## With new offense, Bulldogs to open season at Crosbyton

By DALTON WOOD

With only one of Tahoka's 10 scheduled regular-season opponents, Plains, given a lower pre-season rating than Tahoka, this year's Bulldog team is gearing up for a tough season, and planning to far surpass the pre-season rating given by the Lubbock *Avalanche-Journal* recently.

The Bulldogs will open the season Friday night at Crosbyton, which went undefeated in regular season last year.

Coach Brandon Hopper and his squad of just 19 players already have taken on one of last year's top area teams, Seagraves, in a scrimmage, and a second scrimmage was held here Thursday against Morton.

"I was really proud of the way our kids played in both scrimmages," said Hopper. "They played great defense, especially. We're learning a new offense, and the more reps they can get, the better they will get."

The coach observed that the Morton scrimmage was successful, and that "the defense played great all evening, limiting the Morton offense, and

had two turnovers in the live quarter situation ... The offense was much improved from the Seagraves scrimmage as the players have begun to settle into our new scheme. We were able to score a couple of times and had success moving the ball. As they continue to become more comfortable with the offense, the more their confidence will continue to grow."

Coach Hopper is counting on the leadership and performance of 10 returning lettermen, including four starters each on offense and defense from last year's 2-8 season, including junior quarterback Brit Lockaby, who was doing very well as a sophomore starter last season until going down with a season-ending injury.

The coach noted that the team has switched from a triple option attack to a more spread type of offense, keyed to passing, with much action from the shotgun. "Brit is doing a good job of being a leader, and the others are rallying around him." Hadley Reynolds is also working some at quarterback.

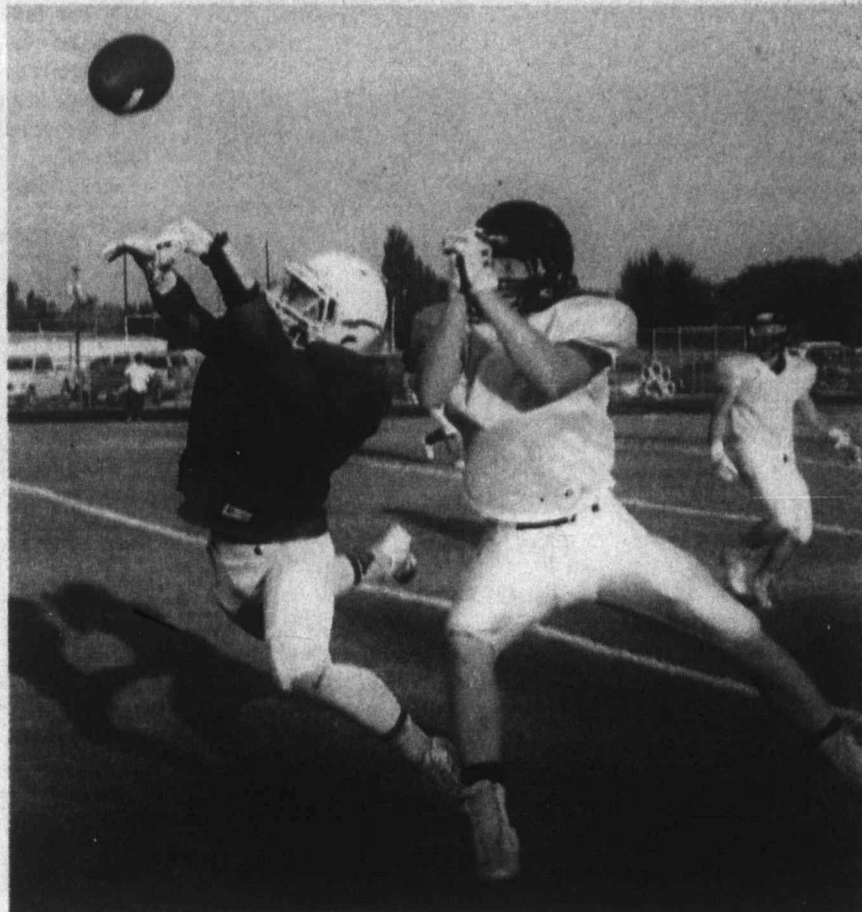

Hopper said he expects good

things from Reynolds, Luke Fleenor, Lockaby, Jared Green, Grant Tekell, and Kevin White. He also commented that "the offensive line is very young, but they are getting better every day." White, a 210-pound sophomore who plays end on defense, is the only returning starter on the offensive line.

