### BAC Spotlights St. Patrick Day Planning Expansion

#### Treasure Hunt Sale To Highlight Day

Traditionally, 'The Wearin' Of The Green' has marked St. Patrick's Day on March 17, but this year, through combined efforts of the Businessmen's Activities Committee of the Chamber of Commerce and Muleshoe merchants, much more will be offered. On Tuesday, March 17, a treasure hunt will mark this special celebration.

During the monthly meeting of the BAC Tuesday morning, Chairman Leroy Maxwell of the St. Patrick's Day Promotion, reported on plans for the sale. He said issues of the Journal would be numbered by Journal employees and numbers taken to various participating merchants. The person who has the corresponding number and presents the entire newspaper to the merchant will be entitled to buy a special merchandise at a much below cost price.

Throughout the day, merchants plan to offer special sales on various items.

With Chairman R.A. Bradley in charge, the BAC members and guests heard several reports including a report from Harvey Bass and Mrs. Charles Daniel on Muleshoe's newest industry, Marion's of Muleshoe, Inc. which is a garment factory.

Mrs. Daniel gave some of the background on the decision to start the factory. She told of the locally designed clothing line and displayed pictures and clothing which were designed and manufactured in the local factory.

Harvey Bass thanked Bill Loyd, president of the Muleshoe State Bank for having the confidence in her and in the future of the factory and backing the venture.

Harvey Bass commended Loyd "for having confidence and helping Muleshoe grow."

A projection for future growth of the factory was given and Olan Burrows, of St. Clairs, said he periodically inspected some of the articles of clothing produced in the factory and commended the workmanship.

Preliminary plans were discussed by Bob Dawson, chairman of the Father's Day Promotion.

Mr. and Mrs. Raymond Gaede returned home from a three months stay at Laguna Beach, Calif. where they visited with their son and family, Mr. and Mrs. Keith Gaede. They spent some time at Palm Beach and saw the Bob Hope Classic. They particularly enjoyed talking with Terry Dill, a former Muleshoe resident who is now a professional golfer.

Mrs. Scott Gray and son Paul Gray of Lorenzo visited over the weekend with Mrs. Gray's son and family, Mr. and Mrs. E.W. Gray, and with Mr. and Mrs. Jesse Gray and Geraldine and a granddaughter and her husband, Mr. and Mrs. Dennis Teague.

Mrs. Sam McKinstry's aunt, Mrs. C.E. Girdner, who has been visiting in Muleshoe since in December, accompanied Mr. and Mrs. Harold Allison to her home near Greenville Friday.

The Allison's sons Jim and Jack had gone to North Texas State University at Denton with Mrs. Sam Damron and Dana and they spent the weekend visiting their brother Fred, a student at NTSU, Saturday night Mr. and Mrs. Allison, their three sons and some of Fred's friends enjoyed an evening together before the drive home Sunday.

Mr. and Mrs. Silas Short and sons of Post, former Muleshoe residents, visited over the weekend with friends and attended worship services at Muleshoe Church of Christ.

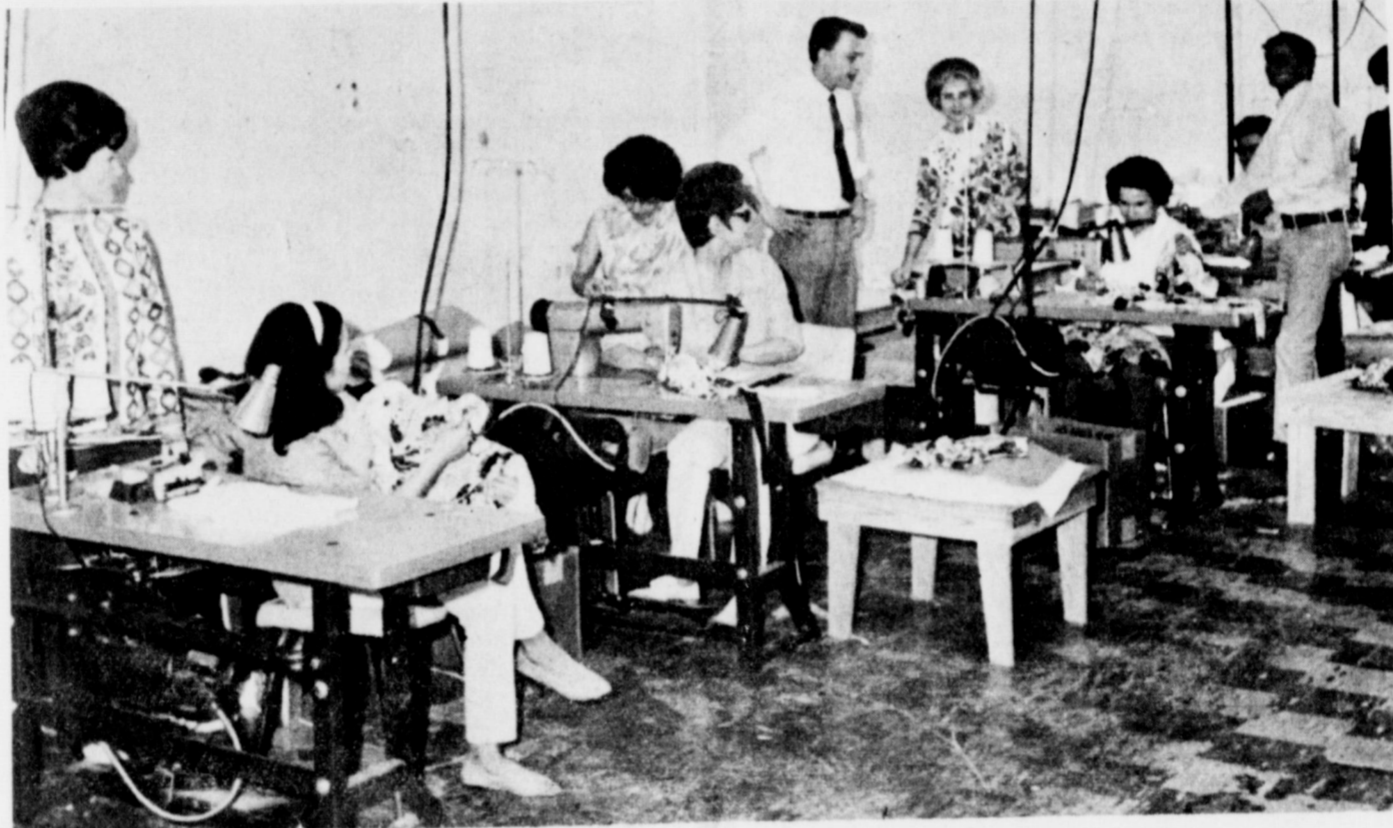

W.R. Tittle, formerly minister of Muleshoe Church of Christ and now living at Lawton, Oklahoma, was visiting Sunday with the Luther Hall family.

W.A. Finn Jr. of Abilene, a former Muleshoe resident, was a weekend visitor in the homes of the Ab Carrolls and the Chester Yerbys.

He reported his son Don is still in intensive care ward at Naval Base, Hospital, Corpus Christi, but that he is showing

MARION'S OF MULESHOE INC. UNDERWAY--Pictured above is just one scene from Muleshoe's newest industry, a garment factory known as Marion's of Muleshoe Inc. The new factory began operations late last October and is already planning to expand operations next week. Mrs. Charles Daniel, owner of the factory, designs a line of clothing and the factory also does contract work for retail outlets and other factories. Shown are a few of the industrial sewing machines and the women operators of the machines. The youth at right assists in maintenance of the machinery and Wayne Milam, standing center, is manager of the operation.

#### Ten Teachers Follow-Up Prior Course

SPECIAL TO THE MULESHOE JOURNAL--Ten teachers from Muleshoe attended a Cuisenaire Rods follow-up conference February 26 sponsored by the Region XVII Education Service Center.

They include Mary Mardis, Jana Stevenson, Norma Jo Praeger, Ellen Glover, Edna Wiloughby, Beulah Mimms, Katherine Saunders, Mary Upton, Mary B. Obenhaus, and Elizabeth Watson.

The workshop, held at the Holiday Inn Parkway in Lubbock, was for area teachers who were provided with Cuisenaire Rods kits by the ESC at the first workshop in October.

"Cuisenaire Rods are a new teaching method which uses different sized and colored rods. The rods help students from pre-school to junior high learn basic mathematical principles," commented Elizabeth Watson, Muleshoe school curriculum director.

