Gable Cattle Company Near M'shoe Grown Into Large Feeding Operation

The H. M. Gable Cattle Company didn't "just grow", but it did get started almost accidentally. About 2 1/2 years ago, Mr. Gable started feeding just enough cattle to use up the grain he grows on his 5,000 acres of farm land. But because he was stressing the feeding of grains, the quality of his fed-out stock soon came to the attention of commercial packing houses, and his present operation has developed.

To better understand the magnitude of the feeding operation on the Gable headquarters place about 14 miles northeast of Muleshoe, a few figures might be in order.

At the present time there are about 2200 head of cattle in the Gable pens. They are fed a constant stream of feed mixed right in the Gable's own mixing trucks, two of which run continuously throughout the day to supply

feed to the pens. The feed is put into the mixers from four giant glass-lined storage tanks, only recently installed at a cost of about \$200,000. The Gables bought nearly 7.5 million pounds of milo this fall, in addition to what they raised on their own lands. The storage tanks have a capacity of approximately 3 million pounds of grain or feed, and currently are filled with milo, hulls and hay. Each ingredient of the feed, plus ensilage from a giant pit silo, is controlled as to amount and weight into the mixing trucks, through a central control panel located in the main building shown above.

The Gable feed lots are feeding about 1.5 million pounds of grain per month, on the average into high quality meat animals. As evidence of the regard with which Gable fed steers are held in the trade, market price has been averaging two cents higher than the Chicago market for the past several months. This, the Gables believe is because they put more grain into their cattle, which makes a better quality meat when dressed.

All cattle are sold, "on the rail", that is, dressed and hanging, with the majority going to East Texas markets, although some is sold in other sections.

Most stock is bought in north and east Texas, with H. M. Gable taking care of the principal buying chores.

Personnel of H. M. Gable Cattle Company includes, in addition to Mr. Gable, his two sons, Bob and Bill, and one son-in-law, E. M. Humiston.

The central storage buildings and tanks have a capacity to store enough feed for up to 8000 head of cattle at present, with an

Sam Gorrell Died Nov. 13 In Sulphur, Okla.

Samuel R. Gorrell, 65, a former Muleshoe resident, died November 13 in State Veterans Administration Hospital, Sulphur, Okla.

Mr. Gorrell had been in ill health since suffering a stroke about four years ago and had been a resident of the hospital facility the last two years. He made his home in recent years at Hugo, Okla., after leaving Muleshoe about ten years ago.

He was a veteran of World War I. Mr. Gorrell was born November 26, 1892.

He is survived by his wife, Mrs. Lulu Gorrell; a son, Roger, both of Muleshoe; a step-daughter, Mrs. W. O. Mason, of Lawrence, Kans.; two brothers and a sister. The son, Roger, is a student in the law school at the University of Texas.

Funeral services were held in Campbell Funeral Home chapel Sunday, November 16. Interment was in Mount Olivet Cemetery, Hugo.

Cash Prizes To Be Given In Holiday Lighting Contest

Cash prizes totalling \$50 will be awarded in the annual home decoration contest sponsored by the Muleshoe Chamber of Commerce.

Entries must be made at the Chamber office by December 11 to be eligible, and decorations must be up and lighted by December 15. Judging will be on the evening of December 23.

First prize in the contest is \$25 in cash, with \$15 for second prize, and \$10 for third prize award.

All residents of the city and immediate environs are eligible to enter the contest.

CROP Program Is Commended For Progress Here

Rev. Roscoe Trostle, county chairman of the CROP program in Bailey County has recently received a letter of commendation from James Huston, Texas CROP director, on the fine work of the county committee.

Rev. Trostle said, "We have a good start, and realize that many folks are counting on us. We hope no one will let them down. We hope to get at least one bale of cotton from every gin."

"Bailey county has set a good record in the past and I am sure we can do so again."

Mail Early For Christmas Campaign In High Gear At Muleshoe Postoffice

Now that we're heading directly into the Christmas mail rush, Postmaster Arnold Alcorn put his "Mail Early For Christmas" campaign into high gear today.

The Postmaster said, "We're ready for an all time record Christmas mail this year. Every facility of the Post Office is being expanded to render maximum service. Extra trucks and personnel have been added, and special mailing schedules will be set up

to insure prompt handling of the tremendous flood of both incoming and outgoing mail.

"However," the Postmaster continued, "the vast volume of Christmas mail is only part of our problem. Names and addresses are often carelessly written, many packages are poorly wrapped or have insufficient postage on them. These oversights result in delays and disappointments, most of which can be avoided if everyone will follow these simple requirements:

Be sure your Christmas card and gift mailing lists are up-to-date.

Wrap your Christmas gifts securely.

Address your cards and gifts correctly.

Use complete addresses — including street number, rural route or post office box number. Be sure that the name of the street is complete with avenue, parkway, or drive. Avoid abbreviation of street and state names.

Use zone numbers wherever possible, and be sure to include your own zone number in your return address.

And most important of all — mail your cards and gifts within the next few days!

Delivery of your Christmas cards will be greatly expedited if you will bundle them with "LOCAL" or "OUT OF TOWN" bands which are available free at the Post Office.

The Postmaster reports that the

Rev. Frank Taylor New Minister For Christian Church

Rev. and Mrs. Frank E. Taylor

Rev. Frank E. Taylor, who retired in July from an active ministry in El Paso, Texas, is the new minister of First Christian Church of Muleshoe, arriving here this week.

Rev. Taylor is married and has one daughter. He is a member of a remarkable Kansas family in which 12 children were born and all are living today. The youngest is 33 and the oldest 76.

He is a former semi-professional baseball player, bowler and golfer. He has worked as a grocer, painter and in El Paso, left the cash register of his grocery store to preach to a struggling congregation of 25.

Seven years later his congregation of 262 had constructed the Byron St. Christian Church, and Rev. Taylor retired to his home in Ruidoso, N. M.

However, he was called here to aid the Muleshoe Church, and answered the call.

Chamber Sets Full Program Of Events For West Plains During Christmas Shopping Days

Thursday Night Snowfall Delays Cotton Harvest

Cotton harvesting was temporarily slowed in the Muleshoe area last weekend, when an estimated 1.5 inches of sleet and snow fell Thursday night and early Friday morning.

Although the precipitation quickly melted Friday and Saturday, gins were able to make some inroads in the trailer pile-ups on their yards before harvesting resumed Monday morning.

Clear skies and warming temperatures Saturday melted remaining patches of snow, and work resumed at full force Monday.

But it is estimated that more than 85 percent of the county's 85,000 bale crop has been harvested at this time. Delay in getting trailers back into the fields has lengthened the cotton harvest season considerably.

A well rounded Christmas program has been set by the Muleshoe Chamber of Commerce and the retail merchants committee, to heighten the Christmas spirit of West Plains residents.

Street decorations for the holiday season are being put up this week by city employees and are expected to be lighted by this weekend.

Santa Claus will make his first appearance of the season Saturday afternoon at 2:30, when Santa and his helpers will arrive on Main Street in Muleshoe aboard the city firetruck. Santa Claus will then step down to child level, and talk with his young friends, hearing their Christmas wishes and distributing bags of

Muleshoe Folks In Auto Accident Near Sterling City, Tex.

No one was seriously injured when two cars driven by Muleshoe folks collided Sunday afternoon 13 miles north of Sterling City, Texas.

Mr. and Mrs. Dave Aylesworth were returning to Muleshoe after visiting their son, John, at San Antonio when they were in head-on collision with a car driven by Roger Gorrell, son of Mrs. Lulu Gorrell of Muleshoe, who was enroute to Austin, returning to school after visiting his mother here.

Both cars were damaged heavily, and Roger went on to Austin by bus. The Aylesworths were brought home by Robert Martin of Needmore.

candy and fruit, furnished by the Chamber.

Santa will make two return appearances on each of the following Saturdays, visiting on the streets and in downtown stores.

Toys and Food Needed Now By Goodfellows

Good usable toys are desperately needed by the Muleshoe Goodfellows, for distribution at Christmas to needy children, it was announced this week.

Shortage of time and personnel makes it necessary to accept only toys in good condition this year, as broken toys cannot be repaired in time for Christmas distribution.

Toys may be brought to City Hall, where they will be stored until needed.

The Goodfellows are also in need of food, clothing and cash contributions to help their program of bringing joy at Christmas to needy deserving families. Goodfellows point out that names of deserving families will be accepted at City Hall, and will be investigated as to need before gifts are distributed.

Holiday Dates For Courthouse Are Set Monday

Holiday closing dates for Christmas and New Years observances were set Monday by the Commissioners Court for personnel of Bailey county courthouse.