The coach also said, "I'd like to thank all the community, including the parents of the players, for their good support already this year. There have been good turnouts at scrimmages and practices."

### The 2015 regular-season schedule:

## Acid spill, burglary reported

Theft of two television sets from a vacant house under construction and a minor spill of sulfuric acid after a traffic accident were among items reported to law enforcement officers in Lynn County during the last week.

David Sepeda told Tahoka police that the two flat-screen TV sets were last seen about Aug. 15 at the temporarily vacant house. The TVs were a 42-inch Toshiba and a 60-inch LG. The victim noted that other valuable items in the house were not taken.

The Lubbock Hazmat team was called to Lynn County to clean up a brief spill of sulfuric acid at a site on FM213 six miles west of U.S. 87 Monday afternoon. A state trooper called in the Hazmat team after the tank of farm chemical being towed by a pickup overturned and ruptured. The area was cleared later in the day.

Police said they plan to charge a Tahoka man with unauthorized use of

a motor vehicle following an incident last Friday involving a 1983 Chevrolet owned by Darren W. Smith.

Security was increased during a 106th District grand jury session in Tahoka Monday as a result of what officers considered a possible threat to the district judge, county attorney and other judicial officials. No incidents were reported. Sheriff's officers later arrested and jailed a person of interest in the situation, on an original charge of possession of a controlled substance.

Lynn County Jail was holding 34 persons Tuesday, including 29 for Ector County. Latest arrests were for failure to appear on charges of unlawful possession of marijuana, assault causing bodily injury, motion to revoke probation on conviction of possession of marijuana, and application to revoke probation on conviction of driving while intoxicated, second offense or more.

### First day blues...

Tahoka Elementary Principal Christa Ritchey is all smiles as she takes a "selfie" with her son, Logan, but he seems a little unsure about his first day of Pre-K at Tahoka ISD. Monday was the first day of school for Tahoka and other area schools.

## Bond Election? Not yet.

No bond election to be held in November, as TISD Board tables action for later consideration

by JUANELL JONES

In a complete turnaround from the previous board meeting, last Thursday the Tahoka Independent School District Board of Trustees voted unanimously to table any action that would call for a bond election to be held in November, taking a step backwards from last week's vote to allow language to be drafted that would have been printed on the ballot if the bond election had been called.

Five of seven members were present at last Thursday's special meeting to consider action on an order calling a special bond election for funds to renovate or construct new facilities for Tahoka ISD. At a meeting the prior week, trustees had taken the next step and voted 5-2 to draft the language for the ballot, but apparently trustees had reconsidered that decision during the past week because all five trustees present indicated they were not ready to take the final step in calling for a bond election. Instead, they voted 5-0 to table the issue, effectively taking the issue off the November ballot, as they were down to the wire on the deadline to have a bond election with the November general election.

That being said, trustees may now begin consideration of whether to try for a bond election in May, when the school board elections are held. The delay may give trustees an opportunity, they said, to form a plan that the seven-member board could all support.

"We all agree that our school needs updating," said Dr. Cathy Box, Board President, in opening remarks at the meeting. "I think we are all in agreement that our focus is on educa-

tion. However, I believe the 50-cent tax levy is where things started to unravel, which is a legitimate concern. In my opinion, a board that is divided on something this important is detrimental to getting the community behind us. I think we should take a step back and take a further look ... we need detailed plans that are clear and concise that would show us exactly what we would be getting for \$8 million, or \$12 million, so that we can put those plans out to the community and listen to what they think," she added.

Other trustees, in turn, expressed similar views that indicated they were not ready at this point to have the bond election placed on the November ballot.

"During the past week, I've spoken to two different landowners who said that this year is going to be pivotal in determining their future - I don't want to do anything that makes their situations worse," said trustee Jim Bingham. "I think we should wait," he added.

