## Cotton Harvest Nears Completion

### Yields Are Average, Mike, Grade Good

In general, the 1970 cotton harvest is up slightly from last year when a June 13 rain and hail and an October 13 freeze all but devastated cotton crops in a vast area. All ginners contacted by The Journal Tuesday expected to wind up the ginning season within the next 10 days to two weeks.

This year, a 'sneak' freeze on October 8 may have inflicted up to 30 percent losses on cotton in the fields and held yields somewhat lower, even though the yields have, in most cases, exceeded the low yields of 1969.

Two local gins, Paymaster in Muleshoe and the Muleshoe Co-op Gin both report they are

ginning, although they expect to catch up within a short time.

Bill Darnell at Paymaster said he expected from 200-300 more bales before he completes the season and said his early estimate of yield is now off some 25-35 percent. Darnell reported that although there was an increase in acreage for cotton this year, several of his customers did not replant after the June blowouts of cotton crops and the early freeze also hurt some. An average at Paymaster was expected to be approximately three-fourths of a bale per acre with some farmers harvesting up to one and one-half bales.

The Mike has stayed 'fair' according to the Muleshoe Co-op Gin with a good to fair grade being the report. Muleshoe Co-op Gins said they are playing catch-up real fast now and don't expect to be ginning too much longer.

Around Needmore, the Needmore Co-op Gin reports they are approximately 90 percent completed at this time although they will have a little late cotton. Dale Newsom said they are off approximately 100 bales from the same time last Oct'd, on Page 3, Col. 4

### Airport Session Tuesday Night At City Hall

All Muleshoe City Councilmen, Muleshoe City Attorney Norman Bays, Attorney Sam Aldridge, Morgan Locker, Sam Dameron and L.B. Hall, both of the Airport Advisory Board, met in special session at the Muleshoe City Hall Tuesday night.

Mayor Irvin St. Clair said the purpose of the meeting was to discuss the meaning and intent of the airport lease and resolve differences of opinion which have arisen between the city and Morgan Locker.

Cont'd, on Page 3, Col. 3

### Christmas Tree Obtained For Memorial Site

Several members of the Businessmen Activities Committee of the Muleshoe Chamber of Commerce and several men from Bailey County Electric Cooperative returned from Cloudercroft, N.M. with the community Christmas tree Tuesday morning.

Making the trip were R.A. Bradley, Olan Burrows, Harvey Bass, Roger Albertson, Morris Nowlin, Wayne Copley and Harold Cowan.

Several of the men made an advance trip and selected the 58 foot tree which was obtained in the mountains near Cloudercroft without any adverse incidents.

Workmen from the Bailey County Electric Cooperative Association, Southwestern Public Service Company and the City of Muleshoe, installed the tree in its location near Pete, the Mule Memorial at the north end of Main Street on Tuesday morning.

Monday afternoon, workmen began installing 'Frosty' the snowman at the location and Christmas street decorations started going up.

### The Football Contest Remains Wide Open

Mrs. Morris (Nona Blake) Douglass captured the first place win in this weeks football contest by missing only one game and being right on the nose in the tiebreaker Texas Tech-Arkansas game. Mrs. Douglass missed the Air Force-Colorado game, F.W. 'Chief' Jones added another feather to his cap this week, as he missed the same game, but was six points off on the tiebreaker score. Mrs. Jones still leads Chief though, as she has two first place wins to his first place and now second place.

Third place winner for the week is Wayne Peterson, who guessed wrong on the Southern Mississippi-West Texas State game and was fourteen points off on the tiebreaker game. Barely out of the running was Johnny Hayes who missed the Oregon-Oregon State game and was 18 points off on the Texas Tech-Arkansas game.

Mrs. Chief Jones was almost in good shape to give her husband a run for his money, but she missed out on two

games. Mrs. Jones missed Air Force-Colorado and Oregon-Oregon State, but was only three points off on the tie-breaker. Danny Sullivan, Casper Morales, Trinidad Gomez, Jim Small, Sanford Gilbreath, Preston Wilson, Richard Engelking, Ruth Malone, Tracy Cowan, Ashley Davis, Steve O'Grady, Terry Pollard and G.W. Chapman also missed two games in the contest.

The contest continues this week and for the next one or two weeks to follow, so be sure to enter as there is no clearly defined winner as yet, and the contest remains wide open for the grand prize of two tickets to the Cotton Bowl in January and \$50 for expense money.

Cont'd, on Page 3, Col. 2

### Park, Recreation Board, Council In Joint Meet

The Muleshoe City Council and Muleshoe Park and Recreation Board met in joint session Monday night to discuss progress and activities of the Park Board during the past two years.

City Manager Albert Field said a long discussion was held on the varied activities of the Park Board in making repairs and improvements to the existing park and preparing for the construction of a new park in Muleshoe.

Council approved the Park Board checking with the man who drew up the West Avenue D park plans to work on special actions to obtain bids for trees in the new park.

### 'Pete' Solicits Christmas Fund For His Friend

Pete, the Muleshoe Mule, cast a longing look at the 58 foot Christmas tree installed next to him Tuesday morning and began wondering if his friend, the Godrano, Italy, Mule, was going to have a Merry Christmas. Now, Pete whispered that he has never actually 'met' the Mule from Godrano, but his compadre in Italy 'B's' a brother Mule, and ever since he found the Mule was not being fed properly, he has been concerned.

It seems that Pete was informed of the Godrano Mule who was fast becoming too weak to perform his usual chore of hauling the town garbage because inflation had caused the poor Italian village leaders to cut down on his feed. It seems that there is not enough money in the village coffers to properly feed the hardworking Mule. Pete also heard that the Mule was becoming weak and he immediately sought the help of local 'good-hearted' citizens of the National Mule Memorial City.

Because Muleshoe Chamber of Commerce Manager Jerry Hutton is a kind-hearted soul, he found the sympathetic ear of a reporter on The Journal, and a fund drive has begun to send funds to Italy to feed the Mule and ease Pete's concern. A box has been set up in the office of the Muleshoe Chamber of Commerce to collect money to send to Godrano, Italy and money is beginning to trickle into the fund.

It is estimated that it costs approximately 15 to 25 cents a day in American money to feed a Mule in Italy. Pete figured that if everyone would cut out one cup of coffee, one-third package of cigarettes or two or three candy bars a day, the money could be sent to his friend in Italy. Any contributions to the Mule fund may be made at the Muleshoe Chamber of Commerce office in the City Hall, or at The Journal in Muleshoe. Approximately \$10 will feed the Mule for almost two months, and Pete, the Muleshoe Mule, promises he will be a happy symbol for the Mule Memorial City once again.

### Projects Listed By Auxiliary During Meeting

Members of the Ladies' Auxiliary of the Muleshoe Chamber of Commerce met for a salad luncheon Tuesday in the home of auxiliary president, Mrs. Gid Howell.

Special guests during the luncheon were Howell, Chamber of Commerce Manager Jerry Hutton and Chamber of Commerce President Don Harmon. Following the luncheon a short business session was held, during which time the many projects undertaken by the auxiliary were discussed, along with future projects, including the Christmas parade which will be held on Friday, December 4.

