## Youth Shot Here Following Quarrel

Nineteen-year-old Tommy Sliger, Muleshoe, was admitted to the hospital Sunday afternoon suffering from an apparently self-inflicted gunshot wound in the chest, according to District Attorney Jack Young.

Shortly before 1 p.m. Sunday police were called to an address on East Third Street to investigate a disturbance reported there. Upon arrival at the scene, the patrolman discovered the bleeding youth still conscious. An ambulance carried young Mr. Donald Holloman, Sliger's sister, told the reporter that "It was just as if he went berserk."

A single-shot .22 calibre rifle was found at the scene and it was assumed this was the weapon used in the shooting. Hollow-point bullets were also found at the scene and it is believed this is the type bullet used in the shooting.

Dr. Ray Santos reported Monday afternoon that Sliger was improving and that the bullet would probably be removed Tuesday. Sliger was given blood transfusions to build up his strength Sunday. Dr. Santos said it is believed that the bullet lies just beneath the skin in the back.

### Robbery Suspect Held Pending Investigation

A local man was being held in County Jail Monday in connection with an alleged robbery that occurred Sunday night near Muleshoe.

According to Sheriff's officers, the man picked up two youths hitch hiking toward Clovis. He drove out the West Camp Road about six miles and then pulled off on a dirt road and stopped. There he asked the two youths, who were en route to California from Philadelphia, to show their identification. When they produced their billfolds, he reportedly looked at them and is said to have removed a ten dollar bill from one.

Telling the two riders to get out of the vehicle, he then started to drive away. One of the two said he picked up a rock and started to throw it when the man again stopped the vehicle, a pickup truck. He allegedly reached into the glove compartment, the boys said, and told them to get back into the pickup, after which he drove them to Clovis.

The youths reported the incident to police in Clovis and local officers were alerted. They apprehended the man as he was returning to Muleshoe.

### H. E. Musson Dies July 4

H. E. Musson, who had many friends in the Muleshoe area, died at his home in Norman, Okla., at noon July 4, after an acute illness of several days.

Mr. Musson was a noted electrical engineer, for a long time owned farm property in this county selling the last of his land about four years ago. For many years his land was rented by Ross Goodwin.

He had visited here many times and spent quite a while here during the summers. Mr. and Mrs. Goodwin spent Christmas with the Mussons at Norman this past December.

Mr. Musson was 82. Funeral services were in the McFarland Methodist Church at Norman at 6 p.m. today. Interment was in Norman.

In the non-agricultural work market, 175 people were placed through Miles' office since January 1. June figures show 30 positions filled in the non-agriculture field, which includes such jobs as secretarial work, office work, industrial and sales work.

"Generally, a healthy situation exists in the employment field of this area," Miles said in comparing the figures to previous years.

Miles also noted that an unusually high number of secretarial jobs have been filled this year. "It is my opinion that this shows increases in the sizes of business staffs of the community and that these jobs were generally newly-created ones rather than those vacated by workers leaving the work-market," Miles commented.

Miles indicated that anyone looking for a job should have little trouble locating work by making application through his office. He also stated that business houses having need of the services of the employment commission could usually fill openings in almost any field of endeavor through the files of the office.

TRAGEDY SAT IN THE DRIVER'S SEAT Wednesday when two cars collided head-on west of Muleshoe. Three people died as a result of the crash.

## Crash Kills Three, Injures Two Here

A head-on collision near Muleshoe Wednesday afternoon killed three members of one family and injured the occupants of another car.

Dead on arrival at West Plains Hospital and Clinic was Mrs. Loraine Parker, 25-year-old wife of Bailey County farmer Curtis Parker, Rt. 3, Muleshoe. Their 17-month-old son Allen Ray Parker died minutes after arrival at the hospital. During the night their daughter, Lillian Parker, 4, died of injuries suffered in the crash.

Listed in critical condition Thursday morning was Judith Annette Allen, 22, of Slaton. Joe Neal Sparkman, 25, was considered in fair condition and it was the opinion of medical authorities that he would recover.

Sparkman, also of Slaton, and Miss Allen were traveling southeast on U. S. 84 when their car collided with the Parker vehicle, going northwest.

Sparkman received a broken arm, dislocated hip and possible internal injuries in the crash. Miss Allen suffered a fractured jaw, head injuries and internal injuries.

The crash, which occurred near the King Grocery at 5:50 p.m. Wednesday, demolished both autos involved.

The stretch of highway on which the accident occurred is due to be widened in the near future, with a divided highway to run to the county line.

Bodies of the three members of the Parker family were taken to Singleton Funeral Home, with arrangements pending.

### Donations Needed To Finance

## Greek Exchange Student Coming To Muleshoe

Muleshoe will play host to a charming Athens, Greece, high school girl during the coming school season, who will come to Muleshoe under the sponsorship of the Muleshoe chapter of American Field Service.

The young lady, the first exchange student to come to Muleshoe, is Maria Theodorakoupolou, the daughter of an Athens judge. She will be a guest in the home of Mr. and Mrs. Jack Lenderson, at 102 E. Ave. H.

American Field Service annually provides details for the exchange of students between America and other nations, as the basis for promoting better understanding and relations abroad.

The Muleshoe chapter of AFS is being aided in the financial requirements for Maria's stay here by various civic and service clubs, and church groups.

However, in its quest for the required \$650 necessary to bring Maria to America for a year, the local AFS chapter is asking for financial aid from individuals as well as organizations.

Contributions may be made to Muleshoe Chapter, American Field Service, and sent to Mrs. Ray Daniel, chapter treasurer, or in care of the Chamber of Commerce.

During her year in America, Maria will attend Muleshoe high school, and will take a regular part in curricular, as well as extracurricular activities of the school.

### Mrs. Alldredge Rites Were Held Sunday

Mrs. L. H. Alldredge, of Denver City, a sister of Mrs. Cecil Tate and Mrs. Bert Mathis of Muleshoe, died last Saturday at 7:15 p.m., in a Lubbock Rest Home after an illness of several months.

Funeral services were in the Baptist Church in Denver City Sunday. Interment was in Denver City Memorial Cemetery. She had been a resident of Denver City for 22 years.

Survivors include her husband, a son, two daughters, four sisters and two brothers.

### ALEXANDER LITTLE'S VISIT CHILDREN

Mr. and Mrs. Alexander Little visited in the home of their children, Mr. and Mrs. Walter Sain and daughters, Mr. and Mrs. Jack Little and sons and Mr. and Mrs. Ed Little and Sons last week.

## Farm Safety Week Is Designated July 23-29

College Station—The period from July 23-29, already proclaimed by President Kennedy as National Farm Safety Week, has been designated as Farm Safety Week in Texas by Governor Price Daniel.

In his official memorandum, the Governor said, "The nation's economy is dependent upon the continued well-being and progress of our State's agricultural population. Accidents from farm work cause needless suffering, distress and loss of life each year among our rural families.

"A vigorous farm accident-prevention education program will be conducted during this week by the Texas Farm Bureau, the Texas Farm and Ranch Safety Council, the Texas Agricultural Extension Service and the Texas Safety Association.

"I urge all Texas farm families to increase their vigilance many of the necessities of life.

President Calvin Pigg of the Texas Farm and Ranch Safety Council said the Council was cooperating with all interested organizations, agencies, groups and individuals to make the week's program as effective as possible. He added that plans in most counties for the observance of Farm Safety Week have been made and noted an increase in youth participation. This, he said, is especially gratifying since youth are often the victims of farm accidents. County extension agents and local 4-H adult leaders are given much of the credit for this improvement.

The Council is hopeful, Pigg said, that all citizens will cooperate and participate in the local observances, for each is dependent upon agriculture.

## Osborn Returns To Tax Battle

Representative Jesse M. Osborn, of Muleshoe, who has been at home here since the Legislature regular session adjourned, will be in Austin July 10 for the opening of the special session of the Legislature of Texas, called by Governor Daniel. Mrs. Osborn will accompany him and they will be in the capital until the called session ends.

In a talk with The Journal publisher, Mr. Osborn reaffirmed his stand that Texas eventually will have to enact a sales tax. The regular session failed to adopt a tax law to raise more money for the state's expanding budget and to retire a multi-million dollar deficit in the general fund.

Tax measures proposed by the Governor would not, in the opinion of the Muleshoe legislator, raise anything like the amount of money that has to be collected. Mr. Osborn believes that only a general sales tax can be depended upon to bring in the money needed by the State.

The Governor has limited the work of the special session to a study of a tax law, and since he, so far as is known is still adamant in his stand against a sales tax, many observers see a spirited battle ahead for the special session.

## Paint, Repairs Brighten School

Moving, refinishing, restocking, remodeling, renovating, painting, cleaning, and patching are all words that can be used to describe the activity going on at the high school these days.

Moving the library to a larger room previously used for a study hall will double the seating capacity of the library. The room formerly used as the library will be converted for use by the Commercial Department.

The chemistry classroom is being refurnished completely. The old room had work tables scattered through the room in an inconvenient manner. These tables are now being placed around the walls for easier working conditions. They will be covered with feneica and will have storage drawers built in beneath the work surfaces.

The new bleachers will be made of 2 inch and 4 inch pipe, with 2x12 seats. Supports will be set on 14 inch by 36 inch concrete footings.

The stands will be 160 feet long and nine rows high.

Work already completed on the high school includes sealing the roof, which had caused considerable damage throughout the building when it rained.

Superintendent of Schools Neal Dillman announced Wednesday that the Muleshoe School System has three stacks of used lumber for sale which came from the old bleachers.

One stack is 2x6 inch, one 2x8, and the third is 2x10 inch. Length ranges from 10 to 14 feet.

Buddy Parsons

### Buddy Parsons Family Moves To Muleshoe

Moving to Muleshoe last Thursday was Buddy Parsons, his wife and family.

Employed in Muleshoe by Johnson-Pool, Parsons is the appliance manager in the store. The family moved here from Brownfield, where they had lived for a year and a half.

Parsons and his wife, Naomi Ruth, have three children, including Wilton Gene, 9, Ricky Lee, 3, and Janie Ruth, 18 months.

Gary Stone

### Gary Stone Joins Journal As Editor

The Journal staff was completed last week when Gary Stone was added as news editor.

Stone, who taught journalism last year in Kermit, Texas, is from Gonzales, which lies in Central Texas, between San Antonio and Houston.

Stone graduated from Southwest Texas State College, San Marcos, in 1960 with majors in journalism, English, social science and education. He began work in the news field while still in high school, in Lockhart, Texas, and continued through college, where he edited the award-winning College Star.

In commenting on his impressions of Muleshoe, Stone says, "This seems to be a nice, friendly little town that shouldn't stay little long."

## CC Favors Bond Issue

Members of the Board of Directors of the Chamber of Commerce met Monday night and endorsed unanimously the city improvement bond issue to be put to the voters of Muleshoe July 12.

