The Lynn County News

"I wholly disapprove of what you say but will defend to the death your right to say it."—Voltaire

Volume 58 Tahoka, Lynn County, Texas, Friday, September 28, 1962 Number 53

18 Parcels Bought For New Highway

Progress is being made, although slowly, on the right-of-way for the new four-lane U. S. 87 highway through Tahoka, states Mayor Meldon Leslie.

To date, 18 parcels of land have been bought by the State, County and City, all participating in the right-of-way purchases, for a total sum of \$22,953.00.

The State pays 50 percent of the cost, the County and City 25 percent each.

Included in the purchases so far are properties of Union Compress, Lynn County Fair Ass'n., and Wayman Smith and Buford Jones. Leslie said deals for several other tracts are in the process of being closed.

City of Tahoka, which is making the purchases, has already been reimbursed by the State in the amount of \$5,406.50 and by the County in the amount of \$2,425.00.

"With continued cooperation of property owners along the route," Leslie told The News, "We would be able to purchase the needed right-of-way for the original estimate of \$200,000, which estimate was made several years ago."

Within the City of Tahoka, the City has \$50,000 available for right-of-way purchase, or its one-fourth of the estimated cost.

However, if condemnation or other court proceedings become necessary on some of the property needed, costs would possibly become greater.

State valuation engineers have not yet completed their work of setting values the Highway Department will approve on all of the route.

Allow Discount For Tax Payment

Property owners can have three percent by paying their state and county taxes during the month of October, states George McCracken, tax assessor and collector of Lynn county.

During November, the discount is reduced to two percent and to one percent during December. Deadline for payment of these taxes is January 31st.

Citizens are requested not to overlook payment of their poll taxes, \$1.75 for each voter unless exempt. Every year a number of people forget to include sufficient money for their poll taxes, which are not included on the tax notices sent out to property owners.

MRS. RETHA DUNN
C. of C. Secretary

Mrs. Retha Dunn C. of C. Secretary

Mrs. Leonard (Retha) Dunn is the new secretary of Tahoka Chamber of Commerce, succeeding Mrs. Eldon (Weesie) Carroll, who has resigned, according to E. L. Short, president.

"Mrs. Dunn will visit each member and business of the town in the near future to seek their ideas on projects for the C. of C. and help in making Tahoka the friendliest town in the world," Short states. "Retha is industrious, courteous, and diplomatic, and we believe, with your help, she will do us a good job in helping direct activities for the betterment of our community."

The C. of C. will continue a number of projects now underway, including a house rental service, courteous employee contest, welcoming newcomers, seeking some new industries, assistance to farmers on agricultural programs, and a score of others.

Mrs. Dunn has formerly worked for Robert Abbe, accountant, Robinson Ready-to-wear, and others.

Mrs. Carroll has done a fine job the past year as C. of C. secretary. C. of C. officials declare, and has enabled the organization to handle a number of projects of benefit to the community that otherwise could not have been carried on. Members and others are welcome to submit at any time any problem they think needs attention of the C. of C.

New C-C Projects Get Discussion

Various projects of Tahoka Chamber of Commerce were discussed at a meeting of directors, headed by E. L. Short, president, Wednesday night.

The new secretary, Mrs. Leonard Dunn, was present and introduced to her work.

One new project started is the preparing of a map of the city for distribution among local citizens and interested strangers which will show streets, public buildings, parks, etc., which would also acquaint people with the new letter designation of avenues—north-south streets.

Another is a project for welcoming newcomers to town and publication of their names and addresses in The News. This project was suggested by Mrs. G. H. (Frances) Chestnutt.

Through cooperation with local doctors, the C. of C. is assisting in securing another physician for Tahoka.

Long range plans are being considered for a city beautification program and also for beautification of areas bordering the new four-lane highway when it is built through town.

A committee was authorized to start negotiations for a top speaker for the annual spring farmers-businessman banquet, usually held about the first of March.

The C. of C. warns merchants and housewives that, with the coming of the fall season, promoters and unscrupulous salesmen may be expected in greater numbers and to be wary of their "deals." Many of these have been eliminated in Tahoka by the "Anti-Solicitors Program," in which citizens are requested not to buy from these salesmen until they are investigated by and given a letter of approval by a secret Chamber of Commerce committee. Members and others are invited to present in person or in writing projects the C. of C. may sponsor for benefit of the town and county.

Crop Harvest Is Delayed By This Week's General Rain

Wilson Lions Plan Banquet

Wayne Richardson of Wolforth, district governor of Lions International, will be the speaker next Thursday night, Oct. 4, at 7:30 o'clock at a ladies night banquet of Wilson Lions Club in the Wilson school cafeteria.

Roy Lynn Kalich is the club president, and Robert Lamb is the secretary. The club meets each first and third Thursday evening of the month.

Mr. Kalich says the entire community helped out financially in the Wilson Cemetery improvement program this past summer. The cemetery has been cleaned up, a chain link fence erected around the site, and a grounds-keeper employed.

Members of the Cemetery board are: Luke Coleman, president, Elmer Blankenship, O. L. Maeker, Milton Wied, and Earl Cummings, and helping out with the financial drive for the new fence were Bill Lumsden, Herbert Ehlers, and Grover Coleman. C. A. Gryder is the new caretaker.

REV. CLIFFORD MAYO

Grassland Nazarene Church In Revival

Evangelist Clifford Mayo, of Lubbock, Texas, is holding a revival at the Grassland Nazarene Church. The services begin at 7:15 p. m. Rev. Mayo is a widely known evangelist in the Church of the Nazarene, having conducted campaigns over most of the United States and Mexico.

Mr. Mayo is a graduate of Texas Technological College and Asbury Theological Seminary, Wilmore, Kentucky.

At the age of thirty-five Mr. Mayo has completed one year as a Methodist home missionary to Latin Americans; six years pastoring; and six years in the field of full-time evangelism. He is a good Bible preacher, and has great results in soul winning.

Rainfall which began Monday midnight and continued throughout the day Tuesday put a stop to the harvest of crops, just getting underway. Continued cool and cloudy weather Wednesday and Thursday further delayed harvest.

The general rainfall over the Plains brought 1.09 moisture in Tahoka and the rest of the county reported from a half inch to an inch and a half or more. For once, this was a rain no one exactly wanted.

Much of the crop in Lynn is late this year, especially the dry-land, and every day possible is needed for maturity before a killing frost.

Although The News has made no ginning survey, possibly not much more than a hundred bales of cotton had been ginned in Tahoka. A number of farmers had started pulling operations Monday of this week when the rain came.

Maize harvest is also being delayed, and farmers say it will now be several days before combines can get back into the fields.

The rainfall Tuesday brought the total precipitation in Tahoka this year to 14.19 inches, of which amount 1.66 came with the crop-saving rains in August and 3.57 inches fell in September.

Tahoka recorded 2.01 inches the first six days of September, .02 inch on Sept. 9, .45 inch on September 17, and 1.09 on Sept. 25.

No particular damage has been reported except to delay cotton bolls in maturing and opening and could possibly cause some ripe feed to fall.

Some farmers with maturing cotton are preparing to defoliate for machine harvest.

Although shortage of hands is expected for hand harvest operations, a number of native hands are reported to be available, but few, if any, braceros are being brought in due to prohibitive regulations and prices put on by the Labor Department.

Mexican Killed In Auto Wreck

One man was killed and four were injured when the car in which they were riding hit a culvert and flipped over on its top four and one-half miles west of Tahoka on Highway 380 at about 1:45 a. m. Sunday.

A bracero, Gernomino Noriega Lopez, 27, of Ticoman, Mexico was killed. Injured were Daniel Compos, a Latin-American of Tahoka employed by Chester Smith, Crescencio Ramirez, Jose Hernandez, and Mike Quijada, all braceros. Compos, Ramirez and Hernandez are in Tahoka Hospital listed in fair condition. Quijada was transferred to Methodist Hospital in poor condition. The braceros were employed by J. E. (Red) Brown through the West Point Farm Labor Association.

Highway Patrolman Marvin Hagens said the car was travelling west when the accident occurred. Passers-by notified the Pioneer Gas Co. booster station, which contacted Hagens shortly after 2:00 a. m.

Funeral services for Lopez were pending in his home near Mexico City upon arrival of the body, which was taken to El Paso by ambulance Wednesday, where arrangements were made for the final trip to Ticoman.

Wilson Laymen Plan Meeting

There will be a Laymen's Revival at the First Baptist Church of Wilson on Oct. 12, 13, 14. Raymond King of Lubbock will be the layman speaker. All are invited to a breakfast at 6:00 a. m. on October 13.

Buy, build, live in Tahoka.

Lady Injured In Horse Accident

Mrs. Don Spears, bride of only a few weeks, was critically injured by barbed wire cuts received Sunday, and is in Mercy Hospital at Slaton, where she is reported to be improving.

Severe wire cuts on the stomach, chest, and legs required many stitches which her doctor told members of the family involved 34 muscles.

Early Sunday afternoon, Mrs. Spears and others were horseback riding at the farm of her father-in-law, Carl Spears, near the Wilson road northeast of here. Her horse ran with her into a barbed wire fence, her shoe caught in the wire, she was pulled from the horse and dragged for some distance down the fence, the wire cutting into her body and leaving flesh and clothing on the barbs.

She is the former Miss Virginia Click who was married to Don on August 11.

Tahoka's Yearbook Is Award Winner

The "Kennel," Tahoka High School yearbook, was awarded second place in the Small Yearbook division at the West Texas High School Press Association held on Journalism Day Saturday at Texas Tech.

The award was made by Taylor Publishing Co.

First place winner was Ralls High School and third place went to Alpine High School.

Mrs. N. E. Wood is sponsor of the yearbook.

Child Is Killed Fall From Car

Two year old Yolanda Benitez died at 11:25 p. m. Thursday in a Lamesa hospital following an accident about 4:00 p. m. when she fell from a car and was run over by a front wheel on the B. J. (Shorty) McLaurin farm 11 miles west of O'Donnell.

Parents of the child are Mr. and Mrs. Willie Benitez, Jr. of route 2, O'Donnell. The father is employed by McLaurin.

The child and mother were in a car backing from a driveway when the little girl somehow fell from the vehicle. The front wheels apparently passed over her. The mother tried to catch the child as she fell from the car but was unable to hold her. She was taken to Rumbo Clinic in O'Donnell and later was transferred to Lamesa.

Yolanda was born Nov. 19, 1959 in O'Donnell.

Funeral services were held at 2:00 p. m. Saturday in Our Lady of Guadalupe Church in Tahoka with Rev. Peter Rogan of O'Donnell officiating. Burial was in Tahoka Cemetery under direction of White Funeral Home.

Survivors include her parents; three brothers; three sisters; and grandparents, Mr. and Mrs. Willie Benitez Sr. of route 3, Wilson and Mrs. Maria Badilla of San Antonio.

