School of Missions will begin this Sunday at the Sweet Street Baptist Church continuing through Wednesday. Monday, Tuesday and Wednesday at 7:30 p. m. 8:15 p. m. there will be the Mission Study. Each night at 8:15 p. m. the Missionary Message will be provided for.

Wellhead value Texas gas, 1956: \$555 million.

### Wilson Lions See Pictures Of Home

Wilson Lions on Thursday night had a program featuring a film on the Crippled Children's Home at Kerrville, according to Robert Lamb. Ray Foster was program chairman.

An electronic instrument has been developed to count seeds from the size of small grain to that of peanuts at a rate of 250 to 750 seeds per minute.

### Football Coach Praises Players

Head Football Coach Gilbert Hough explained his policies and reviewed the season's work before a meeting of nearly 200 parents, players, and fans Tuesday night in the school auditorium.

This has been a policy he carried out in Kansas prior to coming to Tahoka, and he called the meeting to better acquaint people with these policies.

He complimented the Tahoka squad members for their attitude, discipline, and team spirit, and declared he thought that this attitude will go a long way toward winning games in the future.

He said he was well pleased with his team this year, in spite of the losses, and believed the boys had done as well as could be expected.

Coach Hough thinks the principal weakness this year has been lack of speed.

However, he said that to him having the respect of the boys was worth more than having the winning score on the boards.

### FANS GIVEN WARNING ON TREATMENT OF OFFICIALS

Local school authorities declare that local fans at athletic events should refrain from yelling at officials of ball games.

A complaint to Interscholastic League authorities from men officiating Tahoka games could cause the school a lot of harm and possibly disqualification, thus penalizing boys participating in athletics here.

Interscholastic League rules cover mistreatment of officials by voice or any other adverse action. This does not apply to the vast majority of Tahoka fans, but a half dozen or even one fan can cause the school great harm.

### Combo Band Is Formed By Kyler

Band Director Vic Kyler has organized a combo band out of the local high school band called the "Rhythm Ryders," which will be available for furnishing music for special occasions throughout the remainder of the school year.

The Rhythm Ryders will make their first appearance at the dinner following the Seagraves-Tahoka game Friday night in the school cafeteria. This dinner is given by the Bulldog Mothers for the boys and family members following each home game.

Members of the Rhythm Ryders are: Carroll Curry, clarinet; Marla Bray, piano; John Huffaker, saxophone; Ralph Brock, cornet; Paul Kenley, trombone; and Ronnie Hudgens, drums.

### Officers Almost Take Fishermen

"T" Hale and Pat Patterson finally found a good reason for being big men. Because of their sizes, they are not in jail being held for armed robbery.

The two were travelling to Fort McKavett on a fishing trip recently and after passing Eldorado noticed a patrol car following them. It followed for some distance, would pull up beside them and fall back into line again, never sounding its siren. The fishermen were beginning to get the jitters when they came upon a road block and were stopped.

They were passengers in an automobile fitting the description of one that was being driven by two men involved in a near-by and recent armed robbery. After a seemingly endless session of questions and answers, they were told of the robbery but that they were too big to fit the description of the fugitives and were allowed to continue their trip.

The News, incidentally, never did find out how the fishing turned out.

A sow before farrowing may drink up to 38 lbs. of water per day; a week after farrowing this may be increased to 45 lbs.

Cockroach control studies reveal incriminating evidence that the insect is a carrier and transmitter of infectious hepatitis.

### Grassland News

(By Mrs. O. H. Hoover) The homecoming November 11 at the Church of the Nazarene in Grassland was enjoyed by all of those who were privileged to attend. People from all denominations were invited. Everyone brought covered dishes, and a wonderful noon meal was enjoyed by all. There was enough food left for the evening meal.

After the noon meal E. B. Gregg gave a short history of the church. The church was organized Aug. 18, 1921. Bro. Graham and Bro. Montanan organized the church. Bro. Graham remained as pastor until 1923. In December 1921 he was married to a minister of the Nazarene church. They returned for a second time in 1934. The services for the congregation were first held in the first Grassland school house. Then in 1922 the congregation built a small church, and have continued to hold services in the building until the present time. They now have a beautiful new brick building.

There have been twenty-four pastors who have served this church over a period of years. Three of them have returned for a second term, making twenty-seven pastors.

Rev. and Mrs. White, pastors of the Nazarene church at Post rendered a message in song, "A Variation of 'The Old Time Religion.'" Rev. Graham gave a short talk reviewing his pastorate here through the years. Rev. J. C. Allen of Lubbock gave a short message, followed by Rev. Brannon, who is now 85 years old, who brought a short message. Rev. Robert Prentice, pastor of the Nazarene church in Andrews sang "Ship Ahoy." A male quartet composed of Harold Allen, Kenneth Rogers, Rev. Robert Prentice, and Dean James sang "Tis Burning In My Soul." Mr. and Mrs. Harold Allen sang "The Blood Washed Pilgrim." This concluded the afternoon service.

Rev. Howard Smith of Dalhart conducted the evening service. Mr. and Mrs. Harold Allen sang "Little Is Much if God Is In It." A trio of girls composed of Karen Law, Lavonia Moore and Vivian Camel sang "He's Just What I Need."

Bob Norman is building a two-car garage on to his new home and is enclosing a breezeway connecting it to his house. It will be very convenient.

Mrs. O. H. Hoover spent Saturday in Lubbock visiting with Betty Hoover, Billy Hoover's wife. She was here to see her mother, Mrs. Gertie Mills. Betty lives in Mountain View, Calif. Duane Hoover and girl friend brought Mrs. Hoover home and stayed a while. Mrs. Glen Norman had surgery last week in the West Texas Hospital. She is improving nicely.

