## Golf Clubs, Door Knob Get Law Officers' Scrutiny

Some disgruntled golfer may have thrown them away, or they may have been stolen. Tahoka Police officers aren't sure, but they do have two golf clubs found by a citizen in some bushes, and turned in to the department. Anyone wishing to claim the clubs should go by the police department and identify them.

Activity during the week was also light at the sheriff's department, which had one burglary report to check out. Fina Oil & Chemical of Post reported a building burglarized about four miles northeast of Draw on Friday night or early Saturday. Nothing was reported missing, but damage to a door knob was estimated at \$25.

Six new "customers" were booked into Lynn County jail during the week. Two were on charges of driving while intoxicated, first offense, and one person each was jailed on charges of failure to appear on probation violation in a forgery case, bench warrant for aggravated assault, driving while license suspended, and no liability insurance plus failure to appear.

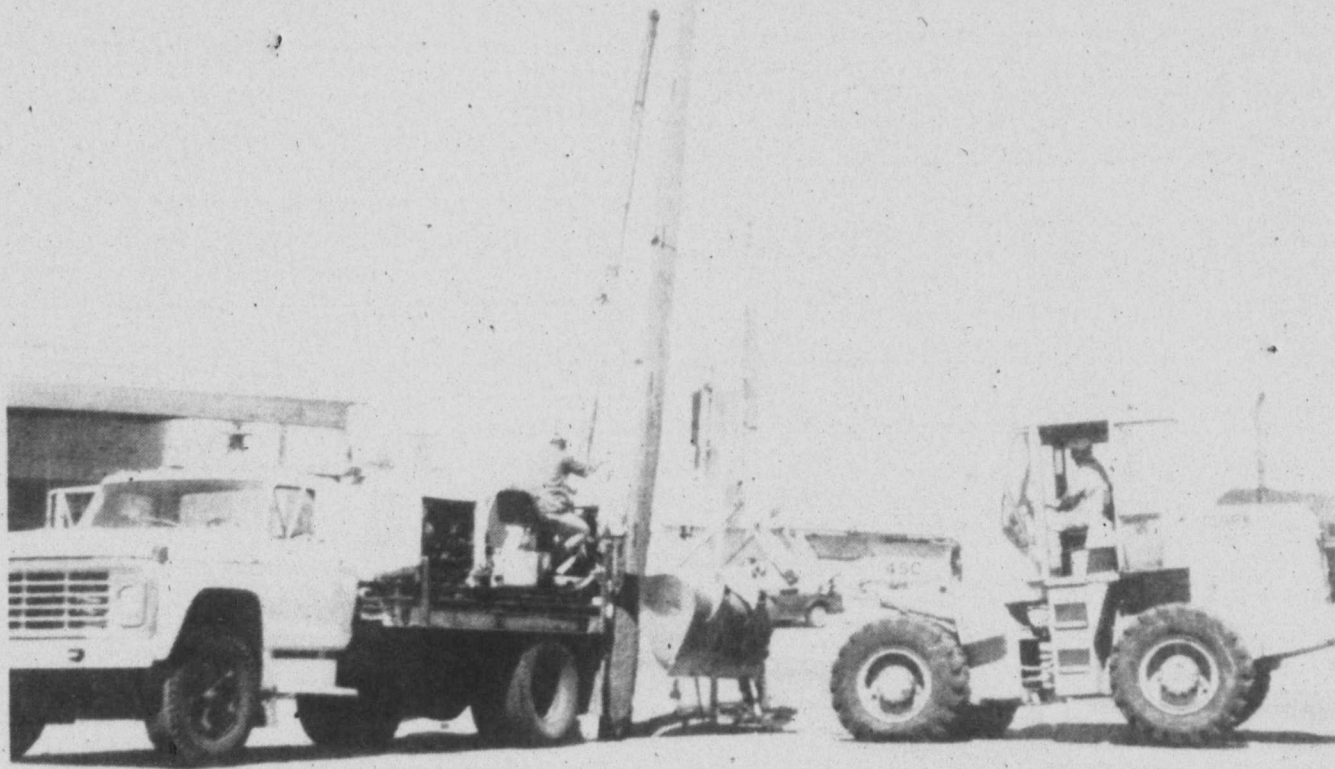

## Tahoka Signal Lights Rebuilt

The Texas Highway Department began work on the signal lights in Tahoka at Main Street and US 380 on Monday, April 1.

