Hail Damages Crop In Eastern Section

Showers the past week have helped some farmers, hail has hurt others, but many farmers of Lynn county are needing rain very badly to get a cotton crop started.

Showers early Sunday night were accompanied by hail that wiped out many crops and damaged others, principally in the extreme eastern part of the county. The area of principal damage was from Gordon south to Central Church, with a strip running back nearly to New Lynn, but eastward over into Garza County. In fact, many crops from Gordon to Central and eastward toward the caprock were completely wiped out.

Some farmers in this area received sufficient rain to replant. Among those in the hail area, reported to The News, were Mutt Huddleston, J. B. and Buford Jones, Curtis Morgan, W. W. Young, R. L. Craig, Claude Meeks, Horace Daniels L. B. Burk, and others of these general areas.

Some damaging hail was also reported north of Wilson.

The shower area also extended from Slaton south to Draw, principally on a line east of the farm-to-market roads. Up to an inch was reported in the area from Grassland south to Draw, and also extending west of Draw to the Ode Brewer farm.

Tahoka received .10 inch in a shower Monday evening, bringing the total precipitation in May to only .50.

With no general rains since March, crop prospects are none too good in spite of the deep-season moisture. Although many farmers have cotton up, some estimate that 30 to 50 percent of the county's dry land cotton is yet to be planted.

Farmers say they need to get cotton planted within the next two weeks, as cotton planted the last half of June until the first week in July has limited time in which to mature.

W. E. Taylor, 88, Dies At Lamesa

W. E. Taylor, 88, pioneer of the South Plains and former Tahoka citizen, died Tuesday morning in Medical Arts Hospital at Lamesa following a long illness.

Funeral services were held Thursday at 2:00 p. m. in Higginbotham Funeral Chapel in Lamesa, with W. T. Hamilton, minister of the Church of Christ in that city, officiating. Burial followed in City of Lubbock Cemetery.

William Ewing Taylor was born in Chapel Hill, Tennessee. He moved to the South Plains in 1906, and operated the first gin in the Lubbock area. Before the coming of the railroad, he operated a team and wagon freight line from Canyon to Lubbock. He was one of the first policemen in the city of Lubbock.

Moving to Tahoka, he operated a motor truck line for several years. He moved from here to a farm west of Lamesa in Gaines County. On retiring in 1956, he moved to Lamesa.

Survivors include his wife, Mrs. Janie Taylor of Lamesa; four daughters, Mrs. Henry Maasen of Lamesa, Mrs. Lee Roy Knight of Tahoka, Mrs. H. H. Ridings of Orland, Calif., and Mrs. F. A. Robinette of Seymour; three sons, James Taylor of Lamesa, Roy G. Taylor of Seymour, and L. E. Taylor of Channelview; one brother, W. G. Taylor of Coleman; 15 grandchildren and 10 great grandchildren.

GO TO BOSTON

Mr. and Mrs. Louie Weathers were to leave Friday morning for Boston, Mass. where they will attend the graduation exercises of a grandson, Danny Forbes. Danny will graduate from high school on June 7.

Benny Pryor Will Leave New Home

Benny Pryor, Vocational Agriculture teacher at New Home for the past nine years, has accepted a similar position at Colorado City, effective July 1.

Mrs. Pryor will also teach in the intermediate grades in the Colorado City system.

Under Mr. Pryor's direction the New Home FFA Chapter has produced 16 Lone Star Farmers, one American Farmer, and has three applicants for the Lone Star Farmers Degree this year. The Chapter received a Gold rating from the State Association last year which is the highest rating possible. The supervised farming program has been outstanding the past several years with a labor income of over \$17,000.

The facilities of the department, through the cooperation of the school board and administration, now includes a modern classroom and shop combination, bath and office, and adequate equipment for shop instruction.

The Pryors have two children, Vicki, 5, and Keith, 2. The family will be moved to their new location about July 1.

Britt Robinson All-American

Britt Robinson, 12-year old Tahoka marksman, has been named on the 1961 Sports Afield All-American Sub-Junior trapshooting team, announces Jimmy Robinson, trapshooting editor of the magazine.

Britt successfully defended his 1959 North American Clay target sub-Junior crown at the Grand American (Vandalia, Ohio) last August when he shattered 196 of 200, four targets over Clinton Bailey, Big Springs, Nebraska. He won both the Texas state sub-junior and junior handicap and the state C class doubles.

Robinson, a Class shooter, with a 22 yard handicap averaged .9494 on 1,700 registered targets, second in the nation among sub-junior shooters.

Other Texans named on the team were Larry Gravestock, Amarillo, (men's second team) Bill Lace, Ft. Worth, (Junior) and James Liston Roberts, Houston, (Junior).

Britt shoots against many of the top men shooters of the country. Recently, at the Odessa shoot, he captured the singles contest by shooting a perfect score of 100 targets, the first time this has been done since the contests were started. He was the high overall shooter, also taking first in the handicap and in the doubles. At Amarillo, he was the high handicap shooter and also won the doubles.

The young man is the son of Mr. and Mrs. Jack A. Robinson and is the grandson of Mr. and Mrs. Hall Robinson and Mr. and Mrs. G. R. (Bud) Milliken.

Britt is active in school sports, junior baseball, and plays some golf.

New Home Boys At FFA Meeting

Charles Crabtree, Clarence Nieman and Billy Kopecky of the New Home FFA Chapter accompanied by Benny Pryor, their advisor, attended the Area II FFA convention at San Angelo June 1 and 2. At that time the records of the boys will be submitted for records check for Lone Star Farmer Degrees.

The program will be highlighted by a swimming party for the boys on Thursday afternoon and an address on Friday by Teddy Curroth, National FFA vice president from Tulsa.

Tower Elected Texas Senator

Although Texas gave Republican John Tower of Wichita Falls a close majority vote over William A. (Bill) Blakley of Dallas as U. S. Senator from Texas in the runoff special election Saturday, Lynn county, like most rural counties of the state, gave a big majority to the Democrat, Bill Blakley.

In light voting here, Blakley received 735 votes to 336 for Tower. Only box to give Tower a majority in Lynn county was the Absentee box, which gave Tower 17 to 12 for Blakley. Only about 1,100 cast ballots in Lynn county.

The voting by precincts follows:

	Blakley	Tower
South Tahoka	80	38
Wilson	120	66
O'Donnell	120	52
New Home	61	18
Draw	42	12
North Tahoka	122	68
Grassland	27	11
Gordon	48	16
West Tahoka	53	12
Newmoore	19	9
Lakeview	33	17
Absentee	12	17
TOTAL	735	336

Eldon Akin Honor Graduate At Tech

Eldon Akin of Tahoka was graduated with honors from Texas Tech in exercises Monday night, May 29. Graduation requires an overall grade-point average of 2.5 or above.

He will be employed by Peat, Marwick, Mitchell and Co. as a junior accountant and hopes some day to become a certified public accountant.

Akin is a member of Delta Sigma Pi, professional business administration fraternity, and served as treasurer at Tech. A member of Beta Alpha Psi, honorary and professional fraternity, he received the fraternity scholarship award for 1961 which is given to the graduating senior having the highest grade point average in accounting courses.

He was also a member of Beta Gamma Sigma, business administration honor society, and Phi Kappa Phi, all-college honor society.

Akin is the son of Mr. and Mrs. Ed Akin of Tahoka.

Ladies Day Set At Swimming Pool

Ladies day at Tahoka Municipal swimming pool will begin Wednesday, June 14, and will be observed every Wednesday thereafter, according to Clifton Gardner, operator. Swim time will be from 10:00 a. m. until 12:00 noon.

Have News? Phone 998-4888.

"Auction Dollar" Program Is Set For This Saturday Here

The "Auction Dollar" program of Tahoka merchants will come to a climax here Saturday, when citizens of this trade territory may use their fake money to buy in valuable merchandise at auction.

