MULESHOE STUDY CLUB TEA FETES DISTRICT PRESIDENT

MRS. THURMAN WHITE, left, president of Muleshoe Study Club; Mrs. Sherman Sweatman, in whose home the tea was held; Mrs. R. B. Jones, vice president of Seventh District; seated: Mrs. W. T. Andrews, co-hostess; and Mrs. A. T. Cocanougher, president of seventh district.

Muleshoe Study Club Honors District President At Tea In Sweatman Home

Muleshoe Study Club members honored their seventh district president, Mrs. A. T. Cocanougher, and first vice-president, Mrs. R. B. Jones, with a tea in the home of Mrs. Sherman Sweatman last Thursday evening.

Mrs. W. T. Andrews, co-hostess, presided at the tea table which was covered with a gold satin cloth overlaid with brown net. The gold satin band around the table edge was festively draped at intervals with gold and brown metallic ribbon bows.

The focal point of the table was a beautiful arrangement of gold and bronze mums in a brown ceramic bowl. Matching gandle holders held brown tapers. Spiced tea, tiny cream filled cookies, and brown and yellow mints were served.

Mrs. Cocanougher, who lives in Lubbock, was introduced by Mrs. Thurman White, president of the

Muleshoe Study Club, gave a most interesting talk on Federated Club work, stressing the theme of the year, "Service is the rent you pay for the space you occupy."

Mrs. Jones gave many excellent ideas for promoting club work in an informal question and answer period.

The Los Planos Study Club president, Mrs. Jack Schuster, and Mrs. Sam Damron were also guests.

Members attending were Mmes. J. G. Arnn, David Anderson, Ralph Douglas, Glen Dunn, Ray Hughes, O. N. Jennings, Gilbert Lamb, Lee Pool, Bert Remund, Senn Slemmons, A. S. Stovall, Verney Towns, Alex Williams, Roy White, Thurman White, Brick Whitt, and B. O. McDaniel.

Muleshoe Canton And Auxiliary Met Friday Nite

Muleshoe Canton and Auxiliary No. 31 met September 12 at IOOF Hall with Captain and president, Mr. and Mrs. Wallace Shelton of Hereford presiding.

Twenty members were present and signed cards sent to Thelma Gage who was installed as new president of International LATM at Memphis, Tenn., on September 15.

Members also sent a get well card to Raymond Chism of Dimmitt, who has been ill.

All members are urged to attend the state convention in Lubbock October 25-28.

J. F. Yates Feted On 90th Birthday

J. F. Yates, father of Mrs. M. C. Mason of Muleshoe, celebrated his 90th birthday September 13 at the park in Hollis, Okla. Center of attraction was the big birthday cake, presented by his children, and bearing the inscription, "Happy Birthday, Father on Your 90th."

Mr. and Mrs. Mason and sons joined his other children from Ft. Worth and other points at the surprise party. About 50 were present.

Mr. Yates will be remembered by some here from his visit this summer to his daughter. He was born in 1868 in Union, Tenn., and came to Oklahoma in 1898 where he homesteaded, later operating a service station and grocery store.

He presently has an irrigated farm, and his cotton is making from 1½ to 2 bales, with two bales already harvested.

DKG Society Has Brunch Meeting In Littlefield Sat.

Epsilon Delta chapter of Delta Kappa Gamma Society held its initial meeting for the current year in Littlefield high school library last Saturday morning.

Mrs. John Watson of Muleshoe presided, and Mrs. Addie Abernathy of Littlefield, vice-president, acted as program chairman. All members participated in a constitutional review, stressing the duties of each officer and committee member.

A report of the international convention, which was held in August at Minneapolis, was briefed by Mrs. Jerry Kirk of Muleshoe.

Plans were made to attend the regional meeting to be held in Snyder on October 18.

Those attending the brunch, hosted by the group from Littlefield, were Mmes. John Watson, Ed Johnson, Jack Obenhaus, Cliff Finley, Mabel Dowell, Jerry

Kirk and Horace Blackburn. Epsilon Delta chapter is composed of teachers from Muleshoe, Littlefield, Sudan, and Oton.

ESA Sorority Holds First Business Meeting Wed.

Epsilon Sigma Alpha chapter of Epsilon Sigma Alpha International sorority held their first business meeting of the new year Wednesday evening, September 10 at 8 p.m. in the home of Mary Moore.

This was the first meeting at which the new officers presided. They are Maureen Hooten, president; Johanna Wrinkle, vice-president; Janice Gaede, recording secretary; Marjorie Precure, corresponding secretary; Pat Arnold, treasurer, and Mary Moore, parliamentarian. Mrs. A. J. Lenderson is educational director for the sorority.

After the closing ritual was said, the hostesses, Iva Gaede and Mary Moore, served refreshments to: Pat Arnold, Cookie Bamert, Janice Gaede, Betty Glaze, Jane Griffiths, Ellen Gup-ton, Charlie Hanks, Beverly Heathington, Maureen Hooten, Bill Ed Jones, Marjorie Precure, Marie Roark, Lavern Winn, and Johanna Wrinkle.

Officers Named For FHA Chapter At High School

The F. H. A. of Muleshoe high school held their first meeting of the year Monday, September 8 in the high school auditorium. After the business meeting a get-acquainted program was given by the officers to acquaint incoming freshmen with the purposes, creed, emblem, flower, colors, and the degrees of the organization.

Officers for the new year are: president, Dorothy Hickman; first vice-president, Janet Scarbrough; second vice-president, Virginia Hickman; third vice-president,

Mary Gross; fourth vice-president, Marilyn Mitchell; secretary, Priscilla Inman; treasurer, Nell Moore; reporter, Bonnie Wood; parliamentarian, Linda Landers; historian, Nelda Redwine; song leader, Darrene Nowlin; pianist, Jaquita Nowell; student council representative, Naomi Watson, and sergeant-at-arms, Jerre Kemp.

After the meeting refreshments were served in the Home Ec. Department.

Hi Lo Piano Club To Meet Monday

The Hi-Lo Piano Club will meet September 22 at 7:30 p.m.

in Fellowship Hall for the first monthly meeting of the season, according to Mrs. Sam McKas-try, Club counselor.

There will be an election of officers, a short musical program and a social hour. The public is invited to attend.

Hostesses are Mmes. Jess Pendergrass, Jimmy Seaton, Alton Morris, Calvin Embry, and Frank Hinkson.

ATTEND GOLDEN JUBILEE
Mrs. Maude E. Jones spent last week in the home of her daughter and son-in-law, Mr. and Mrs. H. B. Byerley of Petersburg, and attended Crosbyton's Golden Jubilee celebration. They met many old friends whom they had not seen in 20 years or more.

YOUR PIGGLY WIGGLY SACK AND PACKAGE BOYS

Mike Hull, age 13, son of Dr. and Mrs. Brandon Hull. Mike is a typical Piggly Wiggly package boy . . . one of hundreds of boys employed by Piggly Wiggly to make shopping easier for you. The sack and package boys at YOUR Piggly Wiggly Super Market are eager to serve you . . . they are courteous, friendly and work hard to please you.

We hope our package boys get to know you, and you get to know them. Maybe you already know some of these boys who try to make your shopping more pleasant. They are:

REMEMBER WHEN?

by JOHN CROW

It was King Gustav of Sweden who said it, when presenting one of his many gold medals to the great American athlete, "Sir," he said, "you are the greatest athlete in the world."

Others have said the same about Jim Thorpe, the immortal Carlisle Indian . . . All-American football player, big league baseball player, and one of the greatest track and field athletes ever to perform.

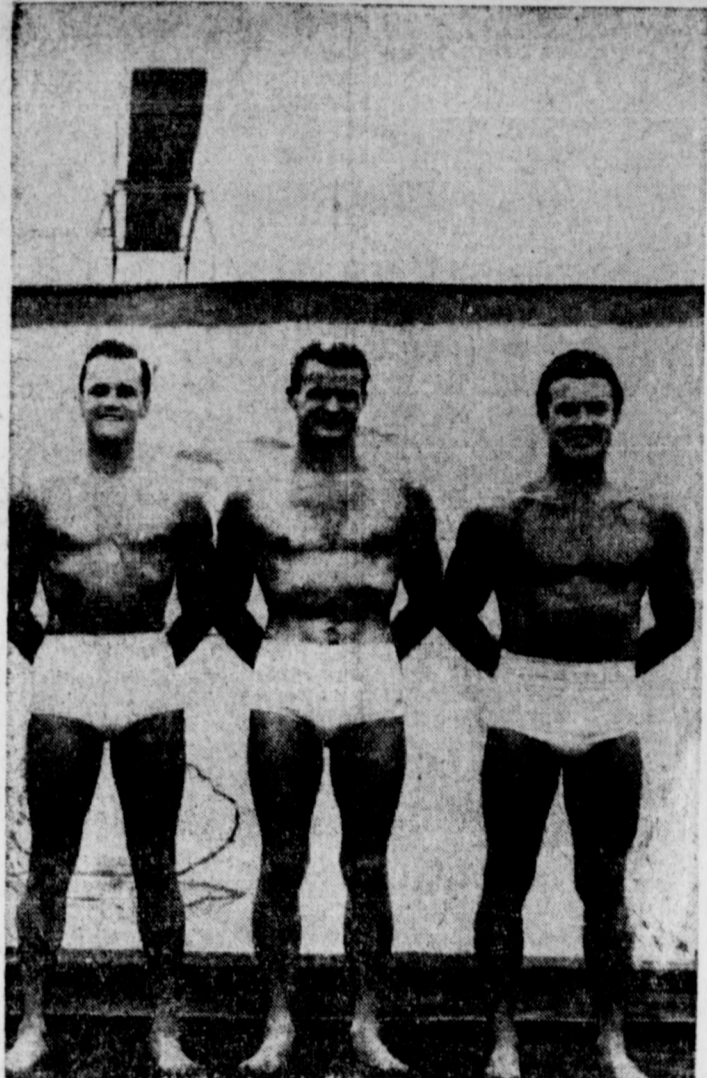

He had his finest hour that year in Stockholm at the Olympic Games. He won four of the five firsts in the Pentathlon, four of the ten firsts in the Decathlon. That day was also his bitterest memory . . . for, because he had played at summer of semi-pro baseball, Thorpe's Olympic gold medals were taken away from him.