The signals will be down for 10 working days while they are being rebuilt.

## Last Signup For Little League Set

The Tahoka Little League will have its last signup Friday, April 5, from 6:30 to 8:30 p.m. in the Lyntegar meeting room.

LET THERE BE A LIGHT—Workers for the Texas Highway Dept. are installing a new traffic light at the intersection of Lockwood and Main in Tahoka. The project, which involves replacing some poles at the corners and raising the traffic light higher so that it won't be struck by trucks, is scheduled to be completed in about another nine days. Meantime, four-way stop signs are in place at the intersection.

## Youth Basketball Awards Night Set

The final night of Youth Basketball will be Thursday, April 4, in the elementary gym. The last game, between Balloons -N- Flowers and Parker Pharmacy, will begin at 6 p.m. Following that game, officers for next year will be elected and awards will be presented.

All players, coaches, and parents are urged to attend to receive their awards and basketball pictures.

## Siren Test Set Friday

A test of the tornado warning system in Tahoka is scheduled for noon Friday (April 5), provided there are no storm clouds. The sirens will be sounded with a wavering, off-on tone.

## Daylight Savings Time To Return April 7

Daylight Savings Time will be returning at 2 a.m. on Sunday morning, April 7, Central Time. Everyone is reminded to "spring forward" and set their clocks ahead one hour before retiring Saturday night, April 6.

## City Council Gets Update On Water Desalination Plan

Tahoka City Council Monday night heard a representative of the Canadian River Municipal Water Assn., John Williams, give a status report on plans to reduce the amount of salt content in Lake Meredith water.

The association for several years has been studying various plans to reduce the sodium chloride level, which engineers say is building up in the reservoir which supplies many cities on the South Plains, including Tahoka. Cost of the project will be borne on a pro-rated share by members of the association. However, Williams said several plans are being considered, as well as some alternate financing plans.

With all council members present except Milt Uzzle, the council authorized City Manager Barry Pittman to purchase a new riding lawnmower for use in the city park, with the cost to be about \$1900.

Also discussed was the need for new street signs in the city. It was voted to start with replacement of signs at intersections on the main thoroughfares of Main/S. Ave. J and Lockwood.

Presiding at the meeting was Mayor Jim Solomon; others present included Pittman and Danny Ammons of GTE Southwest.

## Bulldog Booster Club To Meet Monday

The Tahoka Bulldog Booster Club will meet Monday night, April 8 at 7 p.m. in the Tahoka High School Library. All members are urged to attend, as the group will discuss final plans for the Athletic Banquet in May.

## Lynn County Jaycees To Sponsor Planters, Flowers For Businesses

Lynn County Jaycees are sponsoring their "Tahoka Cares" program, and will be sending letters to local businesses asking them to participate in the project of putting planters filled with geraniums in front of their businesses. According to Cal Huffaker, each business will be asked to provide half of the funding for the cost of the planter and flowers, and the Jaycees will provide the rest of the funding, and all of the labor in providing the planter barrels and placing them in front of the business, filling them with soil and providing the plants to go in each one.

The Jaycees are funding the initial cost of purchasing all the planters and flowers, and will ask each business participating in the project to donate half of the cost back to the

Jaycees. The group plans to have everything ready sometime in May, and will challenge each business to keep their planters looking nice. "We're going to challenge each business to keep their plants looking prettier than their neighboring business," said Huffaker.

At this point, the Jaycees are planning to send letters to businesses asking their cooperation, and are in the planning stages of purchasing planter barrels and flowers.

The Jaycees are not sponsoring a fund-raiser for this project, but would appreciate any donations from anyone in the community who would like to contribute to the project which will beautify Tahoka.

For more information, contact a member of the Jaycees.

