### Debbie Wright Is Semifinalist For Merit Award

Debbie Wright, a Senior student at Tahoka High School, has been announced as a semi-finalist in the 1967-68 National Merit Scholarship Program, according to Clifton Gardner, high school principal.

Miss Wright, daughter of Mr. and Mrs. Bryan Wright, Tahoka, is one of 14,000 semi-finalists appointed throughout the nation who have advanced to the second step in completion for about 2,900 Merit scholarships, valued at more than \$8 million, to be awarded in 1968.

In school, Miss Wright is a member of the National Honor Society, serves as head twirler of the band, is Area II FHA President, and is on the annual staff. Last year, she was named to Who's Who and selected as Most Studious.

Semi-finalists scored the highest in each state on the National Merit Scholarship Qualifying Test given last February. They constitute less than one percent of the

graduating secondary school seniors in the nation.

The Semi-finalists are young people of high intellectual potential, according to John M. Stalnaker, president of the National Merit Scholarship Corporation. "From this group will come future leaders of business, industry, and the professions," he said.

"These students deserve credit and honor. They have put forth the effort to develop their abilities and to attain academic success. They bring honor to their families, who deserve much credit, as do their teachers and their communities. Their future success, however, will depend increasingly upon their ability to become productive at the high intellectual levels of which they are capable."

Semifinalists must advance to Finalist standing to be considered for Merit Scholarships, since all winners will be selected from the Finalists group. Semifinalists become Finalists by receiving the endorsement of their schools, taking a second examination, and submitting information about their achievements and interests.

Winners of four-year Mer-

it Scholarships may receive up to \$1,500 a year for four college years. Winners of National Merit \$1000 Scholarships will receive one-time grants of \$1000 upon enrollment in college.

High school grades, accomplishments, leadership qualities, extracurricular activities, and school citizenship of the Finalists are evaluated, along with test scores, in selecting Merit Scholarship winners.

### Bridge Winners

Winners in master point play Tuesday night at T-Bar Duplicate Club were: Mrs. Lumsden and Mrs. Clint Walker, first; Mrs. Otis A. Rogers Jr. and Mrs. Francis Pennington; both of Lubbock, second; Mrs. Roy LeMond and Mrs. Wirston Wharton, third; Mrs. Meldon Leslie and Frank Hill, 4th.

George Young, Plains, visited with the Thomas and Roy Jolly families.

Mr. and Mrs. D. C. Hubbard visited Mrs. Dearah Gaudin and Mr. and Mrs. Robert Young in Plains. They also visited Mr. and Mrs. Joe Young in Brownfield.

**TRAIN LOAD SALE!**  
**HESSTON BRUSH COTTON HARVESTERS**

ATTENTION HIGH PLAINS COTTON GROWERS - Hesston dealers have got 'em...and they've got 'em by the TRAIN LOAD! That's right...the Hesston dealers in the High Plains area have purchased "lock-stock-and-barrel", an entire train load of Hesston Cotton Harvesters...at savings in many cases of as much as \$500 a machine which they're ready to pass right on to you! This means that you can save on self-propelled models, tractor-mounted basket models, as well as trailer models. They're all included in this special Train Load Sale. So go by and see your Hesston dealer today. Right now he has the Hesston Cotton Harvester in stock that will fit your exact need. And while you're saving money, you'll be harvesting all the quality you can grow...because QUALITY COTTON is what you get when you harvest with a Hesston!

**HARVEST HIGH-YIELD, HIGH-QUALITY COTTON WITH A HESSTON BRUSH COTTON HARVESTER!**

"Gross returns per unit of harvested material were substantially and significantly greater (\$11 per bale unit) for the Hesston than for any other." This was the report from Oklahoma State University after comparative tests on the quality of cotton harvested by a Hesston with cotton harvested by strippers. It's a proven fact that Hesston brush-harvested cotton will grade higher than stripped cotton...and the reason is quite simple: The Hesston Cotton Harvester gently "brushes" the cotton from the plant. Its soft nylon and rubber brushes are highly flexible and allow a full 2 1/2 inch clearance for stalks and branches. On the other-hand, solid roll strippers have vir-

tually no clearance whatsoever as they tear and shred the stalks and branches that are wider than the narrow fixed opening between the stripping devices. Obviously, this results in more stick, bark, and trash being harvested with a stripper...which means more ginning is required...and in turn, a lower quality grade of cotton. BUT THIS IS THE YEAR FOR QUALITY COTTON...and you'll get it with a Hesston...PLUS the capability of harvesting in a variety of stalk sizes, excellent field efficiency, and superior green boll separation. You know that you want quality cotton...and your Hesston dealer can show you how to get it...with a HESSTON!

Folks are finding out about Purina's great new sow ration...  
**NEW PURINA FARROWING CHOW...specially developed to fit the sow's needs at farrowing time.**

New Purina Farrowing Chow is the result of five years of testing at the Purina Research Farm Brood Sow Unit. It's developed to fit the sow's needs for a palatable, bulky, well-balanced, vitamin-fortified ration from a few days before farrowing till about a week after farrowing.

This new 14% protein ration, containing grain, is fed as the sow's sole ration. It comes in Checker (pellet) form only, which helps maintain freshness. An NF-180\* option to help control scours in baby pigs is available. New Purina Farrowing Chow has the "just right" nutrients sows need at this critical time. It's economical, too.

THIS IS THE YEAR to do everything possible to help your sows farrow lots of pigs and wean big litters. Give them the built-in advantage of New Purina Farrowing Chow.

