TOY RAILROAD SERVES TOLK CONSTRUCTION SITE.... Appearing to be a toy train on the track is the background of this picture. A spur from the main line of Santa Fe Railway was run to the Tolk Station Construction site near Muleshoe. The steel in the foreground was brought in on the train to unload. Asouthwestern Public Service Co. official, Bob DeLoach, said the trains bypass the spur, then back in to the site as the turnaround has not been completed yet. After unloading, the trains go straight back to the main line.

Some Citizens Advocate 'Keep Natural Weather'

Cloud seeding is neither predictable nor controllable and not enough is known about clouds to make weather modification a practical art.

That was the consensus among experts testifying before a U. S. Senate hearing in Washington, D.C., in October, 1979, according to officials of Citizens for Natural Weather (CNW).

The CNW is opposed to a proposition which would permit Plains Weather Improvement Association of Plainview to resume cloud seeding operations in the southern one-third of Castro County and parts of Floyd, Hale and Lamb counties.

The issue will be decided in a June 11 balloting in the four South Plains counties.

Necessary petitions forcing the elections were secured by the weather improvement group, which had been under a court-ordered restraining order for the past two years.

The organization was relicensed in January and has started its intentions of starting a new cloud seeding program.

CNW bared portions of the testimony in order to urge a vote against the planned resumption of the weather modification process.

During testimony before **Methodists**

Bible School

Slated June 9

First United Methodist Church Vacation Bible School will begin June 9 and conclude on Friday, June 13.

Classes will start at 8:45 a.m. and conclude each day at 11:15 a.m. The course of study for this year's Vacation Bible School will be the teaching of Jesus and His miracles.

the Senate panel, Richard A. Frank, administrator of the National Oceanic and Atmosphere Administration, told members, "Very little experimentation has been done to determine the efficiency

Phone Co-op Scholarships Given Seniors

Five Area Telephone Cooperative, Inc. and First National Bank of Muleshoe, have released the 1980 scholarship recipients among area seniors.

Receiving the \$400 scholarships this year are Tamara Jones, Springlake-Earth School, daughter of Mr. and Mrs. Warren Jones; Tanya Ray, Sudan School District, daughter of Mr. and Mrs. Jeny Ray, and Tommy Wheeler, Muleshoe School District, son of Mr. and Mrs. George Wheeler.

Each year the Cooperative receives from 25 to 40 applications, explained a spokesman for the cooperative. "As a part of the application form, we ask applicants to give two character references who are not related to them," explained the spokesman.

"Through these references, we learn about the quality of these young people. Listed among the qualities are: honesty, integrity, moral character, high level of standards, aspirations respect for families, hard-working, considerate of adults and peers, ability to set goals and attain them, desire to continue their education and fill their responsible position in life."

"We wish to take this opportunity to wish these

of hail suppression and weather modification techniques."

"We must learn much more than we know now about the economic benefits and costs of weather modification, about the less tangible impacts on society of operational programs and about the environmental impacts of deliberate change in the weather."

In addition, Harlan Cleveland, chairman of the

'80 Tornado Season Still Lingerin On

Although May would appear to be the worst month of all for twisters, it is reminded that June is still considered a dangerous month throughout the area for the spring and early summer storms.

Also, the hours between 3 p.m. and 7 p.m. in this part of the country would appear to be the most dangerous time because that is when it is easiest for thunderstorms to form and create tornadoes, according to weather experts.

North Central Texas and the South Plains, ranging roughly from west of Lubbock to Dallas seems to be the heart of the Texas tornado zone, the U.S. weather Service says. But, few areas are safe from tornadoes. A killer tornado struck north of Austin in April and many other areas are vulnerable because they have spring storms.

For instance, warm, moist air coming up from the Gulf of Mexico can collide with concentrations of cool dry air coming across North

Record Breaking Vote Possible For Run-Off

Criminal Court Begins This Week

Criminal jury trials are expected to get underway in Muleshoe this week with fourteen persons to go on trial in 13 cases.

In the first four cases, Larry Don Vaughn will be tried for four charges of theft; followed by Richard McDonald, Kenneth McDonald and Ray Charles Thomas, all charged with theft.

Also, Joe Luis Flores is scheduled for trial on two counts of burglary; Connie Wall Vaughn will be tried for theft; Johnny Ray Vaughn will be charged for theft and Consuelo Toscano will be tried on a charge of theft.

Gloria Lopez will be tried for forgery; Jimmy Jordan Robert Charles Willard and Janice Bates Holmes are scheduled to be tried for robbery and Juan Rodriguez, Jr. and Lillian Rodriguez are charged with burglary.

Prospective jurors asked to report at 9:30 a.m. on Tuesday, June 10 include Stanley Austin, Marie Bass, Boyd Black, Robert Claunch, Bobby Clark, H. L. Griffiths, Nelda Lloyd, Randy Locke, Frances Minckler, Linda Mullin, J. E. Meeks, Walton Morris, Lionel Patterson, Kevin Seales, Margaret Stone, Frank Stegall, Maudie Speck, Lula Shanks, and Darrell L. Stevens.

Also, Rosemary A. Briggs, Elmer R. Davis,

Lino L. Salas, Ruby Clark, Billie Downing, Mark D. Williams, Robert L. Hunt, Lynda L. Altman, Johnny F. Furgeson, Archie E. Scarbrough, Jon Curtis Buhrman, Bertie S. Purcell, Wayland R. Baker, Bobbie U. Burris, J. E. Wilhite, Robert Kindle Jr. John W. Smith, Eddie M. Hodges and Ed W. Nichols.

And, Mrs. Vera Haire,

Construction Starting Again On Highway 84

Lloyd Killough from the local office of the Texas Highway Department, said that if weather conditions cooperate, road construction will start again on the Highway 84 project in west Muleshoe.

School Board To Be Busy During Meet

Monday night, the Muleshoe Independent School District Board of Trustees will meet in regular session to consider numerous items of business.

Resignations of personnel will be considered, as well as employment of new personnel, bank balances, operating budgets and tax collections will be reviewed, approval will be given for the expenditure for a computer math program and Kerry Moore will present a proposal for improvements to the stage and auditorium.

Also, a report will be given on the Bailey County Appraisal District and board members will consider purchasing drafting equipment from Jesse Click, approve minor changes to the school calendar for 1980-81, consider nominations for trustees of the Texas Association of School Boards approve board policy changes, consider bids on a roof for Richland Hills Primary School and consider changes for the 1980-81 driver education program.

In other action, the board will consider the Muleshoe Independent School District Reorganizational Plan, approve the annual update of the Five Year Plan and hear the Super-

Absentee Balloting Breaks All Records

By the time most of you read this edition of the Bailey County Journal, the final vote will have been cast, the ballots tabulated, and the name of the winners will be known in two local contests which have created much interest and concern among county residents.

For some candidates, the campaigning has been low-key and for others, it has been a strongly contested race. In this second Democratic primary for Bailey County, the two local offices have far overshadowed the three state contests listed on the ballot. Locally, Jerry Hicks and Bob Henderson were seeking the office of Sheriff of Bailey County and R. L. Scott and L. K. Dean were seeking the Commissioner of Precinct One slot. Winner of the election to the Democratic ballot for Commissioner will be facing Republican Tom Freeman in the November general election. There is no Republican candidate for the sheriff's office.

Totally unexpected by many courthouse observers was the record-breaking turnout of absentee voters. By the time absentee balloting was all over last Tuesday, 207 absentee ballots had been cast, with one more expected to come in from the hospital.

Previously, the absentee vote record was 191 and was set prior to the general election in 1976 when Jimmy Carter and Gerald Ford were seeking the presidency. This prior record was also the total of both Republican and Democratic ballots cast during that absentee vote.

