OWEN WELL NOW MAKING 300 BARRELS

GOOD ROADS ARE VALUABLE INVESTMENT FOR COMMUNITY

Good roads have proved valuable investments for the communities that have built them. Of course there are instances where unscrupulous persons have had charge of the road building program and the community did not get value received but this is an exception to the rule; good roads properly constructed are recognized as good investments. The State Highway Department gives valuable assistance in the construction of roads throughout the state.

An investigation of the records of the State Highway Department discloses some startling facts relative to the amount of work that is being done under the supervision of this department on the designated system of State highways.

During the first seven months of this year the State Highway Commission has paid out a total of State and Federal aid, on work that is now under construction, of \$4,392,678.14, or an average of \$627,525.15 per month. Of this amount an average of \$170,462.29 per month was State aid, and \$457,063.16 was Federal aid. This department is required by the law to supervise work involving Federal aid as well as all State aid work.

The average per cent of aid on the work now under construction is approximately 35 per cent, therefore the amount of work that has been completed under the direct supervision of the State Highway Department during the last seven months is \$12,550,508.97.

The estimates paid during June broke all previous records of the department. The total amount paid out by the State Highway Commission during that month was \$930,679.26.

The State Highway Commission now has under active construction approximately 2,500 miles of highways, the total cost of which amounts to more than \$30,000,000. These figures are indeed surprising to persons who are not in very close touch with this movement.

Young county should be receiving part of this money but we will not get any of it until the county has at least one designated highway. If there is a county in the State that needs roads at this time it is Young county. An effort is being made to create a new interest in the F. F. F. highway which runs through the county from Finis to Olney. If this or some other highway could be established then it would be possible for this county to get some of the benefits of the State and Federal aid.

With the new oil field opened up at Bunger we should at once give attention to the road from Graham to this field. A \$500,000.00 bond issue in precinct number one, together with State and Federal aid, would give this precinct good roads. Young county has some of the best road material to be found anywhere and yet, with this good material, we have some of the worst roads in the State. The loss in time and the damage to cars and other vehicles, caused by running over our roads in their present condition, cost more than good roads would cost.

Heavy Docket For September Court

The September term of the District court has the heaviest docket ever known. There are at present 250 cases on the docket. District Clerk Willie Riggs has been one of the busiest men in town getting ready for the coming session.

There was complaint from different sources that the last term of court was too slow and that not enough business was dispatched. With the heavy docket this time it will be necessary to speed up if much is accomplished.

DITCHING MACHINE FOR RANGER GAS COMPANY AT WORK

The Ranger Gas Company is going forward with the installation of the gas system for Graham. Mr. Owen states that property owners are already putting in service lines to their residences.

The pipe for the main line from South Bend to Graham has been received, four cars being shipped to South Bend and the rest unloaded here. The ditchers are now at work and before many weeks the system will be installed.

The management will be pleased to have those interested to call at their office in the Lynch building facing Third street where they will be glad to explain the merits of using gas and give information about installing it in the residence and business houses.

YOUNG COUNTY POLO TEAM WANTS GAMES WITH GOOD CLUBS

The Young county polo team has been playing some good games but owing to the extreme and continued warm weather the boys decided to postpone further practice until the first Wednesday in September.

The boys have been having some good games and if there is a fast polo team anywhere that wants some interesting games it should get in communication with C. W. Keene, Route A, Graham, Texas.

The following report is given of the last game:

First chukker: Bryan, first goal; Robertson, second goal. First team 1; second team 1.

Second chukker: No goals. Smith penalized for foul. First team 1; second team 1-2.

Third chukker: Bryan, third goal; Robertson penalized for safety; Bilby penalized for foul. First team 2; second team 0.

Fourth chukker: Blount, fourth goal; Shanafelt, fifth goal. First team 4; second team 0.

Line up of teams: First team: Pete Bryan, captain, Clarence Blount, Sam Shanafelt. Second team: Jiff Robertson, captain, Neal Bilby, Jeff Smith. Referee: C. W. Keene.

Uniforms have been ordered which the boys hope to have when the game is resumed in September. Visitors are welcome to come to the games, on the grounds eight miles east of Graham on the Jacksboro road.

C. B. JONES MOVES INTO NEW RESIDENCE

C. B. Jones and family moved into their new home on South Elm street this week. The house has been under construction several weeks and is one of the many new homes completed during the past few months. It is a modern seven-room bungalow. Mrs. Jones is proud of her new house and rightly so. Of course Mr. Jones is proud too but we used Mrs. Jones name first because she is the one who is charged with the responsibility of keeping it and she spends practically all her time there.

Miss Mildred Tidwell returned last Friday from Belton where she had been attending Baylor College. Miss Tidwell was one of the honor graduates of the Academy this summer. She will return for the regular session this fall. There were eighty graduates in the regular class in June and forty-seven in the summer session.

GOVERNOR CALLS SPECIAL SESSION OF LEGISLATURE

The first called session of the Thirty-seventh Legislature adjourned Tuesday night and the Governor called the second special session yesterday morning. The Governor submitted but one subject, that being to provide funds for maintaining and supporting State institutions. Other subjects may be submitted.

Governor Neff did not want to call the special session but the Legislature had not provided for the State institutions and there was no other course to pursue.

Many are urging the Governor to veto the redistricting bill as it will not go into effect until 1924. The senators took care of their places. There is so much politics in the affair that it looks like it will be difficult to properly redistrict the State. This ought to have been done in 1910 but the senators have such political aspirations that to redistrict the State would interfere with their plans, and it seems that in the present bill they have given themselves time to work out any political plans they may have in mind before it goes into effect.

The first special session accomplished very little.

R. B. Allison Begins New Home This Week

R. B. Allison of the First National Bank has his plans completed for a new residence on Third street. The contractor will begin actual construction this week.

Mr. Allison will build a neat and attractive four-room bungalow which he hopes to complete as soon as possible. It is commendable to see a young man build a home.

REVIVAL MEETING IN UPPER TONK

Rev. P. E. Cantrell will begin a revival meeting at the Methodist church in Upper Tonk Valley next Sunday morning, August 17. Services are usually held in the afternoon but Brother Cantrell announces that the first service will be held at 11 o'clock hour, Sunday.

He has just closed a successful meeting at Salem where several were saved and the community received a blessing that will never be forgotten.

A cordial invitation is extended to everybody to join in the services at Upper Tonk.

STORM VISITS GRAHAM SUNDAY

Graham was visited Sunday by one of the worst storms it has had in years. Several awnings were blown down and some damage to other property. A garage belonging to Superintendent Cogdell was damaged considerably.

The rainfall in the western and southern part of town was heavy but the northern and eastern part had only a light shower.

TWO TRAINS DAILY OVER W. F. & S., TENTATIVE SCHEDULE

Two trains daily will be operated each way over the Wichita Falls & Southern, starting August 18, if tentative plans of officials of that road are carried out.

In addition to the passenger train which leaves Wichita Falls 7 a. m. daily there will be an afternoon mixed train between Wichita Falls and Graham and another between Graham and Breckenridge. The tentative schedule follows:

Passenger train leaves Wichita Falls 7 a. m., Graham 10:55 a. m., arrive Breckenridge 1:07 p. m. Returning, leave Breckenridge 1:40 p. m., Graham 4 p. m., arrive Wichita Falls 7:20 p. m.

Mixed train—leave Wichita Falls 1:30 p. m., arrive Graham 7:30 p. m. Leave Graham 6 a. m., arrive Wichita Falls 1 p. m. Another mixed train

MRS. RACHEL GARVIN MEETS UNTIMELY DEATH WEDNESDAY

The entire community was saddened yesterday morning when the report that Mrs. Rachel Garvin was dead spread rapidly over the city. She with other members of her family was in the car with her son who was on his way to the ice plant to get some ice. Just as the car started, and before it had attained a speed of more than six or eight miles an hour, she became frightened and fell out of the car. She fell, her head striking the ground, resulting in her death at five o'clock yesterday morning about nine hours after the accident. Her son, Jay Garvin, who was driving had his little boy in front of him and it is thought that Mrs. Garvin became frightened thinking the little boy was driving.

The body will be buried this (Thursday) afternoon in the family burying ground at Finis.

Mrs. Garvin was born in Limestone county, June 12, 1869. She was married to W. W. Garvin December 6, 1888. The Leader does not know when they moved to this section of the State but they were living at Finis at the time of the death of her husband twenty-three years ago. Soon after his death she moved to Graham with her three small children. Her struggle to provide for her children is well known to the old citizens of Graham.

Her three children, Jay Garvin, Mrs. Jesse Tackett and Mrs. Wilbur Perkins and many other relatives in Graham survive her.

W. M. Miller Builds 5 Room Bungalow

W. M. Miller, the proprietor of the Model Market, began the construction of a modern five-room bungalow this week on Texas and Second streets.

He hopes to push the work on his house and have it ready to move into as soon as possible. He has a desirable location and his house when finished will be a comfortable and attractive home.

SALEM COMMUNITY HAS GOOD MEETING

Pastor P. E. Cantrell, assisted by Rev. A. W. Franklin of Loving, closed a successful meeting at Salem, Sunday night. Brother Franklin did the preaching and Mrs. Franklin was organist.

It was one of the best meetings ever held in the community. A fine spirit pervaded the whole community. There were thirteen conversions and eleven accessions to the church.

Brother Cantrell is a live wire and has done a good work on his mission this year. He was glad to have Brother Franklin, the former pastor, with him in this meeting.

SEVERAL NEW LOCATIONS BUNGER FIELD THIS WEEK

The Graham Oil Syndicate paid their regular monthly dividend last Monday, August 15. This makes 142 per cent this company has paid since January 1, 1921. The officers of the company and all those receiving these handsome dividends are well pleased with the progress made by this company. New wells are being drilled and those charge confidently expect big dividends to continue.

Bunger field now has a sure enough well. Everybody has been thinking for some time that Bunger would be an oil field. The coming in of the Owen well at 300 barrels on the top of the sand has convinced the most skeptical that the Bunger field will soon rival the famous South Bend field. Large steel storage tanks are being erected to take care of the oil until the pipe line reaches the well. The Texas Company is putting in a four-inch line. The officials of the company have faith in this new field and are to be congratulated in putting in the 4-inch line.

T. C. BUTLER FINDS SHELL NEGRO USED FIGHTING INDIANS

T. C. Butler was in the Leader office Monday and had in his possession a 50-70 shell found on the scene of the killing of Negro Britt and his companions by the Indians in 1871 Henry Williams of Newcastle knew Negro Britt who was noted for his bravery in fighting the Indians, and says that this shell was used by the negro in this fight which took place six miles north of Graham.

Mr. Proffitt of California was here last week and in company with Henry Williams and R. J. Johnson made a search for the negro's grave but failed to find it. Another search will be made this week with the hope of finding same. It is said that four or five negroes were killed in the same fight and all were buried in the same grade. It is the intention of those whom the negroes served to erect a monument to their memory as a recognition of their services in defending their homes from the Indians.

New Drug Company To Open Saturday

The Young County Drug Company is a new firm that plans to open Saturday morning in the building on Fourth street just west of the Graham National Bank.

The building has been completely overhauled under the direction of Contractor Claude Cochran. A modern brick and glass front has been put in and the inside has been completely changed. The company has bought new and up-to-date equipment and will have a first class drug store. Cold drinks, cigars, etc., will be carried in stock.

Harlan and Richardson are putting in the store and will make every effort to serve the people in a satisfactory manner.

GUY WIGNALL FALLS AND BREAKS LIMB

Last Thursday while working on the W. W. Williamson house near the high school building Guy Wignall fell from a scaffold and broke his right leg.

The injury was painful but not serious and in a few weeks he will be able to get around.

CARD OF THANKS

Through the columns of The Leader we desire to thank our friends and neighbors for their words of sympathy and acts of kindness in the sad bereavement we are passing through on account of the death of our daughter and mother, Mrs. Ida Cherryholmes.

Mrs. Martha Hinson and Grandchildren.

Odd Dowdle and Lou Matthews had their pictures in the pictorial gravure section of the Sunday issue of the Fort Worth Star-Telegram. These little girls look "cute" standing side by side with their doll carts. The picture section of the Star-Telegram and Fort Worth Record carry many interesting pictures from week to week.

Acreeage around the Owen well is in demand and Mr. DeFreest says at least twenty wells could be started in the Bunger district if acreage was available. Both the independent operators and the larger companies want to get in. County Surveyor John E. Meyer has made some new locations this week. Ross and Tyrrell are to drill three or four new wells in the vicinity of the Owen in the near future.

The two joints of collapsed casing have been removed from the Askew and a string of 10-inch has been run with a view to testing the sand encountered at 1960 feet some time ago. There has been some water trouble but it is thought this well soon be overcome.

The Hedrick and Spoons just north of the Owen is drilling around 1200 feet.

The Paragon Oil Syndicate are swedging their ten-inch casing and hope soon to go on down from their 1790 feet depth.

The Barnes Production Company have had some trouble fighting a cave at 1850 feet. This well is located on a good formation near the town of Bunger and only a short distance from the Owen. This well is near the sand and will no doubt be a well soon.

The Lisle well is drilling around 1550 feet. This like all the wells in the Bunger field is promising. Work is going forward at a rapid rate and the company thinks that it will only be a short time until this well is completed.

Optimism pervades the whole section on account of the Owen well. It will be only a short time until the entire southern part of Young county will be covered with derricks. There are about 100 producing wells, about the same number of drilling wells, and probably more than 100 new location in the county at present.

The Mercier-Casey, Jeffery No. 1, four miles north of Graham has resumed drilling at something over 2000 feet. There have been good showings in this well and the oil fraternity are interested in this test. Many believe it will be only a short time until we will have good wells north of town.

The Farmer well northeast of Graham about eight miles will soon go on down. This well is now 1000 feet. "Watch Graham and Young county" is the watchword.

The Owen well has had a wonderful effect on activities. There is a decided improvement in the building program. New residences are going up this week and more are scheduled to begin next week.

The drop in the rate on oil from 16 cents to 10 cents from the Young county fields to Wichita Falls will help to relieve the situation. The present pipe line facilities are inadequate and it is believed this low rate will stimulate production.

WAR HERO BURIED AT LOVING

The body of Bruce Baker arrived in Loving yesterday and was buried in the Loving cemetery yesterday afternoon.

Bruce was one of the Young county boys who lost his life overseas fighting for his country. The memory of these boys will continue to live in the minds of our people.

A large number of Graham people went to Loving to attend the funeral.

THE GRAHAM LEADER

NOTICE—Any erroneous reflection upon the character, standing or reputation of any person, firm, or corporation which may appear in the columns of The Leader will be gladly corrected upon its being brought to the attention of the publishers.

A smiling worker is a smiling doer. Smile stimulate smile. Grouch does not. If you lose a trade you think you should have won. smile—smile sincerely—and the next trade is yours!

BUILD THEM

Good roads make it easier for country children to attend school and enable them to do so with greater regularity. Nothing so much concerns the life of the people in the rural districts as means of communication between communities, towns and railroad stations.

NOT QUITE WHEAT ENOUGH FOR WHOLE WORLD

It is estimated that Europe will produce 120,000,000 bushels of rye and wheat cereal more than last year's production, but even so this is hardly sufficient to meet the demand.

A WITTY CONGRESSMAN

In the Congressional Directory there is an interesting study of human nature concealed. "Concealed" because nobody ever reads the Congressional Directory unless a senator or representative dies and a sketch of his life is required quickly for obituary purposes.

The new, very newest, members, by contrast, have from 300 to 500 words telling who they are and what they have been and where they were born and all about them.

WHOSE FOOT ARE YOU STANDING ON?

When someone stops advertising. Someone stops buying. When someone stops buying, Someone stops selling.

Several things were to be concluded positively at the beginning of the present administration. But it seems that in his hurry to leave Marion, the eminent publisher made a grab for the wrong box and seized a handful of "To be continued" lines instead of those reading "The End."

France finally had to come to Mr. Dempsey.

"HIJACKING" A NEW WORD

The term "hijacker" originated in the oil fields of the southwest. It is a word that will find its way into the dictionaries for the reason that it has a specific meaning. It's use is not now restricted to its original meaning and it may finally take the place of highwayman or "robber."

But in instances where a laborer is held up in the fields and his money taken or a cashier of a company is held up and relieved of the company's money, this act in the original meaning of the word cannot be called "hijacking" although that term is being used to apply to all kinds of robberies.

MY AUTO, 'TIS OF THREE

My auto, 'tis of thee, short road to poverty, of thee I chant. I blew a pile of dough on you three years ago; now you refuse to go, or won't or can't. Through town and countryside, you were my joy and pride, a happy day. I loved the gaudy hue, the nice white tires so new, but you're down and out for true, in every way.

