Commissioners approve hospital district petition

Voters will have the chance to determine the direction health care takes in Crockett County this spring. Judge A. O. Fields and three commissioners voted Monday in favor of a request by the Crockett County Hospital Board to seek legislative approval of the formation of a hospital district. Commissioners Chuy Castro, Sostenes DeHoyos and B. W. Stuart joined Fields in voting for his motion to accept the board's petition requesting that a district be formed. Commissioner Jack Williams voted against.

The petition asks the court to instruct County Attorney Tom Cameron to prepare the enabling legislation and make contact with the proper government official prior to the meeting of the legislature in January. A bill to create a hospital district will have to be introduced by either Sen. Bill Sims or Rep. Gerald Geistweid.

Once approved by the legislature, an election will be called to determine whether or not the people favor a hospital district.

Most hospital districts are governed by an elected board of directors, although boards may be appointed or some elected and others appointed.

Taxes to operate hospital districts

are generally collected by the County Tax Assessor/Collector, and the valuation upon which the tax is to be levied is specified in the statute creating the district. The county valuation is usually the one specified. The constitution limits the district tax rate to 75 cents per \$100.00 valuation of all property in the district. Tax rate limitation for the county is \$1.25 per \$100.00 and \$1.50 per \$100.00 for schools.

"The basic issue is to let people decide if they want a hospital. If not, look at an emergency room," commented an official Monday.

An estimated \$490,465.00 will be needed from the county to operate the hospital's \$620,465.00 1987 budget. Care Center funding from Crockett County in 1987 is expected to be \$286,123.00.

"Since law prevents counties from having a surplus in their budgets, the county tax should decrease," said Bill Boswell, interim administrator, in an interview Monday afternoon. "The district may go up a penny or two or maybe not any," said Boswell of the taxes which will be required to operate a district. "Taxpayers are already paying for the hospital. It is just not broken out on the tax statement," Boswell concluded.

Lots in Cedar Hill and Lima Cemeteries went up to \$100.00 per 5x10 plot Monday with commissioners setting a limit of two on the number of spaces to be sold for a family. A new section of the cemetery is in the process of being opened containing more than 100 of the 5x10 lots.

In addition to the restriction on number of lots to be sold, regulations for the new portion of the cemetery prohibit curbs and placement of any grave markers above ground level. Flat markers which lawn mowers can pass over are all that will be allowed.

Parks Department Supervisor Onecimo Ortiz told the court seven live oaks will be taken from county property and planted at the cemetery. The work will be done under the supervision of a San Angelo nurseryman with the trees to replace dying cedars. The project was approved at a previous court meeting.

During the Parks Department report, Fields noted that the Equal Employment Opportunities Commission had recently ruled that no discrimination was involved in the dismissal of four Crockett County employees two years ago. One additional case filed at a later date has not yet been resolved.

Mowing has ceased because both tractors used for that purpose are in San Angelo for repairs, said Eddie Moore, road supervisor.

Moore told the court that a policy needs to be established to handle the expense of repairs to roads damaged when cut for laying of lines. Paving was completed at Chandlerdale West Friday, said Moore, and a letter arrived this week announcing telephone company intentions of placing buried cable across the road. A \$25.00 filing fee is the only charge currently made when roadways are cut for placement of pipe or cable.

Vegetation growing through pavement cracks has become a problem for small planes at the airport, said Moore, who was instructed to chemically remove the problem areas and seal the cracks.

Specifications for right-of-way fencing on Highway 1973 were presented by Commissioner Jack Williams. County equipment and employees will be used to clear the area. Pipe from the county yard will be made into H braces for the approximately seven miles of fence. Final specifications are to be worked out so Auditor Dick Kirby can

Expert gardener Gene Fowler is joined by daughter Misty and son Keith in displaying his bountiful tomato crop.

School board reviews T.E.A.M.S. results

Members of the Crockett County Consolidated Common School District Board of Trustees, meeting in regular session on Wednesday, July 9, approved a bid from House Fuels of Ozona for gasoline and oil products for the 1986-87 school year. Sherwood Oil Company and Sonora-Ozona Oil Company also submitted bids.

The board accepted a bid from Gandy's Dairies of San Angelo for school cafeteria dairy products, and they approved the hiring of the auditing firm of Eckhart, Ingram, Oliphant, and Featherston to conduct the district's annual financial audit.

The trustees authorized the signing of a 1986-87 school year contract with Narcotics Consultants, Incorporated for school drug prevention services, and they approved revisions in a discipline management plan which will be used by Ozona teachers and administrators next year.

Assistant Superintendent Ted Cotton gave the members a report on a comparison of Ozona's Texas Educational Assessment of Basic Skills (T.E.A.M.S.) test results to statewide T.E.A.M.S. results this year. Mr. Cotton reported that 95 percent of Ozona's third grade students

passed the mathematics section of T.E.A.M.S., while only 80 percent of the state's 186,120 third grade students passed math. 91 percent of Ozona's third grade students passed reading (74 percent statewide), and 78 percent (60 percent statewide) passed writing.

82 percent of Ozona's fifth graders passed mathematics, 91 percent passed reading, and 67 percent passed writing. Statewide results revealed that 80 percent of the students in Texas passed math, 83 percent passed reading and 64 percent passed writing.

In the seventh grade, 79 percent of Ozona's students passed math, 82

percent passed reading, and 72 percent passed writing. Across Texas, 81 percent of the students passed math, 78 percent passed reading, and 66 percent passed writing.

79 percent of Ozona's ninth grade students passed math, 87 percent passed reading, and 74 percent passed writing. Overall, 81 percent of the ninth grade students in Texas passed math, 80 percent passed reading, and 63 percent passed writing.

After Mr. Cotton's report, the remainder of the regular meeting was spent in a 1986-87 school budget work session which was conducted by Superintendent Garland Davis.

Pharis of Alpine high money winner in Dan Bean Memorial Roping

Billy Pharis of Alpine was the high money winner at the Second Annual Dan Bean Memorial B Team Roping July 12. Pharis received a Skyline trophy belt buckle donated by the Ozona National Bank for his efforts. The buckle was engraved "Dan Bean Memorial Roping 1986".

At total of 167 teams entered the memorial roping sponsored by the Crockett County Roping Association at the county arena.

Results are:

1st Go - Ron Lackey and Billy Pharis, Alpine, 5.80; 2 Corky Weeks and Cliff McMullan, 6.96; 3 Billy Pharis and Lloyd Coats, formerly of Sheffield, 6.98; 4 Billy Teague of San Angelo and Eddie Rudasill of Rocksprings, 7.25.

Winners of the average were: Mike McCabe and Mike Craddock, 23.26 on three; 2 Billy Pharis and Bill Teague, 23.67 on three; 3 Billy

Pharis and Terry Glover, 23.73 on three; 4 Corky Weeks and Terry Glover, 23.77 on three; and 5 Billy Teague and Will M. Black, 25.20 on three.

Bookkeepers for the event were: Brenda Weeks, Susan McMullan and Laurie Hale. The concession stand was headed up by Betty Martin and members of the 4-H Horse Club. Proceeds went to the 4-H Horse Club.

It's rodeo time again!

The Ozona Youth Rodeo will be held August 1-2 with the books closing Monday, July 28. Drawings for places and go-rounds are scheduled for the evening of the day following closing of the books.

A parade will begin the festivities August 1 at 5:00 forming a block south of the Ozona Chamber of Commerce office.

A new event has been added while another has been dropped from the program this year. Bull riding will not be on the agenda.

"We're just losing too much money," said Gary Vannoy, co-chairman of the rodeo. The Lion's Club sponsors the annual event.

Double mugging is new to the Ozona Rodeo. In this event, a 350-400 pound steer is roped by a rider while a partner flanks and ties the animal.

"The steers used in double mugging are somewhat larger than those used in calf roping," Vannoy said.

The program provides three age divisions for both girls and boys, a 12 and under division, 13-15 division, and a 16-19 group. Younger age entries may enter older classes, but will not be permitted to enter the same event in two different age groups. Contestants may enter no more than four events.

Girls may have a slight advantage in being able to enter boys' events as well as girls' while boys cannot enter girls' events. Girls in all three divisions are offered four events including barrel racing, pole bending, flag racing, and goat tying.

The boys' events change with each

(Cont. on pg. 4)

Green thumbs Saturday

Local residents are preparing several plant related activities Saturday, July 19, in the town square, including exhibits of vegetables, cut flowers, dried materials, pot plants, and canned, preserved and dried foods. Plant oddities will be displayed, also.

Cash prizes furnished by Ozona National Bank will be awarded to winning entries in the various divisions being exhibited.

Pentiful rains during the first days of June gave area gardens a boost, and the effects are still being seen in the bountiful harvest of vegetables. The town square may assume for a time the appearance of

a farmer's market Saturday as residents are encouraged to bring surplus produce from their gardens to sell to the public.

Two plant specialists from Ft. Stockton will be on hand to diagnose horticultural problems and recommend appropriate remedies. Sick plants or samples showing symptoms should be brought for examination.

All entries should be in the square before 9:00 a.m. Awards will be made at 11:30. The entries will remain on display until 3:00 p.m.

Additional information concerning the Green Thumb Day may be obtained from the Crockett County Extension Service.

Olympics winner in Masters

By Gary Davis

Josh Awusu, a 38-year-old former Olympic competitor, set overall meet records in both the long jump and the triple jump at the 1986 West Texas Masters Track Meet held July 12 at Lions Stadium.

Awusu, who competed in Division 5, leaped 23'7" in the long jump to

take the record from native Ozonan, Danny Sewell. The Abilene resident, who competed in the 1972 Munich Olympics for the country of Guyana, triple jumped a record 47'10". Awusu also won the 100 meter dash in his age division in 11.26 as well as placing second in the 200m dash in a

Snips, Quips, & Lifts

by Lottie Lee Baker

What this country needs is a dollar that is not so elastic, but more adhesive.

One thing about stupidity is you can be almost certain that it is genuine.

The Federal Government looks upon us as having what it takes.

One of the easiest things to find in an office, shop or people - is fault.

Daydreaming on the job can lead to nightmares about holding on to it.