All county offices will close on the evening of December 24 at 5 o'clock, and remain closed until 8 a.m. on December 29, for the Christmas holidays.

The courthouse will again close at 5 p.m. on December 31, and remain closed until 8 a.m. on January 2.

In other action at the Monday meeting, the Court paid routine bills, and approved the purchase of a camera and film for the sheriff's department.

Commissioner W. W. Couch was appointed to preside at the meeting due to the illness of County Judge Glen Williams.

Dunlap's Store Closing Here

Dunlap's Department Store in Muleshoe is closing.

Although no date for the actual closing of the store has been released to store personnel, a complete closeout sale starts today at the store, to dispose of all stock on hand.

Doyle Venable, manager of the store, said he had no information on final closing date, but expected it would be announced at an early date.

On Thursday evening, December 18, the Muleshoe choir, directed by Fayway Murphy, will present a program of carols on the courthouse lawn at 9 p.m., also sponsored by the Chamber. Murphy will present his elementary, junior high and senior choirs in a concert, followed by community singing. Every one is invited to participate.

On Friday evening, December 19, the male element of the West Plains will be given special attention when local merchants sponsor a "Dad's Night", staying open until 9 p.m., with special emphasis on helping the head of the household do his Christmas shopping.

Downtown stores will remain open until 9 p.m. each evening beginning December 18, and continuing until Christmas eve, when stores will close early to allow personnel to enjoy the evening at home.

The annual home decoration contest is again being sponsored by the Chamber with \$50 in cash prizes to be awarded the top three decorations. Details may be found elsewhere on this page.

J. D. Sullivan's Hurt In Accident Sunday Morning

Mr. and Mrs. J. D. Sullivan of Muleshoe were hospitalized in West Plains Hospital early Sunday morning after their car left the road 1.5 miles northwest of Progress, and sheared a SWPS Co. high voltage electric line, and wrecked the car.

Investigating highway patrolman James Freeman said the late model Chevrolet hit a high line pole, snapped it in two, and caught fire. A bursting battery is said to have caused the fire, although the electric line burned two holes in the metal body of the car before the automatic circuit breaker shut off the current in the line.

Electric service was out for a short time until SWPS workmen repaired the line.

Mr. and Mrs. Sullivan received a number of cuts and abrasions in the accident, but were reported recovering satisfactorily Monday.

Charges of unsafe speed were filed in the case.

About 15 minutes after the Sullivan accident, a car driven by Doyle Elliott rammed a parked car on the road at the scene of the accident. However, the driver of the parked car left the scene before giving his name and address, and no further details were available at press time.

MARY JEAN GROSS, MIKE POLLARD Gold Star Presentations Highlight County 4-H Awards Banquet Monday

Seventeen Bailey county 4-H clubbers received special merit awards at the annual 4-H banquet held Monday evening in Fellowship Hall at Muleshoe.

Highlight at the banquet was the presentation of the Gold Star award to Mike Pollard and Mary Jean Gross, outstanding 4-H boy and girl in the county, by county Judge Glen Williams.

Miss Gross has been in 4-H club work five years and held several offices. She has participated in a large number of ac-

tivities including leaders and result demonstration, district contests, received awards in dress, dairy foods demonstrations, safety and swine; served as vice-president of the FHA and is working on her state degree; and is active in extra curricular activity at Muleshoe high school.

Mike Pollard has consistently scored high in his six years of 4-H club work specializing in swine projects, and winning at area stock shows and the State Fair. He has won with his 4-H stock at Waco, Muleshoe and Morton, and has sold several hundred dollars worth of stock for the county breeding program.

Other awards were presented by Mrs. Albert Davis, THDA chairman, to Pat Thomson, safety award; Betty Hutton and Paula Kindie, dairy foods award; June Gray and Frances Cooper, team award vegetables; Wenhon Williams, home improvement award;

Nelson Shipman, Jim Mitchell, and Jack Carney, dairy judging team award; Travis Bessire, land judging team award; Kearney Scoggins, use of soil and water; Joe Adams, reserve grand champion barrow; Mike Murrah, top county 4-H calf winner; and Kay

Lemons, high award in barrow show.

The dinner was prepared and served by members of the county HD council, and Mrs. S. L. Robison, vice-chairman of the council was mistress of ceremonies.

Mrs. J. E. Silgar, president of the Blackwater Valley HD club gave the welcome address, and Nelson Shipman the response. Mary Ellen Wedel presented a musical program, and the benediction was by Mike Murrah.

The 50th anniversary of 4-H club work was the theme for the banquet, and the centerpiece was a huge birthday cake with 50 candles. Virginia Klutts read highlights of 4-H history, and Linda Klutts and Mike Murrah lighted the 50 candles.

About 65 persons attended the banquet.

Mrs. Lulu Gorrell's Mother Died In Clearfield, Pa.

Mrs. Minnie Rhone, 91, died Saturday afternoon at her home in Clearfield, Pa. Funeral services were held Tuesday afternoon at Clearfield.

Mrs. Rhone is survived by seven children, including Mrs. Lulu Gorrell of Muleshoe. The other children reside in Ohio and Pennsylvania.

ENMU President Is Speaker At Lions Wednesday Meet

The tragic loss to America from students dropping out of school, lowering school standards and crowded institutions of higher learning, were all brought out in a talk made Wednesday by Dr. Floyd Golden, president of Eastern New Mexico University at the Lions club luncheon meeting.

Dr. Golden spoke on the topic, "Conservation of Human Resources". He pointed out that such events as Pearl Harbor and the launching of Sputnik I, served to awaken the American public to tragic circumstances, and roused them to take measures necessary to preserve freedom and liberty.

Pat Bobo introduced Dr. Golden.

Johnson Infant Funeral Services Held December 1

Funeral services were held at 2 p.m. on December 1 for Vada Jean Johnson, infant daughter of Mr. and Mrs. J. W. Johnson, who died November 30 in Muleshoe Hospital.

Services were conducted from Trinity Baptist Church with Rev. L. W. Baker of Halfway, officiating, assisted by Rev. J. E. Moore of Muleshoe. Interment was in Sudan Cemetery under direction of Singleton Funeral Home.

Surviving besides the parents are the maternal grandfather, M. M. Scott of Muleshoe, and the paternal grandfather is J. H. Johnson of Slaton; three sisters, Mrs. Sue Freeman of Odessa, Mrs. Bob Hardaway of Muleshoe and Linda Beth Johnson of the home; three brothers, Billy Kenneth and Jimmy, all of Muleshoe.

LYNDAL BLACK

DERRELL OLIVER

Lyndal Black and Derrell Oliver were named to the first string all-district 2-AA team by coaches at a meeting held recently.

Black and Oliver were named to defensive end posts on the mythical all-district team.

Also named for honorable mention in all-district 2-AA were: Gerald Shanks, senior fullback; Lee Roy Corralez, senior half

back; Eugene "Peanut" Hawkins, sophomore guard; Ross Langham, senior end; Arthur Spawn, senior halfback; and Joe King, center, senior.

The Mules were co-champions of the district, being defeated by Abernathy in the final game of the season.

Coaches are Wayne Mantoof, Bill Taylor and George Washington.

Home Tour Of Christmas Decorations December 11 Sponsored By Study Club

Have you racked your brain for fresh ideas on decorating for Christmas and wished you could really have something clever and beautiful to honor the season? If so, your problems may be solved with the purchase of a ticket to the Home Tour of Christmas Decorations being sponsored from 7:00 to 9:00 p.m., December 11, by Muleshoe Study Club.

Nine hostesses, with their co-hostesses, are busy planning and working to create artistic effects to delight your eye and fill you with lingering reverent reflections of the beauty and magic of the Christmas season as observed in American homes.

The tour will start in the home of Mr. and Mrs. T. R. White 707 W. 2nd Street, where a master bedroom will be on display. Mrs. Lee Pool will serve as co-hostess with Mrs. White.

The next stop will be the two-story home of Mr. and Mrs. Ophel N. Jennings on the Plainview Highway, just across from the airport, where a graceful stairway and upstairs living room will reflect a festive air. Mrs. Jennings will be assisted by Mrs. Brick Whit.

The home of Mr. and Mrs. Raymond Green, Plainview Highway just outside the city, will feature a decorated entrance and hall. Co-hostess with Mrs. Green will be Mrs. Harriett Jackson.

A girl's bedroom in the home of Mr. and Mrs. J. V. Adcox will be the fourth stop of the tour. Mrs. Adcox will be assisted by Mrs. Vernie Towns.

