## Resolutions Passed, Farm Bureau Meet

The Bailey County Farm Bureau treated its members to a fish fry, Saturday, October 18 at the high school cafeteria, prior to their Annual Meeting.

Phil Garrett, president of the local Farm Bureau presided over the meeting and introduced Rev. Robert L. Shugart, minister of the Longview Baptist Church, who gave the invocation.

Garrett, who took over the office of president in April following the resignation of their president who moved away, gave his report, telling of events that took place during the year involving Farm Bureau. He told the members of the renovation and remodeling of the local Farm Bureau office and invited them to stop by and see

the office. Garrett also pointed out that the membership was ahead of last years membership and introduced the Board members.

The Farm Bureau President explained that when it came time to plan their Annual meeting and dinner, they found themselves short on funds. It was learned, he said, that one of their board members was planning a fishing trip to Mexico and he jokingly asked him to catch them some fish and they would put on a fish fry. This is just what Raymon Maxwell did. He caught enough fish and supplied them for the dinner.

Farm Bureau members heard a report from the three Bailey County students they sponsored at the Citizenship Seminar in

### Telephone Improvement On Schedule

In the early part of September the city learned that an 83 percent increase in the number of long distance circuits between Muleshoe and Littlefield was scheduled for October 30, 1975. It was pointed out in a letter to the City from E. R. Richardson, district manager of the General Telephone Company of the Southwest, that this will include directionalized circuits which will make one-way circuits available from Muleshoe to Littlefield and help eliminate the present problem of customers reaching busy signals when dialing the operator.

The letter was received at the request of the City, asking for a timetable of the improvements being made by the telephone company. The request from the City Council came about when General Telephone requested a rate increase in July and was turned down by the councilmen until the long distance service was improved. Sixty days after the improvements are made, the Council will then consider a rate increase.

### Personalized 'Brand' Discourages A Thief

Burglary is an American as apple pie. And in this day and time the problem is one that only continues to grow. Approximately half of all crimes in the U.S. today are burglaries. Burglary prevention is one of the areas in which citizen participation and cooperation with the law enforcement agencies can help.

One method of slowing down the rising burglary rate is Operation Identification. The

### Rotarians See Slide Presentation

Kenneth Owen, Area Development Consultant for Southwestern Public Service Company in Amarillo spoke to the Rotary Clubs Tuesday, October 24. The meeting was held at the Catholic Center.

Owen described store front modernization as a step toward modernization as a step toward community betterment and greater profits for the local business. "Updating store fronts is an economic necessity and not just a means to increase the value of the businessman's real estate", Owen said.

The presentation did not advocate a complete remodeling, but primarily the planned, coordinated painting of store fronts. Owen also covered financing of the program, publicity, and how to make the plan successful.

"Although store front modernization is no guarantee, many communities have enjoyed increased business and profits solely from such a revitalization program", Owen concluded.

The Area Development Department of Southwestern Public Service Company works with community leaders in trying to locate new industry in "their home-town". This effort is just one facet of the department's cooperation with the community leadership in seeking.

FARM BUREAU ANNUAL MEET . . . The Bailey County Farm Bureau held its annual meeting and dinner Saturday, October 18 at the high school cafeteria. Shown above are members of the Board of Directors. (l-r, back row) Raymon Maxwell, Calvin Wiseman, Jr.,

Morris Killough and Kenneth Wilhite. Second row (l-r), Morris Killough, Richard Warren, Robert Hunt and seated, Clarence R. Mason, Carroll Kelton, Secretary; Eugene Shaw, vice-president and Phil Garrett, president. Not pictured is Director, Donald Cox.

## BAC Plans Magic Show

The Muleshoe Chamber of Commerce reports that the Business Activity Committee (BAC) will be having a program at the high school for the public, October 28 at 8:30 p.m. This show will be a combination Magic Show and Spook Show for the kiddos. Tickets can be bought from any Chamber Board member or from the Chamber office, or by

contacting Royce Harris at Western Auto.

The C of C Decoration Committee met again this month and it has been decided that instead of trying to replace the Christmas lights this year, an electrician would be hired to repair and renovate the lights that they presently have.

The Christmas parade will be held December 6, 1975 at 2 p.m. The Chamber encourages everyone to enter their floats and anyone having any suggestions is asked to contact Royce at the Chamber office. Llano Estacado will be in charge of the parade again this year.

This past month, the Chamber received the resignation of Pat

Moore, secretary. She has been secretary for several years and has taken a position with another firm in Muleshoe. A new chamber secretary was hired at an Executive Committee meeting. Mrs. Curtis Walker was hired for the position.

Mrs. Walker will be in the office between the hours of 8:30 a.m. to 4 p.m.

Chamber members were sent a copy of By-Law changes which will be voted on at the November 20 breakfast meeting. They read as follows:

**AMENDMENTS:**  
**CONSTITUTION and By-Laws**  
**ARTICLE IV DUES**

Section III Reads: Firms paying more than \$25.00 annual

dues may designate as a member, one employee for each multiple of \$25.00, not to exceed four (4) members for any one firm.

Section III Amended to Read: Firms paying more than \$75 annual dues may designate as a member, one employee for each multiple of \$75., not to exceed four (4) members for any one firm.

**ARTICLE VII ELECTION OF DIRECTORS**

Section II Reads: This committee shall meet prior to September 1st and select eight (8) or ten (10) members from the Chamber membership roll, (depending on the number retiring.

### Mules Meet Perryton Here Friday

The Muleshoe Mules will come up against a strong passing team this Friday when they meet the Perryton Rangers on home ground. The Mules had an open date last week but were busy keeping in shape for Friday's game against Perryton.

Perryton Coach Don Beck said he has a strong passing team with good speed but they are a little weak on size and experience. He has five returning lettermen and one starter back, Russ Reagan as Safety. Returning lettermen besides Reagan who is six foot, weighing 160 pounds as quarterback, include Mike Tarvin, 5' 9", 143, end; Jim Lanning, 5' 8", 139, end; Greg Gibson, 5' 8", 163, guard and Gayland Irwin, 6' 1", 163, back.

The Rangers have a 1974 record of 5-5 and District or Conference record for 1974 at 2-2.

Coach Beck has been coaching football at Perryton for the past four years and has a career record standing at 91-38-4. He has assisting him coaches, B. Brock, J. Jackson, B. Langford, A. Simpson, K. Splawn, J. Needham and C. McClain.

Mule Coach Chuck Stout urges Mule fans to come out in force to cheer their team on to victory.

The game will be played at Benny Douglas Stadium with game time at 6 p.m.

The next game will be played here also, against Levelland.

## Local Jaycees Sponsor Annual Sandhill Crane Hunt, November

The Muleshoe Jaycees will be sponsoring their Annual Sandhill Crane Hunt, on November 1-2, 8-9, and 15-16. In conjunction with the hunt, there will be three drawings for three Winchester 12 gauge shotguns.

Hunting permits will be provided and hunting licenses and shotgun shells will be available. Trap shoots will be held on every day of the hunt. Headquarters will be the Corral Restaurant, 1008 W. American Blvd.

Breakfast is included in the hunting fee and will be served at 4:30 a.m. each morning. The hunt begins 30 minutes before sunrise. Fees are \$7.50 per day, \$14 per weekend, and \$37.50 for two weekends and \$37.50 for the three weekends.

For more information, contact Mike Armstrong, Box 133, Muleshoe or Hugh Youngs, Box 571, both of Muleshoe, Texas 79347.

Sandhill (little brown) Crane season in Zone A opens October 25, 1975 and run through January 25, 1976, in that area of the

state lying west of a line from the International Toll Bridge at Del Rio, thence northward following U.S. Highway 277 to its junction with U.S. Highway 87 at San Angelo, thence northwesterly following U.S. Highway 87 and including all of Howard and Lynn Counties, to its junction with U.S. 287 to the point of intersection with the Texas-Oklahoma State line in Dallam County.

Season in Zone B opens November 29, 1975, through January 25, 1976, in that area of the state lying west of a line from San Angelo along U.S. Highway 277 to Abilene, thence along State Highway 351 from Abilene to Albany and U.S. Highway 283 from Albany to Vernon, thence easterly along U.S. Highway 183 to the point of intersection with the Texas-Oklahoma State line in Wilbarger County; and east of a line from San Angelo

Under provisions of the 1966 Uniform Time Act, daylight saving time ends at 2 a.m. October 26, and clocks officially will be set back to 1 a.m.

Standard time will remain in effect until the last Sunday in April, 1976.

After a confusing year in 1975 when emergency daylight saving time was ordered to conserve energy, the country now operates under the permanent time change schedule mandated by the 1966 act.

Late in 1973, the emergency act was passed at the peak of the energy crisis. It put the nation on daylight time, effective

Cont. on Page 3, col. 7

### Parking Prohibited Near Station

Muleshoe City Dads passed an ordinance Tuesday, October 21, prohibiting the parking of non-resident Fire Department vehicles within the street right-of-way bordering Lot 18 and the West 12 feet of Lot 19, Block 4, Original Town of the City of Muleshoe, and Lots 1-5, Block 13, Original Town of the City of Muleshoe. The reason for this being by allowing public parking in these areas, there is not enough room for firemen to park their vehicles when answering a fire call. H.E. Reader and Bill Kinard of the Muleshoe Volunteer Fire Department were present at the City Council meeting when the resolution was passed.

The Council also passed a resolution supporting the proposed new state constitution as requested by Lila Cockrell, Mayor of San Antonio and president of the Texas Municipal League.

It was pointed out that information is presently being compiled concerning Section 8 Housing. A copy of the guidelines were furnished the council members and the city is still evaluating their ability to administer the program.

The councilmen are reviewing a copy of a revised animal control ordinance for the City of Muleshoe. The ordinance revisions were recommended by the Chief of Police and Animal

Cont. on Page 3, col. 2

## Anna Gutierrez Wins Football Contest

Anna Gutierrez, 1309 W. Avenue C is the winner of this week's football contest sponsored by the Muleshoe Journal. Mrs. Gutierrez missed only one game as did two others. The winner had to be decided by use of the tie-breaker and she was only 28 points off.

Second place winner is Joe Gutierrez, 1309 W. Avenue C who was 31 points off the tie-breaker and third place winner is Annie Porras, 718 W. Second, 34 points off the tie-breaker.

Mrs. Gutierrez will receive \$5 in cash and 10 points in the contest. Joe Gutierrez will receive \$3 in cash and 6 points in the contest, while Annie

Porras will receive \$2 in cash and 4 points in the contest. Joe Gutierrez and Ardath Glascock are now tied in the contest, 12-12. Both having placed second twice.

The majority of this week's contestants missed three games and four games. Eighteen missed three games and 16 missed four games.

The contest will continue each week through football season and the winner of the contest will win \$50 in cash and two tickets to the Cotton Bowl game in Dallas. Points will be totaled each week and a record kept.

Weekly winners may pick up their checks at the Journal office.

## Muleshoe School Is Reclassified

Superintendent of Schools, Neil Dillman announced Monday, that Muleshoe High School has been reclassified into District III Conference AA next year. They are presently classified as AAA.

This change will place them against athletic teams more competitive to their school enrollment size. Dillman said however, the school would finish out this school year in AAA conference but next year their football team will be pitted against Dimmitt, Friona, Littlefield, Morton and Olton, with Muleshoe making up the sixth team in AA conference.

