around Muleshoe

Mrs. Charles Farmer was transferred to a hospital in Lubbock last Thursday night to treat a broken leg. Mrs. Farmer's leg was broken when she was kicked by a horse while loading it at the Muleshoe Animal Clinic.

Olga Costilla, daughter of Mr. and Mrs. Manuel Costilla, has been named an honor student for the just-completed summer trimester at Oklahoma State Tech, Okmulgee, Oklahoma.

She is enrolled in baking.

Gubernatorial candidate Bill Clements has announced that Lester Howard has been named as Bailey County chairman for the Bill Clements for Governor campaign.

For information, contact Lester Howard at this number, 946-3378.

Absentee voting for the November 7 general election got underway on Wednesday, October 18, in the office of Bailey County Clerk, Hazel Gilbreath.

Voting by absentee ballot will end at 5 p.m. on Friday, November 3.

Police Report

Thefts have lead the list of incidents reported to the Muleshoe city police during the past week.

Leading the list was a burglary at the Dr. Jerry Gleason home last Thursday night. Reported as missing were two stereos, a .22 rifle; five necklaces; a gold chain and a silver chain, as well as a piggy-bank containing an estimated \$70.

Two incidents were reported from the post office. Postmaster Tom Lobaugh reported the loss of a battery from a jeep and also reported vandalism to another jeep.

A band jacket was reported as stolen from high school, and T.G. Howard reported vandalism to an empty building.

Muleshoe City Police also investigated four minor vehicle accidents.

Arrests included two for public intoxication; one for public intoxication and disturbance and one for public intoxication and no drivers license.

A driving while intoxicated charge was filed on one man by the Texas Department of Public Safety.

Arrests by the Bailey County Sheriff's office since the first of October included one for driving while intoxicated; one for burglary; one in protective custody; one for unauthorized use of a motor vehicle and one for conspiring to manufacture methamphetamines.

In the latter case, following an extradition hearing in Portales, Marvin Joe Wooley of Portales, was released to the Bailey County Sheriff's office to face trial on Cont. Page 6, Col. 3

AMERICAN AGRICULTURE SPEAKERS...Saturday night, the local branch of American Agriculture hosted a barbecue dinner and speakers at the Bailey County Civic Center and Coliseum. Some of the special guest speakers and officials at the dinner included, from left, Jerome Friemel, Hereford; Alvin Jenkins, Campo, Colo.; Guy Austin, Muleshoe; Gerald McCathern, Hereford and Johnny St. Clair, Muleshoe.

District 3-AA Pits Mules - Chieftains

"We're ready to play, and I think you will see a different ball club," said head football Coach Mike Wartes, of the upcoming district opener with the Friona Chieftains Friday night.

"I think they will play real well, although we have all the respect in the world for the Friona team. When it comes to district gametime, they play football," according to the coach. "Coach Phillips has

them ready. I think when we show up over there, and play, we are all going with the full intention of winning the game."

Coach Wartes said the loss of last Friday night's game was not good for the Muleshoe team, but added that it didn't hurt the team. "That game is behind us," he added, "and now, we are looking forward to district play. We start off with a tough one, too. We are going to Friona with everything ready, and we know we are going to have to play well in order to come home with the win."

He reminded that Friona kept Muleshoe from winning the district last year, when Muleshoe went to Friona with a 7-0 record and Friona was 0-5. At the end of that game, Muleshoe was the loser, 13-6.

"I'm glad we are going to go back to Friona this year to play them on their home field," said the coach, "and we will be ready to play."

In the game last Friday night, when Muleshoe lost to the tough Idalou team by 21-7, Terry Burton was lost for a few weeks, as he received a broken wrist.

Charles Briscoe, who received a knee injury, is expected to be able to compete Friday night, and everyone else is in good shape.

Friona currently has a 3-2 season, compared to 4-1 for Muleshoe. It will be the season opener for both teams in District 2-AA action. This will be the 29th time the teams have faced each other on the field.

Muleshoe has a slight edge on Friona in the winner's column, having won 16 to 10 for Friona, with two tie games.

Friona head football coach Lonnie Phillips commented, "They (Muleshoe) are as solid as a rock. They are just about as quick as the Vega team was, besides the fact that they are larger, and they have momentum."

Friona lost Friday, October 6, by a 21-7 score, playing at Vega.

Coach Phillips, following the Vega game, also commented on the 'quickness' of the Vega Team in containing the Chieftains passing game.

Coach Phillips predicted their team would be ready Cont. Page 6, Col. 2

George Bush Explains Candidacy Reasons

Dr. Jerry Gregory, a self-styled 'conservative' who said he had registered, but failed to vote earlier in the year, explained his reasons for changing his mind and for the first time since high school, backing a political candidate.

Dr. Gregory told of meeting George Bush at the July 4th celebration and hearing his philosophy for several hours. The local doctor told the Muleshoe Jaycees, and others at a noon meeting Monday, that "George Bush looked me in the eye, and if he didn't know the answer to something, he would tell

me that he did not know, but would find out."

Bush, who is seeking the seat to be vacated by George Mahon, gave his background to the Jaycees and guests, and explained his reasons for deciding to seek a political office.

He said he decided to run to try to help balance out the political structure in Washington and because the Republican Party needed revitalization.

He expressed the belief that it is up to each person to use their God-given talents in the best way they can and said voters are beginning to realize that many of the problems today are caused by Congress.

He cited the present 12 percent inflation figure and said there is a solution for inflation, which starts with slowing down the rate of spending. Bush said, "Why do the Congressmen not realize they are breaking the people of the United States?"

Bush asked voters to look at who will be best qualified to go to Washington and hope for change. "Who's going to be able to go up there (Washington) and go toe-to-toe with the politicians?" He cited that a Democratic Congressman would just have to fall in line with his party in order to survive there.

He spoke briefly on the National Defense and cited a tremendous lack of leadership in National De-

City Approves Ordinance Accepting Paving Project

Mule Days Slated Here Next Week

Throughout history, the mule has played an important part in the settlement of this country. He was also used partially as the symbolism in naming Muleshoe and continues to be important to this area.

In honor of the Mule and Muleshoe, a special week begins on Monday, October 23. It has been named appropriately, "Mule Days" and will be celebrated with a gigantic special savings sales week by local merchants.

Mule Days will be

heralded by the special section to be included with the Sunday, October 22 edition of the Bailey County Journal, showing you how you can save !!! during the entire week.

Some of the special items will be featuring a Super Sale on men's suits at St. Clairs. They will also be offering special buys in dresses, lingerie and footwear, and in other departments.

Buddy's Shoes will feature Cont. page 6, Col. 2

Optimist Club Charter Night Set Saturday

The new Optimist Club of Muleshoe will host their Charter Presentation Banquet at 7:30 p.m. on Saturday, October 21, at the Muleshoe High School cafeteria, according to Jim Shafer, president of the new service club in Muleshoe.

Julian Harlan, Lt. Governor of Zone Two of the North Texas District from Brownfield, will present the charter and will address the new Optimists and their guests.

New officers will be installed, including: Jim Shafer, president; Roy Whit, vice president; Bill Wooley, vice president; Corkey Biggerstaff, secretary and treasurer and Sam Gonzales, sergeant at arms.

Also to be installed will be directors, James Crane, Wayland Ethridge, Sam Gonzales, James Williams, Jerry Gregory and Joe Garay.

Conducting the installation ceremonies will be Doyle Simpson, Brownfield, immediate past president of Zone Two.

The local officers were elected at the organizational meeting of the club seven weeks ago. Optimist Club of Muleshoe meets weekly at 6:30 a.m. at the Corral Restaurant.

The new men's civic service club became a part of the North Texas District when it was organized.

Wayland Ethridge, charter banquet chairman, explained that when President Shafer received the charter for the club, it will join more than 1,200 clubs with an excess of 12,000 members.

Stated objectives of Opti- Cont. Page 6, Col. 1

Guarantee To Cover Appearance Problem

For the last three weeks, members of the Muleshoe City Council have weekly considered an ordinance accepting the recent street improvement and paving program conducted in several areas of the city.

Because of problems presented by various residents, the approval of the ordinance was tabled for further study. Tuesday morning, after a meeting with city engineer, Bill McMorries, the city council approved the ordinance.

