Lyntegar Pays Members On 1939-1944 Equities

Meeting at Tahoka football stadium Tuesday night in the 22nd annual session of Lyntegar Electric Cooperative, Inc., 3,487 members and members of their families passed through the food lines, heard reports on progress of the organization, re-elected two directors, and stayed around until 57-door prizes were awarded.

A barbecue dinner was served by a Fort Worth catering service while Lucky Floyd and his "Twilight Boys" of Seagraves furnished musical entertainment.

Harold Green of the legal firm of Huffaker and Green, attorneys for the cooperative, announced that the board had voted to refund equities to members for the years 1939 through 1944. Checks totaling \$100,734.31 on these equities will be mailed to 4,687 members in the next few days.

At the meeting, R. W. Allen of Route 4, Tahoka, the man who paid the first bill to Lyntegar when the cooperative went into operation the first year was accorded the honor of receiving Equity Check No. 1, which was for \$53.97, leaving a balance of his equity in Lyntegar of \$239.11.

Edwin E. Merriman of Lubbock, auditor, reported the cooperative in excellent financial condition. Revenue last year was \$1,512,127.97, expenses \$1,068,462.36, and margins for the year \$443,665.59. The assets and net worth of Lyntegar is \$7,731,510.25, and it still owes REA on loans \$4,691,516.22.

The report of Secretary Graham Hensley, who also read the notice of meeting, showed Lyntegar had 325 miles of line in 1939 as compared with 4,017 miles in 1959 and 476 meters in 1939 as compared with 9,724 in 1959.

The report of President Frank Harris of Ackerly also graphically told of the growth of the cooperative.

In the election of directors, Mr. Harris was re-elected to the board, as was also W. H. Moore, currently the vice president, who is from Lamesa. Holdover members of the board are G. Q. Hensley of Tahoka, secretary; Kenneth Purcell of Brownfield, Bob Alexander of Sundown, Roger Blakney of Wilson, and L. G. Thuet of Post.

Mrs. Forrester Award Winner

T. R. Mansfield, chairman of the board of Gulf Insurance Company of Dallas, was here Monday to make the presentation to Mrs. R. C. (Annie Mae) Forrester, whose insurance agency has been representing Gulf for 25 years.

Mr. Mansfield presented Mrs. Forrester a Westminster electric chime clock, with engraving thereon attesting to her 25 years in representing the Gulf company. Mr. Mansfield was accompanied by his wife and Bill Tension of Lubbock, traveling supervisor of the company.

Mrs. Forrester and her late husband bought the insurance agency in 1931 from A. G. Glasgow, and it had previously been operated by C. L. Dixon. Following Mr. Forrester's death in February, 1933, Mrs. Forrester and her daughter, Obara, operated the business. J. A. Biggerstaff, Obara's husband, joined the firm in 1945. Also in the office is Mrs. Kitty Starnes.

The Forresters are pioneer citizens of the county. Mr. Forrester was the son of a pioneer West Point area rancher who came here in 1901. Mrs. Forrester, the former Miss Annie Mae Hughes, came to Gassland in 1902. The couple married at Tahoka in 1905 in the old Porterfield Hotel. They lived on the ranch until 1915, when they moved to Wilson, where they lived until a short time after buying the present insurance agency in Tahoka in 1931.

Farm Tour Set For Wednesday

The annual Soil Conservation Crop Demonstration Tour is to be held Wednesday, August 17, with 12 farms in Lynn county on the schedule.

Those planning to make the tour will gather at 8:30 a. m. with the tour to begin shortly thereafter, according to Bill Griffin, county agent. A free lunch, courtesy of the banks in Lynn county, will be served at the George Sealy farm at noon.

Farms and demonstrations on the program include:

John Curry farm, bindweed control.

J. L. Scott farm, dryland grasses.

Joe Beckham farm, gypsum.

Claude Vaughn farm, cotton variety demonstration of two new cottons developed by Lockett seed farm.

Carl Sanders farm, cotton variety demonstration of two new cottons developed by Texas Plant and Seed Association.

Ellis Barnes farm, cotton following guar.

L. O. Sparks farm, brush control.

George Sealy farm, cotton fertilizer demonstration, and lunch.

Clifton Hamilton farm, Lakeview grain sorghum variety demonstration.

Joe D. Unfred, sweet potato variety demonstration.

Bill McNeely farm, Midland Bermuda grass.

Theo Campbell farm, contour borders.

Foreign Student Has Busy Week

Patrick Ardant of France, foreign student guest of Tahoka Rotary Club this summer, was the speaker at O'Donnell Rotary Club Tuesday noon. The O'Donnell club has a similar guest, Bernd Blank from Germany.

Ardant, who is staying with the Dr. Emil Prohl family this week, was speaker at the Tahoka club this Thursday noon.

He was guest at a swimming party at the A. C. Verner home Tuesday night.

Today, both Ardant and Blank are being taken on a trip to Dallas by Mr. and Mrs. Roy Edwards.

Ardant will live next week in the home of Dr. and Mrs. Skiles Thomas.

Help Possible For Crippled Children

Leighton Knox, chairman of the Crippled Children's committee of Tahoka Rotary Club, is making a survey to determine if there are such children in Lynn county who need help.

In many cases, medical treatment or other assistance may be secured through various sources for physically handicapped children, Knox says, and if there are, such in the county not already contacted, parents are asked to see him.

RETURN FROM HAWAII

Floyd Tubb, business teacher in Tahoka High School, and Lonnie Wheeler, sophomore at Tech, returned last week from Hawaii where they spent most of the summer studying at the University of Hawaii. Tubb said that they tried to do and see everything they could and had a real nice trip. Wheeler is a graduate of Tahoka High and is a son of Mr. and Mrs. L. H. Wheeler of Brownfield, formerly of Tahoka.

Mrs. Mollie Hickman, 86, who was in the hospital at Lubbock earlier this week, is back at her home at Lakeview. She is the mother of Mrs. E. H. West of Tahoka.

Sweet St. Will Hold Revival

Revival services are to get under way Sunday, Aug. 14, at Sweet Street Baptist Church and continuing through the following Sunday, August 21.

