THURSDAY, JULY 30,

In Babe Ruth Tournament

Muleshoe Team Wallops All-Stars From Dumas

With 2-hit pitching of Bob White and the backing of superb fielding, the Muleshoe Babe Ruth All-Stars defeated the Dumas Stars 5 to 1 in a fine game in Levelland Monday.

White gave up 1 hit in the third inning and 1 in the sixth. Dumas' 1 run was made on a combination of a hit and an error.

Muleshoe put across 2 runs in the third, 2 in the sixth, and one in the seventh.

A key play in the game came in the third inning. Bob White came up to bat with Paul Shepherd on third. Shepherd threatened to steal home on a third strike; the catcher missed the ball. White broke for first; an error was made on the play, and both players were safe. Later White scored on an error. The Muleshoe group scored again in the sixth.

In the lineup were: James Calder, Jim Cabrera, Paul Shepherd, Bob White, John Agee, Wayne Malone, Joe Stevenson, Alva Stone, and Jim Maroney.

They play again Wednesday afternoon at 6:00 o'clock.

Hail Hits Near Sudan

A small cloud hit the Sudan area late Tuesday, and hail took out the cotton crops in a strip about three miles long and two miles wide just east of town.

Accompanied by heavy lightning and thunder, there was a light rain. Observers said the small cloud seemed to appear out of nowhere, and then just turn upside down, dumping the rain and hail out. Marble sized hail reportedly damaged crops as much as 50 percent and there was 20 rain.

JayCees Membership Drive Friday Night

Muleshoe Jaycees will stage a membership drive at a meeting tomorrow night (Friday) at 8 P. M. in the Legion dining hall. James Glaze, president announces.

The regional vice-president of the Jaycees, Gene Templeton of Earth, will attend and will be the principal speaker. Local men 18 to 35 are invited to attend and become members of the JayCee organization. A banquet will be served.

80,000 Acres of Cotton . . .

875 Bailey County Farms Now Under Irrigation

D. W. Sherrill, irrigation agent with the Texas Agricultural extension service, in Muleshoe Tues., has recently released a bulletin on Plains irrigation, with considerable amount of pertinent information pertaining to irrigation in Bailey County. Sherrill says that:

Bailey County has 80,000 acres of cotton now under irrigation, 70,000 acres of grain sorghum, 6,000 acres of alfalfa, 2,000 acres of pasture land, 4,000 acres of Sudan, 1,000 acres of oats, 3,000 acres of barley, 9,000 acres of corn, 4,000 acres of wheat, 1,200

Monday Is Dollar Day In Muleshoe

Pool Services Held Saturday In Plainview

Funeral services for Mart Pool, 53, Plainview civic leader and district manager of the Southwestern Public Service Co. were conducted at 10 A. M. Saturday. He died about noon Thursday.

Services were held in the First Presbyterian Church of Plainview with Dr. G. K. Rogers, Houston and the Rev. Frank Travis, officiating.

Pool moved to Plainview in the early 1930s as manager of the Hilton Hotel, went to Ada, Oklahoma as manager of a hotel there and later returned to Plainview. He was manager of the Hilton Hotel when he took the managerial post with Southwestern Public Service.

A member of the Plainview Presbyterian Church, Pool served on the church board of deacons and was associated with numerous organizations here, serving as president at one time or another of most of the groups, of which he was associated. He was past president of the Lions Club, Chamber of Commerce, Plainview Baseball Assn., United Fund, Plainview Fat Stock Show Assn., Hale County Chapter of the Red Cross Board of Directors and others.

Pool was born in Williamson County. Graveside rites were held Saturday morning at 10 o'clock for William Dale, the two day old infant son of Mr. and Mrs. Arthur Proffitt of Progress. The child died at 9:30 Friday morning.

The Rev. E. K. Shepherd officiated in the rites, with Singleton Cemetery in charge of arrangements. In addition to his parents, he is survived by two brothers Johnnie and Jackie, and grand parents, Mr. and Mrs. John Rogers.

Monday, August 3, the merchants of Muleshoe are observing the usual Dollar Day trade promotion.

Many of the clothing stores are offering, through the columns of this paper some extra good buys for this day. This, along with the low prices advertised by the food stores for the weekend, points out the fact that our citizens who follow the bargains offered in the Journal stand to help their family finances real nicely. In addition to food and clothing stores, readers will do well to check the other fine firms who use the paper to tell you about the many fine buys they have for you.

Rites For Watts Infant Here Tuesday

Little Yvonne Carol Watts, 5 months old daughter of Mr. and Mrs. J. W. Watts of 112 East Fifth Street, Muleshoe, died at 1 P. M. Monday, July 27 after considerable illness.

Graveside rites were conducted by Rev. Norbert Wagner, of the Littlefield Catholic Church, Tuesday at 11 A. M. with burial in the Muleshoe Cemetery by Singleton Funeral Home.

She is survived by the parents, 3 brothers, Paul, Lynn and Steven. Her grandparents Mrs. Hertha Walker, and Mr. and Mrs. V. A. Watts of Childress.

Out of town relatives attending were: Mr. and Mrs. V. A. Watts and son; T. J. Childress; Mr. and Mrs. C. L. Watts; Mrs. L. F. Watts, Wellington; Mr. and Mrs. J. D. Watts, Plainview; Mr. and Mrs. Bill Watts of Grants, N. M.; Mr. and Mrs. Albert Smith, Farwell; Mr. and Mrs. R. B. Summers, Clovis; Mrs. Charley Summers, Clovis; Mr. and Mrs. Wayne Whitenburg, Amarillo; Mrs. Tom Clements and daughter, Canyon; Mrs. Florence Mabey Altus, Okla.; Mr. and Mrs. Harry Walker, Fort Worth.

RUBY KAY SIMMONS

JAQUETA NOWELL

KAY WILSON

NANCY JULIAN

SANDRA BROYLES

SHIRLEY BURLESMITH

Shown at left is a group of Bailey County beauties who have entered the Farm Bureau Queen Contest, to be decided the second week in August. Aren't they a group of charming young ladies?

Any unmarried girl, residing in Bailey County, whose father or brother is a member of the Farm Bureau is eligible to enter. The age limit is between 16 and 20. Pictures of other contestants will follow next week.

Special Stamps Will Go On Sale Here Aug. 27th

Arnold Alcorn, Muleshoe Acting Postmaster, states that three new issue of stamps will go on sale here beginning August 27. All are special commemorative stamps.

A 4c Soil Conservation stamp, a 10c Air Mail Stamp commemorating Pan - American Games, and a 4c Petroleum Industry Centennial, all will be issued on that day.

Anyone wishing to buy one of these stamps may do so by inquiring at the post office stamp window, Alcorn said.

DEAN HERRINGTONS VISIT

Mr. and Mrs. Dean Herrington and little son, David of Corpus Christi, were here yesterday for brief visits with old friends. They were returning from visits with his parents and brother Kirk and family in Omaha. After having lunch with the John Seids, they left for home.

Local Persons as Guests . . .

Bailey County to be Featured On Amarillo T-V Program

Navy Recruiter Wants To Interview Young Women, Ages 18-26

All young women who have reached their 18th birthday but not their 26th birthday, and who are interested in serving in the United States Navy will have an opportunity to talk with the Wave Recruiter from Albuquerque on the 12th of August, during Clovis Carnival Days. Personal interviews will be conducted by the Wave Recruiter at this time. For any information desired prior to the 12th of August contact your local Navy Recruiter located in the Post Office Building, Clovis, N. M.

Urged By C-C Committee

Write Members Of Congress To Help Defeat Hoffa Farm Labor Bill

The Congressional Action Committee of the Muleshoe Chamber of Commerce this week urged responsible citizens of the South Plains and Panhandle to take quick action to prevent passage of a labor reform bill written by Labor Union Leader James Hoffa. In urging area citizens to protest members of the committee pointed out that House debate on the labor legislation will not begin before August 5. An analysis of the bill approved by the House Education and Labor Committee shows one thing clearly: If effective labor reform legislation is to be enacted it will have to be "written on the floor" during the House debate.

This challenge to Congressmen to strengthen the Labor Relations Bill clearly calls for strong back-home support. If large numbers of rank and file citizens from all walks of life will make their views known to their Congressmen about labor law reform, an effective bill could still become the law of the land. The legislation should be revised on the House floor to:

County Draws New Wildcat Oil Test

It was announced here Wednesday that Bailey Co. will get another Wildcat well in the south central part of the county, to test the San Andres formation.

The Big Spring Exploration, Inc. struck a 4,800 foot San Andres wildcat No. 1 C. P. Howell 1200 ft. east offset to the same operator's No. 1 Mrs. C. P. Howell, current active wildcat which is clearing location.

The new location is 2.5 miles southwest of a 5.016 foot failure, the only nearby dry hole and about nine miles north of San Andres production.

C of C Sponsors Road Signs Near Muleshoe

Ray Daniel heads a committee of the Chamber of Commerce which is sponsoring the erection of road signs on highways leading into the city.

Carroll Pouncey, Chamber manager, appeared before the Rotary Club Tuesday to tell about the committee's plans. The civic clubs will be asked to help pay for two signs now planned and in return have their insignia, meeting date, and place printed thereon. The Rotary Club referred the matter to the Board of Directors and will decide next Tuesday.

The Rotary Program Tuesday consisted of a talk on Rotary's plan of classification by D. B. Lancaster who heads the classifications committee.

When the truth hurts an enterprise, there is something wrong with the enterprise.

New Patrolman To Be Stationed In Muleshoe

John Bentley will arrive here Saturday where he will begin his first assignment as a Texas Highway Patrolman.

He will work with James Freeman, who has been patrolman with the Department of Public Safety here for some time.

Bentley has just completed an extensive course of study in Austin. Until last April he was City Marshall at Shallowater.

OUR FACE IS RED!

Most newspapers make so many mistakes, they can't take time to even try to correct them all, but we made one in the Journal last week we do want to straighten out.

In the story about sending the spuds and the onions to Sen. Rogers, it was stated Barrett Produce furnished those vegetables. That was just half right. Barrett furnished the potatoes, but the sack of choice Bailey County onions were sent through the courtesy of the Muleshoe Cooperative Growers Association. Our apologies to Mr. Cousins, and others of his staff.

118,442 Pieces Outgoing Mail In 4 Weeks

In the four week period ending Saturday, the Muleshoe post office handled 118,422 pieces of outgoing mail, Arnold Alcorn, acting postmaster told the Journal. He said the mail was counted both by hand and by the cancelling machine. Included were 1193 packages of parcel post, but did not include several hundred air mail letters to Mexico.

Clubs of '59 Sets Meeting August 19

A meeting of members of the class of '59, Muleshoe High School, has been set for Wednesday, August 19, in the yard of Mrs. A. S. Stovall, class sponsor, 606 West 5th Street, at 8:00 o'clock.

Financial affairs of the class will be disposed of, so that the new senior class will start with a clean slate when school starts this fall. Class leaders emphasized that it is important that all members attend.

