165,034 Bales Was Lynn 1958 Ginnings

Lynn county was sixth in Texas and twelfth in the nation in 1958 cotton production, according to the March 20 report just released by the Bureau of Census, U. S. Department of Commerce.

Lynn county ginnings were 165,034 bales, the report shows. Lubbock county led the state and was sixth in the nation with 245,895 bales. Only county off the Plains in Texas to exceed Lynn county's ginnings was Hidalgo county, which ginned 178,796 bales.

Top cotton producing county in the nation was Kern county, Calif., with 438,703 bales; next was Fresno with 419,216. Then Maricopa, Arizona, with 304,201; Tulare, Calif., with 263,522; Pinal, Ariz., with 259,630; then Lubbock and Hale and Kings, Calif., with 197,422.

Hale county ginned 200,581, Hockley 188,142, Lamb 178,358, and then Lynn.

Following were the ginnings of South Plains counties for 1958, as compared with 1957 ginnings:

New Home Junior Class Play Today

New Home Junior Class will present its play, a three-act comedy entitled "Money for Mama," this Friday night, April 3, at 8:00 o'clock in the school gymnasium.

Characters in the play are: Mama, played by Judy Milliken; Father, Gaylord Armontrout; Ann, Kay Smith; Oliver, R. L. Harston; Benny Gayland James; Richard, Freddie Keith; and Cookie, Becky Gregg, who is a sophomore. Gene Bob Wilson is prop man.

The play is being directed by Coach Hubert Williams, who is class sponsor.

Admission prices are \$1.00 for adults and 50 cents for students. All people of the area are invited to come out for an evening's fun.

Membership Drive At Wilson S. School

(By Mrs. Frank Smith) The Sunday School of the Wilson Baptist Church has an enlargement campaign with a goal of 222 in Sunday School for thirteen consecutive Sundays.

Every person who is in Sunday School twelve out of the thirteen Sundays will receive an 8x10 picture of the church.

A kick-off banquet for officers and teachers was held at the educational building on Wednesday night. Stickers advertising the campaign were placed on each car at the church Sunday.

Most Farmers Favor "A" Plan

Only 175 cotton producers out of the approximately 1515 total elected to take the "B" plan in Lynn County, announces Dee Green of the local ASC office.

This will mean that in 1959 there will be an acreage increase of 9,135 acres in cotton for a total acreage of 184,806.

This indicates that most farmers had rather take the nine percent acreage reduction and receive the higher support price offered by Plan "A". The acreage increase comes about by reason of the fact that the 175 farmers receiving the increase under plan "B" farm enough land to raise the over-all county acreage.

Plains Cotton Growers, Inc., announces 23 counties of the area will have an acreage increase of 130,293 for a total of 2,265,044, with 15.2 percent participation in Plan "B" as compared to a nation average of 15.7.

Statewide, "B" choice farmers will receive an additional 428,121 acres to push the total acreage from 6,846,757, to 274,878 acres.

Progress Reported On Highway Job

Texas Highway Department expects to be ready to start work on the new farm-to-market road from Newmoore north to West Point this summer, A. W. Partain, area engineer, told The News Wednesday.

He said work is progressing very satisfactorily on the new four lane divided highway along US 87 from Tahoka to O'Donnell. Before completion of the building of the two new lanes, he said the existing two lanes will be completely re-worked. In fact, about half of it will be rebuilt, or already is being rebuilt. The remainder will have new caliche shoulders laid, and this and the old pavement will be covered with new coating of asphalt to make it match up with the new.

Mr. Partain says contract has been let to Henry Stafford Construction Co. for a \$285,000 job of rebuilding the east lane, or the old pavement, in Dawson county from O'Donnell to Lamesa, or about 17 miles.

36th Division Is Seeking Addresses

The 36th Division Association is compiling a roster on the current address of all men who have ever served with the 36th Infantry Division in time of war and peace.

Douglas N. Boyd, Waco, Texas, President of the Association, estimates some 100,000 men have worn the world-famous T-Patch of the 36th Division.

He urges all T-Patchers in this area to send their name and mailing address to the 36th Division Association, Box 5068, West Austin Station, Austin 31, Texas.

W. A. BROOKS, R. W. NITCHER LEAD IN REVIVAL

Rev. W. A. Brooks, pastor of the First Baptist Church, will be directing a revival at the Hurlwood Baptist Church at the Reece Air Force Base beginning next week and continuing through April 19.

Rowland Nitcher will be conducting the music for a revival near Morton.

NEW STATION OPERATOR

H. P. Jones is now operating the Texaco Station on Main Street, formerly operated by Reid Parker. The new firm is operating as Jones Texaco Service.

MISS ROMA BREWER

Miss Roma Brewer Wayland Honoree

Plainview—Roma Brewer, daughter of Mr. and Mrs. C. A. Brewer, Rt. 4, Tahoka, has been chosen a Spinning Wheel at Wayland Baptist College, Plainview. Spinning Wheels are campus leaders who will be featured in the personality section of the yearbook, The Traveler.

Miss Brewer is secretary-treasurer of the Junior Class, pianist for Mission Band, and secretary of Baptist Student Union. She has also been a cheerleader for three years.

Bond Sales Are High In Lynn

"Savings Bonds sales in Lynn county totaled \$81,253.00 during February. Sales for the first two months of 1959 amounted to \$127,514.00 which was 49.2 percent of the county's 1959 goal of \$259,000.00," A. C. Verner, chairman of Lynn county's Savings Bonds Committee has announced. In fact, Armstrong county, with 59.8, was the only county among the 42-county Amarillo Area to exceed Lynn in sales so far this year. Armstrong was second in the state.

The total sales in Texas during January and February of this year were \$31,100,328 which represented 17 percent of the state's 1959 goal of \$182.5 million.

"Top business leaders from all over our nation gathered in Washington recently to hear the President, cabinet members and other governmental leaders discuss our nation's economy and defense position under present conditions. The importance of the Savings Bonds Program to our nation's economic and military well-being was emphasized over again by the speakers. I know that the citizens of this county will support our President and our country will surpass its 1959 Savings Bonds sales goal," Verner stated.

REV. P. B. THOMPSON

Methodist Revival New Home Starts

Rev. J. B. Thompson, pastor of the Tahoka First Methodist Church, will preach in a series of revival services in the New Home Methodist Church next week. Services will be conducted at 8:00 a. m. each week day morning and at 7:30 p. m.

Rev. Vernon O'Kelly, the pastor, announces that the public is invited to attend these services.

New Oil Discovery Increases Interest In Northeast Area

Northeastern Lynn county has a new oil well brought in last week two miles from any other production that is likely to cause much new prospecting in the area.

It is the W. B. Yarbrough, L. E. Windham and Ormand Bros. Drilling Co. of Midland N. 1-A-C. S. Davis wildcat, located two miles south of the Sunland San Andres-Glorieta field.

It is about two miles southwest of the Sunland field, seven miles east and a little south of Wilson, and about six miles northeast of New Lynn.