Evangelist for the meeting will be Rev. H. F. Scott, pastor of the First Baptist Church in Wilson, where he has served the past four and one half years.

Directing singing will be Bill Summers, a graduate of Wayland Baptist College and Southwestern Seminary in Fort Worth. He will also be in charge of the special music. He is associated with the Baptist Book Store in Lubbock.

Services will be held twice daily with morning services beginning at 10:00 o'clock and evening services at 8:00 p. m. Prayer meetings will be conducted each evening at 7:30 preceding the worship service. The nursery will be provided each evening.

The church plans to have Theo Campbell of the First Baptist Church in Wilson to present "sermons in dust" as many evenings as possible during the meeting. The church recently purchased 200 new Baptist Hymnals which have arrived in time for the summer meeting.

Rev. Joe Webb, pastor, and members of the church cordially invite everyone to attend the revival services.

CARL GRIFFINGS HAVE MOVED TO BROWNFIELD

Mr. and Mrs. Carl Griffing and children moved last week end to Brownfield, where they have bought a home at 1212 East Street.

Both were reared here and said they hated to leave Tahoka, but felt the move practical so that he could be near his farming operations south of that city.

DRS. LEHMAN VISIT HERE

Dr. and Mrs. Joe Lehman and children of Philadelphia, Penn., are here visiting his parents, Mr. and Mrs. Al Lehman. Dr. and Mrs. Irwin Lehman of Dallas were also here visiting last week end.

Bids Received On New Jail

Bids on the proposed new \$125,000 Lynn county jail were being opened Thursday by the Commissioners' Court.

The county proposes to issue warrants for a period of 20 years, to draw interest at not more than five percent, to be paid from the Permanent Fund of the county, for which a 10-cent levy on the \$100 valuation is now being made. In the past, this fund has been used to maintain county property.

Plans drawn by Hayes & Kirby of Lubbock, architects, call for a two-story brick building, 44 by 66 feet in size, with all modern jail equipment to house 18 prisoners and providing for future expansion, sheriff's office, and other facilities.

County Judge W. M. Mathis states the present jail on the top floor of the court house is antiquated, unsanitary, unsafe, and too small, fails to meet requirements for housing prisoners under the new state law passed in 1957 which gives counties a deadline of May, 1961, for providing proper jail facilities.

Judge Mathis said a contract probably would not be let Thursday, but that the court may take a few days to study the bids.

Texas Proposes Four Amendments

Texas voters should look to the month of November 1960, as another time of decision, for it is in this month which a General Election will be held.

At this time a new President will be elected. His running-mate, the Vice President, on the Democratic ticket will be a Texan. All other elective offices, both National and State, will likewise be voted upon.

There will be much pre-election campaigning and ballyhoo by both Democratic and Republican candidates. And, because of the publicity in the newspapers, and on radio and TV, interested voters will be afforded ample opportunity to study the various candidates and their respective platforms.

At the same time Texans will again be called upon to amend their Constitution, but the four propositions which will be submitted for approval or rejection are not likely to attract as much attention as the candidates.

Nevertheless, these amendments should be carefully studied by every voter, because each involves matters of finance even though the specific subject matter of the amendments is unrelated. (Cont'd. on Back Page)

Heavy Showers Are Benefit To Crops

O. H. TABOR

B. WAYNE HINDS

Light to heavy showers fell over much of Lynn county Tuesday afternoon and night, and this was followed by light rain over the entire county on Wednesday morning.

The showers were a big boost to crop prospects in Lynn county. The moisture was a life-saver to some crops. Although many farmers received from 2 to a half inch, even this will be of some help to both maize and cotton. Rainfall in some sections was as heavy as two inches or more.

Tahoka received only .25 inch. Hail badly damaged some cotton over a three or four section area in the Dixie community, about ten miles northwest of Tahoka. Among those receiving damage there were Elmer Sproles, Bill Warren, A. D. Smith, Bud Copelin on the Ronald Sherrill farm, R. W. Haley, Earl Tunnell, D. R. Adamson, and Lynn West. A heavy shower also fell over the Dixie and Carter Store areas ranging from 1½ to 2½ inches. Nearly an inch was reported in the vicinity of the Cobb farms.

Also, southwest of town, Fred McGinty received hail damage to a part of his cotton crop on the Frank Paris land. The damage was offset by an inch and a half of rain. Some hail damage was also reported in the vicinity of the D. W. Hancock farm, northwest of New Home.

Possibly the heaviest rain was reported from Central Church east, or northeast of Grassland. L. B. Furk, east of Central, reported two inches or better.

West of Tahoka, heavy showers fell over the area from the Crouch place west almost to West Point.

Parts of the Redwine and Draw communities received a half to an inch.

South of Wells and west of O'Donnell, the fall measured up to two inches, and also south and east of O'Donnell good rains fell also.

East of Wilson, heavy rains fell measuring up to two inches. Some hail was reported in spots but not enough to do material damage. Bill Corley reported nearly two inches, and it was his opinion most of the Wilson community received an inch or more.

The New Lynn area received from a half to an inch.

Many other areas, however, received only very light rain.

Mrs. G. W. Duckett Dies At Slaton

Funeral services for Mrs. Matilda Carolyn Lyn Duckett, 73, of Slaton, and mother of H. L. Duckett of Tahoka, were held Monday, Aug. 8, at 4:00 p. m. in the Westview Baptist Church in Slaton, with the Rev. Bryan Ross, former church pastor, and the Rev. Wayland Edwards, pastor, officiating.

Burial was in Englewood Cemetery in Slaton.

A resident of Slaton since 1946, Mrs. Duckett died in Mercy Hospital in that city about 6:00 p. m. Saturday following a long illness. She formerly lived in Lynn county for 21 years before moving to Slaton. The family lived at New Lynn while residents of the county.

Survivors include five daughters, Mrs. W. C. Brush, Whitney, Mrs. Troy T. Edwards, Lubbock, Mrs. R. E. Shewmate, and Mrs. Ray Odum, all of Slaton; four sons, Murl Duckett, Lubbock, H. L. Duckett, Tahoka; W. R. Duckett, O'Donnell, and L. L. Duckett, Abertathy; a sister, Mrs. Mary King, Gatesville; and 23 grandchildren and 38 great grandchildren.

