

Eldorado Turns On TD Avalanche To Crush Lions

Eagles Keep Up Full Power 48 Minutes For 40-6 Win

By Ernie Boyd

A big, fast flock of Eldorado Eagles hammered the deflated Ozona Lions with a 40 to 6 defeat in Eldorado last week to erase the 1956 Lions from the title chase.

The defeat was one of the most one sided suffered by the Lions in several years and resulted chiefly from the opponents using their first eleven all the way.

The Lion offense which has been potent most of the year was ineffective against the big fast Eagles who used the often spoken of ball control method of throttling the enemy attack.

Eldorado hammered to touchdowns on the first five times they gained possession of the ball gouging out four and five yards a play and rolling up first downs until the attack carried into the end zone.

So effectively did Eldorado control the ball that the Lions ran but seven offensive plays in the first half and one of those was a punt.

The Eagles displayed a host of fast hard hitting backs who were triggered by the fine quarterbacking of Ronnie Kerr, halfbacks, Robledo, Harris, and Sofre along with fullback Curtis Stockton all displayed speed and power in the crunching ground attack.

The Lions finally cracked into the scoring column mid-way of the fourth quarter despite the spirited efforts of the Eagles to keep them from doing so. Two passes, Sutton to Babb and one Sutton to Williams provided the score.

For the Lions on defense Jess Marley and Roy Glen Sutton were outstanding and Kent Babb and Robert Martinez played well.

Jerry Jacobs, Jake Young and Clayton Friend along with George Bunger all of whom have been regulars or at one time starters missed the game with injuries.

The first down count favored Eldorado 24 to 6 with 4 of the Lions first downs coming in the last half, three on the touchdown drive.

The Eagles gained 342 yards rushing and 60 passing on four completions out of four efforts for a total of 402 yards while the Lions gained a mere 9 yards rushing and 97 passing on six completions out of twenty tries.

The only thing the Lions had which they could be proud of was their kicking average, Sutton booted the ball four times and ended up with a 48.75 yard average per kick. Even here, though, Eldorado foiled the Lions by not kicking during the contest.

Scattered Spots Get Fine Rains From Cold Front

Ozona Registered Over An Inch; Up To 1.5 Reported

A narrow band of Crockett county ranch land benefitted from fine rains which accompanied the arrival of a cold front into the area Monday night.

Ozona registered 1.15 inches of moisture from a heavy shower, with some light hail mixed with the fall. An east-west band across the county got falls of from a half to an inch and a half.

The cold front dropped temperature sharply from the summer-like weather which had prevailed ahead of it, but the temperature got down to the freezing mark for only a short while early Wednesday morning, failing to hold at that low long enough to do any damage to vegetation. Warming temperature were predicted for mid-week.

Adult Probation Is Revoked Hayden Roach Must Serve Sentence

Hayden Roach, local Negro, must serve a two to three year sentence in the state penitentiary as the result of an order by District Judge Jim C. Langdon revoking the adult probation sentence imposed on him at the April term of court here.

Roach was charged with violation of his parole conditions on four or five different counts and after a hearing at which evidence supporting such violations was presented, his probation was revoked and he was sentenced to serve the term in the penitentiary. Roach was arrested following an affray here with another Negro, Hardin Payne. This affray was one of the violations, others being indulging in alcoholic drinks, leaving the county without permission and failing to support his family.

Unbeaten Junior Hi Plays Del Rio In Final Nov. 8

Last Game Of Season On Lions Field At 7 p. m. Next Thurs.

By Roy Killingsworth

The last game of the season for Ozona Junior High Cubs will be played in Ozona Thurs. night Nov. 8th, with the Junior High boys of Del Rio furnishing the opposition.

In the previous meeting of these two teams the Cubs came from behind in the second half to win 13 to 6 in a hard fought game. Reliable reports from Del Rio is that the score will be different this time.

In going after win number ten of the season Coach Womack will probably start Joe McMullan and Alonzo Galindo at ends, Ronnie Beall and Tommy Stokes at tackles, Adolph Rivera and Bill Petty at guards, Roberto Rodriguez at center, Johnny Jones at quarterback, Jimmy Freeman at fullback and Jim Williams and George Ybarra at the halfback positions. On defense Muggins Good and Deeney Holden will see action. Most all of the freshmen out for football will see some action in this game as this will be their last opportunity to represent junior high in a football game.

Remember game time is 7 p. m. on Nov. 8th. Admission will be 25 cents for adults and 15 cents for students.

El Paso Firm Low Bidder On Highway Projects In County

A contract for 8.4 miles of widening on U. S. Highway 67 in Crockett, Crane and Upton Counties has been awarded to an El Paso firm, it was announced in Austin this week by the State Highway Commission.

Lee Moor Contracting Company submitted the low bid of \$200,894.09 on the project, widening, grading, structures, base and cold-mix limestone rock asphalt pavement from Pecos River Bridge northeast to McCamey is expected to take 150 working days, according to R. L. Faltinson, District Highway Engineer at Pecos. The awarding of the contract to this firm is subject to the concurrence of the Bureau of Public Roads.

Jack V. Valentine, Jr., Resident Engineer at McCamey will be in active charge of the project while under construction.

LIONS SPONSOR PHOTOS

Ozona Lions Club will sponsor the Price Studios of San Angelo in taking pictures here November 9 and 10. On Friday, Nov. 9, the photographer will be here from 9 a. m. to 6 p. m. and on Saturday, Nov. 10, from 8 a. m. to 6 p. m. Persons interested in having photos made may secure an appointment on either day by calling Howard Lemmons.

P.T.A. Nets \$735 From Carnival Show

Ozona P. T. A. counted a net profit of approximately \$735 from the carnival last week, Mrs. James Childress, president, announced. The money will be used by the P. T. A. in its year's projects, to be determined by the projects committee. The carnival is the only money raising event of the year for the P.T.A.

On behalf of the organization, Mrs. Childress expressed thanks to the West Texas Utilities Co. for its job of lighting the park; to the South Texas Lumber Co. and to R. R. Williams, Fuller brush man, for donations to the bingo stand; to the Foxworth Galbraith Lumber Co. for the loan of lumber for the stands and to Clyde Leath for putting the park in fine shape for the carnival.

