STANDING ON THE CORNER

With F. J.

We should live so we will never be too busy, selfish, or tired to give those in need a push uphill. —Gladys Miller

What took place on the Brownfield highway Tuesday night was bound to happen sooner or later. The tragedy is that teen-agers whose parents tell them that fast driving is dangerous too often consider their elders "old fashioned." Whether the boys involved in the auto accident were dragging, racing, just seeing how fast the car would go, or were jumping from a 20 story building, is beside the point. The point is that there is a law of nature, and when that natural law is not respected, someone is going to get hurt.

There is just one consolation. Maybe—just maybe, someone else will profit by the victims' experience. If they don't—next time it will, in all probability, be a greater tragedy.

The Draw softball game became a "buggy" ball game Monday night when the lights had to be turned off because of the varmints. Butch (Cont'd. On Back Page)

Two Boys Hurt In Drag Race

Larry Sinclair Sanford, 16, of Anton, is in serious condition in Tahoka Hospital and Harvey Grayson, 16, of Tahoka suffered minor lacerations and multiple bruises as a result of an accident Tuesday night when the car in which they were riding had a blow-out and turned over about nine or ten times.

The accident occurred two miles west of Tahoka on the Brownfield highway at about 7:30 p. m. Sanford, the driver of the new 1957 Chevrolet which was completely demolished, received a fractured right hip, possible head and chest injuries, and was in a state of shock.

The accident happened when the Chevrolet and another car driven by an O'Donnell boy were traveling west at a high rate of speed. The driver of the other car, who witnessed the accident and summoned an ambulance, was treated for shock at Tahoka Hospital. He and the Grayson boy were released following treatment.

Reports say that both boys were thrown out of the car as it was turning over. Highway patrolmen are still investigating the accident. Sanford had been here visiting relatives.

Pony League Play-Off Opens

The Tahoka-Post all-stars of the Pony League were meeting the Crosbyton all-stars in their first game of the area play-off last night at Post as the News went to press.

Winners of the game will play the winners in another bracket. The local all-stars drew a "bye" of the first go-round in the double elimination schedule.

Southwest Lubbock was playing Slaton, the winner of which plays the winner of the Floydada-Littlefield game. Then the winner of this game plays the winner of the Crosbyton-Tahoka Post game. Finals follow this game. The loser will go into the losers bracket, where the team emerging winner would play in the finals.

If the local all-stars won last night they will play tonight at 8:30 p. m. The finals are scheduled for 8:30 p. m. Saturday.

The all-star team from the Pony League includes boys from each of the four teams in Tahoka and Post.

Recently in a practice game the Tahoka-Post all-stars defeated Crosbyton by a wide margin and the game was called at the end of the fifth inning because of the score.

Heavy Showers Past Week Save Much of Early Feed

A heavy shower dumped 1.53 inches of rain on Tahoka in 50 minutes, ending at 2:30 p. m. Thursday, flooding streets and almost getting up into some down-town buildings.

Showers the past week have given half or more of Lynn county sufficient moisture for the time being. Clouds were still threatening more rain Thursday afternoon.

Tahoka received 31 inch Monday and 43 inch Wednesday to bring the total here for the year to 18.21 inches.

This was the first rain since June 23, however, and most of the older feed was beginning to suffer. Most cotton was not needing rain yet.

Showers began falling over the county Thursday of last week, and rain has fallen somewhere in the county each day.

In fact, torrential downpours have fallen in some areas, with fall reported up to three inches or more.

Last week, a very heavy rain covered parts of the West Point and Three Laker areas. New Home, Lakeview, and Petty received from an inch up to two inches or more, and a heavy shower fell in both the Dixie and New Lynn communities.

Most of the northeast part of the county down to Grassland has had good showers. Lighter showers have fallen in the southeastern section, but some farmers reported an inch or more.

A torrential rain fell between Wells and Newmoore Tuesday that came near to washing out the highway just west of the Dick Franklin farm.

Redwine Baptists Have New Pastor

Rev. Douglas Vaughn, student in Wayland College, Plainview, is the new pastor of Redwine Baptist Church, according to G. C. Watson.

The Church will hold its annual revival beginning August 4 and continuing through the following Sunday. Rev. Eugene Thomas, a student in the Seminary at Fort Worth, is the evangelist. He has in the past held meetings at Bethel Church and is a brother of Dan Thomas.

Miss Patsy Patterson will be the pianist, and the pastor will lead the song services.

Rev. Jim Stovall

New Home Baptist Meeting Begins

The New Home Baptist Church will begin its summer revival Friday night and meetings will continue through Sunday, Aug. 4, according to Rev. Robert Clements, pastor.

Rev. Jim Stovall of the South Memorial Baptist Church in Midland will be the evangelist for the series of services. Boswell Edwards of New Home will lead the singing.

Services will be held at 10:00 a. m. and 8:00 p. m. on week days and at 11:00 a. m. and 8:00 p. m. on Sundays.

Everyone in the area is invited to attend.

New Lynn Revival Begins July 31

Revival services for the New Lynn Missionary Baptist Church will begin Wednesday, July 31 and continue through Aug. 11, according to Mrs. C. B. Terry of that community.

Rev. Raymond Friddy of San Antonio, formerly of Lubbock, will conduct the services.

Rev. Friddy held a revival last summer for the church. Mrs. Terry said.

Rev. Friddy

Rev. Friddy

Rev. Friddy

City Is Cleaning Streets, Alleys

At the instigation of Mayor H. B. McCord, Sr., Tahoka alleys, streets, and vacant lots are being cleaned up to some extent as a sanitary measure and also to improve the appearance of the town.

This week, a maintainer is being used to drag down and level many alleys that have grown too weedy and rough for the city trash truck. As fast as they can, city employees are also picking up much of the debris out of these alleys.

The shredder bought some time ago is also used to cut weeds in alleys, streets and on many vacant lots.

McCord thinks the work will not only improve the appearance of the town and afford easier traveling down alleys, but will also help keep down insects.

State Will Help On Right-of-Way

The State of Texas will pay up to half of the costs in the procurement of the remainder of the right-of-way for the proposed four-lane US 87 road as a result of the signing Monday of a contract between the Lynn County Commissioners Court and the Texas Highway Department, states County Judge W. M. Mathis.

Actually, there are two contracts, one from the curve a mile and a half south of Tahoka at the John Slover place south to the Dawson county line, and the other from the Wilson road junction two miles north of Tahoka to the Lubbock county line.

Lynn county has already bought most of the right-of-way south, except four tracts including T-Bar ranch, to the outskirts of O'Donnell at the Paymaster gin, from which point south there has not yet been an agreement on value of property.

Under a new law passed by the recent Legislature, the State participates in purchase of certain rights-of-way up to 50 percent. Actually, the county will be required to acquire the right-of-way and the State will reimburse up to half the cost.

Hefner Child Is Polio Victim

Linda Jean Hefner, 12 year old daughter of Police Chief and Mrs. Roy Hefner, is in a Lubbock hospital with poliomyelitis.

She became ill on Tuesday, complaining of a headache and with her neck and spine hurting. On Wednesday she was taken to her family physician who tapped her spine and diagnosed her case as polio.

She was then taken to Lubbock, but no report had been received here Thursday morning. Friends said that Linda had received two shots of Salk vaccine and expect the inoculation to be of benefit to her in lightening the case.

Linda marks the fifth definite case of polio in and around Tahoka this season, with three other possible cases at New Home in the spring.

Area Little League Play Opens Monday

Games begin here Monday night when the Little League Area II tournament starts play offs which will continue through Wednesday night, the winner of which will enter the District II play-offs in Abilene beginning Aug. 1.

Jayton and Lamesa vie for a win in the only game scheduled for Monday night at 7:30 p. m. The winner will meet Tahoka at 7:30 p. m. Tuesday night. Seagraves will play Post at 5:30 o'clock that same day.

On Wednesday night at 7:30 p. m. the finals will be played. Teams competing in the tournament are made up of all-stars from each city's Little League roster, and competition is expected to run high during the three-day schedule.

Tahoka was unanimously decided as the location for the tournament at a recent area Little League meeting in Big Spring. Tom Bartley was named district tournament director.

The local all-stars are competing for the first time in the play-offs because of league rules.

Boys chosen for the all-star team will be under the management of Gordon Smith, who will be assisted by Pat Patterson, Dean Taylor, and Charles Reid, regular season managers of the Giants, Yankees, Cardinals, and Cubs, respectively.

Although no admission to the games will be charged, the hat will be passed to defray the costs of the tournament, according to Bartley, with the surplus to be divided between the teams playing at that time.

Area tournament play is the beginning of a chain of tournaments going through district, state, regional and national play-offs.

