

Congressman Price Discusses Legislation

As the holiday season concludes, Congressman Price discussed legislative business. The House passed several bills and conference reports. Price's attention has been focused on the Food Stamp Act of 1970, which was passed last week. He noted that the bill will provide for a 10 percent increase in the food stamp benefit for 1971. Price also mentioned the Disaster Relief Act, which provides for the reconstruction of disaster areas. He expressed his support for the bill and his hope that it will be passed quickly.

Price also discussed the proposed changes to the Social Security Act. He noted that the bill will provide for a 10 percent increase in the Social Security benefit for 1971. He expressed his support for the bill and his hope that it will be passed quickly. Price also mentioned the proposed changes to the Federal Reserve Act, which will provide for a 10 percent increase in the Federal Reserve discount rate for 1971. He expressed his support for the bill and his hope that it will be passed quickly.

Weather

The weather in Muleshoe is generally clear and sunny. The temperature is in the 40s. There is a slight chance of rain on Friday. The wind is from the north at 5 to 10 mph. The humidity is 45 percent. The visibility is 10 miles. The barometer is 30.2 inches. The dew point is 32 degrees. The wind chill is 38 degrees. The ultraviolet index is 2. The air quality index is 45. The water temperature is 45 degrees. The soil temperature is 45 degrees. The ground temperature is 45 degrees. The sea level pressure is 30.2 inches. The sea level humidity is 45 percent. The sea level visibility is 10 miles. The sea level barometer is 30.2 inches. The sea level dew point is 32 degrees. The sea level wind chill is 38 degrees. The sea level ultraviolet index is 2. The sea level air quality index is 45. The sea level water temperature is 45 degrees. The sea level soil temperature is 45 degrees. The sea level ground temperature is 45 degrees.

1970 Area Deposits Up \$4.2 Million

Muleshoe's two banks and savings institution show a sizeable increase in deposits over deposits at the close of business in 1969. At the close of 1969, Muleshoe State Bank recorded total deposits of \$8,652,462.54 and upped the deposits to \$9,432,280.87 for an increase of \$779,818.33 during 1970. Loans at the Muleshoe State Bank also showed an increase of \$688,183.33. A total on loans at the close of 1969 was \$5,142,676.47, compared to \$5,830,859.80 on December 31, 1970. First National Bank recorded deposits of \$8,737,952.83 on December 31, 1970, compared to \$8,134,165.53, at the close of 1969 for an increase of \$603,627.30 during 1970. Loans at First National were down \$359,503.17 for 1970. The bank reported loans of \$4,579,447.65 at the close of 1969 and on December 31, 1970 reported loans of \$4,218,942.48. This represents deposit increases of \$1,303,446.63 for the two banks during the year just completed. As with other area banks checked, the local banks attributed the gain to better prices for cotton and grain sorghum and a slightly better crop yield than last year. However, Bill Loyd, president of the Muleshoe State Bank commented, "It is something rather intangible. We can't quite put our finger on just what has caused the increase unless it is conservatism. "We did have slightly better crops in some areas, and better prices, but I don't think it caused that much difference. The only thing we can really pinpoint is the fact that people seem to be more conservative due to uncertain times and events, and are more saving." M.D. Gunstrom, president of the First National Bank in Muleshoe commented, "The overall area economic net income was larger than last year." At Tri-County Savings and Loan, assets were up \$15,676.03 from 1969. On December 31, 1970, Tri-County reported assets of \$3,241,375.25, compared to \$3,085,699.22 at the close of 1969. Savings capital reported on December 31, 1970 was \$4,669,262.76, compared to \$4,403,791.12, at the end of the year in 1969, for an increase of \$265,471.64 during the year. An increase of \$4,202,233.42 in deposits at the end of the year was recorded by the three banks. Cont'd, on Page 2, Col. 3

Hospital District Election Set

The four members of the Bailey County Hospital District Board whose terms are scheduled to expire this year made formal announcement at the monthly meeting of the board Tuesday night that they would seek re-election in April. The board members are D.O. Burelsmith, Freddy Parkman, Sam Damron and Mrs. J.G. Arn. They are four of the original five persons named to the board by the Bailey County Commissioners Court when the board was set up in 1967. Election for the board members will be held Saturday, April 3 and much of the meeting was concerned with the upcoming election.

OATH ADMINISTERED--Marvin Drake, left, listens closely as Dr. Charles Lewis, chairman of the Bailey County Hospital District Board, reads the oath he will sign as the newest member of the board. Others pictured from left are Mrs. Bernard Phelps, secretary; D.O. Burelsmith; Freddy Parkman; Sam Damron, (Not shown); Mrs. J.G. Arn (not shown) and the other new member to the board, Creston Faver. Dr. Lewis administered the oath to the Bula farmer at the beginning of the board meeting at West Plains Memorial Hospital Tuesday night.

Present Members Seek Re-Election

The four members of the Bailey County Hospital District Board whose terms are scheduled to expire this year made formal announcement at the monthly meeting of the board Tuesday night that they would seek re-election in April. The board members are D.O. Burelsmith, Freddy Parkman, Sam Damron and Mrs. J.G. Arn. They are four of the original five persons named to the board by the Bailey County Commissioners Court when the board was set up in 1967. Election for the board members will be held Saturday, April 3 and much of the meeting was concerned with the upcoming election.

Jaycees To Honor Boss Of The Year

A special honor will be presented Saturday night at the annual Jaycees' Bosses Night Banquet. A Jaycee spokesman said, "We will honor one employer as 'Boss of The Year'. He will be an employer who has given meritorious service to his family, church, community, nation and the Muleshoe Jaycees. "Next to a Jaycee wife, no one can be of more help to a Jaycee's career than the boss," continued the spokesman. "Through the Bosses Night Banquet, we can tangibly show our employers that the Jaycees are really interested in the community and in him. By selling our boss on the benefits of Jaycees, we will have a real booster. "The results are his understanding of the Jaycees and it may come in different ways; more time off for Jaycee projects, or perhaps a sustaining membership in the Muleshoe Jaycees," he added. He said the Boss of the Year will be presented his award during the Bosses Night Banquet held January 16 at the Muleshoe Country Club. The awards ceremony will recognize all employers of the Jaycees in addition to naming the Boss of the Year. "The ceremony will also provide a setting for the honoree to challenge and inspire other employers to high levels of accomplishment," concluded the Jaycee spokesman. Other awards to be presented during the banquet will be to the Outstanding Young Farmer; the Outstanding Merchant of 1970 and to name the Outstanding Young Man of the Community. The Outstanding Young Man will be chosen from the 21-35 year old age group, and he will be named on the basis of his accomplishments in his career, community affairs, his home and family and other areas.

Rotary Hosts Out Of Town Special Guests

A number of special guests attended the noon meeting of the Rotary Club Tuesday. Among the guests were Dr. and Mrs. Lucien Armand of Philadelphia; Glen Hawkins, Kenneth Corbell, Prentice Mills, Mrs. Alex Williams and Kathy Williams, Henry Malone, Dave Sudduth and Marshall Cook. The program was a film shown by Henry Stoneham, work unit leader for the local office of the Soil Conservation Service. The film was on the Blackwater Soil and Water Conservation District oil and water. A discussion was held on the Chamber of Commerce banquet which will be held in Muleshoe on Saturday, January 23, and announcement was made that tickets are on sale at this time. The Rotarians also discussed the upcoming Hutchinson Flying Queen and Parsons College. Iowa basketball game which will be held in Muleshoe on February 2. Tickets are presently on sale at First National Bank, Muleshoe State Bank, Pioneer Natural Gas, Harvey Bass Appliance, the Chamber of Commerce office, Morris Nowlin's office and any member of the Rotary Club.

