## '73 Bailey Harvest To Show Increase

### Muleshoe To Host Shortcourse Sept. 5

### Cotton, Corn, Sorghum Prospects Excellent

Farmers and ranchers in the Bailey County area will have an opportunity to hear some

of the finest speakers talk on a number of important related

around **muleshoe** with the journal staff

Sherman Presley and Ross McKillip from Muleshoe participated in the Perryton Rodeo recently.

Presley placed in tie-down roping, and McKillip placed in bull riding at the rodeo in Perryton.

Mr. and Mrs. Bob Donaldson, Billy and Rob, of Muleshoe; Mr. and Mrs. David Beckett of Muleshoe; Mr. and Mrs. Arnold Beckett of Sudan, and Mr. and Mrs. O.C. Hall and Debbie of Sudan; and Tanya Burton of Muleshoe all spent last week trout fishing at Mora, N.M. The fishermen reported catching their limit of trout.

Lieutenant Governor Bill Hobby has announced the re-appointment of Senator Max Sherman of Amarillo to the Texas Legislative Council.

Also named were Senators Jack Hightower of Vernon, Jim Wallace of Houston and Grant Jones of Abilene. Senators Sherman, Patman and Hightower are re-appointments to the council.

The Legislative Council conducts research and drafts bills for members of the Texas Legislature. The Lieutenant Governor is chairman of the council, which consists of 10 representatives.

### Lack Of Funds May Close Wildlife Refuge

For 35 years the Muleshoe National Wildlife Refuge has provided a safe winter nesting area for thousands of waterfowl and migrating birds, as well as providing scouts, research groups and nature lovers with a change of scenic beauty of the outdoors.

But unless Congress adds money to President's Nixon's budget, the days of public enjoyment at Muleshoe will come to a close. And unless the money is added, the 16 refuges across the nation will be closed and 10 others will face major reductions. All three refuges in

subjects on small grain and stocker cattle management.

This educational meeting will be held on Wednesday, September 5, at the Bailey County Electric Co-op building in Muleshoe, starting at 9 p.m.

The following topics and speakers have been scheduled for this meeting:

Dr. James Supak, Area Extension Agronomist, Texas Agricultural Extension Service, Lubbock, will speak on "Small Grain Varieties for Forage Production".

Jim Valentine, Area Extension Soil Chemist, Texas Agricultural Extension Service, Lubbock, will speak on "Fertilization of Small Grains".

Dr. Jerry Gleason MDV, Veterinarian at the Muleshoe Animal Clinic, will speak on "Stocker Cattle Health".

Dr. Cal Parrott, Area Beef Cattle Specialist, Texas Agricultural Extension Service, Amarillo, will speak on "Nutrition and Management of Stocker Cattle".

Marvin Sartin, Area Economist, Texas Agricultural Extension Service, Lubbock, will speak on "Economics Consideration of Stocker Cattle".

This educational program is being sponsored by the Bailey County Program Building Committee and the Texas Agricultural Extension Service.

Anyone interested in small grain and stocker cattle production is encouraged to come and attend this meeting.

For additional information, contact County Agent Spencer Tanksley at his office in Muleshoe.

VERY PROMISING . . . This field of upland irrigated cotton at YL is typical of the heavy fruitation throughout this area. The 1973 cotton harvest is getting closer each day as the month of September approaches. Area farmers are expecting a large cotton crop this year with a record number of bales expected to

be harvested off of more than 86,000 acres of cotton in Bailey County this year. The hot days and warm nights have matured the cotton very rapidly the last weeks, but now farmers are having to start irrigation wells due to the lack of moisture in this area at this time.

## 1974 Wheat Program Announced By ASCS

The Bailey County ASC Committee has announced the 1974 Wheat Program. This year there will be no set-aside requirement for 1974 and no conserving base requirement for the four-year program.

A target price of \$2.05 per bushel for wheat is established. If the price average for wheat is below the target price, producers will receive the difference between the target price and the five month national average price received by farmers. If the average price is at or above the target price, producers will receive no payment.

There will be no preliminary payment. Any payment due will be paid after December 1, 1974. If the average price is under the target price of \$2.05 per bushel for the July through November 1974 period, a producer would be paid on an amount of

bushels determined by multiplying the farm allotment times the projected yield established for the farm.

