Track Team Split For Texas Relays, And Eldorado Meet

Jacobs To Finals In Hi Hurdles at Austin; 5th, Eldorado

The Ozona High School track team split in two groups this past weekend to enter two meets as a result of an early season rain-out. Coaches Sonny Cleere and Chick Womack took five boys to the Texas Relays in Austin while Coach J. A. Pelto took the balance of the squad to Eldorado for the running of the Eldorado meet. Even though none of the Ozona boys placed in the huge University of Texas Track Carnival, Jerry Jacobs did reach the finals in the 120 high hurdles and was the only boy from less than a 3A school to make the finals. Coach Chick Womack entered his 880 relay team in that event and expressed satisfaction over the way the boys ran under great pressure. The team was composed of freshmen, Tony Parker and Jim Doran, and juniors, Jerry Jacobs and Bobby Sutton.

Jake Young missed only by an inch or so of qualifying for the finals in the shot, despite throwing from asphalt with rubber soled shoes for the first time. Young tossed the shot in practice last week some fifty feet.

In Eldorado the Lions battled for third place until the final event before being shoved down into fifth place in the 20-team affair.

David Green, Richland Springs wonder boy sprinter, unreeled a 9.6 hundred yard dash to highlight the meet and Don Jacobsen of Iraan cracked the discus throw by a wide margin.

Bobby Vargas, David Sikes, Ronnie Paulk, Dizzy Reeves and the second 880 relay team racked up points for the Lions. Mark White, one of the Lions leading hurdlers, also missed the meet.

This week the Lions will travel to Big Springs for the ABC relays and once again the competition will be very stiff with 4A schools along with all other classes being favored.

Highlights of the meet is to be a duel between Bobby Morrow of ACC and Duke's Dave Sime.

Motor Vehicle Registration Off Slightly From '57

Final Week Sees Mad Rush In Local Registration Office

Motor vehicle registration, which wound up with the passing of the deadline April 1, was off slightly in Crockett county from a year ago, but officials saw a possibility that some of these may be vehicles that are still around but owners are leaving them stand until they can buy new plates.

Total vehicle registration at the deadline was 1,765 against a total of 1,804 at the same time a year ago. Total money collections for the county this year reached \$36,899.17 against last year's total of \$37,751.61 at the same period.

The final week of the registration period was something of a mad-house in the local collector's office, the final week seeing a total of 655 new plates issued by the sheriff's force.

Motorists who have delayed having their vehicles inspected for the new year now face another deadline. April 16 in the date on which enforcement of the inspection law will begin against owners of cars which do not display the new 1958 inspection stickers. It is estimated that more than a third of the cars in this area have not been inspected.

Mr. and Mrs. Henry Anderson of Ozona attended the funeral of Mrs. Anderson's uncle, John Le-wellen, in Brownwood last Saturday.

Ozona Boy Scouts Win Exhibit Honors At Scout Exposition

Ozona Scouts won honors in the Boy Scout Exposition held at Goodfellow Field in San Angelo last week as fifteen Ozona scouts and two leaders took part in the Area show.

Boy Scout troops 153 and 163 and pack 163 all took first place awards for their exhibits at the Exposition. Subject of the displays for the event was Scout activities, and the Ozona group took three phases. Troop 163 took Conservation as its theme, Troop 153 chose marksmanship, and pack 163 had handicraft.

The Ozona Scouts left Ozona Friday afternoon under the direction of C. V. Tubbs and Larry May and spent Friday night and Saturday at Goodfellow Air Force Base as guests of the Air Force. The Scouts slept in barracks and had the chance to inspect the base and go through a B-25 bomber.

The Ozona Radar Aircraft Warning Station provided transportation for the Ozona Scouts.

The Ozona group took part in a parade held Saturday morning and returned home Saturday night having pretty well exhausted their leaders.

Flower Show Workshop Features Garden Club Meeting Here Wed.

A flower show workshop, in preparation for the 1958 flower show, was held by the Ozona Garden Club when it met in regular session yesterday in the home of Mrs. J. B. Miller. Mrs. Sherman Taylor was assisting hostess.

After a short business session, conducted by the president, Mrs. Bailey Post, Mrs. Ira Carson, program leader, gave some timely suggestions on Spring gardening. Mrs. Joe Clayton gave some flower show tips. Mrs. Carson showed some colored slides of last year's flower show sponsored by the club.

Mrs. Post, an accredited flower show judge, criticized arrangements and horticulture exhibits brought by club members for practice.

At the next meeting of the club, set for May 7, officers for the new year will be installed.

Present for this week's meeting were Mrs. John Childress, Mrs. Joe Clayton, Mrs. Floyd Henderson, Mrs. Neal Hannah, Mrs. Bill Hannah, Mrs. Ira Carson, Mrs. Tom Clegg, Mrs. Cecil Hubbard, Mrs. S. M. Harvick, Mrs. Dempster Jones, Mrs. B. B. Ingham, Sr., Mrs. J. B. Miller, Mrs. Bailey Post, Mrs. Stephen Perner, Mrs. Paul Perner, Mrs. Joe Pierce, Jr., Mrs. Virgil Millican, Mrs. Sherman Taylor, Mrs. D. B. Pettit, Mrs. O. D. West, Mrs. Evert White and Mrs. Charles Williams, Jr.

Vet To Vaccinate Dog For Rabies Here At V.A. Bldg. Today

Dr. W. F. Juliff, San Angelo veterinarian, will return to Ozona today to vaccinate dogs of Ozona owners against rabies.