Mrs. Lillian McCord arrived home last week from Los Angeles, Calif., where she had been visiting since the close of school in May.

Opening Of Schools Set For August 29

With the exception of a teacher of high school mathematics, the Tahoka school faculty is complete and all major plans made for the opening of school on Monday, August 29, states Supt. Otis Spears.

The faculty will attend a breakfast at 7:30 a. m. in the cafeteria Friday, August 26, followed by general faculty meetings.

New high school students and those wishing to make program changes will do this at the high school beginning at 10:00 a. m. Friday, Aug. 26.

No grade school students will come to school until Monday, Aug. 29, when they will be registered, issued books, assigned to rooms, and the schedule of classes run off.

Opening day, Monday, Aug. 29 buses will run their regular routes, school will open at 8:40 a. m., and lunch will be served in the cafeteria.

Mr. Spears says the school will have 63 employees this year, including 50 teachers, school nurse, bus superintendent, seven luncheon ladies, three janitors, and the tax assessor-collector.

There will be seven new teachers this year, a record for recent years.

Six of these new teachers are: Mrs. Peggy Atwell, wife of Coach J. D. Atwell, a graduate of Howard Payne College, who has several years teaching experience. She will teach in the upper grades.

Norris Willborn, is a new teacher in upper grades, B. S. from Wayland College, pastor of Bethel Church. He is married and has two children.

Jerry Brown, Hardin-Simmons University graduate who taught at New Home last year, will be high school history teacher and assistant coach.

Mrs. Jerry Brown, a graduate of the same school with one year's teaching experience, teacher in upper grades.

Robin Vaught, B. A. degree from Southeastern Oklahoma State, teacher of science in high school.

Mrs. Bob Wolfenberger, B. A. from Texas Tech with one year of teaching experience, will be assigned to the upper grades. Her husband is employed here by Lyntegar.

Unless there are further resignations, only a high school science teacher remains to be hired.

Best thing for a cold shoulder is mink.

Wilson Paving Near Completion

Paving on FM 400 from two miles north of Tahoka to Wilson and Slaton is nearing completion, as topping is being poured on the stretch from Wilson to Slaton this week. Rain Tuesday and Wednesday, however, again put a stop temporarily to the operation.

The contractor, J. O. Bosworth Construction Co., was delayed on the 193 mile job by the heavy rains a few weeks ago which washed out parts of the base.

Topping of the road from Tahoka to Wilson has been completed. This stretch was ready for the asphalt surface when the heavy July rains fell washing out the roadbed on two stretches, one at the lake just south of Wilson and one a little further south at the Tahoka Lake draw.

Paving of the Wilson city streets has been completed. Main Street in the town and also FM 211 running east and west through town were both widened and curbs and gutters installed at a cost of \$18,900 to City of Wilson and Wilson property owners.

Contract price on the FM 400 paving job was \$256,474.50. Old paving was torn up, and new and wider base laid to bring this road to highway specifications.

Farmers Co-op Plans Meeting

The members and patrons of the Farmers Cooperative Association No. 1, of Tahoka, will hold their 31st annual meeting, Tuesday, August 16.

The usual barbecue lunch will be served beginning at 6:30 p. m. on the football field, followed by the business meeting at 8:00 p. m. held in the high school auditorium, according to an announcement from the manager, Curtis Stevens.

The audit report will be read by Harold Douglas, a qualified auditor, who has made a careful study and analysis of the operations.

The Association has enjoyed another good year, and is paying out nice refunds in the way of cash and stock to its patrons. Money from the oil mill and compress (Cont'd. on Back Page)

Church of Christ Meeting Opens

Tahoka Church of Christ opens its Campaign for Christ series of meetings Sunday and services will continue through the following Sunday.

O. H. Tabor of Carlsbad, New Mexico, will do the preaching, and song services will be led by B. Wayne Hinds, director of the Lubbock Christian College chorus. Bob Barnes is the local minister.

Week day morning services will be at 10:00 a. m. and evening services at 8:00 p. m. Sunday services begin at 10:55 a. m. and 7:00 p. m.

Clothing Needed For Local Family

Clothing is needed desperately for a local Mexican family, states Mrs. Lillian McCord, Tahoka school nurse. At the present time, the father cannot support the family, and a little three-year-old girl in the group is in need of clothing.

Also needing clothing are children arranging from three years of age to eight years.

Anyone having clothing for families such as this are asked to get in contact with Mrs. McCord.

CHILD IS BURNED

Kathy Noble, 15-month-old daughter of Mr. and Mrs. Jerry Noble of Denver, Colo., was admitted to Tahoka Hospital Wednesday morning after suffering burns on the right side of face and shoulder received when she upset an electric percolator in the home of her grandparents, Mr. and Mrs. Ira Vaughan.

GORDON SMITH IN REVIVAL MEETING AT CANADIAN

Gordon Smith did the preaching last week in a youth-led revival meeting in the First Baptist Church of Canadian, Wednesday through Sunday.

Mrs. Smith and daughter, Carla, accompanied him.

He reports an excellent meeting. Buy, build, live, in Tahoka.

493 People Get S. S. Benefits

Sunday, August 14th, is the 25th Anniversary of the Social Security Act. Just 25 years ago, Congress enacted the law which has since been amended and broadened several times.

At the end of 1959, as Federal social security was starting its twenty-fifth year, old-age, survivors, and disability insurance monthly benefits were being paid in Lynn County to 493 persons at the rate of \$24,720 a month, according to John G. Hutton, manager of the Lubbock Social Security District Office. "This is an increase in number of beneficiaries of about 16 percent since February 1959, the last previous date for which Lynn county figures are available," he said.

Nationally, about 13 1/2 million persons were receiving old age, survivors, and disability insurance monthly benefits at the end of 1959 at an annual rate of more than \$10 billion. At the close of 1949—the first year in which monthly benefits were payable—beneficiaries throughout the Nation totaled 200,000. Almost half a million disabled-worker beneficiaries and their dependents receiving benefits at a yearly rate of over \$400 million are included in the figures for 1959.