U. S. BUREAU OF ENGRAVING: "The buck starts here."

Happiness is to be found along the way - not at the end of the road, for then the journey is over.

A secret is something that you tell to only one person at a time.

Of course you can enjoy a glorious vacation and stay within your budget, but not in the same summer.

Sometimes a person must protest, not to change the world, but to keep the world from changing him.

The door to the room of success swings on the hinges of opposition.

A pessimist is one whose day-dreams are nightmares.

Hitting the ceiling is a poor way to rise in the world.

If you are cutting corners, it won't be long until you are going in circles.

Experiment is folly when experience shows the way.

People are like buttons: they keep popping off.

You cut your wisdom teeth when you bite off more than you can chew.

After a man has made his mark in the world, a lot of people will come around with erasers.

There is always a big "IF" in the center of life.

Bankruptcy is when a person over-dues it.

A LIFT FOR THE WEEK

We must build constantly dikes of courage to hold back the flood of fear.

Hit or miss?

The Goodyear blimp seems ready to exit at Ozona when captured in this photo by Gary Davis. The blimp passed over the area July 8.

Community Events

LEVIS AND LACE CLUB

Levis and Lace Square Dance Club will meet at Ozona United Methodist Church July 25 at 8:00 p.m. Jim DeValt of Monahans will be calling.

TEMPLO BAPTISTA BIBLE SCHOOL SET

Templo Bautista Jerusalem will hold Bible school for children ages 7-12 from 3:00 until 5:30 p.m. July 21-25.

COMMODITIES TO BE DISTRIBUTED AT CIVIC CENTER

Commodity distribution will be held Thursday, July 17, from 5:00 until 7:00 p.m. at the Civic Center.

HOSPITAL AUXILIARY TO MEET

The Crockett County Hospital and Care Center Auxiliary will meet at 3:00 p.m. July 21.

METHODIST BIBLE SCHOOL

Vacation Church School will be held at Ozona United Methodist Church July 27 through July 31 from 6:30 until 8:30 p.m.

Classes will be held for children ages three years through sixth grade.

For bus pickup and return, call the Methodist Church at 392-3060 or Lou Whitley at 392-3581.

It's a girl!

Mr. and Mrs. James Trevino of Ozona are the parents of a baby girl born June 28, 1986. The little girl has been named Valerie.

Grandparents are Mr. and Mrs. Raul Lopez and Mr. and Mrs. Andres Trevino of Ozona.

It's a girl!

Wilson and Sabra Hill are the proud parents of a baby girl born at Community Hospital in San Angelo June 11. Kadye Ann weighed six pounds and 10 ounces at birth.

She is the granddaughter of Arlene Clayton of Ozona.

San Angelo Services held for Mrs. Kidd

Catherine Chapman Kidd of San Angelo died July 9, 1986 in Angelo Community Hospital.

Services were held at 10:00 a.m. Friday, July 11, in Robert Massie Riverside Chapel with Rev. Larry Altman, pastor of St. Luke United Methodist Church officiating. Interment was in Lawnhaven Memorial Gardens.

Mrs. Kidd was born in Ozona to Crockett County pioneers Jim Chapman and Catherine Miller Chapman who settled here in 1891. She had lived in San Angelo since 1952.

A member of the Ozona United Methodist Church, she taught school in the local system for many years and also in LaPryor and Lovington, N.M. She retired from her teaching career after 17 years in the San Angelo School District.

On December 23, 1949, she married Dan K. Kidd who survives her. She is also survived by one sister, Helen Foster of San Angelo and several nieces and nephews.

Pallbearers were Howard Jones, R. W. Engelman, Danny Taylor, Tom Carpenter, Preston Hunnicutt, Sam A. Worthington, Roy Spoons, Andy Anderson, A. G. Hudgens and W. P. Mohr.

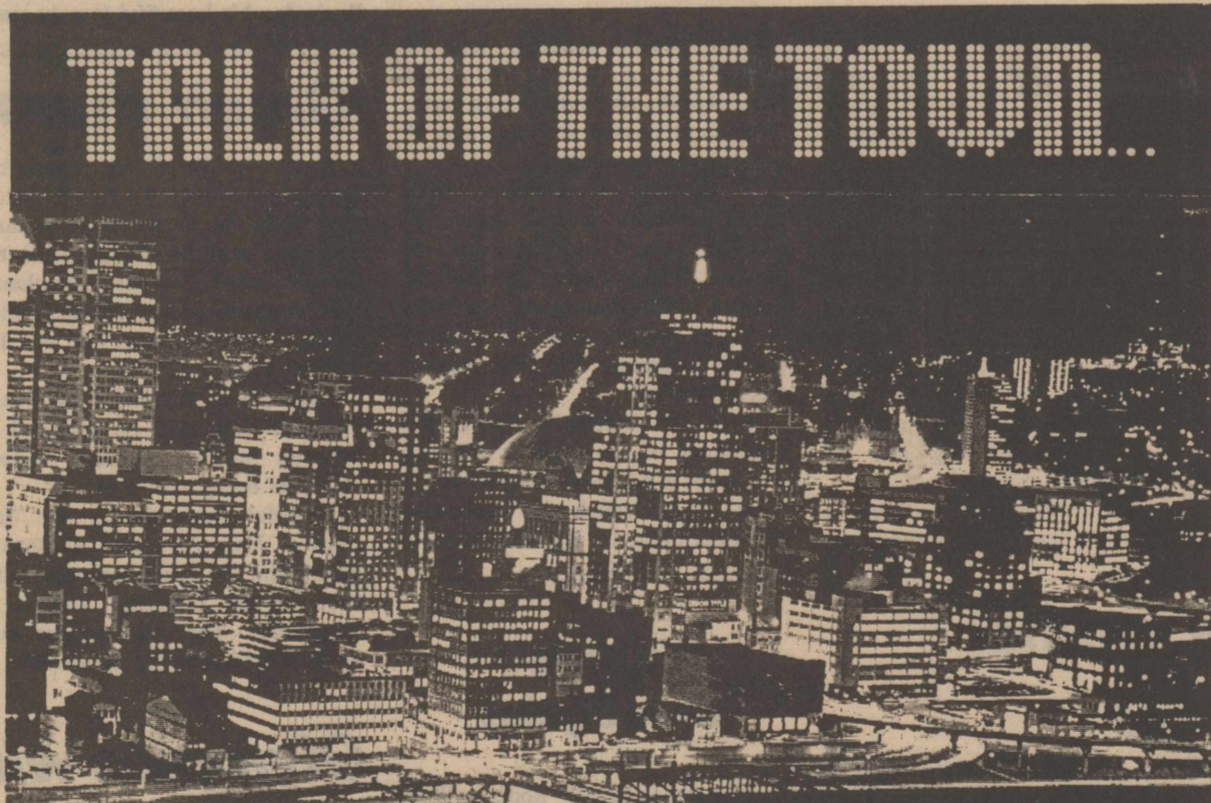

Ben Marshall services held July 12, 1986

Ben H. Marshall died at 6:00 p.m. Tuesday, July 8, 1986, in St. John's Hospital.

Graveside services were at 2:00 p.m. Friday in Cedar Hill Cemetery with Rev. H. S. Smith officiating under direction of Sizemore Funeral Home.

Marshall was born Sept. 21, 1908 in Mason. He was a cowboy and was a lifetime resident of Ozona. He was a World War II veteran.

He is survived by a sister, Eva Mae Marshall of Los Angeles, CA, and several nieces and nephews.

Without the Carpenter

BY REV. KEN HARRISON

I recently read a T-shirt which said, "Occupant Under Construction". That seems to me to be descriptive of all of us. We are yet in the act of creation, for none of us is a finished product. We develop by what we read, experience, see, hear and by the host of sources which influence us during our lifetimes. Thus, we are like buildings under construction. Much of what we will turn out to be is determined by the persons who have influence upon our lives, in the same way that a building is a product of those various craftsmen who help to construct it.

Riverside Church in New York City is one of the biggest churches in the United States. It has the largest carillon of bells in the world, and the nave can seat 2,000 comfortably. There are, in addition, 14 kitchens, 8 chapels, a bowling alley, a theater, a radio station, and a gymnasium, as well as many remarkable sculptures and other works of art. It was built by the Rockefellers. Someone has facetiously called it, "a church anointed with oil." But the Rockefeller's patronage did not prevent the church structure from going up in flames just before it was due to be opened. Undaunted, they built it again, and there it stands above the Hudson, ministering to the complex needs of a great city. When the church finally opened, Harry Emerson Fosdick, a famous Baptist preacher of the 1920's, was called to be its first minister. At the opening service he stood in the pulpit, at the beginning of the sermon, and gazed at the thousands of people below him and up and around at a building that had cost millions of dollars, and began his sermon something like this; "It is strange to remember that all this is built in honor of a Galilean carpenter who had no place to lay his head." Unfortunately, I have been unable to discover how Fosdick continued with the sermon, how he dealt with that tantalizing opening contrast between the poor Christ and the church built by the Rockefeller millions, but knowing Fosdick's adherence to the scriptures, one may safely surmise that he was faithful in lifting up the name of the carpenter upon the

foundation of whom the whole Church is built.

Much of the building of persons today is being done without the carpenter. That is, many of those of us who are still under construction, having been misled by the false gods of material success, are being built upon the sandy soil of self rather than upon the firm foundation of faith in Jesus Christ. Much of our world's unhappiness is a result of persons trying to build great storehouses upon shakey foundations. And all this is done without the carpenter. If we want to build ourselves into a building which will last, we must place ourselves in the hands of the Carpenter of Galilee.

One would have to label William Booth, founder of the Salvation

Army, a success by all standards, not that he achieved material wealth, but by what he accomplished. Someone asked Booth what was the secret of his success. His answer reflects that he early realized that physical, material success must be built upon the solid foundation of spiritual prosperity; placing himself in the hands of the Carpenter. He said, "Well, I will tell you. God has had all there was of me. There have been men with better brains than I; men with better opportunities. From the first day I got the poor of London on my heart and a vision of what Jesus Christ could do with the poor of London, I made up my mind that God would have all of William Booth there was."

