Don't forget the Young Homemaker-sponsored Blood Drive scheduled today, Thursday, March 9 from 1-3:30 p.m. at the Muleshoe Chamber of Commerce and Agriculture at the city hall.

Make your appointment to donate blood by calling Jan Springfield, chairman of the drive or Tommy Black at 272-4248.

Michael Mimms, a freshman pre-veterinary major at Lubbock Christian College, was a member of LCC's freshman livestock judging team that placed second at the Angelo State University Judging Contest.

Mimms, son of Mr. and Mrs. Dalton Mimms, is a 1977 graduate of Lazbuddie High School.

Joe H. Harbin of Muleshoe, member services director of Bailey County Electric Cooperative Association, has been elected a district director of Water, Inc.

Active in civic affairs, Harbin is chairman of the Muleshoe Public Library Board and vice-chairman of the Bailey County Heart Association. He is participant in the chamber of commerce and has been honored by 4-H and FFA organizations for his contributions to their work.

Visitors in the home of Mrs. Cordy Taylor, this weekend, were: her granddaughter, and grandson, Rev. and Mrs. Ronnie Somers, and their daughters Jennifer and Jaime, from Seminole. Ronnie preached at the First Baptist Church, Sunday. Also guests of Mrs. Taylor were: Mrs. Taylor's daughter and her husband, Joyce and Cecil Osborne, from California. Other guests were: Mrs. Taylor's sister, Mrs. S. Lorado Servantius, from Pleasant Hill, N.M.

New Doctors Arrive Here For Practice

Dr. Frank and Dr. Martha Sayago and their four children have moved to Muleshoe where they will both be associated with West Plains Medical Center. Dr. Frank Sayago is a surgeon and Dr. Martha Sayago is an anesthesiologist. Dr. Frank said they have always worked closely together.

Both Drs. Sayago underwent four years of training at Scott and White at Temple before being associated with area hospitals. Dr. Frank Sayago was a surgeon at Crosbyton Clinic and Hospital for almost five years and Dr. Martha Sayago was associated with St. Mary's Hospital and University Hospital, both in Lubbock.

Dr. Frank Sayago said that Dr. Charles Pummill was instrumental in bringing the doctors to Muleshoe to practice. They had met Dr. Pummill while he was undergoing advanced training at Scott and White, and a friendship was formed which culminated in the doctors deciding to move to Muleshoe to practice.

LIVESTOCK SHOW WINNER--Belinda Wheeler entered her steer, Sandhills, in the Bailey County Junior Livestock Show, and won Grand Champion. Then, she went on to the Houston Livestock Show where Sandhills won first in the lightweight division, first in the

Maine-Anjou division, then went on to win Reserve Grand Champion of the entire steer division. Sandhills sold for \$31,000 which is a show record for a Reserve Grand Champion.

Panama Canal Is Discussion Topic

A recent Caribbean cruise by Mr. and Mrs. Doc Goucher brought out many facts on the thoughts of persons concerning the possible releasing of the Panama Canal to Panama by the U.S.

Below, Goucher gives another view of the cruise, including thoughts on the Panama Canal.

THE CARIBBEAN

Deciding to return to the United States, they decided to come to Muleshoe to practice. Dr. Frank Sayago said the operating facilities at the West Plains Medical Center are as modern and complete as could be possible. He was highly complimentary of the facilities at the new hospital.

While in Crosbyton, Dr. Frank Sayago was a director of the Chamber of Commerce; the County Health Officer; member of the Crosbyton Lions Club and a member of the Council for Cancer Research in Crosby County.

Dr. Martha Sayago was president of the American Heart Association in Crosby County; a member of the Music Club; Garden Club; in the China Painting Club; a member of the American Society of Anesthesiologists; Texas Society of Anesthesiologists; and the In-

Doc Goucher We stopped at Aruba, a small island off the coast of Venezuela, owned by Holland. There is little to see except arid land, Arizona style, cactus and all. Except the oil refineries and the desalting plant necessary for drinking water. The big ships all stop and fill her up with fuel.

The next day we stopped at Cartagena, Colombia. A lot of building has taken place since I was there three years ago. The great Fortress of San Felipe is still intact, but all the old cannon are gone. Removing them gives me a feeling that they have taken away a great asset of historical value: however hundreds of old cannon were worth a lot of money for scrap.

Coffee is the best money maker and emeralds are next. All the gems are owned by the Government and are mined up near the summit of the highest Andes mountains. My wife priced a beautiful green emerald ring, but when the merchant priced it at one thousand dollars she lost interest.

They've found oil in Colombia and the future looks good. Gas is selling for twenty-two cents per gallon, however getting a car is not easy. Could take two years to get a permit. Then there is a high tariff to consider. All cars are imported.

The next day we arrived at Christobal. Our ship spent the day crossing the canal and spent the night at Balboa. We boarded large busses and crossed the canal and spent the night at Balboa. We boarded large busses and crossed the canal and spent the night at Balboa. We boarded large busses and crossed the canal and spent the night at Balboa.

We were all a little sad visiting Panama City. Its overcrowded and rundown. Some hard work cleaning it up would help some. The old fort built over four hundred years ago is in ruins.

