

The Lynn County News

Tahoka, Lynn County, Texas, Friday, September 27, 1957

Number 51

Serving Tahoka and Lynn County Since 1903!

STANDING ON THE CORNER

With P. J.

I read in a book that a man called Christ went about doing good. It is very disconcerting to me that I am so easily satisfied with just going about.

—Toyohiko Kagawa, Japanese Religious Leader

You never know what one will drag in next from the country around Tahoka. We've had wolves, bobcats, coyotes, etc. and now we've had a porcupine. Rufus Slover killed one with a .22 after his dog treed the animal in his yard Monday morning.

It's getting to the point that no one will be surprised if someone finds a beaver around here.

Becky's kindergarten teacher told me the other day she needed some new paste and so, hand in hand, we went into a local store to purchase some. After removing the lid from the jar at her insistence, she stuck her finger in it, put it in her mouth and after tasting it said, "That's the right kind—it's like Debbie's."

A clergyman once remarked to President Lincoln: "I hope the Lord is on our side."

The president replied: "I am not concerned about that, for I know the Lord is always on the side of right. But it is my constant anxiety and prayer that I and this nation should be on the side of the Lord."

It seems to me that we of this nation are becoming more sure of the fact everyday that the Lord is on our side, but are we becoming so sure that we are falling to try and stay on His side?

What about all of our attitudes? Are they right? Remember—attitudes are the things that make or break a nation.

The Lord surely approves of foreign aid, for loving one's neighbor is the second greatest commandment. But what about the neighbor at home? And does He signify what color your neighbor is supposed to be?

Are all of our attitudes right? Is there any place in God's favor for hate, or prejudice, or discrimination?

Remember, the world comes first with Him, not just one government—and not just one race.

And above all, let us not forget the first commandment. "Thou shalt love thy God with all thy heart, and with all thy strength, and with all thy mind."

A nation is strong only when its people are strong. It's something to think about.

Ruby Renfro isn't taking seconds on her coffee at the drugstore anymore. She says she's watching her figure—nobody else will.

R. E. Burns, a brother-in-law of Mrs. D. B. English who is visiting here from lovely Shreveport, La., says this is the most beautiful country he has ever seen. Wow! That's the best compliment on West Texas we've heard in a long time—about seven years, in fact.

In spite of the drouth, this part of the country has been very good to its people. For instance, there are the Deck Dunagan's, an average American family, but unlike some of us, they have three homes! Yep, a winter home in Tahoka, and two summer homes—one in Ruidoso and one at the farm (Ha!). Man, are they getting up in the world!

Money will buy a fine dog, but only love will make him wag his tail!

Christmas Party Is Planned This Year

Plans for Christmas events in Tahoka were made at a breakfast meeting of Chamber of Commerce directors Thursday morning.

A meeting of all business men has been called for Thursday night, October 10, in the county court room to discuss plans for another "Merchants Christmas Party" similar to the successful event held last year. In this event, people of the county were invited to visit places of business on two Thursday nights immediately preceding Christmas and register for prizes which were then given away on a Saturday afternoon.

Last year's event received such a fine response, the C. of C. will again sponsor the "party" if the merchants want it.

President Granvel Ayers of the C. of C. appointed a committee to be in charge of the program composed of Clint Walker, Roy Edwards, A. M. Bray, and Frank Hill.

Another committee to be in charge of down town lighting decorations will be appointed later.

The C. of C. also voted to again sponsor the home and business lighting contests, and named to the committee in charge of this event were Dean Taylor, John Reasonover, and Herman Heck.

Swiss Visitor Returns Home

Hans Irniger, a language student from Switzerland and a guest here this summer of the Tahoka Rotary Club, left Friday on his return trip home.

He has been visiting in the homes of local Rotarians for about eight weeks and will arrive in Switzerland about October 11.

The return route was scheduled to include the Grand Canyon, Salt Lake City, Omaha, Chicago, Detroit, into Canada, Niagara Falls, and then to New York City.

He and Slaton's summer guest, John Rineheart of Austria, will leave New York on Oct. 1 by boat and will arrive in France on Oct. 8.

As a farewell gift the Tahoka Rotary Club presented Hans with cowboy hat, boots, levi's and several shirts as a souvenir of his visit here.

Upon his return home Hans will re-enter a university where he is studying to be a language professor. He speaks four languages other than his native tongue.

Polio Vaccine Available Here

Parents of children wanting free polio vaccine in the Tahoka schools are asked to contact Mrs. Lillian McCord, school nurse, immediately.

The urgency is emphasized so that an order can be made for the vaccine as soon as possible. Mrs. McCord said that she would like to begin giving the polio shots by Oct. 15, at the latest, and she must know the number wanting them before an order can be made.

Children in the Tahoka Independent School District from the first grade through high school are eligible for the free shots.

Small pox vaccinations are now being given school children here. It is compulsory in the Tahoka schools that all children must have the vaccination before entering school, and this program is being carried out to enable those financially unable, and for other reasons making it impossible to secure the needed vaccination.

GRASSLAND STORE SELLS James Walker has sold his Grassland store to Doug Carriker, who comes to that community from Trent, Taylor county. Mr. Carriker has been operating the store about three weeks.

New Minister At Church of Christ

Leroy Cowan, new minister of the Tahoka Church of Christ, filled the local pulpit for the first time last Sunday.

He succeeds Doyle Kelcy, here for more than five years, who moved to Andrews in mid-August.

The new minister and family moved here last Friday from Gorman, where he had been minister of the Church of Christ for four years. Mr. and Mrs. Cowan have two children. Carolyn Ann, 11, is a sixth grade student, and Joe David, 10, is in the fifth grade.

Mr. Cowan was reared at Gilmer, Upshur county, and Mrs. Cowan at Atlanta, Cass County. Both attended Harding College at Searcy, Arkansas.

He served as minister at Clairmore, Okla., and then he and wife were both with Boles Orphans Home for 18 months. Following this, he served successively as minister at Hughes Springs, Rush Springs, Okla., Cross Plains, and then Gorman. The new minister is 34 years of age.

Cub Scouts Hold First Fall Meeting

The Tahoka Cub Scouts had their first fall pack meeting this week when E. B. Gaither, district commissioner of the Boy Scouts of America, provided the program. Gaither showed the group his film taken on the 1957 Boy Scout Jamboree held this summer in Valley Forge, Pa.

An urgent plea is being made for more den mothers, den dads, and cubmaster. More local boys are on waiting lists for entry into the Cub Scouts, but since the existing dens are full, new ones can be formed if leaders can be secured. Anyone interested is asked to contact any one of the den mothers, Mmes. C. W. Conway, Deann Taylor, W. T. Kidwell, Jack Jaques, Skiles Thomas, or the secretary, Mrs. Clifton Hamilton.

Tahoka Team Plays Seagraves Tonight

Tahoka Bulldogs entertain the powerful Seagraves Eagles here tonight in the second home game and the last pre-conference warm-up affair before meeting Spur Bulldogs Friday of next week.

Seagraves comes to town with a 27 to 0 victory over Crosbyton and a 14 to 7 win over Slaton under its belt, and having been set back only by Morton 12 to 13 by that surprise eleven.

Furthermore, Tahoka is in bad shape for the game. Quarterback Karl Prohl is out with injuries, as are tackles John Hegi and John Ed Redwine. As was the case last week, several boys have had mild cases of the flu.

After winning over Plains 7 to 0, Tahoka has dropped games to Denver City 12 to 7 and to O'Donnell 19 to 0. (See story on Sports page.)

Big guns in the backfield for Seagraves include R. E. Duggan, 160 pound senior fullback; Pat McAdoo, 150-pound senior and Dennis Crimes, 160-pound junior, quarterbacks; Jim Hamilton, 155, senior, and James Moore, 155, junior, halfbacks.

Among the linemen expected to see action are: Robert Barber, 160, senior center; Guards Jim Westbrook, 155 senior, and Pat Blakely, 155, junior; Tackles, Jesse Prestidge, 190 senior, and Freddie Kinison, 155 senior; and Ends Eddie Singleton, 150 senior, and Leroy Willis, 140, junior.

The Eagles are a well balanced team and is reputed to be stronger than the one last year that defeated Tahoka 20 to 0.

However, Coach Bill Haralson expects his boys to get up a more pretentious battle than they did last week against O'Donnell.