The wildcat flowed 80 barrels of oil in 10 hours and 30 minutes on the latest gauge from Glorieta zone formations, 4,503-4,505 feet.

Operators then reset the packer to test the upper perforation zone in the Glorieta.

The interval, 4,476-80 feet, was acidized with 250 gallons and then swabbed for three hours. Recovery was 16.7 barrels of oil with a trace of basic sediment and acid water. Swabbing continues at the project.

Previously operators acidized perforations from 4,503 to 4,507 feet with 250 gallons. The project kicked off and cleaned up and then flowed 23 barrels of oil in three hours through a choke of unreported size.

Site is 330 feet from south and 1,650 feet from east lines of Section 12, Block L, GWTP survey. Meanwhile, the Texaco No. 1 Macha wildcat in the Dixie community northwest of Tahoka was reported to be taking a drillstem test at 10,040-90 feet. Bottom hole was reported 10,135 feet. Previous tests at higher elevations failed to show any oil.

IN SNYDER HOSPITAL

Mrs. Claude James of New Home carried her mother, Mrs. M. A. Inman, to Snyder Sunday for a medical examination and x-rays on Monday. Mrs. Inman, who broke her hip in a fall last September, is recovering from this nicely. The x-rays show the break completely healed, but she is suffering with arthritis in her knee.

Mrs. Inman returned home with Mrs. James for a few weeks visit.

Mr. and Mrs. Sam Carter and son, Joel, spent the holidays in Bennington, Okla. visiting relatives. Mrs. Carter's mother, Mrs. Slim Brown returned home with them.

Safety is no accident.

Goal Reached In Red Cross Drive

The Lynn County Red Cross Drive was completed this week with a small amount of contributions still to be counted from O'Donnell and Tahoka, according to Mrs. Pat Jacobs, drive chairman.

The last two communities in the drive that have not been reported on before are Draw with \$64.50 and New Home with \$151.50. The county has exceeded its goal of \$2,464.00 with a total of \$2,589.09 having been deposited by the local Red Cross.

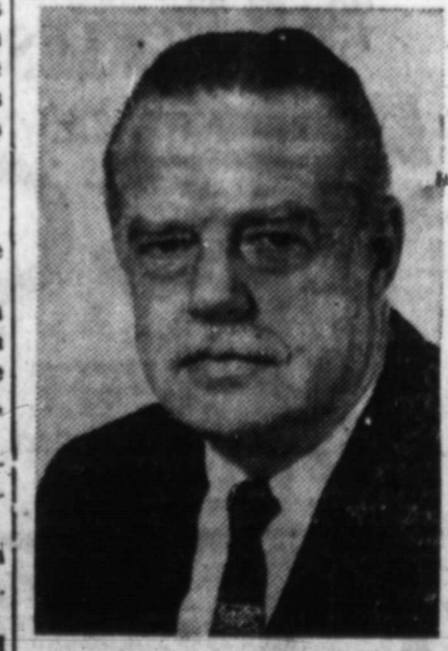

C. W. McCLINTOCK INJURED IN WRECK

C. W. McClintock of Tahoka was injured in a wreck involving a water truck and a caliche truck while working on a highway construction job near Hereford Tuesday, March 31, at about 4:00 o'clock in the afternoon.

He received a broken leg and severe face lacerations as a result of the accident. C. W. is in the Hereford Hospital, room 110.

BUILDING LOANS

Joe Walker Jr. of Slaton, director of Slaton Building & Loan Association, was here on business Wednesday and told The News his organization was desirous of making home loans in Tahoka to parties with good credit rating.

Gilbert L. Muddell Jr. of Amarillo is the new service field representative for Region V, Salvation Army. He succeeds Dan Johnson, well known in Tahoka, who has been advanced to a state-wide job with the organization.

Sweet Street Raises Funds For Pews

Sweet Street Baptist Church reported that the church had \$620.00 in the pew fund which was started Sunday, March 22. A new pulpit and offertory table will also be installed.

The entire order will be approximately \$2,700.00, and the pastor, Joe A. Webb, wishes to urge all members to give liberally, as this is one of the greatest needs of the church.

The new pews and furniture will be installed about 60 days from the time the order is sent in.

Choirs Will Meet In City Sunday

The eastern half of the Brownfield Baptist Association will meet at 2:00 p. m. Sunday at the First Baptist Church, Tahoka. All choir members of the various churches near Tahoka are urged to be present.

The western half of the Association will meet at First Baptist Church Brownfield, at 4:00 p. m. Both groups will meet on Monday evening for the Association Evangelistic Rally at 8:00 p. m. at the First Baptist Church Brownfield.

4-H Dairy Foods Contest April 11

Lynn County 4-H dairy foods and vegetables contest will be conducted Saturday, April 11, in the home economics cottage here in Tahoka, according to Mrs. Laura Bowman, home demonstration agent.

The contest will begin at 9:00 a. m. Saturday and all girls entering are required to bring supplies and equipment.

The divisions will be according to the ages of the girls. The girls nine through 14 years of age will compete, but the girls 14 and over will be the only ones eligible for the district contest.

DAN McGLAUN IMPROVING

Dan McGlaun, recently critically ill with a brain tumor in Methodist hospital, is now much improved as he is undergoing x-ray treatment for the malady. The News is informed.

Texas refineries processed 788 million barrels of crude oil in 1957, an amount equal to 27 percent of state crude production.

Voting On Trustees In County Saturday

City of Tahoka Election Tuesday

Tuesday is election day for the City of Tahoka. Although there is no contest, it was rumored this week that there may be a write-in candidate or candidates, but The News has no verification of the rumor.

Filed by friends for re-election to the office they now hold are H. B. McCord Sr., mayor, and Councilmen Meldon Leslie and Dr. C. Skiles Thomas. Other members of the City Council are Albert Curry and Everton Nevill, who are holdovers to serve another year.

At O'Donnell, six names are filed for three places on the City Council: John Earles, J. T. (Dub) Middleton and Hugh Lott, all present members of the Council, and also L. J. Hash, Shag Garrett, and Norman Shaw.

Church of Christ Improves Lawn

Men members of Tahoka Church of Christ and other workmen the past few days have been making revolutionary improvements to the grounds around the new church building.

Caliche has been spread over a large parking area in front of the building, 140 by 300 feet in size, and hot-top will be applied. This work is being done by Gilvin-Terrill Construction Co. of Amarillo, contractors on the four-lane highway project.

Men of the church have leveled the grounds, poured cement sidewalks, curbs, and a concrete drive way on the west side of the building.

Trees and shrubs have been planted recently, and the rest of the grounds will be seeded with grass.

Some time later, if needed, an area east of the church will also be paved for off-street parking. Also, later on, the church plans to further improve the home formerly owned by Mrs. Cora Bennett, deceased, by brick veneering the residence and applying a roof to match that of the church building.

Store At Wilson Is Burglarized

D. A. Brown Grocery and Market, Wilson was burglarized some time during Tuesday night with about \$215.00 in cash and several hundred dollars in checks being taken.

