GINNINGS HERE REACH 12,919 BALES, WITH ESTIMATED HALF OF COUNTY'S CROP GATHERED

Haskell gins, operating on a day-and-night schedule in meeting the heaviest demand ever made on the local plants, have processed approximately 400 bales of cotton each 24 hours during the past week to send the season's total of cotton ginned here spiraling to the 12,919 bale mark.

This total was reported Thursday morning by the five Haskell gins, and represented a turn-out of 2,662 bales since the same date last week.

Based on the amount of cotton ginned in Haskell from the 1949 crop, it is estimated that between 50,000 and 55,000 bales have been ginned to date in the county.

In the opinion of ginner and producer, approximately 50 per cent of this year's crop has been gathered, indicating a probable record production of around 100,000 bales in the county this year.

Labor supply has been ample, although a scarcity of pickers exists in some spotted sections of the county. Number of transient workers now engaged in the cotton harvest in Haskell county is estimated between eight and ten thousand, in addition to the normal on-the-farm workers.

Nov. 1 Ginnings
Census report released Nov. 14 on the number of bales ginned in Haskell county prior to Nov. 1 this year gave the total as 29,746 bales compared to 23,317 bales on the same date in 1948. This report is compiled by Virgil A. Brown, special agent, and is released from Washington.

By comparison with the county total on Nov. 1, a total of 7,23 bales had been ginned here, representing almost one-fourth of the county's ginnings on that date.

Four members of one party leaving Monday, each bagged a deer on opening day, they reported by telephone Wednesday night. They were George Cramer, Ollie Kittley, Jennie Lee Gordon, and Bob Humphreys, who got the top specimen, an eight-point buck. Other members of this party are Giles Kemp and son Giles Marion of Haskell, E. Safel, Beans, McClellan, and Mr. Kirkpatrick of Wichita Falls. They are hunting on a Loyal Valley lease.

Another group leaving Monday included C. G. Burson, J. W. Gholson, Ed Fouts, Walter Rogers, Frank Reynolds, Walter Gresham, H. M. Smith, James Reynolds, Emmett Starr and W. D. Hellums. They will hunt on a large lease near Leesdale, in Edwards county.

In another party who will hunt in Mason county, are Bob Harrison, Alvin Feiser, E. O. Chapman, C. G. Covey, Noah Lane and George L. Gan.

Composing another hunting party were C. C. Middleton, M. B. Cobb, Lynn Pace, Jr., Bill Pittman, Skeet Miller, Nat Foster and Melvin Miller.

Fire which broke out in the cotton storage house at Duncan Gin this morning about 10:30 resulted in the damage of six or seven bales of cotton by fire, smoke and water. The cotton was stored awaiting ginning.

The blaze was confined to two stalls in the ironclad building. Roof of the structure suffered only minor damage.

Union Thanksgiving Service Will Be Held Nov. 23 at First Methodist Church

Sponsored by the Haskell Ministerial Association, annual Union Thanksgiving service will be held at the First Methodist church in this city Wednesday evening, November 23, beginning at 7:30 o'clock.

Principal speaker of the evening's program will be Rev. W. T. Priddy, pastor of the East Side Baptist church. Rev. Vernon Henderson, pastor of the First Methodist church, will give the Scripture Reading, and Thanksgiving prayer.

Program of music for the evening will be furnished by First Christian and First Baptist church members.

All people of Haskell and surrounding territory are invited to attend and take part in the Thanksgiving program.

Chinese Religious Leaders To Speak Sunday At First Baptist Church

Mr. and Mrs. Y. K. Chang of Kaifeng, China, will speak at the First Baptist church Sunday, November 20. Mr. Chang will speak at the 11:00 a. m. service and Mrs. Chang will speak at 7:30 p. m. Both were converted on the mission field and were educated in the Baptist schools in China. They have finished the China Baptist Theological Seminary with master degrees in Theology.

Mr. Chang taught Bible for three years in the Baptist Theological Seminary in China. Mrs. Chang has served for three years as president of the China Women's Missionary Union. They are now in this country taking courses leading to their doctors degree at the Southwestern Baptist Theological Seminary at Fort Worth.

Two gigantic pep rallies are being planned Friday afternoon as a prelude to the HHS Indians and Rotan Yellowhammers district title clash in Stamford Friday night, and fans and supporters of the Warriors are invited and urged to take part in the two demonstrations.

First pep rally will be held at 3 p. m. Friday for school students and the public. Another rally will be held on the courthouse square downtown at 5:30 p. m. The HHS Indian band and pep squad will perform.

At the final rally, the Quarterback Club will furnish material and girls of the pep squad will decorate any car going to the game with HHS colors. A booth and material will be located on the northwest corner of the square, and persons wanting their cars decorated should report to this booth.

School buses and a caravan of several hundred automobiles expected to make the trip, will be furnished a highway escort for the trip to Stamford.

Opening of Henderson Electric Shop on the southeast corner of the square in a section of the building occupied by Mann's Grocery, was announced this week by John Henderson, well-known Haskell electrician.

Free Press Will Be Printed Day Early Next Week

In order to observe a holiday on Thanksgiving Day, Thursday, Nov. 24, next week's issue of the Free Press will be published one day early, and will be mailed Wednesday afternoon, Nov. 23.

Co-operation of advertisers and correspondents in meeting the earlier deadline next week will be appreciated by the newspaper staff.

To insure publication, all advertising and news articles must reach the office not later than 12 noon, Tuesday of next week.

Thanksgiving Will Be Observed Here As Holiday

All Haskell stores and business establishments, with the possible exception of the gin, will be closed in observance of Thanksgiving Day next Thursday, Nov. 24.

The annual Thanksgiving observance will give employees in stores and offices their second holiday from business this month, and their final respite on a week day until the Christmas holidays.