Sister Alice Hunter, school consultant for the Diocese of Dallas-Fort Worth and counselor for the Cuisenaire Co., conducted the workshop and gave teachers knowledge for the effective use of the Cuisenaire Rods.

"The conference also provided a review of basic pro-

#### Jaycees Attend San Angelo Meet

Eleven Muleshoe Jaycees attended the first District One Jaycee Convention at San Angelo last weekend. Attending from Muleshoe were Mr. and Mrs. Curtis Walker, Mr. and Mrs. Clarence Christian, Mr. and Mrs. Ronnie Spies, Mr. and Mrs. Derrill Oliver, Mr. and Mrs. John Blackwell, Mr. and Mrs. Duane Seay, Mr. and Mrs. Larry Combs, Mr. and Mrs. Roger Gorrell, Mr. and Mrs. Kenneth Henry, Mr. and Mrs. Marlin Mills and Jeff Smith.

At the noon membership meeting on March 2, it was reported that the Muleshoe Jaycees were recognized for having the most outstanding project in the district in the Records and Recognition competition. The project entered was the Sanhill Crane Hunt.

Muleshoe Jaycees were also recognized for coming in third for the travel trophy award, immediately behind the Perry-tin Jaycees and the Plainview Jaycees. The Muleshoe Jaycees had more members attending the convention than a number of larger clubs, including the Amarillo Jaycees and the Lubbock Jaycees.

Curtis Walker, the Muleshoe Jaycee president, served as chairman of the Travel Trophy committee; Kenneth Henry served on the Spoke Judging committee and Jeff Smith and Larry Combs entered the Spoke Contest for first year members and Clarence Christian, Marlin Mills and Darrell Oliver entered the Sparkplug contest for those who have been Jaycees for more than a year. Smith and Combs entered the First Timers Contest.

#### Girl Scouts Selling Cookies For Project

When a smiling young miss knocks on your door during the next week, and offers you a choice of cookies to buy, you can be sure the money received will go into worthwhile projects.

Members of the Muleshoe Girl Scouts and Brownies are currently conducting their annual cookie sale throughout the town and area. All monies received from the sale go into various projects for the scouts. The sale will end on March 12. The annual sale is held in conjunction with Girl Scout Week, March 8-14.

During the special week for Girl Scouts and Brownies, emphasis will be placed on the various phases of scouting for the girls.

Around 6,000 girls of the Caprock Girl Scout Council will join almost four million Girl Scouts throughout the country in celebrating Girl Scout Week from Sunday, March 8, 1970 through Saturday, March 14, 1970.

"Awareness--Action" is the theme of Girl Scout Week and of the Girl Scout's 58th birthday March 12. This date marks the anniversary of the first meeting of the first troop organized in Savannah, Georgia, by Juliette Gordon Low, founder of the movement in the United States of America.

Since that first troop of few girls, more than 23 million members have made the girl scout promise to do their duty to God and Country, to help other people at all times, and to obey the Girl Scout Laws of Loyalty, Honesty, Courtesy, Cheerfulness, Kindness, and

#### Marion's Of Muleshoe Planning Expansion

A Muleshoe resident for the past 10 years, Mrs. Charles (Sue) Daniel, has fulfilled a dream with Muleshoe's newest industry, which has begun and is growing. The newest industry for Muleshoe is a small but expanding garment factory located on East Avenue B.

Mrs. Daniel said, "I wanted a job, my three daughters were all in school, but I couldn't find a job that paid enough. So, as I had formerly worked in the designing department of a garment factory in Dallas, I started checking into the possibility of a garment factory for Muleshoe."

Working with three members of the Industrial Commission of the Muleshoe Area Industrial Foundation, Mrs. Daniel began visiting area garment factories, including Levi-Strauss at Lubbock and Dolly Fashions in Hereford. Mrs. Harvey Bass, Mrs. Jack Schuster and Mrs. Jack Little, all members of the Industrial Commission, helped Mrs. Daniel formulate plans for her garment factory.

Beginning with 15 commercial sewing machines last October, Marions of Muleshoe Inc. began operation. Sixteen women work on the actual cutting and sewing of various garments. First contract to be filled by the factory was an order for 120 pair of women's junior petite stretch slacks for the local C.R. Anthony Co.

As the factory got into the operation, several contracts were signed and Mrs. Daniel said she presently has a backlog of orders, which necessitates adding an additional 10 sewing machines next week. She commented that she has found more than an adequate work force in Muleshoe and has seven or eight women at the present time in the factory who have prior experience in a garment factory.

"We have to expand," stated Mrs. Daniel, "in order to fulfill the contracts we presently have, and more contracts are coming in all the time."

#### Several Towns Ready To Jump On Bandwagon

Several area towns and cities are preparing to get on the one-percent city sales tax bandwagon. City officials are expressing the view that an additional revenue through city sales tax would benefit the city as the funds are returned to the cities for expansion programs.

Friena, Hereford and Dimmitt all schedule a sales tax election for April 4. The vote failed to carry in Friena in an election in April, 1968. Just prior to the Friena vote, Hereford had similarly rejected the sales tax. Amarillo passed the sales tax and several other towns and cities added to the growing list.

Muleshoe tops the area list for sales tax collections for the July-September quarter in 1969. Texas Town and City Magazine reported tax payments to several towns and cities as follows:

Muleshoe, \$21,943.13; Abernathy, \$6,328.29; Earth, \$3,161.67; Littlefield, \$19,008.39; Memphis, \$9,633.52; Olton, \$5,038.33 and Spearman, \$14,621.66.

Muleshoe has included the sales tax receipts in various improvement programs and expansion projects.

#### Golf Lecture Scheduled For March 6

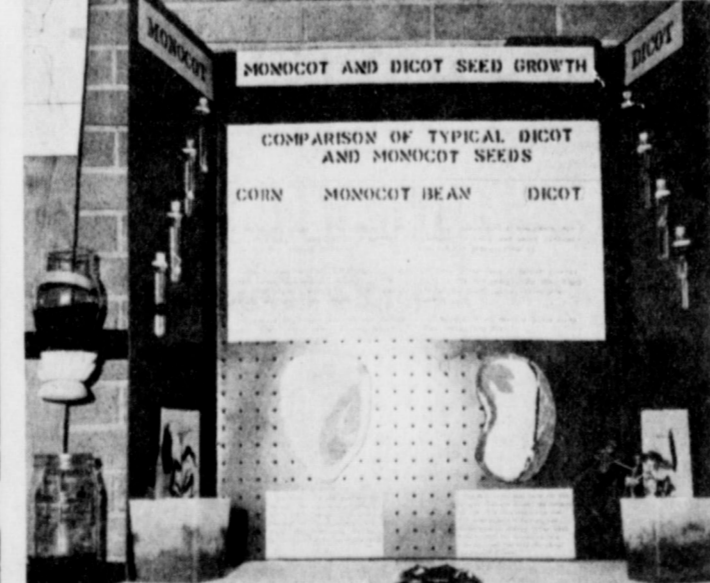

Muleshoe Country Club Golf Pro Jerry Mobley has announced a lecture to be held at the country club on Friday, March 6.

He said he will lecture on the new 'Modern Golf Swing or Square to Square Swing,' at the club at 8 p.m.

There will be no charge for the lecture and Mobley said all interested golfers and other individuals are invited to attend.

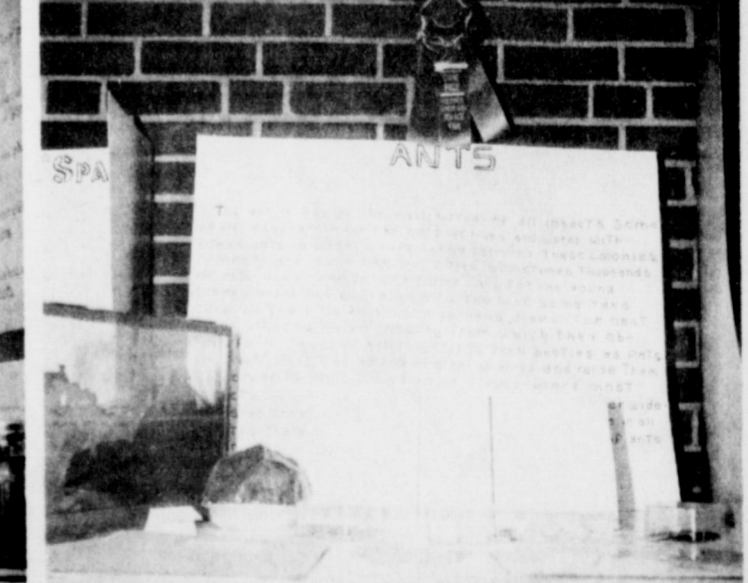

HIGH SCHOOL SCIENCE DISPLAY--Brent Blackman poses by his scientific display in his classroom of Muleshoe High School Monday. The science displays were shown in conjunction with Texas Public School Week.