The kitchen and dining area of the Bennie Chapman home, 615 West Sixth Street, will be gayly decorated in anticipation of the good things to come. Serving as co-hostess with Mrs. Chapman will be Mrs. Alex Williams.

The den of the D. B. Lancaster home, 1520 W. Avenue C, will be shown, with Mrs. Gilbert Lamb assisting Mrs. Lancaster.

Mrs. Herman White and Mrs. Bert Remund will display decorations in a boy's bedroom at the White home, 1502 W. Avenue C.

From there the tour will go to the home of Mr. and Mrs. Rod Gwaltney, 1214 W. Avenue C where Mrs. Gwaltney and Mrs. Senn Slemmons will show original decorations in a living room.

Mrs. ack Cox will show original dining room decorations at her home on West Avenue B. Co-hostesses will be Mrs. Sherman Sweatman.

Tickets for the tour may also be obtained at the White residence when the tour begins. The tour will end in the home of Mr. and Mrs. W. T. Andrews, 116 West 15th, where refreshments will be served. Mrs. Glenn Dunn will be assisting Mrs. Andrews.

Tickets may be secured from any of the hostesses or co-hostesses named or any other Club member. They are priced at \$1.00.

Three Way Church Supper Scene Last Tuesday Nite

Approximately 120 persons enjoyed a Thanksgiving supper Tuesday night of last week at the Three Way Methodist church fellowship hall, sponsored by the church.

The hall was decorated with farm products sprayed gold, with portraits of Puritans and Indians,

drawn by Gayle McCelvey. The WSCS of the church expressed their special appreciation for the help given by Mr. and Mrs. Archie Sims, Mr. and Mrs. Adams, and many others, including number of families from Muleshoe Friona and others.

Time To Bake Fruit Cakes
Fruit cakes need time to age, to develop mellow, spicy flavor and good texture. Four weeks or longer is suggested for the aging process. Start now to gather supplies and plan your baking.

Why not get together with a neighbor and make fruit cakes this year? One of you might bake the light kind, and the other the dark, spicy one. Then divide the cakes so each will have variety. Extra ones might make fine Christmas gifts.

Prepare all dried and candied fruits, dates, peels and nuts one day, and make the batter and cake the second day. It's less tedious that way. Long, slow baking is a must to make a fruit cake with a tender crust.

Recipes for light and dark fruit cake, and for uncoked fruit cake are given in the colorful extension bulletin, "Christmas Time at Home". Also, copies for decorating, glazing, canning and storing fruit cakes.

Get a copy from the county home demonstration agent's office, at the courthouse in Muleshoe.

Freezing Fruit Cakes

Fruit cakes should be allowed to ripen before they are frozen. Proper cooling and wrapping is important. Cool the fruit cakes thoroughly before wrapping for storage or ripening. Use aluminum foil, pillowcase, cellophane or waxed paper. Place cake in tightly covered container in a cool place for 3 to 4 weeks.

Ripened fruit cake can be frozen and preserved for one year. To use, simply defrost cake, unwrap and slice.

Confection Type Fruit Cake

The confection type of fruit cake does not need to ripen as long as the batter variety. An example of this type of fruit cake is given below:

Magic Fruit Cake (Confection Type)

1 pound candied cherries.
1 pound candied pineapple.
1 pound pitted dates.
4 cups pecans.
1 can sweetened condensed milk.

1 1/2-oz. package dry coconut.
Cut fruit, cherries, pineapple, and dates and chop pecans coarsely. Add milk and coconut. Mix thoroughly with hands. Pack down into loaf pans, stem cake pan or small molds, which have been greased and lined with greased foil or waxed paper.

Bake loaf-sized cake at 300 degrees F. for one hour.
Bake cake in stem cake pan 1 1/2 hours. Bake small molds 45 minutes. Remove paper when taken from oven.

Decorated Fruit Cakes Make Festive Gifts

Fruit cakes make acceptable and enjoyable gifts, either plain or decorated. For a more festive gift try your hand in decorating the fruit cakes. Do this just before serving or sending as gifts. Some suggestions for glazing and decorating are:

The Glaze, made by heating 1/3 cup corn syrup (for 2 loaves) to boiling, is brushed on the top of the cake. Whole almonds, pecans or walnuts, and candied fruit can then be arranged in geometric designs on top of the loaves.

Holly Wreath: Cut small holly leaves from thin slices of green citron. Arrange in a circle to form wreath. Use bits of candied cherry for holly berries. Make one large wreath or small overlapping wreaths on cake.

Daisy and Pineapple Flowers: Arrange whole blanched almonds to form daisies on top of cake. Make center with a bit of candied cherry. Arrange cubed of crushed pineapple in circle and place halves between each cube and place one-half cherry in center.

Nut Tree: Arrange halves of nuts in cone-shape on top of rectangular shaped cake. Place a bit of candied cherries at top of outside nuts to resemble candied on the nut tree.

Make The Most of Pecans
Pecans are plentiful now. Use them to add distinctive flavor and extra food value to main dishes, bread, cakes, pies, cookies, desserts, salads and candies.

Salted, sugared or minted pecans are quick and easy to do. Keep a supply on hand for snacks, holiday refreshment trays or package them for special Christmas gifts.

Recipes using pecans are given in the extension bulletin, "Eat More Pecans". Included also are directions for storing, canning

TEL Sunday School Class Christmas Party Is Tuesday

Eighteen members of the TEL Sunday School class of First Baptist Church met Tuesday afternoon in the home of Mrs. Effie Bray for a Christmas party.

Mrs. Maude Harvey read the devotional from Luke 2:7-17, telling of the birth of Jesus.

During the social hour, members enjoyed opening gifts and viewing a film of a party held last summer, shown by Mrs. Tom Berry.

Two visitors were also present, Mrs. Berry and Miss Erna Alsop. Refreshments of snowballs, fruit cake and coffee were served by the hostess.

Rebekahs Elect Doris English As Noble Grand

Muleshoe Rebekah Lodge members elected Doris English Noble Grand at a meeting held Tuesday evening.

Other officers are: Mary Murrell, vice-grand; Evelyn Calder, secretary; Lucille Gross, representative; Barbara Burton, lodge deputy; and Ona Berry, district deputy.

Fourteen members and Noble Grand were present.

Christmas Customs Program Theme For WSCS Meeting

"Everywhere, everywhere Christmas" was the theme of a program presenting Christmas customs of our own and other lands at the Tuesday meeting of First Methodist Woman's Society of Christian Service, with Mrs. Dean Bishop, vice-president and program chairman, in charge.

Mrs. H. Jay Weyer, general president, presided over the business session during which announcement was made of the Christmas party to be held in the church parsonage December 16 at 2:30 p.m. Gifts will be exchanged by members, with a limit set of not more than \$1.00.

Twenty Methodist college students and four service men are in the group served by Mrs. Oscar Allison, Secretary of Student Work. Mrs. Allison reported she will be hostess to a Christmas party for the group in her home December 28. She will be assisted by a representative from each of the three circles.

It was announced there will be Sunday School for this same group the three Sundays during the holidays in the home of Mrs. Dean Bishop, directly across the street west from the church.

or freezing pecans. You may have a copy of this bulletin also, call or write the home demonstration agent's office for your free copy.

A report on Christian Social Relations was given by Mrs. Finley Pierson who stated she and her husband had visited the local colored Methodist Church and observed conditions. She stated a pulpit is being constructed for their use. Gilbert Lamb has been appointed to represent the Muleshoe Church in Christian Social Relations. He is at this time sponsoring a program to collect used clothing to be sent overseas. Mrs. Pierson urged members to find an alcoholic family and try to be of help to them.

Mrs. Paul Summersgill opened the program with piano selections and assisted Mrs. Bishop in the presentation of Christmas hymns.

Mrs. Oscar Allison told of customs at Christmastime in England, Holland, Belgium, Austria, and Ireland.

Mrs. Ralph Douglas discussed Christmas customs in Germany, Norway, Sweden, Denmark, and France.

Customs belonging to Spain, Russia, Poland, Czechoslovakia, Mexico and the Philippine Islands, after which members told of customs in their own homes.

Mrs. Bishop read as a devotional a poem by Wilford Peterson entitled "Inside Christmas", and closed the meeting with prayer.

Rhonda Wagnon President of Troop 49, Girl Scouts

Rhonda Wagnon was elected president of the Girl Scout Troop 49 in a meeting held last Tuesday at the Scout Hut, with leaders Mrs. Clayton Wells and Mrs. C. E. Moore in charge.

