

Regional Title 6-Man Football Game Tonight

Game on Local Field at 7:30

The final Regional Title 6-Man Football game between the Christoval Cougars and the Ft. Davis Indians will be played here at 7:30 o'clock on the Sterling City Eagles Field. The game is being sponsored by the Lions Club, interested businessmen and local sportsmen. Adults tickets are \$1. Around 1500 hundred fans are expected to view the title game involving the winner of this district (Christoval) and Fort Davis, both having advanced from district through bi-district tilts.

The Christoval Cougars, coached by Michael Lehr and G. W. Tillerson won their district and then beat Eola in a bi-district game at San Angelo last Wednesday by a score of 61 to 25. The Fort Davis Indians, coached by "Dittle" Young has advanced through their own and bi-district tilts to the finals. Neither side particularly wanted to play at their home fields, due to lack of facilities. So, each team chose what was called their "home" or wanted site, and H. A. Chapple flipped the coin which gave the Christoval boys the win. Christoval had selected Sterling City as their "home" site while Ft. Davis had named Alpine.

Local sportsmen and businessmen are paying for a feed for the members of the two opposing teams that night. The printing of the programs and ticket expense being borne by the local group. The gate receipts go to the two teams involved. The "travelling" team will get \$125; then the officials are to be paid and the ball for the game bought; AND then the remainder split between the two schools. The officials are paid \$25 each. When Chesley McDonald was asked to be one of the officials, he agreed and said he would not take any fee, but that it could go into the "pot" for the teams. Other officials are Glen Greeborn and John Brayton.

From the looks of the lineups and weights of the two teams, the South Concho boys seem to have an edge, and should win handily. Lehr's and Tillerson's team is sparked by big Jack Pardee, who tips the scales at 205 and is a good ball carrier and passer and blocker and almost a team in himself. He has sparked the Cougars to victory all season and is not likely to be stopped tonight. Young's Indians are small and said to be fast, but what they can do remains to be seen in this title tilt.

The lineups of the two teams, along with pertinent information is as follows:

Wimodausis Club Has American Art Week Program

The Wimodausis Club observed American Art Week on November 22 at the community center, with Mrs. N. H. Reed presiding. Fifty members and visitors enjoyed the art exhibit of Mrs. Robert E. Lee of Big Spring. Mrs. Lester Foster introduced Mrs. Lee, a sister of Mrs. W. J. Swann. She gave a lecture on art followed by a chalk drawing while the recording of "Beautiful Isle of Somewhere" was played.

Mrs. Clyde Angel of Big Spring reviewed "Forty Odd" by Mary Bard.

Mrs. Lee's exhibit, both of her own and her pupils' works, consisted of landscapes, still life, portraits, and animals done in oils, pastels, water colors, etchings and copper work.

The hostesses, Mrs. H. L. Hildebrand, Mrs. W. N. Reed, and Mrs. Lura McClellan, had arranged autumn flowers throughout the club rooms in keeping with art week.

Mrs. W. N. Reed poured tea from a silver service from a beautifully appointed table laid with an Italian cutwork cloth, centered with an arrangement of red roses.

Out of town guests and visitors were Mrs. Lee, Mrs. Angel, Mrs. Robert Stripling, Mrs. Herbert C. Stepp and Mrs. Dean Johnson of Big Spring; Mrs. H. W. Cathey of Mertzon, Mrs. Scott Martin, Mrs. Floyd Carr, Mrs. M. A. Hambey and Mrs. Clyde Davis of San Angelo.

The date of the next meeting has been changed to Tuesday, December 8 at 6:30 at the community center. This will be a Christmas Social honoring the men.

Having Thanksgiving dinner at Mrs. D. C. Durhans and the Roy Morgans were Mr. and Mrs. Charles J. Harris and daughter, Jill, of Amarillo, Mr. and Mrs. Clyde H. Davis of San Angelo, and Worth and David and Bitsey Durham of Sterling City.

Christmas Parade Here December 17 at 2 P.M.

There will be the second annual Christmas parade here on December 17, announced D. D. Garrett of the W.O.W. this week. He said that the little Shetland ponies used last year would be back and all the trimmings with some added features this year.

The parade will start at 2 o'clock and will end on the courthouse square with old Santa giving out candy to the smaller children as before.

The local Woodmen of the World Camp is sponsoring the event. The head office in Omaha is helping again this year with expenses, it was said.

A western type Santa Claus will be on hand on his Palomino horse to beguile the kiddos, and the little ponies themselves will give a thrill to all ages, as they did last year.

D. D. GARRETT PLAYS WESTERN SANTA CLAUS IN BIG SPRING TUESDAY

D. D. Garrett, local horse fancier and trainer, took part in the annual Christmas parade and affair in Big Spring Tuesday night when he played Santa on his two-year-old Palomino "Platonio". Darrell was dressed as a western type Santa and the Chamber of Commerce had a platform constructed for him to do his act as Santa and put on a show with his horse. Darrell not only had candy presents for the kids downtown, but following the affair, he made the rounds of the hospitals for visits with the kids and they too got bags of candy.