Plans Completed For Homecoming

Next Friday, Oct. 5, is homecoming day at Tahoka High School when the Tahoka-Ralls football game will be the featured event of the occasion.

In addition an afternoon program followed by a banquet will be sponsored by the Student Council and ExStudents Association, respectively.

At 1:00 p. m. ex-students and ex-teachers will register at the high school building and attend a program at 2:00 p. m. in the auditorium when M. B. (Bryan) Hood, mayor of Plainview and Tahoka's first football coach, will be the speaker. Reared at Central in eastern Lynn county, Hood attended West Texas State and taught in the local high school in (Cont'd on Back Page)

Trailer License Law Is Cited

Farmers are reminded again of the new Texas law requiring license tags on farm trailers which may be obtained at the Lynn county tax office of George McCracken.

Trailer license plates may also be secured at four other locations in the county, Farmers Coop Gin in Wilson, Farmers Coop Gin in New Home, Moore Insurance Agency in O'Donnell, and Tahoka Auto Supply in Tahoka.

However, when applying for license plates at these sub-stations, trailer owners should bring their last year's registration receipts because these sub-stations have no record of the same.

Out-of-State Votes In Local Contest

Two votes in the "most courteous employee" contest sponsored by Tahoka Chamber of Commerce have recently been mailed in from the state of Arkansas, which is a little unusual.

Most of the votes in the popular contest come from Tahoka and over Lynn county.

The program is for the benefit of all, not just for prestige for any store or individual. Therefore, to keep from defeating the purpose of the contest, individuals are requested not to cast more than four votes in any given month for any one candidate.

Mrs. Mabel Morgan was released Wednesday from Tahoka Hospital where she had been a medical patient since Sunday.

Mrs. L. C. Head of Harlingen arrived Wednesday for a visit with Mr. and Mrs. J. L. (Jodie) Nevill. She is Mr. Nevill's oldest sister.

Wilson Band Is Winner In Parade

Wilson High School Band won first place in Class B in marching competition held in Lubbock Monday morning in a parade opening the South Plains Fair.

Second place in the division went to Shallowater and Anton placed third.

Spears Improving

Supt. Otis Spears continues to show steady improvement from his recent critical accident from a horse falling on him. He is still a patient in Tahoka Hospital.

Bulldogs Will Play At Idalou Tonight

Idalou Wildcats will be looking for revenge when Tahoka Bulldogs go there for football tonight. The Wildcats, 4-A district champions the past four years, were upset by Tahoka here last year 14 to 8.

From every indication, Idalou should win over the Bulldogs, but the local boys have been improving with each game and are again living up to their old name of being a fighting ball club after having been in a "depression" for several years.

Tahoka dropped a 13-12 decision to fired-up Slaton last week, but not before a battle in which the Bulldogs never gave up.

Coach Olin Reddell has 18 let-termin returning this year, six of them starters last year, including guard Bobby Jones, 185, and center Bill Nicholas, 186, both all-district last year. Other returning starters include halfbacks Robert Sage, 136, and George Johnson,

144; end Manuel Hinojosa, 174, moved to fullback this year; and J. T. Benton, 155, moved from halfback to quarterback this year.

Ends will be Tootle Everitt, 148, Paul Motley, 146, and Richard Christie, 145; tackles are David Whiting, 170, and Dale Parr, 188. The other guard will probably be Richard Boyd, 158, or Charles Price, 150.

Although Idalou defeated Slaton 31 to 14, Slaton fans say the Tigers played their best game against Tahoka.

The Wildcats' Sage is one of the top scorers on the South Plains this year.

Coach Hough is reported to have lost seven boys from his Bulldog squad by "cutting" a practice session in violation of rules set up by the boys in order to attend the Fair in Lubbock. However, only one A team boy was involved.

Wilson Band Is Winner In Parade

Wilson High School Band won first place in Class B in marching competition held in Lubbock Monday morning in a parade opening the South Plains Fair.

Second place in the division went to Shallowater and Anton placed third.

THE 1962 CHEERLEADERS are on hand at all gridiron battles to lead the fans in cheering the team to victory. Kneeling are Lynnetta (Sugar) Cain, head cheerleader and a senior, daughter of Mr. and Mrs. Alton Cain, and Linda Thomas, junior, daughter of Mr. and Mrs. John Thomas. Standing are Joy Thomas, freshman, daughter of Mr. and Mrs. R. M. Thomas, and Andra Sue Carroll, sophomore, daughter of Mr. and Mrs. Eldon Carroll.

Welcome, Newcomers!

New citizens of Tahoka moving to town the past two weeks are getting a hearty welcome to the town. Latest new citizens are:

Wayne Vandergriff, 1820 South First.

Pete Dimas, 900 South Third.

Lois Samson, 2008 South Third.

W. L. Goedeke, 2305 Ave. J.

Kenneth Fallin, 1610 North Sixth.

Charlie Stice, 2121 North First.

Help keep Tahoka clean.

Plans Completed For Homecoming

Next Friday, Oct. 5, is homecoming day at Tahoka High School when the Tahoka-Ralls football game will be the featured event of the occasion.

In addition an afternoon program followed by a banquet will be sponsored by the Student Council and ExStudents Association, respectively.

Reared at Central in eastern Lynn county, Hood attended West Texas State and taught in the local high school in (Cont'd on Back Page)

Ten Accidents During August

The Highway Patrol investigated 10 rural accidents in Lynn County during the month of August, according to Sergeant A. E. Roberts, Patrol Supervisor of this area.

These wrecks accounted for seven persons injured and an estimated property damage of \$5,175.

The rural traffic accident summary for Lynn County from January through August of 1962 shows a total of 43 crashes. As a result of these crashes there were two persons killed and 24 persons injured. The estimated property damage amounted to \$28,870.00.

The veteran patrol supervisor stated, "With fall and winter approaching, now is the time to have vehicles checked in preparation for the cold winter ahead."

The Vehicle Inspection Program in Texas has proved itself to be a valuable tool in reducing accidents on Texas streets and highways. All vehicles registered in this state are required to be inspected once a year, he added.

The new motor vehicle inspection year began September 1. However, the only thing new about the inspection this year is the sticker itself. The Sergeant pointed out, that this new sticker is a dry mount decal which we believe will adhere regardless of weather conditions.

There were 216,000 head of cattle and calves on feed in Texas on July 1 or 18 percent more than a year ago. About 88 percent of the total were in feedlots with capacities of 1,000 head or more, reports Ed Uvacek, extension livestock marketing specialist.

Strenuous exercise and hot humid days are not good mixers—both add to the work of the heart, the New Mexico Heart Association says.

School Children Need A Good Breakfast

By Mrs. Connie Anderson Home Demonstration Agent

Now that school is well under way, be sure that the family receives a nourishing breakfast. A properly planned breakfast should contribute from 1/4 to 1/2 of our daily food needs. Of course, the children get a well-balanced lunch at school, but it is planned for only 1/4 of the day's needs.

Probably the most important factor in preparing a good breakfast is time. Plan to get up early in order to have time. The morning isn't nearly so "draggy" or "droopy" with a good breakfast. The children need to get up and stir around before sitting down to breakfast and they shouldn't be rushed at breakfast.

For a four-square breakfast, have fruit, breadstuff, main dish (meat, eggs, or cereal) and a beverage, milk for children and teenagers. There are many ways to vary breakfast. Below are two suggestions for something "different."

- Crumbly Cereal Topped Applesauce (6 Servings)**
- 3 C. Thick canned applesauce
 - 1 tsp. Ground coriander
 - 1/4 tsp. Cinnamon
 - 1 tbs. lemon juice
 - 1/4 C. Rolled oats
 - 3/4 C. Brown sugar
 - 1/2 C. Flour
 - 1/4 tsp. Salt
 - 1/2 C. Butter or margarine
 - Combine applesauce, coriander, 1/4 tsp. cinnamon and lemon juice. Pour into 1 1/2 qt. casserole. Combine oats, brown sugar, flour, 1 tsp. cinnamon salt. Cut in butter until mixture is crumbly. Sprinkle over applesauce. Bake at 350 degrees F until brown and bubbly, about 40 minutes. Serve warm or cold, plain with milk, cream or ice cream. This dish could be prepared the night before all except baking. It would be a treat for anyone's breakfast.

- Waffled Praline French Toast**
- 2 Eggs, slightly beaten
 - 1/2 C Milk
 - 1/4 tsp. Salt
 - 12 slices raisin bread
 - 1/4 C Brown sugar
 - 3/4 C Chopped pecans
 - 2 tbs. Butter
 - 1/2 C Milk
 - 1/2 tsp. Vanilla
 - Combine milk, eggs, and salt. Dip bread into egg mixture and grill in a waffle baker until golden brown. Mix rest of ingredients; heat about 10 minutes, stirring constantly. Spread over hot bread waffles. Serve immediately.

BOTKINS HAVE VISITORS, VACATION IN MOUNTAINS

Mr. and Mrs. V. L. Botkin last week had two of her sisters and husbands visiting them, Mr. and Mrs. Ben Lofton of Houston and Mr. and Mrs. R. A. Powell of Gatesville. While here, the three couples went out to Ruidoso for a short vacation.

V. L. this week brought The News some sample of fruit from a date tree they have in the backyard which is literally loaded down with fruit.

WASHINGTON AND "SMALL BUSINESS" By C. WILSON HARDER

In all the discussion of slashing U. S. tariff protection to work with the European Common Market, it has largely escaped notice that there is a disparity between the legal business practices in Europe and in America.

The U. S. antitrust laws are not recognized in Europe, where business is done largely by cartels and monopolies. These cartels have their own cozy way of rigging markets. Unfortunately, they have also been teaching the big American combines who have set up operations in Europe to take advantage of the cheap labor, some of the tricks.

A recent example is the case due to be tried in October in Federal courts in which the government charges that the two largest American electrical manufacturers were in cahoots with a European firm to keep U. S. made radio and TV sets out of Canada.

The European party to this arrangement was Philips Glastamperfabrieken, of Holland. This is a huge firm, many of whose products are sold in the United States.

But the Justice Department found that Philips as well as the two U. S. combines have Canadian plants.

It is charged the three conspired to keep American products out of Canada by reserving all patent rights for their Can-

adian subsidiaries.

The apparent result, Justice Dept. charges, has been to restrict U. S. sales of radio and TV sets in Canada to less than 1% of total sales volume of nation's northern neighbor.

Last month the Dutch firm signed a consent order by which it agreed to stop taking part in this rigging of the Canadian market. The American firms are scheduled to go on trial in October.

Now, even though the Dutch combine, by signing the consent decree, tacitly admitted guilt, actually, unlike the U. S. firms involved, there is a large question in this area.

European firms, in their own nations, can engage in all sorts of market rigging practices legally, just as in a like manner a citizen of Russia can preach Karl Marx in Red Square with full legality.