Supt. Dillman will be attending a meeting at Olton to make up the 1976 football schedule. Div. Cont. on Page 3, col. 7

### Nation Falls Back To Standard Time

Sunday, October 26 is the time the nation "falls back" an hour to standard time and picks up the hour of sleep lost last spring when the clocks were moved forward.

Under provisions of the 1966 Uniform Time Act, daylight saving time ends at 2 a.m. October 26, and clocks officially will be set back to 1 a.m.

Standard time will remain in effect until the last Sunday in April, 1976.

After a confusing year in 1975 when emergency daylight saving time was ordered to conserve energy, the country now operates under the permanent time change schedule mandated by the 1966 act.

Late in 1973, the emergency act was passed at the peak of the energy crisis. It put the nation on daylight time, effective

### Bailey 4-Hers Place At State Fair

A Bailey County girl, Belinda Wheeler, daughter of Mr. and Mrs. Joe Wheeler of the Maple community won the Reserve Grand Champion Steer in Dallas, at the State Fair, with her Maine-Anjou Charolais Cross, "Paul Bunyon".

Belinda is a member of 4-H from Bailey County.

Paul Bunyon who weighs 1225, was born in June of 1974 and was bought in September 1974, by the Wheeler family. He was bred by Heston McBride of Leno, Texas.

The steer placed second in heavyweight crossbred class, reserve champion crossbred of the show and later named Reserve Grand Champion of the show. It sold in the premium auction sale on Friday, October 17, for \$3,000.

Mr. and Mrs. Joe Wheeler have a farm and ranch in Muleshoe, where Belinda became interested in working with steers.

Another Bailey County 4-Her, Jimmy Lee Gleason, son of Dr. and Mrs. Jerry Gleason showed a First Place heavyweight short-horn steer weighing 1,095 pounds. This steer was named the Champion Shorthorn of the

Cont. on Page 3, col. 7

Four ASCS personnel from Muleshoe attended the State Agricultural Stabilization and Conservation Service employees State Convention held in Lubbock on October 17-18 at the South Park Inn.

Those attending from Bailey County ASCS Office were John Fuston, County Executive Director; Laverne Winn, clerk; Betty Hopper, clerk and Martha Young, clerk.

HALLOWEEN TROPHY WINNERS . . . (l to r) are Bradley Bickel, first place and David Fruit, second from Mary DeShazo Elementary School. Trophy winners from Richland Hills School are l to r, Casey Wilson, first place and Michael Angely, second. All four of these

boys won trophies in the Halloween Poster Contest sponsored by the Muleshoe Elementary P.T.A. They were made to promote their Halloween Carnival, Thursday, October 30, in the Mary DeShazo gym, from 7 until 10 p.m.

### The Consumer Alert

by John L. Hill  
Attorney General

AUSTIN—These days you frequently see someone wearing an expensive-looking squash blossom necklace or a heavy turquoise and silver bracelet or ring.

The upsurge of interest in buying such American Indian jewelry has been great, but unfortunately the number of persons who have any knowledge upon which to judge the value of such works is small.

Our Attorney General's Consumer Protection Division lawyers noted more than a year ago that this lack of expertise in evaluating authentic, handcrafted Indian jewelry meant there was a chance for misrepresentation by unscrupulous sellers.

Now, reports from several federal agencies indicate that a number of consumers feel

they have been defrauded in their purchase of turquoise and silver jewelry.

Our Consumer Protection attorneys say the best safeguard inexperienced Indian jewelry purchasers can have is to deal with a knowledgeable, reputable dealer, one who has an established place of business in case you need to contact him later about any problem.

Some such dealers buy directly from Indian tribes who produce fine jewelry. Many belong to the Indian Arts & Crafts Association, which guarantees that merchandise will be as represented to purchasers. There are also museum shops that sell fine American Indian jewelry, as well as shops in national parks.

If high quality, craftsmanship and resale value are important to you, or if you intend to collect Indian jewelry, you probably will want to pay more for an item handmade by American Indians, in which sterling silver and fine turquoises are used.

But if you only want a pleasing design, or a piece to wear a few years, then you may be just as happy with a machine-made item, perhaps of "Indian-inspired" design, but not

necessarily made by Indians.

One thing to remember is that fine, antique handmade Indian jewelry is extremely scarce, and as a result, quite expensive. However, many Indian artisans are creating authentic new jewelry, some of it in the old designs, some in modern ones.

Experts say the fine, deep sky blue turquoises used in Indian jewelry are hard to obtain now too. The most valuable—and scarce—turquoises are

Persian ones. American turquoise is lighter by nature than the Persian stones, but even fine American turquoise is becoming scarce.

Many of the dark blue turquoises found in modern Indian and "Indian-style" jewelry are lower-grade stones that have been treated with oil or wax to darken and intensify color, improve sheen, and add strength.

Treated turquoise, while inferior, should not necessarily

be avoided, though. As long as treated stones are identified as such, and there is no attempt to deceive the purchaser, they can be a satisfactory answer to the shortage of high-grade turquoise.

The main thing is to find a dealer or jeweler who will be frank about a piece of American Indian jewelry. Then you can decide for yourself what you want and can afford to pay. Often only an expert can assess the details that make

the difference between a magnificent example of Indian craftsmanship and merely a pretty necklace.

### TOWER TALKS

by U.S. Senator for Texas  
**JOHN TOWER**

### DES Debacle

WASHINGTON—The Senate has taken a "let them eat cake" attitude toward American ranchers and consumers.

The Senate has approved a bill that would forbid the use of the chemical additive diethylstilbestrol (DES) as a supplement in cattle feed. Ranchers and consumers will pay dearly if this unwise, uncalculated-for bill becomes law. Ranch income will plunge, and consumer prices—especially beef prices—will soar.

DES has two primary uses: as a growth-stimulating hormone intended for feeding or subcutaneous ear implanting in feedlot cattle, and as a "morning after" contraceptive. The controversy over DES stems from its use as an oral contraceptive. DES, when ingested, can cause a rare form of vaginal cancer in the female offspring, and sterility in the male offspring, or women who use it as a contraceptive.

There is no scientific evidence yet, however, to indicate that harm could come to a person who eats DES-fed beef. A small percentage of beef livers in U.S. Department of Agriculture testing have been found to contain up to two parts per billion of DES. But DES has never been found in red meat tissues. There has not been a single report of a harmful effect from eating meat from DES-fed cattle in 20 years of use.

If five per cent of DES-fed cattle livers contained two parts per billion of DES, a person would have to consume five million pounds of liver per year for 50 years in order to equal the intake of DES from a single treatment of the DES oral contraceptive.

Despite this evidence, the Senate bill would ban the use of DES as a cattle feed supplement, but would permit the continued use of the hormone as an oral contraceptive. I find this incredible.

DES feeding saves an average of 81 pounds of feed for each 100 pounds of gain in beef steers. On a yearly basis, the saving is 7.7 billion pounds of feed—an amount roughly equal to the total feed grain purchases being made by the Soviet Union. In terms of corn, the saving is equal to releasing more than 1.5 million acres of corn land for production of other crops. This is an incredible amount of grain to throw away for nothing.

I am as concerned as any person can be about the possible health hazard posed by DES. It is imperative that we find out as much as we can about the possible effects of the hormone. If there is any evidence whatever that DES used as a cattle feed will cause cancer, it should of course be banned. But this drastic step would cost beef producers and consumers millions of dollars in additional costs, so it should not be taken unless and until there is evidence that DES, used as a cattle feed, is harmful. At present, there is no such evidence.

### CORNER CATCHER

The only center pivot in the world that hits the corners.

In a typical quarter section where a regular center pivot is irrigating 132 acres, you can now do about 150 acres. But the new Valley Corner System isn't limited to squares. Irrigate both ends of a rectangle. Irrigate odd shaped pieces of land too. It's the answer to getting valuable productive land that's been wasted, back under center pivot irrigation.

For flood irrigators, it's also the answer to automatic water and labor saving center pivot, without wasting valuable acres. No monitoring, no labor problems, no night work. But you have all the advantages of precise irrigation and fertilizer application through the system, that produces higher yields than ever before. It's a simple concept, precise in operation and engineered with quality of all Valley-built Center Pivots.

## Resolutions...

Cont. from Page 1  
 increase in policies and the amount of premium.  
 A nominating committee for next year was appointed, and drawings for three \$25 memberships in Farm Bureau. The winners were Barbara Wilhite, R.D. Dale and Morris McKillip.  
 The members then got down to business, and passed several resolutions. The resolutions will be introduced at state level and if approved there go on to Washington.  
 The resolutions read as follows:  
**COUNTY:**  
 Reference was made to a Resolution adopted in 1973. We recommend that the Bailey County Farm Bureau sponsor a petition to make Bailey County a Herbicide controlled county. Also, that we circulate the petition and present it to the County Commissioners.  
 We will get started on circulating this petition.

**STATE:**  
 1. We recommend the Texas Farm Bureau report to members, the law allowing the President of the United States or any other government agency to place export moratorium on farm products. Texas Farm Bureau should challenge legality of such laws in courts if board of directors are convinced law is used in wrong or devious ways to block markets.  
 Resolution Carried  
 2. We request an increase of 1% in remuneration on insurance to County Farm Bureau.  
 Resolution Carried.

We opposed any land use law. 4. Motion from floor to amend Section #2 of Membership Eligibility for Services to read: "Dependents shall qualify under a family membership only if single".  
 Resolution Carried.  
 5. We oppose the 5th Amendment to the Proposed Revision of the Texas Constitution that land will be taxed on productivity.  
 Resolution Carried.

**STATE AND NATIONAL:**  
 1. We recommend that all inheritance taxes be exempt up to one million dollars.  
 Resolution Carried.

**NATIONAL:**  
 1. We condemn any statement coming from the Department of Agriculture and all other recording agencies regarding predictions of crop productions.  
 2. We oppose the making of laws through posting in federal registrar by governmental agencies. (OSHA, EPA, FDA, Corp of Engineers.) Only Congress should pass legislation that becomes law.  
 3. Congress should amend laws made creating government

agencies to give people recourse through law where recourse is not now available. (OSHA, EPA, FDA, etc.)  
 4. We recommend the American Farm Bureau report to members the law allowing the President of the United States or any other government agency to place export moratorium on farm products.  
 American Farm Bureau should challenge legality of such laws in courts if board of directors are convinced that the law is used in wrong and devious ways to block market.

5. We recommend that American Farm Bureau do everything possible to keep the United States Government from baling New York City and other cities out of Financial situation due to poor monetary management.  
 6. We recommend that American Farm Bureau do everything possible to keep the United States Government from baling various Corporations out of Financial Situation due to poor monetary management.

## Parking...

Cont. from Page 1  
 Warden. The matter was tabled until the next meeting, giving councilmen a chance to become familiar with the revisions.  
 A review of the financial statement for September 30, 1975 and concluding the first one-half of the fiscal year. In summary as of September 30, 1975, General Fund expenditures are at 52 percent of the budget with 57.2 percent of projected revenues collected.