The national allotment is set at 55.0 million acres. Thus, on the average, each farm allotment will be about three times the 1973 allotment.

The total payment for a person under the wheat, feed grain, and upland cotton programs is limited to \$20,000.

The national average loan rate is established at \$1.37 per bush-

### Barker Waters Win Tourney

Richard Barker and Rogers Waters of Lubbock won the Muleshoe Country Club Partnership Golf Tournament by five strokes Sunday with 16-under-par 128.

The leaders opened with a 65 Saturday and finished with 63 Sunday on the par 72 layout.

Next with 67-66-133 were Randy Robertson of Lubbock and Bruce Chapman of Muleshoe.

## Calvary Baptist To Hold Bible Meetings

Bob Cunningham, Professor of Theology and Bible Doctrine at the Arlington Baptist Schools, Bible Baptist Seminary, located in Arlington, Texas, will be conducting a series of Bible Centered Meetings at the Calvary Baptist Church located at the corner of 18th and Avenue C in Muleshoe.

The services will be held nightly September 19 through 22 beginning at 7:30 p.m. There will be singing furnished by groups.

Friday night the Gospel Tones from Plainview will furnish very special singing. Rev. Cunningham is the pastor of the Central Baptist Church in Arlington. He has three children, Carla, Paul and David. Rev. Cunningham is a relatively young man considering the accomplishments that he has attained. He received his bachelor's degree from Wayland and his masters from Bible Baptist Seminary. He has pas-

## Progress 4-H Club To Hold Play Day

The Progress 4-H Horse Club will stage an open play day in Muleshoe on Saturday, September 1, beginning at 9 a.m. at the Muleshoe Roping Arena east of town.

Registration will begin at 8 a.m. with judging starting at 9 a.m.

This play day is open to any boy or girl under 19 years of age as of January 1, 1973. Contestants will be divided into four age groups. They are Peewee, eight years and under;

pecting set-aside acres in the near future. They must be cared for in a workmanlike manner and kept free of rodents and noxious weeds for the balance of 1973.

About half of the farms in Bailey County will have new numbers for 1974. Beginning with wheat allotment notices the new number will be on allotment notices.

A change has been made where a person with more than one allotment or base under a CAP contract may remove all of an allotment or base from the CAP contract while permitting the other allotments or bases to remain in the CAP program. For further details, contact the ASC office in Muleshoe.

## Progress 4-H Club To Hold Play Day

Young Junior, nine through 12; Juniors, 13 and 14; and Seniors, 15-19.

The following events will be held in each age group with the exception of the halter event: Western Pleasure, pole bending, reining, flag race, barrel race, break-away roping and

### Police Report

Richard Bryce Warren and Clay Dean McClenny were arrested by Sheriff Dee Clements Tuesday, August 21, after they attempted to forge a prescription for drugs at Damron Drug Store in Muleshoe. Warren was released on bond, but McClenny is still confined to the Bailey County jail.

Others arrested by the sheriff's office this week include one for drunk and one for child desertion.

The Highway Patrol arrested one for DWI and one for drunk.

The Police Department had a busy week arresting one for drunk and disturbance, one for AWOL, three for DWI, one for drunk and one for disturbance.

and 52 acres of barley.

The above information on Bailey County crops was provided by Bernis Camp of the local ASCS office in Muleshoe.

The cotton in this area is needing additional moisture at this time. Some farmers are starting up irrigation wells to finish their 1973 crop.

Farmers in this area have been extremely fortunate this year up to the present time. The area has experienced very little bad weather, including hail and wind.

LEON GREEN

### Circle Back Church To Have Revival

A series of revival services will be held at Circle Back Baptist Church beginning Monday night, September 3. The evangelist will be Bro. Leon Green of Las Cruces, N.M. Green pastors the Fair Acres in Las Cruces. Leading the singing will be Raymond Harper of Sudan.

Services will be held each night with Booster Band for the children and prayer meeting for adults beginning at 7:30 p.m. and the worship services beginning at 8 p.m. Morning services will be held Tuesday through Friday mornings at 10 a.m. Services on Sunday, September 9, will be Sunday School at 10 a.m. and worship service at 11 a.m. and training union at 7 p.m., followed by the evening worship service at 8 p.m. A basket lunch will be served at noon on that day. There will be a nursery available for all services.

