LIONS CLUB

The Lions Club members met for the regular luncheon Wednesday at the Community Center. Miss Pam Sanderson sang two solos, accompanied at the piano by Mrs. Anna Lee Johnson.

Guests included Miss Sanderson, Rev. Zeke Zirkle, Billy Joe Swann, and Harry Bradstreet. Rev. Robert Brannon became a new member.

Lion Fred Campbell told of the effort being made to get our part of the country being declared a drought stricken area, so as to get freight rate reductions this winter. He said a hearing was to be held in Austin next Thursday for such a granting and that it was important that the county be represented. President Swann appointed a committee to look into the matter. Along with Campbell he appointed J. T. Davis, H. L. Hildebrand and Alvie Cole. The club went on record as favoring a rate reduction on freight. Feed freight rates will be high this year due to the long haul necessary.

Swann talked briefly of the need of fixing up the inside of the community center. He proposed such as new lights and a new finish job on the main room therein. Ways and means of raising money for such work was talked. Roland Lowe suggested that a scrap iron drive, sponsored by the club, might be one good way. Such suggestion was taken under advisement.

The prize went to Horace F. Donaldson.

North Concho River Soil Conservation Supervisors to Get Recognition

Every Texas citizen is interested in the splendid, constructive work being done throughout the state in the interest of soil conservation. This work is being done not only by the Soil Conservation Service of the Department of Agriculture and its 58 District Conservationists, but by 825 Soil Conservation District Supervisors, who are assisting in carrying out this program throughout the state. These District Supervisors, who give their services gratis, are now to get recognition for their splendid work. The Texas Bank and Trust Company of Dallas has announced that an annual award, beginning in 1952 is to be presented to the outstanding Soil Conservation District Supervisor in Texas. This award is to be an all-expense trip for the Supervisor and his wife to some chosen area within the United States or its possessions to study soil and water conservation methods.

The winner will be selected through a banker-farmer-rancher tie-up in each district. Each of the 165 districts in Texas has five supervisors, all farmers and ranchers. The districts are grouped into five zones. Each zone has a vice-president and four directors, all of whom are farmers and ranchers. A soil conservation award committee will be set up in each zone. Committee members will include the zonal vice-president and one director, plus three bankers. Banks will be asked

Fire Truck Contributions

Seth Bailey and Jeff Davis got out this week and raised money to pay for the new fire truck, and brought the total amount up to \$2,634.50. Nearly \$400 more yet is needed to pay for the new truck.

Previous collections had accounted for about half the amount needed. Working on the money raising has been H. A. Chapple, Jeff Davis, J. T. Davis and S. M. Bailey.

Buddy Cole, son of Mrs. Agnes Cole, leaves next Wednesday for Abilene where he will enroll as a junior in Hardin-Simmons University. Buddy, a ministerial student, has been attending H-SU for the past two years.

Mrs. Cecil Long and son, Hector, left Wednesday afternoon for Arlington, Texas where Hector will re-enter Arlington State College as a sophomore. Mrs. Long will visit a daughter, Mrs. G. C. Tate and family, while in Arlington. She plans to attend a cosmetic show in Ft. Worth while gone, as well as attend a gift showing in Dallas. At the gift show, she will do some buying along that line for the Long Drug Company.

Greens Moving To Arkansas

Mr. and Mrs. Benny Green and son, Ricky, are moving to Harrison, Arkansas about the 15th of this month. The Greens have sold their home here to Henry Bauer.

Benny plans to buy a place near Harrison, he said.