Rainbow Girls Plan Their Annual Picnic

Members of the Muleshoe Assembly, Rainbow for Girls will stage their annual picnic in MacKenzie State Park, Lubbock, next Tuesday, Mrs. Janet Wagoner, Mother Advisor announces. She said that the girls will meet at 8 A. M. at the Masonic Hall for the trip to the park.

Pockets \$350.00 In Cash . . .

Slick Forger Hits Muleshoe Wednesday Takes Local Merchants For Ride

A shrewd, oily tongued forger came into Muleshoe last Wednesday and when he had left town, he carried with him approximately \$350 in hard cash which he had taken from local merchants by fraud.

At Cobb's, Anthony's, Piggy Wiggly, and St. Clair's he cashed in amounts close to \$50

each. They were checks printed with the name of Don R. Cook, Farm Center, Rt. 3, Plainview, Texas on them. The name of Don R. Cook had been forged as signature, and they were made payable to B. J. Coe. On one endorsement the address of Route 1, Box 24 had been written under the

endorsement. All the checks were returned to the merchants by the Plainview bank, marked "Signature is a Forgery," in red typewriter.

The office of Sheriff Dee Clements here has been working on this, but so far have no important leads, it was stated Wednesday.

In other actions during the week, the Sheriff's office picked up a man charged with giving Bob's grocery a worthless check, 4 drunks, 1 for investigation, and a Negro man on a disturbance of the peace charge.

No one has been arrested lately for going to church.

Plains Bargain Center Opens Here Monday

Plains Furniture in Muleshoe announced Monday the opening of their outlet store the Plains Bargain Center on the Clovis Road.

The store, which opened its doors for business Monday will be managed by Charles White.

They will handle new and used furniture and appliances.

TWO MULESHOE BOYS NEAR EACH OTHER IN GERMANY

Two Muleshoe soldiers, friends since boyhood days, are near each other in Germany, perhaps within walking distance, but whether either knows of the proximity of the other is problematical.

Both are located near Schweinfurt, Germany. Pfc. Robert A. Berry is in the artillery; Pvt. Ralph L. Ware is in an Army infantry outfit. They lived near each other

Two Minor Wrecks Here Past Week

Jim Freeman, Highway Patrolman, had occasion to investigate two one-car accidents this past week.

At Three-way Tuesday morning, Mrs. Billy Woods lost control of her car on a wet road, and it overturned. The '59 model Ford station wagon was damaged about \$700, Freeman estimated. Mrs. Woods and her children were not seriously injured.

Her husband is coach and teacher in Three-way School. Saturday, shortly before midnight, Shurel D. Johnson, 18, lost control of his '50 model Ford and ran over a culvert, near the King Grocery as he was attempting to turn off the highway on Farm Road No. 1760, Freeman said. His vehicle was damaged about \$150, he estimated.

Mrs. Faye McCain, Route 2, a passenger, and Gwen Ross 18, also in the car, were shaken up, and suffered skinned and bruises, according to the Patrolman.

ns Cotton Growers As'n...

Annual Membership Meeting Lubbock August 28

Third annual meeting of general membership of the Cotton Growers, Inc. will be held August 28 at Municipal Auditorium in Lubbock, W. O. Fortenberry, President, has announced.

Two nationally known speakers already have accepted invitations to address the PCG at that time, Fortenberry said. They are J. M. Cheatham, President of Dundee Mills, Inc., Griffin, Georgia, and first vice president of the American Cotton Manufacturers Institute; and Bill Foreman, Public Relations Manager of the National Cotton Council of America, Memphis, Tennessee.

"There will be additional people from the cotton industry on our program and we feel we already have two of the top industry leaders who will be able to give our members a firsthand report of conditions now as they exist for the cotton producer," Fortenberry said.

"We want to extend a special invitation to all cotton producers and businessmen to attend our meeting. It will begin at 10 A. M. Friday, Aug. 28 at the Municipal Auditorium here in Lubbock. A free lunch will be served and our program will conclude about mid-afternoon.

Directors of the PCG will meet prior to the annual meeting at 9 A. M. at the Auditorium for a business meeting and the annual election of officers, Fortenberry explained.

"We have had the Plains

Cotton Growers, Inc. in existence for more than three years now, and we feel this past year was one of our most successful years. At the annual meeting we will review the progress and outline our program for 1959-60. I hope all our producer members and others will help us in observing this third annual meeting -- a milestone for the cotton industry on the Texas High Plains," Fortenberry concluded.

Additional details about the annual meeting will be announced later.

At Tri-Co Center

Leading Bowlers Hold Positions

Bowling averages at Tri-Co Center pretty well held their own the past week with only one new face showing up on the top ten men list, and no new faces among the women leaders.

Kenneth Hicks hit the top ten among the men with an average of 160. There was some swapping of places, however, but the first four held their places firm, with Waggoner, Battenfield, and Chandler all raising their averages. Top ten men and their averages are: Marion Waggoner 179, Horace Battenfield 176, Benny Pena 171, R. B. Chandler 166, Alex Williams 166, F. Meyers 165, Bill Smith 162, Theo Acktinson 162, A. W. Kimbell, Jr. 162, and Kenneth Hicks 160.

There were no new faces in the top ten women bowlers, however a few moved up in the averages, shoving others down. The top ten were Mickey Stephens 149, Nita Grusendorf 147, Pearl Brown 139, Dot Mathiesen 138, Martha Kimbell 137, Willie Mae Rice 136, Elizabeth Barnett 132, Winona Dudgeon 128, Punk Bragg 127 and Jeanne Garth 127.

There were no new teams in first places in the standings, with the leaders as following: Industrial League, Muleshoe Motor, No. 1; Major League, Farmers Co-op, Sudan; Minor League, Layman Bros. Butane; Merchant's League, Jaycees; Powder Puff League, Fashion Shop; Community League, Bobby's Beauty Salon; Classic League, Lazbuddie Grain Co.; and Empire League, Nickels Gin at Clay Corners.

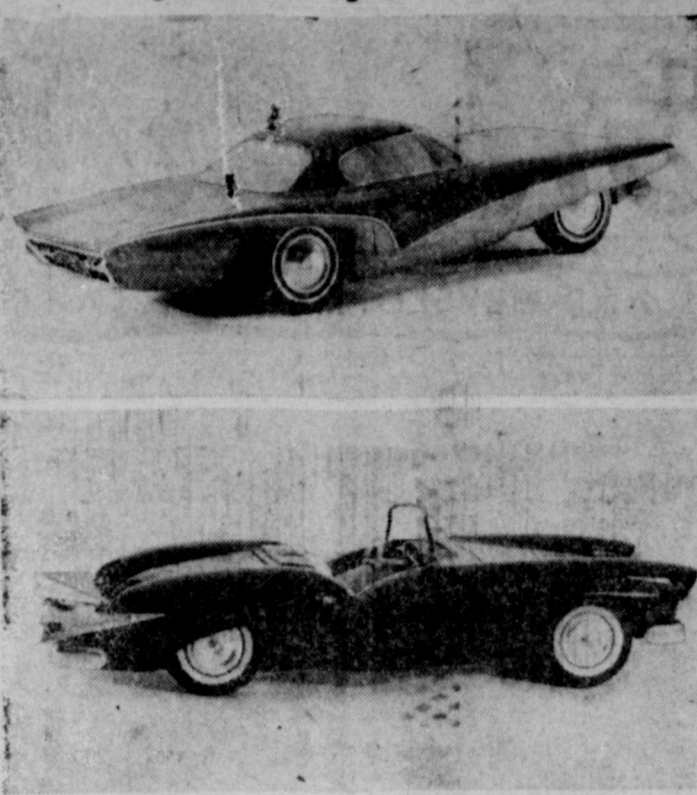

CARD OF THANKS

We would like to express our deepest appreciation and thanks for the many kind deeds and words of sympathy and comfort offered us during our recent sorrow, and for the food that was brought in and the flowers.

The Jack Lowe family
J. H. Lowe family

Pfc. William D. (Bill) Martin of Muleshoe, who is stationed in Korea, is spending a two weeks leave in Japan. His wife, Yaunda, is employed in Muleshoe, while he is overseas. Bill is the son of Mr. and Mrs. Earnest Martin of Muleshoe.

Young Texas Designers Win Honors

TEXAS BOYS who designed and built these sleek model cars for the 1959 Fisher Body Craftsman's Guild competition have won first state awards of \$150. The upper car was entered by James Bright of Austin. The lower car is the work of Heriberto Cordero of Del Rio.

THIS WEEK In Muleshoe

by AFTON RICHARDS

Muleshoe City Officials are to be commended upon the work begun recently, cutting weeds and grass, etc. off the vacant lots in town. Besides adding greatly to the appearance, this is a good health measure. Doing away with these high weeds will eliminate places for flies and mosquitoes to shelter.

There is an old expression, we have all heard that the FBI never gives up, and will sooner or later get its man. This is sometimes true with other officers too.

While back, we were prowling through the old files of the Journal, and noticed where the Bailey County Sheriff's Office performed one of these "track-downs" finally catching and bringing to trial, a man wanted in connection with the murder of a Circelback school teacher. Constantly keeping on the case, and running down every shadow of a lead, finally paid off, after many, many years.

The office will say life is ten percent what you make it and 90 percent how you take it.

H. H. Montgomery was telling an interesting story the other day to Harvey Bass and this writer. He was giving an example of an average American citizen.

A man walked into the office of a psychiatrist, stating that his worries were so heavy he just could not carry them any longer. The doc, in an effort to get his mind away from trouble, asked him to enumerate some of the good things in his life. So he said, "Well, Doc, I do have many nice things. I have a beautiful home valued at \$35,000; I have a two air-conditioned Cadillacs, and besides this I have a \$5,000 cabin on the lake shore."

"With all this, you still have worries?" asked the doctor. "Well, it's this way," he explained. "How can I pay for all these things when I only make \$75 per week?"

In the opposite to this, he told of a man who was driving down the road with nothing but a steering wheel in his hand. Asked about it he explained, "Oh, I am a poor man. I can't afford any of them high-priced extras."

A dog lover has come up with this bit of poetry: As I go whistling down the street I have so many friends to greet, Perhaps they'd be just dogs to you— To me they're friends, and all true blue.

A happy lark, a friendly tail, Straightforward eyes to greet my hail, Each one all eagerness to please, I'm proud to have such friends as these.

I think it's sad all men don't know

The qualities that dogs can show, But as for me, my day's more sweet, Because I have such friends to greet.

The Avalanche Journal in Lubbock, while counting noses getting up material for their giant Progress edition last Sunday found they had more people on their payroll than there were living in the entire town of Lubbock at the time the paper was started. Our congratulations to them for such a journalistic masterpiece. Wasn't it a dilly? It gives us a headache, just to

Soil Conservation Experiment Interesting Notes Made On Soil Intake Of Irrigation Waters

A recent field trial was witnessed on a Lamb County farm that produced a lot of good information. Intake rate and time of travel down the row was studied on three row types. Rows down which the back tractor wheel and front tractor wheel row had a very slow intake rate and water moved down the row rapidly. The row that no wheels had gone down took water at a much faster rate, and two tubes were required in it to keep it abreast of the other rows.

Some of the factors in soil intake, compaction, and aggregation are mentioned in the next paragraph.

