Shafer, Roming Carry Elections

Ronald E. Shafer defeated opponent, Terry Field for Place Four on the Muleshoe City Council during the city election held last Saturday. Shafer had 139 votes to 97 for incumbent Field.

Also for Place Four, one write-in vote was cast for J.K. Adams and one for Gordon Wilson.

New face on the Muleshoe Independent School District Board of Trustees is Ben Roming, who was second in a field of six candidates.

For Place Three on the City Council, Max King was unopposed and received 212 of the 244 total votes cast. Write in votes for Place Three included three for J.K. Adams, and one each for David Sudduth, Curtis Walker, Ross Goodwin, Gene McGuire, Johnny St. Clair, Howard Watson and Tom Jinks.

For the school board incumbent Ernest Ramm was re-elected and received 338 votes. Incumbent Jim Shafer received 284 votes; Ben Roming, 292; Joe Mack Wagnon, 224; Marcia Henry, 197 and Jama Maritt Brown, 44.

A total of 41 votes were cast absentee and 468 persons voted on election day last Saturday for a total of 509 ballots cast.

Shafer and King received their oaths of office at the beginning of the Tuesday morning city council meeting from Mayor Ken Henry.

During a meeting Monday night, the School Board canvassed the election returns and declared the election official. They also reviewed two sections of the New Board Policy Manual and recommended additions in contracts, compensations (Leaves and Absences); evaluation of personnel; recruiting (appointment); and termination of employment.

City Council Approves Annexation

First item of business for the city council Tuesday morning was to swear in re-elected Councilman Max King and issue the oath of office to new council member, Ronnie Shafer. Mayor Ken Henry performed the ceremony.

After no objections were received to annexing Parkridge Addition into the city limits, council members proved the annexation without discussion.

Lengthy discussions were conducted on a new contract with Bailey County pertaining to dispatching, jail services and office space in the Bailey County Law Enforcement.

Following the discussion, the council members approved the new contract, subject to periodic formal reviews of the services and how they are operating.

Also, in the absence of Mac Tubb, attorney for the paving project, the project was discussed only briefly. It was reminded that the paving contract awarded to Jake Diehl calls for paving to begin on April 15.

Soil Testing Conducted In Bailey County

Soil tests were conducted at 16 locations in south and southwestern Bailey County earlier this year by a company representing the United States Air Force.

The soil tests were conducted after the Air Force contacted Bailey County Judge Glen Williams and the commissioners court last September. They wanted to conduct the soil tests for possible missile sites in the county.

Although a wide area, including at least eight counties in Texas were tested, no decision will be made on the sites until 1980 or 1981. The nearest test to Muleshoe was seven miles west on FM 746. All the tests were in south and southeast Bailey County, with eight of the tests east of FM 214 and eight west of FM 214. Two of the tests were north of FM 298; two were conducted along FM1731 and three tests were conducted along FMS4.

A total of \$1,164,100 in building permits has been issued by the city for various types of construction.

January started off with \$56,500 being issued for construction. Tri-County Savings and Loan received a permit for the construction of a residential dwelling at \$26,000 by J & R Construction. Mike Bland was issued a permit to construct a \$25,000 residential structure for Randy Bush. Two permits were issued for remodeling existing structures. Marshall Cook received a permit for a \$4,000 addition to his home to be done by Raymond Treider and another permit was issued for \$1,500.

Permits were up in February with \$75,300 being issued. Largest issued was for a new facility by Poyner's White Stores. They received a permit for \$60,500 for the construction of a warehouse, garage and tire shop immediately behind their present store to be done by Franklin Welding.

Other February permits were \$8,000 to Mentie Lewis to repair a burned out residence, with the work being done by R.W. Davis; \$3,500 to Max King for remodeling to be done by J & R Construction; \$3,000 to Dorothy Green for remodeling, to be done by Glen Lowry and a storage structure permit at \$300. February's total permits were \$75,300.

Boosting the total above the million dollar mark in March was the \$800,000 permit for the Muleshoe Labor Housing project to be done by Tusha Builders.