Thanksgiving Day is also a legal holiday for banks, and the Haskell National, as well as the Rule and Rochester banks will be closed all day.

Likewise, the day is observed by the postoffice department, and there will be no mail delivery service on rural routes nor in the city on this day.

Offices in the City Hall and the courthouse will also be closed for the entire day.

Lutheran Service At Presbyterian Church Sunday

Trinity Lutheran Church services will be held at the First Presbyterian church in this city next Sunday afternoon at 2:30 p. m., and all members are urged to attend. Trinity Lutheran is without a meeting place temporarily, and church officers and members, in announcing the services next Sunday, expressed their appreciation to First Presbyterian for use of their building and extended an invitation to the congregation of the Haskell church to attend the services.

Shaunee Minister Will Preach Here Sunday
Dr. McCall of Shaunee, Okla., will preach at the Presbyterian church in Haskell on Nov. 23rd, at 7:30 p. m.

Two Pep Rallies Planned on Eve of Haskell-Rotan Tilt

Two gigantic pep rallies are being planned Friday afternoon as a prelude to the HHS Indians and Rotan Yellowhammers district title clash in Stamford Friday night, and fans and supporters of the Warriors are invited and urged to take part in the two demonstrations.

First pep rally will be held at 3 p. m. Friday for school students and the public. Another rally will be held on the courthouse square downtown at 5:30 p. m. The HHS Indian band and pep squad will perform.

School District Voters Ballot On Bond Issue Saturday

Qualified voters who are property owners in the Haskell Independent School District, will ballot Saturday at the City Hall on a proposed \$200,000 bond issue, on a maintenance tax of \$1.25 on the \$100 valuation of property in the district; and on the assumption of outstanding indebtedness of the district.

The maintenance tax of \$1.25 for school purposes is lower than the minimum allowed for this purpose, and is below the rate in effect in a number of surrounding cities of comparable size, reflecting the efficiency and businesslike administration of school affairs in the Haskell district, which embraces approximately 100 square miles. Referendum on assumption of outstanding indebtedness is a routine requirement for grouping all indebtedness of smaller districts now incorporated in the larger school district.

The proposed bond issue of \$200,000 will be used in construction of an elementary school building of 16 classrooms which would accommodate the first five grades of the entire district. The building project is seen as the only solution to the badly crowded condition now existing in Haskell schools, and which is expected to increase in future years. Cost of this building has been estimated at \$140,000.

A portion of the bond issue would be used in erection of a band hall and health education building for use of both junior and senior high school pupils. Estimated cost of this building will be \$40,000. The remaining \$20,000 from the bond issue would be used in purchasing a site for the elementary building, construction of permanent bus sheds, other building repairs, and for purchase of equipment.

Program Planned To Mark Opening Of Holiday Season
Haskell merchants and civic and service clubs are completing plans for the opening of the Holiday season which is scheduled here for Thursday, December 1.

Highlight of the program will be the appearance of Santa Claus for his annual visit to the kiddies of Haskell and the surrounding territory, with gifts of candy for all the youngsters. Santa's arrival is scheduled for 4 p. m., and he will remain until early evening.

Arrangements are being made where all the children, even to the very smallest, will have the opportunity for a personal visit with him. It is planned to have child and older youngster the opportunity to pass by their gift and personal visit. Mothers are especially invited to bring every child of the family.

To add color to the annual Christmas party, decorations of multi-colored lights will adorn the courthouse and streets, with four brightly lighted stars atop the courthouse facing each direction. These decorations will be lighted for the first time to open the Christmas season here.

Evergreen trees will be placed at intervals throughout the business section of the city, and following a custom of more than 25 years, the Community Christmas Tree on the southwest corner of the courthouse lawn will again be lighted.

Following the usual custom, the decoration and judging of store windows will be a feature of the program. Also planned is the playing of organ music and chimes throughout the early evening, and the singing of Christmas carols by the Haskell Harmony club.

Haskell merchants for more than twenty years have used this method of extending Christmas and holiday greetings to their friends throughout the area, and plans call for open house in all Haskell stores on the evening of December 1, following the program.

Attend Welfare Conference In Fort Worth
Mrs. T. R. Odell of Haskell, associate professor of Education and Psychology at McMurry College, left Abilene Wednesday night for Fort Worth where she will attend the annual conference of the Texas Social Welfare association in the Blackstone Hotel this week.

The Taylor county committee of White House Conference Planning for the Texas Committee for Children and Youth, Mrs. Odell was accompanied to Fort Worth by Miss Kathleen Crawford, Haskell county chairman of the White House Conference Planning, and director of Girls' Campfire in the West Texas area.

CONGRESSMAN MAHON TO TALK ON RURAL PHONE LEGISLATION AT FARM MEETING HERE DEC. 1

Definite steps toward securing rural telephone service for farm homes in all parts of Haskell county through organization of a Rural Telephone Co-Op system will likely be taken at a county-wide meeting of farmers to be held here Thursday evening, December 1.

Announcement of the meeting was made today by C. C. Burson, chairman of the Rural Telephone Committee, and the Haskell County Farm Bureau whose 800 members have given their endorsement and support to the movement.

Congressman George Mahon of Lubbock will be the principal speaker at the meeting, and he will explain rural telephone legislation passed by the recent Congress as embodied in the Poage Bill. Under the provisions of this legislation, it will be possible to organize a farm co-operative telephone system that will serve all areas of the county.

Chairman Burson declared. Negotiations for rural telephone service with existing systems operating in the county have been unsuccessful, Burson said, and he believes that the forming of a Farmers Co-Operative system would be the earliest and most practicable means of providing this service to Haskell county farmers.

The meeting will be held in the American Legion building in this city, and all farmers of the county are urged to be on hand and express their views on the proposition.

