

# The Lynn County News

Tahoka, Lynn County, Texas, Friday, September 28, 1956

Number 51

Volume 52

Serving Tahoka and Lynn County Since 1903!

## STANDING ON THE CORNER

With P. J.

A man's character is made by what he stands for—his reputation by what he falls for.

The other day Mrs. Maxine Bonham stepped out the back door at her home a mile north of Draw and a big rattle snake struck at her and hit the Levi's she was wearing.

About that time the telephone rang and her little four-year-old Karen Jane announced to the line, "My mommie just bit a great big rattle snake."

According to Maxine, she was so frightened she didn't really know who almost bit who.

### Mother's Influence

I took a piece of plastic clay and idly fashioned it one day, and as my fingers pressed it still.

It moved and yielded at my will. I came again when days were past.

The form I gave it still it bore, but I could change it from no more.

I took a piece of living clay, and gently formed it day by day, and molded with my power and art.

A young child's soft and yielding heart.

I came again when days were gone.

It was a man I looked upon, he still that early impress bore, and I could change it never more.

Author unknown.

A local five-year-old girl overheard her parents recently mention a church other than theirs. You know about how long a five-year-old can stay out of a conversation, so she asked, "Do they sing and pray and have a sermon, too, and pass the plate and then pass the cookies?"

Now with the Panhandle-South Plains Fair drawing to a close, attendants have collapsed into their favorite chairs wearing their Rock and Roll hats, rubbing their feet, and still picking the cotton candy from behind their ears. (Cont'd. on back page)

## Tuesday Services For E. F. Bagby

Funeral services were held Tuesday morning at the First Methodist Church for E. F. Bagby, 81 year old Lynn county pioneer, who died at the home of his son, Raymond, at route 4, Tahoka some time during the night or early Sunday morning.

Rev. Elmer Crabtree of Slaton and Rev. J. B. Stewart, conducted the services. Burial was in Tahoka Cemetery.

Bagby, who was a farmer all of his life, moved to Lynn County in 1914 and settled near Southland where he lived for 22 years. He then moved north of Tahoka where he has lived for the past 20 years. He had been in ill health the past two years, although he had been retired about 16 years. He was a member of the Methodist Church in Tahoka.

He was born July 30, 1875 in Alabama and moved here from Hill County where he married Margaret Jane Daily on December 25, 1900. Mrs. Bagby died July 7, 1956.

He is survived by three daughters, Mrs. Elsie Jones of Ft. Worth, Mrs. Ercell Van Bramer of Jal, N. M., and Mrs. Schula Weaver of Slaton; three sons, Raymond of route 4, Tahoka, Milton of Wilmington, Del., and Ovid of Me Neal, Ariz.; two sisters, Mrs. Clyde Daily of Mexia; and Mrs. Clara Arrington of El Paso; 12 grandchildren and nine great grandchildren.

Palbearers include Herbert Smith, Morris James, Carl Spears, J. F. Toler, Earl Tunnell, all of Tahoka, and Howard Cook of Wilson.

## County Teachers Attend Meeting

Lynn County Unit of Texas State Teachers Association met for its first meeting of the fall term at the New Home new grade school building Monday night, when about 60 attended.

Reports were given at the meeting and the superintendents of the various Lynn County schools introduced the teachers.

Program Chairman Mrs. Oma Lee-Doss of O'Donnell gave a report on her committee and outlined her plans for the year and Mr. and Mrs. Claud Johns of Grassland gave the financial report.

Mrs. Ruth Jolly, county superintendent, told the group of the plans of the Lynn County Unit for advertising for an affirmative vote for Amendment Four.

President J. B. Howell of Tahoka spoke on the district workshop for unit officers which was held Thursday night in Lubbock when several Lynn County teachers attended.

Preceding the meeting a tour was made through the new school building at New Home and a dinner was served this group.

The teachers were entertained with vocal numbers, both by a duet and the New Home Choral Club under the direction of Mrs. R. O. Webb and Mrs. C. O. Head.

The next unit meeting will be held in Tahoka on the fourth Monday in November.

## Seniors Complete Magazine Sale

The Senior Class in the local school has completed its magazine sales with a total of \$1,533.06, out of which the class will receive about 37 percent, or over \$500.

This is the second highest total ever made by the class over several years period of selling magazine subscriptions.

High salesman throughout the campaign was Jimmy Dunlap who will receive a man's Gruen wrist watch as a premium. Forty students sold over \$40.00 of subscriptions, and each will receive a stuffed dog.

The class was divided into two groups with the captains being Kent Gibson and Don Renfro, the teams making \$740.05 and \$793.01, respectively.

The money will be used to pay expenses on the senior trip to be taken next spring.

## Tunnell In Charge Of Labor Office

E. R. (Earl) Tunnell has been placed in charge of an office of the Texas Employment Commission next door to the judge's office in the Lynn County court house, according to Dayton Carroll of Lamesa, district manager.

Mr. Tunnell will consult with farmers on labor problems and take applications for farm workers.

The office will remain open week days during the cotton and grain harvest season.

## Tailoring Class Meeting Called

The adult homemaking class in tailoring will begin Tuesday at 3:00 p. m. when those interested in taking the course will meet at the Home Economics Cottage.

As in years before, no charge will be made for taking the tailoring course.

Mrs. Madeline Hegl, home economics teacher in the local school, will conduct the classes which will be held twice a week for two weeks.

Herman Reid flew to Tahoka last week to attend the funeral of his uncle, George Reid, and visited his parents, Mr. and Mrs. Tom Reid, for a few days. Herman is from Opelika, Ala.

T. Cowan of Fort Smith, Ark., was here this week on business and visiting friends.

Rev. Vernon Shaw of Dallas is doing the preaching in the revival meeting being held at the First Baptist Church closing Sunday night.

Services tonight are at 7 o'clock, Saturday night services will be at 8 o'clock, and Sunday services will be at 11 a. m. and 8 p. m.

## Paul Halamicek Dies Thursday

Paul B. Halamicek, Sr., resident of Tahoka for about 11 years, died at his home Thursday morning at 5:20 a. m. He had been in ill health for several years and was 55 years old.

Born June 28, 1901 in Fayetteville, Texas, he was married to Miss Emma Feist on July 13, 1924 in San Angelo.

The couple came to Tahoka in 1945 from Big Lake, where they had lived for about 20 years. During that time he also lived at Texon and owned and operated a grocery store there. At Big Lake he had operated a dry goods store. However, he sold his interests there before moving to Tahoka to look after farming interests and had been retired since coming here.

Halamicek was a member of the Masons in Big Lake. Survivors include his wife of Tahoka; two daughters, Peggy and Kay of the family home; two sons, Paul Jr. of Del Rio, and Lynn Carl of Austin; five sisters, Mrs. Charles Havlik of Sweet Home; Mrs. Charles Hilsner of La Grange, Mrs. Joe Kopecky of El Campo, Mrs. Henry Teplick of Rowena, and Mrs. Claude Lancaster of Hamlin; four brothers, Dr. J. A. of El Campo, W. A. of San Angelo, Dr. H. O. of El Campo, and Ben of Fayetteville, Texas; and two grandchildren.

The family was to leave here at 10:00 a. m. this morning for Rowena where graveside services are to be held at 2:00 p. m. this afternoon. Fowler Roberts of Dallas will conduct the services, and burial will be in Rowena Cemetery.

Arrangements for services in Tahoka had not been completed Thursday morning.

Mr. and Mrs. W. S. Hamilton, resident of Lubbock for the past 15 years, moved to Tahoka Tuesday and are living two blocks south of the post office. They are parents of Ed Hamilton, local businessman.

## Seagraves Will Be Bulldog Foe

Tahoka Bulldogs go to Seagraves tonight for another non-conference football game—with the Seagraves Eagles before opening their Class 2-AA schedule with the Floydada Whirlwinds in Tahoka Friday of next week.

Seagraves has won two games, lost one. After losing to Plains and Denver City, Tahoka came back last Friday to upset the O'Donnell Eagles 21 to 12.

The Eagles of Seagraves, Class 5-A, opened the season with a 19 to 0 victory over Morton. The next week end, they nosed out Lyon of 2-AA 12 to 6. Last week, they lost to Crosbyton 20 to 0, which had lost its opener to Slaton 19-13.

Smarting because of last week's upset, Coach A. D. Shaver's squad will, no doubt, be out after Bulldog meat tonight.

The Eagles are reported to be pretty potent. Among the starters are Halfback Jerry Blakely, 170 senior, all-district last year; Fullback Freddie Jetton, 165, senior; Alton Barron, 140 senior half-back; and at quarterback will be either Pat McAdoo, 145, or Denzie Grimes, 156.

In the line, probable starters are: Carroll Phillips, 180, senior center; Donald Mahlor, 170, and Eldon Harris, 135, senior guards; Troy Cloe, 150, Freddy Hamilton, 145, Jesse Prestridge, 190, and Bobby Roberts, 160, all junior lettermen tackles; and at ends, Irl Donlearn, 140, and Jimmy Morris, 156, both senior lettermen.

Karl Prohl, Tahoka quarterback, injured his back in last Friday's game with O'Donnell, and will not likely see action tonight. Jimmy Harter will be the man under, and Marcelino Madrid will likely be running at Harter's half-back post.

Mrs. T. B. Burrough left yesterday by train to St. Louis, Mo. where she will visit her four sisters for about two weeks.

# Count Approves '57 Budget; Tax Rate Remains The Same

## Tahoka Ginnings Total 2590 Bales

Thursday morning Tahoka's four gins had ginned a total of 2590 bales of cotton this year.

The News estimates that about 18,000 bales have been ginned in the county, and it is expected that with the coming of more farm labor and the maturing of the crops the ginning will pick up within the next week or two.

Some report the crop will probably be some larger than many had guessed before harvest started.

That pulled so far has been of good grade and staple, for the most part. Most of the white higher grades of cotton is selling instead of going into the loan, The News is informed by one cotton man.