County Officials Approve Teletype

During the first meeting of the Bailey County Commissioners' Court for 1971, newly-sworn County Judge Glen Williams presided. Also attending the meeting Monday were Commissioners W.M. Matt Dudley, Precinct One; Loyd Stephens, Precinct Two; W. H. Bill Eubanks, Precinct Three and Rudolph Moraw, Precinct Four, along with Bailey County Clerk Hazel Gilbreath. Several items other than routine business were conducted during the meeting in the commissioner's courtroom at the Bailey County Courthouse. The commissioners approved Bailey County going in on a cost-share basis with the City of Muleshoe for a new teletype for the Bailey County Law Enforcement Center. City officials had approved the teletype in their last meeting on Tuesday of last week. Judge Williams called the South Plains Association of Governments office in Lubbock and asked that Muleshoe and Bailey County be included in the system which will be installed in the near future. The judge called following the meeting so the paperwork would be instituted to install the new system. Under the new system, streamlined law enforcement is expected to be one result of the approval of the teletype. The new system will cost the city and county \$37.50 each per month and the state will pay an additional \$10 monthly for a total of \$47.50 for the system for this county. This is the first effort by the new commission to help add to the efficiency of existing law enforcement agencies, said Judge Williams. Other plans to update equipment and add additional equipment are presently in the preliminary discussion stage. In other action the commissioners approved an order which will allow commissioners to hire a road overseer of his respective commissioner precinct. Commissioners also fixed the terms of county and justice court for 1971. County court will be six terms, of two months each. The terms will be composed of the January, March, May, July, Cont'd, on Page 2, Col. 2

Schools Out For In-Service Teacher Days

Neal B. Dillman, Superintendent of the Muleshoe Schools, announces that Saturday, January 16, and Monday, January 19, will be in-service days for the Muleshoe School Faculty. These two days which were pre-scheduled last spring, will be used to make mid-term reports and for self-evaluation of the school program. Committees have been selected and the materials from the National Study of School Evaluation, the National Study of Secondary School Evaluation, and Southern Association of Colleges and Schools will be used in making this study. After the preliminary summary is made by March 19, a compilation will be made for study during the final in-service days May 28-29. "Consultants from the Texas Education Agency and local people will serve as resource people during this study. Students will not attend classes on any of the four campuses, Monday, January 19," Mr. Dillman concluded.

Flying Queens Top In Girls Basketball

The Hutchinson Flying Queens from Wayland College in Plainview will take a 3-1 record in this weekend's games with the Temple Junior College Leopardettes. The two teams play Friday and Saturday in Temple. On Tuesday, February 23, the Flying Queens will play Parsons College, Iowa in Muleshoe at the junior high school gymnasium. Preceding the game between the Flying Queens and Parsons College, the Queen Bees and the Muleshoe Girls Varsity team will play at 6:30 p.m. The game is being sponsored by the Muleshoe Rotary Club, who will be serving a dinner in the Muleshoe High School cafeteria before gametime. Before the holidays, the Queens defeated Seminole, Okla. Junior College, 59-45 and 75-40 and split with Ouchita Baptist

Rev. Walter Bartholf Gets Silver Beaver

More than 625 Scout leaders and their wives filled the Fair Park Coliseum in Lubbock Saturday night for the 49th Annual Recognition Banquet of the South Plains Council, Boy Scouts of America. They heard Jack L. Rhea, New Brunswick, New Jersey, Director of Field Operations of the Boy Scouts of America, challenge them to meet the goals of the BOYPOWER 76 program. Rhea outlined the challenge as deeply involving a representative one-third of all boys in the Scouting program by 1976. 1971 is the third year of the national long-range plan. Rev. Walter M. Bartholf Sr., Chairman of the local council, was recipient of the Silver Beaver Award commemorating his 35 years in scouting. He has served the Boy Scouts in seven states, beginning in Berryville, Ark. where he attracted the life rank. Rev. Bartholf has served as a Scoutmaster, Assistant of Troop committee chairman in Tucson, Ariz.; Eugene, Ore.; Tulare, Calif.; Whitehall, Mont.; Huntsville and Roseville, Mo.; and had 1967 when he has served as Neighborhood Chairman. He has been active in Rotary, Lions and other civic organizations. Cont'd, on Page 2, Col. 5

Ross Goodwin Wins Election For Director

Ross Goodwin, incumbent director for Precinct Three, High Plains Underground Water Conservation District, kept his position Tuesday by defeating candidate John Gunter, 88-55. The vote in Bailey County was 36 for Goodwin and 26 for Gunter. The voting was in three-county District, Bailey, Farmer and Castro. In Bailey County, committee candidates Lloyd Throckmorton and W.R. "Bill" Welch were unopposed for their positions and received 22 and 14 votes, respectively. One write-in vote was recorded for Joe Smallwood. Cont'd, on Page 2, Col. 2

Young Farmer To Be Named Saturday Night

Honored at the annual Jaycees' Bosses Night Banquet Saturday night will be the Outstanding Young Farmer of the Muleshoe area. He will be among the several special guests attending the banquet receiving awards. Jim Reese, mayor of Odessa, and an outstanding speaker according to those who have heard him, will be special guest speaker at the Muleshoe Country Club for the Jaycee banquet. The three judges who selected the Outstanding Young Farmer have made their choice. The judges include Henry Stoneham, work unit leader for the local Soil Conservation Service. He is active in several areas of the community, including Youth Football, Inc. Another judge is Scotty Windham, vocational-agriculture teacher at Lazbuddie and a person considered well qualified and the third judge was Harold King, longtime local civic leader. He is in the feed lot and grain business in Muleshoe. The Outstanding Young Farmer was judged in three portions, with 50 percent of the judging being for progress Cont'd, on Page 2, Col. 5

Missouri Beef Set Open House In Plainview

J. C. Walker, president of Missouri Beef Packers, Inc. has announced that open house is scheduled for the newest beef packing plant in the world. The facility at Plainview will be dedicated on Saturday, January 23 with Clifford M. Harding, Secretary of the U.S. Department of Agriculture delivering the dedication speech. A number of dignitaries, news media and interested citizens will be on hand for the dedication and open house ceremonies which begin at 1:30 p.m.

Rural Water Meet Slated January 22-23

AUSTIN, Tex.—Future operational needs and responsibility of rural water corporations will be emphasized here during the Second Annual Membership Meeting of the Texas Association of Rural Water Corporations, January 22-23, 1971 at the Villa Capri Motor Hotel.

The first general session, January 22, starting at 1:00 p.m., will feature a keynote address by Lt. Gov. Ben Barnes. Members will also learn details about "Certification of Operators," "Improved Billing" and "Supplementary Financing" during three special workshops.

Highlights of the Annual Banquet will be entertainment by the Polytoniks from Temple High School and an address by James Harwell, Executive Director of the Texas Industrial Commission.

"The Open Forum session Saturday morning, January 23, will give each representative of rural water supply corporations in the state an opportunity to discuss and compare problems common to other groups in the state," remarked Jerry

Johnson, Nacogdoches, President of the Texas Association of Rural Water Corporations. Following the forum and business session, Jack Sprague, Director of Community Services Division of the Farmers Home Administration in Washington, D.C., will address the group.

The Texas Association of Rural Water Corporations was established in May 1969 and works toward improvement of living and economic conditions in the state.

Some Expense Is Tax Free

Dallas, Texas — Insurance payments covering living expenses incurred by the taxpayer when his home is damaged by fire, storm, or other casualty may be tax free, Ellis Campbell, Jr., IRS District Director for North Texas, said today. The exclusion is available when the taxpayer must find temporary living quarters while his home is being repaired.

People who have been denied access to their homes by governmental authority because of a threat of such a casualty are also entitled to the exclusion, Mr. Campbell said.