The soil as a crop growing medium must have proper physical condition is an important consideration along with preventing erosion and maintaining proper moisture levels. The physical condition of soils is influenced by such things as organic matter and the amount and kind of tillage.

The amount of soil particle aggregation in a soil is very influential in proper crop growth. A soil under good nature conditions exhibits a high percent of aggregation due to the high amount of decaying organic matter present, aeration, and root and water penetration.

Organic matter supplied by high residue crops break down into humus. As it does so it binds soil aggregate together. Along with this, it lightens and expands increasing the porosity. High porosity is a characteristic of soil aggregate. The porosity developed in aggregate provides ample space for aeration and water penetration. This also lowers the bulk density of the soil.

These things are influenced by the cropping and tillage operations, intensive cultivation lowers the organic matter content and also breaks up the aggregation. There-

fore there is less soil aggregation. The result is a lowering of the amount of pore space and the size of these pores. This slows water penetration and increases puddling and runoff. Proper ways to improve aggregation or at least hold it at a practical level can be used to a financial advantage.

The practice of using a minimum number of plowing operations is advisable along with this a rotation system

should be used, which provides frequent high residue crops to be grown to provide organic matter to the soil. In heavier lands it is often necessary for the land to be deep plowed as one of the plowing operations. The use of the above practices should increase the water efficiency considerably and provide higher crop yields.

FROM RICHLAND SPRINGS

Miss Margaret Wilton of Richland Springs, Texas, is spending a month here in the home of her brother, Rev. George Wilton and family.

Three good rules for success: Advertise, advertise, advertise.

Calling a moment subversive does not necessarily make it subversive.

One of the mysteries of life is why people with brains are too busy to use them.

The best laid plans will not produce dollars unless they are backed by energy and hard work.

PLANNED HUMBLE BUILDING IN HOUSTON — This model shows Humble Oil & Refinery Company's proposed 41-story office building to be located in downtown Houston. Morgan J. Davis, president of Humble, said the building will enable the company to bring its 3300 home office employees together in one central location. Present plans call for a building with approximately a million square feet of usable space. Initially, Humble expects to use more than half of the building for its offices and to sub-let the remaining space to other tenants.

Methodist WSCS Forms New Circle Here Tuesday

The Mary Martha and Alpha circles of the Methodist WSCS held joint sessions Tuesday afternoon at 2:30 in the youth chapel with 11 present.

Mrs. Mervin Wilderding, chairman of the Mary Martha circle presided over the business sessions and Mrs. Paul Summersgill gave the devotional.

Mrs. H. J. Wyer, Mrs. Arnold Morris and Mrs. Jack Morris gave the importance of working as a unit.

Thirteen persons met Tuesday, July 28th at 8 P. M. in the home of Mrs. D. B. Lancaster to form a new WSCS circle. The group decided on the name of Ruth. Their new circle will begin meeting on September 1.

Mrs. Wyer, Mrs. Arnold Morris, and Mrs. Jack gave a report on "Where our WSCS money Goes, at Home and Abroad."

Mrs. Dean Bishop reported on the origin of WSCS. The new officers elected were: Mrs. Lancaster, chairman; Mrs. Harold Allison, vice chairman; Mrs. Lindel Murry, secretary-treasurer; Mrs. Allison gave the devotional.

On August 4, a general meeting of all circles will be held in the youth chapel at 2:30. At 1:30 the executive committee will hold a meeting.

All members are urged to attend.

ATTEND REUNION
Judge and Mrs. Cecil H. ton Reunion in the 36th Division State Park near Brownwood Sunday.

VISIT HERE
Mrs. Ted Marsh and three children from Artesia, N. M. spent the night recently with her aunt Mrs. Carl Evans and Mr. Evans.

PINK PLAID—Pink is so feminine, even in plaid easy-fitting trousers. These handsome ones were designed by Jack Winters in easy-care cotton turf cloth for the modern miss who likes to lounge at home in casual comfort.

Today's Meditation

Read Luke 12:6-12
"Therefore do not be anxious about tomorrow, for tomorrow will be anxious for itself: Let the day's own trouble be sufficient for the day." (Matthew 6:34, RSV).

It is my belief that sometimes we face experiences when we are literally forced to turn to faith.

I can recall sitting in a hospital corridor when my child was hospitalized. I kept repeating to myself words from Joshua Liebman's book **Peace of Mind**. He said, "When we grow afraid of life and death, . . . let us know that we can never travel beyond the arms of the Divine."

I realized then that I was entrusting my loved one not only to the care of conscientious doctors and nurses but also to the care of God. As I sat waiting, I thought how tragic indeed must be the terror of a worried mother who knows not Christ.

"You have launched the ship. Now all you can do is pray for good sailing." Such is the advice of an old doctor to parents when their children must leave the security of home.

How desolate must parents be if they have not learned to pray! Those who entrust themselves and their loved ones to Christ will not fail in life's tests. They are sustained by faith in God's care and guidance.

PRAYER: O God, grant us grace to put our whole trust in Thee. Help us to learn from the lilies of the field and the birds of the air the Saviour's lesson in faith. In His blessed name we pray. Amen.

THOUGHT FOR THE DAY:
Today I will entrust my life to Christ and claim the release He gives from fear.
Irene Craig Neil (Canada)

To The Neighbors and Friends of Raymond Robinson
Words cannot begin to express our appreciation for the many things you have done to help Marie after Raymond's sudden death. Your many kindnesses and courtesies have shown what real neighbors are. We are so very grateful for your helping hands and only hope that each of you will accept our gratitude, as a mere "Thank You" is so inadequate for all the nice things you have done.

May the Lord bless each of you and may your harvest be as bountiful as your willingness to help others.

Thank you ever so much. The brothers and sisters of Raymond Robinson

DON BOLES PUTS ON SHOW FOR LIONS HERE WEDNESDAY

The Lions Club members had a good laugh at their Wednesday noon luncheon. Dr. Birdsong was in charge of the program and he presented the Rev. Don Boles, pastor of the First Presbyterian Church, and a former radio entertainer. He kept the crowd in stitches with his humor, and imitations. There was very little business that came before the club.

Highway accidents are not confined to other people; they can happen to you if you fail to "Slow Down and Live" this summer.

Traffic safety is everybody's job and includes your own highway safety . . . Slow Down and Live.

Don't Mountain
Of course there are bigger things than money. For example, bills.

DEDICATED TO THE PROGRESS AND DEVELOPMENT OF BAILEY COUNTY AND THE GREAT MULESHOE COUNTY

Wash & Josh were fightin' again this morning. It all started with an argument over which month had the most rainfall last year.

Now fightin' never settled much of anything. Of course Wash & Josh didn't damage each other much but they sure wasted a lot of energy.

All this could have been avoided if Wash & Josh had just looked in the local newspaper's files.

To keep well posted on the facts of life in your community . . . past, present and future, Read Your Local Newspaper.

TEXAS PRESS ASSOCIATION
1716 San Antonio St. Austin, Texas

Job and Training Bill in Congress To Aid 4 Million Cold War G. I.'s

A proposal which opens educational and job training benefits to some 4,000,000 veterans, the Post-Korean or Cold War G. I. Bill, is now awaiting action by the U. S. House of Representatives after passing the Senate by a substantial 57 to 31 margin.

This measure is a sound economic and educational investment, and is an example of understanding between our men who are fighting the Cold War at distant posts. I am hoping key members of our Texas delegation will guide the measure through to passage in the House.

This bill, which I had the privilege to sponsor, is closely patterned after the Korean G. I. Bill. It will assist hundreds of thousands of Americans to help themselves by preparing them to earn better livings. This added training will also help increase our national productivity.

As the measure was passed by the Senate, it provided that grants for college training will be continued after the first year only if the veteran is in the upper half of his class.

Those who fall in the lower half of their class may continue in school, but they receive their assistance under a government loan program.

The measure takes up where the Korean G. I. Bill left off, January 31, 1955, and runs through July 1, 1963, where the current draft law ends. It provides a monthly allowance for full time training at the rate of \$10 a month for a veteran without dependants, \$15 monthly for a veteran with one dependant, and \$160 a month for a veteran with more than one dependant. It also provides vocational rehabilitation training for veterans with service-connected disabilities, and a loan guaranty feature for loans on homes, farms, farm homes, and farming equipment and livestock.

Our young people interrupt their lives, their education or job training and careers to man America's and the Free World's defenses. This bill would show them our nation sincerely appreciates their sacrifices and is working to help them overcome the time loss and to make a better life for all of us.

CONGRATULATIONS
To Mr. and Mrs. Glen Border on the birth of a daughter, Vicki Lynn, on July 14. She weighed 7 lbs. 8 oz. The Border's live in Redondo Beach Calif.

Smartness, rather than sincerity, is what ruins many people.

Christian Science Services

Brotherhood will be a theme dealt with at Christian Science service Sunday in the Lesson-Sermon entitled "Love". Paul's stand on brotherhood is emphasized in readings from the Bible including the passage from 1 Corinthians (1:10): "Now I beseech you, brethren, by the name of our Lord Jesus Christ, that ye all speak the same thing, and that there be no divisions among you; but that ye be perfectly joined together in the same mind and in the same judgment."

Correlative citations from "Science and Health with Key Baker Eddy" will include (467, 9-13): "It should be thoroughly understood that all men have one Mind, one God and Father, one Life, Truth, and Love. Mankind will become perfect in proportion as this fact becomes apparent, war will cease and the true brotherhood of man will be established."

Ginger Kindle Jerrv W. Damron Marry In Sudan

Miss Ginger Kindle, daughter of Mr. and Mrs. R. R. Kindle of Maple, and Jerry Wayne Damron, son of Mr. and Mrs. C. G. Damron of Sudan, were united in marriage in the Damron home. Rev. Jesse Shaver pastor of the Circleback Baptist Church solemnized the double ring vows.

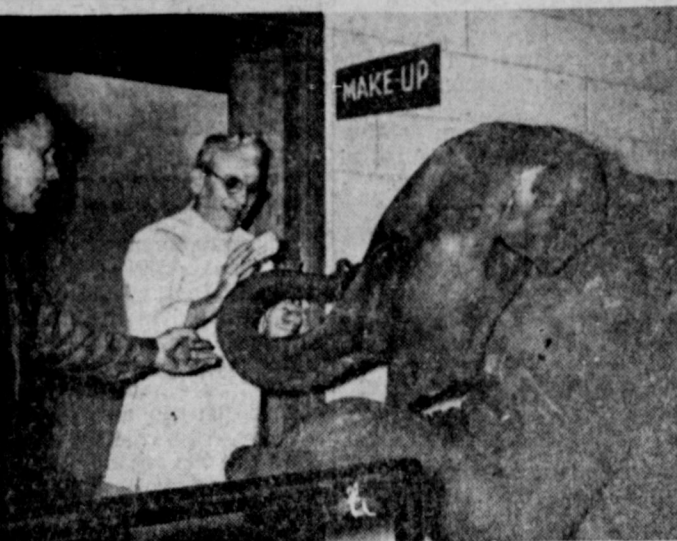

Serving as maid of honor was her sister Miss Paula Kindle. Best man was Jimmy Patton. At the reception Carol Derik, Barbara Masten, and Sandra Lemons performed the hospitalities.