THANKS for EVERYTHING The tax assessor came to the door of the Jones house. "Do you have any possessions," he asked. "Oh, yes sir," said Jones. "I'm a very rich man." "That's wonderful." The assessor held his pencil. "Now please name your possessions." "Sir," said Mr. Jones, "I have a friendly, faithful, kind, loyal wife." "True enough," said the assessor. "But I can't tax you for her. What else have you?" "Five lively, friendly children who love the Lord." "Yes, yes," said the assessor. "But what else?" "A wonderful little church, my health, a job, and many friends." "Well," said the assessor, "You owe no taxes, but you certainly are a rich man." Do you count your blessings the way Jones did? Some people always complain. We invite you to come to church with us every Sunday and especially the THANKSGIVING DAY, to thank God—for everything. ### Mr. and Mrs. Geo. C. Lindly Will Observe Wedding Anniversary

Mr. and Mrs. Geo. C. Lindly will observe their Golden Wedding Anniversary at an open house Thursday, Nov. 22, from three to five o'clock in the O'Donnell Community House.

Hosts for the occasion will be their sons and daughters. They are Mrs. Carl Sanders, O'Donnell; H. B. Lindly, Lubbock; G. R. Lindly, O'Donnell; Mrs. Arvol Thompson, Kermit; J. C. Lindly, Levelland; Mrs. Carl Page, Lubbock; Mrs. C. A. Moore, O'Donnell.

Granddaughters of the couple will register guests and preside at the table highlighted by wedding and family pictures. Crystal appointments will be used on a gold netting over gold satin cloth. A floral arrangement of bronze and gold Pom mums will be used as a centerpiece.

The former Miss Mary Ellen Hicks and Mr. Lindly were married Nov. 19, 1912, in Hillsboro, Hill county by Horace Bishop, D. D. They moved to Lynn county, six miles east of Tahoka, in 1925, and moved to O'Donnell in 1936. Mr. Lindly has been engaged in farming. Both have been active members of O'Donnell Methodist Church.

The couple have nineteen grandchildren and four great grandchildren. All relatives and friends of the family are invited.

MISS GEANNE GANDY

### Miss Gandy Will Wed Olin Poer

Mr. and Mrs. Gilbert Gandy announce the engagement and approaching marriage of their daughter, Geanne to Olin (Skeek) Poer of Lubbock, son of Mr. and Mrs. Robert Poer of New Home. Miss Gandy is a sophomore business major at Texas Tech.

He is presently employed by the Southwestern Public Service Company in Lubbock.

Wedding vows will be read December 28 in Tahoka at the Sweet Street Baptist Church, with Rev. Joe Webb, pastor, and student minister Wayne Poer, officiating.

All friends and relatives of the couple are invited to attend the wedding and reception following the ceremony.

### Granddaughter Is Married Recently

Mr. and Mrs. John Jaroslav Bartko will make their home in Bethesda, Md. following their marriage on Oct. 20 at 3:30 p. m. in Churchland Baptist Church in Churchland, Va. Dr. John L. Moran, pastor, read the wedding vows.

The bride is the former Gypsy Gepe Lawson, daughter of Mr. and Mrs. Gene Carriker Lawson of Churchland, formerly of the Grassland community. Parents of the bridegroom are Mr. and Mrs. Matthew Bartko of Masaryktown, Fla.

Given in marriage by her father, the bride wore a traditional wedding gown of pure silk peau de soie and hand run re-embroidered Alencon lace. The empire bodice, buttoned up back with self-covered buttons, was designed with bracelet sleeves and a jeweled neckline edged in scallops. The full princess skirt was accented with a wattleau train, which fell from a cluster of unpressed pleats and was topped with a self fabric bow.

A mantilla of matching Alencon lace was arranged over a Veil of English illusion and the bride carried an orchid topped with fringed carnations and ribbon streamers.

Mrs. A. E. Lawson D'A, sister of the bride, was matron of honor. Bridesmaids were Miss Carolyn Ruth Charlton of Joliff and Miss Susan Jean Shedio of Butler, Pa., cousin of the bridegroom. The junior bridesmaid was Miss Virginia Mae Lawson, sister of the bride.

The attendants wore chiffon-over-taffeta street length full skirted dresses with satin jackets. The honor attendant wore moss green, the bridesmaids rose and junior bridesmaid gold. They carried cascade bouquets of miniature chrysanthemums.

Michael Shedio of Butler, Pa., cousin of the bridegroom, was best man. Ushers were John White of Bridgewater and Bill and Stephen Lawson, brothers of the bride.

A reception was held in the social hall of the church.

The Lawson family moved from Grassland in 1941, where Mr. Lawson grew up and farmed. Mrs. Lawson, the former Miss Astena Harter and daughter of Mrs. H. C. Harter of Tahoka, taught in the Grassland schools.

The next meeting will be held Nov. 27 when nominations of new officers will be made, according to Mrs. Lucy Brice, reporter.

### Jaycee Ettes Vote To Disband Club

The Tahoka Jaycee-Ettes have voted to disband and wish to thank the merchants and citizens of Tahoka who have helped the organization over the years. Members state that the group could not have succeeded without their help.

After 10 years, and much regret, the large majority of the Jaycee-Ettes voted to disband, but state that the Christmas cards that have been ordered will be delivered when these cards arrive. No more orders will be taken.

The club also voted to give all its funds and those it will receive from the Christmas cards to the Lynn County Special School. An announcement will be made in the Lynn County News at that time.

The Jaycee-Ettes have also made the following statement: In any way, except the ones stated above, should the name Tahoka Jaycee-Ettes be used for any purpose other than those stated above, will be false.

### Quota Reached In Bond Sales

A. C. Verner, chairman of the Lynn County Savings Bond Committee has announced that Savings Bond sales in Lynn county totaled \$8,240.00 during September.