An invitation is extended to everyone in this area to attend any and all services, according to the pastor, Rev. Douglas Gardner.

FIRST BUILDING PERMIT ISSUED . . . E.T. Ford was issued the first building permit by the City of Muleshoe Tuesday morning, since the new building and plumbing codes went into effect in Muleshoe. Ford will be building him a new home to be located at 720 Country Club Road. Pictured with Ford is Billie Graves, city clerk.

GRAIN SORGHUM RIPENS . . . Grain sorghum is fast becoming a very popular crop in this area. This year Bailey County records 78,966 acres of grain sorghum growing in the county. The heads are now beginning to ripen and turn colors. The harvest will not be far off in the future and if everything continues to go as expected, area farmers will be harvesting a bumper grain crop this year.

# The Consumer Alert

by John L. Hill  
Attorney General

AUSTIN -- The credit union plan for saving and borrowing keeps growing in popularity. At present, there are about 780 federal credit unions operating in Texas, in addition to the 540 state-chartered C.U.'s, and memberships in the latter swelled last year from 652,737 to 749,237.

Persons who join credit unions organized at their places of work, fraternal organizations, churches or by other groups seem to enjoy the ease with which they can belong to

one, as well as the low interest rates available on loans. The federal credit unions are organized and operated under federal law.

State-chartered credit unions have been under state supervision for the past 24 years--first under the wing of the State Banking Department, and since 1969, under the regulation of the Credit Union Commission of Texas and its administrator.

But the reports last spring of alleged irregularities in the operation of the Amarillo Air Force Base Credit Union pro-

voked shocked awareness that our state laws and regulations and supervision needed strengthening.

As a result, Governor Dolph Briscoe and myself, the Amarillo district attorney, Tom Curtis; the Credit Union Commission, and Senator Max Sherman and State Representatives Bryan Poff, Jr., and Ben Bynum started working together with the legislative leadership to produce some corrective legislation.

Some of the Attorney General's staff counseled in the

drafting of a proposal, and we rendered legal opinions as to problems dealing with constitutionality.

The final product, House Bill 1673, was passed by the Legislature, and became law on June 14.

Basically, this credit union reform act toughened the requirements for creating a new credit union, and provided broader powers and remedies for the credit union commissioner, so he can catch a credit union problem and help cure it, before the organization can

get in bad shape.

It was designed to give the Commissioner the tools with which to order an undesirable C.U. official fired, order an errand board replaced, and issue cease and desist orders to curb an improper practice.

Before June 14, the Commissioner's normal practice was to try to talk a credit union's management out of a practice which was looked upon as improper and a danger to depositors, or he could throw the association into liquidation. He lacked the authority, such as that of the banking commissioner, to help restore an association's solvency if it appeared to be in trouble.

One of the reform provisions requires that by July 1, 1975, the C.U. commissioner must promulgate rules requiring that all Texas credit unions provide for deposit insurance for all their members.

Reportedly, our state commission is looking into the feasibility of a multiple-state approach to deposit insurance, as well as other plans.

H.B. 1673 changed the rules for organizing a state-chartered credit union by requiring that the articles of incorporation include the names and addresses of the initial board of directors; increased the charter fee from \$10 to \$50; gave the C.U. commission stronger authority for investigation of application data; raised the minimum paid-in capital from \$100 to \$1,000, and set a minimum membership requirement of 100.

Under the penalty provisions of the act, it is a misdemeanor for a credit union to lend to nonmembers. And, it is now a felony crime to falsify C.U. reports; embezzle from a credit union; conceal facts or suppress evidence material to a legal proceeding, or to accept a bonus or "kick-back" in connection with the making of a credit union loan or investment.

As legal counsel for the Texas Credit Union Commission, and as lawyer for the people of Texas, the Attorney General's office will make every effort to see that this law is enforced, and that all concerned exercise a constant vigilance to see whether it may be necessary to further strengthen our laws, and do all we can to protect the public interest.

carpeted for as little as -- Obviously, it would be impossible to cover three rooms containing a total of, say, 50 square yards, for the same price as another three rooms containing a total of only 6 square yards.

According to complaint which have been received by the Consumer Protection Division, this sort of advertising has been used as a come-on for what is known as "bait-and-switch."

