PTA Spring Meet Begins Here

Two Day Conference To Draw Hundreds

Mr. and Mrs. Irvin St. Clair, Johnny and Kelly, spent several days at Lake LBJ. Kelly said Trevor Ford, Myron Pool, Jr. and Bryon Phelps were there also. Friday, the Irvin St. Clairs and son, Kelly, went to Dallas on a buying trip for the fall season.

Mr. and Mrs. Jim Hartline and James, Mark, Bruce and Lori went fishing on the White River near Crosbyton from Monday until Friday.

Mrs. Jane Beavers, of Earth, with her usual energetic approach, shovelled snow away from her driveway, and sprained her wrist painfully, Easter Sunday. Snow and sprains could not prevent her attending the piano concert given that afternoon by her grandson, Chester Clay Beavers, or keep her from attending the reception, afterwards, at the Spencer Beavers home. Mrs. Beavers lived in Muleshoe for many years.

Mr. and Mrs. Amos Jones, Jan Lemmons all of Muleshoe and Jimmy Jones of Lubbock, visited Kenneth Jones at El Paso last weekend.

Kenneth just completed Army Basic Training at Fort Bliss.

Muleshoe Post 403 of the American Legion will be among 11 American Legion Posts honored at the annual 19th District Spring Convention of the American Legions at Seminole Saturday and Sunday, April 11 and 12.

Commander Jerrell Otwell of the Muleshoe Post will accept a citation for the post for attaining a membership quota in 1969.

Neal Dillman, superintendent of the Muleshoe Independent School District has been named to the human relations committee of the Texas State Teachers Association.

The new committee will be concerned with relationships among minority and majority ethnic groups, and between students and educators in areas where better understanding might be needed.

National FHA Week Honors Homemakers

National FHA Week, April 5-11, is being observed by 12,000 local chapters of Future Homemakers of America across the country. Theme for the week is "25 Years of Sterling Opportunity" in recognition of the FHA's 25th anniversary.

Focusing on the positive contribution of youth to society, this year's objective -- "To Promote Communications for the Enrichment of Human Relationships" -- will come alive through projects and activities of FHA members in the United States, Puerto Rico, the Virgin Islands and some American Schools overseas.

In Muleshoe, the approximately 155 Future Homemakers studying with Mrs. Roland McCormick and Mrs. Wanda Gramling are having special events throughout the week.

Monday, the girls wore special identification name tags and Tuesday, Mr. Irresistible was chosen by the FHA members.

Reception Set By Republicans For Candidate

Mrs. John Joe (Mary Virginia) Kirchoff of Plainview will be honored by the Executive Committee of the Republican Party at an afternoon reception Sunday, April 12. The reception will be held at 2 p.m. in the community room of the Muleshoe State Bank.

Mrs. Kirchoff is a candidate for the Republican 18th District Committeewoman's post. Present incumbent is Mrs. Margaret Suits of Petersburg.

She is the former Mary Virginia Nixon, a native of Plainview. She and her husband, a Plainview agri-businessman, have two children, a son and a daughter.

Mrs. Kirchoff was the first woman named as a representative on the West Texas Chamber

PRECURE KILLED IN ACCIDENT--Twisted remains of Allison Precure's Oldsmobile starkly reveal the severity of an almost head-on accident which took the life of the 20-year old man within less than three hours after the 8 p.m. accident Tuesday night. The two vehicle accident occurred about 14 miles north of Muleshoe on Highway 214. Precure was alone in the car at the time of the accident.

Allison Precure Accident Victim

Allison Ray Precure, 20, son of Mr. and Mrs. Kenneth Precure of Muleshoe, was pronounced dead on arrival at Lubbock Methodist Hospital following a grinding car-pick-up crash about 14 miles north of Muleshoe on Highway 214 around 8 p.m., Tuesday, April 7.

Twisted metal and debris from Precure's Oldsmobile and a Ford pickup which was driven by Roy Bridgeman, 36, of the Hub community, was strewn up and down a wide section of both sides of the highway.

Investigating officer Texas Highway Patrolman C.V. Moore of Hereford said he is unsure of what happened in the accident, as there were apparently no eye witnesses and Precure and Bridgeman were alone in their vehicles.

Following the near head-on collision, the Precure vehicle went off to the right of the highway just north of SIB Gin and the Bridgeman vehicle was scattered down the highway as it ripped apart and overturned. Bridgeman was trapped inside the wrecked pickup and Precure was removed from the wreckage of his automobile.

The two men were brought to West Plains Memorial Hospital for emergency treatment and two ambulances from Singleton Funeral Home were enroute to Lubbock Methodist Hospital with the victims when Precure died about 10:40 p.m. Wednesday morning. Bridgeman was reported in "very critical" condition in Lubbock Methodist Hospital.

Allison Precure graduated from Muleshoe High School and lived in Friona at the time of his death. He was employed by Missouri Beef Packers in Friona. He was married last year.

Funeral services will be at 3 p.m. Friday, at the First Baptist Church.

Two persons are hospitalized at West Plains Memorial Hospital following separate accidents Sunday night and Monday afternoon. Both persons are being treated for head lacerations and other injuries.

In the Sunday night accident, which occurred around 9:05 p.m. in the 500 Block of West American Blvd., John Woodard, Muleshoe was injured when the car he was driving struck the rear of another vehicle.

According to investigating officers, the Woodard vehicle apparently struck the other vehicle, as it was preparing to turn left on Fifth Street. Both vehicles were traveling in a westerly direction on the Clovis Highway at the time.

Mrs. Mike Miller, and her two children, Kurt and Christine, escaped injury Monday afternoon about 15 miles northeast of Muleshoe in Lamb County when the car Mrs. Miller was driving overturned.

Mrs. Miller said she had started to a field where her husband was plowing and Kurt fell off the seat of the car. When she reached across to help him, the right front wheel of the car

slipped off into a ditch causing the car to overturn on its top. She said she was only driving about 10 miles an hour at the time and the accident happened about 300 yards from Miller's farm home.

Another accident with injuries occurred at approximately 6:45 Monday afternoon in the 1500 Block of West Avenue D.

Mrs. Madge Clements was taken to West Plains Memorial Hospital by Singleton Ambulance for treatment of head injuries following that accident.

Mrs. Jerome Cash was the driver of a 1965 Ford in which Mrs. Clements was injured. Mrs. Cash was traveling west on Avenue D when she was apparently blinded by the late afternoon sun and ran into a pile of caliche on the street.

David Watson loses out in Spelling Bee

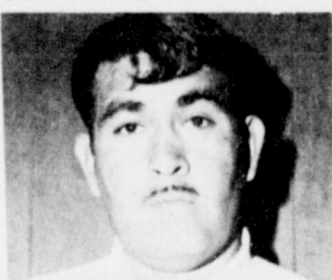

Although the letter 'm' threw him momentarily, David Watson, seventh grade son of Mr. and Mrs. W.T. Watson of Muleshoe, was first runner-up in the Regional Spelling Bee conducted at Lubbock last Saturday.