The number of wives, husbands, and children of disabled-worker beneficiaries receiving monthly benefits increased sharply in 1959. Such benefits were first payable for September, 1958. Nationally from February to December, 1959, the number of these beneficiaries

more than doubled—from 60,000 to 126,000.

Payments to a retired worker with no dependents receiving benefits averaged \$69 a month nationally at the end of last December; to a retired couple, both of whom were receiving benefits, the average payment was \$121. The average for a widow with two young children was \$169.

By contrast, Mr. Hutton recalled that when benefits first became payable in 1940, the average monthly payment to a retired worker with no dependents receiving benefits was \$22, and to a retired couple the average payment was \$36.

As social security celebrates its Silver Anniversary (the original Act was signed into law on August 14, 1935) about 74 million working people are in covered employment or self-employment in the course of a year. They are building old-age, survivors, and disability protection for themselves, their dependents, and their survivors under the social security law.

For the entire State of Texas, old-age, survivors, and disability insurance payments at the end of December, 1959, were being paid to 540,833 beneficiaries at the rate of more than \$350,000,000 per year.

QUESTIONS, PLEASE

QUESTION: "Was Christ ever in Hell?"

ANSWER: In Psalms 16:10 we find this reading, "For thou wilt not leave my soul in hell; neither wilt thou suffer thine Holy One to see corruption." This prophesy is alluded to in Acts 2:31. The King James translation of the Bible has led some to think that Christ actually went to hell at one time. This is brought about due to a mistranslation of a certain Hebrew and Greek word. There are three words translated as "hell" in the King James version. One of these is a Hebrew word, "Sheol," which is the word used in Psalms 16:10. This word literally means "the unseen state." This is the realm of the dead. Christ definitely did enter the "unseen state" or the realm of the dead. But, He was not allowed to stay there! The

comparable Greek word is "Hades" which means "the unseen world." In this case the realm of the dead is also meant. Every where the word "Hades" occurs in the Bible it has been incorrectly translated as "hell." "Hades" never did carry with it the meaning of "hell of fire." This is the word used in Matt. 16:18, "Upon this rock I will build my church and the gates of HADES (instead of hell, he meant the grave) will not prevail against it." Christ was placed in the grave but arose triumphantly to establish His church on the day of Pentecost c. AD 33. The word that is rightly translated as "Hell," in the King James version as well as others, is "Gehenna" which is a corruption of two Greek words meaning "valley of woe." This is not the word used in Acts 2:31 concerning Christ. He NEVER was in HELL!

You are invited to send your questions to: Bob Barnes, Box 812, Tahoka, Texas. You are also invited to attend all the services of the church of Christ.

Printer's Ink-lings

By F. P. H.

Frank Tolbert writes a column in the Dallas News, but Sunday Arch (The Printer) Fullingim, publisher of the Kountze News, filled in for Frank as guest columnist. Johnny Wells of Tahoka Drug and B. L. Parker, sergeant at arms of the Texas House of Representatives, each sent The News a clipping of the column.

Arch Fullingim tells how he came to Lynn county from Decatur in 1916, settled on a one section farm six miles from Tahoka. He was 14 then; and had three little brothers. When the freight car was loaded to bring their house hold goods west, the little boys dug up the graves of their two dogs, Sam and Pete, and hid the remains, carefully packed in the box car. On arrival at Tahoka, they sneaked the remains out and buried them in two neat graves in their pasture between two cactus plants about a half mile from the house. They strung a barbed wire fence around the graves.

The year of the big drouth, 1917, the Fullingims moved away. But, in 1955, Arch's brother Bill, came back to Tahoka to see the old home place abandoned in 1917. In Company with the farmer then on the place, Bill found graves of those two dogs still being cared for by the farmer, who had surmised the graves were those of two children and had built a white fence around

them and covered them with shells from Galveston.

When told just dogs were buried there, the farmer replied, "Just dogs, huh. Well for years we been fooled. But I'm going to leave them graves and not tell the children. I think they are kind of pretty between them cactuses. You boys must have loved them dogs a lot. Speaks a lot for a person to go to that much trouble to bury dogs."

Everything is hunky-dory! The boys up at Washington, both parties, promise us many new benefits the government is going to "give" us. In fact, several "gifts" are already in the mill—federal "help" for education, expanded social security, medical aide for the aged, real civil rights for some at the expense of others. Just remember, the only money the government has comes from its people. Congress and the Bureaucrats just think they know how to handle it better than you and I. Maybe they do, at that, but past experience has demonstrated that the freight-on our money to Washington and back is mighty high. And we'd still rather handle our own local affairs and attempt to determine our own future.

Out in California, 130 domestic agricultural workers went on strike on July 14 just as the pear harvest was about to begin. Secretary of Labor Mitchell denied a request by the farmers to allow 300 Mexican Nationals to come in and save the crop. In these United States, it is getting to where the worker is all-important. The man who buys the land, or risks his money to build factories or open business institutions, has few rights. The Labor Unions, backed up by our government, have the cards stacked against the employer.

And, a party-Democrat (a farmer, too) jumped on The Printer the other day for taking these cracks at "our party." We say, to heck with the party, we'll try to be Americans first—and America was not built on such principals as now are advanced by either the Democratic or Republican party. Go back and read your U. S. history, folks. We are just trying to do our little-bitty part in stemming the tide of Socialism. Also, go back and read objectives of Socialism. We're almost there!

How About the One That Fits?

the principles on which it was formed." That's what Montesquieu, the French lawyer and writer, said 225 years ago.

A taxpayer is one who does not have to pass a civil service examination in order to work for the government.

Who says opportunity knocks only once? Television is giving us a second chance to see movies we missed 20 years ago.

The critical period for dry land crops is here. It's the time when just one little rain would make millions of dollars difference in the income of the county.

Jim Foust of Amarillo, former Tahoka coach, sends his best regards in renewing The News.

Mrs. Joe (Vernelle) Robinson of Clarendon writes they still miss their Tahoka friends. The Robinsons had been on a vacation trip to the mountains and ran into Randy and Doris Rutherford in Taos.

A few days ago some coyotes killed and ate one of Borden Davis' ewes. Irvin Stewart told him they must have been Republican coyotes.