Other permits issued to make the \$1,032,300 total for March were, \$75,000 to St Stockard for a residential structure to be constructed by Perry Stockard; \$55,600 issued to Woodie Lam-

"The Muleshoe Mules made their best showing of the year at the Tulia Relays last Friday," according to MHS Track Coach Gary Goodin; "Many individuals has the best performances of this year and two of the Mules set meet records in their events, along with one school record."

The Mules placed sixth out of eight teams, but was one and two thirds points out of fourth place. Mules found a very competitive field and the Mules gained some ground in their steps to have their best performance for the district title which is scheduled in three weeks, added the coach.

One of the highlights of the meet was Doug Precure's new school record, meet record and personal best jump of six feet, four inches. He was first in the event. Also doing their personal best was Charles Briscoe, second at six feet and Mark Northcutt, seventh, with five feet, eight inches in the high jump.

Again doing his best broad jump, Doug Precure was fifth at nineteen feet, four and three fourths inches. Dennis Patterson was seventh with eighteen feet, ten and three fourths inches and Mark Washington had eighteen feet, eight and three fourths inches.

In the shot put, Sam Whalin was fourth with 44 feet, nine inches and Abe Ontiveroz was fifth with 43 feet, nine and one half inches. In the same event, Oscar Hernandez had 37 feet.

Doing his personal best in discus was Marcus Beversdorf, who was fourth with 126 feet.

Five Persons Injured In Weekend Wrecks

Four persons were hospitalized and one treated and released following three weekend accidents in Muleshoe and the surrounding area.

Starting off the wreck activity was an accident around mid-afternoon Saturday with an accident between a bicycle and an automobile.

According to reports received, a bicycle ridden by Robby McCormack came out of a driveway into the path of a car driven by Mrs. James Roy Jones.

Mrs. Jones was unable to swerve out of the way and struck the bicycle. The McCormack youth was taken to West Plains Medical Center where he was treated for abrasions and contusions and kept overnight for observations.

five inches. Arnold Madrid had 100 feet.

Brent Maddox was fifth in the pole vault at 11 feet. For the best time of the year, Dennis Patterson, Mac Norman, Bones Norman and Charles Briscoe had a time of 40.5 in the 440 relay.

In the 880 yard run, Curtis Elder had 2:12.3; Monty Jones, 2:12.5 and George Villarreal, 2:18.0.

Terry Shafer was seventh in the 120 high hurdles at 17.3 to put forth his best effort of the season.

For the 100 yard dash, Dennis Patterson had 11.2; Mac Norman had 11.3 and Jeep Shanks was injured on the sprint relays in the preliminaries.

Bones Norman was fifth in the 44 dash for his best time this year at 54.6. Also making his best time for the year, and placing sixth, was Charles Briscoe, at 54.8. Jerry Wheat had a time of 56.6 in the event.

Doing their personal best in the 330 yard intermediate hurdles were Jerry Shafer, 46.5; Rodney Unrein, 48.3 and Pablo Gonzales, 48.4.

David Patterson had his best time of the year in the 220 yard dash at 25.3.

The mile run showed the best performance of the meet. Coach Goodin reported a strong field and said the Mules scored very well.

Setting a new meet record, and recording this best time of the year was Lee Elder, first with 4:33.3; Martin Lopez was third at 4:43.5 for his best time of the year and Joe Rangel also had his

Anderson of Littlefield. Anderson was treated and released at West Plains Medical Center in Muleshoe. Mrs. Anderson was transferred to Methodist Hospital in Lubbock to be treated for a shattered ankle, according to the police report.

Mrs. Hogan was also transferred to Methodist Hospital where she was still in intensive care at press time, although she was reported to be in a slightly improved condition.

She received a broken leg, broken shoulder and possible head injuries in the accident. Sunday night, Mrs. Eva Bell was brought to Muleshoe for treatment of lacerations received in an accident north of Lazbuddie. She was a passenger in a vehicle being driven by Blanche Collier when it was in a collision with a cow. The cow left the scene of the accident.

No injuries were recorded Monday afternoon in an accident near Muleshoe Motor Company on West Highway 84. The Monday accident was investigated by Trooper Larry King and Trooper Don Thomas of the Texas Department of Public Safety.

best time of the year at 4:43.5. Coach Goodin said the mile relay team gained confidence for district competition as they came in sixth in the mile relay.