After a wedding trip into New Mexico, the couple will live in the Needmore community where he is farming.

ATTEND FUNERAL IN AMARILLO THURSDAY

Quite a number of people from Muleshoe attended the funeral of Eld. W. H. Fox in Amarillo Wednesday. He was a Primitive Baptist minister, and moderator of the West Texas Association, in which the Muleshoe Primitive Baptist Church is a member. He had preached in Muleshoe a number of times, and was well-known here.

Has Trunk, Travels Often

KANDY, A 1,600-POUND INDIAN ELEPHANT, makes up to makeup man prior to TV appearance. A natural clown, on stage and off, Kandy is featured performer of Muscatine, Ia., Zoo's traveling animal act. To raise funds for the zoo, act plays engagements ranging from shopping center openings to TV programs. Zoo Superintendent Joe Frisco is an ex-animal trainer whose skill with Kandy has made act a hit with audiences young and old.

ON-CAMERA, Kandy is put through her paces by Frisco's 3 1/2-year-old daughter. Billed as youngest U.S. elephant girl, she lets animal place foot over her face, step over her body.

OFF-CAMERA, Kandy receives fans from her "mobile home." Close-up contact with elephant is big thrill for most youngsters. Admirers here offer her universal tribute—peanuts.

TO DELIGHT OF YOUTHFUL AUDIENCE, Kandy goes through acrobatic repertoire, which includes dancing, catching flags and walking a plank. A seasoned traveler, she enters and leaves canopied body of International truck with surprising grace.

Missionary From Guatemala To Speak Here

QUENTIN SHORTES

Quentin Shortes, Missionary to Guatemala, will be guest speaker at the Assembly of God Church on August 2, R. V. Luna, pastor announced here Tuesday.

Mr. Shortes will relate some of his experiences and will tell of the progress of Assemblies of God missions in Guatemala.

In 1949 Mr. Shortes with his family, went to Guatemala and with the exception of furlough periods has since been located there. He is under appointment of the foreign mission department of the assemblies of God with headquarters in Springfield, Mo.

Traveling by muleback, Mr. Shortes worked among the primitive Indians and Latin people in the mountains and along the Pacific coast. He tells of entering a town that had no church of any denomination. During the five nights that he preached there thirty-six were converted. Today in this village, there is an organized church supporting its own pastor. Churches have also been established in six villages, which can be reached only by boat.

Mr. Shortes is visiting the churches of the Assemblies of God, presenting the needs of the work in Guatemala. The public is cordially invited to hear Mr. Shortes. The service begins at 7:30 Sunday night.

Ambitious

You've heard of the man who started on a shoe string and worked his way up until he got slapped.

— The Beam, Corpus Christi.

Nasser's budget stresses gains in industry, welfare. Israel will ease curbs on her Arab minority.

Hairstylists Get Preview of New Hair Fashions

Mrs. Bobby Myers, Mrs. Bernice Amerson, and Mrs. Mary Richards attended the "Hair Fashion Forecast" for fall and winter, Sunday July 28 in Lubbock at Jessie Lee's Hair Styling Clinic.

"According to the official Hair Fashion Committee of the National Hairdressers and Cosmetologists Association, hair styles will be in tune with the new fashions in clothing, millinery, furs, and accessories, all of which are directed toward intensifying the femininity of today's women," states Jessie Lee.

One of its most distinctive features is the full front and full back silhouette, both of which are designed into a triangular or heart-shaped outline.

The nape line is softly fitted, moving up into gradually increasing fullness at the crown. At the front hairline the hair moves gently back into a soft lift of light and billowing waves, undefined, but soft, airy and almost translucent.

All of the soft and airy lightness, the greater emphasis on more undefined waves and free and easy movements are controlled with individually prescribed professional permanent waving.

This triangle silhouette must be tempered for each person. It can be turned up into an extremely triangled effect with flowing wings or widely arched crescents at the sides, or it can be softly modulated at the corners for a gently fashioned effect. The hair must be tapered the right length.

The wardrobe of neutral tones of black and gray, and beige and brown calls for special styling to intensify the personality.

Hats may be extreme, tall, queer or quaint, but small, to set upon the top of the head among the highlighted, glowing moonbeams of airy softness.

Fruity?

Gossip is like grapefruit. It has to be juicy to be good.

— Sky Ranger, Dallas, Texas.

Teacher's Lament

No one is ever too old to learn, but many people keep putting it off.

DONNY THOMAS

Pictured here is Donny Thomas, the 9 year old Muleshoe Little Leaguer, with the good sportsmanship belt he was awarded here last week by League officials.

Miss Bowers Is Honored

The home of Mrs. M. T. Wilson was the scene of a bridal shower on Friday evening July 24 honoring Miss Louise Bowers, bride-elect of Jimmy Bynum.

The honoree's chosen colors of pink and white were carried out in the center piece of pink glads and pink carnations with daisies in an epergne. Wedding bells were hung from the bottom of the flowers. Two pink satin ribbons extended from the center piece to each corner of the table and terminated in sprays of daisies and net from which pink ribbon fell. Pink candies entwined with daisies, ribbon and net completed the table decor. Miss Dorothy Hickman poured pink strawberry punch and served pink cake to the guests.

The hostess' gift was an electric skillet. Many useful and lovely gifts were received. Hostesses were: Mmes. Joe Grimsley, Glenn Dunn, Lester Baker, M. L. Baker, Toby Hatch, J. R. Harris, Elbert Hamilton, Jake Roberts, Spencer Beavers, George Wilton, M. T. Wilson.

Do You Really Think So?

If the do-it-yourself craze continues, it might even extend to thinking.

Soil Test Experiments in Hockley County Prove to be Very Valuable

College Station, July 25 -- In eight fertilizer demonstrations conducted on cotton in Hockley County in 1958, soil tests closely predicted the most profitable rate to use in all but one case, said W. F. Bennett, extension soil chemist.

Prior to establishing the demonstrations, Bill Taylor Hockley county agricultural

DR. AND MRS. LEWIS BABYSITTING THIS WEEK

Babysitting this week and might be permitted to do so are Dr. and Mrs. A. E. Lewis. Their granddaughter, Lashelle, nearly 12 months old is staying with them while her parents, Capt. and Mrs. Charles Lewis spend a week with a group of friends at the Lewis' cabin, Cowles, N. M.

The blue-eyed little visitor is making a hit wherever her grandparents take her.

There are five couples at the Lewis cabin; all the men are dentists, the five graduating together from Baylor School of Dentistry in June, 1958, and getting together again for the first time.

Enough cash in the palm will get a soothsayer to see anything.

agent, sampled the demonstration sites. The samples were then tested by the A & M College Soil Testing Laboratory and fertilizer recommendations were made. These recommendations were then compared to the actual results of the demonstration, said Bennett.

On one farm the soil test showed a 50-60-0 fertilizer was needed. The highest profit rate on this farm proved to be 45-60-0. On another farm the recommendations called for a 50-60-0 fertilizer. The highest profit rate here proved to be a 50-60-0 fertilizer.

Results on two farms showed that a rate higher than recommended by the soil test was the most profitable, but the soil test rate was the second highest profit rate.

Only on one farm did the soil tests closely predict need. In this demonstration, there was no profitable response to any fertilizer application.

Bennett points out that there are many factors that affect crop yields which a laboratory cannot analyze. But a farmer can put a soil test recommendation together with these factors and come up with a better decision on proper fertilizer rates, said Bennett.

We've Got A Lot Of Things To Crow About

Of course everyone in the county is crowing about the fine home grown fruits and vegetables here. Also the Bailey county housewives who own one of the new FROST PROOF Frigidaire Home Freezers are crowing about the wonderful way it cares for their vegetables. You never have any messy defrosting to do. Isn't that marvelous? Your freezer is always fresh and clean. Home Grown vegetables and this new freezer go together like peaches and cream. Call 9-0300 today for a free demonstration.

Spearheaded by Chamber of Commerce . . . Plans in Making For Late Summer Cleanup

At a meeting of the Muleshoe Chamber of Commerce held last Thursday, it was agreed by the directors that they would sponsor the erection of large road signs on the major highways leading into Muleshoe. These signs will be 10 x 26 feet in size. They will contain information pertinent to the city, including information on the various service clubs.

The group discussed plans for a colored brochure, for the purpose of telling and illustrating to people the many advantages of this area.

Rifa Turner Gets Frigidaire Here Saturday

Miss Rita Turner, Muleshoe High School girl, was awarded the new 1959 Frigidaire refrigerator at the Harvey Bass Appliance Store Saturday afternoon.

Rita is the daughter of Mr. and Mrs. Doyle Turner, who live 13 miles northeast of Muleshoe in the Pleasant Valley Community. She will be a Senior student in Muleshoe this fall.

Senn Slemmons was appointed to head a zoning committee, which will do some work and planning in the zoning field.

Gordon Smith was appointed to head a committee to plan a late summer cleanup campaign. Already the city officials are doing some extra cleanup in the form of cutting weeds off vacant lots, and such like.

The Chamber has several committees now at work on projects, reports from which are expected to be made in the near future. Some of these are working on plans that will be vital to this immediate area, Carroll Pouncey, Chamber manager, said recently.

Social Security Benefit Laws Show Change

This year social security taxes will be withheld on more of your earning according to John Hutton Manager of the Lubbock social security office. Last year only the first \$4200 of earnings was covered by social security and subject to the social security tax. In the '58 amendments Congress

increased the earnings base to \$4800 in order to reflect the increase in the level of wages.

"If you are an employee you should make sure that your employer keeps on withholding your social security taxes until you have been paid \$4800, the maximum credit-benefits," Hutton said. This is the time of year that many employees start reaching the \$4200 to \$4800 level and some employers might not be aware of the change. If an employer doesn't get credit for all his earnings, up to the maximum of \$4800, his benefits will be correspondingly less.

The increase in earnings base means an increase in benefits. "You'll pay more and you'll get more." The top retirement benefit payable on average earnings of \$4200 (\$350 a month) is \$116. Workers who retire in the future may qualify for the eventual maximum benefit of \$127 a month based on average earnings of \$4800 year (\$400 a month).

A representative of the Lubbock social security office will be in Muleshoe on August 6, 1959 at 9:30 A. M. at the County Courthouse and will be glad to assist in all matters pertaining to Social Security.

Bula School Head Now On The Job

Mr. Joe Turner and family, Mrs. Jodie Turner and boys Richard, Edward and a daughter Belinda of Floyd, N. M., have recently moved into one of the teacherages on the Bula School grounds, and Mr. Turner has begun his work with the Bula School as superintendent.

JOE TURNER

Mr. Turner is no stranger to people of the Bula Community, having taught commercial subjects here for four years (1950-1955).

Mr. Turner has had 8 years of teaching experience besides

teaching at Bula. He taught driver's education for one year in the Roosevelt Schools, and for the past three years he has been with the Floyd School system as commercial teacher.

Mr. Turner received his B. A. and M. A. degrees from E. N. M. U. at Portales and has also done work at Oklahoma State, and at Texas Tech.