Thus, there is opened up a serious question. If American tariffs are abandoned, on the theory that if Europe has a free market in America, America will likewise have a free market in Europe, will the U. S. economy benefit?

The answer is probably no. For there exists between the American concept of free enterprise and the Europe concept of market rigging by monopolies a chasm as deep as that which exists between the American and Russian economic concepts. There can be nothing in common in a Common Market where part adheres to the archaic practice of market rigging by monopolies, and the other part believes in a free and open market place.

Fenton Insurance Moves On Monday

Fenton Insurance Agency opened its offices in a new location Monday.

The office is in the newly-decorated Fenton building on Sweet Street, and will occupy the north half of the building. Remodeled with birch paneling, lowered acoustical tile ceiling, and tile floors, the building is divided in half with space for four offices on each side. In addition, there is a large reception room in front and a storage room in back.

The Fenton Agency is managed by Mrs. Peggy Elliott.

Dairying is the largest single source of farm income in the United States, involving about one-fifth of our agricultural economy.

We wonder what the parents of the next generation will tell their kids about the hardships they had and what things they had to do without.

Birch Larson Heads South Texas Church

Birch Larsen of Edinburg, last week was elected president of the South Texas District, Church of Jesus Christ of Latter-day Saints (Mormon). He is also an elder in the church.

Larsen was a pharmacist here for several years with Wynne Collier Druggist, and moved from here to Mission, where he opened his own store. He recently has opened another store in Edinburg.

Andy T. Wilson, son of Mr. and Mrs. Van Greene of Morton, who frequently visits here with his grandparents, Mr. and Mrs. O. C. Roberts, has returned to New Mexico Military Institute at Roswell, where he is a senior student.

Mrs. Harley Henderson of Tahoka and her sisters, Mrs. Minnie Crausby of Crosbyton and Mrs. Dell Reagan of Floydada, returned last week end from a two weeks vacation in New Mexico.

"Josh" Rumbo Is Accident Victim

J. L. (Josh) Rumbo received a fractured finger and bruises Sunday morning about 9:30 a. m. in a car-truck accident six miles north of Tahoka on the Lubbock Highway.

He was coming to town to attend Sunday School and was attempting to pass a truck when the

latter vehicle turned in front of him. The passengers in the truck, Latin-Americans, were not injured.

Mr. Rumbo was taken to Tahoka Hospital for treatment and observation. His car was reported to be a total loss.

Otis Tew, a medical patient in Tahoka Hospital, was released Sunday.

VACATION AT TEMPLE

Mr. and Mrs. H. L. Duckett spent a week visiting Carolyn and Leon Davis in Temple, where the couple resides while Leon is stationed at Fort Hood. They spent a lot of time fishing and caught a few good bass and two "handsome" gar. Mr. and Mrs. Davis have something like 100 days to go in the Army, unless someone adds a few days.

Miss Deana Ward And John Eastwood Take Marriage Vows In Wilson Ceremony

Miss Myrna Dean (Deana) Ward and John Edward Eastwood were united in marriage in a double ring ceremony at 7:30 p. m. Saturday, Sept. 22 in the Wilson Methodist Church. The Rev. Dr. Roy McClung, pastor of the First Baptist Church of Plainview was assisted in performing the ceremony by the Rev. W. O. Rucker, Jr., pastor of Wilson Methodist Church.

Parents of the couple are Mr. and Mrs. Glen Ward, Rt. 2 Wilson, and Mrs. Helen Eastwood Moore of Miami, Oklahoma.

Given in marriage by her father the bride wore a gown of cloud white peau de sole fashioned with a portrait neckline and brief sleeves, complemented by a softly draped cummerbund. A cape of chantilly lace sprinkled with iridescent sequins was fastened to the front cummerbund and draped over the shoulders flowing into a chapel train.

Her waist length veil was an imported lace mantilla, which draped over her shoulders. She carried a white orchid centered in a cluster of blue feathered carnations with a lace handkerchief which had belonged to her great grandmother atop a white Bible.

Miss Glenda Ward attended her sister as maid of honor. Bridesmaid was Mrs. Dean Breedlove of Lubbock. They wore street length dresses of open blue silk fashioned with shirred fitted bodices and full skirts. They carried nosegays of white feathered carnations.

Best man was David Eastwood of Lubbock, brother of the bridegroom. Groomsman was J. B. Hance of Lubbock. Ushers were Donald Tyler and Jim Green of Plainview, and Dean Breedlove of Lubbock.

Candlelighters were Karen Eastwood of Lubbock, niece of the groom, and Mike Ward, brother of the bride. Flower girl was Sherry Ward of Lorenzo, cousin of the bride, and ringbearer was Bryan Hance of Lubbock.

Mrs. G. L. Nelson was organist and accompanied Vernon Scott in wedding selections.

A reception followed in fellowship hall of the Wilson Baptist Church. In the house party were Mrs. Glynn Moore, Mrs. Don Ross, Mrs. Olin Crews, Mrs. C. C. Swope, Mrs. Charles Berry and Miss Glenda Young, all of Wilson, Mrs. John Meadows, Mrs. Wesley Hancock, Mrs. Spencer Brewer, Mrs. Dick Cade and Mrs. Bill

Brown all of Slaton, Mrs. W. D. Ward and Mrs. Harvey Hancock of Lorenzo, and Mrs. Tommy Harkey of Olton.

For a trip to Glenwood, Calif., the bride chose a turquoise sheath ensemble with black accessories. She complemented her dress with the orchid from the bride bouquet.

The bride is a graduate of Wilson High School, Airline Personnel School in Omaha, Neb. and Texas Tech, where she was a member of the homecoming queens court in 1959, and band sweetheart in 1960. She was an English major, and belonged to Phi Mu, a social sorority, and Tau Beta Sigma, band sorority.

Her husband attended North-eastern A & M in Miami, Okla., and Tucson University. He's manager of the House of Catpet in Plainview, where the couple will make their home at 111 C St. Louis Street.

Rebekah Ladies Plan Bake Sale

Rebekah Lodge met at I-O-O-F Hall Tuesday night with Mrs. Joe Beckham, Noble Grand, presiding. Plans were made for a bake sale Saturday, Nov. 10 also Friendship night Nov. 17 with all the district invited. October 9 will be our following initiation date.

Thirty-five members were present and one new member, Mrs. Gracie Adams, admitted by transfer. Captain of the degree staff, Dale Singleton, asked all members of the team to wear green and white check staff dresses with sandals for initiation.—Press Correspondent: Lucy Brice.

Garden Club Talk Open To Public

The Tahoka Garden Club will present Mr. Lawrence P. Scott speaking on the subject of "General Flower Arranging." The program will be Tuesday, October 2 in the Legion Bldg. at 3:00 p. m. The public is invited and tickets will be available at the door, according to Mrs. Charles Brookshire, reporter.

MRS. JOHN EASTWOOD (nee Deana Ward)

Visitors Celebrate 50th Anniversary

Mr. and Mrs. Guy S. Flickinger of Harrisburg, Penn., and R. H. Flickinger of Orange, Calif., are visiting the two men's sister, Mrs. John Fetter in Lubbock, and the daughter and family of Mrs. Fetter, Mr. and Mrs. Joe D. Unfred of New Home. Friday night the Guy Flickinger

observed their 50th wedding anniversary with a little family party at Mrs. Fetter's. Five years ago, they came to New Home for a visit and to celebrate their 45th anniversary.

They will probably return home next week.

Mrs. Modene Pewitt of Draw was released from Tahoka Hospital Monday, where she was a medical patient.

Methodist WSCS Studies East Asia

Continuing our Study on the Kim of East Asia at the meeting of W.S.C.S. Monday in Fellowship Hall, Mrs. Margaret Carter pointed out the eleven different centers we have in South Korea and the progress and need of those places.

Mrs. Lucille Stewart presented the study on Okinawa and gave us a very interesting story.

Mrs. Ruby Edwards will conduct next week's session on Taiwan. Press Correspondent: Mrs. Ramsey.

Contest Opens For FFA Sweetheart

Tahoka High School is having its F. F. A. Sweetheart contest all next week. This is an inter-school activity. Candidates for the contest are Marion Sue Milliken, Senior; Patricia Sikes, Junior; Rhonda Littlepage, Sophomore; and Joy Thomas, Freshman.

Cafeteria Menus For Next Week

Following are the menus for Monday through Friday of next week at the Tahoka School Cafeteria:

Monday: Baked ham, glazed yams, blackeyed peas, tossed salad, rolls, butter, honey and milk.

Tuesday: Chilli beans, spinach, potatoes with cream sauce, carrot sticks, raisin cookies, corn bread, and milk.

Wednesday: Hamburgers, onions, lettuce, tomatoes, English peas, fruit jello, and milk.

Thursday: Fried chicken, lima beans, buttered broccoli, sunglow salad, rolls, butter, apple butter, and milk.

Friday: Fish with tartar sauce, green beans, buttered corn, cherry pie, bread.

Mrs. Rita Farias entered Tahoka as a medical patient Monday.

Local Ladies Report On State Meeting Of Texas Home Demonstration Ass'n.

Attending the Texas Home Demonstration Association convention in Dallas on Sept. 19 and 20 were Mrs. G. L. Cobb, Mrs. J. W. Lambright, Mrs. W. C. Maeker, and Mrs. C. T. Louder, county chairman.

The evening of Sept. 18th the delegates and visitors were entertained with a tea and the highlight was a style show, "Fashions, Fabrics and You." The Simplicity Pattern Co. presented a fall wardrobe and styles were modeled by John Roberts School of Modeling. Mrs. Melton McGehee, president of the T.H.D.A. presided at the 26th annual convention. 496 delegates, 323 visitors and 24 board members were present.

Dr. Earle Williams, D. D. S. was the guest speaker Wednesday morning. He is widely known in Texas as an active civic worker who is outstanding in his field of dentistry. He spoke to the group on "Enthusiasm."

Mrs. Florence Low, assistant Director of Home Economics,

listed five tasks for today's homemaker as she spoke on the theme "Facing the Challenge of Today's Task." 1. To keep up and understand change and its effect on family living as certain areas in family living need emphasis on management of time, energy, and money, child development and family relations, consumer economics. 2. Opportunity to enrich our lives and those of our families. 3. Train youth to assume responsibility and leadership. 4. Participation in public affairs. 5. Leadership responsibilities. A challenge was defined as an invitation to engage in a contest and a task as a piece of work to be accomplished.

Mrs. Wilmer Smith of New Home was presented the "Woman of the Year Award."

Each year T. H. D. A. awards three \$500.00 scholarships to outstanding 4-H girls. Lois Nell Lambert, of Bosque county; Carolyn Kay Foard, Taylor county; and Ceelia Drabek, Foard county.

Mrs. Applewhite Married Monday

Mrs. Beulah Applewhite was married to O. P. Rutledge of Floydada in a ceremony held at 4:00 p. m. Monday in the First Christian Church in Floydada.