## Girls' Chorus Plans Program

Tahoka High School's all girl chorus, "The Blue Notes," will present a 30 minute concert at the First Baptist Church Saturday night at 7:30 o'clock. The concert will precede the evening worship service of the Baptist revival which will begin at 8:00 p. m.

"The Blue Notes" are under direction of Mr. Don Wortham, who is a Texas Tech graduate and band director in the local schools. He will direct the various religious numbers which are to be sung at this first public appearance of the year for "The Blue Notes."

## Former Citizen Helps T-Bar Country Club

Two helpful contributions have been made to T-Bar Country Club the last few days.

Mrs. Pearl Callaway of Abilene, widow of the late Dr. E. E. Callaway, made a nice contribution to the club. In making the gift, she said "I love Lynn County and its people and still call this home." She said it was her desire to help with this effort to build a place for clean, wholesome recreation for the people of Lynn County.

She was here last week end looking after her farming interests, and on Saturday night, at the country club, showed her pictures of her recent trip to Canada and Alaska to a group of friends and club members. Accompanying her on the recent trip were Mrs. C. A. Thomas and the latter's grand-daughter, Susan Thomas, daughter of Dr. and Mrs. C. Skiles Thomas.

A. N. Norman Jr., T-Bar president, said, "We greatly appreciate Mrs. Callaway's help. She will be welcome at the club at any time."

Wednesday, several club members made cash contributions for a new water well at No. 8 green, and J. W. Edwards of New Home on Thursday morning started the hole, contributing his equipment and labor at cost.

David Ramirez, club pro, this week is spiking and topping out the greens, cleaning up the grounds, and otherwise improving the course. He hopes to have the course in better playing shape soon.

Mrs. A. L. Holder of Wilson, playing the first game of golf of her life, on Tuesday won medalist honors at the first ladies' day play. Tuesday is ladies' day at the club sponsored by the newly organized Women's Association.

## Meeting Called On Pony League

All parents and others in Lynn county interested in Pony League baseball next summer are asked to meet Monday night at 7:30 p. m. at the American Legion Hall, when an organization will be set up to direct the League play.

Pony League baseball is for boys 13 and 14 years of age, or those just above the Little League age. This is a separate organization from Little League, but operates on similar lines. Tahoka had 20 boys graduating out of Little League this year, and at least 32 boys will be needed for two Little League teams.

Post and Tahoka each plan to enter two Pony League teams, making a four-team league, in a two county organization.

Locally, Marion G. Bradley Post of the American Legion is sponsoring the organization of the league. James "Sonny" Roberts is Legion commander, and Dan Brookshire is adjutant.

Monday night, the Legion discussed organization plans, but decided organization should be up to the people of the entire community and this is the reason for the meeting next Monday night. Parents are especially invited.

There will be a local committee to direct activities of the proposed two-Lynn county teams, and Post already has a similar local committee. From these two committees, four men from each county will be named to the League board.

At Monday night's meeting, Roberts appointed Dan Brookshire chairman of a committee to secure sponsors, C. W. Conway to make arrangements for the playing field, and Jess Gurley to the umpires committee.

There is considerable talk of extending the outfield fences at Little League park, installing lights for night play, and using the same park for both Little League and Pony League games. City of Tahoka has offered to cooperate in any way practical.

## Duane Howell Award Winner

Duane Howell, son of Mr. and Mrs. Lonnie Howell of Tahoka and farm writer of the Abilene Reporter-News, has been selected to represent the press and radio at the National Future Farmers of America Convention in Kansas City, Oct. 14-18.

Howell received his degree in journalism from Texas Tech in 1951, after graduating from Tahoka High School in 1946.

Notification of his selection was received through the office of F. L. Box, San Antonio, traveling passenger agent of the Santa Fe lines.

The Santa Fe will operate a special train from Fort Worth to Kansas City for winners of the railroad's awards to FFA members, the press and Texas FFA officers.

## School Annuals Are Put On Sale

On Oct. 1 the business-staff of the Kennel, Tahoka High School yearbook, will begin its sales campaign for advertising for the 1956-57 edition.

"Without the help and cooperation of the merchants through advertisements it would be impossible for the staff to publish the 957 volume of the book," a spokesman said.

The business staff of the annual includes Peggy Halamicek, Edwina Overstreet, Jan Thomas and LaRhea Greathouse.

Lynn County's tax rate and budget for 1957 have been set up at virtually the same as for last year and this, according to County Judge W. M. Mathis.

Although the county voted \$200,000 in bonds to buy right of way for the new four-lane US 87 paving across the county, a raise in the tax rate or valuations was not necessary.

This was made possible by transfer of 20 cents from the Series 1946 bond rate to the rate for retiring the 1956 bonds.

Broken down, the \$1.55 county tax rate is as follows: Jury fund, .05; Road and bridge, .20; permanent improvements, .15; road and bridge refunding, 1948, .05; road and bridge series 1946, .55 (was .75); and road and bridge series 1956, .20.

The budget, as proposed, is virtually the same as the budget for both 1955 and 1956, except expenditures from the 1956 bond issue for damage to property along U S 87.

Based on 90 percent collection, county taxes are expected to bring in \$135,720. Added to this will be an estimated \$75,000 from car registrations, \$54,000 from fees of office, and \$32,000 in lateral road monies.

## State, County Taxes Are Due

All 1956 State and County taxes, and Poll Taxes are due on Oct. 1, and are payable at the County Tax Office, according to a statement by Tax Collector J. E. (Red) Brown.

Three percent discount will be allowed on all State and County taxes paid during the month of October.

Poll taxes are \$1.75, of which \$1.00 goes to the schools, 50 cents to the State, and 25 cents to the county.

A person who became 21 years of age before January 1, 1956, and a person who was not 60 years of age before January 1, 1956, must have a poll tax to be eligible to vote.

However, there are some exemptions. A person who becomes 21 years of age after January 1, 1956, is exempt from paying a poll tax, but must secure his or her exemption certificate at the tax office to become eligible for a vote.

A person who became 60 years of age before January 1, 1956, is exempt from paying a poll tax and in this county does not have to secure an exemption certificate because the county seat is not 10,000 population. All such a person has to do is go to the polls and vote.

## Homecoming Day Set November 2

Friday, Nov. 2, has been set as Homecoming Day at Tahoka High School, according to David Bray of the Student Council.

Slaton Tigers will play the Tahoka Bulldogs here that day, and special festivities are being planned for the benefit of ex-students of the local schools.

The Tahoka High Ex-Students' Association usually meets here on Homecoming Day.

## New Home Cubs Meeting Monday

New Home Civic Club will have ladies next at its regular meeting next Monday night, Oct. 1, at New Home Community Center. Speaker for the occasion will be a man from Texas A. and M. College.

All members are urged to bring their wives. Visitors are also invited to come and bring their wives. A barbecue dinner will be served \$1.00-plate to visitors.

## Meet The Tahoka Bulldogs —

JERRY BROWN End

Age 17, weight 156, Junior, squadman. Father, Bonnie Brown.

Age 15, weight, 150, Sophomore, squadman. Father, Gordon Arnold.

RICHARD BROOKS Halfback

Age 17, weight 135, Junior, squadman. Father, Neely Brooks.

# Society & Club News

## New Home Girl Slaton Man Wed

Miss Barbara Sue Taylor, daughter of Mr. and Mrs. L. F. Taylor of New Home, and Melvin Curtis Eakin, son of Mr. and Mrs. M. C. Eakin of Slaton, were united in marriage when vows were read at the home of the bride's parents Saturday at 6:00 p. m.

Rev. R. L. Clements, pastor of the New Home Baptist Church, read the double ring ceremony before an improvised altar arrangement of white gladioli flanked by lighted tapers.

Miss Sylvia Edwards sang "Through the Years," "You'll Never Walk Alone," and "Wedding Prayer," accompanied by Miss Bobbie Roper.

Given in marriage by her father, the bride wore a street length dress of white cotton lace designed with elongated bodice, scoop neckline and a skirt of unpressed pleats which stemmed from the neckline. A short jacket with elbow-length sleeves and a small collar complemented the dress. She carried an arrangement of phalaenopsis orchids in a bed of stephanotis atop a prayer book.

Mrs. Jerry Williams, sister of the bride, was matron of honor. She wore a dress styled similar to that of the bride's in gray cotton. Her flowers were an arrangement of pink Venus carnations.

Jerry Williams served the bridegroom as best man. Candies were lighted by Jimmy Riney, cousin of the bride from Wilson.

Pink carnations arranged with a miniature bride and bridegroom beneath an arch of pink satin formed the centerpiece for a reception which followed. A cut

## Kay Moores Give Party For Friends

Mr. and Mrs. Kay Moore gave a party Saturday night at the New Home Community Center for their friends of the community.

Mr. and Mrs. Moore are preparing to move to Durango, Colorado, in the near future, where they have bought the Red Chalet, a catering service on North Main street adjacent the Las Animas River, in which they expect to do a lot of fishing in their spare time.

They are retaining their farming interests at New Home but hope to take life easier on account of Kay's health.

Both have long been prominent in community and county affairs. Kay is chairman of the Lynn County Soil Conservation District Board of Supervisors. He is known all over Texas and the Southwest as a leader in soil conservation and farm matters. Because of his work last year he was honored as the Conservation Farmer of the Year in Texas, in the SCS work.

Friends have already given him a new nickname, "The Durango Kid."

Most mentally deficient children have pleasant dispositions.

lace cloth over pink covered the table. Miss Gail Keith presided at the bride's book.

The couple will be at home in Lubbock until mid-October, when Eakin, who is with the Navy, will be assigned for a tour of duty abroad the U. S. S. Yorktown.

The bride is a senior at New Home High School and Eakin is a graduate of Slaton High School.

## Wedding Photos Needed Early

Those who wish to have their wedding pictures, engagement pictures or any other pictures in the paper, must bring them to the News not later than the Saturday preceding the issue in which they should appear.

Reason for this is because the pictures must be sent out of town for a cut to be made and returned to the News, a process which takes about four or five days.

