Funeral Services Here Monday For James C. Mitchell

Early Day Resident of Crockett Co. Died In El Paso

Funeral services were held at 11 o'clock Monday morning from the Ozona Methodist Church for James C. Mitchell, 65, a former resident here and member of a pioneer West Texas ranching family, who died Friday in an El Paso hospital following heart surgery.

Mr. Mitchell, a retired ranchman with extensive holdings in Terrell and Pecos counties, had served as a county commissioner in Terrell county while active in the ranching business in that area. He and Mrs. Mitchell moved to El Paso following his retirement from active management of ranch operations.

Services were conducted by the Rev. Morris Bratton, pastor, with burial in Cedar Hill Cemetery under direction of Cody Funeral Home. Mr. Mitchell's parents, the late Mr. and Mrs. James C. Mitchell, pioneer Crockett residents, are buried in the cemetery. Mr. Mitchell, Sr., was a resident here at the time of the county's organization in 1891 and was active in the organization effort.

Pallbearers were Stephen Perner of Ozona, Conley Brooks and Clayton Puckett of Ft. Stockman, Malone Mitchell, Sid Harkey and C. C. Mitchell, all of Sanderson.

Mr. Mitchell had undergone surgery to correct a heart condition and had apparently come through the operation in good condition. Death came suddenly about midnight, however, following the operation the day before.

He was a World War I veteran, member of the American Legion and of the Methodist church.

Survivors include his wife; Mrs. Ollie Mitchell of El Paso; a daughter, Mrs. Annah Mitchell Hoey of San Antonio; a sister, Mrs. Ida Mitchell Montgomery of Ft. Stockton; two brothers, John M. Mitchell of Bracketville and W. C. Mitchell of Fort Stockton; a granddaughter and a great-granddaughter.

Ozona FFA Judging Teams Win Tops At Ft. Stockton Show

Plant Identification, Range Judging Contests Copped

A plant identification team and a range judging team representing the Ozona FFA Chapter won first place in each event at the Pecos County Fair in Fort Stockton Friday afternoon. Composing the two judging teams were Bob Cooke, Reid Holmsley, Herbie Noelke and Tommy Everett.

High individual honors in plant identification went to Bob Cooke of Ozona with 437 points. Running a close second was Herbie Noelke of Ozona with 434 points. Dickie Gibbs of Iraan was third and Reid Holmsley of Ozona was fourth with 324 points.

The Ozona plant identification team piled up a total of 1195 points out of a possible total of 1500. Second high team in that contest was Iraan FFA and in third place was Ward county.

In range judging, high individual honors went to Reid Holmsley with a score of 160. Tommy Everett emerged in fourth place in range judging and Bob Cooke, the third member of the Ozona team, placed fifth in individual scoring. The three high teams in range judging placed in exactly the same order as in plant identification: Ozona, first; Iraan, second; and Ward County third.

The Girls Auxiliary met at the First Baptist Church Monday at 3:45 p. m. in weekly session. Present were Mary Frances Goolsby, Cheryl Lyles, Lucille Childress, Ann Long, Sharon German, Joleen Butterfield and Mary Ann Pitts.

Al G. Kelly, Miller Bros. Circus Coming To Ozona Friday

Al G. Kelly and Miller Bros. circus, second largest circus in the world, will present two performances in Ozona Friday, Oct. 17.

The afternoon performance will start at 2 p. m. and the evening show at 8 p. m. The admission price is 50 cents for children and 99 cents for adults.

The Al G. Kelly and Miller Bros show boasts one of the largest collections of wild animals in this country, a total of 218 animals, including a herd of 21 elephants.

The circus will unload at the Crockett county fairgrounds early Friday morning.

Organization Meeting For Gun Club Set For Tonight At Courthouse

The proposed Ozona Gun Club will meet Thursday, October 16, at the Courthouse at 8:15 p. m. immediately following the bonfire and pep rally for the Sonora football game.

At this meeting, officers will be elected and plans made for building an outdoor rifle range. The selection of a name for the club will also be made at this meeting.

Eight boys and six men attended the previous meeting on October 2, at which time plans were made to join the National Rifleman Association.

Any high school boy, any father, any teacher, or any one else interested in joining the gun club should plan to attend the meeting tonight.

3 Championships Won By Crockett Co. 4-H Clubbers

Grandchampion Steer, Ram And Ewe Shown At Ft. Stockton

Three Crockett County 4-H Club members each won championship plaques on their livestock at the "West of the Pecos" Livestock Show, held at Fort Stockton last Friday.

Larry Williams took grandchampion honors with his 1000 pound Hereford steer over strong competition at the show. Larry and his brother, Billy Troy, each won blue ribbons on their lightweight steers. The steers were graded Choice steers, the top grade of the show. Larry plans to show his champion steer at the Odessa and El Paso Livestock Shows next Spring.

Pierce and Jay Miller copped championship honors on their registered Rambouillet sheep at the show. Pierce showed the champion and reserve champion Rambouillet ewe and the reserve champion Rambouillet ram and Jay showed the champion Rambouillet ram. Both champions were Miller bred while both reserve champions were bred by Miles Pierce. Pam Jones showed the fourth place Rambouillet ram and the fifth place Rambouillet ewe. These three 4-H clubbers won seven out of the ten places in the two sheep classes in a fairly strong show.

Oil Progress Theme For P. T. A. Program Next Monday Night

Oil Progress Week will be observed by the Ozona P. T. A. with a special program to be presented at the regular meeting of the Association Monday night, 7:30 p. m., in the North Elementary auditorium.

Mrs. Mayme Daniels of San Angelo, former Ozonan, will speak on "The Magic Suitecase," a story of oil research and development of product for better living derived from petroleum. The program was arranged for the P. T. A. by Paul Jacobs, local chairman of the Oil Information Committee. Mrs. Daniels is an independent oil broker. She is a daughter of Mrs. Myrtle Mitchell of Ozona.

Sanderson Bows To Lions 44-6 In Last Warmup Game

Scrappy Eagles Make Game Of It For One Period Rally

By Ernie Boyd

The Ozona Lions put together three crunching drives in the first half Friday night and then coasted to a 44 to 6 victory over a small but scrappy Sanderson Eagle team.

The Lion win brought the season record to four wins and two losses and ended the Lions pre-district schedule.

The Lions kicked off and Sanderson gave the Lions their first look at a single wing offense this season as they garnered a first down with the help of a forward fumble which the Eagles alertly recovered.

The Lions braced on the next series of downs however and J. T. Herring kicked to Bobby Sutton who returned the punt to the Lion 25 yard line to put the Lions in position for their first offensive maneuver of the night.

Sutton, Holden, and Freeman started the night's assault with Holden's 24 yard sprint around right end being the big gainer as the Lions moved to the Eagle 2 yard line mid-way of the first quarter. Holden popped over the middle for the first score and Sutton passed to Williams in the end zone for the two extra points.

The Lion attack during the first half offered a wide variety of ground plays probing first at one spot, and then at another, keeping the defense off balance. The air lanes were used sparingly but two completions in 3 tries netted two points and set up a second touchdown.

The Eagles were unable to make progress after getting the kick off and the Lions took up the assault again in the second period when Jerry Jacobs returned Herring's kick to the Ozona 30 yard line.

Sutton rambled 27 yards on a burst up the middle and David Sikes fired a quick pass to Jerry Jacobs who picked up 21 more, a quickie moved the ball to the 10 and from there soph Jim Freeman found a wide hole in the middle of the line and ran untouched into the end zone. This time Sutton kicked the extra point and the Lions led 15 to 0.