However, the ordinance, which would also provide final payment to Jake Diel Dirt and Paving Company, Inc., was approved following presentation of a written statement by the company, extending the guarantee on the paving to October 16, 1979.

Within that one year period of time, the paving company will still be liable for any defects in workmanship or in materials. This was considered to be a feasible time by Engineer McMorries, who explained that with the

new type paving used, much of the current objections to the paving were of a cosmetic (appearance) nature.

McMorries has contended that the new type paving, which is called a triple hot mix, is more feasible as it will last longer and require less maintenance than the regular hot type paving.

Councilman Max King cast a dissenting vote in accepting the ordinance and approving the paving project and the payment for the paving that has been done.

One of the major objections was to possible drainage problems which will be encountered in the future at the intersection of West Ash and Reno Streets, as well as 'humps' in the street on West Ash. McMorries explained that these problems can be worked out in the future before the guarantee runs out.

In other action, the city opened three bids for a new water well to be Cont. Page 6, Col. 1

Tim Sain Installed New 4-H President

It was a 'Western' theme, and almost everyone wore the specified western attire to the first annual Muleshoe 4-H Club Awards and Installation banquet Monday night.

Following a western barbecue dinner, with all the trimmings, Tim Sain acted as Master of Ceremonies for the awards presentation which followed.

Tim welcomed the special guests and members to the banquet, and introduced JoMeda Plank and Rose Sain, outgoing adult leaders, who presented special awards.

Using the theme 'Old West' and drawing particular attention to the wagon train, Mrs. Plank presented awards to Cleta Williams of The Journal and Mrs. Jack Rennels of KMUL Radio.

This was followed by awards to project leaders, Kathy Hardage and Mrs. Lyndon Huckaby and Mrs. Doug Logsdon, Mrs. Roy Baker and Mrs. Bill Kinard for clothing projects.

Also awarded were Jack Rennels, John Harris and Weldon Stevenson.

Mrs. Tommy Merritt was recognized as being refreshment chairman during the past year.

A number of 4-H awards were presented during the past year in different projects.

Receiving awards were 4-H members, Nettie Coleman, Theresa Coleman, Thurman Coleman, Willie Coleman, Martin Green, Theresa Green, Rachelle Hardage, Justin Helton, Zanna Huckaby, Lauri Kinard, Michelle Logsdon and Heather Merritt.

Also, Ronnie Logsdon, Shelly Sain, Tim Sain, Mandy Plank, Kristi Taylor, Tisha Cox, Terry Baker, Heather Baker, Jayna Harris, Kevin Harris, David Reed and Tina

Cont. Page 6, Col. 1

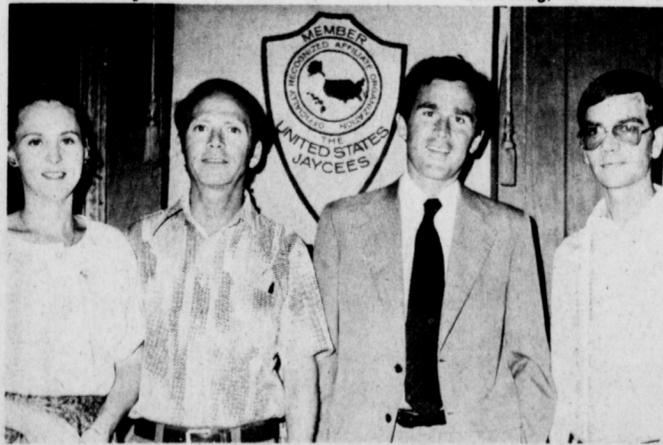

Horror House To Be Sponsored By First Baptist

Saturday night, October 21, First Baptist Church of Muleshoe is sponsoring a "House of Horrors" for all its young people and their friends.

They will meet at 7:30 p.m. in the parking lot of First Baptist, and will be transported to the special "Casa del Horrors" where screams, cold hands, and things that go 'bump in the night' will reign supreme.

Afterward, the youth will be returned to the Baptist Church parking lot around 10:30 p.m.

For a 'screaming good time,' come to the "House of Horrors."

JAYCEE GUEST SPEAKER...George Bush was special guest speaker for the Muleshoe Jaycees Monday. Pictured are, from left, are Dr. and Mrs. Jerry Gregory, Bush's Bailey County campaign co-chairmen; Bush and Muleshoe Jaycee President Hugh Young. Bush spoke on his candidacy for the 19th Congressional District seat in Congress.

Hazel Gilbreath Wins Weekly F-Ball Contest

After barely being out of the winning column last week, Hazel Gilbreath came back to take the first place win in the weekly football contest for the past week.

Mrs. Gilbreath safely predicted some of the upsets for the weekend, and missed only two games, Texas A&M vs. Houston and Mississippi State vs. Florida State, and was 18 points away on the tiebreaker scores.

Taking second place was Dan Vinson, who also missed two games, but was a total of 36 points off on the tiebreaker scores. Vinson missed the Texas A&M vs. Houston and the Duke vs. Navy games.

Third place wasn't all that east to determine, as a number of persons missed three games. Ina Dennis came up with the sinning prediction, as she was only seven points away on the tiebreaker, guessing the SMU-Baylor game within one point and the Texas-North Texas game within six points.

Nudging close behind for a fourth place win was Beverly Heathington, who also missed three games, and was eight points away on the double tiebreaker score. Others missing three games and their point spread included, A.D. Stancell, 11; Maureen Jesko, 13; Mary Sweatman, 14; Elaine Roddam, 17; Patsy Bara, 19; Galen Bock, 22; Lee Pool, 22; Ernest Bara, 31 and Pete Jesko, 36.

There is still ample time to establish a winner, as there is still no clear-cut leader in the contest almost mid-way through this season. This week, the games will probably be a little harder to predict, so be sure to get your entry in and get it in on time.

MULESHOE 4-H OFFICERS...Installed as new officers for the Muleshoe 4-H Club Monday night were from left, Tim Sain, president; Ronnie Logsdon, vice president; Shelly Sain, secretary; Mandy Plank, treasurer; Justin Helton, parliamentarian and Rachelle Hardage, treasurer.

Cool Homes Healthier

Those of us who are responding to energy conservation pleas by keeping home temperatures somewhat lower this winter are likely to stay somewhat healthier than those who continue to overheat their dwellings.

The American Medical Association reminds that temperatures in the mid-60s are healthier than temperatures in the mid-70s.

Heating the interior of homes and offices during the winter removes moisture from the air. The higher the temperature, the dryer the air. Air with little moisture aggravates bronchial and other respiratory problems. It contributes to dry throat and nose, coughs, and dry,

itchy skin. The respiratory system doesn't cope well with sudden changes in temperature. Moving from an overly heated room into outside cold affects the body adversely, causing coughs and respiratory problems. The body adjusts to temperature changes gradually.

There are no major health advantages inherent in keeping inside temperature somewhat lower, but there are minor advantages that will add to comfort and well being during the winter.

The Sandhills Philosopher

Editor's note: The Sandhills Philosopher on his Johnson grass farm on Sandy Creek collects a few random thoughts this week. We advice pausing between each paragraph.

Dear editor:
Some odds and ends:
One of the proposals in the new energy bill would put an extra heavy tax on gas guzzling cars. The idea can be carried too far. Somebody may propose an extra tax on food-guzzling people.

-0-
Never has the dollar been worth less or chased after harder.

-0-
There have been 200 cease-fires in Beirut in the

last three years and the shooting continues. A cease-fire over there is like a promise to cut taxes over here. If the Mid-East can't achieve peace it ought to at least put a special brand on each faction's bullets so a person could know which religious group shot him.

-0-
The Chinese, who invented gunpowder and carried firecrackers to artistic heights, can't make a modern tank or fighter plane. On the other hand

India can make an atomic bomb but is still plowing with a wooden stick.

-0-
Political education for a fresh new Congressman when he shows up for work in Washington consists of teaching a new dog old tricks.