I only a short time to talk to the Panamanians. Our taxi driver, a shoe shine boy, and a man on the street while my wife was looking for bargains in a store. I ask them about the Panama Canal. "Don't give it to Torrijos," they all said. "He's a dirty crook; besides he couldn't operate it." The taxi driver said, "Torrijos does have a large power base. Most of the college kids and all of the radical left wing people want him to kick you out. If you gave it to them,

Belinda Wheeler Has Reserve Champ

Belinda Wheeler, daughter of Mr. and Mrs. Joe Wheeler, who won the steer show at the Bailey County Livestock show with Sandhills, her middle weight Maine-Anjou, won again at Houston.

She took her 1152 pound steer to the Houston Livestock Show

where he was named first middleweight Maine-Anjou Grand Champion and Reserve Champion of the Steer Show. Her steer was purchased by the Johnson family of Houston for \$31,000. Johnson is a member of the Buyer's Committee for Sales at the Houston Livestock Show.

Belina purchased her steer at Sandhills, Neb. from the Diamond E. Ranch owned by Byron Etinger of Theford, Neb.

In 1977, the highest price paid for the Reserve Grand Champion Steer was \$23,000, a show record which was broken by the purchase of Belinda's steer last weekend.

Other 4-H winners from Bailey County were:

STEERS Kirk Lewis second with a mediumweight Maine-Anjou named Fireball. Kelly Harrison was fifth with his heavyweight Charolais named Salty.

Chisholm won a sixth place in the mediumweight Limosin division for Alan Harrison.

Michael Davenport's lightweight Angus was sixth.

Grand Jury Hands Down Indictments

Meeting in session last Friday, March 3, members of the Bailey County Grand Jury handed down 41 indictments, including amending the indictments for 30 persons charged with organized crime.

Also indicted were Page McDaniell and Fredrick Michael Myers, theft, in the burglary at Damon Drug.

And, Marcial Gloria, Juan Gloria, Gilbert Gloria and Jessie Gloria, all for theft, for the White's Cashway burglary.

Indicted for the Pay and Save Grocery burglary were Gregory Lynn Moseley, Manuel Lopez Jr., Roberto Flores and Bruce Wayne Hartline, all indicted for theft.

Also indicted were James Ray Clayton for rape.

Booster Club To Kick Off Track Season

All sports fans are asked to attend a meeting of the Muleshoe Athletic Boosters Club tonight, Thursday at 7:30 p.m. at the Muleshoe High School cafeteria.

On the program are the kickoff of the tennis, golf and track programs, along with an open session with the new Athletic Director, Mike Wartes.

AD Wartes is a graduate of Hereford High School where he was a quarterback. He was also a quarterback at West Texas State University in Canyon.

The spring meeting of the Athletic Boosters will be the opportunity to meet the new athletic director for the Muleshoe schools. The Boosters urge all interested persons to attend the meeting.

Families are asked to bring a dessert for refreshment time preceding the program.

CUB SCOUTS AWARDED--During a banquet Monday night honoring Muleshoe's Cub Scouts, several awards were presented. Receiving badges or arrowpoints were from left, standing Guy Dale, Scotty Spies, Glen Flowers, and Jimmy Doyle Lancaster. Seated from left are Nathan Lloyd, Mike Harris, Bryan Swint and Shawn Gist.

NEW DOCTORS ARRIVE--Dr. Frank Sayago, left, and his wife, Dr. Martha Sayago, have started practice at West Plains Medical Center. Dr. Frank is a surgeon and Dr. Martha is an anesthesiologist.

Also in sixth place was Baldy, a lightweight Maine-Anjou, shown by Shane Claunch.
Eddie Black showed a ninth place light Maine-Anjou named Cannonball.
Monkey, a middleweight Simmental was in 15th place for Jacinda Gleason.

Other showing steers but not placing included Mitch Black, Jimmy Gleason, Jerry Gleason, Staci Kirby and Brian Kirby.

BARROWS

Della Shaw won a third place with a heavyweight Hampshire and her brother, Darin Shaw, was sixth with a lightweight Cross.

Greg Harrison won seventh with heavyweight Cross and Curtis Hunt was in seventh place with a lightweight Berkshire.

Eighth places were won by

Staci Kirby with a lightweight Spotted Poland, Jacinda Gleason with a lightweight Yorkshire and Jerry Gleason with a heavyweight Hampshire.

In twelfth place with a heavyweight Poland, Jason Scoggin, 19th with a lightweight Chester and Tori Hunt, 22nd with a middleweight Hampshire.

Showing Barrows but not placing were Tracy Tunnell, Greg Young, Preston Scoggin, Sheila Hunt, Brian Kirby and Jimmy Gleason.

A total of 50 hogs, six lambs and 12 steers will be shown

Monday and Tuesday at the Lubbock Stock Show to wind up the showing season, said Spencer Tanksley, Bailey County Agent.

Resuscitation Classes Set

"Each year, more than 650,000 Americans die suddenly," said Linda Mullin, Bailey County home extension agent. "There are many causes, but the most common cause of sudden death is heart attack. In some cases of sudden death caused by heart attack, the victim might have what to do in order to save the life of a heart attack victim?" she asked.

restaurant, or even in your own home and someone begin to choke on a piece of food lodged in their throat -- without knowing what you should do to save their life?" she added.

A first aid class, including instruction on how to be a life saver, has been scheduled to begin Tuesday night, March 14, in the Bailey County Electric Cooperative meeting room. The classes will be for four consecutive Tuesday nights from 7-10

p.m. It was explained that this amount of time is necessary in order to be certified in Basic Life Support at the end of the course by the American Heart Association.