Others attending the luncheon were Pat Keese, Sharon Gilliland, Mrs. Jack Wood, Mrs. Ed Manning, Mrs. Harvey Bass, Cleta Williams and Mrs. Howell.

UP GOES THE CHRISTMAS TREE--Employees of Bailey County Electric Cooperative Association, Southwestern Public Service Company and the City of Muleshoe are pictured here as they put up a 58 foot Christmas tree for the holidays. Shown keeping watch over the tree at the left is Pete, the National Mule Memorial. Members of the Businessmen Activities Committee of the Chamber of Commerce obtained the tree from the mountains near Cloudercroft, N.M.

### Conspiracy Stories True, Says Frias

Approximately 200 people jammed the auditorium of the American Legion Hall Tuesday night to hear Robert Frias, Odessa consulting mechanical engineer, 'tell it like it is' where professional agitators are working and much unrest among the people is noted.

Frias was sponsored by the Muleshoe Support Your Local Police Committee and the Muleshoe Community Club and all walks of life were represented at the meeting.

Frias briefly stated his background, including the fact he was of Mexican parentage on both sides and was born and reared in El Paso, and said he was raised on what was considered the wrong side of the tracks.

He elected to speak entirely in English, which he stated was the language of the country and began his enlightening talk by asking a series of questions, including "What causes the strange behavior of people we see today?"

Speaking clearly and concisely, and leaving no doubt in anyone's mind of what he was speaking of, Frias commented, "A few years back people's behavior would have been considered out of line, and in fact, today their behavior should be still considered out of line."

Why say eliminate the establishment, the gringo, the white? Is this normal? Where do they (conspirators) get the impression they can use any means to do these things? Today, we are divided between the teacher and pupil, the citizen and duly elected representative and the child and parent. How is it now that all of a sudden they can't get along. What is put in their minds?"

He answered the questions by stating emphatically that a conspiracy designed with the intention to divide people is underway. He further stated that the conspiracy is planned deliberately to divide everyone.

Frias spoke of his experiences in the Korean War and how the prisoners of war were brainwashed while in concentration camps and how after the extraordinary brainwashing, only one guard was required for every 100 prisoners. The speaker said this was the first war in history where no prisoners escaped and added that this was because of the extensive brainwashing they had un-

dergone. He stated that the speaker said this was the first war in history where no prisoners escaped and added that this was because of the extensive brainwashing they had un-

dergone. He stated that the speaker said this was the first war in history where no prisoners escaped and added that this was because of the extensive brainwashing they had un-

### Thanksgiving-- A Grateful Heart

By Rev. J.B. Fowler, Muleshoe First United Methodist Church

O Lord, Thou hast given so much... Give one thing more-- a grateful heart.

THE COMMON CONCEPTION OF Thanksgiving Day in the United States is that it originated as a festival of praise to God for the abundance of good things he had bestowed upon the first settlers of Plymouth Colony. Quite to the contrary, there was no great abundance. The Pilgrims seemingly had little of material goods for which to be thankful.

Here they were on the inhospitable shores of a strange land, separated from their homeland by miles of ocean. Their houses offered poor shelter from the merciless winds and cruel cold. Their food supply was inadequate. They couldn't catch enough fish, their agricultural methods were unproductive, and trade with the Indians faltered because of the plague. Their first winter half their number died, and the rest lived in general misery.

Yet they assembled to thank God for what they did have. They counted as a blessing their freedom from religious persecution. They appreciated the friendly Indians who helped them in understanding the secrets of wilderness living and agriculture. They were grateful for their faith in God. They were thankful to be alive, with hope for the future.

For many years thereafter Pilgrim parents placed five kernels of corn at each dinner plate at Thanksgiving time, as a remembrance of the time food was so scarce in the Plymouth Colony that each person was given an allotment of five grains of corn each day to keep alive.

We who have inherited this great land bow our heads in humble gratitude and lift our hearts in joyful praise to God from whom all blessings flow.

### The Annuals Are Coming--

Special guests at the Muleshoe Rotary Club Tuesday were Elaine Davis and her eighth grade speech class who presented their "My Country" reading chorale. This was the same speech given in a recent Veterans Day program for Muleshoe Junior High School.

J.B. Fowler, Robert Sheed and Paul Scott were guests of the Rotarians. Robert Blackwood was installed as the newest Rotary member during the meeting. Mrs. Davis and her speech class were special guests of the Muleshoe Lions Club Wednesday when they presented the program for that civic organization.

### Heathington's Grand Opening Winners Named

Three persons were recipients of grand prizes presented in drawings at Heathington Lumber Company during their grand opening last week.

The Saturday winners included C.D. Alexander, Winchester shotgun; George Washington, target thrower and Mrs. J.B. Stovall, Manhattan cookware set.

Other winners during the grand opening included W.B. Kittrell, set of glasses; Charles Green, plumb hammer; G.A. Pittman, Lufkin tools; Robert Lunsford, Stanley tools; Mrs. J.K. Adams, stationery; Jess Pendergrass, garden hose; Buck Johnson, clothes rod; Wayne Williams, trip lever; R.L. Stokes, knife set; Velma Hogan, clothes rod; Mrs. Tommy Sullivan, drill set; Fiddle Shafer, screw assortment; Mrs. J.L. Taylor, shower head; Cecil Harvey, garden hose; Orby Jarman, Lufkin tape; Omer Kelton, stationery; Myron Pool, garden hose; Annie Alexander, clothes rod; R.D. Angeley, tool set; Eli Northcutt, heat lamp; Mrs. Tye Young, Sunbeam iron; Bob Palmer, salad bowl; Ruth Haight, case paint and Norma Seymore, case Coleman fuel.

### Spacemobile To Be Here Next Thursday

Neal Dillman announces that the NASA Spacemobile Lecture Demonstration Unit will be at the Muleshoe High School Thursday, December 3, for two presentations.

This presentation will provide up-to-date information in space science, research, and exploration for teachers and students. Nelson J. Ehrlich from the National Aeronautics and Space Administration of Houston will make this presentation.

Fred Mardis announces that the space program for the Muleshoe High School will be from 9:30 - 11:00 a.m., and Wayland Ethridge announces that the Space demonstration for the Junior High will be from 1:30 - 2:45 p.m.

A HAPPY

# Thanksgiving

TO ALL

# Top Teams Begin Seasons' Finale

Everyone is familiar with the parade of big football powers, written about and talked about before, during, and after every season. However, there are several "small" powers that each year would more than hold their own against many of the ma-

jeor football teams, Tampa, Long Beach State, and Grambling are three of these little killers, all playing this Saturday. Tampa, our number one small college team and a real power this fall, is a 29-point favorite over the Florida A & M Rat-

ters. Long Beach State, California our second-ranked team, upset major power San Diego State last week. They'll eclipse San Fernando Valley State by 29 points. Grambling, Louisiana, a name that is familiar to all followers of pro

football, is ranked number 14. They will beat Fullerton State of California by 22 points. Heading the small list of major college games this weekend - not for its brand of football (this year), but for tradition and color - is, of course, the

Army-Navy game in Philadelphia. Anything can happen and frequently does, but we'll take the Cadets over the Midshipmen by 8 points. Two outstanding games are scheduled in the South, "The Battle of Georgia" and "The

Battle of Alabama." Fifteenth ranked Georgia Tech grapples with 20th-ranked Georgia, and we're going with an upset. The Bulldogs will beat the Yellow Jackets by 7 points. And in neighboring Alabama, it's 11th-ranked Auburn against 12th-ranked Alabama. It should be a Tiger victory over the Tide by six, but Auburn has had toe-stubbing problems this fall.