Recently several wedding pictures and stories have been printed a week or two after the event because of this complication. We like to run your story when it is still news, so please cooperate in this way.

## Seeking Members Jaycee-Ettes Are

The local Jaycee-Ettes held their regular business meeting Tuesday night in the home of Mrs. David Massey when Mrs. A. W. McClellan was elected vice-president to fill the vacancy made by Mrs. Bill Chancy, who resigned.

Mrs. McClellan will be installed at the next meeting to be held Oct. 9 at 7:30 p. m. in the home of Mrs. Edward Pool.

The membership drive, which is now in progress, will end at the meeting. Anyone interested in joining the Jaycee-Ettes is asked to contact any of the members. At this meeting dues must be paid by the members, it has been announced.

The group made plans for members to draw for a gift at each meeting which will be purchased with donations made by club members and selected by the hostess.

## Phebe K. Warner Club Starts Study

The Phebe K. Warner Study Club met Tuesday afternoon in the home of Mrs. G. M. Stewart when the adult education program, "World Affairs are Your Affairs," was begun.

The study will continue for nine more sessions over the year's period and is being taken through the Department of Education of Texas Tech.

Mrs. Harold Green presented the part, "United States and World Trade," at the Tuesday meeting; Mrs. J. B. Billman gave "Economic Health of the World;" and Mrs. Truett Smith gave "Tarrif Wall."

The next meeting will be in the home of Mrs. Bill Haralson on Oct. 9. Mrs. C. S. Thomas, president, presided at the meeting this week when the group had a full attendance, according to Miss Marie Johnson, reporter.

Extension Dairy Husbandmen R. E. Bureson and A. M. Meekma, say that without good producing cows, well fed on good quality roughage, the prospects for developing a profitable dairy herd are slim.

Always preheat a drip coffee pot before brewing coffee in it.

## Cotton Quiz

WHAT ARE FEED BAG FASHIONS?

PRETTY (AND ECONOMICAL) CLOTHES MADE FROM COTTON FEED AND FLOUR BAGS.

## Duplicate Bridge Introduced Here

The first duplicate bridge game at T-Bar Country Club was held Tuesday night when eight tables were in play using the Mitchell movement.

North-South winners were Mrs. Bryan Williams and Mrs. Ralph Kirkpatrick of Post, first; Mr. and Mrs. C. D. Morrel of Post, second. East-West winners were Mr. and Mrs. Frank Hill, first; and Mrs. Tom Bartley and Mrs. Jake Jacobs, second.

First place winners received a pass for one game good for a month.

Playing above average were Mrs. Lee Roy Knight and Mrs. O. C. Elliott; Mrs. A. N. Norman, Jr., and Mrs. J. T. Whorton; Mrs. J. T. Forbes and Mrs. Clyde Winans of O'Donnell; Mrs. Swanner of Slaton and Mrs. Bill Lumsden of Wilson; and Mrs. J. V. Burdett and Mrs. Taylor of O'Donnell.

Duplicate bridge will be held every Tuesday night at 7:30 and play will begin promptly at 7:45 according to Mrs. Winston Wharton, director, and Mrs. Mel Leslie, assistant director. Second and fourth Tuesday nights have been designated guest night for the time being, when invited guests may attend.

## Sophomore Class Elects Officers

The Sophomore Class in Tahoka High School announces that it has elected Carol Smith president for the coming year.

Vice president is George Adams; secretary-treasurer, Gerald Short; and reporter, Jill Walker.

Student Council representatives are Sandra McNeely and Larry Forsythe. Dale Willhoit and Dean Wright are class sponsors.

## Today's MEDITATION

from The World's Most Widely Used Devotional Guide

## The Upper Room

© THE UPPER ROOM, NASHVILLE, TENNESSEE

Blessed is the nation whose God is the Lord. (Psalm 33:12.) Once a frail little girl was undergoing an operation without the use of an anesthetic. To divert her attention from the pain of the body, the surgeon gave her a silver coin. He asked her to read the words which she found on the piece of money. When the operation was over she was to tell him what she had read, and the money would be hers.

"You were a brave child," the surgeon said, as he completed the operation. "Now tell me what you read on the coin."

"In God we trust," she replied. Those words had more value for the girl than the face value of the coin. The thought contained in the words helped her to be brave and calm; she felt that God was her strength and stay.

To save themselves, all nations today need inner spiritual strength and the saving power of our Lord. PRAYER

Our Father, we thank Thee for material resources so necessary to life but not to greatness. Thou hast taught us that a nation's greatness does not consist in material resources but in the vitality of the people's trust in Thee. Forgive us our sins, O God. Grant us vision and guidance. Renew our strength to do Thy will. In Christ's name. Amen.

THOUGHT FOR THE DAY "Happy is that people, whose God is the Lord." D. W. Charlton (N. Carolina).

## VFW Auxiliary Plans Projects

In a recent meeting of Tahoka VFW Auxiliary in the home of Mrs. N. W. Smith, the ladies resolved to assist in the eradication of mosquitoes and their breeding places to help control the spread of encephalitis.

A committee was appointed to aid City authorities in every possible way to combat the insects. Plans were also made to sponsor a basketball team, and Mrs. Peggy Smith will be chairman of the committee concerning this activity.

The ladies will donate 50 cents each to VFW Hospital Program as a project in September. This program is designed to assist veterans confined to veterans' hospitals and to provide them with small luxuries otherwise not available.

Plans were discussed for the district meeting of both the VFW and the Auxiliary to be held in Post Oct. 13 and 14. A regional meeting will be held in Plainview in November.

The next Auxiliary meeting will be held in the home of Mrs. R. L. Richardson on Monday, Oct. 1, when the membership drive for 1957 will begin. The group invites any eligible woman who wishes to join to contact an Auxiliary member.

India will "control" horse racing.

## LOSE UGLY FAT IN TEN DAYS OR MONEY BACK

If you are overweight, here is the first really thrilling news to come along in years. A new and convenient way to get rid of extra pounds easier than ever, so you can be as slim and trim as you want. This new product called DIATRON curbs both hunger and appetite. No drugs, no diet, no exercise. Absolutely harmless.

When you take DIATRON, you still enjoy your meals, still eat the foods you like but you simply don't have the urge for extra portions and automatically your weight must come down, because, as your own doctor will tell you, when you eat less, you weigh less. Excess weight endangers your heart, kidneys. So no matter what you have tried before, get DIATRON and prove to yourself what it can do. DIATRON is sold on this GUARANTEE: You must lose weight with the first package you use or the package costs you nothing. Just return the bottle to your druggist and get your money back. DIATRON costs \$3.00 and is sold with this strict money back guarantee by: Wynne Collier Drug Store, Tahoka. Mail orders filled.

Yellowknife, in Canada's District of Mackenzie, is a booming gold mining town in the midst of one of the world's largest remaining empty quarters. Its 3,300 inhabitants are surrounded by 1,250,000 square miles settled by only 12,300 people.

Britain's Parliament now has a projection room so members may see documentaries.

### Rex Webster Is Speaker Here

Rex Webster, Governor of District 183 of Rotary International, addressed Rotarians, wives and teachers at the annual Rotary Ann-Teacher banquet held here Thursday night of last week in the school cafeteria.

Webster talked on the objects of Rotary and applied them to teachers as well. These included "Service above self" and "He profits most who serves the best." He was introduced by Dr. Emil Prohl.

Johnny Reasonover, president of the local club, presided at the meeting. Teachers were introduced by Supt. Otis Spears and the principals of the three school buildings.

Rev. J. B. Stewart gave the invocation preceding a welcome address by Dub Kenley and the response by Floyd Tubb. Mrs. Betty Green rendered special music accompanied by Mrs. Pat Hutchison. Jan Collier, Club Sweetheart accompanied the group in singing at the opening of the meeting.

Herman Heck was in charge of the program.

Isidro Fuentes is a patient in Tahoka Hospital, having broken his leg at the Union Compress Friday.

#### 18 YEARS EXPERIENCE

### Stanley Jewell

WATCHES  
CLEANED AND OILED  
**\$2.98**

ONE YEAR GUARANTEE  
1916 Main — Tahoka, Tex.

### Congratulations:

Mr. and Mrs. L. B. Thompson Jr. of Tishmingo, Oklahoma, on the birth of a son weighing 7 pounds 10 ounces at Ada, Oklahoma, on September 13. He has been named James Mark and has a brother, William Robert, one and one-half. Paternal grandparents are Mr. and Mrs. L. B. Thompson Sr. of Tahoka and the maternal grandmother is Mr. Frank McGlaun of Lubbock, formerly of Tahoka. Mrs. Thompson is the former Sarabeth McGlaun.

Mr. and Mrs. Bobby Clem of route 4, Tahoka, on the birth of a son in Methodist Hospital in Lubbock. Born at 8:04 a. m. Sunday he weighed five pounds, 14 ounces.

Mr. and Mrs. Rick Spinks of Wilson on the birth of a son weighing six pounds, 12 ounces at 1:18 p. m. Tuesday in Taylor Hospital in Lubbock. Spinks is football coach at Wilson High School.

Mr. and Mrs. Juan Esparaza on the birth of a son, Juan Jr., in Tahoka Hospital Friday at 1:20 p. m. He weighed six pounds, 14 ounces. The parents are from Beville, Texas.

Mr. and Mrs. Richard McNeely on the birth of a son weighing six pounds, seven ounces in Tahoka Hospital Saturday at 4:26 a. m. Regan Todd has one big brother, Vicent Kirk, who is nearly two years old. Grandparents are Mr. and Mrs. C. W. Roberts of Grassland and Mr. and Mrs. Bill McNeely.

A/2c and Mrs. Leon Booker (Colored) of Tahoka on the birth of a daughter weighing 8 pounds 5 three-fourths ounces at 3:02 a. m. Friday at Reese Airforce Base Hospital. Name, Lynda Leon. The father is stationed at Shaw, S. C. Grandparents are Mr. and Mrs. Thomas L. B. Seymore.