In response to citizen complaints concerning the abuse of parking lots by some of the young people of the community, it was learned that the police department has been patrolling the lots more diligently. In addition, the radar is being used more frequently and the use of warning tickets is decreasing.  
 Councilman Clarence Christian was appointed to the Texas Municipal League Resolutions Committee.

## Committee...

Cont. from Page 1  
 hired for the position plus whatever help is deemed necessary to perform the duties in a very professional-like manner.  
 Also on the agenda for Tuesday night's meeting was discussion of student fees by the Board of Trustees. This matter was tabled pending further developments.  
 The meeting began at 8 p.m. and because of the many questions both pro and con concerning the consolidation of the Tax Assessor-Collector offices, the meeting continued until 10:45 p.m.

## BAC...

Cont. from Page 1  
 ing, Article VIII, Charter), to be placed on the ballot, along with the names of at least two (2) candidates for the office of president, vice-president and treasurer, each of whom shall have served at least one (1) year as a director of the Chamber. The ballots to be mailed to each member of the Chamber prior to the second (2nd) Tuesday in September.

Section II Amended to Read: This committee shall meet prior to September 1st and select (8) or ten (10) members from the Chamber membership roll, (depending on the number retiring, Article VIII, Charter), to be placed on the ballot, along with the names of at least two (2) candidates for the office of one (1) year as a director of the Chamber. The ballots to be mailed to each member of the Chamber prior to the third (3rd) Tuesday in September.

**ARTICLE IX FUNDS**  
 Section II Reads: All funds of the Chamber of Commerce shall be disbursed only upon approval of the Board of Directors. All disbursements shall be made by check, signed by the Manager and Treasurer or as otherwise provided.

## Rotarians...

 along U.S. Highway 87 excluding all of Howard and Lynn Counties, to the junction of Highways 87 and 287 at Dumas, and thence along U.S. Highway 287 from Dumas to the point of intersection with the Texas-Oklahoma State line in Dallam County. The daily bag limit is three (3) and the possession limit is six (6).  
 Sandhill Crane hunters are reminded that they must have a permit to hunt cranes. The permits will be issued without limit and at no charge upon written request to the Parks and Wildlife Department.

Section II Amended to Read: All funds of the Chamber of Commerce shall be disbursed only upon approval of the Board of Directors. All disbursements shall be made by check, signed by any two (2) of the four (4) officers; consisting of: Treasurer, Executive Director, President and Vice-president.  
 All articles and sections reading "manager" shall be changed to read "Executive Director".

**PLEASE NOTE:** These changes will be voted on during the Membership Breakfast, November 20, 1975, at the Corral Restaurant.  
 Much work has been done on the Chamber of Commerce Banquet set for January, and a July 4th meeting has been slated for the last of October. Work is continuing on the 1975 series of the Mule Memorial coin. The Chamber would appreciate hearing from you if you wish to reorder.

## Junior Livestock Show Set

The Bailey County Steer and Heifer Show has been scheduled for January 17, 1976 and the Barrow and Lamb Show, for the Bailey County steer and Heifer Show has been scheduled for January 17, 1976 and the Barrow and Lamb Show, for February 5-6, 1976.

Any boy or girl who is a member of the 4-H F.F.A. and F.H.A. whose projects are supervised by the County Extension Agent or Vocational Agricultural Teachers of Bailey County and attend school in Bailey County is eligible to show in the Bailey County Junior Livestock Show. An exhibitor must be nine years of age by the day of the show to be able to participate in the show.

Exhibitors must have owned their pigs, lambs, feeder steers and heifers and have them in their care not later than December 1, 1975. Steers must be on feed and in the care of the exhibitors by September 1, 1975. Exhibitors in the Bailey County Show will not be permitted to purchase fitted animals or animals that have been through a premium auction sale and show in our county show.

Each exhibitor may enter 3 beef animals which may be steers or heifers or any combination of the same, but no more than two of one sex.  
 Each exhibitor may enter 3 hogs which may be barrows, gilts or any combination of the same.  
 Each exhibitor may enter 3 sheep which may be ewes, wethers, or any combination of the same.

Beef division is open the purebred and crossbred heifers and steers. Animals must be

## Personalized

Cont. from Page 1  
 assisted by attaching a serial number to each unit produced. Law enforcement agencies, insurance companies and others have encouraged individuals to list these numbers and preserve them for ready reference in case of theft. This has been of assistance where the items stolen had a serial number, the individual did make such a list, and when, after the offense was reported, the authorities to whom the report was made were able to arrest the suspect while in possession of the stolen items.

Law enforcement agencies found that these events rarely coincided and that they had to find an easier method of identification for themselves and owners. This is the concept behind Operation Identification.  
 On numerous occasions sus-

pects are stopped by law enforcement officers because of suspicious actions or items of value found in their possession. Often mere suspicion that the items are stolen is insufficient cause for arrest, and unless the suspect has committed some crime in the officer's presence, or admits that he has stolen the items, he generally must be released.

If the engraved identification number appears on the suspicious items, then the officer can check its ownership in a matter of minutes.

The Operation Identification mark clearly and readily identifies the owner of the valuables and helps in the apprehension of burglars.

The Muleshoe Police department not only endorses citizen participation in Operation Identification but promotes it. Individuals are encouraged to obtain an engraving pen free from Muleshoe Chamber of Commerce and Agriculture.

## City Tax Rebate For October, \$6,933.88

AUSTIN--Comptroller Bob Bullock mailed checks totaling \$14.2 million Thursday to 824 Texas towns and cities for their monthly October city sales tax rebate. Muleshoe received \$6,933.88.

The October payments were smaller than the previous month's Bullock said this is because the September checks included receipts carried over or coming in late from the last round of quarterly tax payments sent in by merchants.

During the first two months of each three-month cycle, he noted, payments are not made to cities whose allocation is less than \$500.

Bullock said the monthly rebate program has proven a boon to cities in its first several months of operation.

**PROTECTION OFFERED**  
 Six Democratic presidential hopefuls have qualified for campaign Secret Service protection and were asked if they wanted agents assigned to them.

**CRIME RATE UP**  
 The nation's crime rate rose 13 per cent during the first half of this year compared with the same period a year ago, the FBI reported recently.

## Telephone...

Cont. from Page 1  
 In a phone conversation with Richardson Tuesday morning, the Journal learned that the telephone company is "on schedule and the work should be completed by November 1." Richardson said they have run into no stumbling blocks and that they have redone all the cable.

They have replaced "bread-box size" repeater housings with new seven foot tall new repeater housings which contain equipment which will improve the system. The district manager said they are still changing some of these repeater housings, running tests on them and they should be through within the next 10 days.

## Bailey...

Cont. from Page 1  
 State Fair of Texas.

Nicky Bambert, son of Mr. and Mrs. Carl Bambert also placed first with his crossbred steer weighing 1,150 pounds.

Kirk Lewis, son of Mr. and Mrs. Leon Lewis placed 20th in lightweight cross and seventh in Senior Angus with his heifer.

LaVon and Jo Rhonda Rhodes, daughters of Mr. and Mrs. Joe Rhodes, showed barrows which placed fifth, seventh, thirteenth and twentieth in the Junior Barrow show on Thursday, October 16.

Belinda Wheeler also showed thirteenth and seventeenth place barrows in the Junior Show.

## Nation...

Cont. from Page 1  
 January 6, 1974, and it was originally intended to continue to April, 1975.

Because complaints flowed into Congress that daylight time in winter months caused hazards and hardships for children going to school in the dark. So the nation went back on standard time October 27, 1974, with a provision to return to daylight time February 23, 1975 through October 6, 1975.

## Muleshoe...

Cont. from Page 1  
 sion points for Class AA are an enrollment of 240-519 in the top four grades of highschool, 9-12. Last year the division points were 235-519 and Muleshoe is under 500.  
 Dillman said this new classification will begin in September, the beginning of the 1976 school year and go for two years.

**And Desire**  
 Great minds have purposes; others have wishes.

## Muleshoe Rodeo Club Top Team

Muleshoe boys rodeo team leads the Tri-State High School Rodeo Association in high points. The boys have 148 1/2 points followed by the Gruver Rodeo Team with 112 points, and Stratford with 78 points following the Pampa Rodeo. The Wheeler and Berger Rodeo points are not included in this report.

Jeff Flores of Stratford leads in All Around Cowboy points with 78. Dan Ellis of Muleshoe second with 73 points and Eddie Mardis also of Muleshoe with 69 points.

In Bareback Riding Wayland Barker of Muleshoe is in 6th place with 7 1/2 points. Dan Ellis is standing second place in Calf Roping with 17 points, Eddie Mardis third with 14 points and Arthur Thomas is in eighth position with 7 points in Ribbon Roping.

Eddie Mardis is in second place with 14 points in Ribbon Roping followed by Dan Ellis in third place with 13 points. In the Team Roping event Eddie Mardis and Dan Ellis leads the field with 44 points each followed by a team from Hereford with 22 points.

On the Muleshoe Girls High School Rodeo team Karen Mixon of Clovis is in seventh place with 6 points in the Pole Bending event. Karen is in thirteenth position with 2 points in Goat tying. Karens parents, Mr. and Mrs. Jack Mixon are the sponsors of the Muleshoe State High School Rodeo Club. The next club meeting will be held in the Large Dining room of the Corral Restaurant on Thursday evening October 23 at 8:00 p.m. All members and their parents are urged to be present for this important meeting.

**Frank**

Father: "My boy, I never kissed a girl until I met your mother. Will you be able to say the same thing to your son?"

Junior: "Yes, Dad. But not with such a straight face."

**PLANS TO WED . . .** Mr. and Mrs. Virgil Moen of 3313 46th Street, Lubbock have announced the engagement of their daughter, Sharon Kay to Jack L. Roubinek of Lubbock, son of Mr. and Mrs. Raymond Roubinek of Muleshoe. The wedding will be November 22 in the Trinity Church with the Reverend Morris Sheats performing the ceremony.

The prospective bride graduated from Coronado High School in 1969. She attended the University of Computer Sciences majoring in Computer Programming. Currently, she is employed at the Holiday Inn as Director of Sales and Marketing. Miss Moen is a member of the Lubbock Art Association, National Secretaries Association, Order of the Eastern Star Lodge, and the Hotel-Motel Association. The prospective groom graduated from Muleshoe High School and attended West Texas State University in Canyon. He is the owner of Century 21 Real Estate Company. He is a member of the Elks Lodge, Rotary International, Toastmasters Club, and Lubbock Board of Realtors.

**Hoedown Sponsored By Club**

The Llano Estacado Civic Club met October 14 for their monthly meeting. Hostesses, Mrs. Odell Rasco and Mrs. Jess Bryant served a Hobo supper to the members attending. The club members discussed plans for the upcoming Hoedown, which will be held November 8, in the Catholic Center. The West Texas Express will be playing, for the

dance. They are returning by popular request. The Hoedown will be from 9 p.m. to 1 a.m. The club members agreed to sponsor a bingo party at the nursing home after the first of next year. Members are also busy planning the Christmas Parade. It will be held on Saturday afternoon, December 6.

Guests attending the meeting were Marv Janice Brantley and Brenda Nursick. Members attending were Mrs. Mike Armstrong, Mrs. Ronald Ashford, Mrs. Jess Bryant, Mrs. Royce Harris, Mrs. Dick Kelton, Mrs. Odell Rasco and Mrs. H.E. Reader.