W. L. "Bill" SMITH

Lions Governor Is Coming Here

The Lions Club of Tahoka will welcome W. L. "Bill" Smith, District Governor District 2-T-1, Lions International, which includes 87 clubs in this section of the state. Lion Smith is in the cotton and cotton gin business in Ralls and has been active in civic and state affairs for many years. He is the present mayor of the city of Ralls. Governor Smith, prior to becoming district governor, was president of the Ralls Lions Club for two years, and has served as zone chairman and deputy-district governor of this district.

District Governor Smith will visit the Lions Club of Tahoka at 7:30 on October 1. The purpose of his visit will be to advise and assist. (Cont'd. on Back Page)

Lions Governor Coming To Wilson

W. L. "Bill" Smith, District 2-T-1 Governor, will be at Wilson Lions Club Thursday night, Oct. 3, at the 7:30 p. m. dinner meeting, according to Clarence Church, president, and Earl Cummings, secretary of the club.

This will also be ladies night, and all Lions are expected to be present, accompanied by their wives or girl friends.

New Record Set In County Tax Values

Flu Epidemic Some Lighter

The out break of flu in Tahoka, although far from defeated, is at least not bringing in as many new cases into Tahoka Hospital this week, attendants report.

Although doctors have seen many cases during the past few days, many of them are old cases, most of which are beginning to recover.

Last week many students, possibly as many as three dozen, were cut of school with flu and as many or more adults and pre-school age children were also its victims.

However, new cases are at this time on the decline.

Mrs. W. B. Bishop Is Buried Here

Mrs. Brown Bishop, 92, member of the pioneer Lynn county M. M. Redwine family, who died in San Angelo Friday, was buried in Tahoka Cemetery Sunday.

Funeral services were held at 3:00 o'clock Sunday afternoon in Stanley Funeral Chapel, conducted by Bert Stice, Baptist minister and a relative of deceased.

Mrs. Bishop attended the Lynn County Pioneer Reunion here last June, and about a month later suffered a stroke, from which she never fully recovered and was stricken again last week.

She was born Luella Redwine, daughter of Michael M. and Jocie Ann Redwine in Guerdon, Arkansas, on March 7, 1875. Her parents moved to Texas when she was a girl and first settled in Cooke county. They lived at various times in Tom Green, Mason, Haskell, and Donley county, moving from the latter place to Lynn county in 1903 to make their permanent home.

She was married to Walter Brown Bishop December 22, 1909, in Tahoka, to which union a daughter was born that died in infancy. She also had two sons by a previous marriage. She and her husband made their home at Tahoka and Wilson until 1940, when they moved to San Angelo, where they have resided since at 1110 Spaulding.

She is survived by her husband, W. B. Bishop; one son, Earnest H. Sanders of Wilson, the other son, Eddie, having died in 1948; a sister, Mrs. Effie Stice of Springer, N. M.; one brother, J. M. Redwine, Sr., of Avery; a grandson, Delbert Sanders of Wilson; 14 living nephews and eight nieces.

She became a Methodist when a girl, and was a faithful Christian, a devoted wife, and was extremely careful to extend her devotion to her parents, brothers and sisters, nephews and nieces.

Scouting Program At Wilson Clubs

(By Mrs. Carl Gryder)

The Wilson Lions Club held their regular meeting Thursday of last week. They enjoyed a watermelon feed on the school lawn.

Mr. E. B. Gaither was guest speaker for the meeting. He also showed a film of his trip to Valley Forge, Pennsylvania when he attended the National Jamboree. He is District Commissioner of Boy Scouts and active member of Lions Club.

Special guests for the occasion were the Cub Scouts, their Scout Master, Mr. A. L. Holder and their den Mother, Mrs. A. L. Holder, and some of the scouts parents. Also prospective Boy Scouts attended. The Lions Club sponsors the Cub Scouts and discussed plans for organizing a Boy Scout unit. About 45 were present.

Lynn county has reached a new all-time record in tax valuations as a result of oil development in the northeast section of the county, according to J. E. (Red) Brown, tax assessor and collector.

The current total valuation for tax purposes for 1957 is \$10,055,900.00. Brown states, an increase of more than \$300,000.00 over last year's total of \$9,750,000.

Practically all of the increase is a result of continued development of two small oil fields in the Gordon community and to the southwest of Southland.

All state and county taxes become due and payable on October 1, and final date for payment without penalty is January 31, 1958. The taxpayer who pays up in October will receive a three percent discount, those paying in November two percent, and those in December one percent.

Brown also reminds taxpayers to pay their poll taxes. Next year is election year, and those failing to pay their poll taxes will not have a vote in the important elections.

Debt Is Paid By T-Bar Club

J. E. (Red) Brown and Jack Smith were elected new directors of T-Bar Country Club at the annual membership meeting of the organization Wednesday night at the club house attended by about sixty members. They will succeed O. C. Elliott and Lester Strech.

Outgoing president A. N. Norman presided at the meeting. The directors will meet next week to elect a president and secretary. Hold-over directors are Norman, James F. (Sonny) Roberts, Irvin Dunagan, Frank Hill, and Reble Thomas.

In retiring, Norman expressed his thanks for wonderful cooperation of committees and members and friends of the club. Cooperation of the past year enabled the club to retire most of the debt.

Major contributions have come from the Tahoka Garden Club, the donor of trees and shrubs; Mrs. E. E. Callaway of Abilene; the Women's Association, with help of some of the men, a TV set; the Duplicate Bridge Club, an air conditioner; and the Women's Golf Association, a frog-hair mower.

In her report, Mrs. Peggy Elliott, secretary-treasurer, reported the club has 150 members, 82 of whom are paying dues; and during the year has almost wiped out the debt, in which about \$4,000 has been paid this year. The club has a balance of a little over \$600.00, and has an outstanding debt of \$700.00.

The group gave rounds of applause for the outgoing president, the secretary, C. W. Conway, the tournament chairman; and O. C. Elliott, chairman of the greens committee.

At a meeting of the Women's Association of the club, this organization was dissolved on the premise it is not needed now that there is a Women's Golf Association and a Duplicate Bridge Club within the Country Club organization.

Land for the club was donated by Mrs. C. O. (Mollie) Edwards of Fort Worth, and the fine golf course layout, already said to be one of the better nine-hole courses of West Texas, has been built on a "shoe-string," with members doing much of the work and many other citizens of the town who are not active club members donating to the cause.

Mrs. E. E. Callaway, accompanied by her nephew, Q. T. Brian, of Abilene, has been here this week looking after her farming interests.

Mrs. Loyd Nunley of Lakeview was a medical patient a few days during the past week at Tahoka Hospital.

New Manager Local Theatres

B. L. Haley has moved here from Lamesa to take over local management of the Wallace Theatre, succeeding Jack Waldrep, who was forced to retire by ill health. Mr. Haley took charge on Friday.

Haley has recently been manager of the Sky-View Drive-In at Lamesa, and before that he was with the Jefferson Amusement Co. at Beaumont for several years.

He is married and has a daughter. The Haley's originally are from Brady.

He said the Wallace Theatre will open Saturday of this week, catering to Mexican hands in the area. Some improvements will be made in the Rose, and he says some of the top first run pictures are being booked for early showing.

Miss Wilma Scott Gets Scholarship

Wilma Scott is one of 11 South Plains students to win a \$200 freshman scholarship at Texas Tech awarded by the Kuykendall Foundation of Lubbock.

The grants were awarded on a basis of scholarship, citizenship and character, according to James G. Allen, dean of student life, who announced the grants on behalf of the Tech committee on scholarships and awards.

The daughter of Mr. and Mrs. W. P. Scott, Wilma is a 1957 graduate of Tahoka High School where she was senior class secretary, Library Club vice-president, National Honor Society chapter secretary, Miss T.H.S., the winner of the Babe Ruth Award and a captain of the basketball team. She was also a member of the high school band and was a twirler for several years.

Soil District To Elect Supervisor

A supervisor for sub-district four of the Lynn County Soil Conservation District will be elected at a meeting of farmers next Tuesday night at 7:30 o'clock at Wells Gin.

Earl Blankenship, board chairman, will preside at the meeting, and the board of supervisors will also hold a meeting.

Ellis Barnes is the present supervisor of the sub-district. All farmers are invited. Refreshments will be served.

Carol Nelson, daughter of Mr. and Mrs. H. D. Nelson, is a medical patient this week in Tahoka Hospital, having entered Monday.

Mrs. L. H. Bain entered Tahoka Hospital Monday as a medical patient.