Trustee Matt Woodley concurred, saying, "I think the best possible thing is to wait and figure out a plan we can agree on. We've got a lot of work we need to do, but I worry about obligat-

## 40th annual Harvest Festival slated for September 19th

The 40th Annual Lynn County Harvest Festival is about a month away, slated for Saturday, Sept. 19 at the courthouse square in Tahoka. The Harvest Festival features live entertainment, food booths, games, princess and queen contests, and cash prizes from audience participation.

In honor of the 40th festival, this year audience members will win a minimum of \$40 cash for every correct answer to trivia questions or as a reward for requested items brought to the stage - and still have a chance to win \$50 or \$100 if the Wheel of

Fortune spin lands on the larger cash prize! Area merchants are donating cash for the prize giveaways, and the Harvest Festival also contributes to the prizes from funds collected through raffle ticket sales. Cadillac Jack's band will perform throughout the day.

Children may begin collecting their turtles for the annual Turtle Races at the Harvest Festival, sponsored each year by Lynn County 4-H. Food and game booths are also a big

attraction at the festival. For information about booth space, contact booth chairman Rebecca Ingle at 561-4440. Booths close at 5 p.m.

The Harvest Festival Princess and Queen will be named during the afternoon, with candidates signing up now for an opportunity to win cash prizes and scholarships. Princess chairman is

Liz Tew (cell 806-790-4301) and the Queen chairman is Amy Rodriguez (cell 806-928-0353). Any girl attend-

ing a Lynn County high school may enter the Queen contest, and girls in 2nd-5th grades may enter the Princess contest.

This year's raffle ticket sold by princess and queen contestants features 16 chances to win \$3500 in prizes. The grand prize is a \$1000 prepaid Visa card, and other prizes include one drawing for a \$500 prepaid Visa card, four drawings for \$250 prepaid Visa cards, and 10 drawings for \$100 prepaid Visa cards. The drawings for all prizes will be held throughout the day of the festival.

George Sepeda

George Louis Sepeda, 60, ("Crazy Ex-Marine") died Wednesday, Aug. 19, 2015. Cremation was under the direction of Calvillo Funeral Home.

George was born on February 9, 1955 on El Campo, to the late Raul and Elaria Sepeda. He married Andrea Barrientes on April 19, 1985 in Seminole. He had served in the US Marine Corps, and worked for the Tahoka Housing Authority for many years before retiring. He was a Catholic.

Survivors include his wife of Lubbock; two sons, George Louis Sepeda, Jr. and David Louis Sepeda, both of Tahoka; two daughters, Andrea Miller of Slaton and Jennifer Louisa Sepeda of Tahoka; nine grandchildren and three great-grandchildren.

Ricky Morris

Graveside services for Ricky Morris, 61, of Lubbock will be at 10 am Thursday, August 27, at Terrace Cemetery in Post with Rev. David Earnest of Sweet Street Baptist Church, Tahoka, officiating. He died Friday August 21, 2015 in Lubbock. Arrangements are under the direction of Hudman Funeral Home, Post.

He was born to Harlan and Imogene (Evans) Morris Sr. on Dec. 14, 1953 in Post. He was a resident of Daybreak in Lubbock for a number of years.

He was preceded in death by his parents and one brother, Virgil Morris.

Survivors include two sisters: Janey McMillan of Tahoka and Peggy Leatherwood of Lubbock; three brothers, Harlan James Morris Jr., Wesley Morris and Ray Morris, all of Post.

Woodwork

BY THE TIME this is printed, a 3-month-old chicken named Cecily should have a working prosthetic leg, replacing a bum foot caused by a slipped tendon when she was just a little chick.

If that sounds strange, here's something stranger: a Boston woman who describes herself as a "chicken rescuer" is guaranteeing the \$2500 surgery bill so that the bird can have a normal chicken life, instead of being euthanized (translation for us less sensitive people: killed and possibly fried and eaten).

I would think that the number of persons carrying the title of chicken rescuer is pretty small, and unlikely to include the name of Colonel Sanders.

Andrea Martin, who found a new home for Cecily, said the chicken's leg never grew properly, "so it's basically useless right now...she can't roost or really do anything a normal chicken can do." (I can't say here what chickens mostly do).