★ Rodeo (Cont. from pg. 1)

age division. Twelve and under boys may participate in pole bending, breakaway roping, flag races and barrel racing.

Boys, aged 13-15, may participate in team roping, double mugging, calf tie down, hair pulling, or ribbon roping.

The oldest boys' division offers the same events except that goat roping is substituted for ribbon roping.

Buckles will be awarded to winners in each event. Various tack items will be awarded to second and third place winners.

All-Around performers in each age division will also receive buckles. In order to qualify for all-around, a contestant must place in at least two events.

"We expect the entries to be equal to those of last year," Vannoy said. "There's no reason entries should be down."

All events require a \$7.00 entry fee. A \$3.00 stock charge accompanies some events as well.

Entry blanks and information are available at the Ozona Chamber of Commerce.

Rodeo numbers may be picked up at the Chamber office from 1:00-5:00 on Friday, August 1.

Jones service

Mrs. Mary Lee Read Jones of Austin died as a result of a fire in her home July 5. Mrs. Jones was the daughter of the late Rev. Nat B. Read, a Methodist minister who served Ozona in 1914.

Mrs. Jones was a graduate of the University of Texas where her late husband, Hubert B. Jones, had been a professor.

She was also preceded in death by a brother, Crockett County rancher Madden Read.

Survivors include a sister, Margaret Churchill of Smithville, and numerous nieces and nephews, including Jim Read and Nat Read of Ozona.

Mr. and Mrs. Nat Read and Jim Read were in Austin to attend the July 8 service at University Methodist Church.

A drive-in window and attractive redwood picnic tables with umbrellas for shade are inviting customers to stop by B.J.'s for a snack or a meal. A 30'x30' addition to the building houses a kitchen which has made

possible a wider variety of food items.

Pizza, fried chicken, hamburgers, nachos and tacos are available from the enlarged deli.

Banana splits, cones and sundaes

are also on the list of treats to eat at B.J.'s says manager Leticia Tobar.

The store is open until midnight Friday and until 10:00 p.m. the other six nights of the week. Drive-in window service begins at 11:00 a.m.

Lewis service

Former Ozonan Martyr Lynn Lewis, 17, of Big Lake, died at 11:47 a.m. Sunday in Midland Memorial Hospital.

Graveside services will be held at 2:00 p.m. Wednesday, July 16, 1986 at Glenrest Cemetery in Big Lake, directed by Sizemore Funeral Home of Ozona.

Lewis was born August 22, 1968 in Dallas. He was a student.

He is survived by his parents, Mr. and Mrs. Marvin Lewis of Big Lake; two brothers, Cory Lewis and Tony

Lewis, both of Big Lake; his grandparents, Claude Swann of Midland,

Dorothy Swan of Odessa, and Mr. and Mrs. E. L. Lewis of Big Lake.

Emergency aid needs funds

The Crockett County Local Welfare Association was organized on January 4, 1954 for the purpose of extending emergency aid to persons whose needs come within the limits of council's care and stipulations, with special attention to transients.

"We have had several clubs, organizations, churches and even individuals help us out each year," said Sheriff Billy Mills, association secretary. The funds are used to help transients in need of help with meals, gasoline, and other minor expenses when stranded in Crockett County.

"Now we need your help; our funds are running low," said Mills.

"We would like to stress to you that we have very little door to door soliciting in Ozona, but if this program folds, soliciting from strangers might increase in our town. Some of the churches, clubs and organizations know to tell people seeking help to come to the Sheriff's Office for aid or assistance. To keep this situation under control, we need your financial help."

Contributions to enable the program to continue should be sent to the Crockett County Local Welfare Association, C/O Billy Mills, Drawer H, Ozona, Texas 76943. Any and all contributions will be greatly appreciated.

Hospital board meets

The Crockett County Hospital Board met in regular session July 10 at the Care Center Dining Room. Present were: Fred Deaton, Maria DeLa Rosa, Jo Davidson, Scotty Moore, Raymond Borrego, Bill Boswell, Jacquie King, Elvira Caldwell, Dr. Don Carlisle, Dr. Robert Owensby and Tina Moran.

Members learned that two conditions must be met before construction of the Care Center dining area extension can begin. The project must have the written approval of the local fire marshal and health officer, and scaled drawings of the addition must be prepared according to good architectural practice and approved at the state level.

A purchase order has been issued for parts to upgrade the fire alarm system. The exam room cabinets are stained and varnished and plumbing is complete.

The primary beam on the x-ray machine has been adjusted. Don Elliott, individual doing the work, reports that it will not stay adjusted and parts are not available because of the age of the machine. Mr. Boswell presented the board with a letter from Dr. Jackson regarding the need for new x-ray equipment.

Boswell reported that the Continental Health Care System contract had been signed with a one year extension with a flat rate of \$60.00 per month for televisions.

Total cash deposits for the hospital

during June were \$29,557.51 and total disbursements were \$81,197.85. This included \$9,000 for audit and \$9,346.00 general liability insurance.

Total cash deposits for the Care Center were \$39,365.30 and total disbursements were \$75,180.98.

Aprons and dish towels have been purchased for the kitchen for \$132.60. This will save \$1,176.00 per year in laundry costs.

The state Medicaid report was presented, and the board was informed the temperature in the kitchen area was not to exceed 85 degrees at the five foot level. A discussion was held on the cooling system, and Fred Deaton is to have a report at the next meeting.

Elvira Caldwell handed the board members a letter from Texas Department of Health stating the new rules and regulations governing Nursing Homes. As of July 25, five patients will be looked at extensively and at random. Fines will be assessed if the nursing home is in violation.

Mrs. King informed the board that articles need to be placed in the local papers informing citizens that they must apply early to qualify for indigent health care which goes into effect September 1. A large amount of paper work must be done on each patient.

The board met in executive session to discuss employees before adjourning.

Rachel's Reviews

by Rachel O. Hall

Getting the most out of your cereal

Americans spend over a billion dollars a year on cereals. What consumers get for their money depends, in part, on how carefully they read the nutrition labels on the cereal boxes.

Nearly all breakfast cereals are grains, such as corn, wheat, rye, oats or barley. In their natural state, grains contain vitamins, minerals and fibers. But during the processing of grains into cereal products, many nutrients are lost.

Most cereal manufacturers restore the lost nutrients by fortification. Some ready-to-eat cereals are fortified with more vitamins and minerals than the grains contain in their natural state.

The Food and Drug Administration requires that fortified foods which provide 50 percent or more of the U. S. Recommended Allowance of one or more nutrients be labeled with the terms "dietary supplement", or "multivitamin and iron supplement".

If you really want to know what you're getting in a cereal, read the label. All packages have a list of ingredients in order of predominance by weight. Cereals also have nutrition labels that tell you what percent of the daily requirement for basic nutrients is provided.

By comparing labels, you can select a cereal which is high in a particular nutrient, such as iron. Or you can check the labels to avoid buying cereal high in sugar, sodium or preservatives.

As you read the nutrition labels, remember that they are based on a one-ounce serving. Since cereals vary in bulk and consistency, an ounce of one kind might make 1/4 cup, while one ounce of another cereal could be 1 1/4 cups.

If your customary serving size is more or less than the one ounce standard, you'll want to take that into account when figuring the cereal's nutritional value.

Vickie Reagor attends Texas 4-H Congress

Citizenship is the focal point of the 1986 Texas 4-H Congress.

Vickie Reagor of Crockett County is among the 500 4-H members ages 15 to 19 from across Texas attending the July 13-16 congress. Focus of the three day 4-H Congress will be learning about the legislative process and how to become involved in local citizenship activities. Congress headquarters is the Marriott at the

Capitol Hotel.

Theme of the 13th annual congress is "Citizenship - Past, Present, Future."

Highlighting this year's congress will be tours of the State Capitol, LBJ Library, actual participation in the Texas Legislature, and special "Public Policy" seminars.

Each congress delegate will actually be sworn in as a state senator or representative and will take part in developing and passing legislation.

A special Texas Sesquicentennial celebration the last evening will conclude the congress program.

Texas 4-H Congress is the highlight of the 4-H careers of many older youth, points out Rachel Hall, county 4-H program leader with the Texas Agricultural Extension Service, Texas A&M University System.

The 4-H Congress is held in a different Texas city each year to allow the use of various unique educational aspects.

WTU customers to receive refund, decrease

West Texas Utilities Company's retail customers will receive another fuel cost refund and a significant decrease in their future electric bills if a request filed Tuesday in Austin is approved by the Public Utility Commission of Texas.

WTU is asking permission to refund a total of \$5.7 million in retail revenues collected in excess of actual fuel costs, and to lower its fuel charge rate for the months of September, October and November. The total refund includes \$5,425,372 in actual fuel cost savings which have accumulated from March through June, plus \$306,511 in interest.

This would be the third time for WTU to make a refund and to lower its fuel cost factor since its last rate increase in November, 1984. Over \$17.6 million was refunded in August 1985, and \$9.3 million was refunded in May 1986.

"This is not an actual rate case filing," WTU President Glen Churchill explained. "It is an adjustment possible because the price of our boiler fuel has been declining. Any savings we can make on fuel cost is passed on to our customer as soon as permitted."

The due amounts on customer bills include both fuel costs and base rates. Utility companies are not

allowed to make money on fuel. WTU has had no change in its base rates since 1984.

If a reduction in fuel rates, technically known as the Interim Quarterly Fixed Fuel Factor is approved, WTU officials estimate the fuel cost charges to its customers will drop by 24 percent, or \$7.9 million, during the three-month period beginning in September.

After the state's Public Utility Regulatory Act was amended in 1983, the PUC ordered the use of the fixed fuel factors and their use was recently re-adopted in an emergency fuel rule. Previously, an automatic fuel adjustment matched fuel billings to fuel expense each month. These immediate adjustments prevented over-recoveries of fuel costs and made refunds unnecessary.

Under WTU's proposal, all existing retail customers would receive refunds through one-time credits to their bills in the billing month of September. A typical residential customer would receive about \$11.