13 COMMON MISTAKES

- Judge McCormick of San Francisco says these are the commonest mistakes in life: 1. To attempt to set up your own standards of right and wrong. 2. To try to measure the enjoyment of others by your own.

THE TRUTH ABOUT BUSINESS

The commonest question to greet the traveler on train and in hotel is: "Now what's the truth about business conditions in your part of the world?"

There is no lack of statements. The newspapers are flooded with them. Moreover, the newspapers in their duty of service, are as anxious to obtain and publish the truth as are the readers to learn it.

WHITECAPERS CONVICTED

The first convictions since the epidemic of whitecappings started in Texas have been reported from Motley county where six men who were members of the party that called at the home of a citizen of that county where one of their party was shot and killed were found guilty of forming an unlawful assembly and were fined \$87 each.

LUCKY STRIKE cigarette

LOWER TAXES ARE URGED BY PARRISH

Texas Points Out Need of Economy in Governmental Affairs

Washington, Aug. 16.—The need for Governmental economies at this time were pointed out in the House of Representatives today in a speech by Representative Parrish of Texas, who said that the overshadowing national question for the next half a century would be that of economy and the gathering of revenues to meet the cost of Government.

It was pointed out that during the campaign Republicans pledged a reduction of expenses, and a reduction in taxes, and Mr. Parrish said that during the last days of the Democratic administration President Wilson had repeatedly requested that the inequalities of the tax law be corrected, but that up to this time nothing had been accomplished by the Republican congress.

The American people want a reduction in taxes and not a shifting of the burdens, and they will take no deception, Mr. Parrish stated.

THE PHILIPPINES

Nations, from one point of view, are simply business concerns operating in the interest of their citizens. The Philippine Archipelago, with its thousand and more scattered islands, lies "at the cross roads of the greatest trade routes of the future."

It is a startling fact, but true, that of the tropical domains of the earth European powers own 59 per cent; some 29 per cent are independent, and the United States owns less than one per cent. One item can be cited to show the significance of this.

Rubber enters largely into our commercial life, the United States consuming about 75 per cent of the world's production, but controlling less than 5 per cent of the sources of supply. Great Britain controls 80 per cent of the plantation output of rubber, and 68 per cent of the total production of the world.

The Philippine Archipelago has been pronounced the richest and most favored group of tropical islands in the world. While the Dutch were developing Java and their other East Indies for mutual profit to inhabitants and colonizers, the Philippines slept under the lazy rule of Spain.

The United States has not yet done very much toward the development of the natural resources of the Philippines, for, properly enough, the first efforts of this country were to raise the standard of living of the inhabitants and place the population on a happy, healthful social basis.

HEREFORD PUBLIC SCHOOLS OFFER BIBLE COURSES

Hereford, Aug. 16.—Bible study improves discipline in the public schools, declares the superintendent after trying it for three years here. He further states that he would never superintend a school again where he could not get a Bible into it.

G. A. F. Parker, president of the Western National Bank of Hereford, a ranch town of 2,000, succeeded in getting a Bible course started in 1917 and paid the salary of a teacher from the Moody Bible Institute in Chicago.

In the high school the Bible study is elective, but in the grammar school all students are required to take it. There are two forty-five minute periods a week for Bible study, in the high school and of a total attendance of about 250, 65 have enrolled in these classes.

In the grammar school there are two twenty minute Bible classes a week. The classes are made just as interesting as possible, everything being told in story form. The children are taught the books of the Bible by divisions, memorize four or five Psalms in a year, and a great many verses, with their locations. They are given an outline on the way of salvation, memorizing the verses that go with each step.

This Bible work is highly recommended by the parents, and Sunday School teachers say they have to give more time to preparation to be able to teach the children, who already know so much of the Bible. The teachers are hardly able to ask a question that the children can not answer.

The superintendent of schools says he noticed a difference in the discipline of the schools since the children began to study the Bible, and that he "would never superintend a school again where he could not get the Bible into it."

"We only bought Rat Poison Twice," writes Jesse Smith, N. J. "I threw the first kind away; couldn't be bothered mixing it with meal, cheese. Then I tried Rat-Snap, S.A.V., that's the stuff. It comes in cakes, all ready to use. And it sure does kill rats." 35c, 65c, \$1.25.

TOUSSAINT THINKS INJUSTICE DONE BY JURY'S VERDICT

Wichita Falls, Aug. 13.—"I was not and am not worried at the verdict of the jury, but have worried over the injustice accorded me by their verdict." This statement was made in all sincerity by Henry J. Toussaint in the county jail when interviewed.

"No one knows or even realizes what I have gone through from my childhood up with reference to my father. I feel now, as I have always felt, that I was justified in my act."

"Due to the actions of my father, his failure to adjust himself and the many bitter words that were spoken, a month prior to the affair, I became mad, totally mad or insane, any way you want to express it. I am not capable of stating whether I am sane or insane. That is for the doctors to say."

"The court was fair to me in every respect upon my trial, but there were several witnesses (naming them) who told black-face lies on the stand. I hate a liar. One of the parsons who testified against me was not a fit subject to take the witness stand. I know more about him than he thinks I do. It was unfair to me to even allow him to take the stand."

"I have no bitter feelings whatsoever against the state's attorneys and especially District Attorney Wilson. They were doing their duty."

"The jury did not heed the charge of the court with respect to the preponderance of the evidence, as anyone who attended the trial, and even those who read the newspaper reports, can tell if they judge fairly that the greater weight of the evidence was for and not against me."

The condemned man stated that his wife would remain here in the city awaiting further developments and that he would fight his fight to the very end.

He said that his brother, Rudolph, who did not come to his trial because he lacked resources, would be brought the next time the case was tried—that is if it was tried again.

The prisoner stated that from what he could learn the verdict of the jury was against public opinion and sentiment.

MODERN REPORTING

A newspaper is no longer supposed to know or to state anything positively. Everything must be hearsay and on somebody's authority. Caution's the word. This is about the way a story must be written up nowadays to pass muster with the average city editor: An alleged man whose name was reported to be John Jones, and who, according to the directory, had his supposed home at 999 Brown street, and, as his neighbors whisper, was a canvasser for alleged books, is said to have been arrested this morning on the alleged charge or reported assault and rumored battery on his alleged wife. The woman, according to the police, told an alleged story of rumored abuse at the hands of her supposed husband. Jones, as his name was given, was discovered, the door-man says, hanging in his cell by a supposed rope, which, it is believed, he made of his alleged shirt. He was, as the story goes, cut down, but the city physician says, was already dead. Doctor Robinson, claiming to be county physician, was notified, and ordered the alleged remains taken in charge by Stiff & Co., who gave their occupations as undertakers. If no alleged relatives claim the supposed corpse it will, the authorities declare, be buried at the alleged expense of the so-called city.

FICTITIOUS NAME LAW

This law was passed by the last Legislature and went into effect on June 11th; thirty days was given for compliance with this law.

It requires that every one operating under an assumed name or style name, (unincorporated), to register with the County Clerk of the county in which said business is being conducted.

Penalty is from \$25.00 to \$100.00 per day for failure to comply with the law, so if you have not registered, we suggest that you attend to the matter without delay.

TEACHERS EXAMINATIONS

State and county examinations for teachers will be given on the following dates:

- August 19 and 20.
- September, 2 and 3.
- October 7 and 8.
- November 4 and 5.
- December 2 and 3.

Lubbock Sends Out 50,000 Post Cards

Lubbock Chamber of Commerce has had 50,000 post cards printed and are giving them free to any one who will agree to mail them out. The cards give different views of Lubbock and surrounding country. The city is also putting up road signs from Galveston to Denver.

Lubbock has the best boosters to be found anywhere. The city will reap great benefits from the use of these cards and signs.

WHITE CHILD FOUND IN NEGRO'S HOME

Waxahachie, Aug. 13.—One of the most puzzling cases that has confronted Sheriff Forbes since becoming a county official came to his attention Friday night when he took in charge 13-year-old Lilly Blaylock of Ranger, a white girl, at a negro residence near Avalon. The sheriff went after the child following complaints from persons living in the Avalon community that there was a white child that had been in a negro home since Wednesday.

Lilly said she is the daughter of Ruth Blaylock of Ranger, and that she did not know whether or not her father is living, she said that her mother had given her into the charge of Nettie Haywood, a negro woman who had been working for her mother, and that she was spending her vacation from school visiting in the home of the Haywood woman.

Lilly said she was to go to Austin soon for a visit with the negro woman in the homes of relatives of the latter, and then return home to attend school.

When Sheriff Forbes took the child in charge she was returning from a negro religious meeting. He will care for the child until the case has been thoroughly investigated, the sheriff said. The negro woman was being held in the county jail today.

THE SECRETARY OF WAR

In John W. Weeks, secretary of war, the army has at its head a navy man.

Weeks, former senator from Massachusetts, graduated from the United States Naval Academy in 1881. His studies for the navy have not dulled his enthusiasm for the army, for Weeks has been known to labor in his office from 8 a. m. to 7 p. m. with but short periods for lunch and dinner.

The new secretary of war is striving to give the United States a small but highly efficient army organization. To back-stop this comparatively small regular army Weeks is encouraging extension of the officers' training camps.

Weeks dislikes to be bothered with petty details. He expressed his views as follows:

"Every time an officer gets a stomach ache he has to run to the secretary of war with it."

This outburst followed a trying morning when he was nearly inundated with a flood of petty details.

Weeks is big, good-natured, with wide political experience and knows how to "play the game" with the senators and congressmen who can help or hinder him in the task of reorganizing the army to an effective peace basis.

PARIS MULE HAS SERVED FOR TWENTY-TWO YEARS

A grocer at Paris, Texas, has a little mule that has been in service delivering groceries twenty-two years, all of which time it has boarded at a wagon yard. Last week the mule was sent to a pasture to rest up. It was the first time it had ever been in one. It was brought back to town at the end of the week. It made its escape from the lot the first night after being brought back and made a bee-line back to the pasture. It cut a foot nearly off on a barbed wire fence trying to jump back into the inclosure, and is now taking a forced vacation.

Now that "Cousin" Everett has been sentenced to 15 months in prison, he will have plenty of time to figure out the details of that chain of candy stores and hotels.

Grocer: "What was that woman complaining about?"

Assistant: "The long wait."

Grocer: "And only yesterday she was complaining about the short weight. You can't please some people."

It is a long road these days that has no soft drink stand.

For the second time that young easterner, Charles Garland, has refused a bequest of a million dollars, because he "wouldn't know what to do with it." And for the second time numerous citizens wish they had a chance at that million.

STOCKINGS ALL SILK AND HAT EACH MONTH SAY FASHION MAKER

Chicago, Aug. 16.—Sad tidings for the poor old pocketbook!

Milliners now plan to change the style of hats every month, so hubby who is bent double trying to buy two to four a year and all that goes with them, will now be soaked for a round dozen.

And there will be no bargain sales, for the milliners attending the Retail Merchants' Association meeting here gleefully boast that the department stores will not be able to get the styles and hats fast enough to cut prices.

Formerly styles changed twice each year—spring and fall—with occasional concessions to winter and mid-summer, but now they are to change every thirty days.

Also some disturbing news filtered from the meeting of the Womens' Apparel Association which is staging a display of forthcoming fashions with supple, lissome, live models. Briefly these changes from present modes include these items:

Blouses will completely displace the frugal and popular shirtwaist.

Stockings must be silk all the way, no more cotton tops.

Monkey fur will be all the rage for trimming.

Kimonos will be exceedingly transparent and orange is to be the favorite color.

Six of the models who went on strike were dismissed Tuesday. They had been receiving \$150 a week and demanded extra pay for rehearsals.

At the pageant of Progress on the municipal pier, 5,000 young women are being weighed and measured daily and the experts on this job say the United States has it on every nation in the world, not excepting France, for shapely and perfect girls. Sixty per cent of those so far examined are ideally proportioned and they are far more graceful than the French girls or the languorous beauties of Spain.

DIFFERENCE BETWEEN SALESMAN AND DEALER

"Now is when the car owner finds out the difference between an automobile salesman and an automobile dealer," says Mr. Wurtz of the Shamrock Motor Co.

"Car performance is emphasized during those months when the automobile figures heavily in the recreations of humanity. Many a car does a double day's work every day and more often its roadability depends entirely upon the man who sold it to service it promptly and satisfactorily.

"Now is when the owner realizes the importance of a capable local responsibility for his car.

"The salesman sells a car. The dealer sells also his constant readiness to serve as long as the car is in existence."

THE IRONY OF FATE

He: "Do you remember Joyce, who rescued a young lady from drowning, and later married her?"

She: "Yes. What became of him?"

He: "He drowned himself yesterday!"

NEWCASTLE VOTES BONDS

The most important thing in Newcastle since the school bonds were voted was voting the waterworks and sewer bonds in Tuesday's election. There was very little said either for or against the bonds during the five weeks the issue was pending. In fact there was but little opposition to either issue as far as their merits were concerned, and what opposition developed was mostly on account of the unsettled condition of affairs and no time to push these matters.

The extension of the waterworks was regarded as a necessity and couldn't be longer postponed, and so this issue carried handsomely by a vote of nearly three to one.

While the waterworks bonds carried with a whoop, the sewer bonds go by with a very tiny squeak.

There were 140 votes polled on the waterworks bonds and 138 on the sewer bonds, as follows: For waterworks bonds, 101; against 39; For sewer bonds 70, against 68.—Newcastle Register.

HEALTH PARAGRAPHS

By Dr. M. M. Carrick
State Health Officer

When I get to be about ninety, I hope that I will have so many of my colleagues about me that I shall be accepted as a matter of course.

If I can read well and have weak lungs; if I can write well and have kidney trouble; if I can figure well and have anemia—how much are the three R's worth to me?

We know that malaria is carried by a special species of mosquito and we know that if we eliminate the mosquito the spread of the disease will automatically stop.

Responsibility for accident and disease is no longer considered merely as a personal problem, it is a community problem as well. Just as we insist that every American shall have the benefits of public education, so should we insist upon the inherent right of every American to the possession of a body free from the handicap of preventable disease.

The public health is the foundation on which reposes the happiness of the people and the power of the country. The care of the public health is the first duty of the statesman.—Lord Beaconsfield.

If there is no filth, there will be no flies.

A large proportion of the diseases from which mankind suffers today are preventable. The time will come when such diseases as malaria and tuberculosis will belong only to the ancient history of medicine. All work, no matter how trivial or valueless it may seem, if it has been done with honesty of purpose, has its great victory over pain and pestilence. Were it possible to ask those who have fought in this cause and have died for it, "Was it worth while?" they, too, would say that they rejoiced that they had not lived in vain, but had been allowed a little share in the work of alleviating the suffering of humanity.

The State Board of Health, Austin, Texas, welcomes inquiries or letters from citizens interested in the promotion of community health.

Automobile prices are coming down, but there is a nigger in the woodpile. The cost of repairs after a smashup remains the same.

KANRED WHEAT DOUBLES YIELD OF ALL OTHER VARIETIES

EDGAR H. KEMP, County Agent.

It has been known for some time that Young county would have to renew its seed wheat, and it has been demonstrated so many times in the experience of other sections, that to avoid mixed grades at the mills, thereby lessening the market value to the farmer, only one variety should be grown, in so far as is practicable.

We have as a rule, followed the practice of continuous planting our seed wheat with little or no effort toward selection and propagation, and under these conditions it is a good rule to discard our seed stock after the second planting. For instance, by way of comparison, no raiser of livestock cares to use the same sires in his herd for a greater period of time. The results from either of these practices is too obvious for further discussion. That the conditions in Young county are such at this time is emphasized by the following letter from the firm which furnishes our market:

"Mr. Edgar Kemp, County Agent, Graham, Texas.

"Dear Mr. Kemp:

"For a number of years we have thought that the farmers of this section of the country should change their seed wheat as it is gradually becoming mixed and not suitable. This year we have noticed from time to time as the farmers brought in their wheat, that it was badly mixed, showing both soft and hard varieties, but is also badly infested with smut, not only smut balls but creased smut, which makes it impossible to mill; and it necessary to sell such wheat for export, which always takes a heavy dockage, meaning a heavy loss to the growers.

"This county needs a pure strain. During the last year it is our understanding that you have introduced seed wheat known as the Kanred, and our observation is that this is the kind of wheat most adapted to the soil and climate of this immediate section; and we strongly recommend it. There is no better way that you could serve the community than to see that each wheat raiser will sow this pure strain Kanred wheat, which not only grows and yields well, but is an excellent grade.

"The present situation in this section is alarming, and it is time that that we wake up to the conditions and see that there is something done. If we can be of any assistance to you in furthering this good work do not hesitate to contact us.

"Yours very truly,
"GRAHAM MILL & ELEVATOR CO.
(Signed) J. S. CRISWELL, Mgr."