The exclusion is limited to the excess of actual living expenses for the taxpayer and members of his household over normal living expenses.

September and November terms, and begins on the first Monday of the first month of each term.

Justice court will be 12 terms of one month each and will begin on the third Monday of each month.

The Bailey County Commissioners authorized advertising for bids for a county depository for county, school and trust funds for the next two years. Bids will be opened on the second Monday in February.

In final action, the commissioners passed an order reappointing Dr. B.O. McDaniel County Health Officer.

Judge Williams reminded the citizenry that commissioner court meetings are open meetings and the general public is both invited and urged to attend any or all meetings. He said ideas, suggestions and questions are appreciated by the commissioners court as it is, after all, county business which is being conducted and concerns everyone in the area.

Nature resolves everything into its component elements, but annihilates nothing.

-Lacretius.

Judge Woodward earned the Eagle Rank in 1932 as a Scout in Big Spring, Texas. It was the first ever presented in the South Plains Council.

The Silver Beaver Award for "distinguished service to boyhood" was presented to seven area Scouters. They are the Rev. Walter Barthol, Sr., Muleshoe; Col. Haynes M. Baumgardner, Lubbock; Dr. Charles C. Craig, Floydada; Fred Garrison, Plainview; Bobby J. Moody, Lubbock; Sgt. Carlos C. Rodriguez, Reese Air Force Base; and Rudolph R. Struve, Abernathy.

Installed as president of the council for 1971 was Col. Clyde J. Morganti (USAF, Ret.), Lubbock. He succeeds Judge Woodward who served as president of the 20 county area council the past year.

Other officers installed were Vice Presidents: W.A. Leigon, Brownfield; J. Fike Godfrey, Spur; and Lloyd C. Woods, Plainview. Col. Haynes M. Baumgardner, Lubbock, was re-elected Council Commissioner, and Martin Derebergh, Lubbock, was elected Treasurer. J.C. Chambers, Lubbock, served as master of ceremonies for the event. Special guests included Mayor and Mrs. Jim Graubner, Mayor, City of Lubbock; Col. and Mrs. James Bredelove, Wing Commander, Reese Air Force Base; Mr. and Mrs. Troy Myers, Campaign Chairman, Lubbock United Fund; and Dean and Mrs. Lewis Jones, Sponsor, Alpha Phi Omega.

Election...

Cont'd. from Page 1

boxes designated for the courthouse; city hall; West Camp; Longview; Three Way; Needmore; Bala and the absentee box at the Bailey County Courthouse, with Hazel Gilbreath, county clerk, absentee balloting clerk.

Voting judges and assistant voting judges were named, as well as a special canvassing board for absentee ballots.

Marvin Drake, a farmer from the Bala community, signed an oath as a new member of the hospital board at the beginning of the meeting. He was elected by the board to replace former member Eddie Beene, who had earlier submitted his resignation. He was welcomed by Board Chairman Dr. Charles Lewis, who told Drake he would be an asset to the Board.

Board Secretary Mrs. Bernard Phelps read the minutes of the preceding meeting and a letter from Don Cibak, attorney, who stated he was contributing legal services to the Bailey County Hospital District for examining a legal contract for the board in May, 1970.

Dr. Lewis reported that the hearing for the appeal for the hospital district and bond election has been tentatively set for sometime in February by the Court of Civil Appeals in Amarillo. No definite date for the hearing was given.

He also reported on contracting a number of doctors and hospital administrators concerning new hospital construction and proposed construction in the area. Dr. Lewis said he had made a number of trips and expected representatives of the Hospital Corporation of America to meet with the Bailey County Hospital District Board in the near future.

Three committees were named during the meeting. For setting up the tax structure, committee members named were Neal Dillman, Creston Fayer and Freddy Parkman. On the site committee are Mrs. J.G. Arm and D.O. Burelsmith and the members of the election committee are Marvin Drake, Sam Dameron and Mrs. Bernard Phelps.

Hospital Administrator Cook reported on the four months financial aspect of the present hospital ending on December 31. He said the overall profit of the hospital was \$8,038 which includes out-patient care, inpatient care, the pharmacy, nursing home and Medicare. A total of 138 patient days were

recorded on Medicare and 27 patient days recorded on non-Medicare patients. He also reported surgery room fees (only \$585 during the four months, September through December, 1970).

He also reported briefly on prospects for physicians, nurses and inspection problems. The hospital administrator said the present hospital facilities are still "borderline" with medical care officials and said if the inspectors toughen up their inspection practices the local hospital will be in trouble meeting qualifications.

Not present for the meeting was Hospital District Board Member Neal Dillman who is hospitalized at West Plains Memorial Hospital with a back ailment. All the other members were at the meeting, as well as the hospital administrator, Jim Claunch, Barry Lewis and Richard Black.

Banks...

Cont'd. from Page 1

local banks and the four area banks checked by The Journal. This increase was attributed to better crop prices, more conservatism on the part of the depositor and a slightly larger crop in most areas.

In checking with area banks, all banks in the entire area showed an increase in deposits over the same time last year.

Darrell Bennett, cashier of the First State Bank at Morton reported total deposits to be \$8,595,696.05 on December 31, 1970, compared to \$8,099,830.59 at the close of the year in 1969. This represents a gain of \$495,865.46 during the past year in deposits.

Bennett said he attributed the gain to perhaps the better price farmers received for grain and cotton. He commented, "We don't really know what caused the increase as the production was not really greater than last year, but the markets were better."

The cashier said that the price of cotton was 13-20 cents where it was 10-15 cents last year and said some farmers received \$2.05-2.07 for grain when they were paid less than \$2 last year.

"Natural growth, plus a good grain sorghum year and fair cotton, along with additional cattle helped bring up deposits here," said L.S. Pool, cashier of the Security State Bank, Farwell.

The Security State Bank in Farwell reported deposits of \$10,019,105.73 on December 31, 1970, compared to \$9,080,483.31 at the close of the year in 1969. This represents a whopping big \$938,622.42 increase in deposits for the bank during the past year.

Added production and better prices helped add to the deposits for 1970 added Pool.

Guy H. Walden, president of the First National Bank in Sudan said better crops and better prices helped add to the deposits in that bank. The deposits on December 31, 1970 were \$4,585,895.38, compared to \$3,948,424.26 for the last bank call in 1969. This is an increase of \$637,471.12 during the past year.

At the First National Bank in Sudan, the bank president reported loans of \$1,159,762.67 in 1970, compared to \$1,260,488.18 for loans during the year of 1969.

An upped production of cotton and grain sorghum helped add to the final total in the Sudan bank, he added.

Norlan Dudley, president of the Citizens State Bank in Earth, reported an increase of \$55,856.26 during 1970 in deposits. He said the deposits on December 31, 1970 were \$3,586,152.25, compared to \$3,530,295.99 at the close of 1969.

The president indicated that the deposits to reflect the excellent cotton and grain sorghum crops in the Earth-Springlake area.

All bank officials contacted in the area said the economy was stable and better crops and better prices for cotton and grain helped up the totals for the year. Some bankers added that cattle in their area had also aided in the upswing in total deposits for the year.

made in agriculture as a career, including how the young farmer started, problems faced and solved; why he is farming and what goals. Also whether or not he performed with new farming and agriculture practices and his individual production methods, along with progress made in relation to his home, farmstead and equipment and record keeping. He was also judged on the progress of his crops and/or livestock production and his first year as a farmer was judged as compared to the last three years of farm operations. In the first 50 percent was also his progress in his net work.

The next 25 percent of judging concerned the extent of soil and water conservation practices undertaken by the young farmer. This included soil improvement, soil testing, soil fertilization, weed control, and enhancing the soil structure. Also taken into consideration were wind and water erosion control, water management, including irrigation water, drainage, waterways, ponds or lakes and wildlife conservation.