Natural gas is the principal fuel for all of WTU's eight major power generating stations. In recent years, fuel costs have amounted to more than half of the Company's total operating costs, but have dropped from all-time high of \$3.18 per million BTU in 1983 to \$1.88 in June 1986.

Cemetery lots to sell for \$100 in new section

A lack of burial space in Cedar Hills and Lima Cemeteries forced Crockett County Commissioners to take action Monday regarding extensions to the east of the present cemeteries. No lots remain unsold in the main cemeteries.

The new extensions will be modern in that individual lots, five by ten feet, will be used instead of the 20 by 20 feet family plots accommodating up to eight burials in Cedar Hills. Lima Cemetery has always used the individual lot system.

These individual lots will not be curbed, and flat headstones set at ground level will be used. This will facilitate the use of larger lawn mowers, thereby cutting labor costs for care.

Another change will be in the costs of the lots. Each will be priced at \$100.00 with a limit of two sold to an individual in advance of need. Family size plots in Cedar Hills were priced at \$40.00 while individual lots in Lima were priced at \$5.00.

"Still, for perpetual care, it's not that bad," District Clerk Debbie Puckett said. "After comparing prices of other cemeteries in other towns, this is still very reasonable."

The clerk's office maintains the cemetery plats and sells the lots.

Individual watering will not be necessary in the new section as a sprinkler system will be installed and whole areas can be watered at one time.

A need for additional space was recognized by the Ozona Cemetery Association several years ago. This organization initiated a plan to extend the area under the leadership of Mrs. Jack Baggett. Since she resigned as president of the association, that organization has become inactive, and its functions assumed by the commissioners' court.

Crockett County Surveyor Paul Shacklette has surveyed and prepared plats of the extensions with 381 graves designated. The plats include roads and boundaries. No difference exists in the two extensions except in the names.

"These are complete," Shacklette said. "All that remains to be done is to put the sprinkler system on the plats. I'll do that as soon as decisions have been made as to the placement of the pipes."

County Road Superintendent Eddie Moore began work on the sprinkler system this week.

Class remembered

EDITOR'S NOTE:

The following letter was received by Cathy Carson too late to be read at the reunion of the Classes of 1964-68. She uses this means to share it with you.

Dear 1964-68 Class Reunion Participants,

As a member of the class of '65, my absence at this particular reunion may go relatively unnoticed; but, more than ever, I wish that my husband, my son, my dad, and myself could be in Ozona. Unfortunately, our jobs and other responsibilities will not allow us to be gone from our home in Tennessee on the days you all are "reuniting".

The classes that comprise this reunion are special to me. My dad taught many of you, and I was in high school with all of you. I forget the name of the classic poet who said "We are a part of all we've met," but the statement is so true. Our generation was young when the rapid changes in technology on one end of the continuum to personal values on the other end were occurring.

Many of us have already lead full and interesting lives. The future can always bring a shocking reality of change; but, hopefully, the sorrows will be outpaced by the joys. The class of '65 has had its losses, and they'll never be forgotten. I am personally grateful to my friendship with Mary Jane Dunlap Voutsinas and for all other relationships of those in the class of '65. Reflecting upon those character traits of all of you has been most helpful in interpersonal relations with others.

My husband, Bill, our son, Paul, and I traveled in Europe this past February and March. Although I love to travel and be on the go, there is no place like America and the liberties that lie within its boundaries. We live on the Cumberland Plateau, twelve miles from the town of Crossville, with Nashville to our west, Knoxville to our east, and Chattanooga to our south. So lush, green and fertile is the land, that I doubt I would ever want to leave the area on a permanent basis.

I so regret that I cannot come with my camera this "Liberty Weekend". If anyone takes pictures, please make them available for copies.

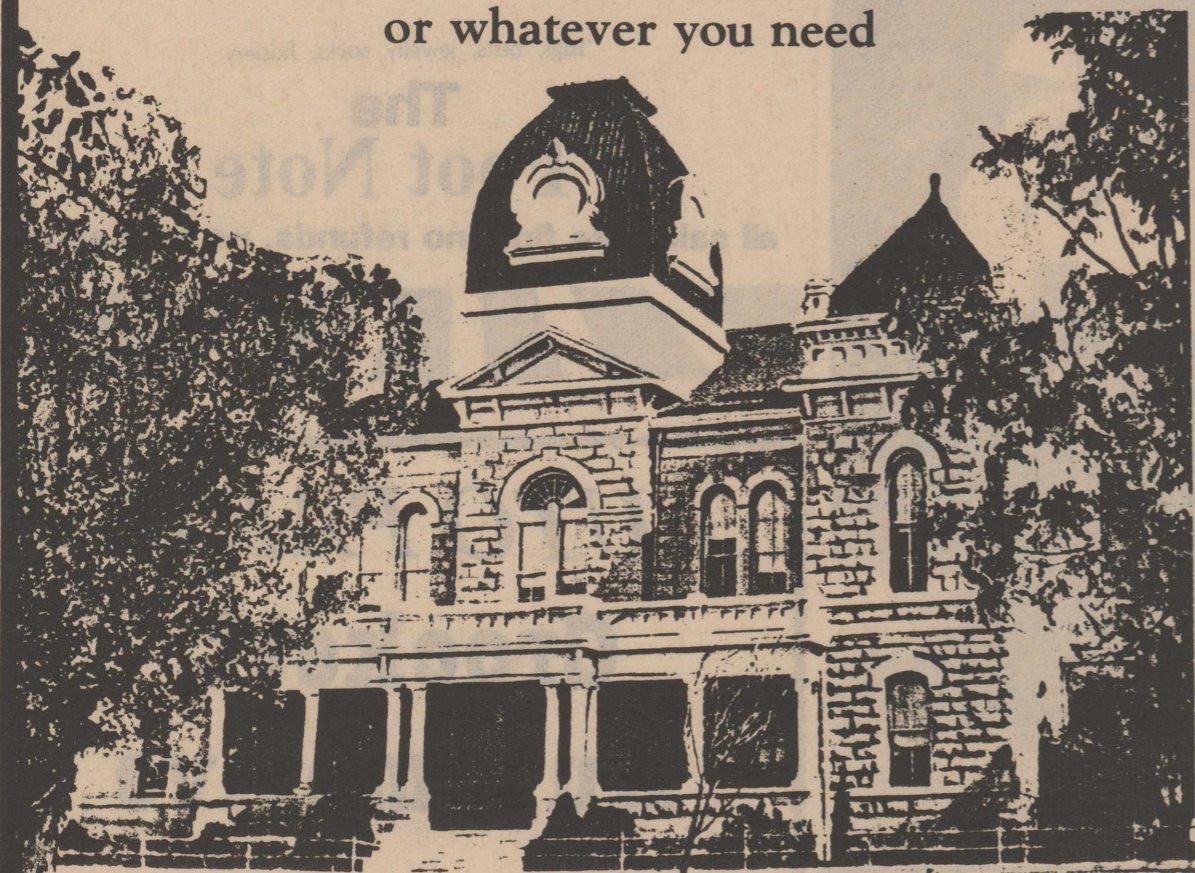

Maybe next time--

Yours truly,
Brenda Brentz Heinsch

We are all aware that
Times are tough now
and will probably get even tougher

So now is the time to work with and
support each other and Ozona.

If you are thinking about
a new pair of boots,
a set of tires,
a T.V.,
a recliner,
or whatever you need

Remember,
OZONA HAS IT ALL
Let's keep it at Home!

★ Master (Cont. from pg. 1)

time of 23.69 and winning the gold medal in the 400m dash.

Participation in the annual Masters Track Meet, known to be the largest of its kind, was down this year. Meet officials attributed the low turnout to the overall economic status of Texas. Athletes from across the continental United States took part in the fourth annual West Texas meet. Participants were from such places as Lovington, Hobbs and Roswell, New Mexico; Dallas, Fort Worth, Austin, Lubbock, El Paso, Houston, San Antonio, Victoria and Harlingen, Texas. The majority of the 167 participants hailed from areas in West Texas including Midland, McCamey, Kermit, San Angelo, Eldorado, Sonora, Sanderson and Ozona.

Some well-noted Masters Track athletes attended the meet, whose proceeds went to the Lions' Club Eyeglass Fund and Meals on Wheels.

Wendel Palmer, 54-years-old, from Pampa, and holder of two American records in the discus event, attended the meet and won the long jump, high jump, triple jump, pole vault, shot put, discus and javelin, making a clean sweep of the field events in his age division. Palmer also took top honors in the 110m high hurdles and finished second in the 100m dash as well as finishing third in the hammer throw.

J. E. Alexander, a 66-year-old competitor from McCamey and holder of one world record and two American records in the 400m dash, won the 200m dash in his division in a time of 27.86.

Winning the 100, 200, and 400m dashes in Division 7 for those athletes between the ages of 45-49, was Roy Turner. Turner, a 45-year-old Dallas man, won three second places in last year's National Masters Track Meet in Indianapolis, Indiana. Mr. Turner's top finishes came in the 100, 200 and 400 meter events.

Organizers and co-founders of the meet, Pete Maldonado and Bobby Aycock, wish to thank all those who gave of their time and energy to ensure that the meet progressed smoothly and easily. The Circle Bar Truel Corral, Coca Cola, Thornton's Supermarket and Sizemore Funeral Home each donated to the meet as well as the Ozona Independent School District and its coaching staff.

Thanks Ozona for making the Masters a success!

Health Care applications available

Health care for the medically needy is a subject which has been formally addressed by the State of Texas. A Task Force on Indigent Health Care issued its final report in December 1984. After the Task Force findings were presented to the State Legislature, new state laws were adopted to provide health care services for the medically needy residents of Texas. These laws, specified in the "Indigent Health Care And Treatment Act" will go into effect September 1, 1986.

The Indigent Health Care Act will have a direct effect on health care services and responsibilities in Crockett County as it will on all counties in Texas. In order to comply with these new state laws, Crockett County is in the process of developing a program designed to meet the needs of medically indigent residents within the county. Crockett County Hospital has been chosen as the County agency responsible for administering the County Indigent Health Care Program.