"Auction Dollar" coupons will be issued by most Tahoka merchants again today and also on Saturday up until time of the auction, at about 4:00 p. m.

There will be clothing, appliances, pots and pans, groceries, field seeds, and even a second-hand automobile that can be bought with "Auction Dollars."

Also, on Saturday, the climaxing day of the three-week event, there will be a two-part program, one in the morning at 10:00 o'clock and one in the afternoon at 3:30 o'clock.

There will be western-style music by the famed American trio, "Country and City Boys," comedy and entertainment by "Cindy and Her Mule, Jitterbug," and by "Bozo" the clown, a dangerous bull (Cont'd. on Back Page)

ARENDESE HENDRIK

Dutch Youth Will Visit City

For the seventh consecutive year, Tahoka Rotary Club this summer will sponsor the visit of a young college graduate from Europe, Harold Green announces.

This year's guest will be Arendse Hendrik, age 25, a school teacher from Middleburg, Netherlands.

He will arrive here late in June and live in homes of local Rotarians until the latter part of August.

Hendrik is the only child of a retired couple, reared in a small town, is a graduate of a college for teachers, and now is headmaster of a primary school for children 6 to 13 years of age in a small community. He is a member of the Dutch Reformed church, and is very active in community affairs. He comes highly recommended by his associates for his pleasing personality, interest in people, and public speaking ability.

He expresses a desire to view the American way of life, exchange ideas, and promote friendship between the two nations. During vacations, he has traveled over much of Europe, and expresses an interest in religion, politics, music and drama, sports, photography.

His trip through The Netherlands to New York City is sponsored by The Experiment in International Living, and Tahoka Rotary Club pays his way from New York to Tahoka and return.

A few weeks ago, a proposal was made at the local club to drop the program, but members voted almost unanimously in favor of continuing it. Previously, the club has sponsored two students from France, one each from Belgium, Austria, Switzerland, and Finland.

Jim Tomlinson was released from Tahoka Hospital Thursday where he had been a patient since suffering a heart attack on May 19.

McDaniel Block Sold To Harvick

The S. N. McDaniel property, almost a half block across the street south from the First Baptist Church, has been sold to Robert Harvick and an un-named associate. The deal was closed Friday between the owners and Mrs. S. N. McDaniel and son, Fred, and daughter, Mrs. Homer (Rescola) St. Clair, and other heirs.

The property is part of the original townsite of Tahoka, and faces the Brownfield Highway between Petty and Kelsey streets. Earlier, a parcel 50 by 90 feet in the southeast corner of the half-block, not fronting on the highway had been sold to Floyd and Marie Goad, and is not involved in this sale.

The sale includes the McDaniel homestead and two duplex rent houses.

Mrs. McDaniel and her late husband came to Lynn County in 1932 and helped organize the county in 1933. He served as the first county clerk of the county. They acquired some of this property in 1905 and some in 1909. The home, then one of the most modern and imposing residences in Tahoka, was built in the winter of 1915-1916.

Following Mr. McDaniel's death in 1937, Mrs. McDaniel has continued to live in the old home. However, she will be 94 years of age on June 11, and is moving to Garner, Parker county, to live with Mr. and Mrs. St. Clair.

The new owners say they have made no definite plans regarding the property.

Sears Gilts Are Given 4-H Boys

Sears Foundation pigs were awarded to eight Lynn county 4-H club boys last Saturday, according to County Agent Bill Griffin.

Gilts were given to the following boys: Louie and Layne Birdwell, Randy Allen, Randy Taylor, Mike McDonald, Kent Wood, Tommy Rash, and Doug Taylor.

The boar pig was awarded to Louie Birdwell.

Mr. and Mrs. Ardie Staley and family of Dallas are here this week visiting Mr. and Mrs. Jack Reynolds.

Five Generations Are Present At Redwine Birth

When little John Randel Redwine made his appearance in this world Tuesday noon, there were five generations over at Tahoka Hospital at the same time.

John Randel, son of Mr. and Mrs. John Ed Redwine, weight six pounds 13 ounces at birth, was greeted by his parents; his grandmother, Mrs. F. E. (Donnie) Redwine; his great grandmother, Mrs. John Fulford; and his great great grandmother, Mrs. Hattie Yates, the latter also a patient in the hospital but not too ill to admire her youngest grandchild. He is also a great grandson of Mrs. Ed (Vesta) Redwine.

Maternal grandparents are Mr. and Mrs. Ed McCormick of Monon, Indiana.

Methodists Are At Conference

All Lynn county Methodist pastors and a number of laymen are this week attending the annual Northwest Texas Conference of the Methodist Church being held in Lubbock Monday through Friday morning.

Rev. J. B. Thompson, local pastor, has been here four years, but most members of the church are hopeful that he will be returned here. Announcement of appointments for the coming year will be made Friday morning.

The late Mrs. Ben Hardy of Tahoka, wife of a pioneer minister, was honored in a memorial service.

Wednesday, Otis Spears of Tahoka was named as one of the associate district lay leaders for the year.

Two Students Seek Lone Star Award

Tahoka Chapter of Future Farmers of America had two applicants for the Lone Star Farmers degree whose records were to be submitted for checking at the area convention at San Angelo held Thursday and Friday of this week.

Applicants are Billy Davis, son of Mr. and Mrs. Vernon Davis, and Fred Hegl, son of Mr. and Mrs. F. B. Hegl.

Billy, Lester Adams and V. P. Carter, local advisors, left Thursday for the 2-day convention.

Entomology Team To State Contest

Lynn county's 4-H club entomology judging team will leave Tuesday for Texas A. & M. College where it will compete in the state contest on Wednesday.

Members of the team are Ronnie Wood, Lyndol Askew, Carol Moore, and Charlotte Vestal. County Agent Bill Griffin will accompany the group.

Tahoka Chamber of Commerce pays the bus fare for the team to the contest.

Martha Bell, daughter of Mr. and Mrs. Roger Bell, went to Canyon Monday where she will attend the first summer session at West Texas State College. Her classes were to begin Wednesday. She is a spring graduate of Tahoka High School.

Bruce Spruiell, 6-year-old son of Mr. and Mrs. Clyde Spruiell, had a tonsillectomy in Tahoka Hospital two weeks ago. Two days after his dismissal from the hospital he had the mumps.

Mrs. O. L. Kidwell, who fell at her home a few weeks ago and a medical patient in Tahoka Hospital, was dismissed from the institution Sunday.

Lynn County property tax-paying voters will vote next Tuesday on two propositions that vitally affect the county.

One proposition is a 15-cent special road tax, which the Commissioners' Court says is absolutely necessary to meet the county's bills, increased by rising costs of wages, materials, indigent care, etc.

The other proposition is a \$75,000 bond issue for erection of a modern livestock and agriculture exhibition building.

Commissioners' Court members say they have studied the solution to the county's finances from every angle, and the cheapest way to meet the bills is the plan they have advanced. But, it's up to the voters to decide.

Valuations could be raised, but because of the Texas school laws this would also make necessary a raise in valuations in every school district in the county just to maintain the same amount of money these districts are collecting in taxes locally.

If the special 15-cent road tax is voted, about \$15,000 in new tax money would be raised. But, if voters turn this proposition down, the county's recourse would have to be raised in valuations. In turn, the school's would have to raise their valuations, and this would result in a cost to county taxpayers of about \$43,000 instead of the \$15,000.

There has been no increase in county taxes since 1951, and since that time all costs of county government have risen considerably. County Judge W. M. Mathis says the county has held off as long as it could, but higher prices and more demands for indigent care have finally caught up with the county budget and it just don't have sufficient money on which to operate.