### Ed Crooks Kill Deer and Elk

Mr. and Mrs. Ed Crooks, from Rt. 4 Tahoka, have recently returned from a two weeks vacation and hunting trip in Wyoming. The hunt was a successful one. Ed got his limit of deer and elk. The day before season the hunting party caught 131 fish in just a few hours.

They report hot weather even in the mountains. They had not had a killing frost yet, which is unusual for this time of year there.

## THAT'S A FACT

**WATER POWER!**

THE MAN WHO FIRST MEASURED THE FORCE OF AN OCEAN WAVE WAS THOMAS STEVENSON, FATHER OF ROBERT LOUIS STEVENSON. HE INVENTED THE SPINNAKER-SAILER, AND WITH THIS INVENTION DISCOVERED THAT THE FORCE OF A WAVE COULD BE AS GREAT AS 6000 POUNDS TO THE SQUARE INCH!!

### George Duckworths Are Old-Timers

Mr. and Mrs. George Duckworth, Lynn county pioneers who have been ranching north of Justiceburg, Garza county, for many years were here Wednesday.

George came to Lynn county about 1909 and worked at the Tahoka Lake Ranch for J. T. Lofton, who had just bought out Jack Alley, father of Mrs. Hall Robinson. He recalled the late Mr. Alley was with Col. C. C. Slaughter about thirty years.

Mrs. Duckworth, a real pioneer of Colorado City, says that back in the early days that town was considered the metropolis of West Texas. It even had street cars at one time. Many of the wealthy West Texas cattlemen lived there, or had homes there for their families. In fact, Tahoka originally got its mail by a mail hack pulled by fast and tough little Spanish mules, by way of Gail.

Mr. Duckworth says the drought is really making it hard on cow men like himself.

### Cotton Quiz

WHAT IS THE "COTTON BELT"?

THE 18 STATES FROM THE CAROLINAS TO CALIFORNIA WHICH GROW ALL U.S. AND 36% OF THE WORLD'S COTTON.

### Solicitors May Be Stopped Here

Now that fall is here, several complaints have come in of unauthorized house-to-house solicitors, according to Roy Hefner, Tahoka police chief.

Such solicitation is in violation of a City ordinance, and fly-by-night solicitors should be reported immediately to the City Police by telephoning No. 171.

Many times these solicitors have schemes and deals which do not come up to their promises, and some of them are outright frauds. Also, some such solicitors are so obnoxious they offend and bother house-wives and others. The ordinance covering all solicitors, was passed to protect citizens of Tahoka.

### Legion Collecting Membership Dues

American Legion annual dues are now due and may be paid to Dan Brookshire, adjutant of Marlon G. Bradley Post. New members are welcomed by the Post.

At a meeting of the Legion Monday night, plans were made for a Pony League jointly with Post and Garza county.

E. R. Edwards was elected the post chaplain to succeed George M. Reid, deceased. "Sonny" Roberts is commander of the Post.

#### CARD OF THANKS

We wish to thank all our wonderful friends for their kindness, visits, flowers, food and cards during the illness and death of our husband and father. Your thoughtfulness in our time of need brought so much comfort to our hearts. May God bless you all.—Mrs. G. M. Reid, Eva Jo and Mari-helen.

The U. S. Air Force School of Aviation Medicine is financing studies by Peruvian scientists seeking to learn how Indians of Peru adapt to oxygen deficiency in living and working at altitude above 16,000 feet.

Manning, in the northern part of Canada's province of Alberta, advertises itself as the "northernmost midwestern farm town in North America." The town is 965 miles north of the United States border.

### New Home Couple Marry Wednesday

Jeanelda Renfro and Charles Brown of New Home were married Sept. 19 in Lovington, N. M. Rev. Beauchard performed the ceremony.

They were accompanied by the parents of the bride and the mother of the bridegroom.

For a short wedding trip the couple went to Carlsbad, N. M. The bridegroom, who is in the Navy, is stationed at San Francisco. The bride is attending school at New Home.

### Teachers Guests Methodist Church

Teachers in the local schools were entertained Wednesday night at a covered dish supper held in Fellowship Hall of the First Methodist Church.

The meeting was also family night, which is held at intervals throughout the year.

Rev. W. H. Vanderpool, Jr. of the First Methodist Church, Littlefield, was the principal speaker of the evening.

Mrs. Minnie Parker, who has been a patient in Tahoka Hospital for several weeks, is improving nicely.

### Junior Teams Play Schedule

Tahoka "B" team and Junior High teams were playing Spur here Thursday night of this week. The News received the schedule too late for advance publicity on the games last week.

B and Freshman teams will play a seven-game schedule, some of them being strictly Freshmen, while others will mix Freshmen with other reserves to make up a B team.

Seventh and Eighth Grade, or Junior High teams will play a schedule of six games.

Following is the B and Freshman schedule:

Sept. 27, B team vs. Spur at Tahoka.

Oct. 4, Freshmen vs. Denver City at Tahoka.

Oct. 11, B team vs. Abernathy at Tahoka.

Oct. 18, B team at Spur.

Oct. 25, Freshmen vs. Slaton at Tahoka.

Nov. 1, B team at Abernathy.

Nov. 8, Freshmen at Slaton.

Following is the Junior High schedule:

Sept. 27, Spur at Tahoka.

Oct. 2, Slaton at Slaton, 7:00 p. m.

Oct. 9, Abernathy at Tahoka, 6:30 p. m.

Oct. 18, Tahoka at Spur.

Oct. 30, Slaton at Tahoka, 7:00 p. m.

Nov. 6, Tahoka at Abernathy.

### Gordon News

MRS. EARL MOHRIS  
Correspondent

Bro. Drake of Crosbyton preached at the Gordon Church of Christ Sunday.

Mr. and Mrs. Fred Mining and son, Troy, of Pittsburg, Calif., were here last week visiting Mining's sister, Mr. and Mrs. T. A. Warren and Miss Ora Mining. Troy had recently returned home from France after having been there three years with the Air Force. The family went on to Big Spring to visit a brother and family, Mr. and Mrs. Dal Mining.

John East entered West Texas Hospital at Lubbock Sept. 19, where he underwent surgery for the removal of his gall bladder. His doctor thinks he can return home after a 10 days stay in the hospital.

Mr. and Mrs. L. S. Wordon and son of Charleston spent two days last week visiting his aunt, Mrs. J. S. Oats.

Donald Weaver who suffered an attack of food poisoning last week is able to be home after a short stay in Slaton Mercy Hospital.

Mr. and Mrs. Heyden Williams of Draw visited his cousins, the Ed Dentons last Tuesday. Sunday visitors in the home were Mr. and Mrs. Johnny Myers and children of Lubbock, Mr. and Mrs. Clair Knott of Union.

Merwyn Edmunds of Lubbock spent the weekend with his parents the Martin Edmunds.

Grandmother Saunders, 91, passed away suddenly in her home in Slaton last Sunday morning. The Saunders family lived in this area for a number of years before moving to Slaton. Mr. Saunders preceded his wife in death a number of years ago. Survivors include five daughters, Mrs. D. F. Smith, Mrs. C. E. Spence, Mrs. Troy Melton, Mrs. Jim Stuart, Mrs. Mary Lee Feast of Washington, D. C.; two sons, Sam and J. D. Saunders; a number of grandchildren and great grandchildren.

Funeral services were held Tuesday in Slaton Church of Christ.

Mr. and Mrs. John Flemming had a number of visitors in their home last Sunday. Among them were Mr. and Mrs. Bernard Foster of Goodlet, Mr. and Mrs. Van Foster, Mr. and Mrs. Albert Basinger, Mrs. Carl Foster and Snappi all of Lubbock.

Mr. and Mrs. R. H. Lewis, Theresa, Edwin, Troy; Mr. and Mrs. Ward Thomas of Lubbock went to Fort Worth last weekend to help Mrs. Lewis' grandfather, James P. Davis celebrate his 100th birthday on Sunday.

Mr. and Mrs. B. L. Billingsley of

ON-JOB TRAINING—Second Lieutenant Lee Z. Nielsen of Elba, Neb., taking his turn as battery executive officer, checks the breechlock of a 155mm howitzer as Second Lieutenant William F. Quinn of Collingdale, Pa., acting safety officer, talks with battery headquarters on the field phone. Both Reserve officers on active duty for six months, they are learning while working with the 41st Field Artillery Group at Fort Sill, Okla., after completing the Officers Basic Course.

### New Home Girl Scouts Organize

A Brownie Troop of Girl Scouts was organized at New Home on Monday, Sept. 17, when 20 girls were registered. Meetings will be held every Tuesday at the school. Leaders are Mrs. Lee Roy Nettles, Mrs. Lit Moore Jr., and Mrs. Joe D. Unfred.

An Intermediate Girl Scout Troop was organized on Wednesday, Sept. 19, and leaders for this group are Mrs. L. C. Unfred, Mrs. Roy L. Williams, and Mrs. Leonard Nettles.

The New Home Troop Committee is made up of Mrs. N. B. Hancock, Mrs. Wilmer Smith, Robbie Gill, E. R. Blakney, L. H. Moore Jr., and Bro. Bernie Thompson.

Any girls from seven to thirteen years of age not already registered but who are interested in the Girl Scouts are invited to contact any of the leaders.

### New Home Seniors Select Officials

The senior class of New Home began its work for the year by selling magazines. This money will be used for the senior trip.

The seniors have also received their class rings. Among these "tip-top" ring wearers are the class officers. They include Wendell Morrow, president; Mary Barnett, vice president; Bobbie Roper, secretary; June Harrison, treasurer; and Leon Blackmon and Sylvia Edwards, reporters.

Other ring wearers are working with the annual and include June Harrison, editor; Sandra Scott, assistant editor; Sylvia Edwards, business manager; and Gail Kieth, snap shot editor.

The class sponsor is Benny Pryor.