## Old Tahoka Depot Remodeled As Country Home Near Winters

The old Santa Fe depot at Tahoka, built in 1910, now has been remodeled into a comfortable country home in Rannels County, and was the subject of a recent article in the *Ballinger Ledger*.

A clipping of the article was sent to Arthur and Ethel Adams of Tahoka by his sister, who lives in Winters. The former depot is located between Winters and Wingate and is visible about a mile to the right of Hwy. 153, about two miles past Wingate, for persons traveling southeast on that road. A dirt road to the right would take a curious observer closer. It is at the Wilmeth community where the Adams lived until 1935 when they moved to Tahoka. Ethel Adams, her mother and sisters lived about a mile north of the present location of the depot.

The depot was purchased by Rita Stephenson, a teacher in Friona for the last 24 years, who had seen another depot remodeled into a home

and checked into buying one to be relocated on her property in Rannels County. She bought the Tahoka depot in 1985, and it was moved 147 miles. The Stephensons spent time in the summers and other times directing and assisting with the reconstruction.

The depot now serves as a meeting place for members of the Stephenson family. It has three bedrooms (one in a loft), three baths, an antique bar from a Ramada Inn in Lubbock and a walkway joins the upper and lower floors, according to the *Ledger* story by Charlie Poe.

"Other features include an old dental cabinet, a treadle sewing machine, unique light fixtures and a wood-burning stove." There are three decks constructed from the original docks at the depot, and an outside shower near the horse troughs.

A caboose also has been acquired and moved to the site.

IN THE MAIL I received this release from Baylor College of Medicine about Tourette syndrome, which I thought was a tendency to take two or three short trips every week.

Reading a bit further, I learned that it is a central nervous disorder, and that symptoms range from excessive blinking to uncontrolled outbursts of obscenities.

That last one is also associated with April 15, when people have to get their income tax returns finished and in the mail.

Actually, there's nothing funny about Tourette's syndrome, because it can affect people seriously, especially young boys. The story said the affliction usually starts between the ages of 5 and 8 and is more common in boys. Also, it was noted that the disease is frequently misdiagnosed because physicians may believe that the early, relatively mild symptoms are just mannerisms peculiar to a specific patient.

Researchers at Baylor are seeking to find the gene responsible for Tourette syndrome in families, indicating that the condition may be hereditary. A primary feature of all the symptoms are a loss of inhibitions.

Motor and vocal tics are the most obvious signs of Tourette. Vocal tics may include excessive throat clearing, sniffing, grunting and repetition of words and sentences. Motor tics include repetitious eye blinking, shoulder shrugging and head jerking.

The uninhibited behavior of some patients frequently leads to the assumption, even by physicians, that the children are hyperactive.

More disabling symptoms include obsessive behavior, panic attacks and short attention span.

The story said that many Tourette patients are musically talented; Mozart is believed to have suffered from the syndrome.

I know a cornet player who has many of these symptoms. I don't think he has Tourette's syndrome, though. I think he is just a jerk.

### "Kinder Kids Day" Set Here Friday

Incoming Kindergarteners for 1991-92 may visit Tahoka Elementary School on Friday, April 5, from 11:40 a.m. to 12:40 p.m., according to Principal Molly Helminger. This is an opportunity for the children to see what school will be like for them next year.

Parents should drop their child off at school no earlier than 11:30 a.m., and pick them up no later than 12:45 p.m. The children will eat lunch and visit each of the three Kindergarten teachers during the hour time span.

Lunch will cost \$1.25 for each child, and they are asked to bring the exact amount in an envelope with their name on it. Parents do not stay with their child during the hour visit.

If there are any questions, contact the Elementary School Office for details.