Team members included Mac Norman at 55.8; Bones Norman, 56.6; Jerry Wheat, 55.6 and Charles Briscoe, 55.2, for the team's best showing of the year at 4:43.6.

Locknet was first in the meet Cont. on page 3 Col 1

Mullettes In Fourth At Tulia

Muleshoe Varsity Girls' track team competed in the Tulia Relays on Friday in perfect weather for the preliminary events in the afternoon and the finals in the evening.

Mullettes' coach Bob Graves said the Muleshoe girls put out a super effort, finishing fourth in the team standing with 75 points.

Evelyn Grace was fourth on broad jump with sixteen feet, four and one half inches. Shelly Dunham set a new school record in the shot put at 37 feet, two inches.

Shelly Dunham was also second in the discus at 95 feet five inches, while Jo Rhonda Rhodes was sixth in the same event with 76 feet, five inches.

Denise Reeder was sixth in the 880 yard run at 2:38.7 and Lupe Pacheco was sixth in the 440 yard dash with a time of 65.5.

Frances Brown, Evelyn Grace, Debra Washington and Shelly Dunham were first in the 440 relay with a time of 50.9; and the same team was first in the 880 relay with a time of 1:48.6.

MHS Golfers Second, Fifth In Standings

Presently, the Muleshoe 'B' team golfers are ahead of the 'A' team in standings with 342 to 354 points.

In the first place is Dimmitt with 388, Muleshoe B Team, 342, Littlefield, 342, Olton, 352, Muleshoe A team, 354, Morton, 361, and Friona, 371.

Traci Walker is in fourth place in the medalist for the girls at 110 and Jerrie Beasley is in ninth place for the girls at 125.

Read-A-Thon Starts At De Shazo School

In a period when massive spending cuts throughout the nation's school system are occurring at the same time that the reading levels by pupils in our schools are declining, it is encouraging to take note of a reading program being implemented by most of the more than 160 local chapters and branches of the National Multiple Sclerosis Society across the country, including the South Plains Chapter.

The program, called the MS Read-A-Thon, was originated and developed by the National Multiple Sclerosis Society in 1974. By the end of 1976, more than 10 million books were read by hundreds of thousands of children between the ages of six and fourteen, in all parts of the United States. They received 10 cents or more from sponsors for each book they read. And more than \$4 million has been realized for MS and for patient services as well.

In Muleshoe, the MS Read-A-Thon gets underway on April 10 and will conclude on April 28. The MS Read-A-Thon provides important educational benefits that will stay with young people the rest of their lives.

Muleshoe teachers, especially those at Mary DeShazo Elementary, where the third, fourth and

fifth grade students will be participating in the Read-A-Thon, enthusiastically support the reading program for MS cause.

Dr. William Eller, president-elect of the International Reading Association has said, "In the MS Read-A-Thon, we have a method of motivating our elementary students to read, but it takes a lot to make a on-reader want to try it." Rotary Diabetes Camp Applications Sought

West Texas Eastern New Mexico children with diabetes will have the opportunity to attend a local summer camp June 5 through 9. The camp will offer all the fun and activities of **Five Acres Between You, Starvation**

Today there are just over a billion acres of farmland in the United States--an average of about five acres per person. So each of us must depend on those five acres for our food and fiber, points out Spencer Tanksley, county agent with the Texas Agricultural Extension Service. Five acres isn't much--just a little less than five football fields. Furthermore, all of the five acres are not suited to crop production; only 2.2 acres are

traditional summer camps plus special preparations designed for children with diabetes.

The camp will be free for all children thanks to the Southwest Rotary Club of Lubbock. With the help of other Rotary Clubs, Southwest Rotary will underwrite the expenses of every child attending, regardless of ability to pay.

Children ages 6-15 may be recommended for the camp by physicians, school nurses, Rotarians, members of the American Diabetes Association and other interested adults. Reservations for the camp must be made by May 1. Reservations may be made through the Department of Pediatrics, Texas Tech University School of Medicine (806) 743-2310.