Big Spring has the Christmas parade and opening of the Christmas season with such events annually. Darrell was asked to be a part of the affair some time ago.

Three Texas Christian University students were home for the Thanksgiving holidays. They were Larry Glass, son of the David Glasses; Ginger Lane, daughter of the Ray Lanes; and Mary Davis, daughter of the Jeff Davises.

Henry Bliznak, student in Sul Ross College at Alpine, was home for the holiday week-end.

The blood typing program for Sterling residents was discussed. It will be carried on sometime after the first of the year.

Names were drawn for the Christmas party which will be on December 18.

The topic for discussion was the "Teacher Shortage" with Mrs. Chesley McDonald in charge.

Afterwards bridge was played and high score was won by Miss Sue Nelson, bingo—Mrs. Pat Boatler and table cuts—Mrs. Bill Brooks, Mrs. William Foster, Mrs. Finis Westbrook, Mrs. Dayton Barrett and Mrs. Anna Lee Johnson.

When you see the Christmas seal do you ever wonder how it started?

It was born in Denmark, home of the fairy tales of Hans Christian Anderson.

Einar Holboell, a Copenhagen postal clerk, was sorting mail one snowy afternoon before Christmas, 1903, when he thought of the idea of a penny stamp to swell a fund for children's hospitals.

Authorized by King Christian, the first Christian seals were sold in Copenhagen in 1904.

Holboell's scheme outgrew his wildest imaginings, for before his death in 1927, he lived to see it spread to 45 countries.

The seals found their way to America on letters and packages and first attracted the attention of Jacob Riis who wrote an article about them. Few people, however, were interested in the idea.

Then, in the autumn of 1907, Emily Bissell, a public health worker, concerned about the fate of a small sanatorium, recalled the article and sat down to sketch America's first Christmas seal, a wreath of holly encircling the words "Merry Christmas."

With 50,000 stamps printed and nowhere to sell them, Miss Bissell at last enlisted the aid of a columnist on a Philadelphia newspaper. The idea caught and within a few weeks \$3,000 was collected.

The first nation-wide sale was held the following year and was backed by newspapers all over the country, religious and civic groups, and sponsored by the American Red Cross and the National Tuberculosis association.

Cadet Bill Wolff, who received a spine injury in a car accident near here this summer, is now in the V.A. hospital in Richmond, Va. It is reported that he now has the use of his hands somewhat, and hope is expressed that he may eventually regain more use of his muscles.

Lions Set Christmas Auction for December 17

The Lions Club members set December 17 as the date for the annual Christmas auction this year. This action was taken at the regular luncheon meeting Wednesday at the community center.

Members dined on barbecued venison Wednesday furnished by Jake Martin and R. P. Brown.

No Meetings Dec. 24 and 31

It was decided that there would be no meetings on Wednesday, December 24 and also the 31st. These days are Christmas Eve and New Year's Eve.

Sponsoring the putting up of the usual Christmas lights was discussed. A committee was appointed by President H. A. Chapple to look into the phases of decorating the town—whether it be with the usual lights up and down the main street or perhaps decorating the courthouse lawn with a tree or other Christmas effects.

Chapple named on the committee to see about the lights—Roland L. Lowe, Cecil A. Long and Oscar Dorse.

A Film Shown After Business

A film, titled "Merchant of Main Street" was shown following the luncheon and business meeting. G. W. Blackburn was in charge of the showing of the film.

P.T.A. Next Thursday

The Sterling City Parent-Teachers Association will meet at the school auditorium on Thursday of next week (Dec. 11) at 3:30 p.m.

George Blackburn is to give the devotional. Both first grade students will present a Christmas play.

Rev. Bruce Medford, pastor of the Methodist Church, will give the topic, "Lead, Kindly Light."

The president, Mrs. Henry Bauer and officers of the P.T.A. are urging parents to join and attend the meetings. It is pointed out that dues are only 50c per year.

ATTEND DISTRICT LOG ROLLERS CONVENTION IN BIG SPRING

The District (W.O.W.) Log Rollers Convention met in Big Spring last night and attending from here were Hal Knight, Bill Loven, C. C. Ainsworth, D.D. Garrett, George Davis, Ralph Davis, Jay Echols, Jim Butler, Jack Weeks and Roy Martin.

The president of the Woodmen of the World, Farrar Newberry, was present for the event.

E. P. Dudley, assistant manager of the A.T.&S.F. railway and E. A. Tusha of the same company, were here, Wednesday conferring with J. T. Davis on company business. Davis said, E. E. Gurley, president of the Santa Fe Lines had written him to the effect that the Morris Feed Yards, which have been closed since the Kansas-Missouri flood, are now to be reopened.

CONVENTION TO NATIONAL WOOL GROWERS

J. T. Davis and Mr. and Mrs. Fowler McEntire will leave this week-end to attend the National Wool Growers Convention in Chicago. While there they will attend the International Livestock Exposition.

Visiting the Nick Reeds and Mrs. J. A. Revell here during the holidays were Mrs. John Boyd and daughter, Forrestine of Houston.

