112th District Court To Convene Here Mon. Morning

New Grand Jury Reports Monday at 10, Petit Jury Tuesday

District Judge Jim Langdon will convene the 112th district court in its fall session here next Monday morning at 10 o'clock.

The new grand jury will be impaneled at that hour and the court will be occupied with non-jury matters for the balance of the opening day.

The petit jury panel of fifty men and women has been summoned to report at 10 o'clock Tuesday morning for possible jury duty in criminal and civil cases.

Members of the grand jury panel, from which twelve will be named to the investigating body, are Walter Augustine, Mrs. C. K. Black, Hugh Childress, Jr., Mrs. Bill Clegg, Robert G. Cox, Chas. E. Davidson, III, Batts Friend, C. L. Hatcher, Mrs. Hartley Johnigan, Mrs. Arthur Kyle, Hilton North, Mrs. Lloyd Sherrill, Ernest Dishman, Cleophas Cooke, S. E. Carnes and Woody Mason.

Members of the petit jury panel to report Tuesday morning are:

Ed Cranfill, Glenn Cox, Mrs. Joe Patrick, Mrs. Brock Jones, Gene Williams, Wm. O. Reeves, M. R. Semmler, Austin Millsbaugh, J. B. Parker, Mrs. Ralph Jones, W. T. Stokes, J. E. Hearn, Roy Thompson, Kenneth Perdue, Frank McMullan, Jr., Mrs. Buddy Moore R. A. Harrell, Billy J. Howerton, Mrs. John Childress, Mrs. C. B. Hubbard, Mrs. Ted Doggett, L. D. Ethridge, Mrs. Jess Marley, L. D. Elmore, Mrs. Joe Tom Davidson, Mrs. Tommy Harris, J. P. Pogue, Beal Barbee, Bud Meinecke, L. D. Kirby, Mrs. Pink Beall, Mrs. Tom Powers, Welton Bunker, Joe D. Strauss, Mrs. W. A. Childress, W. Clayton Smith, Carl Appel, Dempster Jones, Mrs. Levoyd Parkes, Jack D. Andrew, Thadd Tabb, Phillip K. Smith, C. W. Taliaferro, Mrs. B. G. Owens, Mrs. Claude Russell, Mrs. N. D. Blackstone, II, Joe Vitela, Bob Scott, Mrs. W. D. Cooper and Mrs. Herbert Kunkel.

Members of the petit jury panel to report Tuesday morning are:

Ed Cranfill, Glenn Cox, Mrs. Joe Patrick, Mrs. Brock Jones, Gene Williams, Wm. O. Reeves, M. R. Semmler, Austin Millsbaugh, J. B. Parker, Mrs. Ralph Jones, W. T. Stokes, J. E. Hearn, Roy Thompson, Kenneth Perdue, Frank McMullan, Jr., Mrs. Buddy Moore R. A. Harrell, Billy J. Howerton, Mrs. John Childress, Mrs. C. B. Hubbard, Mrs. Ted Doggett, L. D. Ethridge, Mrs. Jess Marley, L. D. Elmore, Mrs. Joe Tom Davidson, Mrs. Tommy Harris, J. P. Pogue, Beal Barbee, Bud Meinecke, L. D. Kirby, Mrs. Pink Beall, Mrs. Tom Powers, Welton Bunker, Joe D. Strauss, Mrs. W. A. Childress, W. Clayton Smith, Carl Appel, Dempster Jones, Mrs. Levoyd Parkes, Jack D. Andrew, Thadd Tabb, Phillip K. Smith, C. W. Taliaferro, Mrs. B. G. Owens, Mrs. Claude Russell, Mrs. N. D. Blackstone, II, Joe Vitela, Bob Scott, Mrs. W. D. Cooper and Mrs. Herbert Kunkel.

McCamey Badgers Clobber Lions In Season's Opener

Mistakes and Penalties Ride Locals To 24-12 Defeat Fri. Night

By Ernie Boyd

The Ozona Lions dropped a 24 to 12 opener to the well coached McCamey Badgers before a fine opening day crowd last Friday night.

They fought hard and, on the whole, played well, but a number of costly mistakes and a rash of eleven penalties were too much to give the Lions much chance of winning against the very fine McCamey team.

Lion halfback Bobby Sutton was the big gun for the local offense as he picked up 134 yards rushing, completed two passes for 77 more, and scored one of the Lions' two markers.

Defensively, Johnny Cooper was the standout as he roamed all over the field to nail ball carriers with deadly efficiency, but Billy Bob Holden, B. B. Ingham and Dizzy Reeves all played above average defensive games.

McCamey broke into the scoring parade first following a Lion fumble, the only one of the night, which turned the ball over to the Badgers on the Lion 32. A series of sharp probing runs and pitches moved the ball to the Lion 15 and from there the fine running little Nelson Huffman threaded through the Lion defense for six points. The attempt to run over for two points did not come close.

Leading 6 to 0 in the second quarter, the Badgers got their second big break when a snap on a fourth down kick try sailed high and far over Sutton's head. A quick

Car Stolen Here Is Recovered; 3 Teenagers Arrested In Sanderson

A Mercury car belonging to Mrs. Arthur Phillips was recovered in Del Rio Tuesday after being stolen sometime Monday from in front of the North Elementary school where Mrs. Phillips, a teacher in the school, had parked it that morning.

Three Midland teenagers, each 15 years of age, were arrested later in Sanderson in possession of a second car which had been stolen in Del Rio when the Phillips car was running low on gas. The trio, Steve Quain, Russell Dean Morris and John D. Harper, all under juvenile probation in Midland, were taken into custody by Sheriff Billy Mills in Crockett county and brought here.

The three youths were charged with car theft in Midland and were on probation. They confessed to the theft of the Phillips car here and also of the car at Del Rio. They will probably be turned over to Midland authorities for action on their probated sentences, Sheriff Mills said.

The boys had 45 cents in change, a switch blade knife and a .22 calibre pistol in their possession when arrested in Sanderson. They were on their way to California, they told arresting officers.

Band Booster Club Meet Tuesday Morning To Plan Activities

Ozona Band Boosters Club will hold its first meeting of the new school year Tuesday morning, Sept. 16, at 10 o'clock at the band hall for the purpose of discussing and planning for the year's activities on behalf of the Ozona school band. Mrs. James Baggett, president, announced this week.