The medically indigent in Texas are primarily those persons in a low income bracket who don't have adequate health insurance. Residents who feel they may qualify for this program are encouraged to apply at Crockett County Hospital before September 1, 1986. Applications are currently available at the hospital. Appointments can be scheduled by calling 392-2671. Hospital personnel will assist anyone needing help to complete the application forms. People who qualify will remain eligible for six months (depending on any changes in residency or income).

[This is the first of a series of articles from Crockett County Hospital on Indigent Health Care. Next week, an explanation will be given of the eligibility requirements for the Indigent Health Care Program.]

Billy Mills reports

Slow week for Sheriff's Department

ARRESTS:

7-8 A 29 year old Ozona man was arrested by sheriff's deputies for "unlawfully carrying weapons". He was released after posting a \$2,500 bond.

A 27 year old Ozona man was arrested by sheriff's deputies for "assault-bodily injury" following an argument with a girl friend. The County Attorney's Office added charges of "probation violation" and the subject is still in jail.

7-10 A 35 year old Ozona man surrendered to the sheriff's office to begin serving a 45 day sentence for evading arrest, a 45 day sentence for driving while license suspended, and a 30 day sentence for driving while intoxicated. These resulted from a June 21 incident in which the subject attempted to evade arrest by a sheriff's deputy.

7-11 A 22 year old Ozona man was arrested by sheriff's deputies on charges of "disorderly conduct". This man was released after posting a \$50 cash bond.

7-14 A 19 year old Ozona man was arrested by sheriff's deputies on charges of "unlawfully carrying a weapon". He was released after posting a \$500 bond.

INCIDENTS:

7-7 A 19 year old Ozona woman reported that she had been assaulted by a former boy friend. She was examined and treated at the Crockett County Hospital. Sheriff's deputies investigating the case filed charges against the 27-year-old suspect and placed him in jail.

7-8 A tire and wheel were stolen from a vehicle parked at 9th and Ave. F. The case is still under investigation.

7-10 An oil company reported the theft of a tank trailer from a site on Pandale Road. The actual date of the theft is unknown.

7-11 Two windows were broken on a new 1986 Chevrolet pickup while it was parked on a lot at Ave. E and 12th Street.

7-12 An employee of a gas station on Ave. E reported the theft of some money from her purse. Suspects are being questioned and the case is still under investigation.

District 22 V.F.W. Auxiliary President Jo Hodges [l] and Edith Bradley, outgoing president, [r] presented awards to the Ozona Auxiliary last week. Accepting are: Katie Maney, senior vice-president; Mozelle Houston, secretary; and Sue Spoons, president.

(Cont. from pg. 1)

★ Court

prepare bid information for labor and materials.

Crockett County Public Library has cut new equipment entirely and cut new book expenses by over half in preparing its budget request according to Librarian Louise Ledoux. The entire budget request of \$62,500 is less than last year, but will provide for a full-time aide, Mrs. Ledoux told the court.

The library has almost 9,000 books in its collection and will soon reach the 10,000 mark, Mrs. Ledoux reported. The ultimate goal is 20,000 volumes, the recommended number for a community of this size.

Helping Hands for the Elderly served 764 meals in June with a daily average of 36, reported Janet Hill. Meal donations averaged \$1.03 per meal with average cost of \$2.68 per meal.

Income for the month was \$2,892.63 from all sources. The organization will sell "Call Police" banners for motorists as a July fund raiser, and will sponsor a rummage sale in August.

Kathy Reavis, organization president, asked the court to consider Helping Hands for "not more than \$20,000.00" in the 1987 budget.

Expansion of the Care Center Dining Room is at a standstill until plans are approved in Austin. Bids on the project were not opened by the court Monday after the determination was made that specifications for bidding were incomplete.

An investment of Permanent School Fund money in the amount of \$105,000.00 has matured, said Dick Kirby. The money, which is administered by the court, has been reinvested in a bank treasury note of \$100,000.00 with a one year maturity.

Class of '68 expresses gratitude to Ozona

To Our Town,

It is difficult to express the emotion and joy that we, the Class of '68, experienced while attending our class reunion this past weekend.

We have always known that we would be "Ozonans" forever, but the thoughtfulness and willingness to help make this reunion such a memorable one was quite touching.

Our hats are off to the committee members of the various classes who worked so hard at making this the best reunion ever. It would be difficult to thank everyone personally, but due to the efforts of Drake McKinney, Jill and Pon Seahorn, and Cathy and Billy Carson, there was plenty of food, frivolity and good times.

It had been noted earlier in the week that perhaps there were some eyesores that should be cleaned up in order to make Ozona more

In other business before the court, commissioners signed a contract amendment obligating the county for its portion of expenses of having a full-time child welfare officer in Crockett County. A director and assistant have been hired, and office space made available at the hospital, said Fields.

Commissioners also resolved to request that flood plan insurance be made available to citizens of Crockett County, and named judges for the November general election. Judges

Smith, Graves host Garden Club meeting

The Myrtle Post Garden Club held its regular meeting July 14 in the Civic Center with Mrs. Lee Graves and Mrs. Marge Smith serving as hostesses with Mrs. Jack Brewer assisting.

During the business meeting, Mrs. Brewer gave her report on the Emerald House project. She has had salvia planted just outside the front fence and reported that other areas of the landscape are doing well. There was a discussion on other plants to be added for the club's ongoing project.

Mrs. Graves gave a report on the progress of the schedule for the flower show to be held in September. The theme of the show was discussed to encourage and explain to the members the procedure of a Standard Flower Show. Mrs. Graves then led the group in an arrangement workshop using materials and mechanics the members brought. She stressed the importance of simplicity, balance and line in a design. The workshop was very educational and enjoyable.

Mrs. John Highnight reported on the August Pilgrimage she has planned, informing members to be at

her home at the time of the next meeting and the group will leave from there.

Various new projects were discussed for the coming year and a plant auction was held after the meeting.

Other members present were Mrs. Joe Moran, Mrs. Fred Freeman, Mrs. Leta Powell and Mrs. R. W. Bullard.

WHAT HAPPENS TO DWI OFFENDERS IN OTHER COUNTRIES?

England: One year suspension and \$250.00 fine AND jail for one year.

Stuart honored for years of service to youth

B. W. Stuart was recognized for his devotion to the game of baseball with the presentation of a plaque last week at the Ozona Little League Complex. Ski Lisensky of San Angelo, district administrator for West Texas Little and Senior Leagues, was on hand to give Stuart the award "in appreciation for your years of service to the youth of West Texas". The walnut, brass and blue plaque was inscribed with that message from Little League, District IV 1986.

B. W. Stuart has been active in the Ozona baseball program for youth since it began in 1951, and is justifiably proud of the excellent facilities Ozona has.

The baseball enthusiast toured Mexico with the Fort Worth Cats of the Texas League in 1933 at the age of 18 playing exhibition games. In 1934 he was a member of the Fargo, N.D. - Morehead Twins team where he played third base.

