'Absentee Deadline Friday Night For Voting In November 4 Election

Friday, October 31, at 5 p. m., is the final date and time at which absentee vote may be cast for the November 4 general election, county clerk Al Griffin announced Tuesday afternoon. Griffin said only three absentees votes had been cast at that time, but that a fairly large turnout is expected at the polls on November 4, particularly in Precinct 1.

Interest in the election took a sudden spurt with the announcement of a number of individuals who are seeking the precinct 1 commissioner post, left vacant by the recent death of Tom Morgan. The office has two years to expiration, and the Journal has been authorized to announce the candidacies of Mrs. Tom Morgan, J. W. Watts, Webb Watts, Gil Wollard, Clyde Bray, R. O. Gregory, Jack Julian, Pete Black and C. E. Briscoe.

Since the ballots have already been printed, voters must write in the name of their candidate for the commissioner job, in a specially prepared portion of the ballot.

Voters in all of Bailey county's precincts will find something of interest in the November 4 general election. There are nine constitutional amendments to be sent up upon, several of which are of primary importance to local voters.

Much space has been devoted to discussion of each; therefore they are listed here only by caption, to refresh the memory of voters:

Provide for an annual session of the legislature and changing the compensation of members; authorizes each county to establish a retirement and disability fund for employees and officers; provides vacancies in the office of county judge and justice of peace to be filled by the Commissioners Court only until the next general election; provides that officers serving four year terms must resign before announcing for a different office if there remains more than one unexpired year of the term for which he was elected;

Provides that home rule cities may establish office terms of

McCullough Rites Thursday At Brownfield Chapel

Funeral services for Mrs. Mattie J. McCullough, 81, stepmother of Mrs. Roy Taylor of Muleshoe, who died Wednesday, were held Thursday afternoon from memorial chapel of a Brownfield funeral home. A. J. Franks, pastor of Northside Baptist church officiated.

Mrs. McCullough had been a Terry county resident for more than 50 years, living near Tokio. She was a native of Tennessee, and a member of the Baptist Church.

Other survivors than Mrs. Taylor, include six stepchildren, one daughter and a number of grandchildren.

Methodists Fund Campaign Ends With Goal Almost Complete.

The Roy Farrow fund campaign of Muleshoe's First Methodist Church wound up Wednesday night with two teams of solicitors reporting only \$2792.40 short of the \$33,182.80 goal.

A victory dinner held at the Church hall Wednesday evening resulted in reports of a total of \$50,390.40 in pledges, with some pledge cards still out. The \$33,182 goal set, was for church operational expenses and the annual building fund budget.

Two divisions of solicitors worked pledge cards among the congregation during the past two weeks. Ralph Douglas' team, had less pledges than the team captained by Noel Woodley, and next Wednesday night the losing group will entertain the winners at a dinner.

Douglas' team had pledges to

Good Roads Dinner November 4 To Highlight Talk By Marshall Formby

Business men of Muleshoe and environs are invited to attend a Good Roads Dinner, sponsored by the Highway 70 Association local group, to be held November 4, at 7:30 p.m. in Fellowship Hall of First Methodist Church.

Harold Griffiths, of the Highway 70 group announced that tickets for the dinner, at \$1.25 per plate, are on sale at the Chamber of Commerce office, or from him. A roast turkey dinner with all the trimmings will be

more than two years, but not more than four years; provides for Ranger retirement pensions; authorizes advertising funds for Texas; gives the legislature authority to increase medical care for old age assistance; and authorizes a hospital district in Amarillo, Wichita county, and Jefferson county.

Pete Black In Race For County Commissioner

Pete Black is in the race for Commissioner, Prec. 1, to fill the unexpired term in that office, he told The Journal this week. The office will be filled by a write-in vote in the general election the coming Tuesday, November 4. Mr. Black made the following statement on his candidacy:

To The Voters of Prec. 1, Bailey County, Texas:

This letter is for the purpose of letting you know that I am a candidate for the office of County Commissioner, Prec. 1, Bailey County, Texas, this being for the unexpired term of the late Tom Morgan.

I have been a resident of Bailey County for the past 26 years and of Prec. 1 for 16 years. I am well informed as to the needs of our county and precinct, and being a taxpayer, I realize the need of making each tax dollar go as far as possible in providing the necessary services needed in our county and precinct.

Realizing the significance of desiring to be your commissioner from Prec. 1 and with the trust and confidence you will be placing in my decisions as a public servant, I humbly solicit your vote on November 4. When you write in the space provided on the ballot, write "Pete Black" to vote for me. Your vote and influence will be appreciated.

PETE BLACK

C. E. Briscoe Is Candidate For Commissioner

C. E. Briscoe has authorized The Muleshoe Journal to announce that he is a candidate for the office of Commissioner, Precinct 1, unexpired term, and he makes the following statement to the voters of the precinct:

I have lived here since 1929, and have been a taxpayer in precinct 1 for 15 years.

I know the problems that confront our fast developing area, and realize it is a full time job. I feel I am qualified for this job, and will carry out my responsibilities fully.

I would appreciate your write in vote in the General Election on November 4.

C. E. BRISCOE

Jim White Among SWPS Employees To Receive Pins

James G. White, of Muleshoe, and employees of Southwestern Public Service Company, will be honored, along with 35 other Plains division employees, at the tenth annual service awards dinner to be held by the company at the Hilton Hotel.

Mr. White will be presented with a 10 year service award.

Following the dinner and presentations of awards, the honorees and their special guests, including company officials from Amarillo, will participate in a skit entitled, "Where the Money Goes", a dramatic portrayal of how the company's revenues are paid out in wages, fuel costs, supplies, taxes, depreciation, interest and dividends.

Muleshoe Federal Credit Union Organized Monday Night Officers and Committees Named To Begin Operation Of Muleshoe CU

J. D. Luton, representing Texas Credit Union League, explained how credit unions operate, and devoted some time to answering questions from the floor.

Named to the board of directors to serve until the first annual meeting in January, were: D. B. Lancaster, J. M. Forbes, Ernest Kerr, C. L. Peat, Carroll Goss, Jr., Senn Slemmons and Jim Burkhead.

The directors met Tuesday morning and elected officers. Named to the credit committee, which passes on all loan applications, were M. E. Simmons, Buddy Blackman, C. O. Jones, Carroll Pouncey, and Robert Harrison.

Supervisory committee members, who periodically check the operations of the union, are Connie Dale Gupton, Clio Middlebrooks, and Gordon Doss.

Mrs. Helen Moore was appointed assistant treasurer, and will accept members savings, making deposits, and take care of the paper work of the new organization. Mrs. Moore is secretary to the Chamber of Commerce manager, Senn Slemmons.

Luton told the group of the beginning of credit unions, tracing the history from Germany, to America where Edward Filene became interested in the movement and devoted much time and money to organize credit unions in this country.

Deposits may be made with Mrs. Moore at the Chamber of Commerce office beginning today. Passbooks will be issued to each member, in which all his personal transactions are recorded.

Membership fees are 25 cents per person, and a savings account of \$5 entitles each person to one vote at the annual meeting.

Also visiting at the meeting, was Mr. Benson, and Mrs. Lucy Jones, manager of the recently organized Friona Credit Union.

Funeral Services Held Monday For Mrs. J. Hilburn

Mrs. Roe Stroud's mother, Mrs. Jessie Hilburn, 88, passed away October 25 at the home of a daughter, Mrs. Ivy Rush in Shamrock. Mrs. Hilburn had been bedfast for 2 1/2 years.

Funeral services were conducted Monday from Hixsons Chapel at Shamrock, with interment in Childrens cemetery, Rev. Woods, of First Methodist Church, officiated.

Mr. Hilburn preceded his wife in death 20 years ago.

Survivors include two sons; Clarence of Shamrock and John L. of Springdale, Ark.; five daughters, Mrs. John Rush, Mrs. West Stroud and Mrs. Bud Cook of Shamrock, Mrs. Roy Crump of Dallas and Mrs. Roe Stroud of Muleshoe; 15 grandchildren and eight great grandchildren.

Chief Jones Is Named President Anhydrous Group

F. W. "Chief" Jones, Muleshoe, was elevated to the presidency of the Anhydrous Ammonia Assn. of Texas at Lubbock Monday during the opening day program of the group's sixth annual convention at the Caprock Hotel.