**Sounds Like**

A famous university de-emphasizing football somehow sounds like Washington de-emphasizing politics.  
-Christian Science Monitor.

**Could Be**

Criticism is the disapproval of people, not for having faults, but for having faults different from their own.

**Womens Club Installed Officers**

The Women's Country Club Association met Wednesday, Oct. 15, 1975, for a luncheon, at the Muleshoe Country Club. There were 45 members and two guests attending. The guests were Flo Brown and Jessica Hall.

The meal was prepared and served by Mrs. Buck Wood, Mrs. Thurman White, Mrs. Ken Box, Mrs. Jack Wood, Mrs. Don Rempe, Mrs. Wayne Williams, Mrs. Burt Blair and Mrs. David Stovall.

The roll was taken and minutes were read by Secretary, Mrs. Mike Miller. Mrs. Ernest Martin gave the treasurer's report. Mrs. Tommy Haley announced

the new lockers were ready and that names were in them.

The installation of the new officers for the incoming year was conducted by Mrs. Jack Wood.

Those installed were President, Mrs. Harmon Elliott, vice-president, Mrs. Ernest Martin, secretary, Mrs. Ken Box, treasurer, Mrs. Wayne Williams, parliamentarian, Mrs. Carl Bamert, High Plains chairwoman, Mrs. Gene Templeton, Associate High Plains Chairwoman, Mrs. Tommy Haley and Tournament Chairwoman is Mrs. Clyde Holt.

President, Mrs. Carl Bamert asked everyone attending to join

the association for the incoming year. Dues are five dollars. Mrs. M.D. Gunstream gave balls away to the girls who played golf on the play days, for the month.

They were Mrs. Billy Jim St. Clair, Mrs. Ernest Martin, Mrs. Joe King, Mrs. Tim Foster, Mrs. Jess Winn and Mrs. Clyde Holt.

The meeting was then turned over to the President-elect, Mrs. Harmon Elliott. She announced the finance chairwoman would be Mrs. Tim Foster and Mrs. Tubb Angeley. The Tournament chairwomen would be Mrs. Clyde Holt, Mrs. Gary Mack Brown and Mrs. Kenneth Hanks.

**INSTALLATION . . .** (l to r) are Mrs. Jack Wood, installing officer, (center) Mrs. Harmon Elliott, incoming president and Mrs. Carl Bamert, outgoing president. These ladies are members of the Women's Country Club Association, of Muleshoe. The installation was held at their meeting, Wednesday, Oct. 15, 1975, at the Muleshoe Country Club.

**Pee Wee 4-H Club Prepared Foods**

The members of the Pee Wee Foods Project of the Muleshoe 4-H Club met Tuesday, October 14 and Tuesday, October 21 at the 16 and Avenue D Church of Christ for their project entitled "Exploring Foods--The Picnic Way." On October 14 they discussed milk as one of the four basic food groups and necessary for good health. In addition to preparing hot cocoa, all the members participated in prepar-

ing, serving and clean-up.

On October 21 the group met to learn about the second food group. After discussion of meat and eggs in one's diet, the group shared sandwich recipes. At this meeting the Pee Wee's prepared deviled eggs, chicken and lettuce sandwiches, tuna and lettuce sandwiches, and lemonade. Then the group ate the foods that they prepared with a picnic, on the church

lawn. Members attending were Jodi Cruickshank, Sonya Edwards, Mandy Plank, Shelly Sain, Lance Wennmohs, Teresa Lowe, Kristi Campbell, Jerry Gleason, Tracy Tunnell, and Mitch Black. Adult leaders attending were Mrs. Pete Plank and Carol Black, Junior leader.

The mother's heart is the child's schoolroom.  
-H.W. Beecher.

**DECEMBER WEDDING PLANS . . .** Mr. and Mrs. Jessie Gray of Muleshoe announce the engagement and approaching marriage of their daughter, Dela Geraldine, to William Robert Kiser, son of Mr. and Mrs. William E. Kiser of Miami, Florida. Miss Gray is a 1972 graduate of Muleshoe High School and will graduate from Abilene Christian College in December with a BSED in Art. The groom graduated from Miami Killian High School in 1972 and from Abilene Christian College in December of 1974. William is presently attending the University of South Florida College of Medicine in Tampa. The wedding will be December 20, in the Lariat Church of Christ.

**ABOUT YOUR HOME**  
By April Rhodes

Gutters and drainspouts should be cleaned often where falling leaves collect. When closing your summer camp, don't forget to oil pots, pans and other utensils to prevent rusting. Brisk walking, an excellent exercise, is most enjoyable at this season when mother nature has displayed so much beauty.

When selecting carpet, consider traffic areas. The best carpet for long wear should be your first consideration. Colored gum drops make attractive candle holders for a child's birthday cake. Make a small slit in the top for the candle.

Third row, 1 to r are Trisha Burgess, first; Missy Baldwin, second; Joy Gabbert, second; Melissa

Wilbanks, first; Jodi Cruickshank, second; Joni Sudduth, first; and not pictured is Sandy Payne, second. These students are from Mary DeShazo Elementary School. They are winners in the Halloween Poster Contest sponsored by the Muleshoe Elementary P.T.A., to promote their Halloween Carnival, to be held Thursday, Oct. 30, from 7 until 10 p.m.

## Start A Halloween Tradition

COLLEGE STATION--Texas now boasts another woman on the statewide campaign trail. She's a foods and nutrition specialist with a "revolutionary" idea for celebrating Halloween.

"Surprise the family with a new Halloween tradition this year--a party at home for children and friends," Frances Reasonover with the Texas Agricultural Extension Service, The Texas A&M University System, suggests.

She pointed out that this will help assure a safe holiday season--devoid of broken razor blades or other harmful materials that are plaguing the Halloween celebrations in recent years.

"Games and food can be planned around a theme--why pumpkins mean Halloween's here" is one theme suggestion. Older children can research the local library to learn all they can about pumpkins and Halloween before the party. And younger children could talk with their oldest friends or relatives to find out all they know about pumpkins.

"Then everyone can tell stories around a large pumpkin jack-o-lantern named 'The Great Pumpkin'."

To start "pumpkin lore" research, Miss Reasonover said that although the custom of jack-o-lanterns at Halloween is considered native to America, actually Irish people made lanterns as far back as Druid Worship, long before the discovery of America.

But since pumpkins didn't grow in Ireland, people hollowed out large potatoes and turnips, then cut faces in them for lanterns. Irish immigrants who fled the famine in the 1840's discovered that the American pumpkin was excellent for carving the jack-o-lantern, the specialist continued.

"Pumpkin is nutritious--it's rich in Vitamin A needed for growth and night vision. Vita-

min A also helps protect against infection by keeping linings of the mouth and digestive system in good condition.

"One-third cup of pumpkin will furnish the average adult almost all the the Vitamin A needed daily and more than the daily requirement for young children," she pointed out.

Pumpkin lends itself to a variety of dishes--perhaps each person attending the party could prepare a pumpkin dish to bring. This could turn into a smorgasbord of taste treats, from sandwiches on pumpkin bread to pumpkin chiffon pie for dessert.

Miss Reasonover suggested the following pumpkin bread:

### PUMPKIN BREAD

- 1/2 cup shortening
- 2 1/2 cups sugar
- 4 eggs
- 2 cups or 1-pound can pumpkin
- 1/2 cup water
- 3 1/2 cups flour, sifted
- 2 teaspoons soda
- 1 1/2 teaspoons salt
- 1/2 teaspoon baking powder
- 1 teaspoon cinnamon
- 1 teaspoon cloves
- 1/2 cup coarsely chopped nuts
- 1/2 cup raisins

Cream shortening and sugar. Stir in eggs, pumpkin and water. Sift together flour, soda, salt, baking powder, cinnamon and cloves. Blend into a smooth dough. Stir in chopped nuts and raisins. Fill baking pans about three-fifths full. Place baking pan in center of preheated oven, at 350 degrees F. Bake large loaves 60-70 minutes, or until a clean wooden pick inserted into center of bread comes out clean. Remove from oven. Let stand five minutes in pan. Remove from pan and cool. Yields: 2 loaves 9x5x3; 3 loaves 8 1/2x4 1/2x2 1/2; 4 no. 2 1/2 can-size breads; or 30 cupcakes.

Mrs. Gwendolyn Clyatt, consumer marketing information specialist, adds her support to the "celebrate Halloween at home" campaign with some other ideas.

"Among items to consider for

**POSTER CONTEST WINNERS** . . . (l to r) are winners of the Halloween poster Contest, sponsored by the Muleshoe Elementary P.T.A. to promote their Halloween Carnival set for Thursday, October 30, from 7 until 10 p.m. in the Mary DeShazo gym. First place winner is front row, Shantel Baldwin; second place is Twila Downing and third place is Shannon Berry, all of Richland Hills Elementary School.

both decorations and refreshments are apples, popcorn and cheese, along with pumpkins--all available at the local food store.

"For decorations or jack-o-lanterns, select a pumpkin 10-12 inches in diameter, weighing 20 pounds or even more. When the pumpkin has a thin shell it enables light from within to really glow. But, remember to use extreme care in lighting a jack-o-lantern. A flashlight will give the same effect as a candle and will be much safer," she said.

Mrs. Clyatt is with the Texas Agricultural Extension Service, The Texas A&M University System.

Red Delicious and Jonathan are two popular apple varieties for "bobbing" at the party, as well as for eating and table decorations.

"And a favorite of all is popcorn--a bowlful of buttered popcorn with apples is always

welcome for a snack, and youngsters will be sure to appreciate popcorn balls.

"Try a cheese platter to add variety and flavor--and nutrition--to the Halloween party. Serve it with fruit or crackers for a snack.

"Youngsters are more likely to enjoy mild flavored cheeses. Remove the cheese from the refrigerator about an hour before time to serve it because cheese develops full flavor at room temperature," she said.

### Fashion

This is the season when many sleeveless dresses can get a new look by sewing in long sleeves of a different fabric or color. The layer look of the past season has made this a good style.

A pair of plaid sleeves and a collar of the same will give a new look to that solid color dress.

## From The Journal Files

### 10 Years Ago

First session of a series of Saturday morning workshops for teachers of Mathematics, 1-6 and linguistics for secondary English Teachers, will be held Saturday at the new Coronado High School, 34th and Utica, Lubbock, from 9 until 12 noon. Local teachers who will attend are Mrs. Loyce Killingsworth, Mrs. Roy Walker, Mrs. Joe Rough, Mrs. Donald Prather, Mrs. Robert Sanders, Mrs. Addie Mae Spence and Buddy Sparks. Mrs. Eric Smith, a high school English teacher, will attend the linguistics course.

### 20 Years Ago

The Muleshoe Mules will play the Olton Mustangs at Olton Friday night to start conference play for both teams. The Mules will still be seeing their first win for the 1955 season. The Mules' probable starting lineup will be: leftend, Stanley Fox; left tackle, Charles Parker; left guard, David Sheperd; center, Joe Roark; right guard, Bobby Black; right tackle, Doyle Henry; rightend, Jackie Tidwell; quarterback, Eddie Wilt; left halfback, Charles Jennings; right halfback, John Young, and

fullback, G.R. Howell. The Mustangs have acquired a record of three wins and two losses this year, while the Mules have lost five and won none.