MJHS SCIENCE FAIR WINNER--Larry Parker, sixth grader at Muleshoe Junior High School was grand prize winner at the MJHS Science Fair with this display of 'Monocot and Dicot Seed Growth.'

THE BALANCE OF NATURE--Deborah Burchel was seventh grade's top prize winner in the junior high school science fair this week with her display of the balance of nature.

EIGHTH GRADE SCIENCE FAIR TOP WIN--In a coordinated effort, brothers Clifton and Richard Myers, won the grand prize ribbon in the eighth grade display at the MJHS Science Fair.

4-H AWARD PRESENTED--A.H. Hare, left, representative of the Shaw-Barton Company, presented a 4-H award to Buck Johnson for his contributions to the 4-H program in Bailey County. Bailey County Agent J.K. Adams, right, looks on at the presentation.

### Lazbuddie News

Mrs. Richard Engelking

Mrs. Jack Smith recently returned from a two-week stay with her daughter and family, Beverley and Billy Adkins of Chickasha, Oklahoma. Lillian kept the baby while Beverly attended school. Also while there, Mrs. Smith had a most delightful experience at the Jane Brooks School for Deaf. She was visiting with Donna McBroom young daughter of Mr. and Mrs. Everitt McBroom former student of Lazbuddie Schools and more recently of Friona. She reported a most enlightening experience with the wonderful work being done there and the friendly atmosphere of the school and was so thrilled with Donna being so happy and well. Mrs. Marshall Williams won the big door prize at the annual Coop meeting Saturday. A nice Sunbeam Mixmaster was her reward. Riley Goodnaugh also was reported to have won a prize.

With the warmer weather of late, it sure is easy to get the fishing fever. Those lucky people who have been casting their lures at Falcon are the John Littlefields, and Owen Broyles.

Jack Finley Smith, eighth grader and son of the Jack Smiths, had the misfortune of being under a rotary-type plow Sunday afternoon when it decided to fall. He finally managed to free himself by prying with a fence post and was lucky not to have suffered serious injury. Just a small fracture and bruises.

A come and go shower was held at Mrs. Junior Don Galloway's Friday morning to get acquainted with Joe Bob, the new son of Bobby and Jane Blackburn. Little Dana Blackburn's big blue eyes are even brighter these days with the arrival of her new brother.

Lazbuddie Young Homemakers met Thursday at 3 at the School Home Economics classroom.

Most reports from the group who toured the Bahamas have been good. An enjoyable time was had especially on the ship going over which held over 1500 people. An election for King and Queen was held by each person placing their name in a hat and who would be the lucky girl! None other than Mrs. Chuck Smith former Lazbuddie Resident and knowing Janell, I bet she was Queen of a ball even if her escort was a not so very young gentleman.

Most of you will remember old Haunz Smith the beloved dog of the Jack Smiths, who caught the worst end of an affair with a much larger dog as was re-

### Veterans Take Educational Opportunities

The Veterans Administration reported today that some 6,100 wives and widows of veterans and servicemen are taking advantage of educational assistance. Administrator of Veterans Affairs Donald E. Johnson said certain wives and widows became eligible for benefits under the law when it became effective December 1, 1968. The law makes educational assistance available to wives or widows of veterans with service-connected total and permanent disabilities, and widows of veterans or servicemen who die of service-connected causes. Also eligible are wives or widows of veterans who die of non-service-connected causes while totally and permanently disabled. In addition, the law covers children of such veterans and servicemen. Johnson also reported that one trainee in six was under 25 years of age when she entered training.

The VA chief added that more than half of the wives and widows trainees, about 54 percent, pursued their education in college, while about one in 12, just over eight percent, studied in graduate schools. Almost half of the college trainees, 48 percent, were enrolled on a part-time basis, while just over 85 percent of those studying below college level did so on a full-time basis, Johnson said.

He urged persons interested in applying for such benefits to contact their nearest regional VA office.

# "Welcome, Michael"

The guest of honor behaved beautifully, either yawned or just watched the guests through sleep sealed lids, at the "Welcome Michael" party Saturday afternoon in the home of Mrs. J.A. Nickels.

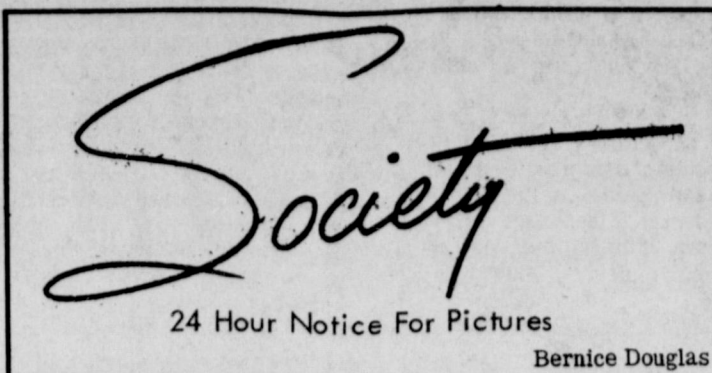

Mrs. Joe Putman, Michael

month old son of Mr. and Mrs. Joe Putman of Houston, and his mother were honorees at a baby shower where nothing pink was in sight.

Mrs. Freddy Parkman of Three Way and Mrs. Jerry Bruns of Lubbock presided at the serving table which was covered with an ecru lace cloth and decorated with an arrangement of blue carnations, yellow jonquils and ferns. Yellow china and crystal were used in serving coffee, punch and an assortment of cakes.

Hostesses for the occasion were Mrs. E.T. Ford, Mrs. Jack Little, Mrs. Houston Hart, Mrs. Jerry Bruns, Mrs. W.Q. Casey and Mrs. J.A. Nickels. Joining the hostesses in a gift of a \$50.00 savings bond were Mrs. A.R. McGuire, Mrs. Doyce Turner, Mrs. Gene McGuire and Mrs. Bruce Little. Mrs. Putman and infant son are visiting her parents, the Horace Huttons, and her husband's parents, Dr. and Mrs. B.R. Putman. The husband and father is attending Optometry School at Houston.

## Play Cast Kidnapped For Breakfast

The cast of the MHS Speech Class contest play received the well known 'rude awakening' Saturday morning when they were kidnapped by Martha Jane Chapman (also a member of the cast) and by Kerry Moore, their teacher and director.

Taken to the home of the Joe Harbins where Mrs. Harbin and daughter Betty were waiting with "mountains of food", they were served and served and served, a la carte.

Attending were Sam Feagly, Leland Ferris, Steve Woodard, Jim Mardis, Lee Ann Cole, Nora Webb, Donna Woodard, Martha Jane Chapman and Kerry Moore. Delton Bass and Joe Duke, also members of the cast, were unable to attend.

## Progressive Dinner Honors ESA Rushees

The second rush function of the season of Epsilon Sigma Alpha Sorority, a progressive dinner, was held Friday evening, February 27.

The members and guests met first at the home of Mr. and Mrs. Charles King, 1713 West Avenue H, for hors d'oeuvres. Decorating motif for the dinner was Italian at each of the three homes, with red-and-white-checked tablecloths and Italian melted candles being used.

The main course was served at the home of Mr. and Mrs. Jerry Hutton, a spaghetti supper. Dessert was served at the Mac Brown's.

Members attending were Mr. and Mrs. Mac Brown, Mr. and Mrs. Jerry Hutton, Mr. and Mrs. John Gentry, Mr. and Mrs. Kenneth Lowe, Mr. and Mrs. Glenn Bull, Mr. and Mrs. Eugene Howard, Mr. and Mrs. Charles King, Mr. and Mrs. Jim Young, Mr. and Mrs. Jack Rennels, Mr. and Mrs. Cecil Campbell.

Rushees and other guests attending were Mr. and Mrs. Ronnie Johnson, Mr. and Mrs. Darrell Mason, Mr. and Mrs. Don Sanderson, Mrs. Marcia Gragg, Smitty Aylesworth, and Mrs. Cooper Young.

The next rush function is to be a 'Model Business meeting'.