Issuance of bonds for a county livestock building and county-wide meeting place will not materially affect county expenditures, the Court says. Also, Lynn County Fair Association has voted to apply funds from sale of its property on the new US 87 right-of-way to a sinking fund to retire these bonds. No one knows what this property will bring, but the Association values this property at \$15,000 to \$20,000.

Since the old livestock barn burned a few years ago, make-shift arrangements have had to be made for the annual shows. About \$9,000 the Fair Association has from rents on its property and insurance collected on the burned building would be used to equip the livestock barn with pens, bleachers, judging arena, washing racks, etc.

Most of the civic organizations have endorsed the livestock building proposal after a number of farmers and other interested people started a move recently for the building. Since it would serve the entire county, men attending in a mass meeting about two months ago thought the bond issue would be the fairest way of building.

James Phillips Moves To Wheeler

Mr. and Mrs. James Phillips and daughter, Gail, have moved to Wheeler on the North Plains, where he has rejoined the Soil Conservation Service.

The Phillips came here in 1949, and he was with the SCS here until three years ago, since which time he has been farming and working at Tahoka Co-op Gin. They were leaders in the local Church of Christ and were also active in civic and school affairs.

HOSPITAL ASSISTANT

Dr. Joe DeLeon of Port Arthur is in Tahoka and is assisting Dr. Skiles Thomas and the hospital staff while Dr. and Mrs. Prohl are attending Rotary International in Tokyo, Japan.

Senator Preston Smith

In the last days of the session, there are always enough people and groups to keep up a lively interest in every measure discussed in the Legislature.

But one very large group—called the "silent segment"—is composed of state workers who have at present an intense interest in pay prospects.

Legislative discussion thus far hold encouraging promise for them.

The salary question is whipped up in the general appropriation bill.

So far, it seems the extent of pay betterment for several thousand state workers is still to be defined.

Not only is this true in the departments of the capitol and state office buildings in Austin, but in thousands of administrative districts, hospitals and other institutions.

The legislature has passed the state's first comprehensive job classification bill.

There is the general opinion that whatever the schedule increase becomes effective, they will not be pinched out at the lowest brackets, but will range up into the \$6,000 to \$8,000 pay levels.

The pay raise for teachers, plus the assurance that the pay schedule of junior college teachers will be adjusted upward, adds encouragement to betterment of general state pay schedules.

Among the Tanala people of Madagascar, a widow must divorce her dead husband before she is allowed to remarry.

Top Entertainers Here Saturday

Saturday is the big day in Tahoka when the "Auction Dollar" show and sale will come off. There will be shows at 10:00 a. m. and 3:30 p. m., the latter to be followed by the sale of merchandise donated by merchants to be bought in with the "auction Dollars" they have been issuing with purchases.

The show will feature "Cindy and Jitterbug," acclaimed by Ed Sullivan as one of the world's outstanding animal acts. This seventeen minute, comedy routine has performed all over the world and was given a big ovation when they appeared before an audience of 100,000 in Soldier's Field. Some of the top night clubs have watched the shane young lady put her little mule through the his paces. He derives his name from the fact that he dances with "Cindy" and chews gum, just like any up-town "hep cat."

The act is narrated by "Bozo, The Clown," who is well known to all

followers of the big-top. Bozo's zany antics please the adult audience as well as the youngsters as he goes into his stock pile of jokes. He assists Miss Beverly Harnett in an excitingly funny and sometimes dangerous, exhibition of the Australian Bull Whip artistry. Miss Harnett is one of the few lady bull-whip artists and is equally adept with her right or left hand. Bozo puts himself in quite a spot as Miss Harnett goes about her job of snuffing out a cigarette and cutting paper, held by Bozo.

"Bozo" gets in all the acts and proves that he is no slouch at rope spinning as he mimics Miss Harnett in some fancy and tricky rope spinning. The climax to Miss Harnett's rope act is an amazing performance of making a hundred foot rope into a fast spinning circle. When the rope is extended to it's fullest, the weight is equivalent to holding one hundred pounds aloft with one hand.—Amazing performance from a little lady who weighs less than a hundred pounds.

Five beautiful French Poodles and a couple of rag-a-muffins complete the show. The dogs do handstands, back flips, balancing, play "London Bridge," jump through hoops, waltz, do a "doggie Congo" and in general delight the entire audience with their beauty and fast paced performance.

Finally, the musical part of the show is furnished by "The Country and City Boys." Bob Bohm, accordionist, has appeared frequently on the Red Foley Show and other television shows, including the Jack Benny show, Tennessee Ernie, and Dal Robertson. Jack Cannon on the violin is an international favorite, and has appeared in such places as "The Top Of The Mark" in San Francisco and The Imperial Hotel in Tokyo, Japan. His music runs the gauntlet from "sweet to swing." Scotty Fulton, the guitar man, has worked with Red Foley, who says he has "a beat that can't be beat."

There will be two performances of the show, both different, one at 10:00 a. m. and one at 3:30 p. m. on the streets.

FISHING TIPS

By RUDY EVINS

The other day I received a letter from Bob Stanowski of Maine. He asked some questions, which, if answered thoroughly, would end up in a novel. However, I will try to answer them as completely as I can in a few chapters.

According to fish biologists' reports, fish have the ability to hear sounds and vibrations but do not have external ears as we know them. Fish are said to have "sensory pores" which act as ears. In some fish the air bladder is connected by a series of bones to the capsules which act as resonant chambers for vibrations. Therefore, when you're sitting in a boat, fish can hear you scrambling through your tackle box or scraping your feet on the bottom of the boat. The Evinrude Boating Foundation suggests that you wear rubber-soled shoes, such as boating shoes, whenever fishing from a boat. Yes, it's true that fish sleep. Fish don't have eyelids and seldom appear to be sleeping, so to be more accurate fish rest at regular intervals.

Some fish "sleep" on their sides on the bottom of the lake while others might "sleep" against rocks or lie motionless while suspended in the water. Many schooling fish disperse at night and rest only to reassemble in the morning. You are right Bob, fish are very interesting aquatic creatures with unusual habits interesting to all. It is unbelievable as to the number of fishermen, many of them veteran anglers, who know very little about their catch. Happy boating... and fishing, too. Rudy

Today's MEDITATION

The Upper Room

That which we have seen and heard declare we unto you, that ye also may have fellowship with us; and truly our fellowship is with the Father, and with his Son Jesus Christ. (1 John:3.)

Tradition speaks of the martyrdom of most of the Apostles, saying Matthew was killed by the sword, Thomas shot with arrows and put to death with a spear and Peter crucified head downward. Many early Christians suffered martyrdom.

We wonder sometimes why this should be the lot of many heroes of faith-men in whom dwelt the spirit of Christ. They could not keep silent, for they had experienced the love of God. Torture and persecution could not stop them from proclaiming the good news of the redemptive power of Christ.

This long line of heroes of faith along the march of time stands as a challenge for all Christians today. There is a great need for spreading the gospel of Christ to those in the world who still live in darkness. As Christians we can be missionaries in our own spheres of life.

PRAYER: Heavenly Father, we beseech Thee to touch our hearts with the Holy Spirit that we may become missionary-minded. Instill in us the urgency of spreading the gospel to those who are still in darkness. Use us as instruments to proclaim Thy redemptive power. In Christ's name. Amen.

THOUGHT FOR THE DAY— Everyone can be a missionary in his own sphere of life.— Ibrahim Matar, Publisher (Lebanon)

Mrs. Lewis Cowan Is DAR Member

Mrs. Lewis (Nelle) Cowan of Lubbock has been accorded an honor in which she and her husband are taking great pride, membership in the Daughters of the American Revolution.

The couple and three children were here early this week visiting her mother, Mrs. Clovis (Helen) Honeycutt. Lewis has been with Gifford-Hill Western-Co. in Lubbock the past six years.

