around Muleshoe

David Watson, son of Mr. and Mrs. W.T. Watson, was named to the dean's honor list for the spring semester in the Texas Tech University School of Engineering.

Bailey County Sheriff Dee Clements has returned to his home in Muleshoe from a Lubbock hospital where he underwent surgery. He is showing slight improvement.

Sheriff Clements is receiving visitors on a limited basis.

Guests in the home of Mrs. Cordie Taylor during the July 4th holidays were her granddaughter and family, Mr. and Mrs. Ronnie Summers, Jennifer and Jaina; and Mr. and Mrs. Rex Mauney, Plainview.

Other visitors from out of town were Mr. and Mrs. T.A. Mauney, and Todd, Milpitas, Calif.; Mr. and Mrs. Homer Millsap, Mr. and Mrs. Raymond Rubinek, Muleshoe and Mr. and Mrs. Robert Servatius, Pleasant Hill, N.M.

Visiting in the home of Mr. and Mrs. Buck Creamer last Sunday were Mr. and Mrs. A.R. Boyce and Albert Burns, Lubbock. Mrs. Boyce is a cousin and Burns an uncle of Creamer.

Rick Howard, seven, son of Mrs. Jim Bryant, Muleshoe and Eugene Howard, Nashville, Te. has been returned to his home in Muleshoe from a Nashville hospital.

He was struck by a car on July 3 while visiting with his father in Nashville. The Howards had gone to Centennial Park at the time he was struck by the car.

Rick's spleen was removed following the accident.

S/Sg Phillip Provence of Ft. Benning, Ga. spent last week visiting in the home of his mother, Mrs. Mae Provence. He also visited his sister and family, Mr. and Mrs. Travis Clements of Lubbock, and saw many friends.

Provence had just finished a refresher course in electronics at Biloxi, Miss. and left July 7 for a one year tour of duty for the army in Turkey.

Darrell Lee Pierce tied for third place in the 3-5 age group shoe race during the fourth of July activities.

Commissioners Set Election

Locations Same

Bailey County Commissioners had a light day when they met in regular session on Monday.

Other than payment of routine bills, the commissioners made a transfer of \$10,000 from the general fund to officers salary fund and set election precincts at the same location as last year.

They met again Tuesday, sitting as the equalization board to hear persons discuss their county tax assessments.

FIRST TOUCH PHONE... Happily, Amanda St. Clair sits on her father's lap as she makes a telephone call on the St. Clair's new touch dialing phone. Mr. and Mrs. Johnny St. Clair had the first touch system installed in Muleshoe. Also pictured, left, seated, are Johnny St. Clair and Mrs. St. Clair holding an unconcerned son Damon. Standing from left are O.D. Hearne, district manager for General Telephone and Raymond Davenport, who installed the system.

Local School Taxes Raised Four Cents

During the regular monthly meeting of the Muleshoe Independent School District Board of Trustees Monday night, taxes were raised by four cents for the upcoming year.

It was explained that the increasing costs of education have forced the additional taxes. Previously the tax rate was 90 cents, but that amount has been changed to 94 cents.

School Superintendent Neal B. Dillman said this is an increase of four cents for the maintenance fund, but the debt service rate will remain the same.

He cited the reasons for the increase as being: Inflation has the same effect on schools as it does on all households and businesses; state and federal mandated programs that cost are pushed on local taxpayers to pick up the tab; workmen's compensation; unemployment insurance; special education, added personnel; bi-lingual education, some supplies and materials in all that will be furnished; and vocational travel, 11 percent of cost pushed back on local districts.

A special meeting will be held on Monday, July 17 as a tax rate hearing at the school administration office at 8 p.m.

He also cited a cost of living salary increase for plant maintenance and operation personnel; increased cost of utilities; an increase in transportation costs and school buses and regular state base salary increments of classified personnel.

All in all, the increased taxes will help support a budget tentatively approved in the amount of \$2,233,486 for the Muleshoe Independent School System.

Dillman said the increase and cost estimate does not include the Federal Title I ESEA

Police Report

Arrests since the first of the month have taken a definite upswing, especially with driving while intoxicated and public intoxication reports.

Three persons were charged with driving while intoxicated; one with driving while intoxicated and carrying prohibited weapon; one with driving while intoxicated and no driver's license; two with public intoxication; one with public intoxication and disturbance; and one with public intoxication, disturbance and destroying private property.

Other arrests included one for possession of marijuana; one for contempt of court; one for no driver's license; one on a warrant; two for burglary and one sleeper was booked.

Two persons were booked on a narcotics charge. Ticky Seifert and Stan Sasser, both of Portales, were brought back to Bailey County from Portales and are being held on \$10,000 bond. Both are involved in an indictment handed down by the grand jury for organized crime.

Regular and Migrant Programs; Title I-B; and Title VI special programs. "We have not received allocations of funds from these programs and they are completely separate from state and local funds", he added.

Approved by the board were the resignations of Miss Vicki Lloyd, third grade teacher at Mary DeShazo. She is moving to Cloudcroft, N.M. Also approved was the resignation of high school history and government teacher, Mrs. Janet Buske.

Approved for employment were Robert Brandon, teacher and girls' basketball coach at high school. He is a graduate of Hamlin High School and Cisco Junior College and West Texas State University.

He received All-District and All-Area honors in football and basketball during his senior year in high school. He has taught and coached for nine years and is moving to Muleshoe from Stinnett High School.

Mrs. Lyn Farley will be director of Special Education and Diagnostic. She is a graduate of high school at Mangum, Okla. and earned a BS and M. Ed. degree at West Texas State University. She is moving to Muleshoe from Clovis.

Speech Therapist for the Muleshoe Schools will be Debbie Lee Hoover, a graduate of Hereford High School and Texas Tech University. She is moving to Muleshoe from Falls Public Schools.

Cont. Page 3, Col. 1

Kings' Kids Will Sing Saturday

THE KINGS KID QUARTET will be singing Saturday, July 15, at 8:30 p.m. at the First Assembly of God Church, at 512 South First Street, in Muleshoe.

"There is no charge for this concert, and everyone is invited to come if they like good music and singing," said Rev. Joe Stone.

The Kings Kids are a local group from the Assembly of God Church, and consist of Wayland and Janet Ethridge, Wanda Kemp and Tom Lobaugh. Musicians are W.T. and Pat Watson, James Mason, Keith Taylor, and Clifford Watson. The service begins promptly at 8:30 p.m. and will be over around 10 p.m.

"First Assembly feels this is one way we can minister to the entire community, so you are invited to come and enjoy the best in Gospel music and singing," concluded the minister.

One Killed, Three Hurt In Weekend Accident Toll

Shonnee Hodnett Wins State Berth

Shonnee Hodnett, daughter of Mr. and Mrs. Jack Hodnett, of the Maple community, was a district winner in pole bending at the 4-H Horse Club District Show in Lubbock last weekend.

With her 20.07 time, she was one second faster than the other competitors to win the opportunity to advance to state competition in San Antonio on July 26-29.

She was among 149 competitors from 20 counties, and she and her horse, Star, also won third in the barrels at the district level.

St. Clair's Get First Local Touch Phone

O.D. Hearne, general manager for this district for General Telephone, was in Muleshoe Monday afternoon to visit with Mr. and Mrs. Johnny St. Clair.

The St. Clair's had Muleshoe's first touch dial telephone installed in their home. They were presented gifts by Hearne.

He explained that touch tone converters take the tones generated by the touch pad and converts them to regular dial sounds. To date, 600 lines have been converted in Muleshoe, with an additional 300 lines to be converted by the end of the year.

He emphasized that both the rotary dial phones and the new touch dial phones work on the same lines, and there is a slight additional charge for the optional service of touch phones.

Cost of the phone is \$1.25 for a residence phone for the line and \$3.35 for a desk type phone; \$8.85 for a compact and \$1.60 for a dialing handset phone. Business phones are \$2.00 per line, with the cost of the phone varying according to the types of phones chosen. He said a wide variety of phones are available. The cost is plus the installation charge for the new service.

