Hospital Commemorates Billman Family Contribution With Plaque Of Appreciation

Lynn County Hospital this week dedicated a plaque of appreciation in memory of Joe Bob and Anita Billman in recognition of a generous contribution from their son, Jimmy Billman and family.

The Billman family were long-time residents of Tahoka, operating a flower shop here for many years. Both Joe Bob and Anita Billman were patients at Lynn County Hospital for quite some time, and their son Jimmy was "very keen on this hospital," according to Dr. Richard Wright, who treated the Billmans. Jimmy, who now lives in Traverse City, Mich. with his wife Karen, this week gave a large donation as a memorial for his late parents, in appreciation for the care which was given to his parents by the staff at the hospital.

Larry Hagood, and his late wife Sue, were good friends of the Billmans, as were Mrs. Grace Prohl and her late husband, Emil. They were on hand for the dedication of the plaque at the hospital Tuesday, and expressed their appreciation to the hospital for the commemorative plaque.

"The staff here took such excellent care of Joe Bob and Anita," said Hagood. "They gave tender, loving family-type care to this family, and their son Jimmy really appreciated this hospital," he added.

Mrs. Prohl remembered the Billmans fondly also, and recalled that Joe Bob was "quite a lively person."

The Billman family was very community-minded, according to Hagood, and loved Tahoka. "There are not very many people who would remember the hospital and be so generous," he said.

"I would like to encourage others to do the same thing, with memorial contributions to the hospital," said Hagood, himself a long-time supporter of the hospital. "These contributions do not go into the general fund. They can be designated for other needs," he added.

Hospital Administrator Louise Landers expressed appreciation for the generous contribution also, and said the hospital was grateful to Jimmy Billman for his support of the hospital. "We are going to hang the plaque in the hospital lobby where everyone can see it," she said. "And, we will continue to strive to give the best possible care to our patients here, in a loving and professional manner," she added.

The young Bulldogs, who deserve medals for valor after giving their best in the last three weeks against

mostly older and stronger players, will go to New Deal Friday night for Tahoka's final game of the season. New Deal, 7-1-1 for the year after beating Ralls 53-3 last week, likely will get into the playoffs. Seagraves, now 8-0-1, probably will be the champion of district.

John Quintanilla, Clayton Laws, Juan Luna and Doug Smith all made some good plays for Tahoka on defense, but for the most part, Martinez and his friends were too much to handle.

The loss brought Tahoka's season record to 1-8.

Children's Community Christmas Musical Practice Begins

A Children's Community Christmas Musical is being sponsored by the First United Methodist Church of Tahoka, directed by Marvin Gregory, pastor of the church, and Mrs. Juanell Jones.

All children in the community in first grade through sixth grade are invited to participate in the musical, which will be presented at the Methodist Church Wednesday evening, Dec. 18.

Practice for the musical is being held on Mondays from 3 to 5 p.m. at the church, and the church van will pick up children at Tahoka Elementary School at 3 p.m. each Monday. Parents should pick up their children

at the Methodist Church at 5 p.m.

Children will be given refreshments upon arrival at the church, and will begin choir practice at 3:30 p.m., so that those children who must stay at school until 3:30 can have their parents bring them at that time, and still won't miss any choir practice. Also, the children will be doing some Christmas crafts during a break period at the rehearsals.

Any costumes required for the musical will be provided by the church.

"We invite all children in first through sixth grades to come and be a part of our musical," said Mrs. Jones. "We plan to have a rap song with a Christian message for the boys to sing, and some other fun songs, as well as the traditional Christmas carols, all told with a narrative of the Christmas message of the birth of baby Jesus. We plan to have a lot of fun with this, while at the same time reinforcing the true meaning of Christmas," she added.

Public Notice

On July 1, 1991, Southwestern Bell Telephone filed an application with the Public Utility Commission of Texas that proposes to delete Paragraph 3.4(G) from Section 3 of Southwestern Bell's intrastate Access Service Tariff, which concerns credits where a customer uses Switched Access Service to furnish a service which has been defined to be an exchange service. The application was assigned Docket No. 10463.