The final 25 percent of the judging was what contribution the young farmer has made to their community, state and nation; civic organizations; business organizations, and their politics, such as the school board or water districts or other local governmental activities.

According to a Jaycee spokesman, a number of young farmers were considered before the final choice was made. The Outstanding Young Farmer of the Muleshoe area will be named Saturday night at the banquet.

United Nations, N.Y.—Secretary-General U Thant has proposed a record budget of nearly \$300 million for the world organization in 1971. He said they were having trouble making the ends meet this year but explained that inflation had caused the deficit.

Marilyn Barnes Wed To Frank Hinkson II

MRS. FRANK HAROLD HINKSON II, the former Miss Marilyn Barnes

Miss Marilyn Joy Barnes, daughter of Mr. and Mrs. Sam Barnes of Lazbuddie, became the bride of Frank Harold Hinkson II, son of Mr. and Mrs. Frank Hinkson of Lazbuddie, in a double ring ceremony read by Rev. Dale Cain, pastor, at the Lazbuddie Baptist Church, December 28, 1970.

The altar was decorated with a large arch candelabra flanked by spiral candelabras. Royal blue and white ribbons and greenery trimmed the decorations. Each window was decorated with a candle arrangement.

A program of wedding music was presented by Scott Shafer, Carrizozo, New Mexico, who sang "A Time For Us", "Walk Hand In Hand", and "His Way-Mine". He was accompanied by organist, Mrs. Marcella Jennings of Lazbuddie.

The bride, given in marriage by her father, wore a floor length gown of satin and re-embroidered lace designed with a Victorian neckline, empire bodice and long, bishop sleeves caught at the wrists by deep cuffs. Her A-line skirt enhanced the skirt and bodice. A satin ribbon bow accented the front waistline. Seed pearls were re-embroidered on the lace. She wore a matching chapel length veil of bridal illusion edged in scalloped lace and held by a tiny pillbox marked by a satin bow.

The bride's bouquet featured white orchids surrounded by white carnations and royal blue and white streamers atop a white Bible.

Following tradition, the bride carried her Bible for something old and something new was her dress. She wore the traditional blue garter and borrowed a lace handkerchief from her mother. For luck she wore in her shoe pennies minted in the year of the couple's births. Mrs. Marsha Barnes of Can-

yon, sister-in-law of the bride, served as matron of honor. Bridesmaids were Brenda Johns, Lazbuddie, and Ellen Herrington, Farwell. They were attired in slightly gathered empire style formal length gowns of royal blue crepe accented by a band of blue sequins around the empire waistline and the cuffs of the long, puffed sleeves of nylon chiffon. They wore matching blue choker necklaces, blue shoes and each carried a royal blue lighted candle arrangement with blue and white streamers.

Mike Hinkson, Las Cruces, New Mexico, served his brother as best man. Robert Gallman, Lazbuddie, and Monte Barnes, brother of the bride, served as groomsmen. Ushers were Mark Barnes, brother of the bride, and Bill Williams of Portales, New Mexico.

Raygna Treider of Lazbuddie registered the guest at the wedding. Candelighters were Judy Lust, Lazbuddie, and Kurt Pilgrim, Baltimore, Maryland, niece and nephew of the groom. Flower girl was Karen Pilgrim of Baltimore, niece of the groom, David Lust, nephew of the groom, served as ring bearer. Judy and Karen Lust were dressed identical to the bridesmaids.

Following the ceremony, a reception was held in the Fellowship Hall. The bride's table was covered with white lace tablecloth over royal blue. A crystal punch service, the three-tiered bride's cake, and the bride's bouquet were featured on the table. A silver coffee service and appointments were featured on the groom's table which was covered with an ecru lace cloth over blue and centered with the groom's

cake.

Those serving at the reception were Carolyn Matthews, Canyon; Melinda Gregg, sister-in-law of the groom, Las Cruces; Rhonda Treider, Lazbuddie; and Theresa Seaton, Lazbuddie, cousin of the bride.

For a wedding trip to Ruidosa, New Mexico, the bride wore a white pants suit, trimmed in gold with matching gold accessories.

The bride was a sophomore student at South Plains College and she plans to enter Texas Tech in the spring. The groom is a sophomore at Texas Tech. The couple will make their new home in Lubbock.

Out of town guests for the wedding included Earl Mechem, Billings, Montana; Mr. and Mrs. Dean Hinkson and Dale, Willcox, Arizona; Mr. and Mrs. Maurice McKeag, Richmond, California; Mr. and Mrs. Roy

McKeag and family, Santa Fe, New Mexico; Mr. and Mrs. Hug Hinkson, Brian and Arnold Wood River, Nebraska; Preston Hinkson, Mrs. Ruby Larson, Doyle Hendrickson and family, all from Cairo, Nebraska; Buster Poling, Clayton, New Mexico; Jim McCoy, Tucumcari, New Mexico; Mr. and Mrs. Bob Sell Dumas; Mr. and Mrs. Charles Skipworth, Amarillo; Mr. and Mrs. Ronny Barnes and Renee, Canyon; and Mr. and Mrs. Charles Pilgrim and family, Baltimore, Maryland.

REHEARSAL DINNER

A rehearsal dinner was hosted by the groom's parents, Mr. and Mrs. Frank Hinkson, at the New China Inn in Clovis, New Mexico, December 26.

Esther-Dorcas Circle Meets

The Esther-Dorcas Circle of the First United Methodist Church met Tuesday morning, January 12, at 9:30 a.m. in the church parlor with Mrs. Oscar Allison acting as hostess.

The chairman, Mrs. Lewis Wayne Shafer, opened the meeting with prayer and the secretary, Mrs. Harold Allison, read the roll call and minutes. Members reported 100 sick calls since the last meeting.

The Esther-Dorcas Circle will have the birthday party at the Rest Home January 19. This was planned by the members. The business meeting was adjourned and Mrs. Matilda Stemmmons brought the devotional followed by Mrs. Harold Allison who began the study "How The World Gets Around".

Mrs. David Anderson gave an interesting part on how people communicate with babies. Members repeated in unison "The Lord's Prayer" to close the meeting.

Members present were Mrs. David Anderson, Mrs. Oscar Allison, Mrs. Harold Allison, Mrs. Frank Ellis, Mrs. Robert Hooten, Mrs. J.E. McVicker, Mrs. J.A. Nickels, Mrs. Lewis Wayne Shafer, and Mrs. Matilda Stemmmons.

Overweight? -- that's a sign to use sparingly all kinds of fats and sweets; they are concentrated foods, high in substances called calories. Say "No" to pies, cakes, other rich desserts, and gravies. Use the smallest amounts of butter or margarine, cream, salad dressing, syrup or sugar.

Epsilon Chi Chapter Of ESA Will Host District Meeting

The Epsilon Chi Chapter of Epsilon Sigma Alpha Sorority will host the District Nine meeting Sunday, January 17, at 2:00 p.m. in the Fellowship Hall of the First United Methodist Church in Muleshoe.

Sorority members will be here from Lubbock, Seagraves, Seminole, Denver City, Plainview, Tulla, Friona, Sudan and Muleshoe.

The highlight of the meeting will be the crowning of the District Beauty Queen. Each chapter will have a contestant and the judges will be from Clovis, New Mexico. Each contestant will be interviewed by the judges on poise, personality, beauty and her enthusiasm for ESA.

When the contestants are presented to the audience, they will be asked another question.

The new queen will be crowned by last year's District Queen, Mrs. Mac Brown of Muleshoe.

