MHS Homecoming Scheduled For This Weekend

FATAL ACCIDENT--As the car on the right was driven from a country dirt road onto Highway 70 approximately two miles east of Muleshoe Tuesday, it was struck by the late model pickup shown. Killed in the accident was the driver and sole occupant of the car.

Arthur Graves, 85, of Progress. Driver of the pickup, Johnathan Thomas Taylor, of Lockney, was uninjured in the accident, which occurred shortly before noon.

Mules-Bobcats Will Tangle

Last Friday night, Wildcats came to Muleshoe, but went home as 'tamed pussycats'. This Friday night, Bobcats will snarl their way into Muleshoe and make every attempt to upset Muleshoe's homecoming, and turn the clock back to when Dimmitt habitually defeated the Mules.

It won't be an easy game, according to Muleshoe Schools' Athletic Director and head Football Coach, Don Cumpston. "They are exceptionally good on defense," he said, "and tough defense seems to be their thing. They have speed and quickness, and it's going to be a good game."

We have everyone healthy except Terry Burton, who will have to stay out for another week, and Mike Northcutt, who is recuperating from mono. Otherwise, everyone is up and ready to go," he added. "We have had a good week of practice and are looking for good game."

Dimmitt will be coming to Muleshoe with a 4-2 record, having been defeated by Slaton, 20-3 and by Tulia, 7-6. However, Coach Cumpston said he thinks the game will be a rough defensive game.

He praised Muleshoe's defensive game, and said they are performing better for each game.

Several Muleshoe players were mentioned on the honor roll at the Amarillo Daily News on Tuesday. Pushing Spearman's Twane Friemel for the honor was Charles Briscoe, who inter-

cepted a pass and returned it for 20 yards in the Muleshoe-Littlefield game. He also, from his free safety position knocked down two passes near the

HERO Supper Slated Friday Before Game

Members of the HERO Class from Muleshoe High School plan a big fried chicken supper Friday before the Muleshoe-Dimmitt homecoming game in Muleshoe.

At only \$2.50 for adults and \$1.50 for children under 12, the menu will feature one-fourth fried chicken, buttered potatoes, pea salad, peach cobbler, hot rolls and butter, iced tea and coffee.

Tickets are available now from any HERO member. Meals will be served from 5 to 8 p.m. and carry-out orders will be prepared. An added feature will be delivery service if advance arrangements are made.

Speech Class Garage Sale This Weekend

The speech department from Muleshoe High School plans a gigantic garage sale as money-making project, they announced this week. The garage sale will be at 1628 West Avenue C, both Saturday, October 22 and Sunday, October 23. Hours will be from 8-4 on Saturday and 2-5 on Sunday.

On sale will be various articles of clothing and miscellaneous items.

Not only are they selling, but will gladly accept contributions of merchandise to sell during the big garage sale. If you have items you would like to contribute to the speech class, contact Kerry Moore at high school or take your items to the sale.

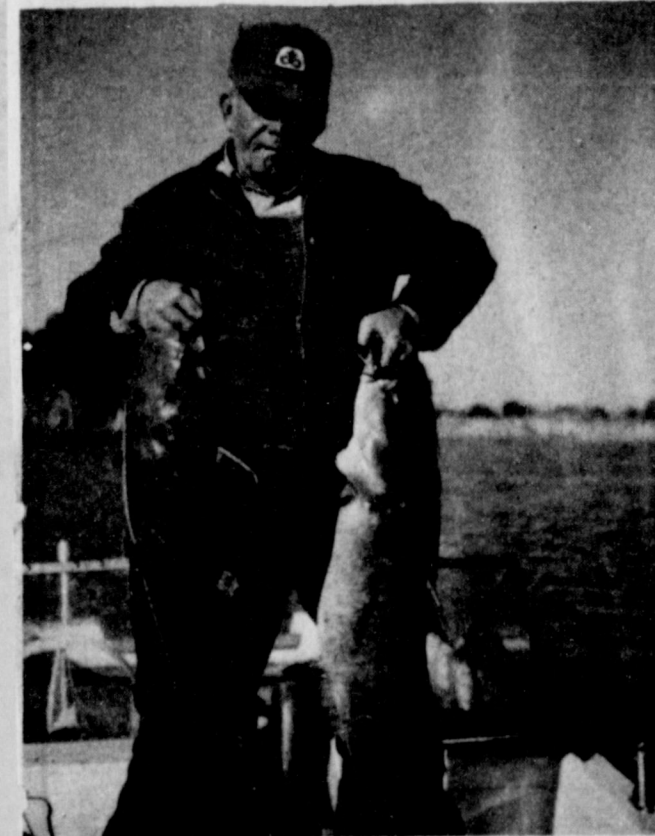

Mules Will Stay In AA '78 Season

Following a meeting of the University Scholastic League in Austin this week, Muleshoe School Superintendent Neal B. Dillman said Muleshoe will be in the same district for the next two school years.

The same teams will be in District 3, Conference AA, including: Dimmitt, Friona, Littlefield, Morton, Olton and Muleshoe.

Dillman said the cutoff points for conferences for 1978 and 1979 are: Conference B, Up to 129; A, 130-254; AA, 255-579; AAA, 580-1259 and AAAA, 1260 and up.