## DeShazo P-TA Honors Mrs. Obenhaus

Mrs. Mary Obenhaus, an elementary teacher with 20 years experience in Circleback, Baileyboro and Muleshoe schools, was accorded the highest honor the Texas Congress of Parents and Teachers can give at the March 2 meeting of DeShazo P-TA.

Making the Life Membership presentation was Mrs. John Watson, curriculum director for the Muleshoe schools, who designated Mrs. Obenhaus as a 'master teacher'.

Mrs. Obenhaus is a graduate of Sudan High School, Wayland Baptist Junior College, with both B.S. and M. Ed. degrees from West Texas State University.

An active member of NEA, TSTA, CTA and P-TA, she has served as president of the Bailey County TSTA, vice-president of the Muleshoe TSTA, president of the Muleshoe CTA, and secretary of the P-TA.

She is also a member of the Delta Kappa Gamma Society, and has served on various committees in all of the professional organizations. She is a past president of the Kappa Kappa Iota Sorority.

The honored recipient is a member of Muleshoe First Baptist Church, where she is very active in the program of the Church. She teaches a Sunday School Class of adult women and serves on the Advisory Committee of the Good Will Kindergarten.

In addition to giving generously of her time and talent in service to her school, church and community, she finds time to read and keep current in her field of teaching.

Her 'leisure time' activities are sewing for herself and cooking for her husband, Jack Obenhaus. Mr. Obenhaus is a farmer.

Mrs. Watson concluded her tribute to the educator by saying, "Dedicated, dependable, interested, well-groomed, friendly, helpful and respected describe this leader".

Girl Scouts of the United States of America is the largest voluntary organization for girls in the world. Current membership is approximately four million.

The serving table was covered with a white cloth and decorated with a bouquet of white daisies in a tall crystal vase. A large yellow cake which was inscribed "Elaine and Emilio" in green. Cookies decorated in green or yellow were served with the cake and punch.

Assisting in the serving were Mrs. Jesse Bustamante, Mrs. Stella Torres, Mrs. Susie Rodriguez, Mrs. Juanita Florez, and Mrs. Betty Regina. The hostesses presented the honoree with a gift of money and a set of china. She in turn tossed a wrapped package to the group of hostesses and it was caught by Mrs. Frank Hernandez.

Hostesses were Mrs. Frank Hernandez, Mrs. Pete Lucero, Mrs. Leo Chavez, Mrs. Raoul Gonzalez, Mrs. Susie Rodriguez, Mrs. Estella Torrez, Mrs. Jesse Bustamante, Mrs. Inez Flores, Mrs. Tim Alfors, Mrs. Mike Perez, Jr., Mrs. Juanita Flores, Mrs. Filberta DeLeon, Mrs. Luis Ellizarraz, Mrs. Betty Regino, Mrs. Henry Silgueres, Mrs. Jose Elizarrarez, Mrs. Benny Baca, Mrs. Inez Lozano, Miss Linda Lopez, Miss Noelia Orazco and two special guests, Mrs. Theresa...

## Smoking, Emphysema P-TA Study

A manikin puffing clouds of smoke was an effective and thought-provoking means of gaining the attention of those attending the Monday afternoon meeting of DeShazo Parent-Teacher Association.

Mrs. Joyce Burkholder, program assistant of Texas Tuberculosis Association, Lubbock, presented a very interesting and informative program on smoking and emphysema.

The smoking manikin demonstrated how tar and nicotine collect on the lungs, which in this case was a jar. She then showed a film, "A Breath of Air", which shows how smoking injures the lungs. The film brought out the fact that a few years ago 40 percent of the physicians of the country did not smoke now over 70 percent do not smoke as they see in X-rays what smoking does to the lungs of their patients. The film ended with a self-examining question, "You have a choice to smoke or not to smoke- what will it be?"

Mrs. Josephine Mitchell's first grade music class sang three songs. Sandra Faver, daughter of Mr. and Mrs. Creston Faver, led the pledge to the Flag. A slate of officers was presented for the 1970-71 year. Elected were: Mrs. Kenneth Stice, president; Mrs. Derrell Nowell, first vice president; Mrs. Delores Orazco, second vice president; Mrs. Lee Roy Hughes, secretary; Mrs. Robert Hunt, treasurer; Mrs. Butch Vandiver, historian.

Mrs. Mary B. Obenhaus was presented a Life Membership by Mrs. John Watson.

A \$5.00 contribution was given to the West Texas Tuberculosis Association.

Room count was won by Mrs. Radie Burleson's room, with 48 percent of the parents attending.

This is not only Public School Week, but Teacher Appreciation Week. To show appreciation to all personnel in the school, the mothers will bake a cake for each one some time in Public School Week, March 2-5.

### Women Attend Board Meet

Mrs. C.J. Feagley and Mrs. Rudolph Moraw attended the Levelland Deanery Council of Catholic Women's Board meeting held February 26 in the Pep Parish Hall, with 24 women and four priests present.

Plans were made for the 1970 Spring Deanery to be held April 14 in St. Ann's Parish Hall in Morton. Mrs. Feagley was appointed to head the budget committee for the meeting.

Possible workshops for the meeting are "Social Liturgy," which would include discussions of new funeral rites, new baptismal rites and new marriage rites.

The Muleshoe Church is to furnish coffee and doughnuts for the meeting.

A slate of officers to be presented at the April 14 meeting are: Mrs. Joe Prado Jr. of Levelland; Mrs. Robert Martinez, of Littlefield, first vice president; Mrs. Walter Gerik of Pep, second vice president; Mrs. Carl Shamburger, of Levelland, secretary; Mrs. Billy Gerik of Pep, treasurer; Mrs. Robert Greener of Morton, parliamentarian; Mrs. Joe Camarillo of Earth, historian; Mrs. Frank Sinnacher of Pep, publicity.

### Girl Scout Cookie Sale Continues To March 12

Probably you've already determined that those little green-clad and brown clad creatures which have invaded your neighborhood in droves aren't from outer space. They're more concerned with inner space, namely filling you, your family and friends up with more and more and more Girl Scout Cookies. And probably with their winsome little girl ways, they've succeeded in selling you a stack of boxes containing mints, butter cookies, etc. Well, what are you going to do with all of them?

The easiest way is to eat them right from the box; but if you're more ambitious these scouts have some new suggestions this year. You can change "that's the way the cookie crumbles" from a sad resignation to a happy acknowledgment of better desserts to come. Crumble them, crush them, roll them or do what you will to turn them into crumbs. Then incorporate them into your choice of these homemade goodies. And, all the while keep in mind that you've contributed to maintenance and enlargement of Girl Scout camping facilities. Remember, "it's great camps from little cookies grow". Great desserts grow from the

same cookies, crumbles, that is.

Recipes for Girl Scout cookies, from Southern Biscuit Company General suggestions: The butter flavored shorties can be crushed and mixed with shortening to make wholesome and delicious pastry for pies such as custard, lemon, butterscotch, chocolate cream, etc. These Girl Scout cookies may, also, be used to line a mold to be filled with your favorite gelatin desserts. The cookies are very good if topped with a marshmallow and dot of butter and browned quickly under a broiler.

Turn a 22-ounce can of cherry pie filling into 9-inch pie plate. Press 6 to 8 butter flavored shorties lightly into surface. Heat in 400 degree oven until bubbling, 15 minutes. Spoon into dessert dishes, with cookies on top of each serving. Serve gelatin, three tablespoons cold water, one cup whipping cream, 12 stewed apricot halves. Soften gelatin in cold water; add to hot syrup and stir until dissolved. Cool and chill. When slightly jellied and beginning to set, whip until light and fluffy. Fold in crumbled cookies and whipped cream. Place the apricot halves in bottom of mold

and stand butter flavored shorties around the edge. Pour in gelatin mixture and chill until firm.

\*\*\*\*\*  
COOKIE SOUFFLE--Using butter flavored shorties, one cup scalded milk, 12 cookies--broken, four egg yolks, 1/2 tsp. vanilla, four egg whites, pinch of salt, Pour milk over cookies, add well beaten yolks, and cook in a double boiler until thick. Cool. Add vanilla and stiffly beaten whites and salt. Put in a pudding dish in pan of warm water to bake for 35 minutes at 325 degrees. May be served with chocolate sauce.