The bond election involved four propositions which, if approved, will involve \$306,000 in new bonds and \$145,000 in refunds for old revenue bonds.

The propositions include water and sewer improvement bonds costing a total of \$221,000 and storm sewer and drainage tax bonds amounting to \$85,000.

Also present at the meeting Monday night was Dale Fischgrub, president of the Junior Chamber of Commerce, who explained the "tourist of the week" program. Members of the board voted to assist the Jaycees financially in this project.

Members of the Board of Directors present included Robert Alford, president; Norman Thomas, Roy Whit, W. B. LeVeque, Irvin St. Clair, Dr. W. B. McSpadden, Owen Jones, Harold Allison, Bill Wimberly and James Jennings.

### Jaycees To Give Rides To Polls

Muleshoe Junior Chamber of Commerce members Monday discussed a "get out the vote" campaign in which members will furnish transportation to the polls for qualified voters in the coming bond election July 12.

Other projects under consideration include stopping Lbor Day motorists to treat them to a coffee break at Jaycee expense in an effort to cut down on traffic accidents. This is a project to be undertaken by Jaycees throughout the state of Texas.

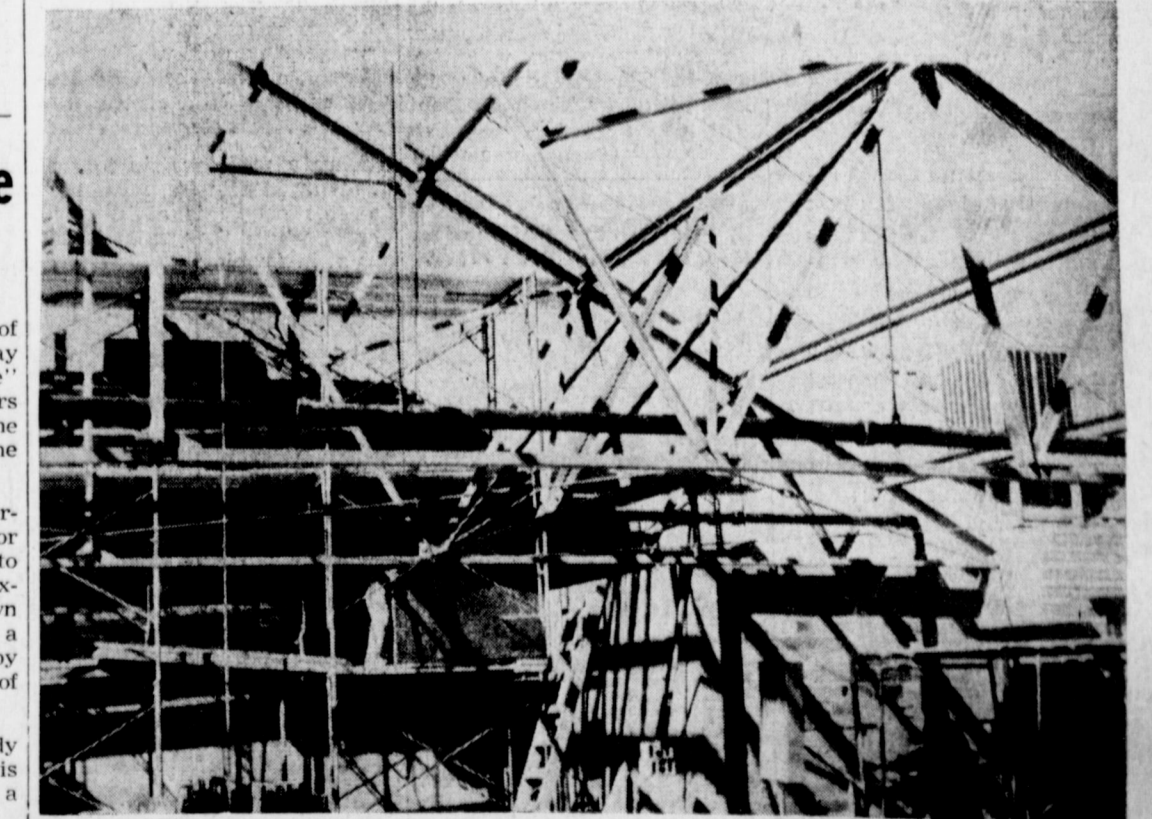

Bob Copeland got the custody of the prized goat "Nanny" this week for failure to bring in a new member.

Jaycees had as their guest Carrol Pouncey, Muleshoe Chamber of Commerce manager, for the noontime meeting.

### Honored At Dinner

Jesse Osborn, State Representative from Muleshoe, was honored Wednesday night at a special dinner given in his honor at the Littlefield Community Center.

Thirty men from Littlefield and Muleshoe who have been active in their respective towns governmental affairs committee were present at the special dinner. Jack Barton of Littlefield gave a short appreciation address to Mr. Osborn for the work he had done in the Texas Legislature and Carroll Pouncey, Chamber, spoke in behalf of the Muleshoe delegation.

PROGRESS ON BAPTIST CHURCH construction is shown in the photo above. The Education Building of the First Baptist Church, costing approximately \$35,000 is

scheduled for completion sometime in September. It will house 35 classrooms, a kitchen and fellowship hall.

#### WALKERS

The late E. R. Hart would never let someone pick him up when seen walking to or from his store. He would always decline politely, with the explanation that he was enjoying his walk.

Now I note more and more walkers. Clyde Gray, the realtor, his excellency Arthur Crow, the mayor and Chevrolet man, are two who come to mind. This floor incessantly worrying about money for the payroll and worrying about production, often finds himself strolling back to the office after an extra heavy repeat at noon.

I recently read in The Reader's Digest that exercise, even walking is calculated to prolong life and to increase a person's feeling of well being. There is an added advantage, this writer thought; you see more as you stroll along than you do while riding a 90 MPH auto, and he thought the contemplation of things along the route of walking adds to a person's peace of mind and serenity.

One item the Digest writer overlooked, the cost of gasoline and the wear and tear on an auto, and this point is not inconsiderable. For me, there is a nice question as to whether more incessant walking, with consequent depreciation of shoe soles, might be more expensive than gasoline and auto depreciation.

But, whose shall donate the city some ground that is marginal anyway, for a park where in there shall be no bridle paths for horsemen, no roads for autos, and only footpaths where the pedestrian seeking peace of mind and serenity, may stroll unmolested, shall have said park named for him, and his name shall be said with praise and respect far down the corridors of Muleshoe's future history, by those now living and by those who are yet unborn. If I were a bloated aristocrat with lots of money, I'd do it myself, but I ain't.

## Employment Up In County Now

Contrary to the national trend, unemployment not believed to be a serious problem in Bailey County and those counties surrounding it, according to David Miles, office manager of the Texas Employment Commission in Muleshoe.

Miles said that a minimum of workers are drawing unemployment compensation through his office at the present time, that the outlook for business in the surrounding area is very good and that there is, in fact, a shortage of workers.

"We have a shortage of general farm hands, tractor drivers combine operators here," Miles stated.

Since January 1, the Texas Employment Commission office in Muleshoe has placed 1,862 agricultural workers in jobs. Of this number, 795 were placed in the first 25 days of June,

## H. D. Agent Takes Finance Course

The Home Demonstration Agent, Mrs. Harriette Jackson, returned Monday morning from Texas Woman's University, Denton, where she has just completed an intensive three week course in family financial planning.

"Rough" was the word Mrs. Jackson used to describe the course, which was valued at three semester hours college credit. Normally, three semester hours work is spread over an 18-week term.

Among the topics covered in the course were Cash Family Resources, Current Family Expenditures, Savings for the Future, and Estate Planning.

Family Incomes, Deductions, Consumer Credit, Budgeting, Use of the Bank, Selected Categories of Spending, Forms of Savings Institutions and Investments were also discussed.

The course, taught by Dr. Barbara Reagon of Texas Woman's University, was offered by the Economics Department of that institution.

## Study Club-Sponsored Talent Wins Places

Members of the Muleshoe Study Club are proud of the talent they sponsored in the July Fourth show held at Benny Douglas Stadium.

Two of the four contestants sponsored by the club were among the winners.

Cloe Sann Teal was awarded second place for her impersonation act and Debbie Wagon placed fifth with singing and tap dancing.

Cloe Sann is the 19-year-old niece of Mr. and Mrs. O. N. Jennings, and Debbie, the daughter of Mr. and Mrs. Joe Pat Wagon, and granddaughter of Mr. and Mrs. T. R. White.

MR. AND MRS. NORMAN CLAYTON

## Clarice Jean Garrett-Norman Clayton Wed In Church Ceremony

Vows were exchanged between Clarice Jean Garrett, daughter of Mr. and Mrs. John Garrett, Muleshoe, and Norman D. Clayton, son of Mr. and Mrs. F. D. Clayton, Earth, Texas, Sunday, June 11, at 2 p. m., in the Muleshoe Church of Christ.

W. R. Phillips, minister of the Earth Church of Christ, read the double ring ceremony in a setting of white magnolias and silver bells before an archway entwined with greenery and flanked by candelabras. Blue satin bows marked the family pews.

W. R. Tittle, minister of the Muleshoe Church of Christ, led the closing prayer and a recording made by Otis Gatewood, uncle of the bride, was played due his not being able to attend and perform the ceremony.

"Father Hear the Prayer We Offer" and "The Lord Bless You and Keep You," was the traditional wedding music by a group of young people from the church. Miss Betty O'Hair sang a solo. "Oh Promise Me" accompanied by the group.

The bride, given in marriage by her father, wore a floor length gown of chantilly lace and tulle. The lace bodice was designed with a scalloped sabrina neckline and long tapered sleeves which ended in points over the hands. The bouffant skirt was accented with alternate bands of lace and shirred tulle. Her triple veil of French illusion fell from a small Swedish crown of imported braid and seed pearls. She carried a bouquet of white stephanotis and white orchids atop a white Bible.

Leanna Montgomery, from Crosbyton, Texas, a friend of the bride, was maid of honor. Bridesmaids were Linda Gatewood, from Petersburg, Texas, cousin of the bride, and Rita Rucktashel, from San Angelo, Texas.

The attendants were dressed in identical styled dresses of blue crystalline. They wore white accessories and carried colonial bouquets of white palms.

Sherry Lowey, niece of the groom and Donnie Henderson, nephew of the groom, were ring bearers. Sherry wore a white dacton dress with a bouffant skirt and an appliqued waist. Donnie was dressed in a white

coat and black slacks. They carried the rings on heart-shaped satin pillows.

Carolyn Garrett, sister of the bride, and Jo Gatewood, cousin of the bride, were candlelighters. They wore dresses of blue crystalline accented at the waist with a corsage of white palms.

For her daughter's wedding, Mrs. Garrett chose a beige dress, accented with black patent accessories and a dark beige corsage of carnations. Mrs. Vera Morgan, grandmother of the bride, was seated with the bride's parents, and she chose a beige dress with white accessories and a dark beige corsage of carnations.