Mr. Turner is an active member in the Methodist Church.

Assembly of God Revival To Begin Aug. 9, Needmore

MARY JUNE MILES

A Revival meeting is scheduled to begin August 9 at the Assembly of God Church in Needmore, with Miss Mary June Miles the evangelist.

Services will continue nightly until August 23.

Dorald Bell, church pastor, invites the general public to "hear the excellent preaching of this young girl."

There will also be special singing and music.

Parmer County Farm Bureau News

An amendment that would have practically killed the Farm to Market Road program was defeated in the House in Austin last week. It was an amendment proposed to HB4, which would have stopped the 15 million dollars per year purpose. The vote was 104 to 21 to kill the amendment. Our representative Jesse Osborn, as usual, voted with the farmer on this amendment. In fact, all representatives of this part of Texas voted correctly.

During the regular session, SB22 was passed that will require owners of trailers, semi-trailers, house trailers with an empty weight of 4,000 or more pounds to obtain a certificate of title for such trailer. Farmers and farm semi-trailers are exempt from having to obtain a certificate of title for such trailers when used for hauling the farmer's own farm products.

This law becomes effective on August 11, 1959. In some parts of the state, the Department of Public Safety has been issuing tickets for "unlicensed trailers" falling in the above category. This, we copied: "The stupidest man alive is the one educated beyond his capacity to think." The weed committee met

Monday night to correlate information received regarding bindweed plots on railroad and state highway right of ways. They are making plans to assist in continuing this eradication program. Your reports that may have been missed will be appreciated by members of the committee.

If you have some ideas you would like your state or United States representatives to know about regarding farming, why don't you bring those ideas in to the office, or send them in. They will be included in resolutions the members of Parmer County will vote on in October's convention.

CONSIDER THIS: As a mad man who casteth firebrands, arrows, and death, so is the man that deceiveth his neighbor, and saith, Am I not in sport? Proverbs 26: 18-19.

HOME FROM SERVICE
Mrs. G. Tellian of Earth reports her son Gerald is home from service with the Navy. He will report back for duty on August 18.

CARD OF THANKS
Words can't express my thanks and appreciation to my friends and neighbors for the visits, cards, and flowers, while I was in the West Plains Hospital, and also to the doctors, nurses and entire staff. I thank you every one.
Mrs. A. L. Davis

SPONSOR YARD CLEANUP
Monday evening, July 27, at 6 P. M. the Alpha Sunday School class of Trinity Baptist Church sponsored a yard cleanup at the church. After the yard was all cleaned up, everyone enjoyed home-made ice cream and cake.

**Wimberly-Morrow
Plan to Exchange
Vows in August**

Miss Juanelle Wimberly

The Rev. and Mrs. J. H. Wimberly, 1612 Seventh St. of Las Vegas, New Mexico, have announced the engagement and approaching marriage of their daughter, Juanelle to William Robert Morrow, son of Mr. and Mrs. A. H. Morrow of Batavia, New York.

An August 2 wedding at the Emmanuel Baptist Church is planned. The three o'clock ceremony will be open to all relatives and friends.

Miss Wimberly is a 1958 graduate of Paschal High School in Ft. Worth, Texas. She was formerly a student of the Muleshoe Schools and she is the granddaughter of Mr. and Mrs. J. A. Wimberly and Mr. and Mrs. H. M. Shofner of Muleshoe. She attended Way-

**Muleshoe Girl
Attends National
FHA Convention**

Virginia Hickman, 16, daughter of Mr. and Mrs. M. E. Hickman of Route 2, Muleshoe, attended the 1959 National Convention of the Future Homemakers of America at the Conrad Hilton Hotel in Chicago, Illinois, July 13-17.

Virginia along with 2,000 teenage delegates from all parts of the United States, participated in group work on such topics as "Focus on the Family" and "Your Future With Home Economics." Through these discussions the FHA'ers gained ideas for experiences and abilities to carry out in local FHA chapters which will help them to develop the abilities needed in home and family life today.

While attending the meeting, Virginia served as hostess along with 264 Texas delegates at the banquet, and was a participant in the Thursday morning program, "Getting to Know You."

Mr. and Mrs. Jimmy Cannon and children spent Sunday in Lubbock visiting friends and also visit with Mr. Cannon's sister Mr. and Mrs. R. E. Martin.

land College at Plainview the past year.

Mr. Morrow is a graduate of Hendrick Hudson High School, Peekskill New York. He served with the Airforce for three years and is a student at Wayland Baptist College where both plan to continue their education following the wedding.

The Muleshoe Journal Thursday, July 30, 1959

**Millen - Hall
Engagement Is
Announced Here**

LINDA LAVELLE MILLEN

Mr. and Mrs. W. T. Millen of the Y. L. Community announce the engagement of their daughter, Linda Lavelle, to Jerry Mack Hall, son of Mr. and Mrs. E. H. Hall of Lazbuddie.

Miss Millen is a graduate of Muleshoe High School, class of 1959. Young Hall is a 1957 graduate of Lazbuddie High School. Mr. Hall is employed with the Bailey Co. Electric Co-op.

The wedding will take place at the Y. L. Methodist Church September 6, at 4:00 o'clock with the Rev. D. C. Reid officiating. A reception will be at the home of the bride. All friends of the couple are invited to attend.

**Celebrate Birthdays
With Sunday Dinner**

Mrs. J. L. Redwine Sr. and her son-in-law Doyle Henry of Lubbock celebrated their birthdays Sunday.

The family of Mrs. Redwine attended church and then had birthday dinner at the home of Mr. and Mrs. Elmer Downing, Mrs. Redwine's daughter.

Those attending were: Mr. and Mrs. J. L. Redwine Sr., Mr. and Mrs. Doyle Henry and Bobby Don of Lubbock, Mr. and Mrs. J. L. Redwine, Jr. and Leslie of Muleshoe, Mr. and Mrs. Elmer Downing of the Lazbuddie community, Jackie and Nelda of the home, and Robert Hunt. After dinner, the Henry's and Nelda and Robert went boating at Bull Lake near Littlefield.

**Mrs. Anderson Is
Hostess to the
Methodist WSCS**

Esther Circle of the Methodist Church met July 28 in the home of Mrs. Dayid Anderson. There were nine members present and one guest, Mrs. Paul, Mrs. Robert Harten gave the devotional.

Mrs. Grace Morris and Mrs. Scotty Morris gave a very interesting program on "Where does our money go?"

Mrs. Joey Wyr gave an outline on the studies we will have the coming year and the relationship of WSCS to the church. A short business meeting followed.

Doris Jones, Secy. - Treas.

Warren Family Holds Reunion Three Days

The Warren family held a reunion in the home of F. D. Warren July 17, 18, and 19 in Sudan.

Included were two brothers, three sisters and the mother. They came from Maple, Hobbs, N. M., Amarillo, Crowley, Fort Worth, and Wichita Falls. Also friends and relatives from the community.

Mrs. Warren says: We want to thank Mrs. Billie Chester, Mrs. Bill Turner, Mrs. Lendel McCurdy for the cot, chairs and dishes.

**Housewarming
Today For
Grandma Schroeter**

There'll be a housewarming for "Grandma" Schroeter and daughter Esther in their new home in 1600 block Avenue B at 4 o'clock this afternoon. The family recently completed their new home after selling the home on the highway which they have occupied so long to Morris Douglass Implement Co.

Mrs. Wynnie Dunn, a neighbor and long-time friend, said neighbors and friends would gather at the house this afternoon.

**Brown-Nowlin
Wedding Vows
Are Exchanged**

Miss Bonnie Brown of Earth and Joel Nowlin of Muleshoe, were united in marriage Thursday, July 23, in a ceremony solemnized in Muleshoe Primitive Baptist Church.

Elder Curtis Nowlin, father of the bridegroom of Quemado Texas, officiated in the exchanging of vows. Members of the immediate families, and a few close friends attended the wedding.

After a short wedding trip they are at home in Muleshoe. He is a carpenter employed with Millican and Nowlin here.

ternoon for a time of visiting, after which, refreshments would be served.

Yesterday, Mrs. Schroeter, who is a paralytic, was taken for an ambulance ride over the city and Oklahoma Lane Community, where the family resided so long and she enjoyed every minute of it. "Grandma" Kaltwasser rode in the ambulance with her.

**MINISTERS RETURN
FROM CONVENTION**

Twenty members of the Muleshoe congregation of Jehovah's Witnesses returned July 20 from their Awake Ministers District Assembly held July 16 to 19 in Albuquerque, New Mexico.

Boyd Lowery, presiding minister, said many whole fami-

lies attended, most of them traveling by car. "In addition to enjoying Christian fellowship, we received much Bible instruction and advanced ministerial training that will help us to be of greater assistance to our neighbors in our house-to-house ministry and home Bible teaching."

**Rebekah Lodge
Plans Picnic
August 1st**

Muleshoe Rebekah Lodge No. 114, met Tuesday night in the IOOF Lodge Hall with a very interesting meeting. After the business session Bobby

Robertson gave his report. He showed pictures of the UN trip which he made this summer. He made interesting comments and said that the General Assembly of the UN is an organization which helps everyone to learn and live for peace and tries to help settle unpleasant difficulties between nations. The UN also tries, he said, to help any that are in need of help.

Following the meeting, refreshments of sandwiches and cold drinks were served to about thirty people in attendance. Present were people from Needmore, Earth and Muleshoe.

Also on Tuesday night of last week the Lodge met with nine members present.

District Deputy Ona Berry and five members gave a report of the installation at Morton July 16. Officers installed were Noble Grand Lenzie Mae Doyle and Vice Grand Dorothy Westerman. A very nice meeting was held.

The Friona Lodge invited the local Rebekah Lodge members to meet with them on Thursday the 30th in an ice cream social.

Past Noble Grand Doris English presented the Lodge with her project 3 links painted on luncheon clothes. They were very beautiful. Members of all branches of IOOF are reminded of the picnic at the game reserve on August 1.

**HERE'S
A
TIP!**

**Bailey County Vegetables
ARE THE BEST**

Take this tip—feed your family plenty of fresh, home grown fruits and vegetables, and they will always be well fed.

All the citizens of our county should appreciate the fact that the week of July 27-Aug. 1 has been declared and set aside as Bailey County Vegetable Week.

Our fertile soils, and our pleasant climate have proven to be ideal for the growth of vegetables, and our farmers are taking the lead in this new West Plains industry. We salute those of our merchants and citizens who are engaged in growing and processing vegetables.

Sandhills Philosopher up in ARMS OVER HIGH-FALUTING VIEW OF WHAT LAZINESS CONSISTS OF

Editor's note: The Sandhills Philosopher on his Johnson grass farm discusses a topic he no doubt is an authority on—laziness.

Dear editor: For example, I read in a newspaper yesterday afternoon while I was resting under a shade tree out here on my Johnson grass farm—well technically I wasn't resting, at least I hadn't done anything to make me tired, what I was

doing was just sitting there because I wanted to—where a prominent British surgeon has been analyzing laziness. According to him "laziness implies a lot of intelligence. It is the normal, healthy attitude of a man with nothing to do. We should study its technique."