The delegation will be headed by John A. Couch, Haskell's director of the WTCC, also a member of that organization's Nominations committee, Courtney Hunt, Haskell mayor, Olen Dotson, C. E. Phelps, Sam A. Roberts, Ern Lowe, Ralph Duncan, local chamber manager, R. P. Hattox, Fred Sanders, L. T. Florence, Roy Johnson and Chas. E. Smith.

Couch, Dotson, Roberts, Mayor Hunt and Duncan are members of the Bob Baskin Dam Association executive committee, an organization vitally interested in the area's water problems, and whose leadership assisted in the Government's decision to study the water needs of West Texas.

Weinert Bulldogs Play Wilson For Bi-District Title
The Weinert Bulldogs, 6-man football champions in District 3-B with an undefeated record this season, meet the Wilson High School tonight on the neutral field at oPst in a bi-district game. Wilson high school won the title in District 4-B.

The Weinert team is coached by D. E. Jones. Leading scorer for the Bulldogs is James Yandell, with 76 points, followed by Bill McGuire with 66. Weinert has scored 250 points to their opponents 43 during the season.

He will specialize in repair of all types of electric motors and appliances, and has a large stock of parts and electrical supplies. A line of electrical merchandise will also be handled.

C. G. Hammer Buys Roy Thomas Service Station Here

Announcement was made this week of the purchase of the Roy Thomas Magnolia Service Station by C. G. Hammer, who took charge of the station this week and will operate it in the future. The modern service station, located one block north of the square on Highway 277, has been operated by Mr. Thomas for the past 9 years.

Name of the station will be changed to C. G. Hammer Service Station, and Magnolia products will continue to be handled, together with a complete line of accessories and complete maintenance service, washing, greasing, etc.

Associated with Mr. Hammer in operation of the station will be H. B. Montgomery of this city. Both are well known residents of the Haskell section, Mr. Hammer having operated a help-yourself laundry here for several years. They invite motorists of this section to visit their new station.

All Day Gathering Marks 40th Anniversary of Lutheran Church In Sagerton; Couple Observes 25th Wedding Date

The Zion Lutheran church observed their 40th anniversary Sunday, Nov. 13, with an all-day gathering at the church. Friends

and former residents and pastors from surrounding Lutheran churches were present. The Rev. C. F. Jergenson, a former pastor

now of Brady, delivered the message in the morning services. The Rev. E. R. Rathgaber, also a former pastor, now of Vernon, brought the message for the afternoon services. After the service the young people of Cisco, Abilene, Albany, and Sagerton churches held a rally. Supper was served in the lunchroom of the school building and an educational film was shown in the school auditorium.

Friends and relatives dropped in at the home of Mr. and Mrs. F. A. Stegemöller Friday evening, Nov. 11, on their 25th wedding anniversary. The Rev. H. E. Driessner, pastor of the Zion Lutheran church, made a short talk and held devotional. Cakes, sandwiches, and cake were served to the guests. The gifts were displayed on a lace-covered table on which was a beautifully decorated wedding cake made by Mrs. Stegemöller. The gift that attracted most attention was the silver coffee service that Mr. Stegemöller gave his wife. Their two sons, Harvey, of St. Louis, Mo., and Kenneth, of Austin, were unable to be present.

The pastor of the Lubbock Conference of the American Lutheran churches held their annual conference at the St. Paul's Lutheran church Monday through Wednesday of last week. Tuesday evening services were held with the Rev. Braun, of Winters in charge. All the pastors and their wives in the Lubbock Conference and the Rev. C. N. Roth, president of the Texas District were present. Dinner and supper were served each day by the ladies of the congregation.

Mrs. John Clark spent several days of last week in Nacona at the bedside of her mother, Mrs. Smith, who is very aged and very ill.

Douglas Fairbanks, Jr. in a scene from "Gunga Din" showing at the H-H Drive-In Theatre on Stamford highway Sun.-Mon., Nov. 20-21. Also in this story of India is Cary Grant and Victor McLaglen.

A son was born to Mr. and Mrs. Roland Green last week. Mrs. Green is the former Odeene Newton.

A number of the men of this community left this week on deer hunts, and others are planning hunting trips.

The engagement and approaching marriage of Annie Marie Letz, daughter of Mr. and Mrs. Alfred Letz of Sagerton, and Walter Kretschmer, of the Irby community near Haskell, was told at a tea in the home of Mrs. R. N. Sheid, Wednesday afternoon, November 9. Co-hostesses with Mrs. Sheid were: Mmes. L. H. Schroeder, Joe Clark, Carl Hertel, and Charles Clark. The receiving line was composed of Miss Peggy Letz of Old Glory, cousin of the bride-elect, who wore a grey fraile dress with roman stripes and a corsage of mums, the honoree, her mother, Mrs. Alfred Letz, Mrs. Herman Kretschmer of Haskell, mother of the bridegroom-to-be; and Mrs. Clement Duding, sister of the bridegroom-to-be. Their corsages were all gifts of the hostesses. Miss Letz was wearing a blue dress of alpaca crepe with a jeweled neckline and pearls.

Miss Ruby Baitz of Old Glory, another cousin of the bride-to-be, laded punch from a cut glass bowl and Mrs. Bueford Letz, sister-in-law of the bride-to-be, served angel food squares topped with yellow icing. Plate Favors were thank-you cards decorated with orange blossoms and wedding bells. The table was laid with an imported drawn-work spread more than 50 years old, over yellow. In the center of the table a reflector, representing the sea of matrimony, surrounded by yellow chrysanthemums with a miniature bride and groom and the words, "Walter and Marie—November 19, 1949." Mrs. Joe Clark registered the guests in a beautifully decorated bride's book. The climax of the party came when Patsy Jo Clark, daughter

of Mr. and Mrs. Joe Clark, entered carrying a telegram which she gave Marie telling her her ship would come in about 7 o'clock. As she finished reading the telegram, a yellow boat filled with gifts on a foaming white sea was guided to her chair by Janice Hertel, little daughter of Mr. and Mrs. Carl Hartel, who was dressed as a bride, and Bob Clark, son of Mr. and Mrs. Charles Clark, who was dressed as a groom.