Jones, the immediate past vice-president, succeeds T. C. Duffie, Chillicothe. Other new officers are Marion Badger, San Angelo, vice-president, and Jimmy Alfred, Hereford, secretary-treasurer.

Alfred succeeds S. H. Bavousett, Friona. Bavousett and Duffie were named as directors to succeed J. P. Giles, San Antonio, and Bill Holloway, Greenville, whose terms expired.

WTSC Faculty Group Entertains At Lions Club

Four members of the faculty of West Texas State College presented a varied program of entertainment at the Wednesday luncheon meeting of the Muleshoe Lions club, with Jerry Kirk as program chairman.

Tom Langston, a professor of psychology, presented two numbers, whistling "Evening Star" from "Tannhauser", and "Listen to the Mocking Bird", accompanied by W. R. Wilson, of the WTSC staff, at the piano.

Mrs. Marian Forbau accompanied Miss Donniss Plunk, who sang "Without a Song", and the laughing aria from the opera "Die Fledermaus" by Johann Strauss.

Mr. Wilson spoke briefly on the positive approach, citing examples of positive thinking in the parables of the Bible.

Other guests included Judge Bill Street and court reporter Bobby Rogers, and Dr. Martin, of Wisconsin.

LaComa Gin Open On Friona Road

The LaComa Gin, located 14 miles north of Muleshoe on highway 214, is now open for business.

Gin manager W. J. Boutwell announced this week that the gin features Murray gin stands and tandem Moss-Gordin lint cleaners.

Otis Henson, who has had many years experience with Plains cotton, is ginner. The new gin, moved here from the Rio Grande Valley, will offer one stop service on loan papers.

Harvest Halted As Wintry Winds Take Toll of Area Cotton Crop

A cool front, bowing in from the northeast early this week triggered moisture over Bailey county fields, many of which are still white with cotton. Although more than 9,000 bales were ginned in the county last week, this week weather conditions brought the figure down to 1100 bales.

For all practical purposes the cotton harvest is complete, with only a small amount of the bumper crop still in the fields. Some sesame remains to be threshed, although up to the time the weather changed, much of this seed crop was being threshed.

At least two freezes have resulted in most of the cotton being ready for harvest, and it is expected that the majority of the balance still in the fields will be stripped mechanically. Some scattered stripping has been reported already.

The cotton harvest has been delayed in this area, as in most other parts of the Plains, by a shortage of labor, despite an increase in the number of Braceros certified for Bailey county recently.

A critical shortage of agricultural labor faces this area because of the demand for housing for domestic laborers and their families. On the farm housing for domestic labor is a requirement of Labor laws, and until either private housing, or a central domestic labor housing project can be undertaken, there is a chance that Bracero labor will be removed from the area permanently. Farmers and businessmen of Muleshoe are working on the problem at this time.

Harold Freeman Opens Service Station Here

Harold Freeman is announcing this week that he is now operating Kinards Quick Way station under the name of Trade Winds Service.

The station is located at West Fifth and Clovis highway, offering complete car and truck service.

Work Begins On Piggly-Wiggly

Tidmore Construction Co., of Lubbock began work Monday on leveling land for construction of the new 16,000 square foot Piggly-Wiggly Supermarket on the Clovis highway between West Fourth on the east, and Avenue B on the south.

Final removal of existing buildings from the half block site was completed late Saturday, and outlines of the new store were staked by crews Monday.

The new store will be ultra-modern in design, and of fire-proof construction. It will feature enlarged space in all departments, 135-car capacity parking lot, and many new innovations in supermarket design.

Presbyterians Seek Church

There is to be a meeting Thursday, November 6 at 7:30 p.m., at Leigon's Cafe of all people interested in starting a Presbyterian Church in Muleshoe.

Dr. Lynn Rankin and Dr. Bill Everhart of Amarillo and other extension missionary officers will be here to advise and answer any questions.

This is a very important meeting and everyone interested is urged to attend.

Demo Chairman Urges Heavy Vote In Every Precinct In Bailey County

Inasmuch as the number of votes cast in the General Election November 4 will affect the number of delegates to the various precinct and county conventions in the next two years, it is very important that a large turnout of voters in each voting precinct be registered.

This is the point made by Harvey Bass, Bailey County Democratic Chairman, in urging a heavy participation of the voters in the coming election.

Bass noted that in the Muleshoe box there likely will be a heavy vote because of the write-in vote to fill the unexpired term of the late Tom Morgan as commissioner, Prec. 1. But he said that in the other boxes there is no real contest.

He said, however, that the lack of a good vote total in this election will be felt by each voting box, because the number of ballots cast is used as a yardstick to determine the number of county convention delegates, and delegates to the state convention.

Week of Prayer Observed By Methodist WSCS

A program in the Youth Chapel of First Methodist church Monday evening marked the observance of Week of Prayer and Self Denial by Methodist women throughout the country. All three circles of Woman's Society of Christian Service joined with Wesleyan Guild in presenting the program on the work of Methodist women throughout the world.

Mrs. Jack Morris, chairman of Esther Circle, presided over the meeting. The program was directed by Mrs. W. D. Moore, Spiritual Life secretary of the organization.

Mrs. J. E. McVicker spoke on the Eliza Bowan Auditorium to be built at Santiago, Cuba with the help of funds from the Week of Prayer offering. Mrs. Mack Ragsdale told of life in a hostel in Mexico, another phase of the work of Methodist women. Mrs. David Anderson presented a graphic picture of the needs of the Bolivian people for the Christian church and Mrs. Ralph Douglas discussed the Deacons Retirement Fund, also a project of the Week of Prayer and Self Denial offering.

Twenty-three members were in attendance.

Association of Women Students from her class last week at Texas Tech. She won over four other candidates seeking the post.

She is majoring in fashion design.

WSCS Circles Continue Study

Mrs. Dean Bishop completed the study "The Middle East" with a discussion of "The True Way Into the Future", at the Tuesday afternoon meeting of Mary Martha Circle of First Methodist Woman's Society of Christian Service.

Mrs. H. Jay Wier led the group in reading responsively the hymn "Salvation Made Known". Mrs. Oscar Allison talked on the possible projects to be adopted as result of the study. It was decided to send subscriptions of the magazine "Together" to a girl's school.

Mrs. I. F. Willman read Romans 10:13, 14, 15.

Parliamentary Workshop Set By Study Club

The Muleshoe Study Club will conduct a workshop on parliamentary procedure November 6. Mrs. Ada Cocanougher, president of the Seventh District Federation, and Mrs. R. B. Jones, vice-president of the district, will

teach the course.

Anyone interested in parliamentary procedure is welcome to come to the workshop. There is no charge. We will meet in the Masonic Hall at 10:00 o'clock the morning of November 6. Everyone is to bring a sack lunch. There will be entertainment during the lunch period.

This course will be beneficial to any one working in any type of organization. Whether it is a Sunday School class, any organization of the church, P-TA, or club work. We would be very happy to have a large class for these two ladies to teach. Mrs. Cocanougher is coming from Lubbock, and Mrs. Jones is from Plains.

We especially invite the executives of all the Federated clubs in this area to attend. Don't forget. The Masonic Hall, 10:00 o'clock Thursday morning, November 6, and bring a sack lunch!

**Grain Sorghums
Big Business In
Texas Farm Scene**

Grain sorghum has taken a place of prominence in Texas agriculture. Annual grain sorghum production in Texas has been more than 100 million bushels five times since 1949 with a maximum production of 238 million bushels in 1957. The average annual monetary value of the crop in Texas since 1949 has been 130 million dollars and it is the second crop in Texas in money value, being exceeded only by cotton.

Sorghum as a grain crop in the United States is exceeded in production only by wheat and corn. As a world food grain, sorghum ranks third behind rice and wheat.

The chief use for sorghum grain in the U. S., is feed for poultry, cattle, sheep and swine. The grain which contains 12 percent protein, 3 percent fat and 70 percent carbohydrates, compares favorably with corn as a feed grain. The starch from the grain can be used for food products, adhesives and sizing for paper and fabrics.

Sorghum is grown for grain on substantial acreage in about 135 Texas counties. Cultural practices are similar to those required by other row crops such as cotton and corn. The method of seedbed preparation and later cultivation depends largely on the soil, climate and kind of equipment available.

The head smut problem is centered in the Coastal Bend area, parts of the Central Blackland area and in parts of the High Plains area, points out Smith. Damage in some fields in the Coastal Bend area is as high as 60 percent. Some fields in the southern part of the Central Blacklands report as much as 50 percent damage and Deaf Smith county suffered as much as 20 percent damage.