COME AND GET IT: New Purina Farrowing Chow is available at our store right now. Come in and see, feel, smell and taste this new product. You'll like its appearance. Your sows will go for it, too. Try new Purina Farrowing Chow this spring.

Local competition in the nationwide contest is slated for Saturday, October 7, at 7:30 p.m. at the Tahoka football field. Contestants compete only with boys of their own age and first, second and third place trophies are given in each category.

First place winners advance in the competition through zone, district, area, division and national levels, finals in the competition being held during halftime at the NFL Bowl held annually in the Orange Bowl, Miami, Fla.

A free punt, pass and kick booklet, plus a PPK pin, is given each contestant when he registers. All boys in the area are invited to enter, according to Waters.

The Junior 4-H leaders in Lynn County should also be commended, adds the agent. They devote their spare time and use their 4-H experiences to assist the adult volunteers in making 4-H the outstanding youth organization which it is today.

4-H offers many opportunities for the youngster who is interested in preparing for the difficult: challenging tasks which lie ahead. Now is a good time to join 4-H, says Bill Griffin. Clubs throughout the county are reorganizing for the new year and new clubs are just starting. Anyone interested in joining 4-H or in finding out more about the organization should contact the County Extension Office, Phone 998-4650, Tahoka.

down.

Other victories were over Rotan, 27-0, ranked first in District 6-A, and Nolan of Fort Worth, 31-0, a AAA school.

The Pipers feature a big line, including Milton Davis (6-4, 200), and a fast backfield, including Halfback Phil Simpson who runs a 9.9 hundred.

Hamlin reportedly runs from an "I-set" formation, likes wide plays and up-the-middle with their fullback, their left-handed quarterback also throwing the ball well.

Members of Hamlin's district include Anson, victor over Tahoka in a pre-season scrimmage this year.

the remainder of the game. After two punt exchanges, Tahoka took control at their own 46 to mount the only scoring drive of the first half, gambling twice on fourth down in the 54-yard march which required 13 plays.

On the first series of downs in the drive, the Bulldogs found themselves lacking a yard for a first at the Wildcat 44, Cliff Thomas adding the required distance plus four additional yards on the do-or-die down.

An almost identical situation faced Tahoka on the following series, this time Arnold coming through on fourth down with a 25 yard ramble which proved to be the longest rushing gain of the night for either team.

Five plays later, including a five yard offside penalty against Idalou, Tyler posed over on a quarterback sneak for the touchdown, which came with 2:31 left in the half. A fumble occurred on the kick attempt to leave the score at 6-0 at intermission, after Idalou got nowhere in the final minutes of the second quarter.

During the halftime ceremonies, which included performances by both Idalou and Tahoka bands, mothers of the Bulldog football players were paid special tribute, the game being the annual Mom's Night observance. During the game, mothers of Bulldog varsity and B-team players were seated together in a special section of the stands.

Each team began the second half in the same manner, first Tahoka, then Idalou having short, but time-consuming, drives bog down after putting together back-to-back first downs.

Following the swap-out, a wild fumble exchange occurred, Tahoka losing the ball to Idalou's Donnie Drake on his second recovery of the night, then having Bulldog Billy Curry gobble up a Wildcat fumble on the very next play to give Tahoka possession at their 42.

From that point, the Bulldog drive of the night, a grinding ground-gain process which lapsed into the final quarter of play.

Eating up the yardage and the clock, the drive required 18 plays, the longest a 13 yard left end sweep from Doyle Schneider who added the tally at the 9:06 point of the fourth quarter on a five-yard effort.

On the scoring play, which came on fourth down needing three yards for the first, Schneider was actually hit behind the line of scrimmage for what would have been a sizzable loss, his 2nd effort breaking the tackle & sending him churning into the end zone. Thomas' kick was good to advance the score to 13-0 giving the Bulldogs their breathing room of the game.

On the kickoff, Thomas sailed the ball into the end zone for the second time of the night, giving Idalou a

start from their 20 yard line. But, on the basis of twenty yards in penalties nothing gained on two running plays, plus an incomplete pass, fourth found the Wildcats on their own seven, again punting out of a deep hole.

Tyler hauled in the kick for a 15 yard runback to the Idalou 25 yard stripe, giving the Bulldogs good field position.

With their back to the wall, the Wildcats stiffened their defenses, dropping the Bulldogs for minus four yards through the next series, Tahoka also drawing a five-yard delay of game penalty before running out of downs and giving the ball back to Idalou.

With the clock running out and no points on the board, Idalou went to the air, the first Vic Bozeman pass incomplete and the second coming up in the hands of Cliff Thomas at his linebacker post.

Taking the ball at about the Idalou 39 yard line, Thomas cut to the west sidelines and raced in for the score to close out the scoring at the 5:22 point of the final period, after the extra point attempt was blocked.

Four exchanges of possession later, including a last-gasp Idalou drive which fizzled just before crossing the mid-field stripe, the buzzer sounded to signal the end of the game.

Pacing the Tahoka rushers in their third victory of the year was Larry Arnold with 96 yards on 16 carries followed by Cliff Thomas with 55 yards on 18 totes and Doyle Schneider with 39 yards on eight runs. John Tyler picked up 60 yards on one kickoff and two punt returns.

Leading Idalou runners

were Jody Chance with 69 yards on 13 carries and Dickie Cox with 42 yards on nine attempts.

In commenting on the victory, Head Bulldog Coach Jerry Taylor said, "We were proud of the effort of the entire team... they did what was necessary for them to win. We made a lot of defensive errors in the first half, but seemed to correct mistakes in the second half... defensive tackling was poor. Offensively, we thought Larry Arnold did a fine job of running with the football."