As a DAR member, Nell, or "Stinky" as she was known to old high school chums, she has become a member of Nancy Anderson's Chapter in Lubbock.

Membership in the DAR does not come easy. One must have authentic proof of ancestry back to the Revolutionary War to be eligible, and she and Lewis have recently completed the tracing of that ancestry.

Nell is a granddaughter of the late Rev. and Mrs. Ben Hardy. Before her marriage, Mrs. Hardy was a Wofford, and the latter's grandfather was a native of South Carolina.

Lewis is also interested in tracing the ancestry of the Cowan family, who were among the first settlers on Lynn county.

Mr. and Mrs. Marti Cowman and daughter are on their vacation in St. Petersburg, Fla. visiting his parents. Mrs. Cowman is the daughter of Mr. and Mrs. Leighton Knox.

Farm Facts

Every now and then a farmer runs across a bull or steer that is so mean he feels like shooting him. Some farmers do—with a tranquilizer dart that tames the unruly animal. It thus protects both man and beast.

The dart is a plastic syringe encased in metal and loaded with nicotine. It's fired from a special air rifle that loads like a single-shot shotgun and is powered by a compressed air cartridge.

Farmers, ranchers, zoo keepers, veterinarians, and big-game hunters use the rifle. They can fire it from as far as 75 yards away and score an effective hit, but best results are obtained from a distance of about 35 yards.

When the dart strikes the animal, a small compressed air cartridge is activated and the nicotine is injected into the bloodstream. In a few minutes the bull will stagger and then drop to the ground, paralyzed. Then the farmer can administer medicine that the animal may need.

The treatment is relatively painless for the animal. It appears to suffer little, either

from the dart or from the dose of nicotine. Within an hour's time, the bull will be grazing contentedly as if nothing had happened, and science will have helped the farmer solve another knotty problem.

Explanation of Lynn County's Tax Situation

Due to rising costs and the increasing demands placed on the County for indigent care, etc., the Commissioners' Court finds it necessary to ask for more tax money.

County valuations have remained virtually the same since 1951, at which time the land valuations were raised. The only increase in valuations since 1951 has been the natural increase such as new buildings, etc.

We have given the County tax matter considerable study and have decided that the 15c Special Road Tax is the cheapest way to raise taxes. It would take about \$2,000,000.00 raise in County valuations to bring in the amount of money that the 15c Special Road Tax will bring in.

The 15c Special Road Tax, if voted, would only apply to the County Taxes; whereas, if we raised County valuations, this would apply to the State Tax also and would affect each of the Schools in the County and would probably cause them to have to

raise their valuations to make up for the loss in funds.

We have called a 15c Special Road Tax Election for June 6, 1961, in order to give the qualified property taxing voters of the County an opportunity to say whether or not this is the way they want the tax raise, hoping that the tax will be voted and that we will not have to raise County valuations.

If this tax is voted, we can use the money that is now going into the Road & Bridge Fund for other Funds, because the 15c Special Road Tax can be used only for road purposes.

We have also called a \$35,000.00 bond election for June 6, 1961, for the erection of an Exhibition Building which we think most everyone will agree is much needed for a place to hold the Lynn County Livestock Show and which building could be used for other large gatherings. If these bonds are voted, they can be retired at a tax rate of about .03c on the \$100.00 valuation.

Yankees, Giants Tied For Lead

Thursday night, May 25, the Yankees and Cubs were victorious.

In the 6:00 p. m. game the Giants edged by the Yanks 5 to 4 in the thriller. The Yanks made a rally in the sixth inning and scored two runs, but the Giants scored once more. The winning pitcher was Charles Sayles and the loser was John Tyler.

In the following game the Cubs downed the Cards by a score of 15 to 6. Mitchell Williams, the winning pitcher, hit his first home run of the season. Losing pitcher for the Cards was Ruben Casarres.

Friday night the Yankees and Giants played the rest of their May 11 game which was tied at 8 all at the end of the sixth inning and called because of the 9:30 p. m. time limit. The Yanks won 9 to 8 when Mike Burk drove in the game winning point. Pitching for the Yanks was Rett Patterson. Ken Sayles pitched for the Giants.

Monday night in the first game the Giants continued their winning and defeated the Cards 9 to 2. Little Charlie Brown was the winning pitcher for the Giants. Emory Stokes was the loser.

In the final game of the night the Yanks beat the Cubs 4 to 1. Winning pitcher for the Yanks was Rett Patterson. Logio Rengel was the loser for the Cubs.

Thursday night the Cards were playing the Yanks and the Cubs were playing the Giants.

Mr. and Mrs. G. C. Grider visited relatives in the Dallas-Fort Worth area last week.

Tahoka Orioles Are Undefeated

Friday night there were no Pony League games played on the Tahoka Field.

At O'Donnell the Orioles defeated the Pirates 7 to 5. Allen Cox was credited with the win and Joe Olbera the loss.

On that same night the Tahoka Braves downed the Red Sox 15 to 11 on the Wilson field. Terry Harvick was the winning pitcher.

The Braves and Orioles battled it out at home Tuesday night with the Orioles coming out the victors. It was just one of those nights for the Braves with a final score of 16 to 2. Cox was on the mound for the Orioles and Raymond Chapa and Terry Harvick for the Braves. Chapa was credited with the loss.

Thus far in the season, the Orioles are yet to be defeated and lead the league.

Gary Thomas, 14-year-old son of Mr. and Mrs. Kenneth Thomas, fell from a motor scooter Friday of last week and received two broken jaw bones and a cracked right heel bone. He was taken to Tahoka Hospital and was released Monday.

J. W. Inklebarger was dismissed from Tahoka Hospital Monday where he had been for several days after having undergone surgery last week.

Uncle Sam guarantees almost double your money back
When you hold U.S. Savings Bonds 17 years, 9 months

U.S. Savings Bonds keep on growing after regular maturity. In fact, a \$25 Bond will pay you \$36.25 at the end of 17 years, 9 months. The cost to you—\$18.75.

The reason is an extra 10-year earning period. It means you can set up an attractive plan for extra income or retirement. And you can do it for just pennies a day. Other nice features about U.S. Bonds: you can buy them on the Payroll Savings Plan. Your Bonds are replaced free if stolen or destroyed. And every Bond is a share in a stronger America.

Doesn't this sound like a good way to save for your goals?

You save more than money with **U.S. SAVINGS BONDS**
Buy them where you work or bank

For 20 years America's Newspapers have published Savings Bonds ads at no cost to the Government. The Treasury Department is grateful to The Advertising Council and this newspaper for their patriotic support.

566 Lynn People Receiving Benefits From Government

New York, June 1—In growing number, Lynn County residents are reaping the benefits made available to them under the Federal pension system, now over 20 years old.

More and more of them are receiving regular monthly checks from the system's insurance trust fund, which they helped build up over the years by their own contributions. Matching contributions were made by their employers.

At the present time, according to the annual report just released by the Social Security Administration, some 566 local residents—men, women and children—are getting such payments. Among them are retired workers, disabled workers, their wives, children and other dependents.

The number of beneficiaries is considerably greater than it was five years ago, before Congress enacted various changes in the program. Since then, many new groups have been brought under coverage.

The rise in number in Lynn County since that time, when there were 167 recipients, amounts to 139 percent.

It was a greater increase than was recorded generally in the United States, where it averaged 85 percent, and in the West South Central States, 114 percent.

Of no less importance locally has been the rise in the amount of money that the pension and disability checks have brought into the area.

The government report shows that Lynn County beneficiaries, as of the beginning of this year, were collecting at the rate of \$348.816 annually.

Per recipient, this averaged \$616 a year, which was 39.7 percent greater than in January, 1956.

The social security system, which had its beginning in 1939 and which required workers to provide for their future by setting aside part of each week's income toward their eventual retirement has greatly reduced the financial hazards of old age.

