STANDING ON THE CORNER

With P. J.

Among life's dying embers
These are my regrets—
When I'm right, no one remembers,
When I'm wrong, no one forgets.

We hope by the time you read this every one has received that badly needed September rain. If it doesn't rain at the first football game, the sand will probably blow—it's usually one or tuther.

Speaking of football, better get out that stadium seat, football blanket, thermos bottle, banner, megaphone and what have you. Tonight's the night. As the season wears on, you'll need that overcoat, foot warmer, and ear muffs too.

By the time we get out of the house, each of us will look like an individual moving van. Seems it takes more articles to enjoy a football game every year.

Do we get softer, or do the nights get colder? There is certainly no less excitement than in the "good ole days," when there were no stadiums to hook the seat onto, lemons replaced the thermos bottle, and a good constitution required no blanket.

Although the only way we can recognize our friends is by the color of their hats, when we leave the game, we can still talk.

If Bill Chancy carries the chain or down marker at the football game tonight, this will be his 105th time in 10 years to perform such a service. The ex-Bulldog is an ardent booster of the teams that have followed his 1947 club.

We're really disappointed in Kenneth Turner. He said if his new baby were a boy, he was going to name it Kaboose (the end!). It had to start with a "K" because all of the Buster Fenton grandchildren's names do.

However, Macky must have talked him out of it, because it turned out they named him Kane, to go with Kim, Ken and Keith.

Peggy Elliott really started it, though. She and O. C. have Karen and Kent.

It's always interesting wondering what the Fenton gals will name the next one—??

Blessed are the deaf. They do not hear the yacking of the dumb.

Johnny Wells has his nose in the air this week. And no wonder. He holed-out from 50 yards away (Cont'd. on Back Page)

Toler Tells Of Life In Japan

John Toler told his impressions of Japan and its people after spending three years there in a talk before Tahoka Rotary Club Thursday noon of last week. He will return to Japan shortly to spend another year and a half.

John is the son of Mr. and Mrs. J. F. Toler, a graduate of Tahoka High School and of Texas Tech. While serving in the Army, he was sent to Japan, received his discharge there, and remained to teach English in a Japanese school while studying the Japanese language. On completion of his current work, he expects to return to the States to teach Japanese.

Japan is about half the size of Texas but has about half the population of the United States, he stated. The city of Tokyo has a population greater than Texas.

He found the customs and manners of the Japanese most difficult to become accustomed with. But, he explained, Japan is rapidly becoming more Western in its mode of life.

For example, Jananese take their shoes off before entering their homes, the reason being that a floor is covered by a two-inch-thick mat and shoes would scuff and wear out the mat quickly. (Cont'd. On Back Page)

Bulldogs Open Play At Plains Tonight

Tahoka Bulldogs open their 1957 football season with the Plains Cowboys there tonight, Friday, at 8:00 o'clock. The first home game will be with Denver City Mustangs here Friday night of next week.

Coaches Bill Haralson and Dean Wright again have an inexperienced squad this year. There are ten returning lettermen from last year's team which won two games, but only four of these boys were offensive starters.

However, there will be a little more depth this year than last, with possibly 26 boys of the 44-man squad capable of filling a spot on the team. There may be a little more speed and finesse in the backfield. Although the starting line men, like some of the backfield boys, lack experience, the most encouraging feature is the fact that they have a great deal of hustle and desire to play the game.

In fact, Coach Haralson was pleased with the hustle shown in the first week's work-outs. He was also pleased with the showing made against Seminole in the scrimmage Saturday night here. (See story on Sports page.)

Tahoka will go up against Plains with two of its top backs on the injured list. Quarterback Karl Prohl, around whom most of the offense and defense was being built, re-injured his knee on the second play of the scrimmage with Seminole and may see little or no action. Karl was looking great in this year's pre-season work-outs, and his loss will be heavy. George Adams is his replacement. Also lost in the scrimmage with Seminole, at least for a week or two, is a top prospect at halfback, Billy Tomlinson, who also received a badly bruised knee.

Plains Cowboys last year defeated Tahoka 13 to 6 at Kelly Field here, and are expected to be just as tough this year.

Back again at Plains this year are Halfback Bess, the speed merchant who dealt Tahoka misery last year; Left End Williams, an excellent pass-snatcher; Todd, the Center; and Stotts, an outstanding tackle.

Plains coaches Jack Pierce from West Texas State and Rip Sewell from Tulsa University, both new there this year, state their team will not be quite so heavy as last year but should be faster.

The band and pep squad and a large number of fans will follow the team to Plains. A TNM&O bus will carry about 42 fans to four out-of-town games again this year, Plains, Lockney, Slaton, and Floydada. "Red" Brown and Dr. Emil Prohl are in charge of bus arrangements.

Tailoring Class Will Meet Next Monday

Classes for an adult tailoring course will begin Monday afternoon, Sept. 9, at 3:45 at the home economics cottage, according to Mrs. Madeline Hegl, homemaking teacher.

Quick methods in clothing construction will be emphasized she said.

All those interested are asked to meet at the cottage at the designated time and date.

GARDNERS VISIT HERE

Rev. and Mrs. Milton Gardner and Tommy Jan of Fort Worth are here visiting friends and his brother, Clifton, in Wilson. Gardner is attending seminary in Fort Worth and teaching at Texas Wesleyan College. He was North Elementary principal here for two years. Their two-year old daughter, who underwent surgery for a Wilms tumor a year ago, is doing fine and doctors are very encouraging for her complete recovery.

Bobby Lehman has gone to Galveston, where he will begin study in the University of Texas School of Medicine.

BILL HARALSON

DEAN WRIGHT

John Draper Is Band President

John Draper, who is drum major of the Tahoka High School band, has been elected president of the band for the coming year.

Other officers chosen by the local organization include Jolene Sikes, vice president, and Peggy Halameck, secretary.

This year, Draper will be assisted in leading the band by Janey Ware, and twirlers will be Sandra McNeely, Linda Williams, Betty Adams and Mary Jane McCord. Under the direction of Eddie Bowman the band will make its first appearance of the year tonight at Plains at the Bulldog-Cowboy football tilt.

Congratulations:

Mr. and Mrs. Kenneth Turner on the birth of a son Monday at 4:29 a. m. in West Texas Hospital. Weighing six pounds, 10 ounces, he has been named Kane Crawford. He has one big sister, Kim, four years old, and twin brothers, Ken and Keith, almost two years old.

Mr. and Mrs. Wayne Tekell on the birth of a son weighing 7 pounds-13 ounces in an El Paso hospital Thursday evening of last week at 5:00 o'clock. Wayne is in the Army stationed at Fort Bliss. The mother is the former Loretta Bartley, and her parents, Mr. and Mrs. Sam Bartley, left Tuesday to see the new grandson. Paternal grandparents are Mr. and Mrs. O. O. Tekell of Dixie.

WILMER SMITH SPEAKER

Wilmer Smith of New Home, a director of the Central Bank for Cooperatives in Washington, D. C., will be a featured speaker at the New Mexico state division meeting of the Wichita Bank for Cooperatives in Ruidoso next Monday night.

SHELDON RUSSEL MOVES

Rev. Sheldon Russell, formerly with the First Baptist Church of Tahoka, writes The News he is now music and educational director of the Bristol Street Baptist Church of Santa Ana, Calif.

Showers Help County Crops

Heavy showers Sunday afternoon greatly benefitted many crops over a wide area of Lynn County. Rainfall ranged up to two inches and more.

Receiving from a half to three-quarters were parts of the Petty, West Point, and Three Lakes communities. Southeast of hree Lakes in the Wells and T-Bar communities the fall was heavier. W. W. Hagood reported a fine rain, W. R. Ledbetter, reported two inches and T. B. Barton 2.8 inches.

Beginning at the Dave McMillan place and extending toward O'Donnell, some hail accompanied the rain and did some damage.

Good rains were also reported in parts of the old South Ward, Midway, and Joe Bailey communities, about a quarter at Draw but heavier west, showers at Redwine, Edith, and Grassland, and parts of the New Lynn, Wilson, and an area east of Wilson.