David was spelled down by Elaine Ruffin, seventh grade student from Colorado City when he missed the word "commodiously". He left out the second 'm' in the word, Elaine went on to spell commodiously correctly, then follow up with "conchology" to win the regional bee.

The winner was declared the 49th round of the 18th annual Lubbock Avalanche-Journal Regional Spelling Bee which was conducted in Lubbock at Smylie Wilson Junior High School.

This was the second year in a row for David to advance to regional competition.

Preceding the Regional Bee, a luncheon honoring the 20 county spelling champions was held in Lubbock.

Muleshoe TEC Adds Employee From Olton

Joe Castillo, Olton, is the newest member of the Texas Employment Commission Farm Placement Office in Muleshoe. This announcement was made this week by the manager for the TEC in this area, I.V. Ferguson, Lubbock.

Castillo will be an interviewer in Muleshoe. He is the son of Mr. and Mrs. A.C. Castillo of Olton and is presently commuting from his Olton home. He is single. Castillo graduated from Olton High School, where he was All-District fullback on the Mustang team for two years. He attended South Plains College in Levelland two years, studying agricultural education. He served in the U.S. Army, Fourth Infantry Division in Vietnam, where he was awarded the Purple Heart, two commendation medals, and was recommended for the Bronze Star medal.

The Muleshoe office serves farm employers in Bailey County and the southern part of Parmer County. The local office is managed by Lonnie Merriott and Mrs. D.O. Burlesmith is responsible for the clerical duties.

Merriott stated Castillo would be a welcome asset to the Muleshoe office and extended an invitation to farm workers and employers to get acquainted with the new TEC member. The office is located at 210 South First Street in Muleshoe, telephone 272-3260.

At a regular meeting of the Provisional Directors of the Bailey County Hospital District Monday night, an election was called for the formation of a Bailey County Hospital District and approval of a \$950,000 bond issue for constructing and equipping a new hospital in Bailey County using local and Hill-Burton funds. The election was set for Saturday, May 16.

On the ballot on May 16 will be two propositions for county voters to consider. First will be "The creation of Bailey County Hospital District, providing for the levy of a tax not to exceed 75 cents on each \$100 valuation, upon all taxable property situated within said district, subject to hospital district taxation, for all hospital district purposes" and the second proposition states "The issuance of \$950,000 bonds."

This action was taken following more than two years of intensive study by the provisional directors and interested persons who have attempted to develop some means of acquiring a new hospital facility.

The directors first attempted to establish a hospital authority and obtain funds from Housing and Urban Development (HUD) to build the hospital. They explored this possibility which seemed at the time to be the simpler way. After 10 months of study all possibilities along that route were exhausted.

A change in government policy eliminated any chance for funds from this federal agency, as funds for a hospital under the hospital authority no longer exist, except in certain circumstances, under which the local group did not qualify.

Last year, the State Legislature passed the necessary bill enabling the Bailey County Hospital District to exist. With the passage of the legislation, the way was cleared to have the election by the people of the county to establish a hospital district.

More than two years ago, although many Muleshoe and county people were not aware of it at the time, the local hospitals faced a crisis. At the Cont'd on Page 2, Col. 1

Mayor Named; School Board Duo Re-Elected

Voters turned out in light numbers Saturday to name a mayor and two members to the Muleshoe Independent School District School Board.

A total of 88 votes were cast in the city election with sole candidate Irvin St. Clair receiving 81 of the votes. The other seven votes were for write in candidates.

Dr. Charles Pummill received 69 write in votes in the school board election. Some 492 voters went to the polls in the election and 91 voters vote absentee, for a total school board vote of 553.

Incumbents Dr. Charles Lewis with 398 votes and Joe Embry with 473 votes were re-named to the school board for another term. Dr. Lewis is pre-Cont'd on Page 2, Col. 8

Jets' Don Maynard Three Way Speaker

Don Maynard, wide receiver for the New York Jets, will be special guest speaker at the Three Way Annual Athletic Banquet Saturday, April 11 at 7:30 p.m. in the Three Way cafeteria.

The 10 year veteran of the New York Jets is a native Texan and attended Three Way School in junior high. He received Jersey number 13 while playing basketball at Three Way and has continued to wear number 13 while playing at Texas Western where he was an offensive standout. time, there were two hospitals in Muleshoe, Green Memorial Hospital and West Plains Hospital. A non-profit organization was formed and the organization bought both hospitals and consolidated them at West Plains, renaming the hospital West Plains Memorial Hospital.

The consolidation was made because Green Memorial Hospital did not qualify for federal hospital programs, due to the structure of the building.

Now, the people of the area are facing another crisis. There is a very distinct possibility that Muleshoe stands to lose the doctors presently in the town and there will be slight chance of getting additional doctors due to a lack of more comprehensive and modern equipment and facilities in the existing hospital.

Some of the things cited by the directors include rooms too small for working with patients, such as setting up IV stands, putting in oxygen bottles, adding necessary carts and trays to work; no room to move hospital stretchers in and out of rooms or to remove patients to a bed; too narrow doors; no intensive care rooms such as for cardiac patients; no surgery recovery rooms; outdated, inadequate or lacking equipment to work with; and inadequate bathroom facilities.

Local doctors say they are hampered by the lack of mod-

ern equipment and cannot effectively treat patients and efforts to secure additional doctors have been hampered by lack of facilities.

When federal inspections are made periodically, according to the directors of the hospital district, the hospital is given a list of improvements which need to be made. In spite of recent improvements, there are still problem areas of the hospital, especially in the east wing and the corridor area.

If the bond issue passes, the present hospital would serve the people until the new facility would be completed. At that time, the present hospital would be converted to a nursing home. The existing hospital could no longer operate as a hospital with a new hospital in the area.

Stressed during the meeting was the fact that the federal government does not make money available to rehabilitate or remodel an old hospital. Thus, a new facility must be built in order to qualify for Hill-Burton funds. The Hill-Burton funds are a grant which does not have to be repaid. They match local funds for the construction and equipment of a new hospital.

During the past few years, several counties in the area have adopted the Hospital District means of acquiring new hospitals. Included are Donley, Floyd, Lubbock, Lynn, Swisher, Wheeler (with two districts), Motley, Potter, Ochiltree, Garza, Terry, Wilbarger, Cochran, Moore, Castor and

Childress counties. Donley County voters approved their new hospital district approximately two weeks ago.

The plans for the new hospital call for expenditures of \$1,850,000. This would be financed with local funds through taxes and matched by a Hill-Burton federal grant. Locally, \$950,000 would be approved in bonds for construction of the facility.

