School Board Runoff Vote Set This Saturday

When Tahoka school patrons went to the polls May 4 to elect trustees, one 3-year term on the board never was settled, as candidates Mike Rivas and Greg Henley had 157 votes each. This Saturday, voters will return to the polling place at the Tahoka school business office to settle the tie, in a runoff election.

Election officials have requested that all voters bring their registration cards with them to speed up the procedures.

In the regular election, Mike Huffaker was elected to a 3-year term and Juanell Jones was elected to a 1-year term on the school board.

Woodwork...

by Dalton

I have a world map on the wall of my office, and I certainly need it, because all too frequently new trouble spots are making the news and usually I have only a hazy idea of where all this mess is taking place.

I even had that problem when we went to war in Saudi Arabia. Since I never had been to that region, I really didn't even know where it was. I have a hard enough time finding the right road to Amarillo or Dallas without worrying about the location of such places as Iran, Iraq, Bangladesh, Belize or Catalina Island. And I suspect that most people are just as geographically ignorant as I am.

The last time I studied geography was in the fourth grade, when Turkey was called Babylon and New Deal was called Monroe, or something like that. And I don't think geography was one of my strong subjects.

Before last August, I thought Iraq was some kind of Chevrolet sports car. And during this last week, I had to locate Ethiopia, which sounds like an eye disease. After several minutes of searching, I finally located it just east of Sudan (Africa, not Lamb County).

Although I am not good at geography, or (sometimes) even which way is north, it never seems to be a problem for me when I'm driving, or even if I'm not, because there always seems to be someone around who's ready to tell me where to go.

MR. and MRS. WAYMAN JAY DURHAM nee Deborah Kay Flanagan

Double-Ring Ceremony Unites Deborah Flanagan, Jay Durham

Deborah Kay Flanagan and Wayman Jay Durham were united in marriage in a 2 p.m. ceremony on April 20 in Bryan Street Baptist Church in Lamesa. The Rev. Clifton Igo officiated the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. Terry Flanagan of Lamesa. The groom is the son of Mr. and Mrs. J.C. Durham of O'Donnell. He is the grandson of Stella Mae Carroll of Tahoka.

The altar was adorned with a white archway entwined with greenery and accented with bows of white and primrose. Surrounding the unity candle was a cascade of greenery which also draped along the altar rail. A miniature cotton bale and cotton boll were situated on either side of the candle. Large baskets of white and primrose flowers completed the setting.

Organist Brenda Vogler of Lamesa, cousin of the bride, provided the music. Kay Mires and Alan Eaker, both of O'Donnell, sang "Up Where We Belong" as the mothers participated in the unity candle ceremony. Beverly Wright of Tahoka, sister of the groom, sang "Whither Thou Goest". Mires sang "Twelfth of Never". Mires and Eaker sang "Me and My House" as the couple lit the unity candle.

Escorted by her father, the bride wore a designer gown of white satin. It featured a sweetheart neckline with imported lace and was delicately beaded with iridescents and pearls. The renaissance sleeves were enhanced with lace and tapered to a point at the wrists. The coutout back featured strands of pearls. The gathered skirt fell from the antebellum waistline into a wide cathedral train ornamented with lace appliques edged with iridescents, pearls and lace appliqued tulle. The veil of silk illusion was attached to a band of pearls.

The bride carried a bridal cascade featuring white catalaya orchids, cymbidium orchids and white stephanotis accented with English Ivy. Entwined pearls were featured in several clusters throughout the bouquet.

In keeping with tradition, the

bride's attire symbolized "something new". Something old and borrowed" were pearl earrings from her grandmother, Etta Kirk, which had belonged to her mother, Fannie Moore. "Something blue" was the garter.

Clintonna Smith of Lamesa served as maid of honor. Marilyn Durham, sister of the groom, served as bridesmaid. They wore floral teal-length dresses in shades of pink and green with puffed sleeves, a fitted bodice with a dropped waist and full skirt. Each carried a cluster of primrose peonies.

Cody Furlow of O'Donnell served as best man. Groomsmen were Monty Barton of Klondike, brother-in-law of the groom, and Tim Flanagan of Stephenville, brother of the bride.