The mother of the groom wore a dress of blue lace with black patent accessories and a white palm corsage. Mrs. M. E. Clayton, grandmother of the groom, was also seated with the groom's parents, and she wore a black dress with white accessories and a white palm corsage.

Boyd Clayton, brother of the groom, served as best man. Groomsman were Dick Evans and Ronnie Dent, both of Earth. Ushers were Johnny and James Garrett, brothers of the bride. Hal Hudson and Mike Burgess, both of Earth.

Peggy Stancell and Evelyn Clayton, Earth, registered the guests; approximately 200 out-of-town guests were from Buffalo Gap, Levelland, Odessa, Seminole, Petersburg, Crosbyton, Ft. Worth, Rotan and Earth.

A reception followed the ceremony in the fellowship hall. The serving table was covered with an ecru linen cloth with silver and crystal appointments. Mrs. Leona Henderson and Mrs. Boy Lowery, sisters of the groom, served the refreshments. Mrs. R. O. Dickson, Earth, played traditional wedding music during the reception.

For traveling, the bride wore a white nylon dress with orchid floral design encircling the waist, accented with all white accessories and a white orchid corsage. As an old wedding tradition, she threw the bridal bouquet as she left the reception to her attendants.

After a wedding trip to Red River and Santa Fe, New Mexico, the couple is at home in Earth, where the groom is engaged in farming.

### Lazbuddie News

Dinner guests in the Raymond Houston home Sunday were Mrs. Houston's sisters and their children: Mrs. Clyde Henry and Shirley, Mrs. Gene Henry, Ronnie and Rickie, all of Muleshoe.

The GA's of the First Baptist Church had their coronation Sunday evening with a very interesting program. A good crowd, including several visitors, was present. Refreshments of cookies and punch were served.

Rev. and Mrs. Bill Curry returned Friday from a twelve day trip in New Mexico. They report having had a very enjoyable time.

Mrs. Jess Pendergrass returned Sunday of last week from a ten day stay with her mother, Mrs. L. C. Hester, in Abilene. Mrs. Hester still has her wrists in casts. She will have one removed the latter part of this week while the other one will remain for a few more weeks. Mrs. Hester, age 72, broke her wrists several weeks ago when she fell at her home.

Le Roy Pendergrass, nephew of Jess Pendergrass, was a guest in his uncle's home Tuesday night. Le Roy was enroute to his home in Sumpter, S. C.

Linda Monk, daughter of the Clyde Monks, returned from Church Camp-Blue Haven near Las Vegas Friday. She had been at camp for two weeks.

Mary-Anna Gammon daughter of the John Gammons, left the first of the week for Church camp near Rociada, N. M. Mary-Anna plans to be gone a month.

Returning last week from harvest in Holloy, Colorado, were Doyce Waddell, Jerry Koelzer, Johnny Garrett and Johnny Gammon. The boys plan to return to harvest the last of the week. Their plans are to go to Hugo, Colorado.

Mrs. F. W. Green of Lazbuddie visited in her son's home in Pleasant Valley Sunday. Other guests were Mr. and Mrs. Ralph Paul of Hereford, Lt. and Mrs. Leon Cohorn from Fort Hood, Dr. and Mrs. John Johns and children from Campbell, California, and the Joe Frank Pauls from Lazbuddie. Guests in the home of Mrs. Mae Green Sunday of last week were those mentioned above and Col. and Mrs. L. B. Plumer of Austin.

Mr. and Mrs. Robert Murray and children fromovina were Sunday evening visitors in the Chatley Watson home.

Recent visitors in the Owen Broyles home were the J. D. Dodsons, Amarillo; the Ernest Dodsons from Endio, California; the Theed Dodsons, Local Hills, N. M.; the J. D. Tylers, Hereford; the Eugene Broyles and Ada Fearch from Amarillo and Brillene Broyles from Hub.

Captain and Mrs. James Pieper from Dyess Air Force Base, near Abilene, visited their grandfather, Y. B. Mayfield, and their aunts, Mrs. E. A. Pasham and family, Mrs. T. L. Gleason and family and an uncle, J. T. Mayfield, and his family during the July 4 holidays.

The Z. T. Tanners from Progress were Sunday visitors in the Alton Morris home.

M. and Mrs. L. M. Hardage, Billy and Jan were weekend visitors in Wichita Falls visiting her sister and family, the J. B. Adues.

The West Plains Garden Club held their regular meeting last week in the Oklahoma Lane Community Building. The members had a special social gathering for prospective members and visitors. Colors of green and white were carried out in the limegreen punch and cup cakes iced with green and white was served to those attending.

A skit was written by Mrs. Grady King and presented by

Mrs. Glendale Young, Charlene Farley, Mattie Bell Grimsley and Helen Wyle. The ladies were dressed in costumes representing different flowers. Each lady flower explained its reason for being here. The skit was very entertaining according to those present. The next meeting of the West Plains Club will meet in the home of Mrs. Henry Bass Friday afternoon July 7.

Mrs. Davis Guiley, leader in 4-H work, had three girls, Jan Mason, Connie Harlin and Karan Johnson, in her home one day last week for a lesson in making chocolate fudge.

The Midway H. D. Club will meet in the home of Mrs. J. B. Young Tuesday afternoon, July 11. The program will be on Mental Health. Ladies in the area are invited to attend.

Saturday and report a very successful rummage sale in Muleshoe. The Lazbuddie HD Club had a successful sale. The ladies wish to thank Rufus Gilbreth for the use of his building, Lamberts Cleaners, City Cleaners, St. Clairs an Antyhons for the use of their racks and KMUL for the free advertising. The next meeting of the Club will be in the home of Mrs. Adrian Weir July 13. The program will be on covering shoes. The public is invited to attend.

Mrs. Joe Jesko, 4-H leader, helped Cynthia Harvey and Jautata Pierce work on their skirts in her home Friday of last week. The girls have the garments about half finished. With the advice and help of Mrs. Jesko they hope to have them completed for the dress review July 14.

Wheat farmers in the area have about completed their harvesting. Only a few late patches are yet to be cut. It is believed Jarvis Angeley has broken the record in these parts as his wheat harvested 97.3 bu. to the acre on a 14-acre patch.

Mr. and Mrs. Joe Jesko and Pete were in Nazareth Sunday to help their daughter and her husband celebrate their fifth wedding anniversary.

Mr. and Mrs. C. D. Gustin had as guests Sunday afternoon Mr. and Mrs. W. J. Thomas of Hereford.

Little Kayle Watts, daughter of the Billy Watts of Farwell, is visiting her grandparents, the Finis Jennings, while her parents, accompanied by Dr. and Mrs. Charles Lewis of Muleshoe, are on a July 4 weekend vacation in Cowles, N. M.

The J. B. Jennings family enjoyed a short vacation from Thursday through Sunday in Demming, N. M., visiting Mr. Jennings' uncle and family, the Kermit Davises. The Jennings family also visited in Jaurez, El Paso, Ruidosa and Carlsbad

**HIGH SCORER**—He's attractively and comfortably dressed for his favorite sport. His bone-colored cotton slacks may look impractical, but they are easy to wash, need only minimum ironing, and will not shrink. They were laboratory tested for the best wash and wear service and carry a new label, Sanforized-Plus.

Doings At Muleshoe Airport  
By MRS. NOAH KINSER

Herb Griffiths, who started his flight training in 1948, resumed his training at the local airport this spring. He passed his written examination about two weeks ago and this week passed his flight test with flying colors, to become a private pilot. Congratulations Herb!

Ted Chandler, Kenneth Harrell and Wilbur Martin, all of Abilene, were here last week and get checked out in the 1-26 single place glider. They returned to Abilene to fly the 1-26 which Repps Guitar purchased thru Muleshoe Flying Service in June. Ted Chandler is a commercial pilot with quite a history.

He's a member of an aerobatic team which performs nationwide. Harrell and Martin are both private pilots and according to flight instructors Boyd and Locker, it was a very successful day with the students picking up some very strong thermals. Upon their return to Abilene they sent the following card.

Dear Fred and Morgan, You'll never know how much we enjoyed Sunday at Muleshoe Airport. We were all very impressed by your service and interest in our flying. Your friendship and friendliness of everyone there at Muleshoe will long be remembered. You can bet your last dollar that we'll have some sailplanes in the air here soon.

Bill Brailey of Pampa and Dorset Sanford of Amarillo were here this week for their first glider flight. Brailey was very enthusiastic about soaring and stated that he intended to return and receive his glider rating.

Friday morning, Mr. Thurcavern.

man White called the airport to find if someone could leave immediately to bring his daughter, Jeri Nell Wagon, who was in a semi-conscious condition at a Big Spring hospital, to Hereford for treatment. Locker was in air within 15 minutes and had Jeri Nell in Hereford in 2 hours.

At this time we are happy to report she is very much improved.

Flying in Monday from Houston in their Cessna 172 to visit Coach and Mrs. Halter was her brother and family, Mr. and Mrs. H. P. Mathieu and children, Cindy and Sandy. Mr. Mathieu had only 45 hours flying time when he left Houston and received his private license June 1. He made his first cross-country flight from Houston to Amarillo, and plans to leave here Wednesday for Los Angeles. This being his first cross-country flight of any length, Mr. Mathieu said he preferred to look at it as a series of short flights. July 4th, Mr. Mathieu took the 'Halters' for a short hop over this area, to see the town and beautiful fields.

### Progress News

Mr. and Mrs. W. M. James enjoyed a visit from a daughter and family from Tulsa, Okla., and their son and wife, Mr. and Mrs. Clarence James of Chickasha, Okla., this past weekend.

Mr. and Mrs. J. E. Batchelor of Hooks, Texas, is here visiting his sister and her husband, Mr. and Mrs. C. A. Bishop.

Mrs. Opal Bell and son of California are visiting her parents, Mr. and Mrs. R. M. Gibson.

**VISITED PARENTS**  
Mr. and Mrs. F. A. Tubez and children of Chicago visited ten days here with her parents, Mr. and Mrs. W. E. Duncan. Also visiting the Duncans during this time were Mr. and Mrs. Hillis Duncan and daughter of Big Spring.

Mrs. J. C. Myrick of Clipper Mill, Calif., is here visiting her parents, Mr. and Mrs. C. A. Bishop.

**MOTHER PASSED AWAY**  
Mrs. M. F. Nigh of Lockney,

mother of M. O. Nigh, passed away Wednesday, June 25 in a Lockney hospital. Mrs. Nigh had been ill for a long time, but in the hospital only a few days at the time of her death.

She is survived by her four sons, E. V., Hale Center; T. J., Gilbert, Ariz.; M. O. of Muleshoe, and A. L., with whom she made her home, seven grandchildren and two great grandchildren. All were present for her funeral Friday at the Main Street Church of Christ in Lockney. Burial was in the Lockney Cemetery beside her husband, who had preceded her in death.