Southern California. The Trojans, four-time losers this fall, will be out to gun down the high-riding Irish. However, Notre Dame will close its regular season undefeated, beating Southern Cal by 15. Fifth-ranked Tennessee is 26 points too strong for Vanderbilt, and L.S.U., number eight, will beat Tulane by 20 points. Looking ahead to the final Saturday of the regular season on December fifth, number one-

ranked Texas battles sixth-ranked Arkansas for the Southwest Conference championship. And for dessert, L.S.U. squares off against Mississippi, number 10, for the Southeast Conference title. The schedule-makers planned the first one . . . hit the jackpot with the second. The Longhorns will slip by the Razorbacks by 4, and the Tigers of L.S.U. will whip the Rebels by 7.

## Corn Blight Alert Sounded For Next Year

COLLEGE STATION -- The Southern Corn Leaf Blight situation, talk of the country for many weeks, will probably be big news again in 1971. Losses in Texas due to Southern Corn Leaf Blight were minimal during 1970, with serious infections in only a few fields, Dr. C. Wendell Horne, Extension plant pathologist at Texas A & M, says. He adds, however, that there is a good chance of having more serious infestations during 1971. "Hybrids susceptible to the blight will have to be grown again in 1971 because sufficient quantities of resistant seed lots aren't yet available," Horne said. "Corn breeders are doing everything they can to insure a sufficient quantity of resistant seed stock for 1972, but there is no way for sufficient quantities to be made available for the 1971 season." The disease spreads rapidly in a field once it begins to occur, and although fungicides may be used to control the disease, they are usually impractical because of the high cost involved. "What can the farmer do?" "If he plans to plant his 1971 crop on the same land as his 1970 crop, the stubble should be turned under deeply to remove as much of the fungus as possible, assuming that the disease occurred during 1970," Horne said. "He should also learn as much about the disease as possible so that production techniques can be adjusted to reduce damage. If a resistant hybrid is available, it is suggested that the farmer plant as much as he can obtain to fill his crop needs, and to take other suggested steps to lessen potential damage to susceptible hybrids from the disease.

## Tax Man Sam Sez

TOPIC: GIVING THANKS

Most taxpayers don't think of Internal Revenue Service as representing anything to be thankful for -- However, a Dallas District IRS employee comes up with this list of items to be thankful for:

- 1) That he lives and works in a nation with the highest morals on earth--where 97% of the Federal tax collections are self-assessed and voluntarily paid;
- 2) Where over 2500 school teachers provide a good neighbor service and help IRS teach more than 175,000 students how to prepare their tax returns each year;
- 3) Where several hundred voluntary income tax instructors from numerous organizations help teach thousands of taxpayers how to prepare a better tax return each year.

### Congressman Price Slates Viet Meeting

Congressman Bob Price (R-TEXAS) has arranged a second meeting with Deputy Chief Nguyen Minh Vy of the North Vietnamese Delegation to the Paris Peace Talks for November 23 for further discussions on the release of American Prisoners being held by the Communists.

### Airport...

He commented on what a fine airport we have and praised Morgan Locker for the type of airport Muleshoe has as well as airport development.

St. Clair's main concern was the construction of an additional runway which he stated was intended to be part of the consideration for the existing lease.

Aldridge, attorney for Morgan Locker said, "If the contract has Morgan Locker to build an additional runway, I do not see it."

Locker stated that the existing runway he constructed was 600 feet longer than the specifications called for in the contract.

It was also pointed out by Aldridge that many ambiguities existed in the lease contract and he recommended that those ambiguities or differences of opinion be negotiated.

Clarification of items in the contract was asked by several councilmen, however, nothing was agreed upon, although it was pointed out by Councilman Kenneth Heathington that it specifically had been provided in the lease that rate increases were subject to city approval.

Locker agreed to meet at a future date with City Councilman Alex Williams and Sam Damron, Airport Advisory Board member, who were appointed by Mayor St. Clair to represent the City Council and attempt to resolve and negotiate airport problems.

James O. Eastland, Senator (D-Miss): "We have seen a philosophy of permissiveness weaken our police forces and reduce their effectiveness."

Price was one of the hosts for the two men when they recently toured cattle feedlots, packing plants, farms, and ranches in the Panhandle. Firms headed by the men are presently purchasing some tongues and livers from area packing plants for shipment to Europe.

### Cotton...

Cont'd, From Page 1

year and he expected other gins in the area to be experiencing the same problems as he is. Cotton prices are down some, according to Newsum, although the grade and mike are holding fairly steady.

At Circleback, the Raymond Gage Gin is approximately 99 percent through with the harvest with the bale average being around one-half bale per acre. A spokesman for the gin commented, "Considering everything, it isn't too bad out this way this year."

John Sowder at the Shafer Gin west of Baileyboro said they expect something like 300 more bales with the production being down approximately 30 percent from last year. The price was reported to be slipping downward said Sowder and the micronaire is dipping slightly in the late cotton.

Stegall Gin says, "It's almost over for this year. Most cotton will be off the stalks around here in the next day or two but we may have a little late cotton straggle in. The yield is down from last year, and we are hurt by the early freeze and no rain."

Around Bula, Young Gin reported they are about through, except for stragglers. They said the grades are better and the yield higher than last year, but still low.

Farmers Co-op Gin at Enoch said they are just about through with the harvest and report a lot better year than 1969. The ginner said the year was still not good, but the grade and micronaire is fair. The lack of rain and the October 8 freeze knocked production figures down by approximately 30 percent, according to the gin.

At the Maple Co-op Gins a much better yield than 1969 was given and a spokesman said they are around 85 percent through with the harvest. An "extra good" mike was reported although the freeze on October 8 hurt the grade some. Maple Co-op Gins expect to wind-up in around 10 more days if the

present good weather holds. West Camp Gin is nearing completion and expect to be through in around 10 days to two weeks. Although the mike and grade has held up well, the production was reported to be down from last year.

This week will all but complete the 1970 ginning at the Lariat Gin, but the grade of cotton is up slightly over last year.

Nickels Gin, on Highway 70 between Muleshoe and Earth, said they are winding up the

ginning season and expect to be all but through by the end of this week. They expect to hit the 3,000 mark on bales this year.

Near Lazbuddie, Speck Gin said cotton is slowing up and this week will nearly complete the season. A spokesman for the gin said the grade and mike are staying slightly above average, and the yield average is a bale or a little above.

Probably the same yield of above is reported by the SIB Gin north of Clay's Corner.

WIND CAUSES FIRE--Members of the Bailey County Volunteer Fire Department and employees of the Muleshoe Co-op Gin are pictured waging a battle against a burr fire during high winds last Saturday. Several minor fires were reported during the windy afternoon.

GRAND OPENING WINNER--Little Rene' West, daughter of Mr. and Mrs. Gary West, Muleshoe, pulled the name of Mrs. Cecelia McMath, left, out of the hat and Mrs. McMath was determined winner of a hutch given as grand opening prize by Milebarn Furniture Co. last Saturday.

