Homeowners East Of Tahoka Suffer Heavy Burglary Losses

Burglars last Thursday took items valued at more than \$7000 from two homes east of Tahoka, striking in daylight hours while the owners were away from home.

The home of Ginger Hughes, about 10 miles southeast, was entered by kicking open a front door. Apparently the burglars moved a vehicle around to the back of the home for loading up a long list of items, including three color TV sets, a microwave oven, a William Pitt automatic .380 pistol, jewelry, clothing, VCR and a Yamaha keyboard.

Estimated total value of the stolen goods was \$4127.

Officers believe the same burglars broke into the home of Cal Huffaker, about 8 miles northeast of Tahoka, that same day, stealing a Zenith TV and VCR, Pentax camera, jewelry, and four guns, including Remington and Ithaca 12-gauge shotguns. Those articles were valued at a total of \$3430.

A witness described a vehicle seen in the area of the Hughes home that day.

Lynn County sheriff's department also had a report that a 1976 Oldsmobile owned by Gloria Hinojosa had been taken from a residence 13 miles east of Tahoka on

Oct. 16. A suspect was named, but the vehicle had not been located at last report.

Dept. of Public Safety officers investigated a wreck 2.4 miles east of O'Donnell Saturday afternoon. A 1980 Toyota Celica driven by Raul Rodriguez Comacho, 52, of O'Donnell, overturned. The driver was treated and released at Lynn County Hospital for apparent minor injuries.

In jail during the week were five persons for driving while intoxicated, with one of these also charged with no drivers license, no insurance and failure to drive in a single lane. Another person was jailed for possession of marijuana under two ounces.

Woodwork...

WORDS WITH French endings and pronunciations sometimes sound pretty strange to me, when you consider what would happen if you applied the same formula to a lot of other words we use.

Take the words, Perot, Chevrolet and buffet, for instance. The "rot" in the word Perot is pronounced "row"; the "let" in Chevrolet is pronounced "lay"; and the "fet" in buffet is called "fay". If we applied these kind of spellings to common words we use, we would have things like:

See *King Kong* starring Fet Wret (Fay Wray), or *Going My Wet*, starring Bing Crosby. Or maybe *The Wet We Were* with Streisand and Redford.

Rot, rot, rot your boat, gently down the stream.

This year I planted my cotton four rots in and four rots out.

Now I let me down to sleep, I pret the Lord my soul to keep.

Of course, people like Ross Perot probably wouldn't want to pronounce their names in the English (or Texas) style. Or maybe he would; he'll probably have to study that and get back to us.

...
KNOTHOLES in the Woodwork: This year there seems to be an unusual number of skunks, wasps, spiders and Clinton supporters around. ... Speaking of which, *James 5:1* is what Bush warns will happen if Clinton is elected. ... Saturday is Halloween. You can be a Halloweenie and avoid the trick-or-treaters by taking someone out to dinner (your husband, wife or ghoul friend). ... A quarter-page ad in *USA Today* last Tuesday warned that "Jesus Will Come Again on Oct. 28." Surely He will come again, but I'm not sure anyone knows when. However, if you don't get to read this, they were right. Right or not, somebody paid a lot of money for that large an ad in *USA Today*. ... Anyone who has a home knowing that everything breaks at once. The oven heating element and washing machine at our house cratered on the same day. We had just finished having a roof replaced. And the septic tank on our place at the lake caved in and must be replaced. Maybe I can work that into the French pronunciation thing: Monsieur is okay? No, mine sewer is broken.

Commissioners Discuss Roads, Pickup Purchase

Lynn County Commissioners discussed the condition of several dirt roads in the county, and approved the purchase of a pickup truck for Precinct 2, during regular session Monday morning, Oct. 26.

Tahoka Postmaster Leonard Dunn and rural mail carrier Debra Edwards spoke to the court about the condition of several dirt roads in the county, saying they were posing problems for mail delivery when it rained. Commissioners agreed to look at the trouble spots, mostly in Precinct 4, to see what can be done to help alleviate the problem areas.

Another road leading to the property of B.L. Miller was discussed by commissioners, but no action was taken and the item was tabled.

Commissioner T.A. Stone asked the court for approval to trade in two old pickups for a new pickup for Precinct 2, and was given unanimous approval by commissioners.

In other business, the court approved a lease contract with the City of Tahoka for the property where the Lynn County Collection Station is situated. The lease agreement of \$1 per year was unanimously approved.

After a budget discussion, the court adjourned at 11:30 a.m. All four commissioners were present, and treasurer Janet Porterfield, as well as visitors Juanell Jones, Leonard Dunn and Debra Edwards.

Lynn Backers Of Bill, George, Ross To Join Trek To Polls On Tuesday

Lynn County voters who have not already voted at the courthouse will join millions of other Americans in a journey to the polling places next Tuesday to mark their selections in the general election, with the spotlight on the presidential race between Democrat Bill Clinton, President George Bush, independent Ross Perot and several lesser-known certified write-in candidates such as Lyndon LaRouche.