That means that after a consumer goes to see goods boosted at a special price, the salesman disparages the quality of the material, and tries to talk the person into accepting a better grade of merchandise instead of the one advertised.

"Bait-and-switch" is one of the deceptive trade practices which is prohibited under the new Deceptive Practices-Consumer Protection Act.

Other Prohibited practices include advertising that a product, such as carpeting, is for sale, when in fact it is not; misrepresenting that high quality carpeting can be purchased at a special price because it is left over from a commercial contract, when that is not true, and claiming that carpeting is "guaranteed," if no written guaranty is furnished to the customer.

Since carpeting is a major investment for any homeowner, it would be well worth your while to bone up on the differences in carpet qualities and prices. Literally, hundreds of carpet choices are available on the market, and if you understand your needs, it is quite possible to find a real bargain.

Accredited consumer guides and governmental textiles brochures and county home demonstration agents can be helpful in making your selection.

And do not hesitate to shop around, too, when it comes to financing the cost of carpeting. Compare the interest rates offered by the merchant, and the rates available through home improvement loans offered by savings and other lending institutions.

If you do encounter any deceptive practices, feel free to contact your local county or district attorney, or one of the Attorney General's Consumer Protection Division offices in Austin, San Antonio, Dallas, Houston, Lubbock or El Paso.

### Services Held Here For O.C. Rogers

Owen C. Rogers, 64, formerly of Muleshoe, died August 18, 1973 and buried in the Muleshoe Cemetery on August 20. He was a resident of Muleshoe for 30 years and had lived in Matador for the past five years.

Survivors include his wife, Edna Rogers of Matador; his mother, Mrs. W.H. Rogers; two brothers, John Rogers of Muleshoe and Howard Rogers of Flomot, Texas; one sister, Bula Mae Murrell of Long Beach, Calif.; a nephew, Joe Rogers, a niece, Darlene Duncan, and an aunt, Lovie Myers, all of Muleshoe.

### Labor Day Weekend Death May Reach 42

AUSTIN--Colonel Wilson E. Speir, director of the Texas Department of Public Safety, today warned that 42 persons may lose their lives in Texas traffic during the long Labor Day weekend.

The holiday officially begins at 6 p.m. Friday, August 31 and runs through midnight Monday, September 3.

Speir said the DPS is making preparations to cope with increased holiday travel. "Every available Department of Public Safety patrolman will be on duty during this three day weekend, utilizing all resources we can put our hands on to prevent accidents," he added.

The DPS director noted that special attention will be paid to hazardous traffic violations normally associated with a high holiday death toll. Patrolmen will be especially watchful for such offenses as speeding, driving while drinking, improper passing and driving on the wrong side of the road.

In addition to stepped-up enforcement activities, the DPS will also work with local law enforcement agencies and the new media of Texas to conduct an accident prevention program called "Operation Motorcade."

During "Operation Motorcade," tabulations and pertinent facts about all fatal holiday traffic crashes will be compiled three times daily and released to the new media. Notation will be made as to where and why accidents are happening.

Speir called the holiday program "a life and death struggle for the lives of our citizens," and he urged every motorist to cooperate in the effort.

Harper, all of Muleshoe.

## Hammock Featured In Merit Show

AMerit Invitational Show presenting the work of Mac Carow and Mike Atkinson of Lubbock and Ruth Hammock of Muleshoe opened August 5 and will continue through August 31. The public is invited to attend and admission is free.

The three artists were selected for the honor from entries in 1972 LAA Membership Show.

Ruth Hammock (Mrs. John Hammock) used people, animals and landscapes of the Southwest as subject matter. Her works considered realistic, are done in oil, watercolor, acrylic, and drawing media.

Mrs. Hammock has had experience in commercial art and design, painting, decorating and crafts. She has exhibited in Lubbock Art Association Shows, Region 20 circuits sponsored by Texas Watercolor Society and in regional events and arts and crafts fairs. Her work has been reproduced in the New Mexico "Host" Magazine.

Mrs. Hammock is represented by several Area galleries including Mesa Gallery of Lubbock, GeeGee Gallery in Plainview and The Little Gallery in Earth.

"My goal in art is to share the joy and beauty of simple everyday subjects in a gentle interpretation of some quiet moment, often with a touch of humor," she said.

