Lions Cop Dist. Crown With 58-6 Win Over Menard

Sutton & Parker Run Wild To Repeat For Dist. Championship

By Ernie Boyd

Halfbacks Bobby Sutton and Tony Parker paced the Ozona Lions to their second straight district 8-A title last Friday night as the Lions crushed the Menard Yellowjackets 58 to 6.

The win pushed the Lions into a bi-district play off with the Fabens Wildcats here in Ozona Saturday and brought the Lions' season record to 8 wins and 2 losses and the district record to 4 wins and no losses.

The Lions blocked with devastating effect and their tackling was strong and sharp most of the game. The Lions effectively throttled the Yellowjacket offense and at the same time launched long scoring jaunts from all over the field.

Bobby Sutton put the Lions in the lead on their first offensive play when he bolted through a hole at left guard and raced 46 yards for the game's first score. A screen of blocks had the path cleared before the Lion star had covered the first 15 yards of the trip.

Sutton kicked the first extra point and hardly had time to get his breath before the Lions regained the football and Sutton was off again. On the second touchdown run Sutton found a gaping hole between the end and the tackle on the left side and went 55 yards for the score. This time the kick was no good.

Menard called time out to discuss defense and when play resumed the Jackets had abandoned pass defense and had what almost amounted to a 10 man line. Really it was an 8-2-1 with the two a step in the line.

The Lions paid little if any attention to the change in defense and continued to run with considerable success, even though no more touchdowns resulted from their efforts until just before the half.

The Lions made one effort to pass and had receivers open all over the field but the pass was high and no more efforts were made to exploit the opening.

The Lions broke into the scoring column for the only time in the second quarter just before the half when Sutton skirted right end on a pitch out from quarterback Johnny Jones, and went 60 yards for the score. Sutton kicked the extra point and the Lions went to the half time intermission with a 20 to 0 lead.

If the Menard defense proved somewhat bothersome to the Lions in the second quarter, they made up for the lapse in the third period when they stormed through the shook-up Yellowjackets for 32 points.

Miss Daniel Speaker At Meeting Of Forum

Miss Lola Mae Daniel was guest speaker at the meeting of the Ozona Woman's Wednesday afternoon in the home of Mrs. James Childress. Miss Daniel recounted some of her experiences as a member of the staff of Evangelist Billy Graham last summer and the summer before.

Cohostesses with Mrs. Childress were Mrs. Austin Millsbaugh, and Mrs. B. B. Ingham, Jr.

HOSPITAL BOARD NAMED

Martin Harvick and Mrs. Evert White were reappointed to membership on the Crockett County Hospital board by the Commissioners Court last week. Mrs. J. B. Miletr was named to membership on the board to succeed C. O. (Lefty) Walker who is retiring from the board in anticipation of becoming a member of the Commissioners Court when his term as Commissioner from Precinct 2 begins in January.

Pierce Miller Receives 4-H Gold Star Award at Brackettville Banquet

Pierce Miller, Crockett County 4-H Club 1958 Gold Star winner, was honored along with other Gold Star winners of Extension District 6 at the first annual Gold Star District 6 banquet, held at the Fort Clark guest ranch, Brackettville, Texas, last Saturday evening, November 15th.

Pierce was presented a Gold Star certificate by District Agent Ray D. Siegmund of Fort Stockton. Pierce received his Gold Star award at the annual county achievement and awards program last March. The Gold Star award is the highest county award provided by the Texas Agricultural Extension Service.

The District Gold Star banquet was sponsored by the Rio Grande Electric Co-op with headquarters in Brackettville. About 150 attended the banquet, including Gold Star winners from the 25 county district, their parents, county agents, and special guests.

Pierce was accompanied to Brackettville by his parents, Mr. and Mrs. Eugene Miller and County Agent and Mrs. Pete Jacoby.

Daughter Of Engineer With SCS Here Killed In Crash Near Fabens

Jimmie Ruth Barksdale, 16-year-old daughter of Jim H. Barksdale, project engineer for the Soil Conservation Service, stationed in Ozona for the past several months on the Johnson Draw watershed control project, was instantly killed Sunday morning in an automobile accident between her home in Fabens and Isleta, Texas.

A girl companion with whom Jimmie Ruth had spent the night in Isleta was also killed in the accident. The girls were returning to Fabens to attend church when the car in which they were riding went out of control and struck a tree. The Barksdale family lives in Fabens.

Gillespie Firm Wins Contract For Initial Stretch Of Iraan Road

AUSTIN — Allen Keller Co. of Fredericksburg was low bidder last week for a State Highway Department contract in Crockett County.