Entrance was gained through a rear door. So far as is known, no merchandise was taken. Sheriff "Booger" Redwine, assisted by Wilson Deputy Doyle Woody, who are investigating the burglary, said they believed the entry took place in the early morning hours.

Plan Rabbit Drive At Tahoka Lake

A rabbit drive will be held Saturday, April 4, at Tahoka Lake, according to Watson Spears.

All those wishing to participate in the drive are asked to meet at the G. H. Spears farm five miles north of Tahoka on the Wilson highway.

Shotguns only will be used, and dinner will be served at noon. Everyone is invited to participate in the rabbit drive.

Mrs. W. H. Williams of Draw had five of her sisters-in-law and one niece visiting her Tuesday. They were Mrs. J. T. Oats, Cooper; Mrs. C. S. Oats, Southland; Mrs. O. A. Oats, Idalou; and Mrs. Bart Oats, Lubbock. The niece was Mrs. Jay Oats of Southland.

Buy, build, live in Tahoka.

Saturday is the day for school trustee elections in the four school districts of Lynn county and also for the county board.

Three of the five county trustees are to be elected at this time. The name of James K. Applewhite, chairman of the board, has been filed for re-election as trustee-at-large, H. B. Crosby for Precinct 1, and Homer Hardberger for Precinct 3.

In the Tahoka district, four names are filed for three places on the board. These are Earl Terry, present member of the board, Sam Edwards, Wilton Payne, and Gilbert Ford. J. M. Uzzle and Herman Renfro, also present members whose terms expire, did not choose to run again. Holdover members are Maurice Huffaker, chairman, L. A. Forsythe, Wm. W. Young, and Reble Thomas.

At O'Donnell, six names have also been filed for three places. Dave McMillan and Bart Anderson are filed for re-election, and the four other candidates are C. R. Burselon, Jr., Andy Jordan, Mrs. Lou Dean Mansell, and Glen B. Brewer. J. W. Gardenhire, president of the board the past six years and a member for nine years, is not a candidate for re-election.

Wilson district has only three candidates for the three places vacant, Cecil Wied, Lloyd Meers, and Newman Bartley.

New Home has a contest with six men filed for three places on the board. These are Lit H. Moore Jr., E. M. Rudd, Cecil G. Kloth, Carl Armes, and D. R. Mouser.

Roy E. Poer Is Victim of Stroke

Roy E. Poer, 68, prominent Lynn county farmer for 40 years, died at about 11:00 a. m. Tuesday in St. Mary's Hospital, Lubbock, where he had been a patient several days following a stroke he suffered Wednesday of last week. He had been in failing health several months.

Funeral services were held Thursday at 2:30 p. m. in the First Methodist Church with the pastor, Rev. B. Thompson, officiating. Burial followed in Tahoka Cemetery under direction of Stanley Funeral Home.

Roy Edwin Poer was born at Hubbard on January 19, 1891, and was reared in the community. As a young man, and even after coming to Tahoka, he was quite a baseball player. Growing up with a cousin later to become famous in baseball, he turned down an opportunity to play professional ball because of his mother's objections; anyway he wanted to marry. The cousin was Tris Speaker, member of baseball's Hall of Fame, who died suddenly at Lake Whitney a few months ago.

Poer was married June 28, 1911, at Dawson, to Miss Kate Conway. The couple moved to Lynn county in November, 1919, and have farmed a few miles east of town ever since. He retired a few years ago.

He had long been an active member of Tahoka Methodist Church, was a member of the board of stewards of the church for many years, and both he and his wife sang in the choir most of the time they have lived here.

Survivors include the wife; one daughter, Mrs. Harold (Kathryn) Edwards of Houston, and one son, Jim Ed Poer of Lubbock; two sisters, Mrs. R. F. Walton of Stamford and Mrs. Ora Eaton of Kerens; five grandchildren and four great grandchildren.

REID PARKER MOVES

Reid Parker, who has been operating a Texaco service station on Main street, has moved to the new Phillips station built by the McCords a couple of years ago, where he is continuing to operate his business under the firm name of Tahoka Service Station.

Aged Eligibles Should Apply For Social Security

"What must I do to get my social security payments?" This question is being asked at social security offices many times a day as people telephone and come into the office.

According to John G. Hutton, manager of the Lubbock social security office, any person facing retirement has to know in advance what will be required when he files a claim for social security payments. If he exercises this right, it will speed up the payment of his claim.

The requirements depend upon the individual case.

If an individual, filing a claim for social security benefits is a wage earner or salaried person, he will need to bring his social security card, proof of his age, and file his Form W-2 from his employer, showing his wages and