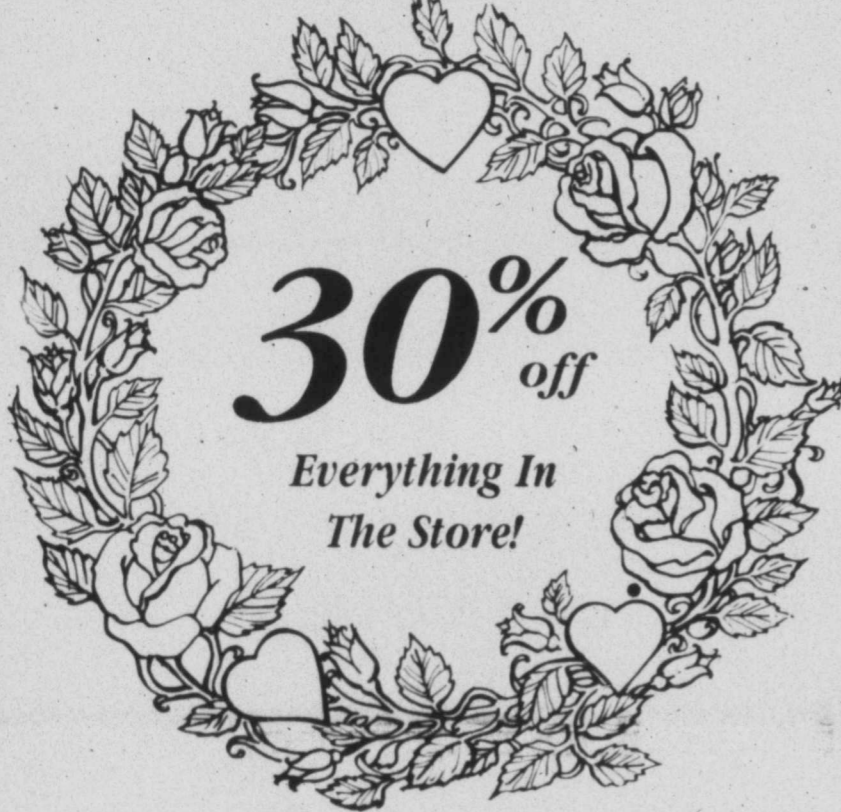

Because Southwestern Bell is not aware of any customers who presently use switched access service to furnish an exchange service, Southwestern Bell does not believe its revenues will be affected. However, certain interexchange carrier customers of switched access service have made claims under the aforementioned tariff. Such customers, but only to the extent they provide an exchange service using switched access, would be affected by this application. Based on claims made for credits (assuming such credits were allowable), Southwestern Bell's revenues would be affected by no more than \$1,168,962 annually, which is .037 percent of the Company's adjusted revenue for the 12-month period ending December 31, 1990. It is not possible to know how many interexchange carriers might believe themselves entitled to credits, but 189 carriers have registered with the Commission pursuant to PUC Substantive Rule 23.61.

The tariff, after suspension, is proposed to be effective May 1, 1992.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible, but no later than November 15, 1991. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Public Information Office at (512) 458-0256. On April 16, 1991, GTE Corporation ("GTE") and Contel Corporation ("Contel") filed a joint petition for declaratory relief with respect to the obligations or requirements of GTE or Contel and/or any of its subsidiaries relating to the merger of GTE and Contel. GTE and Contel have requested a ruling from the Public Utility Commission of Texas that neither GTE nor Contel is required to report the merger of GTE and Contel pursuant to Section 63 of the Public Utility Regulatory Act ("PURA"), TEX. REV. CIV. STAT. ANN. art. 1446c (Vernon Supp. 1991), that no investigation of the merger by the Commission is required. In the alternative, GTE and Contel seek a determination that the merger is consistent with the public interest.

The Commission is investigating the merger between GTE and Contel Corporations to determine whether the merger is consistent with the public interest. In reaching its determination, the Commission shall take into consideration the reasonable value of the property, facilities or securities to be acquired, disposed of, merged or consolidated. If the Commission finds that the merger is not in the public interest, the Commission shall take the effect of the transaction into consideration in GTE Southwest Incorporated's and Contel of Texas, Inc.'s next ratemaking proceeding and disallow the effect of such transaction if it will unreasonably affect rates or services.

This filing has been assigned Docket No. 10212. Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission. A request to intervene, participate, or for further information, should be mailed by 3 p.m., December 31, 1991, to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, TX, 78757. Further information may also be obtained by calling the Public Information Division of the Public Utility Commission at (512) 458-0256, or (512) 458-0221 teletypewriter for the deaf.

ARP Signup Dates For 1992 Scheduled

Secretary of Agriculture Edward Madigan this week announced that the 1992 acreage reduction program (ARP) signup for feed grains, wheat, rice and upland and ELS cotton will be Feb. 10 through April 17, 1992.

These dates could be delayed depending on when Congressional action is completed on pending technical corrections to existing agricultural laws, Madigan said.

The secretary has announced a 5 percent ARP for the 1992 crops of barley, corn, sorghum and wheat, and a 10 percent ARP for upland cotton. No acreage reduction will be required for oats. The 1992 acreage reduction percentage for rice has not been announced.

Public Notice

On October 18, 1991, Southwestern Bell Telephone Company filed an application with the Public Utility Commission of Texas to add a new optional service offering called SmartTrunk™ Service. The application has been assigned Tariff Control No. 10687.

SmartTrunk Service provides access between the customer's premises and the serving Southwestern Bell central office for circuit-switched voice and data communications. This communication capability is provided where facilities are available using Integrated Services Digital Network architecture. ISDN services available with SmartTrunk Service use Primary Rate Interface (PRI) technology. SmartTrunk Service requires PRI ISDN compatible Private Branch Exchange (PBX) customer provided equipment registered under FCC Part 68 Rules. SmartTrunk Service employs a 1.544 Mbps facility (denoted as SmartTrunk Interface) typically divided into twenty-three B channels and one D channel. B channels are used for voice and data communications while the D channel provides out-of-band signaling.