The county's voters, scheduled to be ousted from Congressman Charles Stenholm's district, also will vote on whether to get incumbent Bill Sarpalius or Republican Beau Boulter as their U.S. representative in District 13. There are several other con-

tested races on the ballot, including one involving State Sen. John Montford, a Democrat heavily favored to win over challengers George Gray, a Republican, and Lubbock chiropractor E.A. Addington, a Libertarian candidate.

Up to closing time at 5 p.m. Friday voters in any of the county precincts may, if they wish, go to the county clerk's office and vote in the election, regardless of whether they plan to be away next Tuesday.

Election officials noted this week that residents of voting precinct 6, which formerly voted at Robert Harvick Insurance building, now vote at Tahoka Elementary school, where they are asked to park on the north

side of N. 3rd St. and enter the new middle section of the school, where voting will be in the library.

A sample ballot is printed on page eight of this week's edition.

Voting places in the county Tuesday, with the voting box listed first, will be as follows:

- 1-South Tahoka. Courthouse basement, Tahoka.
- 2-Wilson. Green Bldg., Wilson.
- 3-O'Donnell. O'Donnell High School.
- 4-New Home. New Home High School.
- 5-Draw. Paymaster Gin office in Draw.
- 6-N. Tahoka. Tahoka Elementary School.
- 7-Grassland. Community Center, Grassland.
- 8-Hackberry. Hackberry Gin office.
- 9-W. Tahoka. Tahoka High School.
- 10-New Moore. Community building, New Moore.
- 11-Lakeview. Lakeview Gin.
- 12-SW Tahoka. Fuzzy's Place, Tahoka.
- 13-N. Lynn County. Poka-Lambro building.
- 14-E. Tahoka. District courtroom, Tahoka.

RENE ON HIS WAY- René Luna carries the ball for a gain against Idalou last Friday night, one of 22 times he ran with it, gaining 94 yards in the game and averaging 4.3 per carry. Another Tahoka running back, Jace Copeland, averaged 4.7 with 20 carries for 95 yards. Luna is being pursued here by Aaron Spann of Idalou, which won the game 20-7. Dogs Play Tough As Cats Win 20-7

By DALTON WOOD

Undefeated Idalou remained that way this week, but the Tahoka Bulldogs gave them a good struggle last Friday night before going down 20-7 in a District 4-AA football game.

Idalou and Ralls, both unbeaten, will play this week, with the winner likely to capture the district title, although Idalou still must play Seagraves, which lost by a point to Ralls last week.

Tahoka, with those three top district teams behind them, now will have the rare role of favorite in this week's district game at Sundown, which is winless for the year, compared to Tahoka's 2-6 record. Last Friday Crosbyton beat Sundown 29-7.

With Tahoka's offensive line playing their best game of the season, according to Coach Chris Wigington, the Bulldogs had two backs with almost 100 yards rushing. Jace Copeland gained 95 yards in 20 carries

and René Luna gained 94 yards in 22 carries.

Eight players alternated on the offensive line during the game, and all did well, the coaches said. Jayson Boydston moved into the starting lineup, and the others who blocked well were Clayton Laws, John Quintanilla, Cody Hale, Johnny Rodriguez, Chris Trevino and Doug Smith, who dislocated a knee in the second half. Coach Wigington said Smith and Randy Fant, who earlier broke a wrist, may possibly play in the final game here against Post.

The coach said that Brian Moore, who had been the Bulldogs' leading rusher and scorer through the first six games, is no longer on the team.

The unbeaten Wildcats were heavy favorites to make a runaway of the game last Friday, but Tahoka kept it close, and even threatened to catch up in the second half.

The Wildcats scored with 5:26 left in the first period when talented

junior Quarterback Tatum Lynn ran 7 yards for the TD and Eddie Martinez kicked the point to make it 7-0. Earlier in the quarter Idalou had driven to the Tahoka 4, where a fumble was recovered by End Donnie Wiseman of the Bulldogs.

Another Idalou drive in the second was halted on good defense including key tackles by Wiseman and End Terry Gwin. But near the end of the half, Lynn ran 30 yards for a Wildcat score. Just before the half, Luna had runs of 24 and 16 yards for the Dogs.

Opening the second half, Tahoka took the kickoff at the Bulldog 27 and cranked up a drive which took 8 minutes and 43 seconds, almost all of the third quarter before giving the visitors a chance on offense. Copeland had runs of 15 and 10 in the drive which moved steadily to a first at the Idalou 7. From there the Bulldogs were thrown back to the 10 where, on fourth and goal, Quarterback Heath Brewer hit Cory Whitley with a 10-yard pass into the end zone, creating maximum excitement in the east stands and considerable consternation on the west side.

On the kickoff, Idalou fumbled and Tahoka recovered at the Idalou 37, giving the Dogs a great opportunity to make a game-tying (or winning) drive, but Idalou held on downs at the 28 just before the end of the third period.