Mrs. Brown is also the State ESA Beauty Queen. Mrs. Eugene Howard of Muleshoe was the 1969 District Nine and State Beauty Queen. For the past two years, the Muleshoe members have represented the district and the state. This year, the district will be the highest level for the contestants. Those entered so far in the contest are Mrs. Joe Gray of Lubbock; Mrs. Leon Wilson of Muleshoe; and Mary Lee Cowart of Sudan. Approximately seven entries are

USDA Lists Twelve Foods

"Plentiful During January"

COLLEGE STATION--The U. S. Department of Agriculture's January plentiful foods list may equal the length of your list of New Year's resolutions, reports the Texas Agricultural Extension Service.

Pork and applesauce are featured for the month, and represent a real treat in flavor combinations. In addition to the featured items, fresh oranges, frozen concentrated orange juice, canned orange juice, dry peas, fresh apples, apple juice, fresh grapefruit, canned grapefruit juice, onions and potatoes will be plentiful.

The plentiful foods list is part of USDA's program to inform the public and the food trade about foods expected to be in abundant supply in the immediate future and in need of merchandising aid. The list is developed by USDA commodity specialists in cooperation with various segments of the food industry.

Pork production during the last few months has been running well above a year ago -- and October output was the largest for any month on record.

A record production of early, midseason and navel oranges will keep supplies plentiful, according to USDA's Consumer and Marketing Service. This season's grapefruit crop is expected to be a fourth larger than last season.

The nation's apple crop is estimated at around 150 million boxes, down from last year but

still a large production. Keep plenty of apples on hand for out-of-hand eating and cooking.

A record-large summer onion crop and a record fall potato crop are sending large supplies of these popular vegetables to market. Potatoes and onions keep well, so you may want to stock up.

Merry Cookers Elect Officers

Reporter; Glenda Rasco

The Merry Cookers of the Progress 4-H Club met at the home of Mrs. Buddy Black at 4:00 p.m. Friday, January 8. Loveta Black was elected president. Benetta Roming was elected secretary; Glenda Rasco, reporter; Stephanie Brantly, telephone officer; Beth Whitt, sargent-at-arms; and Susy Black, game chairman.

The next meeting will be Wednesday, January 13, at the home of Mrs. Black.

Persons who experience difficulty hearing radios or television sets played at normal volumes, or who find it hard to hear clearly in theaters, should have a hearing test to determine whether or not they are suffering from an undetected hearing loss.

The effort to get something for nothing explains many of the poverty-stricken people you see.

Ask Amy

WIFE OR WARDEN

Dear Amy: I'm 52 years young and have been married to the same woman for 26 years. We got along just fine until I got sick back in 1959 when I had a nervous condition and spent 6 months in a mental hospital. I was advised by the hospital to apply for Social Security under its disability features. I did and received a large amount of money. We bought a home. Eight years later I felt that I was well and able to go back to work, but my wife disagreed (she has control of all the money we get from Social Security and my Veteran's Pension).

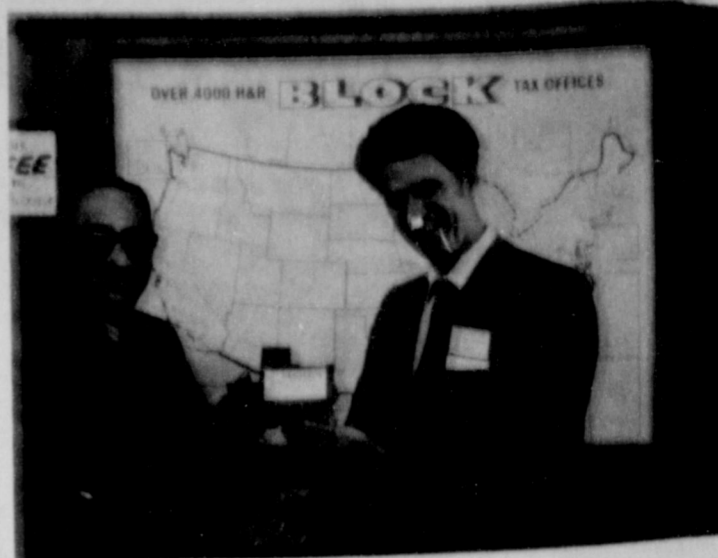

BOOKS for CHILDREN

Science fiction has been revolutionized between our parents' childhood days and our children's time. The "science" has become more scientific and less wild invention; the "fiction" is more scientifically constructed and less lurid.

Children, most of whom demand a good degree of believability even in a fantasy, are more prone to read science fiction today than did yesterday's youngsters when the science fiction tales were in the amazing category.

Podkayne of Mars by Robert A. Heinlein. An amusing space "whodunit" which has Podkayne and her brilliant brother embroiled in an interplanetary political plot.

The Planet Poachers by A. M. Lightner. The author's deft use of natural science and imagination makes an exciting

LOCAL BLOCK MANAGER RECEIVES AWARD--Fred Beversdorf, right, local H & R Block Manager, is shown receiving an Outstanding Service award from Robert J. Fishkind of Dallas, Regional Director for the firm, Beversdorf joined the firm a year ago as a franchisee of the company. He cited many reasons for acquiring the local franchise: H & R Block's rapid growth, their fair schedule of charges, and the need for a low cost, quality tax service in Muleshoe were his prime considerations.

A sense of humor eases life's hard knocks, and prevents embarrassing moments when substituted for iritation.

State Legislators Face Tax Hike

By--Vern Sanford
Texas Press Association
AUSTIN, Tex.-- Legislators by the hundreds are assembling in Austin to tackle a mountain of inherited and new problems in a hastily-remodeled State Capitol.

Workmen barely completed their renovation of the new offices of Senators and Representatives before the occupants (for at least the next 140 days) moved in.

There is little indication, of course, where the 62nd Legislature is heading, but nearly everybody agrees it faces a major fiscal crisis. Lt. Gov. Ben Barnes says the session may well be "the most difficult in Texas history."

Estimates of needed taxes range from \$645 million to \$850 million, and even higher in some cases. Barnes says he would be surprised if the sales tax rate and range were not both hiked.

James McGrew, head of Texas Research League and an outstanding tax authority, thinks that a state income tax may be necessary despite lawmakers' commitments to the contrary.

A welfare fund shortage may force a \$55 million to \$70 million tax bill early this year as an emergency measure.

Legislative and congressional redistricting, threatening an end to many political careers, may be necessary because of the new census. And this job could keep lawmakers overtime if the tax bill doesn't.

A federal court decision last week knocked out Texas' annual voter registration requirement and, as House Speaker Gus Mutscher commented, it "added urgency" to pressing election code reforms.

Liquor-by-the-drink legislation, environmental pollution, auto insurance, education, judicial reform, utilities legisla-

tion, and penal code revision are only a few of the issues which will be making headlines at the capitol during the next five months....or more.

HOUSE CHANGES URGED

Speaker Mutscher applauded recommendations of his blue ribbon "Committee of 100" for House of Representatives reforms as offering national leadership in legislative modernization.

This committee concluded that lawmakers are underpaid (at \$4,800 a year, plus \$875 a month expense account for Representatives, \$1,700 for Senators) and suggested the appointment of a six-member commission to set maximum salary levels.

Fearing for the safety of legislators in an era of demonstrations, the panel also suggested -- while questioning the practicality of its own recommendation -- the glassing in of the House galleries and use of metal detectors there to discover concealed weapons.

One of the Committee's top reform proposals called for a strict new code of ethics governing legislative conduct.

Other recommendations ranged over a wide field -- from publicity services for House members to a suggested new \$3.75 million underground addition to the capitol and a long-range capitol area parking plan.

PARKS HEAD QUILTS

In the middle of a boiling controversy over the proposal to buy Mustang Island park land, J.R. Singleton resigned his job as director of the Texas Parks and Wildlife Department, effective March 5.