Serving as flower girl was Maegan Durham, niece of the groom. Ushers were Kyle Flanagan and Brad Vogler, cousins of the bride, Cade Furlow and Kent Kahl. Wedding guests were registered by Michelle Smith.

A reception was held in the fellowship hall of the church.

Serving at the bride's table were M'Liss Vogler, cousin of the bride, Robin Roberts and Traci Snell.

Serving at the groom's table were Jodi Barton and Marla and Shae Wright, all nieces of the groom.

The bride is a 1985 graduate of Lamesa High School. She attended Howard Junior College. She is employed by the First National Bank of Lamesa.

The groom is a 1984 graduate of O'Donnell High School. He farms in the Draw area.

Following a wedding trip to Ruidoso, N.M. the couple will live in the Draw community.

Courtesies

A bridal shower was held March 9 in the fellowship hall of the Bryan Street Baptist Church in Lamesa.

Lyntegar, Billy Davis Receive 4-H Awards

By DONNA PETERS

Lyntegar Electric Cooperative, Inc. and Billy Davis of Tahoka, will be recognized at Texas 4-H Roundup next week in College Station. Lyntegar Electric is receiving the citation for outstanding service to 4-H. Davis is receiving the Texas 4-H salute to excellence volunteer leader award. Awards will be presented in conjunction with the state 4-H method demonstration, illustrated talk, and judging event competition.

The citation for outstanding service to 4-H is presented to either individuals, businesses, corporations or others who have contributed to the success and expansion of 4-H in Texas. Only six of these awards are presented.

Lyntegar Electric Cooperative supports the 4-H program and the Texas Agricultural Extension Service in three ways: educationally, financially, and morally. Lyntegar contributes to 4-H safety and electricity projects by providing training events and research to use with youth and adults in preparing and presenting method demonstrations or educational programs. They have contributed a large financial donation to 4-H programs in Districts 2 and 6 through county and district gold star banquets, scholarship endowments, and livestock shows.

Finally, Lyntegar is morally supportive and promotes all aspects of Extension programming. As a result of Lyntegar's leadership a contribution was made to a scholarship endowment for cooperative donors. It has been awarded to only three students - all of whom were involved as 4-H members at one time. Probably the greatest benefit of all of Lyntegar's work is the recognition they provide for young people over a bi-district region. Lyntegar's investment in 4-H recognizes youth for striving to all levels of excellence.

Counties are able to use contributions at county banquets and overall support-like Lyntegar's makes funding of such events possible.

The Texas 4-H Salute to Excellence awards go to two 4-H leaders from each extension district. Therefore, Billy Davis is one of the only 28 to receive this prestigious award and one of two from the South Plains.

Billy W. Davis is the janitor of 4-H. No, it's not because he always gets stuck with sweeping floors and putting up chairs, but for his continued "maintenance" of the Lynn County 4-H program. Billy is the driving force behind recruiting leaders, encouraging the unity among the four competitive towns in the county, and promoting the camaraderie of 4-H and FFA programs in Lynn County. Billy has been a 4-H leader for the past 20 years and was a 4-H member himself. He currently is an officer of the district adult leader's association. Billy and his wife, Ann, have two daughters raised through the 4-H program. Both are now students at Texas Tech University.

Along with these two volunteer awards, Lynn County 4-H'ers will also compete at Texas 4-H Roundup which is held on the campus of Texas A&M University. Trey Nance will interview for one of 92 scholarships given annually to active 4-H members. Eva Gicklhorn will compete in the State 4-H Food Show and also in the Safety and Accident Prevention contest. Jason Belew and Katy Huffaker will present an illustrated talk in the cooperatives category. Carrie Taylor will present her Promote 4-H demonstration.

Binie White and his wife, Edna, will represent Lyntegar. Others who will attend Texas 4-H Roundup include: Kathy Davis, Mary Belew, Lester and Sheri Gicklhorn, Beth Huffaker and agents, Brett Cypert and Donna M. Peters.