In the fourth, Idalou drove to the Tahoka 12 but again lost the ball on a fumble. Then the Cats finally came back with a long drive which ended in a 1-yard lunge by Lynn over the goal line. A kick was no good, and it was 20-7 with 2:31 left in the game. Tahoka tried to come back, and Copeland ran 20 and Brewer went 11 to the Idalou 28 with 57 seconds left. But a pass interception stopped that drive, and the game ended 20-7.

Good defensive efforts were attributed by the coaches to linebackers Laws and Wes Solomon and to linemen Wiseman and Quintanilla. Also making several tackles were Hale and Chris Montez.

I don't want anyone to panic, but we have missed a very important week here. Oct. 18-24 was National Dental Hygiene Week, and I don't know about you, but I feel just awful that I didn't know about it. I would have brushed my teeth, or something, had I but known.

Other designated weeks (specially designated by all those wonderful politicians in Washington who have nothing better to do than sit around and dream up themes to promote various and sundry lobbying efforts ... which we pay them to do, by the way) include:

- National School Bus Safety Week - that's when we try to keep our buses safe by not letting any snot-nosed rowdy children with sharp objects hidden inside their notebooks ride in them ... those buses cost a lot of money, folks. Let's keep those buses safe!

- National Forest Products Week - I assume they're talking about paper products from trees and not the disgusting products which animals leave lying around for unsuspecting hikers to tromp through. I think our politicians should clarify this promotion, so that we as law-abiding citizens will know exactly which product they wish us to ponder upon ... although it may help if we ship them some animal product first. It's our civic duty.

- National Infertility Awareness Week - Let's see now ... who do we know who is nationally infertile ... other than Congress, who has yet to give birth to a good idea? Reckon they want us to be aware of this? Not.

- National Fig Week - Now here's a real important week to remember. The only thing I know about figs is that Adam and Eve covered themselves with fig leaves, and that if those leaves were anything like the size of the leaves on my fig bush in my back yard then Eve must have been a really good contortionist to cover herself in all the right places. National Fig Week is Nov. 1-7, if anybody gives a fig.

- National Split Pea Soup Week - I'm willing to bet it would be a close contest between this week and Fig Week as to which ranks highest in the "Who Gives a Rip" contest, although if you've read this column this far then you probably don't have all that many brain cells left and are really looking forward to Split Pea Soup Week.

- National Geography Awareness Week: Are you aware that, yes, we do have geography in America? Well, we do ... just ask any kid who watches "Where In The World Is Carmen Sandiego" and they can tell you the capital of Nigeria and probably any bordering countries and their primary crop exports. The word "geography" comes from the greek words "geo" meaning "large" and "graphy" meaning "round planet with many hard-to-spell locations which you will be required to name throughout your school career."

Personally, I think all of these theme weeks are pretty lame. I vote we wipe the calendar clean and start anew, and only put in important weeks like National Love Your Newspaper Week which would require all subscribers to send fresh-baked brownies to the newspaper office.

This would be followed by National New Car Week where car manufacturers would be forced to give away new cars to the first 1,000,000 people who respond, and National Erase Your Debts Week when all computers in financial institutions would automatically clear your debts and triple the amount of your last deposit.

And finally, let's not forget National Politicians Week, which is when any politician running for a national office would have to personally come to your home and clean your bathrooms. During a presidential election year, they would also have to wash windows and clean gutters.

Where's my lobbyist?

FOOTBALL CONTEST WINNER GETS \$20 - Mike Castillon, left, a Tahoka ninth grader, receives a \$20 check from The Lynn County News for winning the football contest and correctly naming Thriftway as the secret sponsor of the week. Steve Sanders, manager of Thriftway, presented the check to Castillon Tuesday.

(LYNN COUNTY NEWS PHOTO)

Grid Contest Entry Is First To Be Perfect

Tahoka High School freshman Mike Castillon this week became the first contestant to turn in a perfect entry in the weekly Lynn County News football contest, correctly choosing all 12 winners and even being the second person this season to correctly guess at the secret sponsor for the week.

His choice of Thriftway as the secret sponsor doubles his prize money, so Castillon gets \$20 instead of the usual \$10. Two more football contests are scheduled this season, sponsored in the newspaper by local businesses. Each week four secret sponsors are chosen, and if a contestant correctly guesses one of these, his money is doubled if he wins.

This week's secret sponsors were Thriftway, Sweet Shop, Production Credit Assn., and Jennings of Tahoka.

Missing only one game each in last week's contest were Curtis Erickson, Mike Quisenberry and Jesse Arousa.

Entries must be received by the newspaper by 4 p.m. Friday.

Family Fun Fling Set Saturday At First Baptist Church

A Fall Family Fun Fling will be held this Saturday, Oct. 31 from 5-8 p.m. at the First Baptist Church of Tahoka. All children through the sixth grade are invited to wear their costumes and bring their goodie sacks to the event.

There is no admission charge, but participants are asked to bring a canned food which will be donated to the food bank.