In Bailey County, prior to the first primary, 3,710 voters were registered for

both the Democrats and Republicans. In the first primary, 1,740 votes were cast. Hicks received 652

Babe Ruth Is Leading Mid-Season

With the first half of the Senior Babe Ruth season just closing, the Muleshoe Reds are leading the league with a record of 7-1. Friona is in second place at 5-4; Nazareth and Olton are tied at 4-4 and Dimmitt and Morton share the low billing with records of 2-6.

In Friona Tuesday night for a double-header, the Muleshoe Reds came home with back-to-back wins of 12-2 and 15-9.

Winning the first game was pitcher Lupe Rosales, who gave up two hits as Muleshoe collected 15 hits.

Mickey Long had one home run and two singles; Appy Sanchez got a double and a single; Shorty Sanchez had a double; Lupe Rosales had two singles; Monti Vandiver had a single; Todd Gregory had a double; Stefan Moore collected two singles; Joe Rodriguez had two doubles and Johnny McDonald had one single.

In the second game, the winning pitcher was Shorty Sanchez, who gave up seven hits, while the Muleshoe Reds collected 11 hits. Mickey Long latched on to a single; Appy Sanchez, one single; Shorty Sanchez, one single; Monti Vandiver, a double; Lupe Rosales, a single; Stefan Moore, two singles; Joe Rodriguez, a double and Roman Guilan had a double and a single.

TABS Test Results Released By School

Results of the first Texas Assessment of Basic Skills tests taken by 244 fifth and ninth grade students this spring were presented at the May meeting of the Board of Trustees.

Harold Horne, superintendent, assisted by Mrs. Elizabeth Watson, director of instruction, presented the results and a detailed analysis of the strengths and weaknesses of the students.

"While only aggregate scores will be reported to the public, individual student results will be released to the students, parents or guardian and school personnel directly involved," Horne points out.

Some 500,000 Texas fifth and ninth grade students participated in the first

Senate Bill 350 passed by the Legislature during its 1979 session.

The two graphs show the highs, in-betweens and lows of basic skills of the curriculum..... math, reading and writing.

"Particular emphasis will be given to plans already underway to work on improved programs for both individual schools and individual students during the next year," Mrs. Watson explains.

"Our purpose is to develop more effective ways of serving children," she continues.

Much of the planning and advanced work to be completed this summer will point toward specific remedies and other changes expected to be implemented next September.

Carlisle, Zahn Wedding Vows Exchanged

Miss Jackie Leigh Carlisle, daughter of Mr. and Mrs. Nelson Carlisle Shower Honors Bride Elect

A bridal shower honoring Margaret Denise Brumley bride elect of David Williams, was held Friday, May 23 at the Methodist Church parlor.

The serving table was covered with a white linen cloth and centered with an apricot floral arrangement. Punch, cookies and sandwiches were served from silver appointments.

The hostesses gift was an almond colored mixer.

Special guests included her parents and sisters and her grandparents from Hereford and his parents, Mr. and Mrs. Marion Williams.

of Goodland became the bride of Kendon Brett Zahn son of Mr. and Mrs. Bennie Zahn of Littlefield at 2:00 p.m. Sunday, June 1 at the Duggan Ave. Church of Christ in Littlefield.

The double ring service was read by Mike White of Lubbock.

The church isles were lighted with white candle pew poles and greenery. The couple stood under an arch of greenery with beige and brown bows. Spiral candle holders with beige and brown candles adorned both sides of the arch.

Given in marriage by her father, the bride chose a formal white gown styled with a V-neck bodice with a high lace neck overflowing the bodice. Chiffon long sleeves with a lace ruffle cuff. The con-

trolled a-line skirt featured an accordion pleated flounce that swept into a chapel train with the lace ruffle hem. The chapel length veil of silk illusion was encircled with lace from the crescent head piece. She carried a nose-gay of beige and brown silk spring flowers attached to a white Bible.

As something old the bride carried a white lace trimmed handkerchief, which was given to the bride's mother as something old, by the late Mrs. Edith (Joe) Wells. As something new the bride's dress. As something borrowed the bride wore a heart locket from her maternal grandmother, Mrs. B.E. Turner and a silver ring from her paternal grandmother, Mrs. Harold Robinson. As something blue she wore a blue

garter given to her by her great aunt, Mrs. Otis Witcher.

Maid of honor was Julie Carlisle and bridesmaid was Lori Carlisle, sisters of the bride. Flower girls were Brandy Risinger and Liza Zahn. The bride's attendants wore a beige lace blouse belted to a

peplum. A dark chocolate brown crepe-de chine skirt was flounced and laced.

The groom was attended by Layne McKinnon, as

best man, Blake Altman as groomsman, and Corley Hutton as ring bearer. The groom and his attendants wore chocolate brown tuxedos. Candlelighters were Sheldon Zahn, brother of the groom, and Kip McElroy. Ushers were Sheldon Zahn and Chad Smith.

A reception was in the fellowship hall of the church directly after the wedding. Registering

guests were Betsy and Susan Lunsford. Serving at the bride's table were Sally Lunsford and Traci Smith. Serving at the groom's table were Vicki Zahn, Kristy and Renea Altman.

After a wedding trip to Ruidoso, N.M. the couple will reside in Littlefield. Jackie was a 1980 graduate of Three Way High School. Kendon was a 1979 graduate of Littlefield High School and is engaged in farming.

Generous He--May I have the next dance? She--Sure. I don't want it.

What has become of the ancient and respected doctrine that people should earn what they enjoy?
It has been finally proven, a few million times, that it is harder to keep one's mouth closed than open.

OES AES Installation Of Officers

Mr. and Mrs. Wayne Williams, Worthy Matron and Worthy Patron of Muleshoe Chapter No. 792, Order of the Eastern Star, presided at the meeting of the Chapter, Tuesday evening, June 3rd, in Masonic Hall. The Holy Bible was opened upon the altar, Pledge of Allegiance given and America the Beautiful sung.

The Worthy Matron extended a cordial welcome and introduced Derrell Nowell, Worshipful Master of Muleshoe Lodge No. 1237, A.F. & A.M.; Mrs. Eulaine Phillips, Member of Muic Committee of the Grand Chapter of Texas, O.E.S. and Mr. and Mrs. Jimmy Craft of the Earth Chapter No. 870.

Invitations were received to a banquet honoring General Grand Chapter Officers in Sheraton-Dallas Hotel Grand Ballroom, July 19th; to a Summer Sunshine Tea honoring Mrs. Betty Phillips, Humanitarian Committee, in Lubbock, June 29; and to the Homecoming of Mrs. Dixie Jean Johnson, Worthy Grand Matron of the Grand Jurisdiction of New Mexico, June 7th, in Clovis Masonic Hall.

Resolutions of Respect were read for Mrs. Pam Kerr Fowler, daughter of Mr. and Mrs. Ernest Kerr.

This was the last meeting for Mr. and Mrs. Williams as Worthy Matron and Worthy Patron and they gave a gracious farewell address and were presented gifts from their officers and Past Matron's and Past Patron's certificates. The annual installation of officers was held with the following being installed: Mrs. Lavonne Hinkson, Worthy Matron; Frank Hinkson, Worthy Patron; Mrs. Margaret

Epting, Associate Matron; Alton Epting, Associate Patron; Mrs. Mary Farley, Secretary; Mrs. Clara Lou Jones, Associate Conduress; Wayne Williams, Marshal; Mrs. Ruth McCarty, Organist; Mrs. Vera Clay, Adah; Mrs. Eulaine Phillips, Ruth; Mrs. Louise Williams, Esther; Mrs. Faye Wellborn, Electa; Bob Phillips, Warder and Owen Jones, Sentinel. The officers who were absent, due to illness or out of town, will be installed at a later date.

The installing officers were: Glenn Lust, the son-in-law of Mr. and Mrs. Hinkson, Installing Officer; Mrs. Barbara Lust, their daughter, Installing Marshal; Mrs. Hazel Nowell, Installing Chaplain; Mrs. Mary Farley, Installing Secretary; Mrs. Jean Craft, Earth Chapter No. 870, Installing Organist; Elbert Nowell, Installing Warder and Derrell Nowell, Installing Sentinel.