### Conspiracy...

Cont'd, From Page 1

dergone. "The people were conditioned mentally," he said, "to act or respond the way the enemy wanted them to respond. It was to neutralize the enemy and it proved to be very effective."

He likened this to what is happening in the country today, and gave a step by step process by which this can, and is being accomplished, according to his outline. He told of Russian experiments in the 1920s where first dogs were used to learn the process of automatic command, then likened it to the way people were later trained to respond in the same manner. And, added Frias, this is what is happening in the world today, including in our own immediate locale. Slavery follows closely behind, according to Frias.

He told of a friend in Odessa, who escaped from Communist Czechoslovakia a year and a half ago. Frias said that describing what is happening in the United States, including the West and South Plains of Texas, the Czech commented, "In my country, you call that participating in collectives, it is designed to make a man a slave."

First method or process to use, said Frias, is to destroy the trust in one's self and trust in his fellow man and those who participate in any conspiracy of this type are destroying themselves, and creating an automatic police state of Communism and Socialism, which are dictatorships.

Hitting that many conspirators are using the methods of more government welfare, aid and control, he added, that then you have created a Socialist. Some of the followers of conspirators are continuing the same programs as used by Lenin in the 1920s said Frias, and have the people to the point where they seek out the only answer they think is available and that is more government welfare.

Then he spoke of people who advocate revolutions and gave several examples of what can and has happened in the past. He identified using a racial problem as an impetus to revolution and how some people, for their own means, magnify a racial problem out of proportion.

Hitting strongly at person

who would attempt to use a child, a young person or undereducated people, who are weak, he advocated that such people would be brought into such conspiracy before the strong.

He advocated strong religious belief as the answer to such problems and stated that the truly Christian would eventually overcome conspirators who could not be Christians and a true Socialist at the same time.

Frias concluded, "Think and reflect on the problems of your fellowman. If you realize there is a conspiracy, treat your fellowman with a little more love, care and tenderness. Seek the truth about civil turmoil in our country today, in fact in our own neighborhoods today.

"When the people are aware of the nature of conspiracies, then they can explain to other people and keep from being duped."

A standing ovation concluded Robert Frias talk at the Legion Hall.

Contest...

Right now, according to sportscasters it looks like a rematch of the *Boysie Dame-Texas* game. Those who keep up with football will be aware of the potential of such a rematch.

Keep entering the contest as long as it continues, you may be the winner.

ROUND-UP TIME

Bozeman, Mont. -- To drivers on secondary highways it looked like a step into the past near Bozeman as cowboys drove 1,800 yearling steers to market. The owners said rail freight was too high and proper truck transport was not available, so they drove the cattle 16 miles to market.

# Here's a watertight statement about Vanguard's rubber gasket joint.

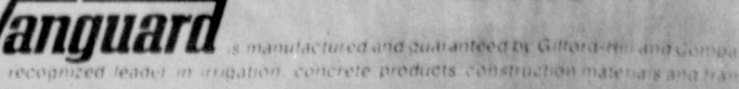

## It won't leak

The idea of using a rubber gasket joint in Vanguard PVC plastic pipe was revolutionary. It meant no more bands or solvents. Easier, faster, trouble-free installation. But that was just a beginning. Next we put the pressure on. We hydrostatically tested it. We put it through all sorts of temperature tests. We twisted it and turned it. Then we field tested it. We gave it more punishment than you or those inevitable ground shifts could ever hope to.

Just as we anticipated—the rubber gasket held. So, whatever your needs for plastic pipe, Vanguard is it. Bend it any way you want. We'll make a watertight statement about Vanguard's rubber gasket. It won't leak. Just be reasonable.

Vanguard is available in 1/2 to 15-inch diameters. For further information, call or write your local Gifford-Hill irrigation specialist.

## Miss Glenda Calhoun Honored At Shower

MISS GLENDA CALHOUN, bride elect of Larry Terrell

## Saccharin Use Determined Safe

College Station -- Saccharin poses no hazards in the quantities it is likely to be used, reports Minnie Bell, Extension specialist in family life education at Texas A&M University. The information is the result of a study on saccharin usage by a committee of the National Academy of Science and the National Research Council.

According to the committee reports, Miss Bell says, a safe level of about 12 to 18 quarter grain tablets per day may be used by adults. Actual usage is likely to fall far below the safety standard.

The use of saccharin covers an 80 year period. During World War I, heavy use of the sweetener in England and Germany

has produced no adverse effects. A recent cancer mortality study involving over 21,000 diabetics using saccharin showed no increased risk of cancer over a period of 28 years, the report showed.

Miss Bell added that the committee did recommend further investigation of specific items related to saccharin's long-term effects.

## Mrs. Wilterding To Be Honored At Reception

A reception honoring Mrs. Leota Wilterding on her 79th birthday will be held Sunday, November 29, from 2:30 to 4:30 p.m. at the First Christian Church in Muleshoe. Friends and relatives are expected to be in attendance.

## Square Thru News

By Alisa Dollar  
We didn't have as many show up Monday night as we usually do, but we sure had a fun time! Our members present were the Shaws, Hunts, James', Wisians, Kings, Gunnels', Wilcocks, and Dollars.

Mr. and Mrs. Wes Brown and son Ronnie were guests from Dimmitt. In fact, Wes won our door prize! Also, Richard Humphreys, guest of Sherry and Hilbert Wisian, came and watched. We hope to have him out on the floor pretty soon!

The Shaws, Hunts and James' have been our visitors this past month. They have gone to the Swingin' Wings in Clovis and the Air Base. Lavern and Willie James and Jan and Charles King served refreshments. That's all!

Birch Bayh, Senator (D-Ind): "We are not trying to remake women in men's image. We are trying to wipe out vestiges of second class treatment."

## Marketing Tips

College Station -- Thanksgiving food shoppers will find a good selection of foods available at reasonable prices in the meat, vegetable and fruit markets, reports Gwendolyn Clyatt, Extension consumer marketing specialist.

Plentiful in the meat market include turkey, chicken and pork.

Large whole turkey, the traditional holiday meat, is particularly a good buy in terms of cost per serving. If the turkey is over 12 pounds, allow one-half to three-fourths pound for each serving. If the turkey is less than 12 pounds, ready-to-cook weight, allow three-fourths to one pound per serving.

Fryer chickens, also popular choices at Thanksgiving, are marked with attractive prices. Plan on one and one-half servings per pound, and select the bird with a plump appearance, smooth moist skin, flexible breast bone, few pinfeathers, short body and meaty breast.

Smoked or fresh ham or fresh pork roasts are also in good supply for the holidays. Hams may be purchased fresh or cured, ranging from tender to fully cooked. Only ready-to-eat or fully cooked hams are safe to eat without further cooking.

When selecting hams, look for a light grayish to pink color, marbling with fat, firm flesh and fat, fine-grained lean, and a covering of fat over most of the outside meat. Avoid too much fat plus coarse-textured lean, deep pink or reddish-colored lean, and soft and flabby lean hams.

Ham and pork roasts with bone will yield two to three servings per pound while those without bone yield three to four servings to the pound.