The new leg will be plastic, so after Cecily passes on, people in the Boston area who like fried chicken should be wary of which piece they ask for. The prosthetic was to be made and attached by an "avian orthopedics specialist" in the Tufts University Veterinary School. He intended to sedate Cecily, copy the chicken's good foot, make another one of plastic, then amputate the bad foot and attach the new one, starting the whole project from scratch, so to speak.

Although many will question the wisdom of spending \$2500 on a chicken, it's hard to fault someone's motive of helping a crippled creature, so maybe Mrs. Martin has enough money to afford this operation regardless of the outcome.

To her, \$2500 may just be chicken feed.

City-County Library seeks items for Silent Auction

The Tahoka City-County Library is getting ready for their biggest fundraiser of the year - the Silent Auction at the Lynn County Harvest Festival on Sept. 19.

"Some of the kids from the library art classes have donated a few of their pictures so that they could be a part of the auction," said a spokesperson for the Library. All donations for the auction may be delivered to the City-County Library during regular hours. Donations for the silent auction will be appreciated.

ing future boards for the next 30 years to a 50-cent limit [50-cents is the highest tax levy allowed for debt service], in case something happens in the future. I think we should do a better job of deciding exactly what we want and come up with a figure that's below the limit," he added. "We don't have anything concrete, really, to present to the community. We need to have a good answer when people ask us what we are getting for the money," said trustee Brenda Dotson. Trustee Abraham Vega added, "I had already changed my mind since last week, after thinking about some of the issues that have already been mentioned here tonight, and I agree that we need to wait. I say we table this issue for now."

The two other trustees, Scott Dimak and Clay Taylor, were unable to attend last week's meeting.

Be nice to each other
"Encourage one another and build each other up." 1 Thessalonians 5:11

Is it just me, or does it seem as if every time we turn on the TV or read a newspaper or magazine that someone is saying something bad about someone else (and not just because it is the start of the 2016 Presidential campaigns)? It seems as though a lot of people have lost their memory of this scripture verse; that, as Christians, as believers and followers of Christ, we are called to encourage and build each other up, not discourage and tear each other down. Having a difference of opinion does not give us a license to be hateful or hurtful toward another person. Let's be nice to each other.

MR. AND MRS. LEONARD NETTLES

**Couple celebrates 70th anniversary**

Mr. and Mrs. Leonard Nettles of New Home, will celebrate their 70th wedding anniversary on September 2, 2015. Nettles and the former Rita Jo Phifer were married Sept. 2, 1945 in Shallowater.

Children of the couple are Danny and wife, Nancy Nettles of New Home, and Charlotte and husband, Allen Neece, of Abilene. The couple has four grandchildren and five great-grandchildren.

A celebration in honor of the couple will be held Sunday, Aug. 29, at New Home Church of Christ from 3:00-5:00 pm. Friends are invited.

**REQUEST FOR PROPOSAL FOR PROFESSIONAL LANDSCAPING SERVICES**

The City of Tahoka is requesting proposals for landscape services covering an area located at the intersection of the US Highway 87 frontage road and Loop 472, commonly known as the "Tahoka Triangle".

Responses are due at Tahoka City Hall at 1612 Lockwood, Tahoka, Texas by 5:00PM September 11, 2015 and will be presented to the City Council at their regular monthly scheduled meeting at City Hall at 6:00PM September 14, 2015. No postmarks or exceptions will be accepted or made.

**I. SCOPE OF WORK/DESCRIPTION OF PROJECT ACTIVITIES**

The contract will encompass all project related services, including at a minimum the following activities:

- Cleaning out grass and removal of 1-2 inches of soil from an area approximately 80,000 square feet in size.
- Replacing soil with 60 yards of decomposed granite.
- Replacing soil with 375 yards of crushed 1" aggregate.
- Replace soil with 40 yards of 1 1/2" round rock.
- Lay out the location of rock in a manner to facilitate proper drainage of the area.
- Treat entire area with a pre-emergent weed control and other sterilization chemicals required to prevent grass/vegetation growth through rock cover.
- Placement of drought tolerant flowers and plants on site.
- Prune ornamental and other existing trees to maintain a natural appearance of the species.
- Replacement of all existing irrigation lines and placement of new lines which may be necessary for the maintenance of newly placed plants/trees.
- Placement and programming of timer/s for irrigation system.