This year C. W. Conway has served as president of Little League, Harold Green as secretary, and Tom Bartley as treasurer.

Mrs. C. T. Tankersley entered Tahoka Hospital Tuesday, where she is a medical patient.

DENVER FORD

Denver Ford Is 4-H Chairman

Denver Ford of Tahoka was elected co-chairman of District II 4-H Clubs for 1957-'58 at the annual 4-H Electric Camp held in Lubbock last week.

Ford represents the 4-H boys, and co-chairman representing the 4-H girls is Delores Dirksen of Hale county. They will serve on the State 4-H Club Council at the 4-H Roundup at College Station next summer.

Another Lynn County boy honored at the meeting was Tommy Gardenhire of O'Donnell, who was selected as a member of 4-H Camp Council for 1958.

County Agent Bill Griffin and Home Demonstration Agent Wanda Roach accompanied Lynn county's delegation to the Electric Camp held Wednesday, Thursday, and Friday at the South Plains Fair grounds.

Church of Christ Meeting Opens Aug. 4

Raymond Keley of Fort Worth will be the evangelist in a gospel meeting to be held at the Church of Christ here Aug. 4 through 11. He is the brother of Doyle Keley, minister of the Tahoka church.

Horace Coffman of Lubbock will direct the song services. Keley said that services will be held twice daily, at 10:30 a. m. and 8:00 p. m. during the week.

The evangelist for the meeting is new in Fort Worth, having moved there recently from Tulsa and Oklahoma City, Okla. where he has served for several years.

Everyone is urged to make plans to attend the services.

Echo Milliken and Mrs. Inez Knight of Lubbock are in Ruidoso for a few days.

Advertising doesn't cost, it pays.

Wanda Roach Is Resigning Job

Miss Wanda Roach, home demonstration agent here the past several years, has announced that she will resign her position effective Sept. 17, according to members of the Lynn County Council.

The resignation was made known following a meeting of the Council Wednesday in the county court room when Mrs. D. W. Hancock presided.

Plans were made for the annual 4-H dress revue to be held Aug. 1 in the county court room. Everyone is invited and urged to attend.

Chosen as delegates to the Texas Home Demonstration State meeting to be held in Houston from July 31 to Aug. 2 were Misses Pat Hensley, Ophelia Wilson, and Gladys Cobb.

Recreation was led at the Wednesday meeting by Mrs. Willie Nieman of New Home. The next meeting of the Council will be held Sept. 19 in the home of Mrs. W. C. Huffaker in Tahoka.

C. M. Lamberson of O'Donnell underwent minor surgery in Tahoka Hospital Tuesday. He is in good condition.

Soil Bank Payments Bringing Huge Sum To Lynn Farmers

Lynn county farmers will draw approximately three-quarters of a million dollars this year on the Soil Bank program, Dee Green, manager of the local ASC office revealed in a talk before Tahoka Rotary Club Thursday noon of last week.

Already paid out up until Wednesday of last week was a total of \$170,861.00, of which \$63,969.60 was for acreage reserve on the cotton ground and \$106,891.40 for planting of cover crops in the conservation reserve (fed land) program.

There are 96 contracts in the acreage reserve on cotton involving approximately 8,000 acres of cotton ground, on which \$215,177.

40 will eventually be paid. There are only three wheat agreements in Lynn county.

There are 227 contracts affecting about 29,000 acres in the conservation reserve program which will draw \$319,364.50 plus about \$174,000.00 on practices, or planting of cover crops.

In explaining the difference in the two types of contracts, he said the acreage reserve is the only one affected in the various discussions now being carried on in Congress and among agricultural leaders. This is a one-year contract and affects principally cotton and wheat in Texas.

The conservation reserve contracts affecting feed land are for five years and will stand as they are, as these contracts are already made and the government will meet these obligations.

He said Lynn county had a cotton allotment of 186,000 acres last year. This year the allotment was 190,500 acres. With 8,000 acres of cotton land in the soil bank and some cotton completely destroyed by hail too late to replant, he estimates there will be 180,000 acres in cotton.

Average payment on cotton land is \$29.00 per acre, with the minimum being \$13.50 and the maximum \$45.00, the later being for top irrigated land, of course.

In the conservation reserve (Cont'd. On Back Page)

Ira Doak Dies In Fort Worth

Ira S. Doak, pioneer Tahoka barber, died on his 73rd birthday Sunday, July 21, at the home of a daughter in Fort Worth following a week's illness. He had lived at 1919 Dixie Drive in Lubbock.

Funeral services were held at a Lubbock funeral chapel Tuesday at 3:00 p. m. with Dr. J. Ralph Gram, pastor of the First Baptist Church of Lubbock, officiating. Burial followed in Tahoka Cemetery, beside the grave of his late wife.

Born and reared in Wise county, Doak came to Tahoka in 1907 and operated a barber shop here until 1928, when he opened a shop in Lubbock. He was in the tourist court business in Amarillo from 1940 until about 1946, and then returned to Lubbock to enter the real estate business. He retired in 1955 because of ill health.

He had visited friends in Tahoka several times the past year. Recently, he went to Fort Worth to visit his daughter, Mrs. Mary Jo McClintock, and became critically ill while there.

Survivors include one son, R. E. of Pama, Calif.; three daughters, Mrs. Eva Leslie and Mrs. Neva Barnes, twins of Clovis, N. M., and Mrs. McClintock; two grandchildren and one great grandchild.

Mr. and Mrs. Jimmy Croxton returned home Monday from a week's visit in Dallas. Miss Monohn Croxton of Dallas is here visiting her brother, Jimmy, who works for Littlepage Trucking Co.

Vehicle License Will Be Increased

Motor vehicle license tags will go up 10 percent beginning August 22, according to J. E. (Red) Brown, county tax assessor and collector.

The law authorizing the raise in price of license fees was passed by the last Legislature in order to raise funds for the participation by the State in acquiring rights-of-way for major highways in the state.

Doyle Kelcy Is Leaving Church

Doyle Kelcy, minister of the Tahoka Church of Christ for the past five years, has accepted the Andrews Church of Christ's invitation to serve as its minister.

He, his wife, and two-year old son, Gordon, will move to Andrews Aug. 15.

Since his arrival here in 1952 much has been done by the local congregation towards the building of a new church building, which is hoped to be erected next year.

Kelcy says the Andrews church is now homed in a new building with a congregation of about 450 members.

A young man who has been in the ministry 15 years, Kelcy came to Tahoka from Ackerly. He has also filled churches in Brownfield and Post.

No one has yet been selected by the congregation to replace him, Kelcy said.

Wanda Roach Is Resigning Job

Miss Wanda Roach, home demonstration agent here the past several years, has announced that she will resign her position effective Sept. 17, according to members of the Lynn County Council.

The resignation was made known following a meeting of the Council Wednesday in the county court room when Mrs. D. W. Hancock presided.

Plans were made for the annual 4-H dress revue to be held Aug. 1 in the county court room. Everyone is invited and urged to attend.

Chosen as delegates to the Texas Home Demonstration State meeting to be held in Houston from July 31 to Aug. 2 were Misses Pat Hensley, Ophelia Wilson, and Gladys Cobb.

Recreation was led at the Wednesday meeting by Mrs. Willie Nieman of New Home. The next meeting of the Council will be held Sept. 19 in the home of Mrs. W. C. Huffaker in Tahoka.

C. M. Lamberson of O'Donnell underwent minor surgery in Tahoka Hospital Tuesday. He is in good condition.

Grassland Meeting Early In August

Dr. L. C. Philo of Oklahoma will be the evangelist for the revival services to begin at the Grassland Church of the Nazarene Aug. 4 through 11, according to Rev. Marshall Stewart, pastor.

Dr. Philo is head of the Department of Religion at Bethany Nazarene College in Bethany, Okla. Previous to this work, he served for several years as president of Owasso College in Owasso, Mich. and is considered a very successful evangelist and minister.

Services will be held on week-days at 10:00 a. m. and 8:00 p. m. and one Sunday at 10:45 a. m. and 7:30 p. m. Rev. Stewart said. Local talent will be in charge of the music and there will be congregational singing and special music at each service.

Everyone is extended a cordial invitation to attend any and all services of this revival campaign, Rev. Stewart said.

Approximately 300 people attended the 50th anniversary of the Draw Methodist Church Sunday in an all day observance of the occasion when speakers were ministers who were raised in the community.

Out of the five ministers to come out of the Draw church, three were on the day's program, and one other was present for the event. The pastor, Rev. C. Y. Pickens, said that three former pastors also attended the special services.