Other "best buys" in the meat market include arm and blade pot roasts and steaks, ground beef, and round steaks and roasts.

Vegetables for the holidays that are in good supply and at reasonable prices include cabbage, potatoes, carrots, turnip and mustard greens, onions, loose turnips, rutabagas, celery, hard shell squash and head lettuce.

In the fruit sections of the market, grapefruit prices are declining, and bananas, grapes, apples, and pears are economical buys. Oranges now coming to market have better flavors, and fresh cranberries are nearing their peak season with low prices.

## Muleshoe Music Teachers Attend Piano Workshop

Professor Louis Catuogno held the second in a series of piano classes for the Muleshoe Music Teachers Association on Friday, Nov. 20, in Lubbock.

Prof. Catuogno gave a lecture in technique in which he emphasized the need for flexibility in arm and wrist movement in playing musically.

Mrs. Catuogno gave an interesting talk concerning the use of the Gillock teaching method.

Mrs. Sam Damron presented a beginning pupil, Laurie Seay, in a demonstration of a regular

lesson as given in her private studio. After which the group discussed different concepts of instruction.

Professor Catuogno and his daughter Laura concluded the work session with a performance of a Kachaturian concerto.

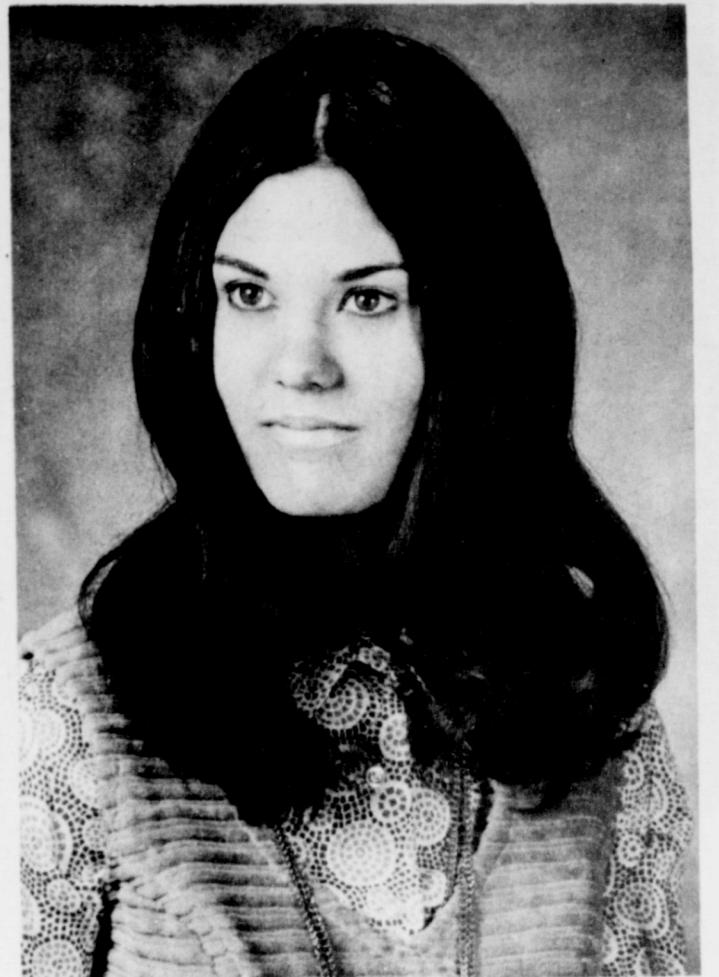

At a brief business meeting presided over by President, Mrs. Sam Damron, it was decided that the MMTA would give students the opportunity to participate in a special program, the nature of which will be announced at a later date.

Mrs. Sam McKinstry, Student affiliate chairman gave a report on the selection of a number to be performed by a Muleshoe in the Texas Composers Program at the State Convention in El Paso.

Those making the trip to Lubbock were: Mrs. E.H. Kennedy, Mrs. Gil Lamb, Mrs. Barry Lewis, Mrs. Sam McKinstry, Laurie Seay, Mrs. Sam Damron, Mrs. W.T. Watson and Mrs. Jim Milner.

## Ellisons Have New Daughter

Mr. and Mrs. Zane Ellison of Muleshoe are the parents of a baby girl, Sharon Kayleen, born November 3, 1970, at 11:37 p.m. at West Plains Hospital. She weighed six pounds and 13 ounces. The father is employed at Muleshoe Auto Parts. They have one other child, age six.

JANUARY WEDDING PLANNED . . . A January 9 wedding in the First United Methodist Church of Muleshoe is planned by Miss Kerry Gene Beddingfield, daughter of Mr. and Mrs. Jack Beddingfield of 225 Elm, and Alan Keith Badrow, son of Mr. and Mrs. T.E. Badrow of Lake Tanglewood, Amarillo, Texas. The bride-elect is a junior Secretarial Studies major at West Texas State University and is recording secretary and service chairman for Alpha Delta Pi social sorority. The prospective groom is a junior Psychology major at West Texas State University where he holds membership in Lambda Chi Alpha social fraternity.

## Bridal Shower Fetes Miss Finetta Marlow

Miss Finetta Marlow bride elect of Johnny Killough, was honored with a bridal shower Monday, November 16, at 7:00 p.m. at the Longview Baptist Church.

Assisting Miss Marlow in opening the gifts was Mrs. Don Marlow, mother of the bride elect, and Mrs. Don Killough,

### Robert Morris' Parents Of Girl

Mr. and Mrs. Robert Morris of Lazbuddie have a baby girl, Trishilania Suzanne. She was born November 23 at 7:56 a.m. in West Plains Hospital. She weighed seven pounds and is the first child for the couple. The father is employed at Western 66 at Lazbuddie.

Grandparents are Mr. and Mrs. Walton Morris of Lazbuddie and Mrs. Nova Darsey of Muleshoe.

mother of the prospective groom.

Out of town guests were Mrs. Kirk Holt, aunt of the bride-to-be; and the mother, sister and sister-in-law of the prospective groom.

Banana and pumpkin bread, hot spiced tea, and coffee were served to approximately 50 guests who called during the evening.

The couple plans to be married December 19 at the First Baptist Church in Muleshoe.

Hostesses for the occasion were Mrs. Laura Seales, Mrs. Maxine Ragsdale, Mrs. Sam Moore, Mrs. Maude Sowder, Mrs. Pat Beene, Mrs. Maxine Carter, Mrs. Margaret Phipps, Mrs. Leota McMakin, Mrs. Nell Cooper, Mrs. Imogene Tiller, Mrs. Gerrie Lumpkin and Mrs. Loyce Killingsworth.

Hostess gift was a set of club aluminum.

## Airman Ends 30-Year Career In Retirement

Scheduled to retire in Colorado Springs, Colo., following nearly 30 years of active service with the United States Air Force completing his years of service at Ent Air Force Base in Colorado, is Chief Master Sergeant William O. Mason.

Although Sgt. Mason did not live in the Muleshoe area before enlisting in the Air Force in 1941, he married the former Frankie Deppen, daughter of Mrs. Lula Gorrell and sister of Bailey County Attorney Roger Gorrell, Mrs. Mason is a graduate of Muleshoe High School.

The Mason's have four children, Eileen, Barbara, Douglas and Terri.