**II. STATEMENT OF QUALIFICATIONS**

Respondent should include in response all information relating to the following:

- Previous experience in landscape design.
- Previous work on projects similar to that described in Section I above.
- History of firm, including list of public sector entities for which landscape services have been provided.
- Two (2) comparable references and bonding and insurance information.

The respondent should also include a work schedule for completion of project in the response to this RFP.

**III. EVALUATION CRITERIA:**

The proposals will be evaluated and ranked according to the following criteria:

- A. Experience, including but not limited to the number and size of previous projects of the type outlined in Section I, projects located in this region, and extent of experience in project management.
- B. Work performance, including but not limited to past projects completed on schedule, managing projects within budgetary constraints, and quality of work product.
- C. Capacity to perform, including but not limited to staffing level and experience of staff, adequacy of resources, and coverage by professional liability insurance.

The City will rank the responses to this RFP according to the criteria listed above and will negotiate with the highest ranked person/business regarding an acceptable contract with the City of Tahoka. If negotiations are unsuccessful, the negotiations will be terminated and the City of Tahoka will negotiate with the second highest ranked person/business. This process will continue until an agreement with a person/business is reached.

Proposals must be mailed or hand delivered to the address below for arrival no later than 5:00 P.M., September 11, 2015. Please send or deliver personally to: Tahoka City Hall, 1612 Lockwood, P.O. Box 300, Tahoka, TX 79373. Please make note "Landscape Proposal". The City of Tahoka reserves the right to reject all proposals.

**Commissioners add policy addressing social media issues to county handbook**

by JUANELL JONES

Lynn County Commissioners met in regular session Monday morning to consider several routine business matters, and also approved adding a social media policy to the county employee handbook. Discussion of the social media policy was apparently not in response to any recent local issues, but merely to put something in place in the handbook to establish guidelines for the county.

"This is something we have discussed at schools for county judges, and this policy is just to protect the county," said Mike Braddock, County Judge.

Among other things, the policy states that the principles apply to professional use of social media on behalf of Lynn County as well as personal use of social media when referencing the County of Lynn. The policy also addresses issues regarding information that is posted or accessed by county-owned computers, and notes that "any employee using any county computer for any reason has no expectation of privacy."

The policy lists basic principles that county employees should consider regarding posting of any commentary, content, or images that are defamatory, pornographic, proprietary, harassing, libelous, or that can create a hostile work environment, and notes that employees should use their best judgment in posting material that is neither inappropriate nor harmful to the county, officials or employees.

In other business, commissioners approved budget amendments and monthly bills, and discussed the proposed budget, noting that some unexpected additional revenue would be coming from a wind energy farm in the county, which will put the proposed budget back in the black as opposed to having a \$42,000 deficit.

According to Amy Schuknecht, County Treasurer, additional revenue in the form of an abatement payment of \$164,680 from the Stephens Ranch Wind Energy project has been added to the budget, which had not been anticipated until the following fiscal year.

Abraham Vega, Chief Deputy, presented a report on the Sheriff's Dept. and told commissioners that the county jail currently held 34 inmates, 29 of which were from Ector County.

Commissioners went into closed executive session for about 45 minutes to consult with County Attorney Rebekah Filley regarding County Road 18, but took no action upon returning to open session. No action was taken on the following agenda item as well, regarding repair on County Road 18. The meeting adjourned shortly afterwards.

**New Home City Council proposes 44.9-cent tax rate**

The New Home City Council released information this week that they are proposing a tax rate of .449174 per \$100 of property value, for the 2015 tax rate. This rate is slightly lower than the current rate of .450844.

The City of New Home will hold a public meeting at 7 p.m. on Sept. 3 at New Home City Hall to consider adopting the proposed tax rate for 2015.

**City tax rate to remain same**

The property tax rate for the City of Tahoka will likely remain the same for 2015, as city officials this week released information that the proposed tax rate is .747030, which is the same as the current tax rate.

