"Message from Darrell Scott"

Darrell Scott, the father of Rachel Scott, a victim of the Columbine High School shootings in Littleton, Colorado, was invited to address the House Judiciary Committee's subcommittee. What he said to our national leaders during this special session of Congress was painfully truthful.

They were not prepared for what he was to say, nor was it received well. It needs to be heard by every parent, every teacher, every politician, every sociologist, every psychologist and every so-called expert! These courage words spoken by Darrell Scott are powerful, penetrating and deeply personal. There is no doubt that God sent this man as a

Answer 'The Call' and Participate in the Prayer Meeting on July 7th

By Charles Payne

God has really blessed me and my wife the last few years by giving me a chance to teach and my wife a chance to sing in a couple of area Cowboy Churches.

Being a 5th generation in the cattle and farming business, I would like to share with you the following 10 Commandments—Cowboy Style. You will see them posted on some of the Cowboy Churches throughout the Southwest. I think if we all used these instead of the ones with all "shall nots" we could probably understand and live up to them a lot better.

Cowboy Style Ten Commandments

1. Just One (1) God
2. Honor your Ma and Pa
3. No tellin' tales or gossipin'
4. Get yourself to Sunday meeting
5. Put nothin' before God
6. No foolin' around with another fellow's gal
7. No killin'
8. Watch your mouth

9. Don't take what ain't yours
10. Don't be hankerin' for your buddy's stuff.

I guess cowboys just kinda tell it like it is.

When I was a kid, a lot of what used to be right in this country was right in God's eyes and what a lot of people held to be wrong was wrong in God's eyes.

Fast forward a half century later and so much of wrong has become right and right has become wrong. Things really changed in the 1960's and in 1969 this was not the same country as in 1960.

I yearn for the days when we saw a Bible on every teachers desk and prayer could be held and supported in all our public schools.

Also, a school teacher could dish out discipline to a child who needed it without fear of reprisal from a parent.

If we don't make a stand and make it now, as God fearing people, there's going to come a time in the not too distant future, we will lose our country.

All are invited to a prayer meeting being held at the Cross Plains Community Center on Saturday, July 7, 2007, starting at 2:00 p.m. Let's pray for a REVIVAL in our nation and a turning back to God's law.

This is not a Baptist, Methodist, Church of Christ, Presbyterian or Cowboy Church thing—it's a Jesus Christ thing!

I want to encourage you, whatever your denomination might be, we've got to work and pull together with Jesus Christ in the CENTER.

You might think of it this way:

When days are hot and flies are thick,

Use horse sense and cooperate. This is a truth, all horses know, They learned it many centuries ago.

One tail on duty at the rear can't reach the fly behind the ear, But two tails when arranged with proper craft, Can do the job, both fore and aft.

Flood damage began in County June 24th Judge asks Callahan County be declared disaster area

Callahan County Commissioners met Monday, July 2nd to declare a disaster in Callahan County related to the high accumulation rainfall throughout the area.

In fact, County Judge Roger Corn declared the disaster last Friday, June 29th, and the commissioners' court met Monday to continue the disaster declaration.

The Monday, July 2nd Emergency Commissioners' Court meeting was called to order at 9:30 a.m. by Judge Pro-Tem Harold Hicks due to the absence of Judge Corn.

A Declaration of Disaster was presented to the commissioners' court to be approved. A motion to approve and continue the Declaration of Disaster was made by Commissioner Cliff Kirkham and a second to the motion was made by Commissioner Bryan Farmer. The motion was approved with a 4-0 vote. The Declaration of Disaster will be sent to the Governor of Texas requesting that Callahan County be declared a disaster area by the State and therefore be eligible for financial assistance. Voting for the motion were Commissioners Harold Hicks, Bryan Farmer, Tommy Holland and Cliff Kirkham.

Also attending the Emergency Commissioners' Court meeting were County Treasurer Dianne Gunter and County Clerk Donna Bell.

The Emergency Commissioners' Court meeting was adjourned at 9:40 a.m. on a motion by Commissioner Farmer and a second by Commissioner Holland with a 4-0 vote.

Callahan County Emergency Management Coordinator Jan Windham said the declaration of disaster was declared for the rainfall which began on Sunday, June 24th. "This is a continuous disaster," Windham said to the ongoing rainfall Callahan County has experienced since June 24th. Windham said the county's Emergency Management Plan has been implemented by County Judge Corn.