Any person interested in the local band, and especially parents of band members, are cordially invited to attend the meeting and to join the Club. Annual dues are \$1 and activities of the group are directed toward serving the best interests of the band, purchase of needed instruments and supplies, providing sponsors for band trips, entertaining the band at year's end and other activities.

Other officers of the Club for this year are Mrs. P. C. Perner, vice president and Mrs. James Childress, secretary-treasurer.

Ozona Artist Delivers Commission to Odessa

Mrs. Nan Tandy West, Ozona artist and art teacher, has just completed a large commission for a buyer in Odessa and will deliver the work late this week.

The subject of the painting, 30 x42 inches, is "Western Landscape." The Odessa owner plans an unveiling of the work Thursday or Friday of this week.

Mrs. West is opening her classes in art here next Monday, Sept. 15.

Abilene Firm Spots Shallow Wildcat On Cox Crockett Ranch

Tejas Grande Oil & Exploration Co. of Abilene filed application to drill a 1,200-foot cable tool wildcat in Crockett County, 18 miles southwest of Ozona. It will be drilled as the No. 1 L. B. Cox, Jr. Location, on a 160-acre lease, is 330 feet from the north line and 1,400 feet from the east line of 25-2-1&GN.

The prospector is located in the abandoned Loffland field that produced from pay between 947-1,000 feet.

First Meeting Of PTA Tuesday Night at 7:30

Ozona Parent-Teachers Association will launch its new season at the first meeting of the new school year Monday night at 7:30 o'clock in the school cafeteria.

All parents are invited to attend the opening and subsequent meetings of the Association. Anyone interested in joining the organization may do so by seeing Mrs. Charles Applewhite at the water district office.

Right Of Way For FM 33 Extension Nears Completion

Negotiations With Land Owners This Week May Clear Plans

What members of the Crockett County Commissioners Court hope will be the final stages of negotiations for purchase of right-of-way for the extension of Ranch 33 west from a point where the road turns north to Big Lake in central Crockett county to Iraan, were under way with land owners and lessees along the course of the proposed road this week.

The State Highway Department has designated the extension and appropriated money for its construction as soon as right of way can be secured. A committee from the Court was conferring with affected landowners and lessees this week in an effort to work out details of the easements and hoped to have a final report ready for the full court action at a meeting of the court here Monday.

The Commissioners recessed their regular September meeting Monday until next Monday so that the right of way matter could be cleared at this session of court and the way opened to the State Highway Department for letting a contract on the project. Negotiations have been under way for several months with the various individuals affected.

The necessary delay in securing right of way for the extension has been one of the grounds on which a group of ambitious residents of Iraan, across the Pecos in Pecos county, have based their contention for creation of a new county to be carved from oil rich lands of western Crockett and eastern Pecos counties, with Iraan as the county seat. When action of the Crockett court finally bears fruit in construction of the new road, the Iraan promoters will have left at issue in their fight for creation of a costly new governmental unit only the "long, long ride" they must occasionally take to do jury duty or to transact other business in the county seat at Fort Stockton.

4-H Club Starts Feeding Programs For New Season

Over 100 Lambs To Be Distributed Among 25 Young Feeders

Some twenty-five young 4-H clubbers will start their lamb feeding projects for the county show this Saturday, County Agent Pete Jacoby announced. Over one hundred Rambouillet and crossbred mutton lambs have been selected from Crockett County flocks for the feeding demonstrations. Each member will be allowed to feed three lambs of each breed. All lambs are to be shorn and weighed out to the youthful feeders Saturday afternoon. All feeders will draw for the groups thus giving every member an equal chance at the start of the feeding program.

Prizes and awards will be made at the county show on the best gain during the feeding period. The lambs will be graded on a market basis with appropriate ribbons furnished for each grade. There also will be pairs of lambs for each breed and a champion finewool and crossbred lamb selected. Separate classes will be set up for first year feeders.

First year feeders are Scotty Henderson, Diana Couch, Larry Mills, Jack Applewhite, Hugh Coates, Milton Colquhett, Candace Colquitt, Rex Bland, and Koy Lee Hallcomb. Veteran feeders are Bill and David Jacoby, Mark and Penn Baggett, Bryan Montgomery, P. L. Childress, B. B. Ingham, Billy Troy and Larry Williams, Bob Childress, B. B. Ingham, Frank Childress, Jimmy Baggett, Fred Baker, Bob Caruthers, and Joe Chapman.

19 Cent Hike In School Tax Rate Fixed By Court

Drop On Oil Values Makes Maintenance Hike Necessary

Crockett county taxpayers, who recently approved a hike in the maximum rate of taxation for school maintenance purposes, will pay an additional 19 cents on the \$100 valuation this year to meet the financial needs of the school system.

The need for the increased rate was created as the result of a prospective drop of nearly two million dollars in valuations of oil property in the county during the past year.

The school tax rate for maintenance and bond retirement this year will be \$1.69 against the maximum allowed before the election of \$1.50. The local maintenance rate was hiked from \$1.15 last year to \$1.31 this year. One cent was added to the levies to create a sinking fund for retirement of three school building bond issues, while the levy for a fourth issue was left the same as last year. The total levied for bond retirement this year was 38 cents against 35 cents last year.

The additions to the bond retirement levies was thought advisable by the court as a safeguard against default in bond payments by reason of the drop in total valuations and consequent drop in collections from the bond levies. The tax levy for county purposes remains the same this year as last, \$1.35 on the \$100 while the state tax this year will be at 42 cents, bringing the total levy in this county to \$3.46 this year.

Ozona Society Hosts To District W.S.C.S. Education Seminar

Members of the Woman's Society of Christian Service of the Ozona Methodist Church were hostesses to the San Angelo District, Missionary Education Seminar, in the fellowship hall of the local church Wednesday. Mrs. H. B. Tandy of Ozona, district chairman of Mission Education, was in charge of the Seminar whose purpose was to introduce the studies and programs for the coming year. One hundred local women and representatives from other Societies in the district were present.