Outside of an occasional gainer by a pair of fleet hard running backs, the Lion defense was more than adequate to contain the Eagles through the first two periods as they gained only 54 yards net and picked up four first downs, two of which came in the fading seconds of the second period.

The Lions did not waste much time getting their third score on the board as they contained the Eagles and then took Herring's short kick which rolled out of bounds on the Lion 38 yard line. Sutton and Holden shouldered

AND STILL IT RAIN Even In Louisiana They'd Call It a Wet Fall; 26 Days Of Rain Since Aug. 1 Logs Over 14 In.

By Ernie Boyd

It was raining again Tuesday and what had started out to be a wet fall for Crockett County has now come a long way toward being a wet fall for almost any place.

Not long ago a friend of mine who had been in Ozona for some six or seven years was telling a recent arrival about how a few years ago it never rained in the fall and was not often cloudy.

If the new resident seemed to doubt the story, he had good grounds, since Ozona has had a total of 26 days of rain since the first of August, and has logged upwards from fourteen inches of rain.

A breakdown of rainfall logged on a rain gauge in the northern part of Ozona showed that in August there were eight days of measurable rainfall which totaled 4.73 inches. In September the num-

Grass Collection Wins Prize For David Jacoby In 4-H Competition

David Jacoby won the prize for collecting the most different kinds of grasses in a contest for junior 4-H club members, which terminated at a meeting of the junior 4-H club held at the Show Barn last Saturday morning.

David was presented a belt buckle by the junior club secretary, Larry Mills, for his achievement in collecting the most grasses.

Junior 4-H club members present who entered their grass collection in the contest were David Jacoby, Larry Mills, Fred Baker, Larry Williams, Scotty Henderson, Milton Colquitt, Candace Colquitt, Rex Bland, Hugh Coates, Jack Applewhite, and Diana Couch.

Troy Williams and Dick Ketchum, 4-H adult leaders, assisted county agent Pete Jacoby with the grass contest.

The primary purpose of the contest was to have junior 4-H club members collect and identify the many kinds of grasses now growing in Crockett County. The grass samples will be preserved for future work with 4-H members in grass identification and range management judging work next Spring at which time grass samples are usually scarce in this area.

Annual WTU Cooking School Slated Tuesday In Meinecke Building

West Texas Utilities Co. this week announced plans for the company's annual cooking school, featuring 1959 Frigidaire appliances, to be held here Tuesday afternoon, October 21, beginning at 2 p. m.

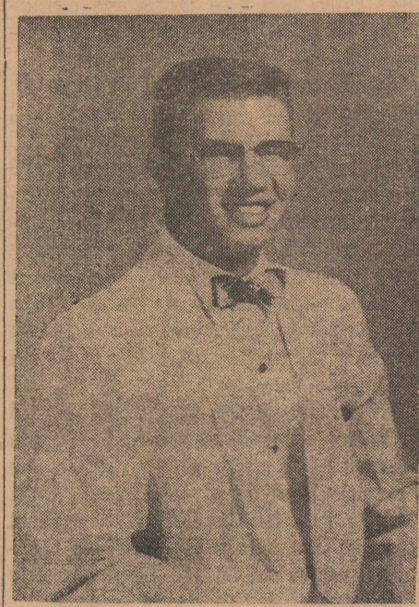

Mrs. Abbie Andrews, Frigidaire's home-economist, assisted by Miss Margaret Jones, WTU home economist, will demonstrate the advantages of Frigidaire's ultra-modern electric range cooking.

The school will be held in the Meinecke building just north of the Hurst Meinecke grocery. The school is free to everyone and everyone is invited. As usual, there will be attendance prizes for the lucky ladies attending.

CROCKETT HOSPITAL NEWS

Patients admitted to hospital since October 7th: Mrs. Travis Doggett, Ozona, medical; Mrs. E. D. Ormsby, Ozona, surgical; Mrs. B. C. Flowers, Ozona, medical; Mary Gomez, Ozona, surgical; Mrs. Sally Chiasson, Ozona, medical; Dale L. Sawyer, Los Angeles, Calif., accident; Mrs. Dale L. Sawyer, Los Angeles, Calif., accident; Peter Nickerson, Long Island City, N. Y., accident; Mrs. W. P. Conklin, Ozona, medical; Edward Johnson, Ozona, medical; Mrs. Mike Clayton, Fort Stockton, surgical and Mrs. Jesus Castro, Ozona, medical.

Patients dismissed: Mrs. C. E. Butterfield, Mrs. James L. Martin, Mrs. Henry Cox and infant daughter, Fred Hagelstein, Mrs. Wm. H. White, Wesley West, Mrs. Ross Beardmore, Ricky Holt, Mrs. Travis Doggett, Mrs. B. C. Flowers, Mrs. Sally Chiasson and Peter Nickerson.

FROSH PRESIDENT — Mark White, son of Mr. and Mrs. Ted M. White of Ozona, won the Freshman presidential election Oct. 1 at New Mexico A&M College where he enrolled in September. Mark defeated two other candidates for the office without a run-off, obtaining a clear majority over his two opponents in the balloting. White will represent his class in the Student Senate this year.

Education Is Topic For Forum Meeting

The Ozona Woman's Forum will meet Tuesday, October 21, in the home of Mrs. Ele Hagelstein with Mrs. John Coates assisting hostess.

The program topic for the day will be "Educating Our Family." Mrs. Jim Ad Harvick will discuss "Controversial Issues on Education in the Elementary School," and Mrs. Boyd Baker will talk on the Junior and Senior High School aspects of the same subject. These discussions will be followed by a report from the local Hale-Aikin Committee.

District Title May Be Decided In Sonora Fri. Night

Conference Opener Is Judged Most Important Of Season

By Ernie Boyd

The district title will be at stake Friday night when the Ozona Lions travel to Sonora to engage the Sonora Broncos in a game which all of the experts feel will determine the winner of the District 8-A title this year.

Kick-off time for this game and all of the other games left on the Ozona schedule this year will be at 7:30 with a sell out crowd expected to be on hand.

Both teams now boast a four win and two lost record and the Lions who were pre-season choices to win the title now rated no better than an even choice to beat the big tough Broncos.

Coach Joe Turner will be looking for revenge for last year's one-sided defeat at the hands of the flu stricken Lions who used a potent air attack to conserve strength, and unexpectedly ran away with the game as the result of its efforts to keep from matching brawn with brawn.

Last year's air game seems to have gone with graduation and as this year's passing game has ranged from poor to somewhere below that, but the Lion running game has looked better in recent weeks than at any time last year and will have to be this that the Lions must pin their hopes on.

Sonora has a huge line as usual, and scouts have brought back glowing reports about how well the Sonora forward wall has stopped the opposition's inside ground game.

Sonora's attack is built around Alfred Sykes, a big strong tailback, and a couple of two year veterans, Soso and Galindo. Soso is well remembered by Ozona fans for his long runs on reverse last year, one of which set up one of the Broncos touchdowns.

The Lions first experience this year with a single wing did not leave Ozona fans with any abounding confidence that the Lions could

(Continued On Page Eight)

Contract Signed For Water Supply To AF Radar Base

Crockett Water Dist. To Construct And Operate System

What appears to be the final red tape hurdle in the efforts of the U. S. Air Force to negotiate for a water system to supply the Ozona AF radar station and thus to clear the way for full activation of the base was reached here this week when the signed contract was delivered to the Crockett Co. Water Control District to provide install and operate the system from a water source on the Chas. E. Davidson Jr. ranch.