Rev. Billy Porterfield, pastor of the First Methodist Church in Post, spoke during the morning worship service. The Memorial service held at 2:30 p. m. for deceased members of the church was conducted by Rev. Claude LeMond, pastor of the Fairmont Methodist Church in Abilene. Rev. John Sewell of Baker, La. spoke at the evening service.

Preceding the morning worship service Miss Emily Waller was presented a corsage. She is the only charter member of the church (Cont'd. on Back Page)

Lynn County Soil Conservation District News

ROY L. WILLIAMS ELLIS BARNES
O. E. TERRY W. L. (Cap) ROWE
ELMER BLANKENSHIP

Now is the time of year plans should be made for managing crop residue and having cover crops for wind erosion control next spring. Seed for cover crops is available now. Stubble and residue on acreage reserve of the Soil Bank should be managed to leave residue on the surface. On other acres the Lynn county ASC offers payments for stubble mulching and for the application of cotton burrs to remain on the soil surface throughout the windy season. Mulches on the soil surface will also reduce evaporation and check weed growth after it has served the purpose of wind erosion control.

Several farmers in the Lynn District have harvested Blue Panic grass seed. Leroy Davis and W. P. and R. M. Thomas at Grassland combined some three to four hundred pounds per acre. Theo Campbell south of Wayside harvested with attachment on his combine that is the cleanest combine seed we have ever seen. Theo's seed are free of trash and weed seed and are clean enough to plant without further cleaning through a seed cleaning machine. These seeds do not have as much moisture as most combine run seed that is due largely to green material other than the seed.

Harold Franklin is harvesting blue panic south of Petty was planted last year and one cutting was made last fall.

Blue panic grass will produce three seed crops in one season under favorable conditions.

Technicians assigned to the District completed a soil and water conservation plan on James Napiers farm west of Grassland that is operated by Charley Brookshire. Underground pipe is planned for the irrigation system. Terraces are planned to hold rainwater and prevent water erosion. Legumes are to be used for soil improvement.

Range studies indicate that when air temperature is 108 degrees a thermometer on bare ground will register 130 degrees. This points out the necessity for grass in sufficient amount to furnish shade

to reduce ground temperatures where it is found that under a bunch of little blue stem, ground temperature is reduced to 90 degrees. Grasses use all moisture for growth when soil temperature is 90 degrees. As soil temperature reaches 140 degrees, grasses use all moisture to keep cool and none for growth.

All of this is simply illustrated by man going to the shade of a tree as temperatures rise.

Cotton Program Has Cost Little

Wilmer Smith, prominent farm leader, brought The News some interesting figures obtained at the cotton meeting in Lubbock last week from John Dean, deputy sales manager of the Commodity Credit Corporation of the U. S. Department of Agriculture, who is in charge of all sales of cotton, grain, and products.

Contrary to the statements of some national leaders, the table, which is printed below, shows that the cotton programs as carried out for the past 25 years have not cost the government a tremendous amount of money, comparatively speaking.

In fact, in 25 years, the net loss of the program has been only \$242,874,116.

Following are the actual facts from the records of the U. S. Department of Agriculture:

Fiscal Years	Gains	Losses
1933	\$	\$
1934	—	—
1935	—	—
1936	—	8,548,441
1937	—	5,284,004
1938	—	440,353
1939	—	52,446
1940	—	786,360
1941	—	12,190,194
1942	74,425,846	—
1943	25,525,792	—
1944	27,182,154	—
1945	20,157,854	—

Boardman Gets Job At Lubbock

Nathan Boardman, who has been with the Lynn County Agent's office since April 1, has been named as the new assistant county agent of Lubbock county, effective August 15.

Boardman, whose home is in Lamesa, is a Texas A. and M. graduate. Last summer and again this summer he has been doing his "in-training" work here under County Agent Bill Griffin.

New Books Tell Of Early Days

A couple of little books have been published recently that are of interest to many pioneers of Lynn county.

"The Dream of a Youthful Cowboy," by Frank Courtney Mellard, prominent ranchman of the Marfa area, tells his interesting life story. Mr. Mellard filed on land in the T-Bar pasture of Lynn county in 1902 and lived here until 1908, when his dream of owning a ranch came true with the buying of land at Marfa. A 33rd degree Mason, Mr. Mellard, who returns here almost annually for the Lynn County Pioneer Reunion, has become one of the prominent citizens of the Big Bend.

S. R. (Ross) Simpson of Lamesa, also a former T-Bar cowboy, has just had a book published by The Naylor Company of San Antonio, "Llana Estacado," in which he relates his experiences and those of others on the Plains in the early days. He was an early day Ford dealer at Lamesa and also had extensive ranch holdings in the Cedar Lake area at one time. He is a brother-in-law of Mr. and Mrs. Sam Sanford of Tahoka, Mrs. Sanford and Mrs. Simpson being sisters.

Still another Texas book just released is "As I Was Saying," that will be of especial interest to fans of Boyce House, the famed Texas humorist. The new book is filled with Texas humor, drama, and pathos, and is in some respect House's best production.

Boyce House has dedicated this book to "the home town editors," and listed among his old friends is the name of Frank Hill of The News. This book is also published by The Naylor Company.

Total area of Texas' four National Forests is 1,716,964 acres.

Letters From News Readers—

(The News welcomes letters from its readers on any current subject, not libelous, of course. All communications must be of reasonable length and must be signed. On request, the signature will not be printed. The Editor.)

Marfa Man Writes Of Early Lynn County Days

I was in Tahoka, attending the Old Settlers Reunion on Saturday, June 22, and enjoyed the meeting very much and of the meeting with several of the real old timers.

I settled in the T-Bar pasture August 13, 1902, before the county was organized, and lived there six years, leaving that county in August, 1908, moving to a ranch in Presidio County, and have resided here ever since.

We early day settlers had a pretty rough time, but most of us wanted lands and a home. We went there to try and take what come and make the best of what did come.

I had a book published this spring and I mailed a copy to you so that you might see what a young man with a wife that was as steady as anyone could be and that took everything for the best, came what may.

I had hoped to get two more sections of land when it came on the market in 1904, and the manager promised to let me know in time to get my filing money. They had everything arranged so that none but the manager and the county clerk knew anything about it.

After Tom Preston and E. G. George and A. E. McPhal all filed, there were two sections of good land, and S. N. McDaniel, the county clerk, asked Bill Petty, the

boss of the T-Bar, if he had not promised me some of the lands. Petty said, "Hell, no," that I was not going to starve to death and he did not want me to have another foot in the pasture.

Well, I never had any idea of ever starving to death. I had heard about this country as a boy of 12 while living in Gonzales county, and said to myself I would come here. But it was nearly 18 years from that time until I moved here, and I have never regretted the move.

We accumulated a nice ranch of 16,000 acres and had it well stocked with Hereford cattle. About ten years ago, Mrs. Mellard's health failed, and we divided the lands with the two sons, I reserving the use of four sections as long as I lived.

Not many men have had the privilege of buying more than a quarter million cattle for the Iowa people as I have, and I am still buying, although I will be 80 years old next February.

I just thought you might like to know what a man did that started with two sections and increased to 25 sections.

I hope to make the meeting next year, and would like to meet you and talk with you. The ones who were there in 1902 are getting rather scarce.

With best wishes,
An Old Timer,
Frank Courtney Mellard, Marfa, Texas.

RELATIVE DIES
Mrs. Maxine Bonham and Mrs. Rufus Slover attended funeral services at May Sunday afternoon for an aunt, Mrs. Dr. Homer Bowen of Brownwood who died on Friday. She was a sister of the late Mrs. R. B. Floyd and Dr. Windham, pioneer Lynn county citizens.

Two Local Boys At Baseball Camp

Taylor Knight and Steve Greer, local Little Leaguers and members of the Yankee team, are attending the Big State Boys Baseball School at Meridian for three weeks starting last Sunday.

Operators of the school are Mr. and Mrs. Johnny Carrigan, Monte Stratton, Joe Lucco, Barney Barnhart, and other baseball stars.

The boys work out twice a day, play two match games each week and at the end of the school an

all-star team is picked to play a top team.

Lee Roy Knight and Alton Greer, fathers of the boys, carried them down to the school last week end and remained over Monday to watch some of the proceedings.

Lee Roy says the school is the finest thing he ever saw for boys. Kids from eight to 19 years of age are taught the fundamentals of baseball by former big league players.

More than 4,706,017 acres of Texas land are under irrigation.

DON'T MISS IT! NAZARENE TENT MEETING

One look, one ride, and you'll find more to be proud of in a Chevrolet. No other low-priced car quite comes up to it for fine finishing touches—and sweet, smooth and sassy performance.