Singleton denied that Parks and Wildlife Commission Chairman Pearce Johnson is running him off. Harry Jersig of San Antonio and L.P. Gilvin of Amarillo, two of the three-man Commission, asked him to stay, said Singleton.

Gilvin, however, is due to be replaced on the agency soon.

Employment with an "international conservation organization" lured him from the \$25,000 a year state job, Singleton told newsmen.

He recommended that his deputy, Robert G. Mauermann, be named to replace him.

Johnson, who opposed the other two commissioners' plan to buy Mustang Island land for \$4.2 million, had no comment.

Meanwhile, funds to buy the island -- state and federal -- reached the state treasury but were frozen there, pending a federal court case hearing.

COURTS SPEAK

A three-judge federal court in Houston knocked out Texas' annual registration for voting requirement but retained jurisdiction while awaiting the Legislature's response.

State Supreme Court declined a new hearing of its December decision where it held that a Denton land developer was entitled to \$10,000 damages for libel because a newspaper erroneously stated he had filed bankruptcy proceedings.

Reversing lower courts, the Supreme Court concluded that a Houstonian who developed lung disease (silicosis) from breathing silica sand while on his job is entitled to workmen's compensation.

In another reversal, the High Court ruled that a construction worker from Houston and his widowed mother should draw workmen's compensation for a 1967 auto accident in which his father was killed.

AFL-CIO filed a district court suit here to set aside the State Board of Insurance order directing a 14 per cent increase in auto insurance rates.

AG OPINIONS

Six months' prohibition on remarriage after a divorce applies only to persons who secured divorces from Texas courts, Atty. Gen. Crawford C. Martin has held.

In other opinions, Martin concluded that:

*Maximum compensation for chief sheriff's deputy and first assistant county attorney is \$9,226; for other sheriff's deputies and assistants, \$8,073.

*In the absence of conferred authority from the President, state officers may not execute a federal search warrant under the Comprehensive Drug Abuse and Control Act.

*Counseling service for debtors requiring disbursements from a bank account constitutes forbidden "debt pooling."

*City of Pearland does not have authority to appoint auxiliary police.

APPOINTMENTS

Gov. Preston Smith named Dr. D. Clifford Burross of Wichita Falls to the State Board of Medical Examiners.

Sen. Lloyd Bentsen named to his new Washington staff Ronald L. Katz of Houston, Denman Moody Jr. of Austin, George G. Lowrance of San Antonio, Timothy P. Furlong of Dallas, Charles Hodges of Dallas, Mrs. Ashton Gonella of Washington and Mrs. Sissy Schaeffer of Dallas.

INDUSTRY STILL EXPANDING

More industries located new plants in Texas last year than in 1966-68, in spite of the uncertain national economy.

Texas Industrial Commission reported 319 new industries were established here in 1970, second only to 1969.

Expansion of existing plants dropped off in the face of tight money -- 367 last year as compared with 505 in 1969 and 444 in 1968.

Unemployment is up, but still below the national average. More layoffs are expected during the first quarter of 1971 due to continued expiration of government contracts.

MOVIE CURBS EYED

Senate committee, after hearing testimony that Texas is No. 1 in the number of theaters showing sex films, proposed the establishment of local motion picture licensing and review boards.

Committee promised additional recommendations. First proposal is aimed at making it possible to revoke licenses for theaters which show films unsuitable for minors.

Prosecutors, at the Austin hearing, claimed they are with-

out adequate legal tools, as the result of court decisions, to make effective cases against distributors of "skin-flicks."

SHORT SNORTS

Governor Smith was hospitalized briefly with stomach ulcer.

House historical preservation committee recommended acquiring historical sites in Val Verde County, at Sabine Pass and Fort Velasco.

State Board of Education adopted a statewide plan to comply with East Texas federal court's integration guidelines.

Committee on uninsured motorists recommended a penalty of up to \$60 against drivers who carry no insurance.

State tax revenue from cigarette smoking increased \$413,707 from December, 1969, to December, 1970, climbed to \$15.8 million.

'70 Cotton Harvest Nearing Completion

The South Plains cotton harvest neared completion this week, according to W.K. Palmer, in charge of the Lubbock Cotton Classing Office of the U.S.D.A. Most gins have completed operations for the season but some still have 500 to 1,000 more bales to gin.

Samples from 1,617,330 bales had been classed by the U.S.D.A. through Friday, January 8th. The Lubbock office continues to receive samples from approximately 500 bales per day.

Spotted and Tinged cotton continued to increase as the harvest neared completion. Light Spotted, Spotted and Tinged cotton made up 75 per cent of all cotton classed at the Lubbock office last week.

Strict Low Middling Light Spotted was the predominant grade last week with 24 per cent of all cotton classed. Strict Low Middling made up 18 per cent, Middling Light Spotted 11 per cent, Strict Low Middling Spotted 9 per cent and all Tinged grades 6 per cent.

AUSTIN--- An official State Health Department citation for work proficiency has been awarded to Clarence E. Woodall, Robert V. Hudson and L.M. Bell, all Muleshoe water plant operations specialist.

Signed by the State Health Commissioner and authorities of the Texas Water Utilities Association, the certificate of competency is awarded only to those utility plant operators who have successfully demonstrated their skill and knowledge in modern principles of plant management.

To qualify for certification, a plant operator must have accumulated a prescribed amount of actual work experience. He must also have attended both regional and statewide short schools at which the techniques of water treatment and waste water disposal are taught, and must have passed an examination given by State Health Department sanitary engineers.

State law requires that at least one operator per shift be certified for competency by health department engineers, but many operators seek certification on their own time and at their own expense to increase their efficiency as key public servants to their community and state.

Chastening Thought
Wisdom may come with age, but so often death arrives first.
-Times, Thomaston (Ga.)

Staple length continued to average between 15/16 and 31/32. Twenty-eight per cent of all cotton classed at Lubbock last week was 15/16, 23 per cent 31/32, 20 per cent 1-Inch and 8 per cent stapled 1-1/32 and longer.

Twenty-six per cent of the cotton had micronaire of 2.6 and below, 15 per cent "miked" 2.7 through 2.9, 13 per cent was 3.0 through 3.2, 10 per cent 3.3 and 3.4 and 26 per cent was 3.5 and better.

Prices were steady during the week. Demand continued very strong for all cotton except the high grade, long staple qualities. Prices ranged from the loan or near the loan on high grade, long staple cotton up to \$55.00 per bale over the loan on low grade, low micronaire cotton. Most lots sold at 20.00 to 22.00 cents, regardless of quality. All cotton in the Lubbock market is selling on a physical price basis with little or no regard for the loan. Below grade cotton was selling at 18 to 19 cents.

Prices quoted by the Lubbock Cotton Exchange for the most predominant qualities in the 3.5 to 4.9 micronaire range were: Strict Low Middling 15/16 - 21.10, Strict Low Middling 31/32 - 21.30, Strict Low Middling 1-Inch - 21.70, Strict Low Middling Light Spotted 15/16 - 21.05, Strict Low Middling Light Spotted 31/32 - 21.20, Strict Low Middling Light Spotted 1-Inch - 21.35 and Strict Low Middling Spotted 15/16 and longer - 20.65.

Cottonseed prices were steady and ranged from \$57.00 to \$62.00 per ton to the farmer.

LAZBUDDIE SCHOOLS' LONGHORN STAMPEDE

By Mike Casey

For the first time in over five years the varsity boys basketball team won a tournament championship. They dethroned the Causey Tomcats to capture first place in the Amberst Tournament. It was the second time in as many years for the Horns to defeat the highly rated team from New Mexico. The contest was extremely close all the way with the lead see-sawing both ways. Neither team ever had more than a five point lead at any one time but Lazbuddie finally came out on top 43-41. High-point man for the winners was Charles Lee who tallied 17 points. He was followed by Arthur Graves who tossed in 10 points. Robert Gardner was the big gun for Causey with 16 points.