\*\*\*\*\*  
MINT ICE CREAM--One can condensed milk (sweet), one pint cream (two jars), 12-20 chocolate mint cookies--thoroughly chilled to make brittle. Whip cream and add condensed milk slowly mixing well. Put mints in a paper bag or between two sheets of heavy oil paper and roll to crumbs. Stir these into the cream and pour into the tray of electric refrigerator. When practically frozen, remove from refrigerator and stir once more.

\*\*\*\*\*  
DATE AND NUT ROLL--Using Butter Flavored Cookies. One dozen Girl Scout cookies--broken, but not too fine, 3/4 cup chopped dates, 14 marshmallows - cut up, one cup chopped nuts, 1/2 cup whipped cream. Combine the above--saving 1/2 cup crumbs, mix well and roll up with 1/2 cup crumbs on the outside. Wrap in waxed paper and put in refrigerator at least 5 hours. Cut in slices and top with whipped cream.

\*\*\*\*\*  
MINTE BROWNIE PIE--14 chocolate mint cookies, three egg whites, dash of salt, 3/4 cup sugar, 1/2 tsp. vanilla, 1/2 cup chopped nut meats, sweetened whipped cream (1/2 to one cup heavy cream). Chill cookies in refrigerator a few minutes, if they have been stored in warm places and frosting is slightly sticky. Break, cut or roll between fold of waxed paper to even crumbs. Beat egg whites and salt together until soft peaks form. Gradually beat in sugar, warm with cream. Makes four to six servings. Koko cookies are delicious with peach or pineapple pie fillings.

\*\*\*\*\*  
APRICOT WHIP - Using stewed dried fruit sweetened to taste, 1/2 tablespoon plain beating until stiff peaks form. Beat in vanilla. Fold in crumbs and chopped nut meats. Spread evenly in buttered 9-inch pie plate. Bake in slow oven, 325 degree F, 35 minutes. Cool thoroughly. Serve with sweetened whipped cream on top, chill 3 to 4 hours and garnish with curls of shaved unsweetened chocolate.

\*\*\*\*\*  
HEAVENLY COOKIE CREAM 10 Girl Scout butter or peanut butter sandwich cookies, plus extra cookies, one cup well drained crushed pineapple, 1/2 cup chopped dates or drained marshmallows, 1/2 cup chopped nut meats, one cup heavy cream or one package dessert topping mix, one tsp. vanilla, 1/2 ts. lemon flavoring. Roll the 10 cookies between a fold of waxed paper or even crumbs (cream filling mixes with crumbs). Combine with fruits and nuts. Whip cream or prepare dessert topping mix as directed on package. Fold in flavorings and crumb mixture. Chill. Spoon into dessert dishes. Set a vanilla or chocolate sandwich cookie on edge into each serving with insignia and "GS" letters in full view.

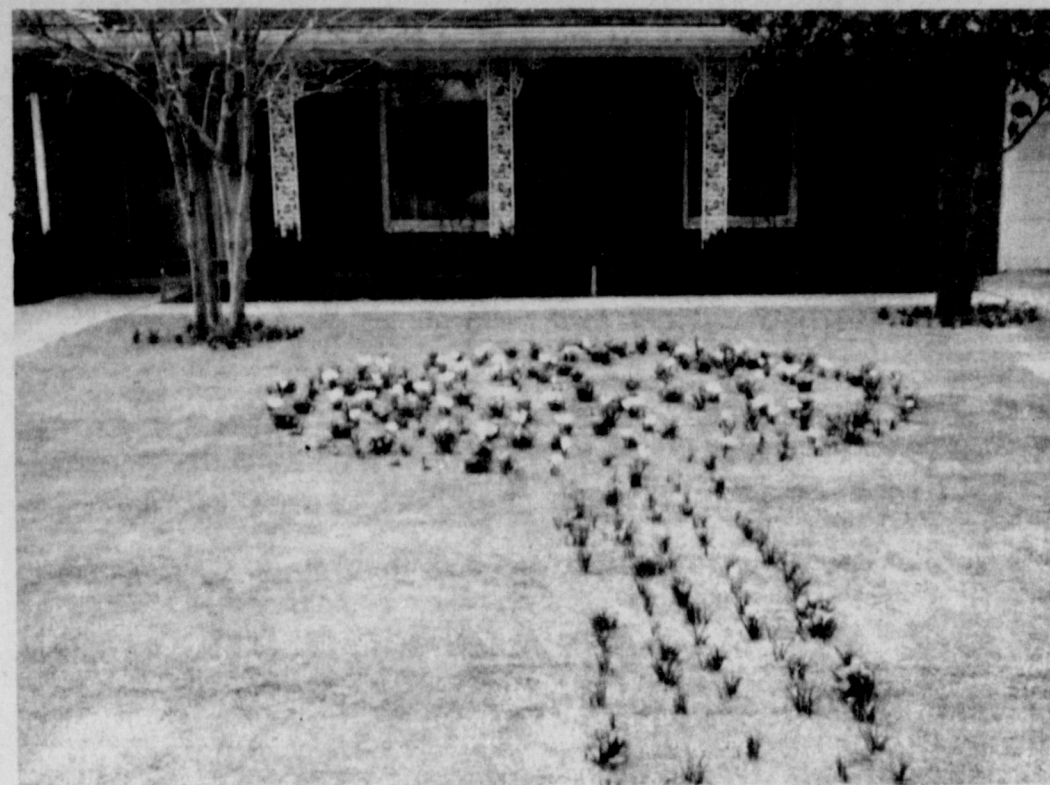

\*\*\*\*\*  
CHOCOLATE CREAM ICE BOX CAKE--One cup heavy cream, 1/4 cup sugar, 1/2 cup instant sweet cocoa mix or 1/4 cup cocoa and 1/4 cup sugar, dash of salt, 1/2 teaspoon vanilla, 12 butter flavored cookies. Whip cream mixed with cocoa mix or cocoa and sugar, salt and vanilla until thick. Spread some of the mixture on each cookie and put them together in a stack or roll, placing it on a platter or refrigerator dish. Frost outside with remaining chocolate cream. Store in refrigerator eight hours or overnight, then cut in diagonal slices about one inch thick. For mocha roll, add one to two teaspoons instant coffee to the cream mixture. Serve with chocolate sauce. A good variation is to use plain sweetened whipped cream and when ready to serve, add a sauce of sliced strawberries.

\*\*\*\*\*  
TANGERINE SNOWBALLS--One package butter flavored shorties, one cup cookie coconut, 2/3 cup sifted powdered sugar, 1/2 cup softened frozen concentrate for tangerine juice. Mix cookie crumbs, coconut and powdered sugar in medium size bowl. Stir in juice till well blended. Roll mixture a teaspoon at a time into balls between palms of hands. Roll each in more powdered sugar in pie plate to coat. Keep in airtight container. You could also use orange juice or lemonade. Makes 3-1/2 dozen balls.

\*\*\*\*\*  
Opinions are necessary, but you don't have to make other people agree with your's.

HELLO, SPRING--The array of crocuses in Easter-egg colors of purple, yellow and white in the lawn of the Elbert Nowells, 1525 West Avenue C, is a delight each Spring. Mr. Nowell plans to plant even more next year since they are beginning to die out.

### In Fashion

Knitted cotton is used for many of the new dresses in colorful prints. The print may be of circles or geometric figures or it may be bunches of tiny grapes or flowers. Long sleeves are good.

Some of these knitted garments are of the two piece variety. The blouses are usually quite long, reaching within a few inches of the skirt's hem.

Ideal for the traveller is the jersey evening dress. It is easy to pack and takes up very little room.

Some of the newest knitted suits have the look of being hand knitted. These suits are being put out by subsidiary companies of very expensive houses.

## Ask Amy

BY AMY ADAMS

### HIPPIE WIFE HAVING HER HEYDAY

Dear Amy:

Not too long ago my daughter (one of today's young intellectuals with a Masters Degree) married a young, brilliant lawyer. Needless to say, I breathed a sigh of relief and comforted myself in the knowledge that at last she would settle down and put aside her notions and ideas which have had me unsettled for 4 years.

Unfortunately though, she has influenced her husband, and in 4 short months, he has developed a split personality. By day he is a commanding legal personality in his firm, but by night, he changes to hippie-style clothes and frequents all the odd-ball places in his town. Even in our conversations I have noticed that the rationale of the anti-establishment group has crept into his thinking and I wonder what detrimental effect this will have on his practice and more important, his goals in life.

Instead of joining his circle of peers and helping him in making a name for himself by being active in those areas that would be most beneficial to him, she has become a nagging influence - and he is following. I feel it is unfair to this young man, but I am powerless to do anything. Have you any suggestions?