The bid of \$206,307 is for grading, structures, base and surfacing on FM 1980 from RM 33 at a point 20 miles south of Big Lake to 9.7 miles west.

Ozona Woman's Club Members Tour New Angelo High School

Members of the Ozona Woman's Club toured the new San Angelo Central High School Saturday, the first campus type high school in the nation.

Nine members of the local club made the trip Saturday morning and were conducted on a tour of the magnificent building by Principal White of the school. The building is constructed of the most economical materials, concrete and steel and was constructed at a cost of \$14,500 per square foot or \$1,217 per pupil, the Ozona delegation was told, an amount under the average cost of school building construction. West Texas ranch products were boosted in the construction, mohair upholstery being used in the auditorium seats, the local delegation reported.

Making the tour were Mrs. L. B. Cox, Jr., Mrs. Stephen Perner, Mrs. George Bean, Mrs. S. M. Harvick, Mrs. J. W. Henderson, Mrs. Charles Williams, Sr., Mrs. A. C. Hoover, Mrs. Roy Killingsworth and Miss Lola Mae Daniel.

MEXICAN DINNER

Mexican Dinner will be served at the Ozona Community Center Saturday, November 22 from 5 to 7 p. m. by the mothers of the girls belonging to Girl Scout Troops 5 and 6. The proceeds from the ticket sales will be used by the mothers to purchase uniforms for their girls. Mrs. Napoleon Vitela is the leader of the Troop.

Contracts May Be Let Soon On Johnson Channel

Improvement Work In Town Last Link In Flood Control

Last loose ends of preliminaries, such as property easements, designs and engineering details, are being gathered together looking toward the early award of contracts for improvement of the Johnson Draw channel through the town of Ozona, the last link in the two million dollar Johnson Draw watershed control project, Bob Scott, area conservationist with the Soil Conservation Service, said this week.

The draw channel through Ozona is to be widened, deepened and straightened to carry a maximum of water down the wash and prevent local overflows from freak rains. The main Johnson draw is to be straightened at the south edge of town so that Gurley and Johnson confluence will be farther downstream than at present, thus preventing the bottleneck of water in the southern edge of the town.

Rebuilding of the Highway 290 bridge across Johnson draw here, recently completed, was in preparation for the channel improvement program, and at the same time eliminating a traffic hazard created by the narrow bridge. The new draw channel will have sloping banks and a wide level channel bed.

Contractors are nearing completion on the last three of the flood control dams under construction on the watershed, those at sites No. 4, 5 and 7, the latter on Gurley draw, a tributary of Johnson which courses through the southeast part of Ozona. Some of the dams were planted with native grasses this summer and made good growth to hold the embankments. The others will be planted in about February to take full advantage of spring rains, Mr. Scott said. The newly planted seeds are mulched with hay and watered where necessary to sprout the seed.

Winter Invades Area With First Freeze Wednesday

Half Inch Rain Weekend Precedes Frigid Disturbance

The long expected but mercifully delayed invasion of winter to this West Texas area materialized in a big way Wednesday morning when Ozonans awoke to a frigid 26 degrees and green leaves, grass and flower beds drooping under a coating of heavy killing frost.

Turbulent winds struck Monday to start the leaves, already touched with a light frost earlier in the season, whirling to the ground. The disturbance was the first touch of the Canadian cold air mass due to spread over the area. Violent storms were kicked up in other parts of the state, resulting in the death of one man at Odessa when an oil field derrick collapsed under the heavy blow.

A warming trend apparent Tuesday was deceiving for the cold air moved in with a vengeance early Wednesday morning to bring the season's first freeze to the area.

Preceding the wintry disturbance was a half inch rain which fell in the Ozona area Saturday, when the first edge of the wintry move was felt in this section.

WE FINALLY WON ONE —

Coin Toss Decides Not Game Site But How Much Cash Guarantee

Ozona school delegations who have consistently lost the call on flipping the coin to decide the location of bi-district games in football and basketball for the past seven years, finally won a toss last Saturday at Fort Stockton.

But it wasn't a toss to decide whether the Ozona-Fabens bi-district football contest would be played in Fabens or in Ozona. That question had already been decided via the negotiation route — that is, the Ozona delegates had secured an agreement from Fabens officials to play the game in Ozona on a flat money guarantee basis. The only question remaining to be decided was — how much? Fabens had proffered to come for a guarantee of \$2,500. Ozona had countered with a proposal of \$1,500. Proposals and counter proposals flew thick and fast in the three-hour session until it finally rested at a demand of \$2,000 from Fabens and a firm offer of \$1,850 from Ozona.