-0-
Gold is now selling at the all-time high price of \$225.60 an ounce, or \$3,609.60 a pound. If you want to get your mind off of other problems, stop

and think what would happen to money if gold, which is the basis of money but is good mostly for making wedding rings and filling hollow teeth, should suddenly be found in almost unlimited quantities under some mountain somewhere in the country. Be the worst thing that could happen to the monetary system. It would wipe out the whole foundation, as money is based not really on gold but on the scarcity of the

stuff. This can not be allowed to happen. The only way out would be to shoot the man who discovered the gold, blow up the mountain and have the CIA deny the whole thing. Yours faithfully, J.A.

**AUDADS
LIKE TEXAS**

An unlimited quantity of aoudad permits are available to landowners in eight Panhandle counties due to the increase in the number of the sheep throughout the caprock country.

"The Texas Parks and Wildlife Department will issue approximately 500 aoudad permits to the landowners and they in turn can issue these permits to sportsmen wanting to hunt the elusive aoudad sheep," said David Dvorak, wildlife biologist.

The 1978 aoudad season will be from Nov. 4-17 in Armstrong, Briscoe, Donley, Floyd, Hall, Motley, Randall and Swisher counties.

The daily and season bag limit of one aoudad will be hard to fill if the statistics from recent years are duplicated in 1978. Last year, approximately 450 permits were issued to hunters with only 133 aoudad bagged during the two-week hunt for a hunter success rate of only 30 percent.

The record aoudad for the Panhandle was bagged in 1976 with a horn length of 34 1/2 inches. This record still stands with many 1978 hunters hoping to come home with a bigger horn.

P?WD wildlife biologists will be spot checking the hunters during the hunt to obtain animal and hunter information vital to future management of the sheep.

Texas game wardens will also be checking hunters for the permit and license requirements throughout the eight-county area.

Most successful aoudad hunters spend 95 percent of their time glassing the rough caprock areas due to the extreme difficulty in seeing the sheep.

The aoudad is rufous or brown with dark brown areas about the head and fore-quarters. The inside of the legs, the chin, a line on the under parts and the inside of the legs are whitish in

color. There is no recognizable difference in color between sexes.

The mane on the older males may nearly touch the ground even when the head is held upright. A distinctive characteristic is the long, tufted tail which normally reaches the vicinity of the rocks.

Horn characteristics on both sexes include horn tips that remain sharp throughout life and sweep outward, backward, and then, inward reaching a tip-to-tip spread of over 30 inches on some animals. A full curl is never reached by aoudad as compared to native North American wild sheep such as the bighorn.

The aoudad is gregarious and generally associates in small family groups consisting of an adult male and female with their young offspring of various ages. They normally escape detection by remaining motionless rather than leaving whenever danger threatens.

Sportsmen looking for a trophy aoudad will find the four-to-seven year old male with the longest, thickest horns.

**WEST TEXAS
HAS EARLIER
QUAIL SEASON**

Studies completed on various wildlife management areas operated by the Texas Parks and Wildlife Department indicate that many quail are lost from natural mortality between the last of October and the middle of November and the P?WD will open the season on Oct. 28 in some 80 counties in the Panhandle and Trans Pecos for West Texas quail hunters.

"This earlier season should allow the quail hunter to harvest a bigger percent of the birds and it is estimated that about 90 percent of the birds taken by hunters at this time will be acceptable to them," said David Dvorak, Panhandle project wildlife biologist.

"We have had some late hatches which will leave a few coveys with some young birds, but reports from the blue quail areas indicate good to excellent bird populations and bobwhite reports vary from

AWARD PRESENTED... Hugh Young, left, president of the Muleshoe Jaycees, presented Don Peterson with an award as Jaycee of the Month for September, for the Holiday Rest Stop Project, headed by Peterson.

poor to good in the eastern Panhandle and South Plains," continued Dvorak.

The late rains in Sept. have helped mature the quail food plots and cover vital to their survival this fall and winter. Grain crops in some areas were good and should furnish supplemental food this winter.

Early morning dews and a good fall insect crop are also helping the young birds through to maturity. The insects and green plants will be available to the birds until the first heavy frost in late Oct. and early Nov.

The West Texas quail season will continue through Jan. 28, 1979 with a daily bag limit of 12 birds in the aggregate.

Sportsmen traveling east and south across Texas to hunt quail should first check in the new 1978-79 Texas Hunting and Sport Fishing Guide due to the different opening dates for various counties from Oct. 28 to Nov. 18 to Dec. 1.

Several non-regulatory counties in northwest Texas will open to quail hunting on Dec. 1, including Collingsworth, Dickens, Foard, Hardeman and Wheeler.

Quail season in the Wichita Falls vicinity and most of the Possum Kingdom counties is from Nov. 18 through Feb. 18, 1979. Sandhill crane season in Zone A, on October 31 or the same as duck and goose season. Thanks.

MRS. LARRY FLOWERS

Mrs. Flowers Feted With Baby Shower

Mrs. Larry Flowers was feted with a baby shower on October 15, at the Tri County Savings and Loan Community Room.

Mrs. Flowers was presented with a corsage of yellow carnations, yellow dotted swiss bows and yellow satin leaves.

The guests were greeted by Mrs. Flowers; her mother, Mrs. Adolph Whitner of Three Way and her sister, Kathy Whitner of Plainview.

The table was laid with an ecru lace tablecloth. It was centered with an infant potty seat arrangement of yellow, mint green, blue and pink carnations; white and yellow daisies; greenery, and yellow bows. Mints, nuts, cookies, punch and coffee were served from silver appointments.

As a hostess gift, Mrs. Flowers was given a play-

Arts Craft Show Slated

The "Christmas in November" Bazaar and Arts and Craft Show sponsored by the Parmer County Family Living Committee has been scheduled for Friday and Saturday, Nov. 17 and 18 at the Community Center in Friona.

The Bazaar will be open from 10 a.m. to 7 p.m. Friday and from 9:30 a.m. to 4 p.m. on Saturday.

Table spaces will rent for \$10 for wall-table space and \$7.50 for a regular table space.

Those interested may call or write Laura Jacobs, Assistant County Extension Agent, Box 683, Farwell, Texas 79325. Exhibitors have until November 10 to make provisions for space.

All individuals, organizations and businesses from the Panhandle, South Plains and Eastern New Mexico area are welcome to take part in the Bazaar. Special demonstrations on crafts and Holiday Fashion shows are planned for the two day event.

H.D. Club Met To Change Name

The Home Demonstration Club met Monday night, October 16, at the Bailey County Civic Center.

The meeting was called to order by Mrs. Robin Taylor. A discussion was held about changing the name of the club and officers were elected. The night Home Demonstration Club will be known as the Moonlight Home Demonstration Club.

New officers that were elected were President, Mrs. Hal Bynum; vice-president, Mrs. Mike Richardson; Sec. - Mrs. LaVayne Williams; Council Delegate, Mrs. Johnnie Estep and Reporter, Mrs.

Study Club Met For Workshop

The Muleshoe Study Club met October 12 at 10 a.m. in the home of Mrs. Dolly Arnn for an all day workshop and covered dish luncheon.

The purpose of the workshop was to work on arts and crafts for the bazaar to be held at the Civic Center on November 10, starting at 10 a.m.

The meeting was presided by Mrs. Wilma Thompson, the president. Those attending were, Mrs. Rufus Gilbreath, Mrs. Luther Pitts, Mrs. Barry Lewis, Mrs. T.R. White, Mrs. Mervin Wilterding, Mrs. Charles Shain, Mrs. A.C. Neely, Mrs. Ed Johnson, Mrs. Joe Costen, Mrs. Betty Jo Carpenter, Mrs. Horace Blackburn and Mrs. Arnn.

The next meeting will be on October 26, at 4 p.m. in the home of Mrs. Doyle Turner. This will be a regular meeting.

West Plains Medical Center Report

From The Journal Files

10 Years Ago

The West Plains Memorial Hospital held its open house on October 20.

Bill Ellis purchased the Friona Star. He had been with the Star since 1962 and editor and manager since September, 1963.

Mrs. Elizabeth Black was presented with a citation for National Achievement in Art by the Muleshoe High School, where she teaches art.

Mrs. Sam McKinstry was awarded professional recognition as a teacher of music by the Certification Board of the Music Teachers National Association.

20 Years Ago

A four-lane highway is being constructed east of Muleshoe on U.S. 84.