But they couldn't take away King Gustav's words.

Remember the year? That was a year when driving an automobile wasn't taken for granted . . . and a buyer had to be sure of his car, his dealer and his "deal" before he acted.

The year was 1912. It makes good sense to be sure of all three "value points" today. Take the car . . . you can't drive better than the brilliant new CHEVROLET. As for the dealer . . . well, our reputation for reliability is well established. Point three: we'll give you the best deal! For a better deal three ways, see—

WATER FOLLIES CHAMPION DIVERS, shown above, will demonstrate the talents that made them champions during the Panhandle South Plains Fair in Lubbock. Left to right, they are: Roger Nadeau, New England champion; Kevin Newell, Australian champion, and Charlie Aitken, South American champion. Many other diving stars, and the same dynamic cast featured in the show's appearance at the World's Fair in Brussels, will make Water Follies of 1958 another "first" in entertainment presented by the Panhandle South Plains Fair. Nightly performances of the follies will begin at 8 p. m., Sept. 29—Oct. 4 during the Fair.

Mr. C. L. Taylor was in West Plains hospital last week, but is home now and feeling much better.

Dean Lackey of ENMU visited his parents, Mr. and Mrs. Orville Lackey Saturday evening.

Mr. and Mrs. Cecil Mann and children have moved back to the Maple community from Morton. Cecil will work at the Goodland gin.

Mr. and Mrs. M. O. Wall of Portales visited the Vurles Wall family Sunday afternoon.

Mr. and Mrs. W. G. Dempsey of Lubbock visited in the Oran Reaves home Sunday.

Miss Willene Lewis is staying with her grandparents in Brownfield and working in the telephone office there.

Mr. and Mrs. Deward Wall and children spent Sunday in Lubbock with his mother.

New Son
Mr. and Mrs. Tommy Gattis are the proud parents of a new son born September 3 in West Plains hospital. Grandparents are Mr. and Mrs. Gene Pierce of Maple, and Mr. and Mrs. Guy Gattis of Morton.

Christian Science Services

The truth that man made in the spiritual image and likeness of God has dominion over sin, sickness, and limitation will be brought out at Christian Science services Sunday.

Lookadoo-Jenkins Vows Exchanged In Trinity Baptist Church September 12

Before an archway decorated with fern, bells and blue ribbons, and flanked by baskets of white gladiolus and blue carnations, Miss Leoma Josephine Lookadoo exchanged double-ring vows with Mr. Wilbert Lewis Jenkins in Trinity Baptist Church on September 12.

The bride is the daughter of Mr. and Mrs. Everett Lookadoo of Route 5, Muleshoe, while the bridegroom is the son of Mr. and Mrs. J. W. Jenkins of Lubbock.

Rev. J. E. Moore performed the double-ring ceremony. Given in marriage by her father, the bride wore a white satin gown with net and lace overskirts. The portrait neckline was trimmed in pearls. The gown featured a chapel length train and fingertip veil of tulle with small hat covered in satin and seed pearls.

Attendants included Everita Lookadoo, sister of the bride, who was maid of honor, and A/2e Charles Myers of Cannon AFB, as best man. Ushers were Lee Savel and Ames Duran, both of Lubbock.

Mrs. Elbert Hamilton accompanied soloist Edwin Kirklen, who sang, "Because," "Walk Hand in Hand," and "The Lord's Prayer".

A reception was held in the church annex immediately after the ceremony. The couple was assisted in receiving by Joyce Marshall, Irene Edwards and Mary Stevenson.

The serving table was decorated.

CARD OF THANKS
Thank you sincerely for sharing our sorrow. Your kindness is more appreciated than we find words to express. Especially do we thank the doctors, nurses, the kitchen staff of the hospital, and all who brought food and sent flowers. May God's richest blessings be with you always.

The Family of D. H. Long.
last February and completed basic training at Fort Carson, Colo.
He is a 1957 graduate of Bula high school.

ed with a centerpiece of red roses in a crystal vase, with blue candles in crystal on either side.

Guests were present from Hereford, Lubbock, Clovis, Tulla, Crosbyton, Morton, and Muleshoe.

For a wedding trip to New Mexico, the new Mrs. Jenkins chose a beige sheath dress of combed cotton and rayon, with blue and white accessories.

For her daughter's wedding, Mrs. Lookadoo chose a pink linen dress with white accessories and white carnations. Mrs. Jenkins wore a blue silk dress with white accessories and white carnations.

3-Way MYF Host To Area Youth At 'Barnyard Stomp'

At a "barnyard stomp", given on August 27 by the Three Way MYF members, families and youth of the community were entertained at the church. Church representatives included Enoch's Methodist, Maple Baptist, Maple Church of Christ, and Three Way Baptist.

Games of volleyball, table tennis, horseshoes, and darts were played, with a ballroom game ending the events of the evening.

A barbecue supper was served by ladies of the WSCS to about 60 guests present.

The wedding will be Saturday, October 4, at 7:00 p. m., in the Main Street Baptist Church of Muleshoe. Relatives and friends of the couple are invited.

WHERE ARE THOSE WHO LOVE TO GAMBLE WILL BET ON ANY RACE INSURANCE IS NO GAMBLE THROUGH FOR LOSS IT WILL REPLACE

STRENGTH FOR THESE DAYS
The Bible
Pilate saith unto them, What shall I do then with Jesus which is called Christ?
—(St. Matthew 27, 22.)
This question was asked by a pagan judge of a riotous mob nearly two thousand years ago, but it is a question of prime importance today. Each of us should ask himself daily, What shall I do with Jesus which is called Christ? The destiny of the world may depend on our answer.

AFTER THE BALL

SHANKS 10, goes after the ball while members of both the Mules and Hornets appear to not know just where the ball is. This moment of action was part of the Sudan-Muleshoe game here Friday night. —Journal Photo

Mules Down Sudan 22 to 6 Friday

The Muleshoe Mules dumped the visiting Sudan Hornets 22 to 6 last Friday night before an estimated crowd of 2,500 fans.

Halfback Gerald Shanks led the Mules' offensive power by scoring two of the Mules' touchdowns. Donnie Shafer was the first lad from Muleshoe to reach paydirt from 18-yards out in the first quarter. The attempt to run for the extra point failed.

In the second quarter Shanks plunged over from the 1 foot line

for another tally. Oliver, playing heads up ball, had picked up a pitch-out which had gone wild and raced from the 11-yard line and ran it down to the 1-foot line. He also ran over the extra point on a keeper.

In the third quarter Sudan recovered a Muleshoe fumble on their own 49, and in two plays scored when quarterback Bonny Galvan hit halfback Macky Ballard who had gotten behind the Mules' secondary on the 15-yard

line for the only Sudan score. Neither team scored in the fourth quarter, although Shanks scampered 42 yards to the Hornet 1-yard line before being forced out of bounds.

Muleshoe gained 352 yards on the ground, while holding Sudan to 62 yards on the ground and 48 yards in the air. The win was the third in a row for the Mules, but Sudan still holds a commanding edge in the series with a 15 to 9 win with four games played to a tie.

Football Scores

Muleshoe 22—Sudan 6.
Lazbuddie 18—Cooper 0.
Three Way 20—Cotton Center 32.
Bula 36—Pettit 16.
Hale Center 14—Sundown 34.
Springlake 0—Idalou 28.
Dimmitt 26—Lockney 0.
Frona 50—Amherst 6.
Abernathy 16—Tulia 14.
Olton 6—Floydada 26.
Morton 14—Whiteface 12.

Mules Travel To Hale Center Friday

tangle with the Mules there October 10.

Abernathy's Antelopes captured a "spinetigler" from the Tulia Hornets, 16 to 14. The Mules play Abernathy there in a conference tilt November 14, final game of the regular season.

Olton, another conference opponent for the Mules, lost to Floydada, 26 to 6. Olton and Muleshoe will play here October 17. The Morton Indians took their second win by downing the Whiteface eleven 14 to 6. Morton is a new contender in district 2-AA, and will meet the Mules October 31 here.

Tomorrow night (Friday) the Muleshoe Mules play their first football game away from home as they travel to Hale Center to take on the Hale Center Owls.

The Owls of "Hoss" Byerley have lost their two games they have played this year. Last week they went down before the Roughnecks of Sundown 34 to 14. The Mules have had a little better record so far this year. In the season opener they tied the Clovis Wildcats 6 to 6, and last week they outclassed the Hornets of Sudan 22 to 6.

The Mules will be at full strength for Friday's game. Don-

Red Raider Club Meeting Tonight To Feature Film

A special meeting of the Muleshoe Red Raider Club will be held at Muleshoe Country Club at 8 p.m., on September 18, (tonight), featuring a film, "Highlights of the Southwest Conference".

Members of the Tech coaching staff, along with Leete Jackson, executive vice-president of the Red Raider club will be present.

Reserve seats or individual game tickets may also be purchased from Jimmy Wilson, Tech Business Manager, who will be present.

Local members urge a large attendance at this meeting to boost the outlook for Texas Tech. Now that Tech is in Southwest Conference, nationally known teams may be seen without driving hundreds of miles.

The meeting will be stag, for the election of officers for the Muleshoe Red Raider Club.