"The carnival was a success because everybody worked and we are grateful to everybody who contributed in any way to its success," Mrs. Childress said.

Miss Sue Flanagan To Speak Mon. Night On Tb Volunteer Work

Miss Sue Flanagan of San Angelo, co-ordinator of the McKnight Sanatorium Area Volunteer Council, will speak to an Ozona audience in the High School auditorium next Monday evening, Nov. 5, at 7:30 o'clock on the work of the Council in aiding patients and the program of the McKnight Tb sanatorium at Carlsbad.

George Skeet of Water Valley, chairman of a committee seeking to erect a chapel of all faiths at the Sanatorium, will be here the same night and will give a resume of developments in that program.

All Ozonans are invited to hear these visitors. Their appearance here is being sponsored by the civic clubs of Ozona.

Four Former Texas Governors For Ike

AUSTIN, Texas — In addition to Governor Allan Shivers, four former governors of Texas have made public announcement of their support of President Dwight D. Eisenhower for re-election in the general election next Tuesday. Efforts are being made to have the four former governors appear on a television panel sometime next Monday in a statewide telecast.

Former Governors W. P. Hobby, Coke Stevenson, Dan Moody and W. Lee O'Daniel all have announced support of President Eisenhower. Of the two remaining living ex-governors, Mrs. Miriam A. Ferguson of Austin is taking no active interest in the campaign because of ill health, and James V. Allred is a federal district judge and forbidden by law from political activity.

Sul Ross Band To Tour Winter Garden

Alpine, Texas — The Sul Ross State College Band, under the direction of Joe Bellamah, will present a series of Fall Concerts to high schools in Del Rio — Eagle Pass and Winter Garden Area November 1 and 2.

This famous marching band will give a demonstration between halves at the Crystal City — Devine football game Friday night. This band has been acclaimed as one of the most outstanding marching bands in the South by many band leaders. The Sul Ross Dance band will play for the Homecoming dance that night. The group will be guests of Crystal City Band members Friday night.

John Butterfield and Raul Machado as band members are planning to make the tour. John, son of Mr. and Mrs. C. E. Butterfield of Ozona, is a freshman transfer from San Angelo Jr. College. Raul son of Mr. and Mrs. Rodrigo Machado, is a senior student of Sul Ross.

Mr. and Mrs. J. B. Monroe and children of Kerrville, former Ozona residents, spent the weekend here visiting Mr. and Mrs. James Nettleton.

Forecast Heavy Voting Here In General Election

Interest In National Campaign May Bring Out The Voters

Although absentee voting was light in Crockett county, a heavy vote nevertheless is predicted for the general election next Tuesday, interest in the issues of the election and the personalities of the presidential candidates are expected to be factors which will produce another record turnout of voters all over Texas.

Only around 40 absentee ballots had been cast for the general election here at midweek, but the small number can be accounted for in the fact that few people are vacationing at this time and expect to be on hand to vote in person.

Crockett county went for President Eisenhower in 1952 by a two to one margin. Observers over the state are predicting another victory for the president in Texas this year but many see it by a somewhat smaller margin than in 1952.

Texans will decide the fate of eight proposed constitutional amendments in the general election balloting and a ninth on Nov. 13. In addition to the amendments, voters in the 16th Congressional district will have a Republican-Democrat race for a seat in Congress to add interest. Charley Gibson, El Paso attorney and civic leader, is a candidate for Congress on the Republican ticket, opposing Democratic nominee and incumbent T. Rutherford of Odessa. On a statewide basis, the Republicans will offer a candidate for governor and for commissioner of Agriculture, plus some local Congressional races.

Good Will Ambassador To Spain Speaks Here

Miss Betty Hanks of San Angelo who went as a good will ambassador to Spain under sponsorship of the Community Welfare Organization of San Angelo described her experiences in Spain in a talk to the Ozona Woman's Club here last week. Miss Hanks told of the home life of the Spanish people — she lived in Spanish home — and showed slides of pictures she took in the country.

The natural beauty of Spain, the poverty, the immense wealth of the church as evidenced by its buildings, the filth of the market places, all were portrayed side by side, Miss Hanks evidenced an intense interest in the people and in the judgment of her listeners must have done a good job as an ambassador of good will.

Mrs. S. M. Harvick gave a review of the amendments to be voted in the coming election. Mrs. N. W. Graham was leader. Mrs. Max Schneemann gave the invocation. Mrs. Hillery Phillips, Jr., played Spanish numbers on the piano.

Mrs. L. B. Cox, Jr., president, announced that the General Federation of Women's Clubs will broadcast Club news every Monday during the Arlene Francis "Home" Show on NBC Television.

Over 400 See New Dodges And Plymouths

Mrs. Royce-Ballinger won the top award in door prizes at the James Motor Co. new car showing Tuesday, when the 1957 Dodge and Plymouth cars were shown to the public. More than 400 visitors passed through the company show drawing was J. D. Nairn, who won rooms on the opening.

Second place winner in the 100 gallons of gasoline. W. E. IYV, in third place place, won 50 gallons of gasoline; Mrs. Rita Ramon Garza won two gallons of anti-freeze; Bill Cooper won a complete motor tune-up job, and Gene Williams a car wash and polish job. Miss Aletta Faye Powers drew the names for the prizes.

Trick Or Treat Child Aid Drive Nets \$167

Records of the previous two years in which the drive has been conducted were broken last night when a total of \$167 was collected by "Trick or Treat" solicitors on behalf of the UNICEF fund for sick and needy children throughout the world.

The drive was sponsored by the Junior High division of the Methodist Youth Fellowship, joined by guests from other churches and the Community Center youth. The amount collected here, which will be doubled by the governments of nations receiving the aid, will be sufficient to provide milk to 1,500 children for a week.

Sheriff V. O. Earnest reminded Ozona dealers this week that sale of fireworks is banned here and asked that dealers refrain from stocking these materials which present a menace to life and property.