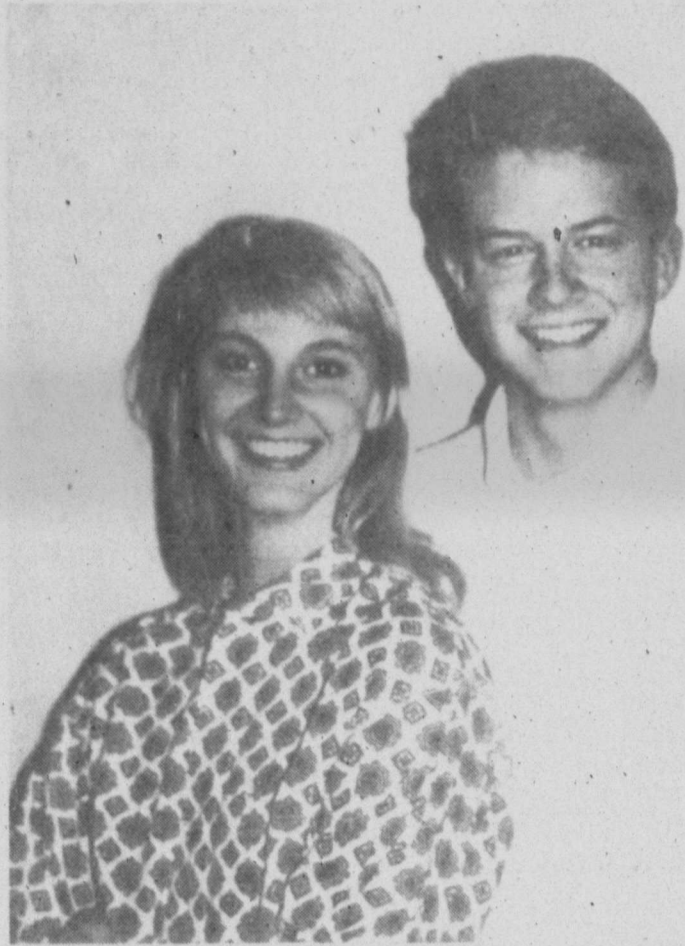

### Mrs. Lynn Cook Recovering From Kidney Transplant

Mrs. Lynn (Pat) Cook of Tahoka is recovering this week from a kidney transplant which she underwent Friday, March 29 at Lubbock's Methodist Hospital. Mrs. Cook, who has been receiving kidney dialysis treatment for some time, had been on a waiting list for three years to receive a kidney.

Her family reports that her condition is "fair" and she has been moved from ICU to a private room, but still is restricted to family visitation only.

### Program To Identify Risk Factors Of Drug Abuse Scheduled Here

A five-week course called "Preparing for the Drug (Free) Years" will be offered in Tahoka beginning Tuesday, April 9. The program is being sponsored by Tahoka ISD and presented by District Counselor, Sherri McCord.

"Preparing for the Drug (Free) Years" is a program for parents of children in grades 4-6. The program teaches parents to identify the risk factors associated with teenage drug abuse and to practice skills which will promote family bonding and reduce those risks.

Workshops will be held at the Learning Resource Center (LRC) in Tahoka Elementary on April 9, 16, 23, 30, and May 7, at 7 p.m. There will be no charge for the workshops and childcare will be available.

Surveys conducted for the National Institute of Drug Abuse show that most teenagers today will use alcohol or marijuana before leaving high school. Nearly one in 20 high school seniors uses alcohol on a daily basis. In 1988, eighteen percent of the high school seniors in the U.S. had used marijuana in the past month.

"Preparing for the Drug (Free) Years", from Developmental Research and Programs of Seattle, is based on research which has identified the risk factors associated with teenage drug abuse and the protective factors which can help teenagers develop into healthy adults. The program was developed by Drs. J. David Hawkins and Richard F. Catalano of the University of Washington.

In a review of research conducted over the past 30 years, Catalano and Hawkins have identified 11 factors that increase the risk of young people developing problems with alcohol or other drugs. These risk factors include:

- A family history of alcoholism.
  - Family management problems.
  - Parental drug use or positive parental attitudes toward use.
  - Early antisocial behavior
  - Academic failure
  - A low degree of commitment to school
  - A low degree of social bonding
  - Antisocial behavior in early adolescence
  - Friends who use drugs
  - Favorable attitudes toward the drug use
  - Early first use of drugs
- "Preparing for the Drug (Free) Years" teaches parents to reduce five of these risk factors which may often be present during the late elementary and middle school grades. The risk factors addressed in this program are positive parental attitudes toward drug use, family management problems, low degree of social bonding, friends who use drugs and early first use of drugs.