Negotiations toward the agreement with the water district for the installation have been under way for months, since the government finally gave up on its efforts to find a suitable water supply under acreage it had acquired for the installation. Several test holes were drilled on the property but none produced a sufficient supply of water to meet needs of the base.

Under the agreement with the water district, water rights are to be secured from Mr. Davidson and the district will drill and equip two wells, lay a pipeline to the AF base storage tank and supply the base at a stated price per thousand gallons. The cost of the system, nearly \$100,000, will be borne by the government, with half of the monthly charges being rebated to the government until the total cost is amortized, the other fifty percent going to the district to cover maintenance costs, with a contract provision for re-negotiation in the event revenue is not sufficient to cover operations costs.

Bids have already been secured by the district for the work to be done in installing the system and work on the project will get underway soon.

3 Inches Rain Measured Here Over Week-End

Happy Ranchmen Still Stunned At Turn In Weather Cycle

Happy ranchmen of Crockett and surrounding counties, still somewhat stunned and amazed at the weather's about-face from ten year of drought to the monsoon, are staying out of boggy pastures as the rains continue to soak an already water-logged country.

The past week-end added another three inches of moisture, as intermittent, heavy and light, rains poured down all day Saturday, let up for a few hours Sunday, returned Sunday night and again Monday night and Tuesday and Tuesday night.

Ozona has registered more than 14 inches of rainfall since August 1 and the year's total has climbed to more than 24 inches so far this year.

Rains this month have covered practically all parts of the county some of which had missed the earlier rains and were in need of moisture, particularly the north-west area of the county. Heavier rains even than that in the immediate Ozona area have been recorded in the southern part of the county in recent weeks.

95 Enroll In Adult Education Classes

A total of 95 enrollees turned up for the first classroom period of the Ozona Adult Education courses, offered under sponsorship of the Ozona Parent - Teachers Assn.

The classes are being held each Thursday night from 7 to 9 and all classes are still open with the exception of the typing class, Mrs. James Baggett, chairman, reports. The classes in shop are held on Tuesday nights at the same hours.

Livestock Groups To Discuss Diseases In Regional Meetings

The officers of the Texas Sheep and Goat Raisers Association and those of 30 other Texas livestock and agricultural organizations, in an unprecedented move, have joined in announcing a series of six regional livestock meetings to be held all over Texas this year.

These organizations, through the Texas Animal Health Council, are calling the meeting to discuss with all Texas livestock producers the need for an expanded animal health program in Texas. Harold Nelson, San Antonio, who heads the Animal Health Council, declared that "Texas cannot any longer afford the reputation of being the 'dumping ground' for animal diseases. Our billion dollar livestock industry deserves the best reputation possible so as to be accepted at markets anywhere in the world. The six regional meetings will kick off a vigorous statewide effort to put Texas livestock in the number one spot in the U. S. so far as animal health is concerned."

T. A. Kincaid, Ozona, Texas Sheep and Goat Raisers Association President, said these meetings were of great importance to sheep and goat men all over the state and urged that they attend these regional meetings.

A special task force of speakers will discuss the Council's plan for:

1. A preventive animal health program.
2. Plans for control of diseases such as hog cholera, brucellosis, tuberculosis.
3. Need for legislation and expanded financing of disease control agencies in the state.

The meeting dates and places are announced as follows:

- October 23 — San Antonio
- October 24 — College Station
- October 27 — Amarillo
- October 29 — Midland
- November 18 — Tyler
- November 20 — Fort Worth

6th Dist. Music Clubs Convention In Brady

The 32nd. annual convention of Sixth District, Texas Federation of Music Clubs will be held in Brady, October 23-24-25, with headquarters at the Lone Star Motel, according to Mrs. R. E. Coleman of San Saba district president.

The host club will be The Damosch Club of Brady, the general chairman, Mrs. Edward Geeslin of that city and the program chairman, Mrs. Ellie H. Locks of Brownwood.

Thursday, Oct. 23, at 6:00 p. m. the executive board meeting will be held at the Richards Memorial Library, to be followed at 7:00 o'clock with a complimentary dinner honoring Mrs. Coleman, district president, officers chairmen and club presidents at the home of Mrs. Otto Fredrick, 707 W. 15th St., Brady. (Reservation are being mailed to the hostess up to and including Oct. 20).

Friday, Oct. 24, registration and a Coffee at 8:30 a. m. at Richards Memorial Library will precede the Formal Opening at 9:30 a. m. there.

A 7:00 p. m. Concert at the First Baptist Church presented by College Federated Music Departments will conclude the day's events.

The Ozona Music Club is federated in Sixth District, Mrs. R. A. Harrell, president. Mrs. Ted White of the local club is sixth districts treasurer.

James H. Rollins, former Ozona teacher, is attending the Academic Year Institute for Mathematics Teachers at the University of Chicago. Both Mr. Rollins and Mrs. Rollins will be teaching in the primary department of the laboratory school of the University of Chicago.

Air conditioned Furnished Apartments for rent. Call EX 2-2731 or EX 2-3239.

PFC. RAUL MACHADO of Ozona, is a member of the Army Air Defense Command Choral Group which left recently on a tour of air defense installations on the west coast. The 35-member group, regularly assigned to the command's headquarters in Colorado Springs, Colo., will present concerts in each of the six coastal defense regions.

GARDEN REMINDER

October brings you opportunities to plant new shrubs, trees and evergreens. And you must get other plants ready for cold weather. Use fallen leaves for mulching your broadleaf evergreens and to cover flower borders. Start a compost heap with leaves. Plant tulips and other early blooming bulbs. Feed crepe myrtle, lilacs and all early blooming shrubs.

Take from the yard your geraniums and pot them for winter in the house. Deep feed fruit trees and shade trees with a balanced commercial fertilizer. Prune your established evergreens lightly.

YOU'RE SAFER
when we make your car **SOUND!**

Keeping your car supplied with high-quality gasoline and oil is only part of our job. Providing special service like this is our way of getting and keeping your business. It's another example of how you benefit from the healthy competition throughout the entire oil industry—from the oil well to the gasoline pump. So drive in to our station today. And when you drive out you can be sure your car will be sound—and safer.

TODAY—OIL BUILDS for your TOMORROW!

OIL PROGRESS WEEK—October 12th-18th

HERE TOMORROW!
Ford brings Thunderbird elegance to the low-price field with

THE WORLD'S MOST BEAUTIFULLY PROPORTIONED CARS

These Fords you've got to try! Far left is the new Thunderbird . . . center, the new Custom 300 Tudor Sedan . . . and above, the 9-passenger Country Sedan.

The elegant new Fairlane 500 Town Victoria

AWARDED THE GOLD MEDAL for beautiful proportions—By the Comité Français de l'Élégance at the Brussels World's Fair

Styled, powered and priced for today's driving! There never was a Ford like this before! Its classic new design was awarded the Gold Medal of the Comité Français de l'Élégance at the Brussels World's Fair! With new Thunderbird flavor in each lively line and tastefully new interiors, these 59 Fords are beautifully proportioned for elegant driving.

Power, performance and economy are served up in new proportions, too. All standard Ford engines—Six or Thunderbird V-8—thrive on regular gasoline at regular prices. You save up to 5 cents on each gallon! There's a new aluminum muffler that normally will last twice as long as conventional mufflers used on other cars . . . full-flow oil filtration that lets you

change oil at 4000 miles instead of the 1000 often recommended . . . new Tyrex cord tires for greater economy and safety . . . a brilliant new Diamond Lustre Baked Enamel Finish that's so durable you won't have to wax it ever . . . and two new economy power-transmission teams that will bring you savings automatically. That's why we say, for '59, Ford is truly a masterpiece of underpricing!