Baylor Indicted On Three Counts, Trial Set Friday

Defendant Indicates He Will Plead Guilty To Rape Charge

William B. Baylor, 31-year-old oil field worker here, was indicted on three separate counts, on a charge of rape, when the grand jury met in called session here Monday morning and will be tried on the rape charge in 112th district court here Friday morning at 10 o'clock.

Baylor, who has been in the Crockett county jail since his arrest nearly three weeks ago by the sheriff's department on a charge of writing an obscene note to an Ozona married woman and who later confessed to breaking into the home of an Ozona widow and making a criminal attack upon her, indicated that he would enter a plea of guilty to the charges brought by the grand jury when he was arraigned before District Judge Jim C. Langdon after his indictment Monday.

Baylor is charged with rape, with breaking into a house at night with intent to commit rape and with committing an act of sexual perversion. Baylor was remanded to jail without bail pending his trial.

A special venire of 36 prospective jurors was ordered summoned by Judge Langdon in addition to the 33 persons on the regular jury panel for this term of court. All have been summoned to appear at 10 a. m. Monday for possible jury service in the case.

On the charge of rape, Baylor faces a possible sentence of life imprisonment or even the death penalty, although the state has indicated that it will not press for the death sentence. On the charge of unlawful entry with intent to commit rape, the possible penalty is for a term of years not less than five nor more than 99. On the perversion charge the penalty is from two to fifteen years.

Baylor was arrested by officers after an obscene note was slipped under the door of an Ozona home where the husband was away at work. He confessed writing the note after being confronted with a clear impression of its contents on the top sheet of a note pad found in his car and then made a written confession of the forcible entry into the home of a widow and the attack upon her.

Ozona Garden Club Delegate Elected To District Club Office

Mrs. Bailey Post of Ozona was one of the twelve judges at the flower show presented last week by the Midland Council of Garden Clubs in Midland. The theme of the flower show as "The Seven Lively Arts in Flowers." Other judges were from Big Spring, Kermit, Stamford, Cisco, Abilene and Snyder.

Others from Ozona attending the show were Mrs. George Montgomery, Mrs. Paul Perner, Mrs. Stephen Perner, Mrs. Joe Pierce and Mrs. S. M. Harvick.

Mrs. Post was elected second vice governor of the District Eight Garden Clubs at the recent district meeting in Winters. Over 100 delegates attended from clubs in cities from Olney on the north to Del Rio on the South. Mrs. Post attended as a delegate from the Ozona Garden Club.

Mrs. E. F. Simpson of Memphis, Tenn., was guest speaker at the district meeting. She made flower arrangements and talked on the topic, "Design and Color in Flower Arranging." The new officers-elected will take office at the spring meeting to be held in Stamford.

Mrs. Bessie Matlock, nurse at the Crockett County Hospital suffered slight injuries early in the week in an accident on the northeast corner of the city park. Cars driven by Mrs. Matlock and Miss Aletta Faye Powers were considerably damaged in the corner collision.

TIDELANDS IN DANGER

The tidelands issue is not dead! Senator Douglas of Illinois has indicated that he will introduce legislation to take the tidelands away from the states again.

Adlai Stevenson, however, prefers not to discuss the matter. He has said the tidelands affair is closed.

Texans will remember that tidelands was a blazing issue in 1952.

The Texas tidelands were of great value to us (as has been proved by the \$60 million they have put in our public school fund since 1953.)

But of even greater importance to Texans were the principles involved — the principle of state rights, the principle of moral obligation, the principle of integrity.

The submerged lands had been won at San Jacinto, guaranteed to us by the joint resolution of annexation to the United States, and the title validated at the Treaty of Guadalupe Hidalgo, following another bloody war.

And Texans remember that in 1952, Adlai Stevenson told us that he would veto any bill Congress passed restoring our birthright, just as Harry Truman had done on two previous occasions.

And Texans also remember that Estes Kefauver was one of those voting against the tidelands bill in the Senate. So did seven other out of state Senators brought in by the Lyndon Johnson-Stevenson crowd to tell Texans how to vote.)

Texans rebelled against Mr. Stevenson in 1952, when tidelands was a major issue.

Texans helped elect Mr. Eisenhower, who supported the tidelands bill and signed it into law.

If we had no other reason to support Mr. Eisenhower this time — and we have a great many other reasons — we would do it out of appreciation and gratitude.

And out of apprehension that if Adlai Stevenson were elected, Congress might pass and he might sign a bill returning our tidelands to the federal government.

Ozona Butane Co. Ozona, Texas

Tex Says He's No Expert But He Believes Ike Is

The other night a bunch of us were sitting around in the drug store after the football game, drinking coffee and talking. You know how it is after a game in a small town, especially after the home team loses. Nearly every man in the crowd had a theory as to why we didn't win the game. Most of them, of course, blamed the coach. I couldn't help remembering that before we consolidated the county schools we didn't even have enough boys to make up a football team. And these same football experts who were saying what Rockne or Bud Wilkinson would have done, up until a few years ago they didn't know a football from a watermelon.

But that's the way it is in a small town (and in big ones, too, I understand). I guess there's no real harm done, although sometimes it's pretty rough on the coach.

I guess we have a right, in this free country, to be self-appointed experts in any line we want to pick out. It seems to me that most people choose either football or politics.

Take this presidential election coming up next Tuesday: During the last few weeks I have heard so many different political experts that I nearly get confused sometimes. I have to stop and think that the fellow who is talking probably doesn't know any more about it than I do, and that helps me keep straightened out.

In fact, I guess I have had my mind made up all along. To make no bones about it, I like Ike. He's a man you can always look up to and respect—the kind of

man you'd be proud to point out to any person, from any country on the face of the globe, and say: "That's our President!"

About Adlai, now, I'm not so sure. Of course, if he was elected, he would be my President, too, and I would hope he'd do a lot better than most people around here seem to think he would. This is something I don't think we need to worry about, because from all I can hear and read, Ike is going to win it again.