### Wilson Surprises Roughnecks, 28-0 For District Win

Sundown's Roughnecks, last season's 2-B champs and rated on top in the district again this year, fell by the wayside, 28-0, Friday night upon meeting Wilson's Mustangs.

Rated in some circles as somewhat of a surprise, the victory left the Mustangs with a 2-1 record and in serious contention for the district title, the game being the conference opener for both teams. Sundown now stands 0-3. Scoring in every quarter

except the first, the Mustangs doubled Sundown in yardage gained, 358-102, in the game played at Sundown.

First touchdown in the game came in the second quarter, End Gary Moore taking an 18-yard pass from Quarterback Johnny Scott. The extra point attempt failed to leave the score at 6-0 at halftime.

The second half was all Wilson, first tally coming on a five yard Scott run and a pass from the quarterback to Moore adding the two extras.

Next, Scott scored on a 23-yard run, followed by a 1-yard touchdown plunge by Gary Crews for Wilson's fourth and final touchdown. Keith Wied kicked the extra point after both scores.

Crews was the game's lead-

ing ground gather with 106 total yards, also leading the tough Wilson defense along with tackle Lenzo Bringer.

This Friday night, the Mustangs will observe an open date, not seeing action again until October 6 at Cooper.

### FFA Chapter Elects Officers

Officers were elected for the Tahoka High School FFA Chapter Wednesday, September 20, in the organization's first meeting of the year.

Selected as president of the group was Jim Adams. Other officers are Jiggs Taylor, vice president; John Tyler, secretary; Chris Roberts, treasurer; Martin Warren, reporter; Mike McDonald, sentinel; Max Bartley, parliamentarian; and Doug Taylor, historian.

Greenhand officers were also elected including Robert Montemayor, president; Roger Miller, vice-president; Clarence Wesley, secretary; Terry Ayer, treasurer; Ronnie Haley, reporter; Ronnie Schneider, sentinel; Maria Chapa, parliamentarian; and Bruce Franklin, historian.

Chapter sweetheart candidates selected by the group include Debbie Wright, senior; Judy Gosselt, junior; Sheila Tankersley, sophomore; and Susan Warren, freshman.

One of the four candidates will be elected sweetheart by popular vote at the chapter's regular October meeting and will serve as Tahoka FFA Chapter Sweetheart throughout the year.