Muleshoe will probably add two teams to the list for non-conference games, as both Llevelland and Lubbock-Cooper indicated they would not be playing Muleshoe again.

BIG CATCH--Mr. and Mrs. Seth Shaw caught these large fish at Hubbard Creek Lake at Breckenridge October 15. The fish on the right weighed 40 pounds and the one on the left, 15 pounds. They were caught on trot line with live goldfish and carp. Shaw is a longtime employee of Bailey County Electric Cooperative.

Accident Claims Local Man's Life

Shortly before noon Tuesday, a grinding two vehicle broadside intersection collision east of Muleshoe claimed the life of Arthur Graves, 85, of Progress.

Initial reports came into the Bailey County Law Enforcement Center at 11:50 a.m. Tuesday. Some confusion resulted in the first few seconds as the accident was variously reported east and north of Muleshoe, and both on Highways 70 and 84.

However, the accident was pinpointed approximately two miles east of Muleshoe on Highway 70. Although an ambulance was immediately dispatched to the accident site, the drivers, Jerry Mick and J.B. Smith, had to wait for the coroner to arrive.

Justice of the Peace K.B. Martin, acting coroner, pronounced Graves dead at the scene. Apparently Graves was killed instantly in the accident.

According to police reports, Graves was traveling north on county dirt road and pulled onto the highway. He was struck broadside by a late model pickup driven by 31-year old Johnathan Thomas Taylor of Lockney. Taylor was not injured in the accident.

Members of the Muleshoe Volunteer Fire Department were called to the accident to wash down gasoline which was pouring from the pickup. Heavy traffic went through the acci-

dent scene as numerous persons followed the emergency vehicles to the wreck.

At presstime, funeral services were pending at Singleton-Ellis Funeral Home for Graves. He was born March 6, 1892 in Brenham, Texas and moved to Bailey County in 1949 from Boley, Okla.

He was a retired farmer, a member of the Progress Second Baptist Church and the Muleshoe American Legion Post 405. For the past 57 years, he had been a member of the American Legion; and he was Sergeant of Arms at the time of his death. He was a member of the Muleshoe Senior citizens and veteran of World War I, having served in the U.S. Army.

Survivors include two daughters, Mrs. L. Byrd and Mrs. Charley T. Walker, both of Muleshoe; two sons, Henry Graves, Friona and Eldridge Graves, Muleshoe, 18 grandchildren and 49 great-grandchildren.

Meteors Cause Many Reports Of Plane Down

Shortly after 8 p.m. Tuesday, CB reports started coming into the Bailey County Law Enforcement Center about a plane crash in the area. First reports indicated the plane had exploded in mid-air and crashed near Protein Processors, east of Muleshoe on Highway 84.

As more truckers called in, along with the motoring public, all officers from the Bailey County Sheriff's office, along with city police, started searching for the downed plane.

A stubblefield fire northwest of Earth was checked, along with fields and dirt roads all across eastern Bailey County and western Lamb County.

The mass confusion, as other reports were received, the plane crash was reported in an ever-widening area. It was reported from Albuquerque, from Anadarko, Okla. and all points in between.

Delbert Barry went up in his plane to help search for debris as officers were crossing all the roads in the area where the plane was reported.

Finally, National Weather Service reported the crash as an unusual meteor shower which crossed the sky, and was in a lower pattern than normal for this time of year.

As the officers were returning to Muleshoe, they were still listening to reports of a midair explosion of an airplane, and reports that it was crashed south of Muleshoe, near Spade, by Portales, north of Clovis, near Lubbock.

Secret Witness Offers Reward For Burglars

Following burglaries over the weekend, which kept local officers busy checking Monday, a reward has been offered for the arrest and conviction of the burglar who victimized John's Custom Mill.

The apparent burglary was committed sometime during the weekend, and missing are one pair of chaps, two pair of seat covers, six hot shots and one General Electric Radio.

Muleshoe City Police Chief Buddy Black, in cooperation with Secret Witness program through the Muleshoe Chamber of Commerce and Agricultural, is offering a \$100 reward to the person who provides information leading to the successful conclusion of the burglary.

Anyone having information is asked to contact the Law Enforcement Center, either Buddy Black or J.R. Carpenter, at 806-272-4268 or the Muleshoe Chamber of Commerce office at 806-272-4248.

They remind that the informant's name will be held in confidence.

County Agent Says-Urgent! Be At Class

Bailey County Agent Spencer Tanksley reminds all area farmers and private applicators of the pesticide training meeting scheduled for Thursday, October 20, at 7:30 p.m. in the Muleshoe High School cafeteria.

Tanksley said the law which requires certification of private applicators is the Federal Insecticide and Rodenticide Act (FIFRA), which will be enforced by the Environmental Protection Agency. He said that under the act, all uses of pesticides will be classified as either registered use or general use, and all applicators--both private and commercial--will be certified as a requisite to legal use of supervision of the use of the registered pesticides.

"A private applicator" added Tanksley, "is a person who uses or supervised the use of any registered pesticide for the purpose of producing any agricultural commodity."