The pastor of the church read the wedding rites.

Mrs. Applewhite is a prominent citizen of Tahoka and is active in Eastern Star and Order of Rainbow, both locally and state-wide and is well known for her civic interest.

Mr. Rutledge is a prominent semi-retired Floydada businessman.

The couple will live in both Tahoka and Floydada, where they have their homes.

Mitchell Movement At Duplicate Bridge

Six tables of players attended duplicate bridge held in the home of Mrs. Larry Hagood Tuesday night and participated in a Mitchell movement.

Three couples tied for first, second and third in North-South competition. Mrs. Meldon Leslie and Mrs. Jess Gurley, Mrs. Bill Lumsden and Mrs. D. W. Gaignat, and Bill Swarts and Al Armstrong of Lubbock.

East-West winners were Mrs. Hagood and Mrs. Johnny Wells, first; Mrs. Louise Swarts and Mrs. Paula Cope, Lubbock, second; and Mr. and Mrs. Al Gardner, Lubbock, third.

TECH GETS MOST POINTS ON TEXAS

Texas Tech accounted for more points scored against the University of Texas last season than any other team, although losing 42-14. Washington State was next in a 41-8 loss. Five other schools, including Mississippi in the Cotton Bowl, scored seven points. Texas Christian (in Texas' only loss) six, and California there. Two were blanked.

In Southwest Conference play last season Texas Tech's offense ranked behind only University of Texas and University of Arkansas. The Raiders were 7th in defense.

received this year's awards.

The twelve district vice-presidents gave their reports in a skit entitled "Sunshine Special From the Lone Star State."

Work shops on 4-H Citizenship and Civil Defense were conducted by the chairmen of each committee.

Wednesday evening Rev. Hubert Foust of Graham entertained the group with drift-woods and flowers. He spoke on "Beauty Is Where You Find It."

Miss Patsy Porter, an outstanding speaker and state 4-H winner in public speaking, spoke on "Americanism."

Mrs. L. M. Parker, chairman of music, sang a solo.

Thursday morning delegates and visitors from District 2 attended a breakfast in the Texas Room in the Baker Hotel. Mrs. Guy Stoker, outgoing vice-president of District 2, was presented a gift in appreciation for her services.

Delegates voted in their district. District 2 voted in room 304.

Workshops in Recreation, Family Life and Health and Safety were conducted.

Election returns showed that Mrs. George Hackney Jr. of Greenville in District 4 was elected State President; Mrs. C. R. Berkeley, Odessa District 6 Vice-President at Large; Mrs. L. M. Parker, Liberty Hill, District 8, Secretary; and Mrs. Maynard Gaines, Coleman, District 7, Treasurer.

The delegates voted to accept the proposed changes in the constitution which will be printed in the near future.

The six committee chairmen submitted their recommendations for 1963 and these were adopted by the delegates.

A banquet and installation of new officers was the highlight of Thursday evening. Mrs. Wilmer Smith and Mrs. C. Porter of Vicksburg, Miss. had charge of the installation services. Mrs. Bayne McMurry of Hale county was installed District Director of District 2. Mrs. Melton McGehee adjourned the 36th annual meeting of the T. H. D. A.

Jaycee-Ettes Plan Civic Projects

The Tahoka Jaycee-Ettes met Tuesday night in the WOW Hall with Mrs. Kathy Dorman serving as hostess.

Hostess gift was won by Mrs. Mary Frances Mullins, and one new member attended, Mrs. Pat Miller. Eight ladies were present. The next meeting will be held Oct. 9, when Mrs. Mickey Gribble and Mrs. Joan Hamm will be hostesses. Plans will be made for new civic projects.

TOWNSONS RETURN FROM TRIP TO PORTLAND, ORE.

Mr. and Mrs. N. O. Townsen have recently returned from a trip to Portland, Oregon. Mrs. Townsen reports they had a wonderful time and enjoyed seeing the beautiful berry crops.

While in Portland they helped Dwight Townsen build a summer home on the Sandy River close to Mt. Hood.

Returning home they stopped in San Diego to visit Dwayne Townsen and family. He has just finished his college work at San Diego State College and is now employed with Author Young Company.

NEW HOME LADIES' BOWLING RESULTS

The New Home Ladies League bowled at Oakwood Lanes on September 26.

Co-op No. 4 downed Co-op No. 7 4-0. Radjpe Turner brought in a 426 series for No. 4, while Mentha Maloney bowled three consistent games to bring in a 468 series. This was the third highest series bowled Wednesday.

Pridmore Spraying managed a four game win from New Home Farm Store. Sue Armontrout came through on Pridmore with a 449 series. Sue had a 172 game, third high game for the day. Sandra Brown had a 344 for the Farm Store.

Farr Texaco rolled over New Home Gin for a 4-0 win. Farr's LaJuan McClintock bowled a 205 game. She will receive a "200" pin. LaJuan had high game and high series, bringing in a 507

series. Nell Balch had a 348 series for New Home Gin.

Petty Gin bowled a 3-1 win over New Home Butane. Lil Todd came in with the second high game for the day with a 198 score. Her series was 463. Beth Phifer came in with a 420 series for New Home Butane.

Ed Follis Conoco and J. W. Edwards split 2-2. Nona Nieman had second high series for the day with her 470 for Edwards Shop. Gloria Crooks and Adrina Clem each had a 372 series for Follis.

Congratulations—

Mr. and Mrs. Neal Godfrey (Colored) of route 5, Tahoka, on the birth of a daughter in Tahoka Hospital Wednesday at 7:01 a. m. She weighed seven pounds, eight ounces and was named Shelia LaVern.

QUESTIONS, PLEASE

WHAT DID JESUS MEAN WHEN HE SPOKE OF "ENTERING THE CHURCH"?

"Jesus answered, verily, verily, I say unto you, except a man be born of water and of the Spirit, he cannot enter into the kingdom of God" (John 3:5).

Jesus preached about Himself and about His kingdom. He told men how to enter the kingdom. Being born of water and the Spirit is the same as obeying the gospel. Men must obey the gospel just as they must be born of water and the Spirit (II Thess. 1:7-9). Obeying the gospel means obeying what the Holy Spirit has said in the New Testament, the will of Christ. "Being born again, not of corruptible seed, but of incorruptible, by the word of God, which liveth and abideth forever" (I Peter 1:23). The people of whom Peter wrote in this passage had been baptized to be saved. (I Pet. 3:21).

Those in Jerusalem who followed the instruction of the Holy Spirit as He spoke through the mouth of Peter, believed the gospel; turned from their sins; were baptized for the remission of their sins; and were added to the Lord's church (Acts 2:36-47). Being born into the kingdom of God and being added to the Lord's church are, obviously, the same. The church in Jerusalem is referred to as "the church of the firstborn." "Firstborn" is from Greek "prototokon" which is genitive plural, and literally means "firstborn ones." So the Jerusalem church was made up of those who were the first ones to be born into the church or kingdom (Heb. 12:23). They had their bodies washed with pure water (Heb. 10:22).

The church is made up of those who have been sanctified "with the washing of water by the word" (Eph. 5:26). Jesus said: "He that believeth and is baptized shall be saved" (Mark 16:16).

You are invited to send your questions to: Don Browning Box 812, Tahoka, Texas. You are also invited to attend the services of the Church of Christ.

Don Browning may be heard Sunday mornings at 11:00 and evenings at 7:00 at 750 on your radio dial.

TAHOKA, TEXAS

I wish to submit the following employee as the "MOST COURTEOUS" in Tahoka.

EMPLOYEE'S NAME _____

EMPLOYER'S NAME _____

All employees working in Retail Stores or Offices are eligible for contest. A cash award of \$10.00 will be given the winner each month.

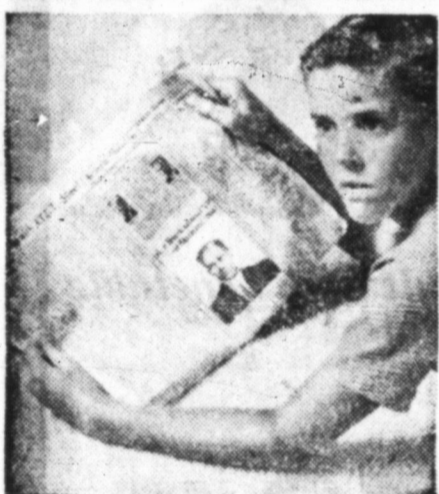

1963 Pontiac Features New Styling And New Engineering Developments

Styling and engineering developments found in the new 1963 Pontiacs are more impressive than ever before. The wide track models in the three all-new Pontiac series, reflect the highest standards in body styling, performance, ride and handling, dependability and serviceability.

In announcing his Division's new 1963 models, E. M. Estes, General Motors vice president and general manager of Pontiac Motor Division, said the new lines and clean front and rear end styling "create a fresh visual image of quiet elegance". The new styling looks graceful, massive and substantial, yet definitely Pontiac, he said.

The new Pontiacs will go on display in McCord Motor Co. showrooms October 4.

Pontiac's high volume production series, the Catalina, is available in seven models; two and four-door sedans, two and four-door hardtops, six and nine passenger Safaris and a convertible. The Star Chief is offered in a four-door hardtop Vista and four-door sedan models. The luxurious Bonneville is available in four models; two and four-door hardtops, a six-

Tripp Is Director Of Electric Company

Murrell R. Tripp, well-known Lubbock businessman and civic leader, Tuesday was elected to the Board of Directors of the Southwestern Public Service Company.

Tripp, a Lubbock resident since 1937, is chief executive officer of the Western Fire and Indemnity Company and Mid-Continent Insurance Company. He is the Chairman of the Board of the Lubbock Savings and Loan Association, and President of Mid-Continent Management Corporation and Tripcon Corporation.

Tripp, who served two terms as mayor of the City of Lubbock, has been an active participant in civic and church affairs. He is currently serving the Methodist Hospital as a director and member of the Finance Committee, and has been a member of the official board of the First Methodist Church for 14 years, serving as chairman of the group in 1957-1959.

His present civic activities include being chairman of the board of trustees of the Lubbock Citizens Traffic Commission, director and chairman of the Capital Funds committee of the Lubbock United Fund, and director and chairman of the House Committee of the Lubbock Country Club.

He is one of five men who has been named as honorary member of the National Association of Independent Insurance Adjusters.

He will be the second Lubbock resident to hold membership on the Board of Directors of the Southwestern Public Service Company, joining Clifford B. Jones, who has filled a directorship with the electric light and power company for many years.

partment and cowl panels are solid plastic.

In addition to new styling, new colors and new interiors, the 1963 Pontiac offers greatly improved front and rear suspension, self adjusting brakes, increased engine performance, less owner maintenance and significant developments in new accessories and safety items.