Then it was the coin flip which compromised the difference. The coin toss was to decide whether the amount would be \$1,850 or \$2,000 and Ozona School Board Chairman Quebe Alford successfully called the toss. And Ozona had won its first coin toss in seven years — not for a bi-district ball game but for a \$150 saving.

Now, you fans go buy those \$2 reserved seats in sufficient numbers to show your appreciation of the saving of about \$60 a seat were you buying one in Fabens.

SCD Supervisors Hear Of Progress On Johnson

Progress on Johnson Draw watershed control project was discussed and terms of the Fort Worth Press soil conservation awards were outlined when L. F. Stewart, field representative of the State Soil Conservation Board met with members of the Crockett Soil Conservation District board of supervisors in their November meeting.

Supervisors attending were Bascomb Cox, Bill Clegg and Chas. E. Davidson, Jr. Representing the Soil Conservation Service were Bob F. Scott and R. V. Ketchum of the local SCS office.

Civil Defense, State Convention Topics For Program Of PTA Meet

Miss Lola Mae Daniel presided a program on civil defense at the meeting of the Ozona P. T. A. Monday night. Miss Daniel's first grade pupils gave the pledge to the flag and sang "It's Great to Be An American," with Mrs. R. A. Harrell accompanying at the piano.

J. A. Pelt, high school principal, outlined the legislative recommendations of the Hale-Aikin committee.

A panel brought the report on the recent state convention of the P. T. A. in El Paso. Taking part were Mr. and Mrs. Martin Harvick, Mr. and Mrs. James Baggett, Mr. and Mrs. Boyd Baker and Roy Killingsworth.

The attendance award went to Miss Daniel's first grade. Hosts for the evening were Mr. and Mrs. Clovis Womack and Mr. and Mrs. S. E. Carnes. About 100 attended.

Nan West Exhibition On Display In Kendall Galleries Until Nov. 30

A large number of Ozonans have visited the one-man exhibition of the art works of Mrs. Nan Tandy West of Ozona, now showing in the Kendall Galleries in San Angelo. The show opened Nov. 9 with a tea from 2 to 6 p. m. and is open each Wednesday, Friday and Sunday afternoon from 2 to 5 p. m.

The exhibition of some 35 of Mrs. West's paintings will be on display until November 30. Mrs. West was selected for the gallery exhibition by members of the San Angelo Art Club, the honor signaling the recognition by West Texas art lovers of her unusual talents.

DISTRICT CHAMPION LIONS MEET FABENS HERE SATURDAY AT 2:30 P. M. FOR BI-DISTRICT GRID TITLE

By Ernie Boyd

The Ozona Lions will take on the huge Fabens Wildcats at Lion stadium Saturday afternoon at 2:30 p. m. in a game to decide the bi-district championship between districts 7A and 8A.

The bi-district game will be the first played in Ozona since 1946 when the Lions were in class B and lost a 7 to 6 contest to Robert Lee.

Even though the Lions have been in numerous football and basketball play offs in recent years, none of the playoff games have been staged in Ozona as the Lions have been very unlucky with the flip.

In order to get the game in Ozona, the Ozona School officials offered a good share of the gate to Fabens, in the belief that Ozona fans wanted the game here, and would turn out in big numbers.

If the demand is heavy enough, the entire west grand stand will go as reserved seats at \$2.00. Season ticket holders have until today to notify officials that they want their old seats, and all not claimed will go on a first come first serve basis.

For fans who did not have reserved seats during the season but who wish them for this game seats will be reserved at the high school office until Saturday with a ticket booth for reserved seats being then opened at the stadium.

Additional bleacher seats of the same type as those set aside for the band are being erected on the East side of the field and will be used along with all the other seats on the east side and the first four rows on the west side as general admission seats which will be \$1.50. Student tickets will be \$1.00. Fabens will bring to Ozona the largest team the Lions have played this season. The Wildcats will average from 178 to 183 pounds to the man in the line which is anchored on Lewis Hernandez a 240 pound all state tackle candidate.

The Lions will average around 171 on defense but a bit lighter on offense.

The Lions have been established as slight favorites but in the last few years the Lions have not won from the western district a single time, even though favored to do so from time to time.

The Lions engaged in a light workout devoted mostly to running Monday with there being some hope that David Sikes would be available at least for pass defense this week.

The Lions miserable exhibition of passing last week will get some attention this week, but contact work is expected to be held to a minimum.

Coach Brooks Dozier took ailing end Jerry Jacobs to Austin to consult with the University of Texas trainer, and hope was expressed that his injury would soon be well but there is some doubt that he will be ready to play football again this season.

Coaches pointed out early this week that the Lions were favored to beat Alpine last year and did not do so, and that looking forward to next week would be the quickest way to get basketball practice under way.