Mr. and Mrs. Harry C. Lawson spent Thanksgiving weekend in San Antonio visiting their parents, Mr. and Mrs. H. C. Lawson and Mr. and Mrs. C. A. Deucker.

When Clell Ainsworth and Jeff Davis went deer hunting out near Presidio last week, they got a buck between them, said Clell.

The H. A. Chapples were visiting relatives near Rocksprings last week end and did a little deer hunting on the side. H. A. said he tried to get son Alfred a shot, but they brought back no deer.

Dorothy Sue Lowe, student in Southern Methodist University, returned to Dallas Sunday following Thanksgiving spent here with her parents, the Roland Lowes.

LET'S TALK
LIVESTOCK
BY TED GOULDY

Fort Worth—Receipts of all classes of livestock were considerably larger at Fort Worth and around the market circle Monday. Twelve major markets reported over 123,000 cattle and over 137,000 hogs. It was one of the largest hog runs of the season.

At Fort Worth cows were around 50 cents higher and bulls brought strong prices. Some early sales of fed yearlings were steady but most packers took a very bearish stand and before the day was over, many fed steers and yearlings cleared at 50 cents to \$1.50 lower prices. Short-feds fared the worst.

Choice fat calves ruled firm, but others were weak. Stocker trade was again featured by some strong sales on cows and on lightweight yearlings and calves of choice grades. However, demand was still very narrow and plainer kinds draggy.

Fat lambs were steady to strong, with some choice fat lambs around \$1 to \$1.50 higher. Slaughter ewes opened 50 cents higher. Other

sheep were fully steady. Hogs opened and topped Monday at \$17 to \$17.25. Sows sold for \$13.50 to \$16.00.

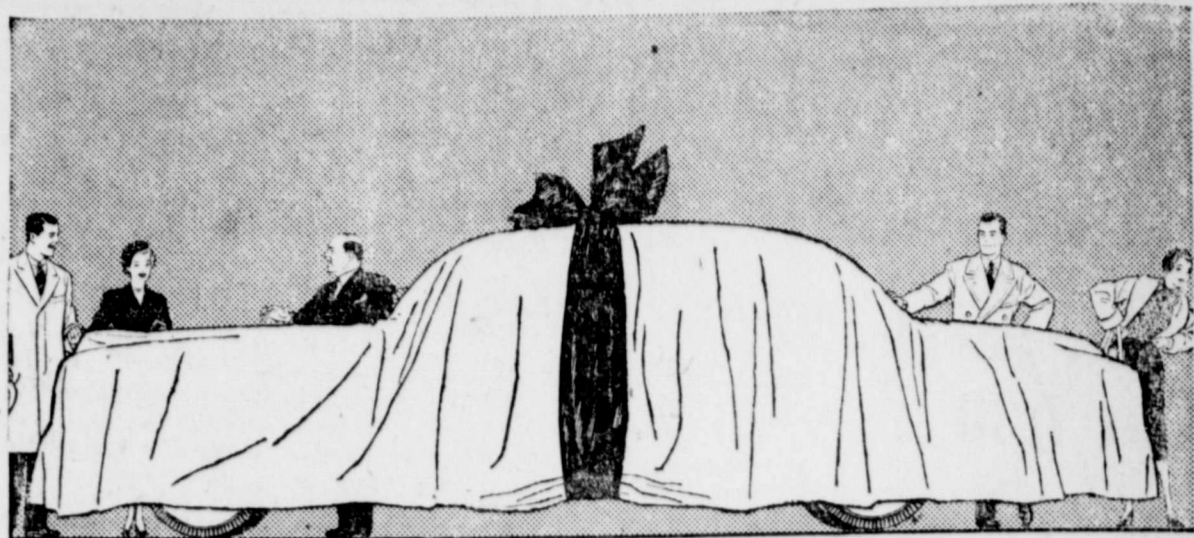

Good and choice slaughter steers and yearlings sold for \$22 to \$30. Plain and medium butcher sorts sold for \$14 to \$20, with many yearlings around \$10 to \$13.

Fat cows sold for \$14 to \$16, heiferettes \$16 to \$20, and canners and cutters cashed at \$10 to \$14 in most cases. Bulls brought \$10 to \$18.50. Good and choice slaughter calves cleared at \$19 to \$25, with some 500 and up upwards to \$28.50. Common and medium slaughter kinds sold from \$14 to \$18, with culls around \$10 to \$13.

Good and choice stocker calves sold from \$18 to \$23.50 and stocker steer yearlings ranged from \$23 down. Feeder steers sold mostly from \$21 down. Stocker cows drew \$10 to \$17. Heifer calves and heifer yearlings usually brought \$2 or more less than comparable steers.

Good and choice slaughter lambs sold from \$18 to \$23, a load at 92 pounds from Hill Brothers, Stanton, at \$25, a new top for the current crop. Shorn lambs with No. 1 pelts sold at \$21 downward. Feeder lambs cashed at \$10 to \$16. Slaughter yearlings sold from \$10 to \$17. Aged wethers drew \$10 down. Slaughter ewes sold from \$5.50 to \$3 and some breeding ewes sold for \$9 down. Old bucks sold around \$5 to \$3.