Mrs. Joe Pierce, president of the host Society, introduced the district president, Mrs. E. J. Compton of Texon. Mrs. Compton, in turn, introduced the following district officers: Mrs. H. B. Tandy, chairman Mission Education; Mrs. S. M. Harvick, Status of Women; Mrs. J. A. Fussell, Literature and Publication; Mrs. L. P. Yoakum of Quemado, Texas, Secretary of Supplies; Mrs. Ed Geeslin of Brady, Parliamentarian; Mrs. Ben Cusenbery, Sonora, District Treasurer; Mrs. M. J. Beale of San Angelo, Secretary of Promotions; Miss Dora Ryan of Brady, Secretary of Spiritual Life; Mrs. Earl Brooks of Texon, Secretary of Youth; Mrs. Eugene Harris, San Angelo, Secretary of Missionary; Mrs. Marvin Grote of Mason, Vice President; Mrs. D. A. Willmann, Art, Texas, Recording Secretary; Mrs. Morris McMullan, Mason, Conference Secretary of Literature and Publications.

Mrs. R. A. Harrell of Ozona gave the devotional. "Make Me a Captive, Lord," was sung by a trio composed of Mrs. Joe Pierce, Jr., Mrs. H. B. Tandy and Mrs. Morris Bratton. "The Choralliers" from the Ozona Community Center concluded the program with an interpretation of the "Lord's Prayer."

Major and Mrs. George Hansen of the Radar Site at Zapata, Texas, have been house guests of Major and Mrs. F. J. Radzuikinas in their home here. Major Hansen is enroute to Africa to a new assignment.

Miss Alma Ingham, daughter of Mr. and Mrs. B. B. Ingham and a 1958 Ozona High graduate, has enrolled at Southwest State College at San Marcos.

Bill Jacoby Wins Dist. In Range Management; Now Compete For State

Bill Jacoby, Crockett County 4-H Club member, was judged District winner for Range Management Demonstration at Fort Stockton this week. Bill's record on 4-H club work started in 1952, this being his seventh year in 4-H work. The Texas Sheep & Goat Raisers' Association is sponsor of the Range Management Result Demonstration, and furnishes awards on County, District, and State level.

Young Jacoby will receive a county medal, and a silver belt buckle as District winner, from the Texas Sheep & Goat Raisers' Association.

The District winning record will be submitted for judging in the State Contest in late September. State winners in this contest receive twenty-five dollar scholarships to the Range Camp, held at Junction each year, for top 4-H and FFA boys in the State.

Bill is a son of County Agent and Mrs. Pete Jacoby.

Coffee Marks Opening Of New Club Year For Woman's Forum Sat.

The home of Mrs. Joe Clayton was the scene of a coffee Saturday morning marking the opening meeting of the new club year for the Ozona Woman's Forum.

After a social hour, Mrs. L. B. Cox, III, the new president, opened the meeting with prayer. A business session followed.

Mrs. Joe T. Davidson, parliamentarian, reviewed the Forum Constitution and by-laws. This was followed by presentation of the yearbooks by Mrs. Brock Jones, program committee chairman. The theme of this year's club study will be "Family, Incorporated."

Mrs. Clayton was assisted as hostess by Mrs. Ralph Jones and Mrs. Hugh Childress, Jr.

Other members attending were Mrs. C. O. Walker, Mrs. T. J. Bailey, Mrs. Boyd Baker, Mrs. Fred Hagelstein, Mrs. P. C. Perner, Mrs. John Coates, Mrs. Dempster Jones, Mrs. W. T. Stokes, Mrs. Beecher Montgomery, Mrs. Pete Jacoby, Mrs. Joe S. Pierce, III, Mrs. W. A. Childress, Mrs. Jess Marley, Mrs. Jack Williams, Mrs. W. H. Whitaker, Mrs. Charlie Black, Mrs. Marshall Montgomery, Mrs. Bill Clegg, Mrs. Carl Appel, Mrs. Nip Blackstone and one guest, Miss Mildred North.

CROCKETT HOSPITAL NEWS

Patients admitted to hospital since September 2nd: Enemencia Diaz, Ozona, surgical; Johnnie Roberts, Big Lake, surgical; Frank Swartz, San Angelo, accident; Mrs. S. M. Harvick, Status of Women; Mrs. J. A. Fussell, Literature and Publication; Mrs. L. P. Yoakum of Quemado, Texas, Secretary of Supplies; Mrs. Ed Geeslin of Brady, Parliamentarian; Mrs. Ben Cusenbery, Sonora, District Treasurer; Mrs. M. J. Beale of San Angelo, Secretary of Promotions; Miss Dora Ryan of Brady, Secretary of Spiritual Life; Mrs. Earl Brooks of Texon, Secretary of Youth; Mrs. Eugene Harris, San Angelo, Secretary of Missionary; Mrs. Marvin Grote of Mason, Vice President; Mrs. D. A. Willmann, Art, Texas, Recording Secretary; Mrs. Morris McMullan, Mason, Conference Secretary of Literature and Publications.

County ASC Committee Selected By Ranchers

Ballots were counted Monday for the election of a new County Committee of the Agricultural Conservation and Stabilization program for the coming year.

Named chairman of the committee for the new year was Joe Bean, Chas. E. Davidson, III, will be vice chairman and L. B. Cox, III, member. Alternates will be Joe Tom Davidson and Fred Hagelstein.

CROCKETT COUNTY HOSPITAL MEMORIAL FUND

List of donors to the Hospital Memorial Fund since August 27, 1958:

Mr. and Mrs. Charlie Black, Jr., in memory of Mr. George Bean.
Mr. and Mrs. Paul Perner in memory of Mrs. Ned Friend and in memory of Mr. George Bean.
Mr. and Mrs. Bill Carson in memory of Mr. George Bean.
Mrs. W. E. West in memory of Mr. George Bean.

Strain Brothers Low Bidders On No. 4 Flood Dam

Last In Series Of Control Dams Contracted Monday

Strain Brothers, Inc., of San Angelo, were low bidders on the last flood detention dam in the series of seven which the Soil Conservation Service and Crockett county are building to control flood waters on the Johnson Draw watershed when bids were opened by the Commissioners Court here Monday.

Strain Brothers, contractors on the dam at Site No. 6, largest in the series just south of the Big Lake road at the north edge of Ozona and nearest of the dams to the city, bid \$198,528.30 on the dam at Site No. 4 on the W. R. Baggett ranch. Ford Allen, who supervised construction of the dam at Site 6, will be in charge of the construction when it gets under way.