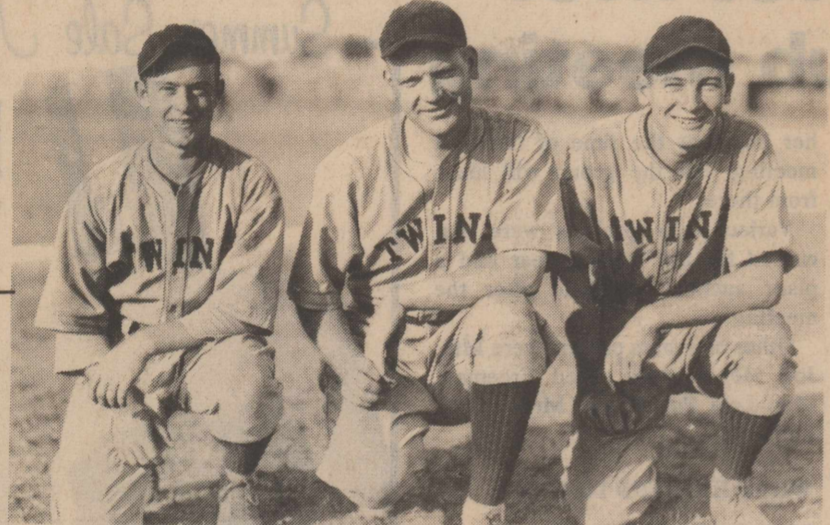

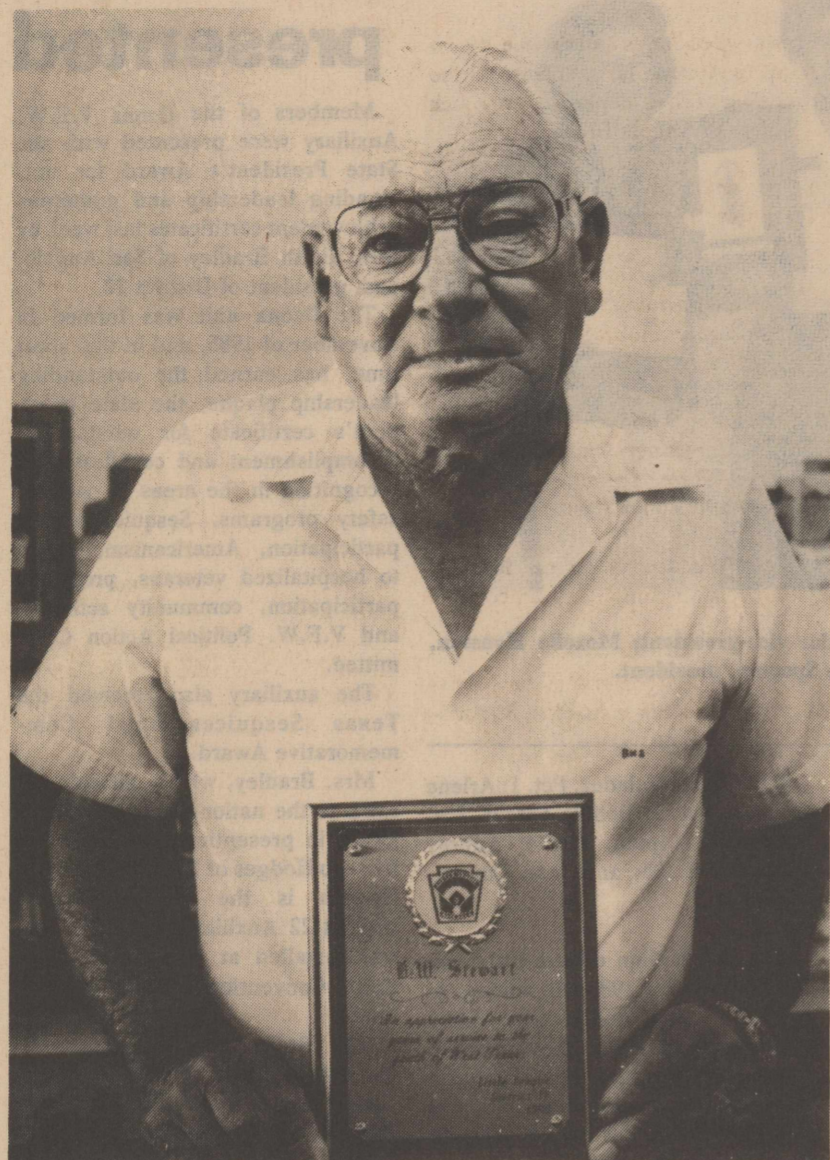

Stuart's baseball career took him to Dallas in 1937 and then on to Clovis, NM in 1938. From there he went to Welch, West Virginia and in 1940 he was a member of the Cincinnati farm team. 1941 saw him in Springfield, Mass. with the Washington farm team, and in the 1942-45 period, he was playing for the Army League at Kelly Field.

He has known baseball personalities Paul (Daffy) Dean and former New York Giant player Marty Kuppich who was a member of the Fargo-Moorhead Twins with Stuart.

After moving to Ozona and becoming involved with baseball, Stuart influenced the life of many a Crockett County boy.

"I've never known of an Ozona boy who was active in the baseball program to ever get in serious trouble," said Stuart.

Alton "Butch" Lentz, former New York Giant Marty Kuppich, and Bryan Stuart played for the Moorhead Twins in 1934.

Hardberger family descendents gather

An artistic sign of welcome made by Lucille Childress Huff greeted members of the family of Rufus Edwin Hardberger and Jenny Lee Reeves Hardberger as they gathered July 11 through 14 for a family reunion.

The occasion was opened with a supper in the P. L. Childress garden hosted by the Childresses and Lowell Littletons.

The setting was enhanced with special lighting. About the garden were standing easels of old photos of family members.

After much visiting and a delectable meal, the group was entertained with a family talent show and viewed movies of important events in the life of the family. Of special interest was the wedding of Pleas and Geniece Childress and the poignant scene of the family bidding Billy goodbye as he left for World War II and his final farewell to his brother, George.

Young and old participated in the talent show with Charles Childress delighting the group with an original poem he'd written about the family.

Earlier in the evening, a demonstration of arrow making was given by Rick Bachman which was of special interest to Boy Scouts in the family, particularly Matthew and Ryan Porter.

Friday, the family gathered for breakfast at the Childresses and departed for the Devil's River where the party continued with visiting, swimming, feasting and fishing.

Saturday evening was one of music and song to the accompaniment of a keyboard and guitar played by Julie Childress, Jan West and Raimundo Penaforte. Melissa Huff, age 8, performed on the violin. The Berry sisters, Cynthia and Catherine, sang songs from past and current shows.

Memories of loved ones, Katrina Hardberger Pullen and Homer Hardberger, who died during the past

year were very much with those attending.

The reunion concluded with a brief Sunday morning worship service of song, scripture and prayer.

Members of the family attending were: Mrs. Homer Hardberger, O'Donnell; Phil, Linda and Amy Hardberger, Jan, Pat and Jarad Peranteau, San Antonio; R. E., Sandra, Derek and Todd Hardberger, Little Rock, Arkansas; Joe, Kim, Drew and Judd Hardberger, Houston; Dan, Katherine, Matthew and Ryan Porter, Corpus Christi; Ron and Genelle Berry, Catherine, Elizabeth and Ron Jr., Clear Lake; wood; Joel and Lucille Huff, Melissa, Abbey Gail and Philip, Lederach, Pennsylvania; Billy and Kay Hardberger, Lamesa; George Hard-

berger, Phoenix, Arizona, Raimundo Penaforte, Abilene.

And from Ozona, Pleas Jr. and Geniece H. Childress, Pleas III, Sandra, Julie and Martin Childress, Dan Pullen, Lowell and Lucille Littleton.

The Rod Chalmers family were supper guests Saturday evening.

One brother, R. E. Hardberger of Jefferson, was unable to attend.

Care Center News

by JoAnne Marshall
Activities Director

Monday morning found residents relaxing in front of the television and our pet, Lady Brittany, relaxing in her new dog house. Lady Brittany's dog house was designed and built by Jim Caldwell with royalty in mind. The house has such added features as an extra roomy interior, insulated walls, and a porch awning for shade. We would like to thank Jim for the time and effort he took to make our new pet comfortable. We and Lady appreciate it.

Monday afternoon's exercise class was attended by Rebekah West, Ola Mills, Tomasa Ramos, Doris Robnett, Moriama Perez and Anselma Limon. Residents Theo Burns and Pauline Clinton led the class.

Tuesday's bingo was assisted by volunteers Mattie Cooper and Matthew Marshall. Winners included Jesus Hernandez, Tomasa Ramos, Edna Wallace, Theo Burns, Anselma Limon, Emma Taylor, Ola Mills, Minnie Karr, Charles Watson and Alice Ross, with Tomasa Ramos winning the first place prize of an El Chato's gift certificate.

A resident's council meeting was called to order Tuesday afternoon. New craft ideas and games were discussed, and suggestions were welcomed to make the activity program better. A large group of residents was present.

Tuesday evening the residents were entertained by the Bob Bell Band with guest piano player Jan Scott of San Angelo. Jan can really tickle those ivories. Regular band members present were: Janet and Jim Wilson, Pattie and Terry Racher, George Hester, John Babb, Randy Killpatrick and Bob Bell.

Wednesday's ceramic workshop volunteers were: Ruth Hester, Doris Karr and Marie Pierson. Residents putting their talents to good use were: Theo Burns, Tomasa Ramos, Juana Hernandez, Anselma Limon, Lucia Rios, Ola Mills, Manuela Perez and Doris Robnett.

Snow cones were served compliments of Tropical Sno on Wednesday afternoon. What a refreshing way to spend a hot afternoon. Thank you, Tropical Sno, we appreciate your thoughtfulness.

Volunteers in Thursday's beauty shop were: Clara Byrd, Vivian Hughes and JoAnn Williamson. As usual, the residents' hair styles were stunning.

After a trip to our beauty shop, residents were entertained with piano music by Clara Byrd and our own resident, Inez Biggs. Residents joined in with a sing-a-long.

Jim Gray of the First Baptist Church of Ozona presented the mid-week Bible study Thursday afternoon.

The Spanish Hour of Praise followed with a large group of visitors attending. Herberito Guiterrez played the guitar while residents and visitors sang hymns.

Friday's bingo held a surprise in store for Tomasa Ramos. She could hardly lose a game. She won five times. Charles Watson won The Teacher Store gift certificate, and other winners included Grace Cotter, Juana Hernandez, Pauline Clinton, Theo Burns, Emma Taylor, Ola Mills, Minnie Karr, Rebekah West,

and Alice Ross. Volunteers were: Lillian Tambunga, Dorothy Doll, Mattie Cooper and Anna Bell Patrick.

Friday afternoon, residents went for a ride in the country to Mary Lee Jones' ranch. They enjoyed cool lemonade and cookies with warm conversation. Thank you, Mary Lee and Bonnie Warth for inviting us. We appreciate your hospitality.

Sunday's worship services were presented by Our Lady of Perpetual Help Catholic Church. Scriptures were read and the Spanish choir sang several hymns accompanied by three guitars. Guitar players were Armando Ybarra, Armando Ramirez and Thomas DeHoyos.

We would like to take this time to thank all the volunteers who assisted us this week. We appreciate you.

Comings & Goings

by
Judy Reagor

Roy Glenn and Patsy Sutton, Staci and Glenn Scott of San Benito were here during the Fourth of July weekend to visit his parents, Mr. and Mrs. Glenn Sutton. Also visiting were Gary and Ellen Sutton, Tiffany, Barby and Erica of San Antonio.

Visiting Mr. and Mrs. Bob Falkner have been daughter Debra Johnson and son Greg of San Angelo, Sarah Falkner of Waco, Mrs. J. D. Falkner of Ft. Stockton and Mr. and Mrs. Wesley Anthony, sons David and John of Houston.

Happy birthday wishes go to Clayton Robinson today, July 16.

Kaleta Shepperson, Mary Leigh Kerby and Mozelle Houston went to Eldorado to the Eastern Star Chapter meeting this week.

Birthday greetings go to Ashlee Ramos, who will celebrate her fourth birthday July 18. Happy birthday, Ashlee.

Johnnye Raye Chapman has returned from a two week vacation in the western states. She enjoyed trips to the Grand Canyon, Las Vegas and California while away.

James Knox is in the area working and also visiting his parents, Mr. and Mrs. Jamie Knox and sister Peggy.

Mr. and Mrs. Joe Moran and sons have returned from a three week vacation which took them to Durango, Colorado. While there, they took the train trip to Silverton.

Melody Stark left July 10 for Angelo State University to begin nurses' training. She was accompanied by her mother, Mrs. Sandy Stark, and friends, Mrs. Garland Davis and Gary Davis.

Mr. and Mrs. Nat Read and his brother, Jim Read, recently attended Austin funeral services for Mary Lee Read Jones. Mrs. Jones lived here in the early 1900's. Her father was a Methodist minister in Ozona.

Amy Jones and her aunt, Mrs. Ned Henry of Houston, are on a trip to London, England.

Happy birthday wishes go out to Steve Williams on his special day, July 10.

Congratulations to Mr. and Mrs. Ernesto Martinez on the birth of their daughter July 2 in San Angelo.