It seems to me that if Adlai ever had a chance around here, he threw it away when he came out with that H-bomb business. Now, the folks in our town don't know much about H-bombs, except that they don't want any personal dealings with them. Our scientific knowledge of H-bombs is about on a par with our football knowledge, I reckon. But we do know one thing: We don't want some misguided, inexperienced fellow fooling around with our national defense. When it comes to trusting what Bulgann says or what Eisenhower says, I'll take Ike. So will the rest of the country, if I don't miss my guess.

Just before we broke up the other night Doc Brown came into the drug store, and somebody asked him: "Hey, Doc, how's Ike doin'?" (Doc's a big Eisenhower man.) Doc said: "Well, it's a busy campaign for the medical profession. Last week Ike went and got his heart examined; and I understand that this week Adlai is going to get his head examined."

Yours truly,

Tex

VOTE FOR TEACHER RETIREMENT AMENDMENT

...TO PROVIDE TEACHERS FOR OUR CHILDREN!

NOVEMBER 6, 1956

HIGHLIGHTS AND SIDELIGHTS From State Capitol

By Vern Sanford
Texas Press Association

Austin, Texas, — Eight decisions on state policy soon will be squarely up to the voters. In addition to party candidates, eight proposed amendments to the state constitution will appear on the general election ballot.

Through a procedural slip-up a ninth will be considered at a special election on Nov. 13.

Each amendment will be printed on the ballot twice — once preceded by FOR and once by AGAINST. Voters must mark out the statement they oppose and leave the other clear.

Gist of the amendments and arguments pro and con:

1. Authorizes the legislature to compensate persons fined or imprisoned for crimes they did not commit. PRO: Would make amends for hardships unjustly imposed on the innocent. CON: Might open the door to numerous fraudulent claims.

2. Allows county commissioners courts to vary allocations for tax money without special elections. PRO: Greater flexibility would make for greater efficiency in county financial management. CON: Commissioners courts would have too much authority.

3. Adds other colleges to the building program financed by the University of Texas Permanent Fund and authorizes investment of the fund in corporate stocks and bonds as well as government bonds. PRO: Would provide an increase in college building money without new taxes. CON: Risk involved in wider investments is not worth the possible return.

4. Increases the benefits of the teacher retirement system. PRO: Would attract more persons to the dwindling profession. CON: Would increase taxpayer obligations by \$4,500,000, take a larger nick out of teachers' salaries.

5. Authorizes another \$100,000,000 bond issue for veterans land buying. PRO: Program has been put in order, and additional money is needed to enable more veterans to participate. CON: Program does not merit public confidence; only about one per cent of Texas veterans have benefited.

6. Provides a different oath of

office form for elective and appointive officials. PRO: Would clarify present inconsistencies. CON: Clutters constitution with minor details.

7. Requires competent medical or psychiatric testimony before commitment of a person to a mental institution and allows waiver of jury trial, except in criminal cases. PRO: A mentally ill person should not be "convicted" as a criminal. CON: Jury trial is a safeguard against "railroading" of persons into mental institutions.

8. Permits judge to deny bail to persons convicted of two previous felonies. PRO: Would curb habitual criminals. CON: Right of bail is one of our fundamental civil rights.

9. Authorizes the Legislature to give aid with federal assistance to citizens permanently and totally disabled by a mental or physical handicap. PRO: State has a moral obligation to these needy persons. CON: Tie-in with federal program would lead to more federal encroachment.

Ballot scratching — While candidates and campaign camps are busy "scratching for votes, voters are busy learning how to "scratch" ballots.

Ballot scratching is legal. You don't have to vote the straight Democratic ticket, or the straight Republican ticket.

All you have to do to scratch a ballot is to cross out or draw a line through the name of the candidate you do not want to vote for, and leave unmarked the names of the candidates for whom you do want to vote. Just be sure you vote for only one candidate for each office. It's as simple as that.

Machine voting is even simpler. All you do is pull the lever by the name of the candidate you want to vote for, in whatever column you choose. The machines are so designed that you can vote only for one candidate for any office.

If you want to vote for a candidate whose name does not appear on the printed ballot, you can write his name in — in the write-in column which is provided for that purpose. Such a column appears both on the paper ballots and the machine ballots. On the paper ballots you should scratch out the names of all other candidates for that same office.

Election laws say that your write-in ballot will be counted even though your spelling may not be exactly correct — and even the last name of the candidate is sufficient.

E.S.A. Sorority To Furnish Girl Scout Cabin From Play Fund

The Ozona chapter of E. S. A. met in the Girl Scout cabin Thursday, Oct. 18, for the first business meeting of the year. Elaine Rollins and Lola Cleere were in charge of the program, "Fashion and Make-up."

The club project for the year will be to work on the heart disease program.

Pearl Lemmons was unanimously elected sponsor of the sorority. Members voted to present the new hospital with a picture for the lobby in memory of Eve Lemmons. A picture of the Chisos Mountain has been chosen and hung. The picture was painted by Margaret Tupper.

From the proceeds of the play which was presented in September by the sorority and so well supported by the town people, the sorority is furnishing the Scout cabin with some needed equipment. A piano has already been purchased for the Scouts. To be added

to the cabin are 12 folding chairs, a flag pole and flags, a vent for the bathroom, cabinets for the use of the various troops, and the completion of the molding along the ceiling of the building. A phonograph is also to be purchased for

troop use.

Elaine Rollins and Juanita Mills were appointed to help Betty Tubbs with the yearly scrapbook for the sorority. Mary Deaton was appointed to write the history of the local ESA.

The ESA sorority and the Girl Scouts wish to thank the Church of Christ for the door to the cabin and to thank L. D. Long for the labor in putting it up. Foxworth-Galbraith Lumber Company furnished the lock for the door.

THE LION'S ROAR

PUBLISHED BY STUDENTS OF THE JOURNALISM DEPARTMENT—OZONA HIGH SCHOOL

EDITORIAL!

A major part of any high school is its freshmen. In numbers, personality and good nature, our freshman rate highest of all classes.

We realize that it isn't easy to take the teasing etc., inflicted by the upperclassmen. This joking is only meant in fun and that is just the way you are taking it. Next year you will be a big wheel and understand what we mean. The attitude of the freshman class means a lot in the setup of Ozona high.