RETURNS TO COLLEGE

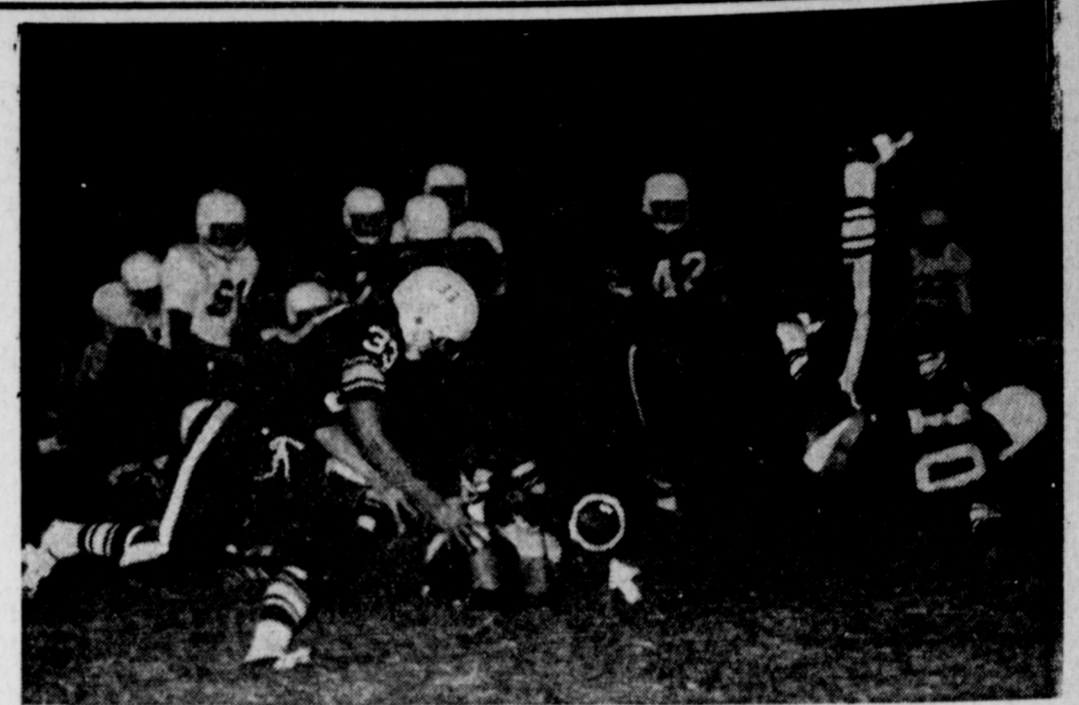

Mr. and Mrs. John Farley returned from Denton Sunday evening, after taking their daughter, Elizabeth, to Texas Women's University. Elizabeth is a senior business administration and secretarial science major and is a freshman sponsor this year. She is president of professional women's club, vice-president of Adelpian Social Literary Club, member of Sigma Pi Beta and of the Round Table.

ENROLLED IN DRAUGHON BUSINESS SCHOOL

OKLAHOMA CITY — Lou Ann Pruitt, daughter of Mr. and Mrs. Bill Hamblin of Muleshoe, has enrolled for the fall semester at Draughon School of Business here. She will be a student of the executive secretarial course.

Donnie Shafer, the speedster who was injured last Friday night, will be ready again, as will big Charles White, 175 pounds guard.

STOP-ACTION PHOTO

MULESHOE'S OLIVER, 33, closes in on the ball, see arrow, after it was lost when Shanks, 10, tripped, lost the ball and almost lost his pants. Jack Wright, 42, gets ready to move in while Sudan's Engram, 51, and 32, unidentified, look on. It all happened during the Friday night game. —Journal Photo

Lazbuddie Longhorns Tangle With Farwell Steers Friday At Lazbuddie

The Lazbuddie Longhorns will be host to the Farwell Steers Friday night. After losing to the New Deal Lions in the season opener, the Longhorns came back to whip the Cooper Pirates last Friday, 18 to 0. Coach Bond and Coach Crooks were well pleased with the improvement the boys have made and will have them ready to take on the Steers. The team is light and inexperienced, but they have plenty of fight and hustle.

In the only two meetings between the two teams, Farwell has won both games. The Longhorns probable starting line-up will be:

RE, Dean Watkins, 160; RT, Jerald McGehee, 220; RG, Earl Ryder, 150; C, Dwayne Teague, 145; LG, Jerry Weaver, 145; LT, Dennis Nelson, 150; RE, Smythie Lawrence, 130; RH, Ronnie Briggs, 125; LH, Roy Max Miller, 140; FB, Jerry Koelzer, 165 and QB, Derrell Jennings, 150. Other members are: Odie Bradshaw, Fred Savage, R. L. Porter,

Wayne Peterson, Bill Hardage, Ronnie Gustin, Jerry Smith, Norman Brantley, Jerry Glover, Ronald Elliott, David Koelzer, Robert White, Larry Strahan, David Smith, James Brown, Cooper Young, Jimmy Broadhurst, Paul Wilbanks, Dick Chitwood and Jimmy Seaton.

The average weight for the starting line-up is 152 pounds; the line averages 157; while the backs average 145.

The Lazbuddie Pep Squad will perform at half time, along with the Farwell Pep Squad. There will be some special entertainment for the Lazbuddie patrons, as the Farwell band will be the first to ever play and march on the Lazbuddie field.

The Lazbuddie P-TA invites all from the Lazbuddie and Farwell communities to come out and eat with them before the game. So leave home a little earlier, drive carefully and we will see you at the concession stand around 7:00 p.m. Tink Seaton is in charge of the food

booth this week, and she says, "We will have hamburgers, hot dogs, cheeseburgers, cocoa, coffee, spudnuts, pie, candy, and pop."

Muleshoe Ladies Place At Morton

Lou Hardy, of Tulia, defeated Ruby Hart, of Muleshoe, 3 and 2 last Friday to win the High Plains Women's Golf Ass'n. tournament. Marjorie Northcutt of Tulia, won the Cry Baby Flight with a net 71.

Eunice Evans of Muleshoe won the first flight, defeating Melba Kelly, 4 and 3. Tiny Forbes of Muleshoe won the second flight consolation, defeating Lottie Melton, Tulia, 1 up. Lois Lenau, of Muleshoe, lost in the finals of the third flight to Shirley Tarver, 2 and 1.

Sandhills Philosopher Wants... To Be Handled In The Same Way The Mysterious East Is Handled

Editor's note: The Sandhills Philosopher on his Johnson grass farm won't get anywhere with his idea this week, especially with us.

Dear editor:
People are always talking about the ignorant toiling masses in other countries, but I have about come to the conclusion they may be smarter than we think.

For instance, I was reading in a newspaper last night about the Mysterious East, how over there what's known as saving face is very important, and other countries, especially us, have to consider it very carefully. It's a delicate matter.

Say Red China has taken a few islands away from Formosa and it's up to us to see that she gives them back, although it's not quite clear in my mind why the job always has to fall to us. You never hear anybody saying it's Mexico's turn to solve the Middle East problem, or Spain's, or Switzerland's. It's always us.

At any rate, before we can do it, we've got to figure out some way for Red China to give them back without losing face, because if you solve a problem and cause a country to lose face, the solution is worse than the problem.

This is something we don't understand over here, and it's a shame.

Say I owe the bank some money and the note comes due. Is

the bank interested in me saving face? Do the directors go into a summit meeting and say, How can we handle this most delicately?

Say your taxes come due and they're bigger than you expected and you don't have the ready cash on hand. Is the government interested in your face? What happens if you miss the third installment on your television set?

I'll tell you, them Mysterious East people have out-thought us on problems like these. Holding something that belongs to somebody else is a serious matter, all right, but not enough people in this country appreciate this face-saving business. The Mysterious East has maneuvered the thing around to where, if an installment payment comes due on a set of harness for a pair of oxen, it's the store owner that has to do the bowing and scraping and apologizing, not the fellow that's behind with the payment. That's the kind of system we need around here.

I will appreciate you referring hereafter to my farm as the Mysterious Johnson Grass Farm, and I hope every store in Muleshoe will fall in line. Just to lead the way, how about handling my subscription to "The Journal" in this fashion? It comes due soon and you ought to be working on the proper diplomatic approach.

Yours faithfully,
J. A.

BABSON DISCUSSES... THE BUILDING OUTLOOK

Babson Park, Mass., Sept. 18—Whether you pay rent, own your home, or plan to build, you are interested in the building outlook. You are concerned, too, with how such costs compare with those of five or ten years ago and you want to know the prospects for the future.

Costs of Building
Land values have stood up amazingly well during the sharp setback met by general business. With few exceptions, land is now selling for as much as or more than it was a year ago. Vacant land well located in relation to the business centers of most cities commands a premium price, especially if zoning laws permit it to be developed for parking space. Meanwhile, land in the suburbs continues upward in price, as does "close in" farm land. I am bullish about most land. A severe depression could sometime cut land prices, but the long-term trend is for higher

prices. Generally speaking, the longer you postpone a given land purchase, the more the land will cost you.

The construction industry is now zooming ahead in high gear. Despite the business downturn earlier this year, expenditures for residential building for the first seven months were about the same as a year ago. Bolstered by this good consumer demand and by steadily rising wages, construction and building costs are at an all time high (as measured by an index covering 20 leading cities). Price pressure for most building materials will continue generally firm or upward.

Shall I Buy As An Investment
I am not in favor of building—or buying—residential property to be rented as an investment. Such property is usually fairly high in cost and often does not bring in any very large return. It is expensive to maintain and

BABSON ON...

Quemoy and Matsu

Babson Park, Mass., Sept. 12—President Eisenhower's courageous address on Thursday night has entirely changed the atmosphere in Washington and elsewhere. Unlike the continued bad news which has been coming out of Washington during the past year, the President's handling of Quemoy and Matsu Islands problem has been magnificently received. Senators, Congressmen, diplomats and business leaders are almost unanimously backing the President. There are 4 main reasons for this, which may bring confidence, sales, and employment back to normal.

(1) The President's appearance, determination, and strong voice showed that he has taken

command and again given the country and the world real leadership.

(2) China will probably back down under the ultimatum which the President has given Mao. She surely will accept the opportunity for "negotiations" as a face-saving retreat. All our allies will be greatly cheered and anxious to back us and get some of the glory.

(3) If China does not quit her use of force there will be a naval battle between China and the United States. Such would be entirely different from what happened in Korea. Naval warfare does not require many men; and we are already equipped for a naval conflict. This is something that has not been fully understood by our enemies or our allies, who have been thinking only of armies.