Mrs. Hinkson's theme: Light, Happiness and Joy; her emblem, Star and Music note; motto, "The Joy of the Lord is your strength" Nehemiah 8:10; scripture, "Ye are the light of the World" Matthew 5:14 "When they saw the Star, they rejoiced exceedingly, with great joy" Matthew 2:10. Colors are orchid and white; flower, flowers in season; "Take time to laugh, it is the music of the soul".

The dedication, in Mrs. Hinkson's year book reads "For her devoted and unselfish service to our beautiful Order, we dedicate this year to a Past Matron and faithful member and our dear friend, Mrs. Mary Farley". In expressing her gratitude for this honor, Mrs. Farley says it is the greatest she has received. She is now

serving her tenth year as Secretary and reporter for the Muleshoe Chapter.

Two solos were sung by Mrs. Charleta Trieder. She was accompanied on the piano by Mrs. Jean Craft.

Mrs. Hinkson expressed her appreciation to her installing officers and presented them gifts.

At the close of the installation, refreshments were served from an appointed table by Mrs. Margaret Epting. Mrs. Sidney Dell Bullock was assisting hostess.

"Rock-N-Roll Jamboree"

Thursday, the Nursing Home held a "Rock N Roll Jamboree". Ora Roberts and Marie Ingram were presented with a long stemmed carnation, a token of appreciation, for rocking the longest.

Mrs. Stancell said, "We wish to thank each one that helped support the 'Rock-A-Thon' and took an interest in it. Our thanks to the Nursing Home and hospital Aux., who served refreshments. To Oma Stratton who conducted our bake sale."

Also added Mrs. Stancell "The Kiwanis for their donation, interest and support. Our thanks to Lehman Jacobs and Retha Tiggs, Jacque Baker and his quartet, Mrs. John Agee, Kathy Hardage, Rachelle Hardage and Shelly Sain for providing entertainment. Our thanks to Rachelle Hardage and Shelly Sain,

Labor Market Survey

South Plains Community Action Association (SPCAA) Manpower Services will be conducting a labor Market Survey in the South Plains area throughout the month of June.

The purpose of the survey is to assess the employment needs and hiring practices of local businesses selected from a list provided by the Texas State Comptroller's Office.

The information acquired by this survey will be used to predict long term trends in the job market, increase cooperation between SPCAA and the business community and help determine the local manpower needs, including those of the CETA on-the-job-training program in the private sector.

It is expected that this knowledge will be of benefit to both businesses and potential employees who could be trained for anticipated job opportunities.

The survey will be conducted in person by SPCAA staff members and VISTA volunteer workers. Individual confidentially will be maintained, but the statistical data obtained will be published for use by Manpower Services.

Dr. Larry Williams, data processing consultant from Lubbock, helped to design and will assist in the analysis of the survey.

members of the Rainbows for helping us all day".

Mrs. Stancell also said she would like to thank all the ladies that baked the pies and cakes.

Mrs. Stancell also said, "She would like to thank all the ladies that baked the pies and cakes. Thanks to the radio station, Muleshoe Journal, Cable T.V.

Steinbock, Dyke To Be Married

Irene Steinbock, Lazbuddie and Bennie Dyke of Muleshoe are planning to married Saturday, June 14, at 7:30 p.m. in the Lazbuddie Baptist Church.

No local invitations are being mailed.

Slumber Party

Kim Powell hosted a slumber party Friday night, May 23, following the eighth grade graduation.

Attending were Donene Cox, Missy Fisher, Shawni DeLoach, Tatia Newsom, Sharla Harrison, Shanda Masten, Jeannie Nix, Sherry Powell, Pam Witherspoon and Tammi Gore.

Sudan Eighth Grade Graduation

Sudan eighth grade graduation was held Friday night May 23, when seventeen students received their diplomas. The processional and recessional "Largo" was played by Libby Mudgett.

Rev. Truman Johnson, pastor of the Baptist church, gave the invocation followed by the salutatory address by Missy Fisher. Missy is the daughter of Mr. and Mrs. Lee Roy Fisher. She had a grade average of 95.28.

David Harper, son of Mr. and Mrs. Raymond Harper, gave the valedictory address. He maintained a grade average of 97.16.

Buddy Lawrence, High School principal presented the class and Kenneth Noles, superintendent, awarded the certificates.

Elementary principal, Tommy Lacewell, presented awards to the elementary students who had a perfect attendance.

The benediction was given by Rev. Cliff Houghton, pastor of the Assembly of God Church.

Their class colors were blue and white and the carnation was the class flower. "Do not stop climbing, we're almost there", was their motto.

Class sponsors were Jana Synatsch and Roger Mac Boyles. Ushers were Jeannia Nix, Thea Mathis, Patricia Cruz, Kevin King, Craig Moore and Johnny Joe Cruz.

Chanel 6, for the publicity. Also thanks to all who pledged money and brought bake goods and to our residents for rocking."

Christie Phillips Fourth Birthday

Christie Phillips, daughter of Mr. and Mrs. Dewayne Phillips of Lubbock was honored on her fourth birthday, Sunday with a party in the home of her grandparents, Mr. and Mrs. Speedy Ritckie of Sudan.

Cake and ice cream were served. Attending were her parents and brother, Michael, grandparents, Mr. and Mrs. Morris Phillips of Muleshoe, her aunts and uncles, Mr. and Mrs. Darwin McBee, Robyn, Belinda and Mitzi of Morton and Mr. and Mrs. Jerry Cox, Jamie and Danene.

1950 Class Reunion Planned

The Muleshoe High School Class of 1950 is planning a 30th class reunion on July 5, 1980. They have been unable to locate the following classmates: Willie Akin, Charles Taylor, Joe Reed and Bill Stinson. If anyone has any information about any of these, please call Ellen Ladd, 272-4672 so the information can be forwarded to the planning committee.

Pleasant Valley

Mrs. Bonnie Haberer hosted the Pleasant Valley Social Club, June 3. Spiced cake and punch was served to the following members: Sena Stevens, Hattie Bickel, Lillie Wuerflein, Sue O'Hair, Lena Taylor, Bonnie Haberer and a guest Lois Burton.

There was a short business meeting. The next meeting will be held July 1.

Col. Thomas Blood, a highwayman, stole the British Crown Jewels in 1675. When he was finally caught, King Charles commuted his death sentence and gave him a lifetime pension - for being so daring.

June, The Month For Romance

MRS. KIM BLACK (nee SHELIA HUNT)
Story Page 5

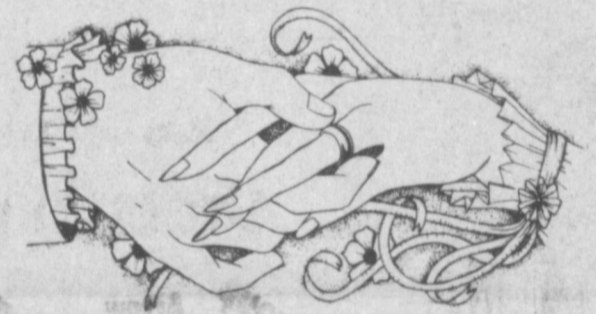

MR. AND MRS. DAVID BORRADORI

Story Page 5

ANNIVERSARY....The children of Mr. and Mrs. Max Steinbock are asking their friends to help surprise them on their 25th wedding anniversary, Sunday the fifteenth of June, from 3-5 p.m., in the home of Mr. and Mrs. Gene Smith. They are asking no gifts please.

HOME WEDDING....Mr. and Mrs. Oscar Peterson wish to announce the coming marriage of their daughter Jan to Donnie Templar. The bride is 1977 graduate of Clovis High School. Donnie is the son of Mr. and Mrs. Jack Templar of Muleshoe and is a 1974 graduate of Lazbuddie High School. Vows will be exchanged on June 15, in the home of the bride's parents.