Candidate Says Taxes Will Increase

Rural Texans may soon be picking up the tab because Gov. Dolph Briscoe has refused to allocate any of the state's federal highway safety funds to emergency medical services equipment, Attorney General John Hill said today. "Other states have allocated million of their federal safety monies to EMS equipment such as ambulances and communications set-ups. But in 1977, Texas did not spend any of its \$7.4 million in federal funds to save lives in this way."

"The same was true in 1976, although nationally 16 percent of such funds went to EMS. Gov. Briscoe with the stroke of a pen could have ordered more than \$1 million of our federal money to be spent on this vital equipment, as other states have done, but he failed to recognize a need. "This means that rural areas of the state, which cannot meet the stringent guidelines to get other federal funding for such equipment on a long-term basis, will soon be paying for their ambulances locally," Hill said. "Rural taxpayers would not have this burden if the governor chose to use federal safety funds

The camp will be held at the Plains Baptist Encampment near Floydada.

The camp is being designed and will be directed by the Texas Tech University school of Medicine department of pediatrics in cooperation with its division of nutrition and social services and the Texas Tech University department of health, physical education and recreation.

Tech physical education majors will serve as counselors, providing a variety of sports, crafts and games appropriate to the children's ages and skill levels. TTUSM nutritionists will plan and supervise all meals and snacks. A member of the pediatrics faculty will be in residence to supervise each child's medical needs. Faculty and members

of the social work staff will work with children and their parents and will provide brief sessions on diabetes management.

The Rotary camp is the first camp offered in West Texas for children with diabetes. A pilot project, it has been modeled after similar successful camps in Central and South Texas. If successful, the camp may be expanded in future years.

Epsilon Chi Sponsors Million Dollar Bike Ride

A 25 mile Bicycle Ride to raise funds for St. Jude Children's Research Hospital in Memphis, Tenn., is scheduled Saturday, April 15, in Muleshoe. The Ride, sponsored by the Epsilon Chi Chapter of ESA Women's International, is part of a national fund raising campaign benefiting the Hospital.

To celebrate the achievement of \$2 million in their fund raising efforts on behalf of the Hospital, ESA will be offering additional prizes as incentives to riders this year. This year's riders will earn t-shirts, back packs, and nylon jackets according to the amounts of monies raised and turned in by the event due date.

Persons interested in participating in ESA's Million Dollar Bike Ride, whether as riders, sponsors, or volunteer workers, are encouraged to contact ESA at 272-3846 (Mrs. Charles Moraw), 272-3839 (Mrs. Rusty Whitt), 272-3990 (Mrs. Terry Hillin), or 965-2694 (Mrs. Terry Parham). Forms for securing sponsors are available at the following locations; the principals offices, at High School, Jr. High and Mary DeShazo, and

the Chamber of Commerce office. These forms must be completely read and filled out before the Ride begins.

St. Jude Children's Research Hospital, located in Memphis, Tenn. was founded by entertainer, Danny Thomas. The Hospital opened its doors in order to research and treat catastrophic childhood diseases. It is the largest childhood cancer research center in the world in terms of numbers of patients and treatment successes. The fourth floor of the Hospital is dedicated to ESA Women International.

The Needmore Singers sang at the home Sunday afternoon.

There are three new residents at the home. Mrs. Matt Dudley, who is quite ill, and has been transferred from the hospital, William Williams, 75, of Muleshoe, and Dr. Purdy's grandmother.

Mr. and Mrs. B.G. Murdock, and son Mark, of Albuquerque, visited his father, Frank Murdock, Saturday, and Sunday.

Clifford Murdock, of Moriarty, N.M., visited his grandfather, Frank Murdock, Tuesday, and Wednesday, of this week.

Mrs. Foy Totem, and Rose Mary Poole visited Miss Marie Ingram Sunday.

Mrs. Sallie Robinson visited her son Bob Sanders, Thursday. Several of her grandchildren were there.

Mrs. Olas Murdock, and Mrs. Ruby Murdock, sister-in-law, and John Smith, from Memphis, visited Frank Murdock, Sunday.