This one wants you to get choosy! The fussier you are, the more Chevy can show what it's got inside, outside and in performance. Take the solid way a Chevy is built. It's the only car in its field with Body by Fisher—sturdily put together, with a look of sub-

stance other cars in its price class haven't quite captured. Everywhere you look, fine finishing touches confirm the craftsmanship that goes into a Chevrolet.

Chevrolet's response and performance are pretty special, too. There's a well-what-are-we-waiting-for spirit in the engine, especially when you show a Chevrolet a mountain. And you'll do a lot of looking to find comparable smoothness, steadiness and nimbleness on the road. If you do find them, you'll be in the high-altitude prices—for sure. See a Chevrolet at your dealer's now.

It gives you more to be proud of!

DON'T BUY ANY CAR BEFORE YOU DRIVE A CHEVY... ITS BEST SHOWROOM IS THE ROAD. AIR CONDITIONING—TEMPERATURES, MADE TO ORDER. GET A DEMONSTRATION!

Only franchised Chevrolet dealers display this famous trademark

Collier To Preside At State Meeting

Austin, July 25—Wynne Collier of Tahoka, president of the Texas Pharmaceutical Association, will be in charge of proceedings and is slated to make the major address at the organization's 78th annual convention at the Statler-Hilton Hotel, Dallas, August 11-14.

Collier has held many positions of prominence in Texas pharmacy. Locally, he has served as president of Tahoka Rotary Club, president of the Chamber of Commerce and Methodist Men, and has been member of the school board and the city council.

He has served as president of the Texas Pharmaceutical Association and as a member of the National Association of Retail Druggists. As a member of TPA board of directors since 1951, this organization had made notable progress under his leadership. The Association developed a Code of Ethics for self-government of pharmacists which sets forth the professional obligations of the pharmacists to the public and others. It has pursued a constructive legislation program to give better protection to public health, sponsored passage of the Barmiturate Law timed at regulating the sale and distribution of barbiturates, providing severe penalties. The association has sponsored many other projects for the good of the public.

Major and Mrs. T. D. Nance and daughter, Lisa, were recent visitors here in the home of Mrs. Nance's sister, Mrs. Herman Heck. Major Nance was being transferred from Baltimore to San Francisco, and they stopped off for a visit here and at Levelland.

"All the Way!"

Now you can buy big on a little-car budget

READ THIS STARTLING FACT

5 out of 10 smaller cars wear a Pontiac price tag —yet none gives you any of Pontiac's advantages

PONTIAC GIVES YOU UP TO 8.9% MORE SOLID CAR PER DOLLAR!

Not one of the smaller cars can give you the heavy-duty construction, the road-hugging feel and solid security that surround you in every Pontiac. Yet Pontiac's the nimblest heavyweight you ever managed—and your Pontiac dealer can show you more than six dozen advanced-engineering reasons why! Pontiac has gone all out to make this genuine big car the best behaved beauty that you ever had the pleasure of bossing. You'll find Pontiac's exclusive Precision-Touch Controls make steering and braking the surest, easiest you've ever experienced! Park it, cruise it, try it in stop-and-go traffic... this is driving the smaller jobs can't duplicate!

PONTIAC GIVES YOU 4 TO 7 INCHES MORE WHEELBASE!

The small cars extend bumpers and fenders to look big—but Pontiac puts the extra length where it counts—between the wheels! Pontiac's longer stride brackets the bumps instead of riding on them. And this extra length shows up inside, too, in stretch-out space for six footers. Add to Pontiac's bonus in length its all-new suspension system and you have an exclusive Level-Line Ride no car at any price can surpass... and a built-in sense of direction and security that will spoil you for the smaller cars forever!

PONTIAC'S PERFORMANCE TOPS THE BEST THE SMALL CARS CAN OFFER—BY A WIDE MARGIN!

Not one of the smaller cars can measure up to Pontiac Performance. Whether you judge a power plant by engineering statistics or on-the-road performance, Pontiac's Strato-Streak V-8 stands head and shoulders above anything in the low-price field. Your Pontiac dealer will be happy to show you a complete facts-and-figures comparison—then an eye-opening test drive in traffic or out on the highway will supply all the heart-lifting proof you need that Pontiac has separated the men from the boys when it comes to performance!

—AND PONTIAC HAS ALWAYS BEEN FAMOUS AS ONE OF AMERICA'S TOP TRADE-INS!

Maybe it comes as a surprise to you that so much more car can be yours at the same price you've seen on the smaller cars. But there's the fact! And Pontiac is a wonderful investment, too! As you know, it has always commanded a top trade-in. So why not step out of the small-car class and into a Pontiac... there's nothing in your way. Your Pontiac dealer has the keys and an eye-opening offer waiting for you right now! So why not look and feel like a million—instead of a million others?

Now! If you want the ultimate in both economy and extraordinary performance, new 250-hp. Carburetor is available at extra cost on even the lowest priced Pontiac model! It's America's newest power advance and exclusively Pontiac's at so low a cost!

Odds and Ends

(By E. I. The Elder)

When we wrote this Column last week, a great hullabaloo was raging over the failure of the board of directors to re-elect two members of the faculty of the Texas Technological College. It seems that the election of the faculty for the ensuing year was done at a secret meeting of the board, and no advance notice of the election was given—at least no such notice of its intended action had been announced. People generally, it seems, felt that a mistake had been made by the board in not having taken its action in the open. The Board doubtless assumed that its failure to re-elect the two gentlemen involved would result in a great temporary uproar whether its action was taken at a secret or an open meeting, that the furor would soon die down, with the Board still in charge of the school and the two disappointed faculty members still on the outside looking in. Already such seems to have been the case.

Since Evetts Haley has always been somewhat radical in his views and was a candidate for governor last year, and since it is human nature for us to lay the blame for displeasing and disappointing situations on somebody, it is not surprising that the two professors and their friends and supporters should lay the blame upon Haley.

Now as a matter of fact we do not have the slightest information as to whether Haley was chiefly responsible for the action of the Texas Tech Board or not; nor do we have any information as to whether the dismissed Professors were lacking in ability, scholarship, and fitness for the positions which they lost or not. We are expressing no opinion as to that.

We only know that it is the

function and the duty of the Tech Board of directors to elect and dismiss teachers as their judgment may dictate. That College does not belong to any number of Professors, not even to the President or College officials; it belongs to the people of Texas who pay the taxes and the duty devolve upon the Board administer the school funds provided by law for the purpose. If we would keep that in mind we would save ourselves a lot of inexcusable excitement and fury when things do not go our way.

Feeling the sting of unjust criticism and keenly aware of the fact that what a man writes down may bob up some day to discredit and condemn him, that peerless Biblical character, the inimitable poet, dramatist, and philosopher Job, once replied to one of his critics in sheer desperation, "Oh that mine adversary had written a book."

Well, Evetts Haley has written several books. Although, admittedly, he is one of the most brilliant writers Texas has ever produced, yet the very first book that he wrote got him into serious trouble. He wrote the story of the XIT Ranch, comprising 3,000,000 acres of land, which the State of Texas conveyed to John V. Farwell, Charles B. Farwell, and their associates for the building of a new State Capitol Building in Austin. This vast "empire" of Panhandle and Plains lands comprised the whole or parts of the following counties: Dallam, Hartley, Oldham, Deaf Smith, Parmer, Castro Lamb, Bailey, small parts of Hockley and Cochran counties and one other Panhandle county, but I am not sure as to which one, Randall, I believe. The Farwells were Northern capitalists. James D. Hamlin of Farwell was the Ranch foreman.

Haley wrote not only the story of the Ranch but also gave the names of certain persons who were reputed to be cattle thieves. One of these sued him and his immediate sponsors for libel and obtained judgment against him in a comparatively small sum. But the story he had written brought him state-wide prominence.

Since then he has written a number of other books including biographies of Charles Goodnight, who had established the first ranch on the Plains, east of Amarillo and of George W. Littlefield who later became one of the largest ranchmen in Texas on the headwaters of the Yellowhouse, one of the branches of the Brazos River. Since then he has written numerous articles and stories of Texans and Texas affairs, that thousands of Texas people have read and enjoyed.

It will be remembered that when President Franklin Delano Roosevelt became President of this Republic one of his first revolutionary acts was to have a lot of the cotton fields plowed up, many of the cows killed, and numerous others turned into the former cotton patches. That might have been the wise thing for him to do under the circumstances—we pass no judgment on that—but Evetts thought that it was a monstrous example of New Deal statesmanship and he wrote a scorching article in denunciation of it entitled "Cattle in the Cotton Patch," or some similar designation, which was published in the "Saturday Evening Post," and was read by hundreds of thousands of people all over the United States. The name "Evetts Haley" became almost a household word in countless homes throughout our country.