Hearne said they presently have a vacancy in the Central office in Muleshoe and are seeking applicants to fill that position. Local telephone installers Raymond Davenport, James Byers and Glen Morris are busy at this time filling applications for the new touch phone system and also located in Muleshoe is Paul Stout, cable splicer.

City Council Tables New Ordinance

With only three of the five members of the Muleshoe City Council at the Tuesday morning meeting, the 'Junk Yard' ordinance was passed until the next meeting.

The proposed ordinance, which was prepared after study by the City Planning Commission, will control the operation of junk yards in the Muleshoe city limits.

Mayor Ken Henry, and Councilmen A.V. Wood and Ronnie Shafer approved converting some \$311.74 in delinquent accounts to bad debts and discussed briefly with Jess Winn, manager of Pioneer Gas Co. a request for an increase in gas rates.

Winn explained he had received no further information on the percentage of increase asked by his company.

City Manager Dave Marr told the council members that presently, five applications have been received for a police chief to replace Buddy Black, who recently resigned that position. He said applications will be

Cont. Page 3, Col. 1

One Victim Remains 'Unidentified' Man

Texas Department of Public Safety Troopers Larry King and Don Thomas continued their investigation this week into the early Saturday morning death of an unidentified man.

First reports of the accident were received at the Morton Police Department shortly before 3:35 Saturday morning with a call for an ambulance to a location approximately four miles north of Maple.

When Troopers King and Thomas arrived at the accident site, they found the partially dismembered body of a man lying in a ditch. He had been struck by a late model automobile driven by a 21-year old Maple resident.

Officers said the force of the impact almost tore the man's clothing from his body and he had nothing in his pockets except some Mexican coins.

Nearby were an empty package and a partial package of cigarettes from Mexico.

At presstime, the man was still unidentified. He was described as being from his late 50s to early 60s; approximately 5' 11" to six feet tall; very slender build; black - greying hair; slim-faced and was wearing a white shirt and jeans.

Although several people have gone to Singleton-Ellis Funeral Home since the accident in an effort to identify the body, no identification has been made.

Frank Ellis of the funeral home, said he expects to hold the body until at least Saturday in an effort to get him identified before he is buried.

King and Thomas said they are continuing the investigation into the early morning accident, and have made trips back to the accident site in the investigation.

At mid-morning Saturday, another accident approximately two and a half miles southeast of Muleshoe on Highway 84, sent two injured people to the hospital in Muleshoe for treatment.

Hospitalized overnight were Mrs. Klyde Krebs, 64, of Muleshoe and Robert Michael Drummond, age two, of Portales.

Mrs. Krebs was the driver of one car headed southeast on Highway 84 and Robert Paul Drummond, 31, or Portales, was the driver of the other vehicle.

Troopers King and Thomas said Mrs. Krebs was making a left turn when her car was struck in the left back fender by the car driven by Drummond, who was headed the same direction.

Private vehicles took the injured to the hospital. Both Mrs. Krebs and the Drummond youngster were treated for multiple lacerations and

hospitalized overnight for observation.

A Friday afternoon accident sent one person to the hospital in Muleshoe for treatment of injuries. The 2:21 p.m. accident was at the intersection of South First Street and West Avenue D.

Involved in the accident were Lehman Jacobs of Muleshoe and Janie J. Mendez, Big Spring. Acting City Police Chief J.R. Carpenter investigated the accident.

Taken to West Plains Medical Center where she was treated and released was Mary Ann Moreno.

No injuries were recorded in a Sunday afternoon accident. The accident was at 12:27 p.m. at 14th and American Blvd. and involved cars driven by Byrd Byron McCalman of Ft. Worth and Victor Manuel Arzola of Muleshoe. The accident was investigated by Muleshoe City Patrolman Wayne Holmes.

Officers are conducting a stepped-up campaign to stop area speeding, which has apparently stepped up and is a possible contribution to the increased number of accidents.

Bond System Now Changed For Traffic

Very recently, the traffic violation appearance and bonding system in Texas has been changed.

In the past, a violator had 10 days to appear before a justice of the peace to answer a traffic citation. This has been changed, and the violator must appear instantly, or 'put up' a cash bond.

Instituted is a cash bond waiver, through which the person may put up a bond in a specified and pre-determined amount and sign the waiver.

The waiver is not a plea of guilty, but does state, "In the event, however, that I do not make an appearance before said court as required herein, then and in that event, I waive trial by jury and enter a plea of nolo contendere and agree that if found guilty, the cash bond herein deposited may be used to pay any fines imposed upon me."

Speeding bonds range from \$15 to \$100 and other violations, including, right of way, stop sign violations; turning violations; wrong side or wrong way; following too closely, overtaking and passing; fail to signal; no valid MVI certificate and other equipment violations; driver's license violation and others are \$25.

DEATH CAR... A 21-year old Maple resident was the driver of this car when it struck a man on FM1731 approximately four miles north of Maple early Saturday morning. The force of the impact tore up the front grill and windshield of the vehicle. The driver of the car received minor injuries to one hand.

FORCEFUL COLLISION... Above is the vehicle of Mrs. Klyde Krebs of Muleshoe shortly after the car was in a collision with a car driven by a Portales man shortly before noon Saturday. The force of the accident knocked the back wheels from the car. Mrs. Krebs was hospitalized overnight.

A wise man never tries to convince a foolish man; he lets the foolish man think that he has been convinced.

Trees, Shrubs Summer Care Is Special

Trees, shrubs and vines that were transplanted in recent months need a little extra care to make it through the long, hot summer, says Spencer Tanksley county agent with the Texas Agricultural Extension Service. The most critical problem for

newly moved plants is providing adequate moisture. Wind damage and excess fertilization also take their toll on transplanted trees, shrubs and vines.

The agent points out that mulches can help conserve soil moisture and are effective in controlling weeds. Apply the mulch several inches deep over the new plant's roots. Pine needles or bark, oak leaves, bagasse, gin trash or grass clippings can be used as mulch.

Some organic mulches decompose rapidly, taking nitro-

gen from the soil in the process and causing plants to yellow. This may be corrected by adding small doses of nitrogen fertilizer.

Tanksley cautions against adding fertilizer at planting time. Only small amounts, if any, should be applied during the first growing season. Over-fertilization is one of the major causes of plants dying the first season.

Tanksley also advises homeowners to protect new plants against wind damage. This is

especially true for trees or shrubs that are several feet tall. High winds can break limbs and damage newly forming roots as well as dehydrate the plant. So plants should be pruned or staked for support.

Homeowners also need to remember their plants before leaving for summer vacations by arranging for someone to water them regularly, adds the extension agent.

Millie Lee Sims Funeral Slated Here Today

Funeral services for Mrs. Millie Lee Sims, 82, are scheduled for 2 p.m. today (Thurs.) in the Assembly of God Church in Muleshoe, with the Rev. Joe Stone, pastor, officiating. Burial will be in Sudan cemetery under direction of Singleton-Ellis Funeral Home.

Mrs. Sims died at 10:29 a.m. Monday in West Plains Medical Center. She had been a resident of Bailey County since 1929, moving here from Quitaque. She was born March 26, 1896 in Waxahachie. She was a member of the Assembly of God Church and the Needmore Rebekah Lodge.

Survivors include two sons, Charlie M. Sims, Amarillo and Ed Sims, Bakersfield, Calif.; two daughters, Mrs. Doris Harris, Aurora, Colo. and Mrs. Mildred Tatum, Hot Springs, Ark.; six grandchildren and two great-grandchildren.

CALLIE HOLT

Services Held Here Monday For Mrs. Holt

Funeral services for Callie Holt, 87, were conducted at 4 p.m. Monday in First United Methodist Church with Rev. Joe Hamblen, pastor, officiating. Burial was in Sudan Cemetery under direction of Singleton-Ellis Funeral Home.