Bill Sewell, formerly of the First National and now banking in Midland, had a favorite story about a new bank examiner from back east who was going over the books of a West Texas banker down in the sheep country. When he had completed his work, he told the bank president everything was all right except for one thing, "What are all these 'ee-wes' you have made loans for?"

The Abernathy Review reports that Willie Florence is the first in that city to construct a home that has the new electric baseboard heating units. Big Willie was reared at Draw, where he used to play some pretty rough football and basketball, and is the son of Mr. and Mrs. W. Z. Florence of Tahoka.

Mrs. Frank Greathouse is doing some fine public relations work for Lyntegar. She has been carrying her interesting talk to service clubs in several of the surrounding towns.

Ralph Krebs, successful Lubbock insurance man and an old Lynn county boy who used to live out near New Lynn, was here Monday on business. Ralph is another old boy who came up the hard way. A driver, he made most of his own way, and has climbed the ladder of success. In addition to his business, he finds time for his church and works in almost every Lubbock civic endeavor.

Abraham Lincoln said: "It's good to be proud of your home town, but it's a jolt better to so live that your home town will be proud of you."

An exchange says: There used to be a sign on our door, viz: "We

Johnny Clark Rotary Speaker

"The little things in life are important" was the theme of an entertaining and thought-provoking talk by Johnny Clark Jr., superintendent of the Wilson Schools, at Tahoka Rotary Club Thursday noon of last week.

Clark dished out a lot of humor in his talk that led up to some of his philosophy of life and the importance of the individual in our democracy.

Clarence Church, president of the Wilson School Board and also mayor of the city, was present and made the presentation of a gift certificate from his school and city to A. M. Bray, Tahoka automobile dealer, in appreciation "for going the extra mile" in service to the Wilson School District in furnishing the driver-training car.

President H. B. McCord Jr. of the Rotary Club expressed the club's appreciation of these men from Wilson and for the honor they accorded the Tahoka club member.

The program was arranged by J. P. Hewlett, county superintendent, formerly superintendent of schools at Wilson, who praised his young successor for the fine job he is doing at Wilson.

GIN MAKES IMPROVEMENTS

Curtis Stevens, manager, reports Farmers Coop Gin has installed in its new plant a fourth gin stand, feeder and lint cleaner and added a boll and rock catcher.

E. J. COOPERS HOME FROM ARKANSAS

Mr. and Mrs. E. J. Cooper, accompanied by their son, Noel of Lamesa, returned home Saturday night from a two weeks' visit with relatives in Mountain Home, Ark., where Mr. Cooper was reared. He has been back only a few times since leaving there 56 years ago. This formerly was a great fruit country, but he says it is now a fine cattle country.

The Coopers were married in Grayson county 53 years ago, later moved to Collin county, and came from there to Lynn county in 1926.

Mr. and Mrs. Gilbert Gandy, Geanne and Gilda left Monday morning for California where they planned to stay several days visiting relatives and sightseeing.

Never Make Mistakes," but occasionally an error is printed in the paper. But, you shouldn't be too critical. In the expression, "To be or not to be," 2,757,001 errors can be made by a typesetter.

Then, it seems sometimes, that the editor never says the right thing. Boyce House tells about the West Texas editor, hard-pressed for something with which to fill his column one week, set up the Ten Commandments and ran them without comment. Two days later he received this letter: "Cancel my subscription; you're getting too dangd personal."

Little Betty concluded her evening prayer: "Lord, please, if you don't mind, from now on put the vitamins we need in pies, cakes, and ice cream cones instead of spinach and cod liver oil."

Grand Officers Visit Rainbows

Mary Walden of Seminole, Grand Worthy Advisor of the Grand Assembly of Texas, Order of the Rainbows for Girls, and other Grand officers from all over the state were visitors in Tahoka last week. The Tahoka Assembly No. 234 entertained with a luncheon at the home of Mrs. Beulah Applewhite Friday at noon. The group went to Lubbock in the evening for a chuck wagon supper in Mackenzie Park as guests of Tahoka, Slaton, Lubbock No. 98, MacKenzie, Petersburg and Spur assemblies.

Saturday morning Mrs. Prohl invited the visitors to a tropical brunch in her home. The table was covered with a red cloth. The centerpiece was made with a fresh pineapple circled with melon balls and green grapes in a wooden compote. Dark green leaves with a red canna circled the bowl. Fruit and sweet rolls were served in

MRS. MOORE MAKES TRIP TO WEST COAST

Mrs. Donna Moore and her son-in-law and daughter, Mr. and Mrs. O. F. Aycock of Lubbock returned last week from a vacation trip to the western and northwestern states. They toured New Mexico, Arizona, Oregon, Utah, California, and Nevada. Among places of interest seen were the Redwood Forest, Painted Desert, Boulder Dam, keyers, and many others. Mrs. Moore says that they saw many beautiful places but Texas still looked great after arriving home.

tropical wooden leaves. Coffee and fruit juice were also served. Sunday morning, July 29, the group went to Carlsbad where they toured the caverns and then went to Cloudcroft where they were guests of Mrs. Beulah Applewhite at Applejack Lodge. Monday they went to White Sands for a picnic and were met by a group from El Paso.

Julia Benavidez Married Saturday

Miss Julia Benavidez and Isaac Castro solemnized marriage vows at 3:00 p. m. Saturday in the First Baptist Church with the Rev. S. F. Hernandez officiating.

Parents of the couple are Mr. and Mrs. J. D. Benavidez of Wilson and Mrs. Guadalupe Castro of Tahoka.

Given in marriage by her father, the bride wore a gown of Chantilly lace and tulle over taffeta designed with Sabrina neckline and accented with pearls. The fitted bodice featured long sleeves and the bouffant skirt was fashioned from alternating tiers of lace and tulle. Her fingertip veil of illusion was attached to a pearl crown. She carried white carnations on a white Bible.

Miss Visenta Castro, sister of the bridegroom, was maid of honor. The bridesmaids, Miss Carmen Castro, sister of the bridegroom; Miss Sue Cardena of Lubbock, Mrs. Lupe Lopez and Miss Emma Martinez, wore blue nylon dresses and carried white carnations.