A great big thanks, Kids, from all the upperclassmen, to a bunch of really swell kids! For your all-in-fun spirit, we commend you!

A LOOK DOWN FRONT

There is a very hardworking group in high school that never seem to get much credit. Let's take time out to look at the cheerleaders.

Wanda Armstrong, our head cheerleader, is a senior. This is her third year leading yells, and we'll really miss her next year. Wanda has something special to accent her uniform. Everyone has surely noticed George's senior ring around her neck.

Another energetic gal is Alma Ingham. This is Alma's first year as a high school cheerleader, and she's a junior. Alma has told us that she loves gray and white Fords, jersey number seventy-two, and FFA jackets. Keep up the good work, Alma; you're doing fine! Congrats on 4-H Club Sweetheart!!!

Gwynel Walker, another junior and first year girl, adds a lot to our spirit. Gwynel's varied interests are hard to tell about. That purple and gold streak is only Gwen's little car. Quite patriotic! Have you chased your dear anymore, Gwen!? Incidentally, I hear that Gwen is very fond of turkeys. She really has first-hand access to them. (Lefty, this is a good ad!)

Nellie Belle, known to you as Genelle Childress, gets quite a few

whistles when introduced to the opposing team's band. It isn't hard to figure out why when you notice her blond hair. Nellie adds just enough grace not to look like a jumping jack. This is quite becoming to our OHS cheerleaders. Genelle is a junior and first-year girl, also.

Frances Childress well represents the sophomore class. She has something very becoming that accents her beautiful eyes. Bobby decided that Frances is the girl for him so they are going steady and she has his white track jacket. Don't run into anymore barbed wire fences, Frances! We're watching you lead yells, and you are doing a grand job.

We're proud of our cheerleaders this year. They work very hard building up spirit and backing our team. Notice them if you haven't! They look smart in their white and purple uniforms.

The cheerleaders would like to take this opportunity to thank everyone of you for co-operating with them this year. We have a fine team and a fine group backing them!

AROUND THE HALLS OF OHS

Have you noticed a new brunette in the halls? Monday, Sandra Jones checked in school. I've gathered a few interesting facts about her that may enable you to know her better.

Last year Sandra attended school in Big Lake. Since her father works for an oil company, she moves around a lot. After beginning school this year in California, she came back to Texas. Sandra is sixteen years old and is a junior. When I asked if she likes Ozona, she replied, "Yes, all the people here are so friendly." Sandra admitted to me that she was a little nervous when she came to school, but after a wonderful reception, she felt right at home.

Sandra, we welcome you to OHS! Enjoy your experiences here. (You will have plenty of them!) It's nice to have you with us.

ANNUAL STAFF NEWS

Annual staff members have been working frantically on lay-outs for the new '57 Ayer. Something even better for our new Ayer is the snag shot idea. Everyone bring your favorite snap shot, and maybe yours will be the lucky one or a best one to go in the annual.

Most beautiful and handsome election was held Tuesday in class meetings. Each person was allowed to write their three most beautiful and handsome on the ballot. From these votes the tops will be voted on again next week.

If anyone has any new ideas on the improvement of the '57 Ayer we, the members of the Annual Staff, would appreciate all suggestions.

JUNIOR NEWS

It's a girl! Oh boy that's great! Wow!

If these remarks are heard around school it's only because the Juniors have a new girl. Sandra Jones is the charming girl that all the boys have been going crazy over. We hope you like it here Sandra!!!

The Juniors are starting to sell mums for the Junction game. So come on boys and be alert and buy your girlfriend or mother a mum. You girls start putting on your best manners and talk Dad into buying you a mum. Mums are gifts that all girls appreciate, so everyone see the Juniors about your mums.

SCOUTMOUSH REPORTS

We're so glad that Porgie is back with us! (Wanda is too!)

The P. T. A. Carnival was Tues. and it was so much fun! If you didn't see the side show, you missed a great performance. Minnie Pearl Mayfield, Bill Haley Smith, a Hulu dancer, Doctors a twirler, were there to give a good show! We saw and felt many bean shooters too! A real interesting stand was the "photo" stand where many cute and funny pic-

tures were taken. Right, Miss? There were lots of girls who had dates! (and boys too!) Jakie and Genelle and Kent and Camille — Bobby and Frances — George and Wanda — Pie and Liz — Alma and Jess — Diz and Alleane, lots more, I'm sure that I didn't see!

O! Yes! There are some new steadies! Bobby and Frances, Molly Sue and Tommy — Congratulations.

Then the "Big Events" was the Halloween Dance the student council gave! The Cafeteria was decorated so nice! We really thank Miss Powers and the student council for this! The same kids had dates to the dance that had them at the Carnival. A few changes were made! Jake was hobbling around on crutches from the results of the game Friday. He didn't have a date and Nellie went with Bobby Estes. Alleane went with Mark Jimmy B. and Becky — Tommy and Molly Sue — Don and Judy. Carol came home from T. U. and Tooter took her to the dance. Mr. and Mrs. Sonny Henderson were there. Joe Clayton and Linda Millsapp — Joe Everett and Janice Semmler — O! Toothless, Legless Jacobs took Bunker, Kathy and Roy Glenn were there!

Brute showed us how to jitterbug! We had so much fun dancing Paul Jones!!!! It was hot too, after about three Paul Jones in a row!

Sun. night — Many people were getting book reports (especially seniors!) Some got theirs together!

Lately Charlie has been seen around with one girl. He was with her Sunday at the movies.

Nara had a date with Robert Sunday afternoon.

One of our new steadies is Bobby with a cute girl from Junior High.

Eva Montes has been having dates with Humberto Cervantez.

Seen at the dance Saturday were Minnie D., Alonzo L. and Tomas L. Amelia has been in high spirits this week — she received a letter from Sammy Martinez.

Melchor is spending more time studying in high school, how come Melchor?

Where's your ring Chalo? Did you lose it or is somebody wearing it?