Visiting Mrs. Mattie Classcock, Sunday, were: her son, Mr. and Mrs. Roy Glasscock, of Truscott, Evelyn Roberts, a daughter, from Graham, the Bill Wyatts, San Angelo, Mr. and Mrs. James Classcock, of Bledsoe, Mr. and Mrs. Henry Randolph, of Earth, and Mr. and Mrs. Price Stephenson, of Clyde.

Mr. Jim Burkhead, of Albuquerque, N.M., came a few days ago and moved his mother, Mrs. Barbara Case back to her home in West Muleshoe. Jim has just recently undergone open heart surgery and as he reached Albuquerque he became ill and had to re-enter the hospital for a short stay.

Mrs. Annie Brown, who writes the nursing home news has been absent from her writing for three weeks, on account of eye trouble. She is now able to resume her writing.

Nine Win Awards In Fashion Revue

LUBBOCK--Nine contestants in a field of 121 took top awards in the Natural Fibers Fashion Revue at the South Plains Farm Show in the Lubbock Memorial Center, Thursday, March 30.

The winners were: JUNIOR HIGH DIVISION--First place, Karen Irwin, 2132 70th St., Lubbock. Second, Paula Allen, South Route, Coahoma. Third, Mary Timmons, 2109 62nd St., Lubbock.

SENIOR HIGH DIVISION--First place, Kathy Johnson, 505 W. Clark St., Iowa Park. Second, Denise Thompson, Star Route, Kress, Third, Princess Parkman, Maple.

ADULT DIVISION--First place, Laverne Young, 5405 46th St., Lubbock. Second, Sheila Fillingim, Route 1, Meadow. Third, Carolyn Fortenberry, New Deal.

The winners received gift certificates of \$50 for first, \$30 for second, and \$20 for third place.

The fashions created and modeled by the contestants had to be constructed of fabrics which were at least 50 percent natural fibers: cotton, wool or mohair. Judges evaluated the creations on the basis of good construction, home sewing and style.

To be assured of safe food canned in a pressure canner, test the dial gauge for accuracy before the canning season, advises Frances Reasonover, foods and nutrition specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

The revue was one of the features of the free, three-day Farm Show, the largest exhibition of farm equipment ever held on the South Plains. The show was sponsored by the Southwest Hardware and Implement Association. The fashion revue was co-sponsored by the association; the Department of Clothing and Textiles, Texas Tech University; the Texas Agricultural Extension Service; and the Lubbock Chamber of Commerce.

Epsilon Delta Easter Party

Sunshine Sally was the star attraction at the Easter Party for Mrs. Graig's special education class at Mary DeShazo. Sunshine Sally told jokes, and played games with the children, and a surprise appearance by Redford the Rabbit delighted everyone. Afterwards the children were served homemade refreshments and favors. The party was sponsored by Epsilon Delta.

One child in ten is currently living with a step-parent according to 1975 census figures, says Debby Johnson, family life education specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

Epilon Delta Meet In Earth

The Epsilon Delta Chapter of the Delta Kappa Gamma Society International met Saturday, April 1, at 10:00 A.M. in the First Baptist Church in Earth. The Springlake-Earth hostesses served a brunch to approximately 30 members from the Mrs. Jack Obenhaus, President, read a letter of thanks from the Director of the Lubbock State School which expressed gratitude for the toys that were given in March by the Epsilon Delta Chapter. Mrs. Obenhaus also announced that the Year Book had received a good rating. The members reviewed the constitutional changes that will be voted on at the State Convention in Abilene, June 15-17. Mrs. Joe Costen was director of the program. "Progress Toward Achievement," Mrs. Eric

Smith, Muleshoe; Mrs. Harry Ford, Littlefield; Mrs. Nancy Baucum, Springlake; and Mrs. Darwin Reed of Sudan gave accomplishments and honors that each member had received in the past three years. The sixth purpose of Delta Kappa Gamma "... to stimulate the personal and professional growth of members and to encourage their participation in appropriate programs of action," was truly implemented as shown by the self appraisal inventory as compiled by the Research Committee. Muleshoe members attending were: Mrs. Carrie Lee Bishop, Miss Virginia Bowers, Mrs. Joe Costen, Mrs. Clifton Finley, Mrs. Dorine Harbin, Mrs. Jack Obenhaus, Mrs. Oscar Rudd, Mrs. Eric Smith, and Mrs. John Watson.