Workshop activities are based on Hawkins and Catalano's Social Development Strategy, a theory of human behavior that identifies the factors which promote social bonding and positive behavior. Their research has shown that children who are bonded to their parents, school, non-drug-using peers and to the community are less likely to become involved in negative behavior, such as drug use, that may threaten those bonds.

Parents will learn to increase their children's opportunities for involvement in the family, to teach key skills needed in adolescence and to provide rewards for positive behavior as well as appropriate consequences for undesired behavior.

For more information, please call Sherri McCord, 998-4538 or 998-5307.

#### AVOID CATARACTS

A study of 838 fishermen who had worked on the water for years without sunglasses or hats found the number of cataracts 3 times higher than normal. By wearing proper sunglasses and hats with brims, the risk of cataracts from the sun is reduced by 95%, says Hugh R. Taylor, ophthalmologist at John Hopkins U. Most effective sunglasses (not expensive) can screen out 85% of the most harmful UVB rays.

**Public Notice**

Southwestern Bell Telephone Company has filed two separate applications with the Public Utility Commission of Texas to introduce two new optional directory services. One service is Directory Assistance Call Completion (DACC) and the other service is Multiple List Directory Assistance (MLDA).

DACC is an optional service that provides customers the option of having their Directory Assistance call completed to the requested number (when they call Directory Assistance for a number) by either the Directory Assistance operator or a mechanized audio response system.

The proposed rates\* for fully-automated DACC calls are: \$.30 if the call is sent paid or billed to a calling card, \$1.00 if the call is collect or billed to a third number and \$.25 from a coin telephone.

The proposed rates\* for semi-automated (operator assisted) DACC calls are: \$.85 for calls that are sent paid or billed to a calling card, \$1.20 if the call is collect or billed to a third number and \$2.60 for a person-to-person call.

Multiple List Directory Assistance (MLDA) allows the customer to request more than two listing requests per call to Directory Assistance. Customers can either call on "demand" and receive up to 10 listings, or schedule an "appointment" and receive the assistance of a Directory Assistance operator for as long as required. The rates for "demand" MLDA are \$.30 per listing request (after applicable allowances), with a maximum of 10 listing requests per call. The rates for "appointment" MLDA are \$1.00 per minute, with a 15-minute minimum.

The optional services DACC and MLDA are intended for use by both residence and business customers. Those persons who qualify for exemption of Directory Assistance charges because of visual or physical handicaps will be able to use DACC and "demand" MLDA free of charge. If approved by the commission, DACC and MLDA will be available beginning May 13, 1991. First-year projected revenues for DACC are approximately \$9.6 million. First-year projected revenues for MLDA are approximately \$1.7 million.

Persons who wish to comment on these applications should notify the commission by May 3, 1991. Requests for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757, or you may call the Public Utility Commission Public Information Office at (512) 458-0256 or (512) 458-0221 teletypewriter for the deaf.

\*The charges for DACC are in addition to the charge for the Directory Assistance Listing (if applicable) and/or any local or intra-LATA toll charges that would apply to the completed call.

## FmHA Announces New Interest Assistance Program

The Farmers Home Administration is launching a new program to help local farmers obtain credit from local lenders, according to Neal Sox Johnson, FmHA State Director for Texas.

Known as the Interest Assistance Program, it provides strong incentives for commercial lenders to make loans to farmers who otherwise could not qualify.

Under the new program, FmHA will pay up to 4 percentage points of interest for farmers to help them

qualify for FmHA guaranteed loans. "If a creditworthy farmer can't cash flow with a guaranteed bank loan at regular interest rates, we can pay part of that interest for him until he can," Johnson said.

The percentage of interest FmHA will pay depends on the financial condition of the farmer. FmHA will pay only the number of points necessary to help the farmer cash flow with a small reserve.

An FmHA guaranteed loan is made by a bank, PCA, or other lender

## Public Notice

Southwestern Bell Telephone (SWBT) has filed an application with the Public Utility Commission of Texas to offer a new optional service called Family Space Listing.

Family Space Listing is a new optional service designed for residential customers. It will give customers the option to list the names or nicknames of household members within a customized space in the white page telephone directory.