Pontiac engine choices seem almost unlimited, with horsepower ratings starting at 215. Customers may select a 3-speed synchromesh (floor mounted) shift lever, heavy-duty three-speed synchromesh (standard on 123 inch wheelbase models optional on others), or an automatic transmission to mate with compression ratios ranging from 8.6:1 to 10.75:1 that have either two, four, or triple two-barrel carburetion. For the customer inclined toward economy, Pontiac offers a regular fuel engine with low axle ratios and a choice of either synchromesh or automatic transmission.

The Delco-tron generator, standard on all 1963 Pontiac series, is a lightweight unit that provides increased electrical current output and requires no periodic maintenance.

Regardless of outside temperature and humidity readings, Pontiac's outstanding new air conditioning system for 1963 keeps the car interior completely dry and comfortable. Integrated with the heater, the revolutionary unit can provide heat only, cool air only, or any combination of both. Unlike previous systems, the new Pontiac Tri-Comfort Circ-Aire Conditioner works at full capacity while turned on to maintain a ready supply of cool, dry air. This dry air can then be warmed to the desired temperature-comfort level.

With Pontiac's new tilting steering wheel drivers can enjoy maximum comfort by placing the wheel in any one of seven different up or down positions. By placing the steering wheel in an extreme up position, the driver will find it easier to get in and out of the car.

A new FM-AM radio option now brings hifi listening pleasure to the Pontiac owner. This unit provides maximum fidelity for more pleasing sound with better programming.

A Pontiac pioneered breakerless ignition system is now offered as optional equipment on all 1963 models equipped with a premium fuel engine. This new full transistor system has no breaker points, or condenser and is designed for lifetime, trouble free operation. Among its advantages is improved performance, hotter spark at the plug and quicker starting.

Buy, build, live in Tahoka.

Grassland News

(By Mrs. O. H. Hoover)

Mr. and Mrs. C. M. Greer, Mr. and Mrs. J. B. Greer and Mr. and Mrs. N. O. Townson have returned from trout fishing. They stayed in the Townson's cabin near Cowles, N. M., and had a wonderful trip in the mountains seeing many beautiful tall pine trees. Saturday they packed a lunch and went up in Holy Ghost Canyon, fishing and sight seeing. There are many beautiful homes and cabins all the way up the canyon. Returning home they went through Billy the Kid Muesum and saw his grave about three miles south of Fort Sumner. The group reports that it was a wonderful vacation.

Visiting in the home of Rev. and Mrs. Yeats Sunday was their daughter from Ft. Worth. The three of them went down to Snyder Sunday to see Mr. and Mrs. Jackie Yeats' infant daughter, who has pneumonia. We hope the baby is much better.

Mr. and Mrs. Bill Moore and daughter, Cristy, of Seagraves spent the week end with her parents, Mr. and Mrs. C. A. Walker. Other visitors were Mr. and Mrs. Lusian Walker and Jeannie Inklebarger.

We are sorry to hear Mr. Emory Wiley is back in the hospital. The Wileys lived here for a number of years before moving to San Benito. We understand Mr. Wiley is to have surgery again.

Jim Bob Porterfield, Dick King, Frank Thomas and Robert Craig have gone fishing at Port Isabel. They plan to stay several days and I'll bet they bring back fish.

Mr. and Mrs. Marion Inklebarger and family visited her sister and family, Mrs. Randy Clifton, in Spur Sunday.

Mrs. C. C. Jones is visiting her sister-in-law, Mrs. C. B. Hardin, in Coleman. They plan to go on to Brady to visit Virgil Jones who is ill.

Mr. and Mrs. C. B. Gregg made a trip to Oklahoma City last week. Mrs. H. D. Gartman went to Muleshoe and brought her daughter, Mrs. Pat Corrick, home with her for a few days.

Mrs. Billie Inklebarger and daughter, Jeannie, and Mrs. Edith Inklebarger were in Lamesa Saturday to visit Mrs. Inez McGrew, Mrs. Doyle Terry, also they saw Mrs. Inklebarger's new great granddaughter, Robin Rennee Rains.

Congratulations to Mr. and Mrs. H. C. Gribble on the birth of a daughter at the Garza Memorial Hospital Wednesday, Sept. 19. She weighed 5 lbs. and 3 ozs. and was named Kimberly.

Mrs. C. A. Walker spent the day Tuesday with her aunt, Mrs. O. H. Hoover.

Mr. and Mrs. A. C. Bible of Killeen, Tex., came by on their way to New Mexico and visited Mr. and Mrs. C. M. Greer.

Visitors in the M. C. Ritchey home Sunday were Mr. and Mrs. W. G. McCleskey, J. F. Moore, Mr. Odie Campbell and Bro. Fitzgerald.

Mr. and Mrs. Kelly Laws and children visited Mr. and Mrs. V. V. Laws in Hobbs, N. M. Mr. Laws had been ill for some time.

Mr. and Mrs. Doyle Rains are the proud parents of a baby girl born Sept. 17 in the Lamesa Medical Arts Hospital. She weighed 3 lbs. and 15 ozs. and has been named Robin Rennee. Her mother is the former Jerrine McGrew. Grandparents are Mr. and Mrs. Jim McGrew. The McGrews lived in Grassland for a number of years.

Mrs. McCleskey and Mrs. Gartman pooled their dinner Sunday and entertained Rev. and Mrs. Mayo of Levelland. The Mayo's were attending the revival at the Nazarene church.

Mrs. Zuelia Thomas spent the week end in Ozona visiting her son, John Paul, and family.

The Thursday Club met with Mrs. Alvin Morris in the home of Mrs. Tissard, Sept. 20. The evening was spent in eswing and visiting. Mrs. Morris served cake and coffee to the following members: Mmes. Iris McMahon, Minnie Wright, Ada Oden, Viva Davis.

Winners Listed In Ladies Golf

Eloise Moore of Hillcrest Country Club in Lubbock was awarded the championship prize in the South Plains Ladies Golf Association annual tournament Thursday of last week after defeating Ann Morrow of Lubbock Country Club three and two to end a four-day event.

The T-Bar Ladies Golf Association, of which Mrs. Kenneth Turner is president, was hostess for the event that included a play day, a three-day tournament, luncheons each day and a swimming party.

Consolation winner in the championship flight was Justine Kerr of Lubbock, who defeated Vivian Parks, also of Lubbock.

Winners, runners-up, and consolation winners in seven flights were awarded prizes of cut glass. Participating were ladies from Lubbock's three country clubs, Brownfield and Tahoka. Plainview is also a member of the association.

First flight: Jerry King over Kathy Sullivan, both of Lubbock, two up. Consolation: Minnie Bowman of Brownfield over Jewel Smith, Lubbock, one up on 21.

Second flight: Lera Ohnemus over Claudell Mouser, both of Lubbock. Consolation: Faneta Graham, Brownfield, over Phillis Imbordino, Lubbock.

Third flight: Lois Wingerd, Brownfield, over Jo Belle Robinson, Tahoka. Consolation: Lottie Walker over Lou Nell Carpenter, Lubbock.

Fourth Flight: Marian May,

PICTURED ABOVE are most of the winners in the South Plains Ladies Golf Association tournament played here last week. Top row, left to right, Kathy Sullivan, Minnie Bowman, Lera Ohnemus, Faneta Graham, Lottie Jo Walker, Anita Bragg, Marion May, Wanda Gill. Bottom row, Jerry King, Claudell Mouser, Evelyn Cruce, Evelyn Botik and Jo Beihler. Not pictured are the championship flight winners. (Photo by Finney)

Tahoka's Band Shows Improvement

Tahoka High School Band, under director of Vic Kyler, is giving local enthusiasts a great deal in which to be proud.

The 42-piece unit has put on snappy halftime shows at football games this fall, proving that a band does not necessarily have to be big to be good. The Tahoka band has shown much desire in producing good halftime shows and has worked many hours each week perfecting routines.

Roger Renfro is drum major, and majorettes are Patricia Sikes, Patricia Falls, and Nancy Inman.

Kyler came to Tahoka this fall from Claude, where he was director for two years. He is a graduate of West Texas State.

This week the band participated in the Lubbock parade on opening day of the South Plains Fair.

Milton Miller, 14, is a medical patient in Tahoka Hospital, having entered Tuesday.

Brownfield, over Anita Bragg, Tahoka. Consolation: Jo Beihler, Lubbock, over Billie Carroll, Tahoka.

Nine-Hole flight: Evelyn Botik, Lubbock, over Venita Hamilton, Tahoka.

Cry Baby flight: (tie) Evelyn Cruce, Brownfield, and Wanda Gill, Lubbock, who each shot a 32 on nine holes with handicaps of nine.

Prizes were also awarded the medalist, Ann Morrow, who qualified with a 76; and to the winners of the long-range driving contest, Jo Hickman, Lubbock, Div. A; Berle Schumacher, Lubbock, Div. B; and Billie Carroll, Tahoka, Div. C.

Farmers Skirting On Razor's Edge

The nation's farmers are skirting along on a razor's edge. Either way they go could mean disaster for them. A case in point is the close vote registered last week on the wheat referendum. It points out the fear of more rigid controls on their lives, plus also fear of a return to two-bit wheat.

One thing is quite certain, a healthy national economy is tied to our farm income and if it drops we all go along with it. The farm income accounts for 40% of our national income and is actually the sum and total wealth we possess. Man cannot eat automobiles, oil or related manufactured goods, but his total existence does depend on the farmer and the farmer must have a reliable income to operate.

The farmer is being unjustly accused of a lot of things here of late when all he has ever

asked is a just return for his labor and produce.

We are told that \$2 billion was spent on price supports in 1961 but we are not told that less than \$1 billion of that amount actually reached the farmer. Where did it go? Handling surplus commodities, storage and handling cost account for \$407 million. Shipping got another \$106 million. \$345 million is charged up to interest on money tied up in the farm program.

In the 1962 budget, the Food and peace bill is charged up to agriculture and hits a total of

\$1.5 billion. Domestic food aid totals another \$2.2 billion and is charged up to the farm program.

This does not account for a lot of minor programs that are only remotely connected with farming.

The simple fact is, the whole thing has been completely mis-handled by both parties in power and we have been led to believe our surplus of food-stuff is a curse on the nation. The Good Book says otherwise and we should be thankful that we

are not in China or Russia today.

What to do? More rigid controls or a completely free market? Move the farmer off the farm? None of them seem plausible at this time, but somewhere there is bound to be an answer? —Cecil Waggoner in Claude News.

It helps little to pray for spiritual illumination after you have blown out the candle of common sense.

Jack Henry underwent a tonsillectomy in Tahoka Hospital Friday.

More Lynn County Families Are In Upper Income Brackets Than In Past

New York — Rising incomes in Lynn County in the last few years have resulted in significant shifts in family income brackets.

Many local families, formerly in the \$4,000 to \$7,000 category, are now to be found in the \$7,000 to \$10,000 group. Others, who had net earnings previously of \$2,500 to \$4,000, have moved up a notch and entered the \$4,000 to \$7,000 bracket.