MRS. KENDON ZAHN (nee JACKIE LEIGH CARLISLE)

Sheila Hunt, Black Exchange Marriage Vows

Shelia Renae Hunt and Kim K. Black were united in marriage on June 1, at 2:30 p.m. in the First Baptist Church of Muleshoe.

The bride's parents are Mr. and Mrs. Robert Hunt of Muleshoe, and parents of the bridegroom are Mr. and Mrs. Ralph Black, of Muleshoe.

Rev. Charles Murray, brother-in-law of the groom, and pastor of the First Baptist Church, Ellisville, Mo. officiated at the double ring ceremony.

Presented in marriage by her father, the bride wore a formal gown of white organza fashioned with a Queen Anne neckline edged in chantilly lace. The empire bodice had an overlay of lace with re-embroidered medallions embellished with seed pearls. Bands of lace edged upper lace cap sleeves where full sheer lantern sleeves attached and also the cuffs at the wrist. The A-line skirt had bands of lace extending down the front sides and encircling the skirt that flowed into a chapel length train. The headpiece was a Juliet cap of matching lace with a fingertip lace-edged veil of illusion.

She carried a cascade of cymbidium orchid, white

and orchid majestic daisies; orchid, lavender and purple asters; exquisite miniature carnations, purple statice, baby's breath, and podocarpus greenery tied with white lace and orchid and white satin streamers.

Following tradition, something old was a locket belonging to her mother, something new was her gown, something borrowed were earrings from Sue Gibson, the matron of honor; and something blue was her garter.

The couple repeated their vows before an arch candelabra decorated with boston fern, emerald leaf, and palm fans which held fifteen lavender tapers. Flanking each side were trellises covered with English ivy and whimsical lavender colored butterflies made from metallic filigree ribbon. Arrangements of palm fans, emerald leaf, boston fern, and orchid daisies at the bases of the trellises completed the garden-like setting.

Traditional wedding music was given by Mrs. J.B. Jennings at the organ. Mrs. Betty Gunnels, of Clovis, N.M., pianist, accompanied Mrs. LeAnne Rogers, Clovis, N.M. who sang "We've

Only Just Begun" and "The Lord's Prayer".

Candlelighters were Chad Redwine, Hereford, cousin of the bride, and Lisa Black, Muleshoe, cousin of the groom. Chad wore a tuxedo identical to the other male attendants. Lisa wore a formal length gown of lavender polyester designed with off the shoulder elasticized neckline and waist. Fresh flowers decorated a comb caught in her hair.

Mrs. Lonnie Gibson of Muleshoe, served as matron of honor. Bridesmatron was Mrs. Marshall Pool of Muleshoe, and bridesmaid was Tori Hunt sister of the bride, also of Muleshoe. They wore matching formal gowns of deep lavender semi-sheer polyester by Madison Avenue. Self ruffles accented the scoop necklines and lower edges of the full and the lower edges of the full skirts. They wore white straw hats with bands of matching dress fabric. Each carried white lace fans with cascading bouquets of the bride's chosen flowers.

Lori Black of Midland, niece of the groom, was the flower girl and she wore a leno-weave lavender floral gown designed with high waist and scoop neckline. She carried a

lace basket adorned with a nosegay of orchid daisies, exquisite carnations and baby's breath filled with love knots in the bride's chosen colors. Ringbearer was Rusty Black, Midland and he was attired in tuxedo and carried a satin ring pillow.

The bridegroom wore a gray ascot tuxedo by After Five. It was one button, single breasted accented with notch lapels and color trimmed with satin braid. The white shirt featured pleated wing collar with gray banded bow tie. He wore a boutonniere of orchid button poms, baby's breath and statice.

Gene Rogers, nephew of the groom, served as best man. Groomsman were Randy Waggoner and Eddie Waggoner of Bledsoe, nephews of the groom. All male members of the wedding party were attired in tuxedos identical to the bridegroom and wore boutonnières of baby's breath and orchid button poms.

Ushers were Curtis Hunt brother of the bride, and Mike Henry, cousin of the bride. They seated grandparents of the bride, Mr. and Mrs. Buford Hunt and Mr. and Mrs. Dempsey Smith all of Muleshoe.

The bride's mother chose a formal gown of gray polyester with lavender floral print designed with blouson effect over the bodice and cape sleeves. Her corsage was an orchid cymbidium orchid. The mother of the groom wore a formal gown of blue polyester with a sheer cape. Her corsage was a white cymbidium orchid.

A catered reception followed the ceremony in the church fellowship hall. The bride's table was skirted with white taffeta and overlay of organza edged in taffeta swags. The three tiered wedding cake was separated by white columns and each tier was decorated with clusters of orchid, lavender and purple asters, purple statice, exquisite miniature carnations, white button poms, baby's breath and podocarpus greenery. Four heart shaped cakes surrounded

the wedding cake. Garlands of baby's breath and chosen flowers encircled the cakes and complimented the arrangement. A silver candelabra with five white tapers centered the table. Ceramic lukin bride and groom made by the matron of honor was placed at the base of the candelabra. Silver punch service and crystal serving dishes were used.

Kristi Henry, Denise Hunter and Nina Pitcock presided.

The groom's table was covered with brown antique satin. A brass seven-branched candelabra centered the table and held bronze votives. Copper coffee urn and appointments were used. The bridegroom's cake was chocolate in the shape of a horseshoe and decorated with a gold horseshoe holding macrame framed engagement photo of the couple. Symbolic wedding rings were placed in front.

A lariat rope decorated the cake plate and was tied in a square knot at the front. Starla Black, niece of the groom, served the cake.

Mrs. Willie James, Mrs. Ken Angeley, Mrs. Eugene Shaw, and Mrs. Joe Rhodes assisted with hospitality.

Tammy Jones, Muleshoe and Angie Murray, Ellisville, Mo. both nieces of the groom, distributed birdseed to the guests from a straw basket container held in white wrought iron stand decorated with ivy.

For her wedding trip to Ruidoso, N.M. the bride wore a pantsuit of dark lavender with a white eyelet overblouse. Her corsage was a silk orchid made by Mrs. Ernest Ramm.

The couple will reside in Muleshoe where Kim is self-employed and Shelia is employed at the First National Bank.

Kacy Henry, cousin of

the bride, presided at the registration table which was draped in white organza with organza swags and contained the Bride's book, plume pen and the throw away bouquet. Many local guests and out of town guests from Midland and Ellisville, Missouri were registered.

A rehearsal dinner was prepared and served by members of the groom's family. The outdoor affair was held in the backyard

of Mr. and Mrs. Rex Black. Bar-B-Q and all the trimmings were served to the wedding party and a number of family members and guests.

The bride was feted with a pounding of spices and staples on Friday night following a Mexican dinner at Leal's Restaurant. The event was hosted by Mrs. Marshall Pool in her home. Those attending were Mrs. Sarah Black, Nina Pitcock, Mrs. Brenda Black, Mrs. Sheryl Altman, Mrs. Kristi Whitt, Mrs. Sue Gibson, Mrs. Kim Puckett, Tisha Harris and the honoree.

Cindy Davis, Borradori Married In Las Vegas

Mr. and Mrs. Cleon Davis announce the marriage of their daughter, Cindy, to David Borradori, son of Mr. and Mrs. Dan Borradori, San Luis Obispo, Ca., on May 3, in Las Vegas, Nv. He is a vice-president for Red Ball Motor Freight, Inc., and she is a secretary at Sandia National Labora-

tories. The couple reside at 29 Callie Vadito, NW, Albuquerque.

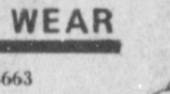

Signs of the Weather
"Think it will rain this afternoon?"
"I wouldn't be surprised. I've got a new hat, a fresh shoeshine, and I've just had my car washed."

Free advice, regardless of its origin, is almost worthless.

Tornado...