Other officers elected include: Mona Rucktashel, vice-president; Jan McVicker, secretary; Linda Wells, treasurer; Sandra Scott, reporter; Kathy Moore song leader; and Sharon Millen, clean up monitor.

The girls are continuing to work on their badges for first class rank. They also discussed plans for a Christmas party.

Refreshments were served by Rhonda Wagnon.

CARD OF THANKS

We wish to thank all our friends for the kind deeds shown us at the recent loss of our baby.

For the food and all the lovely flowers. God bless you all.

Mr. and Mrs. J. W. Johnson and family.

The group, directed by Dr. Houston Bright, tours the Tri-State area annually just before the Christmas holidays, appearing in from 10 to 12 schools. The choir also appears in a number of churches and over area television stations.

The Muleshoe concert is the tenth of the 1958 tour, which also includes two Lubbock high schools, and schools in Snyder, Big Spring, Odessa, Midland, Kermit, Brownfield, Tahoka, Dimmitt and Hereford.

Organized in 1941 by its present director, the WT Choir now enjoys a reputation of being one of the finest concert organizations of the Southwest. In addition to tours and television performances, the group appears with the Amarillo Symphony, and assists with productions by the WT Opera Workshop.

Dr. Bright, professor of music at WT, holds the degree of Ph. D. in music from the University of Southern California. A large number of Dr. Bright's compositions and arrangements have been published, and many have been performed in the nation's musical centers, including New York, Chicago, and Los Angeles.

In the choir's repertoire are a number of hymns and choruses by Bach, Mendelssohn, and Rossini, and double choruses spirituals, and part songs by Dr. Bright, Willan, and H. L. Wilson.

Among Dr. Bright's compositions and arrangements are his "I Hear a Voice a-Praying", "Come to Me, Gentle Sleep", and "Rainsong".

The choir will end its pre-Christmas concerts with a program in the West Texas State auditorium December 18 for the WT student body.

Muleshoe High Elected President Of S. P. A. S. C.

Muleshoe high school Student Council was elected president of the South Plains Association of Student Councils at a meeting held recently in Tulsa.

The Muleshoe delegation included Carolyn Burge, Sue Logan, Kylene Hodges, Pat Barrett, Melba Johnson, Sanjue Weeks, Bobby Johnson, Charles Merritt and Bob Stack.

SC sponsor Bill Parker also accompanied the group.

Bobby Robinson led one of the discussion groups on the topic of "The Aims and Objectives of the Student Council".

In previous years Muleshoe has held office of parliamentarian and secretary at the convention and was honored this year by being elected president.

Pro-Am Tourney Here Thursday

The West Texas Pro-Am golf tournament will be held Thursday, December 4, in Muleshoe with the Muleshoe Golf Club as host group.

Following the tournament, officers of the West Texas Pro-Am Association will hold a business meeting in the clubhouse.

Officers are: Horace Moore of Plainview, president; Jimmy Adams of Lamesa; Jimmie Adams, vice president; Vern Farquhar of Amarillo, honorary president; Hardy Loudremilk of Jal, secretary and treasurer; Bud Posey of Hereford, publicity chairman. Directors are: Dick Turner of San Angelo, Joe Alsop of Lovington; Ray Hardy of Muleshoe, and Joe Smith of Sweetwater.

Eddie Wilt Makes Tarleton College Basketball Team

Eddie Wilt, sophomore pre-law student from Muleshoe, has been named to the 1958-59 Ploowby basketball team at Tarleton State College. It was announced today by Coach Don R. Campbell.

Wilt, a graduate of Muleshoe high school, is the son of Mrs. Edith Wilt of Muleshoe.

The Ploowby squad will play a 22 game schedule this season. It will be the first team to play under Coach Campbell who joined the Tarleton staff in September.

Vegetable Men In Meeting Here On Wednesday

Vegetable farmers, processors and shippers in the West Plains area were told Wednesday that group action and production on large scale is the answer to successful vegetable production.

Dr. Martin Blum, representing the USDA told the group at a meeting held in the courthouse, that the big chain groceries are presently buying more than 70 percent of all produce sold, and this figure is expected to increase. He pointed out that the small farmer or shipper has little chance of selling in the open market as an individual, but should be a part of a large concerted organization.

Dr. Blum also talked about the various successful sales methods being used, based on surveys he has conducted on a national scale.

Also appearing on the program were Jimmy Roseborough, Bob Cooper, Durwood Speights and Joe Cole, of Texas Extension Service.

John F. Yates Funeral Services In Gould, Okla.

John F. Yates, 90, retired farmer of Hollis, Okla., passed away at the Hollis nursing home November 21 at 6:25 a.m. after several weeks of illness.

Mr. Yates was born in Tennessee and was married to Sarah Emma Taylor in 1894. Mrs. Yates passed away in 1922.

He homesteaded land in Green county and served as peace officer at Hollis, Gould and Cordell, Okla., and operated a store at Cordell.

He is survived by one daughter, Mrs. M. C. Mason of Muleshoe; three sons, Otto and Frank of Duke, Okla., and Lloyd of Ft. Worth; nine grandchildren and four great grandchildren.

Services were held November 23 at Gould Church of Christ where he was a member, with Minister John Cannon of Altus, officiating, assisted by Minister Clarence Overstreet of Hollis Boys Home. Interment was in Russell Cemetery beside his wife in the family plot.

Mrs. Pollard Rites November 27 From Morton Church

Funeral services were held November 27 at 3 p.m. from Morton First Baptist Church for Mrs. Ella Jane Pollard, 86, who died November 25 in a Clowis hospital after learning of the death of her husband in the same hospital. Mrs. Pollard had been in ill health several months before her death.

Officiating at the services were Rev. Houston Walker, pastor of Morton church; Rev. J. E. Moore of Muleshoe, and Rev. Alvie Moore of Hicks Chapel. Interment was in Morton Memorial Cemetery under direction of Singleton Funeral Home.

Mrs. Pollard was born in Haralson County, Ga., and was married in 1892. The Pollards lived in the Stegall community from 1925 to 1946, when they moved to a home near Melrose, N. M.

She was a member of the Baptist Church for many years.

Survivors are four sons, H. G. of Morton; L. E. of Enochs; Charles of McAllister, Okla., and Carl of Stegall; three daughters, Mrs. Gollie Sullivan of Lovington, N. M.; Mrs. Marvin Holt of Stegall, N. M.; and Mrs. Ruth McDaniel of Farmington, N. M.; 11 grandchildren and ten great grandchildren.

Class Favorites Chosen By Junior High Students

Class favorite of Muleshoe junior high school were elected by the student body Monday afternoon.

Roxana Hart was elected favorite girl and Roger Sowder favorite boy.

The eighth grade nominated Donnie King as nominee for Miss MJH and Dick Allison was nominee for Mr. MJH from the eighth grade student-body.

The seventh grade nominated Diane Chappel as Miss MJH and Ronnie Johnson for Mr. MJH, seventh grade.

HUSBAND SENT OVERSEAS

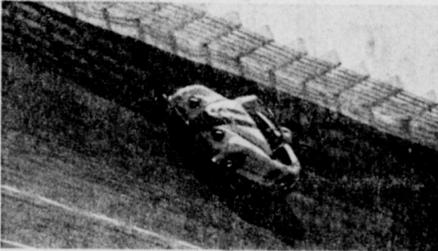

Mr. and Mrs. Gene Vandergriff have been visiting in Colorado for the past two weeks, prior to his being sent to Okinawa for 18 months. Mrs. Vandergriff will stay with her parents, Mr. and Mrs. Bill Lambert while he is overseas. She is employed in Clowis.

Mrs. Jim Reese and children of Odessa, are visiting her mother, Mrs. Joe Damron, who is a patient in Muleshoe Hospital with sciatic rheumatism.

Mrs. Irving Hawkins of Amarillo also visited Mrs. Damron Tuesday.

A Run On The Bank

WORLD'S STEEPEST RACING CURVE, the "Monza Wall" is a feature of new Meadowdale Raceways at Carpentersville, Ill. Banked at a 45-degree angle, curve can be negotiated without steering at 130 to 140 mph., say track engineers. Pulls of gravity and centrifugal force equalize each other at such speeds. A 3.7-mile stretch of sharply twisting and dipping asphalt, Meadowdale has features taken from the best tracks around the world.

SPORTS CAR RACING officially opened the speedway. One-two finishers in feature event of the day were Chuck Daigh (left) and Lance Reventlow, heir to dime-store millions. Both drove "Scarabs," an American sports car made by a company that Reventlow owns.

CARS LINE UP on "grid" in front of the track "pagoda" or tower for a standing start. A crowd estimated at 150,000 was on hand for the opening day.