Some one said a long time ago that "Envy loves a shining mark." That may be the reason why some of the critics of Evetts Haley are now seeking to pin on him the "blame" for the dismissal of those two College Professors. Or it may be that he in fact is responsible for the action taken by the Tech Board of Directors.

At any rate it has given some TV announcers and some newspaper men a grand opportunity to get rid of some of their venom, and to rake in some needed coins in thus undertaking to entertain the public.

It might be news to some to learn that Evetts Haley's mother, Mrs. Julia Evetts Haley, was herself a member of the Board of Directors of the Texas Technological College for several years back when the present teenagers were still mere kids or possibly still un-born. She was a capable woman and wielded a marked influence in shaping the policies and promoting the growth of the in-

REUNION ON AUGUST 4

Former residents of Wilbarger, Hardeman, and Foard counties will hold their annual reunion in Mackenzie Park Sunday, August 4, from 10:00 a. m. to 4:00 p. m., according to Guy Smith. Attendants are asked to bring a basket lunch and drinks.

NAVARRO COUNTY REUNION

Mrs. Ted Bryant of Morton writes that the annual Navarro County Reunion will be held Sunday, August 4, in Mackenzie State Park, and every former resident of that county is invited to bring the family and a basket lunch to the event.

High point in Texas is Guadalupe Peak, 8,651 feet.

stitution. She was a contemporary of the Hon. C. C. Thompson of Colorado City as a member of the Board, for at least a part of the time while he was its chairman.

While I am expressing no opinion as to the fitness of Dr. Abernathy as a Tech College professor, I do wish to quote a news story sent out under a Lubbock dateline and published in a newspaper down-state respecting Dr. Herman Greenberg. It is stated that Dr. Greenberg was quoted by the Dallas Morning News on integration studies he made on the Tech campus. "He said that 74 percent of the student body chosen at random were questioned about integration, and 90 percent of them said that they would do their best to accept school integration."

"Dr. Greenberg said that students in the white high school and the Negro high school of an unnamed West Texas city of 25,000 population were also polled. It was found that 80 percent of the whites would try to accept integration and all the Negroes said they would."

"Greenberg said he made the studies after only 68 of his Psychology students had voted for such projects."

"The Tech Board of Directors in executive session last Saturday ousted Dr. Greenberg and Dr. Byron Abernathy, a Professor of government. Although no reason for the action was announced, it was generally regarded to have been the result of the liberal political and social view of the professors."

Any ignoramus can read between the lines of the statement made by Dr. Greenberg and tell you why the two Professors were dismissed. Who investigated these investigations by the two Professors, any way?—We wonder.

Soldier Visits Wilson Relatives

(By Mrs. Carl Gryder)
M/Sgt. Mack Young, son of Mr. and Mrs. Hubbard Young stopped off on his way to New York from Hawaii, to visit his parents, several days in Wilson.

Sgt. Young has spent the past six months in Hawaii on Communications Electronics project for the U. S. Air Force.

Mack is making a career of the

Air Force having served in it for the past seventeen years. He states that in three more years he can retire.

Mr. Young is married and has two children. He has been stationed in New York for the past ten years.

He says that when he retires he hopes to make a Texan out of his "Yankee" wife!

Texas has averaged 14 tornadoes a year since 1916.

MR. AND MRS. J. E. SHERRILL.

Sherrills Observing 50th Anniversary

Mr. and Mrs. J. E. Sherrill, residents of the Draw community for the past 35 years, will observe their 50th wedding anniversary Sunday, July 28, when a reception will be held in their honor Sunday afternoon from 5:00 to 5:00 o'clock at the Draw Methodist Church.

They were married July 28, 1907, at the Methodist parsonage in Pioneer, Texas. Mr. Sherrill farmed in Eastland county for many years, where six of their eight children were born. In January of 1922 the family came to Lynn county and Mr. Sherrill purchased some land two miles southeast of Draw from the Waller brothers. They made their home there, where they still live.

Their two youngest children were born in Lynn county and all eight are still living. They have 14 grandchildren.

The Sherrills are members of the Draw Methodist Church and have been very active in both church and community affairs. For many years Mr. Sherrill served on the Official Board of the church.

Friends and relatives are invited to attend the golden wedding anniversary celebration, although the family requests that no gifts are brought.

Assisting in hospitalities will be Mr. and Mrs. Sherrill's sons and daughters and their families. These include Mr. and Mrs. X. L. Sherrill and sons, Raymond, Jerry and Don-

Two Future Brides Honored At Coffee

Misses Mariana McGinty and Bobbye Draper were honored Thursday morning of last week with a coffee given by their mothers, Mrs. Fred McGinty and Mrs. Howard Draper.

The young ladies will be married in a double wedding Aug. 25 at 4:00 p. m. in the Church of Christ here. Miss McGinty is the bride elect of Roy Long of Abilene and Miss Draper will marry James Petty of Ozona.

The houseparty was composed of Misses Bobbie and Betty Carroll, and Meses. Robert Draper, A. P. Stephens, L. A. Forsythe, at Brecheen, James Phillips, Clyde Thomas, Doyle Kelly, Roy Ford, and John Witt.

nie of Burlison, Texas; Mr. and Mrs. Walter Mathis of Tahoka; Mr. and Mrs. Gus Sherrill and daughters, Gustene and Paula of Tahoka;

Mr. and Mrs. Ronald Sherrill and son, Dheryl of Tahoka; Rev. and Mrs. Bervin Caswell and children, James, Leonard, Karen and Jon of Pecos; Mr. and Mrs. T. P. Brown and daughter, Gail, of Brownfield; Mr. and Mrs. J. E. Sherrill, Jr. and sons Steve and Terry of Bovina; and Mr. and Mrs. Paul Sherrill and daughter, Debora, of Lovington, New Mexico.

Miss Elayne Jackson of Fort Worth, a niece of Mrs. Paul Pittman, has been here visiting Mr. and Mrs. Pittman for two weeks.

Mrs. Imogene Steele Marries Roy Koch

Mr. and Mrs. W. F. Vaughan of route 3, Tahoka, announce the recent marriage of their daughter, Mrs. Imogene Steele, to Roy Koch of Amarillo.

They were married at the First Methodist Church in Clovis, N. M. July 6 at 8:30 p. m. The pastor of the church read the marriage vows.

Mrs. Koch is formerly of Tahoka and the bridegroom is a retired serviceman now employed in Clovis, where they will make their home.

Miss Watson Will Wed Leon Manley

Mr. and Mrs. Herbert Watson of Route 1, Abernathy announce the engagement and approaching marriage of their daughter, Shirley Ann, to Morris Leon Manley. The parents of the prospective bridegroom are Mr. and Mrs. G. W. Manley of Route 1, Shallowater.

The wedding vows will be read on Sunday, August 4, at 3:00 p. m. in the Lakeview Methodist Church.

Miss Watson is a spring graduate of Abernathy High School and is employed by the Abernathy School. The groom-to-be will be a sophomore at West Texas State College, Canyon, next fall.

Lubbock Ladies Winners At T-Bar

Two Lubbock women were winners Tuesday night at duplicate bridge played at T-Bar Country Club. They are Mrs. Warner Wilson and Mrs. W. R. Anthony.

In the eight-game summer series of play for a trophy Mrs. Charles Verner and Mrs. Meldon Leslie were second place; Calvert Curry and Jack Boone of Lubbock, third; Mr. and Mrs. Ray Flege of Lubbock, fourth; and Mrs. J. T. Whorton and Mrs. Winston Wharton, fifth.

Playing above average were Mrs. Harley Henderson and Johnny Wells, and Mrs. A. N. Norman Jr. and Mrs. Johnny Wells.

Wayne Martin Is To Marry Soon

Mrs. Grady McCullough of Lubbock announces the engagement and approaching marriage of her daughter, Eugenia, to Wayne Martin, son of Mr. and Mrs. J. Weldon Martin.

The wedding will take place in Bowman Chapel in Lubbock on September 3rd.

The prospective bride is a graduate of Lubbock High School and attended Texas Tech one year.

Martin is a Tahoka High School graduate and spent 33 months in the U. S. Armed Forces with the 77th Special Forces Group (NBA Div.) at Fort Bragg, North Carolina. He is now attending Texas Tech.

WEEK-END GUESTS

Rev. and Mrs. J. B. Thompson had as visitors last week end their daughter and family, Mr. and Mrs. R. B. Dortch and children, of Dallas. Friday evening, they had a back lawn supper attended also by his twin brother, Rev. E. B. Thompson, and wife of Welch, and cousin, Lloyd Thompson, and wife of Lamesa.