Cont'd. From Page 1

derstorm or tornado warning bulletin means a severe thunderstorm or tornado actually has been sighted in the area or indicated by radar. It is advisable to take cover immediately if the warning is issued in your area. The all-clear bulletin indicates the storm or the threat of a storm has ended in the area previously included in a severe thunderstorm or tornado bulletin.

When a tornado warning is issued, the TMA urges people to get inside as quickly as possible. Most people killed in the Wichita Falls tornado last year were in vehicles trying to outrun the storm. If you are inside, open windows on the side of the house away from the storm's approach if there is time to do so. If the house has a basement, take refuge there near the wall in the most sheltered and deepest part. If there is no basement, take cover in the smallest room with stout walls. Even a closet will do. Or lie under a heavy piece of furniture against inside walls near the center of the house. Seek shelter away from windows and upper floors of buildings. Keep listening to a battery-powered radio for emergency bulletins.

If away from home, take shelter in a steel-framed or reinforced concrete building. In open country, move away from the tornado's path at right angles if you know you can outrun the tornado which can move up to 70 mph. If unable to escape its path, lie down flat in a low place that is reasonably safe from flash floods, shield your head and cover your face with clothing to prevent suffocation from dust. Do not stay in a car, trailer or mobile home.

Note...

votes in the first primary, Henderson received 757 votes and Pete Black had 151 votes for sheriff.

R. L. Scott got 156 votes and L. K. Dean received 143 votes to lead the field for commissioner.

Early Saturday morning, the temperature was already beginning to edge upward, and a bright sky heralded a bright and clear day to go to the polls. On Friday, the high temperature recorded by the local National Weather Service gauges was 106 degrees, a mark that was expected to be surpassed on Saturday.

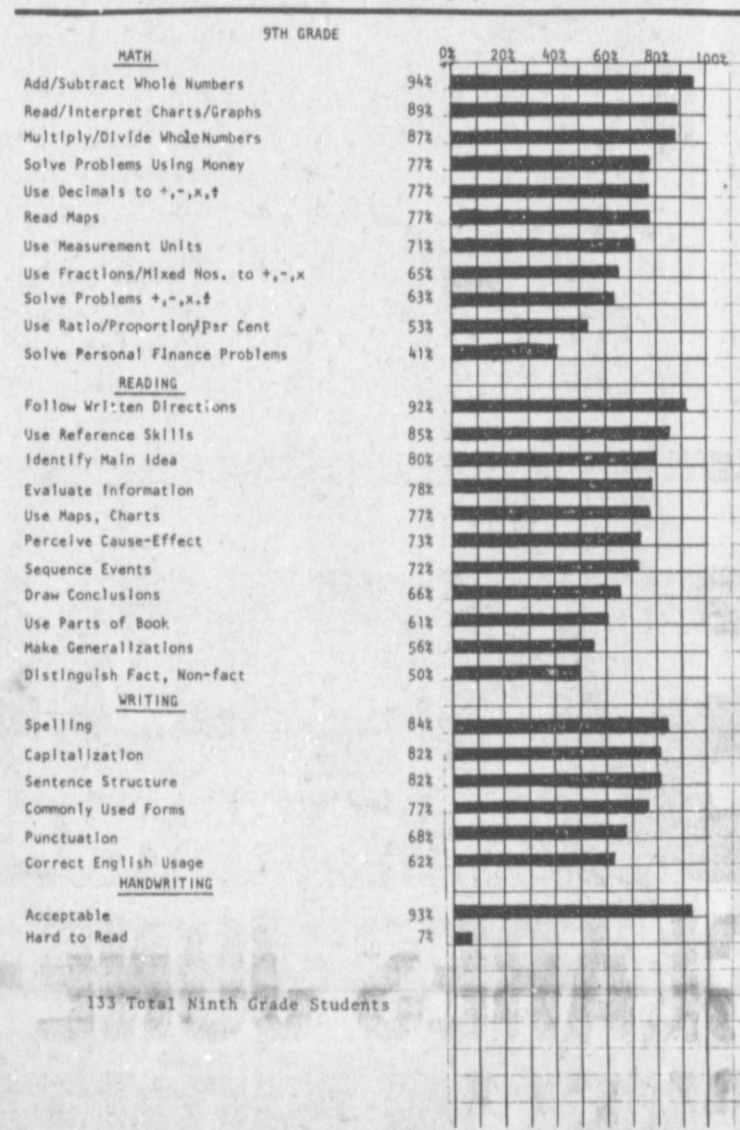

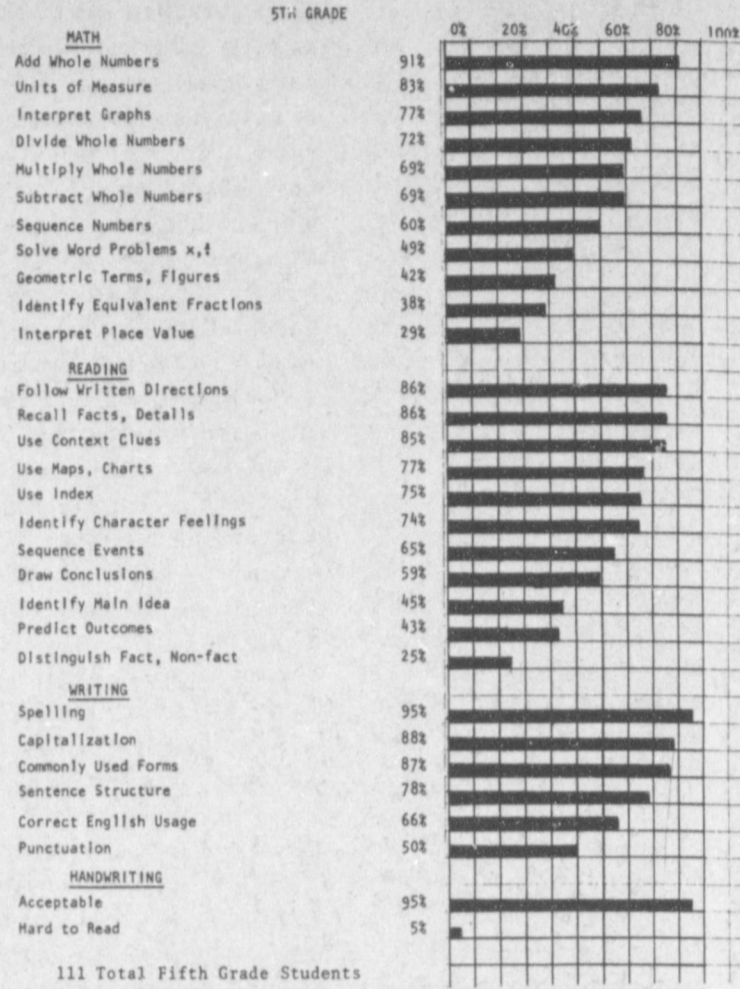

Little to no moisture was predicted for this weekend, and the weather was not expected to be a factor in what was predicted to be possibly a record turnout of voters in this county.

Also, Cleo Ward, Judith B. Jones, Tommy Glen Jinks, Larry D. Ross, Wanda Gramling, Gary Maurice Hanks, Noland H. Harlan, Anita S. Allgood, Billy Tom St. Clair, Juanita Sandoval, Martha Robinson Bush, Karen Rena Treider, Dorris W. Ashford, Sandra Wilson, Rey Del Toro and Thomas H. Burgess.

Prospective jurors scheduled to report Thursday, June 12, at 9:30 a.m. are Dennis Wayne Eaks, Derrell Dwayne Nowell, David Alton Parker, Ruth Chaney Clements, Hattie Kinard, Dale J. Roberson, Ruth Wafford Bates, Ted Millsap, Larry Combs, Jim Carpenter, Lindon Phillips, Andrea J. Ybarra, James R. Jones, Rocky Gore, Pete Guinn Jr., John Street, Ed Nickels and Charles Hamilton.

duction, cropping patterns deforestation and irrigation."