Three other contractors submitted bids on the Site 4 project. Roland L. Scherer of Weatherford bid \$200,560.69; Condon-Cunningham, Inc., of Dallas bid \$218,139.64, and Crownover Construction Co. of Coricana bid \$229,422.60.

The engineer's estimate on the No. 4 dam was \$170,667.60 but an item of 3,500 cubic feet of rock excavation in the specifications was left blank in this estimate. The item represented from \$10,000 to \$19,000 in the contractors' bids.

Construction will get under way as soon as contract preliminaries are completed and the contractor will be allowed a maximum of 445 working days to complete the project.

Lions Reshape For Coahoma Bulldogs Here Friday Nite

McCamey Defeat May Prove Blessing In Sharpening Lions

By Ernie Boyd

Coach Fred Hickman put into effect a number of lineup changes and began work of sharpening up both offensive and defensive maneuvers Monday afternoon in preparation for the invasion of the always very tough Coahoma Bulldogs in Lions Stadium Friday night.

The Lions will be favored to break into the win column this week but will have to overcome a number of the plagues troubles during the week if they plan to be sure about it.

Coahoma gave the Lions another scarce last season, dropping a well played 20 to 14 decision to the Lions on Sutton's 89 yard sprint late in the contest. The Bulldogs later in the season whipped Sonora in a rather sound fashion and are expected to bring a strong team to Ozona Friday.

The Lions looked alternately strong and ragged Friday night with 135 yards in penalties and some costly mistakes being largely responsible for much of the troubles.

The Lions garnered 160 yards rushing and 77 more passing during the night but had as much or more called back due to infractions.

The Lions powerful air game was made less potent by the failure of the team to employ many of its pass patterns. This is largely accounted for by the anxious Lions being too eager to go all the way on one play.

Another problem plaguing the coaching staff is the lack of an accomplished center to snap the ball on kicking plays. This problem is not one common to Ozona since the mere fact that most of the state's teams use the T formation is indication enough that good ball snappers are not too readily found. The T formation itself destroys what used to be a prime consideration for a center.

THURSDAY, SEPT. 11, 1958

THE FUSE BURNS SHORT

In what has been termed by some to be a strong policy statement, Secretary of State John Foster Dulles has said with the President's approval that the massive US forces whose gun muzzles point at Red Cinha will take "timely and effective" action if and when President Eisenhower decides this is necessary for the defense of Formosa.

This, of course, has been the US position and the US responsibility since the signing of the Mutual Defense Treaty with Chiang Kai-shek in 1955. Since then US spokesmen have remained coy on the subject of whether or not the Administration regarded Quemoy and the Matsus as part of Chiang's domain, and hence "Free China". Mr. Dulles' latest contribution appears to admit that they are. He says "In this connection, we have recognized that the securing and protecting of Quemoy and Matsu have increasingly become related to the defense of Taiwan (Formosa). This is indeed also recognized by the Chinese Communists. Military dispositions have been made by the United States so that a Presidential determination, if made, would be followed by action both timely and effective."

A US spokesman has interpreted the Dulles statement to mean that "a Presidential determination" has not yet been made; that the Secretary and the President hope Red China will not make an all-out effort to take Formosa and the offshore islands which the Reds speciously claim belong to them; that Chiang may be able to handle the situation with the logistic support he is already receiving from us and without "shooting" help. Further, this unnamed "high American officials" assumes that the

US will not withhold military assistance until the situation gets out of hand; and that, if action is ordered, the China shore will be no Yaloo River and American bombers will strafe China mainland airfields from which the Nationalists are attacked.

We hope that this spokesman knows whereof he speaks, and that the Reds' intelligence is good enough to comprehend the still growing assault capabilities of the mighty forces arrayed against them and the attitude of top US military leaders who are still burning over the Korea fiasco. In this case the Chinese Communists just may, as Mr. Dulles hopes "stop short of defying the will of mankind for peace."

U. S. THE SHORN LAMB

There may be some question as to whether we are giving our foreign friends "the shirt off our back." But there's no doubt we are handing over our coat-and-pants, our "woolies", our blankets, and sundry other woolen items that are sorely needed to fend the chill of low-wage, low-tariff imports from the body-politic.

In ten years, under the made-in-Geneva GATT arrangements to distribute American dollars more equitably over the rest of the world, half of our woolen and worsted mills machinery has been halted and removed from idle mills. Fifty percent of the industry's work-force has lost its jobs. Production of woolen and worsted fabrics of all types has been cut 40 percent. Woolen industry profits, that stood at nearly \$83 million in 1948, disappeared long ago. By 1951 they had shrunk to less than \$33 million and the red-ink figures began in 1952. By 1954 (the last year for which income tax figures are available) losses had reached \$39 million.

Clearly, it is time to call for a change. Wherefore the various segments of the wool industry — growers, processors, spinners, weavers, knitters, felters and finishers — have joined hands in an organization called "Woolens and Worsted of America" to enhance public appreciation of American-made wool products.

Naturally the wage differential is the root of the problem. The best example of what this

means is a tabulation of the wage-cost of a yard of rigidly specified 16-ounce Army serge. Allowing three-quarters of a man-hour per yard, the US labor cost is \$1.20; in Britain, 38 cents; France, 34 cents; Italy, 22 cents, and Japan, 10 cents!

And in this connection it is interesting to note that before World War II, both Japan and Italy were unsuccessful in competing with US mills, wherefore our Government provided modern, efficient machinery and sent technicians to teach them the American know-how! Now, these very countries with their fantastic wage advantage are wiping out what the Congress ruled some years ago is a vital defense industry. (While ragged, shivering, frost-bitten soldiers survived Valley Forge and won through to victory, we might not be so lucky again.)

As for the myth that foreign woolens are superior, it is exactly that. Grade standards are international, the same the world over. Our manufacturing skills equal or surpass the foreigners, and the artistry of our designers in textures,

colors and patterns leads the world. American-grown, American-made woolens need no favors. But they must, in the national interest, have justice.

WOMAN'S FORUM OFFICERS — Mrs. Joe Clayton, right, hostess at the coffee Saturday morning in her home which launched the new season, serves Mrs. L. B. Cox, II, new president, and Mrs. Brock Jones, left. Mrs. Jones and Mrs. Clayton are vice presidents.

