. Fowler visited in Portales, N. M., Sunday with some friends, Mr. and Mrs. Bill Beck.

Mrs. Grace Vanlandingham visited in Levelland and Lubbock with her children Monday and Tuesday.

Mr. and Mrs. P. A. Altman visited their daughter and family Sunday, Mr. and Mrs. Kenneth Coats and family of Morton.

Mr. and Mrs. Billy West of Levelland visited her parents Thursday night.

Mrs. A. B. Autry and girls moved back to Hollister, Okla., where they lived, to put the girls back in school there. A. B. Autry remained here for a while. He is combining feed. He visited his family over the weekend, and enjoyed going squirrel hunting.

Mr. and Mrs. John Gunter and Mr. and Mrs. Zed Roberson visited Mr. and Mrs. Louis Jones of Brownfield Sunday.

Mr. and Mrs. James Beck, Janie and Rosie Lee, of Lubbock, visited Mrs. Grace Vanlandingham Sunday.

Mr. and Mrs. Will Speck and son of Lubbock spent Saturday night and Sunday with his mother and family, Mrs. Joe Speck.

Mr. and Mrs. Joe Phillips and Mrs. Virgil Roley of Lubbock visited their parents over the weekend, Mr. and Mrs. Louis Harris, and attended homecoming at Bula Saturday night.

Maple News

by Mrs. Ocan Reeves

Several of the boys from the Maple Church of Christ attended a young people's meeting at the 14th Street Church of Christ in Portales, N. M., Tuesday night. Those going from Maple were: Jim and Bob Pyburn, Lawrence and Dorman Taylor, Charles Lewis and Dwain Clay.

Mr. and Mrs. Ted Simpson have

as their guest this week, her grandmother, Mrs. Powers, from Riverside, Calif.

Mr. and Mrs. Albert Smyer and children visited recently in the home of his sister, Mr. and Mrs. Wayne Cash and children of Lubbock.

Mr. and Mrs. Foy Lewis have as their guest this week his mother, Mrs. Lewis of Snyder.

Mrs. C. L. Taylor and Mrs. Cecil Mann and children visited Mrs. M. O. Wall of Portales, N. M., Friday afternoon.

Mr. and Mrs. Kenneth Pyburn visited friends in Morton Sunday afternoon.

Mr. and Mrs. Foy Lewis and children and his mother, Mrs. Lewis, went to Brownfield Sunday afternoon to see their daughter Willene, and Mrs. Foy Lewis' parents, Mr. and Mrs. Shepherd.

Some of those on the sick list that we know about are Terry and Mark Mann, Alton Ray and Wendell Wayne Kelley, Mr. and Mrs. Jerry Simpson and Dwain, Barbara Masten, and Kathy Smyer.

Mr. and Mrs. Red Dunlap of Arch, N. M. are moving back to our community. We are glad to have them back.

Leon Jones, the Ag teacher, made a trip to New Mexico over the weekend to get some pigs for the Ag boys.

Arlen Simpson is working for the Bell Milk Company of Lubbock, and they plan to move to Lubbock before long.

INJURED IN WRECK NEAR LITTLEFIELD

Mr. and Mrs. Douglas Lowe of Muleshoe are reported recovering satisfactorily in a Littlefield hospital from injuries received in a car wreck near Littlefield last Friday evening.

Fixin's for Fruit Cake

Fruit Cake

Grease and flour a 9" square, or tube pan or a 9x5x3" loaf pan. Mix in saucepan . . .

- | | |
|-----------------------|-----------------------------|
| 1 cup brown sugar | 1/2 tsp. nutmeg |
| 1 1/4 cups water | 2 tsp. cinnamon |
| 1/3 cup shortening | 1/2 tsp. cloves, if desired |
| 2 cups seeded raisins | |

Boil for 3 min. Cool. Then add a mixture of:

- | | |
|--------------|----------------------------|
| 1 tsp. soda | Sift together and blend in |
| 1 tsp. salt | 2 cups sifted flour |
| 2 tsp. water | 1 tsp. baking powder |

TEMPERATURE: 325 degrees (slow mod. oven).

TIME: Bake square 55, loaf 75 min.

Three Way News

by Mrs. Frank Griffith

by Mrs. Frank Griffith

Mr. and Mrs. John Weaver of Arlington, Texas, are the parents of a girl born October 31. She weighed 7 lbs., 3 ozs., and was named Lesa Annette. Mrs. Weaver is the daughter of Mr. and Mrs. Haskel Kirby of Muleshoe, formerly of Three Way.

The high school girls were hostesses to the Smyer girls basketball team Thursday evening. The B team was defeated and The A team won.

The Eagles played football at Spade Friday evening. The score was 46-7. Most of the squad saw action in the game. The boys play Nazareth at Hart Saturday evening. This is the last game of the season.

If Three Way defeats Nazareth they will be tied with Bula for second place in the district.

Mr. and Mrs. R. B. Wittner and son of Lubbock spent the weekend visiting their parents, Mrs. I. A. Johnson, and her brother and Mrs. D. P. Brinker and Mr. and Mrs. Andrew Wittner.

Mr. and Mrs. Louis Ponder of Portales visited her mother, Mrs. I. A. Johnson, and her brother and family, the Baker Johnsons over the weekend.

The P-TA met Monday, November 3 for a regular business meeting. The freshman FFA boys presented the program on parliamentary procedure.

Mrs. Julian presided over the business meeting.

The organization has over \$200 in the treasury that will be used to gravel the school yard.

The next meeting will be December 1 with a program and business meeting.

Mrs. Lewie Jordan went to Levelland Saturday to be at the bedside of her daughter, Donita, who was hospitalized last week. She returned home with Mrs. Jordan Sunday.

Thanksgiving Supper

The women of Three Way Methodist church will serve a Thanksgiving supper Tuesday, November 22 in the Fellowship Hall of the church. Everyone is invited. The money will go to the WSCS treasury.

Guests in the W. C. McCelvey home Sunday were Mr. and Mrs. Dub Alexander of Anton, Ray Spence of Bula, H. G. McCelvey of Lubbock, and A. J. Spence of Houston.

The Goodland Bible Study Club met Tuesday, November 4 with Mrs. Jack Furgeson. Following the lesson and business meeting, refreshments were served to those present.

Mrs. L. D. Sanderson, Sr. has been released from the hospital in Roswell, N. M., and is convalescing at the home of her daughter in Roswell.

The infant daughter of Mr. and Mrs. Perry Linsley has been on the sick list.

LEGAL NOTICE

NOTICE OF INTENTION TO ISSUE ROAD AND BRIDGE WARRANTS

THE STATE OF TEXAS, COUNTY OF BAILEY:

Acting in my capacity as County Judge, I am hereby authorized to give public notice, and notice is hereby given, that it is the intention of the Commissioner of the State of Texas, to issue interest bearing Time Warrants against the Road and Bridge Fund of Bailey County in a maximum amount not to exceed \$20,527.35 for the purpose of retiring certain indebtedness of Bailey County necessitated and lawfully incurred by the improving and widening of U. S. Highway 84 from the Muleshoe City Limits south and east to the Lamb-Bailey County Line, for which there is not now sufficient money available to retire said indebtedness, out of the current funds of Bailey County; and said indebtedness is of the nature and in the amounts itemized below:

I. Relocating the Southwestern Public Service utility lines along and across said U. S. Highway 84, \$11,977.35.

II. Relocating the Bailey County Electric Cooperative Association utility lines across said U. S. Highway 84, \$648.

III. Relocating the El Paso Natural Gas Company's gas line across said U. S. Highway 84, \$3,102.

IV. For Curb and Gutter along either side of U. S. Highway 84 from the Muleshoe City Limits south and east to the southeast, eery edge of town, a distance of 1303 feet, \$4,800.

Total, \$20,527.35.

THEREFORE, notice is hereby given that it is the intention of the Commissioner of the County of Bailey to issue interest bearing Time Warrants against the Road and Bridge Fund of Bailey County, Texas in the maximum amount not to exceed \$20,527.35, bearing interest at a rate not to exceed three and one-half (3 1/2) per cent per annum, maturing at such times as may be fixed by the Commissioner of the County, serially or otherwise, with a maximum maturity not to exceed five (5) years from their date, and to be paid out of an ad valorem tax to be lev

Announce Results of Grain Test In High Plains by Experiment Service

Results of small grain variety tests conducted in 1958 in the High Plains area by the Texas Agricultural Experiment Station and cooperating agencies have been released.

The tests were conducted at the U. S. Great Plains Field Station at Bushland and on the farms of cooperators Roy Hale of Floyd county and Horace Sneed and Eller Brothers of Sherman county. Dr. K. B. Porter, agronomist at the Plains Station supervised the tests with county agents Cecil Lewis of Floyd and Ernest Goule of Sherman county cooperating on the off-station plantings.