Until next week — Good-bye and we want to wish the "Ag" boys luck on their trip this weekend!

HALLOWEEN DANCE

Amidst a background of witches and jack-o-lanterns the annual Halloween Dance was held in the cafeteria Saturday, October 27.

Gracing the large windows were huge jack-o-lanterns with eyes all ablaze. Along the front of the Cafeteria hung a huge witch. Their eyes were afire with the pleasure of the evening. Then along the back there were Halloween masks decorating the solid white background.

Swinging gaily from the ceiling were ropes of black and orange crepe paper.

The music was furnished by the wonderful record player the P. T. A. so graciously put in the cafeteria.

We of the student council would like to thank all of you who helped make our dance a huge success.

LADIES GOLF ASSN.

The Ladies Golf Association met last Thursday for golf and bridge. Low net in golf was won by Mrs. Dempster Jones. High score in bridge went to Mrs. Joe Clayton, second high to Mrs. Joe Pierce, bingo to Mrs. Jess Marley and guest prize to Mrs. Worth Odom of Las Vegas, N. M.

The lady golfers started a ring-er tournament which will end with the December luncheon meeting. Each player will post her score on the board in the club.

Present were Mesdames Lindsey Hicks, Joe Pierce, Charlie Black, Lefty Walker, Hillery Phillips, Jess Marley, Nip Blackstone, Joe Clayton, Joe Friend, J. S. Pierce, III, Lloyd Sherrill, Byron Stuart, John Childress, Dempster Jones, Sherman Taylor, and Clay Adams, and guests were Mrs. Worth Odom and Mrs. Stephen Perner. Hostess at bridge was Mrs. Clay Adams.

Fastest "News Service" in Town!

Had a frantic wire from Washington yesterday—saying that the local Congressman was making a surprise visit and a short speech. Could I get the word around fast?

No time for a special edition of the *Clarion*, so I turned to the fastest "news service" in town... Windy Taylor. He spent an hour mobilizing his Lodge and Court House cronies—all pretty fair talkers—and the rest is history. Biggest turnout ever.

As a newspaperman, I hate to admit it—but facts are facts. The Windys of this world aren't only quicker news spreaders

than our paper... they've even got better circulation.

From where I sit, some of us would rather talk than eat, while others are close-mouthed... just as some of us like coffee and others prefer a glass of beer. There's a lot to be said for both attitudes. But if you go in for gab—don't talk against someone just because you don't happen to agree with him on some question of personal choice. Use your own "good censorship."

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, Nov. 3, 1927

Two hundred head of 3-year-old steers were sold this week by Chas. E. Davidson & Sons to Chase Bros. of Kansas at \$77.50 a head, declared the best price ever given for Crockett County steers. Judge Davidson & Sons also sold to Chase Bros. 112 yearlings at \$50 a head and 50 head of cows at the same price.

The quest for a mineral more precious than oil has been started in West Texas, with the government award of a contract for drilling a potash test on the Crockett County ranch of Harris Bros. of San Angelo.

Joe B. Harrell, 68, a brother of George Harrell and a former resident of Ozona, died at his home in Sanderson Tuesday morning.

Practically all of the fall mohair clip is on its way to Boston from West Texas shipping points, buyers have reported in San Angelo. The product sold at prices between 53 and 63 cents.

Mr. and Mrs. Tip Smith are the parents of a daughter born Monday in a San Angelo hospital.

Rev. Stanley Haver, pastor of the Ozona Methodist Church for the last two years, was transferred to the pastorate at Midland and the Rev. J. H. Meredith, late of Nixon, Texas, was sent to the local charge in appointments read at the closing session of the Annual Southwest Texas Conference of the Methodist church in Corpus Christi Sunday night. Rev. Sterling Fisher remains presiding elder for this district.

The masquerade ball given by the Ozona Dance Club at the Hotel Ozona Friday night was one of the most successful dances of the season. Nearly 150 dancers attended.

The school board met Monday night of this week to consider plans and specifications for the

proposed new school building, but took no definite action. The plans and specifications were studied in details and the subject of financing was discussed. The board will meet with the Commissioners Court at its next regular meeting for further discussion of the project.

An Armistice Day program will be given by Mrs. A. W. Jones' expression classes, assisted by the ministers of the various churches, at the Methodist Church Thursday evening.

R. R. Penn, independent oil operator of Dallas, is rigging up for his No. 1 L. P. Powell in Crockett county, in about the center of the northwest 40 acres of the southeast quarter of Section 54. Block BB, EL & RR Ry. Co. survey.

E. B. Daniels oil field worker employed with the crew sinking the well on the Paul Perner ranch in Crockett County, was seriously injured Monday when he was struck by a piece of cable while at work.

The office building and ice plant of the West Texas Utilities Co. being erected here is expected to be ready for occupancy between the first and fifteenth of December, according to the contractor.

Complete equipment for a modern and up-to-date barber shop was received and installed this week by A. J. Sorrels in his new shop established in the Bunger building. Formal opening of the new business is set for next Monday.

Mrs. Arthur Phillips and infant son, Arthur Byrd, Jr., returned from Del Rio Saturday.

Mr. and Mrs. Homer Adams are in from their ranch near Sanderson. Mr. Adams suffered several broken teeth recently when his car backfired while he was cranking it, the whirling crank striking him in the mouth.

Mrs. W. E. West and her mother, Mrs. Alice Crim Smith of Houston have returned from Marlin where they have been taking the mineral baths. Mrs. Smith spent a week with her daughter, Mrs. A. F. Fincher, while Mrs. West was completing her treatments at Marlin.

Mrs. I. E. Cross has moved her beauty parlor equipment from the Hotel Ozona to her home just west of the Hotel and will be in operation again Friday.

Mrs. Joe North and Mrs. Rice

Lynn were hostesses to members of the Girls Bridge Club and their husbands and dates at the monthly party at the Hotel Ozona Monday night. High score went to Miss Hester Bunger and Clay Adams.

Smith Drug Store No. 1 is being dressed up with a new front this week. A flat awning will replace the old sloping one and the double windows above the awning are to be replaced with single windows.