Construction started this week on additions to the headquarters building of Bailey County Electric Cooperative Association here in Muleshoe.

Wyatt G. Hedrick, Ft. Worth, is the architect, Charles Lenau of Muleshoe the contractor. D.B. Lancaster, manager of the cooperative, said the additions, one on the south and one on the west of the present building, will add about 1200 square feet of floor space.

The new rooms will provide new offices for the cooperative line superintendent, the engineer, and another room for the accounting office.

C.W.F. of the First Christian Church met in the home of Mrs. H.E. Mitchell on October 18. Mrs. Mitchell opened the meeting with prayer.

Mrs. Jim Bell gave the devotional, taking Scripture from First Psalms. Mrs. Mel Smith had charge of the program. She was assisted by Mrs. Leota Wilterding and Mrs. G.T. Maltby.

Topic of study was "Indian Americans". Refreshments were served to Mrs. Mel Smith, G.T. Maltby, Leota Wilterding, James Bell, W.W. Smith, H.E. Mitchell and L.M. Bell.

The next Meeting will be in the home of Mrs. Wilterding on October 25.

### 40 Years Ago

Charles Lenau, of Plainview, spent the weekend in Muleshoe visiting his brother, Julian Lenau and other relatives and

friends.

Mrs. Ray Griffiths, worthy matron, of the Eastern Star organization of Muleshoe, left Saturday evening of last week for Lubbock, where she joined other members of that order who left by bus early Sunday morning for San Antonio, to attend Grand Chapter meeting, held there this week.

Francis Gilbreath who is attending West Texas State Teachers College at Canyon, spent the weekend here visiting his parents, Mr. and Mrs. L.C. Gilbreath and friends.

Mrs. Jay Wyer and two children, accompanied by Miss Alice Edmonds visited and shopped in Clovis, N.M., Saturday afternoon.

### Cowboy Chuckwagon Cooks Meet

The Cowboy Chuckwagon cooks met with their leader, Mrs. Kay Griswold, on Wednesday, Oct. 15. After choosing a name for their group, they discussed the food groups and made strawberry milk for refreshments.

Those attending were Connie Puckett, Kristy Spies, Dorinda Shafer, Lisa Black, Latrice Barrett, Steve Griswold and Curtis Smell.

**FIRST BIRTHDAY** . . . Shannon Bomer, son of Mr. and Mrs. Mike Bomer of Muleshoe is posing from the residence of his grandparents home, Mr. and Mrs. Creston Favor of Muleshoe. Shannon is celebrating his first birthday today, Thursday, October 23. Mr. and Mrs. Fred Stigaulde of Muleshoe are grandparents of the birthday boy.

**Once Was Enough**  
Mrs. Briggs: "Did you catch your husband flirting?"  
Mrs. Jiggs: "Yes, just once."  
Mrs. Briggs: "What did you do to him?"  
Mrs. Jiggs: "Married him."

## Make Tasty Halloween Snacks Using Texas Pecans, Peanuts

AUSTIN--Halloween brings to mind black cats, witches, jack-o'-lanterns and special treats.

Trick-or-treating is the best part of Halloween for many children, but because of increasing reports of candy that has been tampered with, the current trend is to discourage children from this activity.

Parents who prefer that their children not participate in trick-or-treating this year might consider letting their children invite several of their friends to a Halloween party complete with plenty of snacks.

Texas Department of Agriculture home economists suggest using Texas pecans and peanuts in a variety of nutritious snacks which are ideal either for serving at a Halloween party or for bagging and passing out to trick-or-treaters.

Roasted Peanuts are an easy Halloween treat to make. Place peanuts one or two layers deep in a shallow pan. Roast in moderately hot oven, stirring occasionally. Cook twenty to thirty minutes. Shell and sample the peanuts during the last few minutes of cooking time to assure peanuts are being roasted to desired color.

Sugared Peanuts are another special snack. In a

heavy saucepan, combine 2 cups (10 ounces) raw, unroasted shelled peanuts, 1 cup sugar and ½ cup water. Cook over medium heat, stirring until mixture crystallizes and coats peanuts, about ten minutes. Spread peanuts in buttered 15x10x1-inch baking pan; sprinkle with salt. Bake in 300 degree oven for 15 minutes. Lift and turn peanuts with metal spatula.

Continue baking for 15 minutes more. Cool; store in covered container. Makes 4 cups.

Popcorn Mix is a snack featuring both peanuts and pecans. To make it, combine 1 cup butter, 2 cups brown sugar and ½ cup white corn syrup. Bring to boil and boil 5 minutes. Add 1 teaspoon soda and ¼ teaspoon cream of tartar. Pour over 4-6 quarts popped popcorn, 1 cup pecan halves and 1 cup peanuts. Bake at 200 degrees for one hour, stirring occasionally. Spread on waxed paper to cool. Store in tightly covered container.

The recipe for spicy Candied Pecans, is featured elsewhere on this page, or is available by writing Commissioner John C. White, Texas Department of Agriculture, P.O. Box 12847, Austin, Texas 78711.

### Enochs News

By Mrs. J.D. Bayless

The Enoch's Co-op gin ginned their first bale of cotton Wednesday. It was harvested on the Harold Laytons place he had rented. The cotton was hand pulled and he ginned two more Saturday.

The Co-op elevator was full and a place in the middle, on the south end bursted. There is grain piled all around the elevator to the east. This has been the most grain they have ever received.

Mr. and Mrs. W.B. Peterson left Monday and returned Saturday evening from a visit with their daughter, Rev. and Mrs. Harold Abney at Channing. They also visited their son, Mr. and Mrs. Morris Peterson at

Hillsboro and went to the State Fair.

Rev. Charlie Shaw preached both services Sunday. This was the first time he has been able to preach, since he has been ill.

Mrs. Robert George and son, Brent, Chris, Kerm and Kim Rowden of Lubbock spent the weekend with her parents, the E.N. McCall's. They attended the Baptist Church.

Mr. and Mrs. Joe Milsap of Lubbock stopped in for a short visit with the Clyde Price's Sunday night, on their way home, from taking their granddaughters, Carol Sue and Loveta Jo Black home, at Muleshoe. Mr. and Mrs. Bill Key and Mr. and Mrs. Marion Walker visited with them after church, Sunday night.

Mr. and Mrs. Fred Locker have been to Okla. City to be with their little granddaughter, Cindy Nelson. She had surgery and is the daughter of Mr. and

Mrs. Jim Nelson. Mrs. Nelson is the daughter of Mr. and Mrs. Fred Locker.

Edd Autry, E.M. Autry and Mitch Autry returned home Tuesday, from a weeks Elk hunting, in Colo. Mrs. Edd Autry spent a few days with her daughter, the Jack Jacksons at Clovis while her husband was gone.

Dinner guests in the home of r. and Mrs. Chester Petree, Sunday were her sisters, Mr. and Mrs. Nat Hill and Mr. and Mrs. Charlie Williamson, all of Lubbock.

Tom Newton was admitted to the Littlefield hospital Tuesday with the intestinal flu.

Mr. and Mrs. Clyde Price received word of the death of his sister-in-law, Mrs. J.C. Price of Hereford. Funeral services are pending.

Mr. and Mrs. Orbe Phillips drove to Abilene Monday to visit

Rodney Jarvis of Rising Star. He was a patient in a hospital in Abilene. Rodney was a former resident of our area.

George Worthum of Portales, died Wednesday, Oct. 15, in the Veterans Hospital, in Albuquerque.

Funeral services were Saturday at the Westside Baptist Church, in Portales, N.M.

Mrs. Robert Jones of Clovis, N.M. visited her parents, Mr. and Mrs. Kenneth Coats, Thursday.

A Weekly Report Of Agri Business News

Compiled From Sources Of The Texas Department of Agriculture  
John C. White, Commissioner

Who Took The Worst Decline? ... Slide, Parity, Slide ... Farm Prices Not All That Good ... One More Time.

Now that most of the experts are agreed that the recession may have finally bottomed out and perhaps things are going to get better, here's a question for you: which group took the worst decline in income? Corporate profits? Agriculture?

FARMERS' INCOMES suffered the most. From 1973 to 1975, farmers' incomes dropped almost 40 per cent. Corporate profits were down only around 10 per cent.

And in spite of recent upturns in farm prices, the Texas Crop and Livestock Reporting Service notes that parity as of the middle of August slid to 74, down a point from a month ago and down five points from a year ago.

And despite all the things you might have read or heard about how high the farmer's wheat price had advanced, the farm price for wheat as of mid-August was still almost \$1 below parity. Average Texas wheat price is \$3.77 per bushel; parity is \$4.63. A year ago, the average Texas wheat price was considerably higher than it is now; in 1974 it was \$4.05 per bushel as of Aug. 15.

TAKE A LOOK at other farm prices and it's the same old story: most all of them continue below parity, some by wide margins.

On the bright side, corn is above parity--by one cent per bushel.

Oats are 11 cents per bushel above parity. Other grains, however, are below parity. Sorghum, the major cash crop for Texas, is 49 cents per 100 pounds below parity.

One category of livestock--hogs--is above parity. Hog price average in Texas is \$54.70; parity is \$48.40. But other categories of livestock are way below parity. Beef cattle price average is \$29.90; parity is \$56. Calf price parity is \$68.40; average market price is \$24.50.

Look at the cotton price, too. Although cotton prices have firmed up slightly in recent weeks, the average cotton price in Texas is 38.5 cents per pound. Parity is 78.69 cents per pound.

Egg prices are about 16 cents per dozen below parity; turkeys are 15 cents under parity.

MEANWHILE, CROP HARVEST over the state continues in stride. Corn harvest is more than a fourth completed; cotton harvest is something more than 10 per cent finished; sorghum harvest is nearing the two-thirds completion mark.

Rice harvest is nearly complete and sunflower harvest on the Low Plains is underway. Soybean progress is good with most of the acreage setting an excellent crop.

Peanut harvest is about 20 per cent complete.

LET'S REPEAT IT, one more time.

Livestock producers need to continue to submit suspected screwworm samples to the fly lab at Mission. The annual Fall build-up of the pest is and will increase until cold weather puts it to a halt.

Screwworms were widely spread across Texas, from Cameron County on the south to Wichita on the north; from Hudspeth on the west to Brazoria, Walker and Houston Counties on the east, during August.

Officials also recommend that you delay surgery on your livestock as long as possible and use screw-worm-approved remedies on wounds on livestock.

## Family Involvement Is Youth Leaders Theme

**HARVEST BAZAAR.** . . (l to r) are Mrs. Frank Ellis, Mrs. Robert Hooten, Mrs. J.A. Nickles, Mrs. J.E. McVicker, Mrs. Oscar Allison and Mrs. Sam Fox working on the quilt for the Harvest Bazaar. The quilt is hand-made and will be entered in the Stitch 'n Such booth at the Harvest Bazaar, to be held November 6, 1975, from 10-5 p.m. at the First United Methodist Church Fellowship Hall.

### No Free Rides In Finance Article, Bullock

AUSTIN--Comptroller Bob Bullock said Monday that there are no free rides for either individual taxpayers or local governments in the Finance Article of the proposed constitution.