The proposed monthly charge for this service is \$7.00. No charge to set up the service is proposed. Customers electing not to subscribe to this optional service will continue to receive their non-distinctive directory listings at no charge. SWBT anticipates this new service will generate sales of approximately \$63,000 in the first year that the service is available. If approved by the Commission, this service will be available beginning May 6, 1991.

This new service will not affect the directory listings that existing residential customers have in SWBT's white page telephone directories.

Persons who wish to comment on this application should notify the Commission by April 26, 1991. Requests for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757, or you may call the Public Utility Commission Public Information Office at 512-458-0256 or 512-458-0221 teletypewriter for the deaf.

 Southwestern Bell Telephone

with an agreement from FmHA that if the loan goes bad, FmHA will compensate the lender for up to 90 percent of its loss. "That guarantee plus the new interest assistance," Johnson said, "should greatly increase availability of farm credit through the private sector."

Additional details about the Interest Assistance Program can be obtained from any FmHA county or district office.

## Tahoka Girl On SFA's Cage Team

Shannon Lawson, former member of the Tahoka Lady Bulldogs, was a member of Stephen F. Austin's Ladyjacks basketball team which wound up the latest season ranked 14th in the nation in the Associated Press poll, a couple of notches above the University of Texas team.

Lawson played in many of the games, averaging 8.4 points per game. The team wound up the season at 26-5, losing 74-72 to the University of Virginia in the second round of the NCAA tournament. The SFA team averaged 84 points a game during the season, topping 100 four times.

Last Tuesday, 10 students from Wilson High School attended the One-Act Play contest in Petersburg. Three members of the play, "Aria Da Capo" by Edna St. Vincent Millay, got special recognition. Holly McCoy, a senior, was awarded All Star Cast, while Malinda Isham and Michael Villarreal, both juniors, got Honorable Mention All-Star Cast.

Saturday, April 6, fifth grader, Kenny Follis will compete in the Regional Spelling Bee in Lubbock, in the auditorium of Monterey High School. The competition will begin at 1:30 p.m. The winner of this meet will go on to the national meet to be held in Washington, D.C.

Last Thursday and Friday, members of Wilson High School competed in the District UIL meet in Petersburg. Three of those students will be going to Regional contest April 19. Those attending will be Mona Massingill, first in Literary Criticism, Angela Young, second in Spelling; and Gale Schneider, third in Calculator Applications. Others who placed from Wilson are Mona Massingill, fifth in Persuasive Speaking; Michael Buxkemper, fifth in Informative Speaking and Kristi Patterson, sixth in Informative Speaking. Malinda Isham tied for fourth place in Number Sense.

The baseball team will meet up

with New Deal here Friday at 5 p.m.

Elementary students are gearing up for the upcoming UIL meet to be held April 17-18 in Petersburg and Lorenzo. More information will be given close to the contest date.

The minor boys Little Dribblers teams played each other Monday. There were too many boys for one team, therefore they created two. The team referred to as the "Blue Team" won against the "White Team" with a score of 15 to 11. The next game will be against Southland here starting at 5:30 p.m.

Saturday, April 6, the high school track team will travel to Sundown for a meet.

Last Friday the Wilson Junior High track team went to Wellman for a meet. Placing on the girls team were Jamie Raley, 6th in high jump; the 400 m relay team, 3rd place; 800 m relay team, 2nd place; and 1600m relay, 4th place.

Placing for the boys' team were: Marcus Vergara, 1st in 800 and 1600 m run; Adam Castillo, 1st in 100m, 200m and 400 m, 5th in discus and 3rd in shot put; Jason Marshall, 4th in 400m.

Wilson High School has begun a new event this semester. Every Monday, the junior high and high school students meet for an assembly. This is to discuss the events that are going on that week and what happened during the week and over the weekend. At Monday's assembly, Angela Young, senior, gave a presentation of her trip to the National Youth Leadership Conference held in Washington, D.C. in March. She highlighted the events and programs she was involved with. Gale Schneider, senior, also was a member of the conference.