V. P. Carter and Lester Adams, vocational agriculture instructors, serve as advisors for the chapter.

### SCHOOL MENU

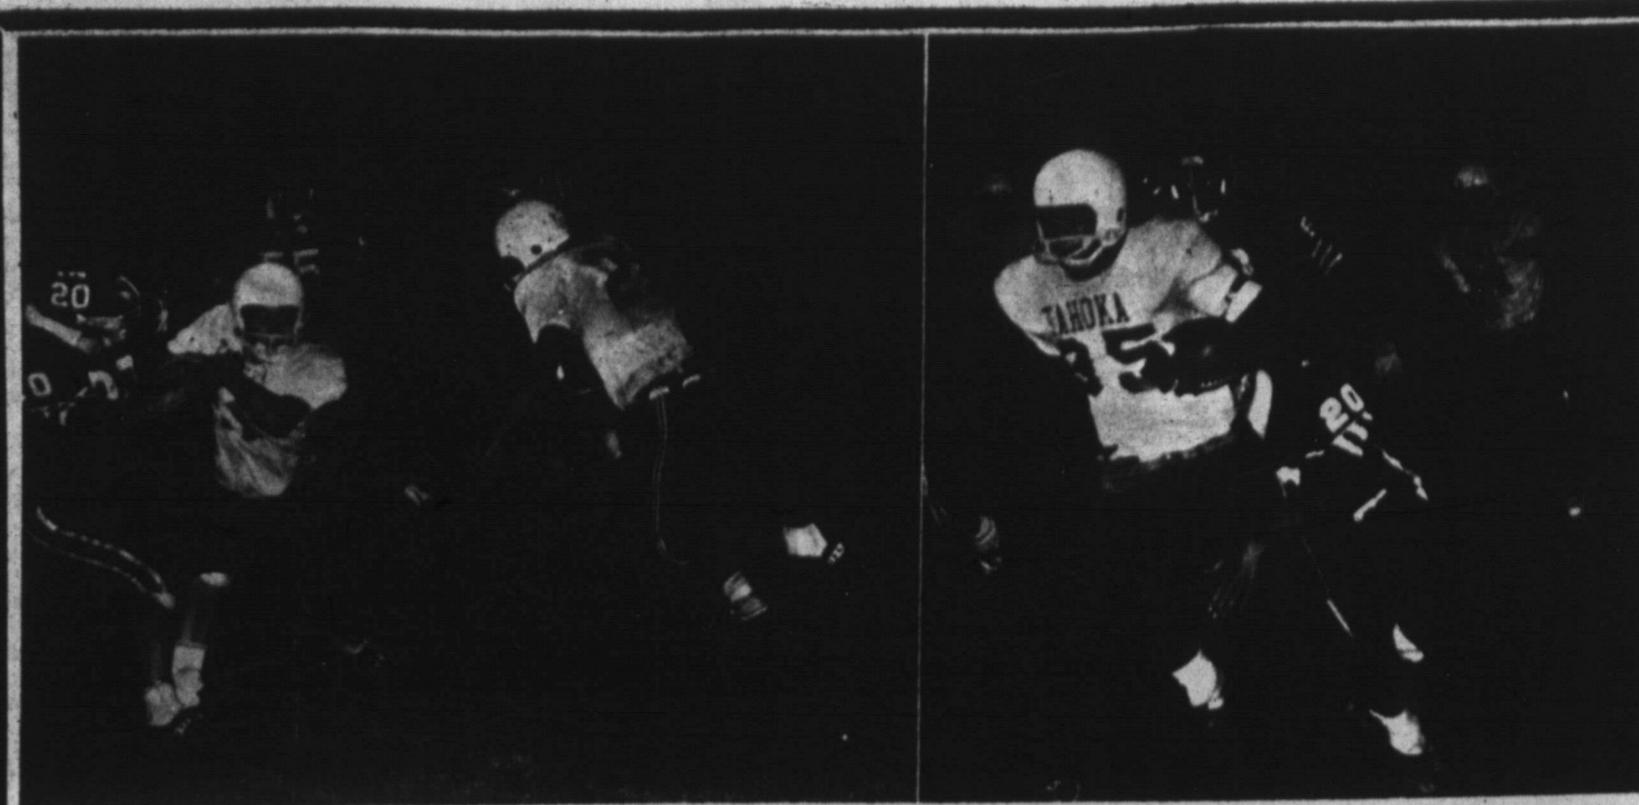

The menu for the Tahoka Public Schools for next week is as follows: Monday - BBQ Tips, baked potatoes, English peas, tossed salad, apple butter, rolls and milk.

Tuesday - meatballs and spaghetti, sweet potatoes, green beans, cabbage salad, biscuits, rice-coconut pudding, rolls and milk.

Wednesday - Turkey and dressing, buttered potatoes, cranberry sauce, buttered broccoli, rolls, applesauce cake with icing, and milk.

Thursday - pinto beans with pork, cheese sticks, mixed greens, fiesta rice, carrot sticks, cornbread, peanut butter cookies.

Friday - hamburgers, onions, lettuce, tomatoes, baked potatoes, apricot pie, and milk.

**B-Team Whips Plains, 27-6**

Tahoka's B-Team evened their season record at 1-1 last Thursday night, downing Plains, 27-6, on the Cowboys home field.

In addition to taking the obvious scoring advantage, the Tahoka crew also combined to limit Plains to only three first downs in the game, their one six-pointer coming late in the fourth quarter.

After a scoreless first quarter, Tahoka broke the game open in the second stanza, Robert Montemayer racing 30 yards for the touchdown and Jimmy McCord kicking the extra point to make it 7-0.

The locals tallied twice in the third quarter, first on a 10-yard Larry Durham run and second on a four-yard dive by Doug Taylor. Quarterback Martin Warren ran the extra points on the first score and a kick failed on the second. Final Bulldog touchdown came in the fourth quarter when Montemayer scored on a 60-yard ramble. The kick attempt failed.

Tonight (Thursday) the B-Team will face Post at 6:30 p.m. in Tahoka.

**Dallas Medical Meet Attended By Dr. Thomas**

DALLAS, Tex. - Dr. and Mrs. C. Skiles Thomas, Tahoka, attended the Annual Scientific Assembly of the American Academy of General Practice in Dallas, September 18-21.

Dr. Thomas, a member of the Academy, heard 26 guest speakers discuss up-to-the-minute health care topics, also visiting more than 125 scientific and 250 technical exhibits.

Subjects covered in the 4-day scientific session were of immediate interest to family doctors both in their everyday practice and in their constant effort to keep abreast of the latest advances in medicine, scientific procedures and techniques.

More than 3,000 doctors attended the 19th annual convention. The Academy, headquartered in Kansas City, Mo., is the nation's second largest medical association with 30,000 members.

**Whitface Edges New Home, 16-12**

The Whitface Antelopes scored two first half touchdowns plus their extra points to edge the New Home Leopards, 16-12, in New Home Friday night.

The first tally came in the first period on a six-yard run by Wayne Logan and Ricky Swinney ran for two points making the score 8-0. Early in the second quarter, Logan scored again from three yards out and this time, Dale Burris ran the two points.

At this time, the Leopards were sixteen points behind. Then, things started snapping just right for the home team and ended with an 11 yard pass from quarterback Johnny Armes to halfback Ricky Maloney in the end zone. The try for extra points failed leaving the score at 16-6 as the teams retired to their dressing rooms for the half.

Neither team was able to score in the third period. Finally, Stanley Gill ran three yards for the last Leopard score and the try for more points failed. Each team had one touchdown called back.

For the night, the Leopards dominated the statistics as they compiled 138 yards rushing and 114 passing. The visiting team had 158 yards rushing and none passing.

This was the first conference test for New Home in 2-B this year. Dale Read, head coach of the Antelopes, called Wayne Logan, Ricky Swinney, and Mike Flores as his outstanding players for the night.

The Leopard coach, Jim Allen, named three stalwarts for the evening in Ricky Maloney, Stanley Gill, and Steve Fillingim. The loss leaves New Home's season record at 0-3.

Friday night, the Leopards will travel to Anton for another conference tilt beginning at 7:30 p.m.

**Leopard Boosters To Meet Tuesday**

The Leopard Booster Club met last Monday evening and viewed the film of Friday's game against Whitface which the Leopards lost 16-12.

Refreshments were served. The next meeting will be Tuesday, October 3rd, at 8:30 p.m. in the school cafeteria. Everyone interested in New Home sports should attend.

The Booster Club will serve to gain support for all areas of school athletics.

# NEW HOME NEWS

BY MRS. C. B. NOWLIN  
(PETTY, LAKEVIEW, JOE STOKES)

Dickie Turner, son of Mr. and Mrs. Dick Turner, has returned to Tech as a sophomore.

Mr. and Mrs. Winston Davies visited in Snyder Saturday night and Sunday with Mr. and Mrs. Wayland Walton and children.