Mrs. Phyllis Beavers opened Beaver's Flowerland at 520 S. First St.

don Copley is a sophomore at Texas A & M College. He is in the school of engineering, majoring in mechanical engineering.

Muleshoe Singing Group Met

The Muleshoe Singing Group met at 7:30 on Saturday at the Nazarene Church at 814 Ave. C.

The president, Zed Robinson opened the meeting and led the theme song, "Showers of Blessings." There were thirty-eight present, with six from Clovis and two from Portales.

Mr. and Mrs. John McIntosh attended the meeting. He is a bass singer.

A quartet was arranged by Cecil Rundell. McIntosh sang bass, Mrs. Eva Henderson sang Tenor, Mrs. Lula Locure, alto, and Rundell, soprano. Mrs. Owens sang two solos. Several solos, duets and quartets were arranged by local groups.

Refreshments were served by Mrs. Eva Ashford. The Singing Group meets every Saturday at 7:30 at the Nazarene Church and everyone is invited to attend.

For added protection, keep a list of your credit card numbers, insurance policies and other important documents just in case these items are lost or stolen.

When cooking casseroles for freezing, it's recommend that they be removed from the oven 5 to 10 minutes before well done. Cooking will be completed when reheated for use.

Have furnaces checked and filters changed in September before the rush brought on by the first cool spell.

Slip a plastic bag over each hand while mixing meat loaf, dough and other mixes.

Caution Urged in Hypnotic Treatments

Does hypnosis have a place in medical care?

Yes, but with sharp reservations, says the American Medical Association.

The most common medical use of hypnosis is as an anesthetic. Patients have been hypnotized for childbirth, for dentistry, and during the setting of a broken bone. Hypnosis has been used to ease anxiety and to relieve headaches. Obese patients have reduced their food intake from hypnotic suggestion and smokers have cut down or quit.

However, it is important to know that dangerous complications can result from the indiscriminate use of hypnosis. It should be used only by qualified professionals and on carefully selected patients. The AMA strongly objects to the use of hypnosis for entertainment purposes, because of severe effects that sometimes follow.

One big problem in hypnotic treatment is that it sometimes treats the symptoms without getting at the cause. One woman went to a hypnotist because she was a chain

FIRST PRIZE...Mrs. Tommy Black is shown with the painting by Mrs. Elizabeth Black that will be given as first prize to the winner of the XI Omicron XI Bridge Marathon, on October 21, from 10 a.m. to 4 p.m. at the Civic Center. Second and third prize winners will be awarded a painting by Mrs. Rhonda Pummill.

MONEY DOLL...Mrs. Steve Black is pictured with the \$25 money doll that will be given away at the Alpha Zeta Pi Bingo Carnival on October 26, at 7 p.m. at the Catholic Center. The doll was made by Mrs. Curtis Savage of Sudan. Chances for the doll cost 25 cents. Tickets will be sold in advance for \$1 and at the door, \$1.50. Refreshments will be served and baked goods will be for sale.

smoker. She stopped smoking, but then became a compulsive eater and gained 40 pounds. Another hypnotist cured the over-eating problem, but the woman then became an alcoholic. Finally, she was treated psychiatrically.

Hypnosis has been tried in sports in an effort to improve performance. It didn't work. A big league baseball team once engaged a hypnotist to pep up the spirits of the team. They finished in seventh place.

About one-fourth of the population can be deeply hypnotized in a relatively short time period. Most people can be hypnotized to some degree. It's relatively easy to learn hypnosis, but it can be dangerous.

Hypnosis is not a toy. Unwise use may seriously affect an individual's physical and emotional health.

Lucky Pup

"There are direct and indirect taxation. Give me an example of indirect taxation."

"The dog tax, sir."

"How is that?"

"The dog does not have to pay it."

FOOD MARKETING ALERT

USDA Agricultural Marketing Service

RED MEATS

Beef...adequate. October production rates to average 4-6% below year-earlier level and about 6% below the 1975-77 Oct. average. Production of higher grades to be slightly above year-earlier level, but not enough to offset smaller output of processing-type beef.

Pork...adequate. Production rates to increase seasonally, averaging 2-4% above Oct. 1977 level and about 11% above the 1975-77 Oct. average.

POULTRY & EGGS

Broiler-fryers... plentiful. Marketing rates to be up 8-10% from year-earlier level and 14-16% above the 1975-77 Oct. average.

Turkey...adequate. Supplies increasing seasonally but still 2-3% below year-earlier level and 5-6% below the 1975-77 Oct. average. New-crop production to be up 6-8% from Oct. 1977, but cold storage holdings at beginning of Oct. to be well below 1977 level.

Eggs... plentiful. Output to be 1% above year-earlier level and 3% above the 1975-77 Oct. average.

MILK & DAIRY PRODUCTS

Milk & dairy products...adequate, although milk production nearing its seasonal low. Large government supplies of butter and nonfat dry milk to meet continued strong demand for milk and dairy products.

Milk production for Aug. was down 1.3% from year-earlier level, but up 2.3% from the 3-year Aug. average. Butter production for Aug. was down 17% from year-earlier level, with end-of-month commercial stocks down 32% from Aug. 1977. American cheese production up 3% from year-earlier level, but supplies still somewhat tight. Nonfat dry milk stocks for Aug. 1 were down 22% from Aug. 1977, but are in line with needs.

FRUITS, VEGETABLES, NUTS

Fresh apples... plentiful. Winter pears, cranberries, grapes, Bartlett pears, oranges, grapefruit and lemons...adequate.

Canned and frozen grapefruit juice... plentiful. Canned apple sauce, cling peaches, pears and fruit cocktail...adequate. Canned and frozen orange juice...light, until new pack season begins.

Frozen carrots and corn-on-cob... plentiful. Frozen French fried potatoes... plentiful.

Fresh potatoes and onions... plentiful. Sweet potatoes... plentiful, at their seasonal peak. Canned spinach...light - below year-earlier levels and about 30% below the 1975-77 Oct. average - due to extended

rains in California spinach-producing areas.

Peanuts... plentiful.

GRAINS & LEGUMES

Rice... plentiful. 1978 crop is forecast at record levels, up 38% from the 1977 crop and 19% above 1975-77 average.

Wheat... plentiful for U.S. food needs. 1978 output down 12% from year-earlier levels and 15% below the 1975-77 average. However, large reserve stocks will keep supplies plentiful.

Corn... plentiful for U.S. food needs. 1978 crop to be up 7% from previous record levels of a year ago and 10% above 1975-77 average.

Dry beans... plentiful. 1978 production is forecast at 18% above year-earlier level and 12% above 1975-77 average. Carry-over stocks also expected to be higher than in recent years.

Dry split peas... plentiful. 1978 production forecast at 3 times the 1977 drought-reduced crop and nearly 70% larger than 1975-77 average.

The Costume contest will begin at 6 p.m. and the carnival will be from 7 to 9 p.m.

Miss Teen-Ager Pageant Planned

Young ladies between 13 and 18 years of age are invited to participate in the 8th Annual Miss Texas National Teen-Ager Pageant to be held at Texas Christian University, Fort Worth, on June 1, 2, 3, 1979.

State Pageants were held in participation with 35 Colleges and Universities and more than \$100,000 was awarded in cash and tuition scholarships to participants in 1978 State Pageants.

The 8th Annual Texas Pageant is the official State Preliminary to the Miss National Teen-Ager

Pageant to be held in Atlanta, Georgia in Aug., 1979. The Texas winner will receive among other prizes a Cash Scholarship and an all expense paid trip to compete in the National Pageant in Atlanta. In the National Pageant all 50 States and the District of Columbia are represented by a winner selected in state-wide competition.

The 1979 National Pageant will award among other prizes, \$10,000 in Cash Scholarships for use at the college of the winner's choice; \$2,000 personal appearance contract; 1979 MAZDA; trips; and a full tuition Fashion Merchandising Course Scholarship from Barbizon In-

ternational. Contestants are judged on scholastic achievement- leadership; poise-personality and appearance. There is no talent or swim-suit competition.