MEET THE TAHOKA BULLDOGS—

RICHARD BROOKS Halfback

Weight 148, Senior, one letter, son of Neely Brooks.

KARL PROHL Quarterback

Weight 152, Senior, two letters, son of Dr. Emil Prohl.

JAMES ADAMS Guard

Weight 162, Senior, one letter, son of J. D. Adams.

O'Donnell Eagles Take 19 to 0 Victory Over Bulldogs In Last Friday's Game

Tahoka Bulldogs took a "country licking" 19 to 0 from the O'Donnell Eagles in that city Friday night, the first loss the Bulldogs have suffered to the Eagles in seven years. All the Eagle scoring was in a wild third quarter.

GAME STATISTICS	
Tahoka	O'Donnell
6	First downs 11
72	Yds. rushing, net 196
2 for 20	Passes, com. 2 for 18
3	Incomplete 11
1	Had intercepted 1
9 for 38.6	Punts, avg. 5 for 36
4 for 50	Penalties 9 for 75
2 of 5	Fumbles lost 0 of 1

SO MANY AROUND THEY MUST BE BEST!

Butler grain bins

Thousands of farmers can't be wrong. They have bought Butler grain bins because they know that Butler quality gives top protection in grain storage.

Here are just some of the ways that bins are engineered by Butler, the nation's storage specialists, for greater economy, safety and convenience:

VAULT-TYPE DOOR seals out moisture, vermin.

DOUBLE-BOLTED SEAMS at vertical joints make seams tighter, add to bin strength.

LONGER BODY SHEETS reduce the number of seams, minimize chance for moisture to get in.

WEATHER-TIGHT CAULKING seals out moisture, is easy to apply.

EASY-ACCESS HANNOLE cover simplifies inspection.

COME IN AND LET'S TALK ABOUT YOUR GRAIN STORAGE PROBLEM

DALE THUREN FARM STORE

A stout Eagle defense, fumbles, lack of blocking, and other mistakes marred or nullified every attack the Bulldogs seemed to have started. And then, the Eagles gave the Bulldogs a demonstration of good blocking and tackling, which led them to 11 first downs to Tahoka's six.

Brightest spots in Tahoka's game were its pass defense, allowing the Eagles only two completions out of 14 passes; and the great punting average of End Jerry Brown, who kicked nine times for an average of 38.6 yards.

The first quarter was nip and tuck, with neither team able to gain consistently and each racking up one first down. Late in the quarter Jerry McKibben brought a Tahoka punt to the Tahoka 44, and early in the second Jerry Gass and McKibben moved the ball to the Tahoka 30, End Kenneth White made one, and three passes were incomplete to end the threat. Tahoka couldn't move, and O'Donnell was threatening again, moving from its 33 to the Tahoka 19, but two plays later Prohl intercepted an Eagle pass on the five.

It was here Tahoka got a drive started, with Tomlinson, Stice, Cloe, and Calloway moving to O'Donnell's 39. Tomlinson got away to the O'Donnell 28, but a penalty set the Bulldogs back to its own 47, and moved back to the O'Donnell 39 to lose the ball on downs.

In the hectic third quarter, Tahoka couldn't move. Brown punted from the 10 to the 40, where Halfback McKibben gathered the ball in and behind almost perfect blocking wove his way to the goal line. Quarterback Gerald Barton hit center for the extra point.

Stice brought the kickoff from the 15 to the 42, Cloe made 3, and then O'Donnell covered a Tahoka fumble on the Tahoka 44. A pass to Gass was good for 10, failed to gain on a running play, and then Barton went around right end, was almost tackled for a loss, was hemmed-in again on the east sideline, but cut to the left and somehow evaded Tahoka tacklers and crossed the goal-line on the finest run of the game. The extra point try failed.

Stice brought the kickoff from the 15 to the 34 but Tahoka drew a clipping penalty back to

"Can you imagine anybody crazy enough to get up this early in the morning to go fishing?"

Farwell Plays At New Home

The thin-ranked and injury-riddled New Home Leopards entertain Farwell tonight. Fans are urged to turn out and lend the boys encouragement, needed now as never before.

Last Friday night at Lazbuddie, the Leopards took a 52 to 6 licking with Roy Van Landingham, 190-pound fullback scoring five of his team's touchdowns.

New Home's score came in the third quarter when Joe Don Milliken intercepted a Lazbuddie pass and raced 80 yards for the touchdown.

Coach Hubert Williams, who started out with a small squad, first lost Wesley Dean, guard, who received a fractured foot, lost one boy through ineligibility, and has been barely able to field a full team.

Abernathy Noses Out "B" Team

Abernathy's "B" team scored a last minute touchdown last Thursday night to defeat the Tahoka "B" team 26 to 19.

With the game tied up 19 to 19 with one minute to go, the little Bulldogs threw a pass which was intercepted by Abernathy. The Antelopes scored on the play to win the game.

Tahoka's outstanding touchdown was scored by a 40 yard run to pay dirt by Benny Martin.

The first scheduled game of the season for the "B" team, more games have been set up for the year.

Have news? Phone The News.

the 19, a play on which Tomlinson of Tahoka and Gass of O'Donnell were injured.

Tahoka sputtered again on a fumble and an attempted pass after Stice had made 2, and Brown punted out to the 45, where McKibben again returned the ball but was stopped this time on the Tahoka 8. A pass was broken up, and then Barton went around right end again to score the final touchdown. Modisette failed to make the extra point.

Two plays later Tahoka lost the ball again by a fumble on the Tahoka 23, but this time Tahoka held the Eagles, moved out from the 7 to the 32, with the help of a 15-yard penalty on O'Donnell; and neither team could move the rest of the game. George Adams doing a creditable job at quarterback relieving Prohl.

Tahoka's better ground gainers were Cloe, who has 41 yards net, and Stice, who had 25 net.

For O'Donnell, Barton ran Tahoka ragged from scrimmage with a total net of 78 yards, while little Jerry McKibben had scored and set up one TD on punt returns.

FOOTBALL SCORES

O'Donnell 19, Tahoka 0.
Sundown 21, Abernathy 19.
Stamford 26, Slaton 0.
Denver City 25, Post 13.
Ralls 16, Floydada 6.
Spur 0, Anson 0.
Lockney 27, Crosbyton 0.
Frenship 14, Wilson 13.
Lazbuddie 52, New Home 6.

GAMES THIS FRIDAY
 Seagraves at Tahoka.
 O'Donnell at Post.
 Farwell at New Home.
 Wilson at Petersburg.
 Roscoe at Slaton.
 Ralls at Lockney.
 Abernathy at Dimmitt.
 Crosbyton at Spur.
 Paducah at Floydada.

Wilson Loses In Close Game

Wilson Mustangs lost a close 14 to 13 game at home last Friday night to the always tough Frenship Tigers.

This Friday, the Wilson boys journey to Petersburg to battle the Buffaloes, and hope to get back in the victory column.

Although there's no way of proving it, Wilson fans dispute O'Donnell's claim of having won the unofficial Lynn county championship by defeating Tahoka last Friday night.

In the Frenship game, Rick Stapleton's "educated toe" proved to be the difference as he kicked both extra points following the two touchdowns.

Stapleton scored the first TD in the first quarter from six yards out and then kicked the extra point. Kenneth Ethridge scored for Wilson in the second quarter, and Paul Henderson converted. Henderson scored on an 80-yard run through the line, but failed on the conversion attempt. Frenship came back in the fourth period to score on Leroy Richardson's two yard plunge, and Stapleton again converted.

Name Winners In Golf Event

Trophies were given both men and women winning first, second and third places in the nine-hole golf tournament with handicaps Sunday afternoon at T-Bar Country Club.

A total of 42 members entered the event.

Winning first in the men's division was J. T. Whorton; second, Eldon Carroll; and third, Ivan McWhirter. The two later winners and Ray Adams went into a play-off for second and third places.

First place winner of the ladies' division was Mrs. Clint Walker; second, Mrs. Eldon Carroll; and third, Mrs. Jack Smith, who won after a play-off with Mrs. Robert Harvick.

Mr. and Mrs. R. E. Burns of Shreveport, La. and Mrs. Joe Shepherd of Kerens, Texas are here visiting Mrs. D. B. English. The three ladies are sisters.