### BAPTIST CHURCH NEWS

Pledge service was held Sunday morning before the service at the Progress-Baptist church. Pledge of the United States Flag, song, "My Country 'Tis of Thee"; pledge to The Christian Flag; song, "Forward Thru the Ages"; and pledge to the Bible and song, "Wonderful Words of Life", were sung.

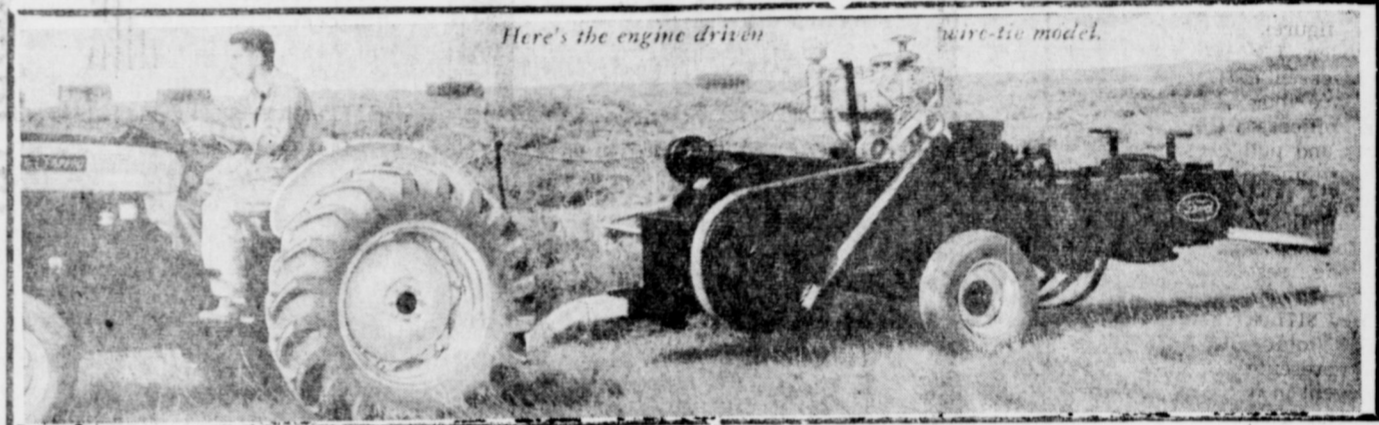

Mr. and Mrs. V. T. Tanner, Brenda, Susie, and Brent joined the Baptist church by letter. They have recently moved here from the Lazbuddie community.

**LUCKY STRIKE** — A lucky strike for feminine bowlers is the return of the culotte to the fashion scene. This one-piece culotte is styled in dark blue cotton chambray, trimmed with white braid. The garment carries a Sanforized label, which means it will keep its size and shape through many washings.

## Bottles, Bottles Everywhere And All That Pop To Drink

Residents of Bailey County have gone on a drinking spree — for soda pop, that is. Local consumption of soft drinks, according to the latest figures, is at the rate of 235 bottles a year per person.

This takes into account the whole gamut of cola drinks, sparkling mixes, such as ginger ale and club soda, and the great variety of fruit pops and other beverages.

On an overall basis, the Bailey County population downed some 2,138,000 bottles last year. This was in addition to unbotled soda served at fountains.

It was high-powered drinking. In 1957 by comparison, when a prior survey was made, the total was 1,909,000.

The details of the huge soft drink business come from the Department of Commerce and from reports released within the industry giving data for each state.

They show that it takes 35 billion (yes, billion) bottles of soda pop each year to slack the American thirst for soft drinks.

To great bulk of it is consumed in the summer, when the weather is hot and the teenagers are out of school. Much of it is purchased in food markets for home use but a considerable part, also, is obtained at the vending machines that are met at almost every turn.

The figures show that there are over 1,340,000 soft drink machines in the United States. They are found at service stations, offices, stores, industrial plants and public places.

Everything considered, the American public spent upwards of \$2.5 billion last year for bottled soda.

Among residents of Bailey County, the bill came to an estimated \$171,000, compared with the 1957 total of \$157,000.

It represented an increase of 12 percent in the three year period. The rise in the United States was smaller, 8.3 percent. In the West South Central States it was 10.4 percent.

### Hardens Return From Tennessee Trip

Elizabeth Harden accompanied by Mr. and Mrs. Good Harden from Port Neches, Texas, has just returned to Muleshoe from a two weeks tour of the state of Tennessee.

They visited the site of the civil war battle known as the Battle Above the Clouds on top of Lookout Mountain near Chattanooga. They saw Ruby Falls, Sunset Rock, Rock City, and many other attractions in Lookout Mountain National Park.

They also attended the Cherokee Indian celebration; an annual event that was attended by approximately 8 thousand people this year.

### Maple News

by Mrs. Cran Reeves

Mr. and Mrs. Guy Smyer spent several days visiting in Lubbock last week and Mr. Smyer went to see his doctor for a check up. They spent Wednesday night with their granddaughter and family, Mr. and Mrs. A. D. Massey, and Thursday night with their daughter and family, Mrs. Wayne Cash. They also visited Mr. Smyer's sister and her husband, Mr. and Mrs. Black, while they were there.

We wish to express our sympathy to Mr. W. C. Galyn and children and other relatives in the death of their loved one, Mrs. W. C. Galyn, who passed away June 27 in Portales, New Mexico. The Galyns lived in Maple several years before moving to Portales in January.

Mr. and Mrs. Jake Burket and girls went to Lake Thomas fishing over the weekend.

Mr. and Mrs. Varies Wall and boys visited in Lubbock Sunday afternoon with her grandmother, Mrs. Debord and other relatives.

Mr. and Mrs. Albert Smyer and children attended the funeral in Amarillo Monday afternoon of her aunt, Mrs. John Allen.

Mrs. Mattie Richardson has as her guests this week her daughter and her husband from Oregon.

Mrs. Foy Lewis and son Charles spent several days visiting another son and family, Mr. and Mrs. Earnest Lewis and Gayle, of San Angelo.

Mr. and Mrs. Jack Wright and Brenda and Mr. Foy Lewis, Betty and Maralyn and Foy's mother, Mrs. Lewis, spent the weekend in Hagerman, New Mexico, with Jack's parents, Mr. and Mrs. Wright.

Mr. and Mrs. Cecil Mann and children of Portales, New Mexico, spent Sunday afternoon with her parents, Mr. and Mrs. C. L. Taylor.

### Sheriff's Report

The technique of robbery was switched here this week when a man robbed the hitchhikers, instead of the hitchhikers robbing the man. He took the victims on to Clovis and they turned him in to the officers. He was picked up near Muleshoe by Deputy Moore and placed in jail here. He was fined \$126.85 and sentenced to 20 days in jail.

Sheriff Dee Clement, took the ambulance and returned one from the hospital in Galveston, for the county.

Those placed in jail this week by the City were one for drunk while in control of motor vehicle and one for disturbance.

Those placed in jail by the Highway Patrol were one for

failure to appear, 1 for driving while license suspended, one for drunk and one for defective lights.

Those arrested by the Sheriff's Department were 4 for gambling, 1 for driving while license suspended, 1 for investigation, 2 for drunk and disturbance and one for contributing to the delinquency of a minor.

Garland Freeman, deputy, is on vacation to Colorado this week.

### Eubanks Have Guests

Misses Maudine and Karen Eubanks and Miss Shirley Reeves of Lubbock visited their parents, Mr. and Mrs. Bill Eubanks and Mr. and Mrs. Leon Reeves, over the holidays.

## Hi-Plains Using Atomic Energy

The Soybean Breeding Program at the High Plains Research Foundation has been expanded by the receipt of 51 varieties from 13 countries. Dr. Earl H. Collister, Chief Agronomist, announced this week that these varieties came from the following countries: Afghanistan 1, Argentina 2, Brazil 1, Burma 2, China 5, Formosa 2, Hawaii 1, Indonesia 2, India 1, Japan 20, Korea 9, Pakistan 1, and South Africa 2.

Seven-hundred and forty-six soybean plants were selected from a plant population of 226,000 in the 1960 breeding program for further evaluation. Hand pollinations will be made between selected plant types in the plant breeding this year.

Another feature of the soybean program is the use of atomic energy to produce improved types through genetic mutations. They were irradiated with three different applications of Cobalt 60. These plants will be closely observed during the growing

# 26.7 Million Acres Leave Production

Secretary of Agriculture Orville L. Freeman announced June 8 that the final weekly report on the 1961 feed grain program shows 26,687,682 acres diverted into soil conserving uses on 1,172,165 farms.

The 26.7 million acres to be taken out of corn and grain sorghum production this year is about 26 per cent of the U. S. total 1959-60 average plantings of 102.3 million acres for these two crops.

The seventh and final report shows an increase of 2,109,579 acres from the 24,578,103 acres as reported last week. June 8 report includes activity through June 1, the final date nationally for putting acreage under the program.

## Crow's Corner

by Arthur Crow

This is the last column before the bond election next Wednesday. Rather than go into a detailed explanation this week, I would rather refer you to other stories in this newspaper and a pamphlet which can be obtained from most local merchants. Please read these carefully, ask questions, and cast your vote for what you believe to be the best course for Muleshoe, for Muleshoe must live with your decision for some time to come.

May I take this opportunity to thank each person who has helped to review and plan the proposed improvements as well as those who have helped to inform our citizens. The trunk lines which are planned represent an important development in Muleshoe's growth.

## Enochs News

Those visiting in the Jerome Cash's home Saturday evening were: Mr. and Mrs. Charles Fincher and family of Amarillo and Mr. and Mrs. Ronnie Ethridge and son Jerry of Muleshoe.

Mrs. Jack Jackson and children of Vaughn, N. M., spent the weekend with her folks, Mr. and Mrs. J. E. Autry.

Tyla Stubbfield of Spade visited Saturday night and Sunday with the Henry Pyburn family.

Mrs. Lindsey Bates was still in the West Plains Hospital at Muleshoe last weekend and was reported to be slightly improved.

Several of the young people from the Baptist Church attended a youth rally Thursday night of last week at Bovina. They reported 150 present and that they enjoyed seeing a film "Young People," on missionaries to Korea.

Judy Clevenger and Carol Bishop spent the weekend together, spending part of the time with Carol's parents, Mr. and Mrs. Henry Pyburn, and part of the time at the Lenard Clevengers' home at Bula.

Five ladies from the Baptist Church went to Floydada Thursday to W. M. N. Conference. Among other things on the program they enjoyed was a talk by Rev. Franklin B. Swanner, district missionary.

## THE PRIVATE EYE

by J. R. HANEY

Everyone certainly enjoyed themselves Tuesday night at the Stadium. We were amazed at the crowd, which certainly proves that people still enjoy a real old fashioned get together. One of our fellow businessmen said he thought next year it would be nice to have a free Bar-B-Que. This department certainly thinks this is a good idea. Perryton, Texas, always has a swell blow out at their birthday celebration each year by attracting large crowds of people with a free Bar-B-Que.