It has provided a boon, at the same time, to the national economy. Over \$10 billion a year is currently coming back from the trust fund in pension money. Further expansion of social security, to cover more people and to yield additional benefits, has been proposed by President Kennedy. The tax costs would rise proportionately.

Mrs. Willie Aycox, a medical patient in the local hospital for several days, was dismissed Wednesday.

W. A. Hardt Sr. was to undergo surgery in West Texas Hospital in Lubbock Wednesday.

His statement follows:

"There was nothing wrong with the seed. I go a perfect stand; in fact, a good stand. I have lost quite a bit of this field due to high winds and sand covering up the plants. If and when it rains, I will probably plant over about 40 acres.

WASHINGTON AND

"SMALL BUSINESS"

By C. WILSON HARDER

Senator William Proxmire has introduced a bill in the United States Senate that would go a long way toward plugging one of the obvious major loopholes in nation's antitrust laws.

In essence, the bill, if passed, would impose greater penalties on corporate officers responsible for their corporations violating the laws.

For some time nation's independent businessmen, voting through National Federation of Independent Business, have asked for stricter penalties.

Senator Proxmire's bill would apply in either a civil or criminal case that the government won a verdict.

For regardless of the type of case won, executives found responsible for illegal conduct of the corporation would suffer severe financial loss.

The bill provides that the wrong doing executives can be cut off from any remuneration from the corporation for as long as a year, the corporation would be enjoined from paying any type of compensation to such executives for the period of time prescribed by the court.

Commenting on his bill Sen. Proxmire says "A jail sentence is a very serious social penalty but may not impose any financial hardship if the convicted person continues to hold office and draw his salary. A one year suspension from office is truly not be worth the candle."

without pay is a much more serious financial penalty."

There are many American corporations with the highest standards of ethics. Unfortunately, there are some whose business morality and ethical standards are not of the highest. And it is these less ethical ones who can often persuade their executives to take illegal measures.

Or as Federal Judge J. Cullen Ganey expressed the philosophy in a recent antitrust case "Here we have the nonfictional case of the organization man and the question of conformity to the corporate line. As an executive he goes along with a way of doing business. Consider his stake in this... large salary, high position, seniority. He may realize it's risky; but he must either violate the law or give up his seniority and excellent remuneration."

Thus, there can be corporation executives persuaded to take illegal courses on the assurance of the corporation that their personal financial well-being will be protected. Likewise, they can be informed unless they go along with the plan, regardless of its legality, their position with the corporation is in jeopardy. Thus, in desperation, many corporation executives, conceivably, could be induced to take a chance.

However, Sen. Proxmire's proposal would change all this.

Because the provisions of this bill, enacted into law, would make it clear to an executive that no matter how hard his corporation tried to pressure him into committing illegal acts, the game would truly not be worth the candle.

Mr. and Mrs. Lewis Kuykendall and family from Littlefield visited his parents, Mr. and Mrs. W. J. Kuykendall Sunday.

Mrs. G. N. Smallwood, Mrs. S. D. Martin, Mrs. Jay Oats and Sue, Mrs. F. W. Calloway, Mrs. Herbert Dunn, Mrs. Martin Edmunds, Mrs. Don Edmunds attended the wedding shower honoring Mr. and Mrs. Jerry Hitt from Abilene Sunday afternoon held in the community room at the bank building in Post.

Mrs. W. A. Hamilton, Lubbock, a long time resident of Hackberry community, fell last week and broke her leg. She underwent surgery and is in Lubbock Osteopathic Hospital. Friends wish her a speedy recovery.

Mrs. Zella Smith, who is recuperating from a broken hip and has been in the home of her son, Mr. and Mrs. Virgil Smith at Hackberry, is planning to return to her home in Plainview soon. The women of this community gave her a party Tuesday afternoon.

Visiting Mr. and Mrs. Sam Martin first of the week were his sister, Mrs. M. C. Herrod of Snyder and a nephew and wife, Mr. and Mrs. Jack Reese from Abilene.

Danny and Dale Dabbs of Lubbock are spending a few days with their grandparents, Mr. and Mrs. Herman Dabbs.

Mr. and Mrs. Ed Milliken's visitors Monday afternoon of last week were his sister, Mrs. Cieta Young and Mrs. Gentry, both of Slaton.

Benny and Sharla Edmunds spent Friday night in Slaton with their grandparents, Mr. and Mrs. B. F. Gunnells and family.

Randy Haire from Lubbock is visiting his grandparents, Mr. and Mrs. Howton Haire.

Janet Gunnells, Slaton spent Saturday night with her sister and family, Mr. and Mrs. Don Edmunds.

Mr. and Mrs. S. H. Eubanks, Hale Center, were Sunday visitors of Mr. and Mrs. T. L. Barnes and Mrs. Rinker.

Prohls Attending Tokyo Meeting

Tokyo, Japan—In Tokyo for the 52nd annual convention of Rotary International, world-wide service organization, are Dr. Emil Prohl member of the Rotary Club of Tahoka, and his wife, Grace. The convention, which began May 28th, is the largest in Rotary history, with an attendance of more than 22,000 Rotarians and members of their families from some 60 countries.

At the opening-night entertainment feature, Rotarians and their guests saw some of Japan's greatest performers, including scenes from the Kabuki theatre, Shinto dancers, and the Tokyo Philharmonic chorus. The next morning, May 29th, they were present at the official opening of the convention by the Emperor of Japan at the Tokyo International Trade Center.

Many Rotarians from outside Japan will have the pleasure of being entertained in typical Japanese fashion by Rotarians of the Tokyo-Yokohama area. For many months, Japanese Rotarians have been studying English to enable them to become better acquainted with their guests from abroad and to assist them in finding their way around the world's largest city.

On Tokyo's Ginza, famous for its neon brilliance and department stores; in museums, hotel lobbies, and restaurants; in landscaped gardens and at world-renowned shrines and temples, Rotarians

Foreign Students Visitors In Tahoka

Tahoka Rotary Club had an international flavor Thursday of last week as four European students appeared as guests of the club.

They were Jaques Revaclier of France, a guest of the local club last summer, who was accompanied by three friends, Zeno Forlati of Italy, Wolfgang Artopaues from Germany, and Erick Langer from Austria. All are college graduates of Europe colleges and doing special work at Southern Methodist University School of law.

For their summer vacation, the four men had purchased a 1954 stationwagon and camping equipment and had just started out to spend four months seeing America. They expect to visit the West Coast, then traverse the country to New York before returning.

Since Jaques had spent a summer in Tahoka, they wanted to come by Tahoka. They arrived here Wednesday, spent the night with the Harold Greens, and spent Thursday visiting other people.

Lora Estrado received a broken arm while playing near an irrigation well on the E. R. Blakney farm this week. The bone was broken in two places and the youngster was brought to Tahoka Hospital.

One of the wild animals exhibited in Rome's ancient amphitheaters was the North African zebra.

from communities in all parts of the world are experiencing an adventure in international friendship and understanding that is traditional at Rotary conventions. Rotary in Tokyo is linked to 11,000 other Rotary clubs with 505,000 Rotarians in 122 countries.

ARMY BIRTHDAY—One of the three great wars participated in by the U. S. Army in the 20th Century is depicted, as these World War I doughboys set up their 37-mm gun, model 1916, against the Germans during the Meuse-Argonne offensive in 1918. On this June 14, America's Senior Service, the U. S. Army, created in 1775, will celebrate its 186th birthday.

Methodist Bible School Planned

Tahoka Methodist Vacation Bible School is scheduled to begin Monday, June 5. Classes will start at 9:00 and last until 11:00 a. m.

Departmental classes will be available for nursery, kindergarten, primary and junior children. All children in the above age groups are invited to attend the school which will continue through Friday, June 9.