At the end of that month Lynn county had already surpassed its goal of \$250,000.00 with a cumulative sale of \$256,644.00 in bonds, or 102.6 percent.

Texas Savings Bonds sales for the first nine months of 1962 totaled \$111,734,186, or 67.7 percent of the state's 1962 goal of 165.1 million.

"I have been happy to note that sales of Series E Savings Bonds in the \$25, \$50, \$100, and \$200 denominations continue to rise. These are the bonds purchased primarily by employees who buy bonds on the Payroll Savings plan. This simple plan for buying bonds offers thousands of employees an opportunity to save for their own and for their country's security. If employers in this area are interested in further information about the Payroll Savings plan they may write the Savings Bonds Division, Room 500, 708 Jackson St., Dallas 2, Texas, and complete information and free materials will be furnished them," Chairman Verner concluded.

### Special School Plans Bake Sale

Lynn County Special School will hold a bake sale Saturday, Nov. 17, at Southwestern Public Service Co. offices on the west side of the square, sponsored by the school Mothers Club to help pay for a ribbon bow-making machine.

The school children and mothers hope to sell the ribbon bows, and put the money realized from there into other workshop projects.

They will also have silk ribbon bows for Christmas wrappings, made in the school workshop.

The Special School is sponsored by the State of Texas, but the workshop is not and this work is an extra-curricular activity.

The farmer receives 43¢ each retail dollar spent on fresh green beans, but frozen beans yield him only 19¢.

### School Of Mission At First Baptist

Five missionaries will be the guest speakers at the First Baptist Church Sunday through Wednesday of next week as the church conducts a School of Missions. This is an associational school, with several churches in the area participating.

Rev. Elliott Leitka of Okmulgee, Okla., will be the guest of the local church. He is a Creek and Seminole Indian, and pastors the Indian Baptist Mission in Okmulgee. Rev. Leitka will bring the message Sunday morning, then will be guest speaker in various churches nearby through Wednesday night.

Sunday night at 7:45, the message will be brought by Rev. W. H. Curl of Louisville, Kentucky, who is a home missionary.

Rev. Bert Mattingly of Wichita Falls is a state missionary. He will speak Monday night at 7:45.

Speaker for Tuesday night is Miss Shirley Jackson of Natchez, Mississippi, who is a missionary secretary in Rio de Janeiro. She performs office tasks that help more than 200 missionaries do their jobs in various parts of Brazil.

Closing the School of Missions Wednesday night will be Rev. John Rankin of Abernathy.

Services will begin each evening at 7:00 p. m. with a missionary book, "New Frontiers in an Old World," to be taught by Mrs. John Roberts and Mrs. Truett Smith.

The public is cordially invited to attend these services and to hear the missionaries.

A supervised study hall is planned for school students.

### Musical Program At Methodist Men

Turkey and dressing were served to 26 members of Methodist Men when they met Monday night in Fellowship Hall for their monthly meeting.

A musical program was presented the group, featuring Rev. Aubrey White with the accordion, James Gage and Milton Uzzle with their guitars. The trio played and sang a number of songs, and were thoroughly enjoyed by the group, according to those attending.

W. H. Eudy arranged the program.

## Girl Scout News

All leaders and registered parents of Girl Scouts are requested to attend a meeting of Tahoka Neighborhood Association of Girl Scouts next Monday morning from 9:30 until 11:00 a. m. in the home of Mrs. Bland Draper at 1715 North Second Street.

Important phases of the Girl Scout program are to be discussed.

Girl Scout Troop 401 met Thursday, Nov. 8, at the Scout Hut when members brought cans and painted them. They are to be used as flower pots. Scouts will plant flower seeds or a bulb in them at the next meeting.

The three patrols did clean-up work at the Hut. One patrol cleaned the stove, one cleaned the front exterior, and one hoed and cleaned the back of the Hut.

Refreshments of cokes and cookies were served by Dean Verner and Debbie Curry.—Paula Payne, reporter.

Brownie Troop No. 399 met

Tuesday for a bicycle outing. The troop rode their bicycles to the Country Club, where the girls had a picnic lunch, and then returned to the Scout Hut. They were accompanied by their leaders, Mrs. Mary Roe and Mrs. Laquita Leevrett.—Becky Jacobs, reporter.

Girl Scout Troop 402 met Thursday afternoon of last week at the WOW Hall.

Plans are being completed for a cookout on Nov. 30 at the Girl Scout Little House in Lubbock, where the troop will also spend the night. Patrol I will be hostesses and cook for the troop.—Sarah Moffitt and Bonnie Edler, reporters.

Every day is safety day.

## Gordon News

(Mrs. Robert Lee Hagler)  
 Due to the enormous land, air, and sea traffic these days, we can understand why old man Winter was a little late getting Jack Frost to this part of the country.

Visitors at the Gordon Church of Christ were Mr. and Mrs. Charles Guinn and family of Hale Center, Lynn Dearth, Mr. and Mrs. Steve Dearth and Becky of Amarillo, Miss Nelda Roper, Lubbock, James Drake, Muleshoe, Mr. and Mrs. Hill Corbell, Kerrville, and Don Barker.

Mrs. Steve Dearth and Becky flew down Friday from Amarillo to visit Mrs. Dearth's parents, Mr. and Mrs. Noble Wynn.

Mr. and Mrs. Hill Corbell of Kerrville arrived Tuesday to visit their mother, Mrs. L. L. Corbell and brother, Bunyon. They returned Sunday by way of Abilene to visit Mrs. Corbell's parents, Mr. and Mrs. Lewis Manley.

Mr. and Mrs. Clyde Shaw visited Thursday night in Friona with their son, Mr. and Mrs. Stacy.

Mrs. Bill Pritchard of Southland and Mr. and Mrs. Hardy Glasscock of Post attended funeral services in Truscott, Tex., Sunday for their cousin, Mrs. Lois Browder.