MR. AND MRS. G. C. SHAFER

Pioneers Observe 50 Years Of Marriage

Their 50th wedding anniversary will be observed Sunday by Mr. and Mrs. G. C. Shaffer of Tahoka, long time residents of the county and town, at a reception to be held in Fellowship Hall of the First Baptist Church from 2:00 to 5:00 p. m.

The Shaffers were married July 28, 1907 in Snyder at the Baptist Church. They moved to Camp Springs east of Snyder where Mr. Shaffer farmed a year.

The couple moved to Lynn county in 1908 and lived on the Lockwood place near the sand hills where Mrs. Shaffer continued his farming. They later farmed on the Dave Davis place about one mile north of town.

In 1940 the couple moved to town and built their home. They purchased the Shaffer Laundry from the late Frank Larkin in 1941, a business institution they still operate.

Mr. and Mrs. Shaffer are among the "old timers" of the community, this marking their 49th year here.

Four children were born to the marriage, three of whom are living, Mrs. Lois Fleming of Tahoka, Mrs. Floy Wiley of Snyder, and G. C. Shaffer Jr. of Madisonville, Texas. Miss Ethelda Shaffer was killed in a car wreck in 1938. The Shaffers also have three grandchildren and one great grandchild.

Mrs. Shaffer is a local product, having attended school here after coming to Tahoka with her parents in 1903 from San Angelo. She was born in 1888 at Buffalo Gap, near Abilene. Mr. Shaffer was born in 1885 in Hamilton, and was reared in Snyder.

Many relatives and friends are expected to attend the observance Sunday afternoon.

Kay Bohall Plans September Wedding

(By Mrs. Carl Gryder) Mr. and Mrs. J. W. Bohall of New Deal, former Wilson resident announces the engagement and approaching marriage of their daughter, Kay, to Charley Berry, son of Mr. and Mrs. Henry Berry of Cooper.

The wedding date is set for Sept. 1, at 4:00 p. m. in the home of the bride's aunt, Mrs. Clarence Nelson of Wilson.

Miss Bohall is a 1957 graduate of New Deal High School.

Mr. Berry is a 1956 graduate of the Cooper High School and is now a sophomore in Texas Tech, majoring in Animal Husbandry.

Jim Wells accompanied his cousin, Sandra Kemp, to her home in Fort Worth Wednesday for a few days visit.

Methodist Men Plan Big Meeting

Tahoka Methodist Men are planning a big ladies night supper and program for Monday night, August 4, on the back lawn of the Calloway Huffaker residence from 7:00 to 10:00 o'clock. From 150 to 200 are expected to be in attendance.

Rev. Howard E. Howeh of LaVista Heights Methodist Church of San Antonio, formerly of O'Donnell, will be the featured speaker. C. O. Carmack and W. W. Hagood

are in charge of the program. The dinner will be prepared and served by Calloway and Maurice Huffaker, Perry Walker, Jess Garley, and "Booger" Redwine. David Bray and the Methodist MYF will arrange the seating.

Wynne Collier is president and Clint Walker is secretary of the Methodist Men. Mrs. George Nixon underwent major surgery at the Lamesa General Hospital Sunday morning and will come home the last of the week. She is doing fine.

Friendliness of Tahokans Impresses Swiss Student Here For Summer

A clean cut 22-year old young man, who looks much younger in his blue jeans and checkered shirt, said in a slight British accent that he is impressed with the friendliness and generosity of Texas people.

Hans Irniger arrived in Tahoka Sunday night from Zurich, Switzerland, for a nine weeks visit as a guest of the local Rotary Club. He will stay in the home of the various Rotarians, who provided his expenses to and from New York City and his spending money while here.

A student in Zurich University, Hans expects to become a professor of language. He speaks four languages, English, French, Italian, and his native tongue, Swiss German. Having completed three years of study at the University, he lacks two more and one additional year to be spent in France and Italy.

The friendliness of people in this country is amazing to him. He said that in Switzerland one would never think of taking such a visitor over town and introducing him to friends and local people. Another evidence of friendliness and generosity concerns farming. In his country the largest farms are about a half section, which are fenced. No one is allowed to enter another's field, because, as he said, "Every blade of grass is counted." Here one may roam at will over farm land, with out reprimands from the owner.

In addition to having gardening and farming interests, Hans is a mountain climber and is very adept at skiing. He says that children are put on skis as soon as they are able to walk and the sport becomes as natural to children as to adults.

He has never climbed the tallest peak in his country, which is too far away from his home, but he has climbed the very rocky and steep 8,000 foot Santa, which has snow on its peak all year round. He is also fond of swimming and bicycle riding and played basketball in school.

A member of the Swiss Protestant Church, he says that various well-known denominations are predominant in Switzerland, including Methodist, Baptist and Roman Catholic.

In answer to the question if he found blue jeans quite comfortable, in which he looks like a typical American boy, he said that he liked them very much, although he would not wear them at home.

The Swiss language student acquired his British accent last summer when he spent three months

who are seen in them are usually the delinquent type with "Elvis Presley" type hair cuts. Old women there particularly frown upon the wearing of blue jeans by young men and are completely shocked by the sight of young women clad in the garments.

He is gradually getting used to the custom of neighbors-visiting and meeting downtown in the day time for a cup of coffee or a coke. In his country, people just simply do not "visit." They see their friends at church and at the few community activities. Some do congregate at night in the restaurants, but his family, which is composed of four boys and two girls, are content to spend their time with one another.

People here, seem very free in the fact that they let friends use each other's cars. Speaking of cars, he said that drag racing was in evidence in Switzerland to some extent, but a law had recently been made prohibiting the practice. Accidents are about the same there as here per capita, but most accidents occur on the good highways. Drivers are more cautious on winding or rocky roads.

In his country with a population of four and one-half million people which speak four languages including Swiss German, the predominant one, French, Italian and Romansch (derived from Latin), people are crowded in the cities and villages built in clearings. Unless one goes into the mountains completely away from the villages, one can never get out of sight of the houses, Hans said.

Many of the people there long for a United States of Europe, although about 6,000 favor the East or Communism, and most of the population favors the West and democracy. His father is a member of the Swiss Friends of the USA, the sponsoring organization of Rotary in that country, and provides scholarships for Swiss and U. S. students. He said that the 6,000 Communists are active there, but most of them have no education at all and really "don't know what they do."

Hans has served in the infantry and tank division of the Army. In the Swiss set-up boys, upon reaching 19, attend a four months school for beginners. They return home for a year, all the time keeping their uniform and gun with them, and once each year attend a three weeks school until they reach the age of 40.

The Swiss language student acquired his British accent last summer when he spent three months

Giants Champions Of Little League

The Giants, sponsored by the Lynn County News and First National Bank, won the Little League summer play Monday night when they defeated the Cardinals, second half winners, by a score of 4 to 2. Union Compress is sponsor of the Cards.

This is the second year the Giants have won and the play-off marked the end of the second season of Little League in Tahoka. The champions won the first half of the schedule this year.

Andy Bray pitched for the winning team while Tony Spruiell got credit for the loss, although it was a pitcher's battle from start to finish.

The Giants scored four runs in the second inning and the Cardinals scored their two runs in the third. The pitchers held the game scoreless for the remainder of the game, although the Cards threatened to score several times. Bray allowed four hits while striking out 11 batters, while Spruiell allowed only three hits and struck out the same number of boys at the plate. Both Bray and Hank Chapa hit one for two for the winners and Allen Solsberry hit two for two for the Cards.

The Cards won an undisputed victory of the second half when they defeated the Cubs 14 to 5 Friday night in the last scheduled game of the season. The win gave the Cards a record of 6 wins and three losses for the half, while the Yanks, Giants and Cubs all finished with a 4 win and 5 loss record.

Tony Spruiell was the winning pitcher Friday night and Terry Brown was the loser when the Cards took an early lead and were never threatened throughout the game. Spruiell hit two for two for the winners, Kenneth Scott two for three, and Billy Clinton three for four. For the Cubs Bobby Curry and Mike Huffaker each hit two for two and Gerry Gorgan hit one for two.

On Thursday night of last week the Yankees soundly whipped the Giants 20 to 3 in a game that saw Jack Burk on the mound for the winners and allowing only three hits while striking out 11 batters. Dickie Davis got credit for the loss.

Taking an early lead, the Yanks scored up a nice batting average with Bill Miller three for three, Freddie Stice three for four, and Burk two for four. Bray hit one for two for the Giants.

Nazarene Revival Early In August

Nazarene Evangelist Thomas Hayes and Prof. Jim Lee, musician and soloist, will arrive at Tahoka the evening of July 31.

At 7:00 o'clock Thursday morning, Aug. 1, erection of the big tent will begin under supervision of Evangelist Hayes. A crew of able men will be needed to donate their time, especially in the early morning hours. However, some help will be needed all day long.