The upward shift has been taking place at all points along the income scale. As a result, there are now more families than ever in the middle-or-better brackets and fewer at the lower end.

This progress augurs well for business. It means that more people are finding it possible to upgrade their standard of living.

The income breakdowns are set forth in a copyrighted study, produced by Sales Management.

It shows just how earnings were divided in each area of the United States in the past year.

It also reveals whether the so-called "average income" of a community really consists of a small number of high-income families compensating for a much larger number in the low bracket.

ets or whether the distribution is more even.

The figure for Lynn County show that 40.9 percent of all local households can point to cash incomes of \$4,000 or more, after payment of taxes.

Just how other income groups in Lynn County fared last year is also noted.

In the \$7,000 to \$10,000 bracket were 7.2 percent of the households. They collected 11.5 percent of all local income.

Those in the \$2,500 to \$4,000 class represented 18.3 percent of the households and 11.5 percent of the income.

The 40.9 percent in the \$4,000-and-over brackets accounted for 76.5 percent of the income.

New Manager For Wallace Theatres

Leonard Barnes is the new manager of the Wallace Theatres in Tahoka, moving here the first of the week from Andrews to succeed Mrs. Jack Waldrip, who has resigned to take a teaching position in the local schools.

Mr. Barnes has been with the Blankenship shows the past three years and has been in the picture show business a total of 15 years. He is married and has two children in school, Linda, age 17, and Leonard Jr., age six.

S. J. Neyland of Lubbock, manager of Wallace Theatres, says an effort will be made to get the local Rose Theatre back on a full time schedule. Also, he says, many of the top pictures are being scheduled to run here.

Mrs. Carl Gene Spears of Lubbock, formerly of Tahoka, who underwent major surgery in West Texas Hospital on September 15, was dismissed from the hospital this week.

Culinary: Pineapple, Sherron Renfro, Rt. 1, Wilson, second; string beans, Mrs. White, third; beets, Mrs. White, second, Mrs. R. A. Kahlich, Wilson, third; tomatoes, Mrs. White, second; soup mixture, Janet Gindorf, Wilson, third; bread and butter pickles, Mrs. B. J. Dunlap, Tahoka, second; sweet cucumber, Mrs. McNeely, first, Mrs. White, second; dill, Mrs. McNeely, first, Mrs. White, second; mixed pickles, Mrs. Weldon Fannon, Rt. 1, O'Donnell, first; pickle peppers, Mrs. Weldon Fannon, first, Mrs. R. C. Fannon, route 1, O'Donnell, second; berry jam, Miss Renfro, first; mint jelly, Mrs. White, third; plum jelly, Janelle Franklin, route 4, Tahoka, second; other kinds, Mrs. M. L. Renfro, route 1, Wilson, third; apple preserves, Miss Renfro, second; apricot preserves, Miss Wied, first; pear preserves, Mrs. Weldon Fannon, second; watermelon preserves, Miss Renfro, first.

Wilson Youth Wins Sears Scholarship

Donald C. Herzog, son of Mr. and Mrs. Carl Herzog of Wilson, is among nine freshmen at Texas Tech to receive a Sears-Roebuck Scholarship for the 1962-63 school year, according to Dr. George O. Elle, assistant dean of agriculture.

The award of \$300 is granted selected freshmen based on their high school scholarship record and their interest in agriculture. Dr. Elle said each of the scholarship winners was given \$150 at the start of the fall semester to apply toward books and tuition and will receive an additional \$150 in January, 1963, if they maintain their grade point average.

Projector Missing At Local Schools

A movie projector belonging to Tahoka High School borrowed by some unknown person should return the same at once as it is needed very badly in the visual education program.

Anyone knowing the whereabouts of this projector is requested to notify Clifton Gardner, High School principal.

VISIT KANSAS FARMS

Dale Thuren of Tahoka, Floyd Wilson of Wilson, and J. W. Martin of O'Donnell were among 78 West Texas and New Mexico dealers who recently visited the research nursery of PAG (Pfister Associated Growers, Inc.) at Hutchinson, Kansas. The group flew from Lubbock to Hutchinson in a Constellation plane.

MOVE TO GRAND PRAIRIE

Mr. and Mrs. D. C. Carroll moved Thursday morning to Grand Prairie, near Dallas, where they will live temporarily. Mr. Carroll plans to come back here to work when his health permits. He is a rural mail carrier. The Carrolls recently sold their home on North Fourth to Mr. and Mrs. Pat McKibben of O'Donnell.

Kind words never die—they just become victims of ingratitude.

Farm Facts

Scientists are evaluating bird-repellent grain sorghums. Growing from seed coverings of test varieties are sharp spines which seem to keep birds from feeding.

Agricultural Research, published by the U. S. Department of Agriculture, reports some of these sorghums have been grown in south Florida and tests are being conducted at Beltsville, Md., and in Mississippi and other states.

An effort will be made to cross sweet sorghums with the grain sorghum strains to learn if widely adaptable bird-repellent sweet sorghums can be produced.

Bird feeding on sorghums is a problem in the South and Southwest.

Agronomist F. T. Boyd, in charge of the Plantation Field Laboratory of the Florida Agricultural Experiment Station at Fort Lauderdale, found the bird-repellency characteristic during tests of hundreds of sorghums. Blackbirds, rice birds, Eng-

New grain sorghums repel birds.

lish sparrows, and Florida grackles left two sorghums strictly alone. By crossing these with others, some 50 strains have been developed with their own built-in bayonets.

Two Are Sentenced In District Court

Two cases were tried in district court here Saturday morning. Floyd Henderson, charged with three cases of forgery and passing, received sentences of three years and six months on each case to run concurrent. He passed forged checks on Mrs. R. E. Hardberger to two O'Donnell grocery stores, Paul Mansell and Mrs. Harvey Line, and to Mrs. Smiley of the variety store there.

Myrtle Mae Smith (Colored) received a probated sentence of two years for assault with a prohibited weapon, a pistol. She was given the probated sentence so that she can pay hospital bills of the injured party, Ermer Cole (Colored).

Miss Allen Wins Honor At Baylor

Waco, Tex.—Carol Jean Allen of Tahoka has received advanced academic placement in religion for the fall semester at Baylor University.

Miss Allen, the daughter of Mr. and Mrs. Clyde F. Allen of Rt. 1, Tahoka, is a 1962 graduate of Tahoka High School.

She will be permitted to omit the usual freshman religion course because of her superior rating on tests administered to incoming freshmen.

Students may receive advanced freshman placement in English, history, religion, math, biology, physics and chemistry. This distinction is given only to the most academically capable of each entering freshman class. Miss Allen was one of 75 freshmen to receive advance placement.

Help keep Tahoka clean.

Homecoming ...

(Continued from First Page)

1921-'22. He organized the school's first football team under Supt. H. P. Caveness, who had instituted interscholastic league competition in the local schools.

The program also includes the invocation by Larry Price; pledge of allegiance led by Louella Tomlinson; welcome by Allen Cox, president of the Student Council; response by Wilton Payne, president of the Ex-Students Association; recognition of classes and special guests by Jerre Wyatt; entertainment provided by Montie McGinty, Jean Flippin, Patricia Sikes, Jackie Burnett and Sharon Patterson; and introduction of speaker, Frank Hill.

Free tickets will be given the ex-student coming the greatest distance to attend the event and to the oldest ex-student present. Ex-lettersmen of the school will also be issued free tickets. These may be obtained by the men by contacting Athletic Director Jake Jacobs either before the game or at the east gate at game time. Ex-lettersmen will be seated along the sidelines during the game.

At 6:00 p. m. a banquet will be held in the school cafeteria by the Ex-Students Association, at which time new officers will be elected. Tickets may be obtained from officers of the association at \$1.50 each.

Out-of-town exes planning to attend the banquet should also either write or contact one of the officers. These include Payne, Mrs. G. W. White, secretary, Dub Gurley and Ray Adams. Al Smith's Cafeteria will serve the meal.

University of Nebraska will be Texas Tech's first basketball opponent this season.

O'Donnell Lady Dies Suddenly

Mrs. W. J. (Ruth Naomi) Shook, 67, prominent O'Donnell lady, died suddenly at her home Monday night. She had been a resident of O'Donnell for 40 years.

Funeral services were held Wednesday at 2:00 p. m. in the Methodist Church of O'Donnell with the pastor, Rev. David Hamblin, assisted by the Draw Methodist pastor, Rev. C. R. Smelser. Burial followed in O'Donnell Cemetery.

Mrs. Shook was born at Robert Lee, Coke county, on July 21, 1895.

She is survived by her husband, W. J. Shook, well known O'Donnell businessman; three daughters, Mrs. Gus (Mary V.) Sherrill of Draw, Mrs. Hope Bearden of Stephenville, and Miss Linda Sumrall, a relative whom she reared; one son, Jim Shook of Rogers; one sister, Mrs. Laura Sharrock of Los Angeles, Calif.; five brothers, Arnold Sumrall of Alpine, Tom Sumrall of San Angelo, James Sumrall of Lovelock, Nevada, and Riley Sumrall of Childress; six grandchildren, and two great grandchildren.

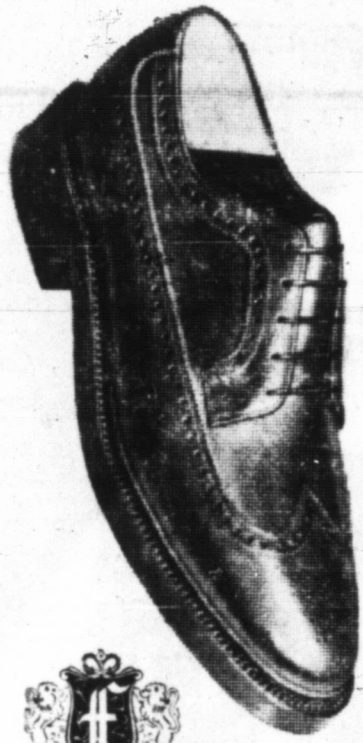

Jack Spears attended a water well driller's convention at San Antonio Friday and Saturday at which the well driller license law was discussed. Jack is a licensed water well driller.

Tahoka Bulldogs Lose To Slaton In Close 13 to 12 Game Friday Night

Slaton Tigers nosed out the Tahoka Bulldogs 13 to 12 in a hard-fought ball game at Slaton Friday night, a game in which the Bulldogs battled the Tigers all the way and have no apologies for the loss.

As predicted, Coach "Bing" Bingham Friday night had about the fiercest bunch of wild Tigers the Bulldogs have faced in many a year. Otherwise, the improving battling Bulldogs of Coach Gilbert Hough may have won the game.

B Team Takes Frenship 8 to 6

The Bulldog "B" team duplicated the varsity football team by bringing home a victory of 8-0 from the Frenship Tigers Thursday night of last week.

The strong defensive unit from Tahoka was given a great deal of credit from the coaches, Dave Easterday and Milt Fitts.