Smith attributes the build-up of head smut primarily to the widespread planting of susceptible varieties and hybrids. Among the most susceptible varieties are Martin, Texicoa 54, Combine 7078 and RS 610.

In most varieties of hybrids, Smith points out that affected heads are sterile. Tiller heads on the side of the plants are smutted. This condition is sometimes hard to detect because the smut is concealed by leaves.

Where fields are free of the disease fungus, the pathologist says seed treatment with panogen or ceresan is effective in preventing the smut. Resistant varieties are required in fields which are infested. Avoid continuous crops of sorghum.

Resistant sorghums available commercially are RS 630, Caprock, Plainsman, Redbine 66, feterita and hebari, though these are not too widely accepted. Texas 601, Texas 620, RS 650 and Redbine 58 have a certain degree of resistance and may be used of otherwise adapted to the area.

Work is already underway by the Texas Agricultural Experiment Station to incorporate resistance into acceptable hybrids.

CARD OF THANKS

We wish to thank our many friends of Muleshoe, Needmore, and Circleback for their kindness showed us during the time Harold was in the hospital.

And especially do we thank the doctors and nurses at West Plains Hospital for working with him so faithfully. May God bless each one of you.

**Lancaster Heads
Credit Union**

D. B. Lancaster was elected president of the newly formed Muleshoe Federal Credit Union, when the board of directors, chosen at an earlier meeting, met to organize Tuesday morning.

Other officers elected: Jim Burkhead, vice-president; Clinton L. Peat, clerk; Senn Slemmons, treasurer. Mrs. Helen Moore was elected assistant treasurer. Temporary officers of the Union will be at the Chamber of Commerce office, located at the northwest corner of the square.

Directors are: Ernest Kerr, Jim Burkhead, Carroll Goss, Jr., J. M. Forbes, C. L. Peat, D. B. Lancaster and Senn Slemmons. These officers are to serve until their successors are elected January 1.

The directors voted to provide loan coverage insurance and life savings insurance, selected a local bank as depository, set no limit on number of shares to the person, established the legal limit on loans to members, and set the interest rate in other action that morning.

The Credit Union is now accepting deposits and is open for business.

**Glenn Tibbetts
Joins Bank At
Midland Recently**

Glenn E. Tibbetts of Midland has joined the Commercial Bank and Trust Company as assistant cashier.

Employed by Universal CIT Credit Corporation upon graduation from college, Tibbetts has been branch manager in Midland for three years. He received his BBA degree from North Texas State in Denton in 1952, with a major in personnel management.

Mr. and Mrs. Tibbetts and their two sons, David and Gregory reside at 3116 Kessler, and attend St. Luke's Methodist Church.

Tibbetts was born in Haskell county, and reared at Muleshoe, where he attended high school. He is the son of Mr. and Mrs. R. T. Tibbetts of Muleshoe.

Mrs. Tibbetts is the former Gerrie Moss, daughter of Mrs. Bessie King Moss of Jacksboro.

**Obligation For
Jury Service Is
Cited By Young**

Jack Young, county attorney, told Rotarians and their guests that the present "heedless" attitude of men and women who often plead "too busy" as an excuse for not serving on juries, constitutes a serious problem in the U. S. when he addressed the Rotary Club at its Tuesday luncheon.

Much of the time, he said, flimsy excuses are offered by some of the best qualified and most intelligent people, in effect leaving this vital duty to be discharged by those less qualified. The right of trial by jury, he said, is one of our most sacred privileges, and any privilege carries with it an obligation.

The citizen has the duty not only of serving on a jury and thus providing a litigant with the right to have his case judged by a group of his peers, but the citizen also has the duty and obligation of being a witness. He said many times people will claim they did not see an action or occurrence in order to avoid having to be a witness. The jury system is a part of the judicial department of our government, he pointed out, and the juror has a chance to be a direct participant in government by serving on a jury.

Mr. Young was introduced by Rotarian Clyde Black, program chairman.

**Olton-Lockney
Game Highlight
For Friday Night**

All eyes in District 2-AA will be on the Lockney-Olton game Friday night as they do battle at Olton. The Longhorns pulled the major upset on the South Plains as they put down the Antelope eleven 22-12 Friday night. Lockney went into the game with a two won, four loss record against the Antelopes' perfect record of seven wins and no losses. Olton now has a 3-5 record for the season. The Mustangs gave the Mules a scare here in the conference opener, and could give the Longhorns plenty of trouble.

Mr. and Mrs. Tibbetts and their two sons, David and Gregory reside at 3116 Kessler, and attend St. Luke's Methodist Church.

Tibbetts was born in Haskell county, and reared at Muleshoe, where he attended high school. He is the son of Mr. and Mrs. R. T. Tibbetts of Muleshoe.

Progress News

by Mrs. M. O. Nigh

The Baptist WMU ladies met with 11 members and one visitor Monday evening for a business meeting, with their president, Mrs. Mary Marrow. The scripture studied was Psalm, 96th chapter.

They had a social hour, following with a birthday shower honoring Mrs. Bessie Davis on her 70th birthday. She received several presents.

Those present were served cake and punch.

Visiting Mrs. Cene Merritt and family this week was her aunt. Also visiting in the Merritt home Tuesday of this week was her sister from Portales, N. M.

Mrs. Pauline Houston of Bovina spent Wednesday of last week visiting her sister, Mrs. Clyde Henry.

Celebrated Anniversary And Birthday

Mr. and Mrs. C. A. Bishop celebrated their 56th wedding anniversary October 21. Their grandson, Larry Nigh

had his 12th birthday October 22, and they had their dinner together Wednesday afternoon in the home of their daughter, and Larry's parents, Mr. and Mrs. M. O. Nigh.

Mr. and Mrs. Joe Walker and sons, John Gwyn of Hobbs, N. M., spent Friday night and Saturday visiting Mrs. Walker's parents, Mr. and Mrs. Byron Gwyn.

Terry Bryant, small daughter of Mr. and Mrs. A. C. Bryant, had a tonsillectomy at a Littlefield hospital Friday, October 24, and came home Saturday.

Guests in the Rev. and Mrs. C. C. Lamb home this past week were their daughter and family from Levelland. Two of their grandchildren spent the weekend and the Lambs took them home Monday.

R. M. Gibsons had as their guests this past weekend their daughter, Mrs. Howard Amick and granddaughters.

The Intermediate and Young People gave a church supper for all the senior members over 50 years last Wednesday evening, before prayer meeting.

THE BEGINNING—Professor W. E. Byron of the Arizona Experiment Station, Tucson, tests a sample of Supima, an extra long staple cotton fiber he developed in 1955. Used in the production of extra fine fabrics, Supima has become a favorite of leading American dress designers.

SPORTSMANDE—As the boy grows, his hobbies and interests set a theme for his room. Colorful draperies, bedspread, and scatter rugs give the decor a masculine air. Protective side pieces have been removed from the bed, also designed for the pre-school child. A cotton innerspring mattress on the bed provides the comfort and support a growing youngster needs.

R. O. Gregory Solicits Your Vote For COUNTY COMMISSIONER

To the voters of Precinct 1:

I want to take this means of thanking each of the voters in this Precinct who have been so nice to me during this short campaign for County Commissioner. No person can be elected without the help of his friends and the people who believe in him, and whether I win or lose, I want each of you to know that to you personally I am forever grateful.

I pledge at this time, that if elected your County Commissioner that I will at all times look out after your interests both in regards to the working of your county roads and the handling of your tax dollar. The County Commissioners job is a full time job and if elected I shall give you a full time day's work for a full time day's pay.

If I have not seen you personally, please understand that I just could not get around to seeing each of you, so if you see your way clear to vote for me, I will be forever grateful.

This County needs to keep its finances in a good sound condition, and I pledge to do all in my power to see that we stay out of debt, while at the same time seeing to it that you get value received, both on your roads, and in the running of the county affairs, for the tax dollar that you have paid in.