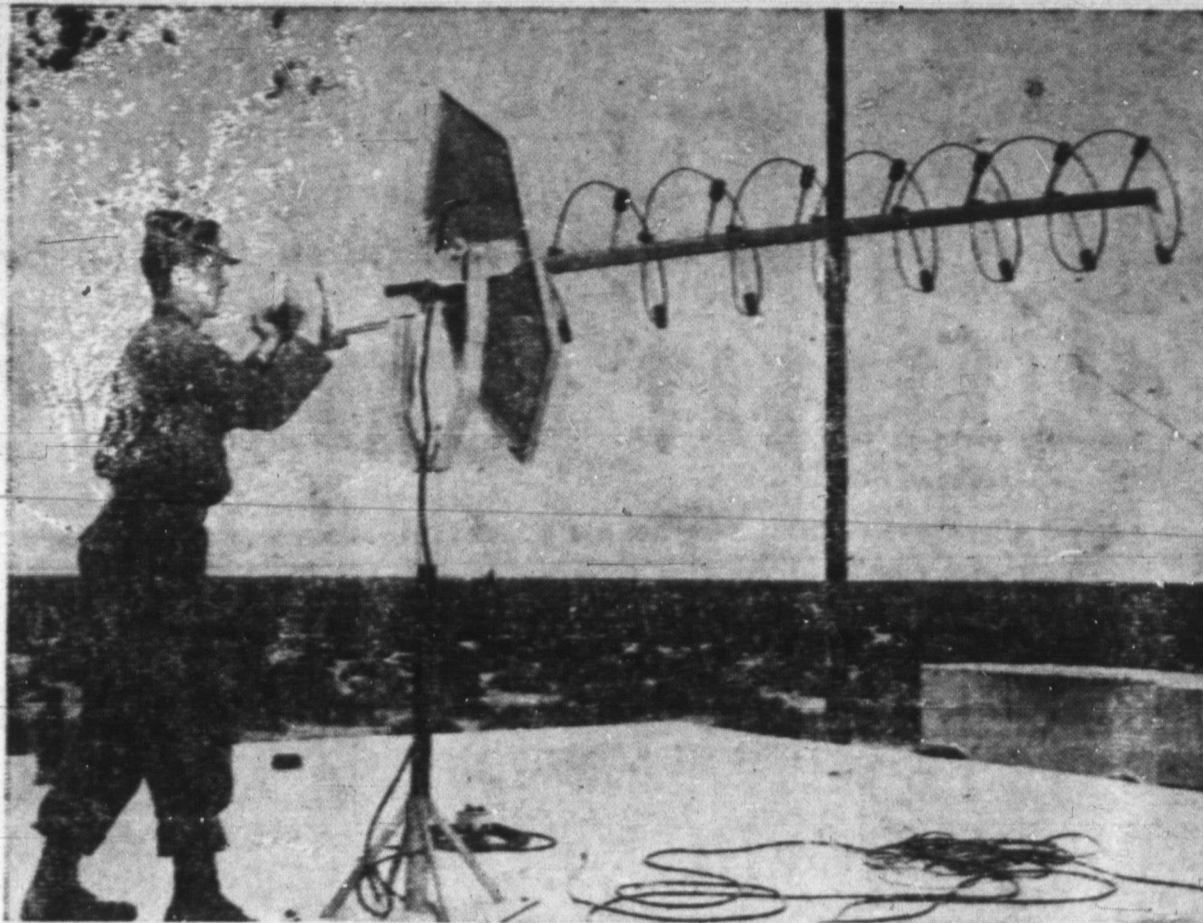

tax deductions. Proof of age may be any evidence that would be acceptable to a probate court, such as, an old life insurance policy, old family records, a certified copy of a public record or church record—this includes birth certificates and baptismal certificates.

If a self-employed person, such as a businessman or farmer, is filing a claim, it will be necessary for him to submit copies of his tax returns for the years 1957 and 1958 and cancelled checks or receipts showing that he has paid the tax. The copies of the tax returns will be kept by the Social Security Administration, but the cancelled checks or receipts will be returned to the claimant.

If claim is being filed for a child, or by wife, the claimant should bring along the birth certificate for the child and a marriage certificate to support his wife's claim.

Any person may obtain information about the proofs he needs by contacting his social security office, by telephone, letter or in person. It's wise to do this at least 30 days before filing.

A representative of the Lubbock Social Security Office will be in Tahoka on April 7, 1959 at 9:00 a. m. at the Courthouse, and will be glad to assist in all matters pertaining to Social Security.

Today's MEDITATION

The Upper Room
© THE UPPER ROOM, NASHVILLE, TENNESSEE

I came that they may have life, and have it abundantly. (John 10:10.)

Several years ago one of my brothers was seemingly very ill. He went from doctor to doctor, but none could find anything wrong. I suppose in sheer desperation he turned to the Lord of Life, and became converted.

He had been reared by our parents to go to church and Sunday school, but I do not think he ever had a deep spiritual experience before. He became a changed person with great faith.

Part of one of his letters one year was the answer to my prayers for him since he was just a lad.

He wrote: "We have our devotion al guide at our church. So I have a copy at home. I helped with the communion service for the first time last Sunday. I like it very much, and I am happier than ever before in my life."

"If we could only make others see what a difference Christ can make in their lives! It seems so simple, yet so difficult to get across to the other fellow. I guess a person must have to go through some experience of his own before he really understands."

PRAYER
O Lord God, we come to Thee because we are creatures of recurring need, and Christ has for us the words of eternal life. Grant us the water of life issuing from the deep spring of Thy bountiful supply. In our Redeemer's name. Amen.

THOUGHT FOR THE DAY
Christ being the Lord of my life, I pray that I may be a mirror to reflect His love and glory.

AMAZED AT ARIZONA

County Attorney and Mrs. Har- old Green spent the Easter week end in Mesa, Ariz., visiting his mother and two sisters.

Two things amazed them on the trip. One was the snow in the

mountain passes, while a few miles away in the valley people were in swimming. The other was desert land selling for the fabulous price of \$1,250.00 an acre.

Mr. and Mrs. W. T. Snellgrove of route 2, O'Donnell, announce the engagement and approaching marriage of their daughter, Betty Lou, to Jerald Wayne Barton, son of Mr. and Mrs. L. W. Barton, also of O'Donnell.

The wedding is to take place Friday, May 1, at 8:00 p. m. in the First Baptist Church of O'Donnell.

Miss Snellgrove is a graduate of O'Donnell High School and attended Texas Tech until mid term this year. Mr. Barton is a graduate of the O'Donnell school and is engaged in farming.

Rev. Boyce Evans Is Speaker Here For Brotherhood

The annual ladies' night sponsored by the First Baptist Church Brotherhood was held Monday night in the school cafeteria with approximately 200 in attendance, and from reports The News received the event was a great success.

Fred Hegi presented organ music and Rev. Joe Webb, pastor of the Sweet Street Baptist Church, gave the invocation. The welcome, which was very witty, was given by Dr. K. R. Durham, and Mrs. Truett Smith appropriately gave the response.

Introduction of the speaker was given by Robert Edwards. Special music was a duet presented by Mrs. Joe Webb and Rowland Nitcher, youth director of the First Baptist Church.

Speaker for the occasion was Rev. Boyce Evans from Midland. He very ably presented a talk on "What's Going to Happen in the Future." He commented that the present day people live in a speedy age but that all are ancient in their ways. Rev. Evans also stated that Lubbock may some day become an air center of this country due to the fact that the city has much more space than some of the larger cities such as New York and Chicago. He pointed out the great prospects for smaller cities that are located near Tahoka, which included Odessa, Midland, Lubbock and others. He left the impression that it is now time for the people of this country to "stand on their toes."

The program was prepared by Robert Edwards, program chairman of the Brotherhood.

Other committees that worked on the Monday night program to make it such a success were tickets, Ray Adams; tables, Al Smith; decorations, Mrs. Anita Billman and Mrs. Wilma Nitcher; program folder, Mrs. W. A. Brooks; coffee maker, Terry Noble; salad maker, W. A. Reddell; chief cooks, Ed Hamilton, Troy Havins, Roy Harvick, Jim Huey, Dub Kenley, G. W. Grogan, and J. T. Miller. Kitchen police included George McCracken, Roy Harvick, Walthal Littlepage, J. T. Miller, Troy Havins, Frank Greathouse, and T. R. Riddle.

Officers of the Brotherhood for the year 1958-59 are president, Dub Harvick; activities vice president, T. R. Riddle; secretary, O. H. Warren; membership vice president, Ray Adams; and program chairman, Robert Edwards.

The cooks served a delicious dinner of chicken fried steak which was enjoyed by all present. The banquet was very enjoyable and is believed to have been the best ever held by the church.

Mr. and Mrs. Van Bates of Levelland, formerly of Tahoka, were here this week visiting Mr. and Mrs. B. R. Tate.

A. F. DAVIES AND CHILDREN ATTEND EASTER PAGEANT

Mr. A. F. Davies of Southland accompanied his daughter, Mrs. Josephine Spikes and two children of Lubbock and Miss Susie Martin of Harts Camp, to Lawton, Okla., Friday to spend the Easter holidays with another daughter, Mrs. Gladys (Olive) King and children.

Still another daughter, Mrs. Fred (Mary) Davis and her son and daughter and son-in-law of Weatherford, were also visiting the Kings.

Saturday night, Mr. and Mrs. Winston Davies of New Home drove up to see the Easter Pageant that is presented on the mountainside in Medicine Park each Easter morning. The three-hour pageant, which begins at 2:00 a. m., is a very beautiful and impressive service, the Davies report.