Miss Brenda Dabbs of Texas Tech spent the week end with her parents, Mr. and Mrs. Herman Dabbs and David.

We wish a speedy recovery for Mrs. Lowell King of Hale Center, who is recovering from major surgery. She is the daughter of Mrs. L. L. Corbell.

Mary Ann Stacy is recovering from brain surgery in Baylor Hospital in Dallas. She is the granddaughter of Mrs. Clyde Shaw.

Visitors in the home of Mr. and Mrs. Ed Milliken during the week were Mr. and Mrs. D. P. Milliken of Wolforth, Mrs. Byron Milliken of Lakeview, Mrs. Seals and Royce Baker.

Mr. and Mrs. Billy Yeatts and sons of Brownfield were dinner guests of her grandparents, Mr. and Mrs. Ed Milliken Sunday.

Mrs. Susie Bradshaw, Mr. and Mrs. John Gilliam, Mr. and Mrs. Robert Lee Hagler visited Sunday afternoon with Mrs. Charlie Roxburgh and Mr. and Mrs. Roy Roxburgh of Coahoma.

Mr. and Mrs. Jesse Ward visited Saturday in Levelland with their daughter, Mr. and Mrs. Randall Cook and family. They were joined there by their other daughter and family, Mr. and Mrs. Stanley Smith and daughter of West Texas State College.

Week end guests of Mr. and Mrs. W. P. Lester were Mr. and Mrs. Billy Lester and family, Mr. and Mrs. Winston Lester and family and Mr. and Mrs. Lee Lester and family of Midland.

Mr. and Mrs. J. B. Rackler and Mrs. J. F. Rackler were dinner guests of their pastor, Roy Smith, in Slaton Sunday.

Mrs. Viola Pruitt, Mrs. Martha Mock and Mrs. Myrtle Bussell visited Sunday in Lockney with Mr. and Mrs. Norvell Denton, and Mr. and Mrs. Linton Pruitt.

Pastor C. A. Norcross of Lubbock preached Sunday at the Methodist Church. Their local pastor, B. B. Byrus, will preach next Sunday.

Mr. and Mrs. Ed Denton's guests Sunday were a grandson, Jerry Shelton, and great granddaughters Debra and Thresa Haragan of Portales, N. M., and Pam and Cindy Conard of Lubbock.

## QUESTIONS, PLEASE

### WHAT IS BLASPHEMY

AGAINST THE HOLY SPIRIT? To blaspheme is to speak impiously or reproachfully of God or of the Holy Spirit. To speak irreverently of the Spirit or his work would be blasphemy against him. To attribute the revelations of the Spirit to demonic power, or to place these revelations of the Spirit upon a level with the mutterings of departed spirits in spiritualism or 'demons, would be to treat the Spirit of God with impiety—would be blasphemy. Hence those who regard modern spiritualism and set the teaching of God aside for that, if not guilty of blasphemy, are next door neighbor to it.

The scribes and Pharisees who accused the Savior of casting out devils by the prince of the devils certainly did blaspheme, did sin against the Holy Spirit, as defined by the Savior in Mark 3.

I have no doubt but that the blasphemy against the Holy Spirit may be committed now. Men may as easily blaspheme

the Spirit in his revelations today through the word of truth as they did his developments in the days of the Savior. The Spirit of God in the New Testament brings the last message from God to sinful men, and the only message whereby sinners can be saved; and the man that attributes any other origin to the New Testament than to the Spirit of God is guilty of the blasphemy against the Spirit of God.

But there is something else more widely dangerous to Christians than this, and that is the fact that any sin willfully persisted in to the end of life becomes unpardonable. I do not suppose that any who believe the Bible and are humbly trying to serve God will ever commit the sin of blasphemy against the Spirit of God; but I fear that very many so-called "Christians" will be lost in eternity for not obeying the words of the Spirit in the New Testament. I think the danger here much greater than blasphemy.

You are invited to send your questions to: Don Browning, Box 812, Tahoka, Texas. You are also invited to attend the services of the Church of Christ.

Don Browning may be heard Sunday mornings at 11:00 and evenings at 7:00 at 750 on your radio dial.

**Crops . . .**

(Cont'd. from Page 1)  
 rain was predicted by the Weather Bureau as a possibility for Thursday night, which crops definitely do not need at this time.  
 Practically all of the maize has been harvested.  
 Farmers on the Plains this year went on a "strike" and most of them have refused to hire high priced labor or to contract bracers. Many express the view that hand harvest will never be used again to a great extent unless hands become willing to work for a lower rate. Machine harvested cotton may bring a slightly lower price, but farmers can save \$15 to \$30 per bale by such harvesting.  
 Merchants say they may lose trade they have had from harvest hands crowding the country, but if the farmer saves on his crop by machine harvest the merchant will also gain in the long run.  
 Like the coal miner, farmers say, migrant farm labor has just about priced itself out of a job in this country.

**David Bray . . .**

(Cont'd. from Page 1)  
 The Rotary club of Tahoka sponsored his application for the Fellowship.  
 There are two types of Rotary Foundation Fellowships: regular and additional. A regular Rotary Fellowship was received by Bray. Beginning with the 1964-65 academic year, regular Fellowships will be available only to unmarried men aged 20-28, inclusive, while additional Fellowships will be offered to men and women with no maximum age limit imposed.  
 Applicants for regular Fellowships must be proficient in the language of the country in which they are to study, and schools selected may be in any of the 128 countries where there are Rotary clubs. Additional Fellowships have less stringent language requirements and are for study only in certain countries. Applications for both must be made through a Rotary club.  
 Rotary clubs and individual Rotarians make the awards possible by their voluntary contributions to The Rotary Foundation.