Odds & Ends

(By E. I. The Elder)

Well, folks, Mrs. Hill and I took a little trip on Tuesday of last week that furnished a lot of material for this Column, but I do not expect to use all of it by any means either this week or later. We attended a Baptist Association which met at Meadow on that day. Many of you, very many, are not Baptists and would not be particularly interested in a whole Column of Baptist data and doctrine. Still, some of us think that the Baptist are a great people in spite of their

many faults and short-comings. I used to attend their various denominational meetings often, but my situation has been such that I have attended very few within the past eight or ten years. This meeting at Meadow was a meeting of the Brownfield Baptist Association; the Fiftieth such annual meeting. That means that the first meeting was held in the year 1908. The First Baptist Church in Tahoka was five years old at that time, having been organized in 1903. Personally, I have had little occasion to visit Meadow, and I can not remember that I have been there at all during the past ten years until Tuesday of last week. The country has changed quite a bit in those ten years. Right now, evidences of prosperity and progress are to be seen everywhere. It is almost exactly 35 miles from Tahoka to Meadow, going via New Home and Lakeview, and if there is any one quarter of Lynn county that outshines every one of the other quarters, it is the northwest quarter. Possibly 75 of 80 percent of this quarter of the county is supplied with great quantities of underground water, and most of the farmers have irrigation wells. The present prospects are that this quarter of the county will produce an average of one and a half bales of cotton per acre this year. Of course a lot of things can happen to a cotton crop—worms, weevils, an early freeze, hailstorms, sand-storms, weather that messes up the cotton and drives all the wet-backs and other Mexicans back to the border—but the crop surely does look fine now.

Well, I started out to go to Meadow but it is beginning to look as if I might not make it this trip. There is that fine little town of New Home that looks as epic and span as a dark-eyed seniorita, a beautiful Methodist Church some six or seven miles further west, and a commodious and attractive Baptist Church at Lakeview, and a nice, modern home on nearly every farm. But we finally made it to Meadow, some 15 minutes late, but arrived in time to hear several of the most eloquent speakers of the whole Plains country and a few of the long-winded pure-dee ordinary type. It's these ordinary speakers that want to use most of the time and make your back ache even if the seats are good ones.

ner was there, and he is one of the most sensible and most entertaining speakers in all of District Nine, and we always enjoy hearing him, but for some reason he cut his remarks very short at that Association.

The most eloquent convincing speaker during the day was Dr. Hope Owen, president of Wayland College, Plainview. His subject was Christian Education, with the emphases on Wayland College, of course. He told quite a few things about people even in this South Plains country do not know. Wayland College was housed long in an administration building that had holes in the roof that a grizzly bear could climb through. That material defect has been corrected, we understand, and a number of other attractive buildings have been constructed on the campus. Dr. Marshall a few years ago succeeded in lifting Wayland up out of the "Slough of Despond" and placing her feet on higher ground educationally and socially, and now I feel that we can truthfully say that in many respects a greater than Dr. Marshall is here. I believe that Dr. Hope Owen is just the right man in the high place; for who knoweth but that he has come to Wayland College for just such a time as this?

I took no memorandum notes, but I think that Dr. Owens said that Wayland has more than 600 students to enroll during the passing of the ordinary year, and that a large percent of them are young preachers. I realize that he and his faculty are not undertaking to run a Seminary, of course, but it remains a fact that Wayland has turned out more preachers and better preachers to supply the needs of Plains churches than seminaries away down East can supply.

You good Methodist and Presbyterians and Lutherans and members of other Evangelical bodies will be excused from reading all this if you are not interested.

While Dr. Owen and his teaching staff at Wayland College are not undertaking to convert Wayland College into a Seminary, I hope that they will take the precaution to guard against turning out any Bible-burning preachers or laymen. I do not think that we have any out on these Plains. I am thankful that it was only a very small group of misinformed North Carolina pious back-woodsmen that were led to put the torch to a collection of the most accurately translated Bibles that have been available to Christian men and women for many decades. As for myself, I am glad to have on my book-shelves the King James version of the Bible, Goodspeed's translation, and the late Revised Version which the good men and women of the good old state of North Carolina burned at the stake, so to speak. I sometimes use all three versions in studying a Sunday School lesson, and I am thankful for them.

Not all the great preachers live in the cities. Possibly most of them do. But the young preacher who preached the Annual Sermon at that Association is the pastor of the Lakeview Church, out near the northwest corner of Lynn county. His name is Don Murray. I do not know where he was born and reared nor where he was educated, nor where he came from to Lynn county, nor how long he has been pastor at Lakeview, but he is a real orator and a youthful-looking chap. I was surprised and delighted with his performance in the Meadow pulpit last week. Perhaps he needs a little experience and just a bit more poise, but I am persuaded that some day he is going to be a great preacher filling some great pulpit.

Several other Tahoka people were on the program that day, but I do not have the time nor the

space to mention them. Only a few of the old-timers were there. Dr. Durham's father and mother, who had just come in from Shreveport, Louisiana, were there as visitors. A grand old couple.

Rev. and Mrs. George A. Dale of Lubbock were there. His career here and at Lubbock is well known. But recently he was sent to Casper, Wyoming, to serve a few months as a supply pastor there, but all these young and new preachers that run the Association here now, knew little or nothing about Brother Dale, and they did not give him any opportunity to make even a brief report of his Wyoming experience. But I must close here without even mentioning some Lynn county people who had minor parts on the Meadow program, except to observe that our associate pastor and choir director at the Baptist Church here, "Spec" Brian did conduct the afternoon song service and did it in fine fashion. Rev. Ray Cunningham, pastor of the Sweet Street Church and Rev. Bill Burton of O'Donnell had prominent places on the program. And here I close.

Sgt. William H. Bailey arrived home Thursday of last week after spending three years with the Air Force in Fort Bragg, North Carolina. He received his discharge there after making 44 parachute jumps at the base. The son of Mr. and Mrs. J. C. Bailey, Sr., he left Tuesday for Aiken, where he will work for several months.

Some 400 to 500 fairs, exhibitions and festivals are held annually in Texas.

CLASSING OFFICE OPENS
Roy W. Gilreath, who has been classing cotton for the U. S. Department of Agriculture since 1949, will be in charge of the Lamesa cotton classing office when it opens Sept. 30.

This was announced today by John L. McCollum, manager, southwest cotton division, Agricultural Marketing Service.

Mr. Gilreath, a Texas A. & M. graduate, comes to Lamesa from Lubbock where he has been assistant chief of the cotton classing office for two years prior to going to Lubbock.

"Lamesa cotton classing office ranks second to none in facilities and equipment," Mr. McCollum declared. He praised all local groups—farmers, ginners, bankers, county commissioners and other business firms—who raised more than \$40,000 to establish this ideal classing set up.

The new cotton classing office will serve farmers in Andrews, Borden and Dawson Counties and the south half of Lynn County.

In previous years, farmers in this area have been sending their cotton to the Lubbock AMS cotton classing office.

**COAST-TO-COAST
ECONOMY RUN PROVES IT—
CHEVY COSTS
LESS TO DRIVE!**

Test run from Los Angeles to New York by the three leading low-priced cars showed Chevrolet costs less to operate, with up to 17% greater fuel economy!

When fuel and operating costs for cars are officially checked from Los Angeles to New York, that's an economy comparison! And what happened?

In certified NATA* findings, Chevy delivered up to 17% greater fuel economy, and lower total cost for the trip—proof that Chevrolet costs least to operate of the three leading low-priced cars that were tested! But that's not surprising. You expect Chevrolet engines to wring extra miles out of a gallon of gas—just as you expect finer craftsmanship in the way a Chevy is built. Better see your Chevrolet dealer soon!

way! But what a contrast, when we saw them returning! But all have agreed it was enjoyable, but home was a very welcome place to come to.

The Wilson School Band placed in the parade which formally opened the Fair Monday morning. Mr. and Mrs. Don Jones of Sayre, Oklahoma and Mr. and Mrs. Lytle Jones of Amarillo were guests in the home of Mr. and Mrs. H. J. Campbell Sr., Sunday.

Mrs. E. J. Brandt returned home to Littlefield Sunday after spending the week with her daughter, Mrs. Hubert Teinert, Mr. Teinert and baby.

Mr. H. J. Campbell Jr. and Mr. Norris Raymond of Abernathy spent last week down on the Pecos River trying their luck at luring the fishes.

Mr. and Mrs. Roger Blakney spent last week visiting Mrs. Blakney's parents, Mr. and Mrs. L. R. McCormick in Ruidoso, N. M. They returned Monday.