DONATE FEED TO FESTIVAL. Charles and Leland Gustin with part of the grain donated during the Lazbuddie Methodist Church Harvest Festival at Thanksgiving. More than \$4,000 was given.

County Cotton Allotment Figure For 1959 Remains Almost Same

Bailey county cotton farmers will receive notices of their 1959 cotton allotments by mail this weekend, Charles Daniel, office manager of the Bailey county ASC announced today. Notices being sent out advising farmers of their 1959 allotments, and also explaining the two choices farmers may make in the annual cotton referendum.

Daniel said Bailey county allotment was cut only .0375 percent below the 1958 allotment figure, while many counties in this area received as high as ten percent cuts in cotton acreage.

Bailey county cotton allotment totals 97,459.8 acres for 1959, as compared to 100,284 acres in 1958. The 1959 figure is based on the 1958 allotment, with the county factor of 96.27 percent multiplied by the 1958 allotment figure to give the 1959 acreage.

The county ASC committee has set up 54.5 acres for new grower allotments in reserve, as well as 50 acres for correction of any possible mathematical errors.

In the December 15 cotton referendum, farmers will have two choices to make, both of which will affect price supports, but will not change allotments which are already set. Full details of the referendum choices are printed on the farm page of this issue of The Journal.

Corner on Cotton BY BOB COLLINS

Groups across the cotton belt are holding meetings to explain the new farm legislation as it affects cotton . . . if there is a meeting in your neighborhood (and there probably will be) by all means attend, even if you think you fully understand the bill . . . chances are you'll be the only fellow there who does! . . . here are answers to some questions that keep popping up:

1. Your acreage change will be based on your 1959 allotment . . . NOT this year's allotment . . . this means that choosers of Option "A" will have to reduce their '58 acreage about eight percent, and "B" choosers will get about 28% more cotton land than they had allotted this year . . . (all this doesn't apply to farmers with 10 acres or less . . . in this group "A" will keep what he's got now and "B" will get a full 40% increase over the '58 acreage) . . . see how confusing it gets?

2. Your choice of Option "A" or "B" is for one year only . . . 1959 . . . the following year you can change your mind if you wish.

3. Nobody can say what the "B" acreage will be in 1960 . . . that's up to the Secretary of Agriculture and it depends upon too many things to even hazard a guess.

Still want to know what you should do? . . . here is the best advice available: Believe nothing you read about what choice you should make . . . it's an individual problem and no writer can give a solution that is best for all . . . talk to county agents, ginners, farm leaders, cotton buyers, neighbors . . . then when you have facts and opinions from all sources, make up your own mind.

Trash Really Waste?
What's happening to your cotton burs? . . . it could be you are losing all kinds of money by not making use of them, especially if you irrigate . . . recent experiments show that use of burs as fertilizer can increase lint production over 200 pounds per acre . . . they also have other value such as improving water penetration and soil texture.

Cotton Lazy?
Why does the cotton plant ignore about half its squares and blooms? . . . this is coming under investigation . . . if it can be corrected, your crop could be doubled with no extra land needed! Gives you an idea of what COULD happen with enough research.

More Cotton Acreage?
There's a chance that some of you can get additional cotton acreage by being alert to certain county conditions . . . we'll talk about it next week.

Farmers Union Report

by Bill Woolley

Farmers Union convention time is here again. This is a time to which a majority of the Farmers Union members look forward with great anticipation. It is a time when old friends come together and new friends are made. It is a time of cooperation, for it is here that state policy is formed, where state resolutions are passed and where Farmers Union gets an overall picture of the agricultural situation throughout the state. This is where Farmers Union lays its campaign plans in their fight for parity of income for the family farmer in this great state of Texas.

Now is the time if never before when farm people need Farmers Union and vice-versa. Our economic security is being threatened on every hand by various bureaus, governmental and otherwise. Farmers Union contends that under the present circumstances, price supports are an absolute necessity and must be maintained at a level affording parity of income with other businesses.

Take a look at the corn situation, all controls were voted down which was exactly what Benson and the Agriculture Department knew and wanted to happen. Their plans for this were laid way last year when they

ATTEND CHRISTMAS FANTASY

Sandra Cooper Has Essay Published In National Anthology

SANDRA COOPER

Sandra Cooper, a student at Muleshoe high school recently wrote an essay, "The Passing of the Seasons", which has been accepted for publication in the Anthology, Young America Speaks, published by the National Essay Association, of Los Angeles.

Sandra's essay follows: "The Passing of the Seasons" Autumn in its dull splendor has arrived announced by the trumpeting of southward bound geese. Nature has once again draped herself in her cloak of golden bronze, crisp browns, and blushing reds. Faded leaves flutter to the ground to be swirled high by gusty, playful winds or crunched beneath the hurrying feet of passers-by.

Indian summer, that wistful, brief daydream of nature, has come and gone. The warm brightness of the sun has faded to a cool and unfriendly glare. Plant life's last grasping effort at new life have been battered by the tattooing of drizzling rain. Nature shivers beneath her blankets of gray, and with a weary sigh settles down to her winter bed.

Hardin Elected Head of P. V. Farm Bureau

Enjoying Thanksgiving day in the E. K. Angeley home were Mr. and Mrs. Jarvis Angeley of Earth.

Guests Thursday in the home of the Edgar Broyles were Mr. and Mrs. Ralph Broyles and family, Mr. and Mrs. J. C. Broyles and family, Ann Broyles, and Clyde Woodard.

Helen Henry of Littlefield was a weekend guest of Ann Broyles.

Jan McVicker of Muleshoe spent Sunday night with Veta Allison.

Mrs. B. J. West of Hagerman, N. M., is here spending a few days with the Harold and Oscar Allison and with Mrs. Sam McKinstry of Muleshoe.

Those spending Thanksgiving days in Ft. Sumner, N. M., in the home of Mr. and Mrs. Wiley Grizzle were: Mr. and Mrs. Gerald Allison, Winston, Sherry, Larry and Bobby, Mr. and Mrs. Jimmy Allison of Lubbock, Mr. and Mrs. Harold Allison, Veta, Caroline, Freddie, Jack and Jamie, Mr. and Mrs. Oscar Allison, Nan, Susan, Mack and Sammo, Gene Tunnell, Allison Dingler of Fort Worth, the Jim Grizzles, and the Floyd Andreae of Ft. Sumner.

Mr. and Mrs. Dub Hardin, Sandra and Donna spent the Thanksgiving holidays vacationing in Ruidoso, N. M.

Mr. and Mrs. Dub Hardin and girls and Mr. and Mrs. Norman Hodges and Sandra visited Sunday afternoon with Mr. and Mrs. Weldon Lee of Cotton Center, and Mr. and Mrs. L. M. Alexander and son of Olton.

Sandra Broyles accompanied Shirley Burelsmith and her parents to Vernon to spend Thanksgiving day.

Birth Party
Patsy Angeley was honored with a birthday party Friday afternoon in the home of her parents, Mr. and Mrs. E. K. Angeley. The group enjoyed games and horseback riding. Refreshments of birthday cake, Cokes, candy and bubble gum were served to the following guests: Terri Lee and Trina Bryant, Lois Morton, Barbara Van Dyke, Jody Angeley, Diane Wilson, Katherine West, Caroline, Veta, and Jack Allison.

additional 2,000 bag capacity available when all are completed.

Cattle are kept in steel pens north of the storage buildings, and are fed for 120 days before being marketed. Most Gable fed cattle will dress out at from 350 to 500 pounds, this being the size beef most in demand by marketers buying from Gable.

Ensilage is kept in a pit silo near the grain storage buildings. The pit silo has a capacity of 1,000 acres of silage.

Although there are a number of employees now, the Gable enterprise once comprised only Mr. and Mrs. Gable and Bill and Bob, all of whom worked at whatever task needed doing.

H. M. Gable is now able to spend less time in actual manual labor, although he does that at times too. Mr. Gable devotes his time to buying cattle, seeing after the affairs of the company, and his insurance business.

Future plans are designed to accommodate the needs of the business. They may encompass a "hog parlor", swine feeding program, and other projects are in the discussion stage, all depending on what the future holds.

Muleshoe folks may not be aware of the magnitude of the Gable feed lot operation, but a visit soon convinces one that this is a big business. And it is one of which folks in this area may be rightly proud.

It is a model operation, and has been the subject of at least one feature length TV film, recently shown over a Panhandle station.

But Mr. Gable is unassuming and modest about his success, so many writers have failed to gain a feature story about the feeding business. The Journal is grateful for this opportunity to present the Gable story to its readers.