Gifts from the following were presented to Miss Letz: Mmes. W. F. Tredemeyer, Sr., Hilda Newman, Emma Baitz, A. L. Flowers, Herman Letz, Allen Letz, George Mendeman, John Clark, P. C. The 1950 Ford Deluxe Tudor Sedan combines the modern styling so widely acclaimed by the car-buying public with the comfort and economy demanded of a family automobile. Smart new treatment of the grille and parking lights and a colorful new crest—the first in Ford history—distinguishing the front of the new models. Comfort features include new non-sag front seat springs covered with a new foam rubber cushion, additional head room and smoother, quieter V-8 and 6-cylinder engines.

New Line of 1950 Ford Passenger Cars Announced Today; On Display Friday

The 1950 Ford line of passenger cars, with scores of improvements, was made public today by the Ford Division of Ford Motor Company.

"The progress that has been made in performance, economy, safety, comfort and appearance will again mark the 1950 Ford as the car of the year," according to Bill Wilson, local Ford dealer for Haskell and vicinity.

The new Fords will be on display in the showrooms of Bill Wilson Motor Company here, and by other dealers throughout the nation starting tomorrow, November 18.

All improvements in the 1950 Fords have been geared to offer even greater quality than was offered in the high quality 1949 Ford cars.

The new features embody improvements throughout the entire car—in the engine, the body, the seats, doors, frame, trunk, fabrics, instrument panel, brakes, floors and elsewhere.

The '50 Fords will be offered in two lines—the Custom Deluxe

and the lower-priced Deluxe series. A full range of body styles will be available, including station wagons and convertibles. Ford will continue to offer the choice of two engines—the 100-horsepower V-8 and the 93-h. p. Six.

Styling of the 1950 car, although not radically changed because of the wide public acceptance of the modern design of the Fords, nevertheless includes several distinctive features to enrich the appearance.

A colorful new crest, derived from an authentic coat of arms dating back to 17th century England, appears on the front of the hood and center of the trunk lid. This is the first crest that has ever appeared on Ford cars.

Other styling features include a new hood ornament, re-styled parking lights in new positions and a new ornamental deck lid handle.

Engine improvements include the latest developments in engine design to give 1950 Ford cars the quietest and smoothest running

V-8s and 6-cylinder engines ever produced by the company.

Some of the engine features are a new timing gear, autothermic type pistons, new design camshaft lobes, new fan and reduction of fan speed on the V-8s and many other improvements adding to the life and quietness of the engine.

Economy is keynoted through all of the many engine changes highlighted by still greater economy of oil consumption. The enhanced oil economy results from an addition of an oil squirt hole in the connecting rods, new cylinder wall finish and a rubber seal ring on the intake valve stem guide of the V-8 engine.

Comfort features offer a new sponge-rubber front seat spring, new sponge-rubber front seat cushion, improved front-end suspension, additional headroom and increased areas of sound conditioning for quieter operation.

Safety factors include the strengthening of Ford's famed "Lifeguard" body, new bumper guards, a ribbed rear bumper and bumper supports for added strength, easier operating handbrake, wider sun visors and improved steering linkage for easier control.

Colors are offered in a brilliant new array of 11 choices. There are new colors of broadcloth and mohair for interior finishings.

Doors will be equipped with new rotary locks as in the costliest cars. The exterior handle will have a touch button latch and there will be arm rest door closers.

Luggage compartments, which are the roomiest in the Ford-priced field, offer a new deck-lid latch and an automatic releasing support arm for easy operation together with attractive compartment lining.

Magic Air heaters will have a higher speed motor to increase the air flow 25 per cent and the heater control positions will be clustered and clearly marked and illuminated for easy reading and simple adjustment.

Other features include and attractive new three-quarter horn ring, new gas filler tube and cover, new rigid regulators for windows, new double-walled glove compartment door, new automatic courtesy lights which go on when front doors are opened, new durable floor coverings and increased openings for defrosters.

Overdrive, which improves gasoline economy up to 15 per cent, will continue to be sold as factory-installed optional equipment on all models.

IT'S HERE FRIDAY AND 50 WAYS NEW

WITH THE EXCLUSIVE NEW 100 H.P. FORD

NEW SOUND CONDITIONING
New "sound conditioning" in floor, doors and body panels insulates Ford's "Lifeguard" Body against road noises. More extensive body insulation and sealing in 41 areas give additional interior quietness and protection.

There's a Ford in your future

...with a future built in

ITS QUIET WHISPERS QUALITY

It's the quiet of new super-fitted pistons, new "hushed" timing gear, now fan designed for better cooling at slower quieter speeds. And what power! There's a full 100 horsepower wrapped up in this V-8 design that makes you master of any road. It delivers more power than any other car anywhere near Ford's low price and sells for less than most conventional "sixes." And Ford offers a Six, too—an advanced Six with 95 horsepower.