CONSERVATION NOTES —

Conservation Ranching Will Conserve Wildlife As Well As Soil, Water

Blue quail or scaled quail, as they are called by some, have increased in Crockett county as a result of the closed hunting season and improved range conditions. Most of us are interested in blue quail during the season but they seldom occupy our thoughts during the rest of the year. Wildlife should be considered and included in any conservation ranch plan and the welfare of the blue quail should be in our minds all of the year.

Blue quail at one time ranged as far east as Gillespie county but at present Menard county is the eastern limit. Blue quail are able to survive where cover and water is

insufficient for bobwhites. Although the blue quail can survive where brush and ground cover is sparse, good cover and adequate food is necessary for a high level of production.

Overutilization of the range is the greatest enemy of the blue quail because more birds are destroyed by predators and starvation than are killed by hunters. Low growing brush, high grass, and dense weeds furnish both food and cover for the blue quail. The food of the blue quail consists of seventy percent vegetable matter (fifty percent seeds and twenty percent green food) and thirty percent insects. Those plants that furnished the bulk of the food supply of the blue quail are elbowbush, catclaw, prickly pear, tasajillo, mesquite, pigweed, senna, nightshade, croton (doveweed), rushpea, hackberry, locoweed, broomweed, and the

grasses. The Panic grasses are the best seed producers for wildlife.

Good quail management must be based on properly using the grasses and forbs on the rangeland by grazing half and leaving half of the vegetation. By leaving half of the total production of the vegetation, we can be assured that there will be adequate food and cover for all wildlife. Exclosures may be fenced off to be used exclusively by wildlife which make excellent nesting sites for blue quail. Blue quail are able to survive without any surface water but they will do better where adequate water is available. Small quail are unable to drink from most stock troughs so it is a good practice to allow the troughs to overflow.

Conservation ranching will conserve wildlife as well as soil and water. The Crockett Soil Conservation District is eager to assist those ranchers interested.

LADIES BIBLE CLASS

The Ladies Bible Class of the Church of Christ met at the church Wednesday morning to continue the study of the Patriarchal Dispensation. The class is being taught by Darrell Brawley, local minister. Attending were Mrs. Paul Hallcomb, Mrs. J. W. Owens, Mrs. O. L. Sims, Mrs. Roy Miller, Mrs. Bud Loudamy, Miss Jerry Loudamy, Mrs. Pete Brown, Mrs. Ed Cranfill, Mrs. Peery Holmsley, Mrs. T. C. Goodman, Mrs. J. D. Nairn, Mrs. Hubert Baker, Mrs. O. D. Paulk, Mrs. D. C. Ratliff, Mrs. J.

B. Miller, Mrs. Paul Ballard, Mrs. J. D. Alexander, Mrs. M. C. Allison, Mrs. Luke Kopycinski, Mrs. Lonye Cane, Mrs. Pete Hickman, Mrs. W. B. Moxley, Mrs. Darrell Brawley, Mrs. Olan Merritt, Mrs. Herman Knox and Mrs. Lilly Smith.

LIQUIDATION AUCTION

PAT LYLES, SONORA, TEXAS IS GOING OUT OF BUSINESS MONDAY, SEPT. 15 10 A. M.

Mr. Pat Lyles has been in business in Sonora for over 20 years. He is going out of business and has commissioned Von Reese Associates to sell to the high bidder without minimum or reserve all of the assets of his business. Mr. Lyles is a general tire dealer, ex-Buick dealer and ex-Phillips Petroleum wholesale and retail gasoline distributor. Everything sells regardless of the price it brings. Partial list of equipment, supplies, property, etc. includes:

TOOLS AND EQUIPMENT

One Model Beam Wheel Alignment Machine, 1 Weidenhoff Cabinet Tester complete coil, comp. carburetor and electrical tester. One US Battery charger, 1 Sun Elect Testing Machine, 1 Willard Reserve Charger, 1 King Scale Gen. Voltage Regulator Testing Machine, 1 Spark Plug cleaner and tester, 1 Willard Battery Charger, 1 Tube Mount for tubeless tires, 1 Henderson tire changer with 14" attachments, 1 Bowser 4-way pump with gauge, 1 Hnuter tune-in wheel balancer, 1 Intersoll model 504 air wrench with hose, 1 Chicago Pneumatic air wrench with hose, 1/2-HP flexible shaft buffer, 1 Barnish tire spreader, 1 Westinghouse 3-phase air compressor (5-HP), 1 Grimes tire mold, Dual Ratio overhead 3 outlet grease cabinet and guns, a Frame, chain hoist, 1 set micrometers, 1/2-HP electric motor on stand, bench vise, 1 set automatic transmission micks.

TRUCKS

One 1957 Autocar Diesel Tractor, 180 Cummins Engine, 10 speed road ranger, 10x22 tires, 5th wheel, saddle tanks, ICC brakeaway valve, West Coast Mirrors. Registered in Texas for limit, like new. One 1957 International S 160 Cab and Chassis, 2-speed axle, factory reinforced frame, heavy duty rear end, registered in Texas. One 1958 Ford F 6 Cab and Chassis, 2-speed axle, 900x20 tires, low mileage. This truck has not been registered this year.

PARTS, SUPPLIES, FIXTURES

Several hundred dollars worth of new parts. Mr. Lyles was for many years the Buick dealer in Sonora and kept a good stock of parts. Most of these parts are for late model automobiles, mostly Buick parts but most of them are interchangeable with any General Motors car. One 6-shelf steel frame parts rack, 1 steel parts bin, 8 steel parts bins, 2 Kilbury heaters, 6' work bench, 9' work bench, 15' business counter, etc.

TANKS, PUMPS

Four 2,000 gallon under-ground storage tanks, 3 gasoline pumps, 1,375 gallon 2-compartment truck tank.

OFFICE EQUIPMENT

One 3 1/2x3 steel safe, 2 filing cabinets, 19 clip boards and record holders, 1 Royal typewriter, Victor adding machine, Marvell Paper punch, shelf and drawer desk, 1 mahogany desk, National Cash Register, 1 swivel chair, 1 Standard cash or invoice machine, Electrolux vacuum cleaner, etc.