Mrs. Dale Thuren is director of the school.

Teachers for the Bible school are:

Junior, Mmes. Skiles Thomas, R. H. Gibson, James Roberts, and Perry Walker.

Primary, Mmes. Larry Hagood, Natt Parks, J. D. Atwell and George Wells.

Kindergarten, Mmes. Rush Dudgeon, Charles Brookshire, Leonard Dunn and Wilton Payne.

Nursery, Mrs. Turner Rogers. Music assembly, Mrs. Johnny Wells and Nan Evans.

CARD OF THANKS

We take this opportunity to express our sincere thanks to the people of Tahoka and surrounding area for all expressions of kindness shown us during the recent death of our loved one—to the women of the church who served food, to those who sent flowers and cards, to Bro. Eford and the pallbearers, to Mrs. Patterson and Mrs. Bennett for the music rendered, and to others who expressed sympathy in any way. May God richly bless each of you. Mrs. Clay Hughes, Mrs. Frorester, Mrs. Scott and brothers. 1tc

Tom Paris Takes Army Commission

Tommy Paris is home this week from Plainview, where he has been teaching mathematics in Junior High School. He will report June 12 at Fort Bliss, El Paso, where he will enter the Army as a second lieutenant. He received his commission on graduation from West Texas State last spring.

Tommy says his older brother, Donald Paris, and wife, who have been teaching in Amarillo, will work in Colorado this summer. His younger brother, Bob is a junior student at West Texas State.

The three are sons of Mrs. Jim Hill of Tahoka, and all formerly worked for The News.

YOUNG FARMERS WILL MEET MONDAY NIGHT

Tahoka Chapter of Young Farmers will meet Monday at 8:00 p. m. in the school agriculture building.

Plans for the year will be made. This will be the last opportunity for those wishing to join the organization to get their names on the charter member list.

Girl Scouts Are Being Organized

The Girl Scout leaders, co-leaders and interested parents met Tuesday, May 30, at the Methodist Church to make further plans for scouting in Tahoka.

Following is a schedule planned for the summer months and every girl who wants an opportunity to join this organization should make a point to attend the troop meeting in which she's classified, which is to be determined by the grade in which she will enroll the next school term:

Brownies, second grade—leader and co-leader, Mrs. Mackey Turner and Mrs. Ruth Wells, will meet Wednesday, June 7, from 2:00 until 6:00 p. m. at Mrs. Turner's, 2101 Ketter N.

Third Grade—leader and co-leader, Mrs. Pat Park and Mrs. Alta Thomas, will meet Wednesday June 7, 4:00 to 6:00 p. m. at Boy Scout Hut.

Fourth Grade—leader and co-leader, Mrs. Polly Gibson and Mrs. Betty Owens, will meet Thursday, June 8, 1:30 to 3:00 p. m. at 2000 Main.

Fifth Grade—Leader and co-leader, Mrs. J. A. Franklin and Mrs. Pauline Stevens; Troop B, leader and co-leader, Mrs. Ann Adams and Mrs. Aleta Thomas, will meet Tuesday, June 6, 2:00 to 3:30 p. m. at Boy Scout Hut.

It will be required for each girl to attend four meetings out of the first six before she can become a Brownie, or Girl Scout. At the end of this time, girls who meet will be registered for possible membership. It may be necessary to draw for membership because only a limited number of girls can be in scouting due to lack of funds and sponsors.

More details will be announced at a later date.

How to share in a \$4,666,000,000 harvest

This year millions of Americans will buy about \$3 1/2 billions worth of Series E U.S. Savings Bonds where they work or bank.

This means that by 1968 they'll reap a harvest of \$4 2/3 billion, an increase of one-third. It will be a year when millions of wishes come true through planned saving.

Why not plan your own little harvest? U.S. Bonds are guaranteed to grow by Uncle Sam. And every Bond you buy is a share in a stronger America.

You save more than money with **U.S. SAVINGS BONDS** Buy them where you work or bank

For 20 years America's Newspapers have published Savings Bonds ads at no cost to the Government. The Treasury Department is grateful to The Advertising Council and this newspaper for their patriotic support.

W. B. Holland, Irene Spears City Open Champs

W. B. Holland is the new City Open men's golf champion, and Mrs. Irene Spears has repeated as the women's champion. Medalist was Robert Harvick for men and Mrs. Spears for ladies.

Finals in the annual tournament, open to all club members and all other players living in Lynn county, were held Sunday afternoon.

Following the tournament, the awards dinner was attended by 120 people, and trophies were presented by George Glenn, men's tournament chairman, and Mrs. Judy Treadaway, women's chairman.

Trophies were presented to both medalists and to the first, second and consolation winner in each flight. In the Teen-Age flight, trophies were presented first, second, and third places, and each additional boy playing received two golf balls.

Teen-Age Flight
In 36-hole medal play, Terry Harvick won the Teen-Age tournament in 185 strokes. Sammy Ashcraft was second with 204, and Max Blakney was third with 206.

Men's Championship
In the first round of play, "Red" Brown upset Robert Harvick, medalist. Walter B. Holland defeated his brother Wade Holland, George Glenn shot one under par to take out Willis McNeil, and G. W. White won over Oscar Whitaker.

Holland then beat Brown, and White took Glenn. In the finals, Holland was the winner over White.

In consolation play, Harvick defeated Wade Holland, McNeil won over Whitaker, and in the finals Harvick defeated McNeil.

First Flight
Charles McAuley won over Betty Fischer, Bill Griffin over Joe

Harvick, Mack Mauldin over Reble Thomas, and Roy Lynn Kahlich over Ray Adams. Then, McAuley won over Griffin and Mauldin over Kahlich. McAuley was forced out by the illness of his father, and Mauldin was the champ.

In consolation, Harvick defeated Fischer, Adams over Thomas, and in the finals Adams won over Joe Harvick.

Second Flight
Richard Gilmore won over Roy Harvick, Short Woods over Irvin Dunagan, Gerald Short over Otis Spears, and Eldon Carroll over Sam Edwards. Next round, Woods won over Gilmore and Short over Carroll. In the finals Woods won 1-up over Short.

In consolation, Harvick defeated Dunagan and Spears took out Edwards, Harvick winning in the finals.

Third Flight
Sonny Roberts won over Walton Terry, Clint Walker over J. D. Atwell, Roscoe Treadaway in a close one over Floyd Smith, and Charles Verner over Charlie Holland. Roberts took out Walker, and Treadaway defeated Verner. Treadaway was winner in the finals over Roberts.

In consolation, Atwell won over Terry and Smith over Holland. Atwell won in the finals over Smith.

Fourth Flight
Thomas Jolly won over Clifton Hamilton, Delbert Mouser over E. R. Blakney, Elmer Rice over Johnny Wells, and Frank Lisemby over Robbie Gill. Then Jolly ousted Mouser and Lisemby took out Lisemby. Jolly took the final round 1-up over Lisemby.

In consolation, Blakney defeated Hamilton, and Gill took out Wells. In the finals, Gill won 2-up over Blakney.

Fifth Flight
Clyde Ashcraft won over Phil Pearce, E. L. Short over Tom Bartley, Theo Campbell over Jerry Brown, and Harry L. Short over Bill Vardeman. E. L. Short defeated Ashcraft and Harry Short won the flip from brother E. L. for the first place trophy.

In consolation, Pearce won over Bartley and Vardeman over Brown. Vardeman defeated Brown in the finals.

Ladies Championship
Irene Spears, medalist, won over Myrna Verna, Jo Belle Robinson over Aleta Thomas, Mac Edward over Jewell Smith, and Dot White over Judy Treadaway. Spears eliminated Robinson and Edwards took out White. In the finals, Spears was the winner over Edwards.

In consolation, Thomas won over Verner and Smith over Treadaway. Final. Smith defeated Thomas.