Her Father

Dear Father: If your son-in-law is a social idiot, your daughter has found a lifetime mate. But I doubt it. He may find her exciting and unusual for a while, but a young man with his intelligence bound to wake up in which case your "little red wagon" will have to conform or you will have to put out the welcome mat.

Dear Amy:

I have a boyfriend and a girlfriend and they are both brother and sister. When I visit their house which is a considerable distance away, my girlfriend wants me to go for a walk with her, but my boyfriend wants me to stay with him.

If I please one, the other feels hurt. The same thing happens when they visit their aunt next door to me. I do not know what to do to keep peace with them.

Nancy

Dear Nancy: People who really care about you would put their own feelings and desires aside to keep everyone happy rather than just themselves. Since whatever you do to please them, displeases, do what makes you happy.

Dear Amy:

I've got more than one problem. First: What can I do with a mother who works like a man and not like a woman? She goes out and builds a barn for our cow that is supposed to have her calf today or tomorrow. (We live on a farm.) Then she's going to work on our house that's half started. Meanwhile, I get to do all the washing, cooking and cleaning. I don't mind for a little while, but every day. Light

Got any suggestions?

Second: There's this guy next door. He's 15 (I'm 14) and he's got a crush on me something awful. He's okay for a friend but not a boyfriend - at least not for me. To put it bluntly, how can I tell him to flake off and keep a neighborly friendship?

Third: Since I live on a farm, I do lots of work. A person naturally develops muscles tossing hay, chasing goats, climbing hills and rot like that. Therefore some of my girlfriends use me as a "threat" such as: "You touch me and I'll have Donna pound on you". Consequently I'm a big, bad wolf and kids are afraid to be friends with me even though I'm only 5 feet tall.

I'm sick of being a tiger.

Donna Chapman

Dear Donna:

There's not too much you can do with your mother. She either likes what she is doing or she has to like what she's doing because she can't get anybody else to do it. By the way, where's your father?

The boy next door: If you really don't like him, tell him exactly what you told me... that is if you're sure that in a few months from now you won't change your mind.

You may have developed some pretty good looking muscles tossing that hay around, but you have to learn how to separate your work life from your social life, and you must advise your friends that while you may be very strong around the farm, you are very much a girl and you want to be treated as such.

Address all letters to: AMY ADAMS c/o THIS NEWSPAPER For a personal reply enclose a stamped, self-addressed envelope.

Austin, Tex.--Top Texas officials have agreed on general outlines of a plan to combat the rising problem of drug abuse. Gov. Preston Smith, Lt. Gov. Ben Brnes, Atty. Gen Crawford C. Martin and House Speaker Gus Mutscher are united in a statewide concentration of effort. Plan was announced after a meeting of the four in Smith's office last week. Texas Justice Council will serve as coordinator.

Coordinated law enforcement action will first be called on to try and dry up the sources of dangerous drugs.

Top priority is given a "total education" campaign for youth, adults, teachers and law enforcement personnel on drug dangers and possible solutions to the problem.

Task forces will be named to develop effective concepts and action programs in enforcement and education.

Leaders agreed on this immediate action program:

- \*One-day seminars for Texas' law officers and prosecutors.
- \*Exchange of vital information with Mexico.
- \*Assistance through the Justice Council to implement school education.
- \*Review of successful narcotics programs in other states.
- \*Greater assistance to local enforcement and prosecuting agencies in evidence analysis.
- \*Gathering of statistics in major cities on drug-related crime.
- \*Creation of a model drug information office.

Narcotics strike forces will include local, state and federal personnel, military manpower and use of helicopter patrols along the Rio Grande.

Another task force will attempt to explore causes of drug use and to evaluate proposed research and rehabilitation programs as well as to implement educational programs in schools.

State officials will meet here March 13 with aids to U.S. Atty. Gen. John Mitchell. They will explore federal support possible under remedial programs and the uniform controlled dangerous substances

act now before congress. TOLL ROADS PROPOSED

In a surprise session with the State Highway Commission, Texas Turnpike Authority proposed that preliminary studies be made for the development of a massive toll road network estimated to cost more than \$135 million.

Last year the Legislature authorized the agency, subject to the Highway Department's permission, to spend money for investigating the feasibility of additional pay-road projects.

Turnpike Authority asked the Commission to let it make exploratory studies of the following projects:

\*An 83-mile, \$50 million mid-Texas turnpike from Hillsboro to Interstate 45 near Centerville, to provide a direct freeway from Dallas-Fort Worth to Houston-Beaumont areas.

\*A 20-mile, \$40 million Dallas-Fort Worth-Trinity turnpike connecting Dallas and Fort Worth parallel to the present turnpike by way of the projected Greater Southwest International airport between the two cities.

\*An 8.8 mile, \$18 million airport tollway connecting LBJ Freeway in Dallas to the new airport estimated for completion in 1973.

\*A \$20 million toll road in San Antonio to follow the route of long-delayed U.S. 281 North Expressway.

\*A 1.2 mile, \$7 million toll bridge across Mountain Creek Lake in Dallas County connecting the Oak Cliff and Arlington areas.

\*A turnpike from downtown Houston to Intercontinental Airport and possibly follow where reasonable promise is shown for the projects.

WELFARE CRISIS AVERTED  
Welfare Board cancelled its April 1 cuts in aid to needy families and medical assistance after Governor Smith ordered \$13.5 million in medical school building funds shifted to welfare.

Deputy Welfare Commissioner Herbert Wilson said the fund transfusion will run programs at present levels through August and maybe longer.

Cuts of 12 per cent in Aid to Families With Dependent Children and 20 per cent in Medicaid had been ordered for April 1. In ordering the transfer to make this reduction unnecessary, Smith also directed strengthening of the welfare program administration and a step-up in rehabilitation efforts.

#### APPOINTMENTS

Lieutenant Governor Ben Barnes has been named to the advisory committee on National Assessment of Education Progress and to a 10-member task force to recommend a national policy on student financial aids.

Antonio E. Alagna of San Antonio is the new export consultant for the Texas Industrial Commission.

ATTORNEY GENERAL RULES  
Fraternal and veterans organizations operating clubs and serving alcoholic beverages are subject to sales tax as ultimate consumers for mix, beverage, ice or set-ups, says Attorney General Martin in a new opinion. However, Martin said, the "makings" are not subject to further sales tax when incorporated into alcoholic beverage served to guests and members.

In other recent opinions, Martin concluded that:  
\*Amarillo Mayor J. Ernest Stroud did not automatically resign as mayor when he announced his candidacy for Randall County Judge.

\*Alcoholic Beverage Commission does not have authority to construct a revenue station at Eagle Pass from appropriated funds.

\*Board of Insurance is authorized to permit continuance of above-ground storage tanks for flammable liquids at retail service stations where they were in service prior to last September 1 and where they

conform to safety standards.

\*County Commissioners have no authority to budget an amount for the current year which exceeds the county auditor's anticipated revenue.

#### RETROACTIVE PAYMENTS MADE

A total of 131 persons received \$53,811 in retroactive welfare payments under terms of a San Antonio federal court order invalidating the one-year state residence requirement.

Since last October, the welfare department has been trying to locate 414 who might have been eligible. Payments went to these categories:

--Aid of Families with Dependent Children--\$48,097 to 112 persons.

--Aid to Disabled--\$832 to three.

--Old Age Assistance--\$4,882 to 16.

#### SHORT SNORTS

Governor Smith proposed a complete review of the \$10 billion Texas Water Plan which Texas voters turned down last year, to see if any more water supplies can be developed in Texas before seeking imported water.

Texas Highway Department reminds that March 31 is deadline to renew boat registrations.

Board of Mental Health and Mental Retardation authorized nearly \$1.8 million for repairs and new construction at Big Spring, Terrell, Vernon, Abilene, Austin, Lufkin, and San Angelo facilities, approved adolescent mental health units for Austin and Terrell hospital, and accepted more than \$500,000 in grants for mentally ill and retarded care.

A \$46,500 grant to Texas Department of Health will help develop emergency medical service and communications to summon quick aid to traffic accidents.

Governor's Committee on Aging approved grants totaling \$216,449 for projects in San Antonio, Wichita Falls, Smithville, Waco, Stephenville, Eagle Pass and Franklin.

Sixteen of the 175 known water users on the Rio Grande from Amistad Dam to Falcon Reservoir have failed to file their water claims by the adjudication date and thus become first to have their water rights adjudicated.