The Lions came out of the Menard fray without injury apparently, and should be in good shape for the invasion providing there are no injuries in practice this week.

Fabens is expected to start on offense the following team: Herrera le 130, Barragan lt 185 or Rodriguez 220, Rivera lg 160, Grizzard c 185, Glaser rg 170, L. Hernandez, rt 240, S. Hernandez re 156. In the backfield O'Donnell qb 155, Walters lbh 165, Teller rhh 145 and DeAnda fb 150.

Ozona's offense will be: Doran le 144, Cooper lt 178, K. Deland lg 158, Ingham c 185, Porter rg 140, Flannigan rt 200, Williams re 156. At quarterback Jones at 133, Sutton lbh 160, Freeman rhh 154, and Holden fb 165.

Joe Bailey is spending a few days here visiting his parents, Mr. and Mrs. T. J. Bailey. Joe is employed by Shell Oil Co. as chief data processor for the firm's electronic computer at Midland.

Mr. and Mrs. Larry May of Ozona are the parents of a son born Nov. 12 at the Crockett county hospital. The baby weighed 6 pounds 3 ounces and has been named James Thomas. He is a grandson of Mr. and Mrs. Tom Powers of Ozona and of Mrs. Nora May of Steele, Missouri.

Four big reasons why FORD IS OUTSELLING ALL OTHER '59 CARS

AT THE BRUSSELS WORLD'S FAIR, the '59 Fords were awarded the Gold Medal for handsome new styling elegance by the Comité Français de l'Élégance.

The world's best-selling car is the car with Thunderbird elegance

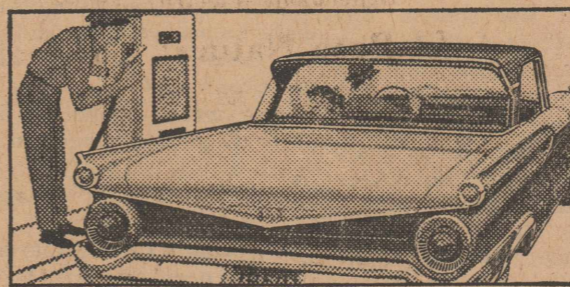

In the greatest styling decision of the year, the American public has already shown a clear preference for the new Fords. Ford sales are way ahead of all competition. Why? One reason is the classic simplicity of their Thunderbird-inspired design—clean, crisp lines that are pure automobile! And Fords are built for people—to sit in, to drive, to ride in—with comfort.

ANYONE CAN FIT IN A FORD: Our cars are built for people—full-size people who want space to stretch out. And all passengers ride in deep-cushion comfort.

The car in hottest demand across the land has greater roominess and comfort

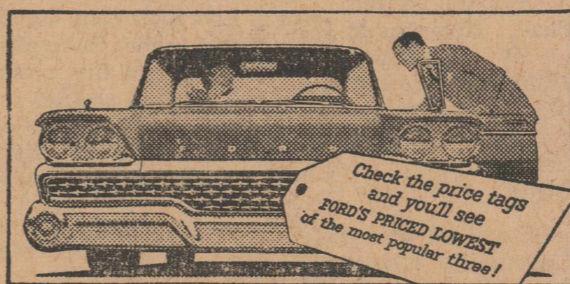

Thousands of customers have bought the new Ford over all competition for another compelling reason—it's a true six-passenger car. (The only four-passenger car we recommend is the Thunderbird!) All six Ford passengers get plenty of every kind of room—from leg and head to elbow and hip. Rear seat passengers don't feel like they're riding with their feet in a bucket!

YOU'LL BE THANKFUL EVERY THANKFUL if you buy the new Ford, for you'll save up to a dollar a tankful with new engines that run superbly on regular gas.

The No. 1 car in sales saves money on gas, on oil, on maintenance bills

A new Ford will save you up to 5¢ a gallon on gas. That's because both standard engines—Six or Thunderbird V-8—thrive on regular gas. And Ford saves on oil, too, with a Full-Flow Oil Filter as standard equipment. Drive 4000 miles between oil changes! And you can forget about waxing your car. Ford's Diamond Lustre Finish stays gleaming bright without waxing—ever!

THE FAMOUS FORD LOW PRICES have already made a hit, because only in Fords will you find value and beauty coming together at down-to-earth prices!

The most popular American car is priced as much as \$102.75 lower

Ford costs you less right down the line than the competition. Compare price tags and you'll see that the manufacturer's suggested retail price of a Ford, equipped with radio, heater and automatic transmission, is as much as \$102.75 less than the major competition! And on an air-conditioned car, you can save up to \$219.85. So compare and save on a 1959 Ford!