Leon Fleming stated in his column, "The Lively Arts," in the Lubbock Avalanche-Journal, "Mrs. Hammock's work reports on the Western scene: the windmill is an important component in her collection and tumbled-down outbuildings seem to hold a special fascination for her. There also are landscapes of the empty prairies and even a mule (the artist is from Muleshoe, after all. Her works are in watercolor, acrylic and pencil."

forming the train. Soloist was the brides aunt, Miss Virginia Bowers.

Mrs. Mark Knight was the bride's attendant and Hector Gomez was best man. Ushers were Kenneth E. Green and Jerry Handyside.

## Home Sewing

College Station -- Home sewing is one of the ten fastest growing industries in the United States, according to Mrs. Becky Culp.

"Because of this, the number of fabric outlets has quintupled since 1967," the clothing specialist, Texas Agricultural Extension Service, Texas A&M University System, noted.

"Reported sales for sewing machines, patterns, notions and fabrics totaled over \$3 billion in 1972.

"Currently there are over 45 million homesewers--and predictions indicate that by 1977, this figure will increase by 25 to 30 per cent."

Popularity of sewing stems from several factors--two of which are leisure time utilized for creative purposes and the resulting satisfaction gained by a sense of accomplishment, the specialist continued.

"Other important factors include high ready-to-wear prices, lack of selection and poor workmanship.

"Ease of sewing today's fabrics, abundance of available time savers and sophisticated promotional programs also have greatly boosted sewing popularity," Mrs. Culp said.

Another influence comes from menswear.

"From neckties to designer suits, menswear fabrics, pattern and notions are in demand."

Men sew too, the specialist added.

Home economics programs have offered all-male sewing courses for several years--and surveys reveal that many new students take sewing more seriously than women.

MISS TANYA CHERRY

## Miss Tanya Cherry Honored At Shower

Miss Tanya Cherry bride-elect of James Chadwick of Farwell was honored with a bridal shower Sunday August 26 from 3:00 till 4:30 at the First National Bank.

Receiving the guests with Miss Cherry were Mrs. Lucile Cherry, mother of the bride-elect; Mrs. W.O. Chadwick, mother of the prospective groom; Mrs. Ronald Burge and Mrs. Bobby Chadwick.

The serving table was laid with chiffon net over an orchid satin cloth and centered by a candelabrum surrounded by orchid candles and daisies. Purple napkins completed the table decor. Refreshments were served from crystal and silver appointments. Presiding at the table were Miss Pam Swint and Miss Marilyn McAlister. Registering guests was Mrs. Steven Sanderson who was seated at a round table which was covered with an orchid cloth and centered with a vase of orchid daisies. A purple feather pen completed the table.

The hostess gift was a Hoover vacuum cleaner.

Hostesses for the occasion were Mrs. Bernis Camp, Mrs. Jim Clements, Mrs. Jerrie Lumpkins, Mrs. Stanley Schaffer, Mrs. B.C. Lock, Mrs. Dean Sprayberry, Mrs. Steven Bass, Mrs. T.R. White, Mrs. James Warren, Mrs. Harry Waddle, Mrs. Leslie Smith, Mrs. Paul Willbanks, Miss Janet Ellis and Mrs. Darrel Mathews.

## Weight Watchers Help In Telethon

Weight Watchers of West Texas will prove that one man's loss can be another's gain during the Jerry Lewis Telethon for the Muscular Dystrophy Association of America. Mrs. Adele McGinty of Lubbock, Texas, founding president of Weight Watchers of West Texas, has announced plans to donate approximately 10 cents per pound of weight loss recorded by members of her organization during a two-week period.

During the telethon, members of Weight Watchers will volunteer their time and energy as well. They will be manning telephones and adding machines at KFDD-TV in Amarillo, LKKB-TV in Lubbock, KMOM-TV in Odessa / Monahans, KTXS-TV in Abilene/San Angelo, and KWAB-TV in Big Spring. Members of Weight Watchers also will be helping out in the patients' service programs of MDAA. Literature on the facts on muscular dystrophy and brochures on the camping program in Texas will be passed out in the 152 classes in the West Texas organization.