In addition to the CPR (Cardiopulmonary Resuscitation) training, all students will be instructed in the Heimlich Manuever (dislodging food or obstructions from the throat of a choking person). Other skills will include: Procedures for

stopping bleeding; Treatment for Shock; Caring for broken bones and treating burns and snake bites.

Instructors for the course will be Dr. Gary Albertson, Jim Shafer, Tommy Black and John Blackwell.

The course is being sponsored by the Bailey County Family Living Committee, cooperating with the Texas Agricultural Extension Service. The course is free of charge and all persons are invited to attend the classes.

Due to limited space and facilities, Miss Mullin says the enrollment is limited. Enroll as soon as possible by calling the Extension office at 272-3913 and reserve your space for the training.

First Baptist Sets Revival For Next Week

Starting Sunday, March 12, and going through next Wednesday evening, March 15, Dr. Luther Mann of Wheat Ridge, Colo. will be at First Baptist Church in Muleshoe.

"Dr. Mann, pastor of the fast-growing Applewood Baptist Church in Wheat Ridge, is well-known for his dynamic messages on prosperity," said J.E. Meeks, pastor of the local church.

"He is able to unlock the secrets found in the Bible and share them through his pulpit ministry. Since becoming pastor at Applewood, the church's annual income has increased from \$95,000 in 1969 to \$600,000 in 1977. Twelve missionaries have gone into the foreign mission field from the Applewood congregation," added the local minister.

Services will be at the regular times on Sunday, and Monday through Wednesday at 7:30 p.m. A Men's Breakfast will be held Tuesday, March 14, at 6:30 a.m. A Ladies Luncheon will be held at noon on Tuesday in the fellowship hall of the church.

Bill Jetton, music director at First Baptist Church, Petersburg, will be leading the music for the services.

Local Pastor, J.E. Meeks, said he would like to issue a cordial invitation to everyone to attend the services.

Church Of Christ Plans Meeting March 12-16

Royce Clay, minister of the Muleshoe Church of Christ said a five day gospel meeting will get underway at the church on Sunday, March 12, with Avon Malone from the Bible faculty at Harding College.

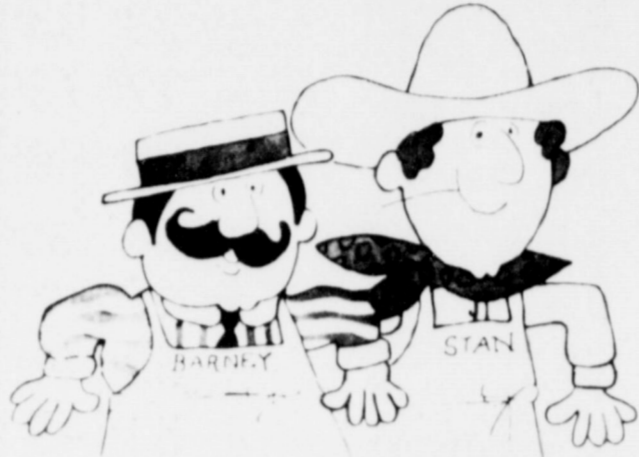

He will speak during the class period at 9:30 a.m. and again during the assembly for worship at 10:30 a.m.

On the same afternoon at 2 p.m. a singing will be conducted at the church and will include several quarters and singing groups. Starting at 3:15 p.m. the young people will take charge of the program. The "Youth Rally" will feature the New Live Quartet from the WTSU Bible Choir. Dick Marceau will present a youth-orientated message at 3:25. The closing message for the day will be by Avon Malone at 6 p.m.

Following the Sunday, March 12, evening services, a meal for young people will be hosted by the church.

Monday through Thursday, Avon Malone will be the speaker at 7:30 p.m. each day.

During his junior year at Abilene he won the "Cox Extempore Contest," and was selected among the "Who's Who in America Colleges and Universities."

STAN'S PICNIC CAULIFLOWER

Now, the next time you're looking for a vegetable to take on a picnic or a church social, think back on me... and this glorious cauliflower. It's easy to make, nutritious, pretty to look at -- and absolutely delicious.

And, be sure when you're picking out your cauliflower you get a nice, firm, white head. Naturally, one of my boys will be glad to help you choose it.

1 large head cauliflower
1 pkg. garlic salad dressing mix
1/2 cider vinegar
2 T water
1/2 cup salad oil
1/2 cup sour cream or yogurt
2 scallions, chopped
1/2 cup crumbled bleu cheese
1/4 cup sliced, toasted almonds
3 slices bacon, crumbled

Steam cauliflower for 20 minutes. Cool. Mix salad dressing mix with vinegar, water and salad oil. Add sour cream (or yogurt), scallion, blue cheese, almonds and bacon to dressing. Pour over the cauliflower and chill.

they think life would be easy and they'd be rich."

We passed the house where Torrijos lives. A rather nice house. I wanted to stop and have a visit with the old chap. But seeing the soldiers in the yard with their wicked looking rifles killed my impulse. Our taxi driver said, "a dictator must have soldiers to survive."

When I was there three years ago I talked to several people. All of them said, "we want it and one way or another we're going to get it. 'By war?' I ask. 'No,' was the reply. 'We don't want to get killed. We'll wear you down.'"