Search Goes On For All American Girls

Do you know a girl with sparkling eyes who thinks jeans are neat? Do you know a girl who knows where she's going, who has her goals aimed high? When she smiles, do you think of fresh air and sunshine? That's the one! She's an All American Girl!

The search for All American Girls returns to Texas June 13-15. The 1978 All American Girl Pageant will be held in Dallas at the Downtown-Holiday Inn. Young ladies from ages 3-26 are invited to compete in the party dress, evening gown for ages 13-26, the sportswear, and the talent categories within the five divisions of the pageant plus each girl has an informal interview with the judges. The All American Girl Pageant includes the following divisions: All American Tot, ages 3-6; All American Little Miss, ages 7-9; All American Miss, ages 10-12; All American Teen, ages 13-17 by August 1, 1978; and All American Girls, ages 17-26. Seventeen year old girls com-

peting in the All American Girl division must be 1978 high school graduates. All American Tots do not compete in the talent category. Come on, Texas! Help us find the All American Girl.

The All American Girl Pageant staff wants to enlist new members in the brigade of Pageant Scouts. Pageant Scouts recommend girls, ages 3-26, who might be interested in participating in an All American Girl Pageant. No one is under any obligation. The pageant Scouts feel are worthy of this inspiring opportunity. Would anyone a Pageant Scout suggests participate in the exciting activities of the pageant that scout will receive a special plaque in appreciation for his or her endeavors.

This year the star spangled parade of pageants leads to Peoria, Illinois, where the 1978 state All American Girls will assemble to vie for the coveted national titles. Overall talent winners from each division are also given the opportunity to compete in the All American Girl National Pageant as candidates-at-large. Over \$5,000 in scholarships and awards will be presented August 9-13 in the Tot, Little Miss, and Miss divisions of the national pageant and August 16-20 in the Teen and Girl divisions.

Are you an All American Girl? For further information please write: All American Girl Pageant, P.O. Drawer 1630, Dothan, Alabama 36302; or phone (205) 792-4907.

Local organizations looking for an annual fund raising project that gives young ladies in the community the opportunity to benefit from a worthwhile youth development and scholarship program will discover All American Girl Pageants are easy to organize, and fun, too. Send inquiries to the above address.

West Plains Medical Center

Dedication Sunday, April 2, 1978

AUXILIARY MEMBERS PAUSE--Members of the very busy Muleshoe Hospital and Nursing Home Auxiliary were kept very busy Sunday afternoon taking some of the estimated 400-500 people through the new clinic, offices, laboratory and waiting room at West Plains Medical Center. The Auxiliary has been praised for their support and work at the hospital and nursing home. Pictured are Mrs. Lee Kimbrough; Mrs. Cliff Griffiths; Mrs. Alex Williams; Mrs. Finis Kimbrough and Mrs. Henry Malone.

Because They Cared

Four years ago it was beginning to look somewhat hopeless to have an adequate hospital facility in Muleshoe. A hospital district had been voted down by county voters, doctors were leaving, and more and more patients were being transferred to larger hospitals in Lubbock and Clovis.

Then, a public meeting was called for the Muleshoe High School auditorium. Moderating the meeting, which was attended by an estimated 650 people, was Rev. H.D. Hunter.

He didn't mince words, and informed the group that a lot of petty questions would not be answered. He said money was needed and was needed now. Within 30 minutes after he opened the meeting, more than a quarter of a million dollars had been pledged to construct a new hospital.

Avenues of financing were checked into by the hardworking hospital board, and preliminary plans were formulated to construct the hospital and clinic. Through a lot of work in Muleshoe and in Washington, D.C., it was determined that federal funds could match the funds pledged locally for the construction.

Last year, late in June, the new hospital was opened and remodeling started on the clinic, laboratory, offices, doctors' offices, pharmacy, x-ray rooms and other portions of the old hospital.

Sunday, residents visited the clinic and were shown what their money had done. A new sparkling clinic awaited them, three new doctors had been acquired to bring the total number of active doctors at the hospital to seven, including a surgeon, and a bustling, busy place was noted.