## Apply Terraclor Super-X

### the first time you plant cotton.

Think for a minute what it costs to replant an acre of cotton that doesn't make a stand. There's the cost of seed, fertilizer, herbicides, insecticides, equipment, operators and the precious time. Multiply that by the number of acres you could lose to seed and seedling disease.

Now think about Terraclor Super-X Soil Fungicide. It could very well eliminate replanting. Here's why: Terraclor Super-X is a combination of two Olin discoveries that effectively control the fungi that cause cotton seedling disease.

How important is this to you? The regional Cotton Disease Council reports that losses average \$60,000,000 a year to seedling diseases alone.

Terraclor Super-X is applied while you plant. Your cotton seed is surrounded by protection in the furrow, where it counts. As the seed germinates and the seedling emerges, the fungi that kill un-

protected plants are held off by Terraclor Super-X. You get a healthy, vigorous stand from only one planting.

About seed treatments: They are great... as far as they go. But seed treatment protection lasts only until the seed coat opens and the seedling grows into untreated soil. That's when you need Terraclor Super-X in the furrow.

Terraclor Super-X is available from your Olin dealer in three formulations: granular, liquid and dust. A special formulation is available with a quality soil systemic insecticide impregnated in the granules for combination fungus and insect control.

If you don't know your local Olin dealer, write to Terraclor Super-X, P. O. Box 991, Little Rock, Ark. 72203 for his name.

You ought to get to know him. He can help you get a good stand from only one planting. That's one good reason he is known as **the rare bird in the business.**

## John Tower United States Senate COMMITTEE ON ARMED SERVICES

As many of you may know I  
 recently participated in a semi-  
 nar on Western European De-  
 fense which was held in Munich,  
 Germany. I was one of four  
 Members of Congress attending  
 the conference and delivered a  
 paper for our delegation, and as  
 a member of the Senate Armed  
 Services Committee, I am hope-  
 ful that my views as a commit-  
 tee member were helpful in  
 explaining to the Western  
 Europeans in attendance the  
 general attitudes of our people  
 toward the need for Western  
 Europe defense.

I would like to take this op-  
 portunity to share with you  
 some of the thoughts I pre-  
 sented at the conference, and  
 also to convey some of the in-  
 sights I gained from listening  
 to the European representa-  
 tives.

I told the conference repre-  
 sentatives first that our national  
 leadership still believes, as I  
 do, that any sign of weak-  
 ness on our part, any attempt  
 at appeasement, any diminution  
 of our resolve will be viewed  
 with contempt by the Soviets  
 and will be exploited by them.  
 It is therefore imperative that  
 we maintain a military posture  
 not of partly, but of unquestioned  
 superiority.

To achieve a secure and pro-  
 gressive world, there must be  
 at least four spheres of in-  
 fluence. In addition to a Soviet  
 sphere and an American sphere,  
 there must be a Western Euro-  
 pean sphere dominated by the  
 collective powers of Western  
 Europe, and an Asian sphere  
 dominated, in the near future,  
 by Japan. Mainland China will  
 be unable to play the dominat-  
 ing role in Asia because the  
 nation's leadership has col-  
 lapsed the economy of that coun-  
 try and continues to think in  
 irrational and introspective  
 terms.

Turning to our attitude to-  
 ward Europe and the future of  
 our force commitments there,  
 I noted several instances which  
 have evidenced our continuing  
 interest in Western European  
 defense.

I noted that President Nixon's  
 first trip after his election was  
 to Europe and that he stressed  
 the need to maintain an ade-  
 quate deterrent there.

Only last December, Defense  
 Secretary Laird said that a  
 strategic review showed that the  
 United States commitment to  
 Europe must remain as firm as  
 it has been in the past and that  
 the security of the NATO allies  
 is indivisible from the security  
 of the United States.

Much of the criticism which  
 has come from our present  
 force posture in Europe has not  
 been based on any belief that  
 American interests can be se-  
 vered from those of Western  
 Europe. Instead this criticism  
 has been based on a belief that  
 we are bearing a disproportio-  
 nate share of NATO's defense  
 burden.

I can agree with that belief,  
 Our European Allies can do  
 more multilaterally to demon-  
 strate the solidarity of Western  
 Europe's defense commitments,  
 and I told those at the confer-  
 ence as much.

The Europeans are concerned  
 about efforts in Congress to re-  
 duce our troop strength in  
 Europe. Those supporting these  
 efforts believe that a substan-  
 tial reduction of permanently  
 stationed United States forces  
 can be made because of our  
 vast increase in capacity to  
 move military forces and equip-  
 ment by air. This is true to a  
 certain extent, but I continue  
 to believe that deterrence to  
 aggression is best achieved by  
 having sufficient forces on hand.

Our interest in a continued  
 strong European defense capa-  
 bility is evidenced by the fact  
 that we have made, and are  
 continuing to make, significant  
 qualitative improvements by  
 providing more sophisticated  
 equipment and weaponry to  
 Western European defense.

To me, these actions are firm  
 evidence of our commitment  
 and they speak with authority.  
 At the same time, we have a  
 right to expect our European  
 allies to do more and to ac-  
 cept a greater financial share  
 of the European defense burden.

I asked the Europeans to find  
 ways to offset the United States  
 balance of payments deficits  
 so that this can be removed as  
 an argument for additional dual  
 basing of forces. I asked them  
 to look to their own standards  
 of readiness and seek improve-  
 ment in their own existing ac-  
 tive forces. I asked them to seek  
 ways of reducing our overhead  
 costs by such actions as re-  
 ducing airport taxes and cost of  
 our leased facilities.

I found that our European  
 friends are very much in-  
 terested in the United States re-  
 maining a vital part of the de-  
 fense of Western Europe.

In my own estimation, there  
 is no political substitutes for  
 the American presence in Wes-

tern Europe. Very often,  
 political considerations out-  
 weigh military considerations  
 in keeping troops stationed in  
 a particular area of the country.  
 I think particularly at a time  
 when we are entering into ne-  
 gotiations with the Soviets, we  
 had best not throw away our  
 "trump card". We had best  
 maintain forces there to  
 strengthen our hand in ne-  
 gotiations, particularly when  
 we are talking about a mutual  
 reduction of forces in Eastern  
 and Western Europe.

## Easter Seal Letters In Mail

Easter Seal Appeal letters  
 are being delivered this week  
 in Bailey County, according to  
 Jimmie Crawford, who is the  
 County Easter Seal Representa-  
 tive for the Easter Seal Socie-  
 ty for Crippled Children and  
 Adults of Texas.

As Representative, Mr.  
 Crawford serves as local con-  
 tact for disabled persons need-  
 ing Easter Seal rehabilitation  
 services and also is treasurer  
 of the Easter Seal Appeal in  
 Muleshoe.

The Easter Seal Society of-  
 fers physical and occupational  
 therapy, speech and hearing  
 programs, and special equip-  
 ment loans to enable disabled  
 persons to make the best use  
 of their abilities to overcome  
 handicaps. These services are  
 financed by the Annual Easter  
 Seal Appeal.

The Society also provided for  
 research into the causes and  
 cures of crippling conditions,  
 finances public education pro-  
 grams, and provides scholar-  
 ships for training of profes-  
 sional personnel to staff re-  
 habilitation centers.

Crawford pointed out that all  
 of these programs are impor-  
 tant if Texas is going to  
 continue to provide the best in  
 rehabilitation services for its  
 own disabled citizens.

During 1969, the Texas Eas-  
 ter Seal Society helped to pro-  
 vide treatment and services  
 to 20,378 children and adults  
 who were in need of rehabili-  
 tation services. These services  
 are available to any disabled  
 person who can benefit from  
 help provided by the Easter  
 Seal Society, he added.

The 1970 Easter Seal Cam-  
 paign will run through Easter  
 Sunday, March 29.

Crawford urged increased  
 support for the Easter Seal  
 Society and its program of ser-  
 vices to crippled children and  
 adults.

were joined Saturday night by Joe Pat Wagon, and Thurman White.

Mr. White's cabin was their party headquarters until returning to Muleshoe. Joe Pat was a spectator, his foot encased in a cast from an earlier accident.

Mr. Jimmie Cheek of Dumas was seriously injured early Friday morning, when his cattle truck overturned outside Elk City, Oklahoma. At present, he is under intensive care in Oklahoma City hospital. He and the former Bonnie Pat Angeley of Pleasant Valley have been married only a short time. With him are Mrs. Cheek, and her parents, Mr. and Mrs. E.K. Angeley, who flew from Vancouver, Wash., on receiving notice of the accident. Other relatives who went to Oklahoma City are Mrs. Cheek's brothers, Tub and Ken Angeley, and their wives. Mrs. Cheek is a niece of Mrs. Bonnie Haberer of Pleasant Valley.