Mrs. Holt died at West Plains Medical Center at 4:15 a.m. Sunday. She had been a resident of Bailey County since 1924, moving here from Hugo, Okla. She was born September 2, 1890 in Lone Star, Texas. She was preceded in death by her husband, Horace, in 1962. One son, Horace, also preceded her in death.

She was a charter member of the Sudan First Methodist Church and was a member of the First United Methodist Church in Muleshoe and a life-member of the UMW.

Survivors include on son, Clyde, Muleshoe; two daughters, Mrs. Helen Gardner, Scotch Plains, New Jersey and Mrs. Mary Garth, Santa Rosa, Calif.; eight grandchildren and 16 great-grandchildren.

UNIDENTIFIED MAN...Beneath the white coverlet is the body of a man who was struck by a car approximately four miles north of Maple early Saturday morning. At presstime, the man is still unidentified. Funeral home officials expect to bury the body sometime during the weekend in Muleshoe.

Hance, Bush Planned For Talks

Senator Kent R. Hance and George W. Bush, both candidates for the U.S. Congress in the 19th District of Texas, have agreed to speak at the second annual High Plains Agribusiness Exposition, announced

City...

City manager also told councilmen about a seminar conducted for local law enforcement officers on juveniles and drinking, and said one lack of control was through this county or city not having a juvenile officer to handle such cases.

Further discussion was the tax situation, and Marr told the group that Muleshoe is in approximately the middle in this area in taxes assessed. More study will be done on the tax situation.

Taxes...

Special programs were discussed during the meeting as was the current financial report. Permission was given for use of the high school gym for the city-sponsored summer youth activity program and the UIL pending litigation was also discussed.

Board members set the football season ticket price at \$15.

Show Director Danny J. Cunyus. The Exposition will be held in the Lubbock Memorial Civic Center on August 25, 26 and 27, 1978.

Senator Hance will speak on water development and Bush will address the audience on energy development and needs. The lectures are part of an educational symposium scheduled for Saturday's special events at the Exposition, Cunyus explained.

Question and answer sessions will follow each lecture. Other notable state and local politicians have also been invited to participate in the symposium sessions but as yet are not committed, according to Cunyus.

Senator Hance has served in the Texas Senate since Nov. 1974. He currently serves as chairman of the Water Subcommittee on Natural Resources and is also a member of the Finance, State Affairs and Natural Resources Senate Committees.

Bush, an independent oil and gas producer in Midland, earned his party nomination by gathering 55 percent of the vote in the recent June 3rd runoff. A former officer in the U.S. Air Force, Bush graduated from Yale University in 1968 with a bachelor of arts degree in history and received his M.B.A. degree from Harvard University.

STATE CAPITAL HIGHLIGHTS

By Lyndell Williams
TEXAS PRESS ASSOCIATION

AUSTIN—Texas legislators headed back to their desks at Austin this week for a special session on tax relief.

Gov. Dolph Briscoe, who called the session for high noon July 10, said he anticipates it will result in "hundreds of millions of dollars" in effective tax reductions. The meeting followed weeks of speculation in the wake of California's adoption of controversial Proposition 13 slashing that state's property taxes 57 percent.

Briscoe emphasized his particular fondness for a provision of the California initiative proposal requiring two-thirds legislative approval of any state tax bills.

House Speaker Bill Clayton, meanwhile, preferred a limit on state and local government taxation and controls on the growth of the state's budget, with allowances for inflation and population growth.

Briscoe got no sympathy from Lt. Gov. Bill Hobby on the two-thirds requirement or another plan to dedicate \$1.9 billion in state sales tax revenue to local school districts which slash their property taxes sharply.

Hobby expressed doubt the Senate would ever go for the two-thirds majority restriction, since the House hasn't passed a tax bill in 20 years by that margin.

Among proposals suggested for legislators' consideration:

—Repeal of the four percent state sales tax on home utility bills (\$122 million a year).

—Raising the inheritance tax exemption. (\$15 million a year).

—Repeal of the state property tax for college building purposes.

—Allowing taxation of farm and ranch lands on the basis of productivity rather than market values.

—Further homestead exemptions for the elderly.

Up the Water Bills?

A proposed federal regulation may cause increases of up to 70 percent in Texas water bills, a governor's task force on water conservation and development was told.

The proposal calls for removal of organic complexes from municipal water supplies.

Organic complexes are created when chlorine is mixed with raw water containing organic material.

The Texas Department of Water Resources said whether the complexes (trihalomethanes) cause cancer is under debate.

Dallas estimated a 70 percent jump in water bills if activated carbon filters must be installed. Houston estimated treatment costs would raise bills there about 40 percent.

Bootlegging Costly

Cigarette bootlegging is costing the state about \$21 million a year in lost tax revenue, according to the state comptroller's office.

Another \$22 million is lost through exemption from taxation of cigarettes sold on

military bases. There's little "organized crime" involved, according to a comptroller's enforcement officer. Violations reportedly are mainly the work of individuals.

Tobacco taxes accounted for \$288 million in state revenue last year—bulk of the income from the 18.5 cent a pack levy on cigarettes.

Federal authorities are concerned with taking of tax-free cigarettes from bonded warehouses along the border back into Texas for sale.

Courts Speak

A Dallas judge overstepped the constitution in ordering a divorced mother to take her daughters to Sunday school and church, the State Supreme Court held.

In other recent opinions the high court:

—Affirmed lower court findings that a Dallas doctor was not liable in a malpractice suit complaining that treatment with drugs of a girl for over-weight and high blood pressure caused her nausea.

—Reversed lower courts who had awarded \$87,000 to the family of a tire test driver who was killed when a tire blew out on his tractor-trailer.

—Agreed with an intermediate court that a controversy over whether the Webb County courthouse could be moved outside Laredo should be sent back to the county for trial.

—Decided a Houston man didn't move fast enough to bring suit against an Odessa supermarket which claimed erroneously he had passed a forged check.

—The Austin Court of Civil Appeals revived an order approving Independence Savings and Loan Association in Gonzales.

AG Opinions

A magistrate in an administrative hearing may probate the suspension of a driver's license, Attorney General John Hill held.

Hill concluded in another recent opinion:

The Commissioner of the General Land Office is responsible for enforcing prohibition clauses in the Natural Resources Code. Under leases of state park lands, the Board of State Park Lands has such responsibility. Remedies for breach are contained in the lease and state law.

MOTORCYCLE ACCIDENT...Deputy Sheriff James Williams looks over debris from a motorcycle accident southeast of Muleshoe on Highway 84. Injured in the accident was Johnny Godwin, San Antonio.

Summer Slippery Driving Found

A slippery highway condition known as "summer ice" will take many American motorists on unplanned side-trips this year, according to J. Terry Taylor, director of customer services for the B F Goodrich Tire Division.

The motorists who are caught by the phenomenon may find themselves skidding for no apparent reason on almost-dry pavement, Taylor said. The outcome of the slide will depend to a great extent upon where and when it occurs.

The worst enemy of the human race is nervous tension, and fast living which causes it.

"Summer ice" is a term for what happens when a light rain picks up normal highway grease and oil and brings it to the surface," Taylor explained. "There isn't enough rainfall to wash the road clean, just enough to bring the oil up. It can be as slick as glare ice, and almost impossible to see.

"The best defense is to drive with care, and to make sure your tires have adequate tread depth. A bald tire, one with less than 2/32 inch of tread, is particularly susceptible to skidding," Taylor said. "Motorists should check their tires before starting a trip. Replace bald tires, and place the tires with the most tread on the rear."

"Summer driving can be exciting and invigorating," Taylor concluded. "Just make sure that 'summer ice' and bald tires don't take you on an unplanned detour."

LINDA DIANE JORDAN AND DONALD LEE NICHOLS

Mr. and Mrs. Charles Jordan of Liberal, Kansas wish to announce the engagement and approaching marriage of their daughter, Linda Diane, to Donald Lee Nichols, son of Mr. and Mrs. Dale Nichols of Enochs. The couple plan a wedding August 19, at 4 p.m. in the First Baptist Church in Canyon. Both are students at WTSU.