### FIRE DEPARTMENT SPONSORS TATE-LAX SHOW

The Tahoka Fire Department will sponsor the Tate-Lax Medicine Company's Show to begin here Monday, Oct. 1, and continuing all week.

Zarlington's Stage Show will be acts of vaudeville featuring Sassafras of stage, screen and radio, Smokey and his banjo, and Leon Pinter the magician.

The show is free and will be located on South 1st street near Higginbotham Bartlett Co. Performances will begin each night at 8:00 o'clock.

Advertising doesn't cost, it pays

Lubbock visited their daughter and family, Mr. and Mrs. Hubert Taylor last Tuesday. Mrs. Taylor, who has been ill was able to return to work in Slaton Monday.

Mr. and Mrs. L. B. Smallwood went to Midland Sunday to visit a daughter and family, the Billy Ramseys.

Among those who attended the Lubbock Fair last Monday were Mrs. J. F. Rackler, Mrs. J. B. Rackler, J. B. Jr. and Beverly; Mrs. A. B. Pruett, Mrs. Dick Denton and Lynn, Mrs. Dan Stewart and Danny.

Mrs. Claud Roper of Wilson was a guest of Miss Ora Mining last week.

Mr. and Mrs. Billy Baker of Slaton were Sunday guests of the Hubert Taylors.

AERIALIST WITH CIRCUS—Pictured above is Miss Wanda Moore, featured aerialist, who will thrill circus goers attending the all new Tex Carson Circus, who will present two performances at 2:30 and 8:00 p. m. on Tuesday October 9th.

The 1,700,000 volumes in the West German Library in Marburg still include books from the former Prussian State Library sent there during the war.

### ST. PAUL LUTHERAN CHURCH

Wilson, Texas

G. W. Heinemeier, Pastor

Questions we will answer for you after service hours:

You have possibly wondered about the answers to some of these questions. We will answer them for you during these weeks of services.

Why does the Lutheran Church have a set form of worship?

Why, at various times in the services, does the minister turn his back to the congregation?

What are the Sacraments?

Is baptism by sprinkling as effective as baptism by immersion?

How can a person become a member of the Lutheran Church?

What is distinctive about Lutheran teachings on the Lord's Supper?

Is conscience a safe guide in doing what is right?

Why does a Lutheran pastor usually wear a robe?

What is sanctification?

Why do Lutherans have altars, candles, etc., in their churches?

Can a person be saved by keeping the Commandments?

Can one be a Christian and yet not attend church?

**Mrs. Jewell Wells Enroute To Japan**

Mrs. Jewell Wells has written Mrs. Marcus Edwards while enroute to Japan with her daughter, Mary Bland, and family. Although her letter was very interesting, space does not allow the printing of it in full. However she told of their trip to California and of the boat trip across the Pacific. She said that like many other passengers, she became quite ill, but that the Pacific was different from the Atlantic in that it is a deep blue and usually calm, while the Atlantic is wild and its color green and black. The boat trip was to take almost three weeks.

If you look the world over, you'll never find so much good entertainment and spectacular fun as you'll find at the 1956 State Fair of Texas. This year's extravaganza, October 6 through 21, will present a kaleidoscopic program of sparkling entertainment, fashion shows, football games, livestock shows, agricultural and industrial exhibits, contests and special events, youth activities and carnival merry-making. There's something wonderful for everybody at this festival of fun!

Imagine these shows: "DAMN YANKEES" starring Bobby Clark and Sherry O'Neil, ICE CAPADES featuring "Peter Pan," Joie Chitwood's AUTO DAREDEVILS, and many new rides and shows on the MILLION & MIDWAY. COTTON BOWL FOOTBALL: Texas A&M vs. Texas Tech on October 6, Texas vs. Oklahoma on October 13 and many big high school games. And the big name talent: ELVIS PRESLEY on October 11, LOUIS ARMSTRONG on October 15, THE SPORTSMEN and ROGER WILLIAMS on October 16, VICTOR BORGE on October 20, FIESTA MEXICANA on October 21.

The fabulous sights: an ESPERANZA OF LIGHT, PAN-AMERICAN LIVESTOCK SHOW, a GALLERY OF PRESIDENTS in the Art Museum, amazing EXHIBITS in the Automobile Show, Electric Show, Gas Show, Women's Building, Food Show, Farm Implement Exhibits, Agriculture Show. Not to mention free band concerts, aerial acts and free shows... the INTERNATIONAL CENTER with exhibits of thirteen foreign countries, FREE MAGIC SHOW, PLANETARIUM. Naturally, I'll be there to greet you... and to introduce you to my new pet Hereford. He's only 12 feet tall, but he's mighty cute. Yes sir, there's no doubt about it. We're Shootin' the Works, all right. It's the most extravaganza, most colossal, most sensational fair of all... and it's the biggest state fair in the world! Come 'n see!

**STATE FAIR OF TEXAS**  
OCT. 6-21 • DALLAS

**FRESHMAN SQUAD—**

First row, left to right, (31) Foster Dudgeon, guard, weight 128, son of Rush Dudgeon; (25) Jerry Mason, end, 99, son of Mrs. J. W. Hedge; (27) Ronnie Ledbetter, end, 108, son of A. L. Ledbetter; (33) Gerald Short, end, 126, son of Chester Short; (34) Mike Orr, end, 124, son of O. D. Orr; (32) Joe Phil Inman, guard, 144, son of T. B. Inman; (22) Roy Thomas, guard, 103, son of Kenneth Thomas; (23) Charley Mack Holland, end, son of Wade Holland.

Second row, (21) Phillip Havins, guard, 140, son of Troy Havins; (28) James Hicks, guard, 118, son of W. V. Hicks; (30) Ronnie Walters, quarterback, son of Mrs. Lewis Bonham; (80) Vernon "Bub" Redwine, tackle, son of F. E. Redwine; (77) Dean Elliott, tackle, 190, son of Mrs. Iva Elliott; (79) Richard Stice, tackle, 184, son of Mrs. Cleo Stice; (42) Tony Chapa, halfback, 150, son of Manuel Chapa; (40) Lynn Cook, center, 155, son of E. A. Cook; (44) David Copeland, halfback, 131, son of D. W. Copeland.

Thursday: Hamburgers, tomatoes, onions, lettuce, french fries, canned peaches, milk.

Friday: Baked lunch meat, black-eyed peas, sweet potatoes, chocolate pudding, biscuits, butter, milk.

England's Poisons Board has recommended a curb on the sale of a drug found to have been used by housebreakers to provide courage while engaged in crime.

**Feed Program Is Reappraised**

The volume of approved applications for assistance under the Texas Emergency Roughage program has exceeded the estimates of demand made when this program was negotiated so it is necessary to reappraise the actual cash requirements, Perry Walker of the local FHA office has been informed.

The agreement between Secretary Ezra Taft Benson and Governor Allan Shivers provides for an allocation of One Million Dollars of Federal funds for the roughage program. Funds available to the U. S. Department of Agriculture to finance roughage programs must be allocated among all disaster designated states where such a program is needed.

Mr. Walter T. McKay, Texas State Director of Farmers Home Administration, has been instructed by K. L. Scott, Director of Credit Services, U. S. Department of Agriculture, to immediately instruct all FHA County Offices in the designated areas to withhold further approvals of roughage purchase certificates. The County Offices are authorized to continue to accept and hold on file applications for assistance under this roughage program, but are instructed to take no action on these applications and to make daily reports on the tonnage requirements covered by such applications to Mr. McKay's office.

Mr. McKay has been asked to solicit the assistance of the Texas USDA Drouth Committee and the Office of the Governor in making a careful reappraisal of the demand for assistance under this Emergency Roughage program including financial requirements.

Mr. Scott stated that in keeping with the policies and the desires of Secretary Benson, the Department will continue to work closely with Governor Shivers and leaders in the State and give all assistance possible within the authority and funds available to the Department in providing assistance to drouth stricken farmers and ranchers in Texas.

The Mediterranean area showed an 11 per cent dip in orange production in 1955.

### Officers Elected By Tahoka Band

The Bulldog Band has elected officers for the coming year and has chosen Johnee Clem as its president.

Linda Williams is vice president; Peggy Halameck, secretary-treasurer; Sandra McNeely, parliamentarian; and Jan Collier, reporter.

Director of the band is Don Wortham and drum major is Lynn Strickland, senior student who has served in this capacity several years. Twirlers include Sandra McNeely, Linda Williams, Betty Phipps and Wilma Scott.

The band has been meeting twice each week at night other than the daily classes to practice for the half-time activities for the football games.

The oldest stake event in North America is the King's Plate, a Canadian fixture that was first run in the province of Quebec in 1836.

Advertising doesn't cost, it pays.

### Local Ladies Help Accident Victim

Mrs. Clara Gene Porter and Mrs. J. E. Mayberry were the first people on the scene of an accident Monday night.

While enroute to Kermit the ladies came upon a car turned upside down with the driver pinned under the car. With the aid of three men who also stopped, the car was lifted off the man.

The ladies then went on to Andrews to summon an ambulance and to report the accident and did not learn the victim's name, only that he was from Amarillo.

Extent of injuries were not known Monday night as they returned through Andrews, although he was reported resting.

### WOLF HUNT SET

The annual Texas-Oklahoma Wolf Hunt will be held October 16, 17, 18, and 19 at Quanah. Good camping grounds are available, with plenty of water, and there will be plenty of entertainment for the entire family each night. Everyone is invited.

### Standing . . .

(Cont'd. from Front Page) The kids are still excited and Pa's asleep. Thank goodness they don't have fairs but once a year.

The most impressive thing, in my opinion, at the fair this year were the life-size figures sculptured in wax of the Last Supper. A 31-year old woman sculptured and dressed the figures of Jesus and His 12 disciples in authentic costumes and even rooted human hair into their heads. It was a wonderful replica and I know if you saw it, you enjoyed it as much as I did.

"Everyone in town is talking," remarked the wife, "about the Jones' quarrel. Some are taking her side and some his."

"And," replied the husband, "I suppose a few eccentric individuals are minding their own business."