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, Nov. 21, 1929

After tracing organization of the Federal Farm Board, recently created by President Hoover, C. B. Denman, a member of the board, pointed to efforts of the board toward creation of a national cooperative group of wool and mohair producers in a speech before the National Wool Growers Assn. meeting in San Angelo Wednesday.

Mrs. W. D. Drennan, a native of Ozona, has assumed active management of the Ozona Hotel, an ancient landmark in Ozona which has recently been completely remodeled inside and out. The hotel is owned by Mrs. W. C. Easterling and has been stuccoed on the outside and completely refinished inside.

John L. Bishop, superintendent of Ozona schools, was the first Ozona hunter to bring in his buck and this received a cash prize offered by Joe Oberkamp.

The S. E. Couch estate recently sold 2500 head of ewes, 1500 head of yearling ewes going to Frank

Harris of San Angelo at \$11 a head and 1000 older ewes to Harry Friend at \$10 a head. Ad Harvick sold 100 steer calves to T. A. Kincaid at \$40 a head and the Couch estate sold 325 head of heifer calves at \$35 a head and 350 head of steer calves at \$42.50 a head.

Daredevil Cloyd, airplane stunt man, leaped from an airplane here Saturday afternoon at an altitude of about 3,000 feet and landed by parachute on the flat south of town. The pilot of the plane took passengers for joy rides during the day.

Lost, year old female hound, white with lemon spots. Reward for return to Joe Pierce.

The first snow of the season fell in Ozona Friday night. It was light and was accompanied at intervals by sleet. The sleet and snow melted as it hit the ground and the temperature stood at near freezing by morning, with heavy clouds.

Mr. and Mrs. Ralph Meinecke are the parents of a 10-pound boy born Monday night.

W. A. Adams is among Ozonans attending the National Wool Growers Assn. convention in San Angelo this week.

Mr. and Mrs. J. M. Baggett and Miss Beulah Baggett are in Floydada to attend the golden wedding

anniversary of Mr. and Mrs. W. L. Boerner, parents of Mrs. Baggett.

Mrs. Madden Read has returned from Lampasas where she has been visiting relatives. Her mother and sister returned with her for a few days visit on the Read ranch.

Prices of securities on the Stock Exchange are now 30 to 50 percent lower than they were a month ago.

The Federal Reserve Banks have reduced their rate of rediscount. Those events are the beginning of an economic readjustment in America.

For four years the prices of stocks have been running wild. Twenty-two million persons, Wall Street estimates, were infected with the delusion that money can be got honestly without working for it. Now their money is in the hands of gentlemen who had no such delusions and the losers are going back to work.

It is hard to sympathize with the amateur stock-market gambler, even if he has lost his life savings. The same ones will do the same thing again when the next "bull" movement starts. In the long run, the realities of business, the actual earnings of industry, determine stock prices. The speculating public does not believe that and never will. (From a column by Frank Parker Stockbridge.)

EDITOR'S CORNER

Great literature serves to restore man's soul with the exigencies of life. Almost as great as the ability to write a line of strength is the ability to use that line to higher levels of emotion and achievement.

This poem by Louis Untermeyer is from the book *Leaves of Gold*, a collection of maxims, phrases, anecdotes, passages, proverbs and essays from the best minds among men. Consolation is the objective of *Leaves of Gold*; to provide a key to things of the spirit as inspiration for daily living, its design.

DIVINE DISCONTENT

God, although this life is but a wraith,
Although we know not what we use;
Although we grope with little faith,
God, give me the heart to fight—and lose.
Ever insurgent let me be,
Make me more daring than devout;
From sleek contentment keep me free
And fill me with a buoyant doubt
Open my eyes to visions girt
With beauty, and with wonder lit —
But let me always see the dirt,
And all that spawn and die in it.
Open my ears to music, let
Me thrill with Spring's first,
flutes and drums
But never let me dare forget
The bitter ballads of the slums.

From compromise and things half-done,
Keep me, with stern and stubborn pride;
But when at last the fight is won,
God, keep me still unsatisfied.

ASSEMBLY

The high school students were honored in assembly Wednesday to have the "Magic Barrel" sponsored by Humble products.

The program was quiet fascinating! Harlan pulled many things from the barrel that we see every day but never realize what it really is.

He froze a carnation in about two seconds time with freezeon, the gas in refrigerators and cans of instant shaving lather, hand lotion and whipped cream.

Another interesting thing was when he stuck a piece of cloth into a single vat of dye and it came out red, white and blue in straight lines! He explained that the cloth was sewn in three different places. One piece was cotton; one silk, and one dacron.

Everyone will have to admit the "Magic Barrel" is something to remember.