To Operate Beauty Shop a Week

Mrs. D. D. Garrett will operate the Vanity Beauty Shop next week for Mrs. Ruby Gruny, she announced this week. Mrs. Gruny is to have a week off with some medical treatment on her hand.

ed to nominate the outstanding supervisor in their districts. These nominations will go to the zone committees which will screen the nominations and send one name from each zone to a State Conservation Award Committee. This committee then will select the winner. The State Soil Conservation Award Committee will include Claude Jones, Gainsville banker; Paul Walser, Temple, State Soil Conservationist; Clayton Puckett of Fort Stockton, head of the Texas Association of Soil Conservation District Supervisors; Walter Humphrey, editor of the Fort Worth Press; C. M. Caraway of DeLeon, Chairman of the State Soil Conservation Board; and P. B. (Jack) Garrett, President of the Texas Bank and Trust Company of Dallas. This program is designed to create a better understanding and closer relationship between the banker, farmer and rancher, as crop growing and livestock-raising are still the basis of the Texas economy, despite the outpour of oil and industrial products.

It vitally affects our own area. All farmers and ranchers are encouraged to help their supervisors for the winning of the award will bring recognition not only to the supervisor, but to the district and zone he represents.

With the House in informal recess until September 12 to enable the Senate to catch up with accumulated bills previously acted upon by the House, House members are occupied with committee work and visits home by some who are able to find the time. I will be able to spend a few days in the district, beginning with a visit to Brownwood on Labor Day where an annual celebration will take place.

The big Texas Wool and Mohair Festival, to be held in Kerrville on October 3, 4, 5, and 6, is attracting widespread interest this year, according to reports. One big style show will feature mohair and wool garments with the styling and needlework of youthful contestants from the ranches and farms of Texas as being shown at their best. Mrs. John V. Saul, of Bandera, Publicity Chairman for the event, reminds that entries must be in not later than September 15.

With the synthetics on the march these days, here's another chance to promote and dramatize the quality and looks that only natural fibers can provide. To be able to enter the contest a girl must cut and sew and fit her own dress without actual help from anyone else. Entries should be sent to Mrs. W. B. Wilson, 1510 West Ave. J., in San Angelo.

Visiting in Washington last week was Mr. Clyde Wood, Senior Clerk in the Brownwood postoffice. While here he visited with his daughter and son-in-law, Mr. and Mrs. Ellis W. Evans and family. The latter has been with the Federal Power Commission for 10 years and now holds a very responsible position with that agency.

Other recent visitors have included Clyde Northington and John B. Langford of Lampasas; Captain Robert C. Lee, Captain Clark Farar, Mr. and Mrs. Merton West and daughters, Ann and Sue, all of San Angelo; W. Lee Watson of Brownwood, and Scott Boyer and County Judge Galloway of Coleman.

"Hold your confederate money, the South will rise again!" In that spirit, the Confederate flags are seen a lot in Washington and environs these days. Even the House Page boys, who live in a house across the street from my office window, have a large Confederate flag on display. Everybody seemed to enjoy the fun except one Louis A. Salmon of Lynn, Mass., who protested the display of the Southern banner at the VFW convention at New York last week. "The Confederate flag," he said, "went out of existence at the end of the Civil War. This fad is dangerous."

But the State Commander from Alabama retorted: "If you try to drive the Confederate flag from this organization, you're driving the South out. We of the South are proud of our flag. 'Yankee Doodle' is played and we never objected." Novelty shops in Washington say the publicity has increased business for them. The craze seems to be nation-wide. A student in Troy, N. Y. wanted two of the banners so badly he sent a local novelty store a check for \$2.50. Actually, the small flags sell for 59c each. A man in South Dakota sent a check for two large banners. A woman in Elkhorn, Wis., wrote that she obtained the store's address from Senator Byrd.

One Washington distributor reports "they're selling like hot cakes." One store here sold 10,000 of them the past year. Another Washington dealer reports: "I've sold more in the last nine months than in the last 15 years." There's a difference of opinion about where the fad started, but it got a lot of attention when the Dixiecrats marched out of the 1948 Democratic Convention, waving the Confederate banners. Then when Charlie Justice came to play football for the Washington Redskins the Tar Heel supporters bought

Ranch Company Honors Employees With Barbecue

The C. & M. Ranch Company, owned and operated by Claude Collins, Jr., Ralph Collins, and Dr. and Mrs. Elliott Mendenhall, Sr., and Claude Collins, Sr. entertained their employees and families with a barbecue last Saturday night at the Claude Collins, Jr. ranch here.