Mrs. King was expecting her husband, Sgt. Clyde King, home from a four month mission to Formosa and other foreign countries. He is stationed at Fort Sill, and their home is at 1515 Bessie in Lawton, Okla.

REVIVAL CENTER REPORTS LARGE ATTENDANCE

The Revival Center of Tahoka is holding a revival with Rev. Jack Ball of Bonham as evangelist. Good preaching, music and singing is reported each night.

Large crowds have been attending this spiritual revival with out-of-town musicians and singers present almost every night.

The Revival Center has been established only two months, with the Rev. Mrs. Almeta Benson as pastor, and is located south of Keltner Hotel and across the street east from D&H.

Services begin each night at 7:45 o'clock. Everyone is invited to attend. This church is for every denomination. Come and hear God's Word preached.

Among the college students home over the week end were Ida Pearl Mason, John Draper and Denver Ford, all students at Abilene Christian College.

Everyday Religion

By J. B. Thompson

Self-pity is a tragic experience. The person who goes around pitying himself bores others with the repeated stories of his troubles until he is left more and more to himself. So he becomes the only audience to whom he can pour out his woes. Thus his troubles, poured back into himself, foam up like the charged liquids which the druggist pours from one glass to another. Frequently, too, this foaming self-pity is poisoned with the bitter dregs of resentment.

There is a vast difference in self-pity and sorrow. We do have troubles and we do need comfort and we will get it if our sorrow is humble and genuine. Sorrow due to injured pride, to threatened prestige, to thwarted possessiveness, does not receive the promise of divine or human comfort. But those who mourn for their sins, who feel the sufferings of others, who weep over love's losses—they shall be comforted. Godly sorrow will receive Godly comfort.

We might ask ourselves about our troubles. What are we mourning for? Are we childishly crying over spilt milk or pettishly tearful over hurt pride? Is ours a grief or a grievance? Is our sorrow rooted in self-centeredness or does it stem from the sufferings of others? Are we painfully penitent for our sins or merely bemoaning their penalties? Is it real sorrow or only an effervescent self-pity?

Mrs. Claudia Buford and children, Martha and Mike of Hobbs, N. M., spent Easter with Mrs. Frank Raind, Sr. and with Mrs. Louis Brosch and family in Lubbock. Also spending the week end in the Brosch home were Mr. and Mrs. Henry Jahnke of Mexico, N. M. (The Jahnkes live in Texas but get their mail out of Texico.

Style Show Held By FHA Chapter

The Tahoka High School Future Homemakers of America presented a preview of spring fashions for teen-agers to a large crowd in the high school auditorium Thursday night, March 26.

Each girl modeled her own creation on the stage which was decorated with a framework of flowers to give the illusion of spring. The girls modeled—colorful billowy dresses, cool, neat sheaths, and smart suits. Gay prints were especially featured.

The Flapperettes, Carol Smith, Martha Bell, Sunny Gibson and Martha Collard entertained with two songs, "The Easter Parade" and "Yes, I'm In Love."

Fred Hegi furnished organ music throughout the style show.

Dixie H. D. Club Program On "Teas"

The Dixie Home Demonstration Club met Wednesday, April 1, in the home of Virgie Cobb. Eight members, the agent, Mrs. Laura Bowman, and one visitor, Mrs. Edward Evans, were present.

Mrs. Bowman presented the program on "Formal and Informal Teas."

The district meeting of the home demonstration clubs will be in Plainview Thursday, April 16.

Dixie Club's next meeting will be April 15 in the home of Mrs. Carl Spears.

Mr. and Mrs. Roberts report a very wonderful time and stated that a record attendance was in Sunday School at the mission on Easter Sunday.

Rev. Tucker made the comment that it wouldn't be long until the mission can be a self supporting church.

HOWARD BUTT TO PREACH IN LUBBOCK CITY CRUSADE

The Lubbock Ministers' Association is sponsoring a city wide crusade for Christ, May 10-17 in the Lubbock Municipal Auditorium.

Howard Butt, vice-president of the R. F. Butt Grocery Co., will be doing the preaching and with him will be a fine team of workers: Fagute Springman, soloist; Karl Steel, chalk artist; and Don De Vos, song leader.

Everyone is cordially invited to hear this outstanding lay-preacher during May 10-17.

Hubert Aldridge reports that Mrs. Aldridge is now getting along fine. She had thought for a while she was going to have to have an operation on her back.

Track Team To Crosbyton Meet

Coach Bill Haralson's Tahoka High School track team will participate in the Crosbyton meet this Saturday.

Last Saturday, the team entered its first meet of the year, the Andrews Relays and scored 10 points to take 15th place on Jerry Adams' 880 yard run in 2:06.3. Jerry was first in the race.

No other boys placed, but Freshman Buddy Ford ran the mile in 5:19 and showed prospects of developing into a good competitor in this event.

Tahoka has no fast boys this year, as revealed in football last fall, but the boys are working hard and are due to pick up some points in some of the meets.

Boys competing at Andrews are: Pike Burkhardt, Ronnie Walters, Larry Owens, Roy Hinkle, George Adams, Robert Cloe, Richard Stice, Deane Elliott, James Hicks, Frank Greathouse, Jerry Adams, and Buddy Ford.

BRIDGE WINNERS

Winning teams in duplicate bridge play at T-Bar Country Club Tuesday night were: Mrs. Mel Leslie and Mrs. W. C. Wharton, first; Mrs. Lee Roy Knight and Mrs. Oscar Roberts, second; and Mrs. Jess Gurley and Eldon Carroll, third.

Jay Gurley, student at Eastern New Mexico, Portales, spent the holidays with his parents, Mr. and Mrs. Jess Gurley.

LIQUID FERTILIZER

Developed Right Here on the South Plains by Technicians in Our Brownfield Plant—Especially for South Plains Farming Conditions!

LIQUID FERTILIZER IS EASY TO PUT DOWN—Shown in the picture above are O. D. (Derwood) Howard, in the center, inspecting the rig on his tractor for applying liquid fertilizer, and standing to the left is T. Hale, local manager of Goodpasture's. They are demonstrating how easy it is to get this new type fertilizer in the ground at the correct depths for best results and the economy of application with this rig which can be purchased at a minimum cost. The farm hand on the tractor is demonstrating how easy it is to load the liquid fertilizer—no lifting—from a tank right into the two barrels mounted on the tractor—as easy as refueling your tractor. Any person who can steer a tractor can put this fertilizer down accurately. Howard was the first Lynn county farmer to switch to this new method of fertilizing. He has been farming the A. P. (Farris) Stephens land south of Tahoka three years.

With separate tanks of 8-24-0 and 32-0-0 and 4-10-10, fertilizer can be mixed in any manner to fit your needs. Other products include fertilizer solutions, liquid phosphorus, liquid potash, and dry fertilizers.

WASHINGTON AND "SMALL BUSINESS" BY C. WILSON HARDER

In a poll conducted by the National Federation of Independent Business of the nation's independent businessmen, 76% favored the bill introduced by Sen. John Sparkman to permit tax allowances for inventory increases.