NEW economy team Number One! Get all the high performance of a completely new Fordomatic Drive teamed with a Six or Thunderbird V-8—at a price that puts automatic

driving within everyone's car budget. It's a simplified Fordomatic with nearly 1/3 fewer parts. **NEW economy team Number Two!** Take Ford's versatile new Cruise-O-Matic Drive, add the responsiveness of Thunderbird Special V-8 power and you have the last word in automatic driving plus the "built-in" overdrive savings of an economy-g geared axle.

Altogether NEW in everything you can see, feel or touch!

59 FORDS

Come in and get that NEW FORD FEELING in the cars with Thunderbird elegance

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, Oct. 17, 1929

Property valuations for tax purposes in Crockett county this year soared more than a million dollars more than last year's valuations, according to figures just completed in the office of O. W. Smith, tax assessor. Valuations this year reached \$5,616,854, the increase due largely to an increase in oil development in the county.

Heavy rains which drenched most of West Texas over the week-end will be worth million of dollars to West Texas ranchmen, breaking a threatened serious drouth and insuring moisture for winter growth of weeds and grass.

The falls ranged from three to six inches all over the stock raising section of West Texas.

Opposition on the part of women of the town and the proposed vote on a bond issue to pave highways through the county, may cause abandonment of the proposal to oil streets of Ozona as a means of eliminating the dust nuisance.

Approximately \$7,000 worth of bootleg booze, a new Ford truck and a Reo coupe, property worth a total of nearly \$10,000, was seized by Sheriff W. S. Willis and Bert Ellison, customs officer, in a hold-up of a liquor laden truck on the Pandale road Thursday night.

Responding to a request from a number of ranchmen in the area, the Crockett county Commissioners Court has agreed to pay half the salary of a government trapper to work in the northwest section of the county in a drive to eliminate

wolves and other predatory animals.

The jinx that rode the Ozona High School Lions to Sonora the previous week to result in a scoreless tie with the Bronchs, was sidetracked last week on the trip to Menard where the Lions scored a 39 to 0 victory over the Yellow-jackets.

More than 15,000 head of lambs were loaded out at Barnhart during the past week. The lambs brought 10½ to 11 cents a pound.

Mrs. Jake Short of Bandera is visiting her sisters, Mrs. Floyd Henderson and Mrs. Scott Peters this week.

Mrs. J. M. Baggett entertained with a shower for Miss Marie Doty

at her home Saturday morning. Miss Doty is to be married to Stephen Perner Sunday, October 20, at her home in Eldorado.

Mr. and Mrs. Arthur Phillips are the parents of a 7-pound girl born in Del Rio Thursday morning. This is the second child born to Mr. and Mrs. Phillips, their son, Arthur Bird, Jr., being two years old.

P. L. Childress of Ozona has been named a member of the board of directors of the Wool Growers Central Storage Co. of San Angelo.

GIRL SCOUT TROOP 9

Troop 9 met Oct. 9 for its weekly meeting at the Scout house. One new member, Dolores Allen was present. This year the troop will wear the alternate dress uniform. It will be dark green gabardine skirts with white blouses and red ties.

We have also chosen a troop fund raising project called the American Girl-Quaint Shop plan. The project is supervised by the National Organization of Girl Scouts and sponsored in cooperation with White's Quaint Shop. If you would like to help the Girl Scouts please support them when they call on you with their circular display.

For fun we went on a hike.

Hostess Vicki Good served refreshments to Janet McAllister, Janie Gilliam, Jeannene Hester, Alice McKee, Terry Jean Newton, Pat Womack, Diana F. Coates, Dolores Allen, Mrs. Newton, Mrs. Coates and Mrs. Womack. — Pat Womack, reporter.

GIRL SCOUT TROOP 4

Girl Scout Troop No. 4 met Thursday. Janet Mills, troop treasurer, collected \$1.60 in dues. A song was led by Jan Jacobs. Present were Cookie Coates, Cynthia Appel, Jan Jacobs, Betty Henderson, Stormy Townsend, Esther Williams, Joanne Lewsi, Kay Kyle, Candy Colquitt, Jill Applewhite, Barbara Davidson, Janet Mills, Kathy McAlaster, Cynthia Mahon, Linda Camphee and a visitor, Ann Johnson, cousin of Cynthia Appel.

You are Welcome

What is the Episcopal Church?

Its full title is the Protestant Episcopal Church in the United States of America. It took that title in the reorganization in 1785 after the Revolution by which the British colonies in America won their independence from the mother country. Before that, our Church was the Church of England in the American Colonies. After the Revolution it became self-governing and self-sustaining. Our church is, however, a daughter church of the Church of England and is in communion — that is, united — with it.

PETROLEUM — basic to the needs of our time

Oil and natural gas have powered most of the great technological advances of modern times; petroleum hydrocarbons have transformed the dreams of inventors into the realities of engineers . . . Today, in the United States, oil and natural gas provide about 75% of the country's energy requirements; and large quantities of oil, available for production beyond immediate need, are necessary to the national security.

An obvious example is the gasoline that powers our automobiles; another is the diesel fuel burned by post-war railway engines. But do not overlook electric power plants, the airplane, whether jet or propeller driven, factory power plants, farm mechanization, and the revolution since World War II in home heating devices. Oil provides the energy that moves the trucks, airplanes, ships and tanks of our Armed Forces.

But petroleum as a source of energy is only part of the story. In the past two decades, the petrochemicals have supplied the country with a vigorous new industry: already most of our rubber is made from petrochemicals . . . the ubiquitous plastics derive from petroleum products . . . paraxylene, a petrochemical, is the raw material for one of the most useful of the new fabrics. In this area, wonders never cease; the petrochemicals contribute more each year to the efficiency, comfort, and convenience of modern living.

Thus, oil's progress has made other progress possible all along the front of American industry . . . Petroleum is the American resource that is

basic to the needs of our time . . . that is essential to our national security.

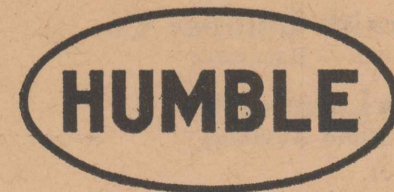

The Humble Company, established in 1917, has developed with the industry.

Humble's exploration activities extend from Florida around the rim of the country to California, Oregon and Washington, and beyond to the new State of Alaska . . . The Company is a leader in the production of oil and gas in the United States . . . Humble Pipe Line Company is a public carrier transporting not only Humble's oil but that of many other companies and independent producers to Gulf Coast terminals . . . Baytown refinery is one of the nation's great manufacturing plants . . . And Humble is a marketer in the Southwest, supplying the needs of motorists in modern service stations.