He received a commendation, the Legion of Merit, which reads in part: "...exceptionally meritorious conduct in the performance of outstanding services to the United States as Command Section Administrative Officer ... May, 1965 to August 1970 ... a close relationship with the command staff reflects great credit upon himself and the United States Air Force ..."

Sergeant Mason enlisted in the Army Air Corps in February 1941 and was assigned to Lowry Field for recruit training.

Following two years as a military policeman, Sergeant Mason trained into the clerical field and has since served in various administrative positions which have included assignments in India, then newly

opened Sampson AFB, N.Y.; Korea, Elgin AFB, Fla., and Headquarters U.S. Air Forces in Europe, in Germany.

The Masons have been visiting in Muleshoe with the Gorrells and other friends.

### St. Mary's Circle Meets

St. Mary's Circle of Immaculate Conception Catholic Church met in the home of Mrs. Pete Jesko, Tuesday morning November 24 at 9:30. Mrs. Kenneth Duncan, vice-president, presided. Mrs. B. A. Dearing gave the opening prayer.

The concession stand working list for December is as follows: December 6 - Judy Brockman, Theresa Feagley and Wilma Alcorn; December 13 - Lorraine Dearing and Dolores Duncan; December 20 - Ettie Jesko and Mary Blair; December 27 - Janie Moraw and Cleta Williams.

December 12, members and their families will have a Christmas party.

The Circle had a guest attending the meeting, Mrs. Dan Carnett. The Carnetts have just moved to the Muleshoe area, and a big welcome is extended by the Circle.

Members attending were Mrs. Arnold Alcorn, Mrs. B.A. Dearing, Mrs. Kenneth Duncan, Mrs. C.J. Feagley and hostess Mrs. Pete Jesko and daughter Maureen Jesko.

CHIEF MASTER SGT. AND MRS. WILLIAM O. MASON

MISS FINETTA MARLOW

### Earth News

By Beulah Newton

Mr. and Mrs. Leon Foster and Davis spent the weekend in Dallas visiting with their daughter and family, Mr. and Mrs. Walter Elam and Sherri Lynn. They also visited Mrs. Foster's sister and husband, Mr. and Mrs. Hobart Howard of Dallas.

Sunday afternoon guests of Mrs. Nannie Ginn were her son and wife, Mr. and Mrs. Cecil Ginn of Dimmitt.

The annual Thanksgiving Harvest Day dinner at the United Methodist Church, last Wednesday evening, was enjoyed by approximately 300 people. Guests for the evening of Beulah Newton were Mr. and Mrs. Spencer Beavers, Mr. and Mrs. Frank Ellis and Mrs. Jewel Anderson all of Muleshoe.

The ladies of the First Baptist Church entertained the widows and elderly women of the community Tuesday evening with a salad supper in fellowship hall at the church. This is an annual affair and is enjoyed by all who are able to attend.

Guests Sunday of Mr. and Mrs. John Welch were their children, Mr. and Mrs. L.J. Welch, Mr. and Mrs. Fred Welch and family, Mr. and Mrs. Charles Packard of Hereford and a granddaughter and family, Mr. and Mrs. Richard Ward, also of Hereford. They were all there to help John celebrate his birthday.

Mrs. Edith Jacobs of California has been visiting with her brother and family, the Norman Sulzers and a close friend Mrs. Eula Kelley. Mrs. Jacobs lived in the community many years when her family was all young children.

Mrs. Adline Newton is a patient in the Amherst Hospital. Mrs. Newton is having circulatory trouble and has been in

the hospital three times recently. She is feeling better at this time.

Mrs. Ura Ginn spent the night Saturday with Beulah Newton and visited her mother Sunday in the Amherst Hospital.

W.R. Stockard was admitted to the Amherst Hospital Saturday.

Mrs. Rural Fanning spent several days last week in the Amherst Hospital. Mrs. Fanning is much improved.

Several members of the Methodist Church went to Friona Saturday night to do kitchen duties for the Lay Witness Meeting for the Methodist people there. This was a neighborly act of love.

Mrs. Hugh Alexander and boys spent the weekend in McKinney Texas with Mr. and Mrs. Hugh Alexander, Sr. who were injured in a car wreck recently. Hugh Jr. has been at the bedside of his parents since the accident Nov. 16.

Jimmy Lyn Stockstill is manager for the World Bazaar in Lakeside Shopping Center, Oklahoma City, Okla.

Mrs. Alma Stockstill spent several days recently with her sons, Mr. and Mrs. Jimmy Stockstill and Mr. and Mrs. Richard Stockstill and family in Oklahoma City, Okla.

Deborah Parish, daughter of Mrs. Vivian Parish is now employed by the State School for Retarded Children in Lubbock. Deborah reports this to be most rewarding work.

### Son Born To Mr. Mrs. Dale

Mr. and Mrs. Bill Dale, of Muleshoe, have a baby boy born November 22, at 6:56 a.m. at West Plains Hospital. He weighed seven pounds and nine ounces and was named Wesley Glenn. The couple have one daughter, Kristi, age three.

Grandparents are Mr. and Mrs. Elmer Cornelison of Muleshoe and Mr. and Mrs. Joe Dale of Illinois.

In Fashion

And now there is a new step-in bra without hooks or zippers. These are made especially for tight fitting or see-thru garments.

Long slender lines are influenced with subtle drapery and close-to-the-body fit. Bodices and sleeves on the newest garments are skin tight.

Sandals for evening or home nights are quite popular.

### Enochs News

By Mrs. J.D. Bayless

Visiting in the home of Mr. and Mrs. G.R. Newman last Sunday night were their son Mr. and Mrs. Bobbie Joe Newman and children, Judy, Debbie, Lannett and Joe Bob of Muleshoe.

Mrs. Diecie Snitker was able to return to her home Wednesday from the West Plains Hospital in Muleshoe. She is still not able to be up.

Mr. and Mrs. John Gunter, Sr. and their sons of Muleshoe, John Gunter and family, attended the Golden Wedding Reception for his brother, Mr. and Mrs. Carl Gunter at O'Donnell Sunday.

Those attending the Baptist Women's Work Shop at the First Baptist Church in Hart Thursday were Mrs. Etta Layton, Mrs. Rose Nichols, Mrs. L.E. Nichols and Mrs. Loretta Layton.

E.F. Campbell had minor surgery at the Nichols Hospital in Plainview, last week and was able to return home Saturday.

Gary Johnson, of Lubbock, spent Sunday in the Harvey Blackstone home.

Mr. and Mrs. Curtis Snitker and family visited his parents, Mr. and Mrs. C.C. Snitker, Sunday.

Guests in the home of Mr. and Mrs. L.G. Fred Sunday were their children, Mr. and Mrs. Bob Sanders and son Billy of Amarillo, Mr. and Mrs. James Hooper of Brownfield, Mr. and Mrs. Bob Newton and sons Tom and Steve of Enochs.