The Director, in making the announcement, emphasized that the participation of Texas Christian University of Ft. Worth was to encourage teen interest in scholastic activities-leadership and college environment. The Pageant theme is "What's right about America" and a \$1,000 Cash Scholarship is awarded the National Essay Winner. Each contestant will participate in the Volunteer Community Service Program which is designed to promote teen involvement and participation in Volunteer Civic and Community Affairs. A Mini-Modeling Charm Course will be given during the three day Pageant event.

Peggy Norvelle of Hurst, the reigning Miss Texas National Teen-Ager will participate in the activities and crown the 1979 winner.

Special invited guests will include Barrie Burnett, Miss National Teen-Ager of Gallatin, Tennessee. For further information, please write to Mrs. Sybil Shaffer, 215 Piedmont Ave., N.E., Post Office Box 54495, Atlanta, Georgia 30308.

Fighting Three Way Eagles

By The Three Way School

Annual Staff News

The Eagle Staff has visited area towns recently for the purpose of selling ads. They will soon be getting in touch by mail with the businesses that they were unable to contact on their visit to the city. The Eagle Staff would like to say thanks to all of the people who support our yearbook.

Editor--Kelly Foley
Co-Editor--Beverly Dupler
Business managers-- El-nora Peacock and Shonnee Hodnett
Photographers-- Yolanda Guillen, Alma Marines, and Irene Duarte.

Far Out Freshmen

The Freshman Class is going to have the jail house for their Halloween Booth. They will be out to arrest and jail you. So bring lots of money for bail.

Mrs. Smothermen will take the freshman class to the Muleshoe Library Thursday to check out books for English research papers.

Super Sophs.

With Halloween fast approaching, the Sophomores are preparing for a busy month. Having decided on the colorwheel for carnival booth, they are conjuring up prizes, surprises, and all kinds of "sneaky ideas". So when you come to the Halloween Carnival on the Twenty Eighth of October, be sure and visit the sophomore colorwheel. Bring lots of money, and lots of luck.

Snazzy Seventh

The Three Way School Halloween Carnival is going to be October 28, 1978. The seventh grade will have a basketball shooting booth. We would like to invite all persons to come and support 7th grade class.

FHA Report

The Future Homemakers at Three-Way met Monday, and decided on having a cake raffle at the carnival. The cakes will be fancy baked by the Junior

and Senior girls in class. The tickets for the two cakes will sell for 50 cents a piece.

The girls are also getting ready for the Bazaar in November. It will be the 28th, during the Lazbuddie vs. ThreeWay basketball game. The girls will sell Christmas ornaments, bread and other object d'arts.

Jazzy Juniors

The Junior class met on Monday and decided on having two suppers. Nov. 3, they plan to have a barbecue after the homecoming - Loop vs. Three Way game. The second supper will be November 10 after the Whitharral game, and they will be serving Mexican food.

The Junior girls have just about got the recipe book ready for publishing. They will go on sale immediately after they have been published. They will sell at \$5.00 a book.

The Junior class decided on having a concession stand and a hayride for the carnival, Oct. 28.

The Juniors are all fired up about basketball season. The girls participating in basketball from the Junior class are Renee Cooley, captain, Belinda Richardson, captain, Jackie Carlisle, Mitzi Altman, Robin Reeves, Buby Peacock and Tammy Davis, captain. They have commented that if they all work hard and work together that they will come up with a winning team!! GO MEAN GREEN!!!!

RECIPE

By Sarah Ann Sheridan

A special treat this time each year is fresh apple pie. Fall apples are now plentiful.

Fresh Apple Pie

1/2 or 3/4 c granulated sugar (or half granulated and half brown sugar)

1 to 2 T flour (if fruit is very juicy)

1/8 t salt

1/2 t grated lemon peel

1 to 2 t lemon juice

1/4 t nutmeg

1/2 t cinnamon

6 to 7 cups thinly sliced, pared, cored cooking apples (2 lbs.)

pastry for two-crust pie or 1 package piecrust mix

1 T butter

Combine sugar with flour, salt, peel, lemon juice, nutmeg and cinnamon (amount of sugar depends on tartness of apples). Preheat oven to 425 degrees.

Place half of apples in pastry-lined pie plate; sprinkle with half of sugar mixture. Top with rest of apples, heaping them in center, then with rest of sugar mixture; dot with butter. Adjust top crust on apples.

Bake 40 to 50 minutes or until filling is tender and crust nicely browned. Serve hot or cold with ice cream, cheese or any prepared topping.

Serves 6 to 8.

LATEST ARRIVALS

Jeri Lynne Burreson

Mr. and Mrs. Stanley Burreson of Muleshoe are the proud parents of a new baby girl born October 16, at 5:13 p.m. at West Plains Medical Center. She was named Jeri Lynne and weighed nine pounds and four ounces. She has one brother, Jason, who is three.

Grandparents are Mr. and Mrs. Bruce Burreson of Muleshoe and Mr. and Mrs. Charlie Singleton of Sundown.

Monica Ann Galvan

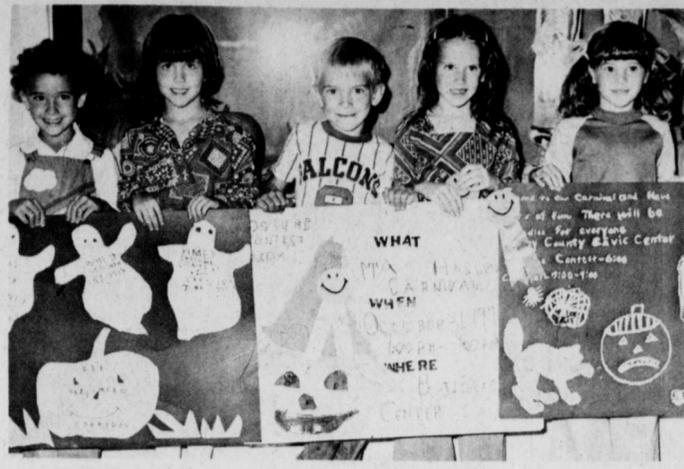

Mr. and Mrs. Vincent Galvan of Farwell are the proud parents of a new baby girl born October 16, at 8:57 p.m. in the West Plains Medical Center. She was named Monica Ann and weighed seven pounds and eleven ounces. She has one sister, Veronica, age two.

Grandparents are Mr. and Mrs. Joe Galvan of Farwell and Mr. and Mrs. William Charles Howe of Baton Rouge, La.

Bobby William Smith

Mr. and Mrs. Bobby Dale Smith of Denver City welcomed their first child, a son, October 16. Bobby William Smith was born at a hospital in Andrews. He weighed six pounds, fifteen and three fourths pounds and was 19 inches long.

The Smiths are former residents of Muleshoe. Grandparents are Mr. and Mrs. Bobby J. Smith, Andrews; Mr. and Mrs. William McCubbin, Denver City and great-grandmother, Mrs. Joe Smith, Muleshoe.

POSTER WINNERS...These students are the winners of the PTA poster contest at Richland Hills School. The posters are for the PTA Halloween Carnival of October 31 at the Civic Center. Pictured left to right, Kindergarten, first, Chub Martin and second, Kim Grigsby; Giles Pummill, first place winner in first grade and second, Michelle Kiggins; and first place in second grade, Krystal Angeley, not pictured and second place, Dalnry Carthel.

ABOUT YOUR HOME

Help get your child ready for his first year at school now by building up his or her self-confidence. Visit the building and playground so that surroundings are familiar. Emphasize the fun and pleasure of learning. Never, never tease or criticize the teacher or school in his or her presence.

Grandparents are Mr. and Mrs. Bruce Burreson of Muleshoe and Mr. and Mrs. Charlie Singleton of Sundown.

By April Rhodes

A good seasoned flour for coating chicken is to mix 1/4 cup flour, 1/2 teaspoon salt and 1/8 teaspoon black pepper.

For a quick summer dessert, place a slice of chocolate ice cream between 2 slices of toasted pound cake. (Toast cake slices on a cookie sheet in the oven.)

FALL IS TUNE-UP TIME

We use the most modern electronic equipment to tune up your car so it runs its best, no matter what the weather. You'll notice the difference when you get behind the wheel.

Hill backs tax relief on ballot Nov 7

"We've got a great opportunity Nov. 7 to take a significant first step toward tax relief in Texas. I'm urging everyone to vote for the proposed constitutional amendment to give tax relief to our farmers and ranchers, homeowners, and elderly. After this amendment is adopted, I'll be ready to take the lead in the 1979 legislature to follow through on this first step."