DIVERTICULOSIS IS VERY COMMON

Very briefly, Diverticulosis is a condition where outpouchings, similar to the blisters caused by "stone bruises" on automobile tires, swell out along the intestines. Often they cause no bother. Many people have them with no problem.

Sometimes one or more of them becomes irritated and inflamed. An infection results which requires prompt medical attention. This is called Diverticulitis. Constant pain, often accompanied by nausea, vomiting, chills and fever are among the symptoms. For any intestinal discomfort not promptly relieved a physician should be consulted. We can fill his prescriptions.

Where's The Fire?

The Tahoka Fire Dept. answered three calls during the last week, involving grass fires.

On Wednesday, May 22, at 11:15 p.m., 15 members of the department answered the call to eastern Lynn County. A grass fire started by lightning, on CRP land, was quickly put out. No damage to equipment or structures was reported.

Memorial Day was no holiday for 12 members of the Tahoka Fire Dept. Firemen battled high winds and extreme heat while fighting a large grass fire on pasture land on T-Bar Ranch. The fire, whipped by the winds, burned an estimated 400 acres.

Firemen remained on the scene for more than six hours. The fire started near an area where a group from Amarillo was staging a controlled hunt. No cause for the fire has been determined.

The Department wishes to thank Lynn County Deputies Eldon Childress and Robbie Robertson. Also thanks go to Andrew Horwood and former fire chief J.T. Miller, who is always there when needed.

Also on Memorial Day, a city fire was reported on North 5th Street. The fire in a backyard was quickly controlled and only minor damage was reported.

Congratulations to all Lynn County Grads

Letter To Editor

Dear Sir:
I am an alumnus of Wilson High School, class of 1931. I have never been to a class reunion during these sixty years and wonder if you could put me in touch with someone who arranges the reunions. There are probably not many of the class of 1931 still living, but I would like to return for one class reunion if possible.

Any information you might give me on this subject would be greatly appreciated. Thank you.

Yours Truly,

Project Graduation

Project Graduation, a non-alcoholic party following commencement, was judged a success by organizers, Mary Mahurin, Charles Cate and Sherri McCord. One hundred-fifty junior-senior high students danced to music provided by Entertainment Incorporated. Then approximately 65 students stayed through the night at the lock-in to see movies, receive door prizes and enjoy popcorn and cokes.

The highlight of the morning was the drawing for the grand prizes, a jam box and a 17" color TV. Junior, Daniel Garvin, received the jam box and senior, Virginia Lara was awarded the TV. Other sponsors for the all-night activities were Gwen Cate, Lonetta Hudgens, Leah Taylor, Gail Quisenberry and Chuck Cate.

Project Graduation, although a school activity, is sponsored in part by many businesses and individuals in the community and school. "We are very appreciative to everyone for their support" said Charles Cate. "Without that support a party for youth without alcohol would not be possible."

Your HEALTH TIP
CHOLESTEROL TESTING
When should I have it done? Consider it if you are over the age of 20. It's a new barometer of health, warning you in advance that you may be a candidate for an early stroke or heart attack. Where should I have it done? At your doctor's office, perhaps during a routine checkup. Don't eat for at least two hours before the test is done, and try to stay calm. Levels can rise 5% to 10% with stress. Be sure to tell your doctor if you're taking any drugs - several can influence cholesterol levels in the blood one way or another.

Elementary Field Day Held

Tahoka Elementary School held a track and field day last week before school ended for the summer, with students in grades K-6 participating in the all-day event.

Students, teachers and volunteer helpers gathered at the football field for the event, beginning at 8:30 in the morning and lasting throughout the day. Each participant was awarded a ribbon for his/her efforts.

The school would like to thank all those who volunteered to help with the track and field events, and with the concession stand.

The Lynn County News is not able to print all the names of the participants of the track meet, due to the fact

that there were so many students involved, and so many events held.

TASSP Names Charles Cate 1991 Outstanding Principal

The Texas Association of Secondary School Principals is pleased to announce that Charles Cate, principal of Tahoka High School, has been named the 1991 Outstanding Principal for Region 17.

Region 17 comprises 26 counties in the west Texas area. Cate, along with 19 other principals throughout the state, will be honored at the TASSP Summer Conference in Austin on June 12 at a special banquet.