Under irrigation at Bushland, the wheat variety, Bison, ranked first among the commercial varieties with an average of 45.1 bushels per acre. Early Blackhull, Concho, Wichita and Crockett followed in order. At Stratford, Wichita ranked first with 43.9 bushels per acre with Crockett, Cheyenne, Bison, and Early Blackhull following in that order. The yields at Floydada were much lower. Wichita ranked first with 12.6 bushels per acre followed by Crockett, Concho, Early Blackhull and Ponca.

Under dryland tests at Bushland, Ponca led with 31.9 bushels with Early Blackhull, Bison and Concho following in order. Early Blackhull was first at Stratford with a yield of 18.2 bushels with Wichita, Crockett and Concho following in order.

Recommendations of varieties for the area are based on results of several years of testing plus the quality characteristics of the varieties. The highest yields under irrigation in the Panhandle have been produced by Concho, Crockett, Ponca and Cheyenne. Dryland tests show Concho, Crockett, Westar, Bison and Comanche to be among the most satisfactory. Early varieties, such as Wichita, Early Blackhull and Triumph, have averaged less than mid-season varieties.

Fall sown oat tests at Bushland and Floydada, for 1958 and also over a period of years, show

that Mustang, Bronco and Hintok have produced the best yields and are the most winter hardy. Spring seeded tests show Alamo and Mustang to be the best varieties for spring plantings.

Fall sown barley tests were also conducted at Bushland and Floydada. Cordova ranked first with a yield of 42.3 bushels per acre with Wintex, Dicktoo, Rogers and Kearney following in that order. Kearney has been found to be the most winter hardy and also to have considerable resistance to greenbugs.

Spring seeding of barley has not been very successful in the area. Over a period of years, Cordova and Wintex have made the best yields for spring seeding.

Dr. I. M. Atkins, agronomist in charge of small grain investigations for the Texas Station, has summarized the 1958 statewide variety trials and the Station has recently released B-899 which summarizes tests conducted from 1949-57. Copies are available from the Agricultural Information Office, College Station, Texas.

News Of Men In Service

Specialist Four Gary E. Panzer, 21, of Sudan, recently began a new year tour of duty with the Regular Army while serving as an engineer equipment mechanic in Company B of the 62nd Engineer Battalion at Fort Leonard Wood, Mo. Specialist Panzer, a 1955 graduate of Friona high school, originally entered the Army in September 1955. His father, Charles Panzer, lives on Star Route.

LEON JAMISON ENLISTS, SENT TO FORT CARSON
Leon Jamison, son of Mr. and Mrs. Vernon Jamison of Lariat, enlisted in the Army last week for three years, and has been sent to Fort Carson, Colo., for basic training.

Leon was graduated from Farwell high school last spring.

ON ARMY FOOTBALL TEAM
CRAILSHEIM, GERMANY — Army Pfc. Harley B. Carter, son of Mr. and Mrs. Clark K. Carter, Rt. 3, Friona, is a member of the 4th Armored Division football team in Germany.

Carter, a wireman in Battery A of the divisions 78th Artillery in Crailsheim, entered the Army in June 1957 and completed basic training at Fort Hood, Texas. He arrived overseas in December of that year.

The 19-year-old soldier is a 1957 graduate of Friona high school.

CARD OF THANKS
I wish to thank my many friends for the flowers, visits, cards, and all kindness during my illness.

PLEASANT VALLEY VIEWS Mrs. Kendrick's Named President of HD Club

by Mrs. Norman Hodges
The Pleasant Valley Home Demonstration Club met Thursday afternoon at the community center with Mildred Stewart and Poni McMinn as hostesses.

Mrs. Mildred Kendrick was elected president to replace Vera Barnett for next year.

The program for the afternoon was on Christmas wrapping and Christmas gift ideas, and was presented by Vera Barnett.

The hostess gift was won by Mrs. Sena Stevens.

Mrs. Glenda Haley, Mrs. Jean Allison, and Mrs. Alice Angeley attended a 4-H leaders meeting Wednesday afternoon in Littlefield.

4-H Club Meets
The 4-H club met Wednesday night at the community building. They voted to meet from now on the first Wednesday afternoon of the month immediately after school at the community house. Officers will be elected at the next meeting which will be December 3.

New leaders were elected for the coming year. They were: Kirk Pitts, Oscar Allison, Hazel West, Alice Angeley, Jean Allison, and Sena Stevens.

Scoop Sez—

(Continued From Page 1)

Lamb county's Highway 84 this year.

And the saddest part of the story is that there is no relief in sight.

For while these tragic statistics are mounting, members of our Commissioners Court are sitting idly.

After reviewing earlier efforts to vote bonds for the purpose of four-laning this busy thoroughfare, Williams concludes:

"Unless the citizens rise up and demand action, we predict none will be taken." The people of Bailey county are to be congratulated. The Journal thinks, upon going ahead with the widening project, for there can be no question that life and limb will be safer for those who travel this road.

Kenneth Duncan has gone to Corpus Christi to attend the Farm Bureau convention there.

The Lamb County Home Demonstration Club council finance committee met last week in the home of Mrs. Kenneth Duncan. Those attending were: Mrs. Allen Haley, Jack Brooks, E. J. Grishom, Lady Clare Phillips, and Duncan. They worked up a budget for the coming year.

Sandra Haley attended the birthday party Monday in Muleshoe of Cheryl Ann Moore. It was her third birthday.

Scout Training Offered Nov. 16

LEVELLAND, (Spl.) — A new post and squad advisors and Explorer basic training course will be offered to all George White Scouting District troop.

Sea Explorer Ships beginning at 2:30 p.m., Sunday, November 16, at the Women's Building at the Hookley County Fairgrounds here, Clyde L. Prestwood, dean of South Plains College and publicity director for the district committee, has announced.

Prestwood said that this training will be the first of its kind ever offered in the district. The district committee strongly urges attendance, not only of unit committee, but institutional representatives and particularly parents of Explorer Scouts. The training is limited to adults only and is not recommended for Explorers.

J. R. Arnold of Levelland, district training director, will be in charge of the instruction.

REMEMBER WHEN?
by JOHN CROW

She shared a famous nickname... Babe". And she was to women in sports what the other famous Babe was to baseball. She stood head and shoulders above them all, the greatest all-around woman athlete of modern times.

Her name was Babe Didrikson Zaharias. She became the world's greatest woman golfer... and her courageous fight against death won the hearts of millions who had never know of her earlier moments of sports fame.

The Babe's first great triumph was at the Olympic Games held at Los Angeles. She wanted to enter more events, but the officials limited her to three. She had a world's record disqualified in the high jump, and finished second. In her other two events, the javelin throw and the 80-meter low hurdles, she scored record smashing wins. That year, she was just 17 years old.

Remember the year?
It was a year when a man who could afford to buy a car at all couldn't afford to take just any deal. He looked around... compared cars and prices... and he took the deal that meant cash savings.

If you're looking for that kind of deal today... then just compare the beauty and power of a new CHEVROLET with any other car. Compare its price... and then compare our deal! You'll get real savings on a new CHEVROLET from—

1959's Most Dramatic Debut

The New Lincoln

Newest Edition of the Classic Lincoln Look

Classic beauty... unexcelled craftsmanship

Here indeed, is a new masterpiece in the proud Lincoln tradition. A car of commanding appearance. A car of classic beauty, realized without sacrificing an inch of interior spaciousness and comfort. A car built with unexcelled quality and craftsmanship. These are just a few of the many practical reasons that make the 1959 Lincoln the choice for those who demand the very finest in the motorcars they drive.

The Lincoln interiors are the most spacious and most comfortable of any motorcar, and Lincoln's engine is unquestionably the finest ever installed in an American automobile. Yet, for all its roominess and power, the magnificent Lincoln handles with incredible ease. Enjoy the reassuring confidence that belongs exclusively to Lincoln owners. Your nearby dealer invites you to inspect the 1959 Lincoln personally... soon.

**Muleshoe - Lockney Battle To 6 to 6
Tie, Mules Win On First Downs 13 to 10**

By the narrowest margin of three first downs, Muleshoe's Mules continued on their way for district honors as they tied the Lockney Longhorns, 6-6 Friday night.

The Mules led in first downs, 13-10 in a hard fought game that saw the only penetrations of the game at one each, both on the touchdown plays.

The Mules threatened to take over as the game got underway. They moved 72 yards in seven plays to score their only touchdown.

Taking over after halting a Lockney drive on their own 28, the Mules moved 34 yards in six efforts. Fullback Gerald Shanks then broke through the line and scampered 38 yards for the score.

Halfback Lee Roy Corrales, who had scored four conversions in the district play, then kicked wide to the left, leaving the score 6-0 with 2:49 gone in the first period.

Line play dominated the remainder of the half as neither team was able to sustain a drive. The Longhorns were held on downs at the Muleshoe 30 in the second period and a Muleshoe drive was stalled on the Lockney 33.

Fullback Bill Race took charge for the Longhorns as the third period began. Returning the kickoff to the 24, the Longhorns drove 76 yards in 16 plays for their score.