There are always errors in the Lynn County News, but if you could only see the ones that are caught before they are printed! Last week we nearly advertised some Tubless Tires and some Tireless Tubes.

Just a little note to the O'Donnell Index-Press: That must have been gin smoke in the air last Friday afternoon.

At any rate, that night it wasn't gin smoke, but feathers—Eagles' feathers, that is.

However, the Bulldogs always enjoy playing O'Donnell, win or lose.

After going through some old Lynn County News editions printed in September, 1919, I decided to pass on some of the news to you.

In a column headed Automobile News and Gossip was this advice: Try to drive as near the center of the road as you can.

In that year an estimated 7500 bales of cotton was expected to be ginned. You might be interested to know that an organization to try to secure farm labor

Try The News Classified Ads.

WINNING HONORS—Young Reserve Forces Act trainees at Fort Chaffee, Ark., like Privates Nathan W. Burcker of Ransom, W. Va. (sighting machinegun), and Paul D. Geis of Keyser, W. Va., helped their unit graduate from basic training as the "honor battery" in competition with older draftee and Regular Army soldiers.

was started with R. C. Wood as president.

A slumber party was enjoyed at the Williams Hotel Tuesday night (Sept. 16, 1919) when cake, cream and pie was served to Mmes. Sadie Sanders, Ross Ketter, and Misses Edith Weathers, Willie Davidson, Georgia Mae Hill and Quace Davis. Know who they are?

H. M. Larkin is co-operating with the city in repairing the streets north and south and east and west in front of his business house. Several loads of straw, cinders, and dirt have been hauled and dumped and when complete the southwest corner of the square will be in first-class condition.

If soil samples are to be submitted to the Soil Laboratory for testing, now is the time to get them in. M. K. Thornton, extension agricultural chemist in charge of the lab, says business is slack and fast service can be assured.

### Rotary Club In District "High 10"

Tahoka Rotary Club was one of three clubs in the 183rd District of Rotary International with 100 percent attendance during the month of August, President Reasonover has been informed by District Governor Rex Webster of Lubbock. There are 40 clubs in the district.

The other two clubs were Leveland, which has 68 members, and Sudan, which has 21 members. Tahoka club has 42 members.

Others in the "high ten" in attendance were Dalhart, Floydada, Lamesa, Perryton, Muleshoe, Littlefield, and Borger.

### CARD OF THANKS

We wish to thank all the wonderful people on route 4 for the lovely flowers sent at the time of my brother's death. May God bless each and everyone of you. Mr. and Mrs. Tom Reid.

Egg prices during the first six months of 1956 averaged 11 percent above the same period for last year while feed prices declined seven percent. It now appears that prices during the latter half of 1956 will be lower than for the same period a year ago. Extension Economist John McHaneey gives two reasons—the nation's laying flock will be larger and trend toward a higher rate of lay will continue.

Farm tractors can be killers, says W. L. Ulrich, extension agricultural engineer, when they are operated in a careless manner. He urges all operators of tractors and power driven farm machinery to always guard against using practices which involve the element of chance. Tractor fatalities have been on the increase in Texas this year.

## LUCERNE

Because of its possible soothing effect on the nervous system and antifatigue qualities, it is possible that LUCERNE would be a profitable investment for employers who have large numbers of personnel; farm hands who work long hours, wives and mothers who work equally long hours in the never-ending duties of housewives and mothers, children when they want a "soft drink";—one or two small drops of orange extract, lemon extract or other fruit extract will enable changing the taste for variety—or LUCERNE may be mixed with fruit or vegetable juices for further variety.

We enjoy LUCERNE as a beverage with a lunch,—and the same is true with others of our acquaintance.

Remember, please, LUCERNE IS NOT A MEDICINE:—

Instead, it is a Beverage Food Supplement, delicious and refreshing, containing the elements contained in the alfalfa from which made,—AND IN THEIR NATURAL COMBINATION: Potassium, iron, manganese, sulphur, barium, chromium, fluorine, molybdenum, strontium, vanadium, hydrogen, calcium, magnesium, lithium, chlorine, beryllium, cobalt, iodine, rubidium, tin, zinc, nitrogen, sodium, aluminum, phosphorus, silica, boron, copper, lead, silver, titanium, carbon, oxygen.

The sugar contained in LUCERNE enters as sucrose (cane or beet), but is converted to d-glucose (dextrose) and fructose in the process, thus becoming definitely more assimilable. Common sugar, (sucrose) enters the human system and therein is converted to dextrose IF the system provides the acid essential for the conversion. In the case of LUCERNE the acid is contained IN THE EXTRACT, hence the sugar is converted into form most assimilable by the human system.

We are now using raw, unrefined sugar in making LUCERNE.

LUCERNE CONTAINS NO ALCOHOL, NO ASPIRIN, NO ADDED COLOR, NO CAFFEINE, AND NO ADDED PHARMACEUTICAL OR SYNTHETIC SUBSTANCE.

*Wynne Collier*  
DRUGGIST

OUR HATS ARE OFF TO—

The Tahoka High School Bulldog Band for the fine job it has been doing thus far at half-time activities at the football games, to Director Don Wortham, Drum Major Lynn Strickland, and the twirlers. Not only is the marching a colorful event at the football games, but the music adds that necessary sparkle.

# Tahoka Surprises O'Donnell 21 to 12

The Bulldogs play the Seagraves Eagles there this Friday night.

Tahoka Bulldogs surprised the O'Donnell Eagles by taking a 21 to 12 football victory at Kelley Field here Friday night before a large crowd of Lynn county fans. This was the first victory for the Bulldogs in three starts and the first loss for O'Donnell in two starts.

The game was marred by fumbles, penalties, and miscues, but was a thrilling one from start to finish. Tahoka's line was probably the difference, as the Eagles could get nowhere through the line, while the Bulldogs ground out most of their yardage over tackle and guard.

O'Donnell scored on two long runs, one a 63-yard pass play from Quarterback Mack Forbes to Halfback Ben Richbourg and the other on a 50-yard run around right end and down the sideline by halfback Leo Barrington. The Eagles had another 32-yard touchdown run on a triple hand-off with Barrington ending up with the ball falled back when a teammate clipped a Tahoka lad.

Opening the game, Tahoka kicked to O'Donnell, but the Eagles couldn't move. The Bulldogs ran one play and fumbled on the next. After O'Donnell bogged down again, Tahoka took over on its own 27, marched to the O'Donnell 23 to lose possession. An exchange of fumbles and Tahoka was on O'Donnell six yard line, but Tahoka fumbled there. Two plays later, Richard Brooks made an important recovery of an Eagle fumble on the 9.

McNeely made three then Reno fumbled over the goal line and Simmons covered for Tahoka's first touchdown. Harter ran the ball for the extra point score, Tahoka 7, O'Donnell 0.

## Wilson Victim Of Frenship

Coach Rick Spinks' Wilson Mustangs dropped a close 6-0 decision at Frenship Friday night.

Wilson entertains the Petersburg Buffaloes this Friday and hopes to hit the victory trail. Frenship of Wolforth was winning its third game and is still unscathed on the season, but had to pull out all the stops to take Wilson in a hard-fought ball game.

Even then, the winning score came on a twist of fate in the third quarter. A Frenship player crashed through the Wilson line to block Fullback Dewey Corley's punt on the Wilson 12, and a Frenship guard pounced on the ball as it rolled back of Wilson's goal line.

In the stout defensive battle, neither team could ever come the other's defense to score from the field.

## New Home Loses To Lazbuddie

New Home Leopards lost a heart-breaker Friday night at New Home to Lazbuddie after playing the visitors to a stand-still most of the game.

The score stood 0-0 until in the third quarter, when New Home fumbled behind the goal line to give the visiting Longhorns a safety and a 2-0 lead. Then, late in the final quarter, Lazbuddie put together a 65-yard march to put over the only touchdown of the game to cinch the victory.

New Home goes to Farwell this Friday for another game in which they have an up-hill fight. However, the Leopards are showing improvement and are due to win some games, or give their opponents a real battle.

## Area Boys Make West Texas Squad

According to the roster just issued by West Texas State College, three boys from Lynn county and several others known here are on the Buffalo squad.

From Tahoka are Don Blair, 165 pound Freshman halfback, and Tommy Murray, who attended high school at Post, 195, Freshman end. From O'Donnell is Travis Pearce, 205, Freshman tackle.

Others on the Buffalo squad are: Fred Apperson, 155, Freshman halfback from Abernathy; Leon Manley, 185, Freshman center from Abernathy; Alvin Morrison, 190, Senior end from Ralls; Jerry Brantley, 195, Freshman guard from Plains; and several others from Whitharral, Anton, Matador, Ropesville, and other South Plains towns.

| FOOTBALL SCORES |                   |
|-----------------|-------------------|
| Tahoka          | 21, O'Donnell 12. |
| Lockney         | 20, Tulla 0.      |

## Trophies Are Presented 28 At First Annual T-Bar Club Tournament

Nearly 125 people attended the supper and trophy presentation Sunday evening at 6:00 o'clock on the club house terrace of the First Annual T-Bar Country Club Men's and Women's Golf Tournaments.

Finals in the men's matches were played Sunday beginning at 1:00 p. m. and ending at about 5:30 p. m. Women's finals had been run off the previous Sunday afternoon.

Lester Strech, chairman of the men's trophy committee, presided and made all the presentations. In doing so, he managed to say something good about each trophy winner, and mixed in a lot of humor to make the event more enjoyable. Trophies were bought from tournament entrance fees.

There were 56 entries in the men's tournament, which he declared was a larger number than in the club or individual tournaments of many of the older golf clubs of the area.

Winner of the championship flight was W. A. Schaal, who defeated J. E. (Red) Brown, runner-up, on 18 holes. Previously Brown had won 1-up over Jack Alley Robinson on 18 holes. C. W. Conway, a relatively new golfer, was winner of the consolation bracket. C. N. Woods was winner of the medalist trophy.