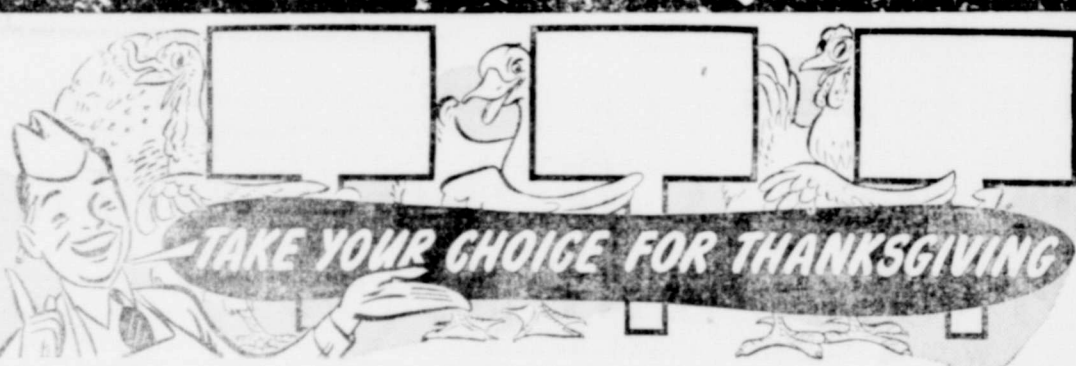

NEW "HUSHED" RIDE
Ford's famous "Mid Ship" Ride is now so quiet you can talk in whispers while traveling at highway speeds. So smooth (with its great team of "Hydra-Coil" and "Para-Flex" Springs) that it virtually erases every bump.

NEW QUALITY FEATURES
New quality is easy to find in this 50-way new Ford. You find it in the new push-button door handles, in the new rotary door latch that needs only a feather touch to open, yet closes so securely. You find it in new sparkling upholstery colors.

NEW DRIVING COMFORT
Not only does the 1950 Ford offer you more hip and shoulder room than any other car in its field—it offers you the long-lived driving comfort of a new foam rubber front seat cushion over new non-sag seat springs. Arrive relaxed after hours of riding.

Nation's Greatness Rests on Production Ability of American Farmer, Machinery Manufacturer Says

The foundation of this nation's standard of living and its industrial greatness rests on the production ability of the American farmer. And the continued strength of our system depends in great measure on future use of our soil.

That is the opinion of William M. Werner, prominent farm

"Nowhere else on earth is so much left over to buy the products of industry—the goods and services and facilities that make living more comfortable and happier. Many industries exist and provide jobs because of the margin remaining after satisfying food requirements. By con-

and one-half Americans, he now provides for 13. And the rate at which he has mechanized his production is indicated by the fact that in the three years 1946 through 1948, there were approximately as many corn pickers, combines and tractors bought than were used on all farms in the U. S. before 1940.

The production capacity of the nation's farm equipment industry is now more than three times its 1939 rate, Werner disclosed. And on a one-shift basis, it can produce twice as many machines as before.

Farm equipment prices have contributed to the farmer's ability to mechanize his farm. Latest reports of the U. S. Department of Agriculture point out that while gross farm income is up 288 per cent over 1939, the average price of farm equipment to the farmer is up about one half, current figures of the Bureau of Labor Statistics show that the average price of all commodities which the farmer uses has more than doubled during the past 10 years. At the same time average hourly earnings of production workers on the farm have almost doubled.

There is a grave challenge for the future in American farm production, Werner said. Improved nutritional standards and our estimated growth in population call for the most judicious use of the soil.

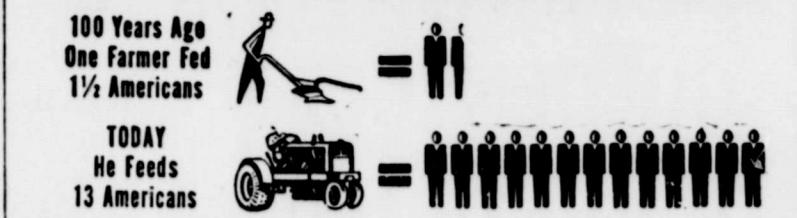

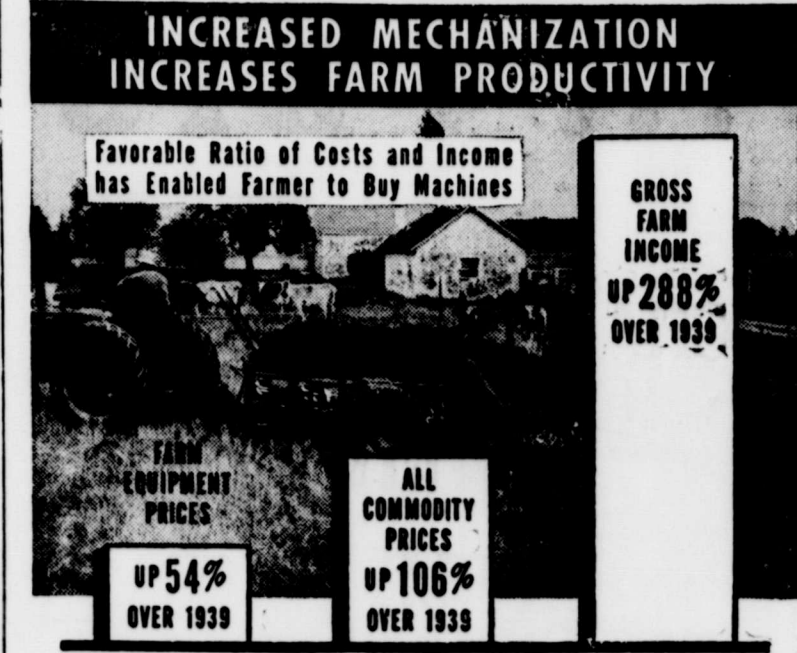

"It may even be necessary to develop the equivalent of 50 million acres of high-yielding crop land in the next 25 years in order to feed the nation properly," he said.

"This may seem startling in the face of what may be impending crop surpluses and declines in farm prices. The fact remains that the food needs of the future call for an upward rate of production."

Actually finding the necessary acreage isn't so much the problem as blending mechanization, science and conservation together to produce an equivalent yield, the New Idea executive added. Slowing down the present rate of soil erosion to prevent loss of about one million acres during the next quarter century is extremely important.

"Science and the saving of time, labor and money that mechanization brings cannot grow meat and potatoes and bread and butter from the tons of top soil washed down our rivers every year," he pointed out.