Fourth Report Show High Rate Of White Cotton

The fourth Texas High Plains Cotton Quality Report for the 1958 cotton crop continues to show this year's crop is one of the best quality cotton crops as well as one of the best yielding crops in history. George Pfeiffenberger Executive Vice-President of the Plains Cotton Growers, said on release of these latest statistics.

Ginnings on the High Plains passed the 1½ million bale mark prior to Thanksgiving day. The cooperative Quality Report of the PCG, Texas Tech College, and the USDA Classing Office shows that white cotton still accounts for more than 84% of the crop.

This fourth report covers ginnings of 900,000 bales through November 14 as the statistics run about 10 days behind actual ginnings, Pfeiffenberger said.

White cotton accounted for 84.3% of the crop with 33.4% being Middling White and above. Light spotted cotton totaled only 15.4% with 12.4% being Middling light spot and above. Full spotted cotton was only 0.2%.

The average staple length was 31.4 thirty-seconds inch, with 43.1% being one inch longer. Only 3.5% fell below 15/16 inch.

The micronaire average was still 4.3 with 94.8% above the tenderable micronaire limit of 3.5. The majority of the crop, or 68% fell between 4.0 and 5.0.

Pressley fiber strength averaged 75,500 pounds per square inch, with 48.1% between 75,000 and 90,000 pounds.

Pfeiffenberger said there is little correlation at this stage between grade and staple but there is a slight drop in micronaire as the grade becomes lower.

Wayland College of Plainview was home for the weekend holiday.

Mrs. Thurl Lemons and children spent the holiday weekend with relatives at Fort Worth.

On the sick list last week were Mrs. Florence Bailey and Cindy Batteas and Gayle McCelvey.

Mr. and Mrs. Lewis Jordan and Linda attended the wedding of a niece, Miss Iris Grace Dial, at Lubbock last week.

Rev. and Mrs. Hardgrove and son visited with her parents at Paducah, Texas Thanksgiving day.

Guests in the D. P. Brinker home for the holiday were their three children and their families, Mr. and Mrs. Lindal Cagle and children, Mr. and Mrs. Glenn Brinker and children, all of Tatum, N. M., and Mr. and Mrs. R. B. Wittner and son of Lubbock.

Mr. and Mrs. Bonnie Emmerson visited their daughter and family, the Roland Nitchners of Tahoka.

Mr. and Mrs. Randal Cook and Gene of Levelland and Mr. and Mrs. Jessie Ward of Post, visited in the Lewie Jordan home Sunday. Mrs. Ward is a sister to Mrs. Jordan.

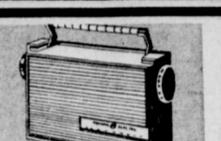

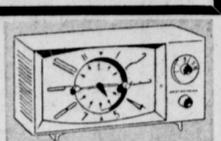

Mr. and Mrs. Tommy Galt and children spent the weekend with relatives at Hale Center.

ABILENE—Pictured is the McMurry College Chanters, mixed choral group of McMurry College, Abilene, Texas. They will be heard in concert December 9 at the First Methodist Church in Muleshoe and December 10 at Muleshoe high school.

McMurry Chanters to Make Appearances In Muleshoe Church, School Next Week

ABILENE—The Chanters, mixed chorus of McMurry College, will make two appearances in Muleshoe Tuesday night, December 9 and 10 and Wednesday morning, on their four-day tour of seven Northwest Texas and New Mexico cities.

Directed by Dr. Richard C. von Ende, the chorus will be presented in a "worship through music" service at First Methodist church in the evening of December 9. On Wednesday morning at 10:00 they will sing again at Muleshoe high school.

After the performance at Muleshoe high school, the Chanters will sing in the afternoon at Plainview high school and at the Asbury Methodist Church in Lubbock that evening.

Some of the numbers to be sung by the Chanters in their performances will include "Glory to God in Heaven", "The Nicene Creed", "How Excellent Thy Name", "Our Father", "Song of an Indian Child", "Surrexit Pastor Bonus" and "The Paper Reeds by the Brooks".

A special feature of the choir's

program for the school assembly will be "Sourwood Mountain".

Also to be heard on the programs will be solos, the McMurry Girls' Trio, and the Indianaires quartet. Soloists are Mary Lou Avile of San Antonio, David Benningfield of Levelland, Paul Sackett of Pampa, Basil Foy of Sweetwater and Norma Schaefer of Cisco.

Officers for the choral group this year are Paul Sackett of Pampa, president; Bryan Tatum of Abilene, vice-president; Betty Byars of Spade, secretary; and David Benningfield of Levelland, chaplain. The accompanist for the Chanters this year is Mary Ellen Deffebach of Ranger.

The Chanters were organized in 1923, the year in which McMurry College was established in Abilene. Each year they make two concert tours in Texas and New Mexico, in addition to many appearances in Abilene and surrounding areas.

Bonnie Batteas Is Named Delegate To Wayland S. C.

Bonnie Batteas, daughter of Mr. and Mrs. E. T. Batteas, Goodland, was recently elected Young Women's Auxiliary representative to the freshman council of Baptist Student Union at Wayland Baptist College. As YWA representative she will help to direct the BSU organization at different times during the school year.

The executive council is composed of president, vice-president, secretary, representatives of auxiliary religious organizations to BSU and chairman of an BSU committee. The idea for the freshman council came from the Student Department of the Baptist Sunday School Board. The Board states that the program will better reach and train freshmen and develop leadership among them.

YWA representative of BSU is charged with enlistment of girls, conducting Missions Emphasis Week and missionary education, projects, offerings and study courses.

Nine Point Improvement Plan Adopted At Texas Highway Safety Group Meeting

More than 160 traffic safety leaders from all parts of Texas approved a 9-point resolution calling for increased and improved traffic regulations at the close of the first annual conference of Governor Price Daniel's Highway Safety Commission. The meeting was held November 24 in the Chamber of the House of Representatives in the State Capitol at Austin.

Governor Daniel presided at both morning and afternoon sessions, and Governor and Mrs. Daniel were hosts at a noon luncheon at the Commodore Perry Hotel.

Delegates to the conference represented every section of the State, and during a question-and-answer session which closed the meeting, brought up numerous questions concerning traffic laws, regulations and proposed legislation.

The Conference Resolutions Committee was headed by John H. Winters of Austin, Commissioner of the Texas Department of Public Welfare and member of the Texas Traffic Safety Council. Other members included Mrs. J. Howard Hodge of Midland, R. V. Converse of Spearman, Gordon H. Fisher of Sinton, Arlie P. Stephens of Sulphur Springs, Bill

That the Legislature be urged to enact a law allowing police officers to use medically-accepted chemical tests in traffic cases involving driving while drinking.

That the Legislature be urged to strengthen the Texas drivers' license law to bring it into conformity with the national Uniform Vehicle Code.

That the Legislature be urged to adopt the Uniform Vehicle in order to remove any possible doubt about constitutionality of the present traffic law.

That the Legislature be urged to increase salaries for the Texas Highway Patrol, that its strength be increased by 100 men per year until it has 1,600 officers, and that other personnel be increased to minimum standards.

That the Texas Highway Department be urged to increase the number of warning signs at no-passing zones and other danger spots.

The resolution commended the Governor and his staff in the improved traffic safety program for the State and pledged members of the Commission to support the program and to use their influence in behalf of that program.

BABSON DISCUSSES

INFLATION AND YOU

Babson Park, Mass., Dec. 4 — Are you one who finds yourself constantly worrying about your financial future? Do you never seem to have quite enough money to make both ends meet? Perhaps, while successful in many ways, you are a very poor manager of your own finances? You are, if you are a young married couple with children and if you have no cash reserves, available for emergencies, equal to your annual earnings, or if you are not building solidly in that direction!

"easy buck" attitude of both labor and management toward government work. We all know that if productivity increases faster than wages, prices decline. On the other hand, if wages go up faster than productivity, prices rise. In the interest of national well-being we must fight a vigorous cold war. In so doing, however, it is obvious that unless we give our government a full measure of productivity, we only cheapen our own dollars in the long run.

Plan Now Your Own Hedges

Against Inflation

I ended last week's column by forecasting that we will find the Democratic cure for inflation worse than the Republican disease of taxation. This week let me expand this thought. Both war and peacetime demands of our economy have increased the federal debt nearly \$260 billion since 1932 to a figure now pegged by law at \$288 billions. This is an average debt of some \$6,000 per family. I suspect that by the early 1960's our federal debt limit may well be lifted to \$300 billions.