Flower girls were Melinda Castro and Delia Ibarra. Ignacio Ibarra Jr. was ring bearer. Servando Benavidez, brother of the bride, and Roy Lopez lighted the candles.

J. L. Castro served his brother as best man and groomsmen were Abel Castro, B. Castro Jr., Caleb Vaca and Ignacio Ibarra. Miss Anna Vaca and Miss Lupe Castro seated guests.

Miss Martha Castro registered guests for the reception which followed in Fellowship Hall. Mrs. Castro traveled in a blue suit with white accessories.

The couple will make their home in Wilson.

Sunshine Party Given Mrs. Moore

Mrs. Lit H. Moore Sr. of New Home was the honoree at a "sunshine party" Thursday last week in the home of Mrs. D. B. Wheeler. Thirty-two gifts were presented her, and nearly that many friends called. Coffee, cakes, and cookies were served ladies from Lakeview, New Home and Wilson.

Hostesses were Mmes. Wheeler, D. W. Hancock, Cecil Yates, and Jack Smith.

Mrs. Moore was completely surprised by the party. Her daughter-in-law, Mrs. Lit (Ruby) Moore Jr., had to use a ruse to get her to the party.

Former Citizens Honored At Party

The following news story from a Wichita Falls paper was sent The News by Mrs. Georgia Cox Echols, formerly of New Lynn community:

A surprise reception, honoring Mr. and Mrs. Fred Stone, 4314 Rhea Rd., on their silver anniversary, was held Sunday afternoon in the home of Mr. and Mrs. David Andrews, 2811 McGaha.

Co-hostess was Mrs. Earl Echols, sister of Mrs. Stone.

Approximately 80 guests greeted the honored couple during the afternoon.

The reception table, covered with white net over pink satin, was centered with miniature bride and groom dolls between two large wedding bells. A silver 25 was set across the top of the bells. A cake, decorated in a silver motif, and silver appointments completed the setting.

Serving at the table were Misses Linda Stone and Jackie Williams. Mr. and Mrs. Stone married in Tahoka, Texas on Aug. 3, 1935. They moved to the Wichita Falls area in 1945. Mr. Stone is the owner and operator of Fred Stone Garage in Wichita Falls. The Stones have three children, Linda, Jimmy and Mrs. Joyce Meredith of Englewood, Calif.

Mrs. Wharton Is Bridge Life Master

Mrs. W. C. Wharton reached the coveted rank of Life Master in the American Contract Bridge League during play at the Texas Regional Tournament held in San Antonio July 27 to 31.

The rank is determined by the number of master points achieved, 300, a certain number of which must be red points which are won only in regional or national tournaments.

Tahoka has one other Life Master, Mrs. A. C. Verner, and several other players nearing the rank.

Also playing in the San Antonio event from Tahoka were Mrs. Verner, Mrs. A. N. Norman, Mrs. Meldon Leslie, and Mrs. D. W. Gaigant, all of whom won some red points.

The ladies said there were 1700 tables of bridge during the five days of play.

Girls On Program Of New Home Club

Eleven girls presented the program at the New Home Home Demonstration Club July 28 when a style show was conducted at the Community Center. The girls' errors while making the garments were expressed as each girl model.

Modeling garments were Sidney Sealy, Laura Sealy, Iva Keith, Iva Jean Timmons, Yvonna Moore, Rhonda Gill, Peggy Marshall, Susan Hancock, Treva Keith, Sharon Renfro and Carolyn Morrow.

Punch and cookies were served by Mrs. L. F. Taylor and Mrs. G. B. Mayfield. The punch bowl centered the table and was surrounded by yellow roses.

Attending the meeting were Mmes. Robbie Gill, B. A. Morrow, N. B. Hancock, C. L. Louder, Ora J. Timmons, Rex Marshall, G. B. Mayfield, O. H. Loury, Wilmer Smith, Boswell Edwards, George Sealy, M. S. Renfro and L. F. Taylor.

At the club's previous meeting three 4-H club girls presented a dairy foods demonstration. Sharon Renfro demonstrated beef casserole and cheese topping; Carolyn Morrow and Josephine Castro, strawberry delight pie. Each girl handed out recipes and samples of their demonstration.

Mr. and Mrs. L. C. Haney are having the interior of their home remodeled, including reconstruction of the kitchen and bath.

Mrs. Wilmer Smith Is Featured In Farmer-Stockman

Mrs. Wilmer Smith of New Home, president of the Texas Home Demonstration Association, is featured in an article in the August issue of The Farmer-Stockman, farm publication.

Dealing with parliamentary procedure, Mrs. Smith gives pointers on how to have the best home demonstration club meetings.

Other officers of the HDA have asked for her help in conducting meetings because Mrs. Smith presides with assurance and serves her organization efficiently. She tells modestly of coming up through the ranks of home demonstration work, holding many offices and observing many leaders, of whom she credits Bonnie Cox, Extension Service organization specialist, for her encouragement to "aim high."

In discussing the rules of order, Mrs. Smith says, "Know parliamentary procedure, but don't let it run you," a pointer on presiding which she preaches as well as practices. "Remember that parliamentary law is common sense used in a gracious manner."

Brotherhood Has Swimming Party

About 42 men and boys were present at the swim party of the Brotherhood of the Sweet Street Baptist Church Monday night.

Highlight of the social event was the watermelon scramble. Walter Stice and Owen Schneider chose teams, and with the teams on opposite sides of the pool, a watermelon was placed in the middle of the pool. At the sound of the whistle, each team would try to get the melon to their opponents side.

Everyone had a wonderful time and the spirit of fellowship was superb.

Everyday Religion

By Thompson

One day I listened to a man explain how television works. How the camera with its electronic eye takes pictures and, by electrical impulses, projects them through the air waves. It was a thrilling story and I tried to understand it, but suddenly the thought struck me that every one looking at the television pictures were looking through an instrument more wonderful than television. The human eye is a camera, a chemical camera, automatic, able without levers or operators to turn itself and focus on the view it wants, near or far, and get the whole picture in color, living color. All chemical and automatic, remember!