Showers in Tahoka Saturday night and Sunday totaled only .15 inch.

Crops generally are doing well, although much cotton and feed is still suffering and production will be cut on many acres. Insects, especially leafworms, are giving the farmers much trouble. County Agent Bill Griffin states a new crop of leafworms is now hatching out.

Premium Bale Is Being Ginned

Lynn county's first bale of 1957 cotton was due to be ginned Thursday evening or Friday morning, according to information received by The News.

H. Q. Sharp of Petty Gin Co. relayed The News the information that Foy Todd, who farms south of Petty, was pulling a bale Thursday afternoon which he hoped to gin.

Rumor Thursday also had that a Tahoka area farmer was trying to get a bale.

The first bale placed on the First National Bank corner in Tahoka raised and ginned in the county will get the premium offered by Tahoka business firms and Lynn county ginners.

O'Donnell Receives First 1957 Cotton

O'Donnell received its first bale of 1957 cotton Wednesday. Clarence Williams of O'Donnell Gin and Grain Co. reports.

The bale was brought in by John Stephens of Mesquite community in Loden county, and the 2,000 pounds of seed cotton produced a bale weighing 515 pounds. The cotton was Paymaster 101 planted on May 15. Mr. Stephens had to pick over 40 to 50 acres to get the bale.

First Load Milo Gets \$100 Premium

W. A. Morris of near Grassland brought in the first load of 1957 milo to Goodpasture Grain early Wednesday morning. T. Hale reports.

The firm presented him with a \$100.00 bonus check for the first load, as advertised by the firm last week.

IN NURSE TRAINING

Mr. and Mrs. Harvey Lee Duckett accompanied their daughter, Carolyn, to Abilene Monday, and she is entering nurses training in Hendrick Memorial Hospital Nurses School and Hardin-Simmons University. She is taking a three-year course.

PICNIC AT T-BAR

A family picnic will be held Saturday night at T-Bar Country Club. All members are invited to come, bring their family and a picnic lunch. Miss Echo Milliken announces.

Mrs. J. J. Atkinson of Brownfield, pioneer Tahoka citizen, is spending a few weeks with a son in Canon City, Colorado.

Grogan Winner In Gilt Show

Winners of the Lynn County Sears Gilt Show held here Saturday have been announced by County Agent Bill Griffin.

Gary Grogan of Tahoka won first place, and Terry Phillips, also of Tahoka was second. Mike Moerbe and Jimmy Glickhorn, both of Wilson, placed third and fourth respectively; and Sammy Anderson of O'Donnell was fifth.

Grogan and Coy Rinne of Wilson, who has the Sears 4-H club bear, will show their animals in the district show at Lubbock this Saturday.

Prizes ranged from \$8.00 for first place down to \$5.00 for fifth, and the money will be applied on hog raising equipment.

New Minister For Local Church

Leroy Cowan of Gorman, who has been selected as the new minister of the Tahoka Church of Christ, expects to move here September 20, and will fill the pulpit for the first time on Sunday, Sept. 22.

He will succeed Minister Doyle Keley, here more than five years, who moved to Andrews on August 15.

Minister Cowan is 34 years of age, married, and has two children, a boy and a girl. He has been at Gorman four years, and has also served at Cross Plains and at a church in Oklahoma. A graduate of Abilene Christian College, he and his wife were for 18 months with Boles Orphans Home at Quinlan.

Recently, four members of the Tahoka Church of Christ, L. A. Forsythe, James Phillips, Ted Chancy, and C. E. Ford, went to Gorman, heard the minister preach, and reported to the Elders of the Church, who voted to bring him here.

Methodist Men Will Meet Monday Night

Tahoka Methodist Men will have their monthly dinner meeting Monday night from 7:30 until 9:30 at the church, announces Wynne Collier, president.

A musical program plus a talk by Hans Irniger, Swiss student here as summer guest of the Rotary Club, will be presented. Happy Smith and Dr. Skiles Thomas are in charge of the program.

Cooks for the meal are Louie Weathers, Roger Bell, Rush Dudgeon, Ross Smith, and Tom Gill.

Wm. B. Caudle In Naval Training

Norfolk, Va.—William B. Caudle, fire control technician second class, USN, son of Mr. and Mrs. Miles M. Caudle of route 1, O'Donnell, and husband of the Miss Mary M. Rosner of Chicago, Ill., is attending the Naval Instructors School, Naval School Command, Norfolk, Va.

This school is attended by outstanding Naval personnel who have been selected because of their ability as instructors in some phase of the Naval Training Program. The course specializes in developing the knowledge, skills, techniques and methods required by Navy instructors.

Upon completion of the course, graduates are returned either to the commands from which they were received or ordered to various Naval activities as instructors.

GAIGNATS ARE HOME

Mr. and Mrs. D. W. Gaignat, accompanied by their granddaughter, Dawn Gaignat of Lubbock, and Lynetta Cain, daughter of Mr. and Mrs. Alton Cain, have returned from an extended vacation trip to Arizona and California.

Mr. and Mrs. Dan Yandell and girls, Jo Ann and Dona Sue, of Sweetwater, spent the week end with Mrs. Yandell.

Jerry Cain will leave Saturday for Austin to resume his studies in the University of Texas.

Tahoka Enrollment Shows Slight Gain

Elton A. Park Wins National Contests

Sgt. Elton A. Park of Abilene, son of Mr. and Mrs. E. A. Park, has recently won two individual first places in the national pistol shooting contest held at Camp Perry, Ohio.

Sponsored by the National Rifle Assn. for both civilians and military personnel, the event had 1300 contestants. Park was also a member of the first place Fourth Army Reserve Team which won a trophy in the sharpshooters class.

Sgt. Park has received a letter of commendation from the Secretary of the Army congratulating him on his success in the contest.

G. R. Baker Is Buried Here

Graveside services for G. R. (Roy) Baker, 66, of Clyde and formerly of New Lynn, were held Friday afternoon at 4:30 o'clock in Tahoka Cemetery. Services had been held at 10:00 a. m. that day in Clyde Methodist Church with the deceased's old time friends, Rev. Lloyd Mayhew of Lamesa and Rev. Crabtree of Slaton officiating.

Mr. Baker farmed in the New Lynn area about ten years, first on the Lockwood place east of New Lynn and then on the Carmack farm seven miles east of Tahoka. He and wife moved to Clyde about ten years ago, where they bought a residence.

Survivors include his wife; four sons, James A. Baker of 3515 23rd street, Lubbock, Rev. Leroy Baker of Amherst, Rev. Luther Baker of Boston, and Billy Baker of Clyde; one daughter, Mrs. Otis Conlee of Clyde; one sister, Mrs. Lonnie Collinsworth of Lubbock; three brothers, Joe and Hugh Baker, both of Winters, and Rev. S. A. Baker of Waco; and 11 grandchildren.

Griffin Will Judge Shows In Area

Bill Griffin, county agent, will be busy in several fairs and shows of the area during the coming weeks.

On Sept. 18, he will judge the agricultural exhibits of the Dawson County Fair, and on Sept. 13 he will judge the livestock entries in the Floyd County Fair.

The week of Sept. 23-28 he will serve as superintendent of the stock show of the Panhandle-South Plains Fair at Lubbock, and will also be in charge of arranging the Lynn county exhibit at the fair.

On Oct. 3, Mr. Griffin will judge the annual Howard County Pig Show at Big Spring.

CHICKEN DINNER

Ladies of the Wilson community will serve a fried chicken dinner Thursday night at 7:30 p. m. in the high school cafeteria, according to H. G. Hook.

Proceeds will go to the building fund for the Wilson park, the development of which is sponsored by the Lions Club. Plates will be \$1.00 each.

The committee for serving the dinner is composed of Mmes. A. A. Teinert, R. A. Kahlich, Jiggs Swann, and Ira Clary. Everyone is urged to attend.

Mr. and Mrs. John D. Phillips, who have been living on their farm near New Home which is farmed by E. N. Rudd, have moved to Whitney. They burned no bridges and will be back, at least occasionally.