Good news for people who won't pay crazy refrigerator prices

If you are one of the many homemakers who want and need a new refrigerator but have been held back by crazy inflated prices—this is for you. Philco has broken the price spiral with their new Budgetmaster concept—omitting the frills and costly gingerbread and concentrating on the things you really need. We agree with this crusade, and we gladly cooperate with Philco to bring back down-to-earth common-sense values to the public. *Dealer's Signature*

Football Sweetheart and Hero Named At Three Way School Homecoming Saturday

Three Way high school homecoming was celebrated Saturday and a highlight of the homecoming game was the crowning of the football sweetheart and hero, Nan Johnson and Mike Pollard. During halftime of the Three Way-Bula game, Nan Johnson was presented by Bailey Griffith, co-captain, and Mike Pollard was presented by Betty Hutton, head cheer leader. Each received

an inscribed football. Bula won the game, 34 to 33. The pep squad formed a "W" to welcome the visiting team, and an "X" to welcome former students and teachers, during halftime activity. The game was preceded by supper at the school, and registration of former students.

Engaged

Mr. and Mrs. Kenneth Edwards of Muleshoe, announce the engagement and approaching marriage of their daughter, Mollie Louise, to Mr. James Carroll, son of Mr. and Mrs. Edward Gilmore of Laidie.

Mrs. Edwin Hall Hosts Esther Circle

Mrs. Edwin Hall was hostess to Esther Circle Tuesday morning. She also led the group in the final chapter of the study "Understanding Other Cultures", pointing out different beliefs of many peoples.

As a result of the study the Woman's Society will distribute gospel tracts printed in Spanish. Plans were completed by the group for their part in the Victory Dinner October 29.

Mrs. Johnson Is Shower Honoree

Mrs. J. W. Johnson was feted with a lullaby shower last Tuesday night, October 21 in the home of Mrs. LaDell Flanagan.

Games were played, directed by Mrs. George Chambliss, and refreshments were served by the hostesses.

The hostesses served Spudnuts, Cokes and coffee to the following: Meses, Pat Johnson, Beulah Black, Lois Norwood, Ruth Clements, Irene Splawn, Laquita Dunsworth and children, Mary Sue Johnson, Major Wood.

John Williams, Hope Flanagan, Wanda Hardaway, and hostesses, Meses, George Chambliss, LaVerne James, Lucille Harp, Owetha Odum, Frankie Williams, and LaDell Flanagan.

Plate favors were miniature diapers filled with mixed nuts.

LONE STAR AGRICULTURE

CITY LIGHTS SECURE FIRE ANT

The pain-in-the-neck pest of the century, the vicious little imported fire ant, has evidently chartered new worlds to conquer, and two of Texas' major cities—Houston and San Antonio—are among the first top prizes in the fire ant's line of fire.

Both Houston and San Antonio have been found to be infested in varying degrees by the native South American fire ant, whose sting is extremely painful and whose stone-hard earth mounds play havoc with the landscape.

To combat this unwelcome intrusion, both cities, assisted by Texas and U. S. Department of Agriculture and local and county officials, have begun to take definite steps toward eradication.

officials, have begun to take definite steps toward eradication.

In Houston, where more than 20,000 acres are infested, a co-operative city-county program has been inaugurated which will provide for ground treatment in various sections of the city. Aerial applications of insecticides in Houston is prohibited by city ordinance.

In addition to direct preventive and eradication efforts in sections of the city, treatment and inspection of Houston plant nurseries by Texas Department of Agriculture inspectors has practically eliminated these po-

tential fire ant hideaways from the area of concern.

Although no definite plan of action against the fire ant has been formulated for San Antonio, county officials have appropriated funds scheduled to be matched by city funds for treatment of private property in the city. A committee is now being organized to initiate the program, which will likely be similar to that planned for Houston.

One of the greatest matters of concern in the eradication plan is that connected with eliminating risk of contamination and poisoning in the treatment of

private property with the necessary ant-destroying chemicals. In this respect, fullest precaution possible has been taken in selection of the chemical—granular heptachlor—and in prescribing instructions to be followed by

persons living in areas to be treated.

A sampling of these instructions include: Prior to treatment, close windows and doors, cover or turn upside down water and

feed containers for animals and pets, cover all leafy vegetables, preferably with plastic, remove fish from open ponds and cover ponds with plastic, cover open cisterns; after treatment, sprinkle

REMEMBER WHEN?

by JOHN CROW

It was a game between Notre Dame and Army, and it made football history . . . for this was the first major football game credited with being won by the forward pass. It changed the whole strategy of the pigskin sport.

Coach Jess Harper of Notre Dame had two men on his team who later won fame as coaches . . . Gus Dorais at the University of Detroit, and famed Knute Rockne, who returned to become Notre Dame's most successful coach. As players, these two had worked on a new ground gaining technique . . . the pass.

Dorais was the quarterback that day, Rockne an end. The game was hardly under way before the first pass caught Army by surprise . . . Dorais to Rockne for a touchdown. The rest of the game was a slaughter. Army never recovered, and Notre Dame's passes won, 35-13.

Remember the year? That was a long time ago . . . in a day when dollars went a long way. A man buying a car, new or used, made sure he got the best value for the money he had to spend.

The year was 1913. Whether you're in the market for a good used car or for a new CHEVROLET, you'll find your dollar buys more when you see us. Right now we have a big selection of late model reconditioned used cars, terrific values with plenty of trouble-free driving in them, at—

Parmer County Farm Bureau News

by Raymond Euler

Rat poison sold like hot cakes. We will have some more in about Friday if we can get it to sell at the same price. We hope everyone who has rats will take measure to get rid of them right now. We are told that the Friona City dump grounds are infested with them, and this is probably true in other city dumps. It seems that this would be a good place to do some work before they all come to town or to your house. Besides

the damage they do to feeds and other things, rats carry diseases.

Mose Glasscock was among Parmer county men who attended the Amarillo meeting on livestock sanitation and disease prevention Monday morning. According to a report we received that same morning, not a single county in the State of Texas is certified Brucellosis free. To livestock producers and dealers, this is an important thing. It is doubtful if Texans can eat all the livestock products they produce. If it becomes impossible to ship livestock of the state because of disease, it will work a great hardship on a great industry.

We received a letter from Mrs. Elmer Teel of Texico giving us part of the history of The Woman's Society of Christian Ser-

vice. We had complimented the Oklahoma Lane Society for a letter to the editor expressing concern for the activities of their youth, when they were not at home or engaged in scheduled activities. But we referred to them as a club. Mrs. Teel tells us the society is definitely not a "club". Anyway, we are for the organization.

Five or six couples will leave Parmer county as delegates to the Texas Farm Bureau Convention November 9 in Corpus Christi. This is where policies of the state organization will be developed and adopted. Officials of the organization will spend the next year carrying out these policies. They will not change any of them unless the membership says to next year.

It is important that you vote November 4. Don't ignore this opportunity.

CONSIDER THIS: Iron sharpeneth iron; so a man sharpeneth the countenance of his friends.

Muleshoe Meets Morton Friday Night In Second District Contest of Season

Benny Douglass Stadium will be the site for the second conference game of the Muleshoe Mules Friday night at 8 p.m., as they square off against the Morton Indians.

Last week the Mules had a rest, as they had an open date. The Mules should be in good physical shape for the Friday night's battle, as only Donnie Shafer, Mules' swift halfback, will be out of action for the second time. It is doubtful if he will play again this year. All other players are ready to go.

Last week while the Mules were taking it easy, the Morton eleven were being shackled by the Olton Mustangs 42-14. This was the Indians second conference loss, as they lost their first district battle to the Abernathy Antelopes. The Mules took the measure of Olton in their only conference game, 13-12, in a surprisingly rough go against the Mustangs. Lee Roy Corralez with the big gun in this battle.

The Muleshoe squad has a much better season won-loss record than the Morton team. Muleshoe has won four games, lost one and tied two. Morton on

ney and Abernathy, both away from home. Both these games could very well determine the district champions, as these teams head the list for the title contenders.

Game time is 8 p.m., so let's everyone come out and see the Mules play their last home game of the season.

Olton 42-14 Winner Over Morton

The Olton Mustangs spoiled Morton's homecoming Friday night at Morton, by dumping the Indians 42-14 in a District 2-AA battle.

Coach Alexander switched the Indians into a single wing attack in the second period in an attempt to halt the overpowering Mustangs. Quarterback Jackie Neal Brown completed 18 of 29 passes from the single wing formation for a total of 174 yards but the offense was not enough to counter the hard-driving Olton ground game.

Olton scored two touchdowns in the first and fourth quarters and single touchdowns in the second and third periods, while Morton scored both its touchdowns in the final quarter, coming on the last play of the game.