Mr. and Mrs. Curley Slone visited Mr. Slone's sister and father, Mr. and Mrs. C. W. McCoy and Mr. J. R. Slone of Pampa over the week end.

Mr. and Mrs. Lloyd Slone visited Mr. and Mrs. Roy Mathis and Mr. and Mrs. Woody Carpenter of Cooper and Lubbock, Sunday. Guests in the home of Mr. and Mrs. S. H. Gryder Sunday were their son and family, Mr. and Mrs. Billy Gryder of Seminole, Mr. and Mrs. W. I. Lemon of Tahoka, and Mr. and Mrs. E. R. Petty and Mr. and Mrs. Carl Gryder.

Mr. and Mrs. Earnest Allison of Corpus Christi are visiting their daughter and family, Mr. and Mrs. H. F. Scott and Mark this week. Mr. and Mrs. Bill McLaughlin spent the week end in Pecos visiting their daughter, Mrs. Bobby Martindale, Mr. Martindale and children. They returned Monday.

Mrs. Loraine Freeman, Mrs. Cahoma Draper, and Mrs. Oma Thompson of Lubbock visited in the home of Mrs. Freeman's parents, Mr. and Mrs. John Heck, Sunday.

Mr. and Mrs. S. H. Gryder visited their children, Mr. and Mrs. Orval Gryder and Harry, and Mr. and Mrs. Charles Robins and Nolan and Wayne in Lubbock, Saturday. Mrs. Elsie Shambeck and Mrs. Pauline Dettisloe, of Lubbock visited Grandmother Lichey and Walter Sunday afternoon.

Miss Mary Lou Lichey enrolled in Hardin Simmons University last week. Her name was over looked when the other college students were named last week.

The Wilson Mustangs were defeated by Frenship by only one point. The game was a hair raiser all the way through. The guests were made to feel that they had

not spent their money in vain. A good spirit was held all through the game, and a spirit of sportsmanship was felt all evening. Both teams played a very good game, it was in the closing moments that the winning team hit pay dirt with a touchdown and the extra point, leaving the Mustangs trailing with a 14-13 defeat.

The Mustangs will meet the Petersburg team come Friday night at Petersburg. This is a much coveted game because the coach at Petersburg, Coach Ralph Hunnington, was coach of the Mustangs for several years. The hopes and feelings for this game are running high. Wilson defeated Petersburg last year when the game was played here.

The Baptist W. M. U. met Tuesday morning for the installation of officers and chairmen. The installation was under the direction of the pastor, Rev. H. F. Scott. It was a very impressive ceremony. Each woman was made to feel the importance of her place in the Kingdoms work and in the W. M. U. as it promotes Missions around the world. A large number attended. Refreshments were served after the services.

Mr. and Mrs. Pat Swann were hosts Sunday to their children, Mr. and Mrs. Garfield Swann and children of Plains, Mr. and Mrs. Jiggs Swann and family of Wilson, Mr. and Mrs. Bobby Swann and sons of Lubbock, Mr. and Mrs. Bill Swann and Billy Pat of Idalou and Mr. and Mrs. Jack Blevins of Wilson.

Mrs. Willa Wakeland returned Saturday of last week after spending the week with her mother, Mrs. Kirkpatrick of Hillsboro.

Mr. Rhudy Kahlich was taken to the hospital in Slaton Monday with the flu. He is reported improving.

Cotton Quiz

WHERE DID COTTON GAUZE GET ITS NAME?

THE FABRIC, USED PRIMARILY FOR SURGICAL DRESSINGS, WAS FIRST MADE IN GAZA IN THE MIDDLE EAST.

The main advantage of the root cutter blade besides killing brush is loosening soil so there is moisture penetration and young grass seedlings can become established.

On some areas of rangeland on the High Plains where there is a turf of desirable grasses it might not be best to use a root cutter, blade to kill brush as the turf will be damaged on such areas as is often found in draws. The turf may be killed by grubbing or pouring kerosene around the base.

Lois Smelser has cut her patch of Sorghum alnum with a row binder. This field was on dry land that received enough rain to make a good seed crop. Lois has drilled several acres of rye with some being the new tetraploid variety. Winter legumes are to be planted on grain sorghum land.

For wind erosion protection and better rainfall intake, leave crop residue on the soil surface. On Conservation Reserve acres of the Soil Bank, you will want to plant

Lynn County Soil Conservation District News

ROY L. WILLIAMS ELLIS BARNES
O. E. TERRY W. L. (Cap) ROWE
ELMER BLANKENSHIP

Soil Conservation Service technicians assigned to the Lynn District made a trip to Midland last week to observe brush control work being carried out on rangeland. The root cutter blade is being used with a seeding attachment on the caterpillar tractor. One acre was worked in June of 1956 and seeded to Blue Panic grass. Rains of this spring germinated the seed to a stand. This three hundred acres received nine inches of rain this year and has enough growth to mature seed. The area was fenced as protection until grass had time to become established and will have controlled grazing this fall.

Another small area observed on the tour was worked in May of this year with a small caterpillar machine. This area was only small, seeded to a mixture of grasses and has received ten inches of rain. Blue panic grass was dominant making considerable more growth than any of the other grasses, seeded in the mixture.

The sweet young thing said, "They laughed when I told them my husband didn't snore before we were married."

To those who are interested in grass seed production we urge you to watch the Melvin and Martin Wiensche and Weldon Bailey plantings of grass. They have side-oats gramma, Blackwell switch grass, sorghum alnum, blue panic and Indian grass for seed production.

Crop residue on the surface of the soil helps collect moisture in dew, frost and snow.

GAME BIRDS RAISED ELECTRICALLY IMPROVES NATURE'S METHOD

Quail raised electrically live better and longer under the guiding hand of Mr. and Mrs. E. A. Thomas of Grassland, Texas.

Whether for a succulent meal or the wary hunter prey, the Bobwhites produced at the Thomas farm get off to a flying start aided by two electric incubators and several dozen heat lamps.

The two incubators have a combined capacity of 4600 eggs. Accurate temperature and humidity control delivers an 87% hatch.

The chicks are de-beaked with an electric bill burner at one day old. Otherwise, says Mr. Thomas, "One of the little fellows will grab another by the toe and drag him across the pen like a bulldog."

Heat lamps mother the little birds for the first two weeks with less than a 1% death loss. Then they are moved into wire floored brooding cages, and heat lamps are used to ward off the night chill.

Their brood stock consists of 300 pair of Bobwhites plus 20 pair of Japanese or Coturnix quail. They are housed in long cages with partitions to isolate each pair. A line of electric lamps suspended above each cage are controlled by an electric timer to insure the birds a 14 hour working day.

The Thomas' market hatching eggs, day-old chicks or started birds and there is a demand for all they can produce.

A bird under a heat lamp has about an 80% better chance of growing to maturity than has his wild brother in the brush. These quail are just a little larger than a man's thumb.

Keith And Bartley Vows Are Read

Wedding vows were read Saturday evening at 7:00 p. m. in the home of Mr. and Mrs. Coy Fielder in Amarillo for Mrs. Hattie Bartley and Bert Keith, both of Tahoka. Mrs. Keith wore a blue and white suit complimented with white accessories. Her daughter, Mrs. Coy Fielder, was her matron of honor. Roy Keith served his father as best man. Both are long time Tahoka residents and following a wedding trip to Las Vegas, N. M. the couple will make their home in Tahoka.

Mrs. Sargent Is Reunion Hostess

For the first time in 17 years Mrs. Clyde Sargent, her two sisters and her brother were all together for a reunion in Mrs. Sargent's home here. Mrs. J. H. Cursey of Sanger, Calif., Mrs. L. D. Jones of Sayre, Okla., and M. Logan of Abilene were here over the week-end and Mrs. Cursey has remained to visit it here awhile. Other relatives here also were Mr. and Mrs. Lytle Jones of Amarillo, Mr. and Mrs. Royce Farr of Abilene and Mrs. Eddie (Sue) Meyer of Canyon.

Linda Bilberry Is Bride of H. L. Short

Double ring wedding vows were read Tuesday, Sept. 17, at 7:00 p. m. in the Post First Baptist Church when Miss Linda Lou Bilberry became the bride of Harry Lee Short. Parents of the couple are Mrs. Henry Bilberry of Post and Mr. and Mrs. C. E. Short of Grassland. Rev. Roy Shahan read the vows before an arrangement of white gladioli and mums, centered with a blue wedding bell. Mrs. Glenn Norman played the traditional wedding marches and accompanied Jimmy Short soloist, who sang "The Lord's Prayer" and "Because."