Windham said most of the residence damage from the flood

waters has occurred in the city limits of Cross Plains. Windham said the Cross Plains residence flood damage has been fully documented, however she said the total damage to homes in Cross Plains could be more or less than 15 homes.

Windham said all four county precinct commissioners have reported flood damage to county roads and culverts from the on-going rainfall.

Windham stated Governor Rick Perry is expected to ask for a Presidential disaster for most of Texas due to the flood waters which hit Gainesville, Marble Falls, Breckenridge and Eastland over the past several weeks. She said if the Presidential disaster declaration is approved, Callahan County could receive Federal Emergency Management Agency funding to repair the county roads in Callahan County. Windham said if the Presidential disaster declaration is not approved for Callahan County, the county can apply for state agency aid to make the needed repairs to the flood damage.

Windham said she hopes to receive word within the next week on if Callahan County is approved in the Presidential disaster declaration.

Judge Corn's letter to Governor Rick Perry declaring a disaster for Callahan County follows:

The Honorable Rick Perry
Governor of Texas
P.O. Box 12428
Austin, Texas 78711-2428

Dear Governor Perry:

As the result of continuous heavy rainfall beginning on June 24, 2007 throughout the entire County of Callahan, we are faced with county roads, bridges and culverts being destroyed and drains that are needing repairs. The county has approximately 15 homes damaged by the flood waters at this time. The extent of the damage to crops being lost and ranches missing fences are unknown at this time.

Therefore, I am requesting that

Callahan County be declared a disaster area hereby asking for financial assistance to the County and its residents.

Thank you very much for your consideration in this emergency matter.

Sincerely,
(s) Roger Corn
Callahan County Judge

WHEREAS, the Judge of the County of Callahan has determined that extraordinary measures must be taken to alleviate the suffering of people and to protect or rehabilitate property,

NOW, THEREFORE, BE IT PROCLAIMED BY THE JUDGE OF THE COUNTY OF CALLAHAN

1. That a local state of disaster is hereby declared for County of Callahan.
2. That the County's Emergency Management Plan has been implemented.

3. That this state of disaster shall continue for a period of not more than seven days from the date of this declaration unless continued or renewed by the Commissioners Court of County of Callahan.

Woody Reunion set for July 7th & 8th

87th Annual Pioneer Reunion well Attended

RETIREMENT CELEBRATION AFTER 28 YEARS OF SERVICE—Jewel Purvis was honored with a cake, flowers and gifts Friday, June 29th, at a retirement party from working at Dairy Queen. Family and friends were in attendance.

All are welcome to the annual Woody reunion to be held at the Cottonwood Community Center on July 7th and 8th.

The events will begin around noon on Saturday and continue through Sunday. A special event will be held on Saturday, July 7th at around 6:00 p.m. We will try to have an old fashioned "Old Joe Clark party" or "ring game". If there is anyone who knows some of the 'calls' or would like

to assist with music or anything else they can remember about these games, please come! If you want to 'play a ring game', you are more than welcome.

Our main meal will be Sunday after worship services. All friends and relatives are urged to come and visit with the Woody family on both days.

The 87th Annual Pioneer Reunion was held on June 23, at the Cross Plains Community Center.

There were 57 long time friends who got together for a day of memories and visiting.

The Oldest Man was Shorty Lewis of Rising Star. He is 93 years old.

The Oldest Woman was Jean Fore, who is also 93 years old, but said she was going backwards from now on. Knowing Jean, she probably is.

The Person Traveling the

Longest Distance was Jimmie Morgan from Texas City.

The Family with the Most Members Present was the Brown Family with 10 members. They are descendants of James B. (Jim) and Fannie Brown, who came to Pioneer in 1900.

The members of the reunion voted to keep the gathering at the Cross Plains Community Center for the future. The officers were voted back in by acclamation.

COTTONWOOD NEWS

By WALLACE BENNETT

Well here it is July 2, 2007, a dark and rainy day, and it puts me in a reflective mood. Two things come into focus. It usually does not rain a lot in Cottonwood, Texas, in July, although, if my grandfather John H. Coats were alive he would testify, that he remembers that it "snowed" on him and his thrasher crew on the 4th day of July, one year. I was so young I can't remember the year, and now I am old enough to feel like Ted "Junior" Ivy who once said to me, "I'm so old I no longer buy green bananas."

This weather does remind me that when I was a high school student in Cross Plains, the Atwell school bus would not come to pick us up in front of our house, on what now is County Road 440, two miles east of Cottonwood because the roads were muddy and full of deep ruts. We had to walk about a mile either way to the only "all weather" road, graveled, to Cross Plains which is now called State Highway 880.