Held in the fellowship hall of the church, several activities will be offered at the game booths and prizes will be offered. Food booths will offer 10-cent cokes, 10-cent popcorn, hot dogs for 25-cents and 35-cents, and beans and cornbread for 50-cents.

JV Bulldogs Zapped By Eagles

by THS Growl Reporter
Seagraves Eagles flew over the Tahoka Junior Varsity Bulldogs by a score of 10-0 on Thursday, Oct. 15.

"Todd Webster got his first experience in the defensive two technique," said Coach David Johnson. "He played a super game," he added. "The JV team lost Oscar Garcia for their next game against Idalou. Oscar was pulled up to play on varsity; he was injured in practice and unable to be of help."

JV Bulldogs will play their last two games without two of their more experienced sophomore players. Ramiro Rodriguez and Chris Rodriguez have both been pulled up to the varsity team for the Sundown and Post games.

"We will miss some of our depth at running back," said Coach Johnson. "Donnie Walton, Greg Smith and Gerald Cantu will be the main men in the backfield. I hope to see Smith fill in running."

C. Rodriguez was the center for the JV team, Coach Johnson says he is looking at Todd Webster or Mike Castillon to snap the ball at the center position.

C. Rodriguez was also a strong defensive end for the JV Bulldogs. "Stephen Rodriguez may be our best guy to take up the hole for defensive end," said the coach.

In the Oct. 22 game, the Idalou

Wildcats scratched Tahoka's JV 28-12.

In the third quarter with only one minute left, the JV was up 12-7 and was moving the football up the field. Idalou knocked the ball loose from a Bulldog and returned the fumble for Idalou's second touchdown.

"We let it get to us and dropped our heads," said Coach Johnson. "We let another fumble give them their touchdown."

Idalou's fourth TD was given to them by the Bulldogs when the snap went over the punter's head and a Wildcat took the ball in.

"Basically, the fourth quarter was a disaster," said Coach Johnson. "Our attitude was a lot better in the Idalou game and I feel the effort was there," he added.

Cub Scouts To Meet Next Week

Tiger Cub Scouts Pack 782 would like to invite all first grade boys to come join the fun. A den meeting will be held Monday, Nov. 2 at 6 p.m. at the Tahoka Community Center.

Parents are invited to come join the fun. Tiger Cub leader is Randy Hall.

Cub Scout Pack 782 invites all second and third grade boys to their den meeting on Tuesday, Nov. 3 at 6 p.m. in the Community Center.

Parents are also invited to attend this meeting. Cub Scout leader is Margaret Thompson.

"We are planning a lot of interesting and fun things to do," says Cub Master Todd Henry. "I want to encourage all boys in first through fifth grades to join us in the fun," he adds.

The Webelos den meeting will be held at a later date, which will be announced. Webelos are grades 4th and 5th.

"We would like to see a big turnout for our den meetings," adds Henry.

TOOTH SEALANT

Dental sealants are thin plastic films, painted on the chewing surfaces of large flat molars, premolars, and bicuspids. The film, which can last for 10 years or more, prevents decay along the irregular surfaces, pits and fissures of these teeth, where food particles and bacteria lodge. Dental health experts are again alerting parents about effective but underused plastic sealants to protect children's permanent teeth against decay.

Jr. High Teams Tie, Win One Against Idalou

by THS Growl Reporter
Tahoka Junior Varsity and junior high teams play Sundown tonight (Thursday). Junior high teams begin play at 5 p.m. at Sundown, and junior varsity will play their final home game beginning at 6 p.m.

Seventh grade football players had a hard contest here last Thursday, Oct. 22. They battled the Idalou Wildcats to an 0-0 tie game.

"They were so much bigger than we were," said Coach Steve Qualls. "The tie seemed like a victory. We kept them bottled up and that was an accomplishment," he added.

Matthew Colon and Mario Guerez turned in great offensive blocking and defensive hustle, according to Coach Qualls. He said the running backs had a hard time getting loose, but that they held on to the ball better this week.

Eighth graders won a come-from-behind victory over the Wildcats, 16-12.

"The boys are such competitors," said Coach Qualls. "They knew what they had to do and did it."

Turning in an outstanding game on the field, according to the coach, were Monty Hale, Reggie Moore and Matt Garcia. David Ayala and Brent Rainold played key roles in the comeback to win the game, said Qualls.

Scoring for Tahoka eighth grade were Monty Hale and Reggie Moore. Joe DeLeon scored the winning touchdown on a recovered fumble by the Idalou running back.

Texas Water Development Boards Approves Loan

The Texas Water Development Board approved a \$1,000,000 loan from the Agricultural Water Conservation Bond Program to High Plains Underground Water Conservation District No. 1.

The District will use loan proceeds to make low-interest loans to individual farmers and ranchers in the District's service area to purchase and install more efficient water conservation equipment.