This will I hope make conditions plain to every grower and stress the urgency of increasing our yields with better seed. Much interest has been manifested recently in the experiments conducted with Kanred wheat in Young county the past season, and for the benefit of those who are unfamiliar with them, these data are presented:

Pleasant Hill community, west of Graham: Mac Farrer averaged 8 bushels with Kanred wheat against 4 bushels full caster. In the same community Seth Choate averaged 9 1-2 bushels against 3 1-3 bushels full caster. J. G. Choate averaged 10 bushels Kanred against 4 3-5 bushels full caster. C. S. Choate averaged 6 3-7 bushels Kanred against 2 2-5 bushels full caster. "The land this wheat was sown on is a poor type, being very sandy and washed out to clay in spots. All November sown.

On the farm of F. R. Cornelius near Graham, the Kanred wheat averaged 22 bushels per acre against 9 bushels full caster. Soil the Kanred was grown on was a poor type of mixed mesquite, nothing like as good as soil other wheat was sown on. November sown.

C. E. Burdick of the Monument community near Loving made 24 bushels against 15 bushels Mediterranean. Soil, grayish, black sandy type. November 15 sown.

Dr. J. B. Mars of Newcastle averaged 17 bushels Kanred against 11 bushels Karkoff. Soil, tight sandy. November sown.

On the farm of H. N. Tucker in the Olney community Kanred wheat averaged 15 bushels against 10 bushels Turkey Red. Soil, chocolate loam, Kanred December sown on cotton stalks.

On farm of Wilmer Ewink, Spring Creek community, Kanred wheat averaged 33 1-2 bushels per acre against 16 bushels Turkey Red.

The foregoing are conservative estimates furnished by the growers themselves. There can be no doubt as to the adaptability of this Kanred wheat to the soil and conditions of Young county as the results show, made under as severe conditions as one could wish for a test.

This wheat is hard, approximately two weeks earlier than other varieties and resisting rust, as is borne out by the statements of the growers, that there was no rust in this wheat while other varieties on their farms were affected. It will be readily seen that this wheat is the kind we want here as there can be no question as to what it will do, practically all types of soils in the county being represented in the securing of these results, which average approximately 100 per cent more wheat than other varieties grown under the same conditions.

From quotations secured from reliable seed house in Kansas pedigreed Kanred seed wheat will cost in carlots delivered in Young county \$2.40 per bushel. In less quantities it will cost delivered \$3.60. It will readily be seen that the county should use more than a carload which will give us the benefit of the lower price. These prices are made subject to wheat being unsold. This is going to take quick action and it is to the interest of every grower who wishes to order this wheat that he urge his neighbors to investigate this and to place their orders at once.

ties and resisting rust, as is borne out by the statements of the growers, that there was no rust in this wheat while other varieties on their farms were affected. It will be readily seen that this wheat is the kind we want here as there can be no question as to what it will do, practically all types of soils in the county being represented in the securing of these results, which average approximately 100 per cent more wheat than other varieties grown under the same conditions.

TREASURY DEPARTMENT

Office of the Comptroller of the Currency

Washington, June 28, 1921. Whereas, by satisfactory evidence presented to the undersigned, it has been made to appear that "The Graham National Bank" in the City of Graham in the County of Young and State of Texas, has complied with all the provisions of the Act of Congress "to enable National Banking Associations to extend their corporate existence, and for other purposes," approved July 12, 1882;

Now, therefore, I, D. R. Crissinger, Comptroller of the Currency, do hereby certify that "The Graham National Bank" in the City of Graham in the County of Young and State of Texas is authorized to have succession for the period specified in its amended articles of association; namely, until close of business June 28, 1941.

In Testimony Whereof witness my hand and Seal of office this (L. S.) Twenty-Eighth day of June 1921.

D. R. CRISSINGER, Comptroller of the Currency. Charter No. 5897. Extension No. 4022

CITATION BY PUBLICATION

THE STATE OF TEXAS

To the Sheriff or any Constable of Young County—Greeting:

YOU ARE HEREBY COMMANDED to summon Harry Calvin Neal by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, to appear at the next regular term of the District Court of Young County, to be held at the Court House thereof, in Graham, on the First Monday in September A. D. 1921, the same being the 5th day of September A. D. 1921, then and there to answer a petition filed in said Court on the 11th day of May, A. D. 1921, in a suit numbered on the docket of said Court No. 6400, wherein Mary Adele Neal is Plaintiff and Harry Calvin Neal is Defendant and said petition alleging that Plaintiff and Defendant were lawfully married on or about the 29th day of March, 1919, and lived together as husband and wife until on or about the 3rd day of January, A. D. 1921, when by reason of the cruel treatment of Defendant toward Plaintiff she was forced and compelled to permanently abandon Defendant, since which time they have not lived together as husband and wife; that she was at all times kind and affectionate to him; but Defendant failed to provide for Plaintiff's support and maintenance and about one year prior to their separation began a course of unkind, harsh, cruel and tyrannical treatment toward Plaintiff and cursed and abused her and slapped Plaintiff thereby humiliating and injuring the Plaintiff by such treatment; that said marriage relations between Plaintiff and Defendant still exist. That Plaintiff's maiden name before marriage was Mary Adele Graffman. That the Defendant be cited to appear and that on final trial she have judgment dissolving said marriage relation, that her maiden name be restored and for all costs of suit.

HEREIN FAIL NOT, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Witness, Willie Riggs, Clerk of the District Court of Young County. Given under my hand and the Seal of said Court, at office in (L. S.) Graham, Texas, this the 3rd day of August A. D. 1921.

WILLIE RIGGS, Clerk District Court Young County, Texas.

Levied on as the property of Giant Machine & Tool Co. to satisfy a judgment amounting to \$1965.00 in favor of Beck & Corbett Iron Co. and costs of suit.

Given under my hand, this 10th day of August, 1921.

JOHN W. SAYE, Sheriff in and for Young County, Texas.

CITATION BY PUBLICATION

THE STATE OF TEXAS

To the Sheriff or any Constable of Young County—Greeting:

YOU ARE HEREBY COMMANDED to summon Blanche Nelle Bloom Givens by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, to appear at the next regular term of the District Court of Young County, to be held at the Court House thereof, in Graham, on the 1st Monday in September A. D. 1921, the same being the 5th day of September, A. D. 1921, then and there to answer a petition filed in said Court, on the 3rd day of August A. D. 1921, in a suit numbered on the docket of said Court No. 6526, wherein A. W. Givens is Plaintiff and Blanche Nelle Bloom Givens is Defendant and said petition alleging that Plaintiff and Defendant were married on or about the 24th day of September A. D. 1919, and continued to live together until on or about the 16th day of October A. D. 1919, when by reason of the cruel and harsh treatment and improper conduct of Defendant toward Plaintiff, he was forced and compelled to permanently abandon her, since which time they have not lived together as husband and wife.

Plaintiff alleges that during the time he and Defendant lived together as aforesaid, he was kind and affectionate to her and always provided for her support, but Defendant unkindly and cruelly treated Plaintiff and injured her in her marital vows, immediately after they were married began to continuously "nag" at him, and accused him of improper relations with other women; that she repeatedly refused and would not cook his meals for him; and that her jealous temperament was of such a nature together with her cruel and tyrannical treatment, that Plaintiff was forced and compelled to abandon Defendant; that Defendant often struck and abused Plaintiff and called him the vilest kind of names; that said marriage relations between Plaintiff and Defendant still exist.

Wherefore Plaintiff prays the court that Defendant be cited to appear and answer herein and for judgment dissolving said marriage relations, for costs of suit and for such other and further relief, special and general, in law and in equity, that he may be justly entitled to.

HEREIN FAIL NOT, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Witness, Willie Riggs, Clerk of the District Court of Young County. Given under my hand and the Seal of said Court, at office in (L. S.) Graham, Texas, this the 3rd day of August A. D. 1921.

WILLIE RIGGS, Clerk District Court Young County, Texas.

CITATION BY PUBLICATION

THE STATE OF TEXAS

To the Sheriff or any Constable of Young County—Greeting:

YOU ARE HEREBY COMMANDED to summon W. R. Shankle, a transient person by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, to appear at the next regular term of the District Court of Young County, to be held at the Court House thereof, in Graham, on the First Monday in September, A. D. 1921, the same being the 5th day of September A. D. 1921, then and there to answer a petition filed in said Court on the 25th day of March

A. D. 1921, in a suit numbered on the docket of said Court No. 6353, wherein Prentiss Seale is Plaintiff, and W. R. Shankle, is Defendant and said petition alleging that Defendant is indebted to Plaintiff in the sum of \$1500.00 by virtue of the sale and delivery to Defendant by L. C. McFall, at the special instance and request of the Defendant of two 500 barrel, Butler Bolted steel storage tanks of the value of \$1500.00, which were to be paid for by the Defendant within 30 days from the date of sale, to-wit: December 16th, 1920. That said tanks are now being used by said Defendant on an oil lease owned by said Defendant on a certain tract of land known as the "Dooley Lease" about four or five miles west of South Bend, Texas; That on the 16th day of January, 1921, payment of said sum was duly demanded but Defendant has failed and refused to pay the same or any part thereof. That prior to the filing of this petition, Plaintiff purchased said debt and claim against Defendant from L. C. McFall, doing business under the name of The Standard Tank and Steel Works, therefore Plaintiff shows his right to bring this suit. That Defendant be cited to appear and answer herein, and that Plaintiff have judgment for his debt of \$1500.00, interest, attorney's fees and all costs of suit, etc.

HEREIN FAIL NOT, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Witness, Willie Riggs, Clerk of the District Court of Young County. Given under my hand and the Seal of said Court, at office in (L. S.) Graham, Texas, this the 3rd day of August A. D. 1921.

WILLIE RIGGS, Clerk District Court Young County, Texas.

CITATION BY PUBLICATION

THE STATE OF TEXAS

To the Sheriff or any Constable of Young County—Greeting:

YOU ARE HEREBY COMMANDED to summon Loyd Woods, whose residence is unknown to plaintiff by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, to appear at the next regular term of the District Court of Young County, to be held at the Court House thereof, in Graham, on the 1st Monday in September, A. D. 1921, the same being the 5th day of September, A. D. 1921, then and there to answer a petition filed in said Court on the 27th day of July, A. D. 1921, in a suit numbered on the docket of said Court No. 6510, wherein Leslie Woods is Plaintiff, and Loyd Woods is Defendant and said petition alleging that plaintiff and defendant were married on the 8th day of March, 1920, and continued to live together as husband and wife until on or about the 23rd day of May, 1921, when defendant by reason of his inherent meanness, began a course of unkind, harsh and cruel treatment towards plaintiff, and failed to support her, and just prior to their separation defendant began a course of insidious accusations against plaintiff. That he accused her before other members of her family of infidelity and improper conduct with other men, none of which were true, and which greatly impaired plaintiff's health. That the defendant is now living in adultery with other women, and that his conduct is of such a nature as to render their further living together as husband and wife insupportable. That there are no children and no community property. That defendant be cited to appear and answer herein for judgment dissolving said marriage relations and for decree restoring plaintiff's maiden name Leslie Bush, and for costs of suit, etc.

HEREIN FAIL NOT, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Witness Willie Riggs, Clerk of the District Court of Young County. Given under my hand and the Seal of said Court, at office in (L. S.) Graham, Texas, this the 27th day of July, A. D. 1921.

WILLIE RIGGS, Clerk District Court, Young County, Texas.

SHERIFF'S SALE

THE STATE OF TEXAS

County of Young. By virtue of an Execution issued out of the Honorable County Court of Hunt County, on the 23rd day of May, 1921, by the Clerk thereof, in the case of Roper Harris & Dunn Co., vs. J. W. Moore No. 5170, and to me, as Sheriff, directed and delivered, I will proceed to sell, within the hours prescribed by law for Sheriff's Sales, on the first Tuesday in September, A. D. 1921, it being the sixth day of said month, before

the Court House door of said Young County, in the City of Graham, the following described property, to-wit: All of the Automobile Accessories at J. W. Moores place of business levied on as the property of J. W. Moore to satisfy a judgment amounting to \$512.30 in favor of Roper Harris & Co. and costs of suit. Given under my hand, this 6th day of August, 1921.

JOHN W. SAYE, Sheriff in and for Young County, Texas.

SHERIFF'S SALE

THE STATE OF TEXAS

County of Young. By virtue of an Order of Sale issued out of the Honorable County Court of Young County, on the 20th day of July, 1921, by the Clerk thereof, in the case of Ranger Gasoline Co. vs. J. T. Thomas No. 767, and to me, as Sheriff, directed and delivered, I will proceed to sell, within the hours prescribed by law for Sheriff's Sales, on the first Tuesday in September A. D. 1921, it being the First day of said month, before the Court House door of said Young County, in the City of Graham, the following described property, to-wit:

- 1-12x12 B. S. Steam Engine, 1-4 1-2 x30 Drill Stem, 1-2 3-4x3 3-4 Box and pin, 1-10 inch Bit Set, 5 in. Jars, 2 Tool Wrenches, 1-P Swivel Socket, Elevators Links, 1 Pr. CITATION BY PUBLICATION

THE STATE OF TEXAS

To the Sheriff or any Constable of Young County—Greeting:

YOU ARE HEREBY COMMANDED to summon Lowell E. Oder by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, to appear at the next regular term of the District Court of Young County, to be held at the Court House thereof, in Graham, on the First Monday in September, A. D. 1921, the same being the 5th day of September, A. D. 1921, then and there to answer a petition filed in said Court on the 3rd day of August A. D. 1921, in a suit numbered on the docket of said Court No. 6526, wherein Mrs. Pearl Oder is Plaintiff, and Lowell E. Oder is Defendant and said petition alleging that Plaintiff and Defendant were lawfully married on or about March 4th, 1919, and lived together as husband and wife until on or about the 20th day of December, 1920, when by reason of the cruel treatment of Defendant toward Plaintiff, she was forced to permanently abandon him, since which time they have not lived together as husband and wife. That Plaintiff at all times, was kind and affectionate to him and conducted herself as a faithful, true and loving wife should, but Defendant about one year prior to the time of said separation, began a course of unkind, harsh, cruel and tyrannical treatment towards her until she was forced to abandon him. That Defendant often cursed and abused Plaintiff and called her a "she devil" and a "man chaser" and other ugly names. That on or about December 19th, 1920, in Cisco, Texas, he cursed and abused her and called her a "prostitute" and publicly accused her of living in adultery with another man other than himself, all of which were false and untrue; that Defendant's actions and conduct toward her are of such a nature as to render their further living together as man and wife insupportable. That Defendant be cited to appear and answer herein, and for judgment dissolving said marriage relations, for costs of suit, etc.

HEREIN FAIL NOT, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Witness, Willie Riggs, Clerk of the District Court of Young County. Given under my hand and the Seal of said Court, at office in (L. S.) Graham, Texas, this the 3rd day of August A. D. 1921.

WILLIE RIGGS, Clerk District Court Young County, Texas.

CONSTABLE'S SALE

THE STATE OF TEXAS

County of Young. By virtue of an Execution issued out of the Honorable Justice Court of Young County, Precinct No. One on the 4th day of August, 1921, by the Justice of the Peace of Precinct No. One, in the case of H. E. Griffin vs. F. T. Kobus No. 2181, and to me, as Constable, directed and delivered, I will proceed to sell, within the hours prescribed by law for Constable's Sales, on the 22 day of August, 1921, at Louis Bowers Feed Store in Graham Texas, in said County, the following described property, to-wit:

One Bread Mixer and One Rising Box levied on as the property of F. T. Kobus to satisfy a judgment amounting to \$43.00 in favor of H. E. Griffin and costs of suit.

Given under my hand, this 9th day of August, 1921.

J. D. DAWSON, Constable Precinct No. 1, Young County, Texas.

CITATION BY PUBLICATION

THE STATE OF TEXAS

To the Sheriff or any Constable of Young County—Greeting:

YOU ARE HEREBY COMMANDED to summon B. H. Mason and J. E. McGee by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in a newspaper published in the nearest County where a newspaper is published, to appear at the next regular term of the District Court of Young County, to be held at the Court House thereof, in Graham, Texas, on the First Monday in September A. D. 1921, the same being the 5th day of September A. D. 1921, then and there to answer a petition filed in said Court on the 3rd day of August A. D. 1921, in a suit numbered on the docket of said Court No. 6528, wherein Morrison-Smith Lumber Company, a corporation duly organized and existing under and by virtue of the laws of Texas, W. C. Bell, R. E. Lynch, L. L. Kinnebrew, G. B. Johnson, Ed Matthews, and T. T. Garrett are Plaintiffs, and B. H. Mason and J. E. McGee are Defendants, and said petition alleging that Plaintiff Morrison-Smith Lumber Company, in February, 1921, sold and delivered to Defendants certain lumber, nails, and other building material to be used and actually used in the construction of a two-story building upon East fifty (50) feet of Lots 1, 2, and 3 of Block 43 of the City of Graham in Young County, Texas; said building being commonly known as the "Dance Hall," and also furnished labor and drayage for transportation of said material; labor and drayage being of the aggregate value of Four Thousand Three Hundred Thirteen and 55/100 (\$4,313.55) Dollars, which amount Defendants agreed to pay said Plaintiff therefor; and to secure payment of said indebtedness said Plaintiff duly and seasonably fixed and now claims and holds a Constitutional and Statutory Materialman's Lien upon said building, as shown by Volume 2, at pages 137 and 138 of the Mechanics Lien Records of Young County, Texas.