Other winners of the various flights were:  
First Flight; Jack Smith, first;

Jake Jacobs, second; Wade Holland, consolation.

Second Flight: A. N. Norman, Jr., club president, first; Berry Fischer, second; Bill Haralson, consolation.

Third Flight: Ray Adams, first; Tom Bartley, second; Bill Singleton, consolation.

Fourth Flight: Kay K. Moore, first; Jackie Applewhite, the only youth to win a trophy, second; and Otis Spears, consolation.

Fifth Flight: Winston C. Wharton, first; Frank Hill, second; and Mel Leslie, consolation.

Sixth Flight: Granvel Ayer, first; L. C. Unfred, second; and Dean Taylor, consolation.

Lady Winners Named

There were 18 entries in the Women's Tournament, supervised by Mrs. Lester Strech and Mrs. O. C. Elliott.

Trophy Flight was won by Mrs.

"Come, Hear the Message of Salvation"

Audie Norman, Mrs. Irene Spears was second, Mrs. JoBelle Robinson was third.

In the first flight, Miss Echo Milliken won first, Mrs. Melba Clem second, and Mrs. Margie Conway third.

Also, two "boobie" prizes were presented, one to Mrs. Eloise Griffin for the most puts on No. 1 green, and the other to Mrs. Lois Fischer for the highest score on No. 6.

"Slick" Clem received a prize for being the best sport.

The supper preceding the trophy awards was served by Messers. and Mmes. C. W. Conway, Lester

### EASTERN STAR NEW

Tahoka Chapter 743, Order of the Eastern Star will honor the Associate Grand Matron, Sister Pauline Smith, of Lubbock with a Tea, Sunday afternoon, Sept. 30, 1956 in Mrs. Emil Prohl's home. Other grand officers will be in the house party. Eleven chapters of this section are to be our guests. We ask all Eastern Star members to come any time from 3 to 5 o'clock.

Atomic airliner planning is predicted by 1965.

Strech, "Slick" Clem, and Mrs. Bill Singleton and Mrs. Peggy Elliott.

# Odds and Ends

(By E. I. The Elder)

On August 12 this year Eva and I attended a home-coming event staged by the residents and former residents of the Stampede Valley community situated in the northernmost portion of Bell county close up against the lines of both McLennan and Coryell counties. For forty years or more this community was one of the most progressive, prosperous, and widely-noted rural communities in all central Texas, but modern inventions and the natural aspirations of country people have resulted in its conversion into a sort of "ghost" community. The first little school-house ever built in Stampede Valley was built around the year 1875, the year in which I was born. The first school I ever attended was in that little school-house, a one-room structure not more than 20 by 30 feet in size. Bell county was just then really beginning to settle up, and the student body of the Stampede School grew so rapidly that within a very few years an addition had to be built on the east end of that little school-house. In a very few more years students were swarming into that building in such numbers that the trustees of the school decided that a new and much larger building would be required to meet their need, and so they built it. It was built not many yards from the site of that little old first school building that was ever erected in Stampede Valley, and it stood there serving the public in various ways for many years, first and foremost always, however, as a school building. Then one year, the school-consolidation craze hit the country and they began transporting the Stampede school children to Moody in buses. Unlike Whittier's little old New England school-house, the one at Stampede no longer

sits by the road, "a ragged beggar sunning;" it was sold, moved off its blocks, and converted into a residence, I believe. And now those long years of service to the community are only a blessed memory, and so for the past three years the former students of that school and some of their relatives have been meeting in an old church that stands near by, renewing their acquaintance, feasting, recalling sweet memories of other days, and always engaging in religious services. Two hundred and fifty of them met there on Sunday, August 12, and had a glorious time.

But, up to the present time, I have told you practically nothing about Stampede Creek and the valley through which it passes. Since one of its two prongs comes tumbling right out of the fine little town of Moody, I must tell you first some things about Moody. It is situated on the main line of the Santa Fe railway which extends north and south through Texas from the Red River to the Gulf of Mexico, its nearest Santa Fe neighbor being McGeorgor on the north and Temple on the south. My brother William, who spent practically his whole life in the towns of Eddy, Moody, and Troy and the City of Waco told me during the last year of his life that Moody had the highest altitude of any town in Texas lying east of the north-south line drawn through the town. That was a surprise to me but later I looked it up in the Texas Almanac, and I found that his statement was correct. Moody lies 783 feet above sea-level, Denison 767 feet, Gainesville 738 feet, and Temple 736 feet. So Moody assuredly is on the very top of the "black belt" of what we call Central Texas. Nothing in East Texas even approaches it in elevation.

## GOOD PLACE FOR YOUR KID LAST NIGHT

nan county and thence into Falls county and empties into the Brazos above Marlin. Little Elm gets a little larger share of Moody's rainfall, carries it down by Troy in Bell county, and then rushes it on down to Millam county and empties it into Little River, I believe below Cameron.

Stampede Creek is not as long a creek as these others but it gathers and carries so much water that falls on so many hills and broad valleys that when heavy rains fall all over its entire watershed it becomes a raging torrent.

As I have already indicated, however, Stampede Creek proper is made up of two prongs. Moody is situated at the elbow of two ranges of hills. One of these ranges extends south from Moody in the general direction of Temple. The other Range extends in a general western direction from Moody toward the deep but narrow Leon River that comes racing down from Gatesville, county seat of Coryell county, situated just above the north end of Fort Hood.

The great pool of water formed by the confluence of Stampede Creek and the Leon River was known and used far and wide by Baptist Churches generally as a baptismal pool. That was before country churches began building baptistries in their houses of worship, and most churches in Central Texas in those early days administered the ordinance of baptism in some stream. Furthermore, camp meetings had not gone out of style in those days, and the White Hall was a natural camp meeting ground and not too far from the baptismal pool. I can well remember that when I was a child four or five years old, Major Penn held a camp meeting at White Hall. My father and mother attended and took us children along. Major Penn had a deep bass voice, "A great voice, as of a trumpet!" and I heard them sing many songs, and I remember to this day parts of one of the songs that they sang. It was a great revival and as I remember it, at the close of the meeting they baptized many converts in the baptismal pool at the mouth of the Stampede Creek. I remember hearing too the peculiar whirring or chirping sound made by the katydids up among the trees and the whinnying of horses tied here and there all over the camp grounds. Yes, I have heard the

katydids chirping and the varicolored horses whinnying at times all up and down the course of Stampede Creek, but this past August when I was down there I can not remember hearing the chirp of a single katydid nor the whinny of a single old nag. I guess it was too dry and dusty for them to find anything to laugh about. There were not many old nags left in the community anyway. The people of Stampede Valley used to raise just oodles of hardy mules and big showy draft horses but most of their draft animals now have steel ribs and consume neither oats nor corn but only butane and gasoline.

I have already told you that one range of hills that marks the boundary of Stampede Valley extends in a general southward direction toward Temple. But the southernmost hill that definitely

marks the south end of Stampede Valley is the one which was formerly known as the Vanderpool Hill but I guess that it is now better known as the Goad Hill. At any rate, this hill then as now gave rise to the Payne Branch, chief tributary of Stampede Creek from the east, unless it be a little smaller than the one which flows by the White Hall a little further South. I mention this stream because it presents a sylvan pastoral scene that has long been one of the most beautiful I have ever seen. One prong of it forms back in a lateral valley that lies on the north side of the Vanderpool or Goad Hill, and the other prong comes from the south side of this hill. The two prongs merge just south of the Billy Payne home and the resulting stream is known as the Payne Branch. It flows on west several hundred yards, possibly a half mile as I remember it from this distant den on mine, then turns north for possibly another mile and again swerves westward and empties into Stampede Creek. From the point where it turns north to its mouth, it is lined with shady trees and flocks of sheep graze over the level surface of the Payne pasture and rest beside the still waters. It is as clean of weeds as your parlor and much of it is carpeted with curly mesquite grass. Not since early boyhood have I seen it without thinking of the Twenty-third Psalm: "The Lord is my shepherd; I shall not want. He maketh me to lie down in green pastures; he leadeth me beside the still waters; he restoreth my soul." . . . Now I will let you quote the whole Psalm, for you have quoted it doubtless many times before.

Brother Joe and I were born in a little box house that sat at the north end of a Bois D'arc hedge at the foot of that Vanderpool hill. But I bear him to Terra Firma by two years and more than eight months. When I was about four years old we moved up into the big house further south and higher up on the hill. When I was about eight my father bought a farm about a mile and a half further north on the north side of the Pruitt hill. It was about three or four years later when we moved into another house on

The Lynn County News, Tahoka, Texas September 28, 1956

the north side of that farm. Another creek formed up in the valley above us and came running down across my father's farm in a westerly direction, thence across another farm, and finally into the Payne Branch just before that stream empties into Stampede Creek. The portion of it that crossed my father's farm was so crooked that he cut a ditch across the farm to shorten the stream and to save the rich black soil for farming and pasturage purposes. That creek, you will note, also ran across the Billie Payne pasture but at a point further north from which the sheep were barred. So, in the spring-time that portion of the pasture was covered with a mass of brightly colored flowers, such as buffalo clover (bluebon-

nets in modern lingo), Old Maids (Gaillardia, as now alluded to; wild verbenas; buttercups, and numerous other varieties of brightly colored wild flowers—I don't think I have ever seen anything like it in the way of ravishing beauty on the black-land prairies after I grew up and began noticing the wild flowers, the gorgeous sun-sets, etc. And over on the thinner land on the other side of the Creek these pastures were aglow with Sweet Williams or wild phlox.

If one stood on any of the eastern hills and looked out across Stampede Valley, he was likely to exclaim that it was the most beautiful sight he had ever seen. That was the way Stampede Valley (Cont'd. On Back Page)

## THIS IS WHERE TOMORROW STARTS

# A new "inner car" gives you a NEW KIND of FORD for 1957!

Coming October 3rd.

On Wednesday, October 3rd, Ford Dealers throughout the United States will unveil a new kind of automobile!