Race set up the touchdown on a run-pass option play at right

end. Unable to find a receiver at the 29, Race picked up blockers at the line of scrimmage and went down to the eight, where he was shoved out of bounds. Four downs were required for the score. Runs by Race and an effort by quarterback Bill Mangold moved the ball down to the one before Mangold plunged for the touchdowns.

Lockney tried to run for the extra points from the eight after a five-yard penalty, but Mangold was stopped on the line of scrimmage.

With 1:30 remaining in the game, Coach Mantooth ordered the Mules to run out the time, protecting the three first down lead.

The Mules rolled up 259 total yards for the game. Fullback Gerald Shanks was the big gun for the Mules as he led with 108 yards for the night.

Both Oliver and Shafer were hurt in the game. Shafer was carried off the field with his leg hurt again. Oliver was shook up and only carried the ball for four tries.

**Lazbuddie Wins
Over Hart Friday**

In the battle of the Longhorns, Lazbuddie beat Hart, 20-18 in a District 2-B conference contest Friday night.

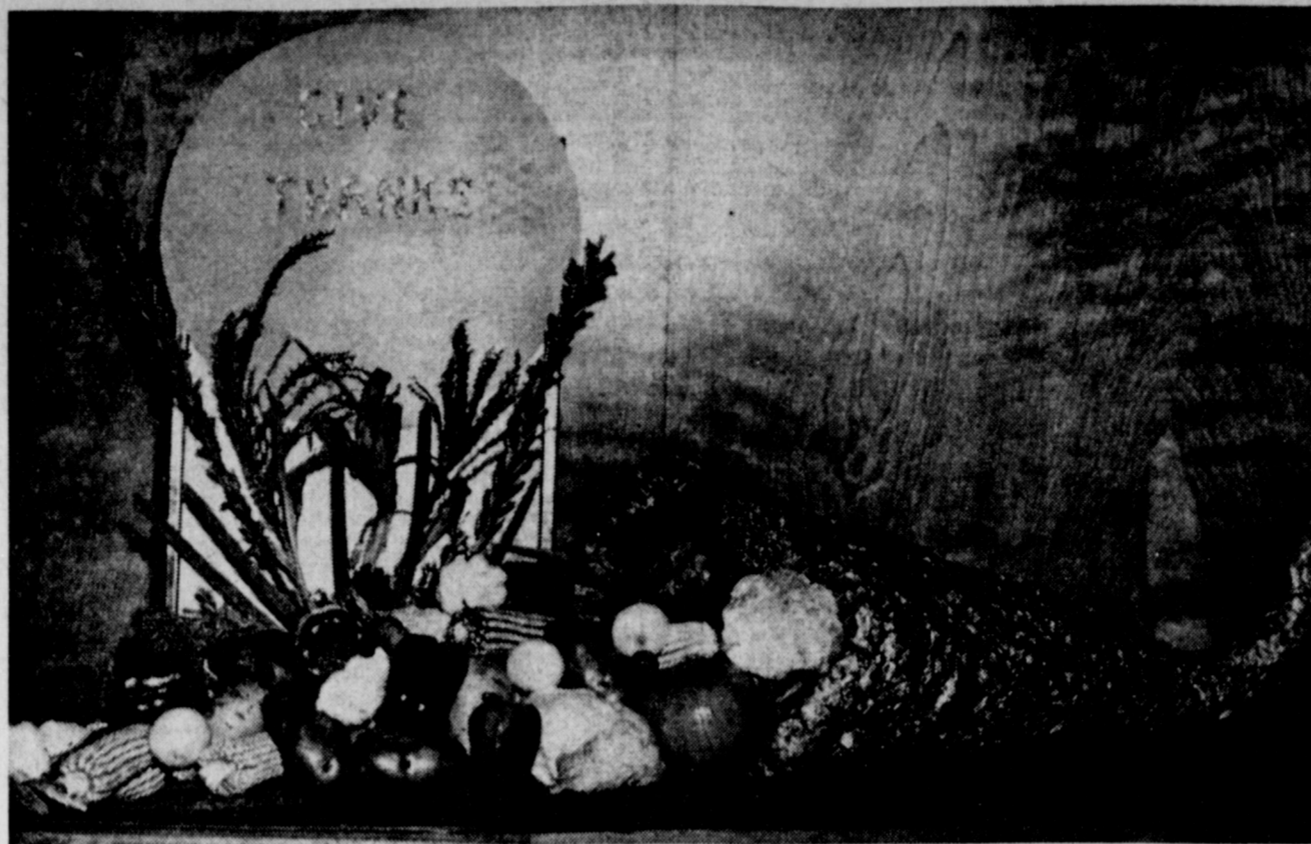

Scoring the first quarter touchdowns for Hart were quarterback Gene Varner, 60-yard run on the first play from scrimmage. Try for points by running failed.

Varner then ran 35 yards for the second Hart TD. Points try failed. Hart scored again early in the second period. Back Ronald Clark bumped over from the one-yard line. Running for points again failed.

Then, here came Lazbuddie. Right end Dean Watkins ran 8 yards on an end-around for the first touchdown. Pass try for points failed.

In the third quarter, quarterback Jerrell Jennings ran 35 yards on an end sweep for the second Lazbuddie touchdown. Jerry Koelzer ran for two extra points.

Lazbuddie led it over as a win with Ronnie Briggs sweeping left end for 10 yards for a touchdown. Point try running failed.

HORN OF PLENTY

made of locally grown produce, is on display for the Thanksgiving season at the Muleshoe PCA office. Made by Nellyne Morris, it contains seventeen vegetables, including millet, corn, cotton, okra, carrots, peppers, potatoes, pumpkin, calui flower, onion, lettuce, cabbage, sesame and milo. —Journal Photo

**Abernathy In 46-6
Win Over Olton**

Abernathy's Antelopes downed the Olton Mustangs Friday night, 46-6, in the move toward a showdown with the Muleshoe Mules for District 2-AA laurels.

The Antelopes had a 14-0 first period lead on a pair of touchdowns. Lane Tannehill started things off with a three-yard plunge and then followed up the score with a pass to Gerald Watson for the two extra points.

Tannehill threw again to Watson for a 15-yard scoring pass play which climaxed a 40-yard drive. The extra point try failed.

Olton scored their only tally early in the second period when Arno Hall plunged over from the three to cap a 71-yard attack. The try for the extra point was not good.

Abernathy scored again as Danny Miller went over from four yards out. Tannehill scored two extra points on a running try.

In the third stanza Tannehill again found Watson waiting and the Antelopes had six more points on a 13-yard pass play, and the score stood 30-6.

Watson grabbed an Olton toss in the third quarter. Watson then and went 30 yards and paydirt

tossed to Miller for the extra two points.

In the final period reserve quarterback John Brown hit Pat Attebury for a seven-yard touchdown pass. The scorebook was closed as Brown threw for two points to Harold Thompson.

**Black, Sanders
On Picador
Travelling Squad**

When the Texas Tech freshman football squad left for Little Rock, Ark., today, two former Muleshoe high school stars graced their travelling squad.

On the 44-man traveling squad of the Picadors will be Bob Sanders and Bill Black of Muleshoe. Both boys are listed as ends on the Tech freshman squad. While playing their last year for Muleshoe, Bob Sanders was a tackle and Bill Black played an end position.

This will be the Picador's last game of the season. Coach Hamm's freshman team has a 3-1 record, while the Shoats of Little

QUALIFIES AS MECHANIC
Howard Taylor of E. R. Hart Company, Muleshoe, has been qualified as a factory-trained outboard mechanic, following completion of a training course at the Beaver Dam, Wisconsin service school of the Kiekhaefer Corporation, manufacturer of Mercury outboard motors.

The course included daily instruction periods, supplemented by actual bench practice, blackboard sessions, group discussions and examinations. Subjects covered in addition to 1953 model features were recommended disassembly and re-assembly methods on the 15 and 35 horsepower Mercurys which are new in the line for 1959.

Rock have an impressive 3-0 record. The Picadors have beaten North Texas State 21-16, West Texas State 31-20 and Hardin-Simmons, 26-8. The lone loss was to Tulsa, 7-0.

BABSON DISCUSSES DETROIT'S SACRED COW YOUR AUTOMOBILE

En Route Home, Nov. 13 — I have been thinking on my homeward journey as to what will be the deciding factor with regard to 1959 prosperity. Have concluded it will be the automobile. Do you really like the car you are driving, or are you completely fed up with the gaudy, hungry monster? In this inflated economy where dollars disappear all too quickly, do you really like to sacrifice gas mileage for all those horses under the hood? Have you yet gotten used to cracking your skull and bruising your knees every time you try to get in or out of a modern Detroit creation? How many sets of plugs and points, how many mufflers and automatic transmissions has your garageman installed?