Language Programs Added To All Schools

A new state bilingual education policy designed to make special language programs available to all Texas public school students with limited English speaking ability will be outlined for school district officials in a series of 20 regional workshops to be held July 20 through July 28.

The one-day sessions, designed to help district board members, superintendents, and other key administrators implement the updated policy, will be presented at the state's 20 regional education service centers by the Texas Education Agency.

The expanded bilingual policy, adopted by the State Board of Education on June 10, requires school districts to provide special language programs for all children identified as limited English speaking.

Bilingual education programs will be required for children with limited English speaking ability in kindergarten through the fifth grade. In addition, English language development programs must be provided for a minimum of one period each day for limited English speaking ability students in grades six through 12.

The new policy extends requirements outlined in the Bilingual Education Law passed by the Texas Legislature in 1975. This earlier measure required the dual language instruction through the third grade in schools with 20 or more children in a single grade who had a limited knowledge of

English. The law also authorized school districts to offer bilingual programs in the fourth and fifth grades, providing state support and textbooks for the optional as well as the required programs.

"This new program is strictly transitional and does not in any way support a maintenance effort," Dr. M.L. Brockette, Texas Commissioner of Education, points out.

"Our purpose is to help these children who come to Texas public schools from non-English speaking homes and have difficulty performing ordinary classroom work in English."

School districts will use one or more of six different tests currently available to test students for their ability to understand and use English, Brockette said.

The testing will begin this fall with a questionnaire to be completed by parents concerning the language used in the home. Students from non-English speaking homes will be required to take one of the tests selected by the district.

School districts are expected to administer the tests to all potential limited English speaking ability students early in the 1978-79 school year, Brockette adds.

"The effective education of children who enter our schools with little or no ability in English is a considerable problem," Brockette says. "And it is one we must take far-reaching measures to solve."

"School districts will be

Consumer Food News

Budget buys center on vegetables and poultry at Texas grocery markets this week, according to Mrs. Gwendolyn Clyatt.

Also check for economy buys on cheeses--now in exceptionally large supply, she says.

Mrs. Clyatt is a consumer marketing information specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

FRESH VEGETABLES ---- Look for best buys on zucchini and yellow squash, carrots, dry yellow onions and cucumbers.

Also, corn, blackeye and purple hull peas, okra and potatoes.

POULTRY--Eggs still offer a good bargain for high-quality protein, valuable minerals and essential vitamins. Be sure to buy from refrigerated cases and keep eggs cool.

Look for some features on fryers and parts.

Turkeys and turkey roasts have reasonable prices.

FRESH FRUIT--Attractive prices appear on honeydew melons, cantaloupe and watermelons.

Varying price levels show on plums, grapes, nectarines, bananas and oranges.

Fruits with prices on the high side are Granny Smith apples (green in color) from New Zealand and peaches.

Peaches are more plentiful, but with the current high demand, prices are still high.

BEEF--Prices are steadily rising. Features are scattered, so check for advertised specials and in-store specials.

As cattle prices rise, however, cattlemen are more inclined to rebuild their herds, which eventually, will bring a larger supply of beef to market.

CONSUMER WATCHWORDS--Get acquainted with salad greens other than head lettuce, which has been offered at high prices lately. Then put salads back into the menu.

It is possible to go wrong in many ways, but right in only one.

required to use the State Plan for Bilingual Education as a basis for assessment in their five year planning, plan up-dating, and program process for accreditation," Brockette adds.

Each regional workshop will begin at 10 a.m. and end at 3:30 p.m., according to the following schedule: Region I, 1900 West Schunior, Edinburg--July 20; Region II, 502 North Water Street, Corpus Christi--July 21; Region III, 1905 Leary Lane, Victoria--July 26; Region IV, 1750 Seamist, Houston--July 20; Region V, 2455 Commerce, Beaumont--July 26; Region VI, 2107 Avenue I, Huntsville--July 27; Region VII, Longview High School, Longview--July 27.

Region VIII, 100 North Riddle, Mt. Pleasant--July 28; Region IX, Kirby Junior High School, Wichita Falls--July 28; Region X, 400 East Spring Valley Road, Richardson--July 21; Region XI, Arlington Community Center, Arlington--July 20; Region XII, Waco Convention Center, Waco--July 20;

Family Night At West Camp

The West Camp Community Family night was held Saturday night at the West Camp Community Center.

Host couples were Mr. and Mrs. George Wheeler, Mr. and Mrs. Ed Althof, and Mr. and Mrs. Terry Wheeler.

The families enjoyed volleyball then enjoyed homemade ice cream and cake.

A business meeting was conducted by the community chairman, Joe Sinnacher. A treasurer statement was given by Mrs. Ernest Ramm.

Miss Linda Mullins, County Extension Agent, was introduced and she made a presentation to the community. She announced that the West Camp Community placed third in the Community Improvement Judging and presented a check for \$50.00 to the community. The contest was sponsored by the Texas owned Rural Electric companies, with judging held in May. Sudan and Whiteface took the top 2 places in the contest

for this district.

The community center is collecting Betty Crocker coupons to redeem for silverware to furnish the community center kitchen, so anyone who has coupons they would donate, may contact any of the West Camp people and they will pick them up.

Attending Saturday night were Mr. and Mrs. Joe Sinnacher, Mr. and Mrs. Raleigh Mason, Mr. and Mrs. Glen Harris, Lavon Rhodes, Mr. and Mrs. Robert Hunt and Tori, Mrs. C.E. Roark, Miss Linda Mullin, Jay and Karan Herington, the Host couples and their children, Tommy and Curtis Wheeler, and Shawn and Brenna Wheeler.

The next family night will be August 12 so circle the date for good family fun!!

Rainbow Girls Celebrate Founders Day

The Muleshoe Rainbow Girls celebrated Founders Day with a swimming party on Friday, July 7. The girls met and swam at the city swimming pool then enjoyed hot dogs prepared by the sponsors. The girls celebrated Mark W. Sexsons birthday, July 8 each year.

Attending were the Worthy Advisor Sandy Dunbar and the following officers, members and guests: Pam Young, Sally Lunsford, Tena Landers, Debra Stevens, Julie and Stacy Barnhill, Tori Hunt, Misti Prater, Kristi Henry, Jana Briggs, and Past Worthy Advisors Fran Dunbar, Sheila Hunt and Kanetha Hysinger. Guests were Kim Gregory, Kelli and Cindi Hamblen, Kacy Henry, Sherry Henry and Betsy and Susan Lunsford.

Mothers enjoying the party with the girls were Mrs. Jack Hysinger, Mrs. Robert Lunsford, Mrs. Lee Dunbar, Mrs. Jimmy Briggs and Mrs. Robert Hunt.

Region XIII, Thompson Conference Center, Austin--July 20; Region XIV, 3001 North Third, Abilene--July 27.

Region XV, 100 North Magdalen, San Angelo--July 28; Region XVI, 1601 South Cleveland, Amarillo--July 27; Region XVII, 14th and K Street, Lubbock--July 20; Region XVIII, Midland Air Terminal, Midland--July 28; Region XIX, 6611 Boeing Drive, El Paso--July 26; Region XX, 1314 Hines Avenue, San Antonio--July 21.

Vines Can Add New Coolness To Landscapes

Summer weather brings on the search for ways to improve landscapes, making them cool and inviting. One way of accomplishing this is through the imaginative use of vines.

Dr. William C. Welch, landscape horticulturist for the Texas Agricultural Extension Service, says that vines offer an interesting variation in plant form. All woody or herbaceous plants that require some support for their development may be classed as a vine.

Vines may be used in several ways--on walls, arbors or other designed structures. Interesting effects may be achieved by placing a well selected vine on a

From The Journal Files

40 Years Ago

Mr. and Mrs. A.J. Gardner, sons Paul and Max, accompanied by Mr. and Mrs. Pat R. Bobo, were visitors in Amarillo Monday to get a view of the president and hear the band that greeted him.