"Where the constitution giveth, it also taketh," Bullock said of the Finance Article's mandatory homestead exemptions for the elderly and putting all personal property--including automobiles--on the tax rolls.

"What the constitution taketh may come as a surprise to one million taxpayers in Harris County who own automobiles if they wake up after November 5 and find a stack of personal property tax bills on their cars from the county, the city and the school district," Bullock said.

Putting all cars on the tax rolls would cost motorists more than \$72 million a year in taxes,

### Bazaar Set

The Harvest Bazaar of 1975 will be held at the Fellowship Hall of the First United Methodist Church, Nov. 6, from 10:00 a.m. to 5:00 p.m.

The noon meal will consist of turkey and dressing, green beans, sweet potatoes, pink dream salad, hot buttered bread, homemade pie, coffee and ice tea to drink.

Booths for the bazaar are Christmas Boutique, Bozo's Korner, the Candy Man, Country Kupboard, Bake Shoppe, Stitch 'n Such, Art Creations and the Green Thumb.

Bullock said, pointing out that more than 500 cities, schools and counties do not now tax automobiles.

Likewise, Bullock said, making homestead property tax exemptions for the elderly mandatory would take \$21 million in tax money away from another 500 local governments which do not now grant the exemption.

"That \$21 million would have to be made up from somewhere--and that 'somewhere' is the rest of the taxpayers in the cities and counties and school districts affected," he said.

Justice Department is studying curb on pistols.

"Family Involvement Through Farmers Union" is the theme of the fall Youth Leaders Conference sponsored by the Texas Farmers Union.

According to Beth Rankin of Ralls, chairwoman for the one-day workshop on Saturday, October 18, the program will begin at 9:00 a.m. in the conference room of the Plains Cooperative Oil Mill in Lubbock. Sherry Leach, Director of Youth Activities for the National Farmers Union, Denver, Colorado, will outline the 1976 youth program designed by the NFU education department.

Mrs. Leach has been director of the National Farmers Union youth program since April, 1972. Prior to that she served on the summer youth staffs for both Rocky Mt. Farmers Union and National Farmers Union. She is a native of Ft. Morgan, Colorado and was a NFU Torchbearer.

"This conference will focus on developing a strong youth program throughout the Farmers Union in Texas," Mrs. Rankin said. "The youth educational program developed for different age groups through high school emphasizes the three facets of the Farmers Union organization: education, legislation and cooperation," she said.

The conference will begin with a get-acquainted coffee and gift show from 9:00 to 10:00 a.m. A slide presentation on the Farmers Union Youth Program

will precede a group discussion on Family Involvement Through Farmers Union led by Mrs. Leach.

Mrs. Margaret Amonett of Lorenzo will report during the

noon group luncheon on the National Farmers Union Ladies Food Conference held recently at the NFU's Education Center near Bailey, Colorado. Mrs. Amonett, along with twelve

other Texans attended the week-long food conference. The Swisher County Farmers Union Youth Group will present "How to Succeed by Really Trying," a multi-media NFU

production. The conference will conclude with a group planning session to outline the year's activities.

### Fertilizer Shortcourse Set For Dimmitt

DIMMIT--Two soil chemists and two agronomists will be featured speakers for a fertilizer shortcourse at the County Exposition Building here Nov. 6, beginning at 7:30 p.m.

The one-evening event, says County Extension Agent, Spencer Tankley is of special interest to area producers needing a refresher course on plant nutrients, forage and grain fertilization and soil testing.

Dr. Charles D. Welch, head of the Texas Agricultural Extension Service Soil Testing Laboratory at College Station and

Jim Valentine, head of the Extension Soil Testing Laboratory at Lubbock, will discuss fertilizing corn and sorghum and the value of soil testing.

Dr. James Supak, Extension agronomist-cotton, will take a practical look at plant nutrient carriers, and Dr. Frank Petr, Extension area agronomist at Amarillo, will discuss fertilizing small grain.

Every special group has special reasons to justify its special demands for special privileges.

## I.R.A.-New FNB Service

The First of Muleshoe has now added a new service for our customers. We would like for you to stop by and ask us about the Individual Retirement Accounts.

### What is an IRA?

I.R.A. stands for individual retirement account—a new form of tax-favored savings authorized by Federal Law.

### Here's how it works...

- 1 You can set aside 15% of your gross income, up to \$1,500 each year in your IRA.
- 2 You can deduct the amount you deposit to your IRA from your income tax.
- 3 You can defer all taxes on your investment in your IRA, plus the interest it draws until you start actually withdrawing from your IRA at retirement.

THE NET RESULTS—WHEN YOU BUILD YOUR OWN RETIREMENT PLAN AT THE FIRST OF MULESHOE, IT PAYS YOU TWO WAYS.

Tax Savings Today...

# Halloween Candidates Named At MJHS

The candidates for the 1975 Halloween Princess and their escorts have been named. They are as follows: from speech, Brenda Dodd escorted by Vicotr Leal, from band, Sandy Dunbar escorted by Benny Pena, from Art, Michelle Agee escorted by Mark Northcutt, and from choir, Sylvia Quesada escorted by Alvaro Ontiveras.

If you wish to vote for one of these girls, put your money in one of the jars being passed around school. The money counts as one vote per penny, and will go to the Fine Arts Departments.

The Princess will be crowned on October 25th, after the

Proxmire says pot study a waste of money.

Halloween Carnival. The Journalism Staff would like to congratulate each of these girls and wish them lots of luck.

## Girls Stay For Practice

The 8th grade athletic girls started working out after school Wednesday October 15. They start at 3:30 and the practice is over at 5:00 p.m. Everyone has been working out hard to get in shape for their first game. The coaches are dividing the girls into the A and B teams now. So everyone is working extra hard. The first game will be against Friona, November 24, at Friona. The Journalism Staff would like to wish all of the basketball girls a successful season.

# Candidates Named At MJHS

## Seventh Graders Dissect Earthworms

On Wednesday, October 15, 1975, the seventh graders started a very interesting project. They dissected earth-

## Youth Rally

The First Baptist Church of Muleshoe would like to invite you to the youth rally they are having October 24. All Muleshoe youths are welcome. Meet at the Baptist Church fellowship hall immediately after the Muleshoe-Perryton football game. The game starts at 6 o'clock. The youth rally will follow right after the games ends. There will be sandwiches and refreshments. Everyone is invited!

worms! Mrs. Scoggin helped the students when they had a question. The students learned very much from their experience by dissecting the worms. Later

## 'B' Team Mule Rip The Cats

The Mules 'B' team took away another victory against Littlefield on October 14. Kickoff started at 5:00. Muleshoe began scoring very quickly with the first touch down scored by Lyndal Stovall for 6 points. Close to the last of the first quarter Jim Norman brought the score to 14 with a touchdown and extra points. Littlefield then returned one

on in the year they will be dissecting a frog, a crayfish, and a starfish. The students really are looking forward to dissecting more this year. Mrs. Scoggin is the seventh grade living science teacher. She hopes the seventh graders have a lot of fun and learn a lot out of dissecting this year.

## Touchdown in the Second Quarter

After the half, Victor Leal made a touchdown with extra points. The Mules made one more score after this with no extra points. It was made by Jim Norman. Muleshoe plays the Littlefield Wild Cats again on Tuesday, Oct. 21. We hope to beat them again!

## Steelers Upset Bills

Last Wednesday, October 15, the Steelers upset the Bills by a score of 8-6. The Steelers kicker, Marvin Lewis, kicked off. The ball went to Charles Walker. The kicker, Marvin Lewis, went down to get the tackle. When he made the tackle, he slid on the grass and tore a scab off of his leg. Coach Minor took Lewis to the dressing room and taped up his leg. On the first play after Lewis was gone, the Bills runningback Charles Walker ran up the middle for about 60 yards for the touchdown. The P.A.T. failed. Then Kelly Harrison kicked off for the Bills. The Steelers made a couple of first downs. Then Marvin Lewis broke through the middle for about 20 yards. The extra point was made also by Marvin Lewis. That ended the half; and, nothing else important happened in the second half. The game ended Steelers 8 Bills 6.

## Historical Society

Thursday, Oct. 16 the Historical Society had a meeting to get started on their projects and their plans. "The meeting did a lot of good," reported Michelle Agee.

The meeting was started off by Mrs. McKillip, then later on, the president, Brad Poyner took over the meeting.

Mrs. McKillip talked about their projects this year, and she also decided what they would be doing on the school projects later on in the year. Then Brad Poyner announced that they had to elect some committees. They elected three committees. They were the program committee, publicity committee, and finance committee.

The Historical Society would like to encourage everyone to give a recipe to someone in the Historical Society.

# Cowboys, Vikings Tie

Last Thursday, October 16, the Cowboys and Vikings played a game in the Benny Douglas Stadium with the whole Jr. High school student body there to watch them. The game ended with a score of 0-0, a hard played game by both teams. The game started off when the Vikings' kicker, Raymond Cabrera, kicked a 40 yard kick that landed in the arms of the Cowboys player, Robert Gon-

## 'A' Team Loses To Littlefield

Last Tuesday, the 14th, the 'A' team 8th graders went to Littlefield and won by a score of 20-0. The Mules played real well in the first half; but, in the second half, Littlefield stiffened up.

Touchdowns were scored by Mike Northcutt, who ran around the end for about 15 to 20 yards going into the endzone. Ruben Orozco made the extra point, diving up the middle. Later on in the second quarter, the Mules scored two more touchdowns. One, by James Atwood catching a quick pass and then running for about 15 yards for the touchdown. The P.A.T. failed and the score was 14-0. Terry Burton ran a reverse around the left end for about five yards making a touchdown for the Mules. The extra point failed again and the score, by the end of the 1st half, was 20-0. The Mules played badly in the 2nd half. Littlefield had the ball in their possession most of the half; but, were unable to score. The clock ran out and the game was over with a score Mules 20 Wildcats 0.

zales, who ran it back about three yards. After keeping the ball for a while, the Vikings had a penalty called on them that gave the Cowboys a first down. Then, the Cowboys made another first by one of their running backs, Robert Gonzales. The Cowboys held the ball for most of the first half, until Brad Poyner, the Vikings quarterback and safety on defense, intercepted a pass. Robby Haney, one of the Vikings' running backs made a long run through the middle. Finally, the Vikings were forced to punt. The ball went to one of the running backs and was fumbled around until the Vikings got back and tackled him. A while later, Albert Lopez, the Cowboys' wingback, broke away for a 20 yard gain, before HALF TIME.

The second half started off when the Cowboys' kicker

Wesley Rasco, kicked off to Raymond Cabrera, who ran it back for about 7 yards. A while later, Felix Norman made a 30 yard gain. Then they had to turn the ball back over. One of the Cowboys running backs, William Orozco, made a 40 yard run for a near touchdown. The ball went back and forth through the rest of the game, so the score ended up 0-0.

## Take TB Tests

On October 13, the seventh graders got their T.B. Test. The seventh graders got sheets to fill out and have their parents sign. Mr. Richardson, passed these sheets out during his seventh grade math classes. The students had to have these sheets filled out and turned in by Tuesday.