Before I go further, let me say that the above questions are not mine, I am simply echoing countless numbers of car owners who have come within earshot. One irate owner of half a dozen cars of the same popular make, purchased during the last dozen years, recently responded as follows to a piece of company promotional literature expounding the joys of station wagon living: After enumerating the many things that happened to his new car within the first five months of ownership, he said, in part, "My family has never had the money to take any of the fantastic trips outlined in your brochure. All our money has gone into trying to keep our new car running..."

Why People Are Not Buying Cars

Detroit has searched for all manner of reasons why recent models are not selling. I believe the answer to its poor sales record is as glaringly obvious as the chrome on its current models: (1) Detroit designers must be living in tall ivory towers, way up in the clouds. What they are producing is what they think the people ought to want, not what they actually want. (2) The consumer is fed up with shoddy materials that just don't hold up under normal driving conditions.

(3) Detroit workmanship, compared with what comes out of Europe, is generally slipshod and slapdash. (4) The high cost of living demands a less expensive car to purchase, a more economical car to drive, and a car fashioned to house comfortably the taller bodies our well-fed civilization produces.

A check of dealers in the New England area uncovers the fact that one popular make of car has lost sale after sale to its tall customers because those customers feel so uncomfortable behind the wheel, and in certain models because they dislike riding with their knees under their chins in the back seat. This matter of failing to build cars to fit people is more serious than you may think. I am sure that any reliable doctor of physiology worthy of his reputation will tell you that riding with your knees under your chin is a cause of fatigue, that this kind of positioning restricts blood circulation, causes numbness and makes one's responses slower. I am wondering if a lot of riding in such a cramped fashion could ultimately cause circulatory problems.

Small Cars A Must In Our Economy

Sure, U. S. car sales soared until most recent years, and for two very good reasons: (1) In post World War II America the auto became a necessary means of transportation to suburbia rather than a Sunday afternoon plaything. (2) The only cars available in numbers until recently were American makes. Therefore, as the population increased and suburbia developed, more and more American cars were sold.

Gradually, however, millions of new home owners have found that home ownership, while very much worth while, costs money. They have found, too, that their larger families consume ever larger quantities of food, and that the older children get the more expensive they become to clothe and educate. And father and mother, looking for ways to

balance the budget, have begun to realize that it does not make economic sense for each of them to push a hungry buggy across the landscape. European manufacturers, with an insight into this problem which Detroit seems to lack (with the exception of one manufacturer), have come to the family's rescue with reliable, economical, well-made, although not always comfortable, transportation. I predict a rash of small cars from American manufacturers in the early sixties. To hasten that day, write the president, sales manager, or marketing manager of the company that makes your car. Tell him what you like and don't like about your car.

Muleshoe Lad Is Given Good Advice

Good advice for Jack DeShazo, Muleshoe boy now living in Amarillo is carried in the "Polk Street Professor" column of The Amarillo News of recent date. Jack, a son of J. J. DeShazo of Muleshoe, for many years was employed at The Journal and the staff here got a kick out of the Professor's comments which adequately explain the situation:

Sunday a couple of weeks ago I visited the bachelor quarters of Randall Lemons, Jack DeShazo, Bob Doan, and Ed Sawyers. That night Wayne Lowe and Ken Ballard had spent the night with 'em, makin' six young men. Well sir, the front room next mornin' was a sight to see.

Bob Doan has bought himself a house and he's movin' out. They rent this house and all live there together now. There was absolutely no physical damage done to the house or furniture. It was the litter of stuff that was eye-poppin'.

I advise each of those boys to marry. Soon. Marry brides that have a firm hand. Till each husband is broken in to hangin' up the various debris that males gather together.

I found nothin' hangin' on the walls except a couple of pictures. On the floor and TV and chairs were strewn all articles of man's clothe and educate. And father and mother, looking for ways to

watches, wallets, loose change, pocket knives, two social security cards, a pair of house shoes, and a pound can of coffee.

A brahma bull couldn't have knocked more clothes onto the floor if he'd made four mad trips through Blackburn's Clothiers. This quartette must have lived in this house a long time—they couldn't have got that

much stuff on the floor in less than six months.

Yes sir, those boys ought to get married. That'd systematize 'em. A cleanin' woman won't do. But a wife will. That I know. Gettin' married broke me of two things. One was it broke me of bein' single. And the other was it put clothes on hangers. That is, put by me.

Sandhills Philosopher Takes A Look At The Election Returns, Comes To Only Vague Conclusions

Editor's note: The Sandhills Philosopher on his Johnson grass farm has found out about the election a week ago, which is pretty fast work for him.

Dear editor: Outside of reading what the political experts and analysts have to say before an election, I guess the next best reading comes from what they have to say after the election. For example, last week as soon as the returns from the elections around the country came in, the experts rolled up their sleeves and started explaining what had happened and why, and I'll admit they've left me puzzled, although you understand I'm not crediting them with getting me puzzled. I've been that way for years on my own.

One expert said the election results clearly indicated the country is more liberal, another said this isn't true, that he knows of candidates who got elected on the most conservative platform he'd ever heard of. The main trouble with this is that the pure strains in both parties have about disappeared.

mostly cross-breeds left. And you take all these crosses, like liberal Republicans and conservative Democrats, conservative Republicans and liberal Democrats, liberal conservatives and conservative liberals, conservative conservatives and liberal liberals, and several who don't know how they got elected, and put them all in the same feed lot in Washington and it's no wonder the Presidency of the United States is considered the most back-breaking job on earth.

If the cattlemen or the horse breeders or hog raisers or dog lovers of this country registered their stook like political parties do, you couldn't tell anymore about what the offspring would be like than you can about what the next Congress will do.

You take two members from the same party, one with a mandate from the people in his pocket to vote conservative, and the other with a mandate to vote liberal, and turn them loose in Washington, and it's about like a football team with two coaches, one sending in word to pass, the other to punt.

Personally, I prefer to run this

exploring VENUS

BECAUSE WE HAVE ONLY SEEN THE UPPER ATMOSPHERE, THE FIRST EXPEDITION WILL PROBABLY BE A SURVEY SHIP ORBITING VENUS, STUDYING IT VISUALLY AND WITH RADAR.

THE FIRST LANDING WILL POSSIBLY SHOW A WORLD MUCH LIKE EARTH AND THOUGH UNPLEASANTLY HOT, NOT UNPLEASANTLY TO MANY. SOME RECENT STUDIES, HOWEVER, DETECT NO SIGNS OF WATER VAPOR AND SOME SAY IT IS A DRY, DUSTY WORLD WITH A POISON ATMOSPHERE!

RADIO NOISE FROM THE PLANET WAS FIRST HEARD IN MAY, 1950. IT HAS GIVEN SUPPORT TO THE THEORY OF AN EXTREMELY HIGH SURFACE TEMPERATURE.

THESE RADIO SIGNALS ARE MUCH LIKE STATIC CAUSED BY THUNDERSTORMS ON EARTH, AND CONTINUED STUDY OF THEM WILL ENABLE ASTRONOMERS TO EVENTUALLY FIGURE OUT THE EXACT ROTATION PERIOD OF THE PLANET.

Today's Meditation

Read Romans 1:1-10.

The peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus. (Philippians 4:7)

Walter just could not go off to farm out here in the sandhills. Nobody issues me any mandates. Yours faithfully, J. A.

sleep if there had been trouble between him and his father. One particular evening, while we were visiting in the home, little Walter had disobeyed and received a light reprimand from his father. His mother had put him to bed for the night.

Shortly afterward, I heard his mother say, "Daddy, may Walter see you for a minute?" His father stepped to Walter's bedside and took him up in his arms. Walter threw his arms about his father's neck, and his father hugged and kissed him and tucked him back in his bed. Neither one spoke a word. The little fellow

was soon asleep.

So it is with every child of God. We are not happy and peaceful if there is any shadow of uncertainty between us and our Father. The most important thing is right relationship between God and ourselves, His children.

PRAYER

Our heavenly Father, how wonderful is the peace Thou givest! Help us so to live that day that we may keep that peace, through Christ our Lord, who taught us to pray, "Our Father who art in heaven... Amen."

THOUGHT FOR THE DAY

The peace that God gives every repentant soul is a priceless possession.

—Lillian A. Ward (Illinois)

"And I, if I be lifted up from the earth, will draw all men unto me." — (St. John 12:32)

This statement of Jesus signified that he should be lifted up to die upon the cross. It also signified that he should be lifted up from death into life, and from life here into life in eternity. And it is significant today that wherever we, his followers, lift him up, Christ continues to draw men unto him.

ELECTRIC HEATING...

as easy, safe and clean as switching on a light bulb!

That little man-of-all-things, Reddy Kilowatt, is ready to heat your home just as easily as he now lights your home. Electric heating is so easy, so safe, so clean — well, it's just like a light bulb — responds instantly to the touch of your finger on a control switch. Imagine, turn on a switch and a light lights up — turn on another switch and you have instant, comfortable, clean electric heat.

P. S. Electric heating is really easier than turning on a light bulb. With thermostatic control you just set it and forget it.