Mr. and Mrs. Stanley Sigman and children of Hereford were here Sunday night and Monday visiting the Charles Reids and other friends.

About 870 students started to school in Tahoka public schools this week and the enrollment is expected to increase in the next few weeks, as new students usually register on Mondays, according to Supt. Otis Spears.

This figure is higher than that recorded for the first two days of school in 1956 when 821 students had enrolled.

The big increase is in the South Elementary building where 245 students are registered as compared with 211 last year. This is largely in the first grade, where more white children and fewer Latin Americans registered than did last fall. However, the first grade has four sections, two for whites and two for Latins, and the situation can be ironed out without the addition of another teacher, Spears said.

A total of 282 had registered Tuesday in North Elementary and 292 in the eighth grade and high school, only five more than last fall's enrollment. The Colored school has 42 students. At the time the total was reported, several other students were in the process of enrollment.

Several changes have been made within the faculty this year, giving more benefits to the students, and several new teachers have been employed replacing those who resigned.

This year Mrs. Alton Ledbetter has been changed from fifth grade teacher to homemaking and biology in high school, Mrs. Allyn Cox moved from fourth grade to sixth grade. Other changes include one speech class, with Dean Wright as instructor, and J. B. Howell as teacher of general math, as well as being grade school principal.

The duties of the librarian and annual sponsor, previously filled by Mrs. Paul Pittman, who resigned, are being split between two new teachers. Mrs. George Young, history and Spanish teacher, will be librarian, and Mrs. N. E. Wood will take over the sponsorship of the annual as well as teach eighth grade science and high school math.

Tom Bartley rejoined the faculty this year after an absence of several years and will teach civics, general science, eighth grade science, and three junior high school physical education classes. Mrs. Thelma Dewbre is the new second grade teacher, and Eddie Bowman is the new band director. Otherwise the faculty remains the same.

Films Are Shown At Civic Club Meet

New Home Civic Club Monday night was entertained with two movie films of interest, "Concrete Pipe" and its use in irrigation and "Fishing Fever," a film from the Texas Game and Fish department.

A "Man of the Year" will be selected by the New Home club on the suggestion of Rev. Hugh Daniel, and a committee was named to determine means of selecting the man for the honor. Awards will again be presented the outstanding boy and girl athlete of the school.

Another committee was named to work at the gates of New Home football games in order to release teachers to work in the concession booths.

Italian spaghetti, salad, Mrs. Morris Renfro's fried bread, cherry pie and ice cream were served by the Home Demonstration club ladies.

Mrs. John Minor reports her son, Major Max Minor of the U. S. Air Force, is returning to the States from Japan. His wife and children are at Laredo.

Dr. and Mrs. K. R. Guham had as their visitor this week and Margaret Hutchison of Oklahoma City. Miss Hutchison is a sister to Mrs. Durham.

Odd Ends

(By K. I. The Elder)

Yes, as we stated last week, we are back home from Waco. We have nothing in the world against the town but the heat. If it were not for the cotton crops that are in the making, I would say that the thing that town and country need most just now is a snow storm. If I could do it I believe that I should

escorted her out to the brush pile that the tornado had left us many weeks ago, and suddenly she espied a little Tahoka Daisy blooming near the "mess of trash" that the storm had left, and she pounced down upon it like a cat after a bird, and began to rave over its delicate beauty. We dare say that no Wacoan ever admired a Crepe Myrtle or a Mimosa more ardently than she admired that delicate but beautiful little flower. If she had been here a few weeks ago, she could have seen countless millions of them in bloom east of the Fair Grounds.

Last week I promised that at some future time I would tell the interesting historical story that lies back of the founding of the Mother Neff Park situated on the east bank of the Leon River in Coryell county about seven miles west of Moody. Having no records before me and depending entirely on my memory and the memory of others living in that vicinity either now or in former years, I made some errors that need to be corrected. I wrote of the park as if it had been there some fifty years or more. After reaching home, I proceeded to look the matter up. I have in my book shelves two books that should settle the matter positively and unmistakably for all time to come. Mother Neff Park was not established until A. D. 1924. In the year 1925 Pat Neff wrote a book entitled "The Battles of Peace."

One of the chapters in this book is devoted to a recital of the initiation of a State Park program in Texas. First I should state that Pat Neff was inaugurated as Governor of Texas in 1921 and served as such for two terms, or until the close of 1924. Now I quote from this book, "The Battles of Peace," written by him in 1925:

"Texas, at the beginning of the year 1924, did not own for camping or recreational purposes, even one park. With a deep conviction that the beauty spots of Texas should be preserved for posterity, and that a park system should be established by the State, whereby the present generation might begin thus to serve in a big way all future generations, I sent in May, 1923, a special message to a special session of the Legislature, recommending the creation of a Park Board composed of six members, to serve without compensation. I asked that this Board be charged with the duties of soliciting tracts of land of any size suited to public purposes, and of reporting all data concerning such tracts to each regular session of the Legislature, to the end that Texas, either through donations or acquisitions by purchase, might establish, before the opportunity should have passed, a system of state parks where the people of this state and of the Nation might go and forget the anxiety and strife of life's daily grind. . . . Texas abounds in numberless sites ideal for the location of public parks and recreational centers."

And thus he goes on for several pages of this book giving the many ways in which such a park system would benefit the people of Texas. Now we quote further: "The State Park work is not yet a year old. The Park Board made its initial trip in behalf of the work last year, 1924. In company most of the time with the Board, I traveled during the year in behalf of the work 8,180 miles, visited eighty-two counties, and spoke in the interest of the undertaking 110 times. The State did not donate one dollar with which to buy parks. We had to depend upon the generosity and philanthropy of the people for gracious gifts to the State tracts of land usable for public park purposes. . . . As a result of the work done in behalf of State parks, fifty-two tracts of land, ranging in area from ten to 1,000

acres each, were deeded to the State of Texas to be used as public parks as long as civilization abides on Texas soil."

In a book entitled, "They Sat in High Places," James T. DeShields devotes several pages to the life and accomplishments of Ex-Governor Pat M. Neff, and states that in answer to a letter written by DeShields to him Neff had related to him that he had donated the tract of land consisting of 250 acres and now constituting the Mother Neff Park, to the State of Texas. Neff's father had died long years ago. His mother had died in the Governor's Mansion in Austin in 1921. Pat Neff became sole owner of the land upon his mother's death. He thereupon donated the land to the State to be used as a public park, naming it "The Mother Neff State Park" in honor of his mother. It thereby became the first state-owned public park in Texas.

The establishment of this Park was the inspiration for the founding of many others in Texas, some of them large and some of them small. Every roadside park in Texas—and there is one in nearly every county in the state—is the outgrowth of this State Park System erected and promoted by Gov. Pat M. Neff. There are a few very large state-owned state parks which owe their establishment and maintenance to the movement in favor of a system of state owned parks sponsored and promoted by Governor Neff in 1923-1924.

I am not writing this story in defense of Governor Neff. I am writing it merely for the purpose of informing the readers of this

C. L. Rogers Is On College Squad

Among the 90 young men who turned out for football practice at Tarleton State College today was C. L. Rogers of Tahoka, son of Mr. and Mrs. Jack Rogers, Route 4.

The Tarleton Plowboys shared the Pioneer Conference championship in 1956 and had a 7-1 record. They are coached by H. A. (Sandy) Sanford and will play their season opener against Abilene Christian College "B" team in Stephenville, Sept. 19.

Tarleton is a coeducational college and is highly accredited. On its beautiful campus is one of the best college libraries in the country. It will have an expected enrollment this fall of 1200 students.

Have news? Phone 35.

Column about one of the great historic movements that has meant so much for the progress of this state and the happiness of our people—a movement that has been forgotten apparently by so many people and of which many others seem never to have heard. We ought to know Texas better than we do.

MORE PEOPLE DRIVE CHEVROLETS THAN ANY OTHER CAR

New Chevrolet Bel Air Sport Coupe with spunk to spare!

Great to have—and only Chevy's got 'em!