Given in marriage by her brother, Luther Bilberry, the bride wore an antique white sheath dress of street-length. The bodice, featuring a Sabrina neckline, was topped with an empire styled jacket. She wore a small feathered hat and carried a white Bible topped with a bouquet composed of a white orchid and stephanotis. Miss Joyce Bilberry, sister of the bride, was maid of honor and wore a dress of powder blue fashioned with a scooped neckline. Her accessories were white and her nosegay was white carnations. E. L. Short served his brother as best man. Ushers were John Paul Lawson and Percy Parsons.

A reception was held following the ceremony when the bride's table was laid with a damask cloth and her chosen colors of blue and white completed the decor. The houseparty was composed of Miss Marie Howard, Mrs. E. L. Short, sister-in-law of the bridegroom, Mrs. Luther Bilberry, sister-in-law of the bride, Mrs. C. K. Pierce and Miss Charlene Baker. For a wedding trip to Colorado, the bride chose a black wool flannel suit with black and white accessories. She wore a white orchid. Upon their return, the couple will make their home near Tahoka where the bridegroom is engaged in farming.

Start Six Weeks Series of Bridge

The Mitchell movement was used in duplicate bridge at T-Bar Country Club Tuesday night when master points were awarded the winners. North and South, first place winners were Mrs. Bill Anthony and Calvert Curry of Lubbock; second place, Mrs. Meldon Leslie and Mrs. A. N. Norman, Jr.; and third, Mrs. Winston Wharton and Mrs. Jess Gurley. East and West first place winners were Sonny Roberts and Frank Hill; second place, Mrs. Lee Roy Knight and Mrs. Larry Hagood; and third, Mrs. Harley Henderson and Mrs. Frank Hill. Next weeks play starts a new six-weeks series of duplicate.

Appliance Men Guests At Dinner

The Southwestern Public Service Company was host to local appliance dealers at a dinner held in the Club Cafe Wednesday night. Purpose of the dinner was to inform the dealer of the sales promotion of electric ranges. A Lubbock home advisor, who attended offered her services to help the area women learn to use the electrical appliances. This was the last such dinner to be held here during 1957, according to Johnny Reasonover, manager of the local office.

Federated Clubs Head Is Visitor

The Phebe K. Warner Study Club will honor the president of the Texas Federated Women's Clubs, Mrs. A. G. House, Friday morning as she makes her annual visit to the local organization. A coffee will be held in her honor in the home of Mrs. Skiles Thomas at 10:30 a. m. The group held its regular meeting Tuesday afternoon in the home of Mrs. Harold Green when the program on "Hinduism" was presented by Mrs. Truett Smith.

MRS. RICHARDSON IS HOSTESS TO AUXILIARY

The VFW Auxiliary met Monday night in the home of Mrs. R. L. Richardson with the president in the chair. Honor roll for September was completed. Mrs. Taylor and Mrs. Avis Buchanan were appointed to assist with community projects. September business was dispensed with and plans for October were discussed. The meeting was adjourned and refreshments of cake and coffee were served.

Letters From News Readers—

(The News welcomes letters from its readers on any current subject, not libelous, of course. All communications must be of reasonable length and must be signed. On request, the signature will not be printed. The Editor.)

The News:
Do you just print news about some or do you print the news as it happens? Last week one of our laundries burned and the owner of the laundry happens to be one of our local girls but I did not see anything last week or this week in your paper. Now why?

I understand that this fire hit her pretty hard, as she had let so many of our citizens have credit that she has not collected. Fact is, she has helped in sick laundries at no charge. I wonder if it hurts her to know that her fire, which wiped out her living, was of not enough notice to be printed in your little paper. Think it over. I, myself, felt ashamed for you for showing such inconsideration. I know it makes her feel like this is her home town she is living in and trying to make a living in.

Editor's Note:
We don't usually print unsigned letters unless the writer at least reveals his or her identity to the editor, but we have made an exception of this one. We are terribly sorry for having overlooked this story. We are only human, and make errors and omissions. We try to report the news, but we do not have eyes and ears for all things. There are some things a newspaper never knows—sometimes important happenings—unless someone reports such. There's nothing so dead as old news, but the bare facts are: The Davis Laundry, located in south Tahoka, burned during the night of Thursday, Sept. 12. The business was operated by Mrs. S. A. Tilley, the equipment was owned by Clara Gene Porter, and M. M. Davis owned the building. Building, equipment, and some clothes were a total loss. It may seem incredible that such a news item was missed entirely, but it does happen. Any newspaper appreciates tips on happenings of interest. Call 35 when you know of news.

CARD OF THANKS

We want to take this means to express our gratitude for all the beautiful flowers and many acts of kindness at the time of our sorrow. Your friendship and love comforts our hearts more than words can tell. God bless you all. The family of W. B. Fjfts and C. E. Anderson.

Fireman Apprentice Glen Anderson, son of Mr. and Mrs. C. E. Anderson, is home on leave from San Diego, Calif., where he has just completed Engineman Class A school. He will report to Charleston, S. C. after Oct. 10 where he will go aboard ship.

E. H. West, commissioner from Precinct 4, who was injured in a car accident last week, is reported to be improving. He received a fractured kneecap and chest injuries. The chest injury has prevented him from getting up on crutches.

Mr. and Mrs. Earl Hutcherson and baby of Pasadena, near Houston, will arrive Saturday for a week's visit here with Mrs. Hutcherson's parents, Mr. and Mrs. Roy Edwards.

A. C. Weaver is still a patient in Tahoka Hospital following an automobile accident last week. He is reported to be showing improvement.

Carl Jones, E. L. and Harry Lee Short have opened an Amlico service station at Grassland.

Laws setting up Texas' public school system were signed Jan. 31, 1854.

Congratulations:

Mr. and Mrs. Jimmy Bragg on the birth of a son in Tahoka Hospital Tuesday at 11:40 a. m. He has been named Jimmy Revill, Jr. and weighed six pounds, 14 ounces. Mr. and Mrs. Grover Tomlinson and Mr. and Mrs. Cody Bragg are the grandparents. Mr. and Mrs. Domingo Cantu on the birth of a daughter in Tahoka Hospital Sunday at 9:15 a. m. Weighing six pounds, two ounces, she has been named Della.

Mr. and Mrs. Wendell Phillips, 1219 East Adams, Harlingen, on the birth of a daughter, named Lisa Marlene, at 7:30 a. m. on last Friday. Mrs. Phillips is the daughter of Mr. and Mrs. Terry Thompson of Lubbock, formerly of Tahoka. Seaman and Mrs. Charles Brown on the birth of a daughter, Cynthia Dianne, at Lamesa General Hospital on Sept. 17 at 1:20 p. m. She weighed six pounds, nine ounces. Her father is now in Japan serving in the Navy and the mother is at home with the maternal grandparents on route 5, Tahoka. Grandparents are Mr. and Mrs. Lloyd Brown of New Home and Mr. and Mrs. Clyde Rtnfro of route 5.

'Ham' Radio Operators Talk To 'Whole World'

The practice of operating a ham radio set is becoming more and more a popular thing in the U. S., but Tahoka has a family who operates an amateur radio station, and three members are conditional class licensed operators.

Mr. and Mrs. F. E. Redwine and their oldest son, John Ed, nowadays spend most of their leisure time at their set, which they say is an average one consisting of two transmitters, two receivers and two VFO's (frequency regulators).

John Ed was the first to become interested in the shortwave radio hobby about two years ago. He acquired his novice code license in April of 1956 and received his license to talk on his set in August of the same year. One of the transmitters was built by John Ed from a kit. All in all, the Redwine's equipment is now worth about \$700, and has been accumulated in the past two years.

A senior football player and student in Tahoka High School, John Ed soon got his mother, Donnie, interested, as well as his father. They received their license to talk on the radio in April, Vernon Jack, the younger Redwine boy, has not yet become interested,

but the family hasn't given up on him yet.

Possibly the most interesting and heart warming experience the family has had occurred about a month ago when a plane crash was reported in Hawaii. One afternoon Donnie received a call from the islands from a member of the crew of the crashed plane, who asked her to relay a message to his wife in New Rochelle, N. Y. After a tussle with busy lines, etc. the message got through, which stated, "Not injured in plane crash. Details on way." The wife had been notified by the Red Cross about the accident, but did not know whether her husband were dead, or injured, or not.