AG DEPARTMENT RECEIVES PICKUP--Last Friday, the Agricultural Department Booster Club presented a new pickup to the department for all agricultural activities. Pictured presenting the pickup are from left, Howard Watson, Peanut Hawkins, Bill Bickel, instructor and Ronnie Black. Individuals are being sought to pledge a payment or go with other persons together to make payments on the new pickup. Muleshoe High School ag students will be using the pickup for FFA trips and other activities.

Pep Rally, Bonfire Slated Thursday

All roads will lead to the Muleshoe High School, cafeteria and football field this weekend as Muleshoe High School Homecoming gets underway Thursday night.

Starting off activities will be a victory bonfire and pep rally, scheduled for 8:30 p.m. Thursday (tonight) at the Boy Scout grounds. During the bonfire, the homecoming queen candidates will be introduced.

On Friday, the student council will sponsor a social for all MHS exes in the high school cafeteria from 1:30-2:30 p.m. The homecoming pep rally will begin at 2:50 p.m. in the high school gym. All exes and interested persons are urged to attend.

From 5-7:30 p.m. HERO girls will sponsor a homecoming dinner in the cafeteria. Immediately following the football game between Muleshoe and Dimmitt, the junior class will sponsor a pie supper in the cafeteria. They will be serving homemade pie and coffee.

Also following the ball game, the First Baptist Church will sponsor a youth fellowship at the church. All young people are invited.

The Catholic Church will sponsor a dance at the Catholic Center for interested youths, also following the football game.

At 7:10 p.m. Friday, immediately preceding the football game, the homecoming queen will be crowned at the football stadium.

Homecoming candidates include Dani Dunham, 17-year old daughter of Mr. and Mrs. Jack Dunham.

Dani is a senior and plays varsity basketball, is a member of Student Council, FTA, Art club, and is varsity cheerleader.

She will be escorted by Dean Northcutt, 17-year old son of Mr. and Mrs. Edward Northcutt. Dean is active in Student council, FTA, basketball, track and is captain of the football team.

Another candidate is Susan Crittenden, a senior. She is the daughter of Mr. and Mrs. Wayne Crittenden. Her activities include FTA, Art Club, basketball and varsity cheerleader.

She will be escorted by Curtis Carpenter, son of Mr. and Mrs. Jimmie T. Carpenter. He is a senior and is a member of FFA, FTA, Student Council, participates in athletics and is a captain of the football team.

Gina Burden, another candidate, is the 16-year old daughter of Mr. and Mrs. Dale Burden. Gina is a junior and is active in Student Council, a junior class representative and a member of FTA, and the Muletrain-Mule's Tale staff. Her escort is Marcus Beversdorf, the 17 year old son of Fred Beversdorf and Bernie Beversdorf. He is a member of FTA, plays basketball and tennis, and is a captain of the football team.

Final candidate is Melissa Biggerstaff, 15-year old daughter of Mr. and Mrs. Corky Biggerstaff. She is a sophomore and is a member of FTA and the Student Council and is a JV cheerleader. Her escort is Johnny Estep, son of Mr. and Mrs. Elbert Estep. He is active in FFA, FTA and is a captain of the football team.

Police Report

Officers were busy Monday morning going from one break-in, burglary and vandalism case to the next one, as within a short time Monday, six incidents were reported at the Bailey County Law Enforcement Center.

They occurred at King Feed Lot, where the lock on a gas pump was broken off. It was uncertain as to whether or not anything was taken from there. Evans Oil Company reported that gas had been stolen from a pump after a lock was knocked off.

Gilbreath Seed and Grain reported as missing a CB from a truck, a television set and a radio, also, at least one window was knocked out of a truck.

Watson Alfalfa reported nothing missing, although the glasses were knocked out of a pickup. Riehl's Car Wash reported the loss of a radio.

Largest loss reported was from John Fried's Custom Mill, where he reported as stolen, five 'hotsots', two seat covers; a General Electric multi-band radio and a pair of chaps.

Arrests included one person for driving while intoxicated; four on drunk charges and one each for carrying an illegal weapon, fighting, alien and possession of marijuana.

Stray Cattle Are Reported Over County

Bailey County Sheriff Dee Clements told The Journal Monday morning that nine head of stray cattle have been fastened up in southern Bailey County.

He said the mixed cattle will weigh between 500-700 pounds. The owner can call 927-5141, or call the Bailey County Law Enforcement Center at 272-4268.

Saturday, Deputy Sheriff Tom Beal worked all afternoon in an attempt to find the owner of 15 head of mixed cattle which had strayed onto a hay patch west of Muleshoe.

Deputy Beal said the woman who called was very concerned because the cattle were on the alfalfa without water. He said anyone who thinks the cattle with W6 brand may belong to them should call the Law Enforcement Center for directions to find the 15 head of cattle.

AG DEPARTMENT RECEIVES PICKUP--Last Friday, the Agricultural Department Booster Club presented a new pickup to the department for all agricultural activities. Pictured presenting the pickup are from left, Howard Watson, Peanut Hawkins, Bill Bickel, instructor and Ronnie Black. Individuals are being sought to pledge a payment or go with other persons together to make payments on the new pickup. Muleshoe High School ag students will be using the pickup for FFA trips and other activities.