Ladies' First Flight
Doris Ashcraft was winner over Wanda Glenn, Anita Billman over Lottie Jo Walker, Nell Blakney over Fredda Townes, and Glenda Dunagan over Jenny Halford. Billman over Ashcraft and Blak-

Lois Montgomery Receives Grant To Study At University

Fort Worth—Miss Lois Montgomery, Tahoka teacher, has received a grant to attend the third annual Summer Institute for High School Teachers of Science and Mathematics to be held at Texas Christian University June 5-July 14. The program is sponsored by the National Science Foundation.

Course work on the graduate-seminar level will be offered in four areas: physics, chemistry, mathematics, and biology. A total of 103 grants were awarded.

Miss Montgomery is one of 27 teachers chosen for the mathematics section of the Institute.

The grants provide tuition and living expenses for the six-week period.

Seven states are represented by the group—Arkansas, Colorado, Kentucky, Louisiana, New Mexico, Oklahoma and Texas. Participants include 80 men and 23 women.

Now is the time

With Ford sales booming, it's easier than ever to own a '61 Ford—with styling many others try to imitate—with features most others can't duplicate!

Ford sales are at a five-year peak—and your Ford Dealer is trading, trading, trading to keep them that way.

You save when you buy, and you save forever after with the car that gives you features so new, so advanced you cannot find them even in some of this year's most expensive cars!

The new Ford goes 30,000 miles between chassis lubrications . . . 4,000 miles between oil changes. Brakes adjust automatically. The muffler will last three times as long as ordinary mufflers. The body

is specially treated to resist rust and corrosion. The finish never needs waxing.

Advances like these may be available in most cars—some day. You can have them right now in the 1961 Ford—plus Thunderbird style . . . Thunderbird power.

Why pour any more money into your present car? STOP today. SWAP for a brand-new Ford while Ford sales are high—and trade-in allowances are higher. SAVE on 1961's newest car—the Ford that's beautifully built to take care of itself.

Printer's Ink-lings . . .

By F. P. H.

Pioneer families, make your plans now for the big reunion here on Saturday, June 24. There'll be big doin's and a lot of former citizens back for the day. And the Edwards Cousins reunion will be held here the next day, Sunday, June 25.

All kinds of theories are being advanced as to why Texas elected a Republican as U. S. Senator. Let us point out that, in the first election, 49.5 percent of Texas voters voted for two ultra-conservative candidates. Two prominent mildly liberal candidates "also ran," and two ultra-liberal candidates ran very poorly. Among the 54 other names on the ballot, a number

were conservatives. Thus, Texas has swung to a more conservative line of thinking.

If the first election was not a warning, this last one should be a definite one to Texas representatives in Congress that a majority in Texas want a show-down on the trend toward socialistic government.

Right here in Lynn County, where most people vote the Democratic ticket straight all the time, there are grumblings about the trend of the "New Frontier." Even some of the more liberal Lynn county Democrats have expressed concern to The Printer.

People are worried about the proposed new farm program which threatens to regiment all agriculture, about the increased spending programs, the fiascos in Cuba and Laos, the growing threat of Communism, the ineptness we show in diplomatic relations and at the conference tables, continued encroachment of the Federal government in the field of State and local affairs, failure of our

spending more and more to buy friendship of nations around the world only to have many of these same nations "spit in our face."

There are, of course, other factors. Many people are mad at Lyndon B. Johnson for his "big switch." Some ultra-liberals voted for Tower because they see a chance to oust him four years from now; also, because ultra-Liberal Senator Ralph Yarborough will now be in position to dish out the patronage plums in Texas to the liberal faction of the Democratic party. But, there's no arguing the fact that Texans are alarmed at the trend of our national government and are turning more conservative.

Headline in Sunday's paper: "JFK Signs \$500-Million Latin American Aid Bill." We wonder how much of this will go toward teaching these countries how to raise cotton, to compete with Lynn county farmers; how much will go for new factories, to compete with American goods.

The following statement was released in Human Events, dated April 21, 1961:

Paul G. Hoffman, as head of the UN Special Fund has signed an agreement with Fidel Castro's Red Cuba regime whereby the Special Fund is to help Cuba get away from heavy dependence on sugar by diversifying its farm production. The United States pays about 40 percent of the Special Fund's annual budget, which stands this year at about \$47 million.

As a taxpayer, how do you enjoy helping to bankroll a UN agency which thus agrees to aid a mortal enemy of your country? — Cecil Waggoner in Claude News.

Forrest Weimhold, 46, publisher of the Levelland Daily Sun-News, died in his sleep Friday morning from a heart attack. Forrest has been our friend since he was a college boy in Texas Tech. Our sympathy goes to his wife, and to the people of Levelland who will miss this dynamic publisher.

We've just read "The Last Stitch," a very interesting book by Dr. William L. Crosthwait, prominent Waco surgeon for many years who got his start as an old-time doctor at Holland. Roy Edwards who brought us the book, has known the doctor all his life; in fact, he was the Edwards family doctor, and brought all the Edwards children into this world, except Roy. The book is filled with home-spun philosophy, sage advice, humorous stories, and interesting events, most of them dealing with the practice of medicine in a country town. Now 88, Roy says the Doctor was still active in his profession until a year or two ago.

Clipped: A conference is a meeting at which people talk about things they should be doing. . . . Sympathy is what one woman offers another in exchange for details. . . . People are already looking up places where they can't afford to go this summer. . . . You can't be average without being as close to the bottom as to the top. . . . Folks who know the value of a dollar these days are getting mighty discouraged. . . . Money will buy a dog, but it won't buy the wag of his tail.

A sign on a large barn near Lancaster, Wis., reads: "The Weitenhiller Farm. Uncle Sam, Operator."

In lending encouragement to the "Freedom Riders" Attorney General is a party to the enciting of mob violence and riot and lending a hand in the building of a bigger breach between the races. He is encouraging prejudice instead of alleviating it. The NAACP and others are hurting race relations instead of helping them.

The umpire at the baseball game was very short, and self-conscious of his size. A big husky player was at bat and another one was catching. The count was one and one. The pitcher threw and the ball sized across the corner. The diminutive umpire squeaked, "Two!"

The batter growed, "Two what?"

The tiny umpire looked at the batter, and also the catcher who was glaring at him and said "Too close to tell!"

A noted entomologist was delivering a lecture on the dangers of rat infestation. The fifth grade class listened with rapt attention and after the lecture, one of them wrote the speaker a note of thanks. It concluded by saying:

"Thanks so much. We didn't even know what a rat looked like until you came to our class."

Small's Old Records Found In Safe

Some old papers belonging to the late George W. Small were found by Louie Weathers last week in the safe at W. M. Harris Hardware & Furniture store while he was sorting out Mr. Harris' belongings.

Mr. Small had evidently left the box of old papers in the safe years ago when he sold his interest in the business. These papers consisted of poll tax receipts, bank statements, tax receipts, etc., many of which dated back before 1910. Among the papers, which were

turned over to Maurice Small, son of the late G. W. Small, was poll tax receipt No. 11 issued to Mr. Small in 1904 by C. H. Doak, Lynn county's first sheriff and tax collector, and C. E. Brown, deputy, father of "Red" Brown. This was the first year that poll taxes were collected in Lynn county.

Another interesting document was a chattle mortgage signed by Mr. Small to the old Lynn County Bank on August 4, 1906, for \$2,000, giving as security 375 head of cattle. The next year, the note had been partially paid off and was transferred to the First National Bank of Tahoka, successor

in that year of the Lynn County Bank.
A tax receipt for 1905 showed that total taxes on Mr. Small's home section, No. 28, in the present Wells community, were \$18.56. This included personal property and covered state, county and school taxes for the year.

Times have changed a lot since these papers were filled out.