This is what I'm talking about. Thunder, laziness doesn't imply a lot of intelligence, you can be lazy whether you've got any sense or not. You can be dumb and be lazy, and you can be intelligent and be lazy. Some of the busiest people I know ain't very bright and some of the brightest people I know ain't very busy.

And as far it's being a "normal healthy attitude of a man with nothing to do" I can tell

Babson Discusses Four Ways Of Investing Money

Babson Park, Mass., July 30. I am not surprised that my first survey of 1959 crop prospects indicates a total outturn second only to the huge 1958 record. This spotlights once again the folly of crop supports. These figures do mean that farmers should diversify more and not gamble on only one crop.

Wheat and Other Grains
 Barring serious damage to the spring wheat crop, I forecast that the total outturn of wheat this year will be around 1,135,000,000 bushels. This is down about 20% from the record 1958 production, but 7% above the 1948-1957 average. Including the estimated July 1 carry-over of about 1,285,000,000 bushels, supplies for 1959-1960 are more than double total average annual disappearance. Most of the July 1 stocks were in government hands and will not glut the market. The 1959 crop will be supported at a national average rate of \$1.81 a bushel. Thus bulwarmed, wheat prices could average higher in the months ahead.

I expect the barley crop to be around 414,000,000 bushels—12% below the 1958 record high but 30% above average. With July 1 farm stocks the largest since 1943, total barley supplies should easily suffice for 1959-1960 requirements.

A smaller acreage and poor yields have cut flaxseed prospects to about 27,000,000 bushels—down sharply from the 1958 outturn and 30% below the ten-year average. There will be no dearth, however, for here also July 1 farm stocks were relatively large. From the smallest acreage of oats for grain since 1932, farmers probably will harvest a crop of over 1,000,000,000 bushels—down 29% from 1958 and 23% below average. Even so, I expect no shortage of oats this season, since July 1 farm stocks were at a record high of about 300,000,000 bushels. The rye crop may be down to about 21,400,000 bushels—a third less than last year, and 5% below average. However, this year's

crop will suffice. Somewhat less than half this year. The crop may hit a record high of 4,224,450,000 bushels which would be 29% above the ten-year average of 3,251,064,000 bushels. Despite heavy consumption this season, July 2 farm stocks were the third largest for the date. Barring serious damage to the big reserve was under CCC loan. Smaller output of other feed grains, plus siphoning of sizable supplies of corn into government loans and an expected heavy total disappearance in 1959-1960, may partly offset any corn pile-up.

Corn, Dry Beans, and Rice
 U. S. farmers apparently have great confidence in corn this year. The crop may hit a record high of 4,224,450,000 bushels which would be 29% above the ten-year average of 3,251,064,000 bushels. Despite heavy consumption this season, July 2 farm stocks were the third largest for the date. Barring serious damage to the big reserve was under CCC loan. Smaller output of other feed grains, plus siphoning of sizable supplies of corn into government loans and an expected heavy total disappearance in 1959-1960, may partly offset any corn pile-up.

Another large crop of dry edible beans is in prospect. Although the indicated outturn of 18,434,000 bags is 3% smaller than the large 1958 crop, it is well above the 1948-1957 average of 16,804,000 bags. This crop, plus the carryover, will easily cover all needs in the 1959-1960 season. The rice crop also looks promising, with a U. S. outturn of over 50,000,000 bags (100 pounds each) expected, compared with the 1958 crop and a ten year average of around 47,000,000 bags.

Cotton and Soybeans
 U. S. farmers planted 28% more acreage to cotton this spring than last. Given the high per-acre yields of recent years, the cotton crop could be about 14,000,000 bales, compared with last year's 11,512,000 bales and the ten-year average of 14,136,000 bales. U. S. consumption and exports in the 1959-1960 season may well exceed the 1959 crop. Therefore, the carryover a year hence should not differ materially from the estimated 8,800,000 bales this year. Only three years ago, the carryover amounted to 14,528,823 bales, case during the peak of the marketing season this fall, but should strengthen thereafter.

After nearly a decade of annual acreage boosts, U. S. farmers this year cut planted acreage of soybeans 8% under a year ago. Thus, the 1959 outturn could be down from last year's 574,000,000 bushels. Barring severe crop damage, the total 1959 crop should easily suffice for all requirements. Farm stocks still are near a record high.

It's The Law In Texas

FACTS NEEDED TO PLAN WILL

In planning your will, your lawyer will want to know your true wishes; and then, to help you realize them, he will want to know a few facts.

Are you married? Any children or grandchildren? Previously married? Widowed? Your age and those of your beneficiaries? Legal residence. Health?

Why these questions? You'll have to work out your plan in view of the laws governing death taxes, property laws, and, if you are married, separate and community property.

Age? If you wish to set up trusts in the will, your age and those of your beneficiaries may help you to decide whether, for example, to use capital of the trust fund as well as its income for the beneficiaries.

Your residence? Most important, since state laws govern many items of personal property.

Do you plan to move to another state? If so, consult its laws. Many people who come to Texas from other states should see that their wills conform to and take advantage of our laws.

Some people live half the year in Texas and half elsewhere. If you do, take steps to nail down your claim to reside in one state or another, to avoid needless litigation and possible claims to taxes in both states.

Your health? If possible, have your will drafted while you are in good health and clear minded.

Contests, through relatively rare in Texas, still do take place. In some cases, for example where non-relatives inherit, it may be a good idea to give reasons for these bequests in your will and to tell why you may have left some relative out (for instance, where a child has been taken care of by gifts or in other ways).

(This column, prepared by the State Bar of Texas, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law.)

* Engineers design our highways. It's your job to use them safely. . . Slow Down and Live.

PRIMARY IN MAY . . . Texas Election Laws Changed

The old political cry of "There'll be some changes made" will hold true in Texas next year.

Bailey County voters who are used to going to the polls in the heat of July and August will play it cool in 1960. They'll do their voting in May and June, before things really get hot—weatherwise, and the Governor has passed, and the Legislature has signed, a bill which will be law, moving the primary elections (Democratic and otherwise) and conventions from July and August to May and June. Here's about the way things will move in 1960:

Filing deadline—Monday, Feb. 1.
 First Primary and Precinct conventions—Saturday, May 7.

County Conventions—Sat. May 14.
 Second Primary—Saturday, June 4.

State (Presidential) Convention—Tuesday, June 14.
 State (Governor) Convention—Tuesday, September 20.

The new law provides that delegates elected at the May county convention shall be delegates "for all state conventions throughout the remainder of the year."

This means that Presidential State Convention delegates in June will also be the delegates attending the subsequent September state convention, according to the

Texas Democratic Newsletter. Another change based on all Convention delegation strengths on the votes for Governor in the preceding presidential election, but this provision isn't effective until 1962. Next year, the delegation strengths will be based, as usual, on the vote for Governor in the preceding General Election (1958).

Something else new, a person's "ticket" for admission into next spring's precinct conventions will be a stamped poll tax receipt or a certificate showing participation in the primary.

The fact that a person's names is on poll list for the precinct does not entitle them to attend their precinct convention as has been the case for several years.

Another bill, designed to curb possible abuse in absentee voting was also passed at the regular session of the Legislature.

Only sick and disabled voters will now be able to receive absentee ballots within the county of their residence.

Voters absent from the county can still vote by mailing providing they make application from outside the county of their residence. However, if they expect to be within the county during the period of absentee voting, they are required to vote in person at the county clerk's office.

Also the absentee voter will detach the signed stub, seal his ballot in the plain and unidentifiable envelope, then place the stub and the sealed ballot in a larger envelope. The sealed envelope would then be deposited by the election judges in the ballot box and would not be opened until the time for counting the ballots.

New Bush Type Watermelon Now Being Developed

A new type watermelon, known as the "bust" watermelon, has been developed, and is said to be able to produce twice as many melons per acre as the vine type.

It is said that the bush melons appear capable of producing a normal number of melons of size comparable to those produced by vine plants, but only the space is required reports H. C. Mohr, associate professor, at A & M College.

Most of the present breeding lines produce red-fleshed melons which vary from New Hampshire midgets to Black Diamond size. Also Mohr adds disease resistance is equal or superior to that of the Charleston Gray in many of the lines. These new type melons are being further tested and no seed are available to the public at the present time.

News Of Men In Service

JAMES O. CROCKER ON HEAVY CRUISER THE USS HELENA

San Francisco, Calif. James O. Crocker, gunner's mate second class, USN, son of Mr. and Mrs. C. T. Crocker of Route 2, Muleshoe, serving aboard the heavy cruiser USS Helena, took part in a full-scale naval review and visit to San Francisco, Calif., July 17-20, after completing a major exercise held off the California coast.

The 15,000 men and 26 ships of the U.S. First Fleet were reviewed by Admiral Herbert G. Hopwood, USN, the Commander-in-Chief of the U.S. Pacific Fleet, as they passed under the Golden Gate bridge.

The exercise which preceded the San Francisco visit involved fast-moving aggressive attack carrier teams which struck at simulated mainland targets as naval air patrol squadrons and submarines held the defensive roll.

Exercises of this type are designed to give advanced training to personnel preparing to make cruises with the U. S.

Seventh Fleet in the Western Pacific

VIRGIL V. VAUGHN ABOARD USS MIDWAY

San Francisco, Calif. - Virgil V. Vaughn, fireman, USN, son of Mr. and Mrs. E. L. Vaughn of Route 2, Muleshoe, serving aboard the attack aircraft carrier USS Midway, took part in a full-scale naval review and visit to San Francisco, Calif., July 17-20, after completing a major exercise held off the California coast.

The 15,000 men and 26 ships of the U.S. First Fleet were reviewed by Admiral Herbert G. Hopwood, USN, the Commander-in-Chief of the U.S. Pacific Fleet, as they passed under the Golden Gate bridge.

H. D. Club Clatter . . . Cottage Cheese Makes Thrifty But Elegant Dessert - Try It

Harriette K. Jackson County Home Dem. Agent

Call it Dutch, call it baker's or call it pot. By any name, Cottage Cheese is still the same fine milk product it was in colonial days.

Settlers from Holland and Germany introduced the art of making cottage cheese to this country. Their skill for making and using "Smearcase" has been passed down from generation to generation.

Here's one of their recipes that has become famous. It's called Dutch cheese cake. It's an inexpensive, but elegant dessert, calling for one pound cottage cheese, 1/4 cup milk, 1/3 cup sugar, graded rind and juice of one lemon, one pie crust, 1/2 teaspoon salt, 1/2 cup chopped raisins, 3 eggs beaten and 2 tablespoons melted fat.

Bake the crust in a deep pan until a delicate brown. While it's baking, press the cheese through a fine sieve. Add first the milk, then the sugar and salt and the raisins, next the beaten eggs, melted fat, lemon juice and grated rind.

Stir until mixed well. Fill the baked crust with this. Bake in a moderate oven until firm in the center - about 15 or 20 minutes.

Cottage cheese is no longer confined to areas settled by the Dutch or Germans, for it is sold in every community in the country.