The present tax plan for the new hospital district calls for a 50 cent per \$100 valuation on a \$32,000,000 assessment in compliance with a ruling by the attorney general. The hospital district would be a separate taxing entity, with all assessments and collections being handled by a tax collector for the hospital district.

Based on the county assessed value, tax would be as follows: On a \$40,000 home, \$50; \$30,000, \$37.50; \$20,000, \$25; \$10,000, \$12.50; \$5,000, \$6.25; a good irrigated 160 acre farm, \$45 and a dryland 160 acre farm, approximately \$20.

Absentee voting will begin on April 27 and conclude on May 12. All persons desiring to vote absentee may vote in the office of Hazel Gibbreath, county clerk.

Eligible to vote is any property owner who has property subject to taxation in the hospital district, which is bounded by the county lines of Bailey County. Due to a supreme court ruling, two voter boxes will be at each polling place in the

county on election day. One box will be for properly registered, taxpaying property owners of the county and the second box for registered voters who are not property owners in the county.

Polling place for boxes One, One A, Two and Three will be at the Muleshoe City Hall. Ernest Kerr is election judge and Jeff Peeler, alternate judge. Boxes Four, Five and Six will vote at the Needmore Community Building at Needmore. Election judge is Mrs. Rudolph Moraw and alternate judge is Mrs. Hal Phipps.

said no special awards will be given during the banquet as most of the time will be devoted to Maynard. He commented that athletes who received jackets have already been presented their jackets and other awards will be presented in a later assembly.

The coach said that although the banquet will be to honor high school and junior high school athletes tickets will be available for other interested individuals who would like to attend the banquet.

It is suggested that interested individuals check with the Three Way School or call Maple Exchange 927-3167 about the availability of tickets. The coach added that he thought tickets will be available for just about everyone who would like to attend the banquet and hear Maynard speak.

Future Homemakers of America was founded in 1945 and during its existence of 25 years, its programs have served some fifteen million students by broadening the Home Economics education programs and providing opportunities for improving personal, family and community life.

In conjunction with the National Objectives, the theme chosen for the 1970 state meeting for the Texas Association of Future Homemakers to be held in Austin, April 24-25, 1970, will be "Our World-To Know, To Care, To Do."

More than 5,000 members and advisors representing 76,000 members in 1,600 chapters across the state are expected to attend the meeting.

Keynote speaker will be Dr. Jane Vincent, Counseling Psychologist at the Testing and Counseling Center, the University of Texas at Austin. She will speak on the convention theme.

The Texas Association of FHA is sponsored by the Home-making Division of the Texas Education Agency with Mrs. Elizabeth Smith serving as director and Mrs. Betty Romans as State advisor.

BUSY FIREMEN--At mid-afternoon Sunday, fire broke out in a bunkhouse at Hartley Dairy on FM 1760 west of Muleshoe. Pictured here are members of the Bailey County Volunteer Fire Department chipping out a section of ceiling in the smoke-filled bunkhouse in order to reach smoldering embers in the ceiling of the structure. Three sons of dairy employee W.H. Pease were sleeping in the bunkhouse, but were not in the structure at the time of the fire.

sident of the board.

Fifteen other persons had 40 write in votes in the school board election, to make a total of 109 write in votes.

Included were Charles Bratcher, one; Neal Dillman, one; Jake Saylor, two; Hanev Poyner, four; Jimmie Dale Black, one; Jane Griffiths, two; Darrell Turner, seven; George Chapman, three; Don Harmon, six; Delbert Berry, five; Max King, one; Jimmie Crawford, three; Donald Harrison, one; Jerry Gleason, one and Arvis Grogan, two.

Ernest Kerr served as election judge in the school board election.

According to an election official, votes cast in a Texas school trustee election can be counted at anytime an election judge so desires.

Writes are counted by hired vote counters and the ballot boxes and stub boxes are locked and kept in a safe in the school administration office until the next regular school board meeting when the votes are canvassed. Unless there is a close election or the election is contested, the stub box is not opened and is destroyed, along with the ballot box, six months later by school officials.

Anyone who wants to be a watcher at a school trustee election must apply to the school board prior to election day, according to Texas Election Laws.

It was also noted that Spanish-speaking people can request that the school board have an interpreter at the polls. Election officials requested that in future elections, voters have their registration slips with them when preparing to vote.

Self-control is a virtue that individuals recommend to their friends.

John Tower United States Senate COMMITTEE ON ARMED SERVICES

This past week I have introduced legislation in the Senate which would relieve the National Labor Relations Board of its current judicial functions and return that responsibility to the federal courts.

The National Labor Relations Board, commonly known as the NLRB, was established by an Act of Congress 35 years ago. It is comprised of five members and is currently charged with hearing cases of alleged unfair labor practices and with the administrative handling of union representation elections.

The National Labor Relations Act of 1935 was designed to guarantee to employees the right to organize without employer interference and to impose upon employers the duty to bargain in good faith with chosen representatives of their employees. It was a worthy effort.

In passing the Act, Congress delegated quasi-judicial powers to the NLRB to put into effect specific labor policy. It is the stated policy of Congress that employees have the right to organize and that individual employees at the same time have the right to choose not to join a labor organization.

In exercising its power the Board has ignored the latter part of this Congressional policy and proceeded on a self-directed course.

Congress has had 35 years in which to assess the degree of faith used by the NLRB in implementing Congressional policy. In my opinion we can only conclude that the Board has not fully carried out Congressional policy.

The Board has behaved as if it were an extension of organized labor. A set of hearings on this matter conducted by the Senate's Subcommittee to protest the tenor of the actions of the Board. Endless cases were cited which would have convinced even the most die-hard of the Labor Board's champions that labor policies enunciated by Congress have been ditched in favor of divergent approaches formulated by members of the Board.

There is no question in my mind about the objectivity of these witnesses. Those testifying presented cogent arguments to back up their contentions. The general opinion which emerged substantiated what had been an open secret among all who must deal with the Labor Board. That is that the principle of free employee choice has been subverted by the Board's obvious preference for a policy of enforced unionization.

All this reflects adversely on Congress since the Board was established by Congress. I believe it is now up to Congress to take the action necessary to insure that its own policy is properly implemented.

The current structure of the NLRB directly involves the Separation of Powers concept set forth in our Constitution.

One of the major political innovations of the Twentieth Century, and one which remains an experiment, is the delegation of Congressional power to so-called independent agencies such as the NLRB. These independent agencies derive their power from Congress and their functions are often legislative, executive and judicial in nature. We favor Separation of Powers in our government and yet we have found no way to impose this structure on our regulatory agencies. The success of the regulatory experiment generally is still an unanswered question. But our experience with the National Labor Relations Board has not been favorable.