The best friends are those who seek nothing. Disaster Loan Deadline Dec. 2

AUSTIN—The application deadline for disaster emergency loans from the Farmers Home Administration (FmHA) in designated drought areas has been extended to Dec. 2, Agriculture Commissioner Reagan V. Brown reminds Texas farmers.
The extension was authorized by the United States Department of Agriculture to give farmers whose crops are harvested late in the year a better opportunity to determine losses, Brown stated.

'77 Cotton Harvest In Full Swing

Clear, open weather and go to excellent drying conditions week allowed cotton harvest to resume, according to Paul Dickson, in charge of USDA Cotton Classing Office in Lubbock. The High Plains cotton harvest regained earlier momentum.

New crop trading increased this week ending October 14. Growers accepted bids ranging from 300 to 500 points over 1977 loan rates. Small mixed lots of mostly grades 32 and better staples 30 through 32 brought 44.00 to 44.50 cents per pound, Dickson said.

About 90,000 samples were graded by High Plains Classing Offices this week. Season's total stands at 266,000. This compares with only 94 graded by this date one year ago, according to this date one year ago, according to USDA's Agricultural Marketing Service.

Predominant grades from High Plains Classing Offices the week ending October 14 were grade 31 at 35 percent, grade 41 was 18 percent, and grade 32 accounted for 22 percent.

Micronaire was mostly in the 3.5 to 4.9 range and accounted for 86 percent across the High Plains. About 10 percent was higher and four percent lower.

Pressley tests indicated breaking strength averaged 89,000 pounds per square inch.

Gins paid growers \$75 to 70 dollars per ton for cottonseed, mostly 62 to 63 dollars.

The fellow who always knows the answer, in positive form, has finished learning.

Colorado-Nebraska Top Football Tilt

Now that Wisconsin, the only member of the Little Eight that had a chance to upset one of the Big Two, has been beaten, Michigan and Ohio State can start the count-down to their annual game that for years has decided the championship of the once-powerful ten-team conference. Each team has four league games remaining before the Wolverines entertain the Buckeyes in the title game. Ohio State will wipe out North-western Saturday by 47, and Michigan, in the 68th renewal of the Little Brown Jug game with Minnesota, will pop the Gophers by 34 points. Ho-hum.

Florida both tied and surprised Pittsburgh two weeks ago, 17-17, just a week after the Gators had been shocked by L.S.U. Florida, still trying to keep its title hopes alive in the Southeast Conference, meets tough Tennessee Saturday. Florida should win, but only by 12 points. Pitt, anxious to hold its supremacy in the East for another year, plays Syracuse. The Orangemen just won't make it...Pitt by 27.

Three familiar national powers are at the top of the heap in the Big Eight conference, but only one may still be there come Sunday morning. Oklahoma, Iowa State, and Colorado are

presently in the lead, but Colorado collides with Nebraska in Lincoln. The Buffaloes were tied by Kansas last week, but are still undefeated through the first six games of the season. Nebraska is now four and two, losing first to Washington State and then to Iowa State last Saturday. The Cornhuskers finished in a tie for fourth place in the conference last year while Colorado was one of the tri-champions of the league. Despite the fact that Nebraska is playing at home, we'll go with Colorado to nip the cornhuskers by five points.

Oklahoma will have trouble, but it is favored to knock Iowa State out of a share of the conference lead. The Sooners will beat the Cyclones by ten points.

And in one of the traditional inter-sectional games, Southern California goes east to South Bend to try to repeat last year's triumph over Notre Dame. The Trojans squeaked by the Irish, 17-13, in 1976, and they'll be ten point favorites Saturday.

The Sandhills Philosopher

Editor's note: The Sandhills Philosopher on his Johnson grass farm on Sandy Creek this week discusses the Panama Canal Treaty or high school diplomas. One or the other, we aren't sure which.

Dear editor: Some outfit in Washington is trying to trap me but I'm not going to fall for it. I'll explain further along.

As you know, there's a great hue and cry these days about the meaninglessness of a high school diploma.

Some people are saying the public schools all over the country have fallen down in their duties, that kids are coming out of high school with a diploma in their hands although they can't read and write.

"Schools used to be better than that," the critics are saying. "Why, when we went to school a high school diploma meant something."

"There's truth in this, of course, but something has come up that makes me wonder just how good an education the older generation really got in high

school. It's the big to-do over the Panama Canal Treaty. Some Senators and Congressmen say it gives the U.S. the right forever to use the canal ahead of everybody else and to defend it against all enemies. Others say no, it doesn't.

Even the men who negotiated the treaty now disagree on what it says, the American negotiators saying it says one thing, the Panamanian negotiators saying it says another.

There you have it. Middle-aged and older Senators and Congressmen and diplomats are having trouble reading the treaty, yet everyone of them has a high school diploma.

So, when that outfit in Washington sent me a copy of the canal treaty I caught on immediately to what they were up to. It's none of their business whether I have a high school diploma or what school I got it from.

A copy of the treaty is here on my desk, if you'd like to test your education, Editor Williams.

Yours faithfully,
J.A.

Brown Reports Egg Numbers Decrease 8%

AUSTIN--Texas egg production figures at the end of the summer showed a drop of eight per cent from the same time last year, Agriculture Commissioner Reagan V. Brown has announced.