Olton quarterback Randy Bucheneau spearheaded the attack on the hapless Indians with touchdowns in the second, third and fourth periods. Fullback Arno Hall broke the ice in the first quarter with a two-yard drive through the middle. Later in the same period Halfback Royce Bodkin romped 69 yards on a reverse around right end for another TD. Hall ran over the extra two points.

Olton's final touchdown came on a blocked punt. Defensive Halfback Robert Priest blocked an attempted punt by Brown. Priest grabbed the free ball and scampered 15 yards for the score. Bucheneau ran over the extra points. Other extra points were run over by Halfback John Wayne Hair.

After Priest's TD Indian Halfback Perry Don Seany ran the kickoff back to Olton's 29. In three plays Morton lost yardage. On fourth down Brown gambled on a pass to Seany which was good for 33 yards and the Indians first score. The extra point try failed.

With only two minutes left in the ball game Halfback Gary Willingham intercepted a Bucheneau pass on the Olton 44 and ran it back to the 36. A pass from Brown to Seany put the ball on the 6 with 51 seconds left.

After Morton called time out with 9 seconds left, Brown again tossed to Seany who was downed on the two yard line. Time was called again as the clock ran out and officials ruled the

Lockney In 22-12 Upset Over Abernathy Team

In the major upset so far this season, the Lockney Longhorns upset the high-flying Abernathy Eagles Friday night at Lockney, 22-12. This was the first defeat for the Antelopes, who carried a 7-0 mark into this important conference game.

The first quarter was a scoreless standoff. Abernathy scored first in the second quarter when Fullback Danny Miller dived over from the 1-yard line to cap a 75-yard drive than consumed 17 plays. Quarterback John Brown failed to run extra points. Lockney then took the Abernathy kickoff to their own 42-yard line and from there in seven plays proceeded to a touchdown. Fullback Bill Race scored from the five. Race ran over the two extra points to put the Longhorns ahead.

Abernathy had the ball on the Lockney 16-yard line as the first half ended.

The Longhorns kicked off to Abernathy to start the second half, and on the second play, Longhorn end Milton Mickey gobbled up a fumble on the Abernathy 24-yard line. Race scored two plays later from the Antelope 15-yard line. He failed to run the extra point.

Lockney kicked off to Abernathy and on the first play from scrimmage, Longhorn guard Ronnie Harris covered a fumble on the Abernathy 22-yard line. Race tallied from the 3-yard line seven plays later. Race passed to Halfback Terry Clark for extra points.

In the fourth quarter, Abernathy's Quarterback Lane Tannehill passed 25 yards to End Jim Dye for an Antelope score. The touchdown drive carried 40 yards, and took six plays. Tannehill's pass for extra pointage was

Indians could have one more play. Fullback Butch Nairn then ran over for the touchdown and also the extra two points.

Sanders, Black To Play In Frosh Game At Tech Saturday For Hall Of Fame

Most of last year's stars from South Plains and Panhandle high schools will be in action as the West Texas State and Texas Tech freshmen collide in Jones Stadium at 1 p.m. Saturday.

Admission to the game, a benefit for the National Football Hall of Fame, is \$1 for adults, 50 cents for others.

In Tech's Pleador lineup will be such stand-outs as quarterback Soapy Sudbury, halfback Milton Brown, halfback Leo Britton, halfback Dickie Polson, end Charles Rice and guard Ken Kendrick, of Amarillo; halfback Richard McMinn of Stratford, quarterback Billy Ryan of Seymour, fullback Hubert Pearce and end Blake Adams of Monahans, center John Hanst of Lockney, guard Jack Dokken of Snyder, tackle Larry Mullins of Matador, tackle Don Walkup of Quanah, end Bill Black of Muleshoe, end Archie English of Seminole, end Freddie Thompson of Morton, and end Robert Sanders of Muleshoe.

West Texas State's Calves boast a similar lineup of Lockney's Dickie Barton, Lane Crank and Jerry Williams, Clarendon's and Jerry Behrens, Canyon's Richard Burgess and Dory Funk, Amarillo's Jerry Cannon, Matador's Garland Cartwright, Dayton Graham and Franklin Thrasher, Phillip's Johnny Crook, Slaton's Doug Corley, Friona's Weldon Fairchild, Seminole's Bill Wallace, Ralls' Ocie Forbes, Price College's James Willburn, Sunray's Jim Gibson and Jimmy Hill, Spur's Randall Gilcrease, Ray Powell and David Morgan, Hereford's Sam Lesley, Tullia's David Hutto, Sundown's Jimmie Janes and Guerry Wright, Plainview's Larry Pool, Farwell's Tom Lovelace, Lubbock's Tony Moyer's, Hale Center's Ferman McBeth, Gruver's Al McClellan, Borger's Bill O'Dell and Dennis Wilsford, and White Deer's Courtney White.

Freshmen Win, 7th, 8th Loses Here

Benny Douglass Stadium was the scene of three games Tuesday night, involving the Muleshoe seventh, eighth and freshman grades.

The seventh grade lost in the game with the Plainview team, 22-0. The eighth grade were also shut out by a much heavier team, 14-0.

In the freshman game, the little Mules took the long end of an 8-0 score over the freshman team from Morton. Cabrera caught a pass for the TD, and Pierce ran for the extra two points.

BABSON DISCUSSES OCEAN WEALTH

Cape Town, South Africa, Oct. 29—Those who invest in mining stocks should save a little money for investment in companies extracting minerals from oceans, lakes, and rivers. Every student knows that the oceans own in calculable mineral and food wealth. The bottoms of lakes have been collecting minerals from the surrounding watershed for thousands of years, while gold and uranium is still being secured from river beds. But this trip of 17 days from New York to Cape Town has impressed me especially with the mineral wealth of the oceans which cover three fifths of the earth.

The Greatest Undiscovered Treasures

The greatest boon to mankind was the discovery of fire; then the discovery of the wheel for transportation; then the discovery of steel and of electricity for industry. The latest great industries have been in connection with the telephone and the internal combustion engine, both of which are used by almost every household. Yet there are other far more important things which few readers realize. For instance, that an acre of good sea floor can produce nine tons of clam meat, against one ton of beef, pork, or lamb on an acre of pasture. On land we farm only a few inches of topsoil, but the water turns out vegetable matter in far greater quantities and far greater value. The ocean has a producing potential 200 times that of the land.

The valuable mines of the world today will be found in the ocean. We have barely begun to tap the chemical resources of oceans, rivers, and lakes, which contain most of the mineral wealth which has been washed off the land during millions of years. This includes hoards of gold, silver, iron, copper, lead, and, of course, magnesium and iodine. This is my first thought as I land in South Africa.

What of the Future?

Readers really interested in the subject should visit the institution founded by the Rockefeller at Woods Hole, Mass. This institution has six vessels afloat with heavy cables to dredge the floor of the ocean several miles down. Many mines on land are developing ore discovered a mile or more below the surface, while oil wells extend down two or three miles. The ocean which we know, however, is only as far down as fishermen can operate nets and draggers, the distance of a few hundred feet. The Navy is just waking up to the great importance of oceanography, as the next war will be fought both in the air and under the water.

Sandhills Philosopher Baffled Over How Anybody Could Inject Foreign Policy Into Politics

Editor's note: The Sandhills Philosopher on his Johnson grass farm discusses foreign policy this week, which is out of his field.

Dear editor: All during the Congressional campaigns throughout the past weeks I've been reading indignant statements by different people saying we ought to keep our foreign policy out of politics, and I wish to say that if foreign policy has been injected into politics, I didn't do it, I don't even know what our foreign policy is.

For example, I know we must have some policy toward say Formosa, but how can you expect me to know what it is when nobody in Washington does either?

However, I'm not sure there's anything wrong with injecting foreign policy into politics, lots of candidates inject honesty into politics and some of them don't know what that is either. If you're going to limit politics to what a man knows, I know some candidates whose campaign wouldn't last longer than five or ten minutes. I figure mine, if I was running, would last one or two.

Speaking of foreign policy, I

per ton. Recently there has been a demand from a man in Indiana who is willing to pay \$25 a ton for finely ground alfalfa. Checking through this sale I find it is used for making "alfalfa tablets" which are sold at my local Wellesley drug store at \$1.50 for two hundred tablets.