That prior to April 1, 1921, H. M. Hatter and various other persons performed labor upon said building in the construction thereof, but were not paid therefor, and that to secure payments of the amounts owing to them, respectively, therefor, each of said laborers within the time and in the manner required by law, fixed a statutory lien upon said building to secure payment of the indebtedness so owing to him, such items of indebtedness aggregating Three Thousand Four Hundred Thirty One and 90-100 (\$3,431.90) Dollars; that for valuable consideration then paid to them, respectively, by plaintiffs other than said corporation, said laborers, respectively, sold and assigned to said plaintiffs said items of indebtedness and securities, respectively, as follows, viz: to W. C. Bell, \$1091.10; to R. E. Lynch, \$332.75; to L. L. Kinnebrew, \$302.95; to G. B. Johnson, \$118.25; to Ed Matthews, \$95.50; to T. T. Garrett, \$59.45; and also severally sold, assigned, transferred and conveyed to said plaintiffs the aforesaid liens securing same. That said liens are valid and subsisting liens upon said building securing payment of said indebtedness as hereinabove shown.

Wherefore plaintiffs sue and pray for citation by publication and for judgment upon final trial for their debt as aforesaid and for foreclosure of their respective materialman's and laborer's liens as aforesaid; and for full relief, general and special, legal and equitable.

HEREIN FAIL NOT, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Witness, Willie Riggs, Clerk of the District Court of Young County. Given under my hand and the Seal of said Court, at office in (L. S.) Graham, Texas, this the 10 day of August A. D. 1921.

WILLIE RIGGS, Clerk District Court, Young County, Texas.

Witness, Willie Riggs, Clerk of the District Court of Young County. Given under my hand and the Seal of said Court, at office in (L. S.) Graham, Texas, this the 3rd day of August A. D. 1921.

WILLIE RIGGS, Clerk District Court Young County, Texas.

SHERIFF'S SALE

THE STATE OF TEXAS

County of Young. By virtue of an Order of Sale issued out of the Honorable County Court of Dallas County, on the 28th day of July, 1921, by the Clerk thereof, in the case of Texas Employers Association vs. Adams Bros. & Prince No. 30713-A, and to me, as Sheriff, directed and delivered, I will proceed to sell, within the hours prescribed by law for Sheriff's Sales, on the first Tuesday in September A. D. 1921, it being the 6th day of said month, before the Court House door of said Young County, in the City of Graham, the following described property, to-wit:

Two Thirty-Five Horse Power Boilers valued at \$1,000.00 each, One Yoke Steam Engine valued at \$400.00 Located on track no 2 well Pratt Farm Roxana Lease near Harding City, Texas.

Levied on as the property of Adams Bros. & Prince to satisfy a judgment amounting to \$897.62 in favor of Texas Employers Association and costs of suit.

Given under my hand, this 9th day of August 1921.

JOHN W. SAYE, Sheriff, in and for Young County, Texas.

CITATION BY PUBLICATION

THE STATE OF TEXAS

To the Sheriff or any Constable of Young County—Greeting:

YOU ARE HEREBY COMMANDED to summon D. C. Cook by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 30th Judicial District, but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said 30th Judicial District, to appear at the next regular term of the District Court of Young County, to be held at the Court House thereof, in Graham on the 1st Monday in September A. D. 1921, the same being the 5th day of September A. D. 1921, then and there to answer a petition filed in said court on the 16 day of May A. D. 1921, in a suit number on the docket of said Court No. 6402, wherein Barbara Cook, is Plaintiff, and D. C. Cook is Defendant and said petition alleging that plaintiff is a bona fide inhabitant of the State of Texas and has been for more than one year next preceding the filing of this suit, and has resided in Young County, Texas for more more than six months next preceding the filing of this suit. That plaintiff and defendant were legally married to each other in the State of Georgia on or about the 5th day of November, 1896, and lived together as husband and wife until on or about the 9th day of April, 1921, when they separated. That as an issue of their said marriage they have two minor children to-wit: Lawson Cook, a boy age 8 years old, and James Cook, a boy 5 years old. That plaintiff was at all times kind to her said husband and did all she could to make him a kind and loving wife, but that the defendant disregarding the solemnity of his marriage vows within the period of about three prior to their said separation began a course of cruel and harsh treatment toward this plaintiff which lasted with slight intermissions until their final separation. That on divers occasions while plaintiff lived defendant he was guilty of excessive cruel treatment toward this plaintiff and showed a total disregard for this plaintiff's health and life by refusing to maintain support for her as well as her minor children. That such conduct on part of defendant renders their further living together as husband and wife insupportable. Wherefore she prays judgment of the court dissolving the bonds of matrimony existing between plaintiff and defendant and for the care and custody of her said minor children and for costs, etc.

HEREIN FAIL NOT, but have before said Court, at its aforesaid next regular term this writ with your return thereon, showing how you have executed the same.

Witness, Willie Riggs, Clerk of the District Court of Young County. Given under my hand and the Seal of said Court, at office in (L. S.) Graham, this the 10 day of August A. D. 1921.

WILLIE RIGGS, Clerk District Court, Young County, Texas.

**MRS. CALLIE SHANNON
MAKES EXCELLENT
RECORD IN COLLEGE**

Mrs. Callie Shannon of Graham, one of the energetic school teachers of Texas, is taking an important part in the activities on the campus at Colorado State Teachers College at Greeley, Colorado, where as a student in the Summer Normal she is spending her vacation days acquiring more education in order that that the boys and girls in her school may have better advantages.

Mrs. Shannon is one of a group of seventy-three teachers enrolled from the State of Texas, representing twenty-nine cities and towns. She is also a member of an army of public school teachers, principals, superintendents and educators in general gathered from thirty-two states. The influence which contact with such an array of educators brings is also giving Mrs. Shannon a broadness that will be of advantage to the pupils in her classrooms.

Despite the great number of strangers about her, Mrs. Shannon says she is too busy to get lonely. Her time is taken up attending the many classes, which are presided over by presidents and department heads from leading universities and colleges in all parts of the country, a staff additional to the regular faculty.

CITATION BY PUBLICATION

THE STATE OF TEXAS
To the Sheriff or any Constable of Young County—Greeting:

YOU ARE HEREBY COMMANDED to summon Max Pomerantz by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 30th Judicial District, but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said 30th Judicial District to appear at the next regular term of the County Court, to be holden at the Court House thereof, in Graham, on the First Monday in October, A. D. 1921, the same being the Third day of October, A. D. 1921, then and there to answer a petition filed in said Court on the 9th day of August, A. D. 1921, in a suit numbered on the docket of said Court No. 895, wherein Guaranty State Bank of Graham, Texas, (J. C. Lovelace, President) is Plaintiff, and Max Pomerantz is Defendant and said petition alleging that heretofore, to-wit: on the 18th day of May A. D. 1921 the defendant made, executed and delivered to this plaintiff his certain promissory note for the sum of One Hundred (\$100.00) Dollars, bearing date on the day and year aforesaid, payable to the order of plaintiff at Graham, Texas, and due on the 16th day of July, A. D. 1921, bearing interest at the rate of ten per cent per annum from maturity until paid, and providing for ten per cent additional on the amount of principal and interest then due as attorney's fees if placed in the hands of an attorney for collection or if suit is brought on same, whereby defendant became liable and bound to plaintiff and promised plaintiff to pay him the sum of money in said note specified, together with all interest and attorneys fees due thereon according to the tenor and effect thereof.

That plaintiff has placed said note in the hands of Hinson and Ricker, attorneys, for collection and has contracted to pay them the ten per cent stipulated in said note, the same being reasonable and the usual and customary fee.

That said note is now past due and unpaid, and defendant, though often requested, has hitherto failed and refused and still refuses to pay the same, or any part thereof, to plaintiff's damage in the sum of One Hundred (\$100.00) Dollars.

Plaintiff further alleges that the defendant made and executed to it a chattel mortgage, dated January 18, 1921, on one one-half (1-2) ton Ford Truck, Engine No. 3404358, copy of which is attached hereto, and

marked Exhibit "A" for the purpose of securing said note.

Wherefore plaintiff prays the court that defendant be cited to appear and answer this petition, and he have judgment for his debt of One Hundred (\$100.00) Dollars, interest and attorneys fees, for all costs of suit, and for the foreclosure of his lien as specified in the chattel mortgage hereto attached, and for such other and further relief, special and general, in law and equity, that it may be justly entitled to, and in duty bound will ever pray.

Herein Fail Not, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Witness, W. H. Kennedy, Clerk of the County Court of Young County. Given under my hand and the seal of said Court, at office in (L.S.) Graham, this, the 10th day of August A. D. 1921.

W. H. KENNEDY,
Clerk, County Court, Young County.
By WILLARD MATTHEWS, Deputy.
A true copy, I certify:
JOHN W. SAYE, Sheriff.

SHERIFF'S SALE

THE STATE OF TEXAS

County of Young.

By virtue of an Execution issued out of the Honorable District Court of Young County, on the 26th day of April, 1921, by the Clerk thereof, in the case of O. P. & G. Co. of Texas vs. Scott and Grant No. 6279, and to me, as Sheriff, directed and delivered, I will proceed to sell, within the hours prescribed by law for Sheriff's Sales, on the first Tuesday in September A. D. 1921, it being the 6th day of said month, before the Court House door of said Young County, in the City of Graham, the following described property, to-wit:

One complete string of tools, derrick, and 50 acres Lease located in the Edwards Survey, two 40 horse boilers, one 500 bbl. Tank, one 1600 bbl. tank, two frame bunk houses 30x30, one Engine 12x12, complete set of Spiders, reemers and slips, two casing wagons, two used ropes, bull, one 90 ft. drilling belt, 3500 ft. steel line, one set long stroke jars, two set short stroke jars, one latch jack, one vam, one rope socket, one set tool wrenches, two drill stems, one set three prong grabbers, one set bull tongs, one set dun tongs, two 6 1-4 in. bits, two sinkers, one 6x28 boiler, one steel tool box, one tool dressing forge, two 6 in. oil saucers, one inch control head, one 6 in. sand cap, one pipe vise, one yale trypler chain block, two 15 in. casing elevators, one derrick anvil, one pile 10 8-6 in. casing, about 100 joints, two 12 1-2 Wilson elevators, one 10 in. Wilson elevator, two 65-8 elevators, one steam blower, one tool joint 5 to 33, one Wilson underreamer, one two ton jack, one 3500 ft. measuring line, one tool brace, two in Toledo stock and dies, one moon gudgeon, one derrick crown, one swivel wrench, one circle jack complete, one 24 in. tripple block, one 1 in. casing line, two 8 in. SUPREME FLOUR--The People's Choice

Time shows development from small things to great. Not but one quarter of a century ago "SUPREME" was only a community flour; today it is used in thousands of homes in Texas as well as in foreign lands. Then—the question—why its growth? Because of its unfailing uniformity. This Company has worked conscientiously, carefully, and painstakingly to excel in quality. You are due it to yourself to take advantage of an extraordinary quality flour when offered. "SUPREME" is no longer a chance, but a sure hit.

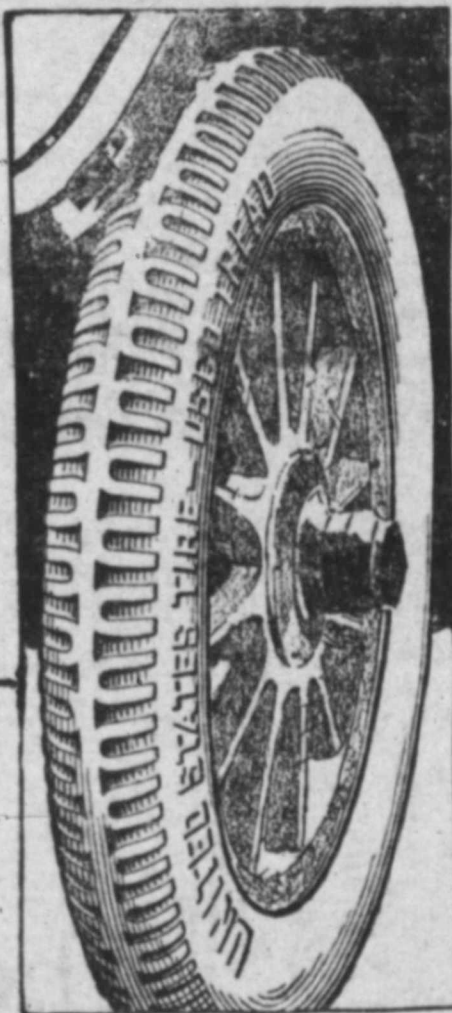

THE GRAHAM MILL & ELEVATOR COMPANY

day of August, 1921.

JOHN W. SAYE,
Sheriff, in and for Young County, Texas.

COUNTER TABLE, twenty feet long, for sale at Leader office.

Ten years elapsed between the dropping of a postcard in an Ohio postoffice and its arrival in another 120 miles distant. Well, some small town postmasters do have difficulty in reading postcards.

THE U.S. USCO TREAD

Here is the U. S. Usco Tread, with a long-established standard of service among motorists who have an eye to value, as well as to price. While selling for less than the other tires in the U. S. Fabric line, the Usco has earned a reputation for quality and dependable economy which is not exceeded by any tire in its class.

**From the makers of
U.S. Royal Cords
to the
users of Fabric Tires**

"Giving to the fabric tire user fresh, live tires. Being made now. Being shipped now."

In all of modern merchandising the biggest conundrum is the fabric tire situation.

Around 70% of all car owners use fabric tires.

Their instinct for quality is as strong and insistent as any one else's.

Why, then, are they offered such hodge-podge stocks of "discount tires," "odd lots," "seconds," "retreads" and other so-called bargains of uncertain origin?

Sooner or later the public always seeks out quality. As a matter of self-protection—if for no other reason. The out-and-out opinion in favor of U. S. Fabric Tires has spread more this year than it ever did.

People have gotten very close to the U.S. policy. Felt it. Benefited by it. And passed the word along.

It's a policy settled to one standard for all U. S. Tires. Whether fabrics or cords. Small sizes or large.

Giving to the fabric tire user fresh, live tires. Being made now. Being shipped now.

All the original U. S. vitality and service comes through when you buy a U. S. Fabric Tire.

"Usco," "Chain," "Nobby." Three different treads.

Built by the same brains, the same policy, the same quality ideals that have made U. S. Royal Cords the standard measure of tire worth.

DEVOE

VELOUR FINISH

Rooms that can be "laundered"!

CAN you honestly say when you have finished house-cleaning that your rooms are really clean? You can never say it unless your walls are washable.

Devoe Velour Finish—put on right over wall paper, burlap or plaster—gives any room a surface that can be washed with soap and water, making it as clean as a dress fresh from the laundry.

Devoe Velour Finish comes in soft, artistic colors that add cheer and hominess to the room.

DEVOE PRODUCTS are time-tested and proven—backed by 160 years' experience of the oldest paint manufacturing concern in the U.S. Founded 1754.

Sold by the Devoe Agent in your community

Employes Lumber Company

"It Isn't Your Town--It's You"

If you want to live in the kind of town,
Like the kind of town you like,
You needn't slip your clothes in a grip
And start on a long, long hike;
For you'll only find what you've left
behind,

There's nothing that's really new,
It's a knock at yourself, when you knock
your town—
For it isn't your town—it's YOU!

Real towns are not made by men afraid
That somebody else gets ahead;
If everyone works, and nobody shirks,
You can raise a town from the dead.
And if, while YOU make, your personal
stake,

Your neighbor should make one too,
Then your town would be, what you want
it to be,
For it isn't your town—it's YOU!

R. D. LINCOLN OPENS BUSINESS IN GRAHAM

The Leader carried an announcement in last week's issue of the marriage of Robert D. Lincoln to Miss Laurene Elrod of Alford and stated that they would make their home in Chicago. The announcement of their marriage was true but Mr. Lincoln states that they like Graham and will make their home here. He will enter the plumbing business. He left this week to purchase his

supplies. On his return he will open an office on or near the square but will maintain his warehouse near the Wichita Falls and Southern railway.