We entertained the Chamber Manager and City Manager from Littlefield Tuesday and they were certainly amazed at the success of the July Fourth festivities and went home with quite a story to tell. This event took a lot of planning and we think those who worked on it should certainly be complimented.

The Junior Chamber seems to have their membership drive off the ground plus having good results with the Welcome Tourist program they are sponsoring.

All the Rotarians and wives should put tonight on the calendar at the Legion Hall, where the Annual Installation Banquet will be held. The wife and I have been to several and we have always found them entertaining. There is an old story that goes around about how the Rotary sits, eats and goes home. We are proud to be part of the Rotary program in Muleshoe where a lot of young foreign student exchange program has been one that for a long time has done real well in establishing better understanding with other countries.

Many a man who goes on a diet finds that he is a poor loser.

Through June 2, farmers had used \$289,898 worth of certificates to purchase from CC 281,332 bushels of corn; \$1,869 worth to buy 2,803 bushels of barley; \$278 worth to buy 497 bushels of oats; and \$2,183 worth to buy 1,385 hundredweight of grain sorghum, all from quantities that had been under price-support loan.

In addition, farmers had received 185,186 bushels of CC-owned corn for \$195,699 worth of certificates; 7,188 bushels of CC-owned barley for \$5,209 worth of certificates, 526 bushels worth of certificates, and 8,333 hundredweight of grain sorghum for \$14,409 worth of certificates.

More complete information on the sign-up under the 1961 feed grain program is now being obtained from the field. This will be included in a report to the Congress as required 90 days after the Act was signed into law. Sign-up figures for six states, including Texas, show preliminary total base acreages for grain sorghum as follows: Arkansas, 33,580; Kansas, 5,47,200; Louisiana, 7,43; New Mexico, 326,575; Oklahoma, 1,294,000; and Texas, 7,463,564.

Base acreage on signed farms was Arkansas, 27,540; Kansas 4,720,296; Louisiana, 5,972; New Mexico, 284,894; Oklahoma, 949,286; and Texas, 6,347,800. Acres to be diverted were Arkansas, 12,238; Kansas, 1,874,37

**First Baptist Is Adding New \$135,000 Building**

Construction is expected to be completed on the new Education Building at the First Baptist Church by September, the Rev. Don Murray announced this week.  
 Containing 35 classrooms, a fellowship hall and a kitchen, the structure will involve some 13,000 square feet of floor space.  
 Refrigerated air conditioning and central heating will be included in the new building, which will cost approximately \$135,000 when equipped.  
 Other changes in the church plant will include moving away of the small bungalow now being used as the Married Young People's Department. This space will then be used for parking facilities.

# Talent, Fun, Fireworks Order Of Day

**SALUTE THE COLORS** — A Boy Scout, a Cub Scout, an Explorer Scout and an Eagle made up the color guard opening the gala July 4 celebration at Benny Douglass Stadium. These lads did a fine job of escorting Old Glory to the stage.

Thirty-four acts were vying Tuesday night for a total of \$500 prizes in the giant talent show held at Benny Douglass stadium in connection with the big July 4 celebration.

A crowd estimated at over 4,000 enthusiastically received the offerings of the talented amateurs and professionals, which included a variation ranging from an imitation of Liberace to a boxing match.

Winners in the professional division were the Muleshoe Playboys, winning \$50. Second place went to Dorothy and Ed Bell's Hawaiian guitar group, who won \$35.

Larry Allison's patriotic speech by Patrick Henry secured him first spot in the amateur division and gained him \$150. Impersonations by Cloe Sann Teal won her \$100 and second place.

The Vibratones won third place and \$75, while fourth spot went to the Imperial Discords, winning \$50 for their quartet.

Debbie Wagon's tap dance and singing netted her a check for \$25, for fifth place. Sixth place went to a combo, the Rockettes, along with a check for \$15.

Other entries included: Sonia Bass, piano; Michael Stone, vocal; Jeanne Williams, vocal; Marilyn Carroll, vocal; Cindy Phillips and Diane Avery, vocal; Jewellene Brackman, vocal; The Kings Men, Cecil Osborne, Clinton Kennedy, Bill Bickel, and Bobby Noblett.

Melanie and Cassie Precure, piano duet; Lena Ford, vocal and twirling; Diane Avery, piano; Susan Birdsong, piano; Ira Martin, guitar and harp; Jeanie Martin, accordion; April Bell, accordion; Bobby Noblett, vocal;

Linda Hall, Sharon Millen, and Zona Gatewood, instrumental; Square Dancers, sponsored by Recreation Ass'n.; Delton Bass, vocal; Alex Foy, vocal; Larry Nigh, instrumental combo; Virgil Thomas, vocal; Jack Percy and Roy Lee Raybon, boxing; The Accidents, musical combo; The 5 W's, vocal; Mrs. Bobby Fender, vocal and accordion, and Mary Ellen Wedel, accordion.

**WINNERS OF FIRST PLACE** in the professional division of the talent show July 4 were the Muleshoe Playboys. They are, left to right above, James Meason, Dan Atkins, Glenn Bulls (at drums), Brown Chappell, Bill Claybrook and Leon Dove.

**YE OLDE TYME QUARTET** — Bob Harvey, Doyle Trapp, Tye Young and Jack Young, shown above, captured fourth place in the amateur talent show July 4 with their barbershop quartet, known as the Imperial Discords. Their accompanist for the number was Dean Sprayberry.

**MAPPING OUT THE SHOW** — Carefully planning the layout of the fireworks display are Fire Chief Earl Ladd and some of his men. The intricate plans paid off in a well-executed spectacular show.

**PICNICKING AND LOUNGING** were in order July 4, as shown above in a picture taken at Benny Douglas Stadium. Many people came to the football field to have their suppers and enjoy the show.

**"GIVE ME LIBERTY OR GIVE ME DEATH,** young Larry Allison quoted Patrick Henry, thus winning first place in the amateur division of the July 4 talent show. Here he is shown being presented his check for \$150.

**A FIDDLIN' MAN** — Playing with the Muleshoe Playboys, John Freid furnished real crowd-pleasing music at the July 4 celebration in Benny Douglas Stadium. Hands clapped throughout the audience when Freid and the Playboys got to spinning out the music.

### SANDHILLS PHILOSOPHER:

## Worries, Some, About Less Soap In Giant Sizes Boxes

Editor's note: The Sandhills Philosopher on his Johnson grass farm discusses soap this week. We think that's what he's doing.

Dear editor:

What happens to food after it leaves a farmer's hands and works its way through the processors to the super-market shelves is one of the weak links in farming, and I have long contended that where us farmers are slipping up is in failing to learn how to grow beans that come up inside a cellophane bag—you can get ten times more for them that way than plain—but what interested me this week about this matter was a hearing before a Congressional committee in Washington.

A bunch of women appeared before the committee and complained that some food packagers were outsmarting them, they sell one package of soap labeled Giant-Size containing say two pounds of soap flakes, then run in some more packages alongside them also labeled Giant-Size but containing only a pound and a half, with the rest of the box empty, yet selling for the same price. In their hurry to beat somebody to the check-out counter, some women grab the wrong box without reading the fine print.

And what interested me more about this was the reason these women gave for objecting to this

practice. "Such practices," they said, "weaken the reputation of the United States abroad."

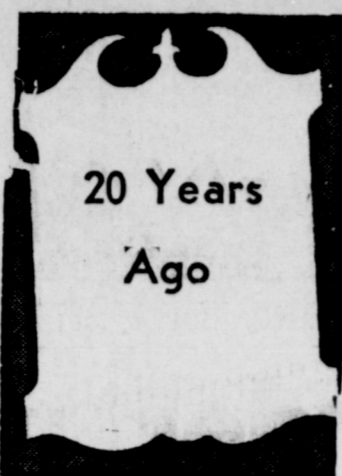

I don't understand how making a bunch of women mad in the United States by selling them less soap than they think they're buying can weaken our reputation abroad, but I'm in favor of the argument, if they can make it stick.

For instance, say I have a prime Jersey steer for sale and some smart buyer offers me two cents a pound less than I ought to get and I'm forced to sell because I ran out of feed day before yesterday. It's not the money I'm losing that bothers me, it's the damage this fellow is doing to our reputation abroad.

Or take taxes. Say the government promises us \$1.25 in service for every \$1 we pay in taxes, and winds up delivering only 65 cents worth. You can see what this does to our reputation abroad.

And speaking of our reputation abroad, people are always talking about it, but you never hear anything about the people abroad worrying about their reputation here in the United States. If some Scandinavian groceryman outsmarts some Scandinavian housewife, half the time I'm not even aware of it. Scandinavia ought to do something about this.

Yours faithfully,  
J. A.

### BABSON DISCUSSES

## His Own Investments

I have had so many inquiries during the past two years asking how I invest my own money, I have finally decided to disclose this information in this weekly release. Frankly, I try to invest in something which is doing much good, so that I will have a satisfaction in my heart as well as in my pocket-book. I am today describing two companies by way of illustration—the products of which especially appeal to me.

#### GIBSON GREETING CARDS, INCORPORATED

This is one of the four leading companies which print greeting cards. Its headquarters are in Cincinnati, Ohio. All of these companies started in a small way. When I was a boy, there were no such things as greeting cards. We had terrible comic valentines which we sent out to friends and enemies; but I do not remember sending a Christmas card, or Easter card, or birthday card.

As soon as this greeting card industry was started I felt it had a future, and I believe it has an even greater future in years to come. The one thing that we all are short of is time. Greeting cards not only retain our circle of friends, but the sending of them takes no time and yet often takes the place of a letter. They surely make millions of people happier.

The above company in which I have invested has the following to commend it. If you divide the number of greeting cards which this one company sells annually by the number of stockholders in the company, you get a result of nearly 100,000.

I have always received a dividend on this stock; but, if it missed a dividend some year, I would still feel that my stockholdings (representing my share as one of the stockholders) are making 100,000 people happy each year. This is one illustration. But now to a second, which is even more marvelous.

#### ASGROW SEED COMPANY

Although there are several seed companies in the United States, I think this one is the largest of all. Not only are seeds very essential to a nation—whether it is a democracy, or

one ruled by communism, or whether it is an underdeveloped nation with increasing population and a shortage of food, good seed is probably the greatest need.

Furthermore, few people understand that unless the seeds are carefully selected each year from the healthiest plants, the quality of the seeds quickly runs out and the vegetables ultimately return to their native wild state.

Furthermore, a purchaser of seeds cannot tell whether they are good or bad until after they are planted, which is too late. It is absolutely important therefore, to deal with companies of the highest reputation.

As an illustration of the seed volume of this company, I understand they sell 10 billion bean seeds, 7 billion corn, and many billions of pea seed. Figures for the small seeds, such as cabbage, broccoli, and celery, are also stupendous. To illustrate—this company sells nearly 70 billion carrot seeds each year.