In all, the wife received the message only 35 minutes from the time it left Hawaii.

The amateur radio family feel that if nothing more, all of their study, examinations, stress and strain was worth while because they were able to perform such a service.

All three are working for a W. A. S. certificate (Working All States) and John Ed lacks only Vermont, while Donnie lacks Arkansas. F. E., while slightly lagging behind, is also working towards

CLAUDE G. ADAMS

General Telephone Makes Changes

Two major personnel changes have been announced by J. L. (Dusty) Kemper, division manager for General Telephone Company of the Southwest.

R. E. Saunders, district manager at Lamesa for the last four years has moved to Littlefield. Claude G. Adams has become district manager at Lamesa replacing Saunders. Fred Mathis who was district manager at Littlefield has resigned.

Saunders will have the following exchanges in his new district besides Littlefield: Amherst, Anton, Bovina, Earth, Friona, Hurlwood, Muleshoe, Olton, Shallowater, Sudan, and Whitharral. Saunders started as a fieldman with General in 1948 and has held the positions of commercial representative, and commercial manager before becoming district manager in 1953. Saunders is married and has two children, both of them boys.

Adams in taking over the Lamesa district will have besides Lamesa General's exchanges in Post, Tahoka, and Wilson. Adams, a native of San Antonio, began his telephone career with General last year as a commercial surveyor in San Angelo. In August of last year he moved to Texarkana as division sales engineer and in July of this year was made commercial representative at Guyton, Okla.

Adams graduated from Brownwood High School and holds a BS degree from Howard Payne University.

Have news? Phone 35.

his. Another certificate they are working towards is the Maritime Mobile award given for having talked to 30 ships at sea.

The only woman ham operator in Tahoka, Donnie has been talking each day to a ship traveling from San Francisco to Hawaii. The captain is the operator at the other end of the frequency, and Donnie says that she will again pick the ship up on its return to the States.

The group has talked to Alaska, Hawaii, Puerto Rico, and the Canal Zone, as well as over the U. S. several times, but the most difficult stations to contact that they have reached are England, Bermuda, Brazil, Venezuela, Peru, Ecuador, and Columbia. F. E. recently talked to New Zealand, the station the furthest distance away they have been able to reach.

It is difficult to get Europe, they say, because of the number of ham operators in the Eastern U. S. and the interference they cause.

Operating on six frequencies at 120 watts, the Redwines have made many friends over the country, and have already had three such friends visit them, one from San Francisco, one from Phoenix, Ariz., and one from Oklahoma.

All in all, the Redwines are very enthusiastic about their hobby and apparently like nothing better than to show their set to friends who are interested.

While the News reporter was conducting an interview, John Ed talked to North Carolina, where a group of Marines are quite well acquainted with the Tahoka-ites, and to Albany, Ga.

Last summer John Ed attended a convention for amateur operators at the Gunter Hotel in San Antonio and the whole family plans to attend one in Oklahoma City next year.

John Ed says he owes his hobby to Ronald Roberts and Charles Whitfield, who helped him get started in the field, as well as to Bobby Fisher, formerly of Tahoka, who was also interested in the work. Both Roberts and Whitfield were "hams" here, but Roberts is now inactive and Whitfield has moved to Lubbock. Two other local inactive "hams" are Steve Riddle and Harold Hamilton.

Gordon News

MRS. EARL MORRIS Correspondent

Mr. and Mrs. Donald Sikes are announcing the arrival of their first baby. A daughter, Don Eva, made her arrival at Slaton Hospital Sunday, September 22, 7:30 a. m. weighing eight pounds one ounce. Mr. and Mrs. Bill Sikes of Slaton, and Mr. and Mrs. Roy Williams, are the grandparents.

Mrs. S. M. Bean underwent a minor operation in Slaton hospital Friday and was able to return home Monday. Mrs. W. R. Thompson of Grassland visited Rev. and Mrs. Bean Monday afternoon.

After church Sunday night, the Rev. Kirk and his congregation went to Slaton and two young ladies, Misses Marka Spurlock and Connie Wortes were baptized in the First Baptist Church's baptistry.

J. O. Reed, Jr. got the first bale of cotton in this community. He ginned it at Slaton Tuesday of last week. Sale of the bale, cotton seed, and premium monies brought Reed nearly \$600.00. The cotton was ginned at Slaton Co-op gin.

Southland's football team played Davidson home were Mr. and Mrs. Wellman there last Friday evening. The score was 73 to 0 in favor of Southland.

Students who have returned to Tech this season are Rev. Kirk, Gerald Dabbs, E. L. Dunn, Joe Hargrave, Jerry Pennell and Harold Donnahue, who is a freshman.

Mr. and Mrs. Ed Denton returned home last week after a visit with a daughter and son-in-law, Mr. and Mrs. Amil Lichey near Heywood, Okla. Mrs. Denton says Amil caught several nice fish but all Ed caught were two snakes.

Pvt. Dale Edmunds is spending a 10 day furlough with his parents, Mr. and Mrs. Martin Edmunds. Dale is being moved from Fort Carson, Colo., to Fort Benning, Georgia.

Shirley Donnahue of New Deal visited her grandparents, the Wes Donnahues Sunday afternoon.

Sunday guests in the Wm. Lester home were two children and families, Mr. and Mrs. I. J. Duff and children of Levelland, Mr. and Mrs. Joe Lester and children of Slaton.

Mr. and Mrs. Max Morris of Lubbock visited his brother and wife, the Earl Morrises Wednesday.

The home of Mrs. Jack Hargrove was the scene of a layette shower

Monday afternoon honoring Mrs. Valtan Wheeler. The serving table was laid with pink and white, the decorations were fall flowers. Mrs. Jay Oats and Mrs. Hub Haire served refreshments of cake and coffee to the guests. Co-hostesses for the event were Meses. F. W. Calloway, Dan Siewert, Herbert Dunn, Alec Dunn, Sam Ellis, Dillard Dunn, Kenneth Davies, P. E. Winterwood, Hargrove and Miss Louise Davidson.

Mr. and Mrs. J. O. Reed Sr., Mr. and Mrs. J. O. Reed Jr., and children spent the week end in Albuquerque, N. M. visiting a son and brother, Arlie D. Reed and family. Mrs. Reed says the weather was real cold up there Saturday morning.

Mrs. Noble Wynn spent the week end with their son-in-law and daughter, Steve and Tommy Dearth in Amarillo.

Mr. and Mrs. Jack Lancaster and son of Post were Sunday guests of his parents, the Earl Lancasters.

Mrs. W. T. Shepherd is visiting her nephew, the Buford Powers family before returning to Houston.

Week-end guests in the Fred Davidson home were Mr. and Mrs. John Odle and Miss Mildred Burke of McKinney. Mr. and Mrs. Max Gotcher and their son, Maxine, of Fort Worth; J. O. Olde and Julia Albuquerque. N. M.

Mr. and Mrs. Clay Johnston spent Sunday with his mother in Lubbock.

J. I. Bartlett was brought home from Slaton hospital last Tuesday and returned again Sunday afternoon suffering with flu.

Mr. and Mrs. Don Milliken of Wolforth visited his parents, the Ed Millikens Sunday.

Arthur McCall of Big Spring and his cousins, Miss Dolly Shelton and Mrs. Ed Mock visited another of cousins, Mrs. Ella Cox in Haskell last week.

The Clyde Shaws are in Friona this week keeping grandchildren while their parents, Mr. and Mrs. M. J. Stacy are visiting her father, who is ill.

Sunday guests of Monroe and Miss Dolly Shelton were, a nephew, Clinton Bullard and family of Amarillo, a sister, Mrs. Myrtle De ment and her daughters, Mrs. Bobby Moore of Slaton.

Charlene Riddle, Tahoka High School graduate, is now a student in Hardin Simmons University in Abilene.

Mrs. B. L. Olson of Boswell, Okla. is here visiting her sister, Mrs. A. N. Yandell. Also visiting Mrs. Yandell over the week end were Mr. and Mrs. D. F. Yandell, Mr. and Mrs. Johnny Robertson, and Walker Parris, all of Hereford, and Mrs.

Dan Yandell and girls, Jo Ann and Dana Sue, of Sweetwater.

Mrs. Harvey Pyburn was released from Tahoka Hospital Monday after being a patient there for several days.