The students received their shots Tuesday morning during first period classes. Mrs. Tiller and Mrs. Davis and three other ladies came down and gave the shots. Mrs. Tiller was back in two days to read the results of the test.

We hope every one came up with a negative reading on their test.

William L. Myers

### Death Takes Bill Myers

William L. (Bill) Myers, 80, died Sunday, October 19 in the West Plains Medical Center in Muleshoe.

### Southern Cal Notre Dame Rank Top 20

Two weeks ago the collegiate football spotlight was on one of the outstanding games of every football season . . . Oklahoma-Texas. This week, it re-focuses on another of the great traditional college rivalries, Southern California-Notre Dame. Neither team appears to be the real powerhouse that the schools have boasted of in the past, but both rank in our Top 20. However, we don't rate either as high as do the national polls. Notre Dame holds a decided edge in the number of games won through the years, but we think it's the Trojans' turn. Southern Cal will win it by 3 points.

Undefeated Texas A&M, staying near the top of our ratings, takes on last year's Southwest Conference champion, Baylor. The Bears had their day in the sun last year, so it's Texas A&M this year by nineteen points. Alabama and Florida have emerged as the two number ones in the Southeast Conference. Last week, the Tide put down Tennessee, the remaining challenger. Both teams go outside the conference Saturday, and both are heavy favorites. The Gators will beat the Blue Devils of Duke by 25, and Alabama will probably bury T.C.U. The spread is a whopping 43 points.

In the East, Penn State asserted itself by destroying West Virginia two weeks ago. This Saturday, if it performs as expected, it may destroy the cream of the United States Army, the Nittany Lions are 35 points stronger than the West Point cadets.

We can't do much complaining about the picking percentage two weeks ago as it once again his well over 75%. For the season through October 11th, our average is a smiling .768, based on 823 right and 249 wrong. There have been 25 ties.

Colorado meets Nebraska in a Big Eight struggle for survival at the top of the conference heap. The Cornhuskers are undefeated . . . the Buffaloes were nipped by Oklahoma. Nebraska should survive by just six points. Oklahoma will beat Iowa State by 24, and Missouri will stop Kansas State. The spread is 16 points.

I hate to talk about hummers in the Big Ten, but I'm afraid they are just that. Ohio State will trip up Purdue by 31 points, and Michigan will bomb Indiana by 42.

field. He was born June 13, 1895 in Decatur. A retired farmer, he was a member of the First Christian Church.

Funeral services were held Tuesday, October 21 in the

Assembly of God Church of Muleshoe with Rev. H.D. Hunter, minister officiating. Burial was in the Bailey County Memorial Park.

Survivors include three sons, Clayton, of Muleshoe, Joe of

Farwell and Thurman of Fresno, Calif.; two daughters, Lebie Mae Jones, Mineral Wells, Texas and Mrs. Mildred Rodriguez of Mandeville, La.; five sisters, Mrs. Ed Pratt, Norco,

Calif., Mrs. Lillie Cowley, Mrs. Sallie Tittle and Mrs. Annie Graybill, all of Mineral Wells and Mrs. Lydia Kimbrough, Abilene; two brothers, Clint of Artesia, N.M. and Les of Mineral Wells. Also surviving are 13 grandchildren and 12 great grandchildren.

### GWortham Buried Saturday

Funeral services for George Wortham, 67, died Wednesday, October 15, in the Albuquerque Veterans Hospital, were held Saturday, October 18 at 2 p.m. in the Fellowship Baptist Church of Portales. Rev. Ted Bailey officiated and burial was in the Portales Cemetery.

Wortham was a retired farmer who lived northwest of Portales. He was born April 7, 1908, in Aspermont, Texas and was a veteran of World War II. He had been a resident of Roosevelt County since 1913.

Surviving him is his wife Elizabeth and one daughter, Mrs. Rosemary Cavett of Portales, N.M. There are six sons: Warren, Newell, Wallace, Sawyer, and Rowdy, all of Portales, and Charles of Blue Mountain, Ark.

He is also survived by his mother, Mrs. Mary J. Wortham of Portales; two brothers, Hugh of Ridley, Calif., and Ralph of Andrews, Texas; and five sisters, Mrs. Edna Burnett and Mrs. Ora Lancaster of Portales, Mrs. Vivian Morris of Muleshoe, Mrs. Eunice King of Hobbs, N.M. and Mrs. Alva Phillips of Galt, Calif., and five grandchildren.

Pallbearers were orb Phillips, Verbus Wall, Wayne Tollett, Ralph Belcher, R.B. Padon and Jim Brumfield. Honorary bearers were Burt Moss, Jim Thomas, J.C. Bailey and Marlin Grubbs.

### PUMPKIN CHIFFON PIE

2 teaspoons plain gelatin  
1/4 cup water  
3 eggs  
1/4 cup light brown sugar, packed firm  
1/2 teaspoon salt  
1/2 teaspoon ginger  
1/2 teaspoon cinnamon  
1 teaspoon orange peel  
1/2 cup milk  
1 1/4 cups pumpkin  
1/4 cup white sugar

Soak gelatin in cold water. Put egg yolks in top of double boiler and beat slightly with a fork. Add brown sugar, salt, ginger, cinnamon, orange peel and milk. Then add the pumpkin. Cook, stirring constantly until thick. Remove from heat. Add soaked gelatin and stir until dissolved. Cool. When mixture begins to thicken, fold in stiffly beaten egg whites to which 1/4 cup white sugar has been added gradually. Pour into 9-inch baked pie shell. A frozen shell may be used. It may be served with whipped cream in desired.

Please write **FOOTBALL CONTEST**  
Muleshoe Publishing Company  
Box 449 Muleshoe, Texas  
on envelope of mailed entry.

### Read the rules... Start Winning RULES OF THE CONTEST:

1. The contestant must be 12 years or older.
2. Only one entry per person may be made for any one contest.
3. Weekly contests are open to everyone except employees and families of this newspaper; bring or mail your entries to the Journal office.
4. Mailed entries must be postmarked not later than 5:30 p.m. Friday; winners names will be published in this newspaper each Thursday following the close of the weekly contest.
5. Check the team you think will win; 10 points for 1st place, 6 points for 2nd place and 4 points for 3rd place determines the Grand Prize winner.
6. The tie-breakers will count as one of the games picked, the predicted scores will be used to determine the top three places in that week's contest, if necessary, and cash prizes and points will be divided between winners in event of ties. Please write FOOTBALL CONTEST on envelope of mailed entry. Decision of the Journal's scoring judges will be final.

# Duck Season Open October 28

Bailey County hunters have been cleaning and oiling their shotguns in anticipation of the bird season which opens this month. Duck season opens on Tuesday, October 28 and runs through January 18, 1976.

## MIGRATORY GAME BIRDS HUNTING REGULATIONS 1975-76

This publication contains summaries of regulations for hunting migratory game birds in Texas and is designed as a guide only. Information on regulations for hunting other species is contained in "A Guide to Texas Hunting and Sport Fishing Regulations 1975-76" available from personnel and offices of the Texas Parks and Wildlife Department and from hunting and fishing license agents.

ensuing days up to and including the last day listed for each species. There is no open season on state and federal wildlife preserves and sanctuaries, public roads and rights-of-way or within corporate city limits, unless as provided by special state or federal regulations.

**SHOOTING HOURS:** For all migratory game birds, except mourning doves and white-winged doves, one-half hour before sunrise to sunset. Shooting hours for mourning and white-winged doves are noon to sunset.

**BAG AND POSSESSION LIMITS:** A daily bag limit is the maximum number of game birds which may be taken during a specific period of time, whether picked up and kept or not. A possession limit is the maximum number of game birds which may be in any

person's possession at any time. For the first day of any open season, the possession limit is the same as the daily bag limit.

**DUCKS AND COOTS SEASON:** High Plains Mallard Management Unit-October 28, 1975, through January 18, 1976, in that area of the state lying west of a line from the International Toll Bridge at Del Rio, thence northward following U.S. Highway 277 through San Angelo to Abilene, thence along State Highway 351 from Abilene to Albany and U.S. Highway 283 from Albany to Vernon, thence easterly along U.S. Highway 183 to the point of intersection with the Texas-Oklahoma state line in Wilbarger County.

**SEASON:** Remainder of state-November 1 through November 30, 1975, and December 20, 1975, through January 18, 1976. **DUCK LIMITS:** The daily bag limit is reached when the point value of any bird taken reaches or exceeds 100 points. Possession limit is the maximum number of ducks which could have been taken legally in two days.

**DAILY DUCK BAG LIMIT:** one to ten (10) ducks in the aggregate based on the following 100-point point system.

**100-Point Ducks-**canvasbacks and redheads, except the season is closed on these two species in Brazoria, Chambers, Galveston, Harris, Jefferson and Orange Counties.

**70-Point Ducks-**hooded mergansers, mallard hens, and wood ducks.

**10-Point Ducks-**gadwalls, mergansers (except hooded mergansers), pintails, scaups, shovelers, and all species of teal (blue-winged, cinnamon and green-winged).

**25-Point Ducks-**all other species of ducks not listed herein except in the High Plains Mallard Management Unit these species count 20 points.

**Illegal Ducks-**The season is closed on black-bellied tree ducks, fulvous tree ducks and Mexican ducks.

**DAILY COOT BAG LIMIT:** 15, possession limit, 30.

**GEESSE SEASON:** West of U.S. Highway 81-October 18, 1975, through January 18, 1976.

**SEASON:** East of U.S. Highway 81-November 1 through December 12, 1975, through January 18, 1976.

**BAG AND POSSESSION LIMITS:** West of U.S. Highway 81-bag limit, 2; possession limit, 4. The daily bag and possession limit may not include more than one Ross' goose.

**BAG AND POSSESSION LIMITS:** East of U.S. Highway 81-bag limit, 5; possession limit, 5. The daily bag limit may not include more than one Ross' goose and no more than either one Canada goose or one white-fronted goose or one Canada goose and one white-fronted goose.

**WILSON'S SNIPE OR JACKSNIPSE SEASON:** November 15, 1975 through January 18, 1976. **DAILY BAG LIMIT:** eight (8); possession limit, 16.

**MOURNING DOVES SEASON:** North Zone-September 1 through October 30, 1975.

**SEASON:** South Zone-September 20 through November 2, 1975, and January 3 through January 18, 1976. In those counties having a white-winged dove season, mourning doves may be taken on September 1 and 2, September 5, 6, and 7, and September 13 and 14, and in these counties the fall open season will close on October 26, instead on November 2.

**DAILY BAG LIMIT:** 10; possession limit, 20.

## LAWFUL MEANS AND METHODS

In the taking of migratory game birds, it is lawful to use: Shotguns no larger than ten gauge which are plugged permanently to a three-shell capacity and fired from the shoulder. Long bow and arrows.

Falconry. Manual or mouth-operated birdcalls.

Dogs and artificial decoys.

Blinds or other forms of concealment (except a sink box or livestock).

Floating craft (except a sink box) which is beached, anchored or tied within or alongside of a fixed blind. Rails only may be taken from floating craft when the only source or propulsion is paddle, oars or pole.

Power boats, sail boats or other craft only as a means of picking up dead or injured birds.

## UNLAWFUL MEANS AND METHODS

In the taking of migratory game birds, it is unlawful to:

Use traps, snares, nets, cross-bows, rifles, pistols, swivel guns or machine guns.