Mr. Lincoln was engaged in this line of work at Ranger before coming to Graham. This is his regular line and one in which he has achieved success. He will be glad to meet and talk with those interested in having plumbing done as soon as he returns with his supply of goods.

OWEN WELL NOW MAKING 300 BARRELS

GOOD ROADS ARE VALUABLE INVESTMENT FOR COMMUNITY

Good roads have proved valuable investments for the communities that have built them. Of course there are instances where unscrupulous persons have had charge of the road building program and the community did not get value received but this is an exception to the rule; good roads properly constructed are recognized as good investments. The State Highway Department gives valuable assistance in the construction of roads throughout the state.

An investigation of the records of the State Highway Department discloses some startling facts relative to the amount of work that is being done under the supervision of this department on the designated system of State highways.

During the first seven months of this year the State Highway Commission has paid out a total of State and Federal aid, on work that is now under construction, of \$4,392,678.14, or an average of \$627,525.15 per month. Of this amount an average of \$170,462.29 per month was State aid, and \$457,063.16 was Federal aid. This department is required by the law to supervise work involving Federal aid as well as all State aid work.

The average per cent of aid on the work now under construction is approximately 35 per cent, there being the amount of work that has been completed under the direct supervision of the State Highway Department during the last seven months is \$12,550,508.97.

The estimates paid during June broke all previous records of the department. The total amount paid out by the State Highway Commission during that month was \$930,679.26.

The State Highway Commission now has under active construction approximately 2,500 miles of highways, the total cost of which amounts to more than \$30,000,000. These figures are indeed surprising to persons who are not in very close touch with this movement.

Young county should be receiving part of this money but we will not get any of it until the county has at least one designated highway. If there is a county in the State that needs roads at this time it is Young county. An effort is being made to create a new interest in the F. F. F. highway which runs through the county from Finis to Olney. If this or some other highway could be established then it would be possible for this county to get some of the benefits of the State and Federal aid.

With the new oil field opened up at Bunger we should at once give attention to the road from Graham to this field. A \$500,000.00 bond issue in precinct number one, together with State and Federal aid, would give this precinct good roads. Young county has some of the best road material to be found anywhere and yet, with this good material, we have some of the worst roads in the State. The loss in time and the damage to cars and other vehicles, caused by running over our roads in their present condition, cost more than good roads would cost.

Heavy Docket For September Court

The September term of the District court has the heaviest docket ever known. There are at present 200 cases on the docket. District Clerk Willie Jones has been one of the busiest in town getting ready for the opening session.

There was complaint from different quarters that the last term of court was too slow and that not enough business was dispatched. With the heavy docket this time it will be necessary to speed up if much is accomplished.

DITCHING MACHINE FOR RANGER GAS COMPANY AT WORK

The Ranger Gas Company is going forward with the installation of the gas system for Graham. Mr. Owen states that property owners are already putting in service lines to their residences.

The pipe for the main line from South Bend to Graham has been received, four cars being shipped to South Bend and the rest unloaded here. The ditchers are now at work and before many weeks the system will be installed.

The management will be pleased to have those interested to call at their office in the Lynch building facing Third street where they will be glad to explain the merits of using gas and give information about installing it in the residence and business houses.

YOUNG COUNTY POLO TEAM WANTS GAMES WITH GOOD CLUBS

The Young county polo team has been playing some good games but owing to the extreme and continued warm weather the boys decided to postpone further practice until the first Wednesday in September.

The boys have been having some good games and if there is a fast polo team anywhere that wants some interesting games it should get in communication with C. W. Keene, Route A, Graham, Texas.

The following report is given of the last game:

First chukker: Bryan, first goal; Robertson, second goal. First team 1; second team 1.

Second chukker: No goals. Smith penalized for foul. First team 1; second team 1-2.

Third chukker: Bryan, third goal; Robertson penalized for safety; Bilby penalized for foul. First team 2; second team 0.

Fourth chukker: Blount, fourth goal; Shanafelt, fifth goal. First team 4; second team 0.

Line up of teams: First team: Pete Bryan, captain, Clarence Blount, Sam Shanafelt. Second team: Jim Robertson, captain, Neal Bilby, Jeff Smith. Referee: C. W. Keene.

Uniforms have been ordered which the boys hope to have when the game is resumed in September. Visitors are welcome to come to the games on the grounds eight miles east of Graham on the Jackboro road.

C. B. JONES MOVES INTO NEW RESIDENCE

C. B. Jones and family moved into their new home on South Elm street this week. The house has been under construction several weeks and is one of the many new homes completed during the past few months. It is a modern seven-room bungalow. Mrs. Jones is proud of her new house and rightly so. Of course Mr. Jones is proud too but we used Mrs. Jones name first because she is the one who is charged with the responsibility of keeping it and she spends practically all her time there.

Miss Mildred Tidwell returned last Friday from Belton where she had been attending Baylor College. Miss Tidwell was one of the honor graduates of the Academy this summer. She will return for the regular session this fall. There were eighty graduates in the regular class in June and forty-seven in the summer session.

GOVERNOR CALLS SPECIAL SESSION OF LEGISLATURE

The first called session of the Thirty-seventh Legislature adjourned Tuesday night and the Governor called the second special session yesterday morning. The Governor submitted but one subject, that being to provide funds for maintaining and supporting State institutions. Other subjects may be submitted.

Governor Neff did not want to call the special session but the Legislature had not provided for the State institutions and there was no other course to pursue.

Many are urging the Governor to veto the redistricting bill as it will not go into effect until 1924. The senators took care of their places. There is so much politics in the affair that it looks like it will be difficult to properly redistrict the State. This ought to have been done in 1910 but the senators have such political aspirations that to redistrict the State would interfere with their plans, and it seems that in the present bill they have given themselves time to work out any political plans they may have in mind before it goes into effect.

The first special session accomplished very little.

R. B. Allison Begins New Home This Week

R. B. Allison of the First National Bank has his plans completed for a new residence on Third street. The contractor will begin actual construction this week.

Mr. Allison will build a neat and attractive four-room bungalow which he hopes to complete as soon as possible. It is commendable to see a young man build a home.

REVIVAL MEETING IN UPPER TONK

Rev. P. E. Cantrell will begin a revival meeting at the Methodist church in Upper Tonk Valley next Sunday morning, August 17. Services are usually held in the afternoon but Brother Cantrell announces that the first service will be held at 11 o'clock hour, Sunday.

He has just closed a successful meeting at Salem where several were saved and the community received a blessing that will never be forgotten.

A cordial invitation is extended to everybody to join in the services at Upper Tonk.

STORM VISITS GRAHAM SUNDAY

Graham was visited Sunday by one of the worst storms it has had in years. Several awnings were blown down and some damage to other property. A garage belonging to Superintendent Cogdell was damaged considerably.

The rainfall in the western and southern part of town was heavy but the northern and eastern part had only a light shower.

TWO TRAINS DAILY OVER W. F. & S., TENTATIVE SCHEDULE

Two trains daily will be operated each way over the Wichita Falls & Southern, starting August 18, if tentative plans of officials of that road are carried out.

In addition to the passenger train which leaves Wichita Falls 7 a. m. daily there will be an afternoon mixed train between Wichita Falls and Graham and another between Graham and Breckenridge. The tentative schedule follows:

Passenger train leaves Wichita Falls 7 a. m., Graham 10:55 a. m., arrive Breckenridge 1:07 p. m. Returning, leave Breckenridge 1:40 p. m., Graham 4 p. m., arrive Wichita Falls 7:20 p. m.

Mixed train—leave Wichita Falls 1:30 p. m., arrive Graham 7:30 p. m. Leave Graham 6 a. m., arrive Wichita Falls 1 p. m. Another mixed train

MRS. RACHEL GARVIN MEETS UNTIMELY DEATH WEDNESDAY

The entire community was saddened yesterday morning when the report that Mrs. Rachel Garvin was dead spread rapidly over the city. She with other members of her family was in the car with her son who was on his way to the ice plant to get some ice. Just as the car started, and before it had attained a speed of more than six or eight miles an hour, she became frightened and fell out of the car. She fell, her head striking the ground, resulting in her death at five o'clock yesterday morning about nine hours after the accident. Her son, Jay Garvin, who was driving had his little boy in front of him and it is thought that Mrs. Garvin became frightened thinking the little boy was driving.

The body will be buried this (Thursday) afternoon in the family burying ground at Finis.

Mrs. Garvin was born in Limestone county, June 12, 1869. She was married to W. W. Garvin December 6, 1888. The Leader does not know when they moved to this section of the State but they were living at Finis at the time of the death of her husband twenty-three years ago. Soon after his death she moved to Graham with her three small children. Her struggle to provide for her children is well known to the old citizens of Graham.

Her three children, Jay Garvin, Mrs. Jesse Tackett and Mrs. Wilbur Perkins and many other relatives in Graham survive her.

W. M. Miller Builds 5 Room Bungalow

W. M. Miller, the proprietor of the Model Market, began the construction of a modern five-room bungalow this week on Texas and Second streets.

He hopes to push the work on his house and have it ready to move into as soon as possible. He has a desirable location and his house when finished will be a comfortable and attractive home.

SALEM COMMUNITY HAS GOOD MEETING

Pastor P. E. Cantrell, assisted by Rev. A. W. Franklin of Loving, closed a successful meeting at Salem Sunday night. Brother Franklin did the preaching and Mrs. Franklin was organist.

It was one of the best meetings ever held in the community. A fine spirit pervaded the whole community. There were thirteen conversions and eleven accessions to the church.

Brother Cantrell is a live wire and has done a good work on his mission this year. He was glad to have Brother Franklin, the former pastor, with him in this meeting.

SEVERAL NEW LOCATIONS BUNGER FIELD THIS WEEK

The Graham Oil Syndicate paid their regular monthly dividend last Monday, August 15. This makes 142 per cent this company has paid since January 1, 1921. The officers of the company and all those receiving these handsome dividends are well pleased with the progress made by this company. New wells are being drilled and those charge confidently expect big dividends to continue.

T. C. BUTLER FINDS SHELL NEGRO USED FIGHTING INDIANS

T. C. Butler was in The Leader office Monday and had in his possession a 50-70 shell found on the scene of the killing of Negro Britt and his companions by the Indians in 1871 Henry Williams of Newcastle knew Negro Britt who was noted for his bravery in fighting the Indians, and says that this shell was used by the negro in this fight which took place six miles north of Graham.

Mr. Proffitt of California was here last week and in company with Henry Williams and R. J. Johnson made a search for the negro's grave but failed to find it. Another search will be made this week with the hope of finding same. It is said that four or five negroes were killed in the same fight and all were buried in the same grade. It is the intention of those whom the negroes served to erect a monument to their memory as a recognition of their services in defending their homes from the Indians.

New Drug Company To Open Saturday

The Young County Drug Company is a new firm that plans to open Saturday morning in the building on Fourth street just west of the Graham National Bank.

The building has been completely overhauled under the direction of Contractor Claude Cochran. A modern brick and glass front has been put in and the inside has been completely changed. The company has bought new and up-to-date equipment and will have a first class drug store. Cold drinks, cigars, etc., will be carried in stock.

Harlan and Richardson are putting in the store and will make every effort to serve the people in a satisfactory manner.

GUY WIGNALL FALLS AND BREAKS LIMB

Last Thursday while working on the W. W. Williamson house near the high school building Guy Wignall fell from a scaffold and broke his right leg.

The injury was painful but not serious and in a few weeks he will be able to get around.

CARD OF THANKS

Through the columns of The Leader we desire to thank our friends and neighbors for their words of sympathy and acts of kindness in the sad bereavement we are passing through on account of the death of our daughter and mother, Mrs. Ida Cherryholmes.

Mrs. Martha Hinson and Grandchildren.

Odd Dowdle and Lou Matthews had their pictures in the pictorial gravure section of the Sunday issue of the Fort Worth Star-Telegram. These little girls look "cute" standing side by side with their doll carts. The picture section of the Star-Telegram and Fort Worth Record carry many interesting pictures from week to week.

Bunger field now has a sure enough well. Everybody has been thinking for some time that Bunger would be an oil field. The coming in of the Owen well at 300 barrels on the top of the sand has convinced the most skeptical that the Bunger field will soon rival the famous South Bend field. Large steel storage tanks are being erected to take care of the oil until the pipe line reaches the well. The Texas Company is putting in a four-inch line. The officials of the company have faith in this new field and are to be congratulated in putting in the 4-inch line.

Acres around the Owen well is in demand and Mr. DeFrees says at least twenty wells could be started in the Bunger district if acreage was available. Both the independent operators and the larger companies want to get in. County Surveyor John E. Meyer has made some new locations this week. Ross and Tyrrell are to drill three or four new wells in the vicinity of the Owen in the near future.

The two joints of collapsed casing have been removed from the Askew and a string of 10-inch has been run with a view to testing the sand encountered at 1960 feet some time ago. There has been some water trouble but it is thought this well soon be overcome.

The Hedrick and Spoons just north of the Owen is drilling around 1200 feet.

The Paragon Oil Syndicate are swedging their ten-inch casing and hope soon to go on down from their 1790 feet depth.

The Barnes Production Company have had some trouble fighting a cave at 1850 feet. This well is located on a good formation near the town of Bunger and only a short distance from the Owen. This well is near the sand and will no doubt be a well soon.

The Lisle well is drilling around 1650 feet. This like all the wells in the Bunger field is promising. Work is going forward at a rapid rate and the company thinks that it will only be a short time until this well is completed.

Optimism pervades the whole section on account of the Owen well. It will be only a short time until the entire southern part of Young county will be covered with derricks. There are about 100 producing wells, about the same number of drilling wells, and probably more than 100 new location in the county at present.

The Mercier-Casey, Jeffery No. 1 four miles north of Graham has resumed drilling at something over 2000 feet. There have been good showings in this well and the oil fraternity are interested in this test. Many believe it will be only a short time until we will have good wells north of town.

The Farmer well northeast of Graham about eight miles will soon go on down. This well is now 1000 feet. "Watch Graham and Young county" is the watchword.

The Owen well has had a wonderful effect on activities. There is a decided improvement in the building program. New residences are going up this week and more are scheduled to begin next week.

The drop in the rate on oil from 16 cents to 10 cents from the Young county fields to Wichita Falls will help to relieve the situation. The present pipe line facilities are inadequate and it is believed this low rate will stimulate production.

WAR HERO BURIED AT LOVING

The body of Bruce Baker arrived in Loving yesterday and was buried in the Loving cemetery yesterday afternoon.

Bruce was one of the Young county boys who lost his life overseas fighting for his country. The memory of these boys will continue to live in the minds of our people.

A large number of Graham people went to Loving to attend the funeral.

NOTICE—Any erroneous reflection upon the character, standing or reputation of any person, firm, or corporation which may appear in the columns of The Leader will be gladly corrected upon its being brought to the attention of the publishers.

A smiling worker is a smiling doer. Smile stimulate smile. Grouch does not. If you lose a trade you think you should have won. Smile—smile sincerely—and the next trade is yours! says Sugarman's Indicator. One smile will accomplish more than a hundred grouches. Can't capitalize a grouch, but you can a smile.

BUILD THEM

Good roads make it easier for country children to attend school and enable them to do so with greater regularity. Nothing so much concerns the life of the people in the rural districts as means of communication between communities, towns and railroad stations. Good highways make it possible to centralize schools and churches. When a doctor is needed he is often needed quickly and sometimes often. If this unfortunate necessity arises what a boon it is to have good roads and what distress bad roads may cause.

NOT QUITE WHEAT ENOUGH FOR WHOLE WORLD

It is estimated that Europe will produce 120,000,000 bushels of rye and wheat cereal more than last year's production, but even so this is hardly sufficient to meet the demand. In case of a shortage only scant supplies can be expected from this country for while we shipped abroad 366,000,000 bushels last year, the chances are that we shall not have much more than 200,000 bushels above our national requirements. Europe is already casting a speculative eye on the promising wheat crop of Canada, which is about the only considerable source to be drawn on in this hemisphere in case of general world shortage.

A WITTY CONGRESSMAN

In the Congressional Directory there is an interesting study of human nature concealed. "Concealed" because nobody ever reads the Congressional Directory unless a senator or representative dies and a sketch of his life is required quickly for obituary purposes. When Representative Park of the Second Georgia district dies the sketcher will not be helped much by reference to the congressional directory.

"Frank Park, Democrat, Sylvester"—that is all there is about him. That could be expanded into probably 30 or 40 times the number of words, but the "soul of wit" has concentrated itself in that biographical sketch. It is witty. The joke is not on Congressman Park; rather it is a sly, subtle, gentle jab at some other brethren who are immolated in cold type in the pages of that directory.

The new, very newest, members, by contrast, have from 300 to 500 words telling who they are and what they have been and where they were born and all about them. The gentleman from the Second of Georgia sets down his life in his name and two more words—and the name has no middle initial. It is the shortest sketch in the whole list of senators and congressmen of all the states.