**NEW HOME BOWLING LEAGUE RESULTS**  
 The highest series of the season for the New Home Bowling League was set Wednesday by Lil Todd who rolled a 515 series in three games of 193, 189, and 133. Pridmore Spraying took a 40 win from J. W. Edwards. Nona Nieman bowled 408 for Edwards, but Betsy Pridmore brought in a 440 series for the winners.  
 New Home Butane rolled over New Home Gin 4-0, led by Inez Smith with 448 while Neil Balch's "blind" of 342 was high for the gin.  
 New Home Farm Store won 3-1 over Farr Texaco. Sandra Brown paced the winners with 408 and Charlene Farr bowled 451 for her team.  
 Petty Gin won three and tied one with Co-op No. 7, winning the third game by three pins. Lil Todd bowled a 515 series and Mentha Maloney 426 for the Co-op. Co-op No. 4 won 3-1 over Follis Conoco. Bennie Sealy led with a 377 series for the losers and Della Halford scored 463 for the winners.  
 Other high series were Mrs. Halford, 463 and Mrs. Farr 451. High games included Mrs. Todd's 193 and 189, Wanda Gill, 187, Mrs. Farr 172, and Mrs. Smith 171. Mrs. Gill received her "175" pin for her 187 game.

**NEW COTTON CHEMICAL RESEARCH STARTED**  
 Lubbock (Spl.)—Discovery of a chemical finish that will allow creases to be put in or removed from easy care cotton garments is the aim of a research project announced today by the Cotton Producers Institute.  
 The research will be conducted under a \$35,000 grant to Stanford Research Institute, South Pasadena, Calif., according to Roy Forkner of Lubbock and LeRoy Durham of Plainview, Institute trustees in West Texas. They said Russell Giffen, trustee chairman from Fresno, Calif., had announced the grant.  
 In the work, researchers will use an approach known as "the reversible cross-link" method. Cross-links are the molecular bonds within the cotton fiber which have been responsible for cotton's success in wrinkle-resistant, wash-wear textile uses.  
 Various chemicals will be studied in an effort to find a system of producing cross-links which, when desired, can be broken through a reverse chemical action and then reset.  
 The aim is to develop a chemical treatment for apparel and household fabrics so they will maintain good unwrinkled appearance in use, require no ironing after washing, can be given durable creases where desired, and can be altered to fit individual customers.  
 Success in the project would help remove key blocks to potential markets of 1.3 million bales of cotton.  
 The project is part of a stepped-up research and promotion program launched by cotton producers through the Institute. An arrangement with the Board of Directors of the National Cotton Council enables the Institute to use Council facilities and staff without charge for developing and supervising projects.

An experimental seed potato cutter will cut potatoes into six blocky pieces of uniform shape and size, long and round varieties, at a rate of up to 21,600 seed pieces per hour, equaling the output of four to five workers cutting by hand.  
 Marlin Hawthorne was released from Methodist Hospital Wednesday after undergoing back surgery there last week.  
 Walter Kahl entered Tahoka Hospital Wednesday as a medical patient.  
 Kind words never die—they just become victims of ingratitude.

**W.P. Dillard** is a medical patient in Tahoka Hospital, where he was admitted Tuesday.  
 Mrs. Eloise Nelson was an overnight medical patient in Tahoka Hospital Monday night.

# Bulldogs Lose 12-0 In Sundown Game Here

Tahoka Bulldogs lost 12 to 0 to the Sundown Roughnecks here Friday night in a game that was closer than the score indicates, but the Bulldogs failed to come up with the scoring punch.

Tahoka made 168 yards rushing, but lost 68 yards trying to get away passes. However, the Bulldogs completed eight passes for 92 yards, and threw up a pass defense that allowed the visitors only one completion, a jump pass for 11 yards. After allowing the Roughnecks two first half scores, the Bulldog defense tightened up and permitted only two Sundown first downs the second half while rolling up seven of their own. But the damage had already been done, and Sundown was the victor.

On the first series of Sundown, the Bulldogs held, forced Sundown to punt, Tony Spruiell made 7 yards on two plays and QB Steve Greer made a first down on the Tahoka

26, but lost 12 yards on the next play trying to find a receiver for his pass. Spruiell made 5, and then Greer hit HB Billy Miller with a pass good for 12, but not enough for a first and Andy Bray got off a short 24 yard punt out of bounds on the Sundown 45.

From here Sundown moved on the ground in 13 plays and five first downs to score, with Right Halfback Don Huffman breaking through the middle eight yards for the TD. Left End Bill Patton's attempted place kick was no good.

Miller brought the kickoff from the 10 to the Tahoka 47, Spruiell made 3, Greer passed to Jose Cervantes for 7 and a first. Nothing was gained on a fumble, Greer then made 4, Miller 3, and Greer 1, but not enough for a first down on the Sundown 35, but not quite enough for a first down.

The Bulldogs held Sundown to 4 yards on three plays, and Billy Clinton brought the punt to the Tahoka 35, Greer went for 6 and Adolph Chapa for 6, Miller made 3, Spruiell 4, but then an offside penalty set the Bulldogs back to their own 49. Spruiell went for 7 to the Sundown 44, but Greer lost two on the fourth down try.

From here, Sundown marched 54 yards for its second TD with HB Jimmy Morgan going the last five off right tackle. On the first conversion try, Sundown was penalized five yards, and then Miller broke up an attempted pass for the conversion.

With only a minute left, Tahoka lost 14 yards trying to pass and then completed one on fourth down to Spruiell for five yards as time ran out.