PROPERTY

This business property is located on the corner of Concho and Chestnut in the city of Sonora, Texas. It consists of a lot 150 by 100. The frontage is 150 feet. Improvements include a corrugated sheet iron Quonset building 45x90. This building has a rock front and the front end is finished with a lot of plate glass as it was used for a show room floor for automobile agency. To the side of this building and on the back of the lot is a frame building with 5 separate stalls. The lot in front of this building has a solid concrete slab. This is an excellent place for a business establishment or is good investment property. An existing lien necessitates a minimum bid on property.

TERMS

Cash, cashier's check, personal and company checks accepted when accompanied by letter of bank credit. Everything sells to the high bidder regardless of price. No minimum or reserve on anything other than the property. Everything must be paid for the day of sale.

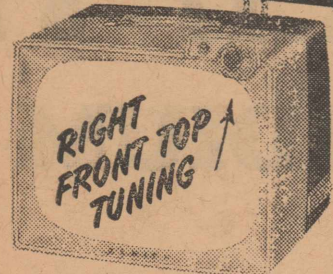

Sale Conducted By **VON REESE ASSOCIATES**

HOW MANY HORSES IN YOUR HOME?

... in terms of the amount of work you give electricity to do, perhaps 5 or 6. The electricity an average American family uses actually equals the work of a half-dozen powerful horses.

Hard to believe? Stop for a minute and think of all the ways you put electricity to work—and how often. Cooling, heating, cooking, cleaning, lighting, even entertaining.

Yet how little all this electricity costs! Nothing else your family buys adds up to such a value.

The horsepower, equivalent in electric energy, used for Electric Cooking cuts the average WTU family less than 3¢ a meal—about \$2.34 a month.

Electricity costs so little— you can afford to use more of it!

West Texas Utilities Company

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman Sept. 12, 1929

The annual movement of Crockett county lambs is under way. Five producers with a total of 11,500 head of mutton lambs loaded out at Barnhart during the past week. They were Wayne and Massie West, Ira Carson, George Harrell and Vic Pierce. The lambs are bringing 10 and 11 cents a pound.

With estimates on pump production ranging from 200 to 500 barrels daily, Dr. J. W. Young's No. 1 J. M. Shannon has established itself as one of the best of the Crockett county producers. Following swabbing tests, it was thought the well might go on the pump in a few days.

Ralph Watson suffered injuries Saturday morning when he collided with a strand of barbed wire across the gate at the trap south of Ozona. Mr. Watson was horseback helping drive his lambs to Barnhart for shipment and rode through the gate at a fast gallop. He did not notice the wire in time to dodge it and suffered a deep gash on his lip and cheek. Ten stitches were necessary to close the wound.

The Ozona High School pep squad is ready and rearin' to go when the whistle sounds for the first football game of the season. Miss Elizabeth Perner will be the head cheer leader with Miss Louise Henderson as assistant. Forty lusty throats will open up from the sidelines to encourage the grid stalwarts on the field.

The Parent-Teacher Association will not sponsor a school band during the coming session, it was decided by unanimous vote at a meeting of the Association Thursday afternoon. The meeting was called by the president, Mrs. W. A. Kay.

Heavy rains, general over most of this section and accompanied by a sharp drop in temperatures relieved a two-months drouth in the stock raising section and gave promise of a good winter season. The total fall here was 2.5 inches while heavier falls were reported in other parts of the county. High winds and a spectacular electrical storm accompanied the weather.

Mrs. Anna H. Hudson, who was with the Popular Dry Goods Co. of El Paso for 13 years, has accepted a position as saleslady for the Lem-

mons Dry Goods Co. here. Mrs. J. R. Kersey returned Sunday from Fort Worth where she has been visiting her daughter, Mrs. Bob Austin and family, and her new granddaughter, Patricia Ann Austin, born about a month ago.

Miss Mildred Davis will leave Saturday to enter Simmons University at Abilene.

I. G. Rape, formerly with the Orange Cross drug store at Rankin, has been transferred to the Ozona Orange Cross store, the Ozona Drug Store, to succeed William Buttery as prescription clerk. Mr. Buttery has been made manager of the Rankin store.

A quote from the Uvalde Leader-News: "Helms did not get far with his insanity plea. The jurors took ten minutes to decide that he was sane, just as sane as he was when he robbed the bank at Cisco and killed two policemen in the get-away. The sooner Texas juries put the lid on these slobbering women and fool preachers who have conniption fits over dirty murderers, the better for our state."

Cattle Markets Opens On Stronger Basis Monday

Fort Worth, Sept. 8 — The opening session on the livestock market at Fort Worth Monday was fairly active and most cattle and calves cleared at fully steady to strong prices. Slaughter cows were scarce, and somewhat higher. Stocker and feeder trade was very active and Cornbelt and Western outlets had to compete with a more determined set of Southwestern stockmen, who in many cases had gotten some good moisture out of Hurricane Ella's visit to Texas.

Packers were active buyers,

since the abbreviated supplies of meat acquired in the previous week left their cupboards comparatively bare.

Comparative prices: Good and choice slaughter steers and yearlings drew \$24 to \$27, and common and medium offerings cleared at \$18 to \$23. Fat cows ranged from \$18 to \$21, and canners and cutters drew \$13 to \$18, a few emaciated below \$13. Bulls brought \$17.50 to \$21.50.

Good and choice slaughter calves cashed at \$24 to \$27, and medium and lower grades bulked at \$16 to \$23. Medium and good stocker steer calves cashed at \$28 to \$32, a few good and choice \$32 to \$33.50. Similar heifer calves ranged from \$30 downward. Lighter weight steer yearlings ranged from \$27 downward, and a heavier steers sold from \$24.50 down. A few medium and plain stocker cows cashed at \$18 to \$20.50.

Fat Lambs Weak, Goats, Sheep and Feeders Steady

Sheep and lambs were uneven at Fort Worth Monday, with some sales of slaughter lambs display-

ing weakness. Feeder lambs, sheep and goats were mostly steady, quality considered. Good fat lambs sold from \$21 to \$22, and cull to medium lambs cashed at \$13 to \$20. Stocker and feeder lambs were reported from \$18 to \$21.

Fat yearling of medium to good grades sold from \$17 to \$18 and aged wethers sold from \$10 to \$13. Slaughter ewes sold from \$7.50 to \$8.50. Aged slaughter bucks sold from \$6 to \$6.50. A few slaughter goats sold for \$7.