This means that when I buy these tablets, I am paying over \$1200 a ton for alfalfa which I sell at \$25 a ton! I am not complaining about this profit, which comes from the processing, but I use it as an illustration that profit in the U. S. comes from manufacturing and merchandising rather than from agriculture. Another illustration of what I have in mind is the great success of the Nutrilite Company of Buena Park, Calif., which has thousands of men and women selling products which come from the ocean, or from the land or the air. I hope to find in Africa even greater opportunities for profit from products heretofore wasted. The exportation of "lobster tails" to the United States is the first to catch my eye.

Today's Meditation

Read Acts 10:9-20.
 (Peter) saw heaven opened, and a certain vessel descending unto him . . . wherein were all manner of fourfooted beasts of the earth, and wild beasts, and creeping things, and fowls of the air. (Acts 10:11, 12.)

What an amazing vision Peter saw! This was a vision of the heathen world waiting to be won by Christ.

As it was to Peter, to us also these things look unclean, unapproachable. The animal-like life, the sinful nature, the materialistic spirit, the proud and arrogant walk of men possess no attractiveness. We want to stand apart from them, to run away from them. But the voice from heaven insists: "What God has cleansed, you must not call common."

A healthy church has the hunger for winning souls and the ability to assimilate the souls she has won. Alexander Vinet, a Christian thinker, has said, "The Church lives on the spoil it takes from the world daily." Evangelization is the condition of the existence and continuance of the church.

PRAYER
 Heavenly Father, Thou hast prepared the table. Thou hast accomplished the salvation. Thou dost cleanse man of his sin, defilement, and corruption. Give us the desire to bring others to Christ and add them to His Church. In His name we pray. Amen.

THOUGHT FOR THE DAY
 A living church is an evangelizing church.

Keep Cotton Loose and Dry For Best Quality and Price

Keep cotton dry, loose and clean during the harvesting process. That is the word from Fred C. Elliott, cotton specialist for the Texas Agricultural Extension Service, and author of a new publication dealing with cotton harvesting problems.

Elliott in MP-297, "Keep Cotton Dry, Loose and Clean" points out that the condition of seed cotton at the time it reaches the gin largely determines the final grade of the lint in the bale. That final grade is of major importance for it in turn determines the selling price of the bale.

In the new publication, Elliott gives hints and factual information on such subjects as when to harvest, loading the cotton, transporting cotton, clean cotton, when to defoliate, servicing equipment, green boll separation devices and weed control. All are subjects which play a part in determining that final grade.

Copies of the publication are available at the office of local county agents or from the Agricultural Information Office, College Station, Texas.

STRENGTH FOR THESE DAYS

Wherefore take unto you the whole armor of God, that you may be able to withstand in the evil day, and, having done all, to stand.—(Ephesians 6:13.)

Why should we try to go it alone, humanly weak as we are, when God's love, His guidance and power are ours for the asking through prayer? He is ever present and willing; when we let our foolish pride and self-centeredness cut us off from Him, we deprive ourselves needlessly of strength and help.

Plainview Hi Calls All Exes

Plainview High School Ex-Students have all plans laid for the Homecoming to be held in connection with the Monterey-Plainview football game.

All that remains to be done is the big job of contacting as many of the Exes as possible.

Cards are in the mail to those who attended the first annual Homecoming last year, according to Dawson Malone, president. Attached are returnable cards for making reservations for the supper to be held at the High School Cafeteria from 5 to 7 p.m., Friday, November 7.

Cost of the meal will be \$1.25 per plate, with a small extra charge probably to be levied for the operation of the Ex-Students Association during the year.

Following the supper the exes will convene in the auditorium for a short program and election of officers for the coming year.

Reservations should be made for the supper, either by returning the cards, or writing or phoning Plainview High School.

After the game the exes will return to the Cafeteria for coffee and light refreshments, plus plenty of additional visiting.

The Ex-Students Association extends a warm invitation to all PHS Exes to make their reservations now and plan to bring the whole family out to the celebration.

Have you wondered if you could make "Brown and Serve Rolls"? Well you can. You will find that they are not difficult to make and that they are ever so good to eat. They keep well in the refrigerator and even better in the food freezer. Here is the recipe:

Brown and Serve Rolls

2 packages of cakes yeast.
1 cup warm water.
2 teaspoon sugar.
2 cups scalded milk.
5 teaspoons salt.
1/4 cup sugar.
1/2 cup fat, melted and cooled.
10 cups flour.

Soften yeast in warm water and one teaspoon sugar. Dissolve the 1/4 cup sugar and salt in scalded milk, add fat and cool. Then add yeast mixture. Stir in six cups flour, then add the remaining four cups flour. Knead until smooth and satiny. Place in greased bowl and cover. After it doubles in bulk, knead and divide into four parts. Cover with damp cloth for 20 minutes, then shape into 4-6 dozen rolls. Let rise 20 minutes.

Bake at 275 degrees for 25-30 minutes, and remove before color of the crust develops. When cool wrap rolls in wax paper and store in bread box for a couple of days. They will keep a little longer in the refrigerator; two months in the freezer.

When ready to serve place on greased cookie sheet and bake at 450 degrees until nicely browned.

Caramel-Nut Rolls

1/4 cup brown sugar (packed).
1/3 cup nuts (cut).
1 tablespoon corn syrup (light or dark).

12 Brown and Serve rolls.
Oven — 400 degrees.

Grease inside of pan (muffin tins may be used). Press sugar evenly into bottom of pan or muffin tins. Sprinkle nuts over sugar. Drizzle syrup over nuts and sugar. Put rolls, top side down, onto sugar-nut mixture. Bake 12 minutes or until brown. Let stand two minutes out of oven, turn out of pan and serve.

Surely you have frozen some of the delicious peaches that were so plentiful this summer. Be sure to use some to make some uncooked peach jam to serve with the Brown and Serve Rolls.

Frozen Peach Jam

Ingredients for about 9 six ounce glasses are: 3 cups crushed peaches (takes about 2 1/2 lbs.); 1 package powdered pectin; 1 cup water. To prepare the fruit, wash and drain the fully ripe peaches, remove pits and skins, and crush.

To make the jam, first measure 3 cups of crushed peaches into a large mixing bowl. Add sugar, mix well, and let stand for 20 minutes, stirring occasionally.

Dissolve the pectin in the water, bring to a boil, and boil for one minute. Add pectin solution

Disability Rule Changed For SS Benefit Payments

Congress has removed the requirements that a severely disabled wage earner had to have some recent work prior to becoming disabled in order to be eligible for disability insurance benefits or the freezing of his social security wage record. The new amendments to the social security law will enable many more disabled wage earners to qualify than was previously possible.

The law as stated before provided that a severely disabled person must have worked in employment covered by social security at least 5 years out of the 10 years prior to becoming disabled; and at least 1 1/2 years of this time must have been in the 3-year period before becoming disabled. The new law has dropped the latter requirement of 1 1/2 years work within the last 3 years.

Now a wage earner who otherwise meets the disability requirements under the law may have his social security record frozen, or he is age 50 or over may receive monthly disability benefits as long as he is fully insured and has worked 5 years out of the 10 before becoming disabled.

Some persons who will be affected by this change had previously filed claims under the old provisions of the law and were denied because they didn't have the recent work required. Those individuals should again file a claim at this time according to John G. Hutton, manager of the Lubbock social security office. Hutton states, however, that only those persons whose claim was denied because they did not work 1 1/2 years out of the last 3 should refile their claim. A previous denial for any other reason would not be altered by the recent change in the law.

A representative of the Lubbock Social Security Office will be in Muleshoe on November 6, at 9:30 a.m., at the courthouse and will be glad to assist in all matters pertaining to Social Security.

Lazbuddie Wins Over Vega, 16-8

Unable to break through a strong, goaling defense, the Vega Longhorns were defeated 16-8 by the Lazbuddie Longhorns in a District 24B game at Vega Friday night.

Lazbuddie scored twice in the first quarter. The initial tally came when quarterback R. Jennings collected 70 yards and a TD after blasting through the Vega defense with 10 minutes remaining in the period.

Later in the first stanza, Jennings passed to halfback Ronnie Briggs for 85 yards and a score. Lazbuddie took to the air for a 2-point conversion with another pass from Jennings to end Dean Watkins.

In the second quarter, Lazbuddie scored a 2-point safety when fullback R. L. Porter dropped Vega end Lenro Jennings (a cousin to Lazbuddie's quarterback of the same name) in the end zone.