50 Years Ago

A substantial reduction in water rates has been given to Muleshoe. This was passed by unanimous vote during the regular meeting of the City Council. The minimum charge still remains at \$1.50 for three thousand gallons used. All water over that will only be twelve and a half cents per thousand gallons.

Fish Fry Held By Ves Patterson

Mr. and Mrs. Ves Patterson hosted a backyard fish fry, Thursday, June 27, at 7:30 p.m. Co-hosts for the event were Mr. and Mrs. John Burnett and Mr. and Mrs. Noble Dudgeon. The invocation was led by L.M. Harper.

Some forty people were present for the fish, homemade ice cream and games.

Those attending were Mr. and Mrs. Dexter Baker, Mr. and Mrs. Tommy Cates, Mr. and Mrs. Waymon Gordon, Mr. and Mrs. Curtis Savage, Mr. and Mrs. J.P. Arnold, Mr. and Mrs. Robert DeLoach, Mr. and Mrs. Russell Ingle, Mr. and Mrs. Homer Morris, Mr. and Mrs. Sterling Reese, Mr. and Mrs. Luna Snow, Mr. and Mrs. Halbert Harvey, Mr. and Mrs. L.M. Harper, Mr. and Mrs. Nolan Parrish, Mrs. Arnold Beckett, Mrs. Glenn Gatewood, Mrs. O.J. Parrish. Special guests were Rev. and Mrs. Truman Johnson and Caprice.

Fashion

If you can sew, you can have a very fashionable carry-all or tote bag to match any outfit. Patterns are available in many styles and sizes.

As the weather grows hotter, those with long hair will find the "topknot" in high fashion. Simply brush all the hair up and to one side, twist into one long length of hair, wind into a knotted bun and anchor with pins. Keep a soft look with a few wispy tendrils at the neckline. A small flower peeking from the bun is attractive for evening wear.

Jewell Griffiths presented the program. She played a tape of songs, sung by Kenny Carter on his last evening here as Choir Director of the First Baptist Church.

The meeting was closed with a prayer by Jewell Griffiths.

Temperature is the deciding factor in determining the kind of vine that can be grown successfully in a given area, explains the Texas A&M University System specialist. A vine that freezes down during winter in one area may be evergreen in another area. "To be successful, vines must be well adapted to the environment in which they are to be grown."

Effectiveness is achieved in their use as part of an overall landscape plan. Properly used, they can add a new dimension to any landscape, contends Welch.

Janis St. Clair Honored With Gift Coffee

MISS JANIS ST. CLAIR

Miss Janis St. Clair, bride-elect of Bob Nichols was honored with a gift coffee Saturday, July 8, at 10 a.m. in the home of Mrs. Myron Pool II.

Greeting the guests were the honoree, her mother, Mrs. Bill Jim St. Clair and the hostess, Mrs. Tom Cooper of Andrews, grandmother of the honoree was a special guest.

The table was laid with an ivory cloth and featured an arrangement of silk flowers in shades of blue. Silver appointments were used. Presiding at the table were Mrs. Clifford Black, Mrs. Rex Black and Mrs. Tommy St. Clair. Guests were registered by Mrs. Mike Riley of Littlefield.

The hostess gift was a gift of enamel on copper. Hostesses for the occasion were: Mrs. Herbert Griffiths, Mrs. Charles Pummil, Mrs. Tommy Haley, Mrs. Harmon Elliot, Mrs. James Glaze, Mrs. Eugene Black, Mrs. Jess Winn, Mrs. Clarence Weeks, Mrs. Bill Loyd, Mrs. Don Remppe, Mrs. Bill Brown, Mrs. Carl Bamert, Mrs. Barbara Milburn and Mrs. Bernard Phelps and Mrs. Myron Pool II.

Nations, like individuals, must stand for honor, fair play and law.

There are still people who hunt the pot of gold at the end of the rainbow.

Mr. & Mrs. Savage Celebrate Anniversary

The children of Mr. and Mrs. Curtis Savage of Sudan will honor their parents on the occasion of their 25th wedding anniversary with a reception, Sunday, July 16 from 2 p.m. til 4 p.m. at the community building in Sudan.

Hosts and Hostesses will be: Mr. and Mrs. Jack Kleimeyer of Salt Lake City, Utah; Mr. and Mrs. Paul Wiedeman of Denhan Springs, La.; Mr. and Mrs. Earl Don Pierce of Plains, Kansas; Mr. and Mrs. Jim Savage of Lindsay, Okla.; Mr. C.D. Savage and eleven grandchildren of Converse.

Not That Wife--I have a surprise for you, dear: there soon will be another in our family. Hubby--My angel. Are you sure? Wife--Yes, I just got a wire from mother that she's coming to live with us next week.

Third Annual Fourth Of July Barbeque Held

Mr. and Mrs. D.T. Garth held their third annual fourth of July barbeque Tuesday. Guests arrived early and stayed late to watch the Muleshoe City Fireworks Show. Three years ago, three families joined the Garths for this day of activities and last year a few more families came. This year the Garths enjoyed the company of thirty-eight guests including from Lubbock: Mr. and Mrs. Bill Crouch, and Holly, Clarissa and Mrs. Crouch's father; Luther Rowland from Alabama, Mr. and Mrs. John Shoeflat, and Chandra, Mr. and Mrs. Tom Shaw, and Karen and Gary; Mr. and Mrs. Len McCue, Mr. and Mrs. Bob Cockrell, Mr. and Mrs. Lewis Horn and sons all from Clovis.

Miss Dana Hickerson from Whitewright, Texas. From Plainview, Mr. and Mrs. Gary Barnes, Jimmy, Douf, Dianne and friends, Burry Buchanan and Sherry Sanders.

Mr. and Mrs. Carson Clayton and Belinda; Mrs. Jan Springfield, Scott and Shannon from Muleshoe. Miss Jo Garth, daughter of D.T. and Jeanne Garth played escort around town for all the young guests. Each couple contributed to the menu which included a goat roasted overnight in the backyard pit.

GOLDEN EAGLES...Fifth place team in the Girl's Softball league were the Golden Eagles, coached by Mr. and Mrs. Tommy Sizemore and Mr. and Mrs. James Brown. Pictured from left are Mrs. Sizemore; Courtney Brown, Tina Turnbow, Rosemary Castorena, Meischelle Logsdon, Shelley Sain and Barbie Seaton. Seated from left are Stacy Haley, Norma Castorena, Jana Brown, Tina Sizemore, Gino Lopez and Valerie Dominguez.

Sidewalk Cracks Can Be Repaired

If small cracks in sidewalks are becoming larger or uneven surfaces dangerous, follow a few easy steps to repair them, suggests Pat Seaman, housing and home furnishings specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

To begin repairing cracks in concrete sidewalks, obtain the following:

1. Packages ready-mixed mortar
2. Epoxy concrete-"clear" type for narrow cracks and "gray" type for wide cracks and concrete breaks.
3. Wire brush.
4. Pointed trowel and wood float.
5. Heavy-duty paint brush.

Follow these steps to repair the cracks:

1. Caution-repair only when concrete is dry.
2. Chisel out the crack or hole

wide under the surface

3. Clean the concrete surface thoroughly with the wire brush

4. Mix a batch of mortar according to the directions on the package. Mix in the epoxy concrete with the mortar according to the directions on the epoxy container.

5. Using the trowel, put mixture into the crack
6. Using the wood float, smooth the mixture even with the concrete surface
7. Clean the tools immediately

with paint thinner.
8. Work fast-most epoxies will harden in an hour. If the patch should harden before the operation is completed, apply a second coat and smooth the surface again.

For big cracks, spread the mixture over the full width of the crack until the level of mortar is slightly above the concrete surface.

If repairing a full break in the concrete, use the trowel to force the mortar mixture to the bottom of the break

According to Ms. Seaman, homeowner benefits from repairing cracks in concrete sidewalks are:

1. A more attractive sidewalk.
2. Prevention of further damage
3. A safer walking surface.

over 14, \$15); ribbon roping (must be boy-girl roping and under, \$15); barrel racing (over 14, \$12.50); barrel racing (14 and under, \$12.50); pole bending (over 14, \$12.50); and pole bending (14 and under, \$12.50).