It reminds me of a story I once read about an old Model "T" traveler who topped a hill in Canada and found a sign beside the side of the road that read, "Choose your ruts carefully, they are 10 miles long."

It also reminds me that the State Highway Department is "in charge" of the great paved "highway" between Putnam and Cross Plains.

And, further, it means that this great piece of pavement is narrow and dangerous; carrying a variety of vehicles from small compact autos, to enormous pieces of farm equipment traveling at a snails pace with modern fast autos and

18-wheelers careening toward you at break neck speed, 70 miles per hour, and that is only the legal speed-limit.

It is enough to frighten an old Digger out of his gourd.

By the time you readers pick this column up and read it, July 4, 2007 will be recorded in some history books. What will they record about the people of Cottonwood, Texas? That we spent this day in serious reflection about our history and our future, or that we spent it in fun and frolic only?

Okay it is the day after our July 4, 2007, celebration. I hope and pray that everyone is full of the patriotic spirit and we are now deeply immersed in the future.

Cottonwood's Quilting club will meet on Tuesdays at 10:00 a.m. at the Cottonwood Community Center and all are invited.

The Cottonwood Fire Control Unit will meet on Tuesday, July 17th at 7:00 p.m. at the Fire House.

The Woody Reunion will take place this weekend at the Community Center.

Beverly Brown informs me that a new order of the Cottonwood Cook Books have arrived. Anyone wanting a cook book should call Beverly Brown at 254-725-7369.

(Please remember, I can't print it if I don't know about it. So, please call Wallace Bennett at 254-725-7474 about news items and personal information for this column, or email me at csb5@airmail.net or snail mail to 11093 CR 440, Cross Plains, Texas 76443.)

RISEING STAR NURSING NEWS

By Nikki Perez

Rain, rain, go away come again another day! While we are on the subject of rain, we would like to say a big "Thank You" to staff members and the City of Rising Star workers for their help when we had an overflow of rain last Tuesday morning. It was a real team effort to keep the water out of the building, the residents safe and dry. Thanks again to everyone. Also a thank you to our administrator, Johnnie, who helped out as well, by removing her shoes and sweeping water out the back door.

The rain was so heavy, Kristi McGinn, came to work in her tall cowboy boots. But she changed into some more comfortable shoes when she got here.

Neither rain, nor shine would keep us from going on a trip. Tuesday we took Jimmielee Payne and Jerry Holmes to Cross Plains to the Senior Citizens' Center. The phones were out so we were not able to reserve meals at the center. But luckily they had enough to give to our two residents. We still had a good time.

Jimmielee Payne had a special visitor. The pastor of the Methodist Church in Cross Plains came and visited with him a little bit. He really enjoyed it. We really appreciate her taking time to come up and visit with our residents.

Last week I mentioned that Jimmie had moved his tomato

plants. Well, he is still waiting patiently for the arrival of his first tomato.

Irene Starkey had some visitors as well this past week. Her cousin, Carl and wife Jane Welch from Sydney, came over and talked awhile with her. She really enjoyed their company.

I would like to thank Taymona Dudas for donating some more bingo prizes.

They sure do come in real handy, and we really appreciate it.

We would like to send some thoughts and prayers to Modelle Amao who is in the hospital.

On July 9th at 2:30 p.m. Jim Groce, a gospel singer, will be here to entertain our residents.

Then on July 12th we will be making homemade ice cream at 2:00 p.m. The residents love making ice cream and so do I. Homemade ice cream is so wonderful.

Our birthday party this month will be held on July 20th at 2:00 p.m. We will celebrate the birthdays of Virginia Payne, Sue and Joe "Jake" Landess, and Jerry Holmes. Employees will be Fredene Tennison, Christin Butler, Lindsey Shuey, Ginny and Jessica Nieto. Happy Birthday to all of you and many more.

Well I guess that just about wraps it up for this week's edition. Until next time take care and God Bless.

July 4th, the celebration of our nation's 231st birthday, has past — but I hope our celebration of the freedom we enjoy continues each and every day of our lives. There are at least three things I would call upon you to join me in doing. 1) As we "pledge our allegiance to the flag" from time to time, let us emphasize the words, "Under GOD"! Let us realize what we are saying and say it like we mean it. 2) As we use U.S. coins and bills as a medium of exchange, appreciate that they still have upon them the inscription, "In God We Trust." 3) And as we think of freedom, remember that real freedom can only be in and through Christ and His truth. He said, "You shall know the truth, and the truth shall make you free" (John 8:32).