VICTORY DANCE GIVEN

Friday night after the football game, a dance was given at the club by Frances, Diane, Susie, Sally, Sandra, Linda, and Alleane. Of course, it was helping celebrate our victory over Menard and the district. Sandwiches, cokes, and cookies were served by the mothers. Food is always a must.

There were so many there that I can't name them all, but the usual couples attended the "buckle polishing" and seemed to enjoy themselves thoroughly.

Girls, there is a new phrase going around so let me give you warning as to its meaning. If someone asks you if they may borrow your body for this struggle, it means "Do you want to dance?" I think the "originator" of this saying is Nonie Conklin.

The Freshmen are giving the annual Thanksgiving dance Saturday night at the North Elementary. I am sure it will be a lot of fun, so make plans to go. In parting, one last word —

Cage The Wildcats!

STRANGE PRACTICE IS AGOIN' ON

Seems like all our football boys do is smile for pictures. Everyday Miss North gives Mills a camera and say, "Take this one over to the football field and see if you can break it." This school is going to go broke buying new cameras. Maybe they're just trying to see if they can take "Cleere" pictures. I really don't get the angle. You walk into the dark room (but not alone) and all you see is pictures (Pictures of football boys.) I guess the answer as to why they take all these pictures is really simple: they have to practice on something. Never-the-less, the boys might get the wrong idea!

This was all in fun. The truth is — we are proud of our team and we know it's gonna' be "STATE '58!"

TALK AROUND TOWN

State '58! Everyone is running down the halls yelling O. H. S.'s new motto. In case someone hasn't heard, the Lions won district and play for bi-district Saturday. We are very proud of our Lions!

After the game there was a victory dance. Everyone really enjoyed it and celebrated the victory.

We are losing one of our favorite girls and we really hate to see her go. She is Dee Woodall. Dee is a very active student, and we are sure she will be very welcome where ever she goes. Dee, come back and see us often.

It seems like Tony is having girl trouble. His date stood him up Friday night. Tony, we always thought you were a smoother operator than that.

Sandra, why were you so unhappy with your house guests Saturday night? They were just trying to give you some help, and they really need the practice in sign painting.

Some of the dates Saturday night

were Tommy F. - Jone M, Diz-Becky, Duff - Margo, Tony - Anne, Don - Frances, Roy Neil - Susie, David - Sandra.

Seen around the town Sunday night were Sally-Gene Brodhead, Pam-Johnny, Janet N.-Buddy, and some others.

The Thanksgiving holidays are next week, and I'm sure everyone is planning a big hunting trip. Good luck to everyone!

Glen Rowe took a trip last weekend. He went to see a girl in Llano. Some girls should get on (Continued on Page Six)

Give her a color telephone of her very own and you'll make her the happiest young lady in town this Christmas!

What's more, a phone of her own leaves mother's and dad's line free for their exclusive use.

There's a choice of ten attractive colors to blend or contrast with the décor of her room (or his). And the cost of an additional telephone, in color, is only pennies per day!

It's the easiest Christmas shopping you can do—and a gift that's appreciated all year. Just call our Business Office, and we'll do our best to arrange the installation at your convenience.

THANKSGIVING HOLIDAYS

By Vicki Carroll

Mr. Peltó stated that school will be dismissed Wednesday, November 26, at 3:35. We will be out of school Thursday and Friday coming back on Monday, December 1.

Here's hoping everyone has a wonderful Thanksgiving holiday.

BEAT FABENS

SMILE AWHILE

Teacher: "I am told you went to the movies yesterday instead of coming to school."

Boy: "That's not true and I've got a deer to prove it!"

The professor was delivering the last lecture of the term.

"The examination papers are now in the hands of the printer," he concluded.

"Now are there any questions?"

Silence prevailed for a moment, then a voice piped up, "Who is the printer?"

Dave: "A tomato, some lettuce, and a pail of water had a race. Who won and how did they place?"

Jean: The lettuce came out ahead, the water just kept on running, and the tomato tried to ketchup!

Shakespeare: "I've written an ancient Roman play, and it's a good play, except that the title is too long."

Anne Hathaway: "What's the title?"

Shakespeare: "Julius Grab Her Quick Before She Gets Away and Runs". Ann Hathaway: "Why not just call it Julius Caesar?"

City visitor: "Don't you ever shoo those pesky flies?"

Farmer: "No, I just let them go barefooted."

Clerk: "What's the matter, sonny?"

Little Boy: "Please, sir, have you seen a lady without a little boy who looks like me?"

BEHIND THE BANDSTAND

All who were at the football game Friday night enjoyed an excellent half-time show performed by the Ozona High School band. They did a series of precision marching routines which were a pleasure to watch.