Since 1925, per capita consumption has risen from less than a pound to nearly 3 1/2 pounds.

Did you know that cottage cheese can be made from dry skim milk? For instructions call me at my office. Phone Number 9-1960.

THE SMALL FRY

To most children, the word "party" is or should be a magic work that means friends, fun and food. . . It also means plans, activities and anticipation.

The child who is allowed to help plan and prepare the party has a double amount of fun. The party is more apt to be a success and provides desirable social experiences if it is planned with the child, with his interests, stage of development and temperament taken into consideration.

The ideas to help while planning a party are:

1. Avoid elaborate parties they usually end up being "Mother" parties.
2. Invite the same number of guests as child is old.
3. Have one adult to help with children and refreshments.
4. Provide room and recreation away from children, for other mothers who must come.
5. Limit the time to 1 1/2 or 2 hours. . . A good time is just before lunch or after nap time in the afternoon.
6. Encourage guests to dress comfortably.

In planning refreshments choose foods that are healthful, colorful, and suited to the time of the day. Serve small portions and allow chances for "seconds." Make the table as colorful and attractive as possible.

Plan entertainment that is within the ability of all. A child's span of interest is fairly short, so plan a variety of activities. Tell children when the party is ended and send them on their way.

Simple, well-planned parties help children to develop as hosts and provide an opportunity to share home, friends and toys.

BUYING GROCERIES "ON IMPULSE" IS COSTLY

Do you plan ahead and have a shopping list when you go to the grocery store, or do you buy whatever attracts you at the moment? . . . Impulse buying is costly.

Here is why. . . Buying - because the food looks good is attractively displayed, or suits your appetite at the moment, often rules out such considerations as:

formation, general military subjects, tactical training and weapons instruction.

During the period of troop information, the soldier is instructed in achievements and traditions of the Army, military justice, maintenance and supply economy. These courses are to familiarize the soldier with his obligations, duties and personal rights while a member of the U. S. Army.

The general military subjects consist of concealment and camouflage, drills and ceremonies, field sanitation, personal hygiene, first aid, individual protective measures against a chemical, biological or radiological attack, atomic warfare indoctrination, guard duty, inspections, intelligence training and physical training.

During the soldier's tactical training he participates in anti-infiltration and anti-guerrilla warfare training, marches, bivouacs, rifle squad tactical training, squad parading, combat firing, field fortifications and individual day and night training on the close combat course and the infiltration course.

The weapons instruction consists of training in the use of grenades plus individual weapon familiarization and qualification with the Army M-1 rifle.

the eight weeks of training and instruction, he will go on to advanced Infantry or other specialized training before being assigned to a unit.

DR. AND MRS. SANTOS BUY ARVEL WHITE HOME

Dr. and Mrs. Ray E. Santos have purchased the home of Mr. and Mrs. Arvel White in Lenau addition. The home, consisting of two bedrooms and den, is located at 225 E. Elm. Eddie Lane, local real estate man, effected the sale.

Dr. Santos is now a member of the staff of West Plains Hospital. The Whites recently moved to Spearman, where they bought a department store.

Progress News

by Mrs. M. O. Nigh

Mr. and Mrs. Johnnie Calvert and children visited Sunday with their parents at Lorenzo and Ralls.

Sunday visitors in the J. D. Gray home were Mr. and Mrs. Luke Metcalf and son of Friona.

BROTHER PASSED AWAY
Word was received here Sunday afternoon by Opal Myers of the death of his brother Earl Myers of Bakersfield, California. Opal and two other brothers, Allison of Meadow, and Clifford of Hart, left Sunday night for Bakersfield.

Mr. and Mrs. C. J. Ivey of Sulpha Springs visited here recently with their daughter and family Mr. and Mrs. Vernon Roming and family.

Visiting in the home of Mr. and Mrs. R. M. Gibson Sunday were their son and family Mr. and Mrs. Dale Gibson and children of Pampana, Texas.

Mr. and Mrs. Clarence Merritt were visitors in the home of his brother and family, Rev. and Mrs. Cane Merritt and family last weekend.

Charles Merritt visited in Plainview last weekend and did special church work with other young people from Baptist Encampment.

Our sympathy goes to Mr. and Mrs. Arthur Proffitt on the death of their little son who passed away Friday July 24. He was born July 22, weighing 3 lb., 12 oz. and was named William Dale. The burial was in the Muleshoe Cemetery.

Mr. and Mrs. Clay Seaburn and children of Pamona, California were here Sunday to visit his aunt Mrs. Annie Hill.

VACATIONING IN COWLES, NEW MEXICO
Mr. and Mrs. Joe Simmacher and Mr. and Mrs. Douglas Ferrell and baby spent a few days vacationing in Cowles, New Mexico over the past week end.

Jimmie Presley spent a few days in the hospital with flu this past week.

Mr. and Mrs. Clyde Henry went to Austin to visit their daughter and family Mr. and Mrs. Curtis Goss and children; and Shirley returned home after spending several weeks with the Gosses.

Mrs. Mary sweatman went to Dallas for a medical checkup.

Diane, Bryan, and Leslie Johnson of Olton are here spending the week with their grandparents, Mr. and Mrs. O. S. Richards.

Mr. and Mrs. Doyle Henry and son of Lubbock spent the weekend with Mrs. Henry's parents Mr. and Mrs. Lenard Redwine.

Jean Hudson, daughter of Mr. and Mrs. Bert Hudson is in a Muleshoe Hospital quite ill.

M. O. Nigh went to Lockney

Monday to carry his mother, Mrs. M. F. Nigh home, after spending a week here visiting with her son and family.

CADET CLAUDE ROSE TRAINING AT HOOD

Fort Hood, Texas - Cadet Claude H. Rose, Jr., 22, son of Mrs. Myrtle E. Rose, Farwell is receiving six weeks of training at the Reserve Officer Training Corps summer camp at Ft. Hood, Texas. The training is scheduled to be completed by July 31.

Rose is a 1955 graduate of New Mexico Military Institute High School, a 1957 graduate of the Institute College and is a student at the University of Oklahoma.

Pleasant Valley Views

by Mrs. John West

Mrs. Kenneth Duncan is a patient in the West Plains Hospital and Clinic in Muleshoe where she underwent major surgery last Thursday and her condition is satisfactory.

Visit in Canyon

Mr. and Mrs. John W. West were guests of Mr. and Mrs. J. Evetts Haley Jr. in Canyon last Wednesday night.

Veta and Carolyn Allison left Friday by bus for Lovington, New Mexico to visit with relatives.

Johnny and James West rode their motor scooter to Berger last Friday to spend a week with Tommy and Ronnie West.

Social Club Meets

Pleasant Valley Social Club

met Thursday night July 23rd at the Community Center. The President Jean Hardin presided at the business meeting. This was the last meeting of our contest and it was announced that the Greens won. A box of candy and magazines was filed to be taken to the Old Folks Home in Amherst. Mrs. John St. Clair volunteered to deliver it and to inquire as to the needs of the home.

The Club voted to co-operate with the Recreation Club in sponsoring a Community-wide meeting and ice cream supper the night of August 15th. At the close of the meeting home-made ice cream and cake were served to the thirteen members present by the hostesses, Gay Nell Pitts and Ethel Allison.

Mr. and Mrs. Harold Allison and sons went to Ft. Sumner Sunday to visit relatives.

Mr. and Mrs. Charles Zumwalt and family of Lawton, Oklahoma visited in the home of the W. F. Stewarts part of last week.

Freddie Stewart has returned home from wheat harvest in Colorado.

Patsy Angeley and Brenda Bills went to a slumber party Monday night at the home of

Karen Burlsmith. Mrs. J. R. Morris, Rickey and Kim of Wolforth spent Sunday with her sister and family the T. E. Bills.

Mr. John Donaldson of New London, Ohio and J. Evetts Haley Jr. of Canyon were overnight guests of Mr. and Mrs. John West Friday night. Other guests for the evening were Mr. and Mrs. Gil Lamb of Muleshoe, Mr. and Mrs. Oscar Allison, Kenneth Precure, and Harold Allison.

Rita Turner was the winner of the refrigerator given by Harvey Bass in Muleshoe Saturday.

4-H Honors

Pleasant Valley 4-H girls took top honors in the two divisions they entered at the Lamb County 4-H Dress Revue last week. In the first year girls, Ramona McMahon daughter of Mr. and Mrs. Walter McMahon won first place. Brenda Bills, daughter of Mr. and Mrs. T. E. Bills won second place; Lyna Pitts daughter of Mr. and Mrs. Kirk Pitts and Paula Holt daughter of Mr. and Mrs. Cleo Holt won third place ribbons.

In the Junior Division, Veta Allison, daughter of Mr. and Mrs. Harold Allison won first place. Patsy Angeley daughter of Mr. and Mrs. E. K. Angeley and Carolyn Allison daughter won second place ribbons, and Sheryl Stevens daughter of Mr. and Mrs. Elmo Stevens won third place ribbon. Veta will represent Lamb County in the Junior Division at the District dress revue held in Lubbock July 31. The Pleasant Valley girls sang two numbers at the Lamb County Revue, Lollypop, accompanied by Veta Allison at the piano and Tom Dooley accompanied on the accordion by Sheryl Stevens.

Weekend guests of the A. J. Commons were Mr. Commons sister and son Mrs. N. R. Dunn and Percy of McKinney, Texas and Mrs. Commons' brother and family, L. Col. and Mrs. J. B. Bryant and children. The Bryants have just ended a four year tour of duty in

Washington, D. C. and are transferring to Rome, N. Y.

Mr. and Mrs. Bob Wuerflein of Enid, Okla., spent the weekend with Mrs. Lillie Wuerflein and sons. Martha Wuerflein was home for the weekend also. Other guests were Mary Sandres and Karen Stevens of West Camp on Sunday. Bob Wuerflein is a medical student at Phillips University in Oklahoma.

Attend Dress Revue

Adults from Pleasant Valley attending the Lamb County Dress Revue in Littlefield were, Mrs. Elmo Stevens, Allen Haley, Anne Farley, T. E. Bills, Kirk Pitts, E. K. Angeley, Harold Allison, Walter McMahon, and Cleo Holt.

Maple News

by Mrs. Oran Reaves

We wish to express our sympathy to the loved ones of Mr. Jack Lowe who was killed in an accident last Tuesday morning on his farm.

Mr. and Mrs. Cass Stegall and children; Mr. and Mrs. Tommy Galt and children; and the parents of Mrs. Stegall and Mrs. Galt; Mr. and Mrs. Gaddy of Portales, N. M.; all are on their vacation at Red River, New Mexico this week.

Mr. and Mrs. Cecil Mann and children of Portales, N. M., visited her parents Mr. and Mrs. C. L. Taylor Thursday of last week.

Mr. and Mrs. Jack Cline and children spent the weekend in Lubbock with relatives.

Mr. and Mrs. Foy Lewis and children left the first of the week for a vacation in Ark.

ATTENDED FELLOWSHIP

Several from the Maple Church of Christ attended the Fellowship at the Church of Christ at 16th and Pile St., Clovis, New Mexico. Those going from Maple were Mr. and Mrs. Foy Lewis and children; Bro. and Mrs. Bill Robinson; Mr. and Mrs. Oran Reaves and children; Jim and Bob Pyborn and Lawrence and Dorman Taylor. Everyone really enjoyed themselves.