Some would like to see the "Under GOD" and "In God We Trust" deleted and removed. And Satan would like to see Christ's truth removed from the lives of we who live here. Let's not allow either of these to happen!

Please join us for worship and Bible study as we strive to "sign our lives with the excellence of God."

Local Library to Offer Summer Reading Program Starting Wednesday, July 11th

The Cross Plains Public Library will offer a different approach to the Summer Reading Program for students who have finished first through sixth grade. Local folks have been invited to the library to share with the kids a variety of hobbies, jobs, and special talents. Afterwards the students will be encouraged to check out books related to the topic of the day.

For seven (7) weeks the younger students will be keeping track of number of books read, while the older students will keep track of the amount of time they spend reading. Exciting prizes will be awarded to the top readers in each level.

If a child is not a regular patron of the library, parents are encouraged to come by in advance to enter the necessary information into the circulation system so they may check out books.

The program starts Wednesday, July 11th at 3:00 p.m., with Meteorologist Randy Turner casting off the "Sail Away to New Adventures" weather forecast.

Randy resides in rural Coleman County. He has been involved in radio and TV broadcasting for 28 years.

He was most recently the Chief

RANDY TURNER

Meteorologist on KTAB TV in Abilene from January 2002 to January 2007. Prior to that, he was radio station manager of KSTA in Coleman for many years. His experience in TV took him to two Texas hurricanes and on numerous severe weather events across the Big Country.

After leaving KTAB in January, Randy went into private business in his hometown of Coleman and operates an online internet newspaper www.colemannews.com.

He managed to squeeze in three years of college and holds a Certificate of Broadcast Meteorology from Mississippi

State University.

He provides forecasts daily on his website but can also be heard on area radio stations NewsTalk 96.9, The Breeze 102.3 and KSTA AM 1000.

He and his wife, Kathy, enjoy their kids and grandkids and life on the farm.

Special programs will be presented at the library each Wednesday until school begins. Scheduled on July 18th, Marine Biologist LeaJean Wyatt; July 25th, Texas DPS Trooper Jim Cook; August 1st, will be Fun Foods with Jennifer Wootton; August 8th, painting murals with Bobby Golson; August 15th, Cross Plains Volunteer Firefighters and Fire Engine; August 22nd, Farrier Joe McWilliams will demonstrate how to shoe a horse.

Make plans to attend the programs and challenge yourself to see how many books you can read. Personal reading logs will be available for each participant. Children are welcome to start at any time on or after July 11, 2007.

For more information, please contact the library any afternoon at 254-725-7722.

READING ALOUD—Sue Bennett keeps the children captivated by reading them stories.

WHAT FUN!!—The little ones had lots of fun finishing their craft each day. What imaginations!

"Little Readers" a Huge Success

The Cross Plains Public Library has ended another successful "Little Readers" summer series with 19 children ages 3 through 6 attending and completing the course.

Sue Bennett is the talented person responsible for creating

the curriculum for the entertaining and educational program using the theme "Sail Away with Books". With the assistance of Brittany Libey, Sheldon Libey, Megan France and Kathleen Terstegge, the Little Readers were able to make fun

crafts each day and enjoy fun foods and snacks that went along with the theme of their adventurous voyage of stories and songs.

Grand Ole Oplin Lineup for the month of July

The Grand Ole Oplin is proud to announce their band line-up for their Friday night dances for the month of July. Starting off the month on July 6th, Muddy Creek will be joining us playing all your country favorites, and on July 13th, Country Classics will be here to entertain us. On July 20th, Texas Touch will be joining us with the kind of music that will make you want to get up and dance. Ending the month on July 27th, Muddy Creek will be joining us again to play some more of your country favorites.

The Grand Ole Oplin is hosted by the Oplin Community Center each Friday night, and is

located at the intersection of FM 604 S. and FM 2926. Our dances begin at 7:30 p.m. and end at 10:30 p.m. Everyone is invited to bring a snack to be enjoyed by all during the band's break. Admission to our dances is still only \$4 per person. Alcohol and smoking is not allowed at any of our Community Center functions. For further information, please contact Pam Rumfield at 529-4522, or Judi Campbell at 529-4301.

So gather the family and all your friends and come on out to the Grand Ole Oplin for an evening of good friends and plenty of good music.