During August, 182 million eggs were produced, which reflects a decrease in both the number of layers on hand and number of eggs produced daily from each 100 hens, Brown stated.

"Figures also show that the number of egg-type chicks hatched increased about 17 per cent towards the end of summer," Brown commented. "Hopefully, with egg prices trending upwards, producers will be encouraged to place more layers and tighten up the state's egg deficit without hurting market prices."

"For the protection of consumers, the Texas Department of Agriculture inspects all commercial eggs for quality, whether they are produced here or out of state," said Brown. "However, we would like to see more of them produced here and fewer shipped in."

P&WD QUAIL HUNTS SET LUBBOCK -- Hunting dates for state-operated wildlife management areas have been set by the Texas Parks and Wildlife Department for upcoming quail hunts.

Two public hunting areas open to upland hunters includes the Matador wildlife management area located 11 miles northwest of Pudacah in Cottle county and the Gene Howe wildlife management area located six miles east of Canadian in Hemphill county.

The 28,000-acre Matador WMA will be open the first three weeks in November, December, January and February. The 5,900-acre Gene Howe WMA will be open November 5-6, December 10-11, January 7, 8, 21, 22, February 4-5, and March 4-5, 1978.

Many hunters arrive at both WMA headquarters early as the daily \$1 permits are issued on a first come-first served basis. This permit will allow each sportsman to hunt for one day and a new permit must be obtained if the hunter plans to hunt an additional day.

Only persons 12 years of age or older will be allowed to hunt on any of the state's WMA open to hunting. The under-17 participant must be accompanied by his parent or by a person 21 years of age or older who shall be responsible for the conduct of the minor. The "under-age" hunter must remain under the immediate supervision of his sponsor while hunting and will not under any circumstances be allowed to hunt alone.

An adult may sponsor only one young hunter and failure to supervise the minor will be cause for forfeiture of both permits.

Information and directions concerning the assigned areas along with current regulations will be given each hunter as the sportsman registers at the check-in station.

Most quail hunters bag from two-to-four birds per day on the WMA hunts and sportsmen are asked to check out at the headquarters before leaving the hunting area. This final check by WMA personnel will gather quail harvest information for future quail hunts and is a precautionary measure taken by the P&WD in accounting for all hunters on the large management areas.

More information is available by calling Charles Boyd, Matador Wildlife management area supervisor at 806/492-3405 or Vernon Morse, Gene Howe wildlife management area supervisor at 806/323-6074.

Canyon Woods Gregory Honored With Shower

MRS. JERRY GREGORY AND CANYON WOODS

Canyon Woods Gregory, seven week old adopted son of Doctor and Mrs. Jerry Gregory, was honored with a baby shower, Saturday afternoon, October 15, in the home of Mrs. Jerry Harrison.

Guests were greeted and registered by Mrs. Harrison. Special guest at the reception was the honoree's mother, Mrs. Jerry Gregory.

Mrs. Gregory was presented a corsage of a pastel blue baby rattle, accented with miniature baby trinkets.

The serving table was draped with an egg shell lace cloth, accented with a centerpiece of two baby brown teddy bears. An assortment of cookies and banana slush punch were served from crystal appointments. Mrs.

Ronnie Barrett presided at the serving table.

The hostess gift was a blue calico design high chair.

Hostesses for the occasion were Mrs. Richard Kimbrough, Mrs. Jerry Harrison, Mrs. Ronnie Barrett, Miss Judy Lambert, Mrs. Jack Rennels, Mrs. Andy Douglass and Mrs. John Blackwell.

Halloween Carnival Planned By PTA

The Muleshoe PTA met Monday afternoon, October 10, at the Richland Hills cafeteria. Refreshments were served by the Hospitality committee.

The meeting was called to order by Mrs. Lindy Chancey, president. She asked all members to sign teacher cards and to pick up a copy of the 1977-78 yearbook.

Mrs. Gary Dale, Mrs. Lyndon Huckabee, Mrs. Jodi Whatley and Mrs. Lindy Chancey attended a training session Tuesday, October 18, at Amherst.

Project co-chairmen, Mrs. Don Cumpton and Mrs. Lyndon Huckabee proposed the Muleshoe PTA to sponsor an elementary school Halloween Carnival. It will be held at the Mary De Shazo gymnasium, Monday, October 31, at 6:30 p.m. A costume contest for all children in elementary school will be held.

Guest speakers were Dr. and Mrs. Gary Albertson. They presented a series of slides on their recent trip to Africa. Dr. Albertson also showed many mementos and valuable items from

Consumer Food News

COLLEGE STATION—Fall vegetables and fruits, increasing in supply, may ease the week's budget, says Gwendolyn Clyatt, consumer marketing information specialist with the Texas Agricultural Extension Service, The Texas A & M University System. But expect higher dry bean prices, especially pintos, due to heavy rains in some growing areas. Pumpkins are plentiful, and seasonal vegetables include cooking greens—mostly collards, mustard and turnip tops—sweet potatoes, broccoli and rutabagas.