Bush...

Cont. from page 1
 fence. Bush gave as examples the neutron bomb and the B1 bomber, both of which have been controversial items in the news.

He also spoke of beef importation, a fact that farmers and ranchers still are not getting enough return for their investment to produce a crop or a head of cattle.

Bush also flatly stated that he thought OSHA's proposed Cotton Dust standard for cotton gins was "absolutely ridiculous."

He proposed closer regulation of what money would be allocated, not only for OSHA, but in the areas of welfare.

The candidate gave as partial answers for the

City...

Cont. from page 1
 constructed at West Ninth Street and Avenue B.

After checking the bids, the low bidder was Water Industries, with a bid of \$34,750. On the project, Hi Plains Drilling presented a bid of \$37,863.85 and Wall and Son's had a bid of \$39,362.00.

On a vote of the Muleshoe City Council, the bid of Water Industries was accepted.

A total of \$275.61 on 15 accounts was transferred to bad debts by the council.

Members heard a presentation by Bill McMorris on the current status of the Southwestern Public Service Company's request for a rate increase, and an up-to-date status of SPS plans for appeal.

As a final action, the council went into executive session to discuss matters concerning the Muleshoe Airport. No decisions were reached in the executive session which closed the meeting.

Club...

 mist are, "To develop Optimism as its philosophy of life; to promote an interest in good government; to inspire respect for law; to promote patriotism and work for national accord and friendship among all people and to aide and encourage all youth."

Optimist wives, members and representatives of other clubs, city officials and guests will be attending the banquet.

4-H...

Cont. from page 1
 Read.

Around 15 new or first year 4-H members, were initiated during the session, and presented a special song for the audience.

Mrs. Sain and Mrs. Plank installed officers for the coming year. Named president was Tim Sain, who was likened to a wagon-master; Ronnie Logsdon, vice-president, who is the lead driver; Shelly Sain, secretary, the chuck wagon cook; Mandy Plank, treasurer, the paymaster; Rachel Hardage, reporter; Zanna Huckaby and Terry Baker, council advisors; Justin Helton, parliamentarian; Michele Logsdon, historian; Lauri Kinard, game leader; Kristi Taylor, represented by her sister, Misty, song leader.

Also recognized were the adult leaders for the incoming year, Mr. and Mrs. Doug Logsdon.

farmer's problem that markets should be developed overseas, and said the federal government needs to be out of agriculture. He said the State Department is too involved as their intention is to sell cheaply in order to curry diplomatic favors.

He also spoke on oil and gas deregulation, and opposed the deregulation which he said would stop future exploration for supplies which could be obtained cheaper in the United States.

Bush said he will be back in Muleshoe, probably for the Muleshoe - Littlefield football game on Friday, October 27.

Mules...

Cont. from page 1
 to play Muleshoe despite colds suffered by several of the players, and added, "I think the boys will give it everything they have."

The team is expected to be in near peak shape for the Friona-Muleshoe game to be played at 7:30 p.m. in Friona.

Bill Ellis, publisher of the Friona Star, added an afterthought, "But one thing in Friona's favor might be the fact that it always seems that when the Mules are big favorites, the Chiefs manage to come up with the upset."

However, the Mules expect to turn that around this year, and not only revenge their sole loss of last year, but put even a wider gap in the winning record between the two teams, as well as head for a District Championship.

Members heard a presentation by Bill McMorris on the current status of the Southwestern Public Service Company's request for a rate increase, and an up-to-date status of SPS plans for appeal.

As a final action, the council went into executive session to discuss matters concerning the Muleshoe Airport. No decisions were reached in the executive session which closed the meeting.

 ture two tables of ladies' shoes at "Hee Haw" prices.

At C.R. Anthony Co., special buys will be featured throughout the store during the week.

Automotive specials and appliances will lead the list of savings items at White's Stores.

And what about Cobb's? They're kicking down prices during the week, and will have a lot of special items.

From western wear to dress wear for men will be featured at Albertson's Men's Store.

At the same time, Perry's will be having special prices for the "frontier" woman on fabrics and cosmetics.

Silver and opals will be spotlighted during the week at Lindsey Jewelry, who remind that opal is the birthstone of the month there.

Western Auto looks at children's special wants, and will have a special on various toys.

Lookin' Good promises items below cost and other merchants will probably also feature special sales during the week of celebration.

MORE 4-H LEADERS... Other 4-H leaders installed during the banquet Monday night for the Muleshoe 4-H were, from left, Zanna Huckaby, council advisor; Terry Baker, council advisor; Michelle Logsdon, historian; Lauri Kinard, game leader and Misty Taylor, for her sister, Kristi, song leader.

The Speaker Reports

by Bill Clayton

AUSTIN—Under the procedure for adoption of constitutional amendments, the Legislature must first approve a joint resolution by two-thirds vote of the membership of each house. But after the Legislature has done its part, it is up to the voters of the state to approve or reject the proposed constitutional amendment.

On November 7, Texas voters will have the opportunity to determine the fate of several amendments to the Texas Constitution.

Amendment No. 5 concerns the expansion of the jurisdiction of justices of the peace in civil cases where the amount in controversy is \$200 or less.

The amendment would remove the county court's present exclusive jurisdiction of civil cases between \$200 and \$500, and would expand the jurisdiction of justices of the peace to include concurrent jurisdiction with the county court in civil cases where the amount in controversy exceeds \$200 and does not exceed \$500.

The proposed amendment also would authorize the legislature by law to expand further the jurisdiction of justices of the peace to include concurrent jurisdiction with both the county and district courts in civil cases where the amount in controversy exceeds \$500 and does not exceed \$1000.

Concurrent jurisdiction for the justice of the peace court and the county court for matters presently within the exclusive jurisdiction of the county court would help to relieve crowded court dockets. Approval of the amendment would also have the effect of settling small cases involving more than \$200 in a quick simple and economical manner.

Bentsen-Backed Move Kills Welfare Reform

The Senate, late Friday, approved an amendment backed by Senator Lloyd Bentsen to eliminate from the tax bill a \$500 million so-called "welfare reform" provision that would have short-changed Texas.

The amendment cosponsored by Bentsen, and approved 52-36, deleted a section of the tax bill which would have ostensibly encouraged welfare reform by establishing a \$500 million incentive program to provide payments to states as they move toward reducing welfare errors to 4 percent.

"The legislation would reward states which have had the highest rates of error. It transforms a history of carelessness into a

virtue. Because of the way the formula works, a state with 6.7 percent error rate could collect nothing, while a neighboring state with a 12 percent error rate could reap millions of dollars," Bentsen said in arguing for his amendment on the Senate floor.

"The proposal is generous in the extreme to two categories of states: those with unusually high welfare expenditures and those with traditionally sloppy accounting procedures."

Bentsen noted that New York and California, the two states most generous to welfare recipients, could have received 28 percent of all the funds distributed under the proposed formula while they have only 16.3 percent of the poor people in this country.

By way of comparison, Texas with 7.5 percent of the poor, would have been entitled to only 3 percent of the funds. Similar imbalances would have applied to such states as Louisiana, Georgia, South Carolina, Tennessee and Kentucky.

Police...

Cont. from page 1
 the charge of being a part of a conspiracy for the manufacture and distribution of methamphetamine.

Other incidents reported included the loss of four calves, reported by Mrs. Jerry Ross; an attempted breaking and entering, reported by Betty Ruthardt; a lost license plate; a stolen pig reported by Tom Edmundson; a missing Brittany spaniel, reported by Elmer Davis; a stolen .22, reported by Leon Burton and two portable welders, reported stolen by Jack Little.

Diet Shown Unpalatable

Providing a nutritious diet is often not enough to get the best weight gains in livestock.

The taste, or palatability, to the animal must be considered, according to Dr. Donald E. Orr, Jr., of

the animal science faculty at Texas Tech University. Orr has been working to find a palatability rating for each ingredient used in various diets.

"Most diets are nutritious enough," Orr said, "but some contain ingredients that have a bad taste to the livestock."