The next day we recrossed the canal to the Atlantic side. Everywhere men were busy improving it. Engineers were busy with their instruments and note books. Blueprints would be made from the notes. Repairs and improvements would follow. The locks were being repaired. A new turntable was being installed along with some rails the donkey engines use. A lot of weeds and grass that has grown up in gatun lake were being hauled away.

The famous Giallard cut is where the most action is. The water is muddy. Dredges were busy making the nine mile cut wider and deeper so ships that have heavy loads can use it; however it will still be impossible for the giant oil tankers to pass through.

A question often ask, "why are we spending millions of dollars to improve the canal when we plan to give it away?" Only the Senators know.

Another question asked, "Should we give it away?" "No! No! No!" was the only answer we ever heard.

Another question, "are you afraid of reprisals against us and the canal if we don't give it to them?" Again the answer I heard many times, "No we're not a paper tiger and we don't want the world to get that impression."

There were several big business men on the cruise. They felt that Torrijos and his buddies were not capable of running it. That is a very valuable piece of real estate the whole world needs and that it would be a disaster if it fell under poor

St. John's To Participate In Lutheran Hour

St. John's Lutheran Church of Lariat will participate in a "Lutheran Hour Rally" to be at the Civic Center auditorium in Amarillo on April 23.

A mass choir from all the Lutheran churches throughout the area, including St. John's will be a part of the program. Speaker for the Lutheran Hour Rally will be the Rev. Dr. Oswald Hoffman, international radio preacher from St. Louis.

The Lutheran Hour, which is the world's largest non-government radio operation, penetrates both the Iron and Bamboo curtains, said Rev. Herman J. Schelter, pastor of St. John's. He said it reaches into more than 125 lands. The radio ministry is broadcast worldwide by more than 1700 broadcast outlets, he added.

Rev. Schelter said that locally, "The Lutheran Hour" may be heard each Sunday at 12:15 p.m. on Radio Station KMUL and at 12:30 p.m. on Radio station KGNC, Amarillo.

The trouble with people who insist that right must triumph is they can't agree on what is right.

Janie Perez Hired As Probation Officer

ODESSA—Field experience combined with academic training proved the right approach for Janie Perez, daughter of Mrs. Mike Perez, Sr. of Muleshoe who was hired as a probation officer before she finished her degree at The University of Texas of the Permian Basin.

Now, a full time employee of the Ector County Youth Center, she served as an intern to gain field experience, requisite of the criminal justice program at UTPB.

She will graduate in May. "The intern is a benefit to the treatment program of the youth center," said Morris Petty, chief juvenile probation officer of Ector County, who runs the center.

"Basic areas of involvement

are counseling and interaction with residents. Specific assignments given to the intern include conducting short-term resident programs and working with activities in the education program."

Petty explained interns may choose from three major areas of interest for their work at the center: law enforcement, probation, or corrections programs.

"Usually interns will spend one month each in the two areas they do not choose and about three months in their interest

area. In this way, they get broad experience as well as concentration in their particular area of interest," he added.

Dr. Tom Nicholson, coordinator of criminal justice management, indicated interns generally have completed their

JANIE PEREZ

junior year of college work and have 6-12 hours of upper-level courses in criminal justice and 20-30 hours in the field of junior college level.

Petty said after the initial break-in-period, an intern does the same work as a probation officer. "We give him a child (10-17 years of age) to work with, and we try to work each intern up to three children. They only authority interns don't have is arrest authority," he said.

During the time they are

working in the center, interns are continuing academic pursuits—reading related book, preparing reports and attending one or two seminars to discuss problems in the field.

The director noted the interns he has hired on a full time basis were required to continue working on degrees until completed. Petty and four of his fellow employees are working on masters degrees in behavioral science; another is taking a masters in counseling and one of the teachers at the center is working on a masters degree.

One employee has already received a masters from UTPB. Other university interns are placed in agencies in Ector, Midland, and Howard counties. Approximately 40 students have served on internships through one of several law enforcement agencies in the three-county area.

Ear aches and severe head colds never should be treated with self-prescribed medication. Improper medication for such maladies can lead to tragic and permanent hearing loss.

The "protein sparing" diet which is so popular today is the ultimate in an imbalanced diet. Completely eliminating all food, except a specially formulated liquid protein, for an extended period of time can be extremely dangerous and should never be done without close medical supervision and only then in extreme cases of obesity. Most nutrients, supplies in a diet made up of a wide variety of foods, are needed by the body daily to maintain bodily functions and good health.

LOUISA'S LETTER

Dear Louisa,

We live next door to a nice couple but they are very inconsiderate in many ways. I guess the word should be thoughtless instead of inconsiderate. This is one example. We go to bed early as my husband has to be at work at 8:30 in the morning. My neighbors keep late hours and when they come home from a party they talk and laugh with the people who bring them home and keep the engine running all the time. Their drive-way is practically under our bedroom windows so all of this noise disturbs us and sometimes wakes up our children. They make no effort to proper for us to ask them to be more quiet when they come in late?

Neighbor-Ga.