"Learning more about the unintended consequences of modern industrial civilization is an essential part of learning how to change weather in ways that benefit people," he added.

"We still have not learned how to get reliable results from cloud seeding," D. Ray Booker, president of Aeromet, Inc., told the probers, "and our attempts to do it are still shrouded in controversy and doubt."

Four members of the committee on weather modifications of the American Meteorological Society also testified. The four members-- Jeff Hill, Robert Sax, Richard Semonin and Donald Veal-- told the panel that because weather modification is not now developed as readily applicable technology, it seems to us

that agencies who will ultimately apply the technology must be involved in the technological development, according to a spokesman for the Citizens for Natural Weather. "We believe that weather modification is in the research phases," said the spokesman.

And, Louis J. Battan, member of the National Advisory Committee on Oceans and Atmosphere, noted, "Regrettably, in the absence of adequate experimental controls, it is not possible to assess the actual effort of cloud seeding programs."

Officers of Citizens for Natural Weather include: Bennie Claunch of Bula and Nolon Henson of Happy, co-chairman, Lloyd Kurtz of Canyon, treasurer and Mrs. Clifton Stodgill of Silverton, secretary.

29 pounds lighter, I'm my husband's favorite cookie!

Lee Motley's True Story:

After I had my third child, I couldn't seem to shake the extra pounds I'd gained. Although I'm only 5'3 1/2", my weight was up to 138. It was so discouraging, because I didn't look good in a bathing suit or jeans anymore. But when I realized that my husband wasn't giving me compliments anymore... well, that's when I decided to call Pat Walker's.

I started to see results within a few weeks. Pat Walker's no-sweat passive exercise unit really does a good job of toning up a flabby body (my worst area was around my hips). Also, the counselors showed me how I could balance my eating habits so I wouldn't have to give up the homemade cookies and cakes I love to bake for my family and friends. I've gone from a size 11 to a 5--back to my old self again. Now when my husband calls me "The Cookie Monster," I know it's because he likes my baking.

Honestly, I think Pat Walker's will work for you like it did for me.

Free Figure Analysis

Make an appointment now for a free, no-obligation consultation at Pat Walker's. We'll explain how our program works, from the no-muss, no-fuss passive exercise treatments to our belief in your right to privacy. We'll tell you how much you need to lose, how long it will take, and the total cost of your complete figure correction, based on four dollars per thirty-minute treatment.

Sudan High School Graduation

Thirty three students graduated Thursday, May 22, from Sudan High School.

Rev. Kerry Hurst, pastor of the Methodist Church gave the invocation followed by the address by Art Lynch, Minister of the Church of Christ.

Pam Kent gave the salutatory address. She is the daughter of Mr. and Mrs. Pat Kent. Rhonda Gatewood, daughter of Erlene Gatewood and Ronnie Gatewood gave the valedictory address.

The girls of the class sang their class song, "Theme from Mahogany" accompanied by Reydon Stanford.

High School Principal, Buddy Lawrence, presented the class and James Withrow, president of the school board, presented each with their diplomas.

Kenneth Noles, supt. of schools, made the presentations of awards with scholarships going to valedictorian and salutatorian, Rhonda and Pam as well as Alfred Lopez, Billy Williams, Tanya Ray, Lance Duncan and Carol Williams.

Energy Saving Tips

Maximize energy saving to live with today's energy limitations, advises Bonnie Piernot, a family resource management specialist.

Start with the hot water and hot-water-using appliances, she recommends.

Mrs. Piernot is with the Texas Agricultural Extension Service, the Texas A&M University System. Hot water accounts for 12 percent of the energy used by Texans, the specialist points out.

For a beginning, try these tips:

Wait until you have a full load before using the dishwasher.

Run the dishwasher at night during hot summer months to reduce heat-load during the day.

Insulate your water heater.

Repair leaky hot water faucets... they can waste as much as 100 gallons of hot water a month.

Water heaters are most efficient when clean.

Therefore, once a month, drain out two to three gallons of water to remove rust and sediment.

This saves energy and extends water heater life.

Smart Co-Ed First Co-ed: "Why are you taking that whistle with you tonight?"

Second Co-ed: "I have a date with a basketball player."

The class sang the school song and the benediction was given by B.G. Tyner, pastor of the Church of God of Prophecy.

Class colors were black and gold with the yellow rose the class flower. Their motto was "Fortune may have yet a better success in reserve for you and they who lose today may win tomorrow".

Senior sponsors for 1979-1980 were Patsy Fisher and Porn Maxwell. Ushers for the event were Glenda Cardwell, Janie Brown, Gloria Martinez, Mike Hill Troy Moss and Dan Mesamore.

Muleshoe Singing Group Meets

The Muleshoe Singing Group met in the fellowship hall of the Trinity Baptist Church with 24 present.

J.C. Shanks, president, opened the meeting by leading the song "Turn the Radio On", and a prayer by Cecil Rundell.

After the congregational singing there were quartets, duets and solos. The group was dismissed with a prayer by John Gunter.

SAFETY SENSE

Play It Safe

Using a walk-behind power mower saves time and assures you a neat and trim lawn... if you follow these safety tips, provided by the Outdoor Power Equipment Institute:

1. Read the owner's manual and follow the safety practices it suggests.

2. Inspect work area before mowing. Remove objects that may be thrown, and keep children and pets out of the area.

3. Avoid contact with moving parts. Shut motor off before attempting any maintenance. Don't remove the grass-catcher bag until the mower has stopped completely.

Enochs News By Mrs. J.D. Bayless

Mrs. Winnie Byars visited her daughter Mrs. Jack Parr and family Saturday. She took her granddaughter, Mr. and Mrs. Ted Reaner and girls to Friona Sunday and had dinner with them, then she visited Mr. and Mrs. Carroll Pearson in Muleshoe enroute home.

Mr. and Mrs. J.E. Layton and Keith drove to Dell City Saturday and spent till Sunday afternoon with his brother, Mr. and Mrs. Harold Layton.

Mr. and Mrs. Curley Risinger of Knox City and their grandson of Leveland and Mrs. Ruby Reid of Littlefield visited in the home of the Tom Bogards Monday afternoon.

Mrs. Goldman Stroud and daughter, Mrs. Craig Kirby visited Mr. and Mrs. V.C. Weaver at the High Plains Rest Home in Lubbock Tuesday June 3.

Mr. and Mrs. Bill Brown and family spent a week's vacation at Roswell, N.M. the past week.

Mrs. Dean McBee left April 23. Her daughter, Mrs. Doris Childres went with her and they flew to Ohio to visit Mr. and Mrs. Perry Spell. Mr. and Mrs. Spell brought her mother, Mrs. McBee home May 25 and spent a few days with her and her brother.

Bobbie Noonan of Fort Worth arrived Monday for a week's visit with a friend, Kelly Ray Alexander.

Chester Petree spent Wednesday afternoon till Saturday afternoon in the Morton Memorial Hospital.

Mr. and Mrs. Clifford Snitker attended the high school graduation of their granddaughter, Shaun Snitker Thursday at 8 p.m. at Canyon High School.

Mr. and Mrs. Donnie Nichols of Canyon came out to visit his parents, the Dale Nichols and they all went to Dell City to visit Mr. and Mrs. Jerry Nichols for the weekend.

Mrs. Faye Cox of Fort Worth also her sister, Blanche and Harold Aubrey of Littlefield visited Mr. and Mrs. J.D. Bayless Tuesday evening.

Miss Martham George was among the 550 graduates at the Municipal Coliseum in Lubbock 8:00 p.m. Wednesday. Her grandparents, Mr. and Mrs. E.N. McCall attended her high school graduation.

Mr. and Mrs. Charles Seagler of El Paso will be moving to Amherst where he will be a coach and his wife will be teaching in Littlefield.

Company in the home of Mrs. Chester Petree Thursday night were her brother and wife, Mr. and Mrs. L.O. Williams of Amarillo.