Trailing by 16 points, Vega drove near enough for an attempted TD in the third period but missed when halfback Skipper Hobbs dropped a pass in the end zone.

Vega scored in the last quarter after halfback David Youngblood gained 70 yards in three carries to set up the scoring play. Fullback Bill Harle carried over from the 1-foot line and Skipper Hobbs netted Vega's 2-point conversion on a run.

LAZBUDDIE NEWS LETTER

P-TA To Sponsor Mrs. Lazbuddie Search

The Lazbuddie P-TA met in a called meeting Monday evening. Mr. Byers presented his high school chorus group in two numbers.

It was announced that the merchants of this trade territory had contributed money to sponsor a young woman of this community to be selected as "Mrs. Lazbuddie" Thursday evening at the same time the school will select their king and queen. At that time there were 18 contestants for this title.

The money from this project was accepted by the P-TA to erect bleachers for the ball field. There is enough money for this and 215 steel bleachers will be put up in time for the remaining two home games of the season. The P-TA also voted to buy two sewing machines for the Home-making class and to also go ahead with the paying of the bill to the Home Ec. cottage. Mrs. Eggers' fourth grade again won the room count.

Mrs. Theron Vaughan entered the West Texas Hospital in Lubbock Sunday in preparation for Mastoid surgery Monday morning.

Mrs. Riley Goodnough is working at the Lazbuddie store while Mrs. Vaughan is unable to work.

Mrs. G. K. Bullock from Lubbock is visiting this week with her son, Wyle Bullock.

Miss Jimmie Carpenter returned to her school at Vega Sunday. Jimmie had spent almost a week in the West Plains Hospital with pneumonia.

Barbecue Supper
Those enjoying a barbecue supper Saturday evening in the Scott home were, besides the Scotts, Mr. and Mrs. Alfred

Scott, Mr. and Mrs. Hubert Elliott and family, Mr. and Mrs. Leonard Elliott and family, Mr. and Mrs. Glen Stiles, Mr. and Mrs. Jack Smith, Beverly and J. Finley, and Mr. and Mrs. Otto Wyer, Malcolm and Andy from Dimmitt. After supper the group enjoyed the movies made recently at the Alfred cott's wedding anniversary.

Mr. and Mrs. Bobby Donaldson from Clovis and Mr. and Mrs. Bill Stilgaulde from Muleshoe spent Sunday with their parents, the Bill Lancasters.

Mr. and Mrs. Leon Smith and family and Mr. and Mrs. T. O. Lesly and girls recently spent a day sightseeing at Palo Duro Canyon.

Mr. and Mrs. Bill Jennings and O. M. Jennings visited Sunday in reforest with the Ervin Robinsons, the Cecil Malones and Mrs. O. M. Jennings, who is staying with the Malones for a few weeks while Mrs. Malone is having dental work done.

Mr. and Mrs. Dick Scott and Ronald from Plainview were Sunday dinner guests in the home of Mr. and Mrs. Jess Pendergrass. Others visiting with the Pendergrass' and Scotts were Mr. and Mrs. Paul Scott and girls from Muleshoe, Mr. and Mrs. Clyde Monk and Linda and Glenda Smallwood.

Mr. and Mrs. Wylie Bullock attended a Farmers Union banquet in Crosbyton last Thursday evening where Sen. Ralph Yarbrough was the principal speaker.

Mrs. Shanks Ivy spent the weekend at Tipton, Okla., with her parents. She accompanied a brother from Pecos.

Mr. and Mrs. J. B. Wright went to Frederick, Okla., Friday and attended funeral services for Lloyd Thomas. Thomas was a long time friend of the family. The Wrights returned home Saturday.

Sunday visitors in the C. M. Splawn home were Mr. and Mrs. Woodie Splawn from Whiteface, Mr. and Mrs. Glen Splawn, Muleshoe, Mr. and Mrs. Bill Collins, Clovis and Mr. and Mrs. Jackie Brown and girls.

Mr. and Mrs. H. E. Gilmore spent the weekend in Olney with his sister, the Cliftons. Mrs. Clifton has been quite ill.

Mrs. Claude Watkins, Mrs. W. G. Harlan and Lee Ann, Mrs. Bob Jones and Johnny and Mrs. R. L. Jones from Muleshoe visited in Lubbock last Friday with the Sikie Watkins family.

Mr. and Mrs. Ira Wimberley and Doyle were in Plainview Sunday visiting with her cousin, Mr. and Mrs. A. G. Ivy and family.

Perry Greene from Ft. Worth and Mr. and Mrs. Ralph Paul from Hereford were recent visitors in the home of their mother, Mrs. F. W. Greene.

The John Zahns from Farwell visited Sunday with his parents, Mr. and Mrs. Paul Zahn.

Mr. and Mrs. Lucy Hardage spent a few days last week at Burk Burnett visiting her sister, Mr. and Mrs. Jim Ady. While there they also drove up to Altus, Okla.

Mrs. Jack Smith and Jack Finley visited in Amarillo Thursday with Mr. and Mrs. W. E. Pugh.

Surprise On Birthday
Mrs. Anna Pyritz was surprised on her birthday when Mrs. Demp Foster, Mrs. John McGehee and Mrs. Ed Seiback, carrying a cake and gifts visited with her making it a very happy occasion.

J. W. Gammon and ePie White are in Colorado this week deer hunting. Mrs. Gammon and the girls are in Canyon with her mother, Mrs. G. W. Harwood while J. W. is gone.

Mr. and Mrs. Tony Ivy and family from Bovina visited Sunday with her sister, the Wesley Barnes family.

Mr. and Mrs. D. A. Tartar and Mr. and Mrs. Alton Morris and family visited in Brownfield Sunday with their daughter and sister, Mr. and Mrs. Dewey Clark and family.

Mr. and Mrs. Barney Floyd were in Memphis Sunday with her mother, Mrs. Martha Howard and other relatives. On Monday, Mrs. Floyd's sisters, Mrs. Worth Moward and Mrs. Ott Misenhelm from Memphis spent the day with her.

California Guests
Mr. and Mrs. Homer Mangrum from Anaheim, Calif., former residents of the community, have been on vacation the past two weeks, and have visited here and with relatives in Muleshoe. They also visited in Lubbock and parts of Arkansas.

Mr. and Mrs. Walter Edwards returned home last week from a hunting trip to Williams Creek, Colo. They were called home due to the death of a friend, and they attended funeral services in Seymour Friday, for Mr. Buckhand, who was a resident of Artesia, N. M.

Sunday dinner guests in the home of Mr. and Mrs. E. T. Ford and children were Mr. and Mrs. Howard Cash from Tulla, Mr. and Mrs. Joe Dement, Clovis, Mr. and Mrs. V. H. Bewley and Johnny Bagley.

Mr. and Mrs. Ted Treider and boys were in Abilene over the weekend, where they attended the Homecoming at Hardin-Simmons. They were accompanied by her sister, Mrs. Marie Haught from Pampa. When they returned home Sunday evening their mother, Mrs. J. L. Altmar came with them to help out with her grandsons while Mrs. Treider had her tonsils removed Monday morning.

Mr. and Mrs. Rhiney Seiback left Sunday for Wichita Falls to return their grand daughter, Sheila Kyle to her home. Sheila had been visiting here for several weeks.

Mr. and Mrs. C. K. Robert from Lubbock, former pastor of the Lazbuddie Baptist Church visited Monday with Mrs. W. S. Menefee.

Deer Hunting
Mr. and Mrs. Gene Smith and

Mr. and Mrs. Lois Fletcher are deer hunting in Colorado this week. They are stationed at Pagosa Springs and several more hunting groups are there from here also. Dan Smith, Andy Fuqua, and Bill Brown are hunting together. Another group are Bob Lee and Sig Kimbrough and John Crow. Mr. and Mrs. John Littlefield and Mr. and Mrs. Raymond Houston left Tuesday morning for Pagosa Springs where they will spend the rest of the week trying their luck for deer.

Visitors on Sunday in the Howard W. Carpenter home were Mr. and Mrs. Neil Ross from Lubbock, Mr. and Mrs. John Bloomshield and children from Clovis and Mrs. B. E. Johnson and Nancy from Lubbock.

Birthday Celebration
Mrs. Ben Foster was the guest of honor Sunday at the home of Mr. and Mrs. Dean Hurd and family in Muleshoe, on her birthday. Others enjoying the celebration were Ben Foster, Shan Foster and Mr. and Mrs. Demp Foster and boys.