Cotton Price Shows Higher At Weekend

Prices High Plains cotton growers received were around \$7.50 per bale higher the week ending October 13, according to Paul R. Dickson, Area Director at USDA's Marketing Services Office in Lubbock.

Growers sold mixed lots of mostly grades 42 and better, staples 30 - 33, mikes 3.5 - 4.9 around \$6.50 per pound. New crop lots of mostly grade 52, staple 29, mikes 3.5 - 4.9 brought about \$1.25 cents per pound, Dickson said.

High Plains Marketing Services Offices graded 6,500 samples this week, bring the season's total to 7,500. This compares with 249,000 graded by October 13 last year, according to USDA's Agricultural Marketing Service.

Predominant High Plains grades this week were grade 42 at 31 percent, grade 52 was 31 percent, grade 43 accounted for 16 percent, and grade 53 was 13 percent.

Staple lengths were mostly staple 29 at 17 percent, staple 30 was 42 percent and staple 31 accounted for 27 percent.

Micronaire was mostly in the desirable 3.5 - 4.9 range at 85 percent of the total. One percent was higher and 14 percent was lower.

Seven percent were reduced one grade because of bark.

Gins paid growers \$90 to \$105 dollars per ton for cottonseed.

The first phase of his research has centered on determining palatability of different components in diets of four - week - old weaned pigs.

"If an adequately nutritious diet is fed just weaned pigs, then the amount of weight they are able to gain initially depends on the amount of feed they eat. By making the diet as good tasting as possible, we may help increase the amount the young pigs will eat."

Orr was obtained some basic ratings for feedstuffs used in two experiments - free choice and single diet.

The control diet was a corn-soy based diet. All diets were mixed to contain one percent lysine, a necessary nutrient for young pigs.

In free choice feedings the control corn-soy diet and one other feed were offered free choice to the pigs.

The corn-soy diet was rated at an arbitrary 100 points, the wheat-soy diet at 128 and the corn-soy with sucrose at 126. Additional diets fed fell below the 100-point level. Ratings were based on the amount the young pigs consumed.

In single diet experiments pigs were offered only one feed. The only diet offered which had a

higher palatability rating than the control corn-soy diet was the sorghum-soy based one. In the free choice diet the sorghum-soy feed had been rated at 55 to the corn-soy's 100. In the single diet sorghum-soy scored 104 to the 100 for corn-soy.

Also in the single diet category the wheat - soy was rated at 96 and the corn-soy plus sucrose was rated at 97. These were the two rated closest to the corn-soy diet, other than the sorghum-soy feed.

Orr said free choice tests showed that pigs really do exhibit a preference for certain feeds. The single choice tests demonstrated that when given only one choice, pigs will eat although they may not gain as well.

Less palatable feeds are often more economical than the more preferred ones, Orr said. By using less palatable feeds, but including flavors preferred by pigs, producers should be able to maintain optimum feed consumption with corresponding weight gain.

Orr said this research is the first stage of a long-term study which he hopes will end with the development of a rating system for all ingredients used in diets.

Such a system would enable the producer to decide which combinations and added flavors will give the best taste to increase consumption.

Orr recently presented his findings at the First International Symposium on Palatability and Flavor Use in Animal Feeds at Zurich, Switzerland.

Order Your Share NOW

Most good farmers don't wait until planting time to buy Pioneer-brand seed... not anymore.

The best farmers seem to think that having the seed with the greatest potential is too important to leave to chance. So ordering next year's seed as soon as they've seen this year's results is becoming a habit... practically a tradition.

Why? Because, when you compare Pioneer performance to brands that are always available and compare the advantages of ordering early to the disadvantages, you've got to pick up the phone and call a Pioneer dealer.

AND TO CAP IT OFF - Pioneer will acknowledge your early order by sending you a sprightly green, foam-lined gardener cap.

By Evelyn Ritchie

Alma Fiulash was taken by ambulance to the Littlefield Hospital Monday evening following a fall in which she received a broken hip.

Monty Rogers of Houston visited last week with his parents, Mr. and Mrs. Wayne Rogers. His sister, Gaylene returned with him to attend the Texas Tech and A&M football game at College Station.

Mr. and Mrs. Mike Fisher, Shannon and Tanya visited during the weekend with her parents in San Angelo.

Mrs. Madge Williamson, mother of D.W. Williamson, has been released from the St. Mary's Hospital and is recuperating at the home of her daughter in Lubbock.

Kathy Fisher of Hart visited during the weekend with her parents, Mr. and Mrs. Lee Roy Fisher.

Mr. and Mrs. Morris Phillips of Muleshoe and Mr. and Mrs. Darwin Mc-Bee and girls of Morton, visited Sunday with Mrs. Dewayne Phillips, Christie and Michael.

Mr. and Mrs. Ves Patterson are vacation at Pt. Aransas.

Mr. and Mrs. Jim Fields were in Seminole to attend the wedding of her sister, Linda Johnson.

Mr. and Mrs. Welton Fields of Paducah visited over the weekend with Mr. and Mrs. Lewis Fields.

Mrs. Jo Rush of Waco visited Tuesday and Wed-

nesday in the home of Mr. and Mrs. Kerry Hurst.

Mr. and Mrs. Jim Savage and boys of Lindsay, Oklahoma visited recently with his parents, Mr. and Mrs. Curtis Savage and also with her grandparents, Mr. and Mrs. Raymond Nix.

Mr. and Mrs. John Nix of Texline, visited recently with his brother, Mr. and Mrs. R.D. Nix. Also visiting them was his sister, Mrs. Laura Irwin and Mr. and Mrs. Matt Nix.

Mr. and Mrs. Jerry Birdwell of Canyon and Mr. and Mrs. Clovis Birdwell have been vacationing at Lake Buchanan. While the Birdwells were vacationing Mrs. Glenn Gatewood was in Canyon to be with their children.

Pat Minyard is a medical patient at South Plains Hospital in Amherst.

Mr. and Mrs. Bob Drake were in Lubbock, Sunday, to visit his sister, Mr. and Mrs. Harvey Frick.

Mr. and Mrs. R. V. Pratts of Ralls visited Monday with her sister, Mr. and Mrs. D.W. Williamson.

Mr. and Mrs. Arthur Smith have moved to Sudan from North Dakota. He is employed in farming with Edward Fisher.

Frances Ramos remains a medical patient at the Plainview Hospital.

Zetha Young visited during the weekend with her mother, Martha Richardson in Plainview. Her sister, Sue Parkey of Midwest City, Okla., was also visited with them in Plainview.

Happy Birthday to

PLAYERS OF THE WEEK...Named players of the week for action during the Muleshoe-Idalou football game last Friday were from left, Doug Cowan, Lineman; Charles Briscoe, Secondary; Dickey Sudduth, Receiver; front row, from left, Dave Poyner, Defensive Linebacker; Dan McVickers, Lineman and Jeep Shanks, Running Back.

Jamie Cox.

Mrs. Jane Netherland of Midland visited recently with her parents, Mr. and Mrs. Bruce Newman.

Mary Olds accompanied Mr. and Mrs. Acie Danials to Toledo Bend for a few days.

Mr. and Mrs. Ralph May, Mike and Marilyn were in San Angelo during the weekend to visit Brian and Bernadette May and to attend the football game between San Angelo and Stephan F. Austin.

Mr. and Mrs. Sterling Reese vacationed with their daughter, Maurine Thomas of Diane, at the

Lake of the Pines.

Visiting Friday with Mr. and Mrs. Lon Chaffin were his parents, and brother and sister of Guymon, Oklahoma. They attended services Friday night at the Baptist Reunion.

Mrs. Daisey Ford has returned home from Glase-water where she visited her daughter, Mr. and Mrs. Lowell Ford. She also visited in Dallas.

Josephine Fisher has been in Amarillo frequently the past month to visit her mother, Mrs. Ethel Lowe, who was seriously injured in an auto accident on Labor Day.

ADULT LEADERS... Mr. and Mrs. Doug Logsdon were named adult leaders for 1978-79 for the Muleshoe 4-H Club. They officially took over from outgoing adult leaders JoMeda Plank and Rose Sain Monday night.