And the great point in this is: The senators and representatives themselves write these sketches for the directory.

WHOSE FOOT ARE YOU STANDING ON?

When someone stops advertising. Someone stops buying. When someone stops buying. Someone stops selling. When someone stops selling. Someone stops making. When someone stops making. Someone stops earning. When everyone stops earning. Everyone stops buying—Then the bread line—and no bread. Don't block the traffic—keep going.—Clovis News.

Several things were to be concluded positively at the beginning of the present administration. But it seems that in his hurry to leave Marion, the eminent publisher made a grab for the wrong box and seized a handful of "To be continued" lines instead of those reading "The End."

France finally had to come to Mr. Dempsey.

"HIJACKING" A NEW WORD.

The term "hijacker" originated in the oil fields of the southwest. It is a word that will find its way into the dictionaries for the reason that it has a specific meaning. Its use is not now restricted to its original meaning and it may finally take the place of highwayman or "robber."

"Hijacking" in its first introduction meant to take by force a thing of value from a man who was unlawfully possessed of it and could not in law make complaint that he had been forcibly dispossessed of his property. For instance if a man were crossing from Texas into Oklahoma with a load of liquor for the oil fields and some one on the Oklahoma side held him up and took from him the whiskey the act of this kind of robbery was called hijacking. The man who was forced to part with his liquor could not make complaint, to do would have been pleading guilty to the introduction of whiskey. Another instance of its use is found in gaming. Where a number of men are gambling and they are held up and their money taken they are said to be hijacked because they are engaging in an unlawful game.

But in instances where a laborer is held up in the fields and his money taken or a cashier of a company is held up and relieved of the company's money, this act in the original meaning of the word cannot be called "hijacking" although that term is being used to apply to all kinds of robberies.

MY AUTO, 'TIS OF THEE

My auto, 'tis of thee, short road to poverty, of thee I chant. I blew a pile of dough on you three years ago; now you refuse to go, or won't or can't. Through town and countryside, you were my joy and pride, a happy day. I loved the gaudy hue, the nice white tires so new, but you're down and out for true, in every way. To thee, old rattle box, came many bumps and knocks; for thee I grieve. Badly the top is torn; frayed are the seats and worn; the whooping cough affects thy horn, I do believe. Thy perfume swells the breeze, while good folks choke and wheeze, as we pass by. I paid for thee a price; 'twould buy a mansion twice; now everybody's yelling "ice"—I wonder why? Thy motor has the grip, thy spark plug has the pip, and woe is thine. I, too, have suffered chills, fatigue and kindred ills, endeavoring to pay my bills, since thou wert mine. Gone is my bankroll now, no more 'twould choke a cow, as once before. Yet, if I had the mon, so help me John—amen—I'd buy a car again and speed some more.—Ex.

13 COMMON MISTAKES

Judge McCormick of San Francisco says these are the commonest mistakes in life:

1. To attempt to set up your own standards of right and wrong.
2. To try to measure the enjoyment of others by your own.
3. To expect uniformity of opinions in this world.
4. To fail to make allowances for inexperience.
5. To endeavor to mold all dispositions alike.
6. Not to yield to unimportant trifles.
7. To look for perfection in our own actions.
8. To worry ourselves and others about what cannot be remedied.
9. To consider a thing impossible that we cannot ourselves perform.
10. Failing to help everybody, wherever, however and when ever we can.
11. To believe only what our minds can grasp.
12. Not to make allowances for the weakness of others.
13. To estimate by some outside quality when it is that within which makes the man.

THE TRUTH ABOUT BUSINESS

The commonest question to greet the traveler on train and in hotel is: "Now what's the truth about business conditions in your part of the world?"

There is no lack of statements. The newspapers are flooded with them. Moreover, the newspapers in their duty of service, are as anxious to obtain and publish the truth as are the readers to learn it. The uncertainty among the buying public is due partly, perhaps, to shortness of money, but in a greater degree it is due to the uncertainty produced by too many and conflicting statements. Conditions may not be good, they may be getting better, but whatever conditions really are however optimistic the public is entitled to feel for the future, there is no profit in a man "kidding" himself.

The 16,000,000-vote it received last November is viewed now from a different angle by the G. O. P. management. It is beginning to emit a chorus of demands for explanations; in other words, it has started a run on the Harding bank of promises.

LUCKY STRIKE cigarette

LOWER TAXES ARE URGED BY PARRISH

Texas Points Out Need of Economy in Governmental Affairs

Washington, Aug. 16.—The need for governmental economies at this time were pointed out in the House of Representatives today in a speech by Representative Parrish of Texas, who said that the overshadowing national question for the next half a century would be that of economy and the gathering of revenues to meet the cost of Government. One way to safely reduce expenses, he said, was by bringing about an agreement among the nations for reductions in armaments, and the expenditures for national defense.

It was pointed out that during the campaign Republicans pledged a reduction of expenses, and a reduction in taxes, and Mr. Parrish said that during the last days of the Democratic administration President Wilson had repeatedly requested that the inequalities of the tax law be corrected, but that up to this time nothing had been accomplished by the Republican congress.

The American people want a reduction in taxes and not a shifting of the burdens, and they will take no deception, Mr. Parrish stated.

THE PHILIPPINES

Nations, from one point of view, are simply business concerns operating in the interest of their citizens. The Philippine Archipelago, with its thousand and more scattered islands, lies "at the cross roads of the greatest trade routes of the future." Now that the United States has given substantial evidence of its benevolent intention toward the Filipinos, it is timely and logical to consider the islands from the business angle, in the interests of both peoples.

It is a startling fact, but true, that of the tropical domains of the earth European powers own 59 per cent; some 20 per cent are independent, and the United States owns less than one per cent. One item can be cited to show the significance of this. Rubber enters largely into our commercial life, the United States consuming about 75 per cent of the world's production, but controlling less than 5 per cent of the sources of supply. Great Britain controls 80 per cent of the plantation output of rubber, and 68 per cent of the total production of the world.

The Philippine Archipelago has been pronounced the richest and most favored group of tropical islands in the world. While the Dutch were developing Java and their other East Indies for mutual profit to inhabitants and colonizers, the Philippines slept under the lazy rule of Spain. The United States has not yet done very much toward the development of the natural resources of the Philippines, for, properly enough, the first efforts of this country were to raise the standard of living of the inhabitants and place the population on a happy, healthful social basis.

It does not need any emphasis to point out the magnificent opportunities in the Philippines, fronting on the mainland of Asia, and quite capable of sharing in the commercial possibilities of that great territory.

WHITECAPPERS CONVICTED

The first convictions since the epidemic of whitecappings started in Texas have been reported from Motley county where six men who were members of the party that called at the home of a citizen of that county where one of their party was shot and killed were found guilty of forming an unlawful assembly and were fined \$87 each. Heretofore in other places Texas whitecappings have been followed generally by indictments against the victims of the whitecappers. Motley county is the first in which the whitecappers themselves have been found guilty of a violation of the law.

HEREFORD PUBLIC SCHOOLS OFFER BIBLE COURSES

Hereford, Aug. 16.—Bible study improves discipline in the public schools, declares the superintendent after trying it for three years here. He further states that he would never superintend a school again where he could not get a Bible into it.

G. A. F. Parker, president of the Western National Bank of Hereford, a ranch town of 2,000, succeeded in getting a Bible course started in 1917 and paid the salary of a teacher from the Moody Bible Institute in Chicago. After he had supported the work for a year, the churches saw it was a "go" and asked that they be permitted to take care of the expenses, which they are doing now.

In the high school the Bible study is elective, but in the grammar school all students are required to take it. There are two forty-five minute periods a week for Bible study, in the high school and of a total attendance of about 250, 65 have enrolled in these classes. The pupils are given examinations on the Bible every two months, as they are examined in other subjects.

In the grammar school there are two twenty minute Bible classes a week. The classes are made just as interesting as possible, everything being told in story form. The children are taught the books of the Bible by divisions, memorize four or five Psalms in a year, and a great many verses, with their locations. They are given an outline on the way of salvation, memorizing the verses that go with each step. They are encouraged to study at home, and those who cannot read are told to ask their parents to read to them and to locate memory verses—a method of getting the parents interested in reading the Bible. The children often say, "I wish we had a Bible study every day."

This Bible work is highly recommended by the parents, and Sunday School teachers say they have to give more time to preparation to be able to teach the children, who already know so much of the Bible. The teachers are hardly able to ask a question that the children can not answer.

The superintendent of schools says he noticed a difference in the discipline of the schools since the children began to study the Bible, and that he "would never superintend a school again where he could not get the Bible into it."

"We only bought Rat Poison Twice," writes Jesse Smith, N. J. "I threw the first kind away; couldn't be bothered mixing it with meat, cheese. Then I tried Rat-Snap. SAY, that's the stuff! It comes in cakes, all ready to use. And it sure does kill rats." 35c, 65c, \$1.25.

TOUSSAINT THINKS INJUSTICE DONE BY JURY'S VERDICT

Wichita Falls, Aug. 13.—"I was not and am not worried at the verdict of the jury, but have worried over the injustice accorded me by their verdict." This statement was made in all sincerity by Henry J. Toussaint in the county jail when interviewed.

"No one knows or even realizes what I have gone through from my childhood up with reference to my father. I feel now, as I have always felt, that I was justified in my act."

"Due to the actions of my father, his failure to adjust himself and the many bitter words that were spoken, a month prior to the affair, I became mad, totally mad or insane, any way you want to express it. I am not capable of stating whether I am sane or insane. That is for the doctors to say."

"The court was fair to me in every respect upon my trial, but there were several witnesses (naming them) who told black-face lies on the stand. I hate a liar. One of the paries who testified against me was not a fit subject to take the witness stand. I know more about him than he thinks I do. It was unfair to me to even allow him to take the stand."

"I have no bitter feelings whatsoever against the state's attorneys and especially District Attorney Wilson. They were doing their duty."

"The jury did not heed the charge of the court with respect to the preponderance of the evidence, as anyone who attended the trial, and even those who read the newspaper reports, can tell, if they judge fairly that the greater weight of the evidence was for and not against me."

The condemned man stated that his wife would remain here in the city awaiting further developments and that he would fight his fight to the very end.

He said that his brother, Rudolph, who did not come to his trial because he lacked resources, would be brought the next time the case was tried—that is if it was tried again.

The prisoner stated that from what he could learn the verdict of the jury was against public opinion and sentiment.

MODERN REPORTING

A newspaper is no longer supposed to know or to state anything positively. Everything must be hearsay and on somebody's authority. Caution's word. This is about the way a story must be written nowadays to pass muster with the average city editor: An alleged man whose name was reported to be John Jones, and who, according to the directory, had his supposed home at 999 Brown street, and, as his neighbors whisper, was a canvasser for alleged books, is said to have been arrested this morning on the alleged charge or reported assault and rumored battery on his alleged wife. The woman, according to the police, told an alleged story of rumored abuse at the hands of her supposed husband. Jones, as his name was given, was discovered, the door-man says, hanging in his cell by a supposed rope, which, it is believed, he made of his alleged shirt. He was, as the story goes, cut down, but the city physician says, was already dead. Doctor Robinson, claiming to be county physician, was notified, and ordered the alleged remains taken in charge by Stiff & Co., who gave their occupations as undertakers. If no alleged relatives claim the supposed corpse it will, the authorities declare, be buried at the alleged expense of the so-called city.—Patterson Press.

FICTITIOUS NAME LAW

This law was passed by the last Legislature and went into effect on June 11th; thirty days was given for compliance with this law.

It requires that every one operating under an assumed name or style name, (unincorporated), to register with the County Clerk of the county in which said business is being conducted.

Penalty is from \$25.00 to \$100.00 per day for failure to comply with the law, so if you have not registered, we suggest that you attend to the matter without delay.

TEACHERS EXAMINATIONS

State and county examinations for teachers will be given on the following dates:

- August 19 and 20.
- September, 2 and 3.
- October 7 and 8.
- November 4 and 5.
- December 2 and 3.

Lubbock Sends Out 50,000 Post Cards

Lubbock Chamber of Commerce has had 50,000 post cards printed and are giving them free to any one who will agree to mail them out. The cards give different views of Lubbock and surrounding country. The city is also putting up road signs from Galveston to Denver.

Lubbock has the best boosters to be found anywhere. The city will reap great benefits from the use of these cards and signs.

WHITE CHILD FOUND IN NEGRO'S HOME

Waxahachie, Aug. 13.—One of the most puzzling cases that has confronted Sheriff Forbes since becoming a county official came to his attention Friday night when he took in charge 13-year-old Lilly Blaylock of Ranger, a white girl, at a negro residence near Avalon. The sheriff went after the child following complaints from persons living in the Avalon community that there was a white child that had been in a negro home since Wednesday.

Lilly said she is the daughter of Ruth Blaylock of Ranger, and that she did not know whether or not her father is living, she said that her mother had given her into the charge of Nettie Haywood, a negro woman who had been working for her mother, and that she was spending her vacation from school visiting in the home of the Haywood woman.

Lilly said she was to go to Austin soon for a visit with the negro woman in the homes of relatives of the latter, and then return home to attend school.

When Sheriff Forbes took the child in charge she was returning from a negro religious meeting. He will care for the child until the case has been thoroughly investigated, the sheriff said. The negro woman was being held in the county jail today.

THE SECRETARY OF WAR

In John W. Weeks, secretary of war, the army has at its head a navy man.

Weeks, former senator from Massachusetts, graduated from the United States Naval Academy in 1881. His studies for the navy have not dulled his enthusiasm for the army, for Weeks has been known to labor in his office from 8 a. m. to 7 p. m. with but short periods for lunch and dinner.

The new secretary of war is striving to give the United States a small but highly efficient army organization. To back-stop this comparatively small regular army Weeks is encouraging extension of the officers' training camps.

Weeks dislikes to be bothered with petty details. He expressed his views as follows:

"Every time an officer gets a stomach ache he has to run to the secretary of war with it."

This outburst followed a trying morning when he was nearly inundated with a flood of petty details.

Weeks is big, good-natured, with wide political experience and knows how to "play the game" with the senators and congressmen who can help or hinder him in the task of reorganizing the army to an effective peace basis.

PARIS MULE HAS SERVED FOR TWENTY-TWO YEARS

A grocer at Paris, Texas, has a little mule that has been in service delivering groceries twenty-two years, all of which time it has boarded at a wagon yard. Last week the mule was sent to a pasture to rest up. It was the first time it had ever been in one. It was brought back to town at the end of the week. It made its escape from the lot the first night after being brought back and made a bee-line back to the pasture. It cut a foot nearly off on a barbed wire fence trying to jump back into the enclosure, and is now taking a forced vacation.

Now that "Cousin" Everett has been sentenced to 15 months in prison, he will have plenty of time to figure out the details of that chain of candy stores and hotels.

Grocer: "What was that woman complaining about?"

Assistant: "The long wait."

Grocer: "And only yesterday she was complaining about the short weight. You can't please some people."

It is a long road these days that has no soft drink stand.

For the second time that young easterner, Charles Garland, has refused a bequest of a million dollars, because he "wouldn't know what to do with it." And for the second time numerous citizens wish they had a chance at that million.

STOCKINGS ALL SILK AND HAT EACH MONTH SAY FASHION MAKER

Chicago, Aug. 16.—Sad tidings for the poor old pocketbook!

Milliners now plan to change the style of hats every month, so hubby who is bent double trying to buy two to four a year and all that goes with them, will now be soaked for a round dozen.

And there will be no bargain sales, for the milliners attending the Retail Merchants' Association meeting here will boast that the department stores will not be able to get the styles and hats fast enough to cut the throats.

Formerly styles changed twice each year—spring and fall—with occasional concessions to winter and mid-summer, but now they are to change every thirty days.

Also some disturbing news filtered from the meeting of the Womans Apparel Association which is staging a display of forthcoming fashions with supple, lifelike models. Briefly these changes from present modes include these items:

Blouses will completely displace the frugal and popular shirtwaist. Stockings must be silk all the way, no more cotton tops.

Monkey fur will be all the rage for trimming.

Kimonos will be exceedingly transparent and orange is to be the favorite color.

Six of the models who went on strike were dismissed Tuesday. They had been receiving \$150 a week and demanded extra pay for rehearsals.

At the pageant of Progress on the municipal pier, 5,000 young women are being weighed and measured daily and the experts on this job say the United States has it on every nation in the world, not excepting France, for shapely and perfect girls. Sixty per cent of those so far examined are ideally proportioned and they are far more graceful than the French girls or the langorous beauties of Spain.

DIFFERENCE BETWEEN SALESMAN AND DEALER

"Now is when the car owner finds out the difference between an automobile salesman and an automobile dealer," says Mr. Wurtz of the Shamrock Motor Co.