One hundred and ten guests were present at the affair. This number included employees of the Collins family in the operation of 15 ranches and irrigated farms in Texas and New Mexico.

Goat roping, target shooting and a short after-dinner program provided the diversion for the affair.

Mr. Collins, Jr., and Ralph Collins served as masters of ceremonies and guests were registered by Aquilla West. Mr. and Mrs. Claude Collins, Sr., Mmes. Collins, Jr. and Ralph Collins and Dr. and Mrs. Mendenhall welcomed the guests. The food was prepared and served by the St. Angelus Hotel.

Winners in the roping included Jessie Parker, Jim Earl West, Maynard Willis, Manuel Davis, Buck Robinson and Charlie Drennan. The target shooting winners were Curtis Wilson, first; Roy Pearce, second; Duane Cape, third. Guests scoring in the name drawing were Sammy Connell, Cleve West, Mrs. Jim Earl West, Bud Carruthers, Vance Wilson, Beverly McCollum, Reany Cape and John McDonald.

The evening program began with Claudia Collins giving her version of "Mary's Little Lamb". Songs and skits were rendered by Elliott Mendenhall, Jr. and Richard Love of Dallas.

more than 400 flags to wave at the games where he played.

And so it goes. One Southern writer reasons that it's all a spontaneous outburst of an ideal, not confined to the south. "It stands for local self-government," he maintains. "It stands for a cause—and that cause is the right of the individual to carve out his own destiny and not have it planned for him by a central bureaucracy; that cause is the right of the local government to determine what is best for its people and not have this question decided by a far-removed agency."

School Opens After 2-Day Delay

The opening of school was delayed two days due to the burn-out of a motor on the water pressure pump system. School was scheduled to open Tuesday morning, September 4, at 9 o'clock. As it was, the opening was held Thursday morning.

The school is meeting in the new and remodelled building this year. Last year, classes met in two of the churches and in the community center and courthouse, as well as the school gym. This year, the new building is ready and everything is in top shape for a good school year. The faculty and board members are looking forward to a very successful year in every way.

The enrollment had not been completed as this paper was printed, but around 250 students are expected.

The faculty is complete and the school year now begins its grind for the students.

America's Food Problems At The Plate

It was Grocers' Day at Wrigley Field, home of the Chicago Cubs, as 2,500 grocersmen from every corner in every state took time out from the five-day session of their 52nd annual meeting of the National Association of Retail Grocers to relax at a ball game. Though most of the sessions and the two miles of exhibits at the meeting dealt with the important problems faced by grocers in getting food to the country's 150 million people, there was time to enjoy a major league game. Shown picking up a few tips about food for their hungry ballplayers are Eddie Sawyer, left, manager of the Philadelphia Phillies and a former biology teacher, and Frankie Frisch, right, manager of the Chicago Cubs, whose appetite for steaks is as keen as his players'. The two pilots are with, right to left, Paul McGowan, general manager of the General Foods Sales Division; Jerry Klomp, Ogden, Utah, president of the grocers' association; George Black of Chicago, and Harold Colclough of New York.

Warm Today? Cook With Cold!

As any housewife knows, people don't stop eating when the temperature soars. "Three squares" still have to go onto the table, no matter what the thermometer says. But people do like food that is different from their normal winter fare. Tempt their appetites . . . and spare the cook. Use your ice-box instead of your stove.

You can feed them with true economy, because cooking with cold makes tempting dishes out of the most meager left-overs. You can feed them just as healthfully, maybe more so, because the markets are full of garden-fresh vegetables and fruits. The important meat elements, the vitamins and proteins we need all the year round, can be added easily and deliciously with Bovril, the British beef extract.

American women are fast learning the many uses of this high beef concentrate. In England, where meat is still a rarity, Bovril has proved a priceless means of adding both beef nutriment and beef flavor to meatless meals.