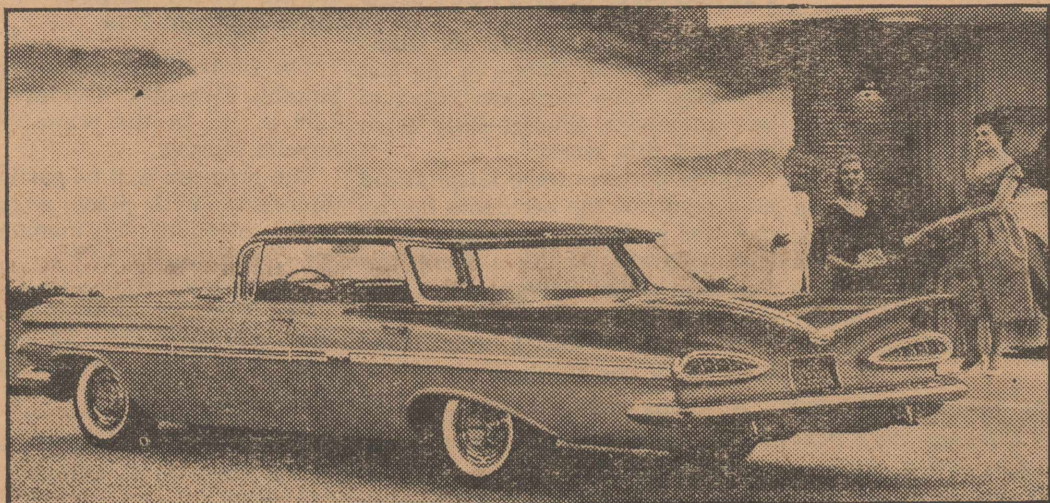

The Humble Company believes strongly in research, maintains two outstanding research facilities, and annually budgets considerable sums for this activity . . . Humble research has made substantial contributions to the discovery, production, and utilization of petroleum.

This Is Oil Progress Week

Swank Impala hardtop sedan
NEWEST IN '59 CHEVY MODELS

In 1959, Chevrolet offers a complete Impala series in its array of 14 passenger cars. The top-flight member of this new series is the smartly styled sport sedan. Additional models in this line include the convertible, sport coupe and a four-door sedan. This luxury model is more spacious with an exciting new wrap-around rear window, a sleek flat top and de luxe interior appointments. New paint retains brilliance up to three years. Mechanical advancements of improved brakes, new suspension and easier handling point to a luxury liner that is marked for top popularity.

Sanderson Bows —

(Continued from page one)

most of the duties in this five play drive which saw Sutton skip into the end zone from 9 yards out. The try for extra points running failed and the halftime score was Ozona 21 Sanderson 0.

The second half while outmatching the first in Lion point production, was played without the benefit of much all out Lion defense, as either the Eagles sharpened up their talons during the time out prior at half, or the Lions became somewhat less concerned about just what Sanderson did. A combination of the two would probably be the answer.

The Lions took but two plays to add another score after the half as Bobby Sutton took off around his own right end and ran 58 yards to the end zone, covering the last 30 of the distance without company. A bad snap provided Sutton with a chance to run for two

more points and this time it worked out well for the Lions as Sutton ran the points over.

Following an exchange of kicks the Lion got another drive going with Tony Parker providing the big play, a 16 yard spurt up the middle. Parker however came on bad times minutes later when he fumbled following a nice 7 yard gainer off tackle.

The Eagles fell on the loose pigskin on their own 10 yard line and proceeded to give the Lions

their bumps in a 90 yard touchdown drive which had the fans buzzing and wondering where the Lion defenders had gone.

Bruncks Bader and David Graham were the big guns in the attack with Bader doing particular damage with his fleet sweeps and lightning cut backs. Bader finally ended the drive by cutting back over the Lions right tackle for the score. The try for point was no good and the Eagles bright spot in the game had come and

gone.

The Lion defense took over following the Sanderson score and the Lions' last two markers came as the result of good heads up defensive play.

The Lions decided to kick early in the fourth period and Sutton got off a 40 yarder which the Eagles safety man dropped, Bill Meinecke covered. Sikes rolled out for 12, and then Holden dashed 27 yards into the end zone on a nice run. Sutton kicked the extra point and the Lions lead 37 to 6.

The final Lion score came when the Eagles attempted to go into the air. Johnny Jones intercepted the pass and returned it 15 yards to the Eagle 20 and then a 15 yard foul moved the ball to the 5, and from there Tony Parker went over on the first play and then ran over the two points to end the night's scoring.

The interception was the third of the night for the Lions and must be some kind of a mark as it brought the number of pass interception by the Lions in the last three games to 9 out of a total of 15 passes thrown against the Lions. This would be an excellent completion record and is a far better mark than the Lions have in trying to throw the ball to themselves.

The Lions racked up 14 first downs to Sanderson's 9, garnered 351 yards rushing and 32 passing for a total of 383 yards, and in the mean time limited the visitors to 130 yards rushing, and 23 passing for 153 yard total.

Bobby Sutton picked up 172 yards rushing for his best night of the year, and Billy Bob Holden contributed another whopping 108 yards on only 9 tries.

For Sanderson Bader had 113 of

the Eagles yards to become the only Eagle to net more than a dozen yards.

Now... all America sees the one that's truly new!

Like all '59 Chevies, the Impala Sport Sedan has Safety Plate Glass all around.

what America wants, America gets in a Chevy!

'59 CHEVROLET

It's shaped to the new American taste with a lean, clean silhouette, crisp new contours, beautifully restrained accents. It brings you more spaciousness and comfort with a new Body by Fisher. It has a bright new sheen—a new kind of finish that keeps its luster without waxing for up to three years. New bigger brakes. Vast new areas of visibility. New Hi-Thrift 6. New handling ease and road steadiness. It's new right down to the tires!

Never before has an automobile manufacturer made such sweeping changes two years in a row. And never before has any car been new like this one.

The 1959 Chevrolet is more than a restyled car—more, even, than a completely new car. It's your kind of car. Shaped to reward your new taste in style with a fresh Slimline design that brings entirely new poise and proportion to automobile styling. Inside the new and room-

ier Body by Fisher you'll find truly tasteful elegance. And you'll have clear seeing from every seat. The new Vista-Panoramic windshield curves overhead—and there are new bigger windows, too.

When you take the wheel, you find Chevy's newness goes down deep. A new steering ratio makes handling easier. New suspension engineering gives you a more stable ride. There's a sweet new edition of Turboglide*. A new Hi-Thrift 6 that

goes and goes on a gallon. Vim-packed V8's. New and bigger brakes. Even tougher, safer Tyrex cord tires.

There's still more! A new finish that keeps its shine without waxing or polishing for up to three years. New Impala models. New wagons—including one with a rear-facing rear seat. And, with all that's new, you'll find those fine Chevrolet virtues of economy and practicality. Stop in now and see the '59 Chevrolet.

Ozona Cubs Win 38-14 Over Tough Junction Eaglets In Junction

By Roy Killingsworth

The Ozona Junior High Cubs found the Junction Junior High boys just a little tougher than they expected last week and it was not until the third quarter that the Cubs were out of danger. Carl Montgomery scored on an end run from 15 yards out midway of the first quarter and the Cubs were under way. The next time they had the ball they advanced to the seven yard line as the first quarter ended and scored the second touchdown on the second play of the second quarter. This score made by Floyd Danley

from one yard out. It was at this point that the boys from Junction came alive and kept the ball for the remaining minutes of the second quarter only to have time run out at the half with the ball on Ozona 12 yard line with a first down and 10. The second quarter the Cubs were pushed all over the field, however, they held long enough each time to stave off a score. To open the second half Carl Montgomery broke over left tackle and went 55 yards for a touchdown behind beautiful blocking. However, one of the blocks was questionable and the Cubs received a 15 yard penalty for clipping that brought the ball back. The Cubs did score two touchdowns during this third quarter to bring the

score to 30 to nothing at the end of the third quarter where the reserves took over. It was not until the score board clock showed 37 seconds to play that Junction finally scored. And believe me this last 37 seconds was to see some scoring and a total of 22 points was scored in this short time. Junction scored their first touchdown with the 37 seconds remaining and kicked off to Ozona. Coach Womack sent in his first unit and on the first play Carnes passed to Montgomery on a screen and Montgomery went the 53 yards for a score and Semmler scored the two extra points. The Cub reserves took the field and on the kick off a Junction back returned the kick-off 90 yards for the final score of

the game, with the buzzer sounding as he went down the field. Final score Ozona Cubs 38 and the Junction Eaglets 14. The Cubs have two games left on their schedule with this week being a period of getting ready for the two remaining games. Thursday, Oct. 25th, Menard will be here to play at 6 p. m. and on the following Thursday Oct. 30 the Cubs will close their season with Del Rio. This is one game you want to see so mark your calendar for Oct. 30th at 7 p. m. This will be the final appearance of our freshmen as representatives of Junior High. The boys of the seventh and eight will play Eldorado here next Thursday Oct. 21st at 7 p. m.