Perhaps this bill, more than any one single measure, would reduce distressed selling, cut down bankruptcies among independent retailers and wholesalers.

It is a sad commentary C. W. Harder on the times, but the fact remains that in the high level of bankruptcies of the past few years, many business firms have gone to the wall which were in a fairly healthy condition except for one thing.

That was lack of liquid cash. There is an easily understandable explanation for this.

For most businesses, there is no practical way of keeping books on a cash basis. Instead, an accrual system is used. The business is not taxed on the amount of cash it has at the end of the tax year, but rather on the increased assets in the business at the end of the year, of which inventory is a large part.

As an example, it is well to consider a car dealer, although the same principle applies to an appliance dealer, a dry goods merchant, or others.

So, to carry out this illustration, at the start of his tax year an auto dealer has in stock \$10,000 worth of cars. In his area, due to strikes, unemployment

other factors, his business is depressed, so that sales are low.

Yet, due to new models coming in during the year, or to meet terms of a franchise agreement, or even due to having to take back substantial repossessions, or for other reasons, at the end of the year his inventory has jumped from \$10,000 to \$30,000.

Under the tax formula, his assets have increased \$20,000, thus this is a taxable amount.

But in the meantime, all of his cash has gone into this inventory. Now this may be all sound merchandise, and given the chance to work out this inventory at the proper times, he can recover.

However, tax bills demand immediate cash. So he is forced to cut prices to the bone to raise cash, but sometimes this strategy will not raise sufficient cash.

Thus, this business becomes bankrupt for the lack of cash, although as far as accountants are concerned, including tax accountants, the assets of the business showed a healthy gain during the year.

It is also possible in a year of big government spending for foreign give aways for inflation during the year to boost the inventory values for tax purposes.

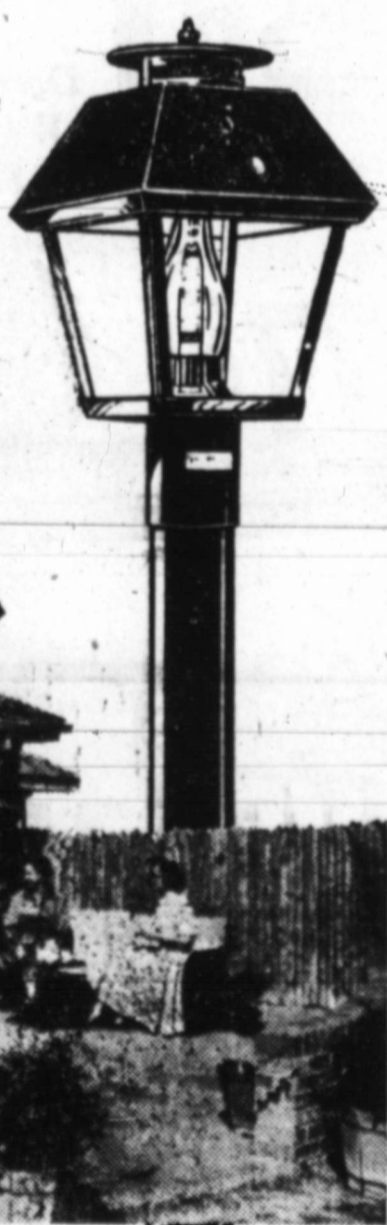

The bill introduced by Sen. Sparkman proposes to permit businessmen who end up a year with increased inventories to deduct up to \$10,000 from taxable income to offset what is often tantamount to disaster.

In the long run, by preventing, or at least mitigating, ruinous price cutting to raise cash, or bankruptcy, the government would gain in tax collections, because once a business goes under, it is no longer a taxpayer.

Seniors Prepare For Class Play

The Tahoka High School Senior Class will present "Professor, How Could You?" Friday night, April 17 at 8:00 o'clock in the high school auditorium. The play is a three-act comedy written by Anne Coulter-Martens.

A young professor must marry in order to become the dean of a college, and three girls have put their bids in for him.

David Bray portrays the young professor and Patsy Stanley, Betsy Adams and Linda Jones, the three young girls. Dottie Harrison plays the part of the co-ed who tries to marry off the professor. Lonnie Wheeler and Jolene Mayberry are the grandparents of the professor. Jerry Adams is the professor's best friend and tries to help him solve his problem. The butler is played by Teddy Dockery and one of the young girl's brother is Don Young.

Mrs. Johnnie Hamilton and Benjie Thorpe are the sponsors, LaRhea Greathouse is the student director and Jerrie Perkins and Marie Potts, the prompters.

Admission will be 75 cents for adults and 50 cents for students.

CARD OF THANKS

During my recent illness and stay in Tahoka Hospital, new hope was built within me as the many friends sent flowers and cards of encouragement. To those who made a personal visit a hearty thanks is extended as well as to the nurses at the hospital for their kind assistance. For these and many other acts of kindness I say "Thank you" from the bottom of my heart. Mrs. A. M. Cade.

PFC. ARLON GRAVES NOW IN GERMANY

Nurnberg, Germany—Army PFC Arlon J. Graves, 20, son of Mr. and Mrs. John A. Graves, O'Donnell, recently completed an orientation course designed for soldiers who have just arrived in Germany.

Emphasizing the role of each serviceman as a good-will ambassador for the U. S., the course included a brief study of European history, familiarization with German customs and suggestions for taking full advantage of off-duty time while stationed in Europe. Graves entered the Army in

February 1958, completed basic training at Fort Carson, Colo., and is a clerk-typist in the 793rd Military Police Battalion's Company B in Grafenwohr.

He is a 1957 graduate of Sudan High School and was employed by Boy's Flying "A" Service Station, El Cajon, Calif., before entering the Army.

CARD OF THANKS

From the depths of our hearts we thank all the kind people who come to our aid following the loss of our home, furnishings, and clothing by fire. We hardly know how to express our feelings, but we are deeply touched by the fact that so many showed their care, love, and sympathy by their help. We especially thank the people of Grassland and Draw for the gifts at the showers, all others who helped in any way, and also Red Cross and Salvation Army for their kind assistance. All we can say is we are proud to live among such fine folks and pray that the good Lord will bless each of you for your kindnesses.—Mr. and Mrs. J. M. Patterson and family.

Walter Gasper Jr. Places Third Time In Conservation Essay Contest

Walter Gasper Jr. of New Home High School has entered the Soil Conservation essay contest three years in a row, and each time he was placed among the winners. The following is Walter's third place essay in the annual contest sponsored by the Soil Conservation District and Tahoka Chamber of Commerce:

(By Walter Gasper)

New Home High School
Citizenship is the rights and duties of the citizen according to The American Dictionary. One of these duties is conservation or the wise use of our natural resources. Conservation and citizenship are actually more closely related than most people realize. Our nation was from a wilderness that was abundant in natural re-

sources. Since that time we have grown to possess the most powerful economy in the world. Without our natural resources this nation would be very insignificant in this day and time.