A first important reason for the climbing federal debt is that our government is fighting an extremely active cold war. America's concern over what goes on in the rest of the world increases the national debt. Stepped-up nuclear weapons research and production, and the very expensive probing of outer space, also add to the national debt. And if Russia dumps onto world markets still more raw materials produced by slave labor, the U. S. Government will undoubtedly have to undertake financial operations to help protect American agriculture and industry. As the debt limit goes up and government activity expands, you can be sure costs will go up and nobody's dollars will go even as far as they go today. A second important reason for inflation is the

To be prosperous, a nation must be productive. Productivity comes from two sources: government spending and consumer spending. It is both government spending and the tremendous rise in consumer spending that have increased our standard of living so markedly. The American spirit of "the opportunity is there if you want to make something of it" has driven our standard of living to startlingly high levels in recent years.

This example of Americans consuming their way to prosperity has perhaps done as much as anything to combat Soviet ideology. But there has been serious danger inherent in consumer spending. Adequate personal, as well as corporate, standards of financial conduct have been lacking. Like the prodigal son, many have awakened during this past year to find they have spent all their resources and are right back where they started a dozen or fifteen years ago.

I, therefore, urge a carefully considered program of finances for all. I conclude that oldsters will have profited from experience. Here, then, is a program for young people. First, build up your cash reserves to a point where they equal a year's earnings (Savings Banks, Federal Savings Association, Postal Savings, Government Bonds); second, start an inexpensive straight life insurance program; third, purchase a good non-cancellable health insurance policy as a protection while you are getting established in the early years of your work and while your earnings are but modest; fourth, buy a home of the type and in an area that will appreciate in value; fifth, with the help of a good financial counselor commence an investment program, preferably of good common stocks, to help offset the inflationary spiral. Keep your holdings well diversified. Remember the clue to financial well-being is saving and investing part of every pay check before spending any of it for the necessities of living.

Today's Meditation

Read Romans 6:13-18.
 Thou art made whole: sin no more, lest a worse thing come unto thee. (John 5:14)

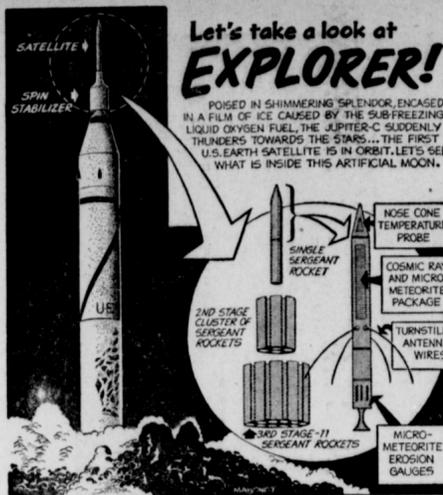

After the petals had dropped from the blossoms of the young cherry tree in my garden, I watched the tender leaves unfold their shiny newness. A weblike substance covered the end of one branch. Hastily, I pulled the web away and destroyed the tent caterpillars inside before they devoured the leaves. The crumpled leaves soon opened and grew healthy in the fresh air and sunlight.

My less fortunate neighbors had been beseeched by the pests. The leaves on their young trees were destroyed by the caterpillars. The year's harvest was lost, and many of the trees were seriously damaged.

As tent caterpillars eat the life and beauty out of a tree, undetected sin damages the personality and character of a man. When we live close to Christ, we detect each unworthiness as it arises, and the ugliness can be plucked away before much damage is done.

SANDHILLS PHILOSOPHER

Comes Out For New Taxing Theory, If He Can Have Strong Voice In It

Editor's note: The Sand Hills Philosopher on his Johnson grass farm endorses a new taxing theory, with considerable reservations, his letter this week reveals.

The trouble with a good idea out of Washington is that it never does get enough attention to detail to make it fit into my farm out here. For example, the other day an economic expert in Washington said what this country needs is a sliding tax rate to vary automatically with the ups and downs of the economy. When times are good, raise the tax rate a little, when they get bad, lower it, automatically, without waiting for Congress to argue over it a year or two. By the time Congress got through debating, we could be out of one recession and into another one. Now this is a fine idea, it suits me exactly, but here's the

trouble, who's going to decide when times are good and bad? The way it'd work is, a bunch of experts would figure out what the economic index is and set the tax rate from that, but the economic index is sort of like a public opinion poll—nobody has ever consulted me on one of those things. The way I see it, it's impossible to fix one economic index for everybody and say, well, the country is 3 per cent better off this year than last, or is 4 per cent worse off. Lots of times there is absolutely no connection between my financial situation and the national economic index. That is, when the index goes down, you can pretty well figure my situation has gone in that direction too, but there's something wrong with the other end of my index and when the national trend goes up,

ing things, help me to guide body so that it will be a living temple. Guide my growth in Christian love. Whatever talents Thou hast given me, help me to preserve them against the destructive power of evil and develop them for Thy honor and glory. For the Master's sake. Amen.

THOUGHT FOR THE DAY
 Sin is anything which alienates me from God.
 —Winifred Graber (Calif.)

mine frequently stays where it was, or drops. Consequently, what the country needs is a personalized economic index, with the tax rate tied on to that. If the tax rate is going to be based on your financial shape, I don't want any bunch of bureaucrats in Washington sitting down to figure up what shape I'm in. If there's anybody who ought to know what shape I'm in, it's me.

If this new taxing theory is going to work, as far as I'm concerned, it'll have to be based on what took place on this farm in the past twelve months, not on what some electronic brain in Washington estimates. You get an economic expert punching the buttons on an electronic machine in Washington, and no telling what tax rate will come out. To tell you the truth, there never was a tax rate set by anybody else for me that I really liked. Yours faithfully, J. A.

ing growth factor in the State's economy constantly seeking new techniques for building an even more rewarding future for all our citizens", the proclamation read. "I proclaim December 1-7 as Beef Week and urge appreciation and recognition from our citizens for the many continuing contributions of this great industry."

Floyd Coffman Is Honored By U.S. Selective Service

Clarence C. Deen, district supervisor for the Selective Service System, was in Muleshoe December 2 to present a Presidential award to Floyd Coffman of Littlefield, co-chairman and secretary of the local draft board at Muleshoe.

Mr. Coffman received the Presidential citation for 10 years of "loyal and faithful" service to the United States. Mr. Deen acted on behalf of President Eisenhower, Governor Daniel, Lt. Gen. Lewis B. Hershey, national Selective Service director, and Colonel Morris S. Schwartz, state director. The award is in the form of a Presidential certificate of appreciation signed by the President, the Governor, and the national and state directors of Selective Service. "Mr. Coffman has served his country and community well all these years without pay or thought of pay", Mr. Deen said. "It is my pleasure to carry out the directions of the President in making the award to him."

LETTERS TO THE EDITOR

Thornton, Texas
 Nov. 12, 1958

Dear Editor, It's been quite a while since I was at Muleshoe, but we moved out there October 1934, and I still have my place in the Y. L. community and would like very much to live out there but family affairs sent me to Limestone County where I was born and raised. Makes it real easy to live here. But I still think of Muleshoe as a great place to live, so please keep the paper coming as long as I keep my place.

Yours truly,
 MRS. ETHEL SMITH

DON'T TRUST TO LUCK! when warding off losses around the home or your business, put your faith in insurance. Luck is fickle and can run out, but if you place your insurance in our hands we will see that you are protected in case of any disaster. Think of the money you have poured into your home and its contents to make it more comfortable. Think how hard it would be to have to replace these things at today's prices. Think what peace of mind you would have if you knew that if any disaster should strike you'd have a reliable agent to call on and not be trusting just to luck. Call—

Beef Week Set By Mayor Bovell In Proclamation

December 1-7 was designated Beef Week in Muleshoe Monday when Mayor Bovell signed the proclamation, in official tribute to the cattle industry. Mayor Bovell presented the proclamation to Johnny S. McMurtry, who is Texas Beef Council Chairman for Bailey County. "Historically the cattle industry in Texas is older than Texas itself. Economically, the cattle industry has been a pace-setter for Texas and continues to be a lead-

Series E Bond Sales In Bailey County In October Are \$8,670

During the month of October the citizens of Bailey county purchased \$8,670 in Series E and H Savings Bonds.

This announcement was made recently by Mrs. Inez Bobo, chairman of Bailey County's Savings Bonds Committee.

"Sales for the first ten months of this year totaled \$103,776", Chairman Bobo reported. "We have now achieved 84.4% of our 1958 goal of \$123,000."

Sales in Texas during the first ten months of 1958 were \$146,136,258 which represents 83.5% of the 1958 goal of \$175,000,000.