Dr. Juliff was here the first of the week and in a one-day tour Bangs tested 36 milk cows for Ozona ranchmen. He will check on the Bangs tests during the morning today and this afternoon will be at the vocational agriculture building to vaccinate dogs.

TRUCK-SCOOTER CRASH INJURES MOE BARBEE

Moe Barbee, son of Mr. and Mrs. Beall Barbee, suffered a broken leg and other cuts and bruises Wednesday afternoon when his motor scooter was in collision with a pickup truck driven by Pam Perner, daughter of Mr. and Mrs. P. C. Perner. The accident occurred at the intersection of Avenue B and 12th street. Young Barbee is under treatment at the Crockett County Hospital.

April Clean-Up Month In Ozona; Clubs Sponsors

Women's Groups Urge Immediate Start On Collecting Trash

April has been designated Clean-Up Month in Ozona and with various women's organizations in the city behind the move, a thorough citywide cleaning and polishing of the town is planned.

Residents of Ozona are being urged by committees of the Ozona Woman's Club, Ozona's oldest women's organization and long time sponsor of the annual clean-up campaign, to start now to clean up their premises and stack rubbish to be hauled away in a place where it will be handy to trucks when the actual hauling begins.

The last week in April is designated actual clean-up week when trucks will be available, through cooperation of the county, to haul accumulated trash and rubbish to the dump ground free of charge. Since it will be impossible to map out actual schedules for the trucks during the week, residents are urged to be ready before the week begins and have trash available to the trucks whenever they are in your vicinity. Otherwise, the purpose of the clean-up may be defeated by failing to get trash hauled away.

The Federated Women's Clubs are sponsoring an anti-litterbug campaign in Texas with a view to making highways and cities in the state more beautiful. A continuing campaign locally against scattering papers, cans and other materials on street and alleys and in yards of residents is planned by the women's organizations.

Ready Plans For Last Two Dams In Johnson Project

All To Be Under Construction By Summer, Thought

With three dams completed, one under construction and another contracted and almost ready to be started, the entire Johnson Draw watershed control system of dams may be under construction before mid-summer.

County and Soil Conservation Service personnel were engaged in planting grass seed and hay mulching on two of the completed dams this week, the final step in the dam completion. All earth surface dams will be thus seeded to prevent erosion.

Plans are being prepared by Soil Conservation Service engineers on the final two dams in the seven-dam series and these are expected to be ready to seek bids for construction within the next few weeks.

The two remaining dams still not contracted are at Site No. 4 on main Johnson north of Ozona and Site No. 7, on Gurley draw east of Ozona.

Frank Montgomery Construction Co. of Midland has started work on the Site No. 5 dam, contract for which was awarded two weeks ago. Montgomery's bid on this project was \$76,916.55.

Final contract is expected to be signed this week with the Hunter Strain Construction Co. of San Angelo, successful bidder on the dam at Site No. 6, on Newton draw, a mile and a half north of Ozona, and just south of the Big Lake cut off highway. Strain's low bid on this dam, one of the largest in the series was \$134,803.12.

Contract Finaled For Construction Of Bridge On Johnson Draw Here

A contract for 0.069 miles of construction on U. S. Highway 290 in Crockett County has been awarded to a Temple, Texas firm, it was announced in Austin this week by the State Highway Commission.

R. T. Farr submitted the low bid of \$67,399.81 on the project Construction of a new bridge located at Johnson Draw in Ozona and widening of Gurley Draw east of Ozona, a distance of 0.069 miles on U. S. 290, is expected to take 90 working days, according to J. A. Snell, District Highway Engineer at San Angelo.

Robert A. McCulloch, Resident Engineer at Sonora will be in active charge of the project while it is under construction.

Eleven Novices Graduated From Shearing School

School Said Success As Means Of Training Shearers

Eleven novice shearers were graduated yesterday at the conclusion of the first shearing school ever held in the Texas, sponsored by the Texas Sheep & Goat Raisers Assn., the Texas Education Agency the local schools and ranchmen of Crockett county.

Two other snearing students spent a day or more in training but the eleven students who first enrolled and worked through the entire 40 hours of training will be graduated and given shearing heads as a reward for their effort, the gift of Crockett county ranchmen.

The shearing school was held at the Troy Williams ranch and the P. L. Childress ranch, winding up Wednesday at the latter place. Members of the planning committee composed of Ted White, Bill Childress and James Baggett pronounced the school a success and predicted that most of the young men who took the training will pursue the profession and will become proficient shearers with a little more practice.

The school, an experiment on the part of its backers, is designed to test this method of recruiting young men to the fast dwindling ranks of sheep shearers. Other school probably will be held here and elsewhere next year if results predicted by the committee are realized.

The eleven young shearers are Manuel Borrego, Augustin Luna, Efrain Vargas, Albino Sanchez, Jesus Hernandez, Manuel Longoria, Candelario Landin, Eloy Martinez, Luis Zapata, Americo Vargas and Andes Borrego.

Members of the Committee plan to solicit donations from Crockett county ranchmen to finance the gift shearing heads and other expenses of this school. The cost of instructing was borne by the Texas Education Agency.

Annual Rotary Easter Egg Hunt Sunday at 2 In Bob Cooke Pasture

Ozona Rotary Club's annual Easter Egg Hunt will be staged Sunday afternoon, starting at 2 p. m., in the same location as in previous years, in the Bob Cooke pasture south of town.