Mr. and Mrs. C. L. Taylor were in Lubbock Tuesday. She had to go back to the doctor for a check-up.

Mrs. Odell Ballard and children spent last week in Levelland with her parents Mr. and Mrs. Polk.

Misses Maudine and Karen Eubanks and Miss Shirley Reeves of Lubbock spent the week-end with their parents Mr. and Mrs. Bill Eubanks

MRS. DAVIS IMPROVED

Mrs. Bill Eubanks and Joy, and Mrs. R. L. Davis visited Mrs. Davis in the Hale Center Hospital Sunday. Mrs. Davis is feeling a lot better at this time.

Miss Kathy Polard spent the weekend with her sister and family Mr. and Mrs. Jerry Simpson.

Mrs. Jim Simpson was on the sick list Sunday.

Bula School Calendar of Activities Given

Joe Turner, Superintendent of the Bula Schools has announced the calendar of activities for the coming school term.

Listed as highlights of the school program by Turner are the following:
August 31: All pupils register and school officially opens.
November 26-29: Thanksgiving Holidays.
December 24-January 3:

Enochs News Events

by Mrs. Jerome Cash

By Mrs. Jerome Cash Cash Reunion

The Cash reunion was held Sunday July 26 in the Mackenzie Park in Lubbock. The following were present: Mr. and Mrs. Don Williams and girls; Mr. and Mrs. Russ Arndell; Mr. and Mrs. P. L. Wade; Mr. and Mrs. Webb Williams, and Mrs. Nettie Taylor all of Lubbock; Mr. and Mrs. R. R. Rackler and boys of Slaton; Mr. and Mrs. Douglas Cash and children of Fort Worth; Mr. and Mrs. Jerome Cash and daughter Ruby and Ronnie Ethridge of Muleshoe; James Angle of Shallowater; Mr. and Mrs. James Cash and family; Mr. and Mrs. Harold Manning all of Hereford; and Mr. and Mrs. Bill Price and children of Delhi, California.

Guests in the C. H. Byers home Sunday were Mr. and Mrs. Reuban Payne and family of Petersburg; Mrs. Jack Parr and girls of Lubbock; and Mary Sue Brown of Littlefield.

Mr. and Mrs. Earl Finley of Wellington; Mr. and Mrs. Leola Finley and children of Lubbock were all visiting in the home of the J. D. Bayless family Sunday.

May 20: High School Graduation.

Army Nurse Corps In Need of Special Nurses

To meet an urgent and continuing need for professional nurses, the U. S. Army Nurse Corps offers various career benefits not available outside of military service, SFC Joan G. Mattmiller, U. S. Army Recruiter announced today.

The Army's nurse procurement program, as explained by the sergeant is designed to attract both graduate and student nurses. In both categories, the career benefits are of a monetary and educational nature.

Registered professional nurses receive a substantial starting salary as a commissioned officer in a rank determined by educational background and experience. Also, a lump sum payment of \$300 is given for the purchase of uniforms. Student nurses may earn in excess of \$200 a month while still in nursing school. Upon graduation, the students be- receive the same salary and uniform allowances offered graduates.

Educational opportunities are offered to both the graduate and student to meet the growing demand for specialization required by today's modern Army.

Registered nurses presently studying toward a bachelor's or master's degree may receive an officer's commission as a second lieutenant, continue their civilian schooling at government expense, and still receive their full Army pay. Registered nurses who have already acquired higher degrees in nursing, may be commissioned in a rank higher than that of a second lieutenant.

Student nurses, upon graduation from nursing school, and after being commissioned as an officer, may continue their studies toward a bachelor's or master's degree at government expense while receiving their Army pay.

Further information on career benefits and qualification requirements may be obtained from Sgt. Mattmiller at 208 Main Street in Clovis.

VACATION AT YELLOWSTONE

Mr. and Mrs. H. W. Carpenter and their daughter Susie, accompanied by Mr. and Mrs. R. W. Wright and Marilyn from Boulder, Colo. returned home Friday after spending nine days vacationing in Yellowstone, Wyoming, Idaho, Salt Lake City, Utah, and Colorado.

HERE FROM EDMONSON

Mr. and Mrs. Melvin Morton from Edmonson were here over the weekend visiting her parents, Mr. and Mrs. Carl Evans.

ron 18, Sudan, and Miss Robbie Virginia Kindale 15, Maple.

July 23: Joel Martin Nowlin 20, Muleshoe, and Miss Bonnie Brown, 16, Earth.

July 28: Kenneth James Pemberton, Muleshoe and Ethel Mae Rowland, Muleshoe.

July 28, Jimmie Edward Bynum 19, and Miss Anita Louise Bowers, 20, both of Muleshoe.

VISIT SAINS

Mr. and Mrs. Barney Scheller and boys of Earth and Mrs. Dan Harper of Clovis spent Sunday in the home of Mr. and Mrs. W. F. Sain and girls.

Maudine Barnes, Penny Grusendorf, Mrs. Bill Curry, and Muri Morgan. While there they saw Dr. Karl Steele, a well-known artist; Georgia Lee, the actress; Ester Kim, a Korean missionary; Dr. and Mrs. Frank Belvin, Indian missionaries and many others. Maudine and Penny were the Texas sport directors in which there were 350 attending girls. They enjoyed themselves very much and wished everyone could have attended.

Many Good Foods On plentiful List For August

Fresh fruits and summer vegetables dominate the list of plentiful foods for August, the agricultural marketing service in Dallas has announced.

Peas and plums head the list. Shipments of these fruits will be rolling from the largest pear crops since 1949 and from a plum crop about 70 percent larger than last year.

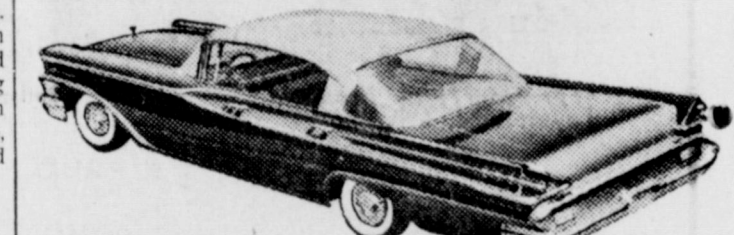

Supplies of peaches, lemons and limes are expected to run especially heavy too. Only meat to show up on the plentiful list is Turkey. Other items in good supply include eggs, peanut butter, onions, vegetable fats and oils.

Mr. and Mrs. Harvey Bass and girls visited in Lubbock Sunday.

Mr. and Mrs. Barney Scheller and boys of Earth and Mrs. Dan Harper of Clovis spent Sunday in the home of Mr. and Mrs. W. F. Sain and girls.

BULA NEWS BRIEFS

by Mrs. John Blackman

Mr. and Mrs. J. B. Featherston of Chilton, Texas visited over the weekend in the L. L. Waldey home.

Mr. and Mrs. Featherston were on their return home after visiting with their son and family, Mr. and Mrs. John H. Featherston in Mayfield, Kentucky. The young Mr. and Mrs. Featherston and two children Marie and Johnny are flying from New York on August 1 for Frankfurt, Germany where he will speak at the lecture ship for European countries, his subject being "Progress of the Churches of Christ in the U. S. A." After spending one day in Frankfurt, the Featherstons will continue their flight to Nigeria, West Africa, where both Mr. and Mrs. Featherston will do missionary work for the Church of Christ.

Mr. J. D. Featherston and his son both own land in the Bula Community, purchasing it in 1925.

Here for a week's visit with his parents, Rev. and Mrs. John Boone is their son Loyd K. Boone stationed at Niagara Falls, New York.

Mr. and Mrs. Otis Beauchamp of Lubbock spent Sunday in the Clyde Hague home.

Mr. Joel Turner was in Portales Mon, attending to business.

Attend Camp

Mr. and Mrs. Bud Hammans and baby daughter Felecia, Nancy Aaron, Wanda Hubbard, and JoAnn Hubbard of Amarillo left immediately after services Sunday morning for the Church of Christ youth camp in the Sandia Mountains near Albuquerque, N. M. The group plan to leave there next Saturday at noon.

Mrs. Edward Richardson and children of Lovington visited Wednesday in the J. W. Richardson home.

Mr. and Mrs. Art Foley and boys of Littlefield ate supper Friday night with her parents the Gene Bryans.

Mr. and Mrs. Cecil Jones attended church in Muleshoe Sunday and spent the day visiting with friends the Gene Lows.

Mr. and Mrs. John Aduddell and Marsha of Lazbuddie visited Sunday with their daughter and family, Mr. and Mrs. DeWitt Filler.

Pate Risinger and Lamar Pollard played in the All-star Little League Tournament held in Levelland Friday and Saturday.

Mr. and Mrs. C. L. Cannon spent Saturday night in Clarendon with her mother, Mrs. W. E. Hardin and also visited Sunday afternoon in Amarillo in the Garland Cannon home.

Sunday Guests

Guests Sunday in the Sam Clevenger home were Mrs. Annie Morton and granddaughter Marilyn Kay from Stamford. Mrs. Morton, being a sister of Mrs. Clevenger. Other guests were Mr. and Mrs. Earl Morton of Lubbock and Mr. and Mrs. Raymond Clevenger and children of Whitharal.

Mrs. L. G. Fox of Littlefield and Mrs. Leonard Pierce of Beck visited Friday afternoon with Mrs. T. L. Harper.

Mr. and Mrs. Buck Medlin and children and Mr. and Mrs. W. B. Gage and Dot spent Sunday afternoon with Mr. and Mrs. Billy Gage of Lubbock.

Mr. and Mrs. Sam Karrah and children Dale and Retha from Mount Hope, Alabama are here for a visit in the C. L. Cox home.

Visit in Oklahoma

Mr. and Mrs. Buck Medlin drove to Amarillo Monday and carried Sherrell and Dennis to catch the bus for Broken Arrow, Oklahoma where they will visit for two weeks with their grandparents Mr. and Mrs. L. H. Medlin.

Miss Judy Young and Sammye Reynolds students at Tech spent the week end in the home of Judy's parents, the Paul Youngs.

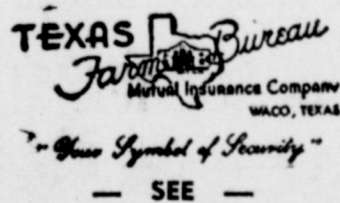

Mr. and Mrs. Thomas Lee Harper and son Craig drove to Levelland after church services Sunday and ate lunch with her parents Mr. and Mrs. C. H. Middleton and also had a visit with her grandmother from Houston Mrs. Allie Hammonds.

EVER SEE A MAN CRY?

What does it take to raise a crop? It takes money... months of hard work... and a little luck! Yet, in less than 30 minutes... a harvest can be over... the yield so faithfully worked for will not be forthcoming. HAIL has done its work again!

The new CROP HAIL Insurance program with TFB Mutual protects you from hail or fire, and like all TFB Insurance, you save while you protect.