Except for scoring, the second half was a complete reverse, although Tahoka made only one first down and lost tremendous yardage in the third period trying to pass. The second time Sundown had the ball, Larry Jolly, who played a fine game, covered a fumble. Once in the third quarter, FB Howard Phillips got away on a 43 yard Sundown run for a first down and then the Roughnecks moved on another first to the Tahoka 17 before running out (Cont'd. on Back Page)

## 3-B Title At Stake Saturday As Wilson Plays At Cooper, 2 p.m.

The chips are down Saturday when the Wilson Mustangs journey to Cooper, where it must win or tie the Pirates for a clear cut District 3-B conference championship. Cooper has lost one game in conference play, but would represent the district if it can turn back the high-flying Mustangs.

The game was changed to 2:00 p.m. Saturday at Cooper (Woodrow), as a feature of the annual Cooper school homecoming.

Friday night the Mustangs raced through and around dangerous Ropesville at Wilson 54 to 14, and appeared to be growing stronger as the season nears its end.

Sammy Crowson scored three times on plays of 65, 15, and 35 yards. Royce Baker ran for two of 80 and 35 yards, Charles Walton went 80 and 35 yards for two more, and Bobby Stone plunged over from the three yard line for the other. Walton ran one conversion and Don Ebb ran two.

Ropes' two scores came on runs of 24 and two yards by Bobby Witherspoon and Ray Witt ran over one conversion.

Must of Wilson will follow Coach Travis Rector and his boys to Cooper to see if they can repeat as district champions.

### Jay Gurley's Team Goes Undeclared

Jay Gurley in his first year as coach at Gattis Junior High in Clovis, N. M., has had a successful season, according to his mother, Mrs. Jess Gurley.

Jaybo's team, eighth and ninth grade students have gone through this football season-undefeated. He had 75 boys reporting for the team.

The young coach is a 1959 graduate of Tahoka High School and a 1962 graduate of Eastern New Mexico State University at Portales.

### New Home Ends Season Tonight

New Home Leopards wind up a disastrous season tonight with the Eagles of Ropes, still looking for a District 3-B victory.

Last Friday night, the Leopards put on their biggest scoring spree of the season and still lost to the Meadow Broncs by a 34 to 22 score.

Although out-manned, the New Home lads refused to fall down and play dead as Jerry Todd scored two touchdowns and Terry Brown one. Dave Hancock ran over one conversion, and Freshman Adrian Hill ran another.

But, Meadow's freshman half-back, Dwaine Hester, stole the show by scoring three touchdowns, Bill Sturdevant one and Don Carroll one.

A weak solution of ammonia and water will clean gilt frames. Rub the gilt gently with a moistened cloth. Then dry the frames with a soft, dry cloth.

World's deepest well, 25,340 feet, was drilled in 1959, Pecos County; dry hole.

### MRS WALDRIP FALLS

Mrs. J. J. Waldrip fell at her home at 8:00 p.m. Saturday when she apparently "blacked out." She was not badly injured, however, and is up and walking around. Mrs. Waldrip is 84 years old and still does her own house work. Mr. Waldrip has been ill for some time, but is able to be out some of the time.

### Davis Participates In Army Exercises

Fort Hood (AHTNC) — Army Specialist Four William L. Davis of Tahoka recently participated in Exercise Three Pairs, a United States Strike Command joint Army-Air Force maneuver, at Fort Hood, Tex.

The exercise, which pitted members of the 1st and 2nd Armored Divisions against each other, was designed to train Army and Air Force units in combined operations stressing team play, speed and flexibility and the development of maximum fire power.

Specialist Davis is assigned to Company D of the 2nd Armored Division's 124th Ordnance Battalion at the fort. He entered the Army in January 1961 and completed basic combat training at Fort Hood, Tex.

The 24-year-old soldier, son of A. C. Davis, Tahoka, was employed by Sunshine Biscuit Company, Abilene, before entering the Army. His mother, Mrs. V. A. Keely, lives at 480 South Avenue D, Lubbock. His wife, Carolyn, lives at 812 N. Second, Temple.

## O'Donnell Plays Wink Tonight

O'Donnell Eagles wind up the 1962 football season tonight with the Wink Wildcats.

Last Friday at Seagraves, the Eagles of Lynn county lost to the Eagles of Gaines county in a free-scoring 50 to 28 game, as Back Clyde Keltner of Seagraves personally accounted for 28 points.

QB Fen Taylor scored first for O'Donnell, and then passed to Wendell White for the conversion; later passed to Charles Burleson on a 51-yard scoring play. In the third period, Burleson ran the kickoff back 75 yards to pay dirt, and in the final period, Taylor again scored and then passed to Burleson for the conversion.

For Seagraves, Jerry Crump posted the first TD from the two and Keltner ran the conversion, Keltner ran 52 yards for the sec-

ond score and 15 yards for the third and Crump ran the conversion. In the second half, Ronny Fields ran 41 yards for one score, Keltner plunged two yards for another and Crump ran the conversion, Charles Flemmings ran 29 yards for a third score and Keltner got away on a 67-yard run for the final score.

### CHARLES ISHAM SERVING AT EL TORO AIR STATION

Texas, we hope and believe, is in fairly good shape for the coming few years. We really didn't believe our state could go too far wrong with either John Connally or Jack Cox in the governor's office, and we are certain Preston Smith will make us a fine lieutenant governor and Waggoner Carr a top attorney general.

We have chided Congressman George Mahon rather strongly in this column on many of his votes as a member of our national law-making body, particularly on packing the House rules committee, for more concentration of

government in Washington, for some of the big spending programs, including foreign aid, and for not standing up on his hind legs and fighting for the interests of his district. But, George is a clean, honest, high-type Christian gentleman, one of the most powerful men in Congress, a fact all of us must recognize. We only hope that his visits over the district will convince him the people of West Texas don't approve many of his votes in Congress with the ultra-liberals, the big spenders, the one-worlders, and the other radical left element of the Democratic party.