Cars are involved in every American's life. News of a new kind of car is the biggest kind of news to millions of Americans. . . .  
 The Big New Kind of Ford is that kind of news . . . a car totally new in design from crest to trunk lock.  
 This completely new automotive package will sell at the traditionally low Ford prices.  
 This makes possible a new high standard of such honest-to-goodness value that it actually increases the purchasing power of your automobile dollar.  
 When you see it, other cars will look out of date, because . . .  
 This is Where Tomorrow Starts . . . with a Big New Kind of Ford!

**The New Kind of Ford** is the fullest, most eloquent expression of Ford's special personality—the youthful grace, the whiplash action—and the reputation for durability known wherever there's a road.

To all this we have added true elegance—a kind of elegance never before seen in the low-price field. To make a car truly elegant, you must start deep-down inside.

**The New Inner Ford**  
 The Inner Ford—the car you cannot see—is a very remarkable structure. Its frame is actually a cradle. Side members extend almost the full body width; they serve not only as supporting members but as concealed side bumpers of immense strength.

**The New Ford Body**  
 The new Ford body is a triumph of engineering in steel. The doors close with the solid finality of a bank vault. Even the door-lock button has been moved up front—easier for you to reach, but out of the children's reach.

All these features were engineered to give you a solid new kind of comfort.

**The New Ford Ride**  
 The New Kind of Ford sits six people as no other low-priced car has ever sat them

—six elbows wide in each seat, with deep space around each one of six knees. And above all that space, there's hat room to spare for all six passengers.

The 1957 Ford rides low, solid, with a firm, deep road-holding feel. Yet it's a light-hearted, flight-hearted ride—this car is responsive, nimble, agile, with a proud easy movement.

**The New Ford Choice**  
 Ford offers not only one, but two sizes of cars . . . each on its own extended wheelbase . . . each with its own body shell . . . each with its own styling.

First, the two Fairlane Series on a 118-inch wheelbase. The Fairlane 500's come in 5 body types, a four-door sedan, a two-door sedan, a two- and four-door Victoria with no center pillars, and a convertible coupe. The same body types (except for the convertible) are available in the Fairlane Series.

Second, two Custom Series mounted on the 116-inch wheelbase chassis. In the Custom 300 Series, a four-door and a two-door sedan are distinguished from the Custom models by more luxurious inter-

riors and elaborate trim. The Custom Series also includes a Business Sedan.

Beyond all these, you also have your choice of five Station Wagons—the famous glamour cruisers that are the champions in this field!

**The New Ford Look**  
 That low, low cradle-span frame means a low, low car. The Fairlane 500 is only four feet eight inches from road to roof! The Custom is just over four feet nine inches!

The new Ford is not only low—but long. Ford gives you more than 17 feet of elegant length in the Fairlane Series, a shade less in the Custom. It's a nice kind of fun just to look at it. It's high-priced in every way except price.

**The New Ford Performance**  
 You can have up to 245 wonderful Thunderbird horsepower in any Ford model. There's a moderate—and really moderate—extra charge for this engine of 312 cubic inches with its 4-barrel carburetor.

For "Six" lovers, we've got the 144-hp Mileage Maker Six. Whether you choose Six or V-8, the going is great!

**Here is where your own tomorrow starts**  
 It starts at your Ford Dealer's showroom! The cars will be there on Wednesday, October 3.

These are the best Fords of our lives. They are the first symbols out of Detroit of the new automotive age that is beginning for you.

This is where tomorrow starts—at your Ford Dealer's.

This is when your tomorrow starts—October 3rd.

Come in and see us for the Big New Kind of Ford!

**Lynn County Soil Conservation District News**

K. K. MOORE                      ELLIS BARNES  
O. E. TERRY                      W. E. DUBREE  
ELMER BLANKENSHIP

The farm tour was made last Friday in cooperation with the District Extension Service and Soil Conservation Service. Stops were made to observe hybrid grain sorghums growing on B. L. Hatchell's farm east of Carter's Store and Bill McNeely's north west of Carter's Store. These two plantings were from experiment station seed release and production will be very good. Sesbania, a summer legume, was observed on the farms of Theo Campbell and Weldon Baily. The Sesbania appears to have possibilities as a dry land legume as well as irrigated. The last stop was made to observe soy beans growing on E. C. Houchin's farm northwest of Wilson. Soy beans are a summer

legume that add nitrogen to the soil by nodules farmed on the root system and the bean crop has a market value.

B. A. Morrow, northwest of New Home, is planning to try three kinds of grasses next spring. Additional acreage is to be planted to blue panic grass and small acreage to Side oats grass and Little bluestem. The later two are native grasses that may be grown for seed or grazing.

The election of a Supervisor for sub division three is to be October second. Sub division three includes the southeast part of the county from a line two miles north of Redwine and north-south line along the Tahoka-O'Donnell road.

**Odds & Ends**  
(Continued)

I looked to me when I was just a child, though I could not fully appreciate it at that time. That is the way it looked to the first white men who came looking for homes, if we are to believe their oral testimony. It is the way it looked to the first soldiers, evidently, who came fighting the savage Indians. I am persuaded that it is the way it had been looking to the wild Indians—the Wacos or Huecos, the Tehuacanas, the Comanches, the Wichitas, and other Cad-do tribes, who had been fighting one another in frequent tribal wars and killing buffaloes, deer, and antelopes for their meat supply for possibly a thousand years according to belief and conjecture of some archaeologists and historians. In fact, I am sure that it must have looked the same way from time immemorial if there were any human eye to see it. Historians, in fact, say that Indians came over the Behring Sea or Behring Strait from Asia to Alaska and American proper many thousand years ago, and thence spread southward into and through the land of Mexico, and in all directions into all parts of what is now the United States. Whether that be the way it happened or not, the mound builders and the cliff dwellers left their foot-prints in many places, and we know that the Indians have been here a long time. We know too that some of them came to Texas, and it is not improbable that some of them looked down upon Stampede Valley from the eastern hills possible thousands of years ago. If they did, I think they saw a beautiful sight.

Next week I expect to tell you how and when Stampede Creek was found and by white men just three or four generations ago and how it got its name. It is a tragic but authentic story, and while it is not altogether a pleasant story, still I think it will help all who read it to appreciate more keenly the sacrifices that our forefathers

**Circus Is Coming Here October 9**

Tom McLaughlin advance representative of the all new Tex Carson Wild Animal Circus was a caller in the News office the past week and announced the coming of the first circus to Tahoka in four years, the date having been set for Tuesday, Oct. 9 with two performances scheduled at 2:30 and 8:00 p. m., on the Jaycee ball park grounds, under auspices of the Jaycees.

This will be the first trip through this section of Texas for the Carson Circus in several years. Presenting a fast moving program of twenty feature circus acts under the big top in addition to carrying an all new enlarged menagerie consisting of several dens of wild animals, four herds of elephants, camels, llamas and as a special feature, Lotus, 4-ton hippopotamus will be on exhibition.

In a few days the regular advertising trucks will arrive and begin the task of placing the bright posters through out the surrounding territory.

Mrs. J. J. Atkinson and Mr. and Mrs. H. P. French were over from Brownfield Friday visiting friends and relatives. She said she had opportunity to spend two weeks this summer in Canon City, Colorado, with her son, James, and while she was there another son, Obie, came over from Flagstaff, Ariz., for a visit.

Greenberg and Cronin are inducted into baseball Hall of Fame.

U. S. exports to Soviet block nations have doubled.

have made for us.

Also, there are yet other things that I wish to relate about Stampede Valley that may help you to appreciate pioneer life in many other communities of Texas similar to this one.

I have already taken a few pictures of scenes on Stampede Creek but I hope to take other pictures soon.

**Bulldogs**

(Cont'd. from 1st. page Sec. 1)

Early in the second Paris covered an O'Donnell fumble near midfield, and Tahoka marched down to the O'Donnell 19, after Tahoka had drawn a 15-yard penalty and O'Donnell a 15 and 9-yard penalty. Here Quarterback Karl Prohl hit Harter with a pass down the middle, and Harter actually dived the remaining three or four yards to the goal line. McNeely bucked over the extra point. Score 14-0.

Fullback McLaurin of O'Donnell took the kickoff on his own 37 on the next play, Forbes threw a long pass to Richbourg, who had gotten behind the Tahoka secondary on the Tahoka 35, and he gathered the ball in and went for O'Donnell's first score. The conversion failed. Score, 14-6.

Another Tahoka march was ruined by the fumble on the O'Donnell 33.

Opening the second half, Bairrington brought the kick-off to the 50. On the next play he circled his right end and raced down the sideline to score. An attempted pass for the extra point was no good. Score, 14-12.

With Harter at quarterback and Prohl out with an injured back, Halfback Marcelino Madrid spearheaded a Tahoka drive from the Tahoka 15 to the O'Donnell 16, but a 15 yard penalty on Tahoka stopped that drive.

O'Donnell started its effective passing attack, one was good to Bairrington for 10, one to Richbourg for 20, a screen pass to Richbourg for 19, and then came the razzle-dazzle play that broke Bairrington loose on a run to the goal line, but then O'Donnell was guilty of clipping on the 17 and the ball was put in play on the 32. The visitors moved to the 9 on 10 plays, where the ball went over early in the fourth period.

Tahoka marched 91 yards to score its third time with the help of a jump pass to Jay Gurley and

Your Church of Christ is a friendly Church!

A. W. Edwards of Waco was here a couple of days last week visiting his sister, Mrs. G. W. Hickerson, and brother, M. H. Edwards, both of Tahoka, and son, Fred Edwards and wife at Lubbock. Mr. and Mrs. Edwards have been spending their winters in Florida the last few years. This was his first visit here in a year.

Mr. and Mrs. Lonnie King, J. L. and Drucilla, of Plainview, visited his parents, Mr. and Mrs. J. O. King, at Wilson last Sunday. Lonnie farms the fine irrigated farm belonging to Mrs. Sue Robertson of Tahoka, located near Plainview, on which there is an 8-inch and a 10-inch irrigation well.