Chevrolet's the only leading low-priced car with any of these advances—the only car at any price with all of them!

BODY BY FISHER. You get more to be proud of in Chevrolet. No other low-priced car is quite so beautifully or substantially built down to the last detail.

SHORTEST STROKE V8. This helps explain Chevrolet's smooth and lively V8 ways. Short-stroke design also means less piston travel, longer engine life. Here's

super-efficient power with plenty of vim and vigor!

STANDARD BALL-RACE STEERING. Chevy's Ball-Race steering gear mechanism is virtually friction-free! That means easier parking, surer control, more relaxed driving.

POSITRACTION REAR AXLE.* When one rear wheel slips in mud, snow or ice, the wheel with the traction grips for sure going!

TRIPLE-TURBINE TURBO-GLIDE™. The silkiest automatic drive anywhere! You move from

standstill to top cruising speed in one gentle stream of motion. Special "Grade Retarder" position saves braking on hills.

P.S. Chevy's got the big "details," too! See all the exclusives at your Chevrolet dealer's!

Lynn County Soil Conservation District News

ROY L. WILLIAMS ELLIS BARNES
O. E. TERRY W. L. (Cap) ROWE
ELMER BLANKENSHIP

Now is the time of year when farmers are beginning to start cover crops, and winter legumes for soil improvement and protection from wind and water erosion. There is a large amount of land in the District that is presently bare and will require a cover crop this year for protection from spring winds.

There are several winter legumes and small cover crops adapted to this area which may be planted by themselves or in mixtures. Oats, Rye, and Barley are adapted small grains in this area while Winter

legumes such as Hairy vetch, and Austrian Winter peas are adapted soil improving crops either planted by themselves or in mixtures with small grains. Vetch and Austrian winter peas should be inoculated C or Pea and Vetch Group Culture to insure the formation of bacteria which will add nitrogen to the soil. Austrian winter peas and Hairy vetch are annual winter legumes adapted to all soils in the district and furnish good cover, excellent soil conditioning and may be grazed. For further information concerning winter cover crops contact your local Soil Conservation Service assisting the Lynn Soil Conservation District—offices located in the second floor of the Court House, Tahoka, Texas.

"As goes the soil so goes Civilization." If we are to be assured of a chance for a broad, general good health, we must concern ourselves with the nutrition of animals that produce our meat and milk, we must become concerned with hunger signs in crops, and we will take a new interest in productive soil. Productive soils and a people at peace fit together. "A well nourished people can think of and serve others. A hungry people has nothing for others."

"An empty soil can't support or give rise to a civilization. An empty soil can't support a society so that it can look after its health. An empty soil is like a dead battery. From where shall the spark come for a new charge?"

A note to the ladies, a few acres of good cover crops or perennial grasses around the house could save a lot of house cleaning when the wind starts blowing next spring.

To all home gardeners—plan to rotate your garden plots and plant a soil improving crop. Plan now to plant vetch or Austrian winter peas. One dollar worth of these legume seeds will plant the largest garden plots. Composted cotton burrs applied next spring to gardens, flowers, and shrubs will give excellent results. The compost bed or pit should be prepared now to receive the cotton burrs when the ginning season begins. For the average home use a pit or bed 6 feet by 2 feet deep is large enough. The bed when filled should be packed and then watered thoroughly. A sack (80 to 100 lbs.) of a high analysis nitrogen fertilizer such as ammonia nitrate or ammonio sulphate will aid in the composting process. The compost bed should be watered and turned at least twice during the fall and winter. The compost then will be ready to use in the early spring.

The Lynn Soil Conservation District tour was held Wednesday, Au-

Wilson News

MRS. CARL D. GRYDER
Correspondent

School days! School Days! Good old golden rule days! They are here again! To many it is a very happy occasion, to some it is a very frightening experience, and to some it is just a necessary evil. However one looks at it, school has begun here at Wilson, and we hope that it is the most successful year ever experienced.

The rain which fell Sunday afternoon was a real joy to most people. Here's hoping the poison had already killed all the worms before the rain fell!

Vacation time is about over for the most of us, since the starting of school! Several from our community have returned the past week from their vacations; and some will return the first of this week. Several have remarked on how good it is to be home. The old saying, "Be it ever so humble there is no place like home," it still true, I guess. Personally, I'm just an old stayer at home. I haven't been anywhere-in so long, I'd probably get lost if I ventured very far from home.

Mr. and Mrs. Jess Earwood and Charles returned last week from their vacation spent on the west coast visiting relatives.

Mr. and Mrs. Carl Gene Spears, accompanied by Mrs. Spears parents, Mr. and Mrs. L. R. Blair of Canyon spent last week vacationing in several points. They went through the Carlsbad Caverns, then on to El Paso where they visited Mrs. Spears brother who is stationed at Ft. Bliss. They also went to Brownwood for a fishing trip. They reported a very enjoyable vacation.

Mrs. L. L. Stanley and children of Clovis, N. M. spent the week end visiting in the home of Mr. and Mrs. Roy Robinson.

Mr. and Mrs. Bill Deavers of Slaton were Sunday afternoon guests in the home of Mrs. Deaver's mother, Mrs. H. C. Fountain.

Mr. and Mrs. Ben Bullock and son have been visiting Mrs. Bullock's parents, Mr. and Mrs. H. L. Brewer, and Barbara.

Mr. and Mrs. John Gayle were in Rotan over the week end to attend the Cooper reunion. They returned Sunday evening.

Mr. Pat Campbell left last Saturday afternoon for Blum, to spend the week end visiting his mother there. He returned Monday.

Mr. and Mrs. J. W. Rose and family of Covington were week end guests in the home of Mrs. Rose's brother, Mr. and Mrs. Jasper Campbell and Mrs. Pat Campbell.

Mr. and Mrs. Elmer Kimbell and Mrs. Elsie Shambeck visited Mrs. Pat Campbell Sunday afternoon.

Mr. and Mrs. Ray Craft went to Melissa the last of last week to visit friends and relatives there. They returned the first of the week.

Mrs. Tom Landers and Beverly

gust 28. Approximately 25 farmers attended. There probably would have been a higher attendance except for the worm infestation that has hit the county this week. The tour was interesting and educational to all. Stubble-mulch tillage under dryland conditions has maintained the soil organic matter content at a higher level than oneway tillage, irrespective of the cropping system used. The stubble-mulch plots averaged 7.4 percent more organic matter than the one wayed plots.

Organic matter has declined since 1941 under all treatments. However the decline has been least under the stubble-mulch tillage. Cover crops such as rye, vetch, and winter peas should be grown to improve the organic matter. When these crops are plowed into the soil it not only maintains the present organic matter level but it increases it materially. The addition of organic matter improves the structure of the soil, improves water holding capacity and increases the fertility of the land.

A preliminary survey for constructing was made on the Glenn Brewer farm this week by the area SCS engineer. Brewer plans to terrace his farm as soon as the crops are harvested. Anyone interested in terracing should contact the Soil Conservation Service office.

Roland Stegenga also plans to put in two terraces on his farm. He plans to utilize road water by putting a block in the bar ditch. The water can be used profitably where otherwise it would run into a lake.

Glenn Brewer has a son-in-law that he plans to use in doing custom work for harvesting sorghum alum. Anyone interested in harvesting sorghum alum should contact the SCS office for the details on how to handle the harvesting.

of Lubbock visited their aunt and grandparents, Mrs. H. G. Cook and Mr. and Mrs. John Heck Monday. Mr. and Mrs. H. J. Campbell and their sons, Mr. and Mrs. H. J. Campbell Jr. and family, and Mr. and Mrs. Billy Joe Campbell and son were in Merkel over the weekend to help celebrate the Golden Wedding of Mrs. Campbell's parents, Mr. and Mrs. D. J. Anderson. They were joined there by their two daughters, Mrs. Jerry Barrett and Mr. Garrett and son, and Mrs. Jim Young and son of Goliah.

Mr. and Mrs. S. H. Gryder have had as their guests all of last week, Mr. Gryder's brother, Mr. and Mrs. Bob Gryder of Dublin. The Gryders attended a reunion of the Gryder family in Levelland, Wednesday of last week.