High Plains Underground Water Conservation District No. 1's jurisdictional area covers more than 1,000 square miles in northwest Texas including all of Cochran, Lubbock, Lynn, and Parmer Counties, and parts of Armstrong, Bailey, Castro, Crosby, Deaf Smith, Floyd, Hale, Hockley, Lamb, Potter, and Randall counties.

flash flooding which occurred between May 1 and June 30, 1992 and continuing caused many farmers and ranchers to experience reduced incomes which may have had an adverse economic effect on businesses depending upon these producers. Farmers and ranchers are not eligible for this loan program but may be eligible for disaster assistance through other Federal agencies.

Walter Fronstin, district director, said that 21 of these counties, including Lynn, are located in the area serviced by the Lubbock SBA Office. Businesses have until May 11, 1993 to file an application, Fronstin said.

To obtain an application or receive additional information, interested business owners may call the SBA toll-free at 1-800-366-6303 or TDD 871-267-4688 for the hearing impaired.

Economic Injury Disaster Loans Available From SBA

Businesses depending on farmers and ranchers in 27 Texas counties can now apply for low interest Economic Injury Disaster Loans (EIDL) from the U.S. Small Business Administration (SBA). These loans are available to help businesses meet normal operating expenses that cannot be met due to the effects of a disaster.

of the Commander, South Atlantic Force.

Held since 1960, UNITAS involves a series of combined naval warfare exercises designed to improve the inter-operability of U.S. and South American forces at sea. The four U.S. Navy ships assigned to the Task Force, trained with each of the eight South American navies or air forces while traveling clockwise around the southern continent. The exercise involved more than 15,000 service members from the nine countries.

Kilpatrick who visited 19 port cities during the exercise, is a 1970 graduate of Memphis High School, a 1974 graduate of West Texas State University, Canyon, with a Bachelor of Science degree and joined the Navy in July 1982.

Sales Tax Checks Mailed

State Comptroller John Sharp recently sent a total of \$102.9 million in October sales tax rebates to 956 Texas cities and 105 counties, a 3.3 percent increase over their payments of one year ago.

Texas cities received \$92.1 million, up 3.3 percent over the \$89.1 million they received last October. Counties received a total of \$10.8 million for their October rebates, a 3.8 percent increase over October 1991 rebates totaling \$10.4 million.

Lynn County received a payment of \$4,912.18 for this period, a decrease of 19.22%, compared to last year's payment of \$6,091.78. This year's payments to date are \$65,016.25, a decrease of 4.32% com-

pared to last year's \$67,875.32

Tahoka received a payment of \$3,796.27, a decrease of 30.69% compared to last year's payment of this period, \$5,477.03. Year to date payments for 1992 are \$49,299.78 a 10.77% decrease from last years payments to date of \$55,249.98.

Postal Inspectors Warn Against Tax Refund Scam

The U.S. Postal Inspection Service is warning consumers to beware of the notice in the mail that says the IRS is holding a refund check in your name.

To claim the money, the notice says all you have to do is send \$10 to an address in Florida. Those who send in \$10 don't get a refund. Instead, they get a claim form—something the IRS gives away for free.

Millions of notices have been sent to addresses throughout the U.S., and Postal Inspectors have seized almost \$1 million from accounts belonging to the scam operators. There have been numerous complaints and inquiries in the Texas and Oklahoma areas.

"If a taxpayer is due a refund, all he or she has to do is call our 800 number, and we'll send them a claim form free of charge.

SWCD Annual Meeting Held

Directors from the Lynn County Soil and Water Conservation District were at South Padre Island, Oct. 19-21 to attend the 52nd Annual State Meeting of Texas Soil and Water Conservation District Directors. This meeting was held in the South Padre Island Convention Center.

Directors attending from Lynn County were W.R. Steen- Chairman, H.G. Franklin- Vice Chairman, Ray Mason- Secretary/Treasurer, Dale Zant- Member, and Glen Brewer- Member.

Others attending from the Lynn County Soil & Water Conservation District were Helen Saldana- Recording Secretary, Jon Weddle- District Conservationist, Jerry Steen, Janell Franklin, Celia Mason, Ethelynn Zant, Bertha Brewer and Linda Weddle.

Approximately 1,000 attended the meeting which purpose was to review developments affecting state and national soil and water conservation programs.

Staff members of the joint Interim Committee on the Environment of the Texas Legislature discussed issues relating to the state's soil and water conservation programs.

Other matters reviewed by conservation district officials attending this meeting included information on the re-authorization of the Clean Water Act and the Endangered Species Act.

Proposals to reorganize USDA and its programs as well as the Food Security Act appeals process are other issues that were addressed at the meeting.

A training session for conservation district directors and district employees examined items relating to the day to day operations of the soil and water conservation district in the District Operations Workshop.

Stenholm Accepting Applications For Service Academies

Congressman Charles W. Stenholm is currently accepting applications from young men and women in the 17th Congressional District who are interested in attending one of the nation's service academies.

This December, Congressman Stenholm will have the opportunity to nominate area citizens for appointments to the four U.S. academies: the Air Force Academy in Colorado Springs, Co.; the Military Academy in West Point, NY; the Naval Academy in Annapolis, Md.; and the Merchant Marine Academy in Kings Point, NY.