My bill would separate the administrative and judicial functions of the NLRB by transferring the jurisdiction of the trial of unfair labor practice cases to the Federal District Courts. It would give complainants the alternative right to present their own cases before the courts or to have such cases presented for them by a

U.S. Attorney. The Federal Court had this jurisdiction before Congress established the National Labor Relations Board.

I expect that some will argue that labor relations is such a complex field that cases in this area must be considered by men of particular expertise. I do not believe, however, that labor relations is any more complex than a large number of other complex fields with which the judiciary is called upon to deal on a regular basis. Federal judges are called upon to decide extremely complex cases in the areas of finance, medicine, psychiatry and numerous

other fields. Judges do possess expertise in the art of administration of the law. That is the only expertise which is either necessary or even desirable. To make a valid judgement, it is only necessary to take due consideration of the facts, including the testimony of competent expert witnesses, and to apply the law to those facts.

My bill would place jurisdiction for deciding unfair labor practice cases where it actually belongs -- in the courts.

Water Conservation Stalled On Moon And Viet Nam

Ross Goodwin said he had no new developments in water conservation to report from his recent five days in Washington, D.C., as a state delegate to the National Rivers and Harbors Congress. Emphasizing need for patience and continued cooperation among citizens in getting effective action towards preserving water for future use, he said Representatives Mahon, Pogue and Price assured the Texas delegation of their understanding and support.

Senator McClelland noted in an address to the delegations that 106 billion dollars had been spent since 1966, on Vietnam involvement, while only 4.2 billion had been allocated for preservation of water resources in the nation, or about four percent budgeted for domestic conservation. While many Bureau of Reclamation projects have been approved by Congress, in recent years, very little money had been appropriated to complete those in progress, or get new ones started. Much is being said about environmental and ecological crises of immediate and future nature, but little is being done to correct or forestall them, over the nation.

An unidentified authority in the Bureau of Reclamation commented that in the history of the Bureau of Reclamation, there had been 408 projects approved, and only a small percentage had ever been completed. Further, he said, if it had the money it took to put the men on the moon, all 408 projects would now be finished, and enough money would be left to build the Texas project.

Until the country's attention is centered on what is happening to water resources, and the danger facing it within the next ten years, or less, Goodwin said, "the main thing people need to do is to conserve what water we have, because imported water will be slow to get here, as I see it."

Progressive Homes Club Aids

The Progressive Homes Club, represented by their President, Mrs. Ray Black, has presented the Muleshoe Nursing Home with hand made terry cloth aprons for the use of the residents. Also, the club has collected a number of towels for the Hospital Auxiliary, as well as furnishing a lace table cloth for birthday parties for Nursing Home celebrants.

Vows Exchanged Stratton-Fithen

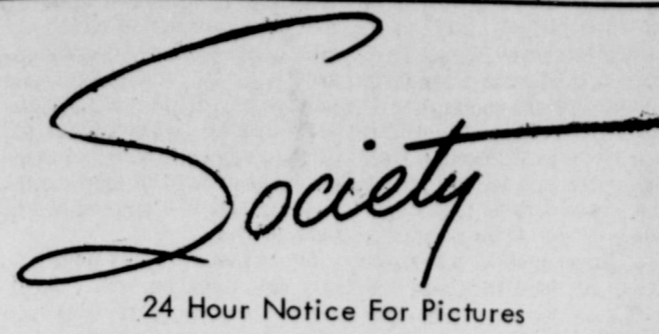

Miss Phyllis Marie Stratton and Johnny Keith Fithen exchanged double ring wedding vows at 8 p.m. March 26 in the First Baptist Chapel in Amarillo. The Rev. Wayland Boyd officiated, Susan May, organist, presented nuptial music. Parents of the couple are Mr. and Mrs. H.L. Stratton of Muleshoe and Mr. and Mrs. Albert Fithen of Claude.

Given in marriage by her father, the bride wore a street length empire A-line gown of white peau de soie overlaid with lace and a short chapel veil.

Miss Judy Guley of Amarillo was maid of honor, Howard Fithen served his brother as best man.

Mrs. Fithen is a 1967 graduate of Muleshoe High School and is employed by the American Quarter Horse Association of Amarillo.

Fithen is a 1964 graduate of Claude High School and attended Clarendon Junior College. He is presently employed by Pan-Text Plant in Amarillo. They will be at home in Amarillo.

Shall We Dance

A band from Earth, and about 170 teenagers to dance to it, had the Muleshoe Youth Center swinging, Saturday night. It is located at 1500 Ave. B, and under the joint direction of a Youth Board and Adult Board, both consisting of 20-25 members, it furnishes year-round dances on Muleshoe Saturday nights.

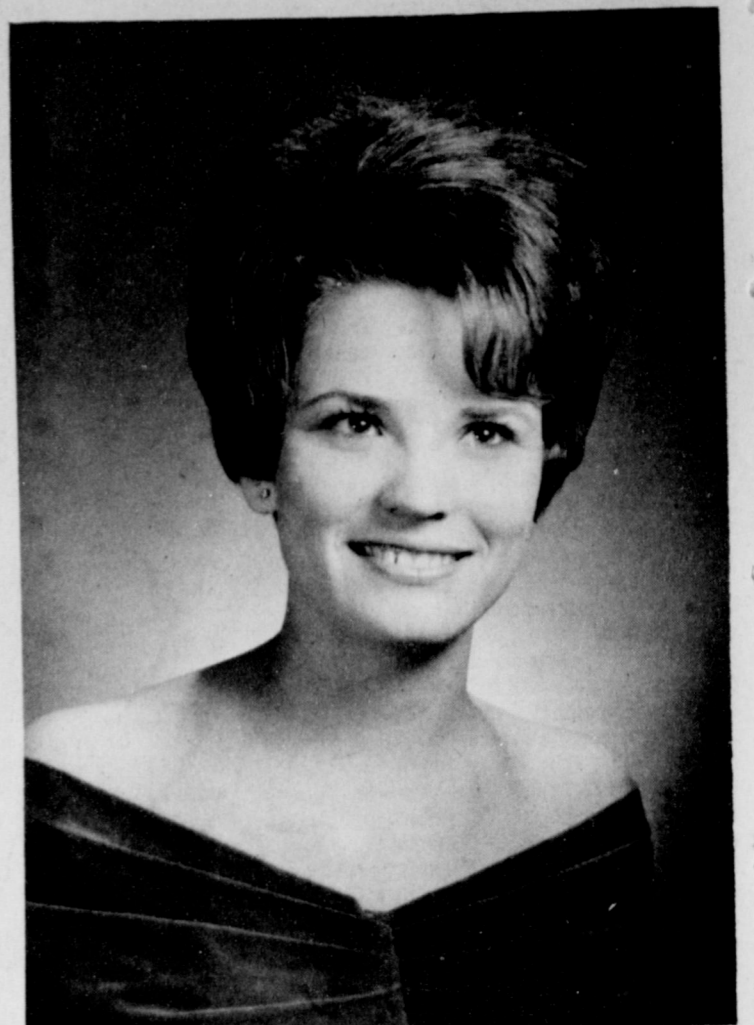

Eighth graders and up may attend these dances. Admission is \$1.50 per person, and they start at 8 p.m. and end at 12. The Youth Board meets, and requests the Adult Board to schedule them. Dance bands are selected by the Youth Board.