"Under a recent change in Treasury regulations, individuals who hold F and G Bonds that mature after September 1, 1958 may invest the proceeds from the maturing bonds in E and H Bonds without regard to annual purchase limits", Mrs. Bobo announced. "This information should be of interest to hundreds of people in this area who hold maturing F and G Bonds", she concluded.

ander of Lubbock spent Thanksgiving day with their uncle here, Mr. and Mrs. Gene Bryan.

Mr. and Mrs. A. G. Aaron and children, Durwood and Nancy, spent from Wednesday until Friday with another son, Mr. and Mrs. Alton Aaron in Las Vegas, N. M.

Mrs. Susie Cannon of Duncan, Okla., has been here for the past week, so she might be close to her brother John Richardson, who is a patient in the Littlefield hospital. Mr. Richardson has been confined in the hospital five weeks suffering from a heart ailment.

WSSC of the Bula Methodist church met Wednesday afternoon, November 26 in the home of Mrs. C. L. Cox for their regular weekly study and Thanksgiving party.

Mrs. Cox had charge of the program, and opened it with a song, "Faith of our Fathers", sung by the group followed by Mrs. Blackman leading in prayer, and reading scripture taken from Psalms, 29th chapter.

Each lady present brought an article on Thanksgiving, and to climax the program, Mrs. Kyle read a poem, "Thanks to Thee". The program was closed with Miss Diane Cox singing "The Year of 1620".

Refreshments of sandwiches, fruit salad and fruit cake with beverage was served by the hostesses, Mrs. Cox.

Ladies present were Mmes. B. L. Blackman, H. W. Kyle, Paul Young, D. T. Johnson, P. M. Lancaster, George Bahlman, M. E. Bradford and Mrs. Cox.

MERCURY SOLVED THE PROBLEMS MANY '59 CARS FORGOT

SOLVED: JACKKNIFE RIDE FOR "MAN IN THE MIDDLE."
The hump in the floor has been whittled way down in the new Mercury to provide more foot room.

SOLVED: LOOK-ALIKE STYLING. Mercury is the only car in its field that doesn't share its styling with any other car—doesn't use a dressed-up body of a lower priced car.

SOLVED: POOR GAS MILEAGE. All of Mercury's new Marauder engines (up to 345 hp) are amazingly efficient. And for top mileage and savings, Mercury offers a brand-new Monterey series that uses regular gas, not premium.

LAZBUDDIE NEWS LETTER FHA Girls Program At Monday P-TA Meeting

The FHA girls presented the program for the monthly meeting of the P-TA Monday evening. The girls were under the direction of their teacher, Mrs. Albert Clark.

First of the program was a fashion show by the sophomore and junior girls, in dresses and suits they have made. Taking part in this were, Beverly Smith, Marilyn Aduddell, Coretta Watkins, Patsy Morrow, Karen Smallwood, Judy Brown, Tommy Horton, Velma Golden, Margaret Eggers, and Glenda Robinson. While the curtain was drawn, Janie Barba gave a reading "Benny".

Next was a comical demonstration by Beverly Smith called "Savory Substitute". The girls then presented a hilarious skit entitled "A Wedding". This was staged by Carolyn Hinkson, Freda White, Maudine Barnes, Rosemary Agee, Katherine Smith, Caroline Scott, Marilyn Aduddell, Wanda Steinbock and Geraldine Broadhurst.

The Freshman FHA girls served punch and cookies after the meeting adjourned. Maudine Barnes was master of ceremonies for the fashion show and thanked the P-TA for the two new sewing machines purchased for the homemaking class. Rosemary Agee was at the piano. Mrs. Harlan, P-TA treasurer, reported that \$234.12 was netted on the Thanksgiving supper.

The Jack Smith and John Bond families attended the Ice Capades in Amarillo, last Wednesday evening. The Bonds went on to Pampa and Shamrock for the holidays. Mrs. Bond's mother, Mrs. Lizzie Scruggs returned home with them.

Mr. and Mrs. Luther Hall left Thursday for Ft. Worth to visit a few days with their son, James Hall and family.

Mr. and Mrs. Gene Phillips and Mr. and Mrs. James Welch attended a Young Adult Retreat at Hobbs, N. M., the last of the week.

Mrs. Archie Tarter entered the Hereford hospital Monday with probable surgery later in the week.

Cotton Growers To Receive 1959 Acreage Allotment Figures In Next Few Days

Cotton growers will receive official notice of their 1959 farm acreage allotments for cotton in the next few days. The notices will be mailed by County Agricultural Stabilization and Conservation offices, said Searcy M. Ferguson, Chairman, Texas ASC Committee.

Cotton acreage allotments for all farms have been determined by the County ASC Committee in accordance with the law and the regulations issued by the Secretary of Agriculture. In 1959, two allotments for upland cotton will be established for each farm, and if marketing quotas are in effect each farm operator will have an opportunity to choose the one he wants to comply with and to register his choice at the County ASC Office. If he elects the "regular"—Choice (A)—allotments and complies with it, he will be eligible for price support at the full level available — not less than 80 percent of parity for 1959. If he elects the Choice (B) allotment, (which is 40 percent larger than the Choice (A) allotment) and complies with it, he will be eligible for price support at a lower level—15 percent of parity less than under Choice (A), said Ferguson.

If marketing quotas are not in effect, only "regular" allotments will be available and price support will be at 50 percent of parity, as directed by law.

The Chairman explained that the national allotment and reserve of 16,310,000 acres available for distribution is first apportioned among States and the State allotments among counties. The county allotments are then distributed among farms on which cotton was planted or regarded as planted in any one of the past 3 years, with a small acreage reserved for specified

plant is eaten. Symptoms described by Patterson include an appearance of nervousness, difficult breathing and difficulty in standing. Whether a poisoned animal can be saved depends upon how quickly a veterinarian can get to it. Treatment involves injecting antidotes directly into the blood stream.

Young plants will develop more prussic acid than those approaching maturity, points out the veterinarian. Their leaves will contain from 3 to 25 times more acid than leaves of plants in the boot stage. Upper, younger leaves will contain more acid than lower leaves.

Frosted Johnsongrass or sorghum should not be grazed until it is completely dry, advises Patterson. If Johnsongrass or sorghum is ready to cut before a frost, it may be cut the first day after the frost and used for hay if care is taken to see that it is completely cured before baling.

It may also be used for silage, he adds. Generally, enough prussic acid is lost in gaseous form during the ensilage process and as the silage is removed and fed to make it safe for livestock. However, it is not advisable to let the animals self-feed from the silo filled with frosted sudan or sorghum. If the silage is questionable—it should be chemically tested by a local veterinarian or by using one or two inferior animals as "guinea pigs".

lic, say the sponsoring organizations. Oliver Field, director of the American Medical Association's Bureau of Investigation, warns that food supplement sales men, using a "you are what you eat" pitch, are selling at high costs their inexpensive-to-produce ineffective combinations of peppermint tea, herbs, vegetables, vitamins and minerals.

Absturd health claims, Field says, are made for everything from sea kelp to irradiated peat moss. While the products themselves usually are harmless, great harm can result if the sales man leads the purchaser to believe they have the power to cure disease — causing needed medical care to be postponed.

According to Dr. Kenneth Milstead, Food and Drug Administration official, the food faddist "threatens the lives as well as the pocketbooks of our people." He adds that despite the high educational level of the American people, quackery and spurious schemes still thrive in all parts of the United States.

"The food faddist makes the old-time medicine man a small-time operator," says Dr. Milstead. The American Medical Association points out in a pamphlet that nutritional foods are available for Americans in abundance. "There are no shortcuts to health," says authorities. "An adequate daily menu is the best road to health and should include (1) milk and dairy products, (2) vegetables and fruits, (3) meat, fowl, fish or eggs, and (4) bread and cereals."

Cotton Column Starts Today

Today's Journal introduces CORNER ON COTTON, a column designed to help the farmer prosper by keeping him informed on the latest cotton facts.

The column will deal with agricultural methods, legislation, crop and market conditions and forecasts. It is written by Bob Collins, whose close contacts in all segments of the cotton industry will allow him to present valuable information to all persons interested in cotton.

Prussic Acid Is Threat To Cattle

The time is here when cattle owners should be warned that Johnsongrass or sorghum after a frost is sometimes extremely high in prussic acid content and is very dangerous to livestock.

When wilted by frost or drought, certain chemical changes sometimes occur in the plant and it develops a content of prussic acid, or hydrocyanic acid, explains Dr. C. M. Patterson, extension veterinarian. The poison acts quickly and can kill an animal within a