This cold-cooked vegetable aspic makes good use of those half-portion left-overs that are such a nuisance in meal planning. With the addition of raw vegetables—celery, raw carrots, sliced or cubed tomatoes, a little minced onion—it makes a hearty and appetizing hot weather meal.

Vegetable Round-Up

- | | |
|-------------------------|---|
| 1 package plain gelatin | 1 tablespoon Bovril (or 3 Bovril cubes) |
| 1 cup cold water | 1 teaspoon lemon juice |
| 1 cup boiling water | 2-3 cups vegetables |
| 1/4 teaspoon salt | |

Dissolve the gelatin in cold water, add boiling water and Bovril, stir till dissolved. When cool, turn into wet mold, add vegetables and set to chill. To serve, set mold upside down on serving plate, cover with hot cloth. Center of mold may be filled with cole slaw, chicken or fish salad. Serve with mayonnaise or tart boiled dressing. Serves 4 to 6.

Summer Punches

By JANE ASHLEY

For delightfully different refreshing drinks, try these cooling punches . . . perfect for summertime and year round enjoyment. Made with corn syrup, your punch will have that real smooth flavor . . . And remember! Corn syrup blends quickly, too.

Holiday Punch

- 2 1/2 cups light corn syrup
3 bottles (3 pints) cranberry juice
3 cups strained orange juice
1 1/2 cups strained lemon juice
3 cups carbonated water

Measure corn syrup and fruit juices into pitcher. Stir until well mixed. Chill thoroughly. Just before serving add carbonated water. Pour over ice to serve. Makes 1 gallon.

Fruit Punch

- 1 1/2 cups Karo Syrup, Red Label
1/2 cup strongly brewed tea
1/2 cup lemon juice
1/2 cup orange juice
1 cup pineapple juice, or juice drained from canned fruit
1 quart ice water
1 pint ginger ale
1 4-oz. bottle maraschino cherries and juice (optional)

Combine corn syrup, tea, lemon, orange, and pineapple juice. Chill. Just before serving, add ice water, ginger ale, maraschino cherries and juice. If maraschino cherries are not used, punch may be tinted a delicate pink by adding 1/4 teaspoon red food coloring. Makes 2 1/2 quarts, sufficient for about 12 servings

**A Summer-Weight Topper
CAKE OF THE MONTH**

By BETTY BARCLAY

During these hot summer days, we rightly relegate rich, heavy desserts to a temporarily-out-of-service file. However, since nearly everybody likes something to "top off with" at dinner time, we believe you'll find Chocolate Coconut Dream Roll a happy choice for most tastes. A simple sponge roll, it features an easy-to-prepare filling made with packaged chocolate pudding with tender shredded coconut added. When company is expected, a chocolate glaze topping and additional lacy coconut give just the right touch.

Chocolate Coconut Dream Roll
3/4 cup sifted cake flour
3/4 teaspoon double-acting baking powder
1/4 teaspoon salt
4 eggs (at room temperature)
3/4 cup sugar
1 teaspoon vanilla

Sift flour once and measure. Combine baking powder, salt, and eggs in bowl. Beat with rotary egg beater, adding sugar gradually until mixture becomes thick and light-colored. Fold in flour and vanilla. Turn into 15 x 10-inch pan which has been lined on bottom with paper. Bake in hot oven (400° F.) 13 minutes. Turn out on cloth which has been sprinkled with confectioners' sugar. Quickly remove paper and cut off crisp edges. Roll cake, rolling cloth up in cake. Let cool about 10 minutes. Unroll, spread cake with cooled

Chocolate Coconut Filling and roll again. Wrap in cloth and cool on rack. Spread Chocolate Glaze over filled roll and sprinkle with 1/2 cup shredded coconut.

Chocolate Coconut Filling. Place 1 package prepared chocolate pudding in saucepan. Add 1 3/4 cups milk and 1/2 cup shredded coconut gradually, stirring constantly. Cook and stir over medium heat until mixture comes to a boil and is thickened. Cool, stirring occasionally.