(4) We could carry on naval warfare without disturbing domestic affairs—that is, without the need for gasoline rationing, wage controls, price fixing, and other restrictive nuisances. In

fact, such naval warfare could materially eliminate for the present the business depression; it could be a boom for the present Administration and the Republicans in this fall's election.

This entire program—whatever China does—supports the recent action of the stock market and of the Federal Reserve, and other events. Can anyone afford to be hearish today?

—ROGER W. BABSON

CARD OF THANKS

We wish to express our deepest appreciation to our many friends for their prayers, flowers and food. Also the many acts of kindness during the illness and passing of our beloved husband and Dad, May God bless each of you.

Mrs. W. S. Meneffe,
Mr. and Mrs. Paul Syms
Mr. and Mrs. Juel Treider
Mr. and Mrs. Sam Long
Etc.

Today's Meditation

Read Revelation 14:1-7.
God is Spirit; and they that worship him must worship him in spirit and in truth. (John 4:24.)

Only human beings practice worship, for the longing of the spirit toward the Supreme Being is characteristic of them only. Worship is the breath of man's soul and his most valuable prerogative.

This worship is practiced both by the individual in solitude and by the group in a communal service. Whatever the methods of worship may be, God alone must be the center of worship, for He alone is worthy of our praise and adoration.

God abides forever. Whatever else we adore, be it beauty or ambition, possessions or friends, these, like the heavenly bodies, set and disappear. God remains. Jesus, the son of God, remains, for He is the same yesterday, today, and forever. In Him we find redemption from our sins. In the Holy Spirit's abiding presence we have a faithful guide.

PRAYER

Almighty God, cleanse the thoughts of our hearts. May we continually worship Thee and perfectly love Thee through Jesus Christ our Lord, who taught us to pray, "Our Father who art in heaven... Amen."

THOUGHT FOR THE DAY
Let us worship God in spirit and in truth.

—L. Matar (Lebanon)

can turn out to be a headache if unemployment becomes widespread, forcing people to "double up."

A further reason for steering clear of investment in residential rental units is the tax situation. Local taxes on real estate are heading higher. They will make sharp advances during the next few years and rent returns probably cannot be boosted sufficiently to fully offset this additional expenditure. Also, if war should come, rent controls would be invoked promptly; but there would be no ceiling on taxes!

Shall I Build A House To Live In?

If you need a new house, and especially if you have children who require more space, then I would advise you to build, or to buy, now. Proper living accommodations are important to health and happiness. So if you need a house now, or a bigger or better home, I say build or buy it. To delay such a purchase when you really need it is to cheat yourself. There is a chance you may be able to build or buy for less money at some future time when unemployment may deflate today's high costs. When or if that time comes, however, you may be frightened to build or buy.

For those couples who cannot now see their way clear to buying and carrying a single house, I strongly recommend the purchase of a two-family or "duplex" house. The two family house, if well located and bought under favorable circumstances—and if you live in one half yourself—is one of the best real estate investments you can make. You may think this conflicts with what I have written above about rental residential property. However, I make the two-family house an exception. If you own one of these and live in it, you have a good hedge against higher costs and taxes, for your tenant shares the burden with you. Furthermore, your presence will ensure his taking better care of the property than if you were an absentee landlord.

Houses Versus Land

There are two other important points to remember:
1. When you build a house in a good neighborhood, the land should increase in value from the day you move in; but depreciation on the house will begin directly after its construction is completed. Therefore, don't be skippy about the lot. Get as much land as you can and economize on the house!

2. Consider transportation. Although it is easy now to buy autos and gas, it may not always be so. Therefore, I advise building where you are within walking distance of a bus line or shopping center.

THIS WEEK

—In Washington
With Clinton Davidson
CHOOSING A CONGRESS

Washington this week is watching with more than usual interest the congressional election campaigns that are just now beginning to get into full swing across the country.

Is this, as some of the experts predict, to be a "Democratic Year?" Or, can the Republicans, as others think, regain a majority in the 86th Congress which convenes next January?

There are 34 senatorial elections, two from Alaska for the first time, and 436 congressional districts, including one in Alaska, in which election campaigns are being waged. When the 85th Congress adjourned last month there were 49 Democrats and 47 Republicans in the Senate. The House was divided 233 Democrats, 200 Republicans and two vacancies.

Six Senators have announced their retirement and approximately 40 representatives either have retired or were defeated for renomination in the primaries.

Campaign Issues

The issues being debated in the campaign vary all the way from local to international. Foremost among the latter is the preservation of a just and honorable world peace. The threat of communist aggression continues as a constant peril to the Free World.

The world is taking cautious steps toward the goal of eventual elimination of atomic and hydrogen

bombs as weapons which could be used to destroy civilization. The peaceful use of atomic energy, on the other hand, offers unreamed-of opportunities for all of mankind.

National issues which are emphasized include Federal spending and the national debt. Congress appropriated a peace-time record of almost \$80 billion and as a result we will go another \$8 billion deeper into debt this fiscal year.

Integration

One of the thorniest issues in the campaign is that of school integration. The Supreme Court, itself, is an issue. Has it exceeded its constitutional authority as the Judicial Branch of government and encroached on the Legislative authority? Congress by a vote of 40 to 41 barely shelved a bill to curtail the jurisdiction of the Court.

Legislation to weed racketeers out of labor unions failed by only a few votes. Candidates will want to know how voters feel about the touchy problem of curbing labor union activities, and especially those of Teamsters' James Hoffa.

In the rural areas farm legislation will be a big issue. Congress passed a controversial farm bill just before adjourning, but it has about as many critics as defenders.

The election campaigning is our best way, in a democracy, of determining the decision of the American people on the important issues which affect them.

Progress News

by Mrs. M. O. Nigh

The Progress WMU met Monday, September 15 for Bible study with chairman, Mrs. Florence Merritt. The subject was "A Certain Disciple—Named Ananias". There were nine members present.

Fish Fry At Progress Gin

There were well over 300 people enjoyed the delicious fish fry Monday night, September 15 at the Progress Gin.

Mr. and Mrs. Ell Northcutt and Kenneth are enjoying a nice visit with Mr. Northcutt's mother from Ralls, and his sister from Farmington, N. M., this week.

Mr. and Mrs. O. M. Self and Mr. and Mrs. Hopper Ivy, daughter and son-in-law of the Selfs, left the first part of the week on a vacation trip. They will visit several states before returning home.

There were several families that went to Ft. Sumner over the weekend to the Alamogorda Lake for boating and outing. Several came home Saturday evening, but the Gordon Murrah family and Mr. and Mrs. Byron Gwyn spent the night and Sunday at the lake.

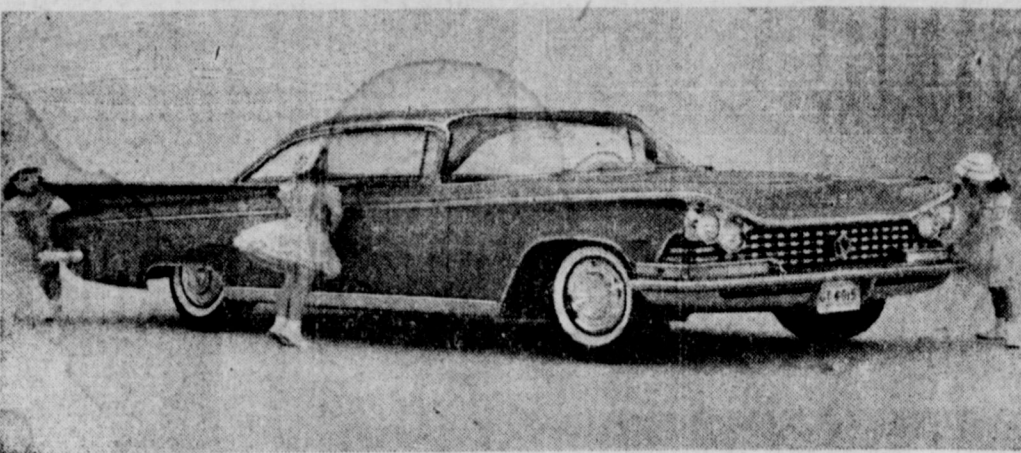

Family Night At Fellowship Hall

There were about 50 attended family night last Wednesday night, September 10, at the Methodist fellowship hall.

They served the supper outside, and they all enjoyed pictures and slides shown by Charles Kauffman.

MYF served refreshments to

Buick's New Styling Is Sleek And Low

Sleek and low describes Buick's new styling for 1959. The model shown is the luxurious two-door Electra hardtop which measures less than 55 inches in height yet retains approximately the same headroom as last year's Buick. The "delta-wing" styling of the rear fenders that flare out to a point, and twin headlights that are set on an angle give the new Buick a look that is light and jaunty. Compound windshields that curve back into the roof and eliminate wind noise are a feature on all 1959 Buicks. The Electra is powered by a 401-cubic inch V-8 engine with .10.5-to-1 compression ratio. Twin turbine Dynaflow and power steering are standard on all models in the Electra series.

Family Night At Fellowship Hall

There were about 50 attended family night last Wednesday night, September 10, at the Methodist fellowship hall.

They served the supper outside, and they all enjoyed pictures and slides shown by Charles Kauffman.

MYF served refreshments to

the group attending services at the Methodist church Sunday night. Everyone enjoyed the evening visiting.

Mrs. O. S. Richards and son, Leander, visited her mother and sister, Mrs. Mattie Griffin and Johnnie Westbrook Monday evening.

Mr. and Mrs. O. C. Powell returned this last week from a two week visit in Missouri with relatives.

Mr. and Mrs. R. M. Gibson visited at Enochs Tuesday of this week.

H. A. Hazelwood is quite ill and is in the West Plains Hospital.

Mr. and Mrs. Billie Hazelwood of Kermit are moving here to help take care of his father's crop. Another son and family of the Hazelwoods were here over the weekend to visit.