There will not be a dance on Saturday, April 11, and two dates will be skipped in May, because of term end school pressure on the students. A dance each Saturday night during the summer months is planned. New boards will be elected during May. A membership drive will begin for season cards. Dancers come from Lazbuddie, Circleback, Earth, Three-Way, Amhurst, Sudan, Muleshoe, a few from Littlefield and some from Clovis.

Each dance is sponsored by three adult couples, plus two Adult Board members. The Center has a Charter and By-laws governing policies concerned with dress, deportment. Teenagers attending are required to register at the door, with Adult Sponsors, and no smoking is allowed inside the building. As they leave the ballroom, dancers must sign out with the Adult Sponsors. Once "signed out", there is no readmittance for anyone.

With the presence of adult sponsors, and the desire of the dancers to keep the Saturday night teen dance going, this offers enjoyment in good surroundings for the young of this area.

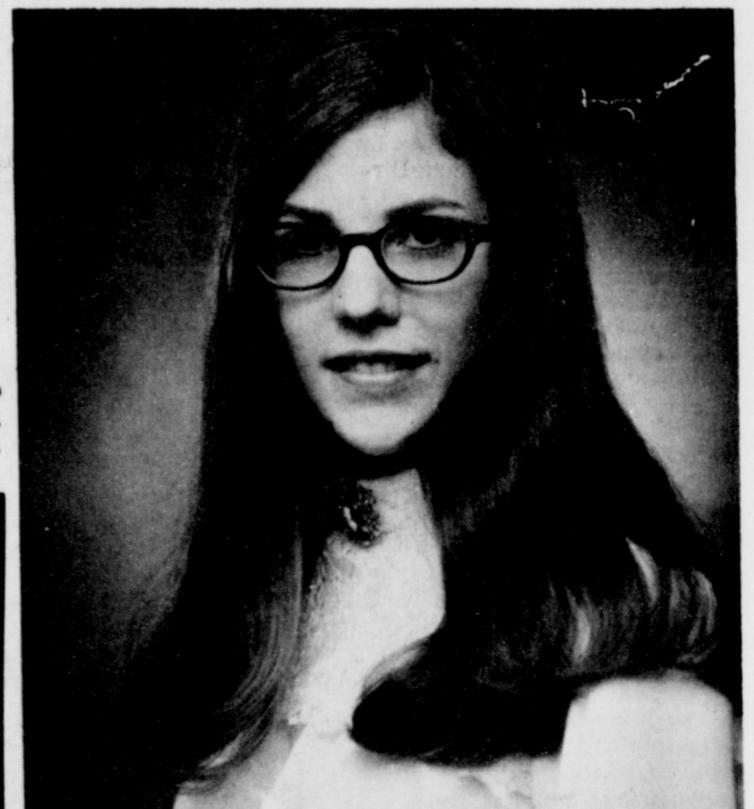

Mrs. Dorothy Green, who has served as an Adult Board member for the last five years, said she was proud of the fine record of good behavior Muleshoe Youth Center has maintained. She said there had been very few instances of need for reprimanding any of the many dancers who had passed in and out its doors, and believes it furnishes about the only continuous local entertainment Muleshoe offers its youth. She added that parents may call during a dance, or look at the ingresses registers kept by the Center, at any time. Shall we dance?

Engagement of Tanya Kay Horton, daughter of Mr. and Mrs. Raymond Horton, Sr., to Johnny Euell Embry, son of Mr. and Mrs. Joe Embry, has been announced by her father. Miss Horton is a 1968 graduate of Wellington High School, and at present is a Sophomore majoring in Business Education at West Texas State University. Embry is a 1968 graduate of Muleshoe High School, presently a Junior at West Texas State University, majoring in Agriculture Business. Mr. and Mrs. Horton, Sr., are residents of Wellington, Texas, and Mr. and Mrs. Embry are of Muleshoe.

Taylor-Blackwell Wedding

Donna Sue Blackwell and Kenneth Reed Taylor were married in an informal, double ring ceremony by Rev. Jack McCormick, Sunday, April 5, in the Church of Christ at 16th and Avenue D, Muleshoe, Rev. McCormick is from Littlefield. A reception for friends and members of the two families followed the wedding in the home of Mr. and Mrs. C.L. Taylor, parents, of the bridegroom, at 614 Austin Street. Mr. and Mrs. Carroll Blackwell, of Earth, are parents of the bride. The wedding cake served as centerpiece, and a design of carnations decorated the registration table. After a short trip, Mr. and Mrs. Taylor will live in Level-land, where he is attending South Plains College as a music major.

Mr. and Mrs. Albert Borgmier of Smithville, Missouri announce the engagement of their daughter, Kathryn Lynn, to Mr. Robert G. Jennings of Kansas City, son of the late Mr. G.O. Jennings and Mrs. D. Warner of Pittsburg, Mo., formerly of Muleshoe, Miss Borgmier, a graduate of UMKC, is completing her Master of Arts Degree in Library Science at the University of Missouri-Columbia. Mr. Jennings is completing his Master of Science Degree in Zoology at the University of Missouri-Kansas City. An August wedding is planned.

non. A P-TA spokesman said, "P-TA was organized in Muleshoe for the purpose of meeting any need seen for the good of the children.

"Purposes are to promote the welfare of children and youth in home, school, church and community; to raise the standards of home life; to secure adequate laws for the care and protection of children and youth.

"To bring into closer relation the home and the school, that parents and teachers may cooperate intelligently in the training of the child, and

"To develop between educator and the general public such united efforts as will secure for every child the highest advantages in physical, mental, social and spiritual education."

In 1960, it was decided to divide the Muleshoe P-TA and include Mary DeShazo Elementary School, Richland Hills Elementary School and Muleshoe Junior High School.

Mrs. Eugene Black was named president of the first P-TA at Richland Hills and Mrs. Frank Ellis was named president of the newly reformed Mary DeShazo P-TA on September 19, 1960.

The Junior High School P-TA was never formed. Among the many projects by

the Mary DeShazo P-TA are providing lunch tickets for children; having bicycle stands constructed; hostessing chili suppers; providing courses in the new math; providing school playground equipment; sponsoring the HEAF tuberculosis tests for students; making teacher lounge improvements and sponsoring Red Cross first aid courses.