Persons interested in the possible nominations should contact the Congressman's Stamford office as soon as possible. The deadline for completed application files is December 1, 1992.

Additional information may be obtained from high school guidance counselors or by contacting Jayne Schoonmaker in Congressman Stenholm's Stamford office at (915) 773-3623 or (915) 672-1322 or by writing P.O. Box 1237, Stamford, TX 79553.

H.G. FRANKLIN Re-elected To SWCD Board

H.G. Franklin, of Tahoka, was recently re-elected to the Lynn County Soil & Water Conservation District Board of Directors on Oct. 6. Franklin represents Zone 4 of the district.

The purpose of the Lynn County SWCD, with headquarters in Tahoka, is to promote sound soil and water conservation programs on farm and ranch lands within the district and to serve as a voice for farmers and ranchers on conservation matters.

The board of directors coordinates the conservation efforts of various local, state, and federal agencies and other organizations and has authority to enter into working agreements with these governmental agencies and private concerns to carry out its purposes.

As one of five individuals serving on the district board of directors, Franklin will be responsible for district policies and procedures for carrying out the district program within the framework of the Texas soil conservation district law.

Franklin currently serves as Vice Chairman of the Lynn County SWCD Board of Directors, Chairman of the Lynn County Resource Conservation Development (RC&D) Council and Chairman of Farm Bureau Board of Directors.

In the past he has served on the Federal Land Bank Board, Wells Gin Board, High Plains Underground Water District Board and President of Young Farmers.

Franklin owns approximately 1,700 acres in Lynn County and operates an additional 1,600 acres, with his main enterprise being cotton.

Students Given Opportunity To Study Abroad

"Qualified high school students are offered a unique opportunity to spend an academic year or summer holiday in Scandinavia, Estonia, Poland, Czechoslovakia, Germany, France, Italy, Switzerland, Britain, Holland, Spain, Mexico, Australia, New Zealand or Canada (French or English speaking) as part of the ASSE International Student Exchange Program," announced Andrea Johnson, Southern Regional Director of ASSE (formerly American Scandinavian Student Exchange).

Students, 15 to 18 years old, qualify on the basis of academic performance, character references and a genuine desire to experience life abroad with a volunteer host family in Europe, Canada, Australia, New Zealand, or Mexico.

The nonprofit, public benefit ASSE International Student Exchange Program is affiliated with the national Swedish and Finnish Departments of Education, and is approved by the Australian and New Zealand Departments of Education.

Students or families interested in more information about the ASSE program should call 1-800-473-0696 or contact: Sheila Butterfield, 4798 88th Street, Lubbock, TX 79242, (806) 794-9194.

There will be a special meeting for anyone who is interested in the Wilson Volunteer Fire Department. This meeting was called by Chief John Earl Fields for the primary purpose of re-organizing and re-vitalizing the department. The meeting will be held at the Mercantile on Monday, Nov. 2, at 7 p.m.

Young at Heart will meet at the regular time but will meet at the Mercantile instead of the remodeling place because of the remodeling at St. John Lutheran Church's Educational Building.

During the Fall Festival there will be a meeting in the Home Economics Building to discuss the YES program. This is a program where senior citizens are matched with various youth in the community to enable both generations to form relationships with people of other generations outside the family. Contact Brenda O'Brien at the school for more information.

Many elementary students are involved with the Math-a-thon program. This program is a fund raiser for St. Jude's Children's Hospital. The funds are raised by the children solving different types of math problems and earning a pledged amount of money for each problem solved. Money is earned by people sponsoring the students and pledging a certain amount for each of the 200 problems solved.

The Wilson Booster Club continues

to meet each week in the school cafeteria at 7 p.m.

Calvin and Jenny Wilke announce the birth of their daughter, Kaylee Lyne, born Sept. 26, 1992. She weighed 7 lbs and 10 1/2 ozs and was 20 inches long. She has an older brother, Tyler Ben.

Grandparents are Jim and Bonnie Carter and Curtis and Linda Wilke. Great-grandparents are Lucille German of Slaton and Ben and Ella Wilke of Wilson.

The Wilson ISD students had last Monday off, but the faculty had a staff improvement day. Several Wilson ISD teachers have recently presented workshops and lectures.

Robert Abbe has recently come into possession of a complete set of wheel sections for a wooden wheel windmill. This will go along with the rest of the wood that he has accumulated over the years with the idea of assembling a complete wooden wheel windmill. He recently discussed this project with the city mayor and the idea of putting the mill inside the museum at the Mercantile was born. Before the project can be completed, however, it will be necessary to find and hopefully have donated the metal frame that the pieces fit onto. If anyone has knowledge of an old "standard" brand windmill frame that is still on a tower or may be in an old barn somewhere, please contact Robert with the information so that he can contact the owner. This would be a nice addition to the Wilson museum

and an excellent way to preserve part of the heritage that allowed this part of the country to develop.