Chocolate Glaze. Melt 1 tablespoon butter and 1 square unsweetened chocolate in double boiler. Combine 4 teaspoons hot milk, 1/2 cup confectioners' sugar, and dash of salt; add chocolate mixture gradually, stirring to blend. While warm pour from teaspoon to glaze roll.

Dessert Dazzler CAKE OF THE MONTH!

By BETTY BARCLAY

So often on these hot sultry summer days our meals are planned around crisp, cool salads which usually means that we can splurge when it comes to dessert time. And just watch the family devour those salad vitamins when they know there's a luscious cake, such as the one pictured here, waiting for them to enjoy at the end of the meal. Richly moist and downy-tender is this devil's food cake. Superb eaten warm—swirled thickly with whipped cream and decorated prettily with shaved chocolate—it rates as a "summer special" when you use a cake mix. For then your cake will be in and out of the oven before you can say "Jack Robinson"—quite a feature these sultry days!

Chocolate Whipped Cream Dessert
1 package devil's food cake mix
1 1/4 cups milk
3/4 cup cream, whipped and sweetened
1 square unsweetened chocolate, grated

Turn cake mix into bowl. Add 1/2 cup of the milk, blend, then beat 2 minutes. Add 1/2 cup more milk, blend, then beat 2 minutes. Then add 1/4 cup milk and beat 1 minute longer. (Beat vigorously by hand or at low speed of electric mixer. Scrape bowl and spoon or beater often.)

Turn batter into 9x9x2-inch square pan which has been lined on bottom with paper. Bake in moderate oven (375° F.) 30 to 35 minutes.

Cool in pan 10 minutes, then turn out, remove paper, and turn right-side up on rack. While cake is still slightly warm, spread generously with the whipped cream and make a border around outer edge with the grated chocolate. Serve at once with iced coffee.

If desired, cut cake in squares while still warm, top with whipped cream, and sprinkle with grated chocolate. Serve at once.

"Covering the County"

By Fred Campbell, County Agent

On Thursday, August 13 at 8:00 p.m. there will be a meeting for all farmers and ranchers of Sterling County. Representatives from the PMA, Soil Conservation Service, Farmer's Home Administration and Extension Service will be present to discuss briefly the duties performed by their agencies. The purpose of this meeting is to have discussed by the farmers and ranchers ways by which these agencies can improve their work. Newsletters have been sent out by Mrs. Roxy Brock announcing the meeting. It is hoped that as many will attend as possible.

There has been a movement started by 80 counties and sponsored by the Texas Sheep & Goat Raisers Association and the Southwestern Cattle Raisers Association to have reduced freight rates on all livestock feeds shipped into this area. This subject has been discussed by the Sterling County War Mobilization Committee and the Lions Club. A petition is being drawn up and will soon be circulated among the ranchmen of this county. This petition will be taken to Austin and presented at a hearing before the Railroad Commission on September 13th.

"FAMILY TIES THAT BIND AND BIND" * * * * * Learn eleven common pitfalls every family should avoid. The assumption that being in a family entitles any member to step on the other members' toes seems to be universal, but creates many pitfalls and ruins countless lives. Read it in the American Weekly, that great magazine distributed with next Sunday's Los Angeles Examiner.

Behind The 8 Ball

Three fairly deaf old ladies were riding along on the train one time and they came into a station at which the train stopped. "Is this Wemberley?" asked on lady. "No," said the second, "This is Thursday." "I'm thirsty, too" said the third, so they all go toff and got a drink. 8—Ball

Channel Swimmers?

MIAMI BEACH, FLA.—Former Coast Guardsman Russell Tongay is busily training his two kindergarten-aged children, Kathy, 4, and her brother Bubba, 5, to swim the English Channel this summer. Several leaders of women's clubs in Miami have asked a juvenile court judge to prevent Tongay from going through with his plans, charging that he is exploiting the children. In above photo, Bubba (R) and Kathy are shown riding on their Dad's back during time out from training for the projected 19-mile swim.