Richland Hills P-TA sponsors the school safety patrol; handles typing and registration duties at the first of school; does fill-in to release teachers for other immediate necessities such as special tutoring of a child or children; has teacher appreciation teas and dinners; provides playground equipment makes improvements in the teacher lounge and many other extra-curricular activities such as providing breakfast for special education classes and sponsors a Cub Scout Pack.

Both P-TAs have won many ribbons and honors for their history books and yearbooks. Both organizations have numerous superior ratings for their record books of the 'happenings' in P-TA in Muleshoe.

Many out of town speakers are acquired for the regular monthly meetings of the Parent-Teacher Associations. Topics by the speakers range from 'Home Life' to 'Narcotics'. Timely and explicit discussions are held discussing every phase of educating the child.

Three 4-H Girls Win District Show

Belinda Throckmorton, Pamela Vinson, and Susan Head, all juniors in the Y-L 4-H Club placed in blue ribbons at the District Foreign Food Show, Saturday, at Tech.

Red ribbons were awarded Vowery and Danita Throckmorton, Linda Head, and Diane Crawford, seniors, of the Y-L group. Judging was very strict, with first and second place scoring only a half point to one point between, in some instances. Red ribbons awarded were in the grade range of 80-90.

Every county in this district competed. Bailey County had three seniors and four juniors. A very small percentage of contenders received blue ribbons.

Tani Murrah, a junior leader, assisted in carrying on the Food Show, and presenting awards, for the first time.

Four outstanding 4-H girls from District Two of the Texas Agricultural Extension Service were named Saturday (April 4) to compete in the State 4-H Food Show at Texas A&M University on June 4.

The girls were winners in the senior division of the District 4-H Food Show held at

the Texas Tech Student Union. Selected tops in each of the four food categories were Cathy LaRoe, Swisher County, meat; Teresa Butler, Lubbock County, milk; Joan Crawford, Howard County, fruit and vegetable; and Cynthia Caswell, Hockley County, bread and cereal.

Each of these girls will have a chance to compete for a \$500 scholarship given by the Fant Milling Co. in each of the four food categories at the State Show.

Top winners in the junior division at Saturday's show were Natalie Berryhill, Terry County, milk; Debbie McCauley, Swisher County, bread and cereal; Patty Peugh, Howard County, meat; and Kayla Gaskins, also of Howard County, fruit and vegetable.

Other blue ribbon winners and their counties in the senior division were as follows: bread and cereal—Carla Perry, Howard; Delilah Young, Gaines; Sue Cowdrey, Garza; Sandy Woods, Swisher; Carmin Gregg, Terry; milk—Phyllis Winn, Howard; Phyllis Kennedy, Garza; Charlotte Hegi, Hale; Cathy Parker, Swisher.

Meat—Rebecca Well, Hale; Debra Cantwell, Briscoe; Linda Moody, Dawson; Denise Carpenter, Hockley; Debra Buchanan, Howard; Debra Gates, Lubbock; Barbara Tate, Scurry; Judy Powers, Terry; fruit and vegetable—Gayle McMenamy, Lubbock; Judy Bird, Gaines; Rebecca Baumgardner, Hale; Becky Carpenter, Hockley; Lou Alice Mathis, Scurry.

Blue ribbon winners in the junior division were the following: bread and cereal, Tricia Jackson, Howard; Pam Vinson, Bailey; Sharla Rogers, Hockley; Lynda Maunder, Lubbock; Keith Swinney, Lynn; Cindy Gregg, Terry; milk—Mary Kay Hunt, Howard; Bobbie Briggs, Borden; Deborah Young, Cochran; Ann Poe, Dawson; Pam Martin, Gaines; Melinda Hufaker, Hale; Belinda McAnelly, Lubbock; Catherine Parker, Swisher; Tommy Guy Box, Yoakum.

Meat—Kerry McClendon, Hale; Belinda Throckmorton, Bailey; Janice Davis, Borden; Becky Francis, Briscoe; Judy Wilson, Dawson; Renee Foshee Gaines; Nancy Reno, Garza; Deborah Walters, Lubbock; Jana Adams, Lynn; Sue Ann Beach, Mitchell; Darlene Dixon, Swisher; fruit and vegetable—Gyna Tomison, Hockley; Kathrina Reid, Dawson; Dicky Hartman, Yoakum, Larry Hand, Lubbock; Brenda Parker, Swisher; Bev Owens, Gaines; Susan Head, Bailey.

table—Gyna Tomison, Hockley; Kathrina Reid, Dawson; Dicky Hartman, Yoakum, Larry Hand, Lubbock; Brenda Parker, Swisher; Bev Owens, Gaines; Susan Head, Bailey.

Easter Vacationer

Mr. and Mrs. Joe Damron attracted a family gathering at their vacation home at Rockport, last week. From Muleshoe were Mr. and Mrs. Sam Damron, their daughter Dana, and Mr. and Mrs. John Smith, who went together, Friday, March 27, and returned Thursday, April 2. At Rockport, they were joined by Mr. and Mrs. Jim Reese and family, of Odessa; Mr. and Mrs. Jim Mal-lory, and daughter, Robin, of Tyler; and Mr. and Mrs. Terry Hutton, of Lubbock. The weather was reported to be cold and windy, adversely affecting water sports, but the spring countryside was pleasant, at- tending either or both of the services that day.

"Chester Clay Beavers will bring the morning message at 11 a.m. concerning 'Christ and Today,'" he commented, "I would like for everyone to at- tend and hear this stirring mes- sage by this dedicated young Christian man of our com- munity."

He said young Beavers would also conduct the evening ser- vices at 7 p.m., and a thirty minute color film entitled "En- counter With God" will be shown.

Rev. Swope concluded, "Re- freshments will be served fol- lowing the evening services. Everyone in the area is wel- come and the hand of friend- ship is extended anyone who would care to attend."

ROEL ROBLEDO
Born to Mr. and Mrs. Javier Robledo, Muleshoe, a boy, April 3, at 5:50 p.m., weighing nine pounds, two ounces, and named Roel Robledo. He is the young- est of seven other children.

DAVID DAVILA LOPEZ
Mr. and Mrs. Baltazar Lopez of Goodland are parents of a boy, weighing eight pounds, eight ounces, born April 3, 1:06 p.m., and named David Davila Lopez. He is their second child, (West Plains Hospital).

Argument Stopper
Two opposing political can- didates argued on a busy street, while a crowd of spectators listened.

"There are hundreds of ways of making money," one of the campaigners declared, "but only one honest one."
"And what's that?" jeered the other.
"Ah, ha!" rejoined the first. "I thought you wouldn't know!"

Sunday Fun

All it takes to have a ball, is get the gang together for a super-charged Sunday, ac- cording to a laughing Mrs. Duane Seay. With their chil- dren, the Clarence Christians, Curtis Walkers, Ronnie Spies, along with occasional others, the day was a mixture of din- ner, tennis, motorcycling over sandhills, a big supper and home-made ice cream. It added up to enough fun to last through Monday.