A lot of people deserve a lot of credit for Muleshoe's hospital and clinic, and all the people have a facility to make them proud.

DR. JERRY GREGORY

RECEPTION LINE--As visitors entered the new clinic waiting room at West Plains Medical Center Sunday afternoon, they greeted three new doctors to the hospital.

DISCUSSING--Jimmy Briggs, left, of Lazbuddie, Dr. Charles Pummill and Mrs. Frank Ellis discussed some of the new hospital and clinic activities Sunday afternoon.

DR. GARY ALBERTSON

DOCTORS MEET RESIDENTS--Dr. Martha Sayago and Dr. Frank Sayago, left, are officially welcomed to West Plains Medical Center by Mr. and Mrs. Bob Finney. Dr. Frank is a surgeon and Dr. Martha Sayago is an anesthesiologist.

DR. HOMER ALLGOOD

NEW AUXILIARY REFRESHMENT ROOM--Mrs. Tom Watson of Lewisville, watches her son, Thomas, enjoy a Coke during the open house at West Plains Medical Center Sunday afternoon. They are sitting at one of the white wrought iron tables featured in the pin and white refreshment room.

X-RAY ROOMS OPENED--Joe Garay, x-ray technician at West Plains Medical Center, shows off one of the new and modern x-ray machines now in use.

NEW LAB--Mrs. L.M. Bell, lab technician at West Plains Medical Center, shows some of the new equipment in the sparkling new lab.

WELCOMING DOCTOR--Mrs. John Blackwell, assistant administrator of West Plains Medical Center, left, officially welcomes Dr. and Mrs. Bruce Purdy to the staff of West Plains Medical Center. Dr. Purdy and Mrs. Purdy were honored at a reception Sunday afternoon.

Fighting Three Way Eagles

By The Three Way School

Far Out Freshmen

The Freshman class went to Lubbock Saturday, April 1. We started out by skating from 5:00 to 7:00 at Skate Ranch L. One member of the class had a slight problem of falling down accidentally, in front of everyone else!

Then, we went to the South Plains Mall, went shopping and to eat until 9:15. Lastly, we went to the Cinema and saw High Anxiety. Our whole class came home tired, bruised, and happy. We really had a nice time!

Banquet Set For April 7

The Junior Class of Three Way High School are giving the Seniors a banquet Friday night, April 7 at eight o'clock in the school Cafeteria. The theme for the banquet is an "Evening at Paris."

Kindergarten Kut-Ups

We had a very nice Easter party and egg hunt. We would like to thank Mrs. Locke, Mrs. Risinger, Mrs. Hutton, Mrs. Tucker, Mrs. Autry, and Mrs. Turney. It was a great way to start our vacation.

Kristi Risinger celebrated her 6th birthday last week with a party. Mrs. Risinger served a Holly Hobbie cake and punch to everyone.

We have been reading the story *Stone Soup*. On Thursday, we made some stone soup. Everyone brought a carrot, potato, onion, celery, or cabbage. Our teacher brought the barley and stones.

Mrs. Allan Davis taught our class on Friday while our teacher was gone.

We studied textures all week. We used a "feely box" and made pictures from the different textures we found.

We got two new bookcases, a toy box, a hutch, 2 dolls, and a new movie projector. Our class is a Head Start class and they provide all our supplies and equipment.

Tales Of Third Grade

We are proud of Shelli Terrell, Madison Sowder, and Karen Duarte for winning the local Story Telling contest. These students will represent Three Way at the District U.I.L. Contest in Sudan, April 14th.

This week everyone is bringing material to make hand puppets. Mrs. Terrell is going to help with this project.

AIDING WRECK VICTIM--DPS Trooper Larry King kneels beside a wrecked vehicle Sunday afternoon to aid victim Thomas Anderson, of Littlefield. Mrs. Anderson had already been removed to a nearby ambulance as had Mrs. Alma Hogan from the other vehicle involved in the accident west of Muleshoe.