A silver dollar will be awarded for each prize egg found, merchants donating to the fund for this purpose. Names of the merchants donating will be placed on the prize eggs.

Sections of the hunt area will be marked off and the children thus divided into age groups. Parents are urged not to bring children to the hunt before 1:45 p. m.

Voters To Choose 4 Members School Board Saturday

Slate Of Seven Candidate On Ballot For Voter Choice

Voters of Crockett county will choose four members for two year terms on the board of trustees for the Crockett Consolidated Common School District in the annual election to be held throughout the county next Saturday.

Voting will be at the courthouse in Ozona and at county boxes outside the town.

An unusually heavy vote is expected in Saturday's election in view of the fact that there are seven candidates whose names will appear on the ballot for places on the board.

The seven candidates, in the order in which their names appear on the ballot, the order determined by lot, are Earl Deland, B. W. Stuart, Roy G. Pearson, James R. Childress, M. A. Lemmons and Carl Appel. Voters will have to scratch three names and leave four, or in case of write-ins, leave four names as indicating the voter's choice. An amendment to the election law made by the last legislature eliminates the double method of voting, that is, checking a square beside the name of the candidate of the voter's choice or scratching the names of all he does not favor. The new law goes back to the strictly scratch method of voting.

In addition to the four members of the district board, three members of the county board are also to be elected in the Saturday voting. Representatives from each commissioner precinct and one trustee at large make up the county board. Present members of this board whose terms expire and whose names appear on the ballot are Charlie Black for Precinct 2, Jeff Owens in Precinct 3 and Marshall Montgomery in Precinct 4.

Obie Ray, 51, colored, died Thursday afternoon in Crockett County Hospital here following a heart attack.

Services were held Sunday afternoon in Marlin, with burial in Marlin. Cody Funeral Home was in charge of local arrangements.

Mr. Ray, a resident of Ozona five years, was a cook here. He was a world war II veteran.

Survivors include his wife; a son, Obie Ray, Jr., and three stepsons, Charles Tate, Freddie, Tate and Ocie Tate, all of Ozona; a brother, Herbert Ray of San Angelo; three sisters, Mrs. Melinda Humphrey and Mrs. Ella Jones, both of Marlin, and Mrs. Dell Norris of Oklahoma City.

James Rollins, Former Ozona Teachr, Honored By Science Foundation

James H. Rollins, who taught in the Ozona School system for several years and who moved to Grand Prairie this year, has been accepted to membership in the Academic Year Institute for Mathematics Teachers at the University of Chicago beginning Oct. 15, 1958, to June, 1959.

The Institute, sponsored by the National Science Foundation, has presented memberships to only thirty high school math teachers in the nation, each membership including a stipend granted by the foundation.

Centered largely on subject matter in mathematics but given serious consideration to questions on content and teaching of mathematics, the Institute offers a special program of courses, seminars, lectures and demonstrations.

Mr. Rollins, a graduate of McKinney High School, and Texas A&M, and is currently taking work from North Texas State College.

Mr. Rollins wife, Elaine, also taught in the Ozona system. Mr. Rollins in addition to his math directed the Ozona High School Choral Club.

Pierce Miller Is Top Award Winner 4-H Achievements

Gold Star, Mother Davidson Award Winner 5-Year Feeder

Pierce Miller, son of Mr. and Mrs. Eugene Miller, was adjudged the outstanding 4-H Club member of the year and won the top 4-H honor, the Gold Star award, provided by the Extension Service of the Texas A&M College and at the same time won the outstanding local award for excellence in 4-H work, the Mother Davidson Memorial award.

These honors were heaped on the young fifth year 4-H Clubber Monday night at the annual Achievements and Awards Banquet of the Crockett County 4-H Club held at the school cafeteria. It is at these banquets that 4-H Club members are rewarded for their efforts in the various phases of 4-H Club work, receiving a number of trophies and awards for their year's work in the fields in which they excelled.

The 4-H Club members, their parents, friends and club boosters were on hand for the annual banquet. L. B. T. Sikes, superintendent of schools, acted as master of ceremonies. Invocation was pronounced by Rev. Leroy Russell. Nathan Donsky, one of West Texas' most ardent 4-H Club boosters, here for the banquet and to present a number of awards he himself offers, introduced three others San Angelo visitors, Mr. McEvers of McEvers Ranch House, Mr. Budick of Nathan's Jewelers, and Buddy Schneider of Hemphill-Wells.

Bill Black, 4-H Club president, made the address of welcome. Pete Jacoby, Crockett county agent and 4-H Club sponsor and trainer, summarized the past year's club work in this county. The presentation of awards followed.

Chas. E. Davidson, Jr., director of the Sonora Farm Loan Assn., presented the Association's showmanship awards, Spur-Clip tie clasps, to Bill Jacoby as best junior high showman, and to Pierce Miller as best high school showman.

Oscar Kost presented the Ozona Boot & Saddlery award, a beautiful silver belt buckle, to Frank Childress as the outstanding 4-H herdsman.

Lowell Littleton presented the Ozona National Bank trophy to the winner of the champion crossbred fat lamb in the county show, Mark Baggett.

The Edgar Glasscock trophy, to the winner of the champion group of commercial ewe lambs, was presented by Mr. Glasscock to Jay Miller.

THE BEAR DANCES

From Washington comes a steady stream of guff and gush about how charming, how well-dressed and how exuberantly hospitable are the Mikhail Menshikovs, lately come to occupy the previously forbidding Red Embassy and to soften up the silly Americans for the next Yalta. And the fact that they are getting such a big assist from newsmen, society reporters and commentators who are presumed to have newspaper experience may indicate what troupers these Menshikovs are!