Slick Pavement Causes Three Separate 1-Car Accidents On West 290

Three one-car wrecks on Highway 290 west of Ozona in the last few days have been attributed to wet pavement, Sheriff Billy Mills reported this week. Three persons were hospitalized as a result of the accidents but no one was seriously hurt. Injured in two separate accidents were Mr. and Mrs. Dale Sawyer from Los Angeles, Calif., in one car and Peter A. Nickerson of Long Island City, N. Y. in another. A young man from Christoval whose name was not learned, escaped with only minor injuries when his car turned over after

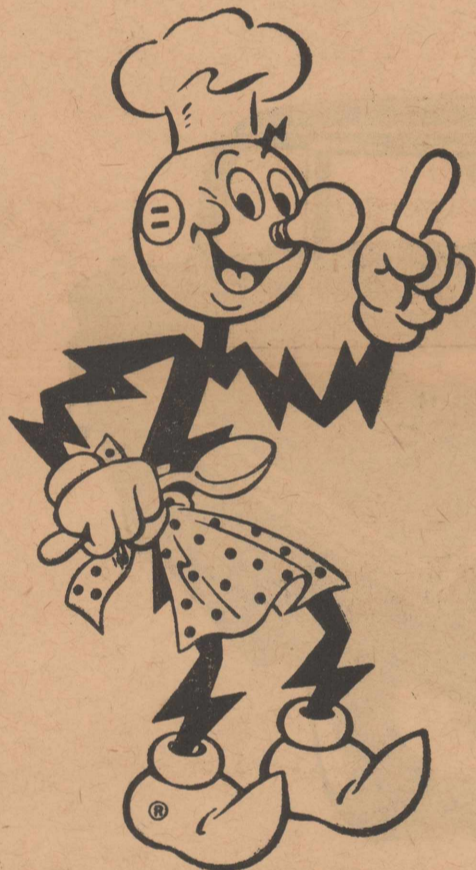

skidding on wet pavement Tuesday morning. **MUSIC CLUB MEETS TONIGHT AT 7:30** The Ozona Music Club will meet tonight, Thursday, October 16, at 7:30 p. m. in the home of Mrs. Lovella Dudley. The program will be particularly interesting with piano, organ and violin selections. All members are urged to attend. **Best Tamales In West Texas on sale Saturday, Oct. 18 from 12 noon to 4 p. m. at the Catholic Community Center.** **FOR SALE — 22-foot upright freezer. See J. C. EDITOR'S CORNER

By Becky Davidson

What kind of football fan are you? Think seriously for a moment then read farther to see into which category you fall.

Mr. Brown expects his team to be rough and tough — and undefeated. He says, "Say, boy, you missed some good tackles last night. Now if you had done —" and etcetera.

Football ceases to be fun and becomes a worry. The Friday night games are practically a life-and-death contest. The boys seek a victory for the few demanding citizens rather than for the school.

Our friend Mr. Jones enjoys watching the teams on the gridiron. He expects the boys to do what they are capable of and no more. Congratulations go to the boys after the game instead of a cutting, "Now when I played football —" It is fun to play, fun to watch when the fans don't allow a misplaced sense of values.

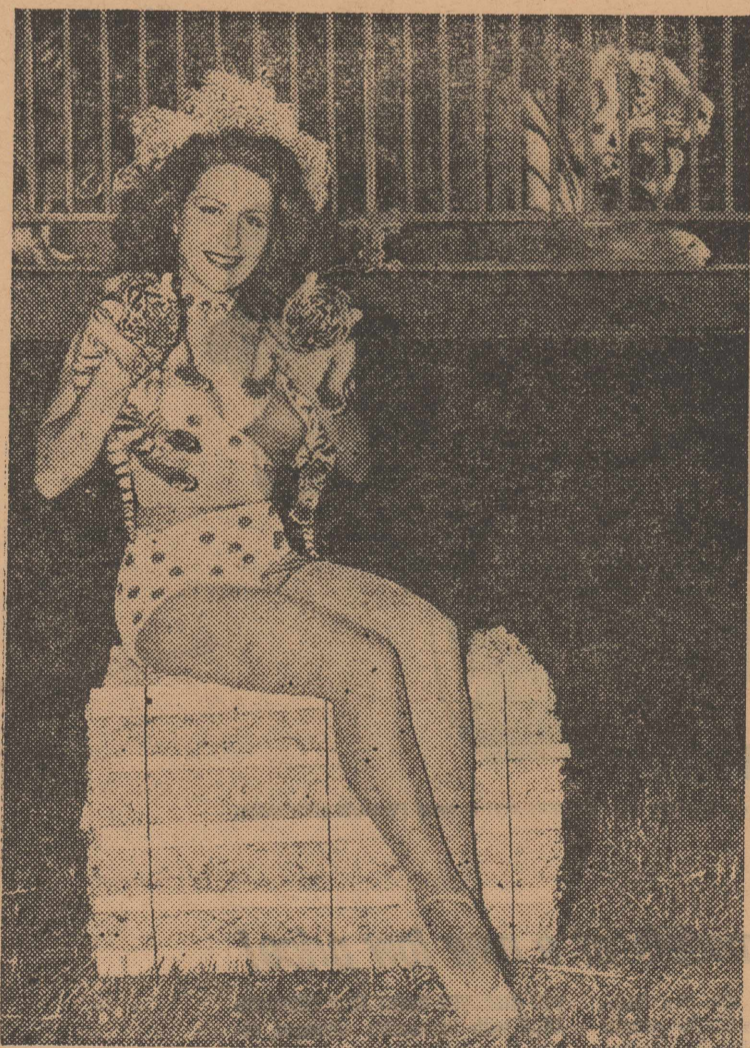

This doesn't apply only to football but to every competitive sport in every age group. The idea that "we must keep up with the Joneses" may be an example.

Our Lions face Sonora tomorrow night. Let's back them up with right kind of spirit and attitude. Are you a Mr. Jones or a Mr. Brown? The football team knows, do you?

This is National "Save-a-Horse-Week." But let's be different and make it National "Stomp-a-Bronc-Week!"

BEAT SONORA!