Mrs. C. C. Graef was treated at the Clovis Hospital Monday morning but was not retained as a patient. Mrs. Graef fainted Monday morning while working at her cafe, hitting the stove and causing possible damage to her teeth.

Discover Rattlesnake
Mrs. Ruth Long was down from Hereford Thursday with her mother, Mrs. W. S. Menefee. In the afternoon the ladies returned home from Muleshoe, stopped at the garage, and heard a peculiar sound. Mrs. Menefee thought it was just the dry leaves blowing against something, but Mrs. Long decided it must be a tire "going down". When the ladies got out of the car, they saw a rattlesnake "right by the car. They managed to kill it but Mrs. Menefee says that now every time she steps out of the house she "stops, looks and listens".

Sunday visitors with the T. O. Lesly family were Mr. and Mrs. Chester Conner from Lubbock, Mr. and Mrs. Wilmer Conner, Mr. and Mrs. P. D. Barron and Mr. and Mrs. Ruel Barron all from Friona.

Observe Birthday
The R. L. Forrester home was quite a busy one over the weekend with visitors helping Mr. Forrester celebrate his birthday. Saturday evening supper guests were Mr. and Mrs. John P. Walter and Kenny from Lubbock, Mr. and Mrs. John R. Crabtree and Pamela, Reggie, Ronnie and Karen Crabtree all from Levelland, Mr. and Mrs. Elvin Becker and Ronnie from Slaton, and Mr. and Mrs. Gene Forrester, David, Darlene and Paul. Some of these were overnight guests and joining the group on Sunday were Mr. and Mrs. W. R. Crabtree from Levelland and Mr. and Mrs. Red Horne from Sundown.

Joe Scott Menefee came in Saturday from Corpus Christi to visit his mother and other relatives, and to attend to business. He expects to be here for about 10 days.

Mr. and Mrs. Purl Tippie, accompanied by their son, the Bill Tipples from Hobbs, N. M., spent the weekend at Whitesboro with the Mr. and Mrs. J. W. Tippie and family.

Another group of hunters at Pagosa Springs are Buck and Weldon Crim. They were accompanied by a brother-in-law from Clovis. While they were gone, Mrs. Buck Crim and Doyle visited in Amarillo over the weekend with her sister, the Lowell Thompsons.

New Slate of Officers**

The Pleasant Valley Social Club met Thursday night at the community building with Victoria Hendricks and Lenora Wells as hostesses.

The club voted to have their birthday party at the Clovis Hotel November 10, and to go to a show afterwards. Everyone is to meet at Jean Allison's at 6:15.

The Social Club and the Home Demonstration Club are combining to have a Halloween party at the community house on Saturday night at 7:30, November 1. Everyone is asked to bring sandwiches and a Halloween dessert such as candied apples, and pop corn balls. Drinks will be furnished.

There will be bingo, fish ponds, "42" games and other entertainment for young and old. It is to be a hobo party and everyone is urged to come dressed like a hobo. Prizes will be given.

The club elected officers for the coming year. They were as follows: President, Mrs. Dub

Hardin; secretary, Mrs. Weldon Jones; treasurer, Mrs. Oscar Allison; vice-president, Mrs. C. W. Calhoun, and reporter, Mrs. Norman Hodges.

Refreshments of strawberry-banana pie, coffee and Cokes were served to the following members: Gaynell Pitts, Mmes. Johnny Blair, Ruth Lackey, Vera Inman, Hattie Bickel, June Free, Ethel Allison, Alice Angeley, Margaret McMahan, Jean Allison, Judy Green, Eula Calhoun, Jean Hardin, Pete Hodges, Leah Mae Jones, Sammie Allison, Fern Holt, Hazel West, and the hostesses.

Mrs. Bonnie Haberer had a wreck last Wednesday afternoon about 11 miles northwest of Dimmitt. She had been on a combined business and shopping trip to Amarillo and was on her way home, when a vegetable van ran into her. She suffered several bruises all along her left side, but was all right otherwise. Her

Cadillac was demolished.

Mr. and Mrs. E. K. Angeley attended the Springlake Homecoming recently. He was in a skit and we hear that he was the star performer.

Visiting in the Gerald Allison home over the weekend were their children from Lubbock, Mr. and Mrs. Jimmy Allison and Winston Allison. Jimmy and Winston are attending Tech.

John West returned home Wednesday from a hunting trip into Colorado. He fired one shot and killed a deer.

Guests in the John West home over the weekend were: A. F. West of Borger, Mrs. C. T. West, Charles and Jerry Don of Frederick, Okla., and Mr. and Mrs. Dennis McIntyre, Denise and Valerie of Spearman.

Mrs. Sam McKinstry, Mr. and Mrs. Harold Allison, Veta, Caroline, and Jamie were in Lovington, N. M., Sunday to see Mrs. McKinstry's new granddaughter, born to Dr. and Mrs. Kenneth Osborn. She weighed 7 lbs., 8 1/2 ozs. Mrs. Allison and Mrs. Osborn are sisters.

Mr. and Mrs. Norman Hodges visited their parents and other relatives and friends in Brady over the weekend. They enjoyed fishing and hunting while there.

Mr. and Mrs. Oscar Allison, Susan, Mack, Sammo, Freddie and Jack went to Fort Sumner, N. M. Sunday. They visited relatives and friends and also attended the car races.

BROWNING IN JAPAN
Yokosuka, Japan — Billy J. Browning, seaman apprentice, USN, son of Mr. and Mrs. W. C. Browning of Muleshoe, and husband of the former Sally A. Graves of Pampa, arrived in Yokosuka, Japan, October 4 aboard the destroyer USS Buck for a tour of duty with the U. S. Seventh Fleet.

The Buck is a unit of Destroyer Division 71.

ENDS RECRUIT TRAINING
SAN DIEGO, Calif.—Wallace C. Roberson, son of Mr. and Mrs. Herman D. Roberson, of Farwell, graduated from recruit training October 19 at the Naval Training Center, San Diego, Calif.

The graduation exercises, marking the end of nine weeks of "boot camp", included a full dress parade and review before military officials and civilian dignitaries.

In nine weeks of instruction, the "raw recruit" is developed into a Navy Bluejacket, ready for duty with the fleet.

WHITE IS PROMOTED
NEWARK, Calif.—Raymond C. White, son of Mr. and Mrs. Edward S. White, Friona, recently was promoted to private first class in Newark, Calif., where he is a member of the 61st Artillery.

White, assigned to the artillery's Battery D, entered the Army in December 1957 and received basic training at Fort Carson, Colo.

The 21-year-old soldier attended Friona high school.

SUDAN SOLDIER IS AT FORT BELVOIR
FORT BELVOIR, VA.—Two soldiers from Sudan, Privates Gene R. Bartley and Leonard G. Testerman, recently completed the ten-week equipment repair course at the Army Engineer School, Fort Belvoir, Va.

The men were trained to repair and perform field maintenance on heavy construction equipment.

Bartley, 19, son of Mr. and Mrs. Earley B. Bartley, Star Rt., was employed by the Ford Motor Company before entering the Army.

Testerman, 19, son of Mr. and Mrs. Earl A. Testerman, Route 1, was a farmer before entering the Army.

The men are 1957 graduates of Sudan high school.

ON DESTROYER IN FAR EAST
Tommie G. Miller, gunner's mate seaman, USN, son of Mr. and Mrs. A. A. Miller of Star Route, Sudan, is serving aboard the destroyer USS John A. Bole, operating as a unit of the U. S. Seventh Fleet in the Far East.

The San Diego-based destroyer left the U. S. August 23, and before her scheduled return in the early months of 1959, her crew will visit Hong Kong; Okinawa; Formosa; and ports in the Philippine Islands and Japan.

SPEEDLINE
Automatic Leveler Plane

NEW C-126D SCRAPE-A-PLANE

Surveying instruments tell the facts: In recent comparison demonstrations, the SPEEDLINE C-126D Scrape-A-Plane outperformed other levelers and planes every time! The secret is in the spring equalization action that allows the bucket to adjust the rear wheels to the proper level, regardless of the position of the front fulcrum.

And there's the economy and speed to consider, too. The relatively light C-126D requires a minimum of time, horsepower and fuel to do the job. In 8' and 10' models; dual hook-up to make 17' and 21' levelers.