Rev. and Mrs. Calven Calvert and family visited recently with his brother and family, Mr. and Mrs. Dean Calvert of Webber Falls, Okla., their daughter and

family, Mr. and Mrs. W. B. Hodgkinson and son of Gainesville, and Mrs. Calvert's parents, Mr. and Mrs. E. S. Weed of Saint Jo, Texas.

Mr. and Mrs. Arley Thomas of Muleshoe visited Sunday with Mr. and Mrs. D. O. Smith.

Mrs. Edward Todd and children of Plainview visited her sister and family, Mr. and Mrs. Elton Gulley Sunday.

Mr. and Mrs. Creed Martin of Morton visited Mr. and Mrs. Owen Rogers this past Sunday.

Rev. and Mrs. Ralph Cooper of Abilene visited with his parents, Mr. and Mrs. Arthur Cooper one night this last week.

Mr. and Mrs. H. C. Lee, Wayne and Shirley went to Ft. Sumner, N. M., to spend the weekend with their daughter and family, Mr. and Mrs. Ray Williams and children.

GET all your School Supplies and Needs at The Muleshoe Journal.

Outlook Good For Fall Vegetable Gardens At Home

Recent rains have provided moisture needed for soil preparation and the planting of fall gardens, says Blueford Hancock, extension horticulturist. If planted now snap beans, lima beans, squash, and leafy green vegetables should produce good crops before frosts.

Soil should be prepared now for later plantings of turnips, collards, kale, swiss chard and broccoli, says the specialist. He recommends disking two or three times to form a smooth, firm seedbed. If only a small area is to be planted, he says a hand rake can be used to smooth the seedbed. Because most vegetable seed are small, it is necessary to break up clods and plant them in a firm smooth bed in order to obtain a good stand.

Vegetables planted now will insure a good supply through the late fall and winter months and provide the family with the green and leafy vegetables they need for a good diet, says Hancock.

The specialist advises those who may desire more information on fall and winter gardening problems to visit the local county extension agents for advice and free publications.

M-M Offers Free Trips In Tractor Essay Contest

Fresh from its victory in winning the World Tractorama Economy contest at Colfax, Ill., September 7, the new Minneapolis-Moline 5 Star tractor is the subject of a mammoth sales promotion beginning this week at Muleshoe where Fry & Cox Bros., Minneapolis-Moline dealer is beginning special demonstrations, and offering valuable Demonstration Certificates.

A vacation trip for two via Northwest Orient Airlines to fab

ulous Honolulu is the first prize offered to the purchaser of a new Minneapolis-Moline 5 Star tractor bought between September 10 and October 24, who sends in the best 25 word statement on the 5 Star tractor.

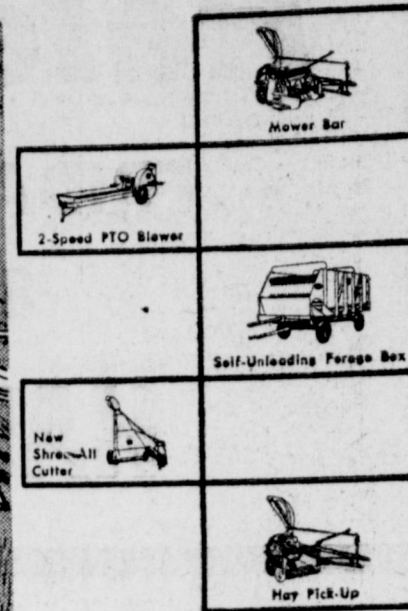

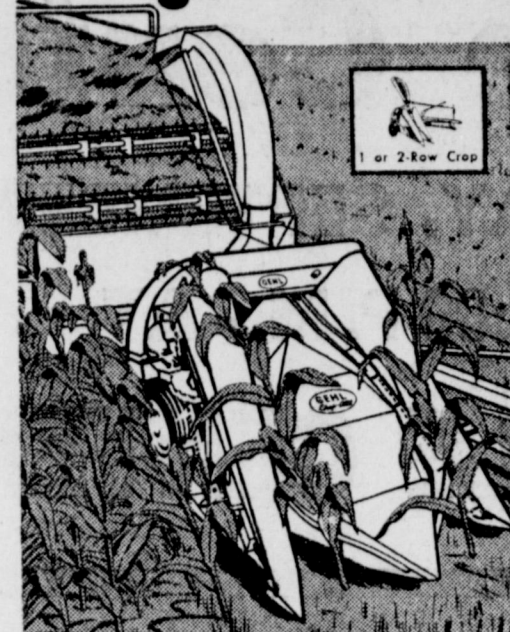

National magazines and local

newspaper advertising is announcing this contest in connection with the fall sales campaign for the 5 Star tractor. The 5 Star tractor won the economy contest at the M & W

World Tractorama in the presence of over 50,000 farmers who also witnessed a parade of the newest farm equipment presented by all full-line farm equipment manufacturers.

now's the time...

UNDERGROUND WATER — A MYSTERY UNCOVERED

The amazing existence of great quantities of tappable water below certain areas of the earth's surface was for centuries one of nature's greatest mysteries. The search for such unseen wealths of water was, in past years, sometimes considered a venture requiring supernatural insight by persons whose best guide might be the fabled "wit-sing stick" or an acute physical sensitivity to the imagined presence of water.

However, underground water obeys the laws of physics, and advancements of this generation have shown us that a great deal can be and has been learned about it.

Through scientific calculation, for example, the depth to which a well in a certain locality should be drilled in order to tap the best available water supply can be determined with reasonable accuracy. The areas in which water sinks underground can be identified, and the rate at which it sinks into underground reservoirs can be computed in some areas. Also, the areas in which no important water supplies exist can, in many instances, be accurately mapped.

Thus, the mystery of underground water has been invaded. But, although the vital presence of water is perhaps now somewhat less of a mystery to us, it is certainly no less a wonder. It is a gift which, like the soil we till, is provided for our perpetual use so long as we care for it. If we abuse it, then we may destroy and ravage the work of centuries with which we were blessed.

The tools of science can tell those blessed with sub-surface moisture just how they can both use it now and keep it available for the use of future generations. It is not only practical that they do so; it is their moral obligation.

The use of underground water is divided for several purposes—municipal, industrial, domestic and agriculture. By and for the largest percentage of underground water use in Texas is that directed to agriculture irrigation. This may or may not be surprising, but it is a paradox

since agriculture is probably the only single section of our society which could reasonably survive unaided by underground water. Therefore, underground water is more a blessing to the farmers who have it than to the cities and industries which require it. And blessings must be safeguarded, not abused.

FU Presidents In Support of NTPA Price Position

Alex Dickie, Jr., Texas Farmers Union president, today issued a statement in support of N. T. P. A. position for price increase on their milk. Dickie said, "that it is indeed heartening that the day producers have organized to the point that they now have an effective bargaining power. This, for the first time, will enable the producers to demand that a fair price be paid them for their milk by the milk handlers.

The same dairy companies who are leading the fight against this organized effort by the producers to demand and get a fair price for their milk, are the same ones who yell the loudest about government intervention in farm programs", Dickie stated. "These milk handlers have for a very long time been pricing their product to the consumers and now that the producers are in a bargaining position these companies are screaming their heads off."

Dickie said, "that if we are to have a free agriculture in this country, then the other segments of farm people must very soon arrive at this same degree of organization as have the dairymen. This would allow the government to get out of the farm business as has been long advocated by so many of these same parties."

The Texas Farmers Union president called on all farm organizations, farmers, and other organizations in Texas to stand up and be counted with the N. T. P. A. dairymen and let the public know the truth about the dairymen's position for equity and justice.

Parmer County Farm Bureau News

by Raymond Euler

Members of the Farm Bureau wood committee and others interested, attended the monthly board meeting of a weed control district in Plainview last Friday. The purpose of the visit was to try to determine if the formulation of a control district in this area would help stimulate the voluntary program of bindweed eradication that has been carried on the past four years as a Farm Bureau subsidiary program. A report of their observations will be found elsewhere. Cotton John will show "Tenderfoot in Europe", a brand new documentary film of his recent tour at the tenth annual Farm Bureau convention in Hub community building Monday night, October 6. The public is cordially invited, and the voting membership will receive invitations by letter. There will be several legislative matters discussed and voted upon, too, and the farmer who is interested in the future of REA, rural roads, and opportunity in

agriculture in general should be on hand to voice his opinion. Remember that it is the result of meetings like this that cotton acreages are not being drastically cut in 1959.

Organized effort is a must if the farmer is to retain any freedom in the years coming up real soon. The government is more interested in controlling all industry so it can make promises for voters than it is in providing opportunity for you to use your initiative and ability to improve uses that can't be kept.

Participation of the membership in local, district and state and national meetings is an absolute necessity if you are to have a voice in your future. Compensatory payments to farmers are going to be pushed much harder next year by their pro-

ponents than they were this session of Congress. Unless you know what this kind of program would do to you, we urge you to do some real studying, so that you will know.

Reading that we recommend for giving you an understanding of what is taking place behind the scenes in fields that concern every American are first, the Holy Bible, which is the word of God; and American Mercury, which is a patriotic publication that reveals documentary behind the scenes events that will help you understand how unreasonable some things are that you may wonder if they are unreasonable or not.

CONSIDER THIS: He that hath no rule over his own spirit is like a city that is broken down, and without walls. Proverbs 25:28.

OPTOMETRY: The Art and Science of Visual Care

The odds ARE against her

Through 12 years of public schooling, your child must read and understand an average of 432 books. With such great demands on her reading vision, the odds are against her completing these years without developing a visual problem.

She begins life very farsighted, seeing only form and motion. By the time she starts to school, it is assumed her focusing and eye coordination are developed and equal to the task. If they aren't, then seeing problems can develop.

Professional optometry can determine if she is "visually ready" to start to school. EYESIGHT IS NO GAMBLING MATTER.