Teacher Feature

Our teacher for this week is Miss Barbara Smith who teaches head start and kindergarten. Miss Smith was born in Lubbock but as she is an Air Force "Brat" has lived in Texas, North Dakota, California, Guam and Ohio. She attended the University of Guam, but graduated from Texas Tech. Her father has retired and they live in Atwater, California. She has taught for 3 years and all of them have been at Three Way. Her favorite color is green. She likes Yakatori, chicken fixed

Japanese style, and Mongolian barbecue as her favorite foods. He hobbies are water skiing, working with puppets and traveling. Her travels include Canada, Mexico, Taiwan, Hong Kong, Thailand, Japan and Okinawa. Miss Smith hopes to return to Hong Kong and to travel to Russia.

She sponsors the head start parents and also Senior High pep club and cheerleaders.

MISS BARBARA SMITH

Snazzy Seventh

Although five of our class members were unable to go, all of us that went on our class party Friday, March 31 had a great time.

We went to the Littlefield park and ate a picnic lunch, then played baseball.

After that we left the park and went to the theater to see the "Billion Dollar Hobo. We all loved it. You should have seen Mrs. Tyson and all the mothers laughing!

We got back to the school about 10:30.

Trent Mills Stillborn Here Saturday

Graveside services for Russell Trent Mills, stillborn son of Mr. and Mrs. Jimmy Mills, were held Monday, April 3, 1978, at 2 p.m. at Babyland in the Bailey County Memorial Park, in Muleshoe. Rev. Andy Rogers, of Lazbuddie Church of Christ, officiated.

BREAKEVEN COSTS KEY TO FARM PROFITS
To show a profit at the end of the year, Texas farmers must keep production costs down. This means that they must know their break-even costs for various crops so that they can make the right management decisions, says an economist in management with the Texas Agricultural Extension Service. By knowing his costs and comparing income above variable costs, a producer can organize his resources to obtain optimum net income.

Farmers Union Downs Proposed Farm Relief

The Texas Farmers Union is terming Administration proposals for farm relief "inadequate to meet the dramatic needs of agriculture" and calling upon Texas House members and Senators to push forward with emergency legislation, mustering support to override a Presidential veto if necessary.

TFU President Jay Naman states that the provisions of the combined Talmadge-McGovern-Dole now before a Senate-House conference committee offer some much needed relief for farmers caught in the continuing cycle of depression. The state farm leader, however, says the Administration's plan avoids meaningful aid and its strategy offers "minimal net effect which is itself months down the road."

"Farmers would never have taken to the streets if they had not needed immediate, substantial improvements which would affect the current crop year," said Naman. "For many thousands of families 1978 will be their final chance to make it or bust. Certain Senators and Congressmen have realized this, but President Carter continues to promote a 'hang in there' approach with covers his entrenched policy to protect the budget regardless of the fate of the family farm. His programs are unacceptable."

Farmers Union has supported the Senate legislation as it contains possibilities for immediate improvement in 1978 farm income and has particularly heralded the adjustment in loan rates for major crops as "a step in the right direction of the very minimum in necessary protections."

The Administration announcement on March 29 for small payments to retire very limited crop acres is expected to dull efforts of legislation which directs greater expense on larger acreage and also includes improvements in price supports. The threat of a Presidential veto over any action greater than the Administration play will have a definite effect on the work of the conference committee as well as the final floor votes.

especially in the House of Representatives. "There is no question that the

House-Senate conferees can work out an acceptable and meaningful compromise," Naman said. "The crucial thing is to retain the highest of the target and loan rates now provided in the Senate bill."

"While I do not wish to belittle the soybean loan increases to \$4.50 a bushel or the recent milk support increase, there is nothing in the Administrations's

plans which would assure immediate price improvement for wheat, feed grains and cotton. We feel that it would be months before any of the diversions or wheat reserve actions could have an effect on farm income."

Naman further called talk of food inflation "scare tactics." He pointed to consumer price

index increases in housing, medical costs and energy and noted that "it's always a food increase that becomes the spotlighted culprit."

"The consuming public needs to know that it is a single-digit increase that we're looking at, probably 6 percent at the most.

The nation as a whole should recognize Congressional attempts to legislate relief are worthy in the name of food supply at stabilized prices and that family farmers are worth keeping around, even if the Administration is less than concerned about their plight."
