## Methodist Revival Starts Sunday

The Rev. W. J. Weimer said today that Rev. C. R. LeMond has been assigned to assist the Methodist church here in the forthcoming Texas United Evangelistic Mission which is getting underway throughout the state. The Rev. Mr. LeMond is the pastor of the Methodist church in Texhoma and is experienced in this work.

Preaching services will begin next Sunday at 10:15 a.m. and will continue each evening through the week at 7:30 p.m. LeMond will be the preacher in the services to which the public is cordially invited.

Beginning next Sunday and during the following week, members of the church will visit many who are not church members and encourage them to commit themselves to Christ and unite with the church.

Miss Pamela Sanderson will lead the singing in these services. Mrs. Anna Lee Johnson is to be the organist.

## Daughter Honored On Sixth Birthday

Little Cindy Lou Curry, daughter of Mr. and Mrs. John Curry, celebrated her sixth birthday anniversary with a party at the Community Center Tuesday afternoon of this week. Mrs. Gracia Northcutt, aunt of the honoree, assisted Mrs. Curry with the party.

Games were played, and balloons and candy were given for favors. A birthday cake formed the centerpiece for the table, and ice cream cups and cakes were served. The Alice in Wonderland motif was carried out, several of the little girls coming dressed as Alice.

Those present were Joybeth Stanley, Ronnie Allen, Billy Bauer, Edna and Olema Davis, Rosanne Foster, Temple Ann Foster, Kenneth Garms, Cecelia McDonald, Tommie Williams, Betty Jo Barrett, Joanna Murrell, Lee Douthit and Mrs. Dayton Barrett, Mrs. Ross Foster, Mrs. G. C. Murrell, and Lynette, and Mrs. Nan Davis. Gifts were received from Cathy Cope and Vicki June Johnson.

Benton Templeton, a resident of Sterling County the first part of the century, has been appointed attorney for the Federal Land Bank of Houston.

Mr. and Mrs. Roland Lowe will leave early Saturday morning for Dallas where they will visit their daughter, Dorothy Sue, a student at SMU and Roland's mother, Mrs. R. L. Lowe.

Don't forget the ball game tonight at 8:00 between Sterling City and Forsan on the local field.

## LIONS CLUB

Hugh Harzke and Johnnie Ozee were guests when the Lions Club met for the regular luncheon in the community center Wednesday.

Roland Lowe told of the scrap iron drive enlisting the aid of the school children, offering prizes to classes accounting for the most scrap. People having scrap are urged to bring it in and dump it on the lots just south of the News-Record. The proceeds from the drive will be used to redecorate the inside of the community center.

Secretary W. O. Batten read the reports of the club activities for the months of July, August and September.

Fire Chief R. P. Brown told of needing fire department volunteers and he told of the new truck being ready for service. The truck was on display at the luncheon.

Lion President Wm. J. Swann appointed a committee of three to draw up resolutions of respect to the family of Dr. W. B. Everitt. He was a charter member of the club and a past president.

He named on the committee H. M. Knight, Roland Lowe, and J. T. Davis.

Mr. and Mrs. Louis Bade spent the first part of this week in El Paso visiting Mrs. Bade's parents.

A large crowd witnessed the football game here last Friday night between Sterling City and Mertzton. The crowd paid a total of better than \$190 at the gates. Counting the pass entries, the crowd was estimated at more than 600.

## DISTRICT COURT IS OPENED HERE THIS WEEK; 3 BILLED

District Court got underway here Monday morning at ten o'clock with the convening of the grand jury. Three men were billed on burglary charges, but no arrests had been made at the time this paper is printed.

A Latin-American, Braulio Rodriguez, had his five year paroled sentence on a murder assault intent, revoked by Judge Sutton. He was charged with reckless driving since he started the paroled sentence. District Attorney is Earl W. Smith. John F. Sutton is the District judge.

The grand jurors used were Fred Allen, Julius Bade, Henry Bauer, Jim Butler, H. C. Dunn, Riley King, T. F. Foster, Kenneth Garms, Taylor Garrett, Fred Hodges, Ross Foster and W. R. Hudson.

A. W. Dearen was the walking bailiff and R. E. Martin was door bailiff.

A divorce was granted Martin Glynn Wright from Kathlene Wright. A civil suit styled W. Y. Bengel, Sr. vs. Mary Belle Bengel, suit to have deed cancelled and judgment for partition of land, was deferred until Friday morning of this week at ten o'clock.

## Rainfall Isn't Stacking Up This Year

ONLY 9.33 THIS YEAR SO FAR

The rainfall here in Sterling is not stacking up to even half the usual precipitation. So far this year only 9.33 inches have been measured at the J. T. Davis gauge here in town. Taking the figures from September 25, 1950, or over a year ago, only 9.74 inches have been chalked up.