Answer:
People returning late can be very thoughtless and probably have not realized that they disturbed your family. You might tell them during a general conversation that they waked you up and you didn't get your sleep that night. Such a remark might have the de-be quiet whether it be eleven

Massive doses of vitamin C have been proposed as preventative against or cure for the common cold. However, our bodies can only utilize a certain amount of vitamin C -- very little is stored in the body -- therefore, the excess vitamin C is excreted. There is still no sound scientific evidence that megadoses of vitamin C are beneficial, while there is evidence that extremely large doses can cause serious health hazards. And not enough vitamin C can result in tissue degeneration. A serving of citrus fruit every day, is one way to ensure an adequate intake of vitamin C.

DIET -- DON'T TIP

THE BALANCE

"Eat a Balanced Diet Every Day" is the theme for this year's National Nutrition Week, March 5-11, sponsored by the American Dietetic Association. We've all been told, since childhood and into our adult life, how important it is to eat a balanced diet. Our meals throughout the day should contain a wide variety of foods to ensure that we get adequate amounts of all nutrients that are necessary for good health. A "balanced diet" is made up of foods which supply the correct amounts, within reasonable ranges, of all essential nutrients.

Eating a balanced diet doesn't mean that we need equal or even nearly equal amounts of all nutrients. For example, the Recommended Daily Allowance for vitamin E for an adult woman is 12 IU. Approximately 2 tablespoons of pure vitamin E would supply more than 28,000 IU or enough to meet woman's recommended allowances every day for more than 6 years! There has been on proof that dramatically increasing our intake of vitamin E with a supplement will bring about miraculous results, and it could actually create health problems.

4-H Holds Area Workshop

"April 14-16, 1978 are the dates, and the Texas 4-H Center near Brownwood is the place for 4-H leaders in clothing, family life, family resource management, foods and nutrition, and housing and home furnishings project," says Linda Mullin, County Extension Agent. "This weekend home economics training extravaganza for 4-H leaders will offer five outstanding workshops from which to choose. Both new 4-H leaders and experienced workers with youth are welcome to participate in the training." Miss Mullin adds:

Registration, supper, and general sessions for everyone will begin on Friday evening, April 15 at 5 p.m. On Saturday, leaders will attend the workshop sessions for which they registered. Clothing leaders will explore topics including "Fashion Direction," "Psychological Analysis," and "Creating An Illusion." Foods and Nutrition leaders will examine topics such as "Metrics in the Kitchen," "Food Safety," "Food Preservation," and "Project Leadership and Achievement Events." Leaders in Family Life projects will look at "Personality Development--Y.E.S." family Resource Management participants will deal with "Energy Conservation Why's and How's and "Consumer Education Activities." Housing and Home Furnishings leaders will preview the new "4-H Designer Event" plus "Selection, Use, and Construction of Home Accessories." For additional information and registration details for the April 14-16 workshops, contact the Bailey County Extension Office located in the Courthouse, or call 272-3913.

SEGUIN-The Development Board of Texas Lutheran College will hold its annual spring meetings on campus Saturday, March 11, according to Fritz Seiberling, Seguin, chairman. Members will hold a reception in the foyer of the O.G. Beck College Center beginning at 9:30, with the business session convening at 10 a.m. During the meeting the Board will hear a report from Dr. Charles Oestreich, TLC president, discuss the College's new Dimensions of Enrichment program, elect new officers for the coming year, and receive reports on various Board projects. The Development Board is composed of approximately 70 business and professional persons from across the state. They meet on campus twice a year and serve in an advisor capacity to the president and his staff. Larry Hausmann of Muleshoe serves on the Board.

Our IDEAL Vacation

Our IDEAL Vacation One day while touring CATALINA with WINCHESTER, SAMSONIE, and his cat BROWNING, we passed J.C. PENNY'S house, HITACHI, an old Indian friend was sitting outside smoking an Indian PYREX. HITACHI started talking to REDWING bird. We were all fascinated. Then we left CATALINA and started for REMINGTON. We stopped at a little town called MULLINS and went by to see GENERAL ELECTRIC. We got to REMINGTON and we met a guy named GORDON who was ALL of CHEER. His little sister's name was MELITTA. She was so sweet and kind. We found her a GENIE (she had been wanting one for a long time). Her

GENIE'S name was ESTEE LAUDER. So we went on till we got to the IVORY COAST, and we saw DITTO and his pet COUGAR. The COUGAR'S name was ARROW. We were wading in the water and ARROW almost got caught with the TIDE. So we decided to go down by the rocks and watch a WHIRLPOOL. JACK WINTER called out, "EUREKA, there's a WHIRLPOOL!" As you know, ARROW was the-CHICKEN OF THE SEA! Now, we were going home and we went by a store and got some gifts to take home. When we got home we saw KELLY, JOYCE, DELMONTE my rooster, LUCITE, my pig, MIRO, my horse, and last but not least ADOLFO, my dolphin. MATTEL, my brother, was glad to see us, and MISS Elaine (my piano teacher) was too. They were all LOOKIN GOOD and SHURFINE.

Final Rally For Basketball Showed Spirit

Monday, February 13th the MJHS Cheerleaders held the last pep rally for the 1977-78 school year. There were a few small difficulties in getting it started, but after that it was spirit all the way through. The student body sang the School Song as the cheerleaders did the pom routine. Michelle Townsel an important part of the 8th grade Mullettes said a few words for the girls team and Monty Hysinger gave a speech on behalf of the Mules. A Student Council project, Mr. Irresistible was announced. The 8th grade won the spirit stick and the pep rally was concluded with the cheer 2 Bits.