Lions Reshape —

(Continued from page one)

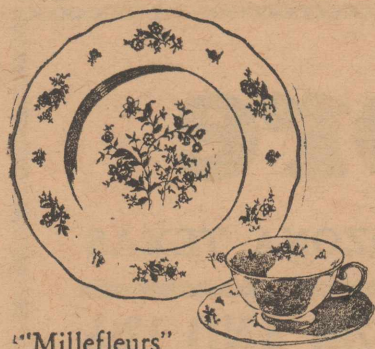

While blocking and defense have always been vital to the selection of a center, the ability to snap the ball has been almost forgotten until it is almost too late to be instilled in the candidate for the position.

Another kink in the Lion offense has been the failure of the flanker. Teams seeing the other team flanker must split up their defense in order to cover the split halfback thereby shaking up the defense and aiding the offense.

The wing T is not a new formation and is still used by most professional teams since it offers the ultimate in wide open offense. The Lions, however, fail to call the signals of the split halfback to the point where the opposition stops covering him and thereby gets an advantage of having 11 men against 10.

ded more plays this week in order to help the quarterback use his wing man and spread out his attack.

The shift of Holden to the backfield will not affect the defense to any degree since Holden has been backing the line most of the time since early last season. On offense Adolph Rivera and Tommy Porter will move up and both are capable.

Coach Hickman hopes to get more boys into the game this week with quarterback Bob Meinecke expected to split time with Dave Sikes and Tony Parker, a halfback will be ready for service.

The Lions failed to spread their attack out much last week but have capable runners in Jim Freeman, David Sikes, and Tony Parker, in addition to the fullback and the Lions chief ground gainer, Bobby Sutton.

The facts in the matter are that there is really a good bit of unproven talent and not as much experience as many imagine.

Inexperienced ball players make more mistakes than more seasoned ones and it is only natural that games will be lost due to these miscues. The mistakes that seem so apparent from the stands are

not always the ones that are most damaging. Playing out of position, making a mistake on blocking assignments, failing to cover the proper area or to take the proper counter measures can be far more serious than a fumble or a dropped punt or even a high snap.

With one game under their belt, the Lions should show a great deal of improvement this week but none the less a loss to McCamey is neither a disgrace nor in any way damaging to the Lions plans.

The Lions learned a lot of things in playing a solid, well coached and skilled ball club like McCamey that they would not have learned from a lesser light whom they would have beaten with ease.

Films of the McCamey game show conclusively that inexperience and mistakes made in the line rather than what McCamey did were largely responsible for the Lions' misfortunes.

Downfield blocking was almost totally lacking on many plays and pursuit and indecisive tackling contributed greatly to the Badgers success.

The films also showed that Johnny Cooper was the Lions' most outstanding lineman and pointed out clearly those boys who were

in error from time to time during the contest.

Very few of the teams that won state titles last season were of the undefeated type, most having lost an early season game to a team of higher classification.

If the Lions take advantage of what they learned and sharpen up their own short comings we may yet feel that the first game loss was best in the long run.

Offensively the Lions will start Jim Williams and Jerry Jacobs at ends, Johnny Cooper and Dick Flannigan at tackles, Adolph Rivera and Kenneth Deland at guards and B. B. Ingham at center. In the backfield, David Sikes will be at quarter, Sutton and Freeman at halves and Holden at fullback.

On defense Reeves and Rivera will be at ends, Cooper and Ingham at tackles, Porter and Deland at guards with Williams, Jacobs, Sikes, Sutton and Holden in the secondary or lineback posts.

Roger Gotcher, son of Mr. and Mrs. Charlie Gotcher of Ozona, is teaching in the high school at Batesville, Texas, this year and coaching the 6-man football team of that school. Mr. Gotcher, who was graduated from Ozona High School and attended Sul Ross State College, taught last year at Barnhart.

FRIDAY BRIDGE CLUB

The Friday Bridge Club was entertained last Friday by Mrs. Stephen Perner in her home. High score prize went to Mrs. Tom Harris, low to Mrs. Eldred Roach and cuts to Mrs. Bailey Post and Mrs. Joe Pierce, Jr. Others attending were Mrs. W. W. West, Mrs. S. M. Harvick, Mrs. Evert White, Mrs. Lovella Dudley, Mrs. Early Baggett, Mrs. Bill Adams, Mrs. Sidney Millsbaugh, Jr., and Mrs. Joe T. Davidson.

Mrs. H. A. Elledge has returned to her home here after a ten-day visit with her grandson, Henry Patrick and family in Pecos.

Mr. and Mrs. T. A. Kincaid, Jr., have had their grandson, "Tres" and his parents, Mr. and Mrs. Tom Kincaid, visiting with them on the ranch. Tom and Ann have returned to San Marcos for the fall term at Southwest Texas State College.

Airman LeSage of the Ozona AFS is visiting his parents in Illinois. Mrs. LaSage and baby daughter will return with Airman LeSage.

Ronnie Paulk, son of Mr. and Mrs. O. D. Paulk of Ozona, has enrolled as a student at Texas Western in El Paso. Ronnie is a 1958 Ozona High School graduate.

Stan Williams, 1958 graduate of Ozona High School, has enrolled at Baylor University. He is a son of Mr. and Mrs. Ben Williams.

Jake Young, Jr., a 1958 OHS graduate, has enrolled on a football scholarship at A&M College.

Miss Ann Baggett, daughter of Mr. and Mrs. James Baggett, will be a student at the University of Texas in Austin this year.

HIGHLIGHTS AND SIDELIGHTS From State Capitol

By Vern Sanford
 Texas Press Association

AUSTIN, TEXAS — How best to educate Texas children — and how to pay for it — will be a key issue in the upcoming legislative session.

Problems were spotlighted when the Hale-Aikin Committee made its first report. Included were 12 recommendations for improvement or expansion of public education.

Several proposals reflect the concerns of the times. In an age of mounting traffic death tolls and almost universal availability of high-speed cars to teenagers, state-supported driver education was urged. In the face of widespread reports of the superiority of educational systems in other countries, the committee recommended state aid for classes for the "academically gifted." It also proposed increasing the school year from a minimum 175 days to 180 days plus five days for teacher training.