Light refreshments will be served in the morning and afternoon. Anyone interested in watching erection of the tent is invited to do so.

"An erection project," Rev. Hess, the pastor, said, "seems to have its crew of workers—and side walk superintendents, boys from 6 to 60 years of age." The tent will be erected at the Drive-In Theatre.

An average of 3,500 forest fires occur in Texas each year.

in the home of a London family to learn to speak the language more fluently.

He has promised an article in the future telling of his further impressions of Texas when he has had more time to get acquainted with the customs.

Draw Revival Is Opening Sunday

Rev. A. B. Cockrell, pastor of the First Methodist Church in Levelland, will conduct the revival meeting to be held at the Draw Methodist Church beginning this Sunday morning and continuing through Sunday, Aug. 4.

Rev. C. Y. Pickens, pastor, said that local members of the church will lead 4½ song services.

Everyone is invited to attend the services which will be held at 10:30 a. m. and at 8:00 p. m. on week days and at 11:00 a. m. and 8:00 p. m. on Sundays.

50 Are Taking Golf Lessons

Fifty ladies, 'teen-agers', and children turned out at T-Bar Country Club Monday to take group instruction from Hank Hensley, assistant pro from Lubbock Country Club.

In fact, so many signed up for lessons that it became necessary for Mr. Hensley to divide the group into five classes. Class instruction for women was given at 10:00 a. m., for 'teen-agers' at 11 a. m., for children 9 to 12 years of age at 3:00 p. m., and for women at 5 and 6 p. m.

Ladies report they found Mr. Hensley a very helpful instructor. He will return next Monday and as many Mondays following as there is demand. All ladies and children of the area, whether club members or not, are invited to join the classes. A fee of only 50 cents per person, plus 25 cents for balls is being made.

Hensley and also Warren Cantrell of Meadowbrook Golf Course in Lubbock have termed the interest in golf of the ladies at T-Bar little short of fabulous.

Ronny Gurley Is Back In College

Denton, July 25—Rondeau M. Gurley of Tahoka has enrolled in a course in advanced methods of coaching and management of athletics at North Texas State College for the second summer term.

The son of Mr. and Mrs. Jess L. Gurley, he is a graduate student working toward the master of science degree in health, physical education, and recreation.

Herman Heck On WTCC Committee

Herman Heck, Tahoka's representative on the board of directors of the West Texas Chamber of Commerce, was recently named to the nominating committee for District II.

The committee met in Lubbock last week and named C. E. Fulham of that city as the district's vice president in the West Texas Chamber of Commerce.

A law was passed in 1884 making fence-cutting a felony in Texas.

Premium Offered On First Bale

Tahoka Chamber of Commerce directors, at a meeting Friday morning of last week, made preliminary plans for the first bale of cotton premium.

Ginners of the county have been cooperating with the Chamber of Commerce in offering a substantial premium for the first bale raised and ginned in the county.

President Granvel Ayer says the C. of C. also voted to contribute \$200.00 to help pay for the Pony and Little League lighted field. The body is also sponsoring the appearance of some of the Little Leaguers on television to advertise the coming-area tournament here.

Herman Heck was named Tahoka's representative to the West Texas Chamber of Commerce, succeeding Johnny Reasonover.

Several other matters of business were discussed at the meeting.

CASS O. EDWARDS, IV, INSPECTS T-BAR RANCH

Mr. and Mrs. Cass O. Edwards and two children, Cass IV and Matilda, are here this week looking after their T-Bar-ranch properties.

Cass IV was inspecting some of the same land his great grandfather acquired 74 years ago, shortly after the Comanche Indians had been put on the reservation and most of the buffalo had been killed off. Incidentally, the T-Bar has been owned by one family longer than any ranch on the Plains.

Pony Team Plays Practice Game

Tahoka-Post Pony League All-Star team lost a practice game at Denver City 3 to 3 Saturday night.

Wiley Lee Curry, who helped to carry the boys over along with Vernon Davis and Ted Rogers, says they were impressed by the sportsmanship shown by fans at Denver City. The fans applauded boys of both teams when they made a good play, and then took up a collection to pay the gasoline expense of the visiting team.

Local Purina Dealer Has New Ration - Building Aid

Device Can Save Local Farmers Grain and Time

DALE THUREN FARM STORE, Purina Check-R-Mix Dealer here, has put into operation a New Purina Check-R-Mixer for use of local farmers.

Developed and improved by the Ralston Purina Company, the Check-R-Mixer can spell out nearly 100,000 research-backed formulas without use of pencil or paper. By turning the Check-R-Mix dial, the operator can determine the correct amount of supplement needed to mix with whatever amount of grain a farmer may have available. Amounts do not need to "come out even."

A further benefit of the new device is the fact it will figure new and complicated rations for animals and birds of various ages and weights which would be difficult to compute in other ways. Research indicates that by using these new formulas, which fit an animal or bird's varying nutritional needs more closely than earlier mixtures, farmers not only can save grain and supplement but also time required to grow animals and birds to market size.

The new Check-R-Mixer fits in with and is an important part of the new grain grinding and blending machinery recently installed by the local Purina Dealer. Inset shows Haynes Howie, local Check-R-Mix operator, demonstrating the new device.

Interested persons may see the new ration builder demonstrated at DALE THUREN FARM STORE where it is now installed.

NOTICE TO BIDDERS

Notice is hereby given that the Commissioners' Court of Lynn County, Texas, will receive bids until 10:00 o'clock a. m., August 12, 1957, at the usual meeting place in the Courthouse in Tahoka, Texas, for the purchase of:

One 115 HP Diesel Powered Tandem-Drive Motor Grader with 14 ft. blade, Hydraulic Steering Boost, Cab, Cab Heater, Rain Traps and 390x24 Tires Front and Rear.

One used Model 462 Rome Motor Grader, Serial No. 402385 to be offered in trade as part payment for said motor grader.

The Commissioners' Court reserves the right to reject any or all bids.

If a bid is accepted, the Commissioners' Court intends to purchase said motor grader under machinery lease-purchase contract under the terms of which ownership of the motor grader shall pass to Lynn County at such time as the rental payments together with amount allowed for trade-in is equal the purchase price of said motor grader, plus interest on the unpaid balance at a rate not to exceed six (6%) per cent per annum. The last rental payment shall become due not later than 1960.

By order of the Commissioners' Court of Lynn County, Texas, July 22, 1957.
W. M. Mathis, County Judge, Lynn County, Texas. 42-3tc

In early geologic ages West and Northwest Texas was covered with the Permian Sea.

Texas' rainfall was below normal during seven of the eight years from 1947 to 1954.

An estimated 5,000 to 8,000 persons died in the Galveston storm in September, 1900.

Have any news? Phone 35.

Draw Softball Team Wins Two

Draw softball team now leads its own league by two games, Gail being the nearest competitor, according to Nolan Jones. Play will end August 3.

Tonight, Friday, Gail meets O'Donnell and Draw plays Lewis Construction of Tahoka.

Friday night, Gail defeated Lewis 10 to 6, with Kenneth Huffaker the winning pitcher and Bill Murray the loser. Also, H. C. Gribble pitched Draw to a 17 to 8 win over O'Donnell, who had Jackie Hays on the mound.

Monday night, Draw took Gail 6 to 3 behind the three-hit pitching of Billy G. Jones, while Huffaker gave up only five hits for the losers. O'Donnell topped Lewis 16 to 4 on the pitching of Connors. Sam Davis was the losing pitcher.

Mrs. Butch Ingle received word here that her father, H. H. German of Glendale, Calif., had suffered a stroke on Sunday night and is paralyzed on his right side. He is a former Lynn county resident. Mrs. Ingle and her daughter left Tuesday for California.

St. Paul Church In New Building

The St. Paul Lutheran Church in Wilson will dedicate its new education building in a special service to be held at 3:00 p. m. Sunday, July 28.

Speaker for the occasion will be Rev. P. W. Heckmann of Odessa, former pastor and teacher in St. Paul Church. The children's choir, under the direction of Ralph Droge, will sing at the service. Rev. G. W. Heinemeier, pastor, will read the rite of dedication.

Following the program, open house will be held and refreshments served.

The new building, measuring 114 by 34 feet, is constructed of gray-tan brick to harmonize with the church edifice. Two large instruc-

Firemen Attend School At A. & M.

College Station—Assistant Chief Pat Patterson, Firemen Troy Havins and Dean Taylor, all of Tahoka, enrolled in the Texas Firemen's Training School on the campus of Texas A. and M. College. The week-long annual event will be completed July 26.