The luncheon in the New Home school is again under the supervision of Mrs. Jack Rogers, who has started her 15th year as supervisor. Others on her staff are Mrs. Wayne Price, Mrs. Lloyd Huddleston, and Mrs. Dudley Zant.

Mr. and Mrs. Rex Marshall, who have moved from New Home to Idalou, were honored with a covered luncheon Sunday night after church in the Community Center. Gifts were presented to the family. Mrs. Marshall was employed in the school lunchroom.

Mrs. Loyal Austin and Mrs. James Smith of Levelland visited the Cecil Tyson home Tuesday.

Many parents and relatives in our area are anxiously awaiting word from their loved ones in the Rio Grande Valley since the terrible destruction caused from the hurricane Beulah. Since telephone communications was out for several days, HAM radio operators have done a wonderful work in helping to get word to and from those in that area.

Mrs. Wilmer Smith, president of the Texas Home Demonstration Association, and Mrs. Wayne Tekell, voting delegate from the New Home HD Club, were in Ft. Worth, Monday for the State Convention. Mrs. E. B. Gaither, Tahoka, and Mrs. J. H. Lambright, Wilson, also attended as delegates from Lynn County.

Mr. and Mrs. John Vineard and son recently visited with their daughter in Sillido, Penn. They also visited their son who is stationed in Norfolk, V.A. in the Navy.

Mrs. Ronnie Dulin and Mrs. James Smith are enrolled in Tech as freshmen.

Mr. and Mrs. Gene Eades and children returned Monday from a 10 day vacation trip to California.

### Parents Club Reception Held

The Parents Club held a reception Tuesday in the New Home Cafeteria for the teachers. After the new teachers were introduced by Talley, they introduced their families. A program was presented by Mrs. Joyce Halford, new president of the club. Don Smith was presented as "Miss New Home Cotton."

The three New Home ministers and their wives were introduced, then a short review was given on each business in the city. Mrs. Halford's wit was fully enjoyed. Two new members were elected to the Civic Club board of directors. They are Charles Louder, Petty and John Edwards, New Home. One other will be elected from the New Home HD Club at the next meeting.

Mrs. Charles Louder read the financial statement, and gave a report on the many projects the club has undertaken. Refreshments of coffee, punch and cookies were served.

### Pat Malcon, 68, Buried In Athens

Mrs. Garland Peek and Melody, New Home, and Mr. and Mrs. Gene Wilson, Olton, went to Athens Tuesday after learning of the death of the ladies' brother-in-law, Pat Malcon, 68. He died Monday night after suffering a heart attack. Funeral services were held Thursday in Malacoff, and burial was in Cross Roads Cemetery.

Malcon is survived by his wife, two sons, Wayne, of Hobbs, and Pat Norbett, Houston, and three grandchildren. The Malcons formerly lived in the New Home Community.

W. S. Talley, school superintendent, left Sunday to attend the TSTA in Austin. He was expected to return home Wednesday.

### N.H. Exes To Meet Nov. 3

The New Home Ex Student Homecoming will be held Friday, Nov. 3. Anyone knowing names and addresses of ex-students, please send to Mrs. John Edwards, New Home, Box 294. Every effort will be made to contact each student. There will be more information at a later date.

Mr. and Mrs. Earl Louder of Lubbock and Mrs. Anna Rose formerly of Peoria, Ill., were dinner guests in the Gene Louder home Thursday night.

Harold Nettles continues to improve at his home at Lakeview. A love offering is being taken to help with his hospital expenses. Anyone wishing to help, contact Leland White or Donald Hancock.

Shorty Milliken, C. B. Nowling, Foy Swinson, Walter Morris and Bob Morris went to Falcon Lake Thursday to fish, but could not due to the storm.

### WCSA Meets

The Woman's Society of Christian Service met in the parlor of the First Methodist Church Monday afternoon, September 25, with Mrs. R. M. Stewart presiding.

Mrs. Georgia Cook led in prayer. The group voted to donate \$8 per month to the mission kindergarten.

Rev. Hugh Daniel's mother, Mrs. N. S. Daniel, Merkel, will teach the study, "The Christian Faith," October 3-4-5 at 2:30 p.m. at the church.

Fifteen members and their guests head an inspirational review of the Book of Proverbs given by Mrs. A. M. Bray as program for Monday's meeting.

Guests were Mrs. A. C. Aycox and her sisters, Mrs. Sue Robertson and Miss Virgie Cobb, both from Wilson, Mrs. A. Z. Sewall and Mrs. Wes Luttrell, both from Drew.

### Ladies Golf Association Has Meeting

The T-Bar Ladies Golf Association met for their regular monthly meeting on September 19th, with approximately 25 members present.

A report was made on the South Plains Tournament held at Brownfield Country Club September 12th thru 15th. Several from the local club played in the tournament, winners were: Wanda Gill, winner 3rd flight; Jackie Lisenby, winner 4th flight; Ruby McClendon, runner-up 4th flight; Billie Carroll; Consolation 5th flight; and Jennie Halford, winner 5th flight.

In addition to purchasing ten new benches for the golf course, painting, and other work, the Ladies Golf Association has made a donation of \$125 to the Country Club.

### Riddle Returns From Viet Nam

W. O. Roy C. Riddle called his parents, Mr. and Mrs. T. R. Riddle from Dallas, Friday morning. He was enroute to his home in Jacksonville, Ala. His wife, Gayle, and children, Tina and Nick, were to meet him in Birmingham. He has just completed a year in Viet Nam, flying reconnaissance planes for the 4th Army. He was stationed at Tuy Hoa. He says it was a long year, but he feels that maybe some progress has been made among the Vietnamese.