The Wilson 4-H'ers will hold their regular meeting this next Monday at 7 p.m. in the school cafeteria. All members and the adult leaders are asked to be there as various projects will be discussed.

The 4-H'ers will have a booth at the Fall Festival on Saturday so if you are involved with the Wilson 4-H group, contact Connie Donald about work assignments.

There will be a meeting in the school cafeteria on Oct. 29 at 7 p.m. for any student interested in joining the Boy Scouts. Anyone interested in becoming part of the scouting program or would like more information about scouting is asked to bring at least one parent to the meeting.

The Wilson Mustang band will be participating in the UIL Marching contest on Nov. 3 at Texas Tech. The band will be marching in Jones Stadium. All parents and friends are invited to come and see the band in action. Mr. Gregory will be furnishing times and other information to the band students as the event approaches.

The school Thanksgiving dinner will be served in the Wilson School Cafeteria on Tuesday, Nov. 10. Parents and community members are invited to attend. School lunch hours are K-3 11-11:30, 4-6 11:30-noon, and 7-12 eat from noon-12:30.

No carry out orders will be available due to school lunch program regulations. If parents or community members plan to attend, they are asked to call Clarissa Henderson at the school administration office.

Wilson PEOPLE Group To Host Fall Festival

In an effort to provide an alternative entertainment for young people and their families the PEOPLE (Progress Evolving Out of People Living Enthusiastically) group in Wilson has coordinated a Fall Festival to be held on Halloween, Oct. 31, between 5 and 9 p.m. at the Wilson school.

Many of the organizations and the churches have joined forces to provide an evening of entertainment that will include musical bands (Country & Western, Bluegrass, quartet singing), a used book sale, and a variety of carnival type activities. There will be food available and the evening will include craft booths. A silent auction will also be held.

According to the PEOPLE group, who is coordinating the event, their organization will not make any profit from the event but instead their purpose is to unite the community in providing entertainment for those wishing an alternative activity on Halloween.

Everyone is invited to attend.

Ropesville Bops Wilson 58-34

Wilson played Ropesville close for a half last Friday, trailing by just 21-20, but in the third period, the Eagles scored 15 unanswered points, then 22 more in the last quarter to 14 for the Mustangs gave Ropes a 58-34 victory in a district six-man game at Wilson.

Adam Castillo led Wilson with 215 yards rushing and a touchdown in 22 carries. He also scored on a 60-yard blocked kick return. Wilson's record dropped to 3-5 for the year, 1-2 in district. Albert Riojas scored three touchdowns for Wilson and Albert Vasquez passed to Guzman 15 for a touchdown.

Beware Of Cancer Scam

Area residents should be wary of a direct-mail fund-raising solicitation asking for cancer donations. Some local residents have received solicitations asking them to go door-to-door to raise funds.

Ann Landers recently wrote a column quoting Sharon Swanson, executive director of the Cancer Research Foundation, a legitimate organization supporting cancer research in Chicago medical centers.

In her column people were warned to be aware of suspicious organizations that solicit funds through Watson & Hughey, a direct-mail fundraising company. Six organizations that solicit funds through Watson & Hughey were named:

- Cancer Fund of America, Inc., Knoxville, Tenn.
- Center of Alternative Cancer Research, also known as Project Cure of Dothan, Ala.
- Walker Cancer Research Institute, Inc., Edgewood, Md.
- Pacific West Cancer Fund of Seattle.
- National Animal Protection Fund of Tulsa.

• Social Security Protection Bureau, also known as Foxhall Corp. of Washington, DC.

Anyone asked to donate money to any type of cause should always check out the organization with the Better Business Bureau.

HEY, LOOK HERE- Dan Turner tries to get the attention of a young male ostrich named Pedro while Pedro's girlfriend, Dorothy, looks on. (LYNN COUNTY NEWS PHOTO)

Ostrich Farm Is Alternative For Local Cotton Producer

by KAREN McCAIN
Many area cotton producers have been forced to choose an alternative crop due to poor weather and recent downturns in the agricultural economy.

O'Donnell, has found an unusual alternative: exotic birds. "We got into the bird business as an alternative to cotton farming," Turner said. He raises ostriches and smaller birds such as emus and rheas for a breeder's market.

Turner raises these expensive birds from eggs or buys them at two to three months of age and raises them until they are young adults. Turner then sells the birds to new breeders or established breeders wishing to expand their flock.

An adult ostrich's large size and fierce aggression during breeding season makes the smaller emus and rheas ideal for novice breeders, according to Turner.

"Most people just starting in a bird business will start with emus or rheas. This helps them decide if they are cut out for the business, and the smaller birds are much easier to work with," he explained.

Buyers from Hawaii, New Mexico, Nebraska, and Oklahoma have shelled out as much as \$40,000 a piece to purchase one of Turner's ostriches.

Emus and rheas sell for \$25,000 and \$3,000 respectively.

"During the breeding season, the male ostriches are very territorial and can hurt you if you are not careful," Turner said.

The same is true during the laying season. In order to retrieve eggs, his wife, Ouida, must distract the birds while he sneaks into the pen and takes the eggs.