When one views the vast beauty of the Milky Way or the lush and verdant grandeur of a mountain range he should not forget that there is more wonder in the human eye than in anything it looks upon. Truly we are fearfully and wonderfully made. The eye is a chemical camera; the stomach is a chemical food factory; the heart is a chemical pump; the muscles are chemical engines; the brain, with its nerve lines, is a chemical intercommunication system more delicately adjusted than any telephone system.

But the body is more than sodium and iron and calcium and water. It also has life and only God can give life to this complex organism of cells, billions of them acting and grouping themselves into the various organs of the body with an unbelievable intelligence. Yes, we are fearful and wonderful beings, created for a meaningful purpose by a loving God.

VISIT IN COLORADO

The Cleve Littlepage family was up in Colorado last week end on a combination business and vacation trip. Cleve has a piece of land up there in the San Luis Valley, and also has some sheep grazing high up in the mountains on summer range west of Antonio. Mrs. Littlepage rode horseback up the mountains with Cleve to the almost inaccessible sheep camp, and the herdsman said that was the first time in his many years of experience herding sheep that he had ever had a woman in his camp. The Littlepages also went by Lake City to see Mr. and Mrs. Jake Jacobs.

MRS. E. H. CUNNINGHAM IS SHOWING IMPROVEMENT

Mrs. E. H. Cunningham, 74, who became ill in June and spent a long time in a hospital at Lubbock, is now showing steady improvement and is able to be up a part of the time, according to her husband.

Since Mrs. Cunningham lost her sister the first of June, she now has no brothers or sisters living, but has three grandchildren and five great grandchildren, Mr. Cunningham says.

Today's MEDITATION
The World's Most Widely Used Devotional Guide

The Upper Room
THE UPPER ROOM, NASHVILLE, TENNESSEE

Look on the fields; for they are white already to harvest. (John 4:35.)

In early autumn we see the golden rice fields stretching from the sea to the purple mountains. When the rice is ripe for harvesting, the sun has scarcely risen before the workers enter the fields. They carry sickles and bend low to cut clusters of rice stalks. They continue their work until the glory of the sunset fades away.

The patient work of the laborers in the rice fields reminds us of the millions of persons in all parts of the world who need to be reached for Christ. No mass evangelism can reach all of them; they must be won individually.

Workers on the mission fields today are depending upon us to furnish the sickles of prayer and liberal giving. Thus, many sin-enslaved persons may learn of the

everlasting inheritance Jesus has provided for them.

The challenging question that Joshua asked the hosts of ancient Israel, we must answer today: "How long are ye slack to go to possess the land, which the Lord God of your fathers hath given you?"

PARYER: O Father, may our hearts burn within us for the world's lost millions. Deliver us from the sin of neglect. Awaken us to the need and opportunities to bring others to Christ. Use us as Thou wilt. In the name of Jesus. Amen.

Buster Phipps' Race Horses Are Doing Well On Track At Ruidoso Downs

Buster Phipps race horses are doing pretty well this summer on the track at Ruidoso Downs, where they have finished first nine or ten times.

Sunday, his six-year-old Don Clody won first by five lengths in the first race, six furlongs, in 1:17. He paid \$25.50, \$9.40, and \$4.80. The long shot combined with Gold Slip in the second race paid \$60.10 in the daily double.

Phipps has been running horses at Ruidoso several years. He will also send some of his horses to the State Fair in Albuquerque in September, and then to Anapasa, near El Paso, and next to Hot Springs, Ark., in February.

Don Herber is the trainer for Phipps, and Buster says he is one of the best in the business. Mr. Herber once had a horse, Mr. Favor, who set a world's record at Pheonix about three years ago in the six and one-half furlongs.

Phipps' Sparkling Plow, five years old, which horse he bought last October, has won twice at Ruidoso. On July 17, Sparkling Plow set a new track record in the mile and a half at 2:40 1-5.

Capreco, age 9, who was bred and reared by King Ranch, has won seven races for Phipps in the last year, one at El Paso.

Provarian, age 2, has run four times at Ruidoso, winning first once and second once.

Cherry Bloom, his only mare race horse, six years old, has come in first once this year.

Endonner, age 7, has one first place.

Rolling High, age 6, ran one time and was claimed.

Two of Phipps' better horses, Jacery and Kentucky Devil, were brought back to the farm southwest of Tahoka Saturday for rest, as both are injured. Jacery pulled up sore, and will be given a rest. Kentucky Devil has a shin buck which will require some time to heal.

Jacery, eight years old, has won four races for Phipps, two at Ruidoso and two at El Paso. In one race, he ran the seven furlongs in 1:35. Phipps has had the horse only a year. He has won a total of about \$50,000 in his track career.

Kentucky Devil is a two-year-old with fine prospects. Phipps expects to rest him until February and then run him at Hot Springs, Ark.

Since Phipps principal occupation is farming, he spends most of his time here, but goes out many week ends to see his horses run.

Mr. and Mrs. Grady Howard of Idalou were here Tuesday and Wednesday visiting his sisters, Mrs. Frank Hill and Mrs. Harley Henderson.

WASHINGTON AND "SMALL BUSINESS"
By C. WILSON HARDER

The new class of American expatriates is readily being composed of the big American firms who have opened up production facilities abroad in order to take advantage of lower priced labor to make their products, and then ship into United States under practically negligible tariffs schedules.

For example, in Holland and Belgium alone, some 54 huge American manufacturing concerns are in full operation. The situation is quite alarming.

In fact, this is one of the reasons Sen. Kenneth Keating has a bill before Congress that would moderate tariff rates on the labor differentials between U. S. and foreign nations.

The huge corporations able to take advantage of cheap foreign labor are opposed so far to raising American protective tariffs. Their cry is greater efficiency in production will let the U. S. compete.

Yet it is interesting that while they say this as a practical solution, they are more practically from their standpoint, setting up plants abroad.

In major lines of manufactured goods, between 1958 and 1959 American exports to the world took a big decline. Yet at the same time, imports in this country hit new highs.

While exports of American made autos dropped 14%, imports of foreign made cars increased some 60%.

There are now more than six times as many cars being shipped into this country as are being sold by Detroit abroad, and the volume climbs. Some experts claim by next midyear foreign car importations will hit around the million mark, or about 2 and one half times as heavy as in 1958.

Last year, Japan made 20% of all radios, and 40% of all portable radios sold in U. S.