Weight Watchers of West Texas was founded by Mrs. McGinty on August 4, 1969, and now has approximately 12,000 active and life members. This year marks the first time the group has assisted with the MDAA campaign, but Mrs. McGinty has involved the organization in other charitable efforts in years past.

Involvement in services to the community is a cornerstone of Mrs. McGinty's program for Weight Watchers. She believes that if a person will get involved with helping others, it will take him out of his home and away from the temptation of evereating.

The local Weight Watchers meet each Thursday at the Presbyterian Church. They will participate in the telethon by saving coupons off of various products and donating 10 cents for every pound lost in a two week period during August.

## Eastern Star Members Honored

Canyon City Chapter No. 105 Order of the Eastern Star, observed their annual Friendship Night, with a dinner and program, Saturday evening, August 25th, in the new Masonic Hall building in Canyon.

Dr. Lee Johnson, was presented a Fifty Year pin, having been a member of the Order of the Eastern Star for 50 years. Approximately 40 members of Canyon Chapter received 25 year pins. Chapters represented were: Lockney, Plainview, Friona, Hereford, Amarillo, Bonita, A. E. Shirley, Happy and Muleshoe.

Attending from Muleshoe were: Mr. and Mrs. Wayne Williams, Worthy Matron and Worthy Patron of Muleshoe Chapter; Mrs. Frank Hinkson; Mrs. J.H. Clay; Miss Elizabeth Harden; Mrs. Mary Farley and Mr. and Mrs. John Thomson. Also in attendance was Mrs. Jon Ann Dwyer, the daughter of Mr. and Mrs. Thomson, who is a member of Muleshoe Chapter, but resides in Canyon.

Approximately 150 members and guests were registered.

## Fashion

One and two piece dresses are the features for fall fashion. Separate and the layered look is not seen as much in the new clothes as was evident this past season.

Head coverings seem to be regaining popularity. Knitted or crocheted caps and hats are very good for adults as well as for youngsters.

of the long, full, sheer sleeves. A matching lace-bordered mantilla type veil of bridal illusion was attached to a lace covered camelot hat and extended to chapel length. She carried a "snow shower" bouquet of red silk poppies and roses surrounding white and peppermint carnations with trailing springeri and red and white streamers tied with love knots atop a bible. For something old the bride wore a diamond necklace of Myrtle Steinbock, her grandmother; something new was the wedding gown; borrowed was a pearl ring of Mrs. Max Steinbock, aunt of the bride and something blue was a garter.

Maid of honor was Christie Ivy of Lazbuddie. Clair Flournoy of San Antonio attended the bride as brides maid with rouse of Cotton Center. The attendants wore formal gowns of red and white imported chiffon trimmed in white venise lace inserted with red satin ribbon. The white bodice was accented by a high neckline, long full sleeves and red gathered skirt. They also wore white brim pictured hats trimmed in red carnations and carried rose gays of red and white peppermint carnations and red angle grass with red and white satin streamers which were tied in love knots.

Candlelighters were Carleson Lee Steinbock, Dennis Glen Steinbock, Terry Wayne Steinbock, Ronald Powell, Mickey Powell and Danny Powell all of Lazbuddie. Ushers were Frank Hinkson and Derrell Matthews also of Lazbuddie.

Bill Morris attended the groom as best man and groomsman were Troy and Mark Barnes all of Lazbuddie. A reception at the First Baptist Church Fellowship Hall followed the ceremony. Registering guests was Tammy Smith of Lazbuddie. Mrs. Ronny Barnes of Commerce, Tex. and Shonda Estep of Kearns, Utah served at the grooms table. Liz O'Connor of Lubbock, Mrs. Richard Moore of Covis and Mrs. Thomas Burkett of Clovis served at the brides table. The four tiered wedding cake was cut with an old sterling silver knife which was approximately 85 years old and belonged to a great-great aunt of the bride's step mother. At the grooms table coffee chocolate cake mints and nuts were served from sterling silver appointments.

The couple will reside at 3818 25th street Lubbock, Texas where they will attend Texas Tech University.

Out-of-town guests were Mrs. Bill Dawson, Rhonda, Karee, Kathy, and Sherry of Garland, Tex; Mr. and Mrs. Bob Self of Dumas, Tex; Mr. and Mrs. Edward Barnes and Glenda of Fayetteville, Ark; Mr. and Mr. Fred Estep and Dwight of McKinney, Tex; Mr. and Mrs. Ronny Barnes and Renee of Commerce, Tex; Mr. and Mrs. Claude Burkett and Mr. and Mrs. Thomas Burkett of Clovis N.M.