Within hours of US rejection of the Red suggestion that the summit conference be held on these shores, the Ambassador (whom nobody seems to think of as a Red) came up with the idea that it would be a fine thing for President Eisenhower and Bully Boy Khrushchev to meet privately. Khrush's boy indicated that he could get his boss to come here for such an occasion. But before this seed was even planted, the Kremlin's man-of-letters, Premier Bulganin, had gotten off another nasty one to Britain's Prime Minister MacMillian accusing his country and ours of stalling talks with the USSR while making "war preparations." But you may be sure that Comrade

Menshikov will keep trying — and keep the charm turned on.

The latest word on summit talks is that President Eisenhower will enter into such conversations — provided that disarmament and the reunification of Germany are the main topics and provided further that a preliminary huddle of foreign ministers secures some assurance that some decision can be had on at least one of these subjects.

In spite of Mr. Menshikov's spell-binding efforts to make us forget the Red enslavement of half the world, the Soviet record of total deceitfulness in violating no less than 26 out of 26 agreements with the US since 1917, its adoption of wholesale murder as an instrument of policy and most recently, the wanton butchery in Hungary, another summit meeting looks no more promising now than it ever did.

If the Reds really want to play ball, all they have to do to implement disarmament is to accept President Eisenhower's aerial inspection plan and get busy on fulfilling their 1955 Geneva agreement on German reunification. And until both of these development are put in motion there would seem to be nothing to say — at the summit or elsewhere.

In the meantime, let those who have the stomach for it enjoy their free caviar at the Embassy — and forget Mr. Khrushchev's boast: "We will bury you."

KHRUSHCHEV UNMASKS

Russia, if it ever was "de-Stalinized," has been Stalinized again. Marshal Nicolai A. Bulganin, the furious letter-writer and erstwhile travelling companion, stepped down as expected from the premiership so that Party Chief Nikita Khrushchev could assume that post — as had Stalin before him. Bulganin, we are told, applauded.

Disturbing as this may be to the Russian slaves who have been promised better things, we do not see that it worsens the world situation perceptibly. In fact, it should serve as a fresh warning against a summit conference, and provide new assurance that we can expect nothing from the Soviets but the double-cross.

As for Bulganin, his best opportunity may be to replace Laika in Sputnik III.

HOW MANY OF THESE MUSTS WILL YOUR NEXT WAGON HAVE?

LOOK FOR **TENNESSEE ERNIE FORD** STAR OF THE **FORD SHOW** ON TV EVERY THURSDAY NIGHT

- 1. STYLING THAT WILL STAY IN STYLE**
Ford Station Wagon styling is Thunderbird-inspired. So you know it's going to be in style for a long time to come. And Ford offers you six different body styles to choose from.
 - 2. ALL-NEW V-8 ENGINE**
Ford V-8 power is all-Thunderbird, too... with new Precision Fuel Induction that pays off in still better gas mileage. And it can be yours in all Fords (including the lowest-priced wagon of the low-price three).
 - 3. MOST MODERN "SIX"**
The Ford Mileage Maker Six is the most modern and most economical Six in its field. It's the 1958 version of the engine that scored most miles per gallon in last year's Mobilgas Economy Run.
 - 4. SINGLE-CONTROL LIFTGATE**
Loading and unloading is a cinch with Ford's single-control latch. Just a flick of the wrist and both lift-gate and tailgate open. You can close both gates with one hand, too.
 - 5. GENUINE FOAM-RUBBER CUSHIONS IN FRONT SEATS OF ALL MODELS**
Only Ford wagons offer you the added luxury of genuine foam-rubber front seat cushioning in every model. And all Ford wagon seats are scientifically contoured over non-sag springs for greater riding comfort.
 - 6. LOWEST PRICE POSSIBLE**
Because Ford sells nearly half again as many station wagons as its nearest competitor, Ford can sell these fine wagons at half the fine-car price.
 - 7. TRADITIONALLY MOST WANTED AT RESALE TIME**
Ford Station Wagons, dollar for dollar, have traditionally commanded top prices on the used car lots. Another reason why your investment in a Ford wagon holds up better.

8th Annual Junction Easter Pageant To Be Enacted Saturday Night

Junction, Texas — Two hours before mid-night, Saturday, April 5th., on the eve of Easter Sunday, three score laymen in costume — all Kimble County folks — will re-enact the story of Jesus Christ's last days on earth, in a picturesque natural amphitheatre one mile southeast of Junction.

This will be the 8th. annual presentation of Junction's Easter Pageant. In 1951 a few inspired men of Junction Men's Bible Class, a non-sectarian organization, staged the first production upon a crude stage erected at the base of the cliffs below the Everburning Cross on Lovers Leap mountain. Year by year the production has been enlarged and improved. The presentation is in pantomime, supported by music and the voices of readers from broadcast booth below. A dozen stages have been arranged among the rugged boulders and projecting rocks of the hill-side. Change of scenes is effected by the shifting of flood and spot lights. Parking area for 2,000 cars is provided below for the spectators, who may view from their cars.

The cast includes over 100 men, women and children from many walks of life; business men and women, ranchers, lawyers, mechanics, clerks, engineers, radio announcers, home-makers, and others.

The program begins at 10 p. m. and is so timed that the scene of The Ascension takes place shortly after midnight, on Easter morn.