The game was scoreless at the end of the third quarter, but Halfback Britt Robinson broke loose in the fourth and ran 30 yards to score for the Bulldogs. Quarterback Terry Harvick was successful in the try for two points, going over the goal line for the conversion.

Showing up particularly well on defense were Rett Patterson, Jim Wells, Robinson, Jim Crawford, Mike Curry, Robert Medlin and Gary Tomlinson.

The "B" squad was playing Slaton here Thursday as The News went to press. Next Thursday Abernathy will visit Tahoka with a game beginning at 6:00 p. m.

QB Tony Spruiell ran for 8, Bray for 3, and then Spruiell lost 8 trying to pass, and Bray's deflected punt went only 19 yards. The Bulldogs stopped Slaton cold this time, and Tefertiller punted 37 yards to the Tahoka 14. But Tahoka couldn't move, and Bray got off another fine punt, this one

(Cont'd. on back page, Sec. 2)

Meet the Bulldogs! O'Donnell Wins Over Wilson

BIRGER OLLROGGE

JACK WOOD

BILLY MILLER

O'Donnell Eagles of District 5-A took a 28-7 victory over the Mustangs of District 3-B in an intra-county tilt at Wilson last Friday night.

O'Donnell opens its home season tonight against the 4-AA Frenship Tigers, who lost to Tahoka 8-0, Morton 19-6, and Idalou 41-6. The Eagles have lost to Crosbyton 14-6, won over Ralls 26-20, and Wilson 28-7.

Wilson tonight journeys to Anton, loser to Kress 18-0, Sundown 25-6, and winner over Ropes 28-6. Wilson has an 18-6 victory over Lazbuddie, a 34-12 loss to Amherst and the one to O'Donnell.

Rex Graves, O'Donnell halfback, started the scoring at Wilson Friday night in the first quarter and personally added the 2-point conversion. In the second period, Manuel Garcia ran over two touchdowns, and Graves ran a 2-point conversion to make the score 22-0 at halftime. Garcia's second TD came in the third period.

Wilson's lone touchdown was set up on the old Statue of Liberty play, and then QB Don Webb passed to Charles Walton on the 15-yard touchdown play.

Wilson fans say they hope their Mustangs will come along as the season advances as they did last year when they lost some games early and then went on the win the 3-B district championship.

FOOTBALL SCORES OF LYNN TEAM OPPONENTS

- Slaton 13, Tahoka 12.

- Floydada 34, Ralls 0.
- Hamlin 41, Spur 6.

Be careful of the bargains you seek in life—there are no short-cuts and no rummage sales.

New Home Takes O'Donnell B 16-6

Coach Paul Kitchens' New Home Leopards are taking on new life following a 16 to 6 win over O'Donnell B team Thursday night at New Home.

O'Donnell B made only one other scoring threat, in the fourth period, when they drove to the New Home 20.

After a scoreless first period, the Eagle B team scored in the second period but failed on the conversion.

New Home was playing without the services of John Lynn Edwards, who broke his wrist on the first play of the first game a week before.

In the third period, big 200-pound Moses Vaca bulled his way the last six yards of a successful New Home drive, and Dave Hancock ran the ball for the conversion to take an 8-6 lead. Then, in the fourth quarter, a New Home interception of an O'Donnell pass set up another opportunity. Although this drive ended on the Eagle seven, a short time later Kenneth McClung sprinted 35 yards for the Leopards second TD, and Hancock again ran over the conversion.

New Home had a bit of hard luck in the game, though, Dave Hancock receiving a fractured bone in the elbow and Ray Robertson receiving a sprained ankle.

SEVENTH, EIGHTH GRADE GAMES RE-SCHEDULED

The seventh and eighth grade football games were called off Tuesday because of rain. The games have been re-scheduled for November 6.

Savings Bonds Nearing Quota

August E and H Savings Bonds sales in Lynn county totaled \$23,881.00, according to A. C. Verner, chairman of the county Savings Bonds Committee.

Sales for the first eight months of 1962 were \$248,404.00 which represents 99.4% of the county's 1962 goal.

"Savings Bonds are an investment in the future. For 21 years the Treasury Department sold bonds as a doorway to opportunity... a new home, college education, retirement, or some other dream of the future. But today the future itself is threatened. With the dawn of the missile age, the world is suddenly aware that one more war could be the last. The hope of the age is for peace—for some guarantee that there will be a future to look forward to. We must have PEACE POWER—the strength to keep the peace; the knowledge to make it lasting. Savings Bonds, in building economic stability, help strengthen America's peace power," Mr. Verner concluded.

ELECTRIC SERVICE An all-around value... all around the house

Style's the thing when you buy a hat. But shopping for groceries or clothes or for home needs you look for Value with a capital V.

One place you find it is in low-cost, dependable electric service. Electricity helps you clean house, prepare meals, do the laundry and dishes; provides radio and TV entertainment and plenty of clear, steady light to read, work and study by. Truly, electricity is the biggest bargain in your budget.

It's true—my wages to serve all of my customers' homes averaged just 26 cents a day in 1961.

People who care put the value in service

SOUTHWESTERN PUBLIC SERVICE COMPANY

Printer's Ink-lings

By F. P. H.

Dr. C. L. Kay, speaking at the Rotary-Teacher banquet, declared we should not sell our kids short, but sometimes they come up with questions hard to answer. For instance, he told of the teacher who, with emphasis, told her class, "We are here to help others." And little Johnny came back with this question, "What are the others here for?"

He said parents have to be careful what you say in front of their children. When one mother made the statement, "I am prejudiced," little Johnny popped up with this: "What? Not again!"

Decrying the fact that we give our children too much today because we "don't want them to have to grow up like we did," he said all the Cadillac parked out at LCC are owned by students, not teachers. He said a Lubbock couple, when their son married, gave the newlyweds a \$20,000 home for a wedding present. Do you know what they did? They sold the \$20,000 home and bought a \$30,000 home.

Recently, a boy came into his office and declared he just couldn't make it any longer—his parents were just giving him a \$50 a month above expenses. "My goodness," Dr. Kay exclaimed, "I'd give anything to have \$50 above expenses!" Reluctantly, the boy took a job as janitor. Two days later, the boy's dad walked in his office, and said, "Look here, what are you doing to my boy? Can't you give him an executive job? I've taught him to start at the top with the best, and here you come along and undo everything I've taught him."

How can we raise our children to be responsible citizens when we neglect or refuse to teach them to work, to study, to apply themselves, to find out how a dollar is made? How can we expect responsible government in Austin or Washington when we are not teaching these sound principles of hard work, economy, responsibility, respect and integrity at home? Most of our young people are all right. We believe they are much better today, know a lot more, than was the average youngster when we were growing up. But, we doubt if many parents are filling their responsibilities as such. Most juvenile delinquency may be laid to adult delinquency. We even expect our teachers to be glorified baby-sitters, and papa and mama won't like it if they lay on the strap!

H. N. McDonald ran across a picture the other day taken at his 50th wedding anniversary celebration in 1957, preceding his wife's death on August 28, 1960. In the picture was his old teacher, Mrs. S. R. (Sallie Scaggs) Kemp, and her daughter, Mrs. Beulah Applewhite. Mack says Mrs. Kemp was his seventh grade teacher down at Mullen, Mills county, in 1904, and she is still the same great woman he thought she was then.

Mr. and Mrs. J. O. Allen, recent visitors to their old home, brought us a copy of The Winters Enterprise, and Mr. and Mrs. G. H. Chestnutt brought us a copy of the Phoenix, Ariz., daily.

(Shorty) Chestnutt became a citizen of Tahoka by accident. Prior to World War II, he was a chef in swanky restaurants in Phoenix and Los Angeles. Their trip to Phoenix recently was just for "old time's sake." Anyway, during the war, "Shorty" was called up for service, returned to his old home at Mount Pleasant, but was turned down. However, he met Fual and Lois Smelser, and they offered him a ride as far as Tahoka on his return trip to Phoenix. Arriving in Tahoka, someone asked him why he didn't stay here and he replied he would not stay in Tahoka for any amount of money. But, fate is strange. He met Frances, took a job cooking hamburgers for I. I. Gattis, now owns and operates a service station business, and declares he wouldn't live anywhere else.

One thing you learn early in the newspaper business—get the name right! But, last week a lot of papers got out before we found "Melvin" Reynolds instead of the correct Milton Reynolds on the signature of the tire store ad. And, in the Luttrell family reunion story we had it W. T. Kimbrell instead of W. T. Luttrell.

Yep, The Printer may be an ignoramus, as some of our New Frontiersmen friends declare, but answer us this one: Why do we limit the U. S. farmer on cotton production and then import cotton from foreign nations, 129,000 bales in 1960-61, 151,000 bales in 1961-62? In the past year, Egypt, Mexico, India, and Pakistan shipped us 95,000 bales of long-staple and 30,000 bales of SHORT STAPLE cotton, plus 26,000 bales of short harsh Asiatic and other cotton not regulated by quotas.

Last fiscal year, we also imported 1,217,000 heads of cattle, 768 million pounds of beef and veal, 638 million pounds of vegetable oils, 4.3 million tons of cane sugar, 165 million pounds of tobacco, and 180 million pounds of wool. Does this sound like favored treatment for the American farmer?

Who can blame a grandpa for showing off his grandson. Boswell Edwards brought in "the greatest little man" Saturday to meet us—Ross McDonald, age seven months, son of Mr. and Mrs. Frank A. (Sylvia) McDonald of Lubbock. Frank is music and youth director of Southcrest Baptist Church.

Rogers Curry and The Printer were saddened last week by the death of Mr. and Mrs. Jerry Stoltz of Lovington, N. M. Friday in a plane crash in Kansas while flying to Chicago along with two friends, also killed. Jerry formerly was with Brownfield News and Lovington Leader.

We regret losing Mrs. Jesse A. Ward as correspondent from Gordon, who has had to give up writing this news because of illness.

Attention of The News is called to the fact that through oversight, the name of the W. L. Tunnell family was left out of the list of pioneer Draw settlers in the story last week by Guy Lemond of Snyder. There were others, we are sure, that just didn't come to Guy's mind at the time.

We require dogs to be vaccinated and have license tags in Tahoka and a reader wants to know what about cats? We're told a stray cat recently attacked Mrs. Jodie Nevills in her yard, wrapped his legs around her lower limb, bit and scratched her. Fortunately, her injuries were not serious.

Little Liz says: It usually takes some midnight oil to set the world on fire. No one but the undertakers cates how terrible you feel. The automobile has proved to be a great moral force—it has stopped an awful lot of horse stealing.

We wonder what the parents of the next generation will tell their kids about the hardships they had and what things they had to do without.

AND THIS IS WHAT THEY LEARNED When the teacher in a high school class in economics found his pupils were in favor of the theory of taking from those who had more than enough and giving to those in need, he announced immediately he would put the system into effect, subtracting from the grade of the top students and adding it to the grade of the poorest students so they would all have an average grade.