Other proposals were to provide state support for (1) more principals, (2) assistant superintendents in large districts, (3) pre-school teaching of children unable to speak English, (4) larger allowances for maintenance, (5) replacing school buses and paying drivers (6) buses for city children living more than two miles from school, and (7) state and local guidance services.

It also suggested basing teacher-pupil ratios on current attendance rather than figures for the year before and urged the setting aside of TV channels for future educational use.

Final decision on other recommendations was postponed until Sept. 15. These include raising the minimum pay for teachers \$595 a year (from \$3205 to \$3800) and releasing state property taxes to allow for more local district collections.

Hale-Aikin Committee is a 24-member study group of lawmakers and private citizens set up by the last legislature to study public

schools and make recommendations to the 1959 session.

Committee members are not blind to the likelihood of stiff legislative resistance to the additional money-spending called for by most of the proposals. Cost of the state minimum foundation program for the present school year is estimated at \$349,416,000. H-A Committee's "enrichment" suggestions could add from \$50,000,000 to \$150,000,000 to that figure.

Most lawmakers already are feeling financially gloomy because of a predicted \$140,000,000 gap between state revenue and cost of present programs — without any kind of improvement anywhere.

What, Not How — Greater emphasis on what to teach, rather than how to teach will be reflected by this year's college graduates majoring in education.

A law passed in 1955 requires future teachers, beginning with the

1959 grads, to have 40 per cent of their credits in subjects they will teach, 40 per cent in "cultural subjects," 20 per cent in education courses.

Photo Finish — Race for speaker of the House seems stalemated with the likelihood that the winner will not be known until all 150 members convene and vote in an all-exits-barred showdown.

Both Rep. Joe Burkett of Kerrville and incumbent Speaker Waggoner Carr of Lubbock claim a majority. But each says he does not have permission from the signers to show all his pledge cards.

There are rumors that several House members, wanting to be agreeable, pledged support to both candidates, never dreaming that the contest would be so close as to bring a "judgment day."

Water Wells in Reverse — State Highway Department will try out a plan of digging wells to put

water into the ground, rather than take it out.

Purpose is to drain the "wet weather lakes" which sometimes block highways for days or weeks at a time. Such lakes are not uncommon in the Plains area after a rainy spell has filled low places.

A side benefit of the plan, noted Highway Commission Chairman Marshall Formby, would be the re-charging of underground reservoirs.

Labor Law Arena — Another legislative slugfest, for which ammunition is already being stacked, is foreseen in the area of labor u-

nion regulation.

Sen. George Parkhouse of Dallas, longtime champion of restrictive labor laws, has announced he has some more in mind. He said his proposals were prompted by abuses reported to him by union members. Parkhouse said he would sponsor bills to (1) provide state regulation of union pension funds, (2) prohibit union assessments for political campaigns, (3) require public disclosure of union spending and (4) correct practices whereby, according to the senator, union leaders prevent some members from getting work.

Low-cost step saver — a telephone in your kitchen!

SO CONVENIENT! And you have a choice of ten lovely colors to blend with your color scheme.

This attractive wall phone features utmost economy of wall space. Handset is cradled at the side, so it doesn't get knocked off. "Whisper-quiet" dial catches ceiling light, so it's easy to see. And, with all its extra convenience, the cost is only pennies per day!

Call our Business Office. Tell us what additional telephones you'd like to have—in the kitchen, bedroom, den or workshop. Why not do it now?

McCamey —

(Continued from Page One)

pass from Don Bowden to Nelson Huffman who was far behind the Lion defenders was good for the second score.

The Badgers tried Huffman for the two point play but he was crushed under a mass of players for no gain.

The Lions got back into the ball game quickly but had to get out of a terrible hole to do it.

Bobby Sutton attempted to field the kickoff and it was ruled that he had a knee down when the ball was caught on the one foot line.

Sutton then proceeded to stage a one-man safari to mid-field where, despite being set back 15 yards on illegal use of the hands penalty, he hit Jerry Jacobs far behind the Badger secondary and Jacobs ran into the end zone untouched.

It was the Lions' chance to try for two points but the play was smothered for little gain.

The Lion score apparently stung the Badgers as they took the next kick and on two plays covered 62 yards. Huffman picked up 31 yards and a 31-yard pass from Bowden to Neil Bone did the rest to send the Lions to the half trailing 18 to 6.

The Lions came back from the half-time snorting, but once again mistakes and penalties put the cats into the hole. At one time in the third quarter the Lions gained 41 yards on three downs and faced fourth and 15 and had to kick. The kick was blocked and McCamey took over on the Lion 16 yard line. This time the Lion defense, led by Cooper, rallied to smash McCamey and take the ball on downs.

Late in the third period the Lions got under way when Bob Sutton ran Huffman's 33 yard punt back 25 yards and two roughing penalties put the ball in scoring position. Sutton climbed into the middle of McCamey's line bounced off two or three would be tacklers and fell into the end zone.

This brought the score up to 18 to 12 and the missed tries seemed now to be important. The Lions decided to kick, but the snap was over the head of everyone and the play was wrecked.

The Lions got one more chance to pull the game out of the fire late in the fourth period when McCamey gambled on a fourth and

one yard to go try, and did not make it. Actually the play was stopped due to a fumble as far as the records go, but in reality the luckless Badger who miscued the ball was about to be swallowed up in a pocket of Lion defenders well behind the scrimmage line when the ball got away and rolled up field where Billy Bob Holden corraled it.

The Lions had to score as time was running out, but another penalty and some stout defensive work stymied the effort.

The last score was sort of an anti climax. The Lions had failed and the Badgers, by making a first down or so, could run out the clock but instead Roy Parmally broke through the Lions right side and galloped 44 yards for the score. The Lions threw a few long passes and that was the ball game.

The statistics favored the winners but were close and do much to reveal the true nature of the game.

In first downs the two tied at 10 apiece. In rushing the Badgers had 199 to the Lions 147. In the air the Badgers threw seven times, completed 3 and gained 94 yards and two scores. The Lions went upstairs 10 times completed 3, one on interference for 92 yards and one score.

The Lions drew 11 penalties for 135 yards. McCamey had 7 for 95 yards. Ozona kicked 4 times and despite having one partially blocked had a 37-yard average. McCamey kicked 3 and averaged 34 yards.

A large following from McCamey as well as Big Lake and other nearby cities swelled the crowd to almost overflow proportions.