Sam and Polly Perner have returned from eight days in Hawaii. We're told they visited all the islands and had a great time.

Happy belated birthday to Agnes Payne who observed her special day July 13.

Kathy Carlos and daughter Jennifer Hope have been here for a visit with her parents, Mr. and Mrs. Richard Storms.

Mary Capps spent the July 4 weekend in Odessa.

Belated birthday wishes go to Janet Hill who celebrated her special day July 10.

Jewell Norton is here visiting with Mrs. Rob Miller while Anna Chastain is home in New Mexico taking care of business.

Mr. and Mrs. Richard Berry and daughters, Stacy, Leslie and Dana recently enjoyed a trip to Schlitterbahn in New Braunfels.

Visiting Mr. and Mrs. W. L. Harrison are Mrs. Ruby Parks from Arlington, Mrs. Idalene Prince from Burleson and Mr. and Mrs. Red Harrison, also of Burleson.

Mr. and Mrs. Jamie Knox and Peggy are enjoying a visit from Chuck Preddy, the Knox grandson from Kerrville.

Mr. and Mrs. Cliff McMullan visited Dean McMullan and attended the Sanderson roping over the Fourth of July.

Polo and Eva Sanchez of Dubuque, Iowa are here visiting Mr. and Mrs. Raul DeLa Rosa.

Visiting Nick and Joan Nicholas are daughter Jennifer, son-in-law Rick and grandson Douglas Newton from Brownwood.

Mary Lee Jones and Bonnie Warth went to Abilene last Saturday to the wedding of their nephew, Terry Jack Hagler, to Angela Brown.

Mr. and Mrs. R. L. Brown visited daughter Teresa in Midland last weekend.

Belated birthday wishes go to Paul Espino who celebrated his special day on July 1.

Attending band camp at Angelo State University this week are Michael Glaze, Trebie West, Susan Kenley and Tonya Carter.

Bob Wallace is home for the summer after completing art courses at ASU.

Jason Montgomery is in Monahan visiting his aunt, Sue Richardson.

Terry and Matt Willmon have gone with their grandmother, Mrs. Eloise Whitley, to Houston for a visit.

Happy birthday to Nancy Hale whose birthday is today, July 16.

Pat Wahl, Elizabeth Fierro and Cassie Alsbrook have returned from a trip to Hawaii.

Louise Johnigan and daughter Roberta Coats flew to Irving for a few days to visit Mrs. Johnigan's daughter, Mary Lou King.

Congratulations to Mr. and Mrs. James Fuller on the birth of a daughter July 9 in San Angelo.

Vincent Racher, 13-year-old son of Mr. and Mrs. Terry Racher, has joined his parents and is now making his home in Ozona. Son Dan is home for a visit from San Angelo where he is a student at ASU. Dan shared his talent as he sang and played the piano during Sunday worship at First Baptist Church.

Virgil Macado of Sacramento, CA is here visiting his parents, Mr. and Mrs. Rodrigo Marchado.

Coach and Mrs. Jim Green have just returned from a two week vacation touring the northwestern states.

Joe and Linda Sherek were visitors in the Waco area during the Fourth of July holiday.

Mr. and Mrs. Leandro Flores recently returned from a vacation to California and Las Vegas.

Chamber of Commerce Secretary Beth Boyd was in Brady last week to attend a meeting of chamber executives from Winters, Coleman, Ballinger, Brownwood, Junction, Early, Sonora, Ozona and Brady.

Here for a week's visit with Mr. and Mrs. Gary Buck Mitchell, Michael, Megan and Ty are the children's cousins, twins Ashley and Avery Young of Dallas.

Happy birthday wishes go to Bobby Davee July 18.

Marie and Col. Ray Pierson attended the monthly meeting of the Ft. Concho squadron of the Confederate Air Force at Goodfellow Air Base in San Angelo.

Becky Montgomery of Tempe, Arizona is here for a visit with her parents, Mr. and Mrs. Dan Cullins.

Barbara Ann and Dwayne Davee of South Carolina are here for a visit with their father and family, the Bobby Davees, and grandmother, Mrs. Raymond Davee.

Peter Shacklette, Troop 153 Life Scout, is spending a week at Camp Sol Mayer near Ft. McKavett, as a junior staff member at Brownsea II. Brownsea II is a special camp for older Boy Scouts.

Bob and Elaine Bell and Roy and Marie Pierson square danced at the West Texas Hoedown at Midland Center Saturday, July 11.

Bobby Aycock and Mr. and Mrs. Ricky Jennings of Ozona and Bo Aycock of Kerrville are home after attending Camp Bandina near Medina where they were counselors.

Mr. and Mrs. Donald Yeager, formerly of Ozona, have returned to their home in Mississippi after visiting with family and friends.

Peggy Skains is currently in Cloudcroft, NM visiting with her grandparents.

Joanie Hernandez will celebrate her special day on July 16.

Blas Perez is sporting two broken arms and a variety of scrapes and cuts due to a wreck on a skateboard.

Tommy Davee has been to 4-H camp in Arrowhead, and Monica will be attending the camp there and go on for an additional week of visiting with her sister.

Mr. and Mrs. Tommie Tomlinson and family attended the 13th annual Tomlinson reunion at Coleman Sunday. Also attending were Mr. and Mrs. Tony Tomlinson of Sterling City and Mr. and Mrs. Gary Yeager and Kasi of Ozona.

Marlys Thurman recently drove to Tucson, Arizona for a visit with her daughter, Kirstie Cushman, and her family. From there they traveled to Siletz, Oregon where they met daughter Donna Cahala and her family of Missoula, Montana. They enjoyed an early 80th birthday party for Mom Tubbs, grandmother and mother to the family.

All attended Mrs. Thurman's niece's wedding in Newport, Oregon and visited friends and relatives from Eau Claire, Wisconsin and Victoria British, Columbia.

Marlys says she enjoyed the beach, fresh crab salad and Mo's famous clam chowder. Marlys flew back to Tucson and from there drove home to Ozona.

I can see why Cynthia Hodges enjoyed doing this column so much. It really is fun, and each day I look forward to hearing of the comings and goings of Ozona. I really appreciate the help I receive each week.

Class of '76 to hold reunion

The graduating Class of 1976 will have their ten year reunion Saturday, July 19, with a full schedule of events.

The reunion will begin with a lunch on Saturday at the Civic Center catered by Southern Seas of San Angelo. The home of Charles and Betty Huffman will be the location for a dessert and swimming party given by some of the parents of the students. Then, at 5:30 p.m. a tour of the schools will be scheduled for those wanting to see the remodeling changes since their high school days. In the evening, a dance is scheduled at the Casa Blanca Club for those wanting to attend and to say farewell.

Any graduate or teacher wishing to participate in the reunion who has not responded by mail or telephone, please contact Renee Pearl at 392-5545 as soon as possible.

Go Lions! Cheerleaders attend ASU camp

The Ozona High School varsity cheerleaders attended camp July 6 through July 9 at Angelo State University. Affiliated with the Interscholastic Cheerleading Foundation, the camp is based on improvement.

Competing against squads from other schools is not done until the last day of camp. In this competition, the OHS cheerleaders received a second place. They also received ribbons for most improved, execution skills, jumping skills, creativity, 110 percent ribbon and home cheer.

Those attending the camp were: Stacie Winkley (head), Vickie Reagor, Shannon Curry, Alma Gutierrez, Melissa Vallejo, Esme Borrego and mascot Griselda Hernandez.

Barbados sheep have made their home on the range belonging to Mrs. Ralph Jones since 1956. The animals are an excellent substitute for red meat according to Mrs. Jones.

'I really enjoy life!' Barbados bring joy to Mrs. Jones

BY CYNTHIA HARRELL HODGES

The Barbados sheep that live in the 150 acre trap surrounding her 1889 homestead bring 80-year-old Mary Lee Jones companionship, pleasure, food and purpose.

According to Mrs. Jones, the Barbados sheep were first introduced into the state when Kerrville rancher Charles Schreiner imported the breed from Spain. "I first received the sheep from rancher Harold Schwiening 20 years ago. "Schwiening, the former brother-in-law of my late husband Ralph, brought 10 head of Barbados to the ranch to give to my husband," Mrs. Jones said. "Ralph did not want them as he already had Rambouillet sheep. I took them, and I now have 99 head."

Because of a heart problem during recent years, Mrs. Jones has had to limit her consumption of red meats, and the lean lamb meat provided by the Barbados has expanded the variety in her diet. "The sheep also have been a plus as they have enabled us to build good fences around a portion of the ranch," Mrs.

Jones said.

For Mrs. Jones, the sheep are just the latest link in a continuing Crockett County ranching heritage that started in 1889, when Ralph's father first came here and bought 35 sections of land. With his father's untimely early death, Ralph left the homestead and did not return to Crockett County until 1928.

Her entrance to Crockett County ranch life did not start until 1950, when Mary Lee started her life over. The late Ralph Jones and his new bride, Mary Lee, began life anew with the help of the organization, Alcoholics Anonymous (AA). "Ralph was a member of AA for 25 years until his death, and I remain active in the AA groups," said Mrs. Jones. "The AA groups have provided not only counseling and help, but also lifelong friendships and activities. AA has been so wonderful - it has given me a peace of mind and saved my life. AA has been my life and made me appreciate things."

Ranching has changed markedly during the last few years. During the

dust bowl years of the early 1950's, they did all the hard work themselves. "We had one person to help us, and during those drought stricken times, the only time we hired someone to help us was during the shearing season. We also had to cope with the wormies, and doctoring those wormies was the only thing that I hated. The fly program really helped the ranchers here, and changed ranching."

Ranchers now use cars, pickups and motorcycles. "During the early years, "I helped make the living here. I have done it all. I rode with Ralph, and after he died, I rode alone or with our foreman. We never worked 'wets', but three foremen have assisted us here. Billy Ward and Walter Daniels worked here for eight years each, and Ricardo Cantu also helped us. The help nowadays is different, and harder to keep."

The active National Wool Growers Association member feels happier at home than anywhere else. "I never get lonely. In fact, I've never had a lonely day. I never have days that are long enough. I knit (67 afghans total to date) and read. I hope I can live here until the day I die. I hope I

never have to enter a nursing home," said the longtime Ozona United Methodist Church member.