Calvary Baptist Sets Special Youth Sunday

Youth Sunday is being ob- served Sunday, April 12, at Calvary Baptist Church in Muleshoe, according to an an- nouncement by the pastor, Rev. Bill Swope. He extended an in- vitation to all youth in the area to attend either or both of the services that day.

"Chester Clay Beavers will bring the morning message at 11 a.m. concerning 'Christ and Today,'" he commented, "I would like for everyone to at- tend and hear this stirring mes- sage by this dedicated young Christian man of our com- munity."

Senator Herman Talmadge (D-Ga.), a member of the Senate Committee on Agriculture and Forestry, has come forth with an interesting and some- what different approach to some features of cotton legislation.

The Senator, whose name has long been prominent among friends of the cotton industry, has printed a draft of what he calls "Talmadge Amendments- For Discussion Purposes Only," which offers some unique possibilities in the area of producer income from the government loan and price sup- port payments.

The draft calls for payments to be made on a national allot- ment of sufficient size to pro- duce a "normal supply" of cot- ton. Normal supply is defined as an amount which, when added to the carryover and cot- ton imports, would equal do- mestic and export consumption plus a 50 percent allowance for carryover. It is also stipulated that for 1971 and 1972 the national allotment could not be less than the domestic allotment for 1970, which comes to 11.1 million acres.

Under the Senator's draft, so long as the acreage allot- ment remained at 11.1 million acres, the per pound pay- ment rate plus the loan would have to equal 37.05 cents, the same as the sum of the two rates for 1970. If the national al- lotment dropped below 11.1 mil- lion acres the payment rate would be increased to the end that the total amount of loans and payments would remain constant.

By the same token, if the al- lotment were increased, the payment would be decreased.

In other words, the national allotment multiplied by the pay- ment rate would always give the same result, whatever the na- tional allotment for a given year.

For example, assume a loan of 19.05 cents per pound in 1971. The payment rate for that year would have to be 37.05 cents minus the loan, or 18 cents.

Presumably the part of the payment made on the actual yield in the year for which the payment is computed would be delayed until after harvest when

the producer could prove the amount of his production. Also, it would appear that if the crop were lost, the producer would get paid only on 50 percent of his previous three years aver- age yield.

On the matter of a payments limitation -- which many con- sider to be an inevitable fea- ture of any new farm program-- Senator Talmadge suggests as one possibility the same gradu- ated scale limit included in the Administration's latest pro- posal. But he offers an alterna- tive.

The limit set out by the Ad- ministration would begin at \$20,000, reduce by 10 percent payments from \$20,000 to \$40,000, by 20 percent payments from \$40,000 to \$60,000, by 30 percent from \$60,000 to \$80,000 and so on until the maximum payment to any pro- ducer would be \$110,000.

The other possibility outlined by Senator Talmadge is appar- ently patterned after the Sugar Act and carries a per-pound re- duction of payment which goes up as total production goes up. The full payment rate would apply to the first 50 bales. On production from 51 bales to 100 bales the payment would be re- duced by one cent per pound; from 101 bales to 300 bales it would be reduced two cents per pound; from 301 to 500, three cents; from 501 to 1,000, four cents, and production above 1,000 bales would be supported at five cents per pound below the base rate.

Also, as in the Sugar Act, payments under this section would be conditioned on com- pliance with certain child labor and wage rules, including a re- quirement that all workers be paid wage rates "not less than those that may be determined by the Secretary to be fair and reasonable."

Senator Talmadge in effect proffers a blend of the three. Payments would be made on a yield determined by adding (1) 50 percent of the actual average yield of the acreage planted within the allotment, plus (2) 50 percent of the actual aver- age yield of the acreage for the three preceding crops, adjusted for abnormal weather condi- tions or other natural disasters.

Presumably the part of the payment made on the actual yield in the year for which the payment is computed would be delayed until after harvest when

Meet the Muleshoe State Bank Customer of the Month

Joe Harbin, bank customer of the month, was not quite ready to have his photo made when this picture was snapped. He is really a pretty nice guy and don't think he would intentionally stick his tongue out at the photographer. Harbin and his wife, Clara, live 7 miles northeast of Muleshoe with their daughter, Betty, 18. Their son, Billy, is a student at Tech. The Harbins attend the 16 & D Church of Christ. Harbin is Member Services Director for Bailey County Electric Co-operative Association. He said he had banked at the Muleshoe State Bank since 1950 and "I'm well satisfied with the banking services here. They have always treated me well. The Muleshoe State Bank is proud to recognize this customer of the month."

Impala '400' Sale.

You save when you buy it. You save when you drive it.

When you buy any Impala V8 model during our "400" Sale, here's how you can get two popular extras at no extra charge.

You order your Impala equipped with a Turbo Hydra-matic transmission, radio, Comfortilt steering wheel, front and rear bumper guards and white stripe tires. Items you'd probably order anyway.

Then we add our big 400-cubic-inch V8 at 265 hp that runs on regular gas, along with dual exhausts—both at no charge. (The manufacturer's suggested retail price including Federal excise tax for the regular fuel 400 V8 and dual exhausts is \$93.75.)

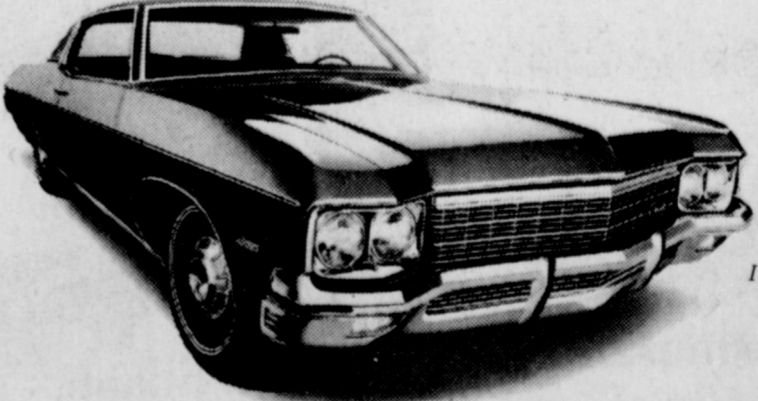

But that's only the beginning. Because your Chevrolet dealer is really anxious to deal these days.

And the Impala you're buying, of course, got to be America's No. 1 car, because of all the value features built right in. Features like flush-and-dry rocker panels that fight rust. Inner fenders to protect the outer fenders. Long lasting bias belted ply tires, steel guard beams in every door for added protection, an acrylic lacquer finish over its solid Body by Fisher.

All of which contributes to Impala's traditionally high resale value, too.

You're getting America's No. 1 car on sale. The car more people buy—year after year after year.

How can you beat that?