A Happy Day

A HAPPY DAY One day Mr. FORD decided to go to CATALINA. He invited PETER PAN and BETTY CROCKER to go with him. After they got there, the OLYMPICS were about to begin. A funny man named Mr. HUNTS walked up to Mr. FORD and said, "Hey, man, would you like to be in the race?" FORD said, "SURE." While he was getting ready PETER PAN and BETTY CROCKER got something to eat and found a seat. It was time for the relay race to begin. They were off. FORD got the stick and ran as fast as SEA BREEZE. The team FORD was on won. When they got back home in America, they gave him another GOLD MEDAL for helping the United States win the Olympics. Brenda Flowers

Seventh Grade Beats Morton In Last Game

Last Monday night the 13 of Feb. the Muleshoe 7th grade Mules played Morton Indians and won by the score of 34 to 32.

Freddie Vela Wins Hearts In JH Contest

The MJHS Student Council held a new contest this year for Valentine's Day. It was called Mr. Irresistible. The girls bought 6 hearts for 25 cents and they couldn't talk to the boys, if they did then they had to give the boy a heart. At the end of the day the boy with the most hearts out of each grade was named Mr. Irresistible at the pep rally. The boys in the sixth grade who won were Darren Shaw and Mike Pecina. The boys in the seventh grade who got the title were Scott Campbell, Freddie Vela, and Alex Navcar. In the eighth grade the boys who won were Lupe Rosales and George Vela. Freddie Vela had the most hearts overall. Congratulations to all the boys who received the title!

This was the Mules last game of the year. In the 1st quarter of the game the Mules scored 10 and the Indians only scored 4. In the 2nd quarter of the game the Mules scored 13 while again the Indians only scored 6 to go into the half time with the score of 23 to 10. When the Mules came out of the dressing room for the second half they did not do so good. In the 3rd quarter the Mules scored 7 and the Indians scored 8. In the 4th quarter the Mules only scored 2 and the Indians scored 14 to go into overtime. In overtime the Mules finally won by the score of 34 to 32.

Mules Fall To Morton, End Season

The Muleshoe 8th grade fell to Morton for the second time Monday. This was the last game of the basketball season. In the 1st quarter Morton was ahead 14-3. When the 2nd quarter came around Morton was still leading with a score of 28-11. In the 3rd quarter the Mules were behind 38-20. The game ended with a score of 44-28. The 8th grade Mules will start track this week to hold their District Title in track this year.

RETIREMENT PARTY-City workers gathered in the council chambers at the Muleshoe City Hall last Friday afternoon to honor John Seid, longtime employee of the city. He said he plans to do some traveling as soon as the weather warms up.

MJHS Track Season Starts

The 8th grade Mules will start practicing for their first track meet today inside the Jr. High gym due to the cold weather and snow. We don't know for sure but our first track meet will be in the middle of March. The 8th grade boys will be trying to win District again.

7th Mullettes Down Morton

Monday Night the 7th grade girls played the Morton girls at Morton. The Mullettes got off to a very good start Monday, and ended the first quarter with the Mullettes 14 and the Morton girls 2 in the second quarter Morton made 1 point and Muleshoe made 8. That ended the first half with 22-3. In the third quarter the score was 30-5. The game against Morton was the girls last game of the season, the girls started out with a win against Friona, and

wanted to end their season with win, so they did. The end of the second half the score was 34-13. Congratulations to the 7th grade girls for their win over Morton and for a great season!!!

Susie Pierce Wins Candy At MJHS

The Junior High Student Council had a Valentine Raffle Tuesday the 14th. It was a very successful project for the Council. Wayne Precure was the happy winner of the 3 pound box of candy and 10 dollars surrounding the box. Susie Hyde sold the winning ticket and received one dollar. Following the student body's raffle they had another drawing for only the Student Council members. Their 1 pound and 10 ounce box of candy with 5 dollars around it was given to Susie Pierce. The Student Council appreciates the student body's interest in their project.

This last week Mrs. Stewart was named as the teacher of the week. All the Student Council members felt Mrs. Stewart deserved this honor because she is a fine teacher in English and a wonderful sponsor in the Historical Society. Also everyone really missed her while she had to be gone. Congratulations Mrs. Stewart.

Letters To The Editor

Dear Editor:

In the 1770's, a radical by the name of George Washington led a group of very radical farmers into battle against a very conservative army financed by a wealthy group of thieves. The result of that radical movement was the birth of a new and glorious nation called the Republic of the United States. Another radical by the name of Tom Jefferson drafted a Proclamation called the Bill of

Rights, and the Constitution of the United States government. Among those radicals was a man by the name of Ben Franklin, who, when asked, "What kind of a government did you give us?" said, "We gave you a Free Republic, but it will last only so long as the people will fight to keep it."

2,000 years ago, another radical by the name of Jesus Christ was nailed to a tree for preaching another freedom, and for chasing the money changers out of the Temple. He was crucified because he was good, honest and righteous, and fought the evils of his time.

Today the money changers are back in the Temple. They are preaching their own type of profitable self-righteousness; the righteousness of stealing the

rights and freedoms of others. Some of these thieves also call themselves Christians. These people have to preach their own virtues because, by their acts, man cannot tell them apart from the thieves that hung to the right and left of Christ.