A big thanks goes to both Mr. Smith and the band who work so hard to bring us such fine entertainment.

WCS HARVEST DAY

A demonstration of puppets and a new English teaching method by use of records and film at the Ozona Community Center featured the harvest day program of the Woman's Society of Christian Service of the Methodist church at the Center Wednesday.

Attending were Mmes. R. K. Wimberley, Lindsey Hicks, Floyd Henderson, S. M. Harvick, J. A. Fussell, L. B. T. Sikes, Ralph Jones, P. C. Perner, A. S. Lock, Stephen Perner, R. A. Harrell, Clay Adams, N. M. Graham, Charles Williams, Sr., Morris Bratton, Joe Pierce, Evert White, and Misses Ethel Wolf and Dorothy Price.

(Continued from Page One)

the rally with a neat 46 yard run on a reverse. The play ended a 70 yard drive that began with the kickoff. Holden rammed over the extra points and the Lions had a 28 to 0 lead.

Two partially blocked kicks played a part in the next three Lion scores. Menard received the kickoff but could not advance the ball and Castelberry dropped back to punt. The Menard kicker was rushed and the kicked deflected a short distance up field.

Billy Bob Holden got the task of taking the ball over and on five straight runs pushed the ball into the end zone with the last play covering 11 yards for the score. Sutton ran over the two points.

Tony Parker replaced Sutton and started off with a bang the next time the Lions got the ball. On the first carry the Soph shot through a hole and raced 46 yards for the score. Diz Reeves picked up the two points and the Lions had extended their lead to 44 to 0.

Robert Rodriguez broke through the Menard line to block Castelberry's next punting effort and put the Lions in position for their next score. Parker did not waste a lot of time in adding the six as he raced thirty yards up the middle through a gaping hole for the score. Reeves tacked on two more points and the Lions score rose to 52 to 0.

The Yellowjackets' moment to remember, came mid-way of the fourth quarter as Coach Pete Hickman sent every Lion in uniform into the contest.

The Jackets, using their passing arm effectively, pushed to the Lion one, and from there Castelberry dove into the end zone for the score. The pass effort for two points was broken up and the score remained 52 to 6.

Parker got one more chance, and this time the Lions speedy reserve back raced 55 yards for the games final score. The try for extra points was no good and the game ended without further incident.

The Lions picked up 491 yards rushing on only 31 plays and added 6 more on a pass to total 497. Menard ran 51 times with the ball but gained only 107 yards, even though they did add 89 yards

passing to their total.

Menard had 13 first downs, to 7 for the Lions, but the Lions did not often stop to let the referee measure just how far they had gone. Bobby Sutton was the games leading ground gainer with 180 yards on 7 carries. Tony Parker was a close second with 174 yards on 7 carries.

Jim Freeman had 74 on four trips and Holden had 57 on 9 efforts.

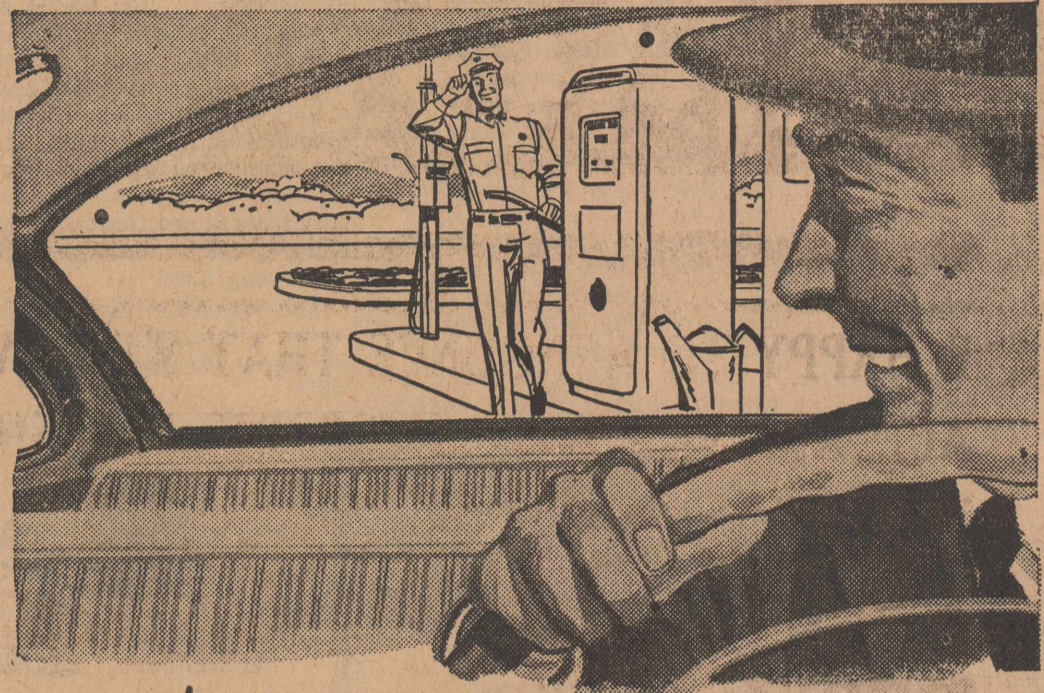

LADIES GOLF ASSN.