Mrs. Joe B. Johnston of Big Lake spent the week-end here visiting her parents, Mr. and Mrs. Ned Friend.

Mr. and Mrs. Massie West and Vivian Joyce, their new daughter, returned Monday from San Angelo.

Misses Ada and Ethel Word entertained a number of friends at a Halloween party at the Cal Word home. Miss Geraldine Coates won the prize in the Black Cat contest and Miss Wayne Augustine was the most successful in shaving the cat's whiskers. SWEPT-WING '57 Dodge

How do you describe a car so daring in concept, so revolutionary in features and advances, so rewarding in beauty and performance?

How do you explain its newness when everything about it is new? On display today is just such a car—the Swept-Wing '57 Dodge that steps you into the wonderful world of Autodynamics.

What is this wonderful world of Autodynamics? It is a world where everything is new from road to roof to achieve absolute mastery of motion.

Here's what it does in the Swept-Wing Dodge:

- It unleashes a hurricane of power from a thundering new aircraft-type Super Red Ram V-8 engine that's a spitfire in action!
- It tames a tornado of torque with a new TorqueFlite Push-Button Drive for the greatest get-away on the road!

- It breaks through the vibration barrier with a revolutionary new rubber-mounted suspension system—Dodge Torsion-Aire—that features race car torsion-bars. You ride in a "Realm of Silence," isolated from vibration, noise and road shock.

- It is swept-wing mastery of motion in a sleek, low-slung beauty barely 4½ feet high that has no equal in the way it corners, handles and rides.

You have never seen, felt or owned any car that compared with this new Swept-Wing Dodge. See and drive it today . . . now at your Dodge dealer's!

Regents Chairman Tom Sealy Challenges Sen. Hardeman On Effects of Amendment To Permit Investment U.T. Funds in Common Stocks

By Tom Sealy
Chairman, Board of Regents
University of Texas

The Ozona Stockman recently published an article by Senator Dorsey Hardeman of San Angelo, Texas, on the College Building Amendment (No. 3 on the ballot) to be voted upon in the General Election. In this article Senator Hardeman expressed an opinion that the Amendment would permit gambling in the stock market with the Permanent University Fund. I know that Senator Hardeman is entirely sincere in expressing this opinion. I am equally sincere in expressing a contrary opinion which I believe is fully supported by the factual data set out in this article, and I appreciate the opportunity afforded me by The Ozona Stockman to give its readers the following information in support of this proposed Amendment.

The purpose of this Amendment is to provide money to build needed class rooms and laboratories for Texas state colleges and universities without increasing taxes or making additional legislative appropriations for the ensuing 20-year period commencing with the year 1958. We need only to consider the tremendous building program in our Public Schools system to grasp the magnitude of the problem facing our state colleges and universities now and during the next twenty years. This Amendment is a solution which has been carefully thought out and has been endorsed by the governing boards of all the state-supported institutions of higher education. The legislature by overwhelming vote has submitted it to the people to vote on November 6.

To provide additional funds for buildings in The University of Texas and A&M College systems, one provision of the Amendment permits the Board of Regents of The University of Texas, trustees of the Permanent University Fund, to invest up to 50 per cent of that fund in corporate stocks and bonds. The point was made in Senator Hardeman's article that this could lead to "playing the stock market."

The following facts pertain to the investment program authorized by the Amendment:

In planning the investment program the Board of Regents is charged with the same responsibilities that are imposed upon all trustees by the Texas Trust Act; specially, that its members "shall exercise the judgment and care under the circumstances then prevailing which men of ordinary prudence, discretion, and intelligence shall exercise in the management of their own affairs not in regard to speculation but in regard to the permanent disposition of their funds, considering the probable income therefrom as well as the probable safety of their capital." In other words, the Board is bound by the prudent man rule which is now generally in effect throughout the country. Under this rule innumerable trust accounts are managed by bank trust departments and the Regents have a responsibility just as real as those of the trustees of any other fund.

Further, as to the "safety" of the fund, the Amendment provides that:

1. Only stocks of companies which have paid dividends for at least 10 consecutive years immed-

ately prior to purchase of stock can be acquired.

2. Not more than 1% of the fund can be invested in the securities of any one corporation.

3. Not more than 5% of the voting stock of any one corporation may be owned.

4. Only stocks of companies incorporated within the United States can be acquired.

5. Except for bank and insurance shares, stocks must be listed on an exchange registered with and regulated by the Securities Exchange Commission.

These safeguards permit an investment in a cross-section of American industry and business and participation in the long-range growth of the nation's economy.

The Board of Regents, through the Endowment Office of the University, has for years successfully invested in stocks a portion of the funds of the Hogg Foundation and other private endowment funds of the institution. This experience, brought to bear in investing part of the public endowment fund, certainly may be expected to maintain a program of investment rather than speculation.

As in the case of buying government bonds, to which investment of the Permanent Fund is now limited, stocks will be purchased for income and for long-term holding. Only in this way can the Permanent Fund benefit from long-range growth of American industry. As I see it, an investment in the blue-chip stocks of American business corporations is just like buying an interest in the United States of America.

I do not say that some risk will not be involved in the long-range program. There is no such thing as a risk-less investment. The government bonds presently owned by the Permanent University Fund are down in market value because of the increase in money market interest rates. This is true of virtually all commercial bank portfolios and all investors in government bonds.

Much more serious than the decline in market value is the drop in purchasing power of the fixed income from the bond investments. The drop in purchasing power has been almost 50 per cent in the past 20 years. As a result, it now requires the interest income from about \$2,000,000 par value of government bonds to provide the same purchasing power as was realized from a similar investment of \$1,000,000 in 1936.

A balanced investment program including both stocks and bonds (and, under the Amendment, more than 50 per cent of the Permanent University Fund will continue to be invested in government bonds and real estate mortgages guaranteed by the United States Government) provides some protection against both inflation and deflation. Over a period of time such a program will provide a higher yield on the total investment. Even an increase of 1/10th of one per cent on the present portfolio will increase annual income by \$363,000. An increase of 7/10ths of one per cent would increase income by \$2,541,000 each year.