Savings Bonds Sales Are Good

\$3,713.00 Series E and H United States Savings Bonds were purchased by the residents of this county during August. These figures were released recently by Truett Smith, Chairman of the Lynn County Savings Bonds Committee. Sales in this county during the first eight months of this year totaled \$190,944.00 which is 80.3 percent of the yearly goal of \$237,858.

Sales in Texas during the first eight months of 1957 totaled \$112,863,400, or 58.4 percent of the 1957 goal of \$193,100,000. August sales in Texas were \$13,118,000.

"During the months of September and October, many schools throughout Texas are again installing the Savings Stamp program for their students. The School Stamp Program affords our young citizens an opportunity to learn the habit of thrift. In addition, they will develop a better understanding of our government and

will learn to realize their responsibilities as citizens of this great land," Chairman Smith said.

The Lynn County Savings Bonds Committee is hoping that many of the schools in this county will continue conducting their weekly "Stamp Days" or, in those schools that do not have the program, the Savings Stamp program will be installed, Chairman Smith concluded.

CARD OF THANKS

We wish to express our deepest appreciation for all of our friends' many acts of kindness during our recent sorrow. May God's richest blessings be yours. The family of Mrs. W. Brown Bishop.

Mr. and Mrs. J. O. King of Wilson visited last week with their sons, J. L. King and family of Panhandle and Lonnie King and family in Plainview.

Teachers Are Rotary Guests

Teachers and Rotary Annals were the honored guests at the annual Luncheon given by the Tahoka Rotary Club Thursday night of last week in the school cafeteria, when Hans Irniger, Rotary guest from Switzerland, was the principal speaker.

Hans spoke to the group on the educational system of his home country, and on his impressions of the U. S. and particularly Tahoka. There are usually from three to five elementary schools in five square miles in Switzerland and children walk or ride bicycles in the warm months and either use skis or sleds for transportation in the winter. Switzerland has 25 high schools; one "in each of its 25 states, and employs selective education, in which only the better students are chosen to attend. These have the intention of going on to attend one of seven universities in the country.

The educational systems of Switzerland and the U. S. are very similar, although Hans believes that our system is better.

Some of his lasting impressions of this part of the country are the horned toads, porcupine eggs, blue jeans, and the citizen's generosity. He likes our customs, particularly some of our slang—you all, and the habit of saying I guess instead of I think—as well as the teen-age gatherings at the Dixie Dog "station" where he says he heard most edifying discussions. After inviting all to visit his home in Urnasch, NE, Switzerland, for where he was to leave last Friday, Hans ended his talk by playing a piano solo, "Rhapsody" by Brahms, which proved him to be a very talented pianist.

Wynne Collier was master of ceremonies and Clint Walker introduced Otis Spears, who in turn introduced the school board and principals, John Shepherd, Jake Jacobs, and J. B. Howell. The principals introduced the teachers in their various buildings.

Entertainment was furnished by Bobbie Bingham and Patsy Stanley who sang two duets accompanied by Barbara Thomas. Miss Thomas and the Rotary sweetheart, Carol Smith, played selections during the early portion of the banquet.

Rev. J. B. Thompson gave the invocation and Dr. K. R. Durham said the benediction.

Junior Rotarians for the month who attended the banquet were Erwin Young and Ronnie Dulin.

Cafeteria Menus For Next Week

Monday: Barbecued pork on bun, lima beans, tossed vegetable salad, baked potatoes, white cake, with chocolate filling, bread, milk.

Tuesday: Fish sticks, tartar sauce, sliced tomato, buttered spinach, blackeyed peas, whole wheat bread, milk.

Wednesday: Chili beans, buttered cabbage, pickled beets, cantaloupe, corn bread, butter, milk.

Thursday: Weiners and kraut, buttered broccoli, whole kernal corn, cabbage, hot rolls, butter, apple butter, milk.

Friday: Hamburgers, lettuce, onions, tomatoes, English peas, cherry cobbler, milk.

Volleyball At Nazarene Church

The Nazarene pastor, Rev. David A. Hess, announces that volley ball games are to be changed from Friday night to Saturday night.

Because of the Friday night football games, this change will best serve the interest of youth, Hess said.

The volley ball games will start promptly at 7:30 p. m. every week on Saturday evening. Light refreshments will be served and all teenagers are invited to participate.

Mrs. Katie Fitts Dies At Lamesa

Funeral services for Mrs. Katy Lee Fitts, 69, were held at the Peacock Baptist Church Tuesday at 2:00 p. m. with Rev. Harold Watson, pastor, and Rev. Ernest Lee of Spur officiating. Burial was in Double Mountain Cemetery in Peacock.

Mrs. Fitts died suddenly at her home in Lamesa at 8:45 a. m. Sunday. The former Tahoka resident had been ill for several years but her death was unexpected.

Born Oct. 23, 1887 in Lewisville, Texas she was married to William B. Fitts in Gainesville in 1901. The couple lived at Peacock before moving to Lubbock, where they lived about three years. They came to Tahoka from Lubbock in 1952 and moved to Lamesa about two years ago.

Mrs. Fitts was a member of the Baptist Church.

Survivors include her husband of Lamesa; five daughters, Mrs. Annie Pearl O'Brian of Stanton, Mrs. Vera King and Mrs. Willie Dee King of Peacock, Mrs. Valtie Jeffcoat of Lubbock, and Mrs. Geneva Anderson of Tahoka; four sons, Aubry of Imperial, Calif., Tom of Canyon, Mirl of Fort Worth, and Rayburn of Peacock; two sisters, Mrs. Inez Cummings of Fort Worth, and Mrs. Florence Webster of Sherman; one half sister, Mrs. Geneva Waggoner of Spain; two brothers, M. M. Lauderdale of Fort Worth and Amos Lauderdale of Muskogee, Okla.; 33 grandchildren and several great grandchildren.

Today's MEDITATION from The World's Most Widely Used Devotional Guide

The Upper Room - THE UPPER ROOM, NASHVILLE, TENNESSEE

I thank God whom I serve with a clear conscience, as did my fathers. (11 Timothy 1:3. RSV.)

One's conscience needs to be educated and kept sensitive. The best way to do these things is to read the Bible. Then the conscience will be filled with the workings of God as revealed in the prophets, psalmists, apostles, and above all, in Christ. Martin Luther had so familiarized himself with the Bible that he could say, "My conscience is captive to the Word of God." A good man is he whose conscience is so firmly rooted in God that when he is doing what he pleases to do he is a true servant of God.

Prayer should follow our Bible reading. As we wake up in the morning, we can offer to God a prayer of thanksgiving and devotion. The time before we go to bed at night can be spent in Bible study and prayer so that we may make the conscience more sensitive to the divine love and will of God.

PRAYER
O God, Thou speakest to our minds and hearts through the pages of the Bible. We thank Thee for thus guiding us. Help us to serve Thee this day with a clear conscience. In the Savior's name we pray. Amen.

THOUGHT FOR THE DAY
The Word of God is enshrined in the conscience of the Christian.
—Norimoto Lino (Japan)

Lions . . .

(Cont'd. From Front Page)
President Bill Griffin, Secretary A. R. Milliken and the officers, directors and members of the club on matters pertaining to Lions administration and the Lions' great program of humanitarian service.

Lion Smith is one of the 306 District Governors who supervise the activities of the 13,220 Lions Clubs. Lions International was formally founded in 1917 in Dallas, Texas, and during the past 40 years has become the largest, most active and fastest growing service club organization in the world. There were on June 30, 1957 Lions Clubs in 82 countries or geographical locations of the world with a membership of over 556,115. During the fiscal year of 1956-57 new Lions Clubs were organized.

The Lions Clubs' special mission is the promotion of good government and good citizenship, the development of civic, educational, social and moral welfare of the spirit of generous consideration among the peoples of the world. The slogan of The International Association of Lions Clubs is "Liberty, Intelligence, our Nation's Safety." Its motto is "We Serve."

Tahoka is an active unit of The International Association of Lions Clubs, which is dedicated to community betterment in all its aspects: to national and economic, social and cultural progress; and to the promotion of international understanding and amity. In all these fields, Lions International has won strong influence and prestige, because of its countless constructive services.

Brewster County is Texas' largest with 6,208 square miles. Smallest is Rockwall, 147 square miles.

Between 1947 and 1953 chemicals passed up oil as Texas' leading industry.

Mrs. Charlie Isham, a patient in at a local laundry last week when Tahoka Hospital, is showing improvement following an accident | she received a broken and lacerated left arm.