If approved by the Commission, the rates for each SmartTrunk Interface facility will be \$1,110 per month under a 36-month service contract or \$1,010 per month under a 60-month service contract. The proposed rate for the use of the central office varies from \$12.25 up to \$18.90 per month for each B channel depending on the rate group classification which is determined by the customer's location. Southwestern Bell estimates revenue of \$2.8 million from this offering during the first year.

Persons who wish to intervene or otherwise participate in these proceedings should file comments regarding this application with the Commission as soon as possible. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Public Information Office at (512) 458-0256. The telecommunications device for the deaf (TDD) number is (512) 458-0221.

Tahoka DECA Students To Tear Down Two Dilapidated Buildings Here

The 1991-92 Tahoka High School DECA Civic Consciousness Project will commence soon. The DECA students plan to address a problem identified by the City Council when they begin the razing of two dilapidated buildings in downtown Tahoka. The two buildings to be razed are located between Fenton Insurance and The Cake Palace.

These buildings housed the Avenue J Barber Shop and the Davis Cafe in the 1930's; more recently they were used as a domino hall.

Many businesses and individuals have volunteered to help DECA in this endeavor. If you are interested in helping manually or mechanically with the completion of this project, please call Glo Hays at 998-4714 or 998-4039 or David Cook at 998-4752 to determine work dates.

It is hoped that the successful completion of this project will encourage other individuals and organizations to do everything possible to help beautify Tahoka.

DECA Civic Consciousness Projects are sponsored by the Seven-Up Bottling Company and the Mus-

cular Dystrophy Association. During the next few weeks the Seven-Up Bottling company will be providing DECA students with refreshment as they work. Proceeds of money raised from this project will be donated to Muscular Dystrophy, who will in turn, give the money to a muscular dystrophy patient from Tahoka or Lynn County.

Anyone interested in sponsoring DECA in this endeavor by making a contribution to MDA, please call Glo Hays at 998-4741 or 998-4039, Juan Hernandez at 998-4028, or Albert Mendoza at 998-4173.

After completing this project DECA will enter a Civic Consciousness Project chapter written event. This entry will be judged at the District level in Amarillo on February 1, 1992.

Hopefully, this entry will advance on to the state contest in Austin in March and the national contest in Anaheim, California in April.

Even though DECA students are busy with their schoolwork and jobs, they are looking forward to helping beautify downtown Tahoka.

SPS Employee Gets Service Award

James Richard Cloe of Tahoka, who works for Southwestern Public Service, will be recognized for his five years of service to customers in the region.

Service awards will be presented to employees at the SPS Southern Division and Production Department awards dinner, Nov. 14, in Lubbock. They are among 371 employees of the company and subsidiaries being recognized through a series of award dinners.

HALLOWEEN SNOW BUNNY - Glenda "Snow Bunny" Williams discovered snow and ice all over the front of her sidewalk in front of Tahoka Family Flowers last Thursday, when the area was hit with a cold blast of the wet chilly stuff on Halloween Day. All dressed up for Halloween fun, she and her mother, Jean Jackson, are shown scraping and sweeping snow, as did lots of other area residents and businesses in town. Temperatures that day only rose to 31 degrees in Tahoka, and trick or treaters must have been shivering from the cold instead of fright that night. (LYNN COUNTY NEWS PHOTO)

Here's How To Win ...

OFFICIAL RULES

- Using a pen or pencil, place an X in the box nearest the team you pick to win the games. Then, pick an actual score for the game designated as the tie-breaker.
- Choose one sponsor's name from among the businesses listed, and write it in the designated blank. Each week, the Lynn County News will draw the name of three sponsors, any one of which, if named, will double the winner's prize money (paid by Lynn County News).
- Mail or bring your entries to The Lynn County News, at 1617 Main Street in Tahoka, or P.O. Box 1170, Tahoka, TX 79373. Mailed-in entries must be postmarked by Thursday to be eligible, and entries brought in to the News Office must be received by 4 p.m. Friday preceding the games listed on the ballot. Acceptable football contest entries are those that are actually clipped from The Lynn County News. Copies of the entry ballot will not be accepted.
- Each week's winner will be determined by the number of winning teams correctly picked. If more than one person picks the largest number of winners, the person who picks closest to the actual score on the tie-breaker will be the winner.
- The winner will receive \$5.00 from The Lynn County News. If the winner has also chosen the correct Secret Sponsor, he/she will be awarded double that amount.
- Winners will be announced through the Tahoka football full-page advertisement on this page.
- To receive your prize money, the winner should personally come by The Lynn County News.
- Employees and immediate families of The Lynn County News are not eligible to win. The News reserves the right to disqualify, for cause, any or all entries, and maintains the right to cancel the contest at any time without prior notice or announcement. Judge's decisions are final.