Also acorn and butternut squash, cabbage, carrots, cauliflower, potatoes and dry yellow onions. In fruits, several varieties of grapes are available, with tokays often lowest priced. Cranberries are more plentiful, as are new crop apples—with best apple prices on smaller size bagged apples. Pears, bananas and oranges are priced right. At meat counters, today's pork—pork is high in nutritive value—is leaner. Good buys: Boston butt roast, quarter loin cut into chops, semi-boneless hams, and some brands of bacon are moderately priced, as well as frankfurters, liver and roll sausage. Beef supplies are ample. Featured cuts this week include

chuck roasts and steaks, round steaks, some boneless rolled roasts, ground beef and beef liver. Fryer chickens—supply and price remain about the same, but notice the difference on whole and on cut-up fryers. Be your own butcher and save, Mrs. Clyatt suggests. Eggs are attractively priced for the season with Grade A large generally the best value. Also, turkey parts are priced low. Frozen vegetables in heavy supply include broccoli, corn-on-the-cob, and frozen potatoes. Also look for plenty of canned corn, tomatoes, and tomato products.

Lazbuddie 4-H'ers Prepare For Food Show

Nine Lazbuddie 4-H Club members have completed a series of the 4-H Foods Program workshops in the second and third year level of training. Workshops were held in the home of Mrs. Pete Jesko, adult leader. She worked with Sue Collins, Stacy Ivy, Lisa McGehee, Vandl Tarter, Maureen Jesko, Sean Mason, Carlton Jacobs, Randy Jacobs and Frank Jesko. These 4-H club members will enter the Parmar County 4-H Foods Show, Saturday, October 22, starting at 9:00 a.m. in the Lazbuddie School cafeteria. The theme for this year is, "Conservation Cooks". These future cooks may enter foods in main dishes, side dishes, breads and desserts or

snacks and beverages. A nutritional days menu including the chosen food and recipe was submitted for judging Wednesday, October 19, in the Extension Office in Farwell. Each contestant will be judged October 22, on their knowledge of nutrition, cost, preparation and taste of the food prepared. During the series of workshops after school, the group reviewed the needs of fruits and vegetables for healthy skin, eyes, hair and body tissues. Meats, eggs and dry beans held to build and repair the body. Milk and Milk products supply the body with minerals and riboflavin for strong bones and teeth. Breads and cereals regulate and protect the body. The group prepared carrot and

celery sticks to dip into chili con queso. A cost comparison was made with the chili con queso prepared with separate ingredients and with pre-mixed cans of ingredients. In food buying, a study was made in comparing costs of a whole chicken and an average price of separate pieces per pound. The group learned to cut up a whole chicken and to make chicken and dumplings. At the last lesson, the members canned pears using the water bath method. Cooked and seasoned carrots were sealed in bags and frozen to be heated in hot water and served from the bag for later use.

7th And 8th A&B Teams Start District

The Muleshoe eighth grade Mules saw their three game win streak come to an end Tuesday night. Quarterback Monty Hysinger had scored on a four yard run in the second quarter of the game to put the Mules ahead 6-0, and this score held until 1:45 was left on the scoreboard clock. In the fourth quarter of the game. It was then that the Littlefield Wildcats struck against a Mule defense that hadn't been scored upon for fourteen consecutive quarters. Littlefield, being unable to cross

the fifty yard line for three and one-half quarters of action, suddenly came alive and put together an eighty-five yard march to win the game 8-6, stand at (3-1) for the season and play Dimmitt next Thursday night, at Muleshoe. The season thus far has been a good one and the over-all attitude of the players has been on that creates a winning atmosphere. The Mules will put out a 100 percent effort to get back on their winning trail next week. The 8th grade mules now

Both the 7th & 8th grade "B" teams defeated Littlefield, the 7th winning 6-0, & the 8th 12-6. Both efforts were good.

Muleshoe's 7th grade "A" Mules were defeated by Littlefield and will continue to work to improve as more progress is needed before the Mules reach the height of competitiveness that is necessary for them to have the type of team that the coaches desire.

All teams (A & B) play Dimmitt Thursday night in Muleshoe. The Mules urge fan support and hope to improve with each game.

The Journalism Staff wishes the 7th & 8th "A" & "B" Teams good luck. GO-FIGHT-WIN.

Junior High Honor Roll List Given

The Journalism Staff is real proud of the many people that made the first six weeks honor roll. Everyone keep up the good work and maybe we will even have more the next six weeks.

Player Of The Week

PAULA WILLIAMS

The 8th grade player of the week is Paula Williams. Paula has been doing a good job in athletics this week. She has been showing much more aggressiveness and a real desire to play. The coaches state she has made a lot of improvement playing the post position, especially in rebounding. They also commented they were looking forward to working with her and will be expecting a great deal from her as the season approaches.

Congratulations Paula!!!!

Weaver Burk Funeral Rites Wednesday

Weaver L. Burk, 56, a resident of the Lazbuddie community since 1977, died at 3:45 a.m. Monday at the V.A. Hospital in Amarillo, following a lengthy illness. He moved to Lazbuddie from the Springlake-Earth area and was a farm laborer. He was a member of the Lazbuddie Baptist Church.

Funeral services for Weaver L. Burk were at 3 p.m. Wednesday at the Lazbuddie Baptist Church with Rev. Jim Standridge, pastor, officiating. Burial was in Lazbuddie Cemetery under direction of Singleton-Ellis Funeral Home.