Texas, Arkansas Tilt 'Tops' Football Action

As they did with Oklahoma just two weeks ago, Texas once more hogs the national spotlight. However, this time they have to share it with THE Hogs, the undefeated Razorbacks of Arkansas. This will be the sixtieth meeting between the two Southwest Conference powers, who have fought over the league title more than any other teams in the league. The Longhorns have dominated the series, winning exactly three-quarters of the games. And there is one peculiarity. During this long series, no game has ever ended in a tie. Texas breezed through three opponents before being squashed by Oklahoma, 31-10. And the last time the Razorbacks were impressive, in spite of

being undefeated this season, was in the Orange Bowl, squashing the same Sooners, 31-6. Arkansas may be a sleeper as they were last year (they lost to the Longhorns in '77, 13-9) but we are picking Texas to win by seven points. Michigan is no longer undefeated, however, Big Ten rival Wisconsin is (somehow there has to be a comparison!) That is the best we can do. The rest is bad news. When the two met last fall, they were both undefeated through five games. What happened? Michigan buried the Badgers 56-0. The spread this year in favor of Michigan is 26 points. We hit a wee jackpot two weeks ago when we forecast 51 winners out of 67 in major college games. The

average through games of October 7th, .744 based on 762 right and 262 wrong. Action in the Big Eight Conference centers on Nebraska-Coronado and Oklahoma-Low State. Colorado suffered its first defeat of the season last week, and the Buffs will be 23 point underdogs to the Cornhuskers. The Cyclones of Iowa State were hit by Nebraska and Missouri on back-to-back Saturdays, and now comes Oklahoma. The Sooners will win by nineteen. In the Southeast Conference, Tennessee hosts Alabama, and in the Atlantic Coast Conference, Wake Forest challenges Maryland. And the Crimson Tide and the Terrapins will continue to roll. Alabama by 21 over the Vols and Maryland by 24 over the Deacons. Syria steps up attacks on Lebanese rightest.

Letters To The Editor

Dear Editor,
During the Democratic Primary this spring, I strongly supported Governor Dolph Briscoe because he best represented my conservative philosophy. In fact, I served as the Governor's regional coordinator in 32 counties, including your own. This fall, I am actively working for Bill Clements for Governor because he is the only candidate that represents the same conservative philosophy of the vast majority of Texans, people like Governor Briscoe and myself.

I can't speak for Governor Briscoe, but I can point out that his daughter and son-in-law have publicly endorsed Bill Clements, as have Red Nunley of Sabinal, the Governor's close friend and longtime business partner; Dr. Sterling Fly of Uvalde, a member of the University of Texas Board of Regents and the Governor's personal physician; Ross Watkins of Uvalde, a member of the Texas A & M Board of Regents and a close friend of the Governor; and Lewis Bracy of Uvalde, President of the Governor's bank and one of his close friends. The list of well-identified Briscoe backers now supporting Bill Clements goes on and on.

Mr. Hill knows he is distorting the truth when he claims that 95 percent of the Briscoe leadership is behind him now. Six of Governor Briscoe's 12 regional coordinators, including myself, already have publicly endorsed Bill Clements, as have more than 70 county coordinators. In more than 170 counties, Briscoe regional or county coordinators are publicly supporting and working for Bill Clements.

We are supporting Bill Clements this year because the race for the Governor's office is not a case of Democrats versus Republicans, rather it is a case of conservatives versus liberals. Bill Clements is the conservative and

Dear Editor:
Would you please give the West Texas Flea Market some coverage in your next edition? Thank you.

Brownfield Chamber of Commerce will sponsor its second West Texas Flea Market, Saturday and Sunday, October 21-22, in the Terry County Barn and Rodeo Grounds located on Highway 137 between the Plains Highway and the Levelland Highway.

The first flea market, held the third weekend in September had a total of 52 booths and 10 reserved booths at that time for the October flea market. Total of reservations at this time is 21, according to Bobby Slack, Chamber of Commerce director.

Reservations for the West Texas Flea Market can be made through the Brownfield Chamber of Commerce, P.O. Box 152, Brownfield, Texas 79316. The office is open Monday through Friday from 8:30 a.m. until 5 p.m. The telephone number is 637-2564.

Telephone reservations will be cut off one week prior to the start of the Flea Market. Money for both telephone and mail reservations must be received by Thursday prior to the beginning of the sale. Reservations made in person will be accepted through Friday noon, preceding the sale.

Each lot is 10' x 12' and the exhibitors are responsible for their own booth set up and any extension cords they might need. The electricity for the entire weekend is \$2 per booth space.

Spaces are available for used, antiques and hand-made items. The reserved price is \$6 and the non-reserved price is \$8. For new merchandise the reserved price is \$8 and the non-reserved price is \$10. Booths selling food and drinks are reserved for \$10 with the non-reserved price set at \$12.

There will be no alcoholic beverages allowed at the West Texas Flea Market. Hours for the Flea Market will be from 9 a.m. to 8 p.m. on Saturday, October 21, and from 1 p.m. to 6 p.m., Sunday, October 22. Thank You, Brownfield Chamber of Commerce.

John Hill is the liberal. This is the first time Bill Clements has run for public office and he is doing so now because, like a lot of us, he wants less government and less federal interference in our lives. Bill Clements is a proven manager and administrator, a free enterpriser-- not a professional politician like his opponent, who has been running for the office for the past 10 years.

Conservatives around the state know John Hill and they know they can't trust him. Mr. Hill engineered the liberal take-over of the State Democratic Party-- the first time this has ever happened in Texas history and he personally supported a McGovern campaign worker to be state party chairman.

Those of us supporting Bill Clements are doing so because we are committed

to electing another conservative as governor. Thank you for hearing me out on this issue so vital to the future of our state. Sincerely, T.L. Roach (s) T.L. Roach Regional Chairman Governor Dolph Briscoe Campaign Amarillo, Texas

Sorghum Team Reports Strong Competition

Grain sorghum farmers have a big sales job ahead if they want to continue exporting a large share of their production. This was the report of a grain sorghum promotion team that has just returned from Europe.

The team was led by Elbert Harp, Executive Director of Grain Sorghum Producers Association and Texas Grain Sorghum Producers Board. Accompanying Harp were Ben Baisdon, Director of Marketing, Texas Department of Agriculture, and Dr. Reed Richardson, Livestock Nutritionist and Assistant Professor, Texas Tech University.

"We will lose our current sorghum markets unless we fight to keep them," Harp stated. Problems that must be overcome are: 1. widespread lack of knowledge about nutritional value of yellow sorghum, 2. poor performance from livestock fed high tannin sorghum imported from Argentina, South Africa, and other countries, and 3. lack of market information about prices of sorghum in relation to corn, barley and other grains.

The fast moving team sponsored by the U.S. Feed Grains Council and the Foreign Agriculture Service of U.S.D.A., worked in England, Germany, Norway, Poland, Romania, Spain and Switzerland. The mission lasted almost three weeks.

Prospects for large grain sales this year are dimmed by the huge barley and wheat crops that have

been harvested in Europe. Many normally importing countries are actually exporting grain this year. Until these surpluses are used, sorghum sales from the United States will suffer. Poland, one of the new major customers for sorghum, can buy European barley delivered to their ports for the price of sorghum at the U.S. Gulf ports. As long as this price relationship exists, they will use barley.

To overcome the prejudice that has developed in recent years because of high tannin sorghum, GSPA, through U.S. Feed Grains Council, is conducting demonstration feeding tests. Such tests in poultry, swine, beef, and fish feed are being completed in Poland. All tests have shown favorable results

with U.S. No. 2 yellow sorghum. These tests will help us sell more sorghum to Poland in the future.

The team also met with officials in the London office of Reuter's Commodity News Service, encouraging them to carry current market prices of U.S. sorghum. "When a prospective customer does not know the advantages and savings of U.S. sorghum, he will not buy it. Informing them is a necessary part of our sales job," Harp continued.

Grain Sorghum Producers Association has been active in market promotion for twenty years. In that time sales have risen from virtually nil to over 200 million bushel per year, about one-third of the total U.S. production.

"Less than fifty thousand dollars has been available annually to carry on the worldwide grain sorghum market development program. Ten times that amount is needed to adequately carry on the educational program in areas that have already been identified as potential customers. Farmers are just beginning to realize that selling is as important to their crop as producing it," Harp concluded.