Lubbock Fair Adds Rodeo For September

An all-youth rodeo, which is rapidly becoming one of the more popular events at the Panhandle South Plains Fair, again has been added to the schedule for the 61st annual exposition here Sept. 23-30.

General manager Steve L. Lewis said the rodeo is being sponsored by the fair and Lubbock County 4-H.

The rodeo, to be held in Fair Park Livestock Pavilion, will be held on the final three nights of the fair.

Events, with entry fees in parenthesis, include: bareback riding (\$20); bull riding (\$25); tie-down calf roping (\$20); ribbon roping (must be boy-girl

Mrs. Mae Provence Vacations In California

Mrs. Mae Provence recently returned from a three week vacation in California. She visited with her sisters, Mrs. Jessie Friesien, of Sunnyvale, and Mrs. Mary Henslee of San Pablo, and several nieces and nephews. The three sisters also attended the annual cousins reunion at Fresno, where eighty cousins and a few friends attended. Mrs. Provence received the gift for coming the greatest distance to attend.

After returning to Sunnyvale, a niece and her husband took the sisters to a tour of the restored part of San Francisco. Then they went to the bay and watched a group of hand gliders fly. They also went to the San Francisco Bay and the Golden Gate Bridge.

After the visit to Sunnyvale was over, Mrs. Provence flew to Norwalk to visit another sister, Mr. and Mrs. L.H. Chapman. While there a college friend, whom she had not seen for forty years, Mrs. Velma Wells of Huntington Park, came for a visit on Saturday, then on Monday a childhood friend, whom she had known for more than sixty years, Mrs. Ethel Stevens, or Reseda, came for a day and night.

Mr. and Mrs. Gene Kistler, son of Mrs. Lula Kistler, of Huntington Beach came and took Mrs. Provence on a long drive. They then went to the Kistlers home for a few hours visit before returning to Norwalk for their flight home.

Something
In the good old days a government could spend a million dollars and have something to show for it.

..Grit.

Six stage shows have been booked for Fair Park Coliseum. The lineup includes: the Charlie Pride Show, with Dave and Sugar, 5 p.m. and 8 p.m., Sept. 24; the Statler Brothers, 5 p.m. and 8 p.m., Sept. 25; the Johnny Rodriguez show with Linda Hargrove, 8 p.m., Sept. 26; the Jim Ed Brown show, with Helen Cornelius and Wendy Holcombe, 8 p.m., Sept. 27; Eddie Rabbitt and Jerry Clower, 8 p.m., Sept. 28; and Mel Tillis, with the Statesiders, 8 p.m.,

By Evelyn Ritchie

Mrs. J. A. Turner has returned home from St. Mary's Hospital in Lubbock where she was a surgical patient for a few days.

Mr. and Mrs. Bob Nelson, Johnny and Donnie visited their daughter, Mr. and Mrs. Jackie Bruton, and Janet Henderson and Steve of Levelland last Wednesday.

Mr. and Mrs. Charles Logan returned home after visiting several days with their children and families in Canyon, Amarillo and Breckenridge. They brought Carrie and John Hunter, their grandchildren home with them for a few days visit.

Mr. and Mrs. Jack Fisher will honor their parents on their 40th Wedding Anniversary. It will be held July 9, from 2:30 until 5 p.m.

Recent visitors in the home of Mr. and Mrs. O.L. Shannon were Mr. and Mrs. Elmer Johnston of Portales, N.M., Mr. and Mrs. Elvin Johnston of Bovina, Dwayne Johnston of Georgetown, Colo. and Mrs. Laure West, Mr. and Mrs. Kenneth Johnston, and Mr. and Mrs. Ron Hawkins, all of Kingston, Okla. Returning home last week after several seeks visit here was their granddaughter, Linda Shannon and her friend Sherri Ross of Carlsbad, N.M.

Visiting over the weekend in the home of Mr. and Mrs. Lewis Fields was their daughter, Debbie Bingham and her friend Cissy Bevans, of Lubbock.

Mr. and Mrs. Bob Cardwell and children of Bay City, Texas and Mr. and Mrs. Hal Cardwell of Lubbock visited over the weekend in the home of Mr. and Mrs. Glen Cardwell.

A birthday celebration honoring Ed Ray was held Sunday, July 2, in the R.E.A. building in Littlefield. Some 75 people were present.

Recent visitors in the home of Mr. and Mrs. Percy Harlin were their daughter and family, Mr. and Mrs. Gary Farr, Brian and Terry, of Perryton. Also visiting was Sherri Blackwell of Amarillo. While here they all attended a choir concert at West Texas State University in Canyon. Their granddaughter, Mitchell Farr was a member of this choir. She had attended a music camp that week.

Mr. and Mrs. Tom Lamphere and April of Lewisville arrived Friday to visit her parents, Mr. and Mrs. G.C. Ritchie. While here they attended the class of '68 reunion. Also visiting were Mr. and Mrs. Dewayne Phillips, Michael and Christen of Lubbock.

Mr. and Mrs. Danny Beauchamp left for their home in Astoria, Oregon after visiting here for the past several weeks with his parents, Mr. and Mrs. B.A. Beauchamp, Jr.

Mrs. Lois Blair of Hereford visited Thursday with her mother, Mrs. W.M. Jones.

Mrs. Kenneth Fender of Muleshoe visited Thursday with her parents, Mr. and Mrs. Jimmy Carpenter and family.

AWARD PRESENTED...At the end of the Little League baseball season Monday, representatives of four teams presented LL President Sammy Gonzales with an appreciation gift. From left are Gaylon Bock, vice president; Billy Savala; Jay Gleason, Winston Stice, Shane Mason and Gonzales.

Happy Anniversary to Mr. and Mrs. Aubrey West.

Mr. and Mrs. J.C. Wells have returned home from vacationing at Lake Brownwood.

Mr. and Mrs. Jackie Bruton of Levelland visited some last week with her parents, Mr. and Mrs. Bob Nelson.

Terry Waller of Amarillo returned to her home Friday after visiting last week with her grandparents, Mr. and Mrs. Claud Kropp.

Mr. and Mrs. Charlie Rich attended a family reunion last week in Crowley, Texas. Some 48 members of the Rich family attended this gathering.

Recent visitors in the home of Mrs. W.V. Terry were Mrs. Gene Moss and Mrs. Harry Binston of Oklahoma City, and

Col. and Mrs. Robert S. Terry of Roswell.

Virginia Rone and Mrs. Terry spent one day last week shopping in Littlefield.

Mr. and Mrs. Pete Peterson of Las Cruces, N.M. and Mr. and Mrs. Charles Douglas of Amarillo were recent visitors in the home of Mr. and Mrs. Guy Walden.

Carrie Reed of Lubbock visited during the weekend with her parents, Mr. and Mrs. Arnold Reed, and Frank.

Mr. and Mrs. Ronnie Hill and boys of Plainview visited during the holidays with their parents, Mr. and Mrs. Connie Hill and Mr. and Mrs. Melton Williams. They also attended the class of '68 reunion, Sunday.

Weekend visitors in the home of Mr. and Mrs. Connie Hill were their daughter, Mr. and Mrs. Larry Durham, and Mr. and Mrs. Opal Hammer all of Plainview. Mrs. Hammer spent Sunday night with Mrs. Mable Reed.

Holiday visitors in the home of Mrs. Patty Bausman, David and Becky was Grandpa Bausman of Lubbock.

Allsup's Convenience Store has a new manager, Michael Eubanks who has moved to 400 Furneaux along with his brother, Leslie. They formerly lived in Lubbock.

Holiday visitors with Mr. and Mrs. Waymon Gordon were Mrs. L.L. Gauding of Vega, Mr. and Mrs. Perry Hairston of Lake Jackson and Mr. and Mrs. Henry Roland of Elida, N.M.

Mr. and Mrs. Jay Riley of Clovis, N.M. visited Monday with Mr. and Mrs. G.C. Ritchie.