Mr. and Mrs. Bud Young and family of Roswell, N. M. spent several days visiting in the home of Mr. Young's parents, Mr. and Mrs. Hub Young.

Mr. and Mrs. Nelson Rost of College Station spent last week visiting Mrs. Rost's parents, Mr. and Mrs. A. A. Teinert. Mrs. Rost will be remembered as the former Miss Ruby Faye Teinert.

Mr. and Mrs. Charles Robins and family spent Monday visiting their parents, Mr. and Mrs. S. H. Gryder.

Guests in the home of Mr. and Mrs. A. A. Teinert last Thursday evening to help Mr. Nelson Rost celebrate his birthday were Mr. and Mrs. B. G. Wied, Mrs. George Heinemeier, Kathleen and Judy, Mrs. Paul Limmer and John Paul of Lubbock, Mr. and Mrs. M. G. Wied and sons, Mr. and Mrs. Hubert Teinert, and Mr. Ralph Droege.

Mr. and Mrs. Rayburn Hahn and daughter of Dallas spent several days visiting in the home of Mr. Hahn's father, Mr. John Hahn and other relatives.

Sunday guests in the home of Mr. and Mrs. A. A. Teinert were Mr. and Mrs. Nelson Rost of College Station, Mr. and Mrs. Rayburn Hahn of Dallas, John Hahn, Mr.

and Mrs. M. G. Wied and sons, Mr. and Mrs. Hubert Teinert and Miss Janet Dube. Miss Janet Dube, who has been in Austin for some time is spending the week in the home of her parents, Mr. and Mrs. Oswald Dube. Miss Dube is to be in Seaward, Nebraska to enroll in College next week.

Mrs. Ivy Walton has just recently purchased the beauty shop from Mrs. Joe Harvick. Mrs. Walton wants to extend to everyone a hearty welcome to come in and "make yourself at home." She invites your business and will appreciate all who call. She says she knows she can't please all but is willing to give it a try.

We want to welcome into our midst, Mr. and Mrs. Oscar Follis who have recently moved here from Tahoka, Mr. and Mrs. Follis bought the home formerly owned by Mr. J. R. Slone, and have already moved into their new home. They own and operate the Wilson Cleaners. We are happy to have the Follis as residents here.

Mr. and Mrs. Jess Earwood had as their guests Sunday, Mr. Earwood's nephew, Mr. Ray Earwood and Mrs. Earwood and baby, and Mr. A. J. Brothers all of Commerce.

Week end guests in the home of Mr. and Mrs. Ollie Riddle were their son, Mr. Luther Riddle, Mrs. Riddle and Harold of Italy, their grandchildren, Mr. and Mrs. J. C. Mathers and daughter of Fort Worth, and Mr. and Mrs. Jerry Phillips of Mt. Pleasant.

Dinner guests of the Riddles Sunday were Mr. and Mrs. A. D. Riddle and family of Tahoka, Mr. and Mrs. T. R. Riddle and family, Mr. and Mrs. E. W. Roe and Barbara, all of Tahoka, Mr. and Mrs. Hurick Perkins of Slaton, and Mr. and Mrs. L. R. Christopher and family.

Mr. and Mrs. Roger Blakney spent Sunday visiting their cousins, Mr. and Mrs. Hollis Young of Halfway.

Miss Mary Ann Handrick has re-

turned to Wilson after spending the summer in the home of her parents in Albany. Miss Handrick teaches school in the St. Paul Lutheran school. Her parents spent the week end with her.

MRS. MYRON W. GUNNELS

Miss Wanda Roach Married Monday In Colorado City Church Ceremony

Miss Wanda Jo Roach and Myron W. (Mutt) Gunnels exchanged wedding vows Monday at 5:00 p. m. in the Payne Baptist Church in Colorado City when Rev. Bill Cathy officiated before the altar adorned with baskets of white gladioli and candelabra.

Mr. and Mrs. Ed Roach of Colorado City are parents of the bride and the bridegroom is the son of J. C. Gunnels, Sr. of Magnolia, Ark.

Miss Rhea Cathy sang "True Love," "Whither Thou Goest," and "Bless This House" accompanied by Miss Peggy Williams, pianist, who also played several selections and the wedding music.

The bride, who was given in marriage by her father, wore a white Chantilly-type lace gown with nylon tulle over net and satin. The fitted bodice, designed with long tapered sleeves, featured a high neckline framed by a Mandarin lace collar. Appliques of

lace enhanced the sheer yoke and panels of tulle at the center front and back skirt.

The bride's veil of silk illusion fell from a lace cap encrusted with iridescent sequins and seed pearls with a tear drop pearl marking the center front. She carried a bouquet of Frenched carnations centered with a white cymbidium orchid atop a white Bible.

Matron of honor, Mrs. J. D. Fortberry, was gowned in red polished cotton with a chiffon sash draped from the waist to hem of the skirt. Miss Pat Lindsey of Tahoka, cousin of the bride, was bridesmaid and wore an identical gown of gold. Both attendants carried picardy camellias with satin streamers.

J. C. Gunnels Jr. of Magnolia, Ark. served his brother as best man. Two brothers and a nephew of the bride, Billy Earl Roach of Tulia, Edward B. Roach, and Edward B. Roach, Jr., both of Steph-

Shirley McClintock Married Sunday

Miss Shirley McClintock and William G. Kirby Jr. were married in vows read Sunday at 6:00 p. m. in the New Home Methodist Church by Rev. Lloyd Mahew before an archway of candles flanked with baskets of white gladioli and palms.

Mr. and Mrs. Mrs. Weldon McClintock of New Home are parents of the bride and Mr. and Mrs. William G. Kirby of Rockingham, N. C. are parents of the bridegroom.

Miss Jean Montgomery of Muleshoe sang "Melody of Love," "The Lord's Prayer" and "Through the Years" accompanied by Miss Martha Roper, organist.

The bride, given in marriage by her father, wore a French-Chantilly-type lace and silk organza over star light blue satin. The bodice featured a Sabrina neckline edged with scalloped lace and long tapered sleeves. The full skirt was waltz-length. Her veil of silk illusion fell from a tiara of sequins and seed pearls and she carried a bouquet of carnations and stephanotis atop a white Bible.

Mrs. Willard Tibbets of Levelland was her sister's matron of honor. Maid of honor was Miss Vickie Sue Thompson and bridesmaids were Misses Joan Christian of Levelland and Imogene Price of Midland. Their ensembles of baby blue cotton satin were accented with velveteen cummerbunds and they wore headpieces of nylon net dotted with sequins and pearls. They carried blue feathered carnation bouquets amid nylon tulle fans.

The bridegroom's father was his best man and ushers were Willard Tibbets, Richard Toups of New Orleans, La. Michael Tibbets, nephew of the bride, was ring bearer.

A white imported cut work cloth over blue covered the serving table at the reception held in Fellowship Hall, and was centered with a tiered wedding cake. Mes. Wilmer Smith, J. R. Strain and C. E. Roper composed the houseparty.

The bride is a graduate of New Home High School and attended McMurry College in Abilene. Kirby is a graduate of Franklinville High School, N. C. and is now stationed at Dyess Air Force Base in Abilene. The couple will make their home in Abilene.

Mr. and Mrs. J. O. King had as their guests recently their daughter and family, Mr. and Mrs. Lee Taylor, of Morton, and Mr. and Mrs. Mack Hancock and children of Lamesa, Mr. and Mrs. Jack Taylor and children of Morton and Mr. and Mrs. Burlie Taylor of Lubbock.

enville were ushers. Sharon Roach of Tulia, the bride's niece, was flower girl and the bride's cousin, Greg Burk of Denver City was ring bearer.

A reception followed the ceremony in the educational building of the church. For a trip to the Ozark Mountains, the bride chose a blue and white embroidered cotton dress and navy accessories.

The couple will make their home in Midland where the bridegroom is employed by Burton Exploration Co. He attended Southern State College in Magnolia, Ark.