The company spends so much money on selection and keeping up the character of its product that it does not pay great dividends; but if I did not get the money in cash dividends I would get the satisfaction of knowing that the number of seeds raised and sold, divided by the number of stockholders—of which I am one—would give about one-half billion seeds per stockholder.

All these seeds sold add up annually to some 250 billion seeds. In other words, I have the great satisfaction of knowing that, as an average stockholder, I have the honor of planting half a billion seeds each year! I really get a kick out of this.

#### SEEDS AND GREETING CARDS IN RUSSIA

When I was in Moscow, I found the best-treated people were scientists and ballet dancers. On the other hand, the two businesses which were allowed to continue as manufacturers under government supervision were the seed business and the greeting card concerns. This is because the raising of seeds depends absolutely upon

### Today's Meditation

Rad John 10:11-18

Ye are bought with a price: therefore glorify God in your body, and in your spirit which are God's. (1 Corinthians 6:20.)

A woman I never met influenced my life. She was a Russian nun by the name of Sister Maria. During World War 2, she was the head of a convent school in Paris during the Nazi occupation. Utterly unselfish and valiant, she sought to relieve the suffering, not only of her fellow Catholics, but of the persecuted Jews, some of them in her school.

One day the Nazis came and demanded that she turn over all her Jewish students. Sister Maria knew that it would mean for them concentration camps and death. One high school girl was overcome with fear. Sister Maria quickly took off her nun's habit and put it on the girl. Then she herself put over her head the yellow scarf of the Jew and said, "I'll go for you. I'll take your place," and Sister Maria died as a Jew.

How few of us have such courage, to put ourselves in other people's places when it involves suffering, pain, and loss. Yet that is what Jesus said was the way His disciples must take in following Him.

**PRAYER: O God, as Christ laid down His earthly life that we might find eternal life in Thy love so infuse our spirits with sacrificial dedication. Through us may Thy love be a conquering power over prejudice and hate. For His sake. Amen.**

#### THOUGHT FOR THE DAY

Only the splendor that shone in Jesus enables us to lay down life or live in the spirit of the Master.

—S. Ralph Harlow (Mass.)

#### FORMER RESIDENT VISITS HERE

Mrs. Lefty McWilliams of Cleburne is visiting in Muleshoe and Sudan with friends and relatives.

Mr. and Mrs. McWilliams for many years operated the Muleshoe Coffee Shop on Main Street before moving away some ten years ago.

The character of those in it, while the preparing of greeting cards require an artistic originality which cannot be purchased with money or forced upon people. It must be voluntary.

### It Was Inexcusable

Tuesday night's fireworks display was a beautiful array of pyrotechnics and should have been appreciated by most of the estimated 4,000 people present. BUT... what was the object of it?

The intent of the display was most honorable and city planners should be commended for the idea. It was designed to provide a nice, safe outlet for the more violent nature people seem to acquire come July 4. Did it accomplish this purpose? We think it did, but only by the grace of Dame Fortune.

The display itself was well-planned, well-organized and well-executed by Fire Chief Earl Ladd and his men. Alone, it would have been as safe as any activity that could have been planned.

Did the ones who threw fireworks into the crowd appreciate the safety provided by the organized display? Evidently, they did not. Not all of these people were unthinking children, either.

The object of the fireworks display was to provide a safe spectacle. But when the crowd gathered together to watch the safe display, some had to convert it to a pandemonium of potential danger by tossing fireworks into the crowd. This was inexcusable.

These people clearly endangered the safety of others. Only luck kept anyone from being injured by the indiscriminate fireworks.

City ordinance forbids the use of fireworks in the city limits of Muleshoe. This ordinance should especially be put to use where crowds are gathered.

### Scouts Return From Week At Camp Post

Members of Boy Scout Troop No. 634 returned to Muleshoe Saturday about noon after a week at the Boy Scout Camp at Post.

Under the leadership of Phil Gillespie, members of the troop enjoying the many scouting activities of the camp were: Joe Dorr Ogletree, Terry Trapp, Anthony Rundell, Ransom Jones, Starr Johnson, Teddy Millen, Paul Lenau, Bob Copeland, David Alsup, Richard Alsup and Tommy Dearing.

### ROLLOFFS ARE PARENTS OF BABY DAUGHTER

Mr. and Mrs. Larry Rolloff, of Muleshoe, are the proud parents of a daughter born June 21 in Levelland. She weighed 7 lbs., 7 ozs., and was named Larri Kim.

Mrs. Rolloff and daughter will be dismissed from the hospital Thursday.

### JUNIOR CLASS TO HAVE CAR WASH

The Junior Class of 1961 will have a car wash at the home of Dick Allison, 611 W. Third St., Saturday, July 8. The charge will be \$1.50 per car. Call 7890 for pickup and delivery service.

### LOCAL ENTRANTS PLACE SECOND IN TOURNEY

Mary Sweatman and Marie White placed second in the Amarillo Partnership Golf Tournament held in Amarillo last week. The ladies had to forfeit part of their match due to the sudden illness of Mrs. White's daughter, Mrs. Joe Pat Wagon.

**THE RESOLUTION AND ORDER**

WHEREAS, the City Council of the City of Muleshoe, Texas, deems it advisable to issue the bonds of said City for the purposes hereinafter mentioned; therefore

**RESOLVED BY THE CITY COUNCIL OF THE CITY OF MULESHOE, TEXAS:**

Section 1: That an election be held on the 12th day of July, 1961, which date is not less than fifteen days (15) nor more than (30) days from the date of the adoption of this resolution and order, at which election the following propositions shall be submitted to the resident qualified electors of said City, who own taxable property therein, and who have duly rendered the same for taxation:

**Proposition Number 1**

"SHALL the City Council of the City of Muleshoe, Texas, be authorized to issue ONE HUNDRED FORTY FIVE THOUSAND DOLLARS (\$145,000) of revenue bonds of said City for the purpose of constructing improvements and extensions to the City's Sanitary Sewer System; said bonds to mature serially over a period

of years not to exceed TWENTY FIVE (25) years from their date, and to bear interest at a rate not to exceed FOUR AND ONE-HALF PER CENTUM (4½%) per annum, payable annually or semi-annually; said revenue bonds to be special obligations of the City, payable as to both principal and interest solely from and secured by a first lien on and pledge of the revenues of the City's combined Waterworks and Sanitary Sewer System, after deduction of reasonable operation and maintenance expenses as defined by statute?"

**Proposition Number 2**

"SHALL the City Council of the City of Muleshoe, Texas, be authorized to issue ONE HUNDRED TWENTY-THREE THOUSAND DOLLARS (\$123,000) of revenue bonds of said City for the purpose of constructing improvements and extensions to the City's Waterworks System; said bonds to mature serially over a period of years not to exceed TWENTY FIVE (25) years from their date, and to bear interest at a rate not to exceed FOUR AND ONE-HALF PER CENTUM (4½%) per annum, payable annually or semi-annually; said revenue bonds to be special obligations of the City, payable as to both principal and interest solely from and secured by a first lien on and pledge of the revenues of the City's combined Waterworks and Sanitary Sewer System, after deduction of reasonable operation and maintenance expenses as defined by statute?"

**Proposition Number 3**

"SHALL the City Council of the City of Muleshoe, Texas, be authorized to issue NINETY EIGHT THOUSAND DOLLARS (\$98,000) of revenue bonds of said City for the purpose of constructing improvements and extensions to the City's Sanitary Sewer System; said bonds to mature serially over a period

of years not to exceed TWENTY FIVE (25) years from their date, and to bear interest at a rate not to exceed FOUR AND ONE-HALF PER CENTUM (4½%) per annum, payable annually or semi-annually; said revenue bonds to be special obligations of the City, payable as to both principal and interest solely from and secured by a first lien on and pledge of the revenues of the City's combined Waterworks and Sanitary Sewer System, after deduction of reasonable operation and maintenance expenses as defined by statute?"

**Proposition Number 4**

"SHALL the City Council of the City of Muleshoe, Texas, be authorized to issue EIGHTY FIVE THOUSAND DOLLARS (\$85,000) general obligation bonds of said City for the purpose of constructing, enlarging, extending and installing storm sewers, drains and gutters and other improvements incidental thereto, in and for said City; said bonds to mature serially over a period of years not to exceed TWENTY (20) years from their date, and to bear interest at a rate not to exceed FOUR AND ONE-HALF PER CENTUM (4½%) per annum, payable annually or semi-annually; and to provide for the payment of principal and interest on said bonds by levying a tax sufficient to pay the annual interest and to create a sinking fund sufficient to redeem said bonds as they become due?"

Section 2: That said election shall be held at the CITY HALL in the City of Muleshoe, Texas, and the entire City shall constitute one election precinct.

Section 3: That the following named persons are hereby appointed officers of the election, to-wit:

JOHN SMITH — Presiding Judge

ROBT. ALFORD — Judge

FRANK ELLIS — Clerk

JEFF PEELER — Clerk

Section 4: That said election shall be held under the provisions of and in accordance with the laws governing the issuance of municipal bonds in cities, as provided in the General Laws of the State of Texas, and only resident qualified electors who own taxable property in the City, and who have duly rendered the same for taxation, shall be qualified to vote.

Section 5: That the Ballots for said election shall be prepared in sufficient number and in conformity with Chapter 6, V.A.T.-C.S., Election Code, as amended, and that printed on such ballots shall appear the following:

**Proposition Number 1**

"FOR THE ISSUANCE OF \$145,000 WATERWORKS AND SEWER REVENUE BONDS, AND PLEDGING THE REVENUES OF THE CITY'S COMBINED WATERWORKS AND SANITARY SEWER SYSTEM TO THE PAYMENT THEREOF"

"AGAINST THE ISSUANCE OF \$145,000 WATERWORKS AND SEWER REVENUE BONDS, AND PLEDGING THE REVENUES OF THE CITY'S COMBINED WATERWORKS AND SANITARY SEWER SYSTEM TO THE PAYMENT THEREOF"

"FOR THE ISSUANCE OF \$85,000 GENERAL OBLIGATION STORM SEWER BONDS AND THE LEVY OF A TAX IN PAYMENT THEREOF"

"AGAINST THE ISSUANCE OF \$85,000 GENERAL OBLIGATION STORM SEWER BONDS AND THE LEVY OF A TAX IN PAYMENT THEREOF"

AS TO EACH of the foregoing four propositions, each voter shall mark out with pen or pencil one of the above expressions thus leaving the other as indicating his or her vote on the four propositions respectively.

Section 6: That a copy of this Resolution and order, signed by the Mayor of the City and attested by the City Secretary

shall serve as proper notice of said election.