Mr. and Mrs. W.B. Peterson attended the Peterson reunion at the Slaton Club House Sunday. His mother, Mrs. Annie Peterson of Slaton, and all of her children were present but one. The children present were Earl Peterson of Muleshoe, Griffin Peterson of Woodrow, Skeet Peterson of Slaton, Buford of Enochs, Mr. and Mrs. Glynn Hazel of Lubbock, Mr. and Mrs. Charlie Myers of Ralls, Mr. and Mrs. T.H. Montgomery of Idalou, Mr. and Mrs. M.L. McRae of Los Angeles, Calif. There were approximately 50 relatives attending.

Scott Peterson of Brownfield, is staying with his grandparents, Mr. and Mrs. W.B. Peterson part of this week.

Mr. and Mrs. Morris Peterson and Scott visited her parents, Mr. and Mrs. Marion McDaniel, Sunday.

Rev. Tony McKinney and family left Thursday for Dallas where she will see her doctor for a checkup and spend Thanksgiving with her parents.

Rev. Mike Miracle of Plainview, preached at the Enochs Baptist Church Sunday.

Dinner guests in the home of Mrs. Alma Altman Sunday were Mr. and Mrs. Marion McDaniel and sons Dwight and Craig of Bula.

Deanna Lynn Coats of Clovis, N.M. spent the weekend with her parents, Mr. and Mrs. Kenneth Coats.

J.J. Pearson of Muleshoe, spent the week with his grandparents, Mr. and Mrs. J.C. Pearson. Other guests Sunday were their daughter, Mr. and Mrs. Darrell Nowell and children Larry, Tammy and Tonya of Muleshoe, and a son, Mr. and Mrs. J.C. Pearson, Jr. also of Muleshoe.

Mrs. George Fine and daughter, Mrs. Naoma Julian and Mrs. Willie Pearl Campbell of Levelland, went to Bridgeport, Texas to visit another daughter and sister, Mr. and Mrs. Harold Carpenter Wednesday till Friday.

Those meeting in the home of Mr. and Mrs. Oscar Coats Sunday for a family gathering were, Mr. and Mrs. Herman Carruth; and son Randy of Amarillo; Mr. and Mrs. Lewis Hodge and Sandye of Morton; Mr. and Mrs. Jerry Cribbs and children Mr. and Mrs. Albert Cribbs all of California; Mr. and Mrs. Olan Coats of Morton; Mr. and Mrs. Kenneth Coats and children, Deanna, Keith and Kem, Oscar Coats.

IT'S CLOSER THAN YOU THINK . . . With Christmas just a month off, many people around town are already beginning to make their Christmas items. These are a few of the Christmas gifts and ornaments being made by Hazel Cunningham, Glenna Raney and Frankie Springfield. Pictured are doorknob Santa Clauses, tinsel trees, and ceramic pieces.

Olan Coats and Mrs. Albert Cribbs are brothers and sister.

A Tip of Our **PIONEER** Cap to **W. G. HARLAN**

W. G. Harlan produced 168.6 bushels of corn per acre this past year from 14.6 acres of Pioneer hybrid 3306. Because of its yield and profitability, he plans to plant more 3306 next year.

Mr. Harlan farms near Muleshoe. He says Pioneer brand 3306 is as "clean and pretty a corn as I've ever seen."

Naturally, we're proud that W. G. Harlan plants Pioneer brand hybrids. We congratulate him and wish him continued success.

People who cook with pride cook with GAS. Mrs. Rolan Simpson does.

Some of the world's best cooks are found in the kitchens of America, and they give themselves every cooking advantage, like gas range cooking. Good cooks like Mrs. Simpson and nine out of 10 professional chefs agree that precise temperature control makes the difference in good cooking, and with gas you get exactly that. Gas also gives immediate response and constant temperature, so important in oven cooking.

So, give yourself every advantage and cook with gas. Remember, people who cook with pride cook with gas.

Here's one of Mrs. Simpson's favorite recipes.

**WALNUT ROLL**

Mrs. Rolan Simpson, 3213 56th St., Lubbock

Brush a jelly-roll pan, 10 x 15 inches, with oil, line it with wax paper, and oil the paper.

Separate 7 eggs. Beat the yolks with 3/4 cup sugar until the mixture is pale in color and thick enough to "ribbon." Beat in 1 1/2 cups ground walnuts and 1 teaspoon baking powder. Fold in egg whites, stiffly beaten. Spread the batter in the prepared pan and bake the cake in a moderate oven (350 degrees) 15 or 20 minutes or until it is golden. Cool the cake in the pan, cover it with a damp towel and chill it.

Dust the cold cake generously with sifted confectioner sugar and turn it out on a board covered with two overlapping sheets of wax paper. Carefully strip the paper from bottom of cake. Spread cake with 1 cup heavy cream, whipped and flavored to taste with sugar and vanilla. Roll up the cake, using the paper as an aid, slide the roll onto a flat serving platter. Sprinkle with more confectioner sugar. (Rum or almond flavoring is also good.)

**STATE CAPITAL**  
**Highlights**  
**AND Sidelights**  
by Vern Sanford  
TEXAS PRESS ASSOCIATION

AUSTIN, Tex.--Heads of the  
Texas Education Agency have  
set priority goals for public  
schools during the next two  
years. They estimate additional  
state and local costs at more  
than \$362 million.

Highest priority must be as-  
signed to implementing those  
major educational acts of the  
1969 Legislature, says Dr. J.W.  
Edgar, Commissioner of Edu-  
cation.

He listed these acts as the  
1969 salary compensation (long-  
range teacher pay raise) plan,  
a kindergarten program for  
five-year-olds, comprehensive  
special education programs,  
expansion of technical-voca-  
tional programs and refinement  
of the teacher retirement act.  
Programs are projected over a  
three-to-seven-year period.

As desirable as new or ac-  
celerated programs may be,  
says Edgar, the State Board of  
Education feels more experi-  
ence is needed with the 1969  
acts and more opportunity  
should be allowed to invest av-  
ailable resources in presen-  
tly-authorized goals.

"Next priority," says the  
Commissioner, "goes to carry-  
ing out recommendations of a  
committee studying changes in  
school finance formulas, with a  
view to equalizing funds as-  
signed as the local share of  
foundation costs."

More than \$2 billion will be  
spent for public elementary and  
secondary education this year.  
Estimate for next year is \$2.6  
billion.

About 2,728,000 pupils now  
are enrolled, and 2,760,000 will  
be in classes next year.

Cost of existing programs for  
next year alone will increase  
\$156 million, while new pro-  
grams will require an estimated  
\$25 million more.

**COURTS SPEAK**

Texas Supreme Court will  
hear arguments on January 13 as  
to whether a narcotics case can  
be under joint jurisdiction of  
criminal and probate courts  
through the mental health code.  
In the case at point, a mother  
tried to commit her daughter  
who had been convicted of a  
narcotics violation to a hospital  
for addiction treatment.

In other recent cases the High  
Court:

\*Slated arguments for Janu-  
ary 20 in a \$35,000 damage  
lawsuit brought by parents of a  
young Houston boy struck by a  
car on Galveston Beach four and  
a half years ago.

\*Directed the Houston Tour  
and Charter Service Inc. to  
stop out of city bus routes  
operating without a Railroad  
Commission certificate.

\*Directed retrial of a Whe-  
eler County case involving  
whether a Texas Tech student  
received "general injury" in an  
oil rig job accident.