The bride is a graduate of Texas State College for Women and also attended Tarleton State College. She has been employed by the Texas Extension Service and has served as home demonstration agent of Lynn County for the past four years.

MRS. ALBERT McCURDY

(Photo by C. Edmund Finney)

Miss Betty Carroll and Albert McCurdy are Married In Local Home Ceremony

In a double ring ceremony read Sunday, Sept. 1, at 4:00 p. m. Miss Betty Carroll became the bride of Albert McCurdy in the home of Mr. and Mrs. Tom Bartley, sister of the bride.

Mr. and Mrs. D. C. Carroll of Tahoka are parents of the bride and the bridegroom's parents are Mr. and Mrs. Cecil McCurdy of Abernathy.

C. E. Cain, minister of the Church of Christ in O'Donnell, read the vows beneath a natural arch way from the top of which hung white wedding bells with pink satin streamers. The archway outlined in palms, was flanked with baskets of white spider chrysanthemums and greenery.

Miss Jerrie LeMond, pianist, played traditional wedding marches.

Given in marriage by her father, the bride wore a gown of imported Chantilly lace and tulle over taffeta. The fitted bodice of lace and shirred tulle was topped by a jacket of lace featuring an empress waistline, Peter Pan collar,

Former Tahokan Married Friday

Miss Dorothy Ann Denton and Don L. Wortham were united in marriage in vows read Friday night in Ford Memorial Chapel in Lubbock when Rev. A. V. Henderson of San Angelo read the double ring ceremony.

The bride is the sister of Mrs. E. A. Willborn of San Angelo and Mrs. C. B. Yeary of Fort Worth is mother of the bridegroom.

The altar of the chapel was centered with an arrangement of white gladioli and pom-pom mums flanked by similar arrangements and palms. Miss Yvonne Kinner, organist, accompanied Mrs. Guy Knowon, soloist, and played the traditional wedding marches.

Given in marriage by her brother-in-law, E. A. Willborn, the bride was gowned in white French lace and nylon tulle over satin fashioned with a portrait neckline. The sheer yoke was embroidered with sequins and pearls and appliques of lace dotted the shirred skirt. Her veil of silk illusion fell from a cap of lace and seed pearls and she carried a bouquet of stephanotis centered with a white orchid atop a white Bible.

Miss Marie Denton of Dallas was maid of honor and bridesmaids Mrs. Donald Denton, Miss Connie Crow of Luther and Miss Janette Hirschfield of San Angelo. All wore gowns of blue cotton satin.

Best man was Claude Wortham of Fort Worth and ushers were David Jackson, Joe McQueary and Robert Wortham of Fort Worth.

The bride is a graduate of San Angelo Junior College and Texas Tech. Wortham, a graduate of Tech where he was affiliated with Kappa Kappa Psi band fraternity, is a former Tahoka High School band director. He is now band director at Anson, where the couple will make their home.

Mr. and Mrs. C. T. Tankersley have recently moved into town from their West Point farm.

Couple Marries In Church At Ropes

The Ropesville Church of Christ was the scene of a double ring ceremony when Miss Jacquelyn Nell Whitlock became the bride of Morris Eugene Goad Sunday afternoon at 3:00 o'clock. Ode M. Prescott of Shallowater read the vows.

Mr. and Mrs. Bob Whitlock are parents of the bride and Mr. and Mrs. Lester Goad are the bridegroom's parents.

Music was furnished by the church chorus before the vows were read before an archway of greenery and white gladioli.

The bride wore a gown of cotton satin topped with a lace jacket with long tapering sleeves and a high collar. Her veil of tulle was attached to a headpiece frosted with seed pearls and she carried a bouquet of white carnations and a white Bible. Her father gave her in marriage.

CARD OF THANKS

I would like to express my appreciation to Dr. Prohl, Dr. Thomas, and to Dr. Rumbo for the medicine and many kindnesses given for setting up the school nursing program. Mr. Lillian McCord.

Curtis Stevens went to Austin Tuesday on a business mission.

Mrs. Harvey Lamb of Lubbock was her sister's matron of honor and Miss Connie Witherspoon was bridesmaid. Janice Ruth Lamb of Lubbock was flower girl.

Lester Goad Jr. served his brother as best man and ushers were Tommy Dave Whitlock, brother of the bride and Dwayne Goad, brother of the bridegroom of New Home.

A reception followed the ceremony. After a brief wedding trip the couple will be at home in Lubbock. Goad has served two years with the Armed Forces in Germany.

**Butler
grain
bins**

Thousands of farmers can't be wrong. They have bought Butler grain bins because they know that Butler quality gives top protection in grain storage.

Here are just some of the ways that bins are engineered by Butler, the nation's storage specialists, for greater economy, safety and convenience:

- VAULT-TYPE DOOR seals out moisture, vermin.
- DOUBLE-BOLTED SEAMS at vertical joints make seams tighter, add to bin strength.
- LONGER BODY SHEETS reduce the number of seams, minimize chance for moisture to get in.
- WEATHER-TIGHT GULKING seals out moisture, is easy to apply.
- EASY-ACCESS MANHOLE cover simplifies inspection.

Wayne Martin Is Married Tuesday

Wedding vows were exchanged by Miss Eugenia McCullough and Weldon Wayne Martin Tuesday night at the Bowman Memorial Chapel in Lubbock with Rev. Bill Pearce reading the double ring ceremony.

The bride is the daughter of Mrs. Grady L. McCullough of Lubbock and Mr. and Mrs. J. Weldon Martin of Tahoka are parents of the bridegroom.

Cathedral tapers in gold candelabra made the settings when yellow gladioli and white stock decorated the chapel. Mrs. Raymond George, organist, accompanied Mrs. T. J. Lovett, who sang "O Promise Me" and "O Perfect Love."

Given in marriage by her uncle, Irving L. Jones, the bride wore a white French lace and nylon tulle over net and taffeta featuring petal print sleeves and a portrait neckline. The waltz-length skirt bore wide panels of lace applied at each side in redingote effect.

From a lace cap dotted with seed pearls, extended her veil of silk illusion. Her white Bible was topped with an orchid, yellow rose and stephanotis bouquet.

Mrs. Melvin W. Edwards, sister of the bridegroom, was matron of honor and was attired in a waltz-length gown of blue, taffeta and carried a bouquet of yellow roses.

Melvin W. Edwards was best man and ushers were Charles Brookshire, Dan Martin, John Brewer and Glenn Hunt.

A reception followed in the church parlor when yellow roses and white stock centered the serving table.

Following a trip to Colorado Springs the couple will make their home in Lubbock where the bride is employed by Southwestern Bell Telephone Co. and Martin is a student at Texas Tech. The bride is a graduate of Lubbock High School and attended Texas Tech. The bridegroom is a graduate and former letterman of Tahoka High School.

John Foster has returned to Texas A and M. College, where he is a junior student majoring in veterinary medicine and is an officer in the famed Ross Volunteers.

SANDRA LOU SHERRILL

James P. Walker Will Marry Soon

Mr. and Mrs. David Winfred Sherrill of Lubbock announce the engagement and approaching marriage of their daughter, Sandra Lou, to James Prentice Walker, son of Mr. and Mrs. John Prentice Walker of Brownfield, formerly of Tahoka. The future bridegroom is the grandson of Mrs. J. K. Applewhite Sr.

Wedding vows will be exchanged November 23 in the First Baptist Church at Lubbock. Dr. J. Ralph Grant, pastor of the church, and the Rev. Franklin Swanner, district missions secretary from Plainview, will officiate at the double ring rites.

Miss Sherrill is a senior at Texas Tech, where she is a member of Alpha Chi Omega social sorority. She graduated from Lubbock High School and attended the University of Colorado.

Her fiancé is a graduate of Brownfield High School and is a senior at Texas Tech. He is a member of Sigma Alpha Epsilon social fraternity.

The couple will live in Lubbock.