THE GREAT CHARTER OF HUMAN RIGHTS, AND THE HERITAGE THAT BECAME KNOWN AS AMERICAN FREEDOM, THE RIGHT OF COMMON PEOPLE TO OWN PROPERTY AND THE RIGHT TO DEFEND ONE'S HOME, AND HIS LAND. THIS HERITAGE IS TODAY BEING TORN TO SHREDS BY ANOTHER GOD. THIS GOD HAS MANY FOLLOWERS AND HIS NAME IS MONEY. NO MATTER HOW MUCH THESE PEOPLE HAVE IN

worldly wealth, they can never accumulate enough. They hide their guilt under the banner of self-proclaimed righteousness. Even Presidents have been elected under this same disguise and deceived people through false promises and untruths.

Today, March 1, 1978, another small army of radicals met the challenge of freedom by exercising their right of protest in an effort to defend their heritage. They demonstrated peacefully against their enemies who are destroying their way of life. They marched peacefully, without muskets, without powder, only a prayer that the American people would wake up and realize that their way of life "too" was being stolen from

them by the money changers, and the traders that placed their god of money before the pursuit of happiness, and the right to own a farm, a business, and to preserve the heritage for common people that was entrusted to the Stewards of this nation through the blood, sweat and sacrifices of others 200 years ago.

These citizens peacefully marched to protest and bring attention to the world that the last bulwark of freedom was going under and could perish from the earth unless all people stood up for their rights and defied themselves against the thieves that made money more sacred than the dignity of man, or the basic charters of freedom. SOMEONE. A PERSON OF

GREAT POWER, GAVE THE ORDER TO ATTACK THE DEFENDERS OF FREEDOM HE ORDERED TEAR GAS TO DISPERSE THE CROWD AND BILLY CLUBS TO BEAT THE HEADS OF YOUNG WOMEN AND OLD MEN. These people were brutally beaten by so-called "peace" officers to force open the roads so the foreign goods that are destroying American markets could get to the cash registers of the trades that are bankrupting not only the farmers of America, but the nation and the world.

A McALLEN OFFICIAL MADE THE STATEMENT, "THE STRIKE IS OVER." MEANING "WE FIXED THOSE BASTARDS. THEIR BACKS ARE BROKEN. THE BATTLE IS OVER. NOW THE GOODS CAN CONTINUE TO FLOW AND WE WILL CONTINUE THE DESTRUCTION OF THE FAMILY FARMS AND RANCHES."

MARCH 1, 1978, WAS A TURNING POINT IN AMERICAN HISTORY. The strike was not broken. It was merely the shot that was heard around the world, which started the final battle for preservation of FREEDOM.

March 1, 1978, 250 American farmers were clubbed, gassed, and thrown in jail for exercising their peaceful right of protest.

The American people had best realized that when these farmers can no longer stand up for their rights and lose their farms and ranches, that the basic foundation for all freedom will perish from the earth. It's just a domino game with everyone taking his turn: yours will be next.

HISTORY RECORDS ALL OF THE GREAT WORLD EVENTS. MARCH 1 at McAllen, Texas, will now long be remembered as the second Alamo. It was the event that really united and brought together the freedom-loving people of this nation in a united effort to destroy the real enemy and to preserve the virtues of freedom these enemies would take from you.

WE GIVE THANKS TO McALLEN, TEXAS, AS WE GIVE THANKS TO THE ALAMO FOR RINGING THE BELLS THAT RALLIED THE COMMON PEOPLE OF AMERICA TO STAND UP FOR THEIR BASIC RIGHTS AS FREE PEOPLE, AND TO NOT SURRENDER THEIR FREEDOM BY DEFAULT.

MAY THE OFFICIALS OF McALLEN AND THEIR BILLY CLUB HENCHMEN REMIND US OF THE GERMAN GESTAPO, THE HITLERS, THE STALINS, THAT TRIED TO STEAL THE heritage of freedom from their people.

Today, March 1, 1978, was the rallying point for every free American to realize and understand what the money god worshippers will do to destroy you under the banner of their money religion.

Let the real Christians stand up and be counted. Let the righteous expose the unrighteous that masquerade under deception. Join hands and fight for freedom, for people, rather than money creators that would destroy even our nation and the world.

250 patriotic farmers today were the whipping posts that rallied this nation to a cause of self-survival. We are accepting the challenge of Ben Franklin and our Republic shall stand. Our Bill of Rights will prevail because we are not going to let these traitors destroy the greatest country the world has ever known. This is our promise to ourselves and to freedom-loving people everywhere. We shall not surrender by default.

REMEMBER THE ALAMO!
 LONG REMEMBER
 McALLEN!

If fuel costs are squeezing the profit out of your corn crop, plant

Cost The Cutter

Less Irrigation Cost — Lower Harvest Costs Because of Lower Moisture — Less Drying Cost

Pioneer® brand 3780 can cut your costs to improve corn profits in four ways —

- ★ **Less Irrigation Cost** — 3780 needs less total water than commonly grown corns because it grows off fast. And because of its early water use, 3780 uses early-season rainfall more efficiently than other corns or crops.
- ★ **Less Harvest & Hauling Cost** — Fast drydown with good standability and ear retention lets 3780 dry in the field — you harvest and haul less moisture from the field.
- ★ **Less Dockage** — Less water hauled from the field means less dockage or drying expense.
- ★ **Lower Potential Weather and Insect Loss** — Because of its rapid growth feature and fast drydown, 3780 is ready for harvest well ahead of commonly grown corns. Fewer days in the field mean less exposure to potential bad weather and late-season insect problems.