Castro County Man Reports—

100 pounds of ammonia made 51-bushel wheat

Dan J. Heard, a successful Dimmitt, Tex., farmer, says: "I put down 100 pounds per acre of Phillips 66 Agricultural Ammonia pre-plant on my irrigated wheat and made 51 bushels per acre average on 108 acres. I'm sold on the dollars-and-cents value of applying Phillips 66 ammonia to my wheat land."

Other successful Southwestern farmers use Phillips 66 ammonia to give them higher grain yields... and more profitable grazing. The 82% nitrogen in Phillips 66 Agricultural Ammonia gives young wheat a fast start, supplies plenty of lush, protein-rich forage that puts on more beef at less cost per pound.

Many of these farmers plow down Phillips 66 ammonia in the fall on maize land. They know that the 82% nitrogen helps decompose crop residue, to provide extra plant food and make the soil more productive. Remember, Phillips 66 ammonia gives you more nitrogen per dollar than any other form of fertilizer—a full 82%.

VOLUME 37, NUMBER 38

Published Every Thursday At Muleshoe, Bailey County, Texas

THURSDAY, SEPTEMBER 18, 1958

More Nitrogen May Be Needed On Wheat Crop

The heavy stubble from last year's wheat crop is responsible for a situation which makes the use of nitrogen fertilizer more important for this year's crop. The situation, says W. F. Bennett, extension soil chemist, means that more of the soil nitrogen will be tied up in the process of decomposing the heavy stubble and a nitrogen shortage will exist.

This shortage would result in a reduced rate for this year's wheat crop during the fall and winter months, says Bennett. The nitrogen needs will vary depending upon the amount of stubble and present level of soil nitrogen. Nitrogen needs at planting time, believes Bennett, will generally vary from 20 to 50 pounds an acre. A soil test can be used to determine the amount.

Phosphorus and potash are found in good supply in some soils but in others these vital plant food elements may be deficient. Here again a soil test could prove most helpful.

Bennett says that in addition to the nitrogen applied at the time of planting, another appli-

cation in late January or early February might prove profitable if the supply of soil moisture is good or if the wheat is irrigated. For information on soil testing, the chemist suggests a visit with the local county agent. Generally, he adds, about 10 days are required for making the laboratory determinations on the soil sample and for getting the results back to the farmer.

Voc-Ag Teachers Boost Amendment

Urging members of Texas Vocational Agriculture Teachers Association and others to support and to work for Amendment One, Association President H. G. Barber of Floydada today officially placed the support of the teacher group behind the measure. The Amendment, No. 1 on the ballot November 4, calls for annual sessions of the Texas Legislature, defines salaries and limits per diem of its members and officially provides for housing for the two chief legislature officers;

the Lieutenant Governor and the Speaker of the House.

In making the endorsement, Barber called attention to the growing need for annual sessions. "The huge business of State Government demands frequent attention from our elected representatives", Barber said. "Amendment One takes a long step in the right direction."

Endorsement of the amendment is one of the activities of the Association's Legislative Committee, made up of James Wester of Palmer, chairman, along with T. J. Honeycutt of Marlin and Carl Maddoux of Odessa. Barber is ex-officio member of all committees.

Blackwater SCD Board Hears Talk On New Equipment

O. L. Armstrong, representative of the state Soil Conservation Service, met with the board of supervisors of Blackwater Soil Conservation District Monday night.

Armstrong advised the board how to go about adding new equipment, and how such a request for new equipment would be handled by the state office.

The board approved progressive plans for the following cooperators:
David Stovall, J. W. Layton, C. K. Corbell, Oran Reaves, W. W. Clark and E. D. Richardson.

H. D. CLUB Clatter

Cool mornings will probably mean a change in your breakfast menus. Of course you will want to continue the serving of a whole grain food to supply your family with much needed B vitamins. I can't think of a more pleasing way to supply these vitamins than by the serving of Graham Muffins. You will not be able to get Graham Flour by that name, but remember that the whole wheat flour that is on the grocery shelves today is the same thing. Here is the recipe:

Graham Muffins

1 1/4 cups Whole Wheat Flour.
1/2 cup white flour.
1/3 cup butter or margarine.
1 egg.
1/4 cup sugar.
2 teaspoons baking powder.
1/4 teaspoon salt.
1/2 cup milk.

Cream sugar and butter or margarine. Add the egg and beat well. Sift dry ingredients together and alternate with the milk. Do not over mix while mixing dry ingredients. Merely mix until each addition is blended. Do not beat.

Bake in greased muffin tins 20-25 minutes in 400 degree oven. Another recipe that I think you may enjoy is one I found in a southern cook book. You may have thought of short'nin' bread as being made with corn meal, but here is one made with flour. I was very anxious to try this

recipe and was very pleased with the results. I used with sweetened peaches to make a short cake. Try it before the last peach is gone.

Short'nin' Bread

1 cup flour.
1/2 pound butter or margarine.
1/2 cup light brown sugar (packed).

Cream butter or margarine and sugar. Add flour until well mixed. Place on floured surface and pat to 1/2 inch thick. Cut to desired shapes and make on ungreased cookie sheet in 350 degree oven for 20 to 25 minutes. This is excellent with any fruit.

Young People Win Attendance Prize At Calvary Church

The young people's class of Calvary Baptist Church won the "King of Sunday School" campaign which ended September 7, by having the most increase in attendance.

Benny Joe Moore is teacher of the winning class. The pastor announced that the entire Sunday School department of the church showed an increase during the attendance campaign.

THE JAIL BOOK

The police blotter at the county jail this week registered the following charges and lodgings in jail:

Three for investigation, one DWI, and seven drunks.

Class Officers Elected

Officers for the senior class of Three Way were elected. Hansford Tunnell is president; Wesley Warren, vice-president; Nan Johnson, secretary; Virginia Klutts, treasurer; Mike Pollard, sentinel, and Donna Shepard, reporter. The class has 16 members.

They have begun selling advertising for the school yearbook.

Mr. and Mrs. Mickey Sowder and children of Lubbock, visited relatives in the community over the weekend.

David, son of Mr. and Mrs. D. C. Lindley, received a multiple fracture of his right arm when he fell from a bassinet while playing with his two older sisters.

Funeral services for Mrs. Dorsey Smith, mother of Irby Smith of Idalou, were held in the Church of Christ at Lubbock, In-

terment was at Sulphur Springs, Texas.

Mrs. Smith had visited her son here when the Irby Smiths were residents of the community.

Mr. and Mrs. D. P. Brinker visited relatives at Idalou and Lubbock Sunday.

Baker and Jim Johnson were in Eagle Pass on business last week.

Visiting in the Elmer Bateas home are their grandchildren, Rod, Molly, and Kenna Cooper of Sundown.

Mr. and Mrs. Thurl Lemons and children attended a family reunion at Portales Sunday.

Guests in the Buck Ragsdale home Sunday were Mr. and Mrs. Woody Lambert and Mr. and Mrs. Clinton Bristow of Muleshoe and Mr. and Mrs. George Tompkins of Muleshoe.

Rev. Wayne Reid and the

Three Way MYF attended the sub-district meeting at the Methodist Church at Anton Monday evening, September 8.

Mr. and Mrs. Robert Lemons of New York City, are visiting in the Thurl Lemons home. Robert is Thurl's uncle.

Mr. and Mrs. W. C. McCelvey visited in the C. J. Spence home at Portales Sunday afternoon.

Harvesting of crops over the community were slowed down due to the rain showers the past few days.

Cotton Ginned

Stegall has ginned two bales of cotton. Maple Co-op Gin has ginned 12 bales, and Casey Gin at Maple has ginned 43 bales.

Mrs. Roy Epperly and Mrs. Buck Ragsdale visited at Plainview and Floydada Friday.

Mr. and Mrs. Lewie Jordan and Linda visited relatives at Lovelland Sunday.

Mrs. Vle Perskey is operating the Stegall iGn Cafe again this fall.

The Goodland Bible Study Club met Tuesday, September 9 with Mrs. Pete Tarlton. The group studied Matthew 27 and 28.

Refreshments of lemon chiffon pie and tea were served to Mmes. W. C. McCelvey, Lewie Jordan, Buck Ragsdale, Tommy Galt, Cass Stegall, Jack Lowe, Jack Hutcheson, Baker Johnson, Clint Everett, L. D. Sanderson, and a visitor, Mrs. T. G. Gaddy of Portales, N. M.

The club will begin a study from Hosea at their next meeting, Tuesday, September 23.

Mrs. C. L. Taylor was released from the West Plains Hospital in Muleshoe Sunday.

Roy Epperly, Jr., was admitted to the West Plains Hospital Saturday morning due to an infection in his finger caused by a grass burr.

BOOKKEEPING books and book-keeper's supplies at The Journal

SOUVENIRS

REFRESHMENTS

Objectives of the Association

1. To provide a dependable source of agricultural credit for dependable farmers and ranchers.
2. To tap the great reservoir of credit existing in the money markets of the nation and bring this money within easy reach of farmers and ranchers regardless of local conditions.
3. To extend credit on a basis that places profit for the borrower ahead of profit for the lender.
4. To adapt each loan to the operation, rather than the operation to the loan.
5. To provide credit to farmers and ranchers at reasonable cost; and
6. To make production credit conveniently available to all eligible farmers and ranchers throughout the territory.

Progress Report

1. Capital and Reserves over \$1,900,000.00 completely owned by over 1350 local farmers and ranchers.
2. In addition to the central Plainview office, field offices are located at Dimmitt, Floydada, Littlefield and Muleshoe.
3. Will lend \$18,000,000 to \$20,000,000 in 1958. Over \$100,000,000 has been loaned since organization in 1934.
4. Current interest rate — 6%

PLANNING VARIETY SHOW

OFFICERS and board members of the Muleshoe choir discussing plans for their part in the "Teen Age Revue", to be staged in MHS auditorium October 23 and 24. Seated left to right are: Lyndal Fletcher, Julia Hollis, Dorothy Weaver, Linda Landers, Carolyn Hicks, Diane Atkins, DeLores Wagon and Jean Gray.