Miss Kay Bohall Weds Chas. Berry

A double ring ceremony was read at 3:00 o'clock Sunday afternoon for Miss Rebecca Kay Bohall and Charles Stewart Berry in the home of the bride's uncle and aunt, Mr. and Mrs. C. H. Nelson of Wilson. The Rev. William McReynolds, minister of the First Methodist Church, Idalou, officiated before an altar improvised of greenery, yellow garden flowers, and miniature wedding bells and flanked by companion basket arrangements. Recorded music furnished a background for the vows.

Parents of the bride are Mr. and Mrs. J. W. Bohall, Route 2, Lubbock. The bridegroom is the son of Mr. and Mrs. H. Z. Berry, Route 6, Lubbock.

Given in marriage by her father, the bride was attired in a charcoal suit accented by a white scarf. A beaded hat and black accessories completed her ensemble. She carried an orchid surrounded by white rosebuds atop a white Bible and observed tradition by carrying an heirloom handkerchief belonging to the groom's mother.

Mrs. Jim Coleman of Wilson attended her sister as matron of honor. She wore a black and white suit with matching accessories and carried a nosegay of white carnations.

The bridegroom's father served as best man.

At the reception Mrs. D. T. Stoker and Mrs. Coleman presided at the serving table which was covered with lace over green, centered with a floral arrangement, and appointed in silver and crystal. The tiered wedding cake encircled by yellow flowers and fern was topped by a miniature bridal pair.

The bride, a 1937 graduate of New Deal High School, is a former student of Wilson High School. Berry is a graduate of Cooper High School. He attends Texas Tech and is employed by Marcy Cleaners. After a wedding trip to New Mexico they will be at home at 2012 Ave. L, Lubbock.

Gordon News

MRS. EARL MORRIS
Correspondent

The minister Newcomb of Slaton preached at Gordon Church Sunday. Mr. and Mrs. W. E. Kidd, Thelma and Teddy of Slaton were visitors at the church.

The Rev. and Mrs. Lusby Kirk and sons are on their vacation and Rev. McLeod of Lubbock conducted services at the Baptist Church.

Ross Dunn, ministerial student at McMurry preached at the Methodist Church Sunday night.

Members of the MYF enjoyed a progressive supper last Wednesday night. They met in the home of Mrs. Dillard-Dunn where they were served orange juice and crackers. At the home of Mrs. Jay Oats a salad course was served. Mrs. Winston Lester served the main course in her home, the crowd then went to the home of Mrs. Sam Ellis, who served them ice cream and cake. Thursday night the same crowd enjoyed a swimming party in the new swimming pool of Mr. and Mrs. Clarence Basinger.

The Rev. Jackson and family of Lubbock were Saturday guests of Mr. and Mrs. L. K. Anderson. Saturday night the two families went to the home of the Jack Hargroves to eat home made ice cream and cake.

Mrs. Alford Basinger, Mr. and Mrs. M. M. Bruster and Mrs. Donald Pope were in San Angelo last week to be with Mrs. Stella Simpson, who underwent surgery there for gall stones. They report Mrs. Simpson was quite ill but was improving when they left. She is a sister of Mrs. Basinger and Bruster. Mrs. Pope is a niece.

Week end guests in the O. W. Quizenberry home were his sister, Mrs. J. B. Roberson, a nephew, Joe Moore, and Mrs. Louis Quizenberry from Irving, Mr. and Mrs. Charles Lee, Lamesa, the Woody and the C. C. Quizenberrys of Lubbock, a daughter, Mrs. Troy Bruster and two girls. Miss Mattie Dabbs has been in Slaton Mer-

cy Hospital suffering with pneumonia. Her sister-in-law, Mrs. Charlie Dabbs, spent Sunday night with her at the hospital.

Mrs. Heywood Basinger visited her sister, Mrs. Arch Thurman in a hospital in Amarillo last week. Mrs. Thurman who was seriously injured in a car wreck some time ago is still in the hospital, but Mrs. Basinger says she is well pleased at the progress her sister is making. Another sister, Mrs. John Leak has moved to Amarillo to be near Mrs. Thurman.

Mr. and Mrs. H. D. Hallman, Jr. of Fort Worth are visiting his parents the H. D. Hallmans.

Sunday guests of the Ed Millikens were two sons and families, the Don and Ralph Millikens of Wolforth, Mr. and Mrs. George Martin of Lubbock. Mrs. Martin is the former Lucile Massingale and lived in this community years ago. Mrs. A. C. Gordon and Miss Edmunds who live in Nebraska are visiting their parents, Mr. and Mrs. W. E. Edmunds and a brother and family, the Martin Edmunds. Merwyn Edmunds of Lubbock spent the week end with the home folks.

Mr. and Mrs. Wilmuth Davis and daughter of Fort Worth were Thursday guests of his aunt and uncle, Mr. and Mrs. Lester.

Mr. and Mrs. George Baker, Lois and Royce went with her brother-in-law and sister, Mr. and Mrs. N. R. King and sons of Post to Red River, N. M. and on to Colorado Springs, Colo. on an outing last week.

Mr. and Mrs. Carl Warren of Cisco were Monday visitors in the home of his uncle and aunt, Mr. and Mrs. J. A. Warren.

P. E. Winterwood killed a large rattlesnake behind his barn last week. Their 15 month old son, Jerry Vaughn, had gone out to play at the barn but the father was near and saw the snake and killed

SPORTS

Bulldogs Practice With Seminole

Seminole Indians showed very little edge over Tahoka's aggressive but inexperienced Bulldogs in a practice scrimmage held here Saturday night.

Unofficially, Seminole scored seven times while Tahoka scored four times, but even at that Tahoka had 27 first downs to Seminole's 22 and out-gained Coach LaFollett's boys in running plays. One Seminole TD was on a long pass, two others were set up on long

passes, and one was on a 50-yard run.

Tahoka was playing without the services of Quarterback Karl Prohl who received a re-injury of his knee on the second play; Richard Stice, tackle, who was out of town to attend a funeral; and Billy Tomlinson, halfback, who received a knee injury late in the game.

Furthermore, Coaches Bill Haralson and Dean Wright substituted more freely, using Sophomore boys much of the time.

George Adams, 160 pound sophomore quarterback, ran the team very well. Douglas McClellan is the freshman understudy.

Running at fullback are Weldon Calloway, 170 junior; Don Young, 155, junior; Kenneth Stice, 153 sophomore; and Billy Cain, 156 freshman.

Halfbacks: Richard Brooks, 148 senior; Tomlinson, possibly the most effective ball carrier; Jerry Bragg, 157 sophomore; Gaylon Tekell, 140 senior; Robert Cloe, 140 junior; Benny Martin, 140 junior; David Copeland, 142 freshman.

Centers are: Jerry Adams, 172 junior; Lynn Cook, 165 soph.; and Alton Terry, 150 freshman.

Guards are: James Adams, 162 senior; David Bray, 175 junior; Steve Riddle, 145 senior; and sophomores Foster Dudgeon, 150, Phillip Havins, 155, James Hicks, 132, Ronnie Ledbetter, 135, Jerry Mason, 120, and Roy Lee Thomas, 130.

Tackles: Vergel Hicks, 178 junior; John Hegl, 165 junior; John Ed Redwine, 218 senior; and sophomores Richard Stice, 202, Paul Ford, 176, Dean Elliott, 196, Larry Owens, 150, and Joe Phil Inman, 155.

Ends: Seniors Jay Gurley, 150, Jerry Brown, 163, Donald Williams, 142; sophomores Doylon Lewis, 140, Gerand Short, 142, and Johnny Wheeler, 145; and Joe Young, 135, and Frank Greathouse, 160, both freshmen.

On the squad are 10 seniors, nine juniors, 19 sophomores, and six freshmen.

Returning lettermen are Brown, Gurley, Hegl, James and Jerry Adams, Hicks, Brooks, Tomlinson, and Prohl, the latter being the only two-year letterman on the squad.

Managers this year are Jack Stevens, Buddy Chestnutt, and Charlie Holland.

Kenneth Durham and Gordon Smith will return to Waco this week end to re-enter Baylor University, where they are students. Also attending Baylor are Paxton Hutchison and N. E. Wood.