Baby Tigers Latest Addition to Miller Bros. World's Largest Menagerie Coming Friday Oct. 17th

Beauty, (Miss Marlyn Medina) and the little beasts — the most recent acquisitions to the enormous traveling zoo of Al G. Kelly and Miller Bros. largest Circus, two baby tigers namely Joplin and Paris, named in honor of the two cities in which they were born, respectively Joplin, Missouri, and Paris, Texas, during the first week of this year's tour. Coincidentally the mother is named "Paris," the fact she was a product of "Jungle Imports" in 1946, arriving to begin her circus career at Paris, Tennessee, an engagement stand on that year's itinerary. Traditionally, circus menagerie animals are named after towns in which they were born or received in shipment from the jungles, unless the particular metropolis has a "tongue twister" name. More than 200 rare and unusual beasts and birds grace the block-long menagerie for afternoon and night performances at OZONA on FRI. OCT 17TH at the fairgrounds.

THE STATE OF TEXAS

To any Sheriff or any Constable within the State of Texas—Greeting:

You are hereby commanded to cause to be published once each week for four consecutive weeks, the first publication to be at least twenty-eight days before the return day hereof, in a newspaper printed in Crockett County, Texas, the accompanying citation, of which the herein below following is a true copy.

CITATION BY PUBLICATION

THE STATE OF TEXAS

To: Minerva Rice Carter, H. P. Carter, the unknown spouse of Minerva Rice Carter, the unknown spouse of H. P. Carter, the unknown heirs of George Rice, Deceased, the unknown heirs of Minerva Rice Carter, Deceased and

the unknown heirs of H. P. Carter, Deceased, Defendants Greeting:

You are hereby commanded to appear before the Honorable County Court of Crockett County at the Courthouse thereof, in Ozona, Texas, by filing a written answer at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 24th day of November A. D. 1958, to Plaintiff's Petition filed in said court, on the 9th day of October A. D. 1958, in this cause, numbered 109 on the docket of said court and styled Crockett County, Texas, Plaintiff, vs. Minerva Rice Carter, H. P. Carter, the unknown spouse of Minerva Rice Carter, the unknown spouse of H. P. Carter, the unknown heirs of George Rice, Deceased, Defendants.

A brief statement of the nature of this suit is as follows, to-wit: Condemnation of a Flood Drain Easement in and over the follow-

ing described land in Crockett County, Texas Part of the East part of Lot 2, Block 132 in the town of Ozona, described as follows: Beginning at the NE Cor. of said Lot 2; Thence West 105.16 ft. to a point in the North line of said Lot 2; Thence South 1 deg. 45 min. East 105.1 ft. to South line of said Lot 2; Thence East 101.89 feet for the SE cor. of said Lot 2; Thence North 105 feet to the place of beginning, as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Ozona, Texas, this 9th day of October A. D. 1958.

(Seal) Attest Leta Powell Clerk County Court Crockett County, Texas. 28-4c

METHODIST W. S. C. S.

The Woman's Society of Christian Service of the Methodist Church met in the church fellowship hall Wednesday morning to continue the study, "Concerns of a Continent," the session covering Mexico and the Caribbean Islands. The study is being directed by Mrs. S. M. Harvick and will be concluded next Wednesday, Oct. 22. Mrs. Joe Clayton will show pictures taken in Hawaii and Mrs. Victor Pierce will give an account of her recent visit to the United Nations in New York.

The devotional was given by Mrs. Morris Bratton. Mrs. Bascomb Cox closed with a prayer.

Others present were Mrs. H. B. Tandy, Mrs. Evart White, Mrs. J. W. Henderson, Mrs. W. D. Womack, Mrs. Gordon Smith, Mrs. R. A. Harrell, Mrs. Bailey Post, Mrs. Floyd Henderson, Mrs. B. B. Ingham, Sr., Mrs. Stephen Perner, Mrs. Charles Williams, Sr., Mrs. J. A. Fussell, Mrs. O. D. West, Mrs. Dempster Jones, Mrs. Opal Phoenix and Mrs. R. K. Wimberley.

High School Seniors Eligible for GM Awards

Senior students at Ozona high school are eligible to compete for more than 100 four-year college scholarships offered by General Motors under its National Scholarship Plan, according to J. A. Pelto, principal.

The competition is open to high school seniors who are United States citizens and who plan to take the College Entrance Board examination for admission to the college of their choice, or who arrange to take the examination in order to compete for a GM award. There is at least one GM award in each state and more than 50 winners chosen at large. Seniors awarded scholarships under GM's National Scholarship Plan may attend any college or university of their choice and pursue any course of study.

More than 400 students are now attending 110 colleges and universities under the Plan, initiated in 1955. Their career objectives include engineering, medicine, law, the sciences, journalism, teaching, music, religion and other worthwhile fields.

Selection of award winners in the GM National Plan is made by a group of leading educators representing various parts of the country.

Full details of the competition, including registration dates for examination, are available in Mr. Felto's office.

Statement required by the Act of August 24, 1912, as amended by the Acts of March 3, 1933, and July 2, 1946 (Title 39, United States Code, Section 233) showing the ownership, management, and Circulation of The Ozona Stockman published weekly at Ozona, Texas for October, 1958.

Mr. and Mrs. James Dockery of Santa Anna are the parents of a daughter, named Shannon, born Saturday morning in a Brownwood hospital. Mrs. Dockery is the former Daphne June Meinecke, daughter of Mrs. Coralie Meinecke of Ozona. The Dockerys have one other daughter Stacy, 4 years old.

District Title —

stop the Sonora power game. Sanderson, however, is no Sonora and it will remain to be seen just how much of the Sanderson success was due to the Lions indifference late in the game.

Sanderson offered a small overall team that had a great deal of speed, and most of its size in the backfield whereas Sonora does not have nearly as much speed but does have great size in the line

with the backs possibly a little smaller than was the case with Sanderson.

Rain during the week has hampered workouts in both camps but if the moisture will hold off for the next two days it is expected that the game will be played on a fast turf that will be quite wet with dew.

Sonora is a sleeping giant in that it has not reached what could be its potential. The Broncos have been struck down all year by a rash of lost fumbles, unfortunate play choices, and just plain bad luck.

Coach Joe Turner's lads have relied on short gains to build up

first downs and thereby grind their way into the end zone and so far have been very successful in moving into striking territory only to lose the ball on a mishap.

With the Broncos high as a kite for the Lions they may well overcome these shortcomings and if they do, things look bad for the Lions.

Ozona has doubtless played more strong teams than has Sonora, and even though Ballinger was rated pretty high before the Broncos got stomped by them, they have not proven to have been very tough since Alpine is way down and does not seem to be anywhere near Rankin in strength. Mason has a

good record and must be considered a good team until proven otherwise.

McCarney and Ft. Stockton, both of whom have taken the Lions measure this fall, are somewhat less than spectacular but may be as good as Mason or better and so little can be learned from comparing scores.

Really past games are past, and it does not matter to either team what has gone by, everything will be expended in an effort to win this one now.

For the Lions on defense Coach Hickman is expected to start Jim Freeman and Wayne Albers at ends, B. E. Ingham and Dickie

Flannigan at tackles and possibly Johnny Cooper and Leslie Deland at the guard slots. The latter combination would be used in order to get more size in the middle of the line.

Dizzy Reeves and Billy Bob Holden will back the line and David Sikes, Jim Williams and possibly Jerry Jacobs will round out the deep defense.

On offense the Lions will have Jim Williams and Jerry Jacobs or Jim Doran at ends with Johnny Cooper and Dick Flannigan at guards with B. B. Ingham at center. In the backfield Sikes will be at quarter, Sutton and Freeman at halves and Holden at fullback.

Mrs. Harvey Williams
... nee Miss Peggy Trotter

Miss Peggy Trotter Becomes Bride Of Harvey Williams In Barnhart Church Rites

BARNHART — Miss Peggy LeVelle Trotter became the bride Friday of Harvey Williams in a wedding ceremony in the Methodist Church, the Rev. Roy Schilling Jr., officiating.