BULA NEWS BRIEFS

School Off To Good Start With Elections

The first and second grades are off to a good start this year with fifteen beginners and nine second graders, with Mrs. Hazel Cook as their teacher. The beginners for this year are: Donna Crume, Sharon Twiney, Judy Snitker, Kay Lee Bradford, Iva Clawson, Margaret Richardson, Elizabeth Henderson, Doris Paiz, Linda Kay White, Eddie Vanlandingham, L. D. Holt, Gary Kessler, Don Newton, Mitchell Autry, Jr., and Bobby Henderson.

Elect Cheer Leaders

The grade school pep squad had a meeting Wednesday of last week to elect the cheer leaders and baton twirlers. The cheer leaders are: Linda Pearson, Judy Clevenger, Thresa Hall and Donna Spence. The baton twirlers are Beverley Clawson and Sherry Howard.

They chose to wear for the pep squad black turtleneck pants and white sweaters. The leaders will wear red skirts with white sweaters.

The Bula Bulldogs started off the football season with a bang, by defeating the Pettit Eagles 36-16 in an eight man football game here last Thursday night. Next game will be with Three Way on Friday at Bula.

The Bulldog calendar for this season is: Sept. 12, Pettit, here; Sept. 19, Three Way, here; Sept. 26, Spade, here; Oct. 4, Nazareth, there; Oct. 10, Cotton Center, there; Oct. 17, Open; Oct. 24, Three Way, there; Oct. 31, Spade, there; Nov. 8, Nazareth, here, homecoming game; Nov. 14, Cotton Center, here.

Keith Fred and Bobby Carlisle were elected football captains for

this year.

Sophomore Class Elects

The Sophomore class had a class meeting Thursday to elect class officers and sponsors. Mr. Erwin Morris was elected sponsor for the class this year. Officers elected for the class were: President, Kay Spence; secretary,

Linda Salver; treasurer, David Williams; reporter, Bonnie Stroud. Student Council representative is Betty Holt.

The class also decided to sell magazines to raise money for the high school football banquet. Larry Pollard's sales so far are the highest, \$100.75.

Freshmen Name Officers

The freshman class also held a class meeting on Thursday to elect officers and sponsor. Officers elected were: President, Donny McCall; vice-president, Jerry Cox; secretary, Linda Phillips; treasurer, Wanda Hubbard; sergeant-at-arms, Durwood Aaron, and class reporter, Freddie Paiz. Mrs. Erwin Morris was chosen as the class sponsor.

FHA Chapter Meets

The Bula FHA chapter met Tuesday, September 9 for their first meeting with 23 present, including their sponsor, Mrs. Duke, and nine mothers.

The meeting was opened with the regular opening ritual. Sandra Angel acting as song leader, led the group in songs. Shirley Cox was elected chairman of the financial committee. Linda Holt was elected program chairman, and Sandra Seagler and Judy Young as recreation committee.

The freshman girls were initiated.

Refreshments of brownies and punch were served by the hostesses, Sandra Angel, Sandra Seagler, Doris McBee, and Kay Spence.

Mr. and Mrs. Tracey Roberts of Idaho were weekend guests in the Jack Hicks home.

Mrs. B. L. Blackman and Mrs. Lulu Harlan visited in Amherst Sunday afternoon with Mrs. Mary Britt.

Ants Bite Child

Gordon Kyle, 18 month old son of Rev. and Mrs. Kyle was hospitalized for about 24 hours over the weekend, suffering from ant bites. Twenty-seven red ant bites were found on the child's body.

R. E. Jones, accompanied by his father, H. D. Jones of Quail, returned Wednesday of this week from a 10 day visit with relatives at Gatesville and Fort Worth.

Mrs. F. L. Simmons and Mrs. Paul Young carried Mrs. Cora Lawton to the home of her son in Levelland, after a 5-day visit in the Simmons home.

Mr. and Mrs. G. N. Leath of Escandido, Calif., spent Monday and Tuesday of last week in the home of her aunt, Mr. and Mrs. D. T. Johnson.

Rev. and Mrs. Dub Kyle and children drove to Lamesa Tuesday afternoon and visited their parents, Mr. J. O. Sprawles and Mr. and Mrs. F. A. Kyle.

Jim Clawson left Saturday for a visit with his son and family.

Mr. and Mrs. Jack Clawson of Maxwell, Calif.

Mr. Clawson made the trip with his nephew, Wilbur Clawson, a Marine stationed at Twenty Nine Palms, Calif., whose parents are Mr. and Mrs. Hulon Clawson of Vista, Calif. The two plan to drive to Peoria, Ill., and visit with friends there, then on to California. Wilbur has been visiting here for the past 10 days with his grandfather, W. L. Clawson and other relatives.

Mr. and Mrs. C. L. Cannon enjoyed a visit last week in the home of Mrs. Cannon's sister, Mr. and Mrs. Edd Speed at Colorado City.

Mr. and Mrs. D. T. Johnson and Mrs. P. M. Lancaster spent Friday and Friday night in the home of the Johnson's daughter, Mr. and Mrs. Don Chesshir at Lockney, and drove on to Paducah Saturday for a visit with Mr. Johnson's and Mrs. Lancaster's sister, Mrs. J. S. Slope.

Mr. and Mrs. Jimmy Cannon and daughter, Janice, spent Wednesday visiting with Mrs.

Cannon's brother and family. Mr. and Mrs. Leroy Johnson of Hereford.

Kenneth Hasteley from Midland, spent the first part of the week here with his parents, the L. V. Hasteleys.

Gerald Thompson, son of Mr. and Mrs. H. G. Thompson arrived home Saturday and will assume his duties as science teacher in the Pep school. Gerald has

been in the Army and stationed most of the time in the eastern states.

FORMER FORD DEALER A VISITOR THIS WEEK

Mr. and Mrs. L. H. Jones, of Henderson, former Muleshoe residents visited here briefly early this week with old friends.

Mr. Jones formerly was Ford dealer here, is now dealer for Ford at Henderson.

ATTENDS WTSC

Lucille Davis, daughter of Mr. and Mrs. Elbert Davis of Progress, left Saturday to attend WTSC at Canyon where she is a junior student.

ATTENDS PIANO WORKSHOP

Mrs. Sam McKinstry attended a piano workshop in Clovis last Wednesday to review new material presented by Mary Elizabeth Whitner.

PLEASANT VALLEY VIEWS.....

Local Boys and Girls Leave For College

by Mrs. Norman Hodges

Mr. and Mrs. A. F. Wedel of Littlefield and Mr. and Mrs. Melvin Bock and boys of Earth, were guests last Sunday of Mrs. June Free and children.

Mrs. Flora Hardin of Midland is spending two weeks here with her daughter and family, Mr. and Mrs. C. W. Calhoun.

Leave For College

Several boys and girls left Sunday for college. Royce and Doyce Turner are entering Tech at Lubbock. Terrell Hodges and Nan Allison are entering West Texas State at Canyon. Frank Wuerflein entered Wayland College at Plainview last week.

Mr. and Mrs. Frank Taylor of Mountain View, Ark., visited recently in the home of Mrs. Lillie Wuerflein and family.

Mr. and Mrs. W. A. Hardin and girls went to Cotton Center over the weekend to stay in the home of Mrs. Hardin's sister, Mr. and Mrs. Weldon Lee. Mr. and Mrs. Lee were away, so the Hardins took their daughter to Hale Center Friday night for the football game. Then Saturday afternoon Mrs. Hardin, Shirley and Steve Lee attended a wedding in Plainview.

Miss Pat Inman and Robert Hartsell of Houston visited last week in the home of her parents, Mr. and Mrs. John Inman and girls.

Mrs. Maggie Inman, 79, of Snyder, mother of John Inman, fell at the home of her daughter and broke her leg. She underwent surgery Friday morning and is reported doing fine. All eleven of her children were at her bedside.

Celebrates Birthday

Mrs. Angie James of Tahoka, celebrated her 81st birthday Sunday.

PLEDGES DELTA GAMMA

Elaine Evans of Muleshoe is one of 261 freshmen girls pledged by Texas Tech's 10 national social sororities during fall rush. Dr. Florence Phillips, dean of women has announced.

Miss Evans was pledged to Delta Gamma sorority.

TO NEW MEXICO

W. A. Kemp left Tuesday for Hot Springs, N. M., where he will spend the week.

day. She is the mother of Mrs. John Inman. All ten of her children were present for the celebration.

Mrs. Bonnie Haberer attended the wedding Saturday night at Earth of Yvonne O'Hair, daughter of Mr. and Mrs. Ed O'Hair and Dwayne James.

Russell Haberer played in the golf tournament at Hereford over the weekend.

Bonnie Haberer spoke at the Rotary Club Tuesday at noon in Muleshoe.

The Recreation Club meets Saturday night, September 20, at 8:00 o'clock at the community building. Everyone is urged to attend.

LIGHTNING SETS FIRE TO HAYSTACK: 300 TONS BURN

A bolt of lightning struck and set fire to a large stack of millet hay on the farm of D. H. Sneed in New Mexico Monday night. The fire destroyed 300 tons of hay, despite the fact that it was raining at the time.

A second stack containing 200 tons was saved by employees of the farm who extended some aluminum pipe to the stack and quickly applied water to it.

ADDING MACHINE paper all standard widths. Visit The Journal office for your office needs.

Note Increase In Farm Housing By FHA Financing

Last spring the farm housing program of the Farmers Home Administration was expanded to speed up farm building construction and to serve as an anti-recession measure, according to John C. Kennedy, county supervisor.

Since that time considerable interest has been shown in this program by land owners of Bailey county.

As owner of a farm on which the operator plans to produce at least \$400 worth of farm commodities may qualify for a housing loan provided he meets other standard eligibility requirements. Many part time farmers who were previously ineligible can qualify for loans under the expanded program.

Loans may be made to build, improve, or repair farm houses, granaries, hay barns, and other essential farm buildings, including farmstead water supplies.

Kennedy stated that in addition to financing major construction, funds are available for farm home modernization such as adding bathrooms, utility rooms, or modernizing kitchens.