Holiday visitors in the home of Mr. and Mrs. T.P. Wingo were their children, Mr. and Mrs. James Wingo, Melissa and Hones of New Orleans, La., and Mrs. Jim Brady, Jana and Jay of Liberal, Kansas.

Holiday visitors with Mr. and Mrs. Pal Legg were their children, Mrs. Velma Reasoner and children of Levelland and Mr. and Mrs. D.W. Muller and Austin of Littlefield.

Mrs. Teresa West, Heather and Spencer of Brownfield visited here Saturday with her parents, Mr. and Mrs. U.J. King.

Mr. and Mrs. Steve Fisher

and family of Seattle, Wash., are here visiting for several days in the home of his parents, Mr. and Mrs. Jack Fisher. They will also be visiting with his brother and family, the Jan Fishers.

Mr. and Mrs. Calvin Vernon are vacationing thru the holidays.

Mr. and Mrs. Dood Haragan attended an art show at Snyder this week.

Sandra Humphreys, Larue Edwards, Wynelle Williams, Wynette Fisher and Charlotte Browne attended an art show at Sipapoo near Tres Ritos this weekend. The children of Wynette and Charlotte accompanied them and they plan to stay a few days to visit with their parents, Mr. and Mrs. Wayne Howell and Mrs. and Mrs. Frank Rone.

Mr. and Mrs. Sonny Divinity visited in Ft. Worth over the holiday, with his mother.

Mr. and Mrs. Clayton Wells have returned home from Brownwood.

Mr. and Mrs. Jina Ingle and children have returned home after vacationing in Tres Ritos.

Mr. and Mrs. Frank Rone are visiting the Wayne Howells in Tres Ritos.

Mr. and Mrs. JoDon Pariott and children, Lisa and Zachry, of Amarillo were visiting her mother, Mrs. R.D. Muller and Jaylee and Shawn.

Mr. and Mrs. Wesley Chatwell are staying in the home of their daughter, Mrs. R.D. Muller, while she recuperates from

her recent surgery. Suzanne Reid, daughter of Mr. and Mrs. Darwin Reid has been a surgical patient in the Methodist Hospital at Lubbock for a tonsilectomy. Get well quickly, Suzanne, and get on with your summer fun.

Mr. and Mrs. Paul Gordon and children, Chris and Paula, of Lubbock, were here to join the July celebration and to visit his parents, Mr. and Mrs. Waymon Gordon.

Carrie Reed of Wichita Falls visited during the weekend with her parents, Mr. and Mrs. Arnold Reed and Frank.

The Sudan July celebration was a gala success when some 800-1000 persons enjoyed activities throughout the day, Sat.

Mr. and Mrs. Bob Bryant and son were visiting in Sudan over the weekend.

Mrs. Leon Harrison has returned home after her stay in St. Mary's Hospital in Lubbock. It is reported she is doing fine.

Visitors in the home of Mr. and Mrs. Maurice Kinnie over the weekend were, Mr. and Mrs. Ronald Kinney and family from Portland, Oregon, Freda Shirley and her grandchildren from Plainview, Regina Crossley and her children from Lubbock, Mr. and Mrs. Ray Stanley of Lazbuddie, Mr. and Mrs. John Kinnie and family and Mr. and Mrs. Jerrell Ottwell of Muleshoe. While they were all together they all attended a 60th Wedding Anniversary celebration of Mr. and Mrs. S.M. Black in Clovis.

Stephanie and Misty, daughters of Patty Miller have returned home after a several seeks visit in Houston.

Happiness is a good companion to keep company with.

Mr. and Mrs. Dwayne Gray are vacationing in Europe. While they are gone their children, Donnie, Stefanie, and Dawn are visiting their grandparents, Mr. and Mrs. Billy Hanna.

Mr. and Mrs. A.L. Nelson of Seminole visited in the home of their son, Bob Nelson, over the weekend. Visiting also was a great grandson, Michael Nelson.

Home for a few days leave from duty with the Marine Corp. is Jackie Joe Williams, son of Mr. and Mrs. John Williams. He is to leave for a visit with his parents who are on harvest in Kansas. We miss you Jack-good luck.

Visitors in the homes of Mrs. R.C. Burnett, Dail Burnett, and John Burnett have been Mr. and Mrs. Eugene Burnett from Mo., Mr. and Mrs. Bob Burnett from Jackson, Miss., and Mr. and Mrs. C.E. Nance and family of Mexia, Texas.

Mr. and Mrs. Ansil Locker were in Ruidosa, N.M. during the July 4 activities.

Mr. and Mrs. Lee Roy Fisher and Rodney were in Lubbock Thursday to take Mike to a plane for Houston where he underwent a medical checkup.

Card Of Thanks

Words are inadequate to ex-
press the deep appreciation and
heartfelt thanks for all the
kindnesses shown during the
recent hospitalization of Dee
Clements in Muleshoe and Lub-
bock.
There is no way to know all of
the very nice friends and neigh-
bors who did kind acts, nor to
acknowledge the many, many
cards, telephone calls, personal
visits and other kindnesses.
We feel that we have been richly
blessed to have so many won-
derful and kind friends.
Sheriff and Mrs. Dee Clements.
15-28t-1tc

Card Of Thanks

We would like to express our
appreciation to our friends for the
food, flowers, cards, telephone
calls, and prayers during the
loss of our loved one. We will be
forever grateful. May God bless
each and every one of you.
The family of Jewel Broyles
15-28t-1tp

Everything is dangerous
to him that is afraid of
it.
-Benjamin Whichcote.

PROBLEM:
There are only 24 hours
in a farmer's day.

SOLUTION:
Aerial application.

No matter which pest or fungus or weed you're
fighting, no matter which seeds need to be planted,
no matter which fertilizer needs to be spread, and
with rare exceptions, no matter what the weather an
aerial application plane, like the Grumman American
Ag-Cat, can get the job done fast.
An Ag-Cat flies low enough and slow enough to
assure proper crop treatment. And yet, aerial appli-
cation can get the job done up to 22 times
faster than ground bound equipment with-
out damaging crops and
compacting surrounding soil.

Aerial application.
Because there are only
24 hours in a farmer's day.

Call for quotes on a corn borer program, greenbug problem, foliar
fertilizing, or any other Aerial Application need. We also will
supply any agriculture chemicals at a substantial savings.

WATSON Aerial Application
MULESHOE, TEXAS 79347

Immunization Will Protect Exported Beef

Exports of registered live-
stock from Texas to other parts
of the world is one means of
helping the balance of payments
in the United States.

However, livestock moving
into other countries should be
immunized against certain dis-
eases, points out Dr. James
Armstrong, veterinarian with
the Texas Agricultural Extension
Service. The Extension
Service through the county a-
gents is assisting producers in
this effort.

Keying in on such immuniza-
tion programs is the Institute
of Tropical Veterinary Medicine
at Texas A&M University. The
concept of preimmunizing cattle
against certain diseases is not
new, but the system being used
by the Institute could be of value
to Texas cattlemen exporting
livestock to those areas where
these diseases are prevalent,
notes Armstrong.

Death losses running as high
as 40 to 50 percent among cattle
exported to Central and South
American countries where Tex-
tick fever and anaplasmosis are
prevalent are being reduced to
almost none with a preimmuniza-
tion developed at the Institute.

"The concept is the injection
of virulent organisms of tick
fever or anaplasmosis, or both,
into beef or dairy cattle about
three weeks prior to shipment
from the U.S.," explains Dr.
Gilberto S. Trevino, Institute
director.

"These animals develop a
mild case of the disease, or
diseases, and after reaching
their destination where the dis-
eases are prevalent, a chal-
lenge by a vector is unsuccess-
ful."

Both diseases are caused by
a (single cell) protozoa which
gets into the blood stream and
destroys blood cells. Ticks and
aggressive blood-sucker type
flies are the principal vectors.

Trevino notes that Mexico is
"teeming" with the diseases,
which occurs between the 30th
parallels on either side of the
Equator.