Mr. and Mrs. Bill Key attended the 25th anniversary of Mr. and Mrs. Donald Wayne Davis Sunday afternoon May 29 at Portales, N.M.

Guests in the home of Mr. and Mrs. J.W. Layhen this past week were his nephew, Mr. and Mrs. Haskel Morgan from Marietta, Oklahoma.

Rev. and Mrs. Ray Cunningham of Fluvanna and Mrs. Gracy Swanner of Lubbock were dinner guests in the home of the women's sister, the J.D. Bayless' Friday.

Visiting in the home of Mr. and Mrs. Dale Nichols recently were Mr. and Mrs. John Stelle of Leveland.

Uterine cancer is a major type of cancer among American women. Each year about 48,000 develop the disease, which kills almost 11,000 annually.

Harvesting Fresh Vegetables

Sweet corn-- Pick in milk stage (when milk-like juice oozes from kernels when crushed with the finger); silk will darken and begin drying. Cook and eat or chill immediately.

Cucumbers----- Harvest when fruits are bright, firm and green (1 1/2 inches long for sweet pickles, 3-4 inches for dills and 6-9 inches for slicing). Avoid yellow fruit. Store in the refrigerator up to five days.

Eggplant----- Harvest when fruits are near full size (6-8 inches in diameter). Keep cool and humid.

Greens---- Break off outer leaves when they are 6-10 inches long and before they start to yellow. Wash and chill immediately.

Honeydew melons-- Select melons that are yellowish to creamy white with a soft velvety feel. The rind should be slightly soft at the blossom end and should have a faint pleasant odor.

Muskmelons-- Pick when the stem separates readily from the fruit under moderate pressure and leaves a circular depression. Outer rind should not have any green color. Refrigerate fully ripe melons.

Watermelons-- Pick when fruits reach full size, are full in color and the ground spot has a creamy color.

Okra---- Harvest pods at 3 to 4 inches in length and chill immediately.

Onions----- Pull onions when tops fall over and remove any dirt. Let dry for a day or two and then clip off tops 1 inch above the bulb. Store in a cool, dry place.

Peas---- For shelling, harvest peas when they are shiny green and fully developed. If pods are to be eaten, harvest before seeds are 1/2 full. Wash and chill immediately.

Bell peppers---- Pick when 4-5 inches long with full, well-formed lobes.

Irish potatoes-- Irish po-

tatoes should be 2-3 in. in diameter while new potatoes can be eaten at any size. Let potatoes dry several hours after digging. Remove dirt but do not wash before storing in a cool, dry area.

Sweet potatoes-- Harvest in fall before first frost. Lift to avoid cuts and bruises. Remove soil but do not wash. Cure for at least 14 days in a warm, well ventilated area before storing in a cool, dry place.

Radishes-- Harvest at about 1 inch in diameter, wash and chill immediately.

Wyoming was the first territory or state to give women the right to vote.

Fresh Produce Are Good Buys For Homemaker

Spring means fresh fruits and vegetables, so check out roadside markets for good buys on your favorite produce.

"Texas fruit and vegetable production is getting into full swing," points out Tom Longbrake, horticulturist with the Texas Agricultural Extension Service, Texas A&M University System. Roadside stands will soon be bursting at the seams with good supplies of squash, tomatoes, sweet corn, peaches, green beans, cucumbers, Irish potatoes and a host of other items."

Good buys are available from local producers who sometimes sell for less than supermarkets, says the horticulturist. And the produce is often much fresher because it comes

right out of the field or orchard.

"In checking for freshness, look for green shucks on sweet corn; straight, smooth pods on green beans; vine-ripened tomatoes; and fresh-cut squash," suggests Longbrake.

Other items available at roadside stands from now into early summer are mustard and turnip greens, collards, kale, cabbage and leaf lettuce. However, okra, watermelons, cantaloupes and southern peas won't be available in volume until late June.

"Watch for peak production sales and be prepared to can or freeze some homegrown vegetables and fruit," suggests Longbrake.

Also, some growers may have a pick-your-own deal which you could turn into a family outing.

The Sandhills Philosopher

Editor's note: The Sandhill's Philosopher on his Johnson Grass farm on Sandy Creek gets bogged down in statistics this week.

Dear editor:

Two sets of statistics I ran across the other day explain a lot about why things in this country are in the shape they're in.

One set, conducted scientifically by having people view excerpts from television programs and then answer true or false

to six questions about what they'd just seen, revealed that 83 percent of them misunderstood some part of what they'd viewed.

The other set reported that 62 percent of the U.S. population depends on television for their news of the state and the nation.

All right, if 83 percent of a majority of us misunderstand what we see on the TV news, and you throw in the added fact that only 40 percent of that news on a good day is accurate, and we're asked to elect Presidents, Congressmen and even Justices of the Peace out of that deep pool of misunderstood misinformation, you can figure out

why we're in the shape we're in. No Wonder

Mount St. Helen's has tried to cover us up with volcanic ash.

However, all is not gloomy. I have been watching the interest rate the past few months. As you know, it has fluctuated wildly, going from 10 percent to 15 percent and no telling where it is now.

This has infuriated big corporations who depend on borrowed money. "How can you operate rationally when you don't know from one week to the next what it's going to cost to produce something," they ask.

This is hilarious. Heads of big corporations ought to get out in the country and visit the farmers who

have never known from week to week what it'll cost to produce a crop or, what's more irrational, what they'll get for it when it's ready to sell.

Yours faithfully,
J.A.

When the Mona Lisa was stolen from the Louvre in Paris in 1911, six Americans paid \$300,000 apiece for forgeries, convinced they had the original.

"Hey, you can't turn around in the middle of the block."
"Oh, I think I can, officer: just give me time."

If Any
"Pa, what's a sinking fund?"

Harvest And Handle Vegetables Properly

Growing your favorite garden vegetables is only the first step to enjoying high quality, nutritious produce. Vegetables must also be harvested at peak quality and handled and stored properly.

To begin, harvest and handle vegetables carefully to avoid cuts and bruises, points out Al Wagner, food technologist with the Texas Agricultural Extension Service, Texas A&M University System. Discard any produce that has decay or rot. Wash vegetables in cold running water immediately after harvesting to remove soil, dust and other contaminants and to help lower the temperature as quickly as possible.

Wagner cites temperature, moisture and ventilation as three key requirements in storing vegetables. Proper cooling slows the conversion of sugar to starch in vegetables, some vegetables like a high humidity while others need a drier atmosphere, and good air

circulation can minimize wilting and tissue breakdown.

He offers these suggestions for harvesting, handling and storing the more common homegrown vegetables:

Asparagus-- Cut fresh, firm shoots (6-8 inches tall) at the soil line and keep under refrigeration. Lima beans-- Harvest when pods are well-filled but not yellow and keep cold and humid.

Snap beans-- Harvest before pods are completely full. Pods should be free of scars and have no strings when snapped. Keep cold and humid.

Beets-- Harvest when about 2 inches in diameter and remove all but about 1 1/2 inches of tops. Wash and refrigerate immediately.

Cabbage-- Cut head from stem when it is solid, firm and fully developed. Store in crisper and use within one to two weeks.

Carrots-- Harvest when small and succulent and not more than 1 inch in diameter. Remove tops, wash and refrigerate.

Sunbeam Home & Farm Electric Insect Killer

Here's a rugged, efficient flying insect killer; compactly designed to fit in anywhere you want to use it, outdoors and indoors. Designed for use around patio or pool. High efficiency fluorescent bulbs lined with high energy phosphor provides filtered "black light" - a powerful attractor that draws most flying insects to an electrically charged grid that kills 'em dead. No offensive odors, needs no chemical bait, and is harmless to birds and wildlife. Can be hung anywhere power supply is available using 75 lb. tensile strength link chain. Optional accessories permit wall or post mounting. Corrosion resistant steel cage; black color blends with any surroundings. 110-120 Volt A.C. (60 Hz). Provides 5,000 volts, 9MA of insect killing power. Size 15" x 15" x 20" high.