The costs of staging this production have all been provided by generous, unsolicited contributions. There is no admission charge. Parking is free. Programs are free. Free coffee will be served after 4 p. m. throughout the evening from an old-time chuck wagon, furnished by Gully Cowsert, ex-captain of the Texas Rangers. Gully Cowsert has presided over the chuck wagon in previous years, but he now lies desperately ill in an Austin hospital.

FHA Farm Housing Loans Liberalized To Speed Up Construction

An expanded farm housing loan program, designed to speed up farm building construction improvement as well as act as an additional anti-recession measure, was announced today by Walter T. McKay, Farmers Home Administration State Director, according to George H. James, Jr., the agency's local County Supervisor serving Crockett, Reagan and Sutton Counties.

Now an owner of a farm in agricultural production and on which the operator plans to produce at least \$400 worth of farm commodities for sale or home use may qualify for the 4 per cent long-term housing loan provided that he meets other standards eligibility requirements.

Formerly an eligible applicant had to own a farm that produced a more substantial part of the operator's annual cash income.

Loans may be made to build, improve, or repair farm houses or other essential farm buildings, and to provide water for farmstead and household use. Mr. James said that in addition to financing major construction, the loan funds can help meet many other needs for farm needs for farm and farm home modernization such as adding bathrooms, utility rooms, better kitchens, and many other improvements to the home as well as to farm service buildings. While tenants and farm laborers are not eligible, the owner may borrow to do the construction work or make improvements for them.

The loans are made to farm owners who need credit to finance building improvements or repairs, but find that adequate credit is not available through banks or other regular credit channels. The interest rate is 4 per cent and loans may be amortized over periods up to 33 years.

Eligibility for loan assistance is determined by the three-member County Farmers Home Administration committee, and applications are now being accepted in FHA county offices.

Mrs. B. B. Ingham has just returned from Houston where she visited her brother-in-law and sister, Mr. and Mrs. Spencer King. Mrs. Ingham accompanied her daughter, Mrs. Bill Littleton of San Angelo, and granddaughter Mrs. Julio Gottheil, to Houston where Mrs. Gottheil boarded a plane for Buenos Aires, Argentina, to join her husband. The couple were recently married by proxy and will have a ceremony in a Methodist church in Buenos Aires on her arrival. Dr. Gottheil was to meet his bride in Santiago, Chile.

Ozona Scout Troop Wins Ribbons At Area Boy Scout Exposition

Boy Scout Troop No. 163 of the Ozona Community Center attended the Scout Exposition in San Angelo Saturday with their Scoutmaster Gabriel Longoria. They won a blue ribbon on their booth and demonstrations which had as its topic "Soil and Water Conservation."

The demonstrations were given by the following boys: Rocks and their relation to soil — Johnny Rodriguez and Sammy Cervantez; How soil is made — Teddy Enriquez; Different Kinds of Soil — Jimmy Diaz; Testing soil and the soil chart — Robert Sanchez; Sedimentation — Dicky Ramirez; Mulching — Rudy Ramirez and Cecilio Cardenas; Cover crops — Richard Vargas and Daniel Enriquez; Contouring — Billie Sanchez and Justo Lopez; Splash erosion — Manuel Cardenas and Blas Vargas; Conservation pictures — Alonzo Lopez and Melchor Cardenas.

The Cub Pack No. 163 also won a blue ribbon on their handicrafts exhibit and demonstrations. The following cubs participated; Danny Ramirez, Ernesto Vargas, Alfredo Ramirez, and Armando Ramirez. Their Den Chief, Carlos Lopez was in charge. They participated in the downtown parade accompanied by Troop Committeeman Francisco Lopez. Other adults who attended and participated in the day's activities were Sam Martinez, troop committeeman, and Dorothy Price and Ethel Wolf of the Center.

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, April 4, 1929

Early reports from lamb marking indicate that the Crockett County lamb crop this year will be a record breaker. An exceptionally mild winter coupled with timely rains that kept the range in the best condition through the winter in many years made conditions ideal for lambing. In addition to a big crop, ranchmen report losses unusually light.

THE MEANING OF EASTER

Prices Hold Near Season's Best

FORT WORTH — Despite increased offerings of cattle and sheep at Fort Worth and around the major marketing circle this week and last, prices are only slightly below the year's best. Some slaughter cattle and calves have been shaded by 50 cents to \$1 per hundred in the past ten days, but others are firm. Stockers are fully steady.

Fed Cattle Top \$30;
Cow Top \$21.00

Good and choice slaughter steers and yearlings ranged from \$24 to \$30 at Fort Worth Monday, the higher figure on a few individual yearlings. Plainer butcher stuff sold from \$16 to \$24. Fat cows drew \$17.50 to \$21, and canners and cutters cashed at \$11 to \$17.50. Bulls sold from \$16 to \$22, odd head to \$22.50.

Good and choice fat calves sold from \$25 to \$28, odd head to \$29.

Plainer sorts cashed at \$14 to \$23. Stocker calves of good kinds sold from \$25 to \$30, stocker yearlings drew \$28 down.

Lambs Weak To 50 Cents
Lower, Sheep Steady

Fat lambs were weak to 50 cents lower at Fort Worth Monday. Good and choice Spring lambs sold from \$23 to \$24, and medium to good kinds drew \$20 to \$23. Old crop shorn lambs cashed at \$20 to \$21.50, fall shorn pelts at \$21 and \$21.50, and more recently clipped knids at \$20 to \$20.50.