In the semifinal game the Horns beat Bovina 43-38. Both Arthur Graves and Charles Lee tallied 15 points to pace Lazbuddie. Tony Foster collected 12 for his team's losing effort. In opening round play the Longhorns bested Bula 53-29. Arthur Graves was credited with 18 points to lead his team and Bula's Ron Risinger tossed in 12 for the Bulldogs.

The Horns now hold a 12-5 season record including a 59-40 district win over Cotton Center. Charles Lee buzzed the way with 28 points and John Jones followed with 16 points. Dave Nixon had 17 for Cotton Center.

The only setback the Horns have met with this season have been an opening game loss to Bovina, a loss to Smyer, Three Way, Seagraves, and Causey in a non-tournament game.

This figure is the lowest during the past five years, compared with 505 in 1969, 444 expansions in 1968, 370 in 1967 and 437 in 1966.

Unemployment showed an increase during the year, but Texas was still better than the national average. Labor statisticians reported manufacturing employment down 52,000 jobs or 6.8 percent from November 1969 to November 1970, compared with a national figure showing a 7.4 percent decrease. A spokesman for the TIC anticipated more layoffs during the first quarter of 1971 due to continued expiration of government contracts.

Major employment declines came in the areas of electrical machinery and transportation equipment, just as on the national scene.

The Industrial Commission, honored only last year by the U.S. Department of Commerce for work in export development with presentation of the coveted "E" Award, continued to increase in that area.

Latest figures from the Commerce Department indicate an

Industry Continues Move Into Texas

AUSTIN, Tex.--Despite an economic situation that kept the nation's populace holding on to all available pennies, more industries chose Texas for new plants in 1970 than in the roster years of 1966-1968.

The Texas Industrial Commission reported that 319 new industries were located in the Lone Star State during 1970, second only to the record 1969 total which led the nation and made Texas number one in industrial growth.

"I must admit we are surprised with the total," Chester Wine of Corpus Christi, chairman of the Texas Industrial Commission, said upon hearing the figures. "We expected it to be quite low since the entire nation suffered economically during the year."

Jim Harwell, executive director of the TIC, said the 319 new plant locations compare with 309 in 1966 and figures in the 290 area for 1967 and 1968.

"We are especially pleased with these results because the total was located in the face of

adversity," Harwell said. "I've always said that Texas has every natural resource any manufacturer would want and it is up to us to make sure that they find out about it. However, state-offered location incentives are becoming just as important."

As an example, Harwell said the Texas Industrial Commission and its allies were trying to attract industrial growth with nine percent conventional money, while states with industrial incentive programs, including all states bordering Texas, were offering money as low as five or six percent.

He said 40 states now have an industrial incentive program of some kind.

However, the economic situation did show up in figures on industrial expansion in Texas. Wine said existing manufacturers generally held on to what financing they had in the face of the tight money, with only 367 new plant expansions reported for the year.

REPORT of CONDITION of MULESHOE STATE BANK

CARD OF THANKS
We would like to express our sincere appreciation for the kind deeds, flowers, and prayers from our friends and neighbors at the time of our service.
The Earl Miller Family.

While continuous or prolonged exposure to excessively loud sounds is a major source of hearing losses, noise is not the only villain. Among the other causes are our infections, self-prescribed medications, and the removal of impacted wax from the ear canal requires the services of a medical doctor.

EXCLUSIVE 80 ACRES, level. Small down payment, good base, low interest. Well located. R.E. BOLLARD REAL ESTATE, 121 W. Ave. D, 772-1214, 8-28-71c

Would appreciate listings. Have papers waiting. R.E. BOLLARD REAL ESTATE, 121 W. Ave. D, 772-1214, 8-28-71c

Have some good listings. Also some good buys on dwellings and residential and business lots. Lee Pool and W.E. Gorbath, POOL REAL ESTATE, Co. 254 E. American Blvd, Call 272-4786, 7-28-71c

BOLLARD REAL ESTATE
Have irrigated and dryland farm.
Two and three bedroom homes.
121 American Blvd, 8-28-71c

3. AUTOMOBILES FOR SALE

FOR SALE: 1967 Simca, New engine, inquire at 125 West 4th after 6:30 p.m., 8-28-71p

FOR SALE: 1968 Chev. Pickup, 1967 Falcon Truck, low mileage. Class, Claude Wiley, 11-28-71c

Putting foreign objects into the ear canal can result in a ruptured eardrum and a serious hearing loss. Parents regularly remind small children of this danger.

IT'S A CLEAR CASE OF LOVE AT FIRST FLIGHT!

Obituaries

Kenneth McCool

Kenneth Ward McCool, 35, a former Muleshoe resident, died at 3:40 a.m. January 10, 1971 in the Veterans Administration in Houston following a lengthy illness. He was born June 10, 1935 in Silverton and was a veteran of the U.S. Army, having served in Korea. He was an employee of Basewood Dairy in Amarillo and a member of the Bell Avenue Church of Christ, Amarillo.

Funeral services were held at 10:30 a.m. Tuesday at Rosewell Brothers by Chapel in Amarillo with Lynn Camp and Curtis Camp, both of Amarillo, officiating. Graveside services were held at 2 p.m. Tuesday at the Springlake Cemetery with

Mrs. C.A. Grau

Funeral services were held at 2:30 p.m. Monday in the Grady (N.M.) Baptist Church for Mrs. C.A. Grau, 66, mother of Mrs. Ruby Willison of Muleshoe. Mrs. Grau died at noon Saturday in her home in Grady. She had homesteaded in Grady in 1906 and was the last surviving charter member of the Baptist Church in Grady.

Burial was in the Grady Cemetery under the direction of Street-Todd Funeral Home in Clovis.

Other survivors include another daughter, Mrs. Pauline Waldrop of Grady; two sons, Lloyd of Grady and Earl of Tucuman; and a brother, Roy Beck of Clovis, several grandchildren and great-grandchildren.

News of Our SERVICEMEN

D. Willebrand

SAK BERNHARDINO, CALIF. - Staff Sergeant David E. Willebrand, son of Mrs. Irene G. Willebrand, 942 Second St., Clarkston, Wash., is a member of the 126th Photographic Squadron that has received the U.S. Air Force Outstanding Unit Award.

Sergeant Willebrand is an administrative specialist at squadron headquarters, Norton AFB, Calif. The 126th, with widely-ordered units, provides documentary photography for the Air Force worldwide--including Southeast Asia and is a component of the Aerospace Aeronautical Services.

Squadron achievements during the past year included relocating headquarters from Orlando, Fla., to Norton, implementing television as a documentary tool and coverage of operations that ranged from SATO training exercises to relief efforts for Peruvian flood victims and the recovery of the three astronauts after the near disastrous Apollo 13 mission.

Sergeant Willebrand will wear a distinctive service ribbon to mark his affiliation with the unit. The sergeant is a 1960 graduate of Clarkston Senior High School. His wife, Melinda, is the daughter of Mr. and Mrs. Roy L. Ribble Jr., 21.2, Muleshoe.

R. L. Gabbert

HAMPTON, Va. -- U.S. Air Force Technical Sergeant R. L. Gabbert, son of Mrs. W.C. McMillan, Muleshoe, was awarded for duty at Langley AFB, Va.

Sergeant Gabbert, an electronics equipment repair technician, is assigned to a unit of the Tactical Air Command. He has served 12 months in Vietnam, and before arriving at Langley, was assigned to an Air Force support unit on Guam.

The sergeant is a 1956 graduate of Muleshoe High School. His wife, Yvonne, is the daughter of Mrs. R.E. McGinty, 770 S.W. 28th Ave., Fort Lauderdale, Fla.