"Car performance is emphasized during those months when the automobile figures heavily in the recreations of humanity. Many a car does a double day's work every day and more often its roadability depends entirely upon the man who sold it to service it promptly and satisfactorily."

"Now is when the owner realizes the importance of a capable local responsibility for his car."

"The salesman sells a car. The dealer sells also his constant readiness to serve as long as the car is in existence."

THE IRONY OF FATE

He: "Do you remember Joyce, who rescued a young lady from drowning, and later married her?"
She: "Yes. What became of him?"
He: "He drowned himself yesterday!"

NEWCASTLE VOTES BONDS

The most important thing in Newcastle since the school bonds were voted was voting the waterworks and sewer bonds in Tuesday's election. There was very little said either for or against the bonds during the five weeks the issue was pending. In fact there was but little opposition to either issue as far as their merits were concerned, and what opposition developed was mostly on account of the unsettled condition of affairs and no time to push these matters.

The extension of the waterworks was regarded at a necessity and couldn't be longer postponed, and so this issue carried handsomely by a vote of nearly three to one.

While the waterworks bonds carried with a whoop, the sewer bonds go by with a very tiny squeak.

There were 140 votes polled on the waterworks bonds and 138 on the sewer bonds, as follows:
For waterworks bonds, 101; against 39; For sewer bonds 70, against 68.
—Newcastle Register.

HEALTH PARAGRAPHS

By Dr. M. M. Carrick—State Health Officer

When I get to be about ninety, I hope that I will have so many of my colleagues about me that I shall be accepted as a matter of course.

If I can read well and have weak lungs; if I can write well and have kidney trouble; if I can figure well and have anemia—how much are the three R's worth to me?

We know that malaria is carried by a special species of mosquito and we know that if we eliminate the mosquito the spread of the disease will automatically stop.

Responsibility for accident and disease is no longer considered merely as a personal problem, it is a community problem as well. Just as we insist that every American shall have the benefits of public education, so should we insist upon the inherent right of every American to the possession of a body free from the handicap of preventable disease.

The public health is the foundation on which reposes the happiness of the people and the power of the country. The care of the public health is the first duty of the statesman.—Lord Beaconsfield.

If there is no filth, there will be no flies.

A large proportion of the diseases from which mankind suffers today are preventable. The time will come when such diseases as malaria and tuberculosis will belong only to the ancient history of medicine. All work, no matter how trivial or valueless it may seem, if it has been done with honesty of purpose, has its great victory over pain and pestilence. Were it possible to ask those who have fought in this cause and have died for it, "Was it worth while?" they, too, would say that they rejoiced that they had not lived in vain, but had been allowed a little share in the work of alleviating the suffering of humanity.

The State Board of Health, Austin, Texas, welcomes inquiries or letters from citizens interested in the promotion of community health.

Automobile prices are coming down, but there is a nigger in the woodpile. The cost of repairs after a smashup remains the same.

KANRED WHEAT DOUBLES YIELD OF ALL OTHER VARIETIES

EDGAR H. KEMP, County Agent.

It has been known for some time that Young county would have to renew its seed wheat, and it has been demonstrated so many times in the experience of other sections, that to avoid mixed grades at the mills, thereby lessening the market value to the farmer, only one variety should be grown, in so far as is practicable.

We have as a rule, followed the practice of continuous planting our seed wheat with little or no effort toward selection and propagation, and under these conditions it is a good rule to discard our seed stock after the second planting. For instance, by way of comparison, no raiser of livestock cares to use the same sires in his herd for a greater period of time. The results from either of these practices is too obvious for further discussion. That the conditions in Young county are such at this time is emphasized by the following letter from the firm which furnishes our market:

"Mr. Edgar Kemp, County Agent, Graham, Texas.

"Dear Mr. Kemp:

"For a number of years we have thought that the farmers of this section of the country should change their seed wheat as it is gradually becoming mixed and not suitable. This year we have noticed from time to time as the farmers brought in their wheat, that it was badly mixed, showing both soft and hard varieties, but is also badly infested with smut, not only smut balls but creased smut, which makes it impossible to mill; and it necessary to sell such wheat for export, which always takes a heavy dockage, meaning a heavy loss to the growers.

"This county needs a pure strain. During the last year it is our understanding that you have introduced seed wheat known as the Kanred, and our observation is that this is the kind of wheat most adapted to the soil and climate of this immediate section; and we strongly recommend it. There is no better way that you could serve the community than to see that each wheat raiser will sow this pure strain Kanred wheat, which not only grows and yields well, but is an excellent grade.

"The present situation in this section is alarming, and it is time that that we wake up to the conditions and see that there is something done. If we can be of any assistance to you in furthering this good work do not hesitate to command us.

Yours very truly,
"GRAHAM MILL & ELEVATOR CO.
(Signed) J. S. CRISWELL, Mgr."

This will I hope make conditions plain to every grower and stress the urgency of increasing our yields with better seed. Much interest has been manifested recently in the experiments conducted with Kanred wheat in Young county the past season, and for the benefit of those who are unfamiliar with them these data are presented:

Pleasant Hill community, west of Graham: Mac Farrer averaged 8 bushels with Kanred wheat against 4 bushels full caster. In the same community Seth Choate averaged 9 1-2 bushels against 3 1-3 bushels full caster. J. G. Choate averaged 10 bushels Kanred against 4 3-5 bushels full caster. C. S. Choate averaged 6 3-7 bushels Kanred against 2 2-5 bushels full caster. The land this wheat was sown on is a poor type, being very sandy and washed out to clay in spots. All November sown.

On the farm of F. R. Cornelius near Graham, the Kanred wheat averaged 22 bushels per acre against 9 bushels full caster. Soil the Kanred was grown on was a poor type of mixed mesquite, nothing like as good as soil other wheat was sown on. November sown.

C. E. Burdick of the Monument community near Loving made 24 bushels against 15 bushels Mediterranean. Soil, grayish, black sandy type. November 15 sown.

Dr. J. B. Mars of Newcastle averaged 17 bushels Kanred against 11 bushels Karkoff. Soil, light sandy. November sown.

On the farm of H. N. Tucker in the Olney community Kanred wheat averaged 15 bushels against 10 bushels Turkey Red. Soil, chocolate loam, Kanred December sown on cotton stalks.

On farm of Wilmer Ewink, Spring Creek community, Kanred wheat averaged 33 1-2 bushels per acre against 16 bushels Turkey Red.

The foregoing are conservative estimates furnished by the growers themselves. There can be no doubt as to the adaptability of this Kanred wheat to the soil and conditions of Young county as the results show, made under as severe conditions as one could wish for a test.

This wheat is hard, approximately two weeks earlier than other varie-

ties and resisting rust, as is borne out by the statements of the growers, that there was no rust in this wheat while other varieties on their farms were affected. It will be readily seen that this wheat is the kind we want here as there can be no question as to what it will do, practically all types of soils in the county being represented in the securing of these results, which average approximately 100 per cent more wheat than other varieties grown under the same conditions.

From quotations secured from reliable seed house in Kansas pedigreed Kanred seed wheat will cost in carlots delivered in Young county \$2.40 per bushel. In less quantities it will cost delivered \$3.60. It will readily be seen that the county should use more than a carload which will give us the benefit of the lower price. These prices are made subject to wheat being unsold. This is going to take quick action and it is to the interest of every grower who wishes to order this wheat that he urge his neighbors to investigate this and to place their orders at once.

TREASURY DEPARTMENT

Comptroller of the Currency
Washington, June 28, 1921.
Whereas, by satisfactory evidence presented to the undersigned, it has been made to appear that "The Graham National Bank" in the City of Graham in the County of Young and State of Texas, has complied with all the provisions of the Act of Congress "to enable National Banking Associations to extend their corporate existence, and for other purposes," approved July 12, 1882;

Now, therefore, I, D. R. Crissinger, Comptroller of the Currency, do hereby certify that "The Graham National Bank" in the City of Graham in the County of Young and State of Texas is authorized to have succession for the period specified in its amended articles of association; namely, until close of business June 28, 1941.

In Testimony Whereof witness my hand and Seal of office this (L.S.) Twenty-Eighth day of June 1921.

D. R. CRISSINGER, Comptroller of the Currency. Charter No. 5897, Extension No. 4022

CITATION BY PUBLICATION

THE STATE OF TEXAS

To the Sheriff or any Constable of Young County—Greeting:

YOU ARE HEREBY COMMANDED to summon Harry Calvin Neal by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, to appear at the next regular term of the District Court of Young County, to be held at the Court House thereof, in Graham, on the First Monday in September A. D. 1921, the same being the 5th day of September A. D. 1921, then and there to answer a petition filed in said Court on the 11th day of May, A. D. 1921, in a suit numbered on the docket of said Court No. 6400, wherein Mary Adele Neal is Plaintiff and Harry Calvin Neal is Defendant and said petition alleging that Plaintiff and Defendant were lawfully married on or about the 29th day of March, 1919, and lived together as husband and wife until on or about the 3rd day of January, A. D. 1921, when by reason of the cruel treatment of Defendant toward Plaintiff she was forced and compelled to permanently abandon Defendant, since which time they have not lived together as husband and wife; that she was at all times kind and affectionate to him; but Defendant failed to provide for Plaintiff's support and maintenance and about one year prior to their separation began a course of unkind, harsh, cruel and tyrannical treatment toward Plaintiff and cursed and abused her and slapped Plaintiff thereby humiliating and injuring the Plaintiff by such treatment; that said marriage relations between Plaintiff and Defendant still exist. That Plaintiff's maiden name before marriage was Mary Adele Grafman. That the Defendant be cited to appear and that on final trial she have judgment dissolving said marriage relation, that her maiden name be restored and for all costs of suit.

HEREIN FAIL NOT, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Witness, Willie Riggs, Clerk of the District Court of Young County. Given under my hand and the Seal of said Court, at office in (L.S.) Graham, Texas, this the 3rd day of August A. D. 1921. WILLIE RIGGS, Clerk District Court Young County, Texas.

CONSTABLE'S SALE

THE STATE OF TEXAS

County of Young.

By virtue of an Order of Sale issued out of the Honorable Justice Court of Young County, Precinct No. One, on the 10th day of August, 1921, by the Justice of the Peace of Precinct No. One, in the case of Eddieman Bros. Saddlery Co. vs. J. T. Eslick No. 2259, and to me, as Constable, directed and delivered, I will proceed to sell, within the hours prescribed by law for Constable's Sales, on the 29th day of August, 1921, at Graham in the Henderson Garage in said County, the following described property, to-wit:

One black horse, 17 hands high weight 1650 lbs. named "Nig." One bay horse, named "Dick." One set of harness, One wagon.

Levied on as the property of J. T. Eslick to satisfy a judgment amounting to \$204.05 in favor of Eddieman Bros. Saddlery Co. and costs of suit.

Given under my hand, this 16th day of August, 1921. J. D. DAWSON, Constable Precinct No. One, Young Co., Texas.

SHERIFF'S SALE

THE STATE OF TEXAS

County of Young.

By virtue of an Order of Sale issued out of the Honorable District Court of Young County, on the 9th day of August, 1921, by the Clerk thereof, in the case of Beck & Corbett Iron Co. vs. Giant Machine & Tool Co. No. 6283, and to me, as Sheriff, directed and delivered, I will proceed to sell, within the hours prescribed by law for Sheriff's Sales, on the first Tuesday in September, A. D. 1921, it being the 6th day of said month, before the Court House door of said Young County, in the City of Graham, the following described property, to-wit:

On Standard Wieland Pipe Threading Machine with white chasers, and other property described in said mortgage which is hereby referred to and made a part hereof for a more complete description.

Levied on as the property of Giant Machine & Tool Co. to satisfy a judgment amounting to \$1965.00 in favor of Beck & Corbett Iron Co. and costs of suit.

Given under my hand, this 10th day of August, 1921. JOHN W. SAYE, Sheriff in and for Young County, Texas.

CITATION BY PUBLICATION

THE STATE OF TEXAS

To the Sheriff or any Constable of Young County—Greeting:

YOU ARE HEREBY COMMANDED to summon Blanche Nelle Bloom Givens by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, to appear at the next regular term of the District Court of Young County, to be held at the Court House thereof, in Graham, on the 1st Monday in September A. D. 1921, the same being the 5th day of September, A. D. 1921, then and there to answer a petition filed in said Court, on the 3rd day of August A. D. 1921, in a suit numbered on the docket of said Court No. 6526, wherein A. W. Givens is Plaintiff and Blanche Nelle Bloom Givens is Defendant and said petition alleging that Plaintiff and Defendant were married on or about the 24th day of September A. D. 1919, and continued to live together until on or about the 16th day of October A. D. 1919, when by reason of the cruel and harsh treatment and improper conduct of Defendant toward Plaintiff, he was forced and compelled to permanently abandon her, since which time they have not lived together as husband and wife.

Plaintiff alleges that during the time he and Defendant lived together as aforesaid, he was kind and affectionate to her and always provided for her support, but Defendant unkindly and cruelly treated Plaintiff and injured her marital vows, immediately after they were married began to continuously "nag" at him, and accused him of improper relations with other women; that she repeatedly refused and would not cook his meals for him; and that her jealous temperament was of such a nature together with her cruel and tyrannical treatment, that Plaintiff was forced and compelled to abandon Defendant; that Defendant often struck and abused Plaintiff and called him the vilest kind of names; that said marriage relations between Plaintiff and Defendant still exist.

Wherefore Plaintiff prays the court that Defendant be cited to appear and answer herein and for judgment dissolving said marriage relations, for costs of suit and for such other and further relief, special and general, in law and in equity, that he may be justly entitled to.

HEREIN FAIL NOT, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Witness, Willie Riggs, Clerk of the District Court of Young County. Given under my hand and the Seal of said Court, at office in (L.S.) Graham, Texas, this the 3rd day of August A. D. 1921. WILLIE RIGGS, Clerk District Court Young County, Texas.

CITATION BY PUBLICATION

THE STATE OF TEXAS

To the Sheriff or any Constable of Young County—Greeting:

YOU ARE HEREBY COMMANDED to summon Lloyd Woods, whose residence is unknown to plaintiff by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, to appear at the next regular term of the District Court of Young County, to be held at the Court House thereof, in Graham, on the 1st Monday in September, A. D. 1921, the same being the 5th day of September, A. D. 1921, then and there to answer a petition filed in said Court on the 27th day of July, A. D. 1921, in a suit numbered on the docket of said Court No. 6510, wherein Leslie Woods is Plaintiff, and Lloyd Woods is Defendant and said petition alleging that plaintiff and defendant were married on the 8th day of March, 1920, and continued to live together as husband and wife until on or about the 23rd day of May, 1921, when defendant by reason of his inherent meanness, began a course of unkind, harsh and cruel treatment towards plaintiff, and failed to support her, and just prior to their separation defendant began a course of insidious accusations against plaintiff. That he accused her before other members of her family of infidelity and improper conduct with other men, none of which were true, and which greatly impaired plaintiff's health. That the defendant is now living in adultery with other women, and that his conduct is of such a nature as to render their further living together as husband and wife insupportable. That there are no children and no community property. That defendant be cited to appear and answer herein for judgment dissolving said marriage relations and for decree restoring plaintiff's maiden name Leslie Bush, and for costs of suit, etc.

HEREIN FAIL NOT, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Witness, Willie Riggs, Clerk of the District Court of Young County. Given under my hand and the Seal of said Court, at office in (L.S.) Graham, Texas, this the 3rd day of August A. D. 1921. WILLIE RIGGS, Clerk District Court Young County, Texas.

CITATION BY PUBLICATION

THE STATE OF TEXAS

To the Sheriff or any Constable of Young County—Greeting:

YOU ARE HEREBY COMMANDED to summon W. R. Shankle, a transient person by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, to appear at the next regular term of the District Court of Young County, to be held at the Court House thereof, in Graham, on the First Monday in September, A. D. 1921, the same being the 5th day of September A. D. 1921, then and there to answer a petition filed in said Court on the 25th day of March

A. D. 1921, in a suit numbered on the docket of said Court No. 6353, wherein Prentiss Seale is Plaintiff, and W. R. Shankle, is Defendant and said petition alleging that Defendant is indebted to Plaintiff in the sum of \$1500.00 by virtue of the sale and delivery to Defendant by L. C. McFall, at the special instance and request of the Defendant of two 500 barrel, Butler Bolted steel storage tanks of the value of \$1500.00, which were to be paid for by the Defendant within 30 days from the date of sale, to-wit: December 16th, 1920. That said tanks are now being used by said Defendant on an oil lease owned by said Defendant on a certain tract of land known as the "Dooley Lease" about four or five miles west of South Bend, Texas; that on the 16th day of January, 1921, payment of said sum was duly demanded but Defendant has failed and refused to pay the same or any part thereof. That prior to the filing of this petition, Plaintiff purchased said debt and claim against Defendant from L. C. McFall, doing business under the name of The Standard Tank and Steel Works, therefore Plaintiff shows his right to bring this suit. That Defendant be cited to appear and answer herein, and that Plaintiff have judgment for his debt of \$1500.00, interest, attorney's fees and all costs of suit, etc., etc.