A few old ewes sold from \$9.50 to \$11, and a few goats cashed at \$7 to \$8.

EDITORIAL CORNER

By Becky Davidson

Many Easter customs are quaint, and others are full of meaning. People often wear new clothes for Easter, symbolizing the new cloak of greenery covering the earth. Children enjoy Easter eggs and rabbits. The idea of Easter eggs came to us from ancient Egypt and Persia. The colored eggs are a sign of new life. Legend has it that they are laid by the Easter rabbit on Easter eve. Churches are often decorated with white lilies, a symbol of purity and light. The Cross reminds worshippers of the religious meaning of Easter.

The first Nicene Council (A. D. 325) fixed Easter as the first Sunday after the first full moon on or after the vernal equinox (Mar. 21, the first day of spring.) Easter can come as early as March 22 or as late as April 25.

Easter egg rolling is an Easter custom practiced in several countries. The most famous egg roll is on the White House lawn in Washington, D. C. Authorities differ on the originator of the White House egg rolling. Some say President Hays started it in 1878, and others claim that Dolly Madison began it. The date of Easter in 1959 is March 29.

COMIN' AND GOIN'

Joan Bower and her friend Susan Cave are here for the Easter holidays. They are staying with Mrs. Vera Baker, Joan's grandmother. Hope you girls have fun in our big, little city of Ozona!

The 4-H banquet was Monday night. Everyone had a very enjoyable time and the food was delicious. Pierce Miller won the Mother Davidson trophy, B. B. Ingham won the Agricultural Industrial award, Bill Black was presented with the Best Leadership award, and Bobby Childress won an Agricultural award. There were many other trophies won by some of the younger 4-H Club members. Sally Baggett is the 4-H Club Sweetheart. She was given a beautiful bracelet at the banquet from the members of the 4-H Club. Sally certainly is a deserving sweetheart.

Butch Albers and Deeny Holdén went to Langtry this past weekend. They went cave exploring and finally ended up fishing in

the Pecos River. Saturday was a perfect day just for roaming around.

The picnic fever hit a bunch of the girls Saturday afternoon. Susan C., Joan B., Diane P., Gwynel W., Susie C., June B., Alleane Y., Marilee D., Linda M., Camille A., Anne D., and yours truly picniced all afternoon. The four mile park was the scene of all the fun, and food.

The seniors turned in their Research papers Monday. Just help us hope Mr. Harlan is in an excellent mood when he starts to grade them, because the grade we receive can make a difference.

You should know what I mean. Either we pass or fail!

Wanda McCaleb and Poskey Burton are the new Senior favorites. They were rated by acclamation so you can see they are tops in our Senior Class. Congratulations, Wanda and Poskey!

Well, our Easter Holidays begin today. Be careful, and I'll see you again next week.

"SENIORS"

Our Senior girl this week is none other than our own "Minnie Pearl," Carolyn Mayfield. Born in Coleman, Texas August 30, 1939, Carolyn moved to Ozona in 1945. She attended grade school, Junior High, and High school in Ozona.

Some of her activities include member of the choral club for three years, speech club, twirler for two years, volleyball four years, annual staff, and band. Carolyn is also quite an actress! She has been in several plays and did an excellent job. Chosen as football queen this year, Carolyn is a favorite of everyone. As head-twirler, she worked hard and had a very good group of twirlers. Many laughs were had with Carolyn around in twirling.

When it comes to eating, she likes ham and cherry pie with ice cream. She told us she had rather fish than eat anytime. Speaking of sports — she likes them all but her favorite is football.

When school begins next year, we will be hearing from Carolyn at Baylor, where she says she may major in "basket weaving or bird watchin'." You never can tell about that girl! She likes all her subjects in school or rather says they are all the same.

Carolyn is 5feet 5 inches tall, has brown eyes and brown hair. What a gal!! She is the daughter of Mr. and Mrs. Ivy Mayfield of Ozona.

Rod Franklin — yes, he is our Senior boy of the week. Rod is 6 feet 2½ inches tall, has hazel eyes, and blond hair. He is the son of Mr. and Mrs. Bob Franklin of Ozona. Born October 21, 1939 in

San Angelo, Texas, Rod moved to Ozona in 1941. He has attended all of his school in Ozona.

He loves sports especially basketball. Playing four years of basketball, he also played two years of football and ran one year of track. Rod was a big help in all of these. Placed on the all-district team this year, he was also chosen as one of the captains of the Lions. He did an excellent job in football this year as a tackle. As math is his favorite subject, Rod plans to major in engineering at S. A. C. next year.

Eating is one of his favorite past-times! Fried chicken and strawberry shortcakes are his favorites. Rod makes good grades in everything and is a favorite of everyone in O. H. S.

Be good — see you next week with a preview of some more Seniors!

JOKES

By Barbara Barbee

The garage attendant eyed the battered car and said to the woman driver, "Sorry, lady, we just wash cars — we don't iron them."

Gwynel: The man I marry must shine in company, know music, tell jokes, sing, dance and stay home evenings.

Carolyn: You don't want a husband — you want a T V set.

Some kids were playing Wild West. One had a bar of packing boxes, labeling it, "The Last Chance Saloon."

Another kid swaggered up, pounding on the bar and said, "I'll have a rye."

A third, much younger and apparently less sophisticated, swaggered up along side of him and squeaked, "I'll have a whole-wheat."