It is better poultry management to sell the extra pullets than to put them into an overcrowded house.

equipment manufacturer.

"Statistics of the U. S. Department of Agriculture show that ever since it began keeping records, an average of less than one-fourth of each American's income has been spent for food," said Werner, who is also an executive of the Farm Equipment Institute.

trast, in India and China, where feeding himself takes most of the individual's income, there is little industry and a pitiful standard of living.

Mechanization and improved soil methods have helped the farmer in this all-important achievement. Where 10 years ago one farmer produced food to feed one

H-D Achievement Program Held By Josselet Club

Josselet H. D. Club met on Tuesday, Oct. 8th, at 2 o'clock in the home of Mrs. J. H. Reding for achievement program with 8 members present and 3 visitors. The house was called to order by the president, Mrs. Jim Perrin. Several songs were sung. Committee reports were given. Mrs. C. A. Thomas gave council report. After the business session we all viewed the new bedroom and the things that were on display. There were crocheting, embroidery of all kinds and also applique and several pairs of pillow cases that had been made by the members. Mrs. Reding has a modern home with all the new fixtures, bath room and built-in kitchen cabinet and hard-wood floors.

Our next meeting will be at the Club House on November 22 at 2 o'clock. Each member bring a gift of \$1.00 to be exchanged for pals gifts.

Refreshments of chicken salad and open faced sandwiches were served to the members and visitors.

All pork, regardless of the cuts should be cooked to the well-done stage. For the large cuts of pork such as hams, etc., one-half hour of cooking time per pound is a good allowance.

What's YOUR price tag on happiness?

JUST what do you see in this handsome, tidy-sized Buick SPECIAL pictured here?

The smartest bit of automobile styling on the road today? The stand-out beauty of tapering fenders—the sturdy protection of a wholly new front-end design?

The prestige that's in the Buick name—the solid, road-wise steadiness Buick has always stood for?

Your chance to get in on the perfect smoothness of Dynaflo Drive*—this being the lowest-priced car on which that sensational new transmission is available?

They're all there, every one of those things. And for a good reason that may go a bit beyond the usual idea in designing an automobile.

For, a long while ago, we graduated from the idea that a motorcar is merely a means of getting about.

The way you travel is pretty important too. The lift that's yours in knowing there's no prettier picture anywhere on the highways. The "kick" there is in a power plant that's lively and eager and always ready to get in on the fun.

The comfort that's found in all-coil springs, a husky, steady-traveling understructure, cushions that are deep and soft and wide enough to let you spread yourself a bit.

Even that extra swelling of the chest that comes from owning a car you know everyone respects and admires.

In a word—your happiness. It's never out of our mind in planning this car—nor in making very sure each dollar of cost gives you the greatest possible benefit.

That's why we rather proudly ask you to go see—and try—this Buick SPECIAL. It's priced like a six, in spite of the fact that like all Buicks, it's a big-powered Fireball valve-in-head straight-eight.

And we honestly believe that it puts a lower price tag on your motoring happiness than any other car you can buy today! See your Buick dealer and find out about that.

SPECIALLY NOW!

Center Point H-D Club Meets With Mrs. Austin New

The Center Point H. D. Club met in the home of Mrs. Austin New, our bedroom demonstrator, in all day meeting on Nov. 3rd, with 13 members present, each bringing a covered dish. A bountiful lunch was served at the noon hour, after which our presi-

dent, Mrs. O. W. Whitaker had charge. Roll call was answered to songs, Won't It Be Wonderful There, and "There Shall Be Showers, led by Mrs. T. M. Patterson. Minutes were read and approved. Old and new business was discussed. Plans for a Thanksgiving program and supper were discussed and approved. The bedroom demonstrator, Mrs. New, gave a report on the cost of her bedroom, which included paper and labor

and new bedroom suite, spread and new curtains. Several more songs were sung and all adjourned with the reports of a very enjoyable day.

Those present were Mmes. Clyde Bland, A. M. Bird, A. R. Hannsz, Julia Gibson, T. M. Patterson, A. B. Corzine, Zada Smith, Bill Fouts, Buck Bland, Tilda Marugg, O. W. Whitaker, LaVerne New, Elizabeth Andrews.

Willing Workers HD Club Has Regular Meeting Oct. 10

The Willing Workers Home Demonstration Club of Jud had their regular meeting Thursday, Oct. 10, with Mesdames H. B. Yarbrough and C. M. Mantley as hostesses. The Club room was decorated with chrysanthemums of different colors.

In the absence of the president the vice-president, Mrs. E. B. Burleson, presided. The program was opened with reading of the Club Prayer in unison.

Roll call was answered with "A Small Gadget I'd Use If I Were to Get It for Christmas."

Mrs. S. E. Lewis gave a THDA report when she told of the work Lydia Krahl, a 15-year-old 4H Club girl is doing at Gainesville. Among the 23 vegetables grown she is trying out a new vegetable. It's the New Guinea butter vine which looks like an overgrown cucumber. It grows to a length of from three to five feet and its fruit may weigh 15 pounds. This product can be cooked like squash or fried like egg plant. Miss Mil-

dred Chapman, Cooke County Home Demonstration Agent, says Lydia is doing a wonderful job of gardening.

Mrs. Burleson gave a timely topic when she gave a Prescription for the Blues: "Instead of moaning and wailing when you feel mentally low just dress up for your family, tell a joke and make the whole family laugh, bake a batch of cookies, or better still start wrapping up those Christmas presents." Mrs. Burleson read a poem entitled "You Tell On Yourself."

Mrs. Ira Short gave a Slick Trick when she told how to remove the crease in woolen material when letting out a hem. Just dampen the crease with vinegar, instead of water, before pressing.

Mrs. H. B. Yarbrough demonstrated the making and baking of delicious Batter Rolls. These were graded and served with hot chocolate.