At this rate, the city will apparently collect slightly more revenue than the previous year, as the effective tax rate is listed at .744912, just slightly lower than the proposed tax rate. The effective tax rate is the rate that would bring in the same amount of revenue as the previous year.

The Tahoka City Council has scheduled two public hearings for citizen input, with the first hearing on Sept. 1 and the second hearing on Sept. 2, with both meetings set for 5:30 p.m. at City Hall, at 1612 Lockwood Street.

KEATON STICE AND BROOKE ANN BICKERSTAFF

**Couple announces engagement**

Brooke Ann Bickerstaff of Shallowater and Keaton Dwayne Stice of Tahoka, announce their engagement.

The bride-elect is the daughter of Christi Taylor of Lubbock and Eric Bickerstaff of Shallowater. She is the granddaughter of Earnest and Bea Bickerstaff of Sweetwater and Shirley and G.E. Gore of Plano. She currently attends Wayland Baptist University majoring in English Language Arts Education, and is employed by LCHD. She is a graduate of Shallowater High School.

Stice is the son of Charlie, Jr. and Lana Stice and the grandson of Gaylon and Sue Tekell and Charlie and Barbara Stice, all of Tahoka. He is a graduate of Tahoka High School and attended South Plains College. He is employed by Tekell Farms.

The couple plans to marry on September 26, 2015 at the First Baptist Church in Tahoka. The couple will reside in Tahoka.

**2015 Property Tax Rates in CITY OF NEW HOME**

The City of New Home will hold a meeting at **7:00 p.m. on September 3, 2015 at New Home City Hall, New Home, Texas** to consider adopting a proposed tax rate for tax year **2015**. The proposed tax rate is **0.449174** per \$100 of value.

**NOTICE OF 2015 TAX YEAR PROPOSED PROPERTY TAX RATE FOR CITY OF TAHOKA**

A tax rate of \$ .747030 per \$100 valuation has been proposed for adoption by the governing body of CITY OF TAHOKA. This rate exceeds the lower of the effective or rollback tax rate, and state law requires that two public hearings be held by the governing body before adopting the proposed tax rate.

PROPOSED TAX RATE	\$ <u>.747030</u> per \$100
PRECEDING YEARS TAX RATE	\$ <u>.747030</u> per \$100
EFFECTIVE TAX RATE	\$ <u>.744912</u> per \$100
ROLLBACK TAX RATE	\$ <u>.804504</u> per \$100

The effective tax rate is the total tax rate needed to raise the same amount of property tax revenue for CITY OF TAHOKA from the same properties in both the 2014 tax year and the 2015 tax year.

The rollback tax rate is the highest tax rate that CITY OF TAHOKA may adopt before voters are entitled to petition for an election to limit the rate that may be approved to the rollback rate.

YOUR TAXES OWED UNDER ANY OF THE ABOVE RATES CAN BE CALCULATED AS FOLLOWS:

property tax amount = ( rate ) x ( taxable value of your property ) / 100

**Hero Challenge...**The FirstBank & Trust challenged the children involved in the Summer Reading Program at the City-County Library to choose an American hero, a person they would suggest to have their face on the next gold \$1 coin. The winner, Ethan Calvillo, was presented a \$25 gift card by Chuck Senter at FB&T's Tahoka location, in front of the Tahoka Bulldog ATM. Ethan suggested his Dad as the hero's face on the coin.

**Join the Freitag's in the "Step Out Walk For Diabetes"**

The Freitag family will be participating in the annual Step Out Walk for Diabetes on September 19, in support of Sarah Freitag, who was diagnosed with Type 1 Diabetes at the age of 14. Sarah has worked diligently to keep her diabetes in check, but it is a daily chore. Due to the numerous factors affecting blood sugar, including what and how much is eaten, hormones, exercise, stress, heat, and cold, it is a disease that requires constant monitoring.

Despite the challenges of being a diabetic, Sarah continues to move forward with her life. She is beginning her third year as a Communications Design major in a very competitive program at Texas Tech. In addition to school, Sarah continues to serve as a musician and Sunday School teacher at St. John Lutheran Church, is an active supporter of all Texas Tech Red Raider Athletics, and is a part-time nanny to a precious three-year old girl.