Cate was selected for the award by other principals in Region 17 for his pursuit of excellence at Tahoka Jr.-Sr. High School. Last year under his leadership, the school was awarded

the Scholastic Gains Award as an exemplary school by the Governor's Educational Excellence Committee.

Cate came to the Tahoka school system in 1985 as a mathematics teacher and head basketball coach with an impressive 16 years experience throughout Texas in education, including district championships in basketball and football.

During the six years with Tahoka schools, Cate has served as teacher/coach, assistant principal, and four years as principal of the junior/senior high school. "His administrative record has been outstanding, and he has proven himself capable and efficient," says Dr. Duane Carter, super-

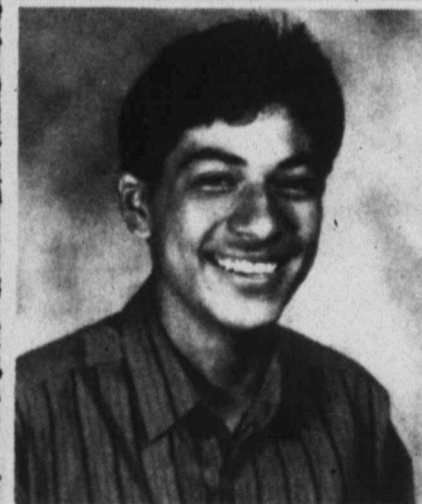

intendent of schools.

"In all of his actions, Charles has never lost sight of the primary function of the school, that is the education of students," commented Dr. Carter. "Charles gets others to work harder because they want to. He gives encouragement to others, spurring them to their best efforts."

Cate is also active in community activities and presently serves as adult coordinator and usher at the First United Methodist Church. He initiated the first non-alcoholic after-graduation party in Tahoka three years ago, and recently was guest reader at the TSTA read-a-thon at South Plains Mall.

"I really enjoy working with youth in all aspects of their lives," says Cate, "and I am extremely grateful to the Principal's Association for this recognition. It certainly took me by surprise. It is a great honor not only for me but for my entire staff."

Cate is married to Gwen, also an educator, and has two sons, Chuck, a junior at McMurry College, and Brandon, a senior at Tahoka High School.

He was nominated by Mrs. Sheri McCord, counselor at the school. Juan's name will appear in the United States Achievement Academy Official Yearbook, published nationally.

Juan is the son of Delia and Juan Luna and the grandson of Eva Calvillo, all of Tahoka.

THE FIRST NATIONAL BANK OF TAHOKA

To All Lynn County Residents:

For the past several years, a group of local businessmen have worked toward the goal of purchasing The First National Bank of Tahoka. As you may be aware, this goal recently has been accomplished. On March 15, 1991, ownership of the bank was returned to local hands for the first time in almost thirty years.

We purchased the bank because it is one of the strongest capitalized banks in the nation, and we want to use that strength to ensure that you continue to have a safe place to keep your savings and a reliable source to call upon to meet all your credit needs. The First National Bank of Tahoka has served Lynn County since 1907, and our number one priority is to build on and improve that service to you.

You have our assurance that there will be no earth-shaking changes in the bank's future. Our employees are the best in any bank we know, and your favorite teller, bookkeeper and loan officer will continue to be right where you expect them to be--ready to serve you as they have in years past. You know us and we know you--and that makes good friends, good business and good banking.

The board of directors encourages you to come to any of us with your questions or concerns. Most of you have known our directors--John Krey, C. T. Louder, Natt Park, Wilton J. Payne, Jim Solomon, Clint Walker, Bryan Wright and me--for many years, and we welcome your input. Remember, there would be no First National Bank of Tahoka without you, our loyal friends and customers. You are our most valuable asset.

To our customers of many years, thank you for your continuing support. You are the foundation of our strength.

To our newer customers, thank you for giving us a chance. You are the strength of our future.

And to all Lynn County residents not currently customers of The First National Bank of Tahoka, we welcome your business. We want to be your bank--and will work hard to justify your confidence in us.

Thanks again, Lynn County.

Sincerely,

F. B. Hegi, Jr.