A total of 1098 students are attending the school. They represent fire departments and safety divisions of cities, industries and military camps located through Texas and 20 other states.

The school is sponsored by the State Firemen's Fire Marshals' Association and is conducted by the Engineering Extension Service of the Texas A. and M. College System.

In addition to the regular fire-fighting courses, special features of this year's school include training in radiation and radiological monitoring, rescue operations, and field demonstrations of the latest methods of fire control.

Basic courses in firefighting are given to men attending the school for the first time, and advanced courses are conducted for experienced firefighters. Special courses are being given for fire marshals, fire officers, fire department instructors, and military and industrial firemen.

Mrs. J. H. McNeely is planning to leave soon for Orange, Calif. where she will visit her son, Charles Evans and wife, recently home from Saudi Arabia, where he worked several years for an oil company.

tion rooms for the day school establishment, work rooms for the seven grades housed there, the parish hall, office and storage room make up the new building.

Mr. Droege is principal of the school and Miss Mary Ann Hardrick is assistant teacher. The school has been in operation since the year of 1927, with the exception of one year when no teacher was available.

Church members who have served on the building committee are A. A. Teinert, Herman Wuenschel, T. J. Umlang, Cecil Weid, and Alvin Kaatz.

Continuous Policy Savings is One Reason...

State Farm offers you savings on your auto insurance by insuring a "continuous" policy... as long as your car, address and conditions of risk remain the same! This cuts down on paperwork and saves you money. Find out how much you may save with State Farm.

EVERY ONE ENJOYS A TENT MEETING REVIVAL!

PORT ISABEL LIGHTHOUSE, in a small state park of the same name, beckons motor travelers as they approach the terminus of Texas Highway 100 in the Lower Rio Grande Valley. The lighthouse was restored on its hundredth anniversary in 1952. It is open to visitors Wednesdays, Thursdays and Fridays between one o'clock and five o'clock. On Saturdays and Sundays it is open from 10 a. m. to 5 p. m. except for the keeper's dinner hour. It is closed on Mondays and Tuesdays.—Photo Courtesy Texas Highway Department.

Standing ...

(Cont'd. from Page 1) Ingle said there were so many pests of different varieties that the lights looked as if smoke were coming from them.

During mock maneuvers an army commander ordered a notice to be displayed on a bridge stating "This bridge has been destroyed by air attack." He later noticed through his field glasses that a foot regiment was crossing the bridge despite his orders. He sent his adjutant to the officer in charge post-haste to find out how anyone dared defy his orders. An hour later the adjutant was back.

"It's all right sir," the adjutant reported. "The troops are wearing signs saying—'We are swimming.'"

The announcement that Doyle Kely is going to Andrews has brought a sadness to the hearts of many a Tahoka citizen.

Although everyone wishes him every success, both as a minister and a man, it is with regret that Tahoka sees him leave. During his five years here he has won many friends, and has done a great deal for his church and community.

And as other ministers here in the last several years, he has won the esteem of not only his own church, but that of other church members as well.

Lost—one pet about three feet long and two inches in diameter. Last seen squirming into the weeds outside our fence. Anyone who finds said pet, namely one snake, is asked to please scream and run like mad.

This particular snake, probably of non-poisonous variety, has been seen at least three times in our back yard. If you kill him, you will be my everlasting friend—whatever that's worth.

Irving apparently thinks it has a superintendent that can handle the situation... to the tune of a three year extension to the two years left on Supt. Travis Hanes' contract. "Trap" says there are still some wrinkles to be ironed out and you can bet your boots he'll do it.

Here are a couple of definitions of Communism: The Communist is a Socialist in a violent hurry.

—G. W. Gough

What is a Communist? One who has yearnings For equal division of unequal earnings.

Idler or bungler, or both, he is willing, To fork out his copper and pocket your shilling.

—Ebenezer Elliott

Mrs. Margaret McMeans and little daughter, Laura, have been here visiting her parents, Dr. and Mrs. K. R. Durham, for the past two weeks. Her husband, Fort, is taking a six-weeks course in lithography at Carnegie Tech in Pittsburgh, Pa. He is an employee of the Taylor Publishing Co. in Dallas. Margaret and Laura will return to their home in Dallas in a few days.

Good Response In Revival At Wells

Rev. D. W. Copeland states that the revival meeting being held at the Wells Baptist Church is being well received and invites everyone to attend.

Larry Taylor of San Antonio is the evangelist. He is a young man, who in earlier years was a marijuana addict.

Gordon Smith is leading the song services.

Congratulations:

Mr. and Mrs. Jose Cruz on the birth of a daughter at 1:30 p. m. Wednesday in Tahoka Hospital. She weighed seven pounds, seven ounces and has been named Graciela. The Cruz's have 10 other children.

ALL LEAGUE PLAYERS, OFFICIALS, TO MEET

All Tahoka Pony and Little League players, bat boys, managers and coaches are requested to be at the ball park Tuesday night at 7:00 o'clock, players in uniform, for a special presentation.

Mrs. T. B. Burrough has as her visitors this week two daughters, Mrs. J. H. Pelmer of Tulsa and Mrs. M. V. Hodge of Hobbs, N. M.

W. W. King and family of Oklahoma City were recent visitors with his parents, Mr. and Mrs. J. O. King, of Wilson.

Gilmore Squires of Angleton is here this week visiting his mother, Mrs. J. A. South.

Highest temperature ever recorded at any Texas weather station was 120 degrees F. at Seymour on Aug. 12, 1936.

An acre foot of water is 325,851 gallons—the amount required to cover an acre to the depth of one foot.

Driest year in Texas weather records was 1917, when only 14.3 inches of rain fell.

PURINA MALATHION SPRAY CONTROLS

1/2 pint makes 25 gallons of spray for vegetables and flowers.

Dale Thuren FARM STORE

Soil Bank ...

(Cont'd. From Front Page) (feed land) program, on which annual payment will be made, this fall, the payment will be \$11.00 per acre. Farmers must establish a cover crop on this land, which crop can neither be harvested nor grazed, since the purpose is to reduce surplus commodities. The government may pay \$5.00 average for the development of the cover crop.

However, there is a limit of \$5,000.00 on the amount of annual payments any one farmer may draw.

President Happy Smith announced the club was still running 100 percent on attendance.

Miss Mariana McGinty, former club sweetheart, was a guest and invited all members to her forthcoming wedding.

C. W. Conway, president of the Little League, stated a total of \$1,904.00 is still owing on the lights for the field and that E. R. Edwards would head a committee to solicit funds to pay off this debt. The latter has already raised several hundred dollars of the needed amount.

Draw Church ...

(Cont'd. from Front Page) whose name remains on the church roll.

Rev. Bervin Caswell of Pecos, who grew up at Draw, was present for the event, the only local boy to enter the ministry who could not attend being Rev. Gerald McCollum of Dallas. Former pastors attending were Rev. Jesse E. Young of Westdown, Rev. J. W. Hawkins of Westbrook, and Rev. Slias Dixon of Cone.

At noon a Lubbock catering services fed a total of 271 people on the church grounds under a shelter that had been erected for the occasion.

The Draw Methodist Church was organized in 1907. Rev. Fee was its first pastor. The first building was erected at the present location, and much of the original building still remains. It is believed that the steeple is the first one erected. Since 1907 the building has been remodeled, added to and overhauled several times.

In all, Rev. Pickens and those attending said that the homecoming event was very successful and was enjoyed by everyone.

Have news? Phone 35.

Former Citizen Death Victim

Mrs. O. L. Miller, 86 year old former resident of Lynn county, died at 2:10 a. m. Monday in Fresno, Calif., where she had been living many years.

Mrs. Miller was an early day settler of this county and lived here until 30 years ago when she moved to California.

Funeral services were held this week in Fresno and burial followed there.

Survivors include two sisters, Mrs. H. R. Minor of Tahoka and Mrs. J. K. Miller of Lubbock; two daughters, Mrs. Tommy Evans of San Jose, Calif., and Mrs. Ona Mae Dunaway of Fresno; and one son, Marion Miller of San Diego.

COUSIN IS KILLED

The T. B. Inman and Nathan Shepherd families attended funeral services in Rotan Sunday for a cousin of Mmes. Inman and Shepherd, Jimmy Don Tankersley, 18. The young man died Saturday from injuries received the previous Wednesday in an oil field accident.

Mrs. H. E. Whitt and children of Terrell, visited in the home of her mother, Mrs. G. E. White, this past week end. While here the group went to Muleshoe and spent the week end with James G. White and family. While visiting there, a family reunion was held. Those attending were Mrs. G. E. White, Mrs. H. E. Whitt and family, Mr. and Mrs. Jim White and boys, and Mr. and Mrs. H. D. White and children.