# STATE Capital NEWS

By BILL BOYKIN

**AUSTIN, Tex.**--The Texas Constitutional Revision Commission made key decisions last week on finance and legislative sections of the state's basic laws.

It will formulate recommendations September 6-8 on judiciary and education provisions, and on local government and general provisions will be reviewed September 13-15.

Final action of the 37-member body, which is studying changes needed in the state's basic laws, is scheduled September 27-29.

Meanwhile, a legislative planning committee for the January-May 1974 constitutional convention of lawmakers is moving ahead with preparations for the historic gathering.

The planners have voted to spend \$33,938 on new chairs and desks to place in the House of Representatives chamber during the convention. Charis, costing \$165 apiece, will be replicas of those used by delegates to the 1876 constitutional convention. The desks, considerably more economical, will be made by state prison system inmates at a cost of \$22.50 each.

The revision commission

practiced some economies (of language) in shortening the recommended general legislative tax power section of the constitution from the present lengthy statement of limits and exemptions to the following: "Taxes shall be levied and collected by general law for public purposes only, and shall be equal and uniform."

The 181 legislators who will be delegates to the convention will convene here December 6-8 for a briefing on details of the commission's recommendations. The convention will open January 8.

**CHILD CARE RULES TIGHTENED**--The State Board of Public Welfare is toughening requirements for licensing child-care institutions and has named former State Rep. Randy Pendleton of Andrews as temporary head of a licensing division.

pendleton said the new division will shift role of the Welfare Department from urging facilities to comply with the law to active enforcement of the law and policing of facilities.

The Board also named a new six-member advisory council (with three alternate members) on child care administration to assist in checking credentials of personnel at child care facilities. The legislature this year required administrators to be licensed by January 1.

**FARM PRODUCTION HIGHS SET**--Texas farmers and livestock raisers are setting new production levels this year, Agriculture Commissioner John White reported.

Records, according to White, are being tied or broken for wheat, cotton, grain sorghum, corn, peanuts, soybeans, oats, barley, rye and rice. Texas is first in the nation in cotton and grain sorghum and fourth in wheat production.

Texas cattle on feed total 2.3 million, said White, about 700,000 more than the second-ranking state, Iowa, and an increase of nine per cent over last year. White said cattle producers marketed more cat-

tion.

airborn division in event of mobilization.

The 49th Division will contain 21 battalions. Summer training will be at Fort Hood, largest armor training camp.

**INSURANCE DEALS TARGETED**--New Insurance Board rules aim to halt rate discrimination and unfair competition in property and casualty insurance.

Board Chairman Joe Christie said some non-rate-regulated companies, including Lloyds and reciprocals, offer unrealistically low rates to prime risks with the intention of having ultimate liability assumed by a rate-regulated company.

Christie said the "brother-in-law" deals can result only in higher rates for the majority of policy holders.

"A farce has slowly but surely been perpetrated when a large company either forms a Lloyds, or even rents one by one scheme or another, for the purpose of evading this state's regulatory laws," Christie said.

**TOURISM GAINS**--Tourism gained modestly through July with attendance at attractions up one per cent and highway tourist bureau services up nearly five per cent for the first seven months of 1973.

Forty-seven attractions reported 29.7 million visitors, a gain of 300,000 over January-July, 1972.

**DOCUMENTS DEMANDED**--House Speaker Price Daniel Jr. called on the Department of Public Safety to release to him and the public documents on a House committee vending machine industry probe, held confidential for six years.

Daniel directed Department of Public Safety Director Wilson E. Speir to deliver the tapes and other records Monday (August 27), and called a news conference at the same time.

He said the open meetings law house rules and the new public access to information act require free public access to government documents except in most-extraordinary circumstances.

**APPOINTMENTS**--Gov. Dolph Briscoe appointed Amarello District Judge Mary Lou Robinson associate justice of the Seventh Court of Civil Appeals.

Gilbert J. Pena has been named assistant chief of the law enforcement division in Atty. Gen. John Hill's office.