While this is a dangerous practice, the thought of selling each fertilized egg for \$1,000 makes the risk worth it.

Other unusual animals at Turner's farm include pygmy goats, fainting goats and Egyptian geese. He also continues farming cotton.

Turner's daughter, Danna Curry, teaches at Tahoka High School and he says she enjoys sharing the unusual animals with her students.

Turner shares this pride despite what seems to be "eight-day weeks" during laying season. "With a little patience and respect for the animal, ostrich production can be a profitable venture," he said.

SS Numbers Now Needed For Drivers License

Beginning Nov. 1, Texans applying for a driver's license and persons renewing their license or seeking a duplicate will need to show their Social Security card, according to the Texas Dept. of Safety.

Social Security numbers are already required for Commercial Driver's Licenses, which the DPS began issuing in Sept. 1990.

"We think this new policy will make it harder for an individual to fraudulently obtain a driver's license," explained DPS Driver's License Inspector John Hall. "This should pay off by reducing crimes where a fake identification is important, like hot check cases. It also should make it much more difficult for a minor to obtain a license with an incorrect year of birth."

Only Social Security cards issued by the federal Social Security Administration will be accepted, Hall said.

"I realize almost everyone knows his Social Security number by heart, but we need to see the actual card issued by the U.S. government, not a commercially-produced metalor 'flea market' card," the inspector said. "If you do not have the government-issued card, income tax documents, W-2 forms, payroll or other employer

records may be presented."

Applicants for DPS Identification Cards will also be asked for a Social Security card, but it is not a requirement for the ID card, Hall said.

The inspector said Social Security numbers would not be printed on driver's licenses and were for DPS internal use only.

Signs explaining the new policy will be posted in DPS Driver's License offices across the state, he added.

APPENDICITIS IS STILL A KILLER

Anyone's appendix can be affected. This disease is common among children and particularly dangerous for the elderly. Their appendix tends to perforate easily, leading to serious infectious complications.

Cramp-like pains, nausea, and a slight fever are warnings of a possible appendix infection. If these symptoms persist, it is wise to consult a physician. Self-medication may delay treatment too long, sometimes actually permitting a dangerous appendix rupture. Often appendicitis is difficult to diagnose, for its symptoms mimic other abdominal diseases.

QUESTIONS TO THE CLEAN TEXAS 2000 HOTLINE: 1-800-458-9796

Q: I've discovered that someone has dumped several dozen old tires on a piece of property I own. What can I do? Do I have to pay for cleaning them up? A neighbor saw someone dumping them, so I can prove it wasn't me, but I can't prove who it was.

A: No, you won't have to pay for cleaning them up. As long as you have fewer than 500 tires, it will

take less time to get them removed, however. Your first step should be to call the nearest Texas Water Commission District Office. If you don't know where it is, call CLEAN TEXAS 2000 at 800-458-9796. When the District Office has confirmed that the site has fewer than 500 tires, you will get a letter confirming that it is not an illegal dump. You may then contact a processor for pickup of the tires. Should you have more than 500 tires, it still won't cost you, but it will take longer. The site will be classified as an illegal dump and the Water Commission will be required by law to place it on the "priority enforcement list" for additional investigation.

Q: Is there anything I can use to clean my toilet bowl that isn't hazardous? I've got a house dog and two small children. I don't want to take a chance on them getting in to either the cleaner bottle or the toilet water after I've cleaned it.

A: The two standbys of low toxicity household cleaning perform well as toilet bowl cleaners: baking soda and vinegar. We've also heard of success from dropping in a denture tablet, allowing it to foam for

a few minutes, then brushing. We suggest you use baking soda or vinegar unless you already have the denture cleaner at your house, simply to cut down on the amount of packaging you buy.

CIVIL RIGHTS STATEMENT TAHOKA CARE CENTER DIANA RIOJAS, ADMINISTRATOR

To Whom It May Concern:
We at Tahoka Care Center look forward to continuing and improving the high standards of health to the citizens of this area.

We would also like to share with this community our "Open Admission Policy" to which this facility adheres. This policy states that Tahoka Care Center will admit and treat all residents on a non-discriminatory basis. All residents are admitted and receive benefits and services without regard to race, color, national origin, religion, sex, handicap, age, or method of payment. There is no distinguishing eligibility for, or in the manner of receiving any resident service provided by or through the Care Center. All facilities of the Care Center are available without distinction to all residents and visitors, regardless to race, color, national origin, religion, sex, handicap, and/or age.

Tahoka Care Center is also an equal opportunity employer. This terminology means an individual will be employed based on a complete investigation of credentials and references and with disregard to each individual's race, color, national origin, religion, sex, handicap and/or age. We certainly appreciate being a part of the health care facilities of this community and look forward to providing the care our citizens desire and well deserve.

Any person or organization that have occasion either to refer residents for admission or recommend Tahoka Care Center are advised to do so without regard to the resident's race, color, national origin, religion, sex, handicap and/or age.