FREE BOOKLET

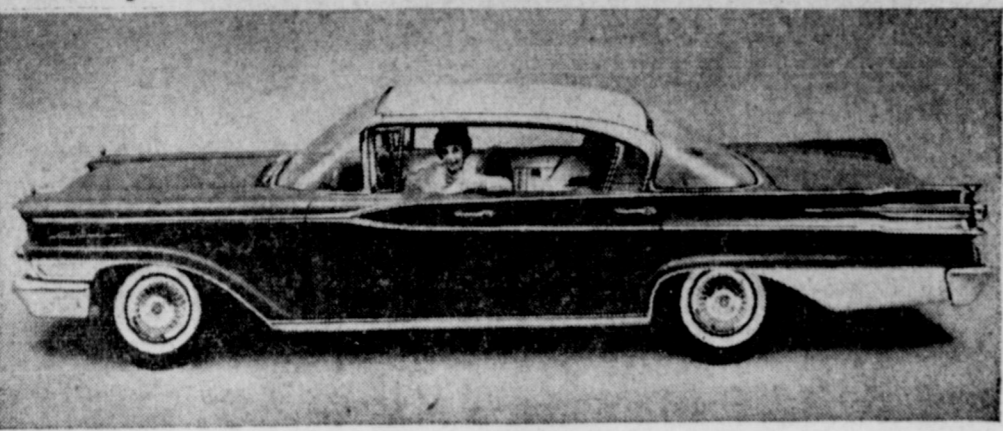

"The Inside Story of ELECTRIC CLIMATE CONTROL" — a new booklet that tells the facts about modern, convenient electric heating. If you're building or remodeling, you'll want this booklet. Your Public Service manager has a copy for you.

HEATING RATE

There's a new, low electric heating rate now available. To get the facts, see your Public Service manager.

Advanced Design, Spaciousness Stressed In New Mercury Line At Muleshoe Motor Company

Space-planned bodies which provide a totally new experience in passenger comfort in both front and back seats are presented by Mercury in its entirely new cars for 1959. In its 20th anniversary models, Mercury offers a brilliant combination of advanced design, mechanical excellence and superior performance and economy. Designed exclusively for the medium-price field, the new Mercury has 15 models in four series, including the only two-door station wagon in the medium-price range. New compound curved windshield and rear window increase glass area more than 60 per cent at the front and 46 per cent at the rear. Mercury's high-compression V-8 engines provide an exact blending of the most desirable features of economy and power. Pictured is the Park Lane four-door Cruiser.

A brilliant combination of interior spaciousness for passenger comfort, advanced design and superior performance and economy is presented by Mercury in its totally new cars for 1959—Mercury's 20th anniversary models. The new line is on display tomorrow at Muleshoe Motor Co.

"This new Mercury is the only medium-priced car designed specifically and exclusively for the medium-price field—every other medium priced car for 1959 shares its body shell with a low-priced car make," said Ben D. Mills, general manager of the M-E-L Division and a vice-president of Ford Motor Company.

"The Mercury for 1959 is a big car—it has size for a purpose. Its space-planned bodies provide a totally new experience in passenger comfort in both front and back seats," Mr. Mills declared. "And that's for three people in both seats," he emphasized.

The entire front seat and instrument panel area are redesigned to make it spacious. Major engineering developments result in cutting almost in half the volume of space taken up by the transmission tunnel hump down the center of the car. This reduction of the tunnel gives Mercury another industry "first" in passenger comfort by greatly increasing leg room for those sitting in the middle of the front seat and by improving cushioning in both front and rear seats.

The instrument panel is moved well forward, providing six inches more knee-room and ten inches more distance from the seat back.

Vision is improved both by lowering the hood 2½ inches and by the huge, compound windshield which is more than 60 percent larger than previous models.

Entrance to the front seat is improved by redesigning the windshield post, which provides 2½ inches more knee clearance and by making the front doors up to four inches wider.

Rear seat entrance and passenger comfort are improved, too. More interior foot room is obtained by widening the rear foot

wells 4½ inches and simultaneously narrowing the door sills. Mercury is introducing windshield wipers which operate in tandem, both blades going in the same directional sweep at the same time, thus giving full-width cleaning with no center blind spot. Blades are longer and clean 43 percent more area than previous wipers, and they clean the center portion of the windshield, for the first time on American-made cars. Wipers are electrically operated.

For maximum economy, Mercury's engines include a 312-cubic inch displacement V-8 with two-barrel carburetor in the Monterey series. It saves both on initial cost and by operating on regular grade gasoline. A concealed package compartment located beneath the rear floorboard and a completely self-storing third seat are features of Mercury's hardtop styled "Country Cruiser" station wagons. The third seat is optional on four-door models. Concealed tailgate hinges leave no gap and require no cover plate.

Mercury is the only medium price wagon to offer a two-door model, and Mercury alone in the medium-price field has all its station wagons with hardtop styling.

Mercury's dynamic styling gives a whole new feeling of flow from the cowl, through the big windshield right into the virtually flush roof surface. Mercury's "cruiser" roof for hardtop models has a spirited look, with its exceptional unbroken line to the tip of the rear glass as it blends into the trunk. A compound-curved rear window gives a fast-back appearance and has 46 percent greater glass area.

begin at 11:45 a.m. In the old gym Tech's Red Raiders will meet the University of Arkansas Razorbacks at 2 p.m. Festivities will be climaxed with a homecoming ball for exes at 8 p.m. in the Lubbock Hotel.

Muleshoe Asked To Have Special Day At SW Stock Show

Muleshoe has been invited to have a "day" at the 1959 Southwestern Exposition and Fat Stock Show, which will be held January 30 through February 8 in Fort Worth.

In a letter, W. R. Watt, president-manager of the show, suggested that Muleshoe select a cowgirl sweetheart who can be introduced at the Stock Show rodeo. Watt also invited the city to send its high school band so that the students may give a concert on the exposition grounds. Band members will be guests of the Stock Show at the rodeo performance.

Watt expressed the hope that a delegation of citizens, wearing hat bands or badges proclaiming their hometown, would attend the exposition. A special section of seats at the rodeo also will be set aside if Muleshoe residents would like to sit together.

Dale Robertson, star of the TV Western series, "Tales of Wells Fargo", will be featured in all rodeo performances. He will star in a musical act designed especially for the Fort Worth show.

tax returns are not only used to report the amount of their income for income tax purposes but are also used to report the self-employment income for social security credits. This means that the eligibility to social security benefits for these individuals and the amount of their monthly benefits are dependent upon the accuracy of their tax returns and the accuracy of the basic records upon which these returns have been prepared.

Mr. Hutton commented that in many cases his office is required to verify the income reported on the self-employment tax returns. The lack of good records has in some instances caused considerable delays in awarding claims for benefits and in several cases has resulted in actual loss of benefits. So, don't gamble on losing what you may be entitled to—keep an accurate and complete record of all of your business transactions.

A representative of the Lubbock Social Security office will be in Muleshoe on November 20, at 9:30 a.m., at the courtroom and will be glad to assist in all matters pertaining to Social Security.

Civil Service Clerk Openings Now Available

The U. S. Civil Service Commission announces examinations for clerk at \$3755 to \$4490 per annum for employment in various federal agencies located in this area and in nearby cities. The examination announcement which is posted at most post offices lists the counties in which vacancies are anticipated.

Apply at the post office for application forms or for information as to where they may be obtained or obtain them from the Eighth U. S. Civil Service Regional Office, Room 103, 1114 Commerce Street, Dallas, Texas.

WAGE FINDINGS FOR NOVEMBER 4

The regional director of the Bureau of Employment Security has announced the latest wage findings for Bailey county, effective November 4.

Wages for cotton harvest, first pulling irrigated is \$1.75 per hundred.

Good Records Are Necessity In Any Type of Business

"People who work for themselves on a farm or in a business, trade, or profession should keep complete and accurate records of all of their business transactions," John G. Hutton, manager of the Lubbock social security office pointed out today. Maintaining complete and accurate records is good business from many standpoints and these records are particularly valuable when income tax time rolls around.

For these businessmen, Federal

Tech Homecoming November 21-22

29th annual homecoming November 21-22 with a full schedule of fellowship and football. Thousands of exes are expected to return for a homecoming queen coronation and appearance of Comedian Bob Hope Friday, November 21, and a homecoming parade, luncheon, Tech-Arkansas football game and dance Saturday, November 22.

Mixed with the major features will be dozens of receptions, teas, parties and class reunions.

First event will be a meeting of the Ex-Students Ass'n., executive board at 10:30 a.m., Friday. The Ex-Students Council—made up of general officers, chapter presidents, and district representatives—will meet at 1:30 p.m.

New general officers will be elected and 1958-59 activities planned. Exes president Curtis Sterling of Brownfield said.

Crowning of the homecoming queen at 7 p.m. will highlight ceremonies dedicating the new Saddle Tramps Circle, a pep rally center near the new Tech gym. A giant rally will follow.