It is true that the first Americans had no worry about finding an abundant supply of natural resources, but in the present time our manufacturing has grown so large that it is consuming great chunks of our vital raw materials. The use of these resources cannot be haulted because that is the base of our national economy. To maintain the highest standard of living in the world, we must manufacture the goods, but the people must end the useless waste that accompanies it.

This is America, our nation, and everything that happens here. Everything from milking our soil of its minerals to erosion and forest fires is the concern of the citizens of our country. This needless waste weakens our nation and our freedom with it.

We cannot expect to be around in the sunshine of freedom forever. One day the dark clouds of war will come, and we shall be forced to defend our nation. Let us hope and pray that when this time comes we will be prepared. Then our natural resources will not only be necessary, but vital to survival.

The relationship of conservation to citizenship might be illustrated in this way. Citizenship alone is the "unprotected hand, but with the glove of conservation, it can become the fist of freedom.

The only time it's wrong to have nothing to say, is when you say it.—Mary McCloud.

Legion Citation For Teague

Congressman Olin E. Teague of College Station, Texas, chairman of the House Committee on Veteran Affairs (at left) receiving framed citation from National Commander Preston J. Moore of The American Legion. The citation was adopted by the Chicago national convention of The American Legion last fall and lauded Teague for his efforts in behalf of more VA beds for disabled veterans. The presentation was made at the 1959 national rehabilitation banquets of The American Legion in Washington, D.C.

Time To File As Notary Public

Secretary of State Zollie Steakley has announced that he will reappoint persons now holding notary public commissions but that such persons must re-qualify by the filing of a new oath and bond with the County Clerk of his residence between June 1, 1959 and June 10, 1959.

Steakley emphasized that notary public should not send requests for reappointment or for commissions directly to the Secretary of State. The law specifically requires the County Clerks to approve notary bonds.

Any person not now a notary public who desires appointment should apply to his County Clerk between April 1, 1959 and May 20, 1959. Application during this period will assure prompt attention before the rush procedure of reappointing present notaries.

Secretary of State Steakley further pointed out that each person applying for a commission as a notary, public must be at least 21 years of age and a resident of the county for which he is appointed. The exact name and permanent address of the applicant must be furnished the County Clerk.

Relatives Attend Copeland Funeral

Rev. D. W. Copeland of Wells this week brought The News some additional information on his father, George Allen Copeland, former citizen of Tahoka who died March 21 at Gatesville and was buried there March 24.

Born in Georgia, Mr. Copeland was raised in Coryell county, and married Miss Rachael A. Hardin Sept. 10, 1905. The couple first came to Lynn county in the 1920s and he worked in gins here. They moved to this county in 1945 and lived in Tahoka most of the time from 1945 to 1957. He was a member of the First Baptist Church of Tahoka.

Palbearers, all grandsons from this county, were: James and Joe Palmer, James and Bobby Tippit, David Copeland, and Cecil Curry.

Survivors are his wife; two sons, Luther Roy Copeland of Gatesville, Rev. D. W. Copeland of Wells; three daughters, Mrs. James Palmer of Flat, Mrs. James (Pete) Tippit of Gatesville, and Mrs. Rhea (Edna Taylor) of Germany; five brothers, R. L., C. D., and W. T., all of Temple, Henry of Flat and J. W. of Fort Worth; three sisters, Mrs. Jake Kallene of Houston, and Mrs. Floyd Howard of McGregor; 12 grandchildren, and 14 great grandchildren.

Rainbows Plan Founders Day

All members of the Rainbow Girls of Tahoka are expected to observe Founders Day on Sunday, April 5, by attending the 10:40 a. m. services at Tahoka Church of Christ.

Style Show At Rotary Meeting

Tahoka Rotarians were entertained with an unusual program for a men's meeting Thursday noon at the regular club luncheon when Homemaking students of Mrs. Madeline Hegi presented a style show.

While Carol Smith handled the narration, accompanied to organ music played by Fred Hegi, 18 high school girls and three "little misses" modeled dresses made by the girls in the first, second and third year homemaking classes.

Dresses were modeled by Donna Copelin, Elaine Buchanan, Jan Brown, Frances Willhoit, Kay Halameek, Rose Scott, Sue Walker, Gail Phillips accompanied by Pam Riddle, Martha Collard, Susan Thomas accompanied by Southern Wells, Vickie Hamilton, Kay Parker accompanied by Penny Parker, Martha Bell, Linda Williams, Claudia Knox, Judy Kelley, and Arlene Meadows.

Mrs. Hegi, in introducing the program, emphasized the fact that all the dresses were of very low cost, comparatively.

She also announced Carol Smith was recently selected at the District FHA meet for a state office, and Sharon Applewhite was elected to a district office at the same meeting.

Following the revue, Carol told of the objectives of the Future Homemakers of America. In addition to learning to cook and sew, she said the girls learn the essentials of better family living, baby care, preparation for marriage, how to get along with one-another, and how to make better wives, mothers and citizens of the community and nation.

The program was arranged by Mitchell Williams.

Junior Rotarians for the month, Falcon McAllister and Roy Hinkle, were introduced, respectively, by Charles Townes and Fred McGinty. Dean Taylor announced the District Rotary Conference at Hereford April 5-6-7, and Mitchell Williams and Otis Spears were elected voting delegates from the Tahoka club at the meeting.

The proposition of the club entertaining another foreign student in Tahoka for 10 weeks this summer was discussed by Harold Green, district chairman of the

Local People On Carriers' Program

At least three Lynn county men will have an active hand in the annual banquet of the West Texas Rural Letter Carriers Association being held this Saturday night at 7:30 o'clock at Plains Co-op Oil Mill in Lubbock.

Floyd H. Heck of Wilson is president of the association and will preside at the banquet. W. A. Reddell of Tahoka is the master of ceremonies, and Harry L. Roddy, also of Tahoka, is the West Texas secretary.

The principal address will be by Jimmy Haliburton of Shasta. Wives of carriers will also attend the meeting.

Mr. and Mrs. A. A. McNeely were here last week end from near Macomb, Okla., where they bought a stock farm last fall, visiting Mr. and Mrs. Jim Hill and other relatives. He told The News when he moved there he wasn't burning any bridges, and now he plans to come back home soon. In fact, while here over the week end, he contracted to buy a house here.

New Worker For Salvation Army

Appointment of Gilbert L. Muddell, Jr. of Amarillo to be Service Unit Field Representative for Region V, which embraces a large part of West Texas and the Texas Panhandle, has been announced by Dan Eddy, Director of the Service Unit Department of the Salvation Army. Mr. Muddell and Dan Johnston, former district representative, were here Monday conferring with Dean Taylor, County Chairman.

An ex-service man and a former prisoner of war, Muddell served for three and one-half years as engineer gunner in the United States Air Force during World War II. His plane was shot down over Europe and he spent seventeen months as a prisoner of war in the European Theatre. For the last twelve years he has been engaged in life insurance sales and management.

Born in Long Branch, N. J., Muddell attended the Hillside, N. J., Public Schools; Newark, N. J.,

College of Engineering; Southern Methodist University; and West Texas State College at Canyon.