The weekly play of bridge was held at the country club Thursday afternoon by the Ladies Golf Assn. Bridge hostess was Mrs. Joe Friend. High score went to Mrs. V. I. Pierce, second high to Mrs. Sherman Taylor and cut to Mrs. Lloyd Sherrill. Others attending were Mrs. Hillery Phillips, Mrs. Ashby McMullan, Mrs. Byron Stuart, Mrs. C. O. Walker, Mrs. Sidney Mills-

paugh, Jr., Mrs. Joe Pierce, Mrs. Tommy Harris and Mrs. Worth Ododom of Las Vegas, N. M.

Mr. and Mrs. Bob Lemmons of Estevan, Saskatchewan, Canada, were here for a few days visit last week with Mr. Lemmons' mother, Mrs. Ben Lemmons. Mr. and Mrs. Howard Lemmons were over from Odessa to visit also.

YOU'RE SAFER
when we make your car SOUND!

Keeping your car supplied with high-quality gasoline and oil is only part of our job.

We also consider it our job to make sure your car is a pleasure to drive. That's why, whenever you bring your car to us for servicing, we also check your battery, lights, horn, windshield wipers, brakes and scores of other accessories and parts that must be kept trouble-free.

Providing special service like this is our way of getting and keeping your business. It's another example of how you benefit from the healthy competition throughout the entire oil industry—from the oil well to the gasoline pump.

So drive in to our station today. And when you drive out you can be sure your car will be sound—and safer.

The new Bel Air 2-Door Sedan

Be our guest for a pleasure test . . . drive a Chevy today!

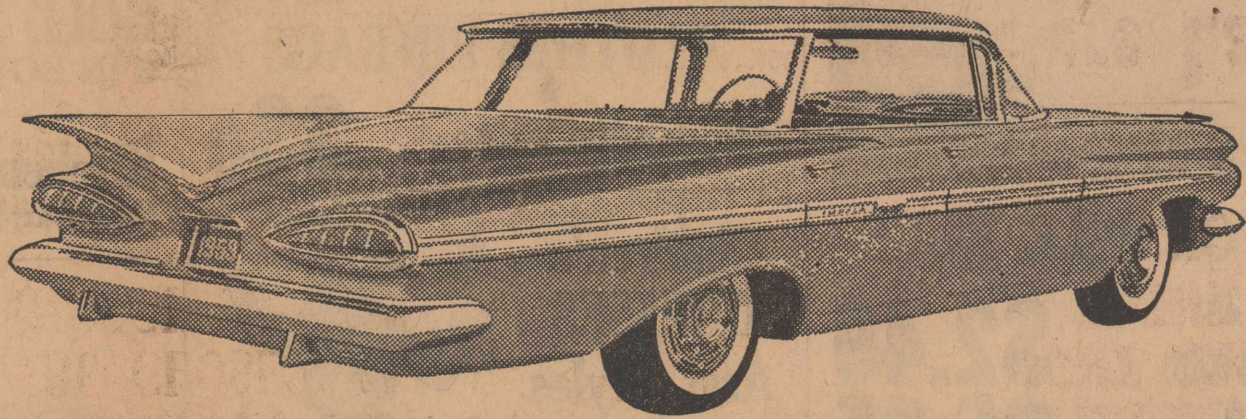

DEFINITELY NEW, DECIDEDLY DIFFERENT!

Chevrolet shatters precedent beautifully with a completely new car for the second year in a row. Here's the one that's shaped to the new American taste. The '59 Chevy's new and different in everything from ride to roominess!

It's new all over! In the fresh slant of its Slimline design. In the spacious comfort of its Body by Fisher and vast areas of visibility. There's a new Hi-Thrift 6 that delivers up to 10% greater gas economy, bigger brakes, better-than-ever sus- pensions, a new finish that needs no waxing for up to three years. Nothing's new like Chevy's new! See it at your Chevrolet dealer's now.

what America wants, America gets in a Chevy!

The impressive new Impala Sport Sedan. Like all new Chevies, it has Safety Plate Glass all around.