Sudan News

By Evelyn Ritchie

Weekend guests in the home of Mr. and Mrs. Bob Nelson were his parents Mr. and Mrs. A.L. Nelson of Seminole; and their daughter, Mr. and Mrs. Jackie Bruton and Natasha of Levelland.

Lee Roy Fisher returned home this week from M. D. Anderson Hospital in Houston where he recently underwent surgery. His wife, Josephine returned home with him.

Berry Nettles arrived this week from Alaska and his wife and daughters, Susan and Krista, left with him for Georgia. Susan and Krista have been staying with their parents and grandparents, the Glen Cardwells.

Mr. and Mrs. G. C. Churchman returned home from visiting their daughter, Mr. and Mrs. Larry Schweppe and Larry Dean in Serento, Ill.

Shelley Pickrell has returned home from Abilene Christian University for the summer.

Mr. and Mrs. Dodd Haragon were in Garland for a three day art show and sale during this past week.

Pal Legg is a surgical patient in the Methodist Hospital where he underwent heart surgery Monday.

Arlene Provenge was a surgical patient last week at the Littlefield Hospital.

Mrs. Randy Johnson and Todd of Breckenridge has been here to visit her parents, Mr. and Mrs. Charles Logan and her grandparents, Mr. and Mrs. Roy Day.

Linda Locke was in Wilson over the weekend to be with her mother and sister for a late Mother's Day get together. Others attending besides her mother, Mrs. Opal Roberts of Wilson, were Mrs. Patsy Bourland of Port Arther, Mrs. Winnie Winfield and Mrs. Judy White, both of Ruidoso and Mrs. Barbara Smith of Wilson.

Karen Rich and Travis and a friend, Elaine Naylor of Vernon were recent visitors in the home of her parents, Mr. and Mrs. Jack Engram. They also attended the graduation services at Amherst.

Marge Nelson accompanied her parents, Mr. and Mrs. J.T. Henderson of Whiteface to Arizona last week to attend graduation exercises for their niece and granddaughter and to

visit their sister and daughter, Mr. and Mrs. Loyd Holey and family.

Mr. and Mrs. Jack Engram were in Dumas during the weekend to visit their son, Mr. and Mrs. Kim Engram and family.

Rosa Barron plans to leave Saturday for San Angelo where she will be

attending nursing classes at Angelo State.

Diana Gardner and Jody Vernon are home from SPC in Levelland.

Sandra Humphreys attended an arts show several days recently at Cloudcroft.

U.S. approves sale of oil drilling rig to Soviet.

Mendoza Services Held Saturday

Services for Secundino NMI Mendoza 41, were held Saturday, June 7, at 3 p.m. in the Immaculate Conception Catholic Church, with Father Patrick Maker, officiating. Burial was in the Bailey County Memorial Park under the direction of Singleton Ellis Funeral Home.

He died June 4, at 4:42 a.m. in the Methodist Hospital in Lubbock.

Mendoza was born July 1, 1938 in Mexico. He married Maria Lopez, First Baptist Bible School

March 30, 1962 in Ahululco SLP, Mexico and came to Mulshoe 20 years ago from Montemorelos, Mexico. He was a member of the Immaculate Conception Catholic Church in Mulshoe.

Survivors include wife; Maria, three sons; Martine Mendoza, Joe Mendoza and Mike Mendoza all of the home; a daughter; Florinda, also of the home; parents, Mr. and Mrs. Jose Mendoza, Ahululco SLP, Mexico, four sisters, Maria Luisa Mendoza, Maria Lucas Mendoza, Candelaria Mendoza, Crecencia Mendoza all of Mexico; two brothers, Jose Mendoza, Jr. of Mexico and Juan Mendoza of Mulshoe.

Is This Week

Monday, June 9, is the start of Vacation Bible School at First Baptist Church, Mulshoe, and will continue through Friday, June 13, from 9-11:30 a.m. each day.

Each day, the children will meet in front of the auditorium to go to the general worship service, followed by going to their own department where, through Bible and character stories, songs, games and handwork, they will learn about God and how much he loves them, according to Carroll Rhodes, youth minister of the church.

School age children will go to the department that corresponds with the school grade they just completed. Pre-kindergarten children will go to the department that is the age they are in the week of Vacation Bible School.

Refreshments will be served each day, and on Friday, at 11:15 a.m. in the church auditorium, there will be a short commencement program to which everyone is invited, especially parents.

Diplomas will be presented to all who attend the school, plus special Perfect Attendance Awards to those who attend every day. To conclude VBS, everyone will go to the old city park for a picnic.

All children from age three through junior high school, regardless of race or religious beliefs, are invited to come to Vacation Bible School and have fun learning about God and His great love for each and everyone, concluded the youth minister.

Open Letter To The Public

Citizens of Mulshoe, Bailey County and Surrounding Area.

For the past twelve months, it has been my pleasure to serve you as Highway Patrol for the Texas Department of Public Safety. Effective July 1st, I will be working in Tulia, Texas.

The people of this area have been very receptive of my family and me. We have good friends here that will always be a blessing to us. You are to be commended for your desire to be good citizens in your community and for raising your children to believe the same way. This area has the best teenagers and young adults that it has been my pleasure to work with.

It is with great sadness that my profession takes me to another community.

but with great pride I can say Mulshoe is a very nice place to live, work and raise your family. May God Bless each of you.

Respectfully,
L. J. Dulin
Texas Highway Patrol

Baron Dominique Jean Larrey, Napoleon's personal surgeon, designed the first ambulance in 1792, and used it in Napoleon's Italian campaign, 1796-7.

BIBLE VERSE
"Wherefore, if any man is in Christ, he is a new creature; the old things are passed away; behold all things are become new."

1. Who wrote the above statement?
2. Of whom is it particularly descriptive?
3. To whom was it first written?

Answers To Bible Verse
1. Paul, the Apostle.
2. Paul, himself.
3. To the new Christians at Corinth.

ATTEND THE CHURCH OF YOUR CHOICE

OUTMODED EQUIPMENT

This young man certainly won't get much real cleaning done with this broom. A modern street cleaning machine would do the job so much better. His straw broom makes us think of how we try to get along without God, without spiritual values, without church. Our life would be so much better if we would exchange this life for one that knows God and practices His precepts. Without church and God we have little or no spiritual equipment. Hearing God's word preached, being with his people, working in His church, helping others through the church all give us the spiritual equipment we need for meeting life. We invite you to attend this week and make a habit of coming to God's house.

EVERYONE IN THE CHURCH IS CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long prosper and the freedom which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

Memorial Hospital this
past week.

Mrs. H.W. Garvin atten-
ded the high school grad-
uation in Clovis Monday
afternoon. Her grand-
daughter Janet Box was
one of 500 that graduated.

W.E. Latimer is a medi-
cal patient in Cochran
Memorial hospital.

Mr. and Mrs. Jim Green
and children from Shallo-
water spent Sunday with

the Jack Furgesons. The
grandchildren are spend-
ing the week with their
grandparents and attend-
ing Vacation Bible School.

Mr. and Mrs. Joe Sow-
der visited her father A.G.
Taylor in Muleshoe Sat-
urday.

S.G. Long was in Canyon
Thursday evening to at-
tend the graduation of his
granddaughter Carolyn
Miller from Canyon High
School.

Last chance for your best yield yet

Consider these facts about foliar
feeding:
Fact: It is the only way to
supply added vital nutrients during
a critical period in your crop's
development.
Fact: Tests show that up to
95% of the liquid fertilizer applied
to plant foliage is absorbed by
the plant.
Fact: A growing number of NA-
CHURS customers report signifi-
cant increases in crop yields and
quality when foliar feeding is used.

Fact: NA-CHURS pioneered
foliar feeding, with tests as early
as 1946.
Call today and let's discuss a
foliar feeding program best suited
to your crops' needs.