NEW ELECTRIC HOME FREEZERS AND REFRIGERATOR-FREEZERS BRING BIG SAVINGS — AND EXTRA FOOD FRESHNESS — TO SOUTHWESTERN HOMEMAKERS

Every family can now enjoy the advantages of buying food when prices are low — or preserving home grown fruits and vegetables. The new electric home freezers or combination refrigerator-freezers make this food saving possible — save money, too. For the smaller families, the refrigerator-freezer is the answer. These combinations will provide freezer space for up to 200 pounds of food. And the real beauty of it all is that, in many of these models, you get nearly twice as much refrigerator-freezer capacity in the same amount of space that old refrigerators used. Big family or small there's a freezer for you — with big money savings.

March of Dimes Expands Aid for Victims Of Crippling Birth Defects, Arthritis, Polio

Victims of crippling birth defects and rheumatoid arthritis, among the largest groups of the medically underprivileged in the nation, can soon look for help virtually at their doorsteps, thanks to the March of Dimes.

The National Foundation, supported by March of Dimes funds, has broadened its horizons to give direct aid to children under the age of 19 suffering from all types of birth defects. Aid was previously limited to children with open spine, open skull and water on the brain.

The voluntary health organization has also authorized its 3,100 chapters throughout the United States to use available funds to establish a network of Special Treatment Centers and Evaluation Clinics for birth defects and arthritis. Assistance to polio victims will be continued.

The National Foundation's experience with polio treatment and rehabilitation centers as well as pilot projects conducted in birth defects and arthritis has proved the value of bringing together teams of experts to deal with medical, economic and social problems of chronically disabled patients and their families.

Under the newly expanded program, National Foundation chapters will finance Special

March of Dimes-supported Special Treatment and Clinical Study Centers offering comprehensive care to victims of birth defects, arthritis and polio are expanding throughout U. S.

Treatment Centers at major hospitals in several large cities. These will operate full time and provide treatment for both in- and outpatients through teams of specialists in the medical and allied professions. For areas isolated from large medical centers, chapters will develop birth defects and arthritis Evaluation Clinics to offer outpatient care only, through periodic clinics, with visiting medical specialists.

Cases that require more extensive care or hospitalization may be referred through Evaluation Clinics to Special Treatment Centers. On the national level, March of Dimes funds will continue to support and expand Clinical Study Centers which provide exemplary total care for birth defects, arthritis and polio victims and also conduct research in those diseases. As the number of centers of

all three types increases, there will be an increase in knowledge and improvement of treatment facilities and techniques to bring closer to reality the control of chronic crippling diseases. In conducting its vastly expanded patient aid program, The National Foundation will emphasize aid in areas of unmet needs. It will not duplicate assistance already being provided by other agencies.

Grain Program Discussed Here

Parts of the new Feed-Grain Program not understood completely by some was the subject of a discussion Thursday at Tahoka Rotary Club by Dale Thuren.

If the farmer decreases his grain acreage by 20 or 40 percent to comply with the program, he can do five things, Thuren said.

1. He can summer fallow the land.
2. He can plant sweet sorghum (redtop), shred while green, and plow under. Sweet sorghum handled thusly will add organic matter to the soil, but this crop does not add fertility. Seed can not be sold, it can not be allowed to go to seed.
3. He can plant annual bi-annual, or permanent grasses, but he can not graze it. There is no seed payment for grasses.
4. He can follow up either of the first three by planting rye, oats or wheat in the fall for possible harvest next year.
5. He can carry out a legume program by planting cowpeas (New Era, blackeyes, or Chinese reds), guar, mung beans, or sesbania. To fertilize the soil, these seed must be inoculated for them to put nitrogen into the soil. He said New Era peas are best for irrigated land, Chinese Red or buackeyed best

for dryland. All should be plowed under green for best results. Fred McGinty was in charge of the program, and also called on two relatively new members of the club, as is the custom here, and each told in semi-humorous vein the story of his life. These were E. L. Short, born and reared at Grassland, who has been a member of the club several months; and the other was F. E. Redwine, who recently was admitted.

Wynne Collier gave the club's charge to F. E. earlier in the program. Lynnetta Cain, daughter of Alton

Cain, was introduced as the new club "sweetheart," as was the present "sweetheart," Susan Thomas, daughter of Dr. Skiles Thomas, who is leaving to attend SMU in Dallas.

Texas Employment Commission has launched a "hire now" drive in an effort to take up the slack in the Texas labor supply. Employment in Texas has increased in the past few weeks, says a TEC spokesman, but is still lagging behind this period last year. Kilts worn by the famous Evones of Greece sometimes contain more than 40 yards of materials.

Grassland News

(By Mrs. O. H. Hoover)

The rain Sunday night was grand. We farmers sure needed it, but we didn't need the hail and high winds. Our crops were completely ruined but there is still time to plant and we are thankful the storm was no worse.

Mrs. E. B. Gregg took her two grandsons home last Thursday. They had been staying with their grandma while their father, Gene Nunn was hospitalized for rheumatism of the muscles in his back and shoulders.

Mrs. Hoover visited with Mrs. George Spears at the Tahoka Clinic Thursday afternoon. Mrs. Spears has a broken hip.

Mr. and Mrs. Roy LeMond moved into their beautiful new home last week.

Mrs. Marion Inklebarger, who has been in the Methodist Hospital for the past two weeks plans to come home Monday or Tuesday.

Mrs. Loucille Walker visited her brother, J. W. Inklebarger, in the Tahoka Hospital Saturday. Other visitors were an aunt, Mrs. Hoover, and some friends.

The Bible school at the Central Baptist Church was a big success. About 50 children attended daily. It closed Friday night with a program.

Rev. and Mrs. S. M. Bean, former pastor of the Methodist Church visited in the community Friday. They were on their way to McMurry College for graduation exercises in which their daughter, Harriet, was to get a degree. Mrs. Bean spent the afternoon with Mrs. W. P. Thomas. Bro. Bean visited at the church where H. A. Watkins and Gus Porterfield were working. The sanctuary is almost completed and is very nice.

Mr. and Mrs. Leroy Davis came home over the week end and report that her father is no better. They plan to attend their daughter's, Dixie Lee, graduation at Texas Christian College, and return to Tempon to be with her father.

The Vacation Bible school begins at the Nazarene Church June 5. All children are invited to come. Mrs. Carl Jones and daughter, Cerethia, visited Mrs. C. C. Jones Sunday after church. They picked up an arrangement Mrs. Jones had made for open house at the hospital Sunday afternoon. The Vic Lauderdals have moved to the Roy LeMond house in Grassland.

Mr. and Mrs. W. G. McCleskey's grandchildren have been visiting with them. Other visitors were Quitta Murray and Wayne McDonnell, Carlos and Delbert McCleskey.

Mrs. H. D. Gartman and Mrs. McCleskey visited Mrs. Melton. Other visitors were Mrs. H. E. Huffaker and Mrs. C. B. King.

J. W. Inklebarger was operated on Thursday night in Tahoka Hospital. A specialist from Lubbock performed the surgery and J. W. is making a good recovery.

Mrs. W. A. Oden and Mrs. O. H. Hoover visited in the W. A. Morris home Friday afternoon.

Mrs. Carlos McCleskey and Mrs. C. O. McCleskey took little Kurt McCleskey to a dentist specialist in Lubbock Thursday.

Mrs. W. G. McCleskey and grandchildren visited Friday afternoon in the home of Mrs. C. C. Jones. Other guests were Mrs. E. M. Walker, Mrs. C. B. King and Mrs. C. M. Greer.

Rev. Clifford Mayo, a former pastor of the Grassland Methodist Church, preached Sunday at the Nazarene Church in Post. He is now a traveling evangelist.

John B. Ray had an appendectomy recently in the Post hospital. He is at home now and doing fine. He is in his late 70's.