MORE NET INCOME PER ACRE

High Plains farmers have consistently found 3780 producing more net income per acre than competitive corns of later maturity . . . even though the green weight of later maturing corns may have been more.

With 3780, you don't take big cuts in yield like you might expect. In fact, in 96 tests under many conditions in the past four years, 3780 has averaged 7,817 pounds per acre. Few farmers will boast of a higher four-year-average, dry-corn yield than this.

Yields like you'd expect from corn with input costs similar to grain sorghum . . . that adds up to more net income per acre.

3780 — 96 High Plains tests — 4-year average — 7,817 lbs./A.
 Here's How 3780 Performed For 5 Area Farmers in 1977

Helmuth Quebe — Plainview
 Planting date: April 11
 Harvest date: August 20
 Results: 8,200 lbs./A. at 15.0% moisture; pre-water plus three waterings; outyielded later maturing competitive corn by 600 lbs./A.
 His comment: "I like 3780 because of its early maturity."

R. E. Lance — Hereford
 Planting date: April 20
 Harvest date: September 25
 Results: 6,500 lbs./A. at 19% moisture; watered 3 times.
 His comment: "3780 did as good as I thought it would."

Don Ott — Dimmitt
 Planting date: April 27
 Harvest date: September 10
 Results: 8,590 lbs./A. at 19% moisture; watered 5 times.
 His comment: "3780 had a very good yield for a fast maturing variety."

Vernon Jackson — Stratford
 Planting time: April 7
 Harvest date: August 5
 Results: 8,680 lbs./A. at 16.5% moisture; watered 5 times. Popular competitive variety in same field planted earlier, received 1 additional watering, yielded less, and was harvested 12 days later at 24.5% moisture.

J. L. Francis — Kress
 Planting date: June 2
 Harvest date: October 20
 Results: 7,100 lbs./A. at 14% moisture; watered 5 times.
 His comment: "My 3780 was planted after a hail and I was really satisfied with the results."

Cotton Farmer's Corn

3780 is an ideal companion crop for cotton because of its unusual water use pattern. Because it reaches peak demand much earlier than cotton or sorghum, 3780 promises better irrigation efficiency than sorghum when used as a companion crop to cotton.

**Enochs News
By Mrs. J.D. Bayless**

Mr. and Mrs. J.E. Layton and sons, Jarrod and Keith, and a nephew, Robert Layton, to the Fat Stock Show at Houston, early Tuesday morning, Jarrod's hog was the only one that placed which was 11th place. In returning home Friday, they stopped in Houston and visited a niece, Mr. and Mrs. David McDaniel. They returned home Saturday.

Mr. and Mrs. C.C. Snitker received work Wednesday, that a cousin Elmer Schults, at Independence, Mo., had passed away. His funeral was Saturday, in Mo.

Mr. and Mrs. Bob Adams were in Morton, Sunday afternoon, to visit Mr. and Mrs. J.H. Manchen.

Bill Botkins, of Redlands, Calif., died recently after surgery. He was the husband of Patsy (Beasley) Botkins. She was a former resident of Enoch, and attended Bula school.

Barbara Smith of Three Way was a visitor at the Enoch Baptist Church Sunday morning.

Harold Layton was helping load some cows, Friday, and got his hand hurt. He had to go to the doctor and had 12 stitches put in it.

Ike Schults of Levelland, brother of Mrs. C.C. Snitker, had 2 surgeries in the past two weeks.

Mr. and Mrs. Burley Roberts visited in the home of Mr. and Mrs. Roger Jones at Pep, Saturday night.

Mr. and Mrs. Tom Newton and Barry, of Three Way, visited his parents, Mr. and Mrs. Bob Newton, Sunday.

Leo Holt, a former resident of Bula, is very ill. He is a patient in the Methodist Hospital.

If you appear to be high risk coronary patient, your doctor may do a blood profile to determine the levels of HDL and LDL. HDL stands for high density lipoprotein and LDL for low density lipoprotein. The protein is the carrier of lipid (fat) fractions in the blood. HDL is the principle cholesterol transporting complex. High levels of HDL along with lower level of LDL seem to correlate with less risk of heart disease. Some factors which seem to affect our HDL and LDL ratio are smoking (lowers HDL), regular exercise (raises HDL) and being a premenopausal female (higher HDL).

Scholarships Available

Over \$11,000 in scholarship monies are available to bright freshman, sophomore, junior and senior students residing in an area of business school in West Texas State University in August 1978.

According to Dr. Albert R. Mitchell, dean of the School of Business, \$3,700 will be awarded to incoming freshman and \$7550 will be awarded to sophomore, junior and senior level students.

Application deadline for scholarships is April 3.

Recipients of the freshman awards will be chosen on the basis of success in a particular business major as determined from high school academic achievement and activities, he said.

Half of the scholarships will be paid for the fall semester to those selected. The second por-

tion will be paid and spring semester provided the student maintains a 3.0 grade average.

Dr. Mitchell said.

Scholarship recipients will be notified May 1, 1978. Applications may be obtained by writing Dean A.R. Mitchell, School of Business, West Texas State University, Canyon, Texas 79016, or in Room 116 University Complex South.