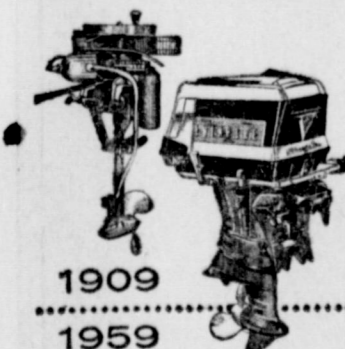

Class reunions Friday will include: the "old timers", classes '25 through '38, at 9:30 p.m., in the Caprock Hotel; classes of '39-'49 at 8:15 p.m. in the Faculty Club, and classes of '50-'58 in the Rec Hall. Bob Hope will appear in a special show at 8:30 p.m. in Lubbock Municipal Coliseum.

The homecoming parade thru downtown Lubbock will begin at 10:30 a.m. Saturday.

A huge luncheon for exes will

This 4-door Hardtop Cruiser is the luxurious Park Lane by Mercury. Also available in the distinctive Montclair and the popular Monterey series.

The brand NEW '59 MERCURY shows you what NEW really means

Americans are looking at the new cars with a new look in their eyes. They're searching for the best combination of all the things that count in a car. The answer in 1959 comes from this completely new 20th Anniversary Mercury.

SEE NEW CLEAN-DYNAMIC STYLING

Distinctive—Mercury has exclusive body design; it is the only car in its class that does not use a body shared by a low-priced car.

RELAX IN A NEW KIND OF COMFORT

No car in its class has more usable room. For easier entrance, doors are wider than those of costliest cars. Up front—9 inches more knee room! The tunnel-hump in the floor HAS BEEN CUT IN HALF! The man in the middle doesn't

sit with his chin on his knees. And that lower hump makes room for thicker seat cushions.

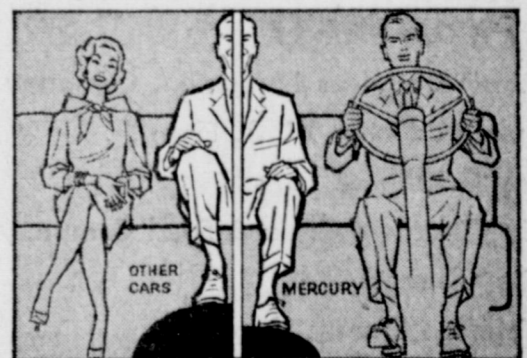

FEEL LIVELY NEW PERFORMANCE

Not just high horsepower—although Mercury offers up to 345—but a new kind of response, quiet, obedient, effortless.

ENJOY NEW ECONOMIES

2 out of 3 new-car buyers can afford Mercury. The big special is the Monterey with its new Economy Engine. You get top performance on regular (not premium) gas—it's like "riding free" 10 miles out of every 100.

Add it up and you get everything you want on wheels—the '59 Mercury. We invite you to try this great car—at our showroom.

NEW COMFORT UP FRONT! That tunnel-hump you'll find on other '59 cars is 50% smaller in Mercury. 3 full-size riders can stretch out (including the man in the middle).

MERCURY'S COUNTRY CRUISERS—Unique hardtop styling. Retractable rear window. Fold-away 3rd seat that faces front. Concealed package compartment.

MERCURY'S FIRST WITH SIDE-TO-SIDE WIPERS—They clear a 42% larger area—a 5-foot swath—including the e-section. Only Mercury has this aid to safer

Everything you want on wheels

day at Christian Science services in the Lesson-Sermon entitled "Mortals and Immortals." Highlighting the Bible passages to be read is the story in Genesis of Jacob and Esau. From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read the following (254:10): "When we wait patiently on God and seek Truth righteously, He directs our path. Imperfect mortals grasp the ultimate of spiritual perfection slowly; but to begin aright and to continue the strife of demonstrating the great problem of being, is doing much." The Golden Text is from Romans (8:5): "They that are after the flesh do mind the things of the flesh; but they that are after the Spirit the things of the Spirit."

FRIDAY NIGHT**

New Bleachers Now At Football Stadium

by Mrs. Clyde Monk

Bobby Phillips was honored on his ninth birthday Sunday afternoon in the home of his parents. Gene Phillips, Bobby had several of his friends in to help him eat birthday cake and ice cream. They also enjoyed helping him open the huge pile of gifts presented to him.

Present besides the honoree were Kirby and Debbie Buprecht, Timmie and Steve Foster, Billy and Johnny Jones, Larry and Charlotte Davis, Gary and Sandy Phillips, Junior and Paul Sanzuel, Pauletta, Terry and Galen Templeton, Ronnie, Freddie and Sherry Vanlandingham, Alfred Steinbock, Sharon Welch, Royce Barnes, Pamela Inge, Terry Parham, Larry Price, and Danny Miller.

The Kathleen Jones Circle of the W.M.U. met Monday afternoon in the home of Mrs. F. W. Greene for a mission study. The program was led by Mrs. Carrie Withrow. Others present were Mmes. T. D. Reed, E. E. Mason, Perry Barnes and Jack Black.

New Bleachers Installed

The P.T.A. along with the whole community would like to publicly thank the following business places who contributed so generously to the fund to purchase bleachers for the ball field: Shirley Elevator, Watkins Gin, Lazbuddie Store, Jeanine's Beauty Shop, Lazbuddie Fertilizer, Western 66 Butane, Par-Lam Storage, McBride Gin, Co-op Elevator, Clay's Corner, Nickels Gin, Farwell Fertilizer, LaComa Gin, Johnson and Pool, Irene's Style Shop, Muleshoe State Bank, Friema State Bank, First National Bank of Muleshoe, Cashway Grocery, Piggly Wiggly of Muleshoe, and Cobb's Dept. Store.

The bleachers were installed for the game Friday evening between Lazbuddie and Hart, and were a big help to those viewing the game. The last home game will be played this Friday night with Happy as the visiting team.

Attend Shower

Mrs. F. L. Oliver and Mrs. Willie Steinbock attended a bridal shower in Slaton Tuesday evening, honoring a niece, Alma Jean Winn. Alma is the daughter of Mr. and Mrs. Dan Winn, Jr., and are former residents of this community. She will become the bride of Bonnie Kennedy of Post in a ceremony Friday evening at

the bride's home

Honor Roll Students

Honor students of Lazbuddie High for the first six weeks of school have been disclosed this past week. This includes citizenship as well as subject matter. "A" students are: David Tarter, Beverly Smith, Margaret Eggers, and Katherine Smith.

Students with "B" are, 9th grade: John Agee, Jimmy Broadhurst, Richard Chitwood, Don Smith, Paul Wilbanks, and Debbie Fawkins; 10th grade: Penny Grusendorf and Coretta Watkins; 11th grade: Maudine Barnes, Glenda Robinson, and Derrell Jennings; 12th grade: Smitty Lawrence, Dwayne Teague and Dean Watkins.

Junior High Banquet

The 5th grade room mothers sponsored a banquet for the Junior High students Saturday evening at the Silver Grill at Clovis. The head table was decorated with the school colors of black and orange streamers, and a large placard with the words, "Lazbuddie Junior High Football Banquet".

A steak dinner with all the trimmings was enjoyed. Calvin Mason was presented a bracelet by the pep squad cheerleaders, Sandy Brown, Brenda Mason and Sharon Parham, as "Football Hero"; Terry Darling and Harrol Redwine, Captain and Co-Captain of the team presented Mary Rigney a bracelet as "Sweetheart".

Coach Crooks was master of ceremonies and spoke to the group briefly, complimenting them on their hard work for the season.

Pat Peterson thanked the mothers for their help with the pep squad and also to the room mothers for the party. Terry Darling also spoke in behalf of the team honoring Coach Crooks. 40 seventh and eighth grade students and mothers were present. They attended a movie following the banquet.

Visiting in the home of Mr. and Mrs. Glen Stevenson Sunday were her mother, Mrs. H. A. Douglass, Muleshoe, and her sisters, Mr. and Mrs. Millard Moore from Amarillo and Mrs. Alva Spark, Albuquerque.

Mr. and Mrs. Roy Daniels and Mr. and Mrs. Everett McBroom and girls visited Sunday afternoon at Tulla with the Reece Wiltiering family.

Recent visitors with Mrs. F. W. Greene were her children, Mr. and Mrs. Ralph Paul from Hereford, Forrest Greene, Pleasant Valley and her grandchildren, Homer Paul, Amarillo and Richard Greene, Pleasant Valley.

Mrs. H. H. Briggs and Mrs. Joe Briggs left Monday for Merkel to attend funeral services for the father of Mr. Jarrett Pinckley Tuesday. The Jarrett Pinckleys have recently moved back to Merkel to make their home.

Visiting in the Alfred Steinbock home Sunday were Mr. and Mrs. David White and twins, Mrs. F. L. Oliver and Mike, Johnny Ivy and Mr. and Mrs. Jimmie Seaton and family.