Use shotguns not permanently plugged to three-shell or less capacity.

Use shotguns larger than ten gauge.

Hunt from or by means, aid or use of a sink box, motor-driven conveyance, motor vehicle or aircraft.

Hunt from or by means of a sail boat or any floating craft with a motor attached unless such craft is beached, anchored, or attached to or alongside of a fixed hunting blind. Such craft may be used in picking up dead or injured birds.

Use livestock as a means of concealment.

Use recorded or electrically amplified birdcalls or sounds.

Use live birds as decoys.

Use motor-driven land, water, air conveyances or sail boats to concentrate, drive, rally or stir up waterfowl.

Distribute bait or hunt on or over baited areas. (Natural growing or standing crops are not considered baited areas.)

## DUCK STAMPS

The Migratory Bird Hunting Stamp Act of 1934 (48 Stat. 451; 16 U.S.C. 718a), as amended, provides that no person who has attained the age of 16 years shall take any migratory waterfowl (brant, wild ducks, geese, and swans) unless at the time of such taking he has on his person an unexpired Federal migratory bird hunting stamp (commonly called Duck Stamp), validated by his signature written across

the face of the stamp in ink. A person who has not reached his 16th birthday does not have to have a stamp.

## Fred Clements Is Awarded

One Muleshoe resident was among 93 Southwestern Public Service Company's Southern Division employees honored Tuesday night (October 21) in Lubbock at an awards dinner. Members of the group were honored for periods of service ranging from 5 to 40 years.

Fred Clements was presented an award by Roy Tolk, chairman and president of the electric company, for 25 years of service.

This was the first of four service award dinners to be held throughout the Company's territory. 312 employees, with a combined service of 4,855 years, will be honored.

The barber lifted the young customer into his chair and said: "How do you want your hair cut, son?" "Like dad's, with a hole in the top."

## Letters To The Editor

To Whom It May Concern:

I would like for the following to be published if you see fit.

In the last few years I have visited about thirty states. But I visited Muleshoe, Texas a few days in August. I found it to be the cleanest city and the people the friendliest of anywhere that I have ever been. I also include the Pacific where I was during World War II. I stayed at the Muleshoe Hotel.

If you will please let me know that you received this letter and if you printed it.

Sincerely,  
Leonard R. Rippey, Sr.  
1704 Liston Avenue  
Nashville, Tennessee 37216

## GARAGE SERVICE

### MAJOR/MINOR TUNE-UP

It pays you to keep your car engine in top operating condition; you get better mileage and far more dependability. When you have a major or a minor tune-up you will pay less when you bring your car to us.

507 W. Second Muleshoe, Texas

## United Methodist Set Evangelistic Mission

The members of the First United Methodist Church in Muleshoe will be participating in a New World Mission Sunday and Thursday, October 26-30. These evangelistic services will be conducted at eleven o'clock on Sunday morning, and at seven-thirty Sunday evening and each week day. The Reverend Leonard W. B. Brock will be our guest speaker, and Robert C. Tanner will be directing the music.

The Reverend Brock was born on the Isle of Barbados in the West Indies. He is now serving as minister of two Methodist churches on the Trinidad Island in the West Indies. He is the Chairman of the Committee on

Evangelism in his area and is serving as the executive of the Inter Religious Organization. He was educated in Jamaica at the Union Theological Seminary and the Drew Seminary in New Jersey, where he received his Master of Divinity degree. He is secretary of his District Synod and a member of the Conferences of Methodist Churches in the Caribbean and Americas. Tanner is from Beaumont, Texas, and has recently been employed by the Muleshoe Church as Music and Education Director. The public is cordially invited to come and share in these services.

## Quick Answers To Common Questions About Liquid Feeds

Q. How much liquid feed will my cows eat per day?

A. As much or as little as you schedule. Consumption is accurately controlled at each service call by regulating the palatability of the mix.

Q. How will liquid feed increase my calf crop?

A. By supplying needed energy, protein, phosphorus, trace minerals and vitamins. Cows come into heat sooner after calving, carry bigger calves, have fewer birth problems if they are properly supplemented.

Deliveries Made On Schedule  
Regardless Of Weather.

FOR MORE INFORMATION CALL OR STOP BY

HOWARD I. WATSON

Phone 272-4038

Q. How many cows are recommended per trough?

A. Generally 50 to 75

Q. Will cattle on liquid forage further?

A. Yes. Cattle have a natural tendency to browse immediately after eating liquid feed. Our observations indicate they forage further than when on dry supplements.

Q. How do you control consumption?

A. By a patented palatability method. We have five standard range formulas that vary from sweet to sour. Our service man automatically changes the palatability to adjust for over-feeding or under-feeding.

**THE STATE OF TEXAS**

**TO: JOHN MACKESY, GREETING:**

You are commanded to appear by filing a written answer to the Plaintiff's Petition at or before 10:00 A.M. of the first Monday after the expiration of forty-two (42) days from the date of issuance of this Citation, the same being Monday the 1st day of December, A.D., 1975, at or before 10:00 A.M., before the Honorable District Court of Bailey County, at the Court-house in Muleshoe, Texas, then and there to answer the Petition filed in said Court on the 13th day of October, 1975, against John Mackesy, Respondent, and said suit being Number 3866 on the docket of said Court, and entitled "In the Interest of Mathew Mackesy, a child," the nature of which suit is a request to terminate the parent-child relationship. Said child was born the 21st day of October, 1966, in Lawton, Oklahoma.

You are informed that you have the right to legitimate the child by filing a Statement of Paternity with the State Department of Public Welfare and Petitioning the Court for legitimation, as provided in Section 13.01 (b), Texas Family Code. If you do so legitimate the child, you will have the rights and duties of a parent. If you do not take the necessary steps to claim the rights of a parent, the Court has authority to enter a Judgment which will forever foreclose your rights in and to the child.

Issued and given under my hand and seal of said Court at Muleshoe, Texas, this the 13th day of October, 1975.  
Nelda Merriott (S)  
Nelda Merriott,  
Clerk of the District Court of Bailey County, Texas.

**Card Of Thanks**

**CARD OF THANKS**  
I want to take this means to thank everyone who helped to keep the fire from burning everything we have.  
I especially want to thank our wonderful mail man, Mr. Landers for saving our pick up which was only a few feet from the oncoming blaze. Then rushing back to the house to hook up the hose. Then staying in the smoke and flames saved the houses and barn by keeping the fire from the row of evergreens.  
I also want to thank the fire department for saving the last row of trees which was threatened by the time they arrived.  
Thanks also to the neighbors who brought their disks and tractors to turn the burning embers under, so there would be no more danger of burning. And to all the concerned neighbors and people who came to offer their help.  
Mr. & Mrs. Lawrence Shankles

Amana, Ia.--Oct. 10, 1975-- Amana Refrigeration, Inc., a subsidiary of Raytheon Company, announced today that it has been granted the only exemption from the new microwave oven warning label regulation.

The special exemption, granted by the Bureau of Radiological Health, Department of Health Education and Welfare, U.S. Government, releases Amana from the requirement to place safety warning labels on its Radarange (R) microwave ovens, Models RR-6W, RR-4DW and RR-4ET. No other microwave oven manufacturer has received an exemption from the requirement, which went into effect October 3.

The letter of notification to Amana from the Federal Government reads in part: "... Therefore, under authority of 21 CFR 1030.10 (c) (6) (10), Amana Refrigeration, Inc., is hereby granted an exemption from all labeling requirements of 21 CFR 1030.10 (c) (6) (i) for its models RR-4DW, RR-6W and RR-4ET microwave ovens."

Amana's Radarange ovens were subjected to a battery of punishing tests, and still were able to comply with strict government standards. Due to the patented quarter-wave choke door seal, and rugged die cast door construction, the Radarange ovens, when rigorously tested, proved to be safe under the most extreme conditions of use and abuse.

Amana devised and performed a series of tests for its

**AMANA Receives Government Micro wave Oven Warning Label Exemption**

Radarange ovens which are unprecedented in the history of microwave oven technology. For example, technicians 1) struck the door and seal with a steel ball and an axe head on pendulums with impacts up to 60 foot-pounds; 2) pushed the units off a counter onto a concrete floor, landing on their face; 3) impacted the door with a heavy meat cleaver and other heavy household objects; 4) suspended heavy weights on the door and hinges, and 5) trapped various thick objects in the doors.

In total, more than 20 severe tests were conducted on the quality of construction, the durability and strength of materials, and the advanced technology of the unit-particularly the choke door seal. Amana and Raytheon are the pioneers in the microwave oven field. It was Raytheon that originated microwave cooking and developed the basic technology of microwave ovens, including many of the fundamental features in use today. Amana and Raytheon together developed the extensive choke door seal technology which provides maximum protection even under abnormal conditions. The patented choke door seal has been incorporated into every Radarange oven ever built by Amana.

Amana introduced the first 115-volt countertop microwave oven for the home in 1967. And, it was Amana that introduced the first "computerized" microwave oven early in 1975. Now, it is Amana which has received

the only Government exemption from placing safety warning labels on microwave ovens. "The Food and Drug Administration is requiring precautionary labels for consumers and service personnel to be permanently attached to microwave ovens manufactured after October 3, 1975.

"The label addressed to the user reads: "Precautions for safe use to avoid possible exposure to excessive microwave energy. Do not attempt to operate this oven with: (a) object caught in door; (b) door that does not close properly; (c) damaged door, hinge, latch, or sealing surface." "FDA has emphasized that it does not believe microwave ovens present any risk of harm when used according to proper instructions. In approving final regulations for warning labels, FDA Commissioner Alexander M. Schmidt, M.D., said that "although microwave ovens have had a good safety record, it is prudent to take suitable precautions against possible misuse or damaged equipment."

"Manufacturers who can establish that one or more of the warnings to users are not necessary for the safe operation of a specific oven model may apply for exemption from the requirement."

See Harvey Bass Appliance, Muleshoe, Texas for complete information pertaining to Amana Microwave Ovens. Phone (806) 272-3030 or go by Advertising

**Debra Mills Chosen For Chorus**

Debra Mills, daughter of Mrs. Lee Joy Mills, of 920 Gum, Rt. 3, of Muleshoe has been selected as a member of Lubbock Christian College's A Cappella Chorus.

Miss Mills is a 1975 graduate of Muleshoe High School and is enrolled in Lec as a freshman music major.

Dr. Wayne Hinds is director of the 65 member organization. LCC is a fully accredited senior college offering liberal arts and pre-professional programs. Located on the west side of Lubbock, the campus consists of 11 temporary structures and 17 permanent buildings.

**For Rent**  
You're doing without a Zimmatic center pivot. Saving your hard-earned capital for other improvements. Don't want to borrow right now. But it's costing you money every year you wait. Two ways. First, you're losing the extra crop production you get under irrigation. Second, inflation is at work. Boosting prices, dropping the value of your dollars.  
Why not rent a Zimmatic under our new lease plan? Let the system pay for itself and put some extra money in the bank for you at the same time. Our rates are reasonable. You can include freight, installation, pump... other "above ground" items in one flexible package, tailored to your needs. Why wait to irrigate? It's just costing you money. Call us today for details on our new lease plan.