The rainfall this year runs as follows:

January	.0
February	.28
March	.71
April	.68
May	2.55
June	1.51
July	.0
August	3.15
September	.45
TOTAL	9.33

And of course, it has not rained in October. At least it hasn't at the time this is printed.

## "Covering the County"

By Fred Campbell, County Agent

Dr. Schwatzenbach, veterinarian from Big Spring, will be in the locality on Tuesday, October 9. On this trip he will test cows for Bangs and TB and will vaccinate dogs and cats for rabies.

His route will be south, leaving town about 7:00 a.m. and going out the lane towards the L. F. Hodges ranch, south of Hodges, back to the Big Lake Road through Pat Jackson's, southwest on the Big Lake road, if necessary, and back to Sterling City. If time permits, he will cover the area from Sterling City to Broome. He will set up a vaccination station at the County well on the courthouse lawn for about 30 minutes to one hour after the trip south of town, which will most likely be around 4:00 p.m. Check with Sheriff Bill Green on the time of return.

It is urged that all persons having cows to be tested leave them in the pens during the day Tuesday. Please do not turn them out in a trap.

All persons having dogs or cats to be vaccinated for rabies, please contact Sheriff Green as he will know the approximate return of the veterinarian.

A similar trip through the rest of the county will be planned on that day for a later date.

Alvie Cole will contact all persons to be visited south of town. If anyone wanting cattle tested is not contacted, please contact, Alvie, Bill Green or the County Agent before Monday afternoon.

This is a very worthwhile program. Unpasteurized milk or butter from a Bangs infected cow can cause undulant fever in humans, and the disease causes contagious abortion in cattle. TB is also a dangerous contagious disease. It would be well for all persons having milk cows to have them tested at this opportunity.

The Lions Need Your Scrap Iron.

## STERLING ROMPS OVER MERTZTON 39-18

Sterling City stayed on the ground to romp over favored Mertzton here last Friday night. The Eagles who have showed a powerful air attack in previous games stuck to the ground and showed powerful running and blocking combinations to beat Mertzton going away.

Charley Davis continually ripped larger holes in the Mertzton line and refused to be stopped even after every man on the Mertzton club had tackled at him. Marshall Blair also got in some nice runs and several key blocks for his running mate, Davis. Blocking by Bobby Blair, Garland Cates, and Larry Glass proved invaluable, especially in the pinches. The Sterling City crew buckled down as Mertzton drove near their goal line and staved off several touchdown attempts. Gene Smith intercepted a pass that set-up a touchdown when Mertzton needed it most. Smith, a break-away back, also got loose for several long gains. Captain Davis also intercepted a pass and carried it all the way to pay dirt. Quarterback Earl Blair looked very good with his tricky ball-handling and he completed two important passes. Sterling City run a five-man line in pinches and it paid off by stopping several Mertzton drives.

On defense, Garland Cates got several bone-chilling tackles, along with Marshall Blair, who played very good defensive end. Larry Glass, who took his first turn at the line-backer post, was in on most of the tackles. Big Bobby Blair was in the Mertzton backfield so often, some of the fans might have thought that he was on of their backs.

## Play Forsan Here Tonight

Tonight (Friday) Sterling City takes on the Forsan football team in what should prove to be a very good game. The Forsan team is always ready to play Sterling City a good game because of rivalry which has been built up in the past. All in all, the game with Forsan will probably prove to be one of the most colorful games of the year as it is expected to be a wide open affair.

## Legion Sponsoring Oyster Supper October 12

The local American Legion Post is sponsoring an oyster supper at the Legion Hall on next Friday night, October 12.

They want a good number of citizens to attend and partake. A dinner of oysters with the trimmings will be served, it was announced.

Price per plate will be \$1.50 and "you can have all you will eat" it was said.

If you plan to attend, Legionaires would appreciate it if you would tell Mrs. Anna Lee Johnson. They want to get a rough idea of how many to prepare for.

## REYNOLDS FOSTER WAS THE FIRST TAXPAYER

Reynolds Foster, local rancher, was the first local person to pay his taxes this year. Reynolds was number one payer when the tax-paying started this week, on Monday, October 1.

A three per cent discount is earned when one pays his taxes in October, two per cent in November and one per cent in December.

Then of course, taxes must be paid by the end of January, or a penalty applies.

## New Red Cross Chairman

Miss Sue Nelson has been named as Sterling County chairman for the American Red Cross. Such announcement was made by Chesley McDonald, who has been serving in that capacity for several years.

McDonald, who lives on a ranch west of town, said he was to hard to reach to serve as chairman, so when Miss Nelson agreed to act, she was named to the post.

Miss Nelson is the assistant cashier of the First National Bank here.