The bride is the daughter of Mr. and Mrs. C. E. Trotter and the bridegroom the son of Mr. and Mrs. P. P. Williams of Vancourt.

Given in marriage by her father, the bride wore a dress of slipper satin which had been designed and worn by her sister, Mrs. Ronnie McMullan of Lake Charles, La.

From the empire bodice with long pointed sleeves and a V-shaped stand-away collar, the dress was fashioned in princess lines.

The bouffant skirt extended into a cathedral-length train. Attached to her satin hat, encrusted with

seed pearls, was a shoulder-length veil of illusion.

She wore her mother's wedding ring and carried a bouquet of white rosebuds.

Joan Williams of Vancourt, sister of the bridegroom, was maid of honor. Bridesmaids were Miss Mary Sue Trotter, sister of the bride, and Miss Peggy Taylor of Ira.

Ancial Middlebrook of Eola was best man. Bubba Whitehead of Del Rio and Pat Reardon of Mason were ushers.

Eddie Trotter, brother of the bride, and Van Bednar of Mereta, the bridegroom's cousin, were candlelighters.

Mrs. Bode Owens and Mrs. Buck Owens provided wedding music.

Following the ceremony a reception was held in the community building.

The couple is living in Lubbock where Mr. Williams is a student at Texas Technological College.

In addition to his studies at Tech, the bridegroom also attended San Angelo College and was graduated from Eola High School.

Mrs. Williams is a graduate of Barnhart High School and attended San Angelo College.

Mr. and Mrs. Williams, the bridegroom's parents, were hosts at the rehearsal dinner in the dining room of Dutch's Cafe.

Air conditioned furnished apartments for rent. Call EX 2-2731 or EX 2-3239. ttc

Ozona Student Enrolls At Pine Manor College

Wellesley, Massachusetts, Miss Genelle Childress, daughter of Mr. and Mrs. Pleas L. Childress, Ozona, is a member of the freshman class at Pine Manor Junior College, Wellesley, Massachusetts.

This fall's record enrollment of 275 students represents 30 states, the District of Columbia, Hawaii, the Virgin Islands, and seven foreign countries.

The college offers a wide range of liberal arts courses to girls who expect to continue at a four-year college as well as to those who plan to attend college for only two years.

GIRLS AUXILIARY MEET

The Commie Jay Girls Auxiliary for the First Baptist Church met Monday afternoon. Information on the Philippine Islands was given to tourist, Gloria Loudamy, by the G. A. travel agency composed of Lana Kay Alford, Celia Houston, and Patricia Allen. The girls will dress as Philippine natives for their next meeting.

Present were Nancy DeLand, Candy Colquitt, Annie Wallace, Linda Goolsby, Gloria Loudamy, Celia Houston, Lana Kay Alford, Patricia Allen, and visitors were Mary Jo Walker, and WMU President Mrs. Roy Thompson. Counsellors for the group are Mrs. Garland Allen and Mrs. Elmo Wallace.

United Nations Topic For Woman's Club Meet

Mrs. B. B. Ingham, Sr., was hostesses to members of the Ozona Woman's Club meeting in regular session at her home Tuesday. Mrs. J. A. Fussell assisted Mrs. Ingham as a hostess.

A program on the United Nations was led by Mrs. P. T. Robison. Mrs. Victor Pierce, who recently visited the United Nations, exhibited pictures of the UN building and described her visit. She also described some of the highlights of a recent cruise to Bermuda and her visit to the New England states and into Canada.

Present were Meses. Geo. Bean, Tom Clegg, L. B. Cox, Jr., J. W. Henderson, Roy Killingsworth, Ivy Mayfield, Stephen Perner, Joe Pierce, Bailey Post, O. L. Sims, Roy Thompson, O. D. West, Evert White, Ted White, C. L. Williams, W. D. Womack, W. E. Friend, Jr., and R. A. Harrell and Misses Dorene Ellington and Lola Mae Daniel.

Two new members were accepted into the club, Miss Dorene Ellington and Mrs. James Baggett.

Tri-County Council P. T. A. Meeting Here

The 25C Tri-County Council of the P. T. A. met in Ozona, Thursday, October 9. Officers and delegates attended from Sonora, Eldorado, and Ozona.

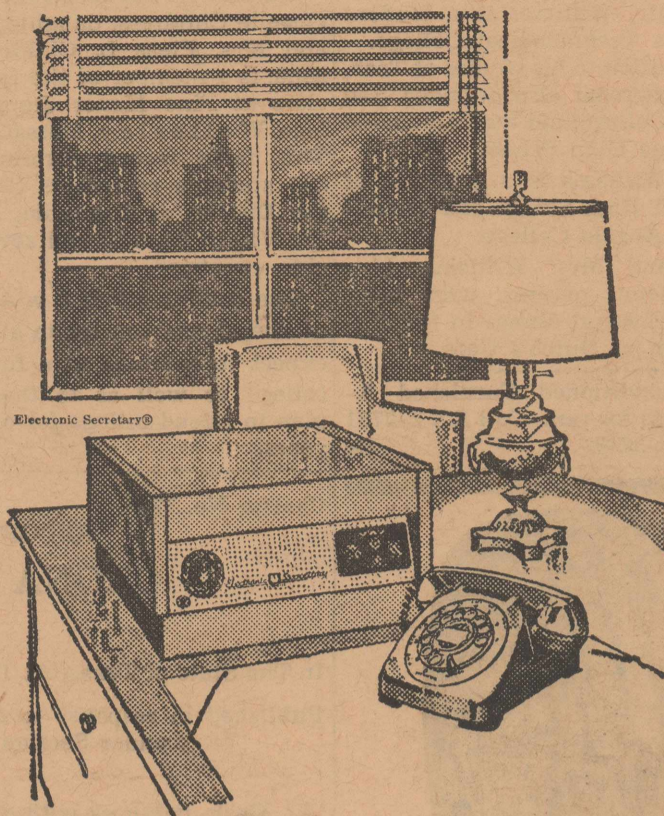

The president, Mrs. Ed Meador of Eldorado, presided. Fall work plans of the three associations were outlined. After lunch, the group studied leadership procedure courses and worked on the program for the District 6 workshop to be held in San Angelo, October 16.

KATHERINE WALKER CIRCLE

The Katherine Walker circle of the Baptist WMU met in the home of Mrs. Doyle Easterwood Wednesday morning. Mrs. George Bean brought the study on the book, "Into a New World." Others attending were Mrs. Huey Ingram, Mrs. Roy Thompson, Mrs. Buster Loudamy, Mrs. Ralph Eversole, Mrs. Dudley McCary, Mrs. H. C. Cornelius, Mrs. Ivy Mayfield, Mrs. Marcus Farmer, Mrs. Dwayne Vinson, Mrs. John Lyles and Mrs. Glynn Webb.

This "secretary" works overtime and loves it

Nighttime, daytime, all around the clock — this Electronic Secretary sees that you never miss a phone call when you're away from your office.

Automatically, it promptly answers every call with a courteous recorded voice — advises the callers that you're not available at present — asks them to speak the message which will be recorded. It's as simple as that!

All you do is play back the messages when you return. In fact, with a remote call-back attachment you can phone your own office and hear the playback of messages wherever you are.

Wonderful, isn't it? And most wonderful of all, you can have this dependable service, free of human errors, at a surprisingly low cost. For full details, phone our Business Office.