Jane Hickie of Austin is new chairperson of the Texas Women's Political Caucus.

Governor Briscoe appointed John Artero of Victoria to the State Board of Morticians, succeeding Charles L. Villaseñor of Austin.

The Governor appointed William P. Ratliff of Haskell 39th district judge.

**THE SANDHILLS Philosopher**

Editor's note: The Sandhill Philosopher on his Johnson grass farm reviews the situation in the nation today but doesn't give up.

Dear editor:

I don't know, I'm puzzled, I mean, you pick up a newspaper and before you look at the first thing that pops into your mind is, who're they investigating this time? Who've they got the goods on now? You know, illegal political contributions, kickbacks, bribery, wiretapping, get-rich-quick in office, influence peddling, favoritism, the Russian grain deal... you name it and some grand jury somewhere is investigating it, not just in Washington but all around the country.

Why any prosecuting attorney who isn't investigating a politician for receiving or a corporation for giving illegal donations is now considered sleeping on the job.

It's not just in Washington, where Special Prosecutor Archibald Cox says it'll take him the rest of his life to finish with Watergate, but throughout the land, in both parties, among governors, mayors, state representatives, party finance chairmen, etc. In some areas any politician who doesn't come out of office richer than he went in is considered incompetent.

It's everywhere. Coaches are being investigated for illegal recruiting, athletes are being checked to see if they've been fed pep pills. Why cheating has even been found in the kids' soap box derby, and I wouldn't be surprised to see a scandal turn up somewhere in the country in the P.T.A.

I got to talking about this with a neighbor and he said he had the solution.

"What's that?" I asked.

"Everybody ought to resign," he said.

"Everybody?"

"Yep. Everybody. Fruit basket turn over."

"Now wait a minute," I said. "You have everybody resign and the country'll be in the worst mess you've ever seen."

"It already is."

I don't agree, although sometimes it looks like we're working on it. I agree with another neighbor who said anybody who doesn't vote in the next election ought to be horsewhipped.

Yours faithfully,  
J.A.

**SIX ACCIDENTS Reported In July**

The Texas Highway Patrol investigated six accidents on rural highways in Bailey County during the month of July, according to Sergeant Thurman Keffer, Highway Patrol supervisor of this area.

These crashes resulted in no persons killed and nine persons injured.

The rural traffic accident summary for this county during the first six months of 1973 shows a total of 29 accidents resulting in two persons killed and 22 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for July, 1973 shows a total of 658 accidents resulting in 21 persons killed and 366 persons injured as compared to July, 1972 with 713 accidents resulting in 34 persons killed and 388 persons injured. This was 55 less accidents, 13 less fatalities, and 22 less injured in 1973 at the same period of time.

The 21 traffic deaths for the month of July, 1973 occurred in the following counties: Lubbock, Sherman, Wiltberger, three each; Palo Pinto, Parmer, two each; Hockley, Jack, Lamb, Parker, Wise, Hutchinson, Potter, and Oldham, one each.

THIS REPORT TO BE RETURNED TO THE DEPT. OF THE TREASURY

**PLEASE NOTE**

The foregoing is a report of expenditures made from Bailey County Revenue Sharing Funds received during the period beginning January 1, 1972, and ending June 30, 1973. And for the purpose of further explanation we include the following:

- Under OPERATING and MAINTENANCE EXPENSE, the \$57,931.32 item, marked "Public Transportation", was used to seal-coat approximately 24 miles of county maintained Farm-to-Market roads, situated in Precincts 1, 2 and 3. This is considerably higher than our original estimate, because there is a little more road than estimated, and because of increased cost of labor and material.
- The \$2,546.00 item, marked "Public Health", was contributed to the Mental Health/Mental Retardation Center at Plainview, Texas, and is the exact amount estimated.
- Under CAPITAL EXPENDITURES, the \$4,071.39 item, marked "Public Safety", is for the purchase of a new automobile to be used by the Sheriff's Department. This is somewhat higher than the original estimate because there was no trade-in, as was originally planned.
- The \$3,435.95 item, marked "Courthouse Improvements", is payment for floor tile and carpet installed several months ago. No official public estimate of this expenditure was made because at that time none was required or expected.
- The blank spaces indicate other items for which Revenue Sharing Funds could have been used.