Kenneth Fincher, son of the Orb Finchers, was run down by an auto last Friday at 12:10 just off the local school ground. He received shock, cuts and abrasions as he was knocked from a bicycle. The driver of the car figuring in the accident was Robert Knowles.

## DR. W. B. EVERITT, 84, LONG-TIME RESIDENT HERE DEAD

Dr. W. B. Everitt, 84, long-time resident of Sterling County, died in the Sterling County Hospital on last Saturday night at 10:30 o'clock.

Funeral services were held here Monday afternoon at 3:00 from the First Baptist Church. Burial followed in the local cemetery.

The Rev. C. D. McEntire, pastor of the Baptist Church and the Rev. W. J. Weimer, Methodist pastor, officiated at the services. Lowe Funeral Home was in charge of arrangements.

A minister of the gospel as well as a physician, Dr. Everitt, served as pastor of the First Baptist Church here for ten years. He practiced medicine here for 36 years.

He was a practicing physician for 62 years and a preacher for 37 of those years. He retired from the ministry here some years ago, after holding four pastorates.

He was active in civic affairs and helped organized the Sterling City Lions Club. He was an honorary member of that organization at the time of his death. He had been a Mason since he was a young man.

The Masonic Lodge was in charge of the funeral services. Pallbearers were S. M. Bailey, Harvey Glass, Jeff Davis, Hal Knight, W. W. Durham, and Earl Bailey. Burial was in the Montvale Cemetery.

Dr. Everitt retired from an East Texas Lumber concern as company doctor about five years ago. After he moved back to Sterling and prepared to settle down to retirement, the company pleaded with him to come back. He went back to Foster and served as the company doctor until he lost one of his eyes two years ago, then he retired for good. He had fixed up a n office in his home and tended some patients in order not to wither away. He was not content to idle his time away. He got critically sick and was taken to the hospital last week, dying on Saturday night.

Throughout his life, he was called on for speech making. He spoke at luncheon clubs, graduation exercises, rallies of all kinds, and religious meetings. He was an outspoken opponent of Communism, never missing a chance to speak out against it. During the war, he spoke at war bond rallies in East Texas, and was much in demand as a speaker.

Survivors include his widow and two sons, Clyde of Sterling City and Herman of Odessa. Three grandchildren and two great grandchildren also survive.

Dr. Everitt delivered both of his sons. He later converted them, baptized them, raised them to the degree of Master Masons, performed their marriage ceremonies and delivered their children.

Dr. Everitt was a recognized authority on snakebite. He never lost a snakebite case and was a recognized authority on such treatment.

He was a past president of the Tom Green-Eight County Medical society. He served as Santa Fe surgeon here for three decades.

Dr. Everitt was born in Clark County, Miss. on the Fourth of July in 1867. His parents brought him to Texas when he was four. He was reared on a farm in San Jacinto County in deep East Texas.

He slipped away from home one Saturday to take qualification examinations to teach school, successfully passing them. He started teaching two days after his 21st birthday at Red Rock in San Jacinto County.

Dr. Everitt graduated from the Hospital College of Medicine in Louisville, Ky. in June 1890. He later did post-graduate work at Tulane University in New Orleans.

Beginning his practice in Shepherd, Texas, the doctor stayed there 10 years. Then he moved to Goldthwaite, where he lived three years, then to Hamilton for six years. He served as Baptist pastor in each place.

## HOSPITAL NEWS NOTES

Patients in the Sterling County Hospital on Thursday of this week included Mrs. Will Atkinson, Mr. Lee Etheridge, Gomecindo Hernandez and Elviri Balderaz.

A Mertzton football player, Lawrence Sanders, was taken to the hospital last Friday night and x-rayed. A check showed no injuries, and he was released.

Kenneth Fincher, who was hurt when struck down by a car as he rode a bicycle, spent several days in the hospital before being released.

## Announcement

To our Sterling City patients

We now have a complete lens-grinding laboratory service so that we can make your glasses and fit them to you the same day that we examine your eyes.

It will help us if you will come as early in the day as possible so that we may make your glasses while you shop or visit in Big Spring.

## Capitalists at play!

-- the American Way!

### Capitalists?

Why, yes. Fishermen and fiddlers, bridge players and ball players . . . all kinds of Americans, in fact, are Capitalists . . . because most Americans are owners of the electric light and power companies!

It's like this: several million people—from every walk of life—are direct owners of these companies' securities. And some 75,000,000 are indirect owners—through

their life insurance and savings bank accounts! You see, when banks and insurance companies accept your money, they must invest it wisely. That's why so much of it goes into business-managed electric companies like the West Texas Utilities Company.

It's fair and fitting, isn't it, that the companies that serve nearly everybody are owned by nearly everybody?