A master sergeant in North Africa was talking to his Texans, "Our job here is to promote good will and friendliness. We've got

to be friendly and polite to the natives. If they say Africa is bigger than Texas, agree with them."

A salesman, tired of his job, gave it up and became a policeman. Several months later a friend asked him, "Do you like being a policeman?"

"Well," he replied, "the pay isn't too high and the hours are long, but the part I really like is that the customer is always wrong."

MOUSIE NEWS

By Pee Wee Mouse

"April fool!" If that's not the rudest thing I ever heard! I've never seen anything like people. They can think up some of the silliest things. All day Tuesday, all I heard were those same two little words. Kids runnin' around sayin' "You oughta' go look out the window — there's a man landin' a airplane in the street." Doesn't that sound silly. Or, you mighta heard Camille Adams hollar when Rod I. told her that they put a mouse in her pocket — just any-

thing — it was probably echoing around the halls of O. H. S.

O, fellows, let me warn you, there is another "marryin'" bug "running" around so get you some insect repellent.

There are a bunch of campfire girls in Ozona. Saturday night, a bunch of the "worse sex" went out to a roadside park and ate a bunch of mess. I think June B., Marilee D., Camille A., Diane P., Susie C., Gwynel W., and Susane Cave, Joan Bower (from Dallas) need to get their campfire-badges — at least they need somethin'.

Well, I won't be gabbin' again 'fore Easter, so, I hope Peter Cottontail bring you some eggs to hunt and he will, if you'll quit throwin' chalk and erasers! (at Coach Cleere).

A reformer is someone who insists on his conscience being your guide.

HIGHLIGHTS AND SIDELIGHTS From State Capitol

By Vern Sanford

Texas Press Association

AUSTIN, Tex. — It's "needling" time in Texas. That is the period when those in office start feeling the barbs of those who have their eyes on the same office.

Filing deadline for the summer's primaries is May 5. In any pre-election period the "outs" have a busy season of looking for "bugs under chips." Any likely looking "bug" is hauled out to test public reaction on its value as future campaign fodder against the "ins".

But this year no one has to look hard. Texas' problems are all too obvious. Unemployment highs persist stubbornly into spring weeks. Oil, the state's No. 1 moneymaker, is seriously bogged down. A multi-million-dollar deficit in state revenues is in prospect.

Hence: an open season for "viewing with alarm" and prospect of lively campaigns if some hard runners line up for major offices.

No More Specials — He sees no need of a special legislative session now, says Gov. Price Daniel, because the state government is already pushing an anti-recession program.

Governor Daniel's statement was in reply to a demand by the president of the Texas AFL-CIO for an 8-point program to combat unemployment. Jerry Holleman challenged the governor to back up his philosophy of "states rights" by meeting "states responsibilities." His "points" included revision of unemployment compensation laws, speeding up spending programs for buildings, highways, water projects, etc.

Daniel retorted that Holleman's demands took no note of work already moving apace. Texas, he said, "did not wait for a recession to exercise its responsibility of providing highway, water conservation, attraction of industry, increased salary and building construction programs."

"This is no reason the situation in Texas is much better than in

CHARGES FCC PAYOFF — Dr. Bernard Schwartz carries an armload of his records as he appeared to answer the subpoena of the House Subcommittee on Legislative Oversight, in Washington, D. C. He was summarily fired as chief counsel of the committee which has been investigating Federal regulatory agencies. Schwartz testified that FCC Commissioner Richard A. Mack has acknowledged receiving "several thousand dollars" from an attorney for a Miami television station. As a result of his firing Rep. Morgan M. Moulder resigned as chairman and two aides quit as staff members.

most other states.

"I have every confidence," said the governor, "that the prophets of gloom and doom will not talk us out of a continuation of our unparalleled progress."

No Help From Ike — More tears than oil flow these days in Texas petroleum circles. President Eisenhower's token tightening of the voluntary oil import quota plan just won't help, oilmen say.

They had pled for an import crackdown to relieve the slump in demand for domestic oil. What they got was "much too little and much too late," said J. J. O'Brien of San Antonio, president of Texas Independent Producers and Royalty Owners Association.

Governor Daniel called the action from Washington wholly inadequate. Railroad Commissioner William J. Murray didn't see how the effort could be effective.

Eisenhower's plan called for a minute curtailment of voluntary imports of crude oil but left products untouched and the import

door wide open to newcomers.

Texas fields were on a nine-day production pattern throughout March with an eight-day pattern ordered for April.

LADIES GOLF ASSN.

The weekly play of golf and bridge was held last week at the country club by the Ladies Golf Assn. Golf was played Monday, Mrs. Marshall Montgomery winning the ball. Bridge was enjoyed Thursday, with Mrs. Nip Blackstone as hostess. High score in bridge went to Mrs. C. O. Walker, second high to Mrs. Sidney Mills-paugh, Jr., and cut to Mrs. Joe Clayton. Members attending were Mrs. Charlie Black, Mrs. Lindsey Hicks, Mrs. Dempster Jones, Mrs. Jess Marley, Mrs. Vic Montgomery, Mrs. Joe Pierce, Jr., Mrs. Byron Stuart, Mrs. Sherman Taylor, Mrs. Byron Williams, Mrs. Marshall Montgomery and Mrs. Jack Williams. Guests were Mrs. L. B. T. Sikes and Mrs. James Childress.