New Home Plays Ropes Tonight

New Home opens its 1957 football season tonight with Class A Ropesville.

Coach Hubert Williams reports his Class 4-B Leopards have been getting in shape fairly well, have a good spirit, and expect to give their opponents a lot of competition this fall in spite of the small squad.

Ropes lost heavily from graduation last year, but still has the outstanding halfback, Johnny Valentine.

Probable New Home starters are: Walter Gasper, 1e; Lonnie Roper, 1t; Joe Roper, 1g; Bob Nulley, c; Wesley Dean, rg; Gary Roper, rt; Larry Brown, re; Larry Edwards, q; Joe Don Milliken, 1h; Barney Castro, rh; and either Nick Ford or Jimmy Briggs, fullback.

Bertie Witten, and Nelda, Virginia, Jackie and Martha Stephens spent the past week vacationing in Colorado, where they visited the IC Bar Ranch, owned by a cousin, W. H. (Billy) Waldroup. They also went to Monument Lake, Cave of the Winds, Seven Falls and Royal Gorge. While in Canon City they visited the Colorado State Penitentiary, where they ran into some Tahoka people, Mr. and Mrs. J. A. Pelsworth and Jerry and Mr. and Mrs. Derwood Howard and family.

CARD OF THANKS

We wish to express our heartfelt thanks to the doctors, nurses and Martin White at Tahoka Hospital, and to our friends for their kindness and service during my stay in the hospital recently. God bless every one of you. Mr. and Mrs. N. O. Townsen.

Judy Bledsoe of Lubbock visited here last week with her grandmother and aunt, Mrs. Maude Bledsoe and Mrs. Jewell Johnson. Monday visitors were Mrs. Bledsoe's son, Floyd, of Lubbock and his daughter, Mrs. Jack Henderson and three daughters, Lyndy, Shirley, and Regina from California.

A. I. Thomas returned last week from his cabin at Chama, New Mexico, where he had been for five weeks. He reports fishing was only fair due to the frequent rains. His son, Paul, and wife of Albany accompanied him on the stay in the mountains.

Mrs. C. B. Evans attended an Evans reunion Saturday and Sunday at Abilene State Park near Buffalo Gap at which 44 were present. At the reunion were W. J. Evans, father of the late C. B., and E. T. Evans, and father of Mrs. Lynn Smith of Brownfield.

The J. F. Tolers recently attended a reunion of Mrs. Toler's relatives, the Turneys, at Dublin. Her seven brothers and sisters and a total of about 60 relatives and close friends attended.

H. L. McMillan Jr., wife, and two children of Midland were here over the week end visiting his parents. Carl Henry McMillan, wife, and son were also down from Lubbock.

Dr. and Mrs. A. B. Gattis and Steve were here over the Labor Day week end visiting his mother, Eldon Gattis and family and other relatives.

Mrs. Jake Jacobs and daughters and Mrs. Frank Hill visited in Floydada with Mrs. Hill's sister, Mrs. Dell Reagan, and brother, Ard Howard.

Toler Talks ...

(Cont'd. From Front Page) This is changing as more wooden floors come into use.

The position of the woman is also changing. Women now have a vote. The custom of the parents selecting mates for their children of marriageable age is also changing.

Rice is the most important food, but Japan does not raise enough for home consumption and has to import rice. Beef is said to be the best in the world because a cow before slaughtering is massaged by hand with cheap labor to make the meat tender. Many fruits and vegetables are raised. Bamboo is used for everything. Even the tender shoots are eaten, and bamboo is used for building and even woven into clothing.

In explaining the Buddhist religion, he stated that the adherents do not actually worship the statues but the principles the statue represents.

Since the war, the Emperor is no longer worshiped. Whereas he was once considered divine, he now holds about the same position in government as the King of England.

Japanese government has become very democratic, operating under a constitutional form of government.

Just before the war opened, the people held high respect for the United States, but the Japanese government fell into the hands of the militarists. In complete power, they built up hatred for the U. S. among many and the unscrupulous leaders used the Emperor to sway the people, using their thoughts as the Emperor's to sway the public through press, radio, and schools.

As the war progressed, Japanese people knew nothing of its progress except what they were told. Even near the last, they thought the Jap withdrawals were strategic ones. Only publicity given to the atomic bomb blast was that the U. S. was using a new weapon.

The people knew nothing of the war's end, until the Emperor in his first appearance in history on radio announced the war was over. Even then, surrender was not mentioned.

E. R. Edwards was in charge of the program.

John Toler Goes Back To Japan

John Toler, son of Mr. and Mrs. J. F. Toler, left Sunday by train from San Francisco, and on Tuesday was scheduled to fly from there to Japan.

John, after being discharged from the Army, remained in Japan to teach English in a Japanese school while studying the native language of that country. After another year and a half of study there, he expects to return to the States.

SELLS HENS QUICK

Last week's issue of The News had hardly hit the postoffice until Mrs. C. T. Tankersley had a sale for 100 hens she advertised in the paper.

CARD OF THANKS

To the many friends and neighbors I want to say thank you and may the Lord bless you for all the cards, visits, and flowers I received while in the hospital. Your friend and neighbor, Mrs. J. L. Tomlinson.

Miss Sylvia Edwards, daughter of Mr. and Mrs. Boswell Edwards of New Home, expects to enroll in Baylor University next week.

Mr. and Mrs. W. B. Griffin Sr. of Silverton are here visiting their son and wife, County Agent and Mrs. Bill Griffin.

Hilton Wood, 1957 graduate of Tahoka High School, expects to enter Texas Tech School of Agriculture this fall.

Mr. and Mrs. Herman Heck recently attended the wedding of her nephew in Kansas City.

Net value of Texas manufacturers rose from \$773,896 in 1949 to \$3,500,000,000 in 1955.

Of the 150 major U. S. Air Force bases, 27 are located in Texas.

Wednesday
Business Women Circle 7:00 p. m.
Mid-Week Service 8:00 p. m.

Standing ...

(Cont'd. From Front Page) on No. 1 green at T-Bar Country Club Monday. Good enough to boost him up for six months, at least.

We'd like to pat Mrs. Ruth Jolly on the back for getting behind a worthwhile project and doing all in her power to see it through. The special school for handicapped children has long been needed in Lynn county and has been approved by the state. Naturally, at the beginning of such a program, there are many problems. So far a great many have been solved, but there are disillusioning ones also. However, Mrs. Jolly refuses to be disillusioned, and with that kind of spirit, both in her and the people of the county, it can't fail.

The Tahoka board has offered to put up half the cost for the building of a room for the school, and we certainly hope the other three school districts can and will put up the other half.

Already there are eight children enrolled in the school now being held at Wilson, and as time goes on there will be many others.

With such a set-up, certainly the handicapped children yet to be born will have an opportunity to lead an almost normal life, to say nothing of the children who desperately need it now.

There was a wise man in the East whose constant prayer was that he might see today with the eyes of tomorrow.

—Alfred Mercier

CARD OF THANKS

We wish to express our deepest appreciation to all of our friends for the flowers, cards, food, and every act of kindness during our recent sorrow. God bless you all. The family of Mrs. Iva Turrentine.

Mr. and Mrs. Lynn Carl Halamicck and new son, Michael Lynn, age four weeks, of Austin are here this week visiting Lynn's mother, Mrs. Halamicck. They will return to Austin this week end, where he is a pharmacy student in the University of Texas.

"July or February..."

I have garden-fresh fruits and vegetables in my ELECTRIC home freezer, all the time!" says MRS. ROY QUALLS OF GUYMON, OKLA.

Last year Mrs. Qualls froze over 300 pints of garden-fresh vegetables which, she says, "... really means a great savings in my family food budget all year." In addition to buying meats in season, and in quantity, for additional freezer savings, Mrs. Qualls passes on this tip, "I do a considerable amount of baking, especially biscuits, usually 10 to 12 dozen at a time. I chill them, break them apart, wrap in wax paper and freeze them in my freezer. Then, when unexpected guests arrive, I have hot biscuits in a matter of minutes."