He says it was amazing the way the people turned out to vote in their recent election. Some were wounded by the VC, but had their wounds attended, and got back in the line to vote.

Roy will be stationed at Ft. Stewart, Ga. He will be training pilots there for the next eighteen months.

### Mr. and Mrs. Fidel Soriano, Rt. 4, Tahoka, are the parents of a son weighing 7 pounds, 15 ounces, at 7:53 a.m. Wednesday at Lauf Clinic. The father is employed by New Home Shop.

### Mr. and Mrs. Roberto Barerra, Rt. 1, Wilson, are the parents of a son weighing 8 pounds at 11:35 a.m. Friday in Lauf Clinic. The father is a farm laborer.

### Mr. and Mrs. Cleveland Short Ingram, visited with the C.E. Shorts a few days last week. They also visited the E. L. and Harry Shorts in Tahoka.

Little arms reach up. I stoop and lift the precious weight of baby son into my arms and smell his sweetness. Prayers of praise and thanks fill my heart.

Cuddling him close, I remember the night of his birth when Mary and I were told that our baby could not live until daybreak. How we prayed in those early morning hours, holding hands and clinging fast to our belief that God in His goodness would spare our son. How grateful we were for the courage and strength God's love and nearness supplied. How glad we were for the Church where we had learned to love and worship the God who gives us all life.

Do you wonder that Sunday morning finds us both in church joyfully worshipping and giving thanks to God?

Attend the church of your choice. Whatever your need, it stands ready to help.

### THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

**Ann Davis,  
CHDA Says:**

Hesitation to refrigerate food in an opened can is part of "a persistent fallacy," says Ann Davis, County home demonstration agent.

This belief is held by some homemakers who think cans of food should be emptied as soon as the can is opened or at least before the remainder of the food is refrigerated.

Cans and foods are sterilized during canned food preparation, the agent reminds. However, the dish into which the food might be emptied, although washed, contains microorganisms which could contribute to food deterioration or spoilage. A few acid foods may dissolve a little iron from the can but this is not harmful.

But, whether the food is in its original can or another container, the principal precaution is to keep food cool and covered. The agent also recommends storing canned foods in a dry place at a moderately cool temperature.

Rust or a dent can do not indicate spoilage, Mrs. Davis points out, unless the can shows evidence of leakage. Some foods may contain naturally occurring sulphur compounds which produce dark discoloration on the insides just as cooked egg discolors silverware. This sulfid stain is entirely harmless, the agent advises.

Thawing frozen turkeys at room temperature is now safe and practical, says Ann Davis, county home demonstration agent.

The secret is to thaw the turkey in a closed paper bag. The bag keeps the temperature low enough to protect quality, the agent says, and this method is more convenient than thawing in a refrigerator or under tap water.

Many processes hesitate to recommend room-temperature thawing, Mrs. Davis points out. Although this has been a common practice, the outside surface of the bird can be exposed long enough and at temperatures high enough for bacteria to multiply.

Refrigerator thawing avoids this danger. But, research has shown that if the bird is kept in its plastic wrap and placed in a paper bag at room temperature, the atmosphere inside the bag is only slightly warmer than the atmosphere of the refrigerator. Thus, the bird can be thawed completely without exposing the surface to temperature higher than 55 degrees F., the agent points out.

Large birds, 20 to 25 pounds, should thaw for 16 hours; smaller birds, 8 to 12 pounds, should thaw for 12 hours.

Cook the turkey within one to three hours after thawing.

Be an individualist. Follow the look that looks best on you, not on someone else you admire.

These guides can help develop an eye for good proportion which is a major factor in the "Look for Fall" 1967.

With short skirts, wear only short gloves—any longer than wrist length may give an unbalanced look.

Short clothes require short heels. Nothing looks more wrong than a girl in a mini-skirt on tall heels.

The heavier or more textured stockings are, the sturdier the shoe must be. The sheer or lacier leg look goes with more delicate shoes.

Use the luggage—look of bulkier bags with heavier sporty clothes; the neat, sleek look bags with neat, sleek, dressier clothes.

Hems on short skirts must have perfectly even hemlines. Shirt cuffs are a marvelous show this fall with jeweled cuff links or clip-on earrings.

For tailored shirts, a collection of ties will add to your individualism. A wide variety is available.

Hair is to be kept neater. There are many kinds of clips, bands and barrettes to help keep hair in place.

Clothes must fit well. Fit is one of the most important things about your look as an individualist.

The right kind of clothing can be a great asset in the growth of your child. The wrong kind of clothing makes good social adjustment slower.

Most important to a child is that his clothing conform to the style accepted by his friends. Being different is synonymous with being inferior.

A child wants clothes that get attention and approval. He wants clothes he thinks are pretty. Beauty viewed through the eyes of a child is very different from an adult's viewpoint.

A child wants to be independent. Self-help features include (1) front openings, easy to fasten, (2) garments with few large buttons and (3) designs that do not need buttons are features that assist in developing independence in your child.

A child wants clothes that are his own. At age 2 or 3, a child will not object to hand-me-down clothing; at 8 or 9 he usually objects.

Children like to help choose their clothes. A child wants

clothes that stand hard wear and are fun. Quality of material and workmanship are unimportant to a child.

Children dislike garments that hamper activities. Too loose clothing bought for a child to grow into is just as disturbing as clothing that is too tight. Clothes must be comfortable and easy to wear.

**Speed kills.**  
This hard fact of life on the open road is universally accepted by the officers who are charged with the duty of making Texas highways safe, just as it is ignored by many of the drivers using those highways.