His wife is the former Miss Oleta Covington of Amarillo. They have no children. The Muddells make their home at 1811 Lawson Lane, Amarillo. The new Service Unit Field Representative in West Texas is a member of the Masonic Lodge, Veterans of Foreign Wars, American Legion, Amarillo Lions Club, Young Men's Christian Association and the West Amarillo Church of Christ.

Muddell will travel over the West Texas and Texas Panhandle territory, covering sixty counties. He will assist Service Unit Committees in their voluntary work of directing the regular services of The Salvation Army in these counties, and will maintain liaison between the Service Unit Committees and the State Headquarters offices of The Salvation Army in Dallas.

Mrs. Clyde Spruiell, Larry, Tony, and Bruce, spent Friday through Sunday in Wheeler visiting relatives.

Senator Preston Smith

The state's teachers have drawn the fire of several Legislators during this session for their "strenuous" support of proposed teacher laws.

Rep. H. J. "Doc" Blanchard has accused teachers of "lobbying by mail." One Legislator offered letters as evidence that school students in his locality had been required to type letters to the Legislators as the instruction of their teacher.

One case, which recently made headlines, accused a teacher of threatening a student's grades unless the student typed the letters.

How extensive or how true these charges turn out to be is not known. But, even casual observers here can testify that bigger-than-ever crowds of teachers have visited Austin this session.

Objects of this teacher interest include a new teacher pay bill and a strong teacher tenure bill.

Highlighting the tenure bill are provisions that "no teacher who has attained tenure status shall be suspended, demoted, reassigned or dismissed except for marked inefficiency or grave immorality; continued and serious neglect of duty; conviction of a felony; willful and persistent violation of state school laws; legally authorized regulations of the State Board of Education, or the Department of Education, and/or just and reasonable regulations of the local board of education."

It provides that teachers of one year's experience in a school shall be on probation for one year before the tenure provisions apply; and new teachers shall be on probation for two years.

The general terms in the tenure bill, authorities say, will set up a basis for a court suit by any complaining teacher. The tenure terms create an area for fact determination and also a review of the reasonableness of any order affecting an individual or any general regulations of state and local boards of education.

Marilyn Carmack, daughter of Mr. and Mrs. C. O. Carmack, and James Adams, son of Mr. and Mrs. Jim Adams, resumed their studies at Texas Tech after spending the holidays with their parents.

Mr. and Mrs. Jess Gurley, Jay and Mike, spent Sunday in Colorado City with Ronnie Gurley and family.

ELMER BLANKENSHIP

Terraces were completed for B. R. Tate last week. J. C. Henderson also reported his terraces were completed and ready to be checked.

We have spent 200 years breeding thick bodies on meat animals. Not much consideration was given to carrying for the grasses that feed the animals; so much of our former excellent grassland has lost a great deal of its productivity. When our animals are forced to

graze scanty grassland, we cannot get from them the full yielding power of their inheritance; that is unless we give them roughages and concentrates along with pasture. These supplements run production costs too high if they have to be fed very long. Green pasturage is 3 to 5 times cheaper than any other form of livestock forage.

Irrigation systems have been re-organized by Hillary Smith, H. D. Dean, Bill Balch and D. W. Hancock.

Save the thin layer of topsoil in which your life is rooted.

A Great Plains Contract has been developed for K. R. Durham. The contract covers about 2,900 acres of rangeland and cropland. Brush control on the rangeland is expected to begin this spring.

"Buddy" Smith, publisher of the Lamesa Free Press, was a visitor at The News last week end. He reminded The News force that it had been twenty years since he served a hitch as a young printer, then married only a few years, in the Tahoka shop. Incidentally, his wife is a Burdette, and was reared at O'Donnell. His father was a pioneer West Texas Methodist minister who became a news paper publisher, and Buddy is following in his father's footsteps at least, as a publisher.

Youth Treatment

There's a lively, youthful feeling about motoring with Phillips 66 Flite-Fuel. And the reason is: Flite-Fuel is made with extra-lively components.

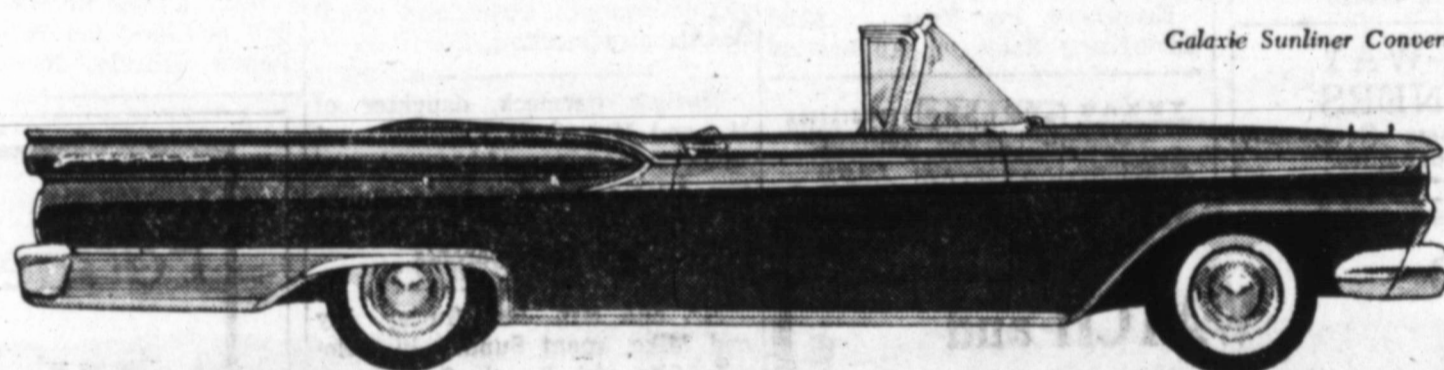

The extra amounts of high test natural and aviation elements in Flite-Fuel give you easier starting . . . faster engine warm-up . . . quick acceleration. You get the anti-knock benefits resulting from high octane, yet Flite-Fuel actually costs less than many other premium gasolines.

Give your car a "youth treatment." Fill up with Flite-Fuel at your Phillips 66 Dealer's.

EYE THE 59 FORD AND YOU'LL BUY

6-passenger Ranch Wagon

Convertible, or station wagon, there's year-round fun for the family choosing its favorite vacation Ford right now. For here in Texas we're year-round travelers. It's always the right time to visit friends—or take the family on a nice trip. The big demand for these popular models isn't until Spring when families make plans for vacation travel. Today, your Ford Dealer has an excellent selection of wagons—all six in the exciting Ford line. And he has two of the most popular convertibles in America—the Galaxie Sunliner and

the Galaxie Skyliner, the world's only retractable hardtop. A wide selection of color combinations as well as options and accessories are available to complete the Ford of your choice. So see your Ford Dealer now, while he has the car you want and can deliver it without delay. You'll discover, too, that you save more than ever when you make your next wagon or convertible a Ford.

Get ahead of the rush. Start now to enjoy the world's most beautifully proportioned car . . . the spectacular 59 Ford.