He was born June 19, 1921 in Osage City, Kan. Weaver L. Burk was married to Jackquelin Sessions on January 15, 1968 in Muleshoe.

Survivors include his wife, Jackquelin; two sons, Brian of New York and Lyle of the home; two daughter's, Mrs. Barbara Navarra, Santa Anna, Calif. and Miss Margaret Burk of Oregon; four sisters, Mrs. Ouradean Langer, Bovina; Mrs. Geraldine Jones, Lebo, Kan.; Mrs. Nell Brian, Clovis and Mrs. Maye Lambros, Phoenix, Ariz; four brothers, Eugene Burk, Marlowe, Okla.; Lawrence Burk, Clovis; Albert Burk, Slaton and Earl Burk, Covina, Calif. and three grandchildren.

This week's 7th grade player of the week is Sandra Haight. She shows the possibilities of making a real fine player. She also has a true desire to improve herself, and is working harder at it every day. Her potential looks good, not only because of her height, she is showing alot of athletic ability too. The coaches plan on seeing a great deal of improvement in Sandra in the next few weeks.

Congratulations Sandra for all of your hard work and abilities!!!!

Junior High Pep Rally Held Tuesday

Tuesday, October 11, the Jr. High Cheerleaders held their first pep rally to the 1977-78 football season.

The cheerleaders had copies made of the words to some of the cheers they did so everyone could yell and everyone did yell. Many comments were made about the pep rally. Mr. Mardis stated that it was the best pep rally he had been to in quite awhile.

Lupe Rosales made a speech and presented the cheerleaders with thank you cards that each of the members of the football team had signed. Several more yells were done and then Denese Peterson held the spirit stick in front of each grade to determine who should get it. The 8th grade won/ Michelle Townsel came down from the stands in the gym and got the spirit stick for the 8th grade.

The pep rally was a great success and the Journalism Staff would like to congratulate the cheerleaders, the student body, and everyone involved!!!!

Most of us give little time to giving thanks for all our blessings.

Cheerleaders Are Selling 'Beat' Tags

The MJHS Cheerleaders sold beat tags Tuesday, October 11, for the Littlefield game. They sold all 200 of the beat tags ordered for \$.20 each. They will be selling beat tags for the rest of the games. The cheerleaders also started selling buttons reading, "Stop Look and Listen Here Come the Mules". The money made from these sales helps the cheerleaders to buy paints and paper to make posters for the games and pep rallies.

House members to receive hike in pay next year.

TDA Says... Think Metric

With the upcoming conversion to the metric system, Agriculture Commissioner Reagan V. Brown advises consumers of these basic points about the system:

The basic metric units are the meter (length), kilogram (mass), liter (volume) and degree Celsius (temperature).

The six basic prefixes for each metric unit are: kilo (1,000), hecto (100), deka (10), deci (0.1), centi (0.01) and milli (0.001).

A former Bailey County resident, Lovvorn lived at West Camp, Progress and Needmore.

Lovvorn died at Parmer County Community Hospital in Friona at 7:10 a.m. Saturday, following a lengthy illness.

Survivors include his wife, Emma; two daughters, Joella Lovvorn, Littlefield and Mrs. Betty Dollar, Farwell; a son, M.D. Lovvorn, Farwell; three sisters, Mrs. Laura Killebrew, Hico; Mrs. Mae McGaa, Red Oak and Mrs. Frankie Brethrick, Sarasota, Fla.; one brother, J.S. Lovvorn, Tucumcari, N.M. and eight grandchildren.

Lovvorn, who had been a longtime resident of Farwell in Parmer County, had moved back to Farwell in January, 1977 from Miles in Rannels County. A farmer, he was also a Baptist. He was married to Emma Daniel on April 18, 1933, at Portales.

Lovvorn died at Parmer County Community Hospital in Friona at 7:10 a.m. Saturday, following a lengthy illness.

Fighting Three Way Eagles

By The Three Way School

Super Sophs

The sophomore students are busy doing just about everything that comes along, school-work and other wise. There are a total of 26 students in the class, and almost everybody is involved in extracurricular activities such as football and basketball.

Six of our boys are supporting the Eagle football team with muscle power. They are:

- Wayne Parkman #72 Linbacker
- James Simpson #12 Quarterback
- Lonnie Warren #25 Slot back
- Mike Nichols #82 Defensive end

Eagle Report

ERNEST CANTU

The Three Way Eagles outlief the visiting Southland Eagles Friday night for a 56 - 6 victory uping their season record to 4 - 2 and district record to 2 - 0. Every player on the squad contributed to the victory. Leading the offensive charge was Albert Rand and Louie Key who rushed for a combined total of 218 yards on only 20 carries. They ran behind the blocks of Ronnie Altman, Jerry Waltrip, Keith Layton, Ken Eubanks, and James Simpson and Brian Roberts.

Leading the defense charges in the first half were Ernest Cantu, Bill Hodnett, Jason Huff and Richard Nichols.

In the second half the defense stand outs included Wayne Parkman, Mike Nichols, Dale Simpson, and Lonnie Warren.

Donny Young coming back from a broken thumb saw limited action as kicker and running back. He converted 4 of 7 PAT and ran for a 29 yard touchdown.