While American exports of iron and steel declined 40%, imports jumped 160%.

It has long been noted that imports of cotton goods have driven many American mills to the wall, but it was felt in some quarters the tariff shouldn't be raised so U. S. producers could enjoy a string lead in the weaving of synthetic fibers.

This is turning out to be a serious dream, too. While imports of cotton goods in 1959 ran 28% higher than 1958 with exports taking an 8% drop, the imports of foreign made goods of synthetic fibers jumped a whopping 291%, while exports in this category dropped 5%.

Perhaps the U. S. State Dept. is the only place in the world where can be found people who can believe with \$2 per hour labor, equal competition with 17¢ per hour labor is possible.

And while 17¢ per hour labor may look fine to huge U. S. corporations who can move plants into these areas, the independent businessman who has all his eggs on American soil cannot take such a Pollyanna viewpoint.

Amendments . . .

(Cont'd. from Page 1)
The amendments will be headed as follows:
"Proposed Constitutional Amendments To Be Voted On At An Election To Be Held On November 8, 1960." Texts of two of these amendments are being published in The News, and the other two are being published in the O'Donnell Index-Press.

Amendment No. 1 would authorize the Legislature to create Hospital District including Lamar and Hidalgo Counties, and County Commissioners' Precinct No. 4 of Comanche County.

Amendment No. 2 would increase to three and one-half percent (3½%) the maximum permissible interest rate on bonds hereafter issued by the Veteran's Land Board.

Amendment No. 3 would allow an annual salary for Members of the Legislature of not to exceed \$4800 per year, and a per diem allowance of not more than \$12.00 per day for the first 120 days only of each Regular Session, and for 30 days of each Special Session of the Legislature. The Regular Session would be limited to 140 days.

Amendment No. 4 would give the Legislature authority to classify loans and lenders, license and regulate lenders, define interest and fix maximum rates of interest.

Voters should study these amendments carefully, and watch their newspapers for further discussion of these amendments. Above all, plan now to vote!

THE PERSHING MISSILE named in honor of General of the Armies John J. Pershing. A successful test firing of PERSHING from its new transporter-erector-launcher held recently was the first firing from its new mobile launcher. The new type launcher will permit PERSHING to be transported to an unprepared site, erected and fired in a matter of minutes.

Calloway Huffaker, who served as master of ceremonies, and Clint Walker, who supervised the distribution of prizes, kept the meeting from dragging and also injected a number of jokes.
The crowd of members present voted to continue the annual barbeque at the membership meeting. The invocation was by Rev. T. James Efrid, pastor of the First Baptist Church, and the welcome on behalf of Tahoka was issued by Frank Hill of The News.
Garland Pennington, Lyntegar manager, reports that the cooperative now has over 10,000 connections in the ten counties into which its lines extend. These counties include Lamb, Garza, Borden, Dawson, Martin, Gaines, Terry, Yoakum, Hockley, and Lubbock, and members were present from all of them.
Poka-Lambro Telephone Cooperative had scheduled its business session for Tuesday afternoon at 4:00 o'clock in the new office building, the former Buick agency building, but a quorum of members was not present and the session had to be postponed.
W. D. Harmon, Poka-Lambro manager, told The News a special meeting will have to be called at a later date to transact business of this organization.

Bulldogs Start Work Monday

Candidates for the 1960 Tahoka Bulldogs football team will begin workouts Monday morning, August 15, states Coach J. D. Atwell.
Work-outs will be held from 7:30 to 9:30 a. m. and from 5:00 to 7:00 p. m. daily on week days until the start of school on Monday, August 29.
Since the opening game will be at Friendship on Sept. 2, time will be short to round the squad into condition, and Coach Atwell says work will have to be intensive.
There will not be a home game until Sept. 16, when O'Donnell comes here. The second season game will be away from home, at Crosbyton on Sept. 9.
Coach Atwell and his new assistant, Jerry Brown, who has moved here from New Home, attended the State Coaching School in Dallas last week.
Under the new District 3-AA alignment, Floydada was moved to District 2-AA and Spur to the same district with Stamford. New in 3-AA are Stanton and Denver City, each of whom usually fields a tough team. In fact, Denver City is picked to walk away with the title.
Other teams on the Tahoka schedule are Idalou, Ralls, and Petersburg in non-conference games, plus the conference teams of Slaton and Post in addition to Denver City and Stanton.

Golfers Qualify This Week End

Players this week are turning in qualifying scores for the annual club tournament of T-Bar Country Club. Medalist qualifiers will play Sunday afternoon, the last day for turning in scores.
First round play will start Monday, and the second round must be completed by Saturday. Finals in both men's and women's play will be Sunday afternoon, August 21.
Winner of the men's division will receive the Mollie Edwards award, of the women's the Pearl Callaway award. Trophies will be presented for medalist, first, second and consolation.
Only club members are eligible for this tournament, according to Jack A. Robinson and Mrs. Sam Edwards, co-directors of the club tournaments.

Football Tickets Going On Sale

Season football reserve seat tickets will go on sale Monday, August 15, at the school business office in the Deen Nowlin building, according to Maurice Small, school district secretary.
The tickets will be \$5.00 for four home games.
Those who want the same seats they have had in past years are urged to get their tickets early.

Blanco-Burnet Reunion

All Blanco and Burnet county ex-residents are reminded to meet at the northwest corner of Mackenzie Park in Lubbock Sunday, August 14, for our 26th annual reunion. Plenty of barbecue; if you wish, bring a dessert, but don't fail to come.—L. H. Moore Sr.

will also be passed on to patrons in this meeting.
There will be two new directors elected to the seven man board, who will oversee and lay out the plans of the Association for the coming year.
John Gregg, of the National Cotton Council will show a 28 minute film on some of the work the Council is doing in marketing our cotton here and abroad. He will also have a display set up, showing how cotton is used in the making of clothes for dress-wear for men, women and children.
Everyone is invited to this meeting and are urged to be there, and be on time.
Serving with President John F. Thomas, are directors T. D. Dunlap, vice-president; J. O. Allen, secretary; Cleve Littlepage, Lois Smelser, Charlie Lichey and O. E. Terry.