LETTERS TO THE EDITOR

Dear Editor:

One and a half billion dollars in taxes were paid during 1957 by United States telephone subscribers — twenty eight cents out of every dollar the telephone industry received for service. Most people think of the taxes paid out by the telephone company as coming out of the telephone company's pocket, but every tax dollar the telephone company pays out it must first take in from telephone users. There is no other way.

Facts point out that the telephone industry is carrying its share of the country's tax load. In addition to the one and a half billion dollar annual payment in taxes, there is another tax burden piled on top of that. This is Federal Excise Tax or 10% over and above that already mentioned. In 1957 this increased the total U. S. tax on telephone service by an additional five hundred fifty million dollars.

We of the telephone industry believe that this tax is discriminatory. Telephone service is as essential to the American way of life as electricity and gas. Jobs depend on your telephone — lives depend on it — trade and commerce depend on it.

But your telephone is subject to excise tax at the same rate as fine furs, perfumes and jewelry. In fact, only a very few things are taxed at a higher rate such as liquor, tobacco, club dues and night clubs.

The telephone excise tax began in 1941 as an emergency measure. It should not be continued longer lest it become regarded as a permanent part of our tax structure.

Since none of this tax is retained by the company, the only person to benefit by its repeal is the subscriber. It would mean a substantial reduction in individual monthly

telephone bills both on long distance calls and local service.

Even without this discriminatory excise tax, telephone users are paying a big share of the nation's tax bill. We of the telephone industry do not consider the telephone a luxury, but rather an essential. If you feel this excise tax is unfair, we believe that our customers who are your readers will appreciate any action you may see fit to initiate.

Very truly yours,

Famed Oberammergau Passion Play To Be In San Angelo April 12-16

The original authentic American version of the famed Oberammergau Passion Play as performed at Oberammergau, Bavaria, Germany for 324 years will be presented in San Angelo for the first time, April 12 through April 16, inclusive. Through the combined efforts of Consolidated Concerts Corporation of New York and the San Angelo Lions Club. Americans and Canadians will this year see the most famous of all Biblical dramas. The play will be presented in the Municipal Auditorium each week day at 8:15 a. m., Sunday at 2:30 p. m. and at student matinees April 14 & 15. Admission price will be \$1.00 \$1.40, \$1.90 and \$2.40.

First performed in 1634, it has always been different from the Passion Plays and Miracle Plays given in other parts of the world, evidenced by the fact that when prohibited elsewhere, it was permitted in Oberammergau. Permanent permission to produce the play was bestowed on the village in 1800. The oldest known script of the play is one written in 1662. It is stated by students that this text is composed of two still older; one used in Augsburg in the 15th century, the other the work of Sebastian Wild written in the 16th century. The present text used in Oberammergau was written in the years 1810-1815 by Peter Ottmar Weiss. The final revision was made by the good angel of the village, the beloved Father Alois Daisenberger.

The first performance was given at Oberammergau in 1634 and repeated approximately every ten years since. The noted drama is performed in three parts including 18 acts and 24 tableaux. The running time of the performance is from 8 a. m. to 6 p. m. with a two hour intermission at noon. Presentation is given from May 15th to September 30th — a period of about 16 weeks.

Mr. Washington Dogooder

For the first American tour of the New World version the producers have adapted the scrip for the first time into English. They also eliminated all of the tableaux and added additional scenes, so that the American version is presented in 22 scenes with a running time of 2½ hours, which is customary in the American theatre.

and you'll go **GAS** everytime!

... For Closed-Door Smokeless Broiling

Yes, lady, only with a GAS range is it advisable to do your broiling with the broiler door closed — because only a clean-burning live flame is capable of consuming cooking vapors! And closed-door broiling means no odors escaping into your kitchen...no excess heat pouring out. But this is just one of the many advantages of GAS cooking. You'll also find gas the FAST fuel...the CLEAN fuel...the FLEXIBLE fuel...the DEPENDABLE fuel! What's more, Gas Ranges cost less to buy, less to install, and less to maintain. Investigate, and you'll find that where food is finest, it's cooked with GAS! Stop in and get the complete story, then visit your gas appliance dealer.

PUT AN END TO POT-WATCHING, FOREVER

The Burner-with-a-Brain on a new gas range assures completely automatic top-burner cooking. A hyper-sensitive thermostat regulates the heat to eliminate all danger of boil-overs, scorching, or burning.

CONTROL OVEN TEMPERATURES EXACTLY

A self starting, self stopping gas oven keeps an eagle eye on your cooking... frees you from watching or worry while it follows the directions you've set on the dial for time and temperature.

PRAYER MEETING

There will be a prayer meeting, under the direction of the Rev. and Mrs. A. L. Beggs of the Assembly of God church in Big Lake, at the home of Mr. and Mrs. Jack Greer, corner 13th and Avenue E, Tuesday night, April 13, at 7:30 p. m.

Walter Reuther Has Proposed that President Eisenhower appoint a four-man board to "settle" the four-year Kohler strike — which he has lost along with \$10 million of union funds. Perhaps, after reinstating UAW in Sheboygan, the board might move on to Detroit and get those new raises and fringe benefits for him?

A Tribute

To Easter Sunday!

Throughout the world, on Easter Day, thoughtful men, women and children in a thousand tongues sing praises for the eternal resurrection of the One Man Who Overcame Death. You go to church and you join in the joyous services. It is our custom. Let us not forget, though, that Eastertime is not merely a day, but a period of rebirth . . . when every new hope and dream and yearning should be reappraised and given new impetus. So go to the church of your faith — and with your heart full of love for all people everywhere, sing those wonderful words "He is risen!"