The Eagles are expecting a very tough game Friday at Loop and hope to increase their district record to 3 - 0.

Snazzy Seventh

The 7th grade have been potting plants in their science class. The plants they have potted are: an aloevera plant, an ivy and a jew plant.

They have also been working with glass. They heat it with a bunsen burner, then once it's heated it can be bent and blown. They've made quite a few interesting shapes with them.

Kindergarten Kut-Ups

We studied geometric shapes this week. Each day we ate a cracker in the shape we were studying.

We say a movie on doctors and discussed our upcoming visit to the doctor.

Shannon's mother, Mrs. Johnson, ate lunch with us and read Mother Goose rhymes for our naptime story.

Melinda's mother, Mrs. Turney, also ate lunch with us and read the Road Runner for our story.

Starring at Nap Time this week were: Russell Autry, D'nae Dewbre, Rosita Guillen, Heather Hutton, Shannon Johnson, Chris Locke, Debra Locke.

Three of the five high school cheerleaders are sophomores. They are Belinda Richardson, Tammy Davis, and Jackie Carlisle. Two twirlers are sophomores. They are Irene Duarte and Carrie Gilley.

At the halloween Carnival, Thursday, October 27, the sophomore class plan to have a guessing game raffle and a softball throw.

Annual Staff News

Recently, the Annual Staff of the Three Way Eagle yearbook solicited ads from area towns to help finance their forthcoming yearbook. The reception of the area business and merchants was most rewarding. The Annual Staff and their sponsors appreciate so much the wonderful support these businesses in every way possible to show their appreciation.

Second Grade Kapers

We had substitute teachers while our teacher attended "Right-to-Read" meetings for four days last week. They did a good job. We appreciate their help.

Last week we made parachutes in Science to show how air pushes up. We all brought handkerchiefs, rocks, and string to make them. We got to try them out on the playground. We have started having spelling bees. They are a lot of fun.

We like to make Halloween pictures. Some of ours were published in Mrs. Lovejoys Sixth Grade paper.

Senior Spotlight

Our senior spotlight this week focuses on Ernest Cantu, son of Mr. and Mrs. A.S. Cantu. Ernest appeared on the scene on November 24, 1959 in Portales, New Mexico.

Ernest's favorite foods are pizza, steak and fried chicken. His favorite color is blue. His favorite subject is Government because he likes the teacher and will make good grades. Ernest favorite hobbie is going fishing.

Ernest wears number 6 and plays defensive end for the mighty Eagles. Ernest can always be found in the midst of the action and if things go well one arm is raised high over his head showing a big play. Ernest belongs to FFA, football for four years and is on the basketball team.

He plans on going to college and is looking forward to graduation and a great year in football.

Far Out Freshmen

The Freshman class had a cake raffle Friday night at the football game. They sold each ticket for \$.25. At halftime they drew for the winners. Mrs. Jack Hodnett won a German chocolate cake and Mrs. Wayland Altman won the Lemon Pound Cake. They made a total of \$20.75. We would like to thank every one who bought a ticket.

Some of the girls went to Sammie Simpson's house Saturday afternoon about 3:00 to make prizes for the Halloween Carnival.

The High School girls initiated the Freshmen girls Saturday morning about 4:00 a.m.

Explanation

"I know why we shouldn't despise our enemies," said little Mary.

"All right," said the teacher, "tell us."

"Well, we ought to like what we've made."

First Grade Frolics

In a class "think session" on starting sounds the First Graders came up with these words of wisdom.

Jeannie jumps like a jumping jack. Jeannie Robertson

Stacy stood still in the stadium. Stacy Lowe

Jarrold jiggles in the jungle. Jarrold Sowder

Roy runs races with rabbits. Roy Suarez

Earnesto earns every error. Earnesto Rubacalva

Lilly loves to loose lockets. Lilly Cavazos

Chad chatters at the chickens. Chad Welch

Pablo pays people to paste. Pablo Banda

Employee Of The Week

Mrs. Maxine Ragsdale is the Secretary to Leonard Morgan, principal of Three Way School. She and her husband Buch who is a farmer in the Stegall area, have no children but count all Three Way kids as "theirs".

Mrs. Ragsdale was born at Bridgeport, Texas, in Wise County. She has been employed fifteen years in Floyd County and in Bailey County at Baileyboro, Longview, Muleshoe, and Three Way.

Mrs. Ragsdale's favorite color is green, and any food with lots of calories rates as her favorite food.

Some of Mrs. Ragsdale's favorite hobbies are playing bridge and doing yard and garden work.

Junior High News Report

The Junior High Football team and Pep Club traveled to Southland Thursday night. There were 12 football players and two managers. There were 31 members of the Pep Club and their sponsor Mrs. Feagley. We were defeated, but stay in there Eagles, we're behind you all the way. Our bus driver was Mr. Coolidge.

The Jr. High Football team played Loop Thursday afternoon at 4:30. Three Way lost 28-14. You really played a good game Eagles. They will travel to Willman this Thursday for a game.

The twirlers for the Jr. High are Susan Dupler 7th grade, and Mary Jo Dupler 7th grade. We really enjoyed their routine Thursday at the Pep Rally.

Oralia DeLaRosa, Virginia and Joe Hernesto traveled to Austin over the weekend.