After church services Sunday evening the young married people class of the Church of Christ met at the home of Mr. and Mrs. J. W. Gammon for a social and sing fest. Refreshments were served.

Delegates to the 4-H Recreational school conducted at the Hub three evenings last week were Dickie and Pat Chitwood, Cooper and Steve Young, Harrol and Carol Redwine, and Linda Gleason. Mrs. Dee Chitwood and Mrs. T. L. Gleason also attended.

Mr. and Mrs. R. L. Forrester visited Saturday night at Wollforth with his brother, Mr. Willie Forrester and daughter, Evelyn. On Sunday the Forresters visited in Lubbock with her brother, Mr. and Mrs. R. H. Wilke.

Mrs. W. S. Menefee visited in Hereford Thursday and Friday and brought her grandchildren, Randal, Becky, and Ricky Long home with her for the weekend. On Sunday Mrs. Menefee took the youngsters to Friona and they rode the train home.

Sunday dinner guests in the home of Mr. and Mrs. Euel Hall were Mr. and Mrs. Denton Thompson, Susie and Phil from Morton, and Mr. and Mrs. Buford Hunt and Clovee from Muleshoe. Others were Mr. and Mrs. Calvin Clark and Janice, Mr. and Mrs. Andy Brown and children, Mr. and Mrs. D. B. Ivy and Christy, Mr. and Mrs. Albert Clark and Laurence King.

Mrs. Otis Stewart from Sundown spent the weekend with her sister, Mrs. F. C. Wagnon.

Mr. and Mrs. George Hendricks came in Monday for several days visit with her sister, Mr. and Mrs. Rufus Carter. Hendricks is pastor of the Church of God in Oklahoma City.

Mr. and Mrs. Deltor Wenner,

Mrs. F. L. Wenner and Lorraine D. Merriott were in Amarillo last Wednesday attending a Fellowship meeting at the Central Baptist Church.

Sunday visitors in the T. O. Lesly home were his brother, Mr. and Mrs. U. L. Lesly and family from Dalhart.

Mr. and Mrs. O. M. Jennings left Sunday for Hereford, where Mrs. Jennings will remain with her daughter and family, while Mr. Jennings and Cecil Malone are gone to Iowa on business.

Mrs. Saye Wells and her son, Mr. and Mrs. Bert Wells and baby from Capron, Okla., spent last week visiting her sister, Mr. and Mrs. E. E. Engelking and Jerry. On Sunday the group, along with Mr. and Mrs. Richard Engelking and children, enjoyed Sunday dinner at the home of the Engelking's daughter, Mr. and Mrs. Floyd Embry in Farwell.

Mrs. D. Smith of Muleshoe is staying at the home of her son, Mr. and Mrs. Leon Smith for a few days, recuperating from major surgery last Tuesday in Lubbock.

Mr. and Mrs. Donald D. Littlefield and baby spent the weekend in Lubbock with her sister, the Gene Briggs family.

Mr. and Mrs. Leon Ford from Ft. Worth were up last Wednesday visiting his brother, the E. T. Ford family, and also to do some duck hunting.

Mr. and Mrs. J. D. Carpenter spent the weekend at Odessa with the Loren Howards. They also visited with Mr. and Mrs. W. C. Williams while there.

Mrs. Jack Smith and children, Mrs. N. M. McCurdy and Mrs. John Bond were in Amarillo Saturday visiting. Mrs. Lizzie Scruggs from Shamrock, Okla., met them there and came home with her daughter, Mrs. Bond, for a visit.

Mr. and Mrs. Frank Hinkson are expected home some time this week from Temple. Mrs. Hinkson had surgery last Tuesday and is reported to be doing fine.

Mr. and Mrs. Junior Matthews and boys left Friday afternoon for Odessa where they assisted in moving Mr. and Mrs. Chunky Ivy to Roswell, N. M., on Saturday. Chunky will be assistant manager of the market at Furr in Roswell.

Monday evening supper guests in the R. L. Forrester home were Mr. and Mrs. A. L. Meyer and

Glenn Ford and Diane Brewster are the romantic couple of "Torpedo Run," MGM's thrill-packed submarine drama of the most dangerous sea hunt of World War II. Ernest Borgnine also stars in the CinemaScope and color film, with Dean Jones in a co-starring role.

family from Levelland. Meyer works with the Lutheran church in Levelland.

Mr. and Mrs. Billy Watts and Cynthia from Farwell spent Friday night with the Finis Jen-

nings and on Saturday they accompanied Mr. and Mrs. Jennings to Lubbock to visit with her sister, Mr. and Mrs. John Hughes. They also attended the Tech-Arizona State game Saturday evening.

Mr. and Mrs. Alfred Scott returned home Sunday afternoon from Denver, Colo., where they had been the past week with his brother, Fred Scott, who had been seriously ill. They report he was much better when they left. Glen Sept had accompanied his parents to Denver, but returned home Wednesday by train.

Mr. and Mrs. Frank Hunt visited last week with her mother, Mrs. Bill Beasley at Greenville and other relatives. They also visited his relatives at Lewisville and attended a Hunt family reunion held in the home of Mr. and Mrs. Travis Hunt in Greenville.

Mrs. Les Bruns and children, Jane, Jerry, Bruce and Mark spent the weekend in Plainview with her brother, Mr. and Mrs. W. C. Morris and family. Mrs. Bruns attended the homecoming celebration in Plainview Friday evening. Morris Bruns, from Tech, met the family there and attended the homecoming with

his mother.

The Midway Home Demonstration Club met Wednesday afternoon with Mrs. Grady King. "Roller Meals" was the subject and was demonstrated by Mrs. Dee Chitwood and Mrs. Eugene Redwine. Following the regular meeting, a products party was enjoyed by a large number of members and visitors.

Mrs. L. B. Hambricht left Saturday morning for Midland to be with her daughter, Mr. and Mrs. B. J. Trimble for a few days. A baby girl was born to the Trimbles Friday, November 7, and is their first child. It had not been learned the first of the week what they would name the baby.

Mrs. C. A. Watson was in Antton the first of the week with her mother, Mrs. H. I. Bass, who is ill.

Charles Stafford came down from Amarillo over the weekend

and returned his wife home. Mrs. Stafford had been visiting her folks, the Glen Scotts the past week.

GARLAND FREEMAN FAMILY IN VISIT DOWNSTATE

Mr. and Mrs. Garland Freeman, their daughter, Mrs. Rex Sanderson and son, Randy, last Thursday completed a long tour combining business and pleasure. Garland, a Bailey County deputy sheriff, was a witness in a case in court at Meridian first of the week. Afterwards they visited in Mexia with his sister, Mrs. Guy Andrews; another sister, Mrs. H. C. Womack in Hico; and on the way home with Mrs. Freeman's mother, Mrs. Stanley Harter and a sister, Mrs. Lawrence Chapman at Winters, another sister of Mrs. Freeman, Mrs. Chester Campbell at Midland and another sister of Mr. Freeman, Mrs. J. C. Craven, Big Spring.

A TRIBUTE TO OUR WOMEN'S CLUBS!

Those groups of our local women who have organized themselves into Clubs, deserve the unstinted commendation of all of us! There are bridge clubs, There are self-improvement clubs. There are clubs whose charitable work among the needy exemplifies the finest traits of American womanhood. Most of these are home women, women with families and all the cares of home management. Yet they find time for richly deserved recreation, as well as charitable activities. They are making the most of their busy lives. . . and we heartily applaud their feminine proclivities. Let's give generous support whenever they request it!

-We Salute Our Town-

How's your horsepower?

You may have plenty of horses under the hood, but if you don't feed 'em right you won't get the kind of performance you were hoping for when you bought that new car.

To make the most of your horsepower, fill your gas tank with clean-burning, high octane Phillips 66 Flite-Fuel. No other gasoline provides the combination of high performance components that make this the "Aristocrat of Motor Fuels."

The performance advantages of Phillips 66 Flite-Fuel are noticeable, and they are noticeable immediately. Easy starting . . . freedom from stalling . . . lively acceleration . . . you get all these when you fill up at the station where you see the orange and black Phillips 66 shield. Treat your horses right!

SIX Good Reasons For bringing your cotton to UNION COMPRESS

1. Nothing to sell but service. No hidden charges to our customers at Union Compress.
2. ONE CHARGE ONLY. And that is for SERVICE.
3. We are EQUIPPED to take care of your cotton while it is in our custody.
4. Electronic Weighing. All bales weighed on our new fool proof electronic scales. No errors.
5. Doing business in your own local community. We are all home folks.
6. Protection for you. Adequate fire and damage control at all times.

"We Are Custodians . . . Not Competitors"

IT'S WINNING TEXAS— as it won the Fashion-Wise at the Brussels World's Fair!

You never had it so beautiful and so all-out new... 59 FORDS

AWARDED THE GOLD MEDAL for beautiful proportions by the Comité Français de l'Éligibilité at the Brussels World's Fair.