The annual Step Out Walk for Diabetes is a major fundraiser for the American Diabetes Association to assist in raising funds for research and awareness. This year's walk will take place at Mackenzie Park in Lubbock on Saturday, Sept. 19. Along with Sarah, the Freitag's would appreciate your support as they raise money and awareness for this worthy cause.

If you would like to donate, mail a check payable to the American Diabetes Association to PO Box 787, Tahoka, TX 79373 or visit [http://main.diabetes.org/site/TR/StepOut/StepOutContent?team\\_id=713724&pg=team&fr\\_id=10651](http://main.diabetes.org/site/TR/StepOut/StepOutContent?team_id=713724&pg=team&fr_id=10651) Once there, scroll down to find Sarah's name with the word DONATE below it. Click on "DONATE" and then follow the instructions to complete an online donation.

**County Commissioner at work**

We caught County Commissioner Larry Durham (Precinct 4) with a shovel in his hands filling in pot holes with his two helpers, Mike Engle and Danny Deleon on County Road F in Precinct 4, that have needed filled in for the last seven years. Now all of us that travel CR F can travel without having to worry about dodging a pot hole, ruining a tire or knocking the front end out of line.

From all of us that travel CR F, we say thank you Larry!

Leland & Barbara White and friends

**Caring Hearts for Tahoka Pride**

We appreciate all of the volunteers that came out to help make a difference in Tahoka cemeteries on our August 15 work-day. Volunteers were Barbara and Jack Jaquess, Bill and Frances Chancy, Debbie Engle, Rebecca Ingle, John and Suzanne Baker, Elizabeth, Jerry, Alex, Amy and Jacob Tew, Mark Wuensche, Cindy and Ronny Jolly, Cara Henderson, Haleigh, Hartley and Dace Rock, and Cathy Ross. Thank you to Leroy Moreno and Cande Frausto, employees of the City of Tahoka, that came out and brought the backhoe and dump truck to assist us.

We trimmed 15 trees, cut down two, cut back some lantana and cactus that had taken over monuments, and uncovered 21 more monuments.

A very big thank you to the ones that provided water, donuts and an awesome lunch.

Our next work day will be September 12. Everyone is invited and we hope you will all make plans to join us.

—Cathy Ross and Caring Hearts

**From Tahoka City Hall**

**Water meters:** Part of the new water line replacement project is to purchase and install "smart" meters. This will not require an employee to visibly read each meter. The reading will be sent to a device for input into the computer. However, now we have to actually open the lid and read your meter. We have been frequently asked about the dirt on the face of the meters. The meter boxes are not sealed. Dirt will get into the box and on the face of the meter. And, in West Texas that doesn't take long. If you have a concern about the reading from your meter please call. We certainly don't mind taking the time to show you how we read your meter each month.

**Alleys:** Once again let me say that the weeds and grass between the fence and the edge of the alley is the property owner's responsibility. The city does not own that, but we do have an easement on it for our utilities, just like Atmos Energy, Xcel Energy, and any other utility provider. We are responsible for keeping the center of the alley mowed only.

Any questions, call Tahoka City Hall, 561-4211.

I am **Roxanne Cox** and I am announcing my candidacy for District Attorney of the 106<sup>th</sup> Judicial District.

I am asking for your vote and your support because...

The citizens of Lynn County deserve an experienced prosecutor. As a JAG in the United States Air Force, an Assistant United States Attorney and an Assistant District Attorney, I have more than 18 years in the courtroom and have litigated 48 criminal trials.

You deserve an elected official that will be a good steward of all the resources of this county; money, people and time. I live in this district and I will work hard to protect each of your resources and be accountable to you all.

Each of us has gifts and talents and passions! Mine have led me here, now.

Please share my Vision...

**Faith** - I will work to restore your faith in our judicial system.

**Family** - I will work with every part of the system; law enforcement, court officials, other prosecutors, probation officers, and defense lawyers; just like a family.

**Fairness** - I will follow the laws of Texas; to seek justice, not always trials, and to evaluate each case individually to be fair to the victims, the defendants and the citizens.

Most sincerely,  
*Roxanne Cox*