Cleta Creamer Williams received word that her son, SP/5 Roger D. Williams, was wounded in Vietnam on February 22. He is hospitalized with shrapnel wounds to his

right foot and ankle. In a telegram Monday morning, the medical officer reported his condition as very good and said he is presently semi-ambulatory.

He is a crew chief on a helicopter and has been in Vietnam for slightly more than a year. He is to return to the states in September.

The Dean's Honor Roll at Sul Ross University at Alpine lists Robert Wood of Muleshoe in the top 10 percent for the fall semester.

A weather related accident occurred around 7:15 a.m. Wednesday. Lesley Earl Drake lost control of a pickup at Gibson's at 18th and American Blvd, and overturned on the slick highway. No injuries were reported from the accident. The pickup ended in the median and the school control traffic light was damaged.

City and state police reported no other weather related accidents in the area at mid-morning Wednesday. Local drivers were noted to be driving with extreme caution, although some vehicles were skidding and slipping sideways at intersections.

School was conducted as usual Wednesday and school buses made their regular rounds to pick up students in the morning. The school superintendent's office said possible other arrangements would be made if the snow continued.

No drifting was reported from anywhere in the area with Needmore reporting one and one half inches and still snowing; Circleback, two inches; Lazbuddie, one and one half inches; Progress, two inches; West Camp Grocery, one inch on ground and the Muleshoe National Wildlife Refuge, one inch.

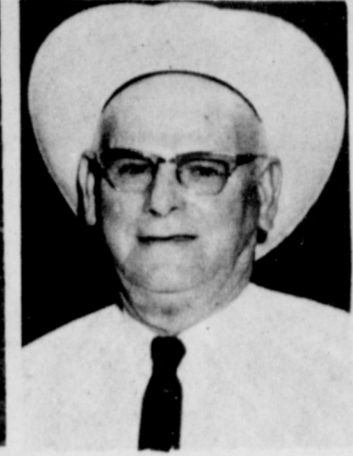

ONION PLANTS SET OUT--A worker sets out tiny onion plants in an operation begun just north of Muleshoe Monday. Field workers were busy setting out 50 acres of onions on the Dudley Malone farm just south of Cox Drive in Theatre.

George Provence

**G.S. Provence**

George S. Provence, 70, was dead on arrival at West Plains Memorial Hospital Sunday, March 8, following an apparent heart attack at his home. He had been released from the hospital a few days earlier where he had been undergoing treatment for a prior heart attack. He was born March 26, 1899, in Chapel Hill, Ark. and had lived in Bailey County since 1940, moving here from Sudan. He was a retired blacksmith and welder and for the last 10 years was a salesman for Mills Machine Shop selling farm supplies at the time of his death. He was a Baptist.

Funeral services for George S. Provence were held at 3 p.m. Wednesday, March 11, in Singleton Funeral Home Chapel of the Chimes with Royce Clay, minister of the Muleshoe Church of Christ officiating. He was assisted by Rev. Troy Walker of Amarillo. Burial was in Bailey County Memorial Park under direction of Singleton Funeral Home. Survivors include his wife, Mae; one daughter, Mrs. Travis Clements, Lubbock; one son, Phillip, Columbus, Ga.; one sister, Mrs. Lucy Nunn, Ennis; one brother, Dan Provence, Sudan and five grandchildren.

Ladies Auxiliary is to serve as the reception committee for suggestions from the townspeople for things which should be done during the Campaign, or suggestions on ways of getting help. Persons having suggestions may call the Chamber of Commerce office, Mrs. Gid Howell at Decorators 216, Miss Pat Keesee at Tri-County Savings & Loan or Mrs. Wayne Williams at Williams Bros. Office Supply.

The Girl Scouts have a plan for cleaning their own yard, after which a sign will announce "This Place Was Cleaned By a Girl Scout". They have also offered aid to the aged and will clean the yard of any aged person unable to do for themselves, if assistance is desired, call 3413.

"Muleshoe Home Demonstration Club and Friendship Club have both offered their cooperation and assistance and will be assigned a duty", said Mrs. Johnson.

Certificates of appreciation will be presented to each cooperating club by the Chamber of Commerce, Jerry Hutton was appointed to take charge of awards.

Praise was given for businesses where outside improvements are being made, including L&H Grocery and Kinard Used Cars, with the hope other businesses will follow their lead.

Jerry Hutton reported confirmation from the Governor's committee that Muleshoe has been enlisted for "Texas Communities Tomorrow" award. Committee members pledged their efforts toward this goal. Hutton remarked, "It is embarrassing to have to say, 'Mr. Industrial Prospect, don't look at this', avoiding unsightly spots.

Plans for the Campaign Kick-Off, March 20 (The First Day of Spring) were discussed, with details to be released at a later date.

The next meeting of the Clean-Up Committee is scheduled for March 16 at 8:00 p.m. in the Board Meeting Room of First National Bank.

**RAILROAD DISPUTE**  
The House considered several bills last week. Probably the most important was a resolution delaying a railroad strike for 37 days in order that labor and management can have further discussions in hopes of settling the dispute. I voted for the resolution because I do not believe the nation's economy can withstand a prolonged strike of a major industry while we are attempting to bring inflation under control.

**QUARANTINE STATION**  
I was pleased when the House adopted on a voice vote, a bill identical to one I introduced last year providing for an international quarantine station. This will hopefully lead to the improvement of livestock breeds in this country by allowing importation of livestock from other countries for cross-breeding purposes.

**HEW APPROPRIATIONS**  
By a vote of 324 to 55 the House finally adopted an HEW Appropriation Bill. The final version gives the President the authority not to spend two percent of the money appropriated. The President agreed to sign the bill because the two percent provision makes the bill less inflationary than the one he vetoed last month.

Criticism springs from two sources-intelligent disapproval and emotional reaction.

**Vehicle Inspection Deadline Near**

"With the April 15 motor vehicle inspection deadline five weeks away, only about 50 percent of the registered vehicles have been inspected," stated Captain Alan Johnson, Motor Vehicle Inspection Supervisor of the Texas Department of Public Safety.

"Unless there is a rapid increase of inspections, it appears that many vehicles will not be inspected before the April 15 deadline. Any driver operating a vehicle displaying an inspection sticker on the right-hand side of the windshield after April 15 will be operating in violation of the inspection law," Johnson added.

Johnson noted that this will be the last April 15 inspection deadline, because on September 1, 1969 the Texas Legislature adopted a year-around inspection program. Inspections will come due one year

after the current month of inspection. This will establish an anniversary month for each vehicle to be inspected and prevent the log-jam of over six-million vehicles to be inspected at one time.

The new inspection sticker will be placed on the left-hand side of the windshield. The number of the current month of inspection will appear on the sticker.

Vehicles may be inspected locally at Green Butane, Jerry's Tire Co., Muleshoe Motor Company, Plains Auto, Crow Chevrolet and Smith LPG.

**ON SEX APPEAL IN ADS**  
Rio De Janeiro--Juvenile Court Judge Alirio Cavalleri has requested that 11 advertising agencies operating in Rio de Janeiro reduce the "sex appeal" content of their layouts. A survey carried out in 23 city schools among students 13 to 17 years of age showed 70 per cent were interested in sexual problems and another 10 per cent in the use of drugs.

age converted to vegetable growing in this county will be in addition to the normal acreage devoted to vegetable growing in the past. Elliott also said the new acreages will increase the county payrolls as much of the work will be done manually. For instance, Howard Beasley of T.J. Power Company, who was in Muleshoe supervising the onion planting, commented that the field workers planting the onions would make an estimated \$40 each in planting the 50 acres, and much of the money would be spent with local merchants.

Elliott was optimistic about the potential for the vegetable industry in the area, and cited good soil and growing seasons as an added inducement for the production of fresh vegetables. Eventually, the acreages devoted to fresh vegetable production will expand and include several other varieties of vegetables, according to the MAIF chairman.

**EXPO 70**  
Washington--Expo 70 officials at Osaka will honor the more than 12 million tickets that were sold before World War II forced cancellation of the 1940 world exposition in Tokyo, the National Geographic Society reports. Japan is making every effort to insure the success of its second attempt.