Section 7: In the event the said revenue bonds submitted under Propositions 1, 2, and 3 above are authorized to be issued by a majority of the resident qualified electors of said City who own property therein, and who have duly rendered the same for taxation, voting at said election, and the same are issued and sold the holder or holders of such bonds shall never have the right to demand payment thereof out of any funds raised or to be raised by taxation; and each bond issued or executed in pursuance of such election, shall contain this clause:

"The holder hereof shall never have the right to demand payment of this obligation out of any funds raised or to be raised by taxation."

Section 8: THAT notice of said election shall be given by posting and publication of a copy of this resolution and order, at the top of which shall appear the words "NOTICE OF ELECTION FOR THE ISSUANCE OF BONDS". Said notice shall be posted at three public places in said City, one of which shall be at the City Hall not less than fourteen (14) full days prior to the date on which said election is to be held, and be published on the same day in each of two successive weeks in a newspaper of general circulation in the City of Muleshoe, Texas, published in the City of Muleshoe, Texas, the first of said publications to be made not less than fourteen (14) full days prior to the date for said election.

**ANOTHER BIG REASON BEHIND THE BIG BOOM IN FORD SALES:**

No other wagon can match Ford's features (or popularity!)

There's a whole wagonload of Ford features that only America's station wagon specialists can bring you.

First, there's more room. Ford's extended load deck is the longest and widest in its field. The tailgate opening is seven inches wider than last year, too.

There's more convenience. You can have an electrically controlled roll-down rear window in any Ford wagon... it's standard in all Country Squires and 9-Passenger Country Sedans. In their field, only Ford wagons have all seats facing forward.

There's more distinction. The Country Squire (shown above) is the one and only wagon in its field with body panels that look like mahogany, wear like steel.

There are more savings, too. Ford's Ranch Wagon is America's lowest-priced,\* full-size wagon. And like all Fords, every Ford wagon is built to be more service-free; goes 30,000 miles between chassis lubrications, 4,000 miles between oil changes, brakes adjust automatically, mufflers are made to last three times as long as ordinary mufflers, and the finish never needs waxing.

STOP putting off that station wagon you've always wanted. SWAP for a '61 Ford wagon now while your Ford Dealer's celebrating record-breaking sales. SAVE with the wagon America loves most... made by FORD... America's station wagon specialists for 32 years!

**THE STATE OF TEXAS: COUNTY OF BAILEY:**

NOTICE IS HEREBY GIVEN that the Commissioner's Court of Bailey County, Texas, will receive bids until 11:00 o'clock A. M., on the 20th day of June, 1961, at the Courthouse in Muleshoe, Texas for the purchase of the following described road machinery:

One (1) used motor grader equipped with not less than 115 horsepower motor, hydraulic controls, power shift moldboard, tandem drive, cab and heater. Said motor grader to be delivered properly serviced in Bailey County, Texas.

AS PART PAYMENT for the above described road machinery Bailey County offers to trade in:

One (1) used AD-40 Allis-Chalmers Motor Grader powered by GMC diesel motor, which trade-in is to be credited against the purchase price of the above mentioned used motor grader, and

NOTICE IS ALSO GIVEN that, as further consideration for the balance of the purchase price of the above mentioned road machinery, it is the intention of the Commissioners' Court of Bailey County, Texas to issue Interest Bearing Time Warrants of said County payable from a tax levy to be made out of and from the constitutional Road and Bridge 3 7/8 per cent of said County in the maximum amount of \$6,000.00 bearing interest at a rate not to exceed three and one-half (3 1/2%) per cent per annum, and maturing at such times as may be fixed by the Commissioners' Court, serially or otherwise, with a maximum maturity not to exceed four (4) years from their date, and to be paid out of an ad valorem tax to be levied against all taxable property in Bailey County; which warrants will be authorized by the Commissioners' Court by an order to be passed on the 10th day of July, 1961.

A CASHIERS' OR CERTIFIED CHECK, issued by a Texas Bank, payable without recourse to the order of Glen Williams, County Judge of Bailey County, Texas, in the amount of five (5%) per cent of the amount of the bid must accompany each bid as a guarantee that if awarded the contract the bidder will promptly enter into contract and execute bonds in the amount and in the form required by law.

THIS NOTICE IS GIVEN under the provisions of and in order to strictly comply with Chapter 163, Acts of the Forty-Second Legislature of Texas, passed at its Regular Session in 1931 and all acts amendatory, complementary and supplement-

al thereof and pursuant to an order passed by the Commissioners' Court of Bailey County, Texas, and recorded in the Minutes of said Court.

The County will make arrangements for the contractor to dispose of the Warrants herein mentioned at not less than par and the contractor must agree to deliver the warrants at such price to the party with whom the County has made such arrangements.

Bailey County reserves the right to accept or reject any or all bids.

## Changes Proposed In Wheat Program

According to a recent Department of Agriculture release, several amendments are proposed for the special wheat program for 1962.

The proposed amendments to H. R. 6400 would provide a special one-year wheat program for the 1962 crop. Major effects of the amendments would be as follows:

1. Reduce each farm acreage allotment by 10 per cent.  
2. Reduce the 15 acre exemption from wheat marketing quotas to the smaller of 13.5 acres per farm or the highest acreage planted on the farm for harvest in 1959, 1960, or 1961.

3. Require as a condition of price support, that producers plant within their reduced acreage allotments, and increase their acreage of land in conservation uses by at least the reduction in the farm acreage allotment. Payment would be made on this acreage at 50 per cent of the value, at the support price, of the average production of wheat on such an acreage in 1959 and 1960.

4. Provide that producers could further reduce their wheat acreage and the acreage devoted to non-conserving uses, by an acreage up to 30 per cent of their wheat allotment or acreage, in return for payments at 60 per cent of the value of 1959-60 production on such an acreage.

5. Provide for use of actual yields or twice normal yields in computing the farm marketing excess, and increase the penalty per bushel to 65 per cent of parity.

6. Repeal the 200 bushel exemption. Authority would be continued to provide price support to cooperators at a level to be determined by the Secretary of Agriculture between 75 and 90 per cent of parity if marketing quotas were approved, and price support at 50 per cent of parity to cooperators if marketing quotas were rejected.

It is estimated that acreage, production and carryover stocks of wheat would be affected about as follows:

1. With a modest increase in wheat price supports, this program could be expected to result in an increase of about 10 per cent in net farm income to our nation's wheat farmers.  
2. Harvest acreage of wheat would be reduced by at least 5 million acres by the reduction in the acreage allotment, and by at least an additional 5 million acres if response to the voluntary part of the wheat program were similar to the response to the 1961 feed grain program.  
3. Production of wheat would

be reduced to about 1.1 billion bushels.  
4. An opportunity would be provided to reduce total wheat carryover and CCC stocks.

### CAFE AT TUCUMCARI

Joe Smallwood tells The Journal about having "run into" the Butch Bakers at Tucumcari. Butch and Rena are operating a cafe on Highway 66 and Joe said they sent a special invitation to their friends of this area to visit them. They formerly operated Cross Roads cafe here for many years. The children seem to be liking Tucumcari better all the time.

The Smallwoods were on their way to Blue Haven camp to return six girls to their homes here after a stay in camp of two weeks.

Their cafe is known as the "Golden W", and is located on Highway 66 next door to a new large motel.

**Off the Runways**

Doings At Muleshoe Airport  
By MRS. NOAH KINSER

Sailplanes were in the air over Muleshoe from early until late Sunday.

Three pilots from Abilene landed at the Muleshoe airport in their Cessna 180 about 7 a.m. and started training for their solo rating.

Both of the 2-22 trainer planes were in the air constantly, then later in the day, after the first one soloed, all three of the sailplanes were soaring at the same time.

Flying Service personnel kept the crafts lined up on the west end of the runway, launching them as fast as the tow plane returned from each aerial tow flight.

Morgan Locker and Fred Boyd instructed and Mrs. Morgan Locker and Lyndol Kinsler piloted the tow plane.

The men were 1st Lt. Ted Chandler, Kenneth Harrell and Wilbur Martin. Chandler is the U. S. Champion stunt pilot, is presently a B-47 pilot and is stationed at Dyess AFB, Abilene.

On weekends Chandler along with Frank Price of Waco flies Great Lake Specials in air shows, flying both in single performance and as a team. After flying such high speed crafts, Chandler said that he thoroughly enjoyed the sailplanes and this was his first time to be inside of one. Chandler is a native of Wortham, Texas, which he said, "has a population of 995 without me".

Harrell is a draftsman for Zachry-Brown Co. engaged in the construction of Atlas Missile bases.

Martin is employed at Abilene aviation as a A and E mechanic and an Authorized Inspector for aircrafts.

They became interested in gliding while attending the National Soaring Meet in Odessa

last year and came to Muleshoe to train after Abilene airport owner, Reppe Guitard had completed training here and purchased a 1-26 single place glider from the Muleshoe Flying Service, to be used there.

Also training in the Sailplanes Sunday was Leslie O. Sharp from Portales, Charles Craig from Plainview and Hugh Yeates from Arel, N. M.

A total of six received ratings Sunday.

Morgan Locker made a charter flight to Abilene, Kansas, Monday, taking Harold King, local business man and John Moss of Amarillo there on business.

While waiting for the men to transact their business, Locker spent six hours looking around the Jacob Ersham Factory, manufacturers of grain elevator equipment.

The factory, founded in 1872 by Ersham, is still owned by the Ersham family and is producing 90 per cent of the nations elevator lift equipment.

The original part of the building still stands and is being used. Additions have been made and modernized as the business grew.

Locker said that a large book of the history of the Ersham family and the old days on the Kansas Plains was in the lobby of the business office and that he found it to be one of the most interesting and worth-while books that he had read of the history of our country.

*Enduring styling*

Cadillac styling has always been styling with a purpose. Even Cadillacs of 5, 6, or 7 years ago are instantly recognized and respected as Cadillacs. This continuity of styling—rather than change for change itself—has been an important factor in maintaining Cadillac's famed resale value. The 1961 Cadillac is designed to enhance Cadillac's fashion leadership among the world's fine cars . . . and to protect your investment for years to come.

READ PSALM 23

The Lord is my shepherd; I shall not want. (Psalm 23:1.)

Fatime was a blind girl. In her childhood she had never heard of the Lord Jesus. When a school for the blind was opened in Aleppo, Syria, among the first to register was an intelligent student and soon learned to read and write in Braille. Above all books, she loved the Gospels; above all stories, the story of the good shepherd. She had a sweet voice and loved to sing hymns.

During summer nights in the Middle East, people sleep on the flat roofs of their houses. Late in the evening, or in the early hours at night, Fatime would start singing "The Lord is my shepherd."

People listened and enjoyed the hymn as well as her sweet voice. They felt that the good shepherd had enlightened her darkness and had filled her heart with unspeakable peace. They knew she was giving expression to her inner joy, and telling others of it.