Some students are repeating the TAAS test this week. This test is required in order for one to graduate high school.

The Junior 2 and Senior 4-H'ers will have a clothing project training session April 11 at 4:30 p.m. in the home of Lessie Clem in New Home. Training will include construction and buying categories.

**Baby Shower Set For Sheri Gicklhorn**

**Phebe K. Warner Club News**

Phebe K. Warner Club met Tuesday, March 26, at 4 p.m. in the home of Edna White with Louise Smith as co-hostess. There were 17 members and three guests present.

Loretta Tekell, president, presided.

Edna White introduced Betty Stennett, O'Donnell Science teacher, who presented the program on the science project "The Use of Polymers as a Possible Containment of Landfills".

Minutes from the March 12 meeting were read by Laverne Lewis, secretary.

Thank-you notes were read from Shirley Draper, City-County Librarian, and Page Lawson, of M.D. Anderson Volunteer Services, for our contributions.

Bennie Carter, treasurer gave the financial report.

Betty Green gave the report on GFWC Caprock District, Texas Federation of Women's Clubs Spring Convention which met in Lubbock March 16. Phebe K. Warner Club received a score of 100 on yearbook for 1990-91. It has now been sent to State. Phebe K. Warner Club also received a first place award for Arts-Music and Dance report and a second place award for Historical people report.

Betty Green gave an update report on Girlstown USA assets.

Phebe K. Warner Club will be one of the hostesses for the 1992 Spring Convention in Lubbock.

Only club projects can be used on the volunteer hours record charts. These projects are listed in the yearbook.

A collection point of recycleable materials will be studied.

The meeting closed with members reciting "The Collect" in unison.

**Poka-Lambro Names Winners Of Scholarships**

Thursday, March 28, at the 40th annual Meeting of Members, Poka-Lambro announced winners of the Poka-Lambro Telephone Cooperative, Inc. Scholarships. Davon Taylor and Lea Bessire each will be awarded a \$1,000 general scholarship.

Miss Taylor attends Ropes High School and is the daughter of Daniel and Linda Taylor. Some of her high school honors and activities include: Area FFA President, District 4-H Secretary and Information Chairman, state winner in UIL competition, NHS officer for three years, and class officer. After graduating from

Ropes High, she plans to attend Texas A&M University and study Agricultural Economics.

Miss Bessire attends O'Donnell High School. She is the daughter of Harold and Terri Bessire. Some of her high school honors and activities include: Science Team National Finalist, National Honor Society president, highest ranking academic student several years, All District basketball award and several UIL awards. After graduating from O'Donnell High, Lea plans to attend Angelo State University and study Child Development.

Scholarship recipients were chosen according to grades, extra-curricular activities and recommendations from a high school teacher, counselor or principal.

**Clover Kids To Meet Here Monday Evening**

The 4-H Clover Kids will have their very first meeting on Monday, April 8, at 5:30 p.m. at the Fellowship Hall of the First Baptist Church in Tahoka. Youth between the ages of 4 and 8 and their parents are invited to attend.

Horticulture curriculum will be utilized in this first series of meetings. Danny and Amy Preston will present the program.

During the next two months, Clover Kids will be able to plant their own squash plants for a summer display. Many other activities have been planned.

Contact Marci Gandy, 998-5458, or the Lynn County Extension Office, 998-4650, for more information.

**Kenneth Eaker Elected To Board Of Poka-Lambro**

Over 500 members and guests were present for Poka-Lambro's 40th annual Meeting of Members Thursday, March 28.

One important item of business was the election of three directors to the board. Newly elected to the board was Kenneth Eaker. He and his wife, Ann, live outside O'Donnell. Eaker will take the place of retiring director, George A. Sealy, who served on the board 32 years.

Re-elected to the board were Ralph Williams and Wendell Morrow. Other members of the Poka-Lambro Board include: Donald Love, Almos Neill, Robert L. Fleming and Randy Hensley.

Thursday's meeting, the largest ever, was held at Poka-Lambro's headquarters office located 11.5 miles north of Tahoka on US 87. A lunch of fish and chicken catered by Danny's Catering was served. The Board of Directors, Management