O'Brien H. D. Club Adds New Member At Last Meeting

The O'Brien Home Demonstration Club met in the clubhouse Nov. 9 with eight members present. A visitor, Mrs. W. L. Mann joined the club.

The president called the meeting to order, and three songs were given, Jingle Bells, The Eyes of Texas, and Beautiful Texas.

Roll Call was answered with "A Small Gadget I'd Use If I Were to Get One for Christmas."

A letter from Girlstown was read, thanking us for the box we sent.

Mrs. Gothard gave the Council report. They ask the club to have 10 minutes recreation at each meeting.

The club members then went to the home of Mrs. Gothard and Mrs. Brothers gave a demonstration on rolls.

Mrs. Dick Johnson gave Timely Topics, on the amendments.

In fixing partitions in dresser drawers, use cardboard covered with wallpaper, was the Slick Trick.

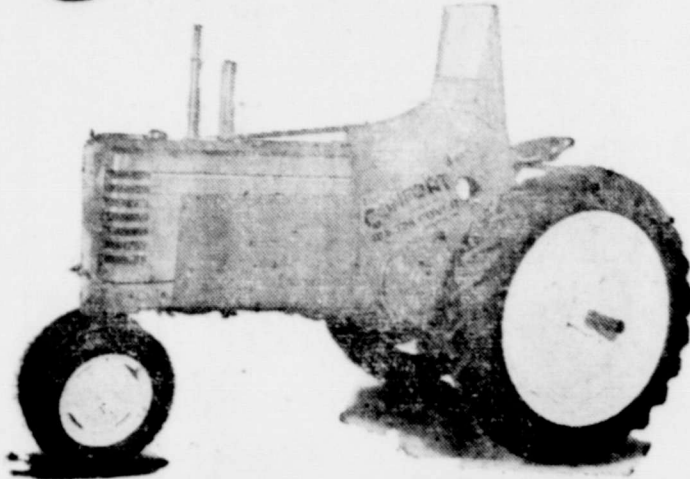

Next meeting of the club will be devoted to Achievement Day.

ANNOUNCE ARRIVAL OF DAUGHTER

LEGAL NOTICE

THE STATE OF TEXAS

To: John W. Fullen, Greetings: You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock a. m. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 26th day of December, A. D., 1949, at or before 10 o'clock a. m., before the Honorable District Court of Haskell County, at the Court House in Haskell, Texas.

Said plaintiff's petition was filed on the 7th day of November, 1949.

The file number of said suit being No. D-1232.

The names of the parties in said suit are: Jessie Fullen as Plaintiff, and John W. Fullen, as Defendant.

The nature of said suit being

substantially as follows, to wit: Suit for divorce alleging that Plaintiff and Defendant were lawfully married in Haskell County, Texas, on or about the 22nd day of January, 1944, and lived together as husband and wife until on or about October 1, 1948, when Defendant, without cause or provocation abandoned Plaintiff and has not since contributed anything to the support and maintenance of Plaintiff nor their baby girl, Maryland Joyce Fullen, and Defendant's conduct is of such nature as to render further living together as husband and wife insupportable. Plaintiff asks judgment of the Court for divorce from Defendant and support of their minor child.

Issued this the 7th day of November, 1949.

Given under my hand and seal of said Court, at office in Haskell Texas, this the 8th day of November A. D., 1949.

Advance Planning of Thanksgiving Dinner Saves Housewife Work, Worry

The wise homemaker is already planning and preparing the Thanksgiving dinner, and by doing many of the jobs early she will be able to spend the day with the family and friends. Mrs. Vee J. Howle, county home demonstration agent, says the home freezer certainly comes in handy on occasions like Thanksgiving.

For the Thanksgiving dinner Mrs. Howle recommends a traditional meal: roast turkey with stuffing; giblet gravy and cranberry sauce; mashed potatoes; creamed onions with toasted peanuts; celery-peach pickles; string beans; hot rolls-butter; pumpkin pie-whipped cream and coffee.

The turkey can be dressed and stuff several days ahead of time, wrapped and placed in the freezer. The fresh vegetables can be washed and sorted and held in the refrigerator. The cranberry sauce can be made early and the yeast dough can be prepared ahead of time and stored in the freezer. This advanced preparation will certainly lessen the hustle and bustle of preparing the meal, says Mrs. Howle.

Other members of the family

can help prepare and arrange the table decorations; see that the silver is in order and can bring the canned goods from the pantry or cellar, or after all, says Mrs. Howle, the Thanksgiving dinner should be a family affair.

Mrs. Howle says the turkey may be roasted with or without a stuffing. The skin should be well greased to hold the moisture in and the grease can be applied with a folded cloth dipped in melted fat. She says to place the bird breast down on a rack in a shallow open pan; cover with the cloth moistened with fat and be sure the sides and top of the turkey are well covered. No basting is necessary and it is now ready for roasting.

An eight to ten pound turkey should be cooked for about three and one-half hours in an oven at not more than 325 degrees. Larger birds require longer cooking time, and 30 minutes per pound is the generally recommended cooking time for the larger birds. If low heat is used, Mrs. Howle says, there is less shrinkage, the drippings are not burned. The drippings are needed for making the giblet gravy.

Now with a minimum of effort, and if advanced preparations have been made, on Thanksgiving morning the dinner can be ready on time and mother can come out of the kitchen and enjoy the day with the family and friends.

Party Given Jennifer Sue Duncan On First Birthday

Jennifer Sue Duncan, daughter of Mr. and Mrs. Ralph Duncan, was honoree at a party Saturday afternoon, celebrating her first birthday.

A cake decorated in pink, green and white lighted by one candle was served with ice cream to the guests. Plastic toys were given as favors.