Expect to be dazzled when you see these totally new Ford's! Each one of Ford's 19 new models is completely and refreshingly changed in every square inch. Each, in its own way, is the world's most beautifully proportioned car. Each has Thunderbird elegance.

Look for something new and just right in size . . . and you'll find it! The lowest-priced Ford's are 6 stunning inches longer . . . have 2 extra inches of smooth-riding wheelbase.

Expect something wonderful in savings. For instance, Ford prices for '59 are traditionally down-to-earth prices. (Every model's priced below the equivalent model of Ford's nearest competitor.) Ford's aluminum mufflers—standard equipment—last twice as long as conventional mufflers. Ford's standard V-8 and Six save up to 5¢ a gallon because they require only regular gas. Ford cars need oil changes only every 4000 miles. And Ford's new super enamels never need waxing.

Look for something special in performance. New V-8's concentrate their new punch at speeds from 30 to 70 mph, where you need it most.

Look for newness everywhere . . . right down to the new Tycos tires. Let your Ford Dealer show you. You've never had it so new!

The wonderful new Fairlane 500 Club Victoria . . . one of 19 all-new Ford's for '59

NEWS BRIEFS FROM MHS

Thanksgiving Holidays Begin For Students November 27-December 1

Thanksgiving holidays for Muleshoe school students have been set for Thursday and Friday, November 27 and 28, principal Bill Parker reported this week.

All Muleshoe schools will dismiss Wednesday afternoon, November 26, and resume work on Monday morning, December 1.

L. C. S. Speaker at Assembly
Mr. Keyes, dean of admissions at Lubbock Christian College will deliver two addresses on the American educational system here next Monday afternoon.

Keys will address the Muleshoe high school student body in assembly, and later deliver a talk to members of the school Parent-Teachers Association.

Seniors Conduct Pep Rally
The final scheduled conference

game for Muleshoe seniors will be played Friday night. In observance of this event, and also celebrating the fact that the Mules are co-champions of their district for the first time in many years, the seniors will be in charge of a pep rally this afternoon at 12:15 at the school.

Special events have been planned to mark the occasion, with members of the senior class in charge. The public is welcome to attend.

Student Council in District Meet

On November 22, the Muleshoe high school Student Council will journey to Tulsa to participate in a district meeting.

The local students will lead a discussion group at the meeting, and also campaign for a district

office.

Band Competition
On December 6, the Muleshoe high school band under the direction of Paul Summersgill, will go to Plainview to compete in the Interscholastic League contest.

FHA-FFA Xmas Party
Members of the Muleshoe Future Homemakers of America chapter will entertain the Future Farmers of America chapter members with a Christmas party in the high school cafeteria.

Basketball Tournament
The Muleshoe Mules and Mulettes basketball teams will begin the 1958-59 season on December 11 through 13, by entering the first season tournament at Happy high school.

Drivers Education Aims At Safety

In Drivers Education when a student first starts learning to drive or study driving rules and signs, he is given a paper to be signed by a licensed person in the family, preferably a parent. This person agrees to set a good example for the student by obeying all the rules, laws, and signs, and by practicing the good traits of sportsmanlike driving. This paper reads as follows:

SAFE DRIVING AGREEMENT
In an effort to promote safe driving, I hereby agree to set an example for my _____ to follow in obeying the rules and signs of the roads, streets, and highways in the State of Texas.

(Parent's signature)
I hereby agree to follow the example set by my _____ in obeying the rules and signs of the roads, streets, and highways in the State of Texas.

signal and decide at the last minute you want to turn the opposite direction. Never drive with your arm or hand out of the car except when signaling to turn, and then bring the hand in before you start to make the turn. Another thing to remember is not to drive when you are sleepy. If you get sleepy while you are driving, stop and change drivers if another is in the car. If not, stop and take a nap. Never take anti-sleep pills.

You can help reduce traffic accidents, too, by observing traffic laws voluntarily. You can do your part by insisting on good enforcement practices, supporting improvements in all enforcement work, and observing traffic laws.

Another aid is to help improve poor local accident records by stirring up public demand for improvement. You can let it be known that you are willing to pay your fair share of the cost of modern streets and highways.

In order to help reduce traffic accidents, everyone must observe all regulations protecting drivers and pedestrians, and to be fair about the traffic rights of other road users.

Let's all help to reduce traffic accidents and encourage better

driving facilities, because driving is a privilege—not a right! Will you do your part in making our highways and streets a safe place to drive?
—MARY WEDEL

Progress News

by Mrs. M. O. Nigh

WMU ladies met with a good number Monday, November 10 for Bible study with their Bible chairman, Mrs. Cone Merritt. They studied the Book of Philimon.

The Sunbeams and G. A.'s met afterward for their program, with their sponsors, Mrs. Bary Marrow and Mrs. Billie Downing.

Mr. and Mrs. Ronnie Dalby and son of Lubbock spent the weekend with her parents, Mr. and Mrs. J. R. Walker, Sr.

Mother Visiting
Mrs. Lon Parr of Sentinel, Okla. is here visiting a few weeks in the home of her daughter and family, Mr. and Mrs. Ross Goodwin.

Mr. and Mrs. Dewey Nash vis-

ited in Lubbock over the weekend with her parents, Mr. and Mrs. R. W. Allison.

Family Get-Together
Mr. and Mrs. W. E. Duncan had all three of their sons and their families home for the weekend. There were Mr. and Mrs. Hillis Duncan and daughter of Big Spring, Mr. and Mrs. Coley E. Duncan and two daughters of Grants, N. M., and Sgt. Carl Fred Duncan of Ft. Lewis, Wash.

Mr. and Mrs. Roy Sooter visited their parents, Mr. and Mrs. Troy Actkinson, and Mr. and Mrs. Joe Sooter.

Rev. and Mrs. C. C. Lamb were in Plainview last week attending a ministers meeting.

Progress WSCS met in the home of Mrs. Arthur Cooper Thursday, November 6 for the first lesson in "Isaiah Speaks". The program was brought by Mrs. Cooper.

Cake and punch was served to seven members and one visitor. The next meeting November 21 will be at the home of Mrs. Eva Murrah. Everyone is invited to attend.

Mr. and Mrs. R. M. Gibson vis-

ited in Pampa last weekend with their son and family, Mr. and Mrs. Dale Gibson. Also with a daughter and family, Mr. and Mrs. Houston Bell of Panhandle.

Mrs. C. C. Lamb visited in Levelland this past week with her daughter and family, Mr. and Mrs. Jack Lorau.

Mrs. C. A. Rhodes of Louisville, Ky., is here visiting her sister, Mrs. Westby Herrington.

Mrs. Mary Lee and children spent the weekend in the home of her parents, Mr. and Mrs. Mike Thurman of Clovis, N. M.

Mr. and Mrs. C. B. Kindred and Bud spent the weekend visiting in Odessa with their daughter and sister and family, Mr. and Mrs. Bill Leonard and girls, Mitzi and Cindy.

Tuesday visitors in the home of Mr. and Mrs. M. O. Nigh were his mother, Mrs. M. F. Nigh and Mr. and Mrs. Arthur Nigh, all of Lockney.

Visiting in the home of Mr. and Mrs. Willie James Saturday night and Sunday were Mr. and Mrs. H. B. Flanagan, and children, Mr. and Mrs. Joe Smith.

OLD FRIENDS MEET

at the dedication services of South Plains College in Levelland recently. From left to right are Rep. Jesse Osborn, Governor Price Daniel and General A. D. Bruce, Chancellor of the University of Houston.

COAST TO COAST ONLY 1 1/2 CENTS PER MILE FOR GAS!

Pontiac's new Tempest 420E V-8 sets the year's most important economy mark—Here's the story and what it means to you!

PONTIAC COAST-TO-COAST ECONOMY RUN
San Diego, California to Savannah, Georgia
COMPLETED OCTOBER 17, 1958

DISTANCE	2,442.7 MILES
DRIVING TIME	60.72 HOURS
FUEL CONSUMED	172.5 GALLONS
FUEL COST	\$35.79
MILES PER GALLON	21.7 Average for entire trip
AVERAGE SPEED	40.2 MILES PER HOUR
COST PER MILE	1.465 CENTS

We asked one of America's most respected car testers—"Uncle Tom" McCahill—to put a standard Pontiac Catalina Sedan with our new economy V-8 to the test.

And with only one specification—that the run would be exactly like you would drive coast to coast yourself—in mountains, in city traffic, across deserts, buying gas wherever the tank ran low.

And here's the phenomenal story in every complete detail—all officially certified by NASCAR, America's top automobile competition authority.

What does it mean to you?

Simply—and very importantly—this: For the first time, you can get deep-chested V-8 pep with better mileage than from many smaller so-called "economy cars" . . . and get it on regular fuel!

If you owned a Pontiac with this new Tempest 420E V-8 you'd be saving up to 5 cents a gallon on regular fuel. This new economy V-8 is optional at no extra cost on any Hydra-Matic Pontiac!

See your Pontiac dealer soon—and discover the newest in V-8 performance and economy!