While tenants and farm laborers are not eligible, the owner may borrow to do the construction work or make the improvements for them.

Loans are made to farm owners who need credit to finance building improvements or repairs, but find that adequate credit is not available through banks or other regular credit channels.

The interest rate is 4% and loans may be amortized over periods up to 33 years.

Eligibility for loan assistance is determined by a three-member county Farmers Home Administration committee, and applications are now being accepted in the local FHA office located next door to the Post Office in Muleshoe.

"A Diller, A Dollar..."

SUMMER'S END and the start of another school year is a time of mixed emotions for youngsters. Caught in these photos are two quite different yet typical reactions. An "old hand" at cracking the books (left) frowns dejectedly. To him, school is only a confinement. To the tots receiving last minute instructions from mother (below), however, school is an awesome adventure—their first "away from home."

WHETHER THEY ARE happy about school or not, if you drive you have a responsibility to see children arrive there safely. Watch for signs like this one. Slow down as you approach, ready to stop.

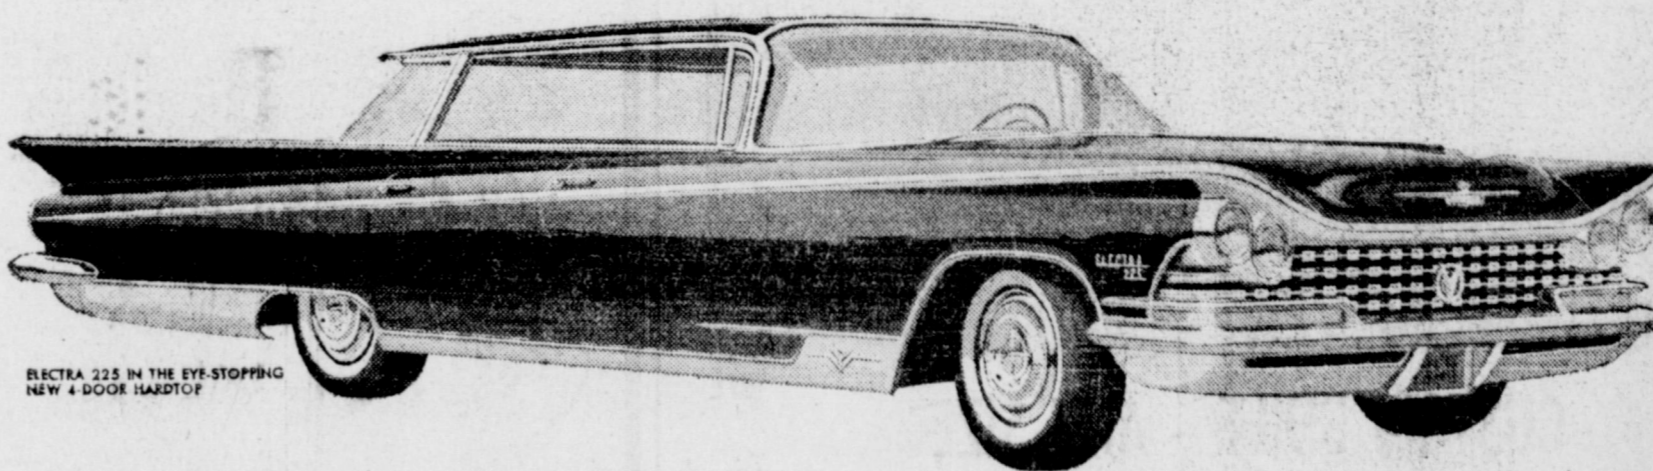

STAY ALERT DRIVING near school buses. Be prepared to stop quickly. More buses like this International are taking to the road now, because more children are attending school than before.

ON DISPLAY TOMORROW, BUICK '59

THE CAR

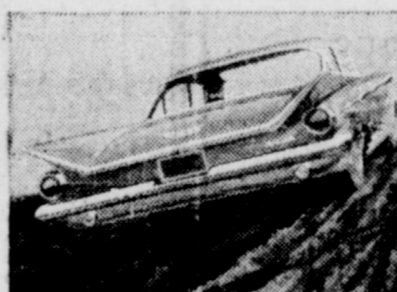

ELECTRA 225 IN THE EYE-STOPPING NEW 4-DOOR HARDTOP

Here it is... and now you know! Know why we have called this *THE CAR*. Know that a new generation of great Buicks is truly now here. From just this one view you can see that here is not just *new design*... but splendidly *right design* for this day and age. A car that is lean and clean and stunningly low... and at the same time great in headroom and legroom, easy to get into or out of. And when you see your Buick dealer and walk the whole wonderful

way around this Buick, you'll know still more how *right* all this is. From anywhere you look, here is a classic modern concept that is Buick speaking a new language of today. A language of fine cars priced within the reach of almost anyone. A language of quality and comfort and quiet pride of ownership. And when you see your quality Buick dealer and get behind the wheel, the car will speak to you in a language of *performance satisfactions* without equal.

THE LOOK. A clean, lean, new kind of fine-car look. The look of the best-engineered, best-manufactured Buick ever built... and the most excitingly beautiful design in Buick's nearly 60 proud years.

THE ACTION. Get the feel of thrifty new Wildcat engines. New Equipoise ride. New fin-cooled rear brakes and aluminum front brakes. New Twin-turbine and Triple-turbine transmissions.*

THE QUALITY. Buick quality to the core, new super-quiet bodies by Fisher. New Magic-Mirror finish retains its beauty longer. New interior décor throughout. Safety-Plate Glass everywhere. Magnificent new quietness, new comfort, the feel of fine-car quality everywhere! Yours to test, yours to savor—the magnificent new Buick for 1959.

*Optional at extra cost on certain models.

Lazbuddie FU Names Officers

The Lazbuddie Farmers Union met September 11 at the school lunch room with approximately 35 members present. James Welch, legislative chairman, gave a report on recent bills that have been passed and pointed out the things that would and would not help the farmer. Don Watson, David Smith, and Eugene Houston gave a report on the Farmers Union camp they attended. Gene Phillips showed

year the Texas juniors will be able to have a camp of their own. Authorities are now looking for a camp site. Newly elected officers for the Lazbuddie Farmers Union are: T. O. Lesly, president; Freeman Davis, vice-president; and James Welch, secretary-treasurer. These officers will form the executive committee and will meet soon to appoint other officers. The Junior Farmers Union also elected officers. Newly elected are Don Watson, president; Carol Reilvine, vice-president; and David Smith, publicity. These officers are to serve for four months. The purpose of four

month terms for the Junior officers is to give more young people an opportunity to serve in positions of leadership. The climax of the evening was when Chuck Deaton, Texas educational director, showed colored slides and told of his own experiences in Scotland. Chuck was one of eight Farmers Union exchange students. Chuck lived with a family in Scotland and worked on their dairy farm. We know more about Scotland's farming and education system after having Chuck share some of his experiences with us. In February exchange students will again be coming from different countries in Europe to the United States. It is possible that we could get one of these students in our community if some farm family were willing to share their home.

W. D. PENNEY, left with a 30 pound yellow cat he caught on Lake Buchanan last week. With Penney is his father, H. C. Penney of Sudan, and Mack Talkington of Odessa.

Dr. J. O. Culbertson To Address Sesame Growers Field Day

Dr. J. O. Culbertson

Dr. J. O. Culbertson, head of the Industrial Crops Section of the Oilseed and Industrial Crops Research Branch of the U. S. Department of Agriculture, will be the speaker here September 22 when Texas Sesame Growers, Inc. plays host to the farmers of the area with a field day and barbecue.

The field day will begin at 11 a.m. with an inspection of USDA's regional Sesame yield tests which are being conducted here in cooperation with the Ses-

colored slides that were taken at the camp. This year the Texas Junior Farmers Union met in a joint camp with the Oklahoma Junior Farmers Union at Turner Falls, Okla. It is hoped that next year production and marketing organization. The event will also mark the opening of a new milo storage warehouse and elevator which will more than double the capacity of Texas Sesame Growers, Inc., High Plains plant.

Dr. Culbertson has spent a lifetime in agriculture, both in research and teaching. His last teaching assignment was as professor of agronomy and plant breeding at the University of Minnesota. He has served as president of the Flax Institute of the United States since 1952. He was named to his present position with the USDA in 1957.

Farmers attending the field day and barbecue will see results of USDA's comparative

yield tests with Sesame, as well as fertilizer, row and plant spacing and other tests with 272 individual strains of Sesame.

Robert L. Parker, executive vice-president of Texas Sesame Growers, Inc. announced that the new grain storage facility would be ready for the milo harvest. He also pointed out that the seed processing plant on the site would be used to process a large part of the High Plains Sesame crop this year, as well as other seed and grain produced in the area.

PLEDGES FRATERNITY AT T. C. U.

Gaylord Tate, son of Mr. and Mrs. Cecil Tate, has pledged Sigma Phi Epsilon at TCU this fall. Gaylord is one of 124 newcomers who pledged eight Greek letter fraternities on TCU campus.

PTA Reports 572 Members Enrolled

Muleshoe P-TA membership numbered 572 a report made at the regular meeting Monday revealed. About 165 persons attended the Monday meeting. Mrs. B. R. Putman presided during the business meeting.

Supt. Jerry Kirk introduced the new teachers present and spoke

briefly on the importance of sending the children to school every day possible in regard to the state aid allowable on new teachers.

Sgt. Lawson of the State Highway Patrol introduced the officers in the Safety Patrol Unit and recognized all members present.

CALDWELLS HOME AFTER TRIP TO NORTHWEST

Mrs. S. C. Caldwell, Mr. and Mrs. Gene Caldwell and daughter

returned Wednesday night from a 7-day trip to Twin Falls, Idaho, to visit their daughter and sister's family, the Alfred Clays.

They went by way of the Petrified Forest and the Grand Canyon in Arizona, Zion Park in Utah, and came back by way of Salt Lake City and Denver. While there they visited Thousand Springs, Sun Valley, and Red Fish Lake, as well as several water falls along Snake River.