Because speed kills,-- and because the chances of a driver becoming involved in an accident increase with speed--the Texas Department of Public Safety has started a more intensified effort to encourage motorists to stay within a legal speed limit on Texas highways.

"Statistics prove that drivers are more likely to be involved in an accident at speeds over the legal speed limit," explained Major Luther C. Moore, Commander of the Department of Public Safety's Region 5, covering thousands of miles of highways in north-west Texas.

The average motorist might ask some questions about these statistics, and Major Moore can provide some eye-opening answers.

For instance, the motorist might ask if a driver is more likely to be involved in a traffic accident at 70 miles per hour than 65? What about 75 or 80 miles per hour? And if the accident chances increase above 65 miles per hour, then just how much do their increase?

The grim history from bloody Texas highways during daylight hours shows a 20 per cent increase in involvement at 70 miles per hour, compared to the 65 mile per hour rate.

Major Moore points out that by increasing the speed from 65 to 75 miles per hour (just 10 miles per hour) the motorist risks a 80 per cent increase in accident involvement, and at 80 miles per hour the risk jumps to 90 per cent.

The fast driver risks even more at night, the Regional Commander explains. Accident statistics show that a driver is more likely to become involved in an accident at any speed at night, and at 55 miles per hour the accident rate is nearly two and one half times as great as driving at the same speed in the daytime.

Nighttime drivers are more than three times as likely to become involved in an accident at 65 miles per hour than at the same speed in daylight. During night hours 75 mile per hour speeds produce about five and one half times as many accidents, and at 80 miles per hour the accident frequency is multiplied eight times!

And that's not all of it. Studies show that injuries sustained in motor vehicle accidents are more severe as speed increases.

Major Moore explains that researchers at Cornell University learned the severity of automobile accident injuries is twice as great at speeds over 50 miles per hour as slower speeds.

Research also shows that while a driver trying to maintain 80 miles per hour through traffic on typical rural highways can cut about 30 per cent from the time required for the trip at legal speeds, his chances of getting killed in an automobile mishap increase by at least 400 per cent.

In hopes of encouraging drivers to stay within legal speed limits, the DPS is placing more patrolmen on the roads and more radar units beside highways to clock the persistent speeder in an effort to control speed.

**5-A Grid Teams  
Post 4-1 Slate  
For Second Week**

For the second week in a row, District 5-A members have posted a 4-1 record over a slate of non-conference opponents.

Two of the district's members scored shutouts, Coahoma blanking Roscoe, 30-0, and Tahoka whipping Idalou, 19-0.

Also scoring a lopsided victory was Seagraves, still ranked first in the state, who wiped out Stanton, 42-14.

Plains wrote somewhat of a "fairy tale" finish into their victory, scoring all three of their touchdowns in the fourth quarter for a 20-16 come-from-behind win over Farwell.

O'Donnell's Eagles dropped their tilt, 37-8, to Lorenzo for the only loss of the week for district members.

The wedding will take place December 22, 1967, in the First Methodist Church, Tahoka, Texas.

**Pioneer Natural  
Gas Rate Change  
Due In November**

With Tulla, Friona and Muleshoe voicing approval September 19, all 51 towns in Pioneer Natural Gas Company's West Texas distribution division, including Tahoka, have now completed favorable action on the Company's request for a gas rate increase. Earlier in the week Canyon, Hereford, Dimmitt and Falls adopted the new rate structure and Lubbock, one of the larger cities affected, has also okayed the rate changes.