The following attended: Cecile Cobb and mother, Mrs. Clifton Cobb; Dynese Powers and mother, Mrs. Paul Powers of Abilene; Cheryl Ann Johnson and mother, Mrs. A. L. Johnson; Lynda Nell and Russell Gilmore and mother, Mrs. W. A. Gilmore.

Mary Wilson and mother, Mrs. Wm. A. Wilson, Jr., Ann Phelps and mother, Mrs. Bernard Phelps; Mildred Ann and Tom Bill Holden and mother, Mrs. W. O. Holden; Michael Felker and mother, Mrs. Viars Felker; Mrs. Wallace Ruff, Mrs. W. E. Welsh, Mrs. Ruth English of Houston, Pat and Kay Henry, Mrs. Herman Henry, and Mrs. Bill Richey.

Also calling during her birthday were Thornton Gilmore and mother, Mrs. B. B. Gilmore; Suzanne Mercer and grandmother, Mrs. Claud Harrison, Mrs. Lola Lemmon and Mrs. Lura Sellers.

Fannie Smith H-D Club Meets With Mrs. Hodgins

The Fannie Smith H. D. Club met Wednesday, Nov. 9, in the home of Mrs. Fred Hodgins. Attractive arrangements of fall flowers were used as room decorations.

The president, Mrs. H. Harris presided during the business meeting. A yearly club report was filled out and meeting time was changed to 2 o'clock.

A demonstration on "Seat Weaving With Splints" was given by Mrs. Melvin Miller and Mrs. H. Harris when they re-seated a chair using ash splints.

Refreshments were served by the hostess to Mesdames Haskell Stone, H. Harris, E. B. Calloway and Melvin Miller.

Next meeting will be on Nov. 25, at 2 o'clock, in the home of Mrs. Rice Alvis. All members are urged to be present as we will make plans for our Christmas party.

NASH IS FIRST AGAIN - IN POWER

Nash has done it again! For the first time you can have the thrill of super-compression power on regular gasoline!

Yes, the company that's been ahead in the power parade for a third of a century is still ahead.

Take out a new Nash. Fill it up with "regular" — then tackle the worst hill you know — take the challenge of any other car at the traffic light.

Check your gas mileage for another surprise. The Nash Statesman delivers more than 25 miles to the gallon at average highway speed.

Exclusive sealed-in manifolds use the leanest of mixtures. Uniflo-Jet Carburetion helps too.

Then—these great engines get another boost, for Airflyte design has 20.7% less air drag than the average of other current cars tested.

And Nash alone has Airflyte Construction that is stronger, safer, without useless weight.

Rochester People Busy During Recent Pretty Weather Pulling Bolls, Ginning

Oil and cotton are the principal topics of conversation on Rochester streets these days, especially during the recent period of perfect Indian Summer weather.

Amos Barton and family from O'Donnell spent the week end with homefolks here.

Mrs. Marvin Hester and children from Abilene were guests here during the week end with their parents and grandparents, Mr. and Mrs. Ed Flournoy.

Mrs. Gene Sligo and little daughter of East Texas are here for a visit in the home of Mrs. Sligo's parents, Mr. and Mrs. Cary Kidd.

Mrs. Gladys Dyches and her daughter, Miss Ramona, spent Armistice Day in Rule attending the big celebration held there. The event, as usual, attracted hundreds of visitors, and this year's celebration was attended by a record breaking crowd.

Mrs. A. B. Michael and children, Mrs. A. A. Gauntt and grandson James, also attended the Rule Armistice Day celebration.

Many Rochester people, who in ordinary years are always on hand for the big Nov. 11 event in our neighboring city, were too busy this year pulling bolls, ginning, digging for oil, etc., to spare the loss of a day's time.

Pete Lee and his son-in-law and wife, Mr. and Mrs. Curtis of Petersburg, Texas, spent Tuesday night and Wednesday in the homes of their mothers, Mrs. T. J. Lee and Mrs. Sallie Fields. Their son, Frank Lee of Fort Worth met his parents here for a visit in their old home and the occasion was enjoyable one for all present.

Dinner Honors W. M. White on 64th Birthday

Mr. W. M. White was honored on his 64th birthday with a birthday dinner. Three of his six children were there. They were Mr. and Mrs. Lula Almond, family of Haskell; Mr. and Mrs. L. L. White and family, of Big Lake, Texas; Mr. and Mrs. Billy White and baby, of Colorado City, Texas.

Several friends visited in the afternoon and pictures were taken. A nice time was reported by everyone present.

VISIT IN HOME OF MOTHER SUNDAY

Mrs. W. D. Kemp had as guests in her home Sunday, all of her children and families. They were: Mrs. Theodore Pace of Overton, Mr. and Mrs. Raul English and daughters, Sharon Ralna and Jane of Spur, Mr. and Mrs. Giles Kemp and Giles Marion, Mrs. Owen Fouts. Mrs. Kemp accompanied her daughter, Mrs. Pace, to Overton the first of the week for a visit.

LEE R. O'NEAL HONORED

Mrs. Lee R. O'Neal was hostess Tuesday evening for a forty-two party, honoring her husband on his birthday. Yellow and bronze chrysanthemums were used in decorating the rooms. Guests included Mr. and Mrs. Tom Watson, Hugh Watson, Raymond Davis, Clinton Herren, Mann Trimmer, Eddie and Sylvia Trimmer, Bobby and Buddy Herren.

"THANKSGIVING"

Mrs. Nora W. Johnson We come with thankful hearts This day the President get apart Thanksgiving is our aim To God who has just claim, Peace and plenty He has given The enemy from us He has driven Come to us weal and woe We'll till the soil, seed sow.

Then to our Master we'll raise Our voices with hearts of praise For bountiful harvests And money to invest.

Thanks to God, our Father, Who keeps us in this land Where our girls and boys Schools and colleges may attend. —Paid Adv.