\*Ruled that Maverick County  
Water Control and Improve-  
ment District No. 1 (or other  
political subdivisions) are with-  
out power to levy a special as-  
sessment against veterans land  
tract forfeited to the state by  
the buyer.

\*Found that an Arizona car-  
pet firm which did business with  
a Texas manufacturer on build-  
ing projects in the state can be  
sued in state courts for debt.  
LAWMAKER AID, CURBS  
URGED

**LEGAL NOTICE**

ORDINANCE NO. 94A  
AN ORDINANCE PROHIBITING  
THE PARKING OF VEHICLES  
ON A PORTION OF STATE HIGHWAY 214 (SOUTH  
1ST STREET) IN THE CITY OF  
MULESHOE, BAILEY COUNTY,  
TEXAS; PRESCRIBING A PENALTY; AND PROVIDING  
FOR PUBLICATION.

WHEREAS, The City Council  
finds that for the preser-  
vation of public peace, property,  
health and safety requires that  
parking should be prohibited  
on the East side of Highway  
214 (South 1st Street) from U. S.  
Highway 84 to East Avenue B;  
NOW THEREFORE,

BE IT ORDAINED BY THE  
CITY COUNCIL OF THE CITY  
OF MULESHOE, TEXAS:

SECTION 1. THAT it shall  
hereafter be unlawful for any  
person, firm, or corporation,  
to park any vehicle within the  
area hereinafter defined at any-  
time of the day or night.

SECTION 2. THAT portion  
of street restricted to the regu-  
lations mentioned in Section 1,  
is as follows:

East side of State Highway  
214, also known as South 1st  
Street, between U.S. Highway  
84, also known as American  
Boulevard and East Avenue B.  
This will include that part of  
State Highway 214 abutting Lots  
1 and 22 in Block 5, Original  
Town Addition of the City of  
Muleshoe.

SECTION 3. Any person,  
firm, or corporation violating  
any provision of this Ordinance  
shall upon conviction, be fined  
in any amount not to exceed  
\$200.00.

SECTION 4. The City Secre-  
tary is hereby authorized and  
directed to cause the publica-  
tion of this Ordinance in the  
Official Newspaper of the City  
of Muleshoe at least twice with-  
in fifteen (15) days after its  
passage.

AND IT IS SO ORDERED,  
PASSED AND APPROVED  
THIS 17th DAY OF NOVEMBER, 1970.

(s) Irvin L. St. Clair, Mayor,  
City of Muleshoe.

ATTEST:

(s) Brenda C. Ballew, City  
Secretary, City of Muleshoe.  
(s) Norman Bays, City At-  
torney, City of Muleshoe.

**CARD OF THANKS**

To each of you who did so  
much in so many ways to ease  
the pain in our hearts, and  
make our grief more bearable  
at the loss of our loved one,  
D. Warner. For every thought-  
ful act and kind remembrance,  
each courtesy and expression  
of love and concern shown,  
please accept our grateful  
Thanks and Deepest Apprecia-  
tion.

Velma E. Warner,  
Mr. and Mrs. Richard Smith  
and family,  
Alta Mae Ellis and family  
Mr. and Mrs. Bob Harvey  
and family  
Mr. and Mrs. Jim Grizzle  
and family  
Mr. and Mrs. Don Hopper  
and family  
Mr. and Mrs. Jerry Davis  
and family  
Mr. and Mrs. Robert Jen-  
nings.

### Medicare Extension

#### Texas Hospital Gain

Texas hospitals which have  
faced possible loss of Medicare  
certification due to the scar-  
city of registered nurses may  
have additional time to solve  
their problems if tentative ap-  
proval by the Senate Finance  
Committee of a relief-granting  
proposal is accepted by both  
Houses of Congress.

The office of Congressman  
J.J. (Jake) Pickle of Austin,  
Texas, advised the Texas Hospi-  
tal Association in Austin that  
tentative approval of legisla-  
tion introduced by Congressman  
Pickle and United States Sen-  
ator Ralph Yarborough, is the  
first step to help many of the  
smaller hospitals of Texas  
which need more registered  
nurses to meet current med-  
icare requirements. Similar leg-  
islation had also been intro-  
duced by U.S. Senator John  
Tower and Congressman Omar  
Burleson of Texas.

The amendment, which would  
change medicare hospital re-  
quirements, would authorize the  
Secretary of Health-Education-  
Welfare to waive the require-  
ment calling for Registered  
Nurses to be on duty 24 hours  
per day in hospitals providing  
service to medicare patients.  
The requirement for 24-hour  
Registered Nurse coverage  
could be waived annually for one  
year at a time until January 1,  
1975. The amendment would af-  
fect approximately 140 Texas  
hospitals. Hospitals would be  
required annually to:

1. Demonstrate they have  
made an effort to recruit Re-  
gistered Nurses needed for a-  
round the clock coverage.
2. Show that there is a short-  
age of Registered Nurses in the  
geographic area served by the  
hospital.
3. Show that there is no  
other Medicare certified hospi-  
tal in the immediate area or

posted by the State Board of  
Insurance after Monday (Nov.  
23) hearing.

Atty. Gen. Crawford C. Mar-  
tin said Mafia tentacles are  
reaching into Texas, and re-  
stated his view that a wire-  
tapping law is needed to fight  
organized crime.

Second annual governor's  
public support conference on  
traffic safety drew statewide  
participation here.

German measles cases dou-  
bled this year over 1969, and  
there have been 20 cases of  
paralytic polio in 1970 com-  
pared with six in 1969, reports  
state Health Department.

Attorney General held that  
the Agriculture Department  
could pay a monthly consulting  
fee to a person doing marketing  
study in Europe.

State cotton harvest is 45 per  
cent complete, 19 per cent a-  
head of last year's schedule.

### Medicare Extension

In waiving the 24-hour re-  
quirement the hospital will still  
be required to have Registered  
Nurses on duty during daytime  
working hours.

O. Ray Hurst, Executive Vice  
President of the Texas Hospital  
Association said "Hospital Ad-  
ministrators recognized in  
1964, that registered nurses  
would be in short supply if  
medicare requirements were  
to be met. To meet the need,  
the association organized the  
Texas Health Careers Program  
to interest young people pur-  
suing careers in the health  
field. Since 1965 fulltime mem-  
bers of the Association's staff  
have encouraged Texas young  
people to explore health care-  
er interests. In 1969-70 over  
220,000 young people were con-  
tacted."

"The Health Careers Pro-  
gram has helped to increase  
nursing school enrollment since  
1965 when more than 50% of  
the student nurse chairs were  
vacant. Not only has enrollment  
increased, but a number of new  
schools of nursing have opened,  
and existing nurse programs  
have increased their student  
capacity."

"Although nursing schools  
have increased, the Texas sch-  
ools of nursing are unable to  
meet the continued demand for  
trained registered nurses. In a  
survey conducted by THA in  
1969 over 2500 budgeted nurse  
positions were vacant. In the  
Spring of this year (1970) over  
1000 nurses were graduated, yet  
in June of this year, 2100 re-  
gistered nurse positions remain  
unfilled in Texas.

The most critical registered  
nurse vacancies exist in the  
sparsely populated counties of  
the state and it is in these areas  
where hospitals are more like-  
ly to have difficulty meeting  
Medicare nurse require-  
ments."