Though her life has been firmly anchored to her home during recent years, Mrs. Jones has also traveled to California to visit her step-daughter and her family, Mr. and Mrs. Fred Van Shoubrouck, and to Hawaii. A new car makes the 14 mile trip from the ranch easy. Her volunteer work as a member of the Crockett County Hospital Auxiliary and her hand knitting needles have brought many smiles to the faces of those in the nursing home.

The Barbados are bleating to be released from their prison home, the pen near the Jones homestead. The stately, grey-haired woman quickly marches outside to the pen and opens the gate, calling softly to the sheep, "Barbados," and the sheep, aware of a stranger's presence, rush out of the fenced area to the pasture.

Though her home, filled with the antiques of yesterday, Mrs. Jones looks forward to many tomorrows. "I can see and I have all my own teeth. I really enjoy life." Who could ask for anything more?

Sr. League All-Stars continue

Ozona's Senior League All-Star players continue tournament play with a game in Ozona tonight, July 16 at 7:00 p.m.

Ozona dropped a game 0-21 to San Angelo West Monday night.

The loss came on the heels of a win against Junction Saturday evening when Ozona shut-out Junction 22-0.

Mark Fierro pitched the no hitter for Ozona. George Ybarra led Ozona's offense with six runs batted in.

Little League falls in final to Sonora

Ozona Little League All-Stars were disappointed in their final game Monday night against Sonora scoring four points to Sonora's eight.

Ozona's team fell behind in the second inning after scoring the only run in the first. The second inning saw Ozona scoring one run while Sonora scored four.

The third inning made the difference in the game as Sonora tallied four runs while Ozona added no runs.

With the score at 2-8, Ozona rallied and held the Sonora Little Leaguers scoreless throughout the remainder of the game.

Ozona managed to add two runs in the sixth inning bringing the final score to 4-8.

Adrian Vargas pitched the entire game for Ozona striking out six batters. The pitcher's mound gave Vargas some trouble as it appeared to be quite different from the Ozona mounds. Sonora's mound was higher than that to which Vargas was accustomed.

The Ozona team also included Shane Pridemore and John Flores, both right fielders. Mark Ramirez played short stop while Adam Alba covered center field. Pablo Talamantez and Martin Llanos shared the left field position.

Chad Upham and Larry Sanchez were both All-Star catchers. James Tambunga played first base while Keith Miller and Gerald Ortiz covered second. Third basemen were Raul Rico and Bryan Dunn.

Ozona had previously played Junction in Ozona, July 10, winning that game 7-4.

The loss to Sonora concludes Ozona's Little League play. Sonora played Big Lake last night to advance in the consolation bracket.

Irion Co. Soil Survey available

Gary Askins, District Conservationist for the U. S. Department of Agriculture's Soil Conservation Service at Big Lake reports that the Irion County Soil Survey has been printed and the author is celebrating the production of his fourth publication.

C. C. Wiedenfeld, a soil scientist with the U. S. Department of

Agriculture's Soil Conservation Service finished the field work part of the Irion Soil Survey in 1982 and submitted the manuscript for publication in February 1983. He states "I would like for all managers of land in Irion County to know that this information is available.

Copies are available at the Big Lake Soil Conservation Service office and at the SCS Area Office at 33 E. Twohig in San Angelo. Wiedenfeld's other three publications are the Runnels, Tom Green and Schleicher County Soil Surveys. Most counties around here now have a soil survey, but Upton, Reagan, Edwards, Real, Mason and Crockett Counties are only partly completed.

Soil surveys contain some useful information for any user of land, says Askins. A rancher might use a soil survey to determine the productivity of a ranch he is considering leasing. He may be able to pick the soils where brush control work would be

most profitable, or he may route a pipeline or fence through areas easily excavated.

A home builder can avoid areas subject to flooding, or find the areas where septic tanks work well. A builder or engineer can find the soils that are good foundations, the soils that are easily excavated or trenched, or where pipes will not corrode. Land appraisers, realtors, tax assessors and gardeners all can find useful information in a soil survey, says Askins.

Pick up your copy and let us discuss the soil survey with you says a spokesman for the SCS. This is a part of the assistance the Soil Conservation Service furnishes you through the Middle Concho Soil and Water Conservation District, says Askins. The Big Lake Soil Conservation Service address is P. O. Box 90, Hwy. 67 W. Big Lake, TX 76932. Phone 884-2182.

Texas Trivia

from Talk of Texas
By Jack Maguire

Keys to the Kingdom - Once a Governor of Texas leaves office, he literally throws away the keys. New locks are installed immediately on all Capitol doors each time an administration changes.

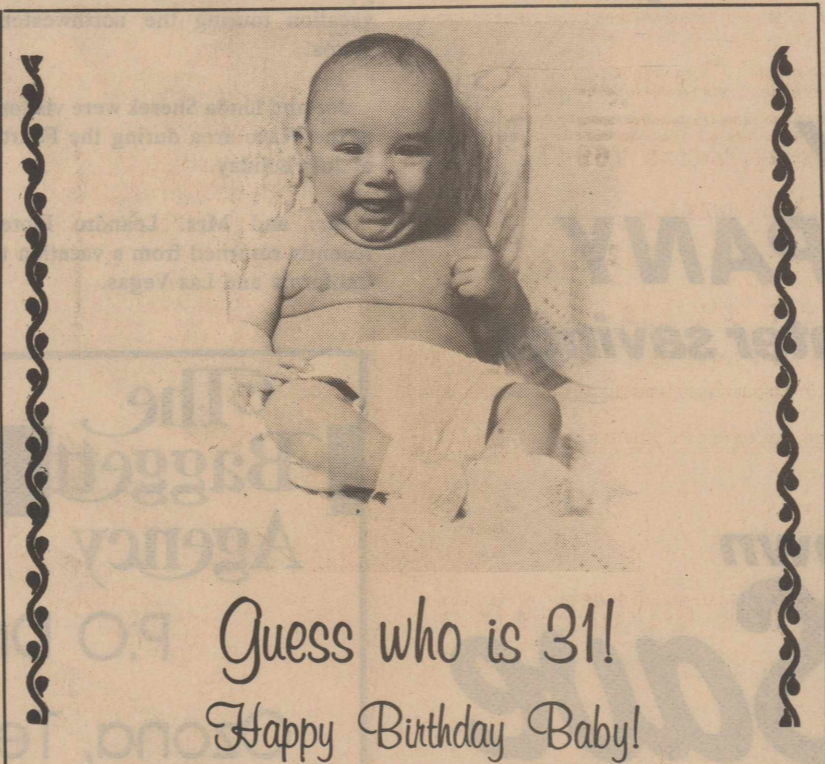

Even this security wasn't enough to satisfy the late W. Lee O'Daniel when he was governor from 1939 to 1941. To protect his private office, O'Daniel had an electric lock installed which he alone could operate.

Thank You

A great big THANK YOU goes out to Friend of the Library art chairman Ginger Perner. All of her work organizing the local artists' displays each month has really paid off. The exhibits have been a great success. We are proud to display the works of Sandra and Pleas Childress during the month of July. There are photographs, watercolors and arrowheads in the exhibit.

Come Check It Out!

Card of Thanks

To the people of Ozona and surrounding areas that were so kind at the time of the death of my brother, Ben Marshall, we extend our deepest appreciation and thanks. God bless you.

Eva Marshall (sister)
Mary E. Johnson (niece)

V.F.W.,

Thank you for the donation of the briskets for the Meals on Wheels program. You're great! Helping Hands for the Elderly

A number of Ozona business firms as well as individuals contributed to the success of the Chamber of Commerce sponsored tennis tournament. Special thanks go to Jerri Lynn Tucker, Jerry Tucker, Crockett County National Bank, Ozona National Bank, Buttery Motor Company, Clayton's Village Drug, Shot's #2, T & T Supermarket, Baker Jewelers, Crockett County News, Ozona Stockman, Dee Keilers, Doris Haire.

Board of Directors
Chamber of Commerce

Ozona's new street banner went up just in time for the Fourth of July holiday. Special thanks go to Steve Williams, Armando Arredondo, Doug Meador and Western Auto for putting up the banner.

Ol' Sonora Trading Company has unique items

Come experience Texas at the Ol' Sonora Trading Company. This is the idea behind the new business of Jimmy and Ruth Cahill of Sonora.

Items such as finely detailed wood carvings, authentic western oil painting and bronzes, jewelry, American made mohair rugs and blankets can all be seen in the air conditioned comfort of the Ol' Sonora Trading Company.

Works of Kitty Kegans, who has studied with the famous Winberg and is listed in the Directory of American Portrait Artists, can be seen while at the Trading Company. Kegans' portrait of Howard Westfall, the champion roper listed in the Cowboy Hall of Fame, is now on display.

Kegans will do commission paintings as will Herman Walker with his beautiful ranch scenes. One may also have his favorite horse, bull, Billy or ram carved in wood. Customized jewelry with or without brand is also an item of interest.

Wagon train tours begin at 11:00 and run through the day. All tours are hosted by genuine cowboys filled with "tall tales". Seen on the tour are animals that inhabit West Texas along with demonstrations of horse-shoeing, calf roping, sheep shearing and bronc busting.

PermaCel 30 will not contribute to fungal or bacterial growth and is vermin-proof.
 PermaCel 30 absolutely will not cause itching or chafing because it contains no asbestos

PermaCel 30® delivers 40% more R-factor per inch!

| | | |
|-------------|-----|-----|
| PermaCel 30 | 2.9 | 2.2 |
| Rock wool | | |
| Fiber glass | | |

Reference: ASHRAE Guide, ASTM C739 Test, NCIMA N-101, National Mineral Wool Association.

Note: Thermal resistance or "R" factor does not consider wind penetration's effect on fiber glass and rock wool. Also compare the photos displaying the differences in conventional cellulose (right) insulation and PermaCel 30® (left). A unique liquid fire retardant process prevents free-flying and abrasive chemical dust usually found in conventional cellulose insulation.