HEREIN FAIL NOT, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

CONSTABLE'S SALE

THE STATE OF TEXAS

County of Young.

By virtue of an Execution issued out of the Honorable Justice Court of Young County, Precinct No. One on the 4th day of August, 1921, by the Justice of the Peace of Precinct No. One, in the case of H. E. Griffin vs. F. T. Kobus No. 2181, and to me, as Constable, directed and delivered, I will proceed to sell, within the hours prescribed by law for Constable's Sales, on the 22 day of August, 1921, at Louis Bower's Feed Store in Graham Texas, in said County, the following described property, to-wit:

One Bread Mixer and One Rising Box levied on as the property of F. T. Kobus to satisfy a judgment amounting to \$43.00 in favor of H. E. Griffin and costs of suit.

Given under my hand, this 9th day of August, 1921. J. D. DAWSON, Constable Precinct No. 1, Young County, Texas.

CITATION BY PUBLICATION

THE STATE OF TEXAS

To the Sheriff or any Constable of Young County—Greeting:

YOU ARE HEREBY COMMANDED to summon B. H. Mason and J. E. McGee by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, to appear at the next regular term of the District Court of Young County, to be held at the Court House thereof, in Graham, Texas, on the First Monday in September A. D. 1921, the same being the 5th day of September A. D. 1921, then and there to answer a petition filed in said Court on the 3rd day of August A. D. 1921, in a suit numbered on the docket of said Court No. 6528, wherein Morrison-Smith Lumber Company, a corporation duly organized and existing under and by virtue of the laws of Texas, W. C. Bell, R. E. Lynch, L. L. Kinnebrew, G. B. Johnson, Ed Matthews, and T. T. Garrett are Plaintiffs, and B. H. Mason and J. E. McGee are Defendants, and said petition alleging that Plaintiff Morrison-Smith Lumber Company, in February, 1921, sold and delivered to Defendants certain lumber, nails, and other building material to be used and actually used in the construction of a two-story building upon East fifty (50) feet of Lots 1, 2, and 3 of Block 43 of the City of Graham in Young County, Texas; said building being commonly known as the "Dance Hall," and also furnished labor and drayage for transportation of said material; labor and drayage being of the aggregate value of Four Thousand Three Hundred Thirteen and 55/100 (\$4,313.55) Dollars, which amount Defendants agreed to pay said Plaintiff therefor; and to secure payment of said indebtedness said Plaintiff duly and seasonably fixed and now claims and holds a Constitutional and Statutory Materialman's Lien upon said building, as shown by Volume 2, at pages 137 and 138 of the Mechanics Lien Records of Young County, Texas.

That prior to April 1, 1921, H. M. Hatter and various other persons performed labor upon said building in the construction thereof, but were not paid therefor, and that to secure payments of the amounts owing to them, respectively, therefor, each of said laborers within the time and in the manner required by law, fixed a statutory lien upon said building to secure payment of the indebtedness so owing to him, such items of indebtedness aggregating Three Thousand Four Hundred Thirty One and 90/100 (\$3,431.90) Dollars; that for valuable consideration then paid to them, respectively, by plaintiffs other than said corporation, said laborers, respectively, sold and assigned to said plaintiffs said items of indebtedness and securities, respectively, as follows, viz: to W. C. Bell, \$1091.10; to R. E. Lynch, \$322.75; to L. L. Kinnebrew, \$302.95; to G. B. Johnson, \$118.25; to Ed Matthews, \$95.50; to T. T. Garrett, \$59.45; and also severally sold, assigned, transferred and conveyed to said plaintiffs the aforesaid liens securing same. That said liens are valid and subsisting liens upon said building securing payment of said indebtedness as hereinabove shown.

Wherefore plaintiffs sue and pray for citation by publication and for judgment upon final trial for their debt as aforesaid and for foreclosure of their respective materialman's and laborer's liens as aforesaid; and for full relief, general and special, legal and equitable.

HEREIN FAIL NOT, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Witness, Willie Riggs, Clerk of the District Court of Young County. Given under my hand and the Seal of said Court, at office in (L.S.) Graham, Texas, this the 3rd day of August A. D. 1921. WILLIE RIGGS, Clerk District Court Young County, Texas.

**MRS. CALLIE SHANNON
MAKES EXCELLENT
RECORD IN COLLEGE**

Mrs. Callie Shannon of Graham, one of the energetic school teachers of Texas, is taking an important part in the activities on the campus at Colorado State Teachers College at Greeley, Colorado, where as a student in the Summer Normal she is spending her vacation days acquiring more education in order that the boys and girls in her school may have better advantages.

Mrs. Shannon is one of a group of seventy-three teachers enrolled from the State of Texas, representing twenty-nine cities and towns. She is also a member of an army of public school teachers, principals, superintendents and educators in general gathered from thirty-two states. The influence which contact with such an array of educators brings is also giving Mrs. Shannon a broadness that will be of advantage to the pupils in her classrooms.

Despite the great number of strangers about her, Mrs. Shannon says she is too busy to get lonesome. Her time is taken up attending the many classes, which are presided over by presidents and department heads from leading universities and colleges in all parts of the country, a staff additional to the regular faculty.

**CITATION BY PUBLICATION
THE STATE OF TEXAS**

To the Sheriff or any Constable of Young County—Greeting:
YOU ARE HEREBY COMMANDED to summon Max Pomerantz by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 30th Judicial District, but if there be no newspaper published in said Judicial District, then in a newspaper published in the near-

est District to said 30th Judicial District to appear at the next regular term of the County Court, to be holden at the Court House thereof, in Graham, on the First Monday in October, A. D. 1921, the same being the Third day of October, A. D. 1921, then and there to answer a petition filed in said Court on the 9th day of August, A. D. 1921, in a suit numbered on the docket of said Court No. 895, wherein Guaranty State Bank of Graham, Texas, (J. C. Lovelace, President) is Plaintiff, and Max Pomerantz is Defendant and said petition alleging That heretofore, to-wit: on the 18th day of May A. D. 1921 the defendant made, executed and delivered to this plaintiff his certain promissory note for the sum of One Hundred (\$100.00) Dollars, bearing date on the day and year aforesaid, payable to the order of plaintiff at Graham, Texas, and due on the 16th day of July, A. D. 1921, bearing interest at the rate of ten per cent per annum from maturity until paid, and providing for ten per cent additional on the amount of principal and interest then due as attorney's fees if placed in the hands of an attorney for collection or if suit is brought on same, whereby defendant became liable and bound to plaintiff and promised plaintiff to pay him the sum of money in said note specified, together with all interest and attorneys fees due thereon according to the tenor and effect thereof.

That plaintiff has placed said note in the hands of Hinson and Ricker, attorneys, for collection and has contracted to pay them the ten per cent stipulated in said note, the same being reasonable and the usual and customary fee.

That said note is now past due and unpaid, and defendant, though often requested, has hitherto failed and refused, and still refuses to pay the same, or any part thereof, to plaintiff's damage in the sum of One Hundred (\$100.00) Dollars.

Plaintiff further alleges that the defendant made and executed to it a chattel mortgage, dated January 18, 1921, on one one-half (1-2) ton Ford Truck, Engine No. 3404358, copy of which is attached hereto, and

marked Exhibit "A" for the purpose of securing said note.

Wherefore plaintiff prays the court that defendant be cited to appear and answer this petition, and he have judgment for his debt of One Hundred (\$100.00) Dollars, interest and attorneys fees, for all costs of suit, and for the foreclosure of his lien as specified in the chattel mortgage hereto attached, and for such other and further relief, special and general, in law and equity, that it may be justly entitled to, and in duty bound will ever pray.

Herein Fail Not, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Witness, W. H. Kennedy, Clerk of the County Court of Young County.

Given under my hand and the seal of said Court, at office in (L. S.) Graham, this, the 10th day of August A. D. 1921.

51-54c W. H. KENNEDY,
Clerk, County Court, Young County.

By WILLARD MATTHEWS, Deputy.
A true copy, I certify:

JOHN W. SAYE, Sheriff.

SUPREME FLOUR--The People's Choice

Time shows development from small things to great. Not but one quarter of a century ago "SUPREME" was only a community flour; today it is used in thousands of homes in Texas as well as in foreign lands. Then--The question--why its growth? Because of its unfailing uniformity. This Company has worked conscientiously, carefully, and painstakingly to excel in quality. You are due it to yourself to take advantage of an extraordinary quality flour when offered. "SUPREME" is no longer a chance, but a sure hit.

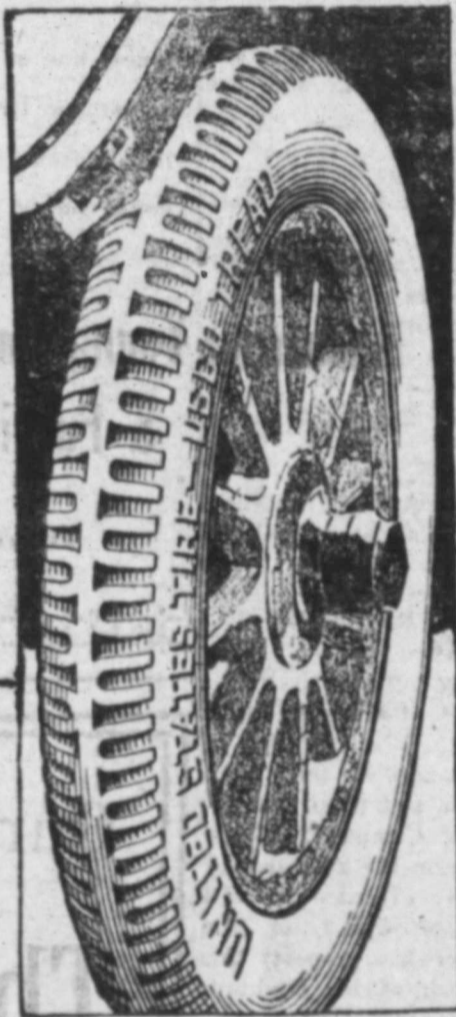

THE GRAHAM MILL & ELEVATOR COMPANY

day of August, 1921.

51-53 JOHN W. SAYE,
Sheriff, in and for Young County,
Texas.

COUNTER TABLE, twenty feet long, for sale at Leader office.

Ten years elapsed between the dropping of a postcard in an Ohio postoffice and its arrival in another 120 miles distant. Well, some small town postmasters do have difficulty in reading postcards.

THE U. S. USCO TREAD

Here is the U. S. Usco Tread, with a long-established standard of service among motorists who have an eye to value, as well as to price. While selling for less than the other tires in the U. S. Fabric line, the Usco has earned a reputation for quality and dependable economy which is not exceeded by any tire in its class.

**From the makers of
U.S. Royal Cords
to the
users of Fabric Tires**

"Giving to the fabric tire user fresh, live tires. Being made now. Being shipped now."

In all of modern merchandising the biggest conundrum is the fabric tire situation.

Around 70% of all car owners use fabric tires.

Their instinct for quality is as strong and insistent as any one else's.

Why, then, are they offered such hodge-podge stocks of "discount tires," "odd lots," "seconds," "retreads" and other so-called bargains of uncertain origin?

Sooner or later the public always seeks out quality. As a matter of self-protection--if for no other reason. The out-and-out opinion in favor of U. S. Fabric Tires has spread more this year than it ever did.

People have gotten very close to the U. S. policy. Felt it. Benefited by it. And passed the word along.

It's a policy settled to onestandard for all U. S. Tires. Whether fabrics or cords. Small sizes or large.

Giving to the fabric tire user fresh, live tires. Being made now. Being shipped now.

All the original U. S. vitality and service comes through when you buy a U. S. Fabric Tire.

"Usco," "Chain," "Nobby." Three different treads.

Built by the same brains, the same policy, the same quality ideals that have made U. S. Royal Cords the standard measure of tire worth.

DEVVOE

**VELOUR
FINISH**

Rooms that can be "laundered"!

CAN you honestly say when you have finished house-cleaning that your rooms are really clean? You can never say it unless your walls are washable.

Devvoe Velour Finish--put on right over wall paper, burlap or plaster--gives any room a surface that can be washed with soap and water, making it as clean as a dress fresh from the laundry.

Devvoe Velour Finish comes in soft, artistic colors that add cheer and hominess to the room.

Devvoe PRODUCTS are time-tested and proven--backed by 156 years' experience of the oldest paint manufacturing concern in the U. S. Founded 1754.

"It Isn't Your Town--It's You"

If you want to live in the kind of town,
Like the kind of town you like,
You needn't slip your clothes in a grip
And start on a long, long hike;
For you'll only find what you've left
behind,
There's nothing that's really new,
It's a knock at yourself, when you knock
your town—
For it isn't your town—it's YOU!

Real towns are not made by men afraid
That somebody else gets ahead;
If everyone works, and nobody shirks,
You can raise a town from the dead.
And if, while YOU make, your personal
stake,
Your neighbor should make one too,
Then your town would be, what you want
it to be,
For it isn't your town—it's YOU!

R. D. LINCOLN OPENS BUSINESS IN GRAHAM

The Leader carried an announce-
ment in last week's issue of the
marriage of Robert D. Lincoln to
Miss Laurene Elrod of Alford and
stated that they would make their
home in Chicago. The announcement
of their marriage was true but Mr.
Lincoln states that they like Gra-
ham and will make their home here.
He will enter the plumbing business.
He left this week to purchase his

supplies. On his return he will open
an office on or near the square but
will maintain his warehouse near
the Wichita Falls and Southern
railway.

Mr. Lincoln was engaged in this
line of work at Ranger before com-
ing to Graham. This is his regular
line and one in which he has achieved
success. He will be glad to meet
and talk with those interested in
having plumbing done as soon as he
returns with his supply of goods.

VISITORS WILL HARDLY KNOW YOUR HOUSE

after it has been given a coat of
two of our high grade paint. It
will look like a new house, as in
fact it will be so far as appear-
ance goes. And it will retain
this bright, new look, for a long
time. For our paint is the long
lasting kind, the kind that once
put on proves its economy by its
long wearing quality.

from a visit with his sister in Okla-
homa.

NOTICE TO CREDITORS

STATE OF TEXAS
County of Young
To the Creditors of Graham Drug
Company:

You are hereby notified that I. F.
Roebuck, as owner and proprietor of
the Graham Drug Company, of the
County of Young, on the 28th day of
July, A. D. 1921, executed a deed
of assignment, conveying to the
undersigned all of his property for
the benefit of such of his creditors
as will consent to accept their pro-
portional share of his estate and
discharge him from their respective
claims, and that the undersigned ac-
cepted said trust, and has duly
qualified as required by law.

All creditors consenting to said
assignment must within four months
after the publication of this notice,
make known to the assignee their
consent in writing, and within six
months from the date of this notice
file their claim as prescribed by
law, with the undersigned, who re-
sides at Graham, Texas, which is
also his postoffice address.

Witness my hand this the 10th
day of August A. D. 1921.
50-52 JNO. R. MOORE,
Assignee.

SHERIFF'S SALE

THE STATE OF TEXAS
County of Young

By virtue of an Order of Sale is-
sued out of the Honorable Justice
Court of Young County, on the 13th
day of August, 1921, by the Clerk
thereof, in the case of Guaranty
State Bank vs. H. T. McBrayer No.
2187, and to me, as Sheriff, directed
and delivered, I will proceed to sell,
within the hours prescribed by law
for Sheriff's Sales, on the first Tues-
day in September A. D. 1921, it being
the 6th day of said month, before the
Court House door of said Young
County, in the City of Graham, the
following described property, to-wit:
Being the Beaver Board and Glass
Doors and constituting the back of-
fices in the Hallam Building in the
City of Graham, Texas, which build-
ing was formerly occupied by the
Guaranty State Bank of Graham,
Young Co., Texas.

Levied on as the property of H.
T. McBrayer to satisfy a judgment
amounting to \$125.00 in favor of
The Guaranty State Bank and costs
of suit.

Given under my hand, this 15th
day of August, 1921.
51-53 JOHN W. SAYE,
Sheriff, in and for Young County,
Texas.

Superior Mattresses may cost a
little more but realize their superi-
ority. 51p

Miss Minnie Rubenkoig returned
this week from a month's visit to
the East. She visited many of the
large cities and had a delightful trip.

J. C. Owen received a letter this
week stating that his brother, E. H.
Owen, had just completed a good
meeting near Decatur. E. H. form-
erly lived in Young county and his
friends will be glad to learn of his
success in the ministry. He gradu-
ated from Pecatur College in June.