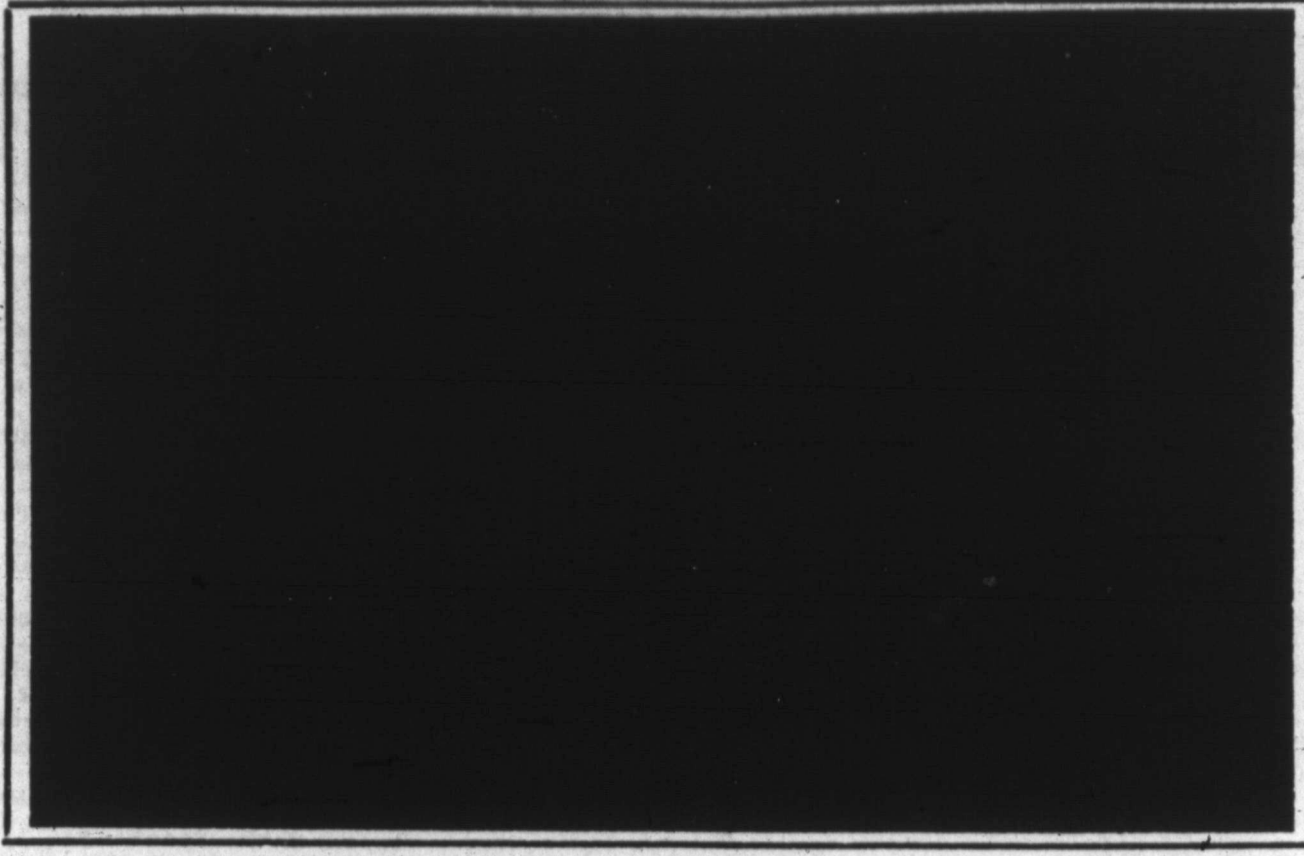

The new rate will be placed in effect in all 51 towns about the middle of November. Following the June 23-24 filing date, Pioneer officials appeared before the commissioners of the various towns to explain the company's position in detail. The meetings resulted in a better understanding of the necessity for the rate increase, the rates still among the lowest in the State, according to Pioneer.

The cities and towns served by Pioneer's West Texas Distribution Division are in the area from Canyon and Hereford on the north to Midland and Odessa on the south.

Average increase on a normal monthly household bill will be in the neighborhood of 72 cents.

### Letter Commends Employee Working Here On Highway

Dear Editor:  
Enclosed is a copy of a letter in which I have sent to the Construction Company doing the work on the Lubbock Highway, I thought perhaps that you might like to print it in your paper. This concerns all who have small children as well as the drivers of vehicles. I thought that perhaps it would make all of us stop and realize how few good acts are done during our lives. Seldom do we appreciate the people who are responsible. How wonderful that a busy employee would take time out of his busy schedule to insure the lives of our small fry. To such a man, I say, "Thank You".  
Copy of letter:  
Dear Sir,

I am writing to you because I feel that you might like to know I have a compliment for one of your employees. I realize that you are very busy. But perhaps you will take a few seconds of your time to read a message of importance as well as gratitude to you and one of your fine employees.  
I have a small child who is in the first grade this year. Although I have cautioned him many times about crossing the street, his mind seldom lingers on what I have told him. Therefore, I, like any other Mother who loves her child, depend greatly on the drivers of vehicles to watch for my child. Your trucks travel down the Brownfield highway during the day. At 3 p.m. the smaller children return to their homes. There is a school zone on the Brownfield road, which the children use to cross. As you are aware this is a very busy zone, for your trucks as well as the children, I have noticed that a Negro employee always stops for the children who are waiting to cross. How I admire such a fine act of consideration. I owe him my deepest gratitude as a mother. For him to take a few seconds of his busy schedule to insure the lives of others is a wonderful thing. Since I do not know his name, please see that he is told of my appreciation.  
Thank you,  
Mrs. Jerry Gass,  
A Mother  
P.S. I am in hopes that this letter will encourage the other drivers to "Watch out for the little guy".

### O'Donnell Young Homemakers Win Area II Honors

The O'Donnell Chapter of Young Homemakers was named as winners of the Outstanding Chapter award September 16 at the Area II Convention held in Seminole. A \$75 cash prize went with the honor, the group also receiving a silver trap for winning the Publicity Award.  
Presiding over the meeting was Gail Hahn, Area II President, a member of the O'Donnell chapter.  
During officer elections for the coming year, Patsy Sanders, O'Donnell, was named as area vice-president.  
As winners of the first two place awards, the club will be eligible to compete in the same categories for honors at the state convention in January.  
Attending the area convention from O'Donnell were Arbie Brumit, Ann Eakers, Patsy Sanders, Martha Gardenhire, Gail Hahn, Frances Burkett, Mary Lynn Williams, Betty Barton, Treva Franklin, Mary Helen Reed, Roddy Doss, LaQuita James, Mr. and Mrs. Warren Smith, Roger Doss and Hal Tunnell.  
Regular monthly meeting for the O'Donnell group is tonight, Thursday, September 28, at 7:30 p.m. in the Home Economics Building.  
A style show has been slated for the meeting. Ellie's Fashions furnishing the clothing to be displayed. Everyone is invited to attend and view the fall fashions modeled by the club members.  
During the past week, the Chapter has been observing Texas Young Homemaker Week and displayed a booth at the Dawson County Fair, Lamesa.

### Flying Club Is Seeking Members

All persons in the area who are interested in any phase of flying have been invited to join the West Texas Airmen's Association, Brownfield.  
Next regular meeting of the group will be Tuesday, October 17, at 8 p.m. at the Brownfield Country Club. A film entitled, "We Saw It Happen," will be shown. The film covers the history of flight from "Wright Brothers to latest jets," according to club spokesman. Everyone interested is invited to attend.  
Susan Price, Frisco, has enrolled at the University of Texas, where she is a sophomore.