Texas is the principal export-
er of breeding cattle to Latin
America, and the number is
increasing each year.

Veterinarians of the Institute
will go to any location where
preimmunization is to be ad-
ministered, at a cost of \$50 per
animal.

Trevino said that many years
will be required for private
enterprise to develop the system
and personnel, making it econo-
mically wise to pay the \$50. He
noted that this fee is a small
investment to prevent potential
deaths of breeding stock gener-
ally costing \$1,000 to \$5,000 per
head.

He said that cattle to remain
in the U.S. should not be
preimmunized, because this
makes them a carrier of the
diseases. Although Texas erad-
icated tick fever, ticks are re-
aring their ugly heads again to
pose another threat.

"This preimmunization is

LITTLE DEERES...The Little Deeres finished in sixth place in the recently completed Girl's Softball season. Pictured from left is Linda Huckaby, who was assisted by Mr. and Mrs. Doug Crozier, middle, Becky Lopez, Jody Burden, Renee Copley, Jessie Holmes, Zanna Huckaby and Debbie Isaac; seated from left, front are Debbie Pugh, Shannon Crozier, Lenora Daniel, Sandy Springfield and Tina Reid.

not a vaccine," he said, "but an
effective way to prevent cattle
deaths while scientists work to
develop a true vaccine."

The Institute has initiated
growth of tick cells in artificial
culture in an effort to speed a
true vaccine.

"Historically, when a dis-
ease-causing organism is adapt-
ed to growth in an artificial
medium, resulting in develop-
ment of an immunizing agent, it
spells the end, or eradication, of
that disease," he concluded.

"That's what happened to
eradicate small pox and paralytic
polio in humans. And we
believe the same can, and will,
happen with tick fever and
anaplasmosis in animals."

The man who fears noth-
ing is as powerful as
he who is feared by
everybody.

Bula News
By Norma Bellar

Rance and Kendon Roberts, of Junction, spent the week with their grandparents, Mr. and Mrs. Tom Bogard, then the boys went with their uncle and family, Mr. and Mrs. Ray Kinnison, of Olton. The Kinnisons will take the boys back to Junction.

Wednesday the Bula area received some rainfall with accumulations of four tenths to seven tenths west of Bula. This rainfall kept the men out of the fields for a few days.

The Bula Cemetery Association will hold a Garage and Bake Sale, July 14 and 15 in the Bula Post Office building. If you have any items you would like to donate, we would appreciate any and all donations. Pick up for the donations will be on Wednesday and Saturday. To have your donations picked up you can contact any of these people: Mrs. Lloyd Pollard, Mrs. John Latham, Mrs. Nolan Harlan, Mrs. Cecil Jones, and Mrs. Jeryl Bellar, all of these are on the Bula phone exchange. If you don't have anything you would like to donate you are welcome to come and browse around, you might find something you would like to buy. Everyone is welcomed.

The Bailey County Farmers Union held their supper on July 9, with a good attendance. The Farmers Union would like to thank each and everyone who helped make this night possible and especially to those who attended.

Sam Lindsey visited the weekend with Mr. and Mrs. Jeryl Bellar and family. Sam has recently moved to Dalhart from San Antonio. He will be starting his own business, Pump Service, in Dalhart.

Mr. and Mrs. Nolan Harlan and John visited with her brother and family, Mr. and Mrs. Roger Britt, her mother, Mrs. Mary E. Britt, of Amherst, and her sister, Mrs. Adele Cole of Carlsbad, N.M., Saturday.

Mr. and Mrs. Nolan Harlan and John drove Mr. and Mrs. V.C. Weaver to Clovis Sunday to join in on the Padan family reunion. While in Clovis the Harlans attended church services with their daughter and family Mr. and Mrs. Rodney Marshall and Melanie, then visited the rest of the day.

Bro. Whittenberg held church services and communion in the Bula Methodist Church, Sunday.

Mrs. Paul Young and Mrs. Tommy Kirk and children Jennifer and Brandon went to Sudan for the July 4 celebration. The children visited with Sunshine Sally and also had their picture made with her.

versity by Joe Kirk Fulton, vice-chairman of the TP&W Commission.

The periodicals encompass a period from Dec. 1942 to this date and contain information covering parks, law enforcement, fisheries, wildlife and conservation. The magazines were the personal collection of Weldon Fromm, Lubbock regional law enforcement director.

The collection was accepted by Dr. Clyde E. Kelsey, Jr., vice-president for development and university relations. The magazines will be available to scholars, teachers, students and other interested individuals both on and off campus. The periodicals have now become a part of the Southwest Collection at the Archives for the American Southwest at Texas Tech.

Several copies of the magazine were given to Fromm by members of the Amarillo sportsmen club with a few copies acquired from the P&WD office in Austin. Originally titled Tex-

as Game and Fish, the first monthly publications were priced at 10 cents each. Texas Parks and Wildlife magazine now has a cover price of 50 cents.

Individuals wishing to start their own collection of the TP&W magazines can do so by sending a check or money order for \$5 for one year or \$9 for two years to the P&WD, 4200 Smith School Road, Austin, Tx. 78744.

HUNTER SAFETY IS ESSENTIAL

The art of tracking a deer or calling a wild turkey takes years of participation, but the training required to handle a firearm can be just as important.

Handling firearms along with first aid, conservation and survival will be taught July 31, Aug. 1 & 2 each evening from 7 to 9:30 p.m. at the Baptist Association Center located near 2601 Salem. A \$1 registration fee will be required of each student and everyone is invited to attend the hunter safety classes.

Hunting is already one of the safest sports in Texas, however, there were 80 accidents in 1977 with 17 fatalities recorded by the P&WD. Nearly half of the accident victims were under the age of 16 and 29 were hunter-judgment related. In other words, the hunter made a mistake such as failing to identify the target, pointing a gun in the wrong direction or carrying a loaded gun in a vehicle.

A Texas hunter safety card will be issued to all students who successfully complete the course if they are 12 years of age or older. These hunter safety cards are required by some 24 states with several restricting the sale of non-resident hunting licenses to individuals who do not have the card. Texas does not require a hunter safety card to purchase a hunting license.

For more information about the class, call the Texas Parks and Wildlife Department at 806-744-6847.

TURTLES IN FARM PONDS

Most anglers believe that

turtles eat fish in farm ponds, but recent studies indicate that only five percent of the turtle's diet is fish and they are beneficial if the population is kept at the pond's carrying capacity.

Actually, turtles are a scavenger and most of the fish eaten are dead at the time the turtle finds them. Like the vulture, the turtle is nature's way of keeping the pond clean.

Although turtles do not harm the fish population, they are often a nuisance to fishermen and sometimes need to be controlled. At the present time, there is no known method of completely eradicating turtles from a pond.

There are several methods of reducing the number of turtles including the use of rifles, underwater or submerged traps and surface traps.

Shooting is effective, but can be dangerous because ricochets may strike livestock or humans in the area.

Trapping is the most effective

method of removing turtles from a pond. Submerged traps are needed for snapper and soft-shelled turtles. Wire basket traps similar to fish baskets can be built. The opening should be large enough to permit a large turtle to pass through. The basket should be three or four feet in length and two feet in diameter. Heavy gauge welded wire is a good material to use and the mesh size can vary depending on the size of turtles in the pond.

A door 12 to 18 inches square should be cut in the end of the trap opposite the funnel to help in the removal of the turtles.

Surface traps include log and tilthboard mechanisms. Log traps are made to furnish a turtle a place to sun itself and many of the turtles will slide off into the box. Nails driven into the logs on the inside of the trap will prevent the turtles from crawling back out of the trap. Bait can be suspended in the middle of

the trap to increase the catch. Surface traps are most effective in ponds with few floating logs, stumps, or islands. All surface traps should be removed from the water during the winter and stored, as turtles are not very active during the cold months.

Many Texans rate the turtle as a really fine meat for soups and if the turtles are to be eaten, the traps should be run daily. There are many ways to prepare turtle meat such as boiled in a stew with vegetables, fried or the most common method - soup.