Nearly all college and university endowment funds recognize the great advantage of a balanced investment program and have invested in common stocks for years. These include such state univer-

sities as California with 47 per cent of its endowment invested in stocks, New York with 51 per cent, Pennsylvania with 58 per cent, and Virginia with 78 per cent.

It should be remembered that the investment requirements of college endowment funds are quite different from those of life insurance companies and commercial banks. The latter concerns have fixed dollar liabilities and regulatory authorities require them to invest in fixed dollar securities, namely bonds and notes. On the other hand, fire and casualty insurance companies which have uncertain risks are permitted to invest in stocks and it is quite common for 30 to 50 per cent of the investments of these companies to be in stocks.

Faced with the continuing growth in Texas population and with the increasing demands upon the facilities of our colleges and universities, I believe the voters of Texas have an opportunity to provide an invaluable service to our children and the children of succeeding generations by voting for Amendment No. 3 on November 6.

HERE'S HOW

- At the top of the Democratic Party column, strike out the names of Adlai E. Stevenson and Estes Kefauver.
- Leave the rest of the Democratic Party column as it is.
- At the top of the Republican Party column, leave the names of Dwight D. Eisenhower and Richard M. Nixon.
- Strike out the rest of the Republican Party column.
- Strike out all other columns on the ballot.

TEXAS DEMOCRATS FOR EISENHOWER

W. R. BOB SMITH, CHAIRMAN

(Pol. Adv.—Paid for by Texas Democrats for Eisenhower, Waldon Hart, Director.)

You are a free Texan... You can vote any way you like. Regardless of what you may have heard, it is perfectly legal to split your ticket if you want to, just as it is legal to vote the Democratic ticket straight, or the Republican ticket straight. The purpose of the ballot is to determine what the people want. And if you want to vote for Eisenhower and Nixon — then cast the rest of your ballot for the Democratic nominees — that is your privilege. Don't let anyone tell you otherwise! BY LAW YOUR VOTE MUST BE COUNTED.

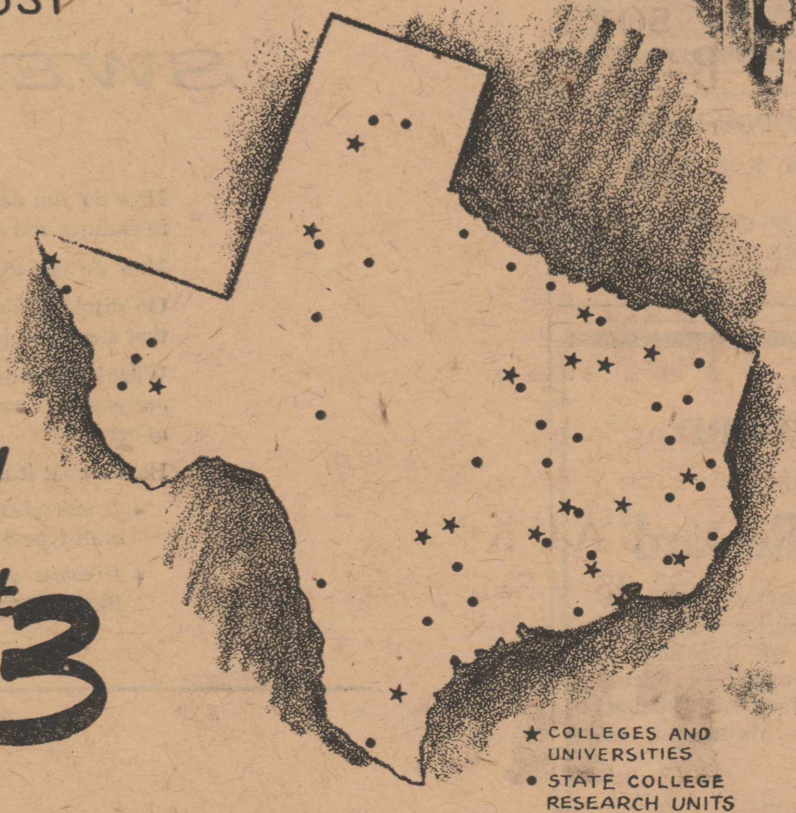

TEXAS' STATE-SUPPORTED COLLEGES AND UNIVERSITIES ARE RESPONSIBLE FOR...

1. TRAINING FUTURE FARMERS.
2. AGRICULTURAL RESEARCH.
3. COUNTY AGRICULTURAL AGENTS.
4. HOME DEMONSTRATION AGENTS.
5. FORESTRY SERVICES.

THESE SERVICES MUST ADVANCE TO BE EFFECTIVE...

HELP THE TEXAS FARMER THROUGH HIS AGRICULTURAL SERVICES...

No ADDED TAXES!

FORT WORTH — Fed steers and yearlings were slow and weak at Fort Worth again Monday, most bids were around 50 cents or more lower. Cows made up about one-third of the cattle numbers and moved in an active trade at stronger prices. Other cattle and calves were active and fully steady.

Sheep and lambs were fully steady. Good and choice slaughter lambs sold from \$18 to \$20, while cull to medium sorts sold from \$10 to \$17. Stocker and feeder lambs drew \$13 to \$17.

Fat ewes sold from \$5 to \$5.50, and others cashed at \$3 to \$5 with the lower end of the price range on fresh shorn kinds. Old wethers drew \$8 to \$12.00.

Good and choice slaughter steers and yearlings drew \$16 to \$23.50 and common and medium offerings sold from \$10 to \$16. Fat cows cashed at \$10 to \$12.50, and canners and cutters drew \$6.50 to \$10. Bulls sold from \$8 to \$12, a few higher.

Good to choice slaughter calves cleared at \$14 to \$18, some heavy weights around 600 pounds at \$19. Common and medium slaughter calves sold from \$10 to \$14, while culls sold from \$8 to \$9. Stocker steer calves of medium to good grades sold from \$14 to \$18.50, and steer yearlings of medium to good grades sold from \$13.50 to \$17.50. Stocker cows cashed at \$7 to \$9.50.