Putting you first, keeps us first. CHEVROLET

area of the proposed Bailey County Hospital District, including those who own taxable property and who have duly rendered the same for taxation, for their action thereupon, the following propositions:
PROPOSITION NUMBER 1
"SHALL the Bailey County Hospital District (with boundaries coextensive with the boundaries of Bailey County, Texas) be created and established with authority to levy annual taxes at a rate not to exceed 75 cents on each \$100 valuation of taxable property within such District subject to hospital district taxation for the purpose of meeting the requirements of the District's bonds, and its maintenance and operating expenses?"
PROPOSITION NUMBER 2
"SHALL the Board of Directors of the Bailey County Hospital District (in the event the District is created) be authorized and empowered to issue the bonds of said District to the amount of NINE HUNDRED FIFTY THOUSAND DOLLARS (\$950,000) for the purchase, construction, acquisition, repair, or renovation of buildings, and improvements and equipping the same for hospital purposes, and for any or all of such purposes, and shall there be levied, assessed and collected annually ad valorem taxes on all taxable property in the District, subject to Hospital District taxation, sufficient to pay the principal of and interest on said bonds as the same become due (providing such tax, together with all other taxes of the District shall not exceed in any one year the rate of 75 cents on each \$100 valuation), said bonds to be issued in one or more series or issues to mature serially or otherwise not more than FORTY (40) years from their date, and to bear interest at such rate or rates as in its discretion the Board of Directors shall determine?"

SECTION 2: That the official ballots for said election shall be prepared in accordance with V.A.T.S. Election Code, so as to permit the electors to vote "FOR" or "AGAINST" the aforesaid propositions which shall be set forth in substantially the following form:
PROPOSITION NUMBER 1
"THE CREATION OF BAILEY COUNTY HOSPITAL DISTRICT, PROVIDING FOR THE LEVY OF A TAX NOT TO EXCEED 75 CENTS ON EACH \$100 VALUATION, UPON ALL TAXABLE PROPERTY SITUATED WITHIN SAID DISTRICT, SUBJECT TO HOSPITAL DISTRICT TAXATION, FOR ALL HOSPITAL DISTRICT PURPOSES"
PROPOSITION NUMBER 2
"THE ISSUANCE OF \$950,000 BONDS"
The word "FOR" and beneath is the word "AGAINST" shall be made to appear on the left of each of the propositions. A square shall be printed on the left of each of the words "FOR" and "AGAINST" and each elector shall place an "X" in the square beside the

statement indicating the way he wishes to vote.
SECTION 3: The polling places and election officials at said election shall be respectively as follows:
County Precincts 1, 1-A, 2, and 3; Polling Place, City Hall, Muleshoe, Texas; Presiding Judge, Earnest Kerr; Alternate Presiding Judge, Jeff Peeler; County Precinct Numbers 4, 5, and 6; Polling Place, Needmore Community House, Needmore, Texas; Presiding Judge, Mrs. Rudolph Moraw; Alternate Presiding Judge, Mrs. Margaret Phipps.
Each Presiding Judge shall appoint not less than two (2) nor more than four (4) qualified clerks to serve and assist in holding said election; provided that if the respective Presiding Judge herein appointed actually serves, the Alternate Presiding Judge of his polling place shall be one of the clerks.
On election day the polls shall be open from 8:00 a.m. to 7:00 p.m.
MRS. HAZEL GILBREATH is hereby appointed as the Clerk for absentee voting for said election, and the COUNTY CLERK'S OFFICE, Muleshoe, Texas, is hereby designated as the place at which absentee voting shall be conducted for said election. For the period absentee voting is permitted by law, the hours designated for absentee voting shall be from 8:00 a.m. to 5:00 p.m. on each day except Saturdays, Sundays and official state holidays.
SECTION 4: Said election shall be held under the provisions of Article IX, Section 9 of the Constitution of Texas, and Chapter 100, Acts of the 61st Legislature, Regular Session, 1969, which Constitutional and statutory provisions shall also govern the holding of the election where in conflict with the General Laws of the State regulating elections.
SECTION 5: All resident qualified electors of the area of the proposed District, including those who own taxable property in the proposed District and who have duly rendered the same for taxation, shall be permitted to vote at said election. At said election two separate ballot boxes shall be provided at each polling place. In one box only resident qualified electors who own taxable property and who have duly rendered the same for taxation shall be allowed to vote. In another box all resident qualified electors (who are otherwise qualified but do not own taxable property which has been duly rendered for taxation) shall be allowed to vote. The votes cast in each of said boxes shall be recorded, returned and canvassed in such manner as will reflect separately the votes cast by the qualified electors who own tax-

Kitchen Helper
A new maid had just arrived from the country, and her mistress was giving her a list of household requirements.
"And don't forget, Florence," she said, "we want a new griller for the kitchen."
Florence stared vacantly.
"You know what a griller is, I suppose?" inquired the mistress.
"Course I do," returned the girl. "It's a big, hairy monkey, and if you want one of those in the kitchen, I'm leaving."

Fly on a Planavin barrier between you and this year's weeds

Take advantage of the two-day leeway you get to incorporate Planavin. Have your Planavin chemical weed control barrier flown on. Properly incorporated, Planavin provides an inch-and-a-half chemical barrier within the soil that protects your crop from weeds and grasses. Aerial application makes good sense. Think back. We could have another wet spring like last year. You could be rushed. Or, perhaps you have big acreage to treat. So... take to the air. With Planavin's exclusive time bonus you can incorporate up to two days after application. Come in and see us. We'll help you get off the ground this spring. Isn't it time you changed to Planavin?

The Sandhills Philosopher

Editor's note: The Sandhills Philosopher on his Johnson grass farm considers the strike situation this week.

Dear editor:
According to all the newspapers I've seen out here lately, everybody is in a turmoil over strikes and what to do about them, and I'll get to that later, but first I'd like to point out that things are not all bad.

For instance, when a neighbor asked me why I wasn't at work, I told him I keep up with the news and was fully aware everything was at a standstill on account of the New York mail strike. My hands were tied.

They were tied again when the air controllers fouled up the airplane schedules and by the time this gets into The Journal they may be tied by half a dozen other strikes. If I miss any, let me know.

However I realize everybody isn't as adaptable as I am to work stoppages and notice that the politicians across the country are attacking the problem from every angle you can manage with a speech without ever getting around to an answer. I have thought the problem over carefully and have a suggestion.

Like things are now, nobody knows when the next strike will break out. Nobody knows in the morning whether his entire activities will be paralyzed by nightfall, if the airlines aren't struck, it could be the post office, the trucking industry, the railroads, the tractor companies, the public schools, the fire department, the police department, the sanitation department, newspapers, television stations, the long-skirt designers, the kindergartens, the colleges, and maybe even, right in the middle of the season, baseball itself.