The first month the system worked pretty well. The grades of the best students were high enough to offset the deficiency of the lower ones, and the class average was above the passing mark.

Then the situation changed. The top students saw no reason to put forth extra effort required to get good grades with which they would not be credited. The medium students put forth less effort for they were assured of passing grades. The dullers did not work at all, since they would pass with the aid of the grades taken from the others. So, while at first the system provided passing grades for all, within a very short time the entire class was failing—Charles Bigler from Goodland, Kansas.

ST. PAUL LUTHERAN CHURCH (Missouri Synod) Wilson, Texas Preaching Christ and Him Crucified. The Church of The Lutheran Hour and This is The Life invites you to worship. 9:30—Bible Classes and Sunday School. 10:30—Divine Worship Youth Meetings 2nd and 4th Sundays, 7:30. Ladies Mission Society 1st Sunday, 3:00.

Laws that interfere with profits are regimentation; those that protect private property are necessary for the preservation of the American way.

Those who like the form of government that we inherited from those who founded the United States of America might keep their eyes on the pressure groups.

The fast pace of modern living has much to do with the high cost.

An invitation to a breakfast or a brunch is made by phone a few days before the occasion.

NOW-GO JET-SMOOTH CHEVROLET for '63

If it didn't say Chevrolet on the flanks of the superb automobile you see here, you'd have a hard time proving it's a low-priced car. It offers luxurious styling, extremely comfortable, spacious and silent interiors... plus a lot of invisible ways to keep it looking and running like new when a lot

IT'S EXCITING!

of others have started to sag and sigh: new flush and dry rocker panels under the doors to guard against rusting... self-adjusting brakes... Delco-tron generator for longer battery life. If you ever wondered why Chevrolet leads its field, a drive in this '63 should answer all your questions.

GO CHEVY II for '63-IT'S EXCITING!

GO CORVAIR for '63-IT'S EXCITING!

Hard as it may be to believe, this year's Chevy II is better, better than last year's and better than anything in its class. It combines all the new easy-care features of the big Chevrolet with its own wonderful attributes of parkable size, four- or six-cylinder fuel economy and interiors that'd do justice to cars with twice its price and half its charm.

Change it? Calm yourself, nobody's going to mess with a winner like this one! We did add self-adjusting brakes and a more fully aluminized muffler; interiors and outside trim are refined a bit, but the rest is pure Corvair with all the over-the-road goodness that implies. Oh yes, we changed the taillights so all those people you pass will know you're driving a '63.

It's Chevy Showtime '63!—See four entirely different kinds of cars at your Chevrolet Dealer's Showroom

Dr. C. L. Kay Heard By 180 People At Annual Rotary-Teacher Banquet

"There are indications on every hand that our great nation is undergoing moral decay," Dr. C. L. Kay, vice president of Lubbock Christian College, told the 180 men and women attending the annual Rotary-Teacher banquet Thursday night in the school cafeteria.

Dr. Kay, in a forceful address filled with many witticisms and humorous stories, left little doubt in the minds of his listeners that he thinks America is becoming soft. He declared we are becoming a people who do not stand for principles as we once did, do not express our feelings on controversial subjects, are not concerned enough about Communism, Cuba, atheism, setting an example for our children, the tremendous growth of crime, character building, respect for the individual, respect for the Constitution, our national debt, and fail to recognize that hard work is still honorable.

We take too many things for granted. We don't get excited about the values that count.

Dr. Kay has spent most of his adult life working with young people, and during the past year has spoken to 200,000 young people over the nation. He indicated he thinks most young people today have higher ideals than their parents, but punched home time after time examples of improper parental direction of their children because "I don't want my

child to come up like I had to." Are we witnessing a moral decay in training our children? One-third of all students drop out before reaching high school. Fifty percent of all students entering college fail to finish.

Among these students dropping out of college, a survey was made to find out why students with an IQ of 120 or more quit, and these were some of the answers: I lacked interest in my subjects; I hate my history teacher; I don't know how to study; I have poor social and mental adjustments; and poor parental control.

Are we witnessing a moral decay in the field of religion? We can no longer have prayer. Our United Nations doesn't recognize in any way that there is a Supreme Being.

Our crime continues to soar. One major crime was committed in the U. S. every 19 seconds in 1960, every 16 seconds in 1961. For every dollar we spend on education, we spend \$1.11 on crime. For every dollar we spend on churches, we spend \$9.00 on crime. Our annual crime bill has grown to \$22 billion, \$128.00 for each and every individual in the nation. Crime has doubled in 10 years.

How can we teach honesty and integrity when our national debt soars to \$300 billion, with no plans for repayment of debts? If a man were to give his wife \$1 million dollars and tell her to spend \$1,000 a day, it would take her more than three years to get rid of the money. If she had \$1 billion dollars, it would take her more than 3,000 years to spend the money at \$1,000 a day.

"Character building is the real object of all education," he declared. Work is still honorable. To survive we must teach our children the importance of work, self respect, respect for the individual, respect for our Constitution.

"Think what can we contribute to society rather than what we can take away." Charles (Buddy) Bragg, program chairman, in introducing the speaker, said Dr. Kay had delivered 325 talks and traveled 100,000 miles already this year to make them, all on invitation, was recognized nationally as an outstanding speaker on Americanism, and had been presented the Medal of Honor for his work by the Freedom Foundation.

Calloway Huffaker, club president, presided at the meeting and welcomed the teachers and guests. Rev. James Efrid gave the invocation, Dr. Emil Prohl led in singing of several songs, and Miss Lynnetta Cain, club sweetheart, furnished dinner music.

Teachers were introduced by Principals Clifton Gardner, J. B. Howell, and Jake Jacobs. Paul Bartlett, summer student guest of the club, made a talk in which he gave some of his im-

School Traffic Safety Urged

During 1961 there was a sharp increase of 57 traffic deaths among student-age Texans from 15 to 24 years of age over 1960, and Governor Price Daniel has expressed his deep concern over the involvement of that age group in fatal crashes thus far in 1962.

Students composed 24.5 of all traffic deaths in Texas in 1961, up from 22 percent over previous years.

"Just a few weeks ago, seven students died in a single crash in West Texas, and other multiple-death crashes have involved our younger citizens. These are some of the main reasons," the Governor said, "why Texas School Traffic Week (Sept. 17-21) was created five years ago and why we continue to place such great emphasis on the importance of driver education in our public schools."

Current driver education courses are offered in only 48 percent of Texas high schools and are reaching barely 56 percent of the students eligible for the courses.

"During the 1961-62 school year," Daniel said, "about 39 percent of the eligible students passed the driver education course, another 19 percent received classroom training only and 42 percent got non driver education at all."

Statistics show that during the last six years, a total of 3,390 student-age citizens have lost their lives in Texas traffic accidents, or an average of 565 per year.

\$182 MILLION AVAILABLE FOR RURAL HOUSING

An additional \$152 million has been made available for rural housing loans, Secretary of Agriculture Orville L. Freeman announced today.

Today's action makes a total of \$182 million available through the Farmers Home Administration for this type of credit during fiscal 1963. The funds come from the \$430 million authorized by the Housing Act of 1961, to be expended within a four-year period. Approximately \$95 million was obligated during fiscal 1962.

Rural housing loans may be used to construct, modernize or repair homes and farm service buildings. They are available to farmers and residents of rural communities who cannot obtain credit from other sources.

Under the Rural Housing Program the Farmers Home Administration has made in Texas over 2,700 loans for over \$20,440,000. There have been no losses on these loans. As of December 31, 1961, these borrowers had paid over \$5,966,000 on principal and \$2,879,000 on interest, which leaves only about \$14,474,000 owed on principal. 665 of these borrowers have already paid their loans in full ahead of their maturities.

pressions of our country and expressed thanks for the privilege of visiting the U. S.

Bulldogs Lose ...

(Cont'd. from Page 1, Sec. 2)

for 52 yards. Slaton made nothing on two plays and the half ended.

Alert Bulldogs Score
Tefertiller brought Craig Leslie's kickoff from the 8 to the 32, but fumbled on the first play from scrimmage and Spruiell pounced on the ball on the Tiger 32. Bray made 5, Spruiell 4 and then 2 for a first down on the Slaton 21. Spruiell and Bray made 9 in four plays as the ball went over to the Tigers on the Slaton 12. The Tigers drew a 5-yard penalty, and when Tefertiller attempted to quick-kick on the next play Tony Spruiell blocked the punt and Freshman Tackle Larry Jolly of Tahoka fell on the ball in the end zone for a Tahoka touchdown, a rare accomplishment for any lineman, especially a Freshman. Conversion by running failed.

Following the kickoff, Slaton failed to move in two plays, and Tefertiller quick-kicked 46 yards to the Tahoka 20. The Bulldogs drew an offside penalty, Bray and Greer made it back in two plays, but a fumble was recovered by Slaton on the Tahoka 20, giving Slaton its first real scoring opportunity.

Slaton Ties Score
The Tigers made 4 yards in two plays, but Tefertiller then hit Pember with an 11-yard pass to the Tahoka 5, Pember hit the line for 2, then Ball went the last 3 yards to score. Tefertiller's place-kick was no good, and the score was tied 6-6.

Greer brought the kick-off to the 32, Bray lost 2, and Spruiell hit Leslie with a 4-yard pass, another to End Billy Clinton was incomplete, and Bray got off another long 48 yard punt.

Now, the Bulldogs were unable to stop the Tigers as they moved 32 yards in 16 plays, with Tefertiller sneaking the last yard for the TD. Pember's place kick was good and the Tigers led 13-6.

Bulldogs Still Fighting
However, the Bulldogs refused to fall over and play dead as they moved immediately for another score of their own. Greer brought the kick-off to the 31, a pass Bray to Clinton was good for 18, and

Whirter, Birger Ollrogge, Larry Jolly, Dicky Davis, Jack Edwards, Dennis Clem, and Steve Greer.

Tommy Simmons, tackle for Slaton was a big thorn in the Bulldogs side, and also Dubbs, John George, Gregg Nowlin, Larry Smith, Tefertiller and Pember.

Your acceptance or regret should be made at the time of the call when possible.

VISITING IN COLORADO
Mr. and Mrs. L. H. Moore Sr. of New Home have gone to Durango, Colorado, to spend several weeks visiting a son, Kay, and wife and do some big game hunting. Lit Moore Jr. and wife took them up.

Once upon a time there was a man who remembered his friend and repaid a favor.

25% DIVIDEND TO ELIGIBLE TEXAS MOTORISTS

That's right, Texas policyholders have come to expect dividend savings from State Farm Mutual's famous 6-month policy. Nine out of ten policyholders have saved more than \$30,000,000 over the past 27 years. State Farm's present 25% dividend rate makes the actual cost of car insurance lower than that of most other companies. For more complete details see me soon:
