

## Shearing School To Be Launched Monday Morning

### Eleven Pupils Signed Up For 40 Hours Of Instruction

With eleven pupils signed up for instruction, the first shearing school in Texas will open next Monday morning at 8 o'clock at the Troy Williams ranch north of Ozona.

Conceived by the Texas Sheep and Goat Raisers Assn., under the leadership of its president, T. A. Kincaid of Ozona, the school is a joint venture of the Texas Education Agency, the Ozona Public Schools and a group of Crockett county ranchmen. Plans for the school were laid here recently at a mass meeting of ranchmen, shearers, shearing captains and representatives of the Texas Education Agency and the TS&GRA. A committee of local ranchmen named at that meeting worked out details of the school and assisted in recruiting students.

Part of the cost of instruction will be borne by the Texas Education Agency and contributions from local ranchmen will be sought to defray other costs. All shearing students who complete the course satisfactorily will be awarded a mango or shearing head with which he can go to work as a shearer in the spring season.

Rules of the Texas Education Agency require a minimum of 20 hours of instruction. The local school, first to be set up in Texas, will give approximately 40 hours of instruction, covering 8 hours each day Monday through Friday. An instructor, each an experienced shearer, will be assigned to each two drops on the machine and two students will take turns at one shearing drop, one watching while the other shears.

About 300 head of yearling rams in long wool will be furnished by Troy Williams for the week-long school. Students will be taught the technique of shearing and of wool preparation.

Pupils who have signed up so far for the school include Manuel Borrego, Jesus Hernandez, Eloy Martinez, Candelario Landin, Americo Vargas, Chi Chi Ramirez, Juan Rodriguez, Augustin Luna, Hector de Hoyos, Jose Gonzales and Jesus Sanchez.

## Reserve Champion Lamb Brings \$600 At Santone Show

### Pearl Buys Bob Childress Lamb; Prepare For Angelo Show

Bob Childress sold his Reserve Champion crossbred fat lamb of the San Antonio Fat Stock Show to Pearl Brewery for \$600.00 last Friday at the auction sale of premium winning lambs. Nine other Crockett County lambs were sold at prices ranging from 43 to 55 cents per pound.

Pam Jones, Pierce and Jay Miller won \$79.00 in prize money on nine places in the Junior Rambouillet Show. \$114.00 in prize money was won on eleven places in the fat lamb division by Bob Childress, Frank Childress, Joe Everett, Penn Baggett, Mark Baggett, and Bill Jacoby.

Pierce and Jay Miller, and Pam Jones will exhibit 16 head of Rambouillet Breeding Sheep at the San Antonio Fat Stock Show March 5-9. Four groups of commercial ewe lambs will be shown by Jay Miller, Paul Perner, Jimmy Baggett, and Herbie Noelke.

Thirteen 4-H members will exhibit 25 fat lambs at San Antonio. They are Mark and Penn Baggett, Bill and David Jacoby, Billy Troy and Larry Williams, Bob Childress, Frank Childress, Joe Everett, Jimmy Baggett, Bill Black, Howard Mock, and Bryan Montgomery.

Larry Williams will show a steer and Billy Troy and Larry will exhibit 4 registered Hereford heifers.

## Two Ozona Students To Play In All-State Band At Galveston

Becky Davidson, daughter of Mr. and Mrs. Joe Tom Davidson, and Scotty Moore, son of Mr. and Mrs. Buddy Moore, left with a group of students for Galveston where they will play with the All-State Band at the Texas Music Educators Convention, which is attended by band and choral instructors from all over the state. Gwynel Walker, daughter of Mr. and Mrs. Lefty Walker, and Joe Warren Friend, son of Mr. and Mrs. Joe Friend, also went with the group as candidates for the band. They are accompanied by Corbett Smith and Mrs. Joe T. Davidson.

The students try out at Regional contest and a certain number are selected to play in the Regional Band, and a few chairs in each section are eligible to go to All-State. Ozona has had an unusually high percentage of band students in this band for a town of its size.

Becky and Scotty have played with the band six years. Gwynel has played trumpet 7 years and Joe Warren cornet 5 years. Becky has had the unusual honor of being selected for All-State for three consecutive years. She has just received her letter of acceptance to the National Music Camp at Interlochen, Michigan, for the eight-week session this summer for work with flute, theory, and conducting.

## Fire Dept. Acquires Light Plant, Floods And Smoke Ejector

With the addition of a generating plant, flood lights and a smoke ejector during the past week, the Ozona Fire Department has now accumulated one of the best equipped trucks of any fire department in the state. Fire Chief Joe Tom Davidson announced this week.

The county has purchased a 2,500 watt generating plant and a set of flood lights for use of the department in combating fires. The plant will be useful in generating current in emergency situations and the floods, with long extension cords will be available for use in lighting interiors so firemen can fight fire at its source, thus minimizing risk to lives of fire men and damage to property. A smoke ejector, to clear burning buildings of smoke and permit firemen to get at the blaze, is another valuable addition.

In addition to use as fire fighting equipment, the generating plant will be useful in case of emergency at the hospital. Arrangements are being made to provide a quick plug-in of the auxiliary current for hospital use in case of power failure. The generating plant which generates alternating current, will be mounted on the big pumper truck in such a way that it can be quickly dismounted in case of need.

## Many Ozonans View Crime Detection Tools In Texas Crimemobile

High school students and grade school students from sixth grade up were among those who visited the Crimemobile, sponsored by the Texas Law Enforcement Foundation, which was on exhibit here Tuesday. A large number of adults also visited the interesting exhibits.

Among the scientific paraphernalia for crime detection on exhibit were the polygraph or lie-detector machine, ballistics test equipment, the drunkometer to determine the degree of intoxication, a short wave radio set described as one of the most valuable tools in the hands of law enforcement officers, and various other gadgets such as microscopes, narcotics display, weapons of police etc.

In charge of the exhibit was Bill Squier who explained the various displays. Among the displayed articles was a replica of the electric chair used at Huntsville prison for execution of condemned criminals. Mr. Squier explained that it had never actually been used for putting a criminal to death but was made by prisoners at the Huntsville prison for use of the Law Enforcement Foundation in its efforts to deter crime.

**OZONA STUDENTS TO GALVESTON** — Scotty Moore and Becky Davidson, both members of the Ozona High School Band, will play with the All-State Band at the Texas Music Assn. convention in Galveston Thursday, Friday and Saturday. Scotty plays clarinet and Becky plays the flute. Two other Ozona students, Gwynel Walker and Joe Warren Friend are also in Galveston as candidates for the All-State Band.

## FFA Set For 3rd Annual Livestock Show Here Sat.

### 106 Lambs, 2 Calves To Be Graded For Class Awards

Ozona FFA members were set at mid-week for the third annual Commercial Livestock Show, to be held Saturday, starting at 9 a. m. at the new Livestock Barn in the fair grounds.

With 106 fat lambs and two calves ready for the show and grading, this year's show is the largest to date in the history of the FFA program here, according to M. A. Barber, vocational ag. teacher.

After a 110 to 120-day feeding period, 26 FFA students will exhibit their lambs and calves to be graded prime, choice, good or feeder. For each prime lamb, the feeder will receive a blue ribbon and a cash prize of \$6. For each choice lamb, the feeder will receive a red ribbon and a cash prize of \$4. The lambs grading good quality will bring the feeder a white ribbon and a \$2 prize. If a lamb still grades feeder after the feeding period, no ribbon or prize will be awarded. Herman Carter of San Angelo will grade the lambs.

The public is cordially invited to attend the FFA project show, which will be underway from 9 a. m. to 1 p. m. A benefit barbecue dinner will be served at the barn, the proceeds to go into the local FFA chapter treasury.

No lambs will be auctioned at the local show. All will be sold, however, according to their grade, at the Producers Livestock Auction Co. sale in San Angelo on Wednesday, Feb. 26.

## Big Lake And Menard To Play Bi-District Game In Ozona Gym

Ozona's Davidson gym will be the site for the bi-district basketball game between District 7-A winner Big Lake and District 8-A champion Menard, it was announced yesterday.

The game will be played here Tuesday night. Big Lake holds a 21-9 season record and a 9-1 district mark. Menard is so far undefeated in league combat and is favored to win easily in the final game against Sonora at Sonora Friday night.

## Apprehend Teenagers Following Series Of Acts Of Vandalism

Three teenagers were apprehended by members of the sheriff's department this week following a series of acts of vandalism and breaking and entering.

The trio confessed to having entered the junior high school where ink wells were dumped and school equipment scattered over the rooms but no real property damage. Another entry was made into the Earle Chandler barn where feed sacks were ripped and stacked hay dumped. A third entry was into a servant quarters at the home of the late Mr. and Mrs. Joe North. Here considerable damage was done.

The boys and their parents are being held responsible for property damage, officers said. Several other youngsters who have been wielding air rifles to the damage of the city's street lights, also have been apprehended and are working out the amount of damage.

## Mild But Wet Weather Continues In West Tex.

Damp weather returned to this West Texas area the first of the week and a slow, light drizzle has kept the top of the ground damp all week.

Although interfering with goat shearing in the area, the moisture as always is welcome to ranchmen, with its further assurance of spring pasturage once the cold weather lets up.

## Vernon Harlan Named New Supervisor For Ground Observer Corps

Vernon Harlan has been named supervisor for the Ozona Ground Observer Corps. He succeeds T. J. Bailey, who has served in that capacity since organization of the post 18 months ago.

At the present time, the GOC program in Ozona is operated by members of the Air Force reserve squadron and several of the high school students. Sgt. F. V. Wade, sector sergeant of the San Angelo sector is now in charge of the posts in this area.

## Lions Shell Two Dist. Opponents As Season Wanes

### Ozona Cinches Second Place In Downing Eldorado, Sonora

By Ernie Boyd

The Ozona Lions shelled two district opponents into submission during the week by blasting the Eldorado Eagles 56 to 38 in Eldorado and then coming from behind to crush the Sonora Broncos 63 to 33 in Sonora.

The Lions bounced back from a poor shooting exhibition in the Menard game to hit a warm 41% of their shots in the first half of the Eldorado game and grab a 32 to 12 half time lead. Coach J. A. Peltó emptied his bench early in the second quarter and all nine players broke into the scoring column before the intermission.

Rodney Franklin led the Lion attack with 13 points but the Lion attack was well distributed with Stan Williams, Jake Young, Jerry Jacobs and Bobby Vargas all getting seven or more points.

The Ozona B team started things off right for the locals when they whipped the highly favored Eagle B team 36 to 30.

Humberto Cervantez, Johnny Cooper and Dizzy Reeves led the Lion reserves with Cervantez counting 13 points to win honors as high man.

The game was a nip and tuck affair until the final seconds but the Ozona crew dumped in five points in the last 37 seconds to win going away.

In Sonora Tuesday night the Ozona Lions turned in a torrid second half to dash the Broncos' upset hopes, and turn the game into a rout as the Lions copped their fifth district win.

After playing a 6 to 6 first quarter, the Broncos suddenly

## Ozona Junior High Cagers Win District Championship With Season Record of 12-1

By Roy Killingsworth

The Ozona Junior High Cubs closed their basketball season in Menard last Saturday by winning the District tournament. In winning they brought their season standing to twelve wins against one loss. That lone loss was to Del Rio in the opening game of the Sonora tournament. The Cubs went on from this loss to win consolation in the tournament and bring home a very beautiful trophy. The Cubs claim win over Big Lake, Menard, Junction, Eldorado and Sonora.

In winning the District tournament in Menard the Cubs first challenged Sonora for the right to meet the winner of the Menard, Junction and Eldorado games. In the Sonora game the starting five shot into a 20 point lead and turned it over to reserves who played all

## Spring Styles On Parade Saturday By Woman's Forum

### Seventy Models Will Parade New Styles For All Ages

Some seventy models, children, teenagers and adults, are set to parade the newest 1958 styles at the annual Woman's Forum Spring style show, set for Saturday afternoon at 3 o'clock, at the North Elementary school. Final rehearsal for the Pageant of Spring will be at 7 o'clock Friday night at the North Elementary auditorium.

Commentator for the show will be Mrs. Pleas Childress. Music will be provided by Joe Kreklow of Eldorado, Robin Jones and Cheryl Clayton.

A skit, "Flapper Fanny Flips," a fashion parade from the twenties, will be a feature of the afternoon program. Among the authentic 1920 styles to be modeled will be a navy georgette from the trousseau of Mrs. Clay Adams, to be modeled by her daughter, Camille. A Nemeser model, it was her going-away costume.

Another model will be Mrs. Ralph Jones wearing a black lace and chiffon tea gown of her mother-in-law Mrs. W. A. Jones of San Angelo. Mrs. Jones wore the gown at many social functions, teas and receptions, in 1922.

A beige satin trousseau dress of Mrs. Marshall Montgomery of 1929 era will be another of the fashions from the twenties. Mrs. Montgomery's entire trousseau was outdated the following year when styles made another of those drastic changes.

A maternity georgette dress will be modeled by Mrs. Vic Montgomery. The garment was from the wardrobe of Mrs. George Murphy of Burleson, Texas, Mrs. Charlie Black's mother. She wore it in 1926.

A flesh beaded georgette evening gown of Mrs. Monroe Baggett's worn to an Eastern Star tea in Amarillo in 1929 will be modeled by her granddaughter, Sally Baggett.

A red silk crepe, ecru lace trimmed, in which Mrs. Grady Mithum (Elizabeth Childress) felt smartly attired as she strolled down Fifth Avenue while a college student in New York, will be modeled by Miss Genelle Childress.

A parody of the song, "Memories," written especially for the skit

**TIME TO START SELLING**

As word of the biggest jump in unemployment since 1950 was going out to his fellow citizens over the news wires and air waves, President Eisenhower faced the news-reel and TV cameras to predict a "pickup in job opportunities" to begin in March. The mid-January report, just released, showed 4,494,000 jobless, an increase of 1,120,000 during the preceding 30 days.

A "fact paper", issued by the President with his statement, indicated that he looked to such boot-strap activities as accelerated highway, defense spending and urban renewal programs for salvation. What is really needed is for business — everybody in business — to take the strain off the seat of their pants, put it on shoeleather — and quit trying to talk a recession into a depression.

**Livestock Inventory Shows Texas' Improved Position**

**FORT WORTH** — Livestock numbers reported by the USDA in the annual inventory released at Fort Worth this week reveal the upswing in numbers of sheep and goats, and stable numbers of cattle, in Texas reflect the improved pasture situation.

The estimate reveals that on January 1, 1958, Texas had about the same number of cattle as a year ago, the numbers of stock sheep were up five percent to a total of 4,700,000 head. Texas' goat population was up two percent with an estimated figure of 2,864,000 head.

**Cattle and Calves Open Mostly Steady**

Supplies of cattle and calves were of moderate proportions at Fort Worth and all around the major market circle Monday. Trade at Fort Worth was fully steady to strong on fed cattle, bulls and high grade slaughter calves and

stockers. Plainer stocker, and medium and lower grade calves and cows showed some weakness before the session was completed.

Good and choice slaughter steers and yearlings cashed at \$24 to \$27, and common and medium offerings cleared at \$16 to \$24. Fat cows brought \$16.50 to \$18.50, and canners and cutters drew \$11 to \$17. Bulls sold mostly from \$14 to \$19, a few tippy individuals to \$19.50.

Good and choice slaughter calves at \$24 to \$27, and common and medium offerings cashed at \$17 to \$23. Cull sorts cashed at \$14 to \$17. Medium and good stocker steer calves sold from \$22 to \$27.50 with few choice to \$28. Heifer

calves ranged from \$25.75 downward. Stocker steer yearlings of medium and good quality sold from \$20 to \$25.50, and some choice 578-pound dehorned yearling steers in a load lot cashed at \$27.

**Heavy Lambs and Yearlings Weaken, Some Off \$1.00**

Sheep and lambs were in the largest supply in some months at Fort Worth Monday and packers were burdened with heavy supplies of directs, and prices turned downward. Prices ranged from barely steady to as much as \$1 lower, with heavy lambs and yearlings scaling above 100 pounds under the most severe pressure. Half-fat and rough quality offerings

shared the long end of the drop along with the heavyweights. Small numbers of good feeders was the principal factor in relatively quiet trade on those types.

Good and choice slaughter lambs cashed at \$21 to \$23.50, the higher figure on lambs with No. 1 or fall shorn pelts. A few choice milk lambs cashed at \$24. A few woolled old crop lambs sold around \$22.50 down. Yearling muttons weighing 110 pounds and with No. 1 pelts sold for \$20.50. A few aged slaughter ewes sold from \$9 to \$10. Slaughter goats cashed at \$7 to \$7.50. A few small lots of medium to fairly good feeder lambs cashed at \$19 to \$21.50.

Mrs. Richard Chelsea Kirby, Jr.  
(Shirley Ann Kost)

**Miss Shirley Ann Kost Becomes Bride Of Richard C. Kirby, Jr., In Ceremony Saturday At Ozona Methodist Church; To Live Here**

Miss Shirley Ann Kost, daughter of Mr. and Mrs. Oscar Kost, became the bride of Richard C. Kirby, Jr., in a double ring ceremony at the Ozona Methodist Church Saturday afternoon at 4 o'clock.

Rev. Leroy Russell, pastor, performed the double ring ceremony.

The bride chose a gown of white silk organza taffeta. The wide decollete neckline, outlined by appliques of Alencon lace delicately traced with seed pearls and iri-

descent paillettes, was complemented by three-quarter-length taffeta sleeves and short white gloves. The moulded empire bodice was veiled in Alencon lace. The flared princess skirt swept to a wide chapel-length train.

Her veil of imported silk illusion fell in tiers to her fingertips from a calot of Alencon lace and pleated taffeta. She carried a white Bible with white orchid and lilies of the valley.

For something old and blue, the bride wore a string of pearls which belonged to her great grandmother, the late Mrs. W. F. Coates, two diamond bracelets belonging to Mrs. Louise Coates Pyle of El Paso and antique ring belonging to Jane Adams.

The bride was given in marriage by her father. Miss Kay Sammons of Hubbard was maid of honor. Mrs. Philip Schneemann of Grants N. M., aunt of the bride, was matron of honor, and bridesmaids were Miss Wanda Carden of San Antonio, Miss Kay Barnhouse of Granville, Ohio, and Miss Jane Adams of Ozona.

Jim Dudley of Ozona attended the bridesgroom as best man. Groomsmen were Bill Rawls of Christoval, a brother-in-law of the groom, Floyd Hokit, George James and Dick Ketchum.

Mrs. L. B. Cox, III, accompanied the soloist, R. T. Oglesby of Dallas, who sang "Because" and "O Perfect Love" and "The Lord's Prayer" at the conclusion of the ceremony. Mrs. Cox also played the traditional wedding march.

At a reception in the fellowship hall of the church following the ceremony, guests were admitted by Mrs. Clark Barton of San Antonio and Miss Dollye Coates. Serving the three-tiered wedding cake and

punch were Mrs. Louise Coates Pyle, Mrs. Collins Coates, Mrs. Ford Coates and Mrs. John Coates. At the bride's book were Mrs. Bill Rawls, Mrs. R. T. Oglesby, Mrs. Johnnie Griffin and Mrs. Joe Teague. Piano music was provided by Miss Nonie Conklin.

Others in the house party were Mrs. Fleet Coates, Mrs. D. F. Coates, Jr., Mrs. Roy Coates, Mrs. R. F. Powell, Mrs. Pink Beall, Mrs. L. B. Cox, Jr., Mrs. Ewart White, Mrs. P. T. Robison, Mrs. R. L. Flowers, Mrs. Herbert Kunkel, Mrs. W. P. Conklin, Mrs. Kirby Moore, Mrs. Buddy Moore, Mrs. Max Schneemann, Mrs. Roy Henderson, Miss Mildred North, Mrs. Tom Owens of Big Lake and Mrs. Shank Bloxom of Rankin.

The couple left during the ceremony for an extended trip to South Texas and to Monterrey, Mexico. For going-away the bride wore a brown silk flannel suit with a white chiffon blouse, brown and white accessories and an orchid corsage.

Mr. Kirby, son of Mr. and Mrs. R. C. Kirby of Christoval, attended Christoval High School, San Angelo College and Draughon's Business College. He is county auditor of Crockett County.

Mrs. Kirby is a daughter of Mr. and Mrs. Kost of Ozona. She was graduated from Ozona High School and Southern Methodist University, Dallas, where she was a member of Delta Gamma sorority and Sigma Delta Pi.

Mr. and Mrs. Kirby will live in Ozona.

Out-of-town guests here for the wedding included Mrs. Louise Coates Pyle of El Paso, Mr. and Mrs. Joe Teague and Gaines of Slaton, Mr. and Mrs. Philip Schneemann, Phyllis, Linda and Stephen of Grants, N. M., Mrs. Clark Barton of San Antonio, Mr. and Mrs. Collins Coates of Sanderson, Mr. and Mrs. Ford Coates of Fort Stockton, Mr. and Mrs. R. T. Oglesby of Dallas, Mr. and Mrs. Miller Robison of Marfa, Mr. and Mrs. Henry Schooler of Big Lake, Mrs. Grace Dorsey of Big Lake, Mrs. Mary A. McBee of Christoval, Mrs. Madeline Goldwire of Sanderson and Mr. and Mrs. Johnnie Griffin of Austin.

Mr. and Mrs. Chelsea Kirby of Christoval were hosts at the rehearsal dinner Friday night at the House of Flowers. Guests included the wedding party, Mr. and Mrs. L. B. Cox, III, Mr. and Mrs. Oscar Kost, Mrs. Jim Dudley, Philip Schneemann, Rev. and Mrs. Leroy Russell.

Miss Jane Adams entertained with a bridesmaids luncheon Saturday. Guests were Miss Kay Sammons of Hubbard, Miss Kay Barnhouse of Granville, Ohio, Mrs. Philip Schneemann of Grants, N. M., Miss Wanda Carden of San Antonio, Mrs. R. T. Oglesby of Dallas, the bride and her mother, Mrs. Kost.

**"ALL I KNOW IS WHAT I READ IN THE PAPERS"**

America's best-loved humorist also was one of the best-informed persons in his time. Nothing, it seemed, escaped his notice. His comments on the passing scene were applauded and repeated by millions the world over. "All I know is what I read in the papers" became his trade-mark. Will Rogers recognized that newspapers, more than any other media, are the common source of information of all the people. The simple fact that everyone knew immediately what he was talking about provided an important basis for his fabulous popularity.

That same simple fact is just as true today as ever. Your advertising message is for all the people. But it is YOUR HOMETOWN NEWSPAPER!

### The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, Feb. 28, 1929

Averaging a speed of 68 miles per hour over a distance of 85 miles, Lee Wilson, Ozona and Big Lake dealer, driving a stock model Silver Anniversary Buick roadster, plastered defeat on a stock Studebaker President "8" in a matched race from Ozona to San Angelo Sunday afternoon. The Studebaker was beaten by seven minutes in the race against time, the Buick's time being 1 hour and 15 minutes and the Studebaker's 1 hour and 22 minutes. This is the fastest time the road from Ozona to San Angelo has ever been negotiated by an automobile. The Studebaker was driven by Herbert Haas of San Angelo.

Mildred Miller, daughter of Mr. and Mrs. Will Miller, is valedictorian of the 1929 graduating class of the Ozona High School, it was announced this week by Supt. John L. Bishop. Rachel Graham, daughter of Mr. and Mrs. N. W. Graham, won second highest honors for the place of salutatorian.

A light fall of snow which spread a thin blanket of white over the ground followed a slow rain here Tuesday night and Wednesday.

The girls' basketball team of the Ozona High School played the Sonora High School girls on the local court Monday. The score was 10 to 7 in favor of Sonora. Ozona players were Alma Johnigan, Mildred Davis, Jessie Lee Sapp, Lena May Williams, Ponk Friend, Lucille Rogers, Carolyn Montgomery and Inez Rogers.

Duane Puckett returned Thursday from Hobart, Okla., where he has been employed with a candy company.

Mr. and Mrs. George Bean are the parents of a daughter born in Corpus Christi last week.

Mr. and Mrs. Charley Davidson, Jr., are the parents of a daughter born Saturday, Feb. 23. The young lady weighed 7 pounds 9 ounces and has been named Edna Elizabeth.

Miss Ethel Kaderli and Rose Burton, teachers in the local school were shopping in San Angelo Saturday.

Mr. and Mrs. O. W. Smith and son, Massie Ray, visited friends in Miles over the week-end.

Mrs. George Montgomery is in San Antonio visiting her daughter, Helen, who is a student in Westmoreland College.

Mrs. Hillery Phillips was in San Angelo last week with her small daughter who has been ill.

From Eldorado Success: Miss Annie Marie Doty was over from Ozona Saturday and Sunday putting a little sunshine in "Kip and

Aunt Alice." Mrs. J. H. Morrison of San Angelo is visiting her son and daughter-in-law, Mr. and Mrs. Marbury Morrison. J. S. Pierce, Sr., underwent surgery in a Temple hospital Wednesday. With him are Mrs. Tom Smith, Joe Pierce, Jr., and Mr. and Mrs. Vic Pierce.

### HIGHLIGHTS AND SIDELIGHTS From State Capitol

By Vern Sanford

Texas Press Association

AUSTIN, Tex. — Money is making the biggest news in Austin at the moment.

Discussion swirls around such topics as campaign funds, unemployment, recession, taxation, receiverships and credit insurance rates — all pocket-prodding issues.

Gov. Price Daniel publicly deplored the money-raising efforts of Texas' Republican National Committeeman H. J. (Jack) Porter. Porter staged a \$100-a-plate dinner in Houston to raise money for Republican congressional campaigns. His widely publicized letter asking contributions pointed out the need to gain support for the natural gas bill now before Congress.

A hard-fought issue for many years, the bill is generally favored in Texas and other gas-producing states, but bitterly opposed in gas-consuming Eastern and Northern cities. Opponents were quick to label bribery and "selling legislation for campaign contributions." Proponents of the bill groaned. They contended that Porter had heaved a huge monkey wrench into plans for passage this session.

More Taxes? — Governor Daniel has slightly and very cautiously amended his determinedly cheerful stand about possible need for new state taxes.

He still doesn't agree with Comptroller Robert S. Calvert's chilly predictions. These are for a \$12,000,000 deficit by the end of this biennium (in 1959) and need for the next Legislature to scratch up \$100,000,000 in new revenue.

Governor Daniel said he felt the state would just about break even by 1959. But he conceded that need of a growing state might call for more money by then. He still favors a gas gathering tax, which he proposed last year, but emphasized he isn't recommending that or any other new tax for the time being.

Let's Face It — it's a recession, all right, but a minor one.

This is the answer Dr. John R. Stockton, one of the state's top business analysts, is giving many groups these days. Dr. Stockton is director of the University of Texas Bureau of Business Research.

Ebbing of prosperity and fear of another Depression have put the spotlight on BBR's studies. Dr. Stockton mimes no words about there being a recession, but contends that the cures for this one are in plain sight. He cites increased federal spending and easier credit regulations.

A "minor" recession, says the

BBR director, usually lasts about six to eight months.

Anti-Gift Law Topples — The Attorney General has declared invalid a section of a law prohibiting insurance company officials from making gifts to State Insurance Department employees.

His reason: the bill's caption or title did not mention the subject. Texas' constitution requires that a bill's caption must state specifically what is in the bill. In this case, the caption did mention that Insurance Department employees could not accept gifts from industry people. But it did not say that industry people could not give them.

Each year a number of newly-passed laws are thrown out by the attorney general, or by courts, as being improperly written. Governor Daniel has suggested a bill-drafting division in the attorney general's department to help legislators avoid such errors.

House Cleaning — "I can't help but think that just about all of those rotten apples are out of the barrel," said State Insurance Liquidator J. D. Wheeler, in predicting that the period of insurance company failures might be over.

Our job with the insurance industry is like that of a traffic policeman, said State Insurance Board Chairman Penn Jackson. "If directors and stockholders will discharge their responsibilities, we will have less tickets to issue."

### CAP Cadets Given Orientation Rides

Last Sunday afternoon, Feb. 15, CAP Pilots took Cadet members on the second Flight Orientation rides. The pilots who donated their time and use of their airplanes were Maurice Lemmons and Cap West. Cadets who received the training flights were Jim Burton, Douglas Stuart, Tommy Porter, Alleane Young, Jake Young, Sandra Ratliff and Rod Franklin.

As each Cadet completes certain phases of study and training, he or she becomes eligible for an Orientation Flight Ride. For some of the Cadets receiving flights Sunday, this was their first ride, for the others it was their second. Each Cadet advances in the course

of training individually, so that new members will go through the same training that the older members have had, and will be eligible for the same benefits.

Next Tuesday night, at 8:00 p.

m. in the High School library, at a joint meeting of the Cadet and Senior Squadrons, the Cadets will have an opportunity to demonstrate some of the results of their training and study. All Cadets are

requested to be in uniform.

## A Tribute To Washington's Birthday!

The birthday of the man who carved out the future of the United States is celebrated throughout this land... and in many foreign countries. We refer to him affectionately as "The Father of Our Country", and, indeed that is what he was. Now, as our nation is going through another period of rebirth and rededication to the principles of Freedom, it is well to give George Washington even added laurels. For the truths he uttered then are now as vital to America's safety, well-being and progress as they were when our commonwealth was born. Let every American revere the name and the works of this truly great man!

It's a Custom 300 Sedan and the prettiest car you ever saw. It drives like a dream, Mom! And just listen to this — Bill bought it for less than the similar model would have cost us last year. Be sure to tell Dad about this... and maybe you'll get one of these grand new Fords, too.

With space as the next frontier American's are looking to the future with anxiety. In small and large high schools and colleges all over the country, these problems have brought about a direct change in attitudes. Ozona High School is no different! There is now an active effort in the form of a Science Club to contribute their part to the well being of the entire nation. Everyone should stand behind these organizations and give them full support whenever possible. The nation is losing its temporary jitters but there is still a long road before we regain the international prestige we have lost. These small science clubs will play a part in helping us to regain this prestige. The homemade rockets, whether success or failure, will pave the way for the greater and larger missiles to come. The members of these organizations will become interested in the problems and tremendous responsibility facing today's scientist.

Russia has now come up with the statement that American schools are completely missing a large opportunity to develop minds by placing no emphasis on the game of chess. Whether this be true or not can not be determined now, but it can be seen that there should be increased emphasis in some form of developing the mind whether it be chess or not.

## VALENTINE DAY

Gosh, I hope I at least get a valentine on Valentine's Day! This was heard from several members of Ozona High School last Friday, February 14. Cupid was out and looking for someone to shoot with his "arrow of love." Some may have got hit, but others seem to have a special talent for dodging these "little arrows." A few fortunate people were evidently hit or had some very good friends. Ann D. looks as if she has a broken arm. She received a very attractive bracelet from someone in San Angelo. Smell something? It's just Becky and her Tweed cologne. Someone called Johnny Butterfield gave her this gift. If Jan S., Frances C., and Dartha M. seem to have gained some weight, it is only because they all received boxes of candy. They were all very pretty, so we hear. Genelle Childress won't tell us what she got. She said she received valentines from "all over the United States!" Well, Nellie — did Scooty send you one??

These were the only gifts we heard about. Possibly there were many more, but please excuse us if we left you out.

## MOUSIE NEWS

By Pee Wee Mouse

Well, folks, I just got in from a quick trip to that ole' moon up there in the sky. I feel all green from eating that silly green cheese. Let me tell all of the boys around this place (especially Bomba Clayton, Bill Black, and Clayto Friend — these boys look at that moon every night, just a hopin') that there are not any blonds up there. That's just what I went up there for. But just lots of green cheese is all I saw. If you ever get a chance to go to the moon, take it from me — pass it up!

I want to tell you about two of the meanest boys in Ozona. You can probably guess who they are. They always put their books in their lockers so that when they open the door, all the books will fall out. Mind you, they always wait until I come trotting along the wall going somewhere before they open the silly things. Course, just as soon as I get there, pow! out they fly. Jake and Stan are just out to get me, that's all. They better watch out, I'll fix them.

There is going to be a style show Saturday. Now I don't know what a "style" is, but it's bound to be good 'cause it's on the same day as the F. F. A. show and well, everybody knows that the F. F. A. show is going to be good, cause it's all boys! Girls are awful — they can't do anything but talk.

Ozona High School has one teacher that I don't think I have ever written anything about, but you know I think I know something on that Missy Moore. I think that she smokes cigars! Don't quote me, tho.

I hope that someday it gets spring. Good night! I don't think that was correct-English. I should have said "I hope that someday it gets sprung." Wait, now, I don't know which is right, but either will do, I guess, 'cause it's still too cold, either way you look at it.

Friends, I guess I better go, but before I do, let me say something to pep you up. School will be out someday! Until next time I have to write this stuff, drive with care and run your car on gas!

Seniors! Seniors! Seniors! That's all we're talking about until graduation in May. Already we have ordered our commencement invitations and measured for caps and gowns. So far we're still planning on a big senior trip to Canada! We can hardly wait until the big time rolls around.

Linda Millsbaugh enjoyed a busy weekend in San Angelo. She and her mother stayed with some relatives. Linda made just about every show in San Angelo, and exclaimed the moves were the newest.

Tonight is our last game in basketball. We play Junction here. Come on out and watch our team end an exciting basketball season.

What's this about a scandal in the park Saturday night? Let's don't forget! We in high school are trying to set a good example for those younger than us.

Butch Albers has been seen riding around in his newest type of jalopy. He, with the help of some more boys, made this law "job" of a car. In case you hear the words "Gully Hopper," don't get excited! It's only the Jalopy's fancy name.

Bob C. and Buddy I. have found a more convenient way of trimming sheep after dark. Just clean out a barn, except for a little hay. Plug in two yard lights, a stove, and the loudest playing record player in town. The work of trimming sheep does come easier, even if the poor sheep do bawl in between each one of Elvis Presley's good records. Now you know, neighbors, what the big ruckus has been!

Becky D. and Scotty M. left Wednesday for the All-State Band Contest in Galveston. Gwynel W. and Joe F. went along as candi-

dates for the All State Band but will not play in the band.

Well, until next week, I'll be seeing you.

Don't forget! Next week we have six weeks test. Let's all study hard!

## F. F. A. SHOW

February 22, at 9 a. m., 26 boys will exhibit 106 lambs, 2 calves, and wildlife projects. The following boys will show shorn fine-wool lambs:

Bob Childress, Chris Hagelstein, Pleas Childress, Jim Doran, Buddy Ingham,

Finewool lambs will be shown by: Wawne Albers, Wayne Allen, Bill Black, Pleas Childress, Weldon Day, Leslie Deland, Kenneth Deland, John Gilliam, Jim Doran, Muggins Good, Clayton Friend, Chris Hagelstein, Billy Bob Holden, Deeney Holden, Reid Homesly, Buddy Ingham, Mike Miller, Herbie Noelke, Jimmy Sutton, and Jimmy Williams.

Cross-bred lambs will be shown by: Wayne Albers, Bill Black, Pleas

Childress, Pierce Miller Weldon Day, Kenneth Deland, Leslie Deland, John Gilliam, Muggins Good, Chris Hagelstein, Deeney Holden, Louie Mock, L. C. Poindexter and Jim Williams.

Bob Childress and Deeney Holden will show Southdown lambs and Jim Williams will show some calves.

The show will last until about one o'clock and will be at the fairgrounds.

## A LETTER FROM LITTLE ROCK

Dear Becky and Alma,  
 Thanks for the write up! I enjoyed it. So you want to hear some our activities. We have, actually, too many to tell in one letter, so I'll just give part of them.

First of all, our new Hall High School cost exactly \$1,210,498.55. It is a level building, no stair, made of red brick. The background is hills and lots of pine trees.

Our student activity includes a sock-hop in our gym every Tuesday morning from 8 a. m., till 8:45. This is a combined rally and dance. Everybody has an "awful"

lot of fun.. To preserve the floor, the kids have to take off their shoes to dance.

We had a good first season in the sports field. Our football team lost only three games out of eleven and so far our basketball team has won twelve out of twenty games, eight of which we won by one point. We got our first trophy at the Arkansas State Teachers College tournament at Conway. By the way, congratulations on your tourney!

One thing, up here the girls aren't as available or as plentiful as down there. They are either going steady or, well, you understand.

Central High worked out a deal last year that proved very successful and a lot of fun. There was an exchange of juniors and seniors from Central and Manitowoc, Wisconsin, high schools. There were thirty students and the exchange was for three weeks both ways. Everyone really got something out of it. It was a lot of fun for all. I was just wondering if we might

do the same before the year is out? There are a lot of sights to see. For the 4-H'ers there is Wintrop Rockfeller's ranch in Morrilton. He has about fifty or sixty head of Santa Gertrudis cattle. It is really something to see. It sits on the top of Mount Petit Jean, the largest mountain in Arkansas.

For the girls, there are boys. Hundreds of 'em! All of them are cute, too. Nearly everybody rides around in a Cadillac or a new '58 car. That's why we are called the "silk stocking school."

Well, I better sign off for now, but I hope that all of you can some day come up to our fair city of 102,000 and look around. I hope this correspondence will bring about a greater relationship between our fine schools.

**A SAN ANTONIO ADVENTURE**

By Sally Baggett

"Sunny, warm San Antonio" is the understatement of the year! I nearly froze to death down there. Of course it was warm part of the time, around noon. You could usually find Frances C., Carol F., Lucy Royal (Menard) and me under a large pile of coats. Oh! by the way, in case you're wondering why we were there, it was for the fat-stock show. Bob Childress won Reserve Champion lamb of all the lambs there that got a reserve or Grand-Champ, or something to that effect. While we were there, we went to the rodeo, Gene Autry and Annie Oakley were the guest stars.

Well, Carmen Childress and I wanted to talk to them, so since they were staying in the same

hotel we were, I called Annie, and we got to go to her dressing room at the rodeo. Oh! It was quite exciting. All my life I have heard movie stars were concited or something, but do you know, she treated us as if she had known us all our lives. Really, she was just too sweet and nice for words.

We asked her how she got started on her career. She told us her father taught her to shoot a B. B. gun on her ranch in Alabama when she was eight. Then she went to college at T. U. She met Gene Autry through mutual friends, and it seems as though he started her to fame as a sharpshooter. She became interested in movies and television when a movie producer decided Hollywood needed something new: a girl cowboy hero.

She went to talk to the producer and made a screen test. Evidently she passed it.

While we were talking to her, Gene Autry came in. We didn't get to talk to him very much. You know what? He looks almost like he does in the funnies.

By this time Jimmy B. Carmen, Carol, and I were about out of questions. But a curious thing to me ever since the first time I saw her on T. V. has been cleared up! Her pig-tails are really hers and they're cute!

### Youth Rally To See Film Of Champions At Baptist Church Sat.

A film entitled "More Than Champions," depicting some of the nation's leading athletes and on-the-spot films of their championship performances, will feature the program of a Youth Rally Saturday night at 7:30 in the fellowship hall of the First Baptist Church, the pastor, Rev. Troy Dale, announced yesterday.

The Rally will be in preparation for the Youth-led Revival which gets under way March 2 and continues through March 9. Charles Fox, senior ministerial student at Baylor University, will do the preaching and song services will be led by Leroy Yarbrough, another Baylor student.

All young people of Ozona are cordially invited to the Saturday evening rally. In the film, viewers will see Doak Walker, Tom Harmon, Carl Erskine, Robin Roberts, Roy Campanella, Branche Rickie, Bob Richards and others in action. Real, on the spot films of these champions in action are included. Highlights include a shot of Carl Erskine setting his strike-out record; Bob Richards in his record smashing pole vault to win the Olympic pole vaulting championship at the Helsinki games. A real treat is promised those who attend.

### World Day Of Prayer To Be Observed With Services Fri. 9:30 a. m.

World Day of Prayer, sponsored in the United States by the General Department of United Church Women of the National Council of Churches of Christ, will be observed in the Ozona Methodist Church Friday, Feb. 21, starting at 9:30 a. m.

Simultaneously peoples around the globe will be observing the day whose purpose is to unite all Christians in a bond of prayer and to make an offering for Christian missions at home and abroad.

This is the seventy-second observance of World Day of Prayer, which began in 1887. Services begin on Tonga island, west of the International date line, where Queen Salote leads her subjects in prayer. Throughout the day observances are held in 144 countries; the last observances being on St. Lawrence Island, Alaska.

The program for services this year has come from a group of women in Australia. Each year it comes from a different country. The offering is allocated for interdenominational mission work thru the division of Home and Foreign Missions of the National Council of churches.

### B Team Cagers Second In Eldorado Tourney; Lake View Champions

By Ernie Boyd

The Ozona B team surprised observers last week as they took runner-up honors in the Eldorado invitational B team basketball tourney held in Eldorado.

Playing without the services of two of their regulars, the Ozona team opened their bid for the title Friday with a solid 41 to 32 win over the Menard B team.

Johnny Cooper and Don Powers led the Ozona attack with 14 points each and dominated backboard

play during the contest. The Menard team had given the Ozonans a great deal of trouble in a previous meeting and the ease with which the locals handled Menard was surprising.

Moving into the second round of play the local team was matched against Brady, a team that ousted the heavily favored Big Lake team the night before.

Ozona utilized the hot shooting of Don Powers and the fine defensive play of the entire team to whip Brady 44 to 34 and move into the finals.

Dizzy Reeves and Johnny Cooper chipped in eight points each and played fine floor games in the win

which was a great deal more one sided than the score would indicate.

The string of wins for the Ozona team came to a halt Saturday night when the giant Lakeview B's crushed the local team 63 to 34.

Don Powers counted 13 points again in a losing effort as the triple A team employed three six foot five boys and some hot shooting to dominate the game. Johnny Cooper and Don Powers tried hard to match their much bigger opponents but each was hampered in the last half by fouls incurred in trying to guard them.

### Lions Shell —

(Continued from Page One)

came to life and with Gene Broadhead and Billy West leading the way surged into a 24 to 15 lead as the Lions seemed rattled, but Coach Pelto's charges quickly changed defensive tactics and closed the gap to five points before the half.

Jerry Jacobs, even though suffering one of his coldest nights of the year, still managed 13 points and topped the game's scoring, but once again the Lion attack was well scattered.

The blistering zone press the Lions used throughout the last half chewed up the Bronco attack and had the Sonorans reeling as the Lions poured in 42 points in the last half and missed some eight or ten layups in the process.

Bobby Sutton counted 10 points while Stan Williams had 9, Jake Young 8, Rod Franklin and Bobby Vargas 7 and David Sikes 6.

Jerry Jacobs collected 13 offensive and 4 defensive rebounds to lead in that department with 17. Jake Young had 9, Rod Franklin 8 and David Sikes 7.

The low-number of defensive rebounds was mostly due to the savage Lion press which limited

the Sonora team to only 3 last half field goals and not too many more shots.

The Ozona B team experiencing one of its coldest nights in some time, had to rally to come from behind in the second quarter and then ride the red hot shooting of Humberto Cervantez to win a 51 to 41 decision over the Sonora B team.

Cervantez dumped in 23 points in the last three quarters to lead the game's point makers.

The Lions are scheduled to close their season against Junction here Thursday night. A B team game will precede the A contest at 7 p.m.

### Junior High —

(Continued from page one)

starting five in most of the thirteen games.

Of the 26 boys who continued to practice throughout the season, only six were seventh graders and one of them, George Lane, has moved away. So it would seem that Mr. Lewis has his work cut out for him next year in forming a winning team.

It is rather significant that only 12 points separate the last year regulars in the final scoring total this year, with Carl Montgomery leading with 88 points.

Rudy Martinez with 86, Alejos Lara with 85 and Van Miller with 74. The other starter Floyd Danley had 48 points for his season total. Ten other boys got into the scoring act during the season.

The above named five along with Billy Semmler, Billy Cornelius, Bobby Herrera, Jay Miller, L. D. Long and Bobby Tabb made up the traveling squad, with most all of them seeing action in each game.

Other boys out for basketball that did not make the traveling squad were: Joe Sanchez, Steve Poindexter, George Harrison, Tommy Everett, Gary Lee Stewart, Billy Jacoby, Charles Bingham, Glen Rowe, George Enriquez, Johnny Childress along with seventh graders Pete Montgomery, Brent Moore, Robert Cox, Refugio Zamarrilla, and Ronnie Houston.

We of junior high are very proud of the two trophies won this year in Sonora and in Menard. To Mr. Lewis, our coach, goes much of the credit for his hard work and patient teaching of the fundamentals that paid off in the closing part of the season. To the boys who did the work we also owe much credit for having done their best while under pressure.

### New Crockett Field On Owens Ranch Gets Designation, Allowable

The Texas Railroad Commission Oil & Gas Division, has announced field designation and allowable for a new field in District 7-C.

The Olson (Canyon) field of Crockett County was opened Jan. 23 with completion of Plymouth Oil Co. No. 13-AM Owens, discovery in the shallow Olson field, 17 miles southeast of Iran.

It was finalized for a daily flowing potential of 145.16 barrels of 36 gravity oil through a 3-16-inch choke and perforation between 5,820-830 feet, previously identified by operator as Wolfcamp.

Daily allowable is 120 barrels. Location is 660 feet from the north and east lines of 9-GG-T&NO.