By the way, George, we'll bet you the shirt off our back, you can't find one man in a hundred in your district who favors foreign aid to Tito and the likes. We'll bet you a doughnut you can't find one in ten that favors the big foreign aid program, Period! The people we see don't believe money is buying us world friendship.

We missed this in the news somewhere, but two of our readers, plus Buddy Bragg's Tahoka Rotary Stenwinder, point out Jackie's trip to India cost the taxpayers \$188,808. Buddy's paper says this trip was "such a diplomatic success that we are now allowed to finance the Indian war with Red China," which recalls this remark attributed to Secretary of Navy Forrestal: "If all the mistakes of the State Department

were accidents, part of them would be in our favor."

And, we are indebted to the Dumas Rotary Bulletin for these thoughts: We were all relieved a few days ago because our government faced up to the Cuban situation. But, what have we gained? Khrushchev agreed to removal of the missile bases (simply a return to the status quo of a few weeks ago). The Communists had to openly admit Cuba is and has been under Soviet control. But, we have pledged that Cuba will not be invaded and this Communist base in the Western Hemisphere is now secure. We have, in effect, given the go-ahead signal for the Soviets to use Cuba as a base for the spread of international communism, for troops, guns, fighter planes, bombers, submarines, Communism specialists, subversion to other Central and Latin American countries. Thus, the old Communist line still holds—one step backwards, two steps forward.

Thanks to Hugh L. Taylor (Taylor the Tailor) of Roysie City, once of Tahoka, for kind comments about this column.

Tahoka's football season is just about over. From the standpoint of winning games, the season has been a little bad, just as have those for about five years preceding this one. We hear a few fans criticize the coaches and the players, just as in the past. Which makes us wonder if these fellows ever stop to think—the coaches and the boys want to win worse than anyone, even worse than the grandstand coaches, even worse than some of the former "great" players that now know all about the game. We've been following and boosting Tahoka teams for 38 years, and we want our boys to win, too.

But, just what are the objects of football? We think the game helps develop character, sportsmanship, quick thinking, strong bodies, discipline, teamwork, to take the hard bumps of life, and other things. We have been fortunate in having some fine men for coaches, and this year is no exception. So, we tip our hat to our coaches and boys for a wonderful effort, a never-say-die spirit, for their fine moral fiber, high character, and good sportsmanship. Facing almost inevitable defeat week after week is a little hard on the boys and coaches as well as on parents and fans. Why not YOU give them a pat on the back?

Uncle Joe Hill says: A youth without aspiration is a youth without promise. . . . He who touches off the spark of aspiration in youth makes the world his debtor. . . . In the race of life, good character, vibrant with energy and motivated by an impelling desire to serve, is more important than superior talent.

It's the way you show up at the showdown that counts.—Cheer.

We enjoyed sitting with Billy Key, superintendent at Sundown 18 years, at the football game Friday night. Billy is the son of Mr. and Mrs. J. C. Key of Wilson, graduated from Wilson High in 1928, and played football and basketball under Brady Nix there.

Tahoka school district stands to gain a bit of revenue some time in the future from the new Mound Lake oil field, just over in Terry county, since the local district includes a few sections of land extending into that county and north of US 390. New tests are being staked out in Mound (Ombilgo) Lake in Section 47, a high road dump built to keep vehicles out of the water and brine, and pretty soon Oscar Roberts may be coming into town with oil all over him. He says he just wishes he had a tiny bit more of the mineral rights on his ranch.

Congratulations to David Bray, graduate of the local schools and a senior and president of the student body at SMU, on his selection, as one of 134 students of the world for a Rotary Foundation fellowship. This is one of the highest honors that can be given a college senior, has a monetary value of about \$2,600, and will

### Editor of The News:

Just a note to say that we enjoy The News each week and look forward to seeing the postman come each Monday with our copy. I can't help but note the little bit of news that gets in along concerning "The Oxford Story." I am enclosing a pamphlet concerning the same and feel it might be informational to you.

I wish that it were possible for me to send you all the little "quips" about the Oxford mess, but I just can't remember them all. However, the latest one concerns the mascot of the LSU Tigers. As you know, LSU has a real live tiger for a mascot, and some Tiger fans remarked to an Ole Miss fan that the Tigers sported a \$2,500 tiger; to which the Ole Miss fan replied, "That's nothing, we have a \$3,000,000 coon!" Oh, well!

Jeannine and I miss Texas, and especially Tahoka. We always try to get in a plug for that part of the world. Sincerely, Kenneth C. Leach, 910 Jackson Ave., Yazoo City, Mississippi.

permit him to do a year of graduate study in University of Sidney, Australia. Another Tahoka graduate making good!

Thanks to Mrs. H. C. Lonis for a very kind letter to The Printer, filled with "flowers to the living." We only wish we could live up to some of the things she says about us and this newspaper. Any way, with the deepest of thanks and humility, we acknowledge the expressions from Mrs. Lonis and her husband.

Some one sends Mrs. J. D. Hart of Double-U Ranch, whose son, Sidney, helps us get The News in the mails—Thursday afternoons, a subscription to "The Independent American," published in New Orleans by Free Men Speak, Inc. Mrs. Hart doesn't like the tone of the paper, and wonders how she got on the mailing list.

Henry Douthit brought us some copies of the Corsicana Light. Henry sends The News to a brother-in-law there, who, he says, enjoys reading The News, and in turn the brother-in-law sends him The Light.

## Mrs. Dillard Smith, Husband, In Hawaii

Mrs. A. L. (Dora) Solsbery reports her son-in-law and daughter, Miss D. and Mrs. Dillard D. Smith, are now living in Hawaii, where he expects to be stationed two or three years with the Air Force. They left the States on October 9.

Mrs. Smith is the former Miss Sarah Solsbery. She has been writing some interesting letters to her mother about the 50th state, parts of which The News hopes to print soon.

Comfort, silence and luxury to challenge any car from anywhere

There's a lot underneath the beauty of the '63 Chevrolet. Its roomy, comfortable Body by Fisher screens out noise and shock. There's instant response in a choice of 6- or 8-cylinder engines, a host of refinements to make it run and look like new longer, and plenty more that make it hard to believe it's a low-priced car. But your Chevrolet dealer can prove it!

## Dr. C. L. Kay Is Rotary Speaker

Dr. C. L. Kay, vice president of Lubbock Christian College, who spoke to the Tahoka High School student body Thursday morning, also spoke at Tahoka Rotary Club Thursday noon of last week.

Using the subject, "Life in the Sixties," Dr. Kay presented an optimistic outlook on the future on the thesis that our new crop of young people are thinkers and doers.

"Don't sell the young people short," he admonished, and stated he had reached this conclusion from work with 50,000 young adults over the years. "Don't call them 'teen-agers,' call them 'young adults,'" he declared, for many times they are thinking ahead of their parents. He cited several examples in his own home to illustrate his arguments.

He thinks we may be on the road to getting back to some of the basic principles, including changes in family life.

He says we need to do more things together as families, and we are again eating together more in the kitchen (den); employers need to give more consideration to employees, and employees to their boss, do an honest day's work for a day's pay. He says we must want to give rather than receive.

Answering the question, "What can we do for our young people?" he declared we must provide them leadership, meet the chal-

lenges they offer, and offer united action.

Some of his statements were: "We lose more people on the highways than we have lost in all the wars, but we do not get overly concerned about traffic deaths. . . . Eliminate ignorance and you eliminate poverty and disease. . . . And, above all, don't try to remove the struggle from your children." He declared children must learn the hard knocks of life, learn to do without, to do for themselves, and not be given their every want by their parents.

Don Browning introduced the speaker, declaring that recent honors he has received as a nationally known speaker include the George Washington Medal of Honor from Freedom Foundation and a citation from the governor of New Mexico for his work with young adults of that state.

President Calloway Huffaker announced 100 percent attendance of members at the club meeting, plus visiting Rotarians from O'Donnell, Lamesa, Post, and Lubbock.

Mr. and Mrs. Ernest Herring, celebrating their 38th wedding anniversary, were given special recognition. Mrs. Walter Slaton was their guest. Other guests included E. R. Blakney, chairman of the Soil Conservation District board.

Student guests Craig Leslie and Tony Spruiell were introduced by H. B. McCord Sr. and H. B. McCord Jr.

Supt. Otis Spears was welcomed back following his most recent operation.

H. B. McCord Jr. announced the Boy Scout finance drive, and stated 37 members of the club are sustaining contributors to the program.

## Jerry Adams Gets Position With State

Jerry Adams has accepted a position as an auditor with the State Comptroller's office, and began work Tuesday in the Lubbock area branch.

He has recently resigned his position here with Cicero Smith Lumber Co. in order to take the job, and he and his wife have moved to 1509-A 22nd street in Lubbock.

Jerry, son of Mr. and Mrs. J. D. Adams, is a 1959 graduate of Tahoka High School, following which he attended Howard Payne College two years. He is married to the former Miss Sue Coleman of Wilson.

## Ginning Cotton Dry Pays Off

College Station—Drink an extra cup of coffee and make money. Does this sound reasonable? It makes a lot of sense to Texans who use mechanical pickers to harvest their cotton and explains why they are in no great rush to start their pickers early in the morning.

The wise farmers wait so that cotton moisture can drop to a reasonable picking level, says B. G. Reeves, extension cotton ginning and mechanization specialist. This waiting can get them a full grade or more when they go to the gin, adds Reeves.

Regardless of how dry the weather, cotton should never be harvested at night nor in the early morning or late evening, explains the specialist. Even on the driest day, he adds, cotton will probably never be dry enough for machine harvest until 8 a. m. or later.

Moisture in seed cotton from humidity may not be seen or felt, but it is there. And, it limits the kind of a job the ginner can do. Excess moisture in cotton usually results in the loss of grade and quality and this in turn can cost the grower \$10 or more per bale, points out Reeves.

The ginner must increase the heat in the dryers to try to get desirable grades from high moisture cotton. Using more heat increases the danger of fiber quality damage on the bale being ginned and the bale following, explains Reeves. Over drying can result and this makes for the kind of cotton the mills don't want.

How can you know when to start your mechanical pickers? Delay harvesting, advises Reeves, until the relative humidity in the field at boll height is 60 percent or less. Normally, 60 percent relative humidity is correlated with

out of gas.

Spruiell and Chapa then went to work in earnest moving the ball for four first downs to the Sundown 19, but bogged down following a 15-yard clipping penalty. Tahoka then held Sundown to 3 yards on three plays, and Miller took the short 26-yard Sundown punt on his 32 and ran it to the 42. Greer hit Cervantes with a 15-yard pass, one was incomplete, Spruiell ran for 9, and then Tahoka's pass was intercepted by Guard Dee Howard and run back to the Tahoka 30. Three plays made nothing, and on fourth down Gary Grogan recovered a fumble for Tahoka on the Tahoka 47.

Greer tossed a pass to Billy Clinton, who got away for 33 yards to the Sundown 21, and here the visitors drew a penalty almost to the 10. Spruiell hit the line to the six yard line, and on the next play, Tahoka's nearest to scoring, Sundown covered a Tahoka fumble on the four. The game ended with Sundown running out the clock on its own five yard line.

8 percent lint moisture, he adds.

If you don't have a hygrometer or cotton moisture meter; Reeves says to pick a handful of cotton, squeeze it tightly in your hand and release it quickly. If the cotton fluffs out when released, it is dry enough for mechanical picking. Otherwise, wait and make the test again later. And make the test at several different spots in the field, advises Reeves.