Roger Fields

Orlando, Florida, Jan. 5 - Navy Seaman Apprentice Roger M. Fields, son of Mr. and Mrs. Clyde Fields of 923 Duell, Friona, Tex., was graduated from basic training at the Recruit Training Command, Orlando, Fla.

Singston Funeral Home in charge of arrangements.

Survivors include his wife, Betty; four children, Michael Anthony, Mark Elton, Kessal Lynn and Lauri Ann, all of the home; his mother, Mrs. Callie McCool, Muleshoe; and brothers, Malcolm McCool, Clovis; Donald E. McCool, Austin; and George O. McCool, Newton Center, Mass.

CONGRESSIONAL LOBBYIST

President Nixon named Clark MacGregor, a Republican congressman from Minnesota, as his chief congressional lobbyist. As counsel to the President for congressional relations, MacGregor will be among the top echelon of White House associates and will be responsible for guiding administration programs through Congress.

NOTICE

January 30th is the last day

to pay 1970 state and county taxes without penalty

- AND -

JANUARY 30th IS THE LAST DAY TO REGISTER TO VOTE

IN 1971 ELECTIONS

NOTICE NOTICE NOTICE

Voter Registration Certificates Will Be Issued To Applicants 18 Years And Above And Those Who Will Be 18 By March 1, 1972. Certificates Issued To Those Under 21 Will Be Labeled "For Federal Elections Only Until 21 Years Of Age." Registration Certificates Will Contain Birthdate So It Can Be Used After Applicant Turns 21.

Persons may register to vote at the Bailey County Courthouse, Needmore Co-op Gin-Needmore, Claunch Gin-Bula, Enochs Co-op Gin-Enochs, State Line Butane Maple, Goodland Gin-Goodland

NOTICE TO VEHICLE OWNERS

1971 PLATES GO ON SALE FEBRUARY 1st

Owners should bring to the tax collector's office The Vehicle Registration Form Recently Mailed To Them By The State Of Texas

Jean Lovelady
Bailey County Tax Assessor-Collector
You May Use This Form To Register To Vote In 1971

1971 APPLICATION FOR VOTER REGISTRATION CERTIFICATE
BAILEY COUNTY, TEXAS

FOR VOTING YEAR BEGINNING MARCH 1, 1971 AND ENDING FEBRUARY 22, 1972

DATE _____

NAME OF VOTER _____

RESIDENCE ADDRESS _____

CITY AND ZIP _____

SEX: MALE FEMALE I AM OVER 21 YEARS OF AGE. YES NO

IF I AM UNDER 21 YEARS OF AGE:

I qualify for applicant in a state of the United States and am entitled to vote more than 1 year and in the county and city of residence in a state more than 6 months immediately preceding the date of this application, or I am a United States citizen and I understand the meaning of the Declaration to prepare the registration of a voter in a state.

DATE OF BIRTH _____

DATE OF CITIZENSHIP _____

DATE OF RESIDENCE IN THIS COUNTY _____

EXCEPTIONS

REASON	DATE	YEAR
Applicant is under 18 years of age		
Applicant is under 21 years of age and is not a citizen of the United States		
Applicant is under 21 years of age and is not a resident of the county		
Applicant is under 21 years of age and is not a resident of the city		
Applicant is under 21 years of age and is not a resident of the state		

Applicant's relationship to Voter _____

Signature of Voter or Applicant _____

*Only a husband, wife, father, mother, son or daughter may apply for registration on behalf of the voter.

INSTRUCTIONS TO APPLICANT: FILL OR DELIVER APPLICATION PERSONALLY TO COUNTY TAX ASSESSOR-COLLECTOR, BAILEY COUNTY, TEXAS. (MUST BE RETURNED BY JANUARY 31, 1971 TO PREVENT DENIAL OF VOTING YEAR.)

PCG Attempting To Change Rulings

Plains Cotton Growers, Inc., among others, has registered strong opposition to a ruling which would require that set-aside acres under the 1971 cotton program be cropland that has produced a crop for harvest within the three preceding years. And ASCS officials in Washington are known to be "taking a second look" at the regulation.

In a letter to Kenneth Frick, ASCS Administrator, PCG Executive Vice President Donald Johnson pointed out that the requirement could not be administered to all farmers alike; would increase production costs on many farms without greatly affecting volume of production; would result in a waste of irrigation water which desperately needs conserving, and would void some of the benefits expected from government expenditures under conservation programs.

According to Johnson the regulation cannot be equitably administered because county ASCS offices do not have a record of crop acreage location on all farms for the past three years. They have these records only on farms where ASCS personnel were employed by the farmer to measure crops in each of the three years, and on farms where ASCS "spot checked" farmer measurements. Also, there are farmers who have bought or leased new acreage for 1971, and these have no way of knowing which part of the new farm has produced a crop for harvest in 1968, 1969 and 1970.

The objective of the regulation, of course, is to make sure that set-aside acreage is normally productive land, while voicing no objection to this purpose, PCG is taking the position that the objective can be reached by other means which will not cause unnecessary hardship and expense on the farmer.

Production cost increases, according to the PCG letter, will come about in more than one way. Farmers in some cases will be forced to dig new irrigation ditches or buy new irrigation pipe to get water to farm sections that lie farther from existing irrigation wells. The letter states that "irrigated acreage will not be reduced, but the farmer's expense will be materially increased and the loss of water associated with moving it extra distances will be substantial."

There are instances in which a farmer will have to plow up rye or some other soil-conserving crop which government money helped to establish under the Agricultural Conservation Program. Then the farmer would be out additional money putting another part of his land in a soil-conserving crop.

Also, some producers have already applied fertilizers and herbicides to the land they expected to use for crop production in 1971. And some if not all of this expense will have been wasted if at this late date they are required to change plans.

When these points were explained to one USDA official he reportedly admitted that "this sounds like a bad regulation." But it remains to be seen what

language, if any, USDA can devise which will accomplish program objectives without causing undue hardship on producers.

ASCS officials have advised Plains Cotton Growers, Inc. that every cotton producer who suffered yield losses to adverse weather in 1970 should request a yield adjustment. The cotton program for 1971, 1972 and 1973, as in the past, provides for raising a farm's per-acre yield up to 80 percent of the projected yield when abnormal weather causes crop loss or damage.

And when an adjustment is granted, officials say the adjusted yield, not the actual yield, will be used in figuring payment yields for all three years of the program.

The payment yield for 1971 will equal twice the 1970 projected yield, plus the 1970 actual yield, divided by three, except that (1) the 1970 actual yield may be adjusted for abnormal weather and (2) the 1971 payment yield will not be less than the 1970 payment yield if total farm production for 1970 was equal to or greater than the number of pounds on which payment was made in 1970.

Walter Wells, Lubbock County ASCS office manager, points out that the "total production" feature might protect a farmer's payment yield for 1971 without a weather adjustment. "But the adjusted yield might well help to prevent the payment yield from being lowered, or even help to raise it, in 1972 and 1973."

Payment yield for 1972 will be the total of 1970 projected yield, 1970 actual or adjusted yield and 1971 actual or adjusted yield, divided by three. For 1973 the payment yield will be the average of actual or adjusted yields for 1970, 1971 and 1972. However, for any year in which total farm production equals the number of pounds on which payment was made the previous year the payment yield will not be reduced. This will afford some protection of payment yields for those farmers who each year plant acreage above base allotments.

Before signing up in the 1971 farm program cotton producers are required to furnish ASCS offices with 1970 production records, including gin or compress numbers and bale weights of all bales produced on each farm to be operated in 1971. Sign-up time will be from March 1 to April 9, but producers can make production reports to ASCS at any time.