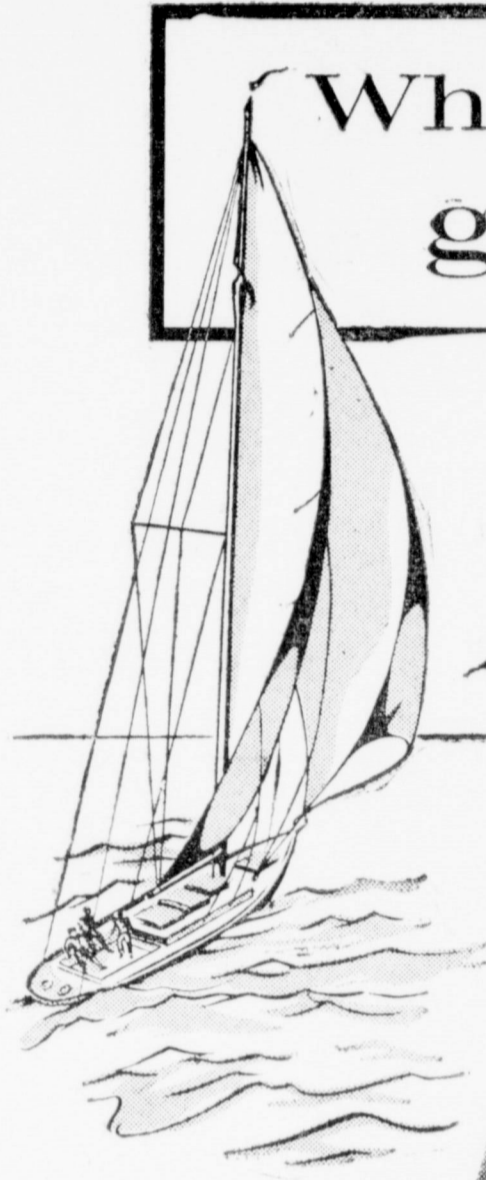

PRAYER:

Our heavenly Father, source of light and grace, we praise Thy holy name. Give us light in darkness and make our hearts to sing in their joy and to Thy praise. In the name of Jesus, our good shepherd, who taught us to pray, "Our Father who art in heaven . . . Amen."

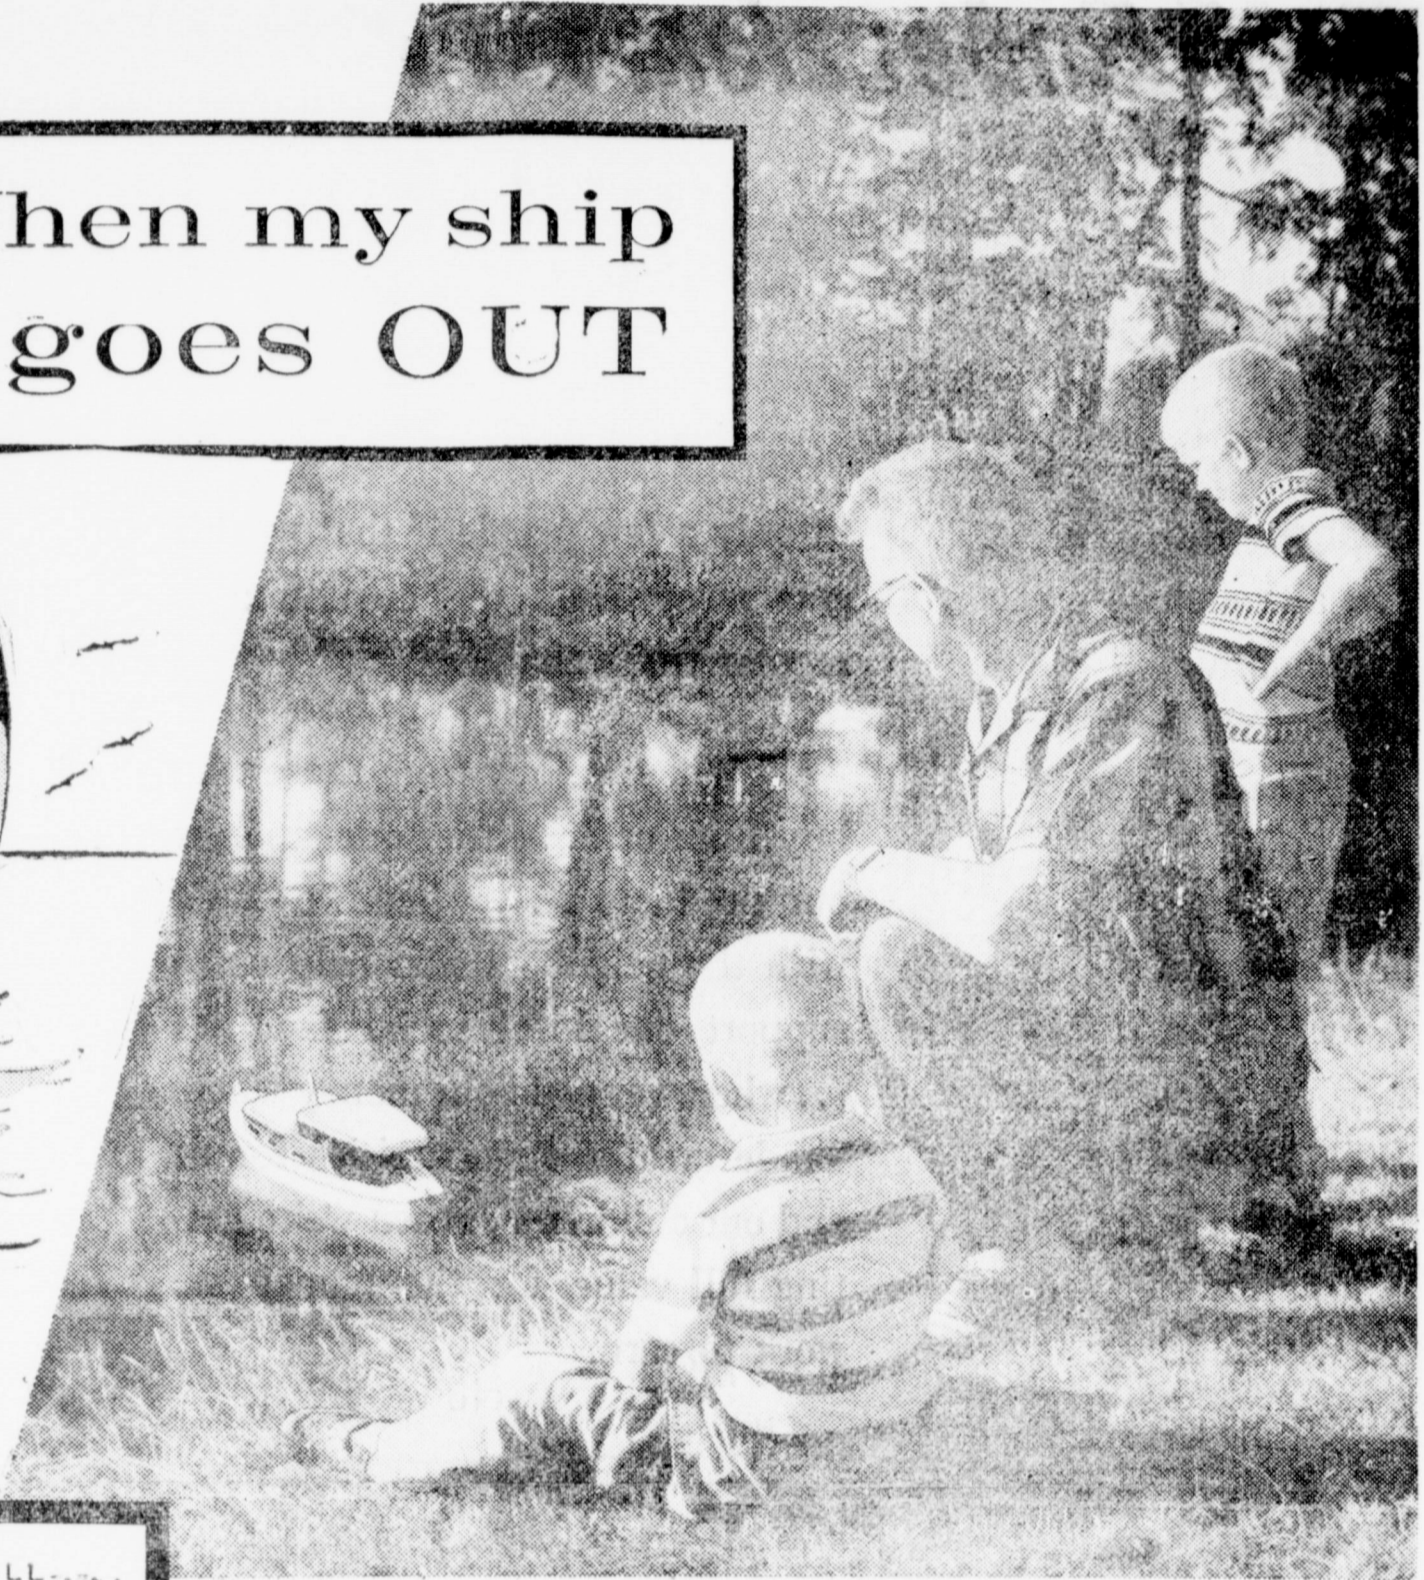

THOUGHT FOR THE DAY

How will I give expression today to the joyful fact that the Lord is my shepherd?

**When my ship goes OUT**

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	John	6	15-21
Monday	John	6	22-27
Tuesday	II Samuel	22	22-29
Wednesday	Ephesians	6	1-7
Thursday	II Timothy	4	6-12
Friday	I Corinthians	12	7-13
Saturday	Matthew	22	34-40

The imaginative adult waits for "his ship" to come in. The child watches his ship go out.

And only the ship which has gone out, will ever come in!

Success, in other words, comes to those who venture. Discovery is the reward only of the explorer.

But failure can repay our venturing; futility can frustrate our exploring.

What shall we seek when our ship goes out? This is the crucial question! Shall we seek the qualities of faith and noble life which make honest ventures worthwhile; or the selfish lures which make searching our downfall?

It is no strange coincidence that so many of the happy, contented, successful people in our community are also faithful church-goers. Jesus said:

*Seek ye first the Kingdom of God, and His righteousness, and all these things shall be added unto you.*

# Guilty of Self-Embezzlement?

**I**t's a serious charge. But lots of us are guilty . . . although very few people cheat themselves intentionally. Yet that's just what we're doing when we fail to shop our home stores before we buy.

¶ Often enough the deals are better at home, dollar for dollar. Always they're better when you consider that Trade Builds Communities . . . and that Trade is the sole source of prosperity for an area and for those who live within it. Even great natural resources bene-

fit only a few people if that wealth gets away from the community's regular trade channels.

¶ When we buy from those who buy from us . . . either our labor or our products . . . when we trade with the neighbors who help us to support our local social facilities . . . when we spend our money where Trade creates opportunities for us and our children . . . then we're getting full value for the money we work to earn.
